

New officers elected at First State Bank, Spearman

PRESIDENT JIM SHIRLEY

EXECUTIVE VICE-PRESIDENT MIKE SCHNELL

C. A. Gibner, Chairman of the Board of First State Bank, Spearman, Texas, has announced the following promotions and re-election of officers as a result of the January 1983 Board of Directors meeting.

Jim Shirley has been named President, and Michael Schnell has been named Executive Vice-President of First State Bank. Jim has been with First State Bank since 1976 and has served mainly in a lending capacity. Mike has been with First State Bank since 1979 and has been involved in loans and investments.

Newly elected officers are Muriel Boyd, Assistant Cashier and Debi Baskin, Auditor.

J. W. Gibner was re-elected Senior Vice-President, Verna Lee Shirley as Vice President and Trust Officer, and Larry Trosper, Assistant Vice President.

Felma B. Evans will continue as Cashier for the bank, Lynanne Maize as Assistant Cashier, Arbeta Nobles as Executive Secretary, Betty Elbert as Administrative Assistant and Sharon Sutton as Data Processing Manager.

The Chairman and his staff of officers at First State Bank have a combined total of 220 years of experience in banking in Hansford County. The officers and employees of First State Bank will continue to strive to bring each of its customers the first class service they have come to expect and deserve.

Spearman depot to close Feb. 7

The Railroad Commission of Texas has granted Santa Fe Railway authority to make Perryton a regional freight office (RFO) and close the agencies at Follett-Darrouzett-Booker and Spearman and consolidate their work at the RFO. Implementation will take effect Feb. 7.

The Perryton RFO will have jurisdiction over all operating and accounting functions for shippers in the affected area.

R.E. Day, assistant agent at Amarillo, has been named manager of the RFO.

Customers in the affected area may call a toll-free number, 1-800-692-4175, for assistance.

"The change is designed to improve service to Santa Fe customers," D.P. Valentine, general manager-Western Lines, Amarillo, said. "The implementation of a system-wide computer system has

made the RFO concept feasible. Improvement in service will come through the use of computers at the Perryton office," he explained. "The Perryton RFO has direct access to Santa Fe's central processing unit at Topeka, Kans. This will enable the customer service representative to respond quickly to customers' needs."

The railroad has already made the shift to regional offices in California, Kansas, and parts of Texas, creating regional freight offices across the railroad's 13-state system.

Historical Commission

interested in depot building

A spokesman for the Hansford County Historical Commission said Friday, that the

Commission is interested in obtaining the Santa Fe Depot in Spearman. The railroad depot here will cease operations Feb. 7 with freight business being handled by the regional center in Perryton.

The acquisition of this building would be great for the county and it is hoped they will be successful in obtaining the structure to help preserve the county's past history.

The Christian Youth Fellowship will have a Spanish Luncheon on Sunday, January 30, from 12:30 to 2:00 p.m. in the Fellowship Hall of the church. There will be "Super Bowl" take-out orders, beginning at 12:30 p.m. The cost will be \$4.50 for Adults, \$2.50 for children over 6, children under 6 are free. You can call or come by for the take-out orders.

Ribbon Cutting

The Ambassadors of the Spearman Chamber of Commerce will have ribbon cutting ceremonies at the WOOD-CRAFTER at 1:15 p.m., Tuesday, February 1, 1983. Everyone is invited to attend. Terry Womble is the owner and they have some very unique items and they make things to order. Stop by and visit Terry and Bruce and welcome them to the business community of Spearman.

Architect hired for city hall repair

While the Spearman city council in regular session, Tuesday night, addressed matters of the 1981-82 fiscal audit, gas rates and a "behavior" ordinance for the sanitary landfill, upmost in all minds was the physical state of the fire-damaged city hall building.

City Manager Jim Murray reported that while an architect had been employed, no technical assessment of the structure had been made. Pat Tunnell of the Amarillo architectural firm of Ensign and Tunnell will be the architect for the restoration program.

City Manager Murray also reported, in this same area, that the IBM people had checked out the battery of electric typewriters used in the administrative office and recommended thorough cleaning and possible adjustments. It was not believed there was any serious damage to these units.

While no decision had been reached on file cabinets and office furniture, it was felt the furniture in the council meeting room could be restored for much less than replacement. However, final decision here also rests with an examination by furniture people.

Spearman Mayor Ralph Blodgett suggested the appointment of Councilmen Ed Garner and Bob Pearson as "watchdogs" over the total restoration project, to report back to the council any findings or opinions.

The council quickly endorsed this idea.

The matter of the consumer gas rate was explained in this way: as with most utilities companies these days, High Plains Gas wanted a rate increase. After negotiations with the source of the city's natural gas, the company and the city reached an agreement subject to council approval. It was given.

A natural gas consumer will -- when the new rates go into effect -- pay \$2 more for each 20-mcf of natural gas consumed. City leaders and consultants to the city on the matter felt this was much better than going through the Public Utilities Commission to negotiate with the company for an increase. This would have meant trips to Austin, legal fees -- and possibly the PUC might grant a greater rate increase. All expense associated with this mode of dealing with the rate increase request would have been on the shoulders of the consumer, too.

So, High Plains Gas is happy; the city feels fortunate -- and leaders hope to pass that feeling of good fortune on to gas consumers.

There was one more liaison councilmen approved Tuesday night. They voted to enter into an agreement with the city of Amarillo for that city to use a

specialized van it has, staffed by experienced technicians to evaluate a sewer problem the city has between First and Coleman streets.

The panel was also quick to approve an ordinance restricting the use of unauthorized firearms at the city "dump." The same ordinance would also curb the use of the city's sanitary landfill for speeding up and down the hills of the landfill's terrain.

At this point, a member of the city's auditing firm appeared and the council had no questions at the moment and tentatively approved the report pending a more exhaustive study.

Monthly bills were reviewed and approved for payment and dates were set for the regular session in February. They are Feb. 8 and 22.

During the interim operation of city hall, council meetings will be conducted in the conference room at B & B

Freeman Barkley, Georgia Holt, and local Cancer Unit receives award!

In the foreground, pictured above, Freeman Barkley receives his 30 year pin from Local unit director Patsy Hunt. In the background, left to right, Jerry Hunt, Georgia Holt, Sandy St. John, Arbeta Nobles, Clementine Renner, Betty Davis, Fran Maupin and Wylee R. Maupin.

This newspaper joins in saluting this wonderful group of Hansford County people, who do so much to help with one of our most serious health problems. And, an especial thanks to Ralph Blodgett for use of his building for the meeting.

The Hansford County Unit of the American Cancer Society met in the beautiful B and B Farm Industries Conference room at noon Thursday, to award some of the members some truly outstanding awards.

Freeman Barkley was presented a 30 year service award, which was a beautiful gold pin. He had already been awarded a 25 year diamond pin for his service to the American Cancer Society, Hansford Unit. The award read, "The American Cancer Society, Inc., expresses its sincere appreciation for the loyal and valuable service to the control of Cancer rendered by FREEMAN BARKLEY, in testimony whereof we are privileged to bestow this CERTIFICATE OF THIRTY YEARS SERVICE, done in the city of New York, N.Y. this 12th day of August, nineteen hundred and eighty two. Robert W. Hutter, President, Willis J. Taylor, MTZ vice president.

The Hansford County Unit also received an "Award of Merit" for exceeding the per capita income goal of the Texas Division in the 1982 Crusade to Conquer Cancer, Research, Education, and Service.

D.A. Sears, President, and Ted Smyer Crusade Chairman.

Georgia Holt, of Gruver, received an award from the American Cancer Society for "exceeding the per capita goal of the Texas Division in the 1982 Hansford Unit Crusade to Conquer Cancer, through research, Education and Service. Signed by D.A. Sears, president, and Ted Smyer Crusade Chairman."

Because of the splendid service furnished by the Hansford Unit, they were certified to: having met the standards appended hereto and, by the acceptance of this Certificate of Authorization, and having agreed to abide by the regulations prescribed by the American Cancer Society, Texas Division, Inc., is a duly qualified Unit thereof.

The Unit is authorized to choose annually one Delegate Member of the American Cancer Society, Texas Division, Inc., under the Division's immediate direction within the territory herein-before assigned subject to and in accordance with the program policies and the financial policies of the American Cancer Society, Texas Division, Inc.

This Certificate of Authorization is issued subject to the right of suspension or withdrawal set forth in the By-Laws of the American Cancer Society, Texas Division, Inc., and shall continue from year to year upon satisfactory proof that the holder has continued to meet the standards of the American Cancer Society, Texas Division, Inc.

Members of the Hansford County Unit present at the meeting were Georgia Holt, Freeman Barkley, Arbeta Nobles, Sandy St. Johns, of Amarillo; Patsy Hunt and Jerry Hunt, Clementine Renner, Betty Davis, Billy Miller, Wylee R. Maupin, and Fran Maupin.

Hospital News

Patients in Hansford Hospital are Ivor Phillips, Elaine Shipp, Edith Roper, Alice Walker and John Lackey.

Dismissed were Mickey Schoenhals, Patty Christy, Ben Birdwell, Penny Poole, Wesley Brown, J.W. Pipkin, Albert Ortega, Mary Baker, Janice Murphy and Mary Quattlebaum.

Ground Hog Meal Feb. 2

The ladies of the First United Methodist Church will be serving their annual Ground Hog meal at the church on Feb. 2 from 11:30 a.m. to 2 p.m.

Tickets are \$5 for adults and \$3 for students.

The menu includes pork chops, sausage, gravy, green beans, cabbage slaw, apple sauce, sweet potatoes, hot biscuits, homemade pies, coffee and tea.

This is an annual event for the Methodist ladies which is always enjoyed by the community, but this year they are serving it at noon instead of in the evening as they have in years past.

Mrs. D.O. Reynolds honored on birthday

A surprise party was given by the family of Mrs. D.O. Reynolds celebrating Mrs. Reynolds' 80th birthday Sunday the 23rd at the First State Bank Hospitality Room. Guests were registered by Cinda Turner, great-granddaughter of the honoree. Mrs. Reynolds was given an orchid corsage upon arrival while everyone sang Happy Birthday to her. Rev. Martin Foster

gave the blessing. Cake and Punch was served to everyone by Sharon and JoAnna Reynolds, granddaughters and Deana Turner, great-granddaughter of the honoree.

Dallasene Reynolds, daughter of Mrs. Reynolds wrote and read a poem which pretty well sums up our "Grandmother" and we would like to share it with everyone.

MOTHER, GRANDMOTHER GREAT GRANDMOTHER & GREAT GREAT GRANDMOTHER ALL IN ONE

Our Mother is eighty
But if you weren't told,
You never would guess
She is nearly that old.

She married Dallas
She had eight children,
All are living except her first child.
She has always said that her family was blessed.

Her mind is sharp
She remembers the past.
She knows about God
And the things that last.

She cooks and crochets,
Makes things each day.
She gives to friends and loved ones
The things that she makes.

She likes to read poems,
She likes to read her Bible,
She cherishes her family,
She cherishes her home.

She had eighteen grandchildren.
She has seventeen great grandchildren,
Ant two great-great grandchildren
A total of thirty-seven.

She has lost four grandchildren,
But she is rich with fourteen living grandchildren.
She has taught us real love.
And that's a great gift.

One other blessing that she has
Is a sister named Ella,
Who is six years older,
And that is a blessing within itself.

She has nieces and nephews
By the dozens,
She has friends
Near and far.

God has blessed us,
With a Mother,
Grandmother, Sister,
An Aunt and a friend,
All in One.

Town & Country Homemakers meet

The Town & Country Extension Homemakers met January 18, 1983 at the Extension Homemakers Clubroom. Debi Rodgers, vice president, presided over the meeting. Roll call was answered to "how many rooms are in your house". A devotional was given by Debi then the treasurer's report was given by Penny Ralston.

Extension Homemakers Council will meet Monday, January 24 at 1:30 p.m. and, following this meeting, preparations will be made for the District Training Meeting. Recommendations for 1983 were read and discussed by Janie Kunselman. Following all the business, Karen Har-ruff, county extension agent, gave an enlightening program on room dividers and ideas were discussed on how to use them to enhance our own homes.

Refreshments were then served to all members and guests by Penny Ralston.

Fathers and mothers very often punish children who behave exactly like father and mother.

Most of the good things that come to individuals in life have to be paid for in some way.

Fussy people should be made to live alone so that they won't have any one to be fussy with.

It's much better, a lot easier and less expensive, to keep your health than to regain it.

Girl Scouts active again

The Spearman Girl Scouts are active again this year! Theresa Madison is the leader for the 1st grade Brownie troop. She has a big troop of 20 girls, assisted by Mrs. Biggers. The 3rd grade Brownies are lead by Linda Blackman. She has 15 girls involved in activities this year to help them fly up into Junior Girl Scouts.

"But we need more help," states Vicki Tinsler, Spearman Field Advisor from Yucca Girl Scout Council. "We have lots of 2nd grade girls eagerly awaiting for someone to take the troop again. Their leader from last year, Judy Tindell, has taken on the responsibility of Neighborhood Chairman and is looking for several mothers (or fathers) to help these girls enjoy the benefits of the Scouting program. We also have Junior age girls (4th, 5th, and 6th) waiting for help too."

"I see the potential to be great in Spearman for a growing Girl Scout program. We have girls, and the potential leaders. We just need the people to speak up and contact us, and then we could have a good learning program for all involved."

To help, contact Judy Tindell at 659-3653. Or call Yucca Girl Scout Council (405-338-6414 in Guyton) and ask for Vicki. We need your skills and enthusiasm!

NEW ARRIVALS

Danny and Darlita Ellis of Lubbock announce the birth of a son, Daniel Dewey. He was born Jan. 23, 1983 at Hale Center, Tex. He weighed 7 lbs. 5 oz. and was 20 inches long.

Grandparents are Mr. and Mrs. I.V. Pierce of Spearman and Mr. and Mrs. J.D. Ellis of Plainview, Texas.

Maternal great-grandmother is Mrs. J.W. St. Clair, Muleshoe and paternal great-grandparents are Mr. and Mrs. G.D. Applewhite of Hale Center.

Mr. and Mrs. Danny McLaughlin are the parents of a baby boy, Kyle Brady McLaughlin.

He was born January 10 at Northwest Texas Hospital in Amarillo. He weighed 8 lbs. 3 oz. at birth and was 21 inches long.

He joins a brother Brian in the home.

Grandparents are Garland and Virginia Head, Jo & Mack McLaughlin, and great grandparents are Mr. and Mrs. Kiff White, all of Spearman.

It's surprising how much time one thinks he will have tomorrow.

Most people are limited by their inability to appreciate others.

The man who is always up with his work must have little else to do.

Happiness is a state of mind—try to remember that when worried.

There are still some hustlers who take any work available, or findable.

Hansford-Hutchinson TFU honored

The area Farmers Union organization was represented by 10 people at the state convention in Austin this past week, being close to the growing farm organization's structuring of plans and formulating policies for the coming year.

Attending were R.C. and Betty Porter, Joe and Nancy Morris, Burton and Wanda Schubert, Lee Schubert, Tony Mans and Elroy and Mable Wisian.

Wisian is the Farmers Union insurance representative here.

One of the features of the convention was address by newly-elected Agriculture Commissioner Jim Hightower who told the conclave "...We can't have an economic recovery until we have a farm recovery."

Farmers Union leaders said response to Hightower's speech was generally favorable but it was not felt it would carry much direct weight in the development of Farmers Union policy.

Burton Shubert said he did not know how policy-making

faired at the convention because he was on a different committee. FU's state office at Waco said a statement on policy would be released within days.

Hansford-Hutchinson counties, which combined make up the Texas Farmers Union organization for this area, were among three TFU organizations honored at the state convention. They were awarded plaques for outstanding membership work and outstanding involvement and activity by county members.

Elroy Wisian, the area

organization's National Farmers Union Insurance representative with an office at Spearman, was one of 11 NFU insurance representatives receiving plaques for outstanding performance in several areas.

The organization awards were presented on the basis of most total points computed from four categories of activities and membership work. The categories included: highest percentage of renewed members; points awarded for each new member; meetings held; involvement in community activities; attendance to board meetings and conventions.

Receiving the first place honor were Wharton-Lower Colorado Farmers Union members who received the traveling trophy which goes to the first place recipient each year plus a first place plaque. Crosby County Farmers Union received the second place plaque with third place plaque

going to Hansford-Hutchinson Farmers Union.

Eleven National Farmers Union Insurance Agents were awarded plaques by the Texas Farmers Union at the state convention. Oscar Graf, Mac Bates, W.F. Statser, Kirby Campbell, Ed Keniff, Don Bayer, Tommy Hart, Joe Taylor, Connie Mack Seymore, Elroy Wisian, and Claude Burnett, Sr., received these awards for their superior service to TFU members and their high profile and involvement in TFU County organizations and activities.

These Agents Activity Awards were determined on the basis of a survey questionnaire completed and returned to the state office by county presidents and district directors. The survey topics consisted of insurance service to TFU members, assistance with membership drives, and assistance with planning and holding annual county meetings.

TEHA District Meeting held here

LEFT TO RIGHT: Terry J. Long, June Cline, Mateel Brown, Patti Sheppard, Sue Farris and Karen Harruff. They were at the District TEHA Meeting.

The Hansford County Extension Homemakers Clubs hosted the Texas Extension Homemakers Association training meeting for District I. It was held at the Extension Clubroom on Tuesday, January 25 starting at 9:30 a.m. The purpose of this meeting was to train the TEHA Chairman and County Council Chairman from each county in District I.

Terri J. Long, District Director from Hereford for TEHA planned a very informative meeting. She had a panel set to discuss the different areas and personnel involved in handling county, district, and state activities. The panel consisted of Mateel Brown, State Secretary for TEHA from Amarillo, Jean Everett, former County Council Chairman for Sherman County, Sue Farris, District I Extension Director, and herself as District Director for TEHA.

June Cline, Extension Organization Specialist is based in College Station. She helped conduct and explain the different program areas that each Extension Club participates in. June backed up her ideas with a slide presentation. The state has also developed T.V. advertisements that can be used throughout Texas.

Refreshments, favors and a luncheon were provided by Hansford County Extension Homemakers. Ochiltree County conducted the recreation. Terri finished the day by conducting a business meeting to settle plans for the TEHA District meeting to be held in Borger on April 12.

The best laid plans will not produce dollars unless they are backed by energy and hard work.

You have to do a great deal of reading and some thinking to discover the truth about anything.

Julie Jones
John Lieb
Heather McRee
D'Lynn Orr
Jason Rodgers
Shannon Rylant
Roy Watkins
Timmy Willis

Lynx will be a force to
contend with in the second
round of the round robin
games.

The leading scorer, al-
though he got hurt during the
3rd quarter, was Jay Pack with
17 points. Ross Donahue had
13 points, Mark Pearson had
12, Buddy Pool had 10, Scott
Dunlap had 9, Steve Burke
had 2 points and Darren
Goodheart had 1.

The Lynx will face the
tough Boys Ranch Rough-
riders, to begin the second-
part of a two-round of round
robin games-meaning that
the Lynx will face the same
teams-Boys Ranch, Canadian,
River Road, Perryton and
Dalhart-twice and in that
order. So the Lynx will begin
their drive for the District
Title, against the Boys Ranch
Roughriders tonight, Friday-
January 28, at Boys Ranch,
they must defeat the Riders.

The Lynx, by the way, are 2-3
in District, so they still have a
chance to win the Title, all
they have to do is defeat all
their opponents for the rest of
the season. Then on Tuesday,
February 1, the Lynx will
take on the tough Canadian
Wildcats at Lynx Varsity
Gym. Then on Friday night,
February 4, the Lynx will
host the River Road Wildcats
at Lynx Varsity Gym.

So the Lynx have a tough
schedule, but they will be a
force to contend with!

Susan Davis plays in 1st game after injury...

Dalhart 'Trips' Lynxettes

The Dalhart Wolverines had been working on some kind of offense to where the Lynxettes would not be allowed to "play their kind of game". Well, Tuesday night, January 25, at Lynx Varsity Gym, the Wolverines put their so-called offense in effect and it worked. But, in the final two minutes, everyone in the gym, knew which was the better team, the Lynxettes by far, they almost made a spectacular comeback, missing by a couple of fouls or so. The final score was 33 to 26, in favor of the Wolverines, putting the Lynxettes at 2-2 in District, making them tied for 2nd with Perryton and Dalhart. The District will be decided in the second part of a two-part round robin of games.

NOTE FROM SPORTS DESK: Susan Davis played some, didn't do bad at all. As a matter of fact, she scored 2 points from the field. Although, the Wolverines knew that Susan was still hurting slightly, they were still afraid of her deadly accuracy to score. They saw that Susan hadn't lost her touch as a shooter or as a defensive player. As a matter of fact, Susan stole the ball twice, and started a fast break. Nita Baker was sick, so she didn't play. And one of the best inside players in the District, Janet Reed, got hurt early in the game, putting her out of the game. That plus the fact that the new so-called offense of the Wolverines was a spread-out sort of stall, kind of offense. Keeping the ball for about 2 minutes or so, and getting a score-one score. The Lynxettes, as you know, are the fastest team in the District, and they have a fast-action kind of game. The Wolverines managed to play the game in "slow-motion" in a matter of speaking, until the final two minutes, when the Lynxettes were playing their kind of game-fast and accurate-and came back to be behind by only 3. They lost the game, and almost made the Wolverines "bite the dust", but close doesn't count in basketball.

The Lynxettes include Seniors Lea Ann Gibner, Susan Davis, Jean Davis, Jan Davis, Janet Reed, Cindy Young, Lana Paul, Juniors, Andrea Mires, Nita Baker, Kelli Crawford, Denise Brewer, Robbie Heinrich, and Sophomore Tiki Jackson. Everyone in the gym knew which team was better, the Lynxettes, but even the best of them can strike on a good curve ball, Babe Ruth did, and he is the best! Coach Ralph Newton has 13 of the best basketball players in the State, who could ask for more. Coach Newton had to use new "combinations" to see how to find the right combination for

this so-called offense. He experimented and did great. As a matter of fact, two of the best ballhandlers in the District are Lea Ann Gibner and Susan Davis, since Susan is out, or should I say, wasn't her usual 110% kind of player, maybe 99%, Coach Newton tried a new combination, Jean and Jan Davis. Boy, howdy, the Davis Twins almost worked to perfection. Both knew what the other would do, where the other would be and so forth. The Lynxettes were behind by 2 points at the half, 10 to 8.

With this "offense" the Wolverines were eating the time of the clock, like Pac-man eat his whatever. At the beginning of the 4th quarter the Lynxettes were down by four. In the first half, the Lynxettes fouled the Wolverines plenty of times, and the Wolverines were "zippo" from the line-they missed all their freethrows. Well, wouldn't you know it, just when the Lynxettes had to foul in order to get ahold of the ball, the Wolverines started putting points on the board because of fouls. The Wolverines made 13 of their 23 points in the second half from freethrows. Miss Murphy got hot from the line. The Lynxettes lost their

second game in the District 33 to 26, but before the final buzzer, the Lynxettes were

behind by 12 points, they came back by 3, and then the fouls and freethrows, just drove the "stake" further in. Coach Newton still had some good news, Janet wasn't hurt enough to be out for the rest of the season. Janet has to be one of the most improved players of the conference. While, Coach Newton, also saw, that Susan has not lost her outside shooting touch, she still has it. Her speed is still there. Canadian better be ready, because the Lynxettes Claw is ready to grab a victory over them.

The high scorer was Lea Ann Gibner with 5 points, Janet Reed, Jean Davis, and Jan Davis all had 4 points, Susan Davis, Lana Paul, Andrea Mires and Tiki Jackson all had two points and Cindy Young had 1.

The Lynxettes will meet the Canadian Wildkittens in the "Game of the Year", this Tuesday, February 1, then they will meet the River Road Wildkittens on Friday, February 4-both games will be at the Lynx Varsity Gym, beginning at 6 p.m., both games being against Wildkittens!

TIKI JACKSON--Soph.

Lynx & Lynxettes to Host Canadian

The Spearman Lynx and Lynxettes will be facing the Canadian Wildkittens and Wildkittens this Tuesday, February 1, at the Lynx Varsity Gym. These will be great games, so don't y'all miss them.

The Lynxettes, Seniors-Lea Ann Gibner, Susan Davis, Jean Davis, Jan Davis, Janet Reed, Cindy Young, Lana Paul, Juniors-Andrea Mires, Kelli Crawford, Robbie Heinrich, Denise Brewer, Nita Baker and Sophomore-Tiki Jackson, are all very talented. They will be facing the likes of the Canadian Wildkittens beginning at 6:00 p.m. This is the "Game of the Year" for the Lynxettes in the District. The Canadian girls are undefeated, up to now-Thursday, January 27. The Lynxettes know that they must defeat the Wildkittens in order to win their District Title and bring it home where it belongs. As the Lynxettes say, "We'll never give up, we'll never give in!" The Wildkittens are probably trying to figure out how to stop the Lynxettes. They did use a Zone-Defense in their first District meeting, which worked very well, but they know that Coach Ralph Newton, has got that figured out down-pat. The "Kittens" are also wondering how to stop the #1 Combination in the District, Lea Ann Gibner and Susan Davis, since Susan is expected

to play. They will have to worry about the inside players of the Lynxettes, with Janet Reed and Cindy Young. Of course, the Lynxettes will be looking forward to this game!! This is going to be a great game.

The Lynx will then play against the Wildcats beginning at about 7:30 or 8:00. This will be an important game for the Lynx. They are having a great year. The Seniors are Darren Goodheart Jay Pack, Jan Hartsell, Mike Caldwell, Scott Dunlap, Jr., Buddy Pool, Byron Sutterfield, and Sophomores Ross Donahue, Steve Burke and Mark Pearson. The Lynx, coached by F.G. Crofford, have had a better year than the "predict-ers" expected. But the Lynx fans, figured the Lynx would have as good a year as they have had, because, nobody knows about the local talent, except the local people. This will also be a great game, both at the Lynx Varsity Gym.

In Fashion

Spring shoes for the prairie-look dresses are very colorful. There will be a color to match every outfit-medium blue, violet, hot pink, light jade and others. These colorful T-strap kidskins feature one and one-fourth covered wedge heels.

Lynxettes Ready for 'Game of The Year'

The Spearman Lynxettes will be playing in the game of the year, for them. They will be facing the so-far, undefeated Canadian Wildkittens this Tuesday, February 1, at the Lynx Varsity Gym. This is going to be a GREAT game, don't miss this game, if you can help it. The Lynxettes appreciate all the support their fans give them, so why not join in and cheer on the Lynxettes, that could make a difference in the outcome of the game. The Wildkittens are on cloud nine right now, but the Lynxettes have more talent than the "kittens" do, and Tuesday night, everyone will know which is the better team. **NOTE FROM SPORTS DESK:** There will be two teams advancing to the playoffs, the Lynxettes have a chance to be one of them, they have a chance to win the District title, and by defeating the likes of the Canadian Wildkittens, the Lynxettes will have an even better chance to doing that!

The Lynxette members include Seniors, Lea Ann Gibner, Susan Davis, Jean Davis, Jan Davis, Janet Reed, Cindy Young, Lana Paul, Juniors, Andrea Mires, Nita Baker, Kelli Crawford, Denise Brewer, Robbie Heinrich and Tiki Jackson—the sole Sophomore. Their coach is Ralph Newton, with his assistant, Coach John Roller, their managers are Sara Avila, JoAnne Odegaard and Tammy Savage. Let's look at the Lynxettes one at a time. **NOTE FROM SPORTS DESK:** Susan Davis, #33, Lynxette Senior, one of the most feared Lynxettes, is going to play in the game against Canadian. Susan did not play in the first meeting, and the Lynxettes missed her outside shooting. Lea Ann and Susan work so good together, it's hard to explain, unless you have seen Lea Ann and Susan together on the court. Janet Reed, #41, another feared Lynxette, Lynxette Senior, is also expected to play. Janet was hurt in the Dalhart game.

First of all there is Lea Ann Gibner. Lea Ann has been on the Lynxette varsity since she was a Freshman. She has a lot of experience being a Lady Lynx, playing under pressure and so forth. Lea Ann is one of the Lynxettes great ballhandlers. She has quick hands, is fast on her feet when she has too. Lea Ann knows when to shoot, when to foul, how to make her opponent commit a charge foul, is a very accurate shooter, and is almost perfect from the free throw line. Lea Ann isn't very tall, standing about 5'5". But that is her advantage over tall folks, she has the speed to outrun those giraffes and so forth. Lea Ann has not ever, not in her 4-year career as a Lynxette fouled out, or not to my knowledge, if she did it probably was one time—that is super great!! Lea Ann's number is #25.

Susan Davis, #33, Lynxette Senior, is another feared Lady Lynx. She has been on the varsity since she was a Sophomore. She has great hands to handle the ball, is a great outside shooter with very good accuracy. Susan knows when to foul, is deadly from the free throw line, barely misses. She is about 5'5" or so. Susan has quick hands and fast feet. She is great on the fast-break. Susan, as long as she has been a Lynxette, has never fouled out of a game, not to my knowledge, like I said before, as in Lea Ann's case, if Susan has fouled out, it must have been one time only. Susan comes from a little town known as Morse. She is an original "Morse Mustang". Susan got hurt in the Canadian tourney. How much did the Lynxettes fans miss her, or should I say, when Susan played against Dalhart this past Tuesday, she received a standing ovation from her classmates and a big round of applause from the local fans, so as you can see, the fans really know that Susan is one of the great assets of the Lynxettes. That also shows that the Lynxette fans know that with Susan and Lea Ann on the court, together, not one team in the District or State can defeat the mighty Lynxettes. They have to be the best combination in this great game of basketball. Susan will be playing—expected to play—in the Canadian game. With her injury, Susan hasn't lost her touch as an outside shooter as she shot in the Dalhart game and all there was, was net.

Her speed hasn't left her either. Susan looked fine in the Dalhart game, but against Canadian she will do great!!

Jean Davis is #23, about 5'6" or so. Jean is one of the fastest Lynxettes. She has been on the Varsity since her Junior year. Jean is a good outside shooter, handles the ball well, has quick hands and fast feet. Jean is, like the Lynxettes before her, feared, why? Well, she is hard to defend. Jean knows when to foul and how to. She is very good from the Free Throw line. When Jean teams up with her twin sister, Jan, well, they are another hard combination to break up. Jean is a Senior, also.

Jan Davis, #13, Lynxette Senior, is feared also, because like Jean, Susan and Lea Ann, Jan has quick hands and fast feet. Jan knows when to foul, how to foul, can't be outrun by her opponent, is about 5'5" or so. Jan is a very accurate shooter, and very good from the free throw line. Jan is very talented on the court, also. Jan has been on the varsity since she was a Jr.

Janet Reed, #41, Lynxette Senior, is another feared Lady Lynx. As a matter of fact, Janet is the most improved Lynxette, because she used to foul out of lots of games, she has only fouled out of 1 or two, I believe, this year. Janet is an inside player. She has great power underneath the basket—rebounding power. Janet stands about 5'8". Being tall, usually means a player is not very balanced in their attack as a player, well, Janet closed the last chapter in that book. Janet has quick hands, and as most opponents would not believe, Janet is very fast, she can either start or end a fast-break. She is deadly from the free throw line. Janet is a very good scorer from the inside. She balances her game out very well. As I said before, Janet has vastly improved this year. She now knows when to foul, how to foul, how to make the opponent charge. Janet has done a great job this year. By the way, Janet will be playing in the Canadian game, she had been hurt in the Dalhart game, but she is coming along great!

Cindy Young, #35, is another feared Lynxette. She is a Senior, has been on the varsity since she was a Jr. Cindy is a great inside threat. She can start a fast break, has great inside quickness to rebound the ball. Cindy can shoot very accurately from the inside, is a great free throw shooter. Cindy stands 5'8" or so. She, too, knows when to foul, how to foul and so forth.

Lana Paul, #55, Lynxette Senior, has been on the Varsity since she was a Junior. Lana stands about 5'8", she can rebound, shoot accurately from the inside and is a threat. She has good rebound power.

Andrea Mires, Lynxette Junior, has been on the Varsity since she was a Sophomore. This is just Andrea's second year as a Lynxette—varsity, and she is having a great year. Andrea is a very accurate outside shooter, she has quick hands and fast feet for fast-breaks. She is accurate from the free throw line. Andrea is a tough competitor, like her teammates named before her, she also hustles up and down the court. She knows when to foul, how to foul and so forth. Andrea is also feared.

Robbie Heinrich, Lynxette Junior, has been on the Varsity since she was a Sophomore. Robbie is an accurate outside shooter. She is good from the free throw line.

Kelli Crawford, Lynxette Junior, is a good basketball player. This is her first year on the Varsity squad, all year long. Kelli has a lot of promise in her. She is quick, is an accurate outside shooter, is very accurate from the free throw line. Kelli knows when to foul and how.

Nita Baker, Lynxette Junior, has been sick all this past week. She is an exceptional player. This is her first year as a Varsity Lynxette—all year long. She is a great inside threat. She has great rebound ability, is exceptional from the free throw line. Nita has quick hands for rebounds, and to start fast breaks. She knows when to foul and how.

Nita plays great under pressure. The Lynxettes will miss her this Tuesday night.

Denise Brewer, Lynxette Junior, comes from a small school herself. She comes from the Waka Cubs. Denise is quick and fast. She handles the ball well, is good on fast breaks, is pretty accurate from the free throw line.

Tiki Jackson, Lynxette Sophomore, played great against Dalhart. She also has great promise. Her future looks bright. Tiki handles the ball very well, she fouls when necessary, is very quick and fast. She is a very accurate shooter from the outside. Although being very young, Tiki is also feared.

As you can see, the Lady Lynx have a very well balanced team. They have two deadly combinations, mainly with Susan and Lea Ann, and now with Jean and Jan. They have a balanced attack, a quick attack. They will be tough to handle for the rest of

the season.

So you can see, the Lady Lynx have too much talent not to go to the State Play-offs starting off with the Bi-District game. But, the Lady Lynx know that their main "stumbling block" is the Canadian team. And these Wildkittens are very tough. The Lynxettes, with Susan Davis in there, will be looking forward to this game to be played on Tuesday, February 1. This is a start of a new month, and this will be sort of like a new start for the Lynxettes in the second round of the round robin games in District!! This is the "Game of The Year" for the Lynxettes, so don't y'all miss it. The game will be played at the Lynx Varsity Gym, beginning at 6:00 p.m. Go on out to Lynx Varsity Gym and cheer on the Lynxettes to one of their most important victories of 1983—a

new beginning for the Lady Lynx!!

JV Lynxettes lose by 6

The JV Lynxettes played an outstanding game against the Dalhart JV team. They did lose the game, 33 to 27, but not until they put up a fight.

The JV Lynxettes are coached by John Roller. The members include Junior, Denise Brewer, Sophomores Ciria Vela, Lee Barnes, Genne Womble, Andi Hager and Stacey Poole, and Fresh

man, Carlee Dixon, Julie Jones, Dana Irlbeck, Shelly Dunnahoo, Mary Ann Evans, Traci White, Linda Evans and Heather McRee. These girls gave the Dalhart girls a big game. The JV Lynxettes have not had their kind of year, but being as young as they are it's expected.

The JV Lynxettes will probably be playing at 4:00 against the Canadian JV on Tuesday, Feb. 1. If they do, the game will be either at the Little Gym or the Varsity Gym.

Keiko Couch schedules Wardrobe workshop

The Business Promotion Committee of the chamber of commerce in conjunction with Perryton's women specialty shops will be bringing color consultant Keiko Couch to Perryton in February for a wardrobe workshop.

Couch, a color consultant from Fort Worth, will be conducting the workshop for any in-

terested women in the Perryton area February 5 from 2 to 4 p.m. at The Perryton Club.

Couch was introduced to the Perryton and surrounding areas through the Fashion Fair, sponsored by the county extension service last spring. Since that time she has returned several times for private consultation sessions.

She is a graduate of North Texas State University, with a degree in graphics and art design. Prior to becoming a color and wardrobe consultant, Couch was a commercial artist for ten years.

She has worked recently in Japan with big name designers including Halston, and has presented the wardrobe workshop in many well known department stores and large cities.

Women interested in the workshop can pre-register through the chamber or by mailing the pre-registration form (see ad elsewhere in the Herald). Further information will be released prior to the workshop.

Color I Wardrobe Workshop

by Keiko Couch

The Perryton Club

Sat., Feb. 5, 1983 2-4 P.M.

If you plan to attend return coupon to:

Ochiltree County Chamber of Commerce
Box 789
Perryton, Texas 79070

Enclose \$15.00 Registration Fee

I Plan to Attend the Color I Wardrobe Workshop

Faye's Daze

Well, I have had the crud, the mocus, or as Billy Miller calls it, the hemorrhagic septicemia this week. The fact of the matter I have had it for about all of January. I have taken pills, eaten hot soup, taken aspirin, etc. and still don't feel too great. About the only thing I haven't taken is some of the new remedies on TV. Maybe what I really need is a tylenol capsule laced with cyanide.

The following bit of philosophy has been around while in West Texas. There is truth in it, and some humor. It is called:

WHAT IT TAKES TO BE A TEXAS RANCHER

1. A wide-brimmed hat, one pair of tight pants and \$20 boots from a discount house.
2. At least two head of livestock, preferably cattle—one male, one female.
3. A new air-conditioned pickup with automatic transmission, power steering and trailer hitch.
4. A gun rack for the rear window of the pickup, big enough to hold a walking stick and rope.
5. Two dogs to ride in the bed of the pickup truck.
6. A \$40 horse and \$300 saddle.
7. A gooseneck trailer, small enough to park in front of a cafe.
8. A little place to keep the cows, on land too poor to grow crops.
9. A spool of barbed wire, three cedar posts and a bale of prairie hay to haul around in the truck all day.
10. Credit at the bank.
11. Credit at the feed store.
12. Credit from your father-in-law.
13. A good neighbor to feed the dogs and cattle whenever the owner is out in Colorado fishing or hunting.
14. A pair of silver spurs to wear to barbecues.
15. A rubber cushion to sit on for four hours at the auction ring every Thursday.
16. A second-hand car for going out to feed the cows when your son-in-laws borrows the pickup.
17. A good pocket knife, suitable for whittling to pass away the time at the auction ring.
18. A good wife who won't get upset when you walk across the living room carpet with manure on your boots.
19. A good wife who will believe you when you come in at 11 p.m., saying, "I've been fixing the fence."
20. A good wife with a good full-time job at the courthouse.

CONGRESS WANTS A PIECE OF YOUR SAVINGS.

WHAT THEY NEED IS A PIECE OF YOUR MIND.

Recently, Congress quietly passed a withholding law that will cost American savers and investors the use of 10% of their interest and dividends.

In simple terms, effective July 1st, 1983, this new law requires banks and other financial institutions to deduct 10% of the interest or dividends you earn on your savings and investments. That money then goes to the Internal Revenue Service in much the same way as payroll deductions are now handled.

The sponsors of this law have told us it was designed to catch a small minority of Americans who evade taxes on their interest and dividends. But the truth is the law penalizes the great majority of America's savers and investors who pay their taxes faithfully. What's more, the federal government is now receiving all the necessary information to curtail tax cheating.

Though the law does include exemptions for some low income and elderly Americans, if they go through the red tape of filing an application, most savers and investors will forfeit some of the money they could earn in compounded interest.

We urge you to join our efforts by writing letters to your representative in Congress and to the two senators from this state. Tell them you want the 10% withholding tax repealed, because it would impose an unfair penalty on savers like yourself.

For assistance in contacting your representative and senators please ask any of our bankers. If we all act now, Congress will get a clear message from the voters back home, and they will work to repeal this needless law.
