

Rotan, Roby Get New UIL Athletic Realignment

Coach John Smith at Rotan and Coach Howard McDaniel at Roby seemed to take the recent 2-year re-alignment by the Texas University Interscholastic League in stride. They both play the same number of district contests.

Rotan will be a member of District 6AA for the next 2 years. They will be playing district games with Anson, Hamlin, Haskell, Hawley and Stamford. They picked up Anson, Hawley and Stamford and dropped Munday, Paducah and Seymour from the district slate.

Rotan non-district games will be with (in order of games played) Roscoe, Cisco, Munday, Clyde and Bangs.

Teams in AA competition come from schools with enrollment between 135

and 274. Rotan, as of last Tuesday, had an enrollment of 146.

At Roby, Coach Howard McDaniel announced that Roby will be playing a 5 team zone schedule. They will face Loraine, Garden City, Roscoe, Sands and

Forsan in zone competition. Non-district foes include (in order of games played) Aspermont, Miles, Bronte, Abilene Christian High School and Throckmorton. "Zone wise, we picked up Garden City and

lost Klondike", said McDaniel.

Other teams in the other half of zone competition include: Klondike, New Home, Wilson, O'Donnell, Ropesville, and Meadow. Roby's enrollment stands

'at 105, or 35 from the top figure in Class A enrollment.

The Roby basketball district for the next two years include: Aspermont, McCaulley, Rule, Old Glory, Paint Creek and Roby.

Bad Weather Slows Ginning Operation

Ginning at the seven Fisher County gins was extremely light for last weeks reporting period. Only a total of 52 bales were ginned. Wet weather

was the cause of the light production period.

Two Fisher County gins, Longworth Gin and Rotan Gin didn't produce a single bale of cotton last week.

Hobbs Gin produced 5 bales; Terry Gin 6 bales; Farmers Gin 10; Farmers Union Gin 21 and Sylvester Gin 10.

Yearly totals at the seven

gins are: Terry Gin 511; Farmers Union Coop Gin 360; Hobbs Gin 185; Rotan Gin 205; Sylvester Gin 149; Longworth Gin 110 and Farmers Gin 68.

Amendment Voting Begins Tuesday

Fisher County voters will have the opportunity to express their desires with respect to voting on eleven constitutional amendments on Tuesday, Nov-

ember 8th. Voting will take place at all Fisher County voting locations.

One Precinct-Voting Precinct #12, has a location change. Voters have been

voting at the Rotan Football Field House. Beginning on November 8th, voters will be voting in the East Foyer of the Rotan School Auditorium. Entry

to the foyer can be made through the south door, between the west end of the high school building and east end of the high school auditorium.

Ricky Spencer And Jennifer Wright Named County 4-H Gold Star Winners

Ricky Spencer, son of Mr. and Mrs. Richard Spencer of Roby and Jennifer Wright, daughter of Mr. and Mrs. Jimmy Wright of Roby have been named Fisher County's Gold Star recipients. Both 4-H'ers have been very active in 4-H and have participated in numerous projects, according to Pete Flores, County Extension Agent.

Ricky, a veteran of seven years has been very active in exhibiting lambs and steers at major stock shows, winning numerous ribbons. Among his qualities, Ricky has been instrumental in assisting

younger 4-H'ers with their projects and serves as a junior leader. His involvement has not been limited to steer and lamb, he has also been involved in leathercraft, automotive, horticulture, bicycle and electricity projects. Ricky is not a stranger to State 4-H roundup in the past he has attended as a member of the livestock judging team and electric demonstration.

He also serves as president for the junior leaders and is a delegate to District 4-H Council. This past summer Ricky attended the citizenship shortcourse

to Washington, D.C. and went to Iowa with the 4-H exchange program.

Jennifer, also a seven year member has been involved in many projects at County, District and State level. Through the years she has been active in showing steers at major shows and participated in numerous livestock judging contests. She has been a member of the Entomology, Livestock, Share-The-Fun teams and participated in Entomology Demonstration and Food Shows. She has made several trips to the State 4-H Roundup and come back with top placings. Jennifer is no stranger to horses, through 4-H she has participated in the District horse show, riding clubs and several riding clinics.

Jennifer is currently involved in exhibition of steers at major show and is a member of the Senior livestock judging team. She also serves as a project Foods and Nutrition leader for younger 4-H'ers.

During the District Teen Leader Lab, Jennifer was elected Treasurer for the District 4-H Council. This past summer Jennifer attended the Citizenship shortcourse to Washington, D.C. and went to Iowa in the 4-H exchange program.

Ricky and Jennifer truly possess leadership abilities and have proven this in their participation in 4-H. These youngsters are a credit to today's youth and are achievers. Through their involvement they are truly GOLD STARS.

Other winners are: Jill Posey, Achievement; Tisa Lovett, Citizenship; Evette Gruben, Cindy Gaspar, Community Improvement; Greg Gruben, Conservation of Natural Resources; Todd Matthies, John Shipp, entomology; Charla Wiley, Food Preservation; Michelle Burk, Home

November 8th Amendments Outlined

Almost lost in the flurry of an indicted attorney general, debates over dwindling state revenues, and lawsuits against gaint oil companies is the Nov. 8 election, just around the corner.

In what is expected to be an off-year low turnout, voters will either approve or disapprove 11 proposed amendments to the Texas Constitution.

The underlying theme of almost all the amendments is government revenues, either state or local, and aim at enhancing services without raising taxes.

The proposed amendments, in the order they will appear on the ballot, are:

AMENDMENT no. 1: Authorizes fewer justice of the peace and constable precincts in counties with a population of less than 30,000 and provides for continuous service by county officials when precinct boundaries are changed.

This amendment, skillfully authored by freshman Rep. Dudley Harrison, D-Sanderson, is aimed at reducing the cost of county government in rural areas which do not need as many as the constitutionally required four JPs and constables.

Harrison convinced the Legislature that some rural counties could get by with as few as one JP and constable, and their county governments could save revenues if they could drop the unnecessary salaries.

If approved by voters, county officials would have until Jan. 1, 1987 to comply with the new requirements which would designate new precincts according to population.

AMENDMENT NO. 2: Proposes to replace the limitation on the value of an urban homestead with a limitation based on size, with regard to the forced sale of the property.

Currently, numerous lots designated at a maximum value of \$10,000 are designated as an urban homestead and are exempt from any improvements.

AMENDMENT NO. 3: Would give the Legislature the power to grant agricultural producers associations the authority to collect a refundable checkoff of their product sales.

research, marketing, and educational programs relating to that particular industry.

AMENDMENT NO. 4: Authorizes the Legislature to provide for temporary succession to offices in the Legislature when a senator or representative becomes unavailable to serve during enemy attack emergencies

It also provides for suspension of certain constitutional procedural rules during emergencies caused by such an attack.

Grand Saline State Rep. bill Hollowell, a staunch veteran, authored this bill providing for the Legislature to operate under nuclear attack or war.

AMENDMENT NO. 5: Proposes to authorize use of the Permanent School Fund to guarantee school bonds.

This bill would aid local school districts with construction needs but unfavorable economic conditions for unaided bonding. The proposed guaranteed bond program would save school districts millions in long-term construction debt financing.

AMENDMENT NO. 6: Would allow the court to garnish wages for enforcement of court-ordered child support payments.

Current law prohibits the court from forcing part of a person's salary or wages to go to child support payments. Brownsville Rep. Rene Oliveira authored this bill aimed at parents who default on such

payments. This amendment does not allow any other sort of debt to be subject of garnishment.

AMENDMENT NO. 7: Authorizes \$800 million in state bonds to finance home purchase loans for Texas veterans.

Modeled after the 34-year old veteran's land program which helps vets buy 10 acres of land, the proposed program is aimed at the modern vet who may only want to buy an urban residence.

The program would be self-supporting.

AMENDMENT NO. 8: Allows local governments to exempt certain veteran and fraternal organizations from property taxes.

AMENDMENT NO. 9: Proposes to eliminate unnecessary delays in resolving certain court cases by allowing probate court judges to serve in other courts.

The 11 statutory courts affected by this proposal are located in Bexar (2), Dallas (3), Galveston, Harris (3) and Tarrant (2) counties.

If approved, judges sitting on these courts could sit state-wide according to an assignment system that would be provided by the Legislature.

AMENDMENT NO. 10: Intends to allow cities that replace or relocate sewer lines to enter into agreements with private property owners to build sewer laterals.

If the homeowner agreed, the city could make assessments over a five-year period to pay the cost of connecting the house to the main sewer line.

AMENDMENT NO. 11: Proposes to change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and would eliminate the Governor's power to revoke paroles.

If approved, the membership of the Pardons and Paroles Boards would be changed to a composition authorized by the Legislature.

Currently, the three

board members are appointed one by the governor, one by the Chief Justice of the Texas Supreme Court, and one by the presiding judge of the Court of Criminal Appeals.

Economists predict Live-stock prices should show a slight improvement for the rest of the year, but 1984 could bring some strong gains for cattle, hogs and lambs.

Cattle prices should remain fairly stable with only modest gains in fed cattle supplies for the rest of 1983.

Cattle feedlot marketings should be just under a year ago during the July-September quarter but down sharply in the last quarter of the year. Hog slaughter is expected to remain high through the rest of this year but will drop seasonally in the first and second quarter of the new year.

Prices for fed cattle and for yearling feeder steers are expected to average in the low \$60 per hundred-

weight during the remainder of 1983, while feeder steer calves could average near \$70. Utility cow prices should stay below \$40 and will likely dip into the low \$30 by fall. Good grazing and rain would help prices considerably.

For 1984 prices should rise, with the strongest increases occurring in the second quarter of 1984. Choice fed steer prices may average in the mid-to upper-\$60 by then. Prices for yearling feeder steers will move slightly below fed cattle prices but could move back into a premium in 1984. Utility cows should average in the low \$40 during most of next year.

Hog prices are expected to average \$38 to \$42 per hundredweight for the rest of the year, but they should increase to an average of \$42 during the first quarter of 1984.

And, Choice lamb prices at San Angelo in 1984 could average \$2 to \$6 higher per hundredweight than the mid-\$50 price of this year and should be fairly stable for the rest of this year.

INFERIOR OFFICE PRODUCTS

Most businesspeople have received calls offering incredible buys on office products. As often as not, the caller will know you by your first name, may know the type of copier or other office machinery you own, and is a very friendly, polished salesperson.

Many of these telephone solicitations are for inferior and overpriced products. The words used by the salesperson to describe the products are carefully chosen to lead you to believe that the products are designed specifically for your office machines. If he has less than a quality product at a fair price, he will avoid talking about the quality. Most of these salesperson require that your order be placed immediately. They will not offer you a telephone number or a street address at which they can be contacted, and as often as not, they have no product catalog or literature.

Since quantity descriptions such as a carton or case don't have uniform meanings, you may be buying quantities to last several upcoming generations.

When all is said and done, you may have paid a price higher than charged by your local supply store; and the quality may be such that you decide against using the product altogether.

Don't deal with a new supplier over the telephone until you have verified through some reliable source that the person is legitimate. Don't offer your credit card number or accept COD shipments until the product has been received and inspected as satisfactory.

If you feel you have been the victim of shoddy telephone merchandising, try to get restitution through correspondence with the company. If this fails, contact your local Better Business Bureau and, if appropriate, the postal inspector.

Not all telephone solicitors market bad merchandise, but it's in your best interest to know who you are dealing with on the other end of the line.

You can't help loving this little pup. Maybe it's because he seems so out of proportion. If he somehow were able to flop those ears he might fly away.

Perhaps there is a little fellow in your home who is "all ears" in another sense . . . a youngster who takes in everything that's said, including some things he isn't meant to hear.

Most children are eager to listen . . . hungry to learn. That is why the early years are so important in the molding of a child's character. The things he hears, whether right or

wrong, make a deep impression on his mind. They are soon reflected in his actions and words.

Wise parents take advantage of the Church's program of religious education in implanting those early impressions. They know there is no surer builder of character than religious faith.

NOW . . . while your child is eager to hear and to learn, bring him to church . . . and support the Church in its great undertaking.

REMEMBERING WHEN: Five Rotan old timers got together last Saturday for a staged photograph of the 1930's that gave everyone the opportunity to remember. Identified (L to R) Hooper Shelton in chair; E.T. Warren, cutting Shelton's hair; Gayle Cayce (in chair) getting haircut by A.B. Parker and H. Govan simulating a shoe shine. A popular gathering place, Ideal Barber Shop, those remembering the 1930's could recall that a shoe shine was 10 cents.

County History Book Printed

"The First 107 Years of Fisher County History" has been completed and is now in the hands of the printer and is expected to be bound, ready for delivery in early December.

The 304 page history was written, compiled and published by Fisher County Historical Commission in collaboration with Hooper Shelton. Every member of the Commission had a part or did work on this production, which is expected to be one of the best county histories published in recent years.

The 304 pages will be bound hardback in attractive gold stamped cover with appropriate dust jacket by Alice Ballinger.

With such research she shows Indian and Explorers trails as well as important historic points. This 3-color dust jacket with map marks finishing touches of the book.

An interesting 2-page spread showing original plat of the first planned town in the county-Fisher is a collector's item. This was unknown until recently when Mack Blair found it in an abstract to his farm at old Fisher, better known as North Roby. Introduction by Dr. Rupert N. Richardson, President emeritus of Hardin-Simmons University.

Among chapters usually found in county histories, numerous new phases appear including Early Inhabitants of Fisher County-the Folsom site near Sylvester; The Archaeology of Fisher County; history of Extension Service in the County and the County Fair and Rodeo. Good history of each town and community as well as churches, schools, etc. appear.

Pre-publication orders indicate splendid response by citizens. Special financial assistance by two good friends of the Commission enable them to offer the book at pre-inflation price. This is normally a \$20 to \$22.50 book. Pre-publication price is \$12.50 plus tax, \$13.12 until day of delivery of books. On this day the regular price \$14.50 plus tax will be effective.

Neva McQueen of Rotan won the shotgun given by the Roby Fire Dept. at their annual Turkey Shoot Sunday. The dept. would like to thank all of you for your support and of this annual event.

Rotan played a respectable game against District 4AA Championship Hamlin in front of an overflowing 1983 Homecoming crowd last Friday night.

The game was a 0-0 standoff through the first half of action, except for a Hamlin field goal with 23 seconds left in the first half.

The Yellowhammers opened the annual contest by winning the coin toss and electing to receive. Charles Williams fielded the kickoff at the 21 yard line and returned it to the 37 yard line.

Rotan picked up two first downs on the opening drive, the first on a quarter back sneak by Greg Gruben and the second on a drive up the middle by

Connell Johnson. Rotan's Tim Carrillo punted to Hamlin on 4th down from the 32 yard line to end the drive.

Eddie Bolden, the Pied Piper running threat, fielded the Carrillo kick and returned it 60 yards, but a fumble by Bolden

gave Rotan the ball at the 35 yard line. Rotan recovered the second fumble in as many Hamlin possessions when John Pease recovered a loose ball at the 28 yard line.

Early in the second quar-

ter of action Charles Williams picked off a Hamlin pass for an interception. The offensive series didn't produce any significant gains by the Yellowhammers and Carrillo was once again called on to punt on 4th down.

Hamlin, on their final possession of the first half, drove 74 yards and settled for a 4th down field goal to take a 3-0 lead to the locker room at halftime.

Rotan put on a strong defensive attack in the opening series of the second half, forcing a Hamlin punt, after the Pied Pipers faced 4-1 from the 32 yard line.

Rotan took over on the 34, Connell Johnson carried to the 37, Gruben completed a pass to Endgate Adkins for a 1st down to the 46 yard line, then a fumble by Johnson gave

Hamlin ball possession at the 45.

Two Rotan penalties, unsportsman like conduct, gave Hamlin a 1-10 from the 24, two plays later the Pied Pipers crossed the goal line and jumped to a 10-0 lead.

On Hamlin's next possession they scored again with J. McGee, busting up center for 44 yards. Grissom's extra point gave the Hamlin team a 17-0 lead.

The final Hamlin score came early in the 4th period as Quarterback Lawliiss scampered 23 yards giving the Pied Pipers a 23-0 lead. Rotan's Messick blocked the extra point kick.

Rotan travels to Haskell on Friday for the final district game. If Rotan defeats Haskell on Friday, the possibility looms that Rotan could be the 2nd team to represent the district in the 1983 playoffs.

Reception Planned For New Doctor

A welcoming reception has been planned for Dr. and Mrs. Elmer Hawkins and Mr. and Mrs. Jim Hawkins for Sunday afternoon, November 13th, between 2:00 p.m. and 4:00 p.m., according to Fisher County Hospital Administrator Gary McGee.

All Fisher County resi-

dents are welcome to come by the Fisher County Clinic, greet the newest Fisher County doctor and his business manager and families and make them welcome to Fisher County.

Refreshments will be served by the Fisher County Ladies Auxiliary.

TURNER RUNS: Sammy Turner, Rotan running back, picks up needed yardage last Friday against Hamlin. Rotan was defeated by the Pied Pipers 23-0 and face Haskell this Friday in the final scheduled district tilt.

Forsan Shuts Down Roby, Roscoe Next Foe

The Roby's Lions traveled to Forsan Friday and played a good game, but lost the game to the Buffalo by the score of 20 to 0. Forsan scoring 14 points in the last 3 minutes of the game to make a one sided score of a good game.

The Lions hurt themselves with penalties and turnovers. Roby suffered 4 turnovers, 3 being interceptions and 1 fumble.

In the first quarter each team had the ball for 3 possessions. The Lions in the first quarter rushed for 32 yards and passed for 18 yards, they had one first down. The Lions suffered

their first turnover on their second possession, when the Buffalo intercepted a pass. Forsan had 66 yards rushing in the first quarter and had 2 first downs, they had a punt blocked on their second possession, the block was made by Roby's Dennis Owens.

The second quarter started with the Buffalo's in possession with a second and goal for the 8 yard line. On the first play of this quarter the Buffalo's went in for their first score of the night. The PAT kick was good and with 11 minutes and 54 seconds

left till half Forsan led 7 to 0. Forsan had 3 more possessions in the second quarter. They rushed for 14 yards and passed for 35 yards and made 2 first downs. The Lions had 3 possessions in this quarter, and had a touchdown nullified by a penalty. Roby's Frankie Gonzalez return punt 70 yards for an apparent touchdown but a late flag against the Lions erased the 6 points. The Lions rushed for 38 yards and had no first downs in the second quarter. The first half ended with Forsan leading 7 to 0.

The 3rd quarter saw Forsan with 3 more possessions, the Buffalo rushed for 33 yards and passed for 12 and made 3 first downs. The Lions had the ball only twice and rushed for 20 yards and made one first down.

In the fourth quarter, the

Lions had 4 possessions but suffered 3 turnovers. Two being interception and a fumble, despite the 3 turnovers the Lions moved for 53 yards. Totals yards in this quarter, 19 by rushing and 34 by air, they also picked up 2 more first downs. The Buffalo's also had the ball for 4 possessions, scoring on their last 2. The Buffaloes second score of the game came on the 3rd possession of the final quarter, it was a good

drive that covered 47 yards in 11 plays. The PAT kick was good and with 3 minutes left in the game Forsan had a 14 to 0 lead. On their next possession the Buffaloes broke for a 45 yard run for their third touchdown of the night. The PAT was no good, and the final score read 20 to 0. The Lions will end their season this week at home when they play the Flow-boys from Roscoe, Friday at 7:30 p.m.

Hornets Defeat Roby

The Roby J.V. team hosted the team from Aspermont Thursday and lost to the team by the score of 6 to 0.

The young men from Roby played a good game against a good, more experienced team from Aspermont. The Lions showed good defense and spurts of offense.

In the first quarter, the Lions ran only 4 plays to the 19 ran by Aspermont.

In the second quarter, Roby ran off 16 plays to Aspermont's 11, but the Hornets were able to score on their first possession of the second quarter. The PAT run was stopped

short. Their third possession was stopped when Roby's Darry Thomson intercepted a Hornet pass.

In the third quarter Roby ran 16 plays to Aspermont's 7, but the Lions were unable to sustain a drive, once getting to the Hornets 36 and then getting to the Hornets 19 before being stopped short of first downs. The Hornet suffered their second pass interception of the night on the first possession of the third quarter, this one being picked off by Roby's Todd Donham.

In the fourth quarter, Roby ran only 5 plays and suffered a fumble. The Hornets ran off 23 plays again good defense by the entire team kept the Hornets from the end zone.

The final score was Aspermont 6, Roby 0.

Roby Cubs Defeat Hornets

The Roby Cubs played a good team from Aspermont Thursday and the Cubs came out winner by the score of 22 to 6.

It was a real good game with both teams scoring in the first quarter. The Stingers scored first, the Cubs fumbled the first play of the game giving Aspermont the ball at the Cubs 32 yard line. In four plays the Stingers scored, and with the PAT run being stopped, Aspermont jumped out to a 6 to 0 lead. The Cubs came right back, on the 3rd play of their next possession, Shalon Thompson broke for a 59 yard touchdown run, but a

penalty against the Cubs brought the ball back to the Stingers 38 yard line. On the next play, Thompson, ran the same play for the touchdown that stood, the PAT run was stopped. The score now was tied 6 to 6.

Final Rites Conducted For George W. Wortman

George Washington Wortman, 88, retired plaster contractor died Oct. 17th in the Methodist Hospital after a brief illness. Services were at 2 p.m. Oct. 20, at Sander's Funeral Chapel with great grand son Gary Gee officiating. Special music was by four grandsons as previously requested by Mr. Wortman. Interment, Peaceful Garden's Memorial Park under the direction of Sander's Funeral Home.

Born Feb 22, 1885 in

Oklahoma. Mr. Wortman came to Texas with his parents as a small boy. He was reared and educated in Lubbock.

He often entertained the younger members of his family by reminiscing about seeing the city of Lubbock progress from a three roomed school house to a lively city with several colleges and Universities. Many of the schools, University of Texas Tech., Lubbock Christian College, churches and hospitals bare Mr. Wortman's craft. Mr. Wortman built

and donated the first cottage to Lubbock Children's Home. Many of his works are in churches from Stamford, Wichita Falls, Texas.

He was a director of the board for Whiteface School for Wayward Girls for many years. He retired in 1977. He maintained an active interest in the school until his death.

He was a 32nd Mason, where at one time or another he held every post of the chapter. He was an honorary member of the Lion's Breakfast Club, and taught a Sunday School class for youth in the First Baptist Church for many years. He was a Baptist.

A Memorial Fund has been established in his honor to help rehabilitate wayward girls. His request that memorials be sent to one's favorite charity or The West Texas Rehabilitation Center, 4601 Hartford, Abilene, Texas, 79605. Mr. Wortman did some of the first plaster work on what West Texans refer to as "The Rehab Center".

The family can be contacted at 5720 78th, Lubbock, Texas 79424. Survivors are his wife Lelah, two son's, Paul of Harlingen, and George Vernon of Lubbock. Two daughter's Ms. Laura Harrelson and Betty Carrington of Houston. One son, Ralph

Wortman and a sister, Ora preceded him in death.

Other survivors are two step daughter's, Mrs. Robert Buck (Kay), Roby, Mrs. Johnny Crabtree (Judy) of Lubbock, four stepsons, Lee and Sammy Meeks of Austin, Harrel Meeks of Temple, Weldon

Meeks of Lubbock, and 39 grandchildren, 19 great-grand children, 17 great-grand grandchildren.

Honorary pallbearers were Directors of Lubbock Orphan's Home, and Whiteface School for Girls. Pallbearers were grandsons.

Hints For Homemakers

Wanting to make the ever popular blazer, but not sure about tackling it? If you're one of those people, you'd like to have a copy of our publication B-1355 "Tailoring for Today".

Bettie Rivers in Roby and I discussed making a blazer this week. Bettie took the publication and is making the blazer. I'm always here to help if you don't understand all you need to know or get to a place you don't know what to do next.

The publication includes many techniques borrowed from the industry of ready made garments which speeds up your construction. Among the techniques described in

the publication to make a more professional looking garment are applying twill tape to the seam line and roll line of the lapel area. Applying back reinforcement, sleeve head and shoulder pads and possibly most important, putting the lining in totally on the machine.

We conducted a blazer construction workshop about two years ago, but have learned some new techniques since then.

If you are interested in constructing your own blazer to save some money on your clothing budget, contact my office in the courthouse or call 776-2171 and I'll be happy to help you with any problem you may have.

HOMEcoming CROWD: A sellout crowd of Rotan ex-students and friends were on hand last Friday night for the homecoming game between Rotan and Hamlin.

"Pity The Poor Firemen"

When the fire trucks are delayed 40 seconds in traffic, people say, "It took them 20 minutes to get here." When the truck races at 40 miles per hour, it's "look at those

reckless fools." When four men struggle with an eight-man ladder, "They don't even know how to raise a ladder." When firemen open windows for ventilation to reduce heat

in fighting a fire, "look at the wrecking crew."

When they open the floor to get at the blaze, "there goes the axe squad." If the Chief stands back where he can see and direct his men, people say, "he's afraid to go where he sends his men."

If they lose a building, "it's a lousy fire department." If they make a good stop folks will say, "the fire didn't amount to much." If a lot of water is necessary, "they are doing more damage with the

water than the flames."

If a fireman gets hurt, "he was a careless guy." If a citizen gets hurt, "it's

a crazy department." If a fireman inspects a citizen's property, "he's meddling in somebody's business."

If he want a fire hazard corrected, "I'll see the Town Manager." If they want more equipment, people say, "Why? We never have any big fires." If he gets killed and leaves a family destitute, "that's the chance he took when he joined the fire department."

Ruffles And Spurs Monthly Dance Meet

The Ruffles and Spurs Square Dancing Club will have their monthly dance, Saturday, November 5th at 8 p.m. at the Pink Building on the Roby Fairgrounds.

BELL CREW: The Roby Lions hope the bell crew will be active this Friday night as they face Roscoe in the final district contest. Identified (l to r) Sharron Haggard; Kerrie Upshaw; Sabrina Herron and Susan Gaona.

Hustlin' Round Hobbs

By Joy Walker

Well, another good week, with some more much needed rain. We measured almost 2 inches here on Monday night, and it sure fell slowly and the pastures are really beginning to green up after all that moisture. Saw some wheat over around Hamlin which really does look good after the rains. Other than the rain, we have been having almost perfect weather, just about right.

J.C. Cave is still improving and he has had lots of company from around here during this past week. Also Mr. and Mrs. Don Cave from Farmington, New Mexico, visited with

J.C. and Alice for a few days during the week.

Mr. and Mrs. Randy Etheredge attended the Quarter Horse Show in Odessa Saturday and Sunday, and Randy showed and rode in the show.

Mr. and Mrs. David Etheredge from San Angelo spent the weekend visiting with the J.W. Etheredges.

Mrs. Opal Phillips has just returned from a visit in Post with her son and his wife, Mr. and Mrs. Glenn Phillips. She went on Friday and returned home Monday.

Congratulations to Teresa Ratliff, daughter of Mr. and Mrs. James Ratliff, who was crowned Homecoming Queen at the Football game Friday night in Rotan. Mr. and Mrs. Tracy Knipe from Snyder and Mr. and Mrs. Jim Ratliff and Jeff Smith all from Abilene, attended the football game Friday. They all spent the night with the Ratliffs. Mr. and Mrs. Jim Brooks and family from Marble Falls spent the weekend visiting with the Ratliffs and Saturday they all attended the Rotan Homecoming festivities.

Tuesday Jim and I went to Snyder and visited with Mr. and Mrs. W.D. Myers, also Jim's sister, Mrs. Ola Mae Myers, who seems to be getting along just fine. Then we visited with Mr. and Mrs. Blake Walker at Ennis Creek that afternoon. Thursday we were off to Hamlin to watch the 7th and 8th grade team play, also the Junior Varsity. Friday we attended the Pep Rally and the football game at Rotan. It was Rotan's Homecoming and they sure had a big crowd, I believe it was the biggest crowd they have ever had; we played Hamlin. Saturday we went to Abilene for the day, and it was really crowded down there. Mr. and Mrs. Dutch Parks and family ate Sunday dinner in the home of Mr. and Mrs. J.D. Kincaid.

That's all for this week, missed some of you, but with the beautiful weather we have been having, lost of folks are outside or gone. See you next Thursday.

Please accept our gratitude for the food, flowers, and memorial gifts during this time of sorrow. May God Bless You.
