PERRYTON, OCHILTREE COUNTY, TEXAS, THURSDAY, OCTOBER 13, 1938

NUMBER 41

Work Begins At Ochiltree State Park

County Agricultural Association Elects New Officers

LEADING STATE IN NUMBER OF PAID MEMBERS

Meeting in Courthouse on Tuesday, October 11 for the Election of New Officers

Membership Total 357

Harold Kershaw Succeeded Roger A. Pearson as President; Delegates to Waco Meet Were Selected

A county wide meeting of the Ochiltree County Agricultural Association was held in the courthouse Tuesday, October 11 for an election of officers for the coming year. Succeeding Roger Pearson as president was Harold Kershaw. Mrs. Hardy replaced O. A. Schuster as vice president and George Smith takes the place of Harvey Smith as secretary and treasurer. Delegates selected to attend the meeting to be held in Waco on October 20-21 were Roger Pearson, Mrs. Hardy and W. M. Deck. The Ochiltree Association leads the state in percentage of farmers as members with a total of 357 paid members.

RANGERS ENTER CONFERENCE FRIDAY

POLETT FRIDAY AT FOLLETT FOR FIRST CONFERENCE GAME OF THE SEASON CALLED AT 3 P. M.

Perryton will clash with Pollett in their first conference game of the season Friday afternoon at Pollett. The game is called at 3 p. m. Rangers will meet a formidable opponent when they buck the Pollett team which has been crumpling their side all week in preparation for grid battle.

Pollett defeated Laverne, Okla., Friday 40 to 9 in a one-sided affair. The Pollett team has won four times out of five expected to be at their best in their first conference game.

Perryton pep squad and band attended the game in full force and the Rangers their moral and support.

DORM ROOM TOUR FRIDAY OCT. 28

W. H. D. CLUB WOMEN HAVE COMPLETED BEDROOMS FOR INSPECTION BY MEMBERS AND PUBLIC

Home Demonstration Clubs completed demonstrations of comfortable and attractive bedrooms. These rooms will be shown to other club members and to other club members on October 28, according to Mrs. Martin, home demonstration

inspector will tell why she selected a demonstrator, what she did to accomplish and how she set out her work. A summary of the achievement of the other club members will be given.

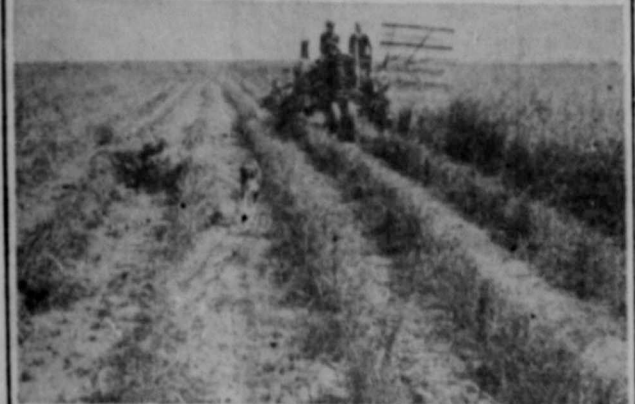

Members of the following club members will be on display: Mrs. Herndon, Mrs. Blansett Carter, Mrs. Bennett, Mrs. Jim Dodson, Mrs. Earl Steed and Mrs. Ben Steed.

Those wishing to make a tour of the rooms is asked to be at the dormitory Friday, October 28 at 3 p. m. See No. 6, Back Page

Theatre Attractions

Theatre for the coming week: 12-14—Edward G. Robinson, "The Law"; 15-17—Betty Grable, William Powell and Frank Lucretia in "Camelot"; 18-20—Priscilla Lane, Lola Falson and Rosemary Lane in "Four Sons"; 21-23—Law Ayres and Lionel Lincoln in "Young Dr. Kildare"; 24-26—Mary Carlisle, Robert Cummings and Robert Montgomery in "The Army".

Stubble Checks Wind Erosion

Stubble of Sudan grass or any of the other sorghums, when protected from overgrazing by livestock, binds the soil and prevents erosion during the period of high winds. The Soil Conservation Service points out. This farmer, cooperating with one of the demonstration projects, is leaving a stubble from 8 to 12 inches tall as he harvests his Sudan grass crop for feeding during the winter.

Get Lamb Shipment

Consignment of 8 Decks of Sheep Is Received by County Farmers Wednesday, October 12

Ochiltree County livestock showed a gain Wednesday with the arrival of 155 lambs purchased jointly by Haskell Holland and Leonard Wright. The sheep will be fed out on volunteer wheat for a time before marketing. The shipment was purchased at Sterling City.

Many county farmers are stocking their farms with livestock to utilize a bumper crop of volunteer wheat growing in this territory.

ALLEN EXPANDS MOTOR SERVICE

ALLEN TIRE SHOP INSTALLS POWER LUBRICATION SYSTEM; NOW HAVE A ONE-STOP SERVICE

Claud Allen, manager of the Allen Tire Shop, announces that he is now equipped to render a complete lubrication and crankcase service to the motorists in this vicinity. A new power lift grease rack with every type of grease gun has just been installed in the new home of the Allen Tire Shop in the Masonic building.

Mr. Allen will feature Pennzoil oils for which he has just been appointed as wholesale and retail dealer. This modern motor shop is now prepared to do all kinds of auto lubrication, washing, waxing and polishing, battery and tire work. They handle Willard batteries and Federal tires.

Mrs. J. H. Woodward and Dorrance were visitors in Amarillo Sunday. They were accompanied by Mrs. C. E. Whippo who visited with her children. Mr. and Mrs. Charles Whippo and Bob Whippo.

There are 243,875 miles of railways in the United States.

Tuberculin Test Available For Every Child in County

The Texas Department of Health sponsors and urges the giving of the tuberculin skin test to every school child in the State of Texas. They insist that if the disease of tuberculosis is detected in its early stages, it can be permanently cured.

The Ochiltree County Parent-Teacher Association is sponsoring the giving of these tests. These tests will be offered without charge to every child. The dates for these examinations will be announced soon. Cooperating with the Parent-Teachers are the American Legion Auxiliary, the local Red Cross, the physicians and druggists.

The tuberculin test is optional but it is hoped that every child will avail himself of this opportunity. X-ray examination will be given when necessary.

The Texas Department of Health has the following to say about the test and the x-ray examination: "Tuberculin tests are harmless. This is emphasized because parents sometimes fear the test will give a child tuberculosis or cause tuberculosis infection. Tuberculin contains no germs.

A positive test only shows that live germs have at some time entered the child's body—the child has been infected. Only a comparatively small percentage of children or adults with positive skin tests ever develop

ALLRED NAMES DOUGLAS DISTRICT JUDGE

Successor to Judge Pickens is to be Elected in November

ALLEN ENDORSED

Curtis Douglas, prominent attorney of Panhandle, Texas, has been appointed as Judge of the 89th Judicial District to succeed E. J. Pickens, Canadian, who died last week. Mr. Douglas will serve until a new judge is elected at the general election to be held in November. The November elected judge will serve out the unexpired term of Judge Pickens, which would have expired on December 31, 1940.

Three attorneys of the 84th District have received much recognition as possible candidates in the November election. They are Jack R. Allen of this city; Joseph Aynesworth, Borger; and W. L. McConnell, Panhandle, present district attorney of the 84th District. Mr. McConnell was nominated for another term at the Democratic primary in July. In naming Douglas as Judge, Governor James V. Allred announced that he selected him because he had not been mentioned as a possible candidate and that Mr. Douglas had assured

CURTIS DOUGLAS

the Governor that under no circumstances would he allow his name to be placed upon or written on the ballot for election to the place.

Mr. Aynesworth of Borger is a favored candidate for the vacancy. He was in Perryton Wednesday in the interests of his race. Governor Allred's office was swamped with telegrams from every county in the district and from many other points in the Panhandle urging that he appoint Jack R. Allen of Perryton as district judge. Mr. Allen is well qualified for this position and he would make a very able and impartial judge, going into office with no entangling alliances or obligations to special groups or cliques. District Attorney McConnell has not made an announcement but it is understood that he will be a candidate.

Canadian Man Killed

Truck Overturns near Panhandle Instantly Killing Ross Tipps, Thursday

C. R. Tipps of Canadian was killed when his truck overturned on the highway two miles east of Panhandle shortly after 8 o'clock, Thursday evening, October 6. Mr. Tipps was International Harvester Company dealer at Canadian.

Mr. Tipps was well known in this area having been a resident of Canadian for many years. He was a member of the Rotary club, held membership in Shrine at Amarillo, the American Legion and the First Christian Church.

Funeral services were held Sunday afternoon. Survivors include his wife, a son, Bobby Ross, 12 years old; three sisters, Mrs. Dick Barton of Lipscomb county; Mrs. Edith Wilson and Mrs. Mattie Nelson, and two brothers, Glen and O. H. Tipps, and his mother, Mrs. C. H. Tipps, all of California.

When installing the non-temperable fuses which are being made compulsory in many cities, be sure to start out with the right size—15 amperes for the ordinary household circuit. Afterward, the adapter with which these fuses are used will prevent anyone from creating a fire hazard through using the wrong size by mistake or carelessness.

Sudeten Refugees Are Heroes

Sudeten Germans are reviewed by their leader Konrad Henlein, above, as they prepare to return to Czechoslovakia, where they fled to escape arrest for political activity as a war crisis approached. Peaceful settlement of their minorities problem permits them to return to the Sudeten district as heroes.

Car Burns Friday

Shorting Wire Sets Car Ablaze On Highway Nine Miles North Of Waka; Total Loss

An automobile belonging to Fred Jettin, Perryton machine shop owner, was destroyed by fire nine miles north of Waka, Friday morning about 10 a. m. The blaze was thought to have originated from a short in the wiring system.

Enlisting the aid of passing motorists an attempt was made to extinguish the burning car to no avail. The automobile was valued at \$850 by Mr. Jettin. He had recently installed some expensive accessories. The loss was partially covered by insurance.

FARMERS ELIGIBLE TO WPA

FEDERAL EMPLOYMENT IS NOW AVAILABLE TO THE FARM GROUP; MAY APPLY AT WELFARE OFFICE

A new WPA policy known as Between Season Employment Relief makes farmers eligible for consideration for WPA referral.

The purpose of this type of work is to make between seasons employment available to farmers whose yearly income was less than the annual WPA security wage of \$112.00. Acceptance is based on the farmer's statement that his net income from farming during the last crop year does not exceed this amount.

Need is the fundamental basis of consideration and determination of need for the group involves factors not present in other types of applications. According to instructions received by the local office, active Farm Security Administration clients will not be acceptable for the program.

Pie Supper Friday

Waka Parent-Teachers Association To Give Affair in Conjunction With Regular Meeting

Members of the Waka Parent-Teachers Association announce that a pie supper will be held in connection with the regular meeting at the school building, Friday evening, October 14.

With each pie hot chocolate will be served with the compliments of the organization. An excellent entertainment program will be presented. All proceeds from the affair will be used for a new sanitary drinking fountain for the school. The public is invited to be present and participate in the evening festival.

HEAVY RAINS OVER SOUTHWEST SECTOR

Heaviest Rains in Years Fall in Northwest Panhandle

.63 RAINFALL HERE

Slow rains that fell Sunday and Monday morning soaked the Texas Panhandle with gauges registering from one-half to three and one-half inches. The heaviest rainfall was in Oldham county where the precipitation measured three and one-half inches. Dallas county reported two inches.

The rainfall here in Perryton was .63 in, but parts of the Perryton area reported an inch or more of moisture. The rain came at a very opportune time and was of untold benefit to the wheat crops.

Most of the wheat in this immediate section is up and this moisture will soon bring it up to the good pasture stage. There has been a small per cent of the wheat damaged by wire worms. Range lands are in good condition.

Mrs. W. L. Herndon Sr. and granddaughter, Miss Roberta Hawkins, came in Monday from Pampa and will visit this week in the W. C. and W. L. Herndon homes.

Lee Crawford and Miss Helen May were Sunday visitors in the home of Miss May's aunt, Mrs. Tom Carver, Canadian.

Four Perryton F.F.A. Boys Attend National Convention

The annual meeting of the National Future Farmers of America will be held in Kansas City, Mo., October 16 to 20 in connection with the National Livestock Show. Out of 35 Texas F. F. A. members to win trips to the national meet this year, seven Perryton boys were eligible. However only four were able to make the trip: Carroll Mallett, Gene Budock, Joe Buckhaults and Henry LeMaster.

C. H. Williams, vocational agriculture instructor and sponsor of the Perryton F. F. A. organization, accompanied the boys to Denton Wednesday morning where they will practice with the other members of the Texas F. F. A. band until Sunday morning when the Texas Future Farmer special train leaves for Kansas City. The boys will return to Port Worth on Thursday, October 20.

The Texas F. F. A. association will bear all expenses of the trip. The Denton Chamber of Commerce will provide entertainment and will see that the boys are located in private homes during their stay in Denton.

Each of the forty-eight states in the union have F. F. A. organizations and each state, as well as Porto Rico and Hawaii, will be well represented at the National Convention.

Waka Entertainment

Pie Supper and Program Arranged For Waka Parent-Teacher Friday Eve., Oct. 14

The Waka Parent-Teacher Association invites the public to attend their regular meeting on Friday evening, October 14 at the school building. Following the program, pies will be auctioned to the highest bidder and a social hour enjoyed while eating them.

Miss Wilma Lash will be leader for the program on "Youth" and has arranged the following program numbers: Panel discussion; number by school; song, Wilbert Hart; piano solo, A. J. Eudy.

"O promise me" has long been a favorite song at weddings. If later the question of matrimony comes up, the theme song is likely to be "O, promise me."

PRELIMINARY WORK STARTED THIS WEEK ON \$165,000.00 RECREATIONAL DAM PROJECT

Will Provide Employment for 250 Men When Work Gets Under Full Swing; Spillway to be One Hundred Feet Wide

EXLINE ACTING PROJECT MANAGER

With the official announcement of the final approval of the Wolf Creek water conservation project in the Ochiltree State Park, engineers from the Bureau of Agricultural Economics arrived in Perryton to start preliminary work on the project. The old plant of the Burrow Lumber Co. has been leased and will be used for local offices, warehouse and shop. A camp will be established in the park soon.

CITY PUTTING IN TWO MORE CONCRETE DIPS

Work started Friday morning on two new concrete crossings at the corners of southeast 1st and 5th avenue and main and southwest 10th avenue with Mayor C. E. Forbes in charge. The project is one of a series of similar projects planned last May by the city council.

Local labor is being used to put in the crossings which will give Perryton a total of 14 such crossings made passable in all weather.

Close Poison Plant

More Than 160,000 Pounds of Bran Were Distributed to Ochiltree County Farmers This Year

The grasshopper poison plant in the Donley building has been closed with the cessation of the demand by farmers in the county for poison according to E. W. Thomas, county agent. However, additional poison may be secured by applying at the county agent's office.

Distribution of the poison bran started May 26 and a total of 161,400 pounds of the dry material has been disposed of to 300 farmers. Losses of crops from grasshoppers has been held to a minimum by the use of the poison, which on the whole has been very efficient in controlling the pests.

Approximately 50 tons of government bran is being held over for use if the necessity arises next season. The migratory grasshopper which caused extensive damage in the northwest Panhandle invaded the county in August and have laid eggs in large numbers in some localities. It is thought that it will be necessary to wage a fight equal to this year's fight to control the hoppers when they start hatching next spring.

Fred Tarbox returned to Temple Saturday to be with his mother, Mrs. Maggie Tarbox, who is in the hospital there.

Lemons that have become old and hard can be "rejuvenated" by placing them in boiling water and letting stand a few minutes.

NAME COMMITTEE MEMBERS

AMERICAN LEGION COMMANDER SELECTS COMMITTEES AT BUSINESS MEETING MONDAY NIGHT

PERRYTON CCC IS BEST CAMP

LOCAL COMPANY WINS BANNER FOR THIRD TIME IN YEAR AS THE BEST CAMP IN DISTRICT

Company 2874, Camp SCS-12-T, Perryton, is again flying the large blue banner bearing the words, "Best Camp North Texas District CCC." All CCC camps compete for this honor, which is awarded every 30 days to the outstanding camp in the district.

This is the third time this year that Company 2874 has earned this honor. For the first time since the establishment of the camp, this banner was won in January, then again in February. The camp will fly the banner during October for winning it in September.

Under the direction of commanding officer, Capt. G. W. Coffman Jr., and Lt. W. L. Scarborough, many improvements have been made at the camp. With the splendid cooperation between the officers and the enrollees, the camp has merited considerable recognition. Special attention has been given to the general appearance of the grounds, as well as the redecoration of interiors of buildings.

The entire camp area has been grassed and hundreds of trees set out during the summer. Interiors and exteriors have been painted. The kitchen, bathroom and latrine have been remodeled. All buildings have

Perryton High School EL SOMBRERO

Prepared and Edited by The High School Staff
Dedicated to The Perryton Rangers

Rangers Win Game

Shattuck Loses in Rangers With Score 30-9 Friday Evening Play Follett Next

Last Friday night the Perryton Rangers scalped the Shattuck Indians in a startling defeat of 30-9. There was exciting playing on the part of a line famous for opening holes and a backfield that knows how to plunge better than anyone in the backfield.

Scouts from everywhere saw that game last Friday night and thought that we have some of the best high school players for class B schools on the Plains, and they aren't the only ones that think so.

We are going over to Follett next Friday afternoon and are really going to show them the school spirit that goes everywhere that those great Rangers go. Come on team, lets go!

THE SENIORS

Rose Barnes: Address—Perryton, color of eyes—blue; color of hair—blonde; size of shoe—7; ambition—to be a stenographer; college—Farming business school; general characteristics—five feet tall, quiet, neat.

Beryl Dodson: Address—Perryton, color of eyes—green; color of hair—blonde; size of shoe—8; ambition—to be a librarian; characteristics—five feet three inches, small, dainty, laughing personality.

Henry Lee: Address—Booker; color of eyes—brown; color of hair—black; size of shoe—8; ambition—to be a farmer; characteristics—tall, dark, handsome, athletic.

Grover Crum: Address—Perryton; color of eyes—blue; color of hair—brown; size of shoe—8 1/2; ambition—operator; college—University of California; characteristics—five feet ten inches tall, slender, suave, sophisticated.

NEW TEACHERS

Miss Verna Harris, who teaches English and Speech in the local school, received her bachelor of Science degree from North Texas State Teachers College, Denton. She has done work on her master's degree at University of Colorado, Boulder.

Miss Harris's home is in Bluff Dale, but she taught four years in Higgins prior to coming here.

Miss Oleta Kelley, local Spanish and English teacher, received her college work in Texas Technological College, Lubbock. She studied Spanish as a major and English as a minor subject while in college.

Miss Kelley's home is in Lubbock. She has done some work on her master's degree in Texas Tech.

Mr. and Mrs. T. L. Herber, Taos, N. M., were visitors from Monday until Wednesday with Mr. and Mrs. R. H. H. and

Mrs. A. J. Kelly, Mrs. Harry Caylor and daughter, Donna, and Gerald Jarvis went to Amarillo Friday to meet Ellis Kelly, a student at Lardin-Simmons, Abilene, who spent the week-end visiting in Perryton.

Mr. and Mrs. Clarence Olney, Edmond, Okla., visited Tuesday night in the home of Mrs. Frank Spencer. They were enroute to New Mexico.

FUTURE HOMEMAKERS CLUB

On Thursday, October 6, the Future Homemakers met during the regular club period and decided that Ella Lee was to write a club poem for the Year Book.

The remainder of the time passed very quickly as Mrs. Haggard explained the state requirements one should meet to be members of the club.

Mrs. Haggard will attend a conference in Amarillo on October 14, for Homemaking Teachers of District 1. Miss Gladys Armstrong, who is director of District 1, has charge of the meeting.

SNOOPIN' AROUND

I told you I would be back so here I am. Just crammed full of gossip. What's this I hear about a new club? They eat 2 o'clock dinners and talk about every one that isn't there. I guess I must renew my social dues.

Oh, Mary Ellen, is she any where in the crowd? Well if you are, you can go hide again. They want to talk about you in the new club. She is always the center of any conversation whether she is there or not.

Maxine, every once in a while most gay young girls will turn to Spearman. Nice town, isn't it. Oh, you like the Olives? O. K. I don't mind.

Jackie Adams says she likes to skate because she can hold the boys hands and her mother doesn't know anything about it, but I know different.

Why don't the football boys get a girl to take to the show instead of ganging up and going by themselves?

What couple is always riding around in a Buick? You ought to know, Jimmie!

Where was Wilma after the ball game Friday night?

Bernice wants to start working at the Chevrolet Garage. (The sales department).

Roger likes blonds. They match his car, don't ya know.

HOBBY CLUB NEWS

The hobby club met Thursday, October 6, in Room 217 for the purpose of electing officers and discussing various hobbies.

The following officers were elected during the period: president, Mary Ellen Newman; vice president, Margaret Mary Fletcher; secretary-treasurer, Virginia Holland; and reporter, Helen Lewis.

Everyone seems to enjoy taking part in club discussion and the club promises to be a very enjoyable one. The program for the next meeting will consist of discussions of other people.

Mr. and Mrs. D. A. Caldwell and grandson, Jackie D. Mr. and Mrs. Mark Boehning and Miss Madina Caldwell were in Follett Sunday attending a dinner given by Mrs. N. D. Thompson, sister-in-law of Mrs. Caldwell, in honor of the wedding anniversary of Mr. and Mrs. W. F. Menning.

Mr. and Mrs. H. L. Cantrell had as their house guests Friday and Saturday his mother, Mrs. Mae Cantrell, Amarillo, and his sister, Mrs. Lynn Roach, Hillsboro, N. M.

DRAMATICS CLUB NEWS

The dramatics club has begun work on a skit to be given in high school chapel some time soon. The title of the skit is "King of the Cannibal Isles."

Officers of the club are as follows: president, Glenna Williams; vice president, Annabele McCartor; secretary, Hazel Cook; treasurer, Eugene Buchner; and reporter, Anita Jackson.

The club is planning to stage several productions during the year. Among these productions will be a one act play to be given for P. T. A.

SENIOR CLASS NEWS

The officers for the senior class for the first semester are as follows: president, Volney Skinner; vice president, Billy Boston; secretary-treasurer, Glenna Williams; and reporter, Virginia Hogland.

A committee has been appointed to select a class flower, motto, and colors.

TUMBLERS' NEWS

The Tumbling club met last Thursday, October 6, and elected officers. They are: Paul Caldwell, president; Lloyd Yates, vice president; James Batten, secretary. During this meeting a program was planned for last Friday night at the football field. The team will also give an act during a chapel period in the near future.

Mr. Spears says that the boys have a lot to learn, but they are getting along very nicely considering that they have only had two periods to work out.

PEP SQUAD NEWS

The Pep Squad has been selling and are still selling pencils with the football schedule on them. The money will be used for the expenses for our out of town trips.

After the game Friday night, H. C. Sanford presented the Pep Squad girls with football pins.

BALKO NEWS

Mrs. J. W. Cayler, Reporter
Anna Beuchner and Lydia Unruh called on Mrs. J. W. Cayler, Monday afternoon.

Prof. and Mrs. Murphy and Sue went to Hooker, Sunday.

EDITORIAL

SCHOLARSHIP

Scholarship, in our modern schools, does not depend altogether on how much the student knows but on how badly he can fool the teacher. Many students who receive C's on their report cards really learn more than those who receive A's.

In order to be a good scholar a student must get in all his work on time, respond to class discussions, and attend school regularly. Some students make excellent grades on written work, but do not receive a good grade on their report cards. The reason for this is that they do not respond to class discussions. If he get more out of class discussions if he put something into them.

Scholarship is one requirement of a good citizen, but all good scholars are not good citizens. One who "keeps his nose stuck in a book" all of the time cannot join in other activities and be as good a citizen as he could be if he divided his time between school work and other activities.

Either Reiswig was at Sunday school and church Sunday morning and returned to college at Goodwell with Dorothy Pressnell in the afternoon.

J. A. Kinsey, having been ill the past few days, was taken to the hospital at Shattuck, Friday, where it was learned he has bronchitis. He and his mother are at the home of her parents, Mr. and Mrs. Blackweider.

Mrs. Jim Smith and Mrs. Moore called on Mrs. Elmer Unruh, Thursday, and spent the afternoon quilting.

Mr. and Mrs. J. C. Case spent Friday evening with Mr. and Mrs. J. W. Cayler.

Robin Nelson is doing the work for his parents, while they are on their vacation.

Mr. and Mrs. Francis Wood are the proud parents of a baby boy.

Mrs. Blanche Winter spent a couple days with Mrs. Francis Wood, caring for her and the new baby.

Harry Bricker who has typhoid has been very low for several days.

Mr. and Mrs. J. C. Case were shopping in Perryton, Saturday morning.

J. W. Cayler went to Beaver Saturday on business.

Black Velveteen

Flattering and snug is the high waistline of this jumper of black velveteen. The straps, front and back, and the buttons are of the same material. Brilliant shades of red, green, blue and yellow are combined in the Roman-striped metallic blouse. The hat is black velveteen, with gloves and shoes of black suede.

Pot Luck and Bridge

The members of the Farnsworth bridge club and their husbands gathered in the Ray Chase home, north of Farnsworth, Saturday evening, for their monthly pot luck supper and evening of bridge. When scores were tallied, prizes for high scores went to Vern Conner and Merton Smith and Herman Hargrove and Mrs. Copeland received the consolations.

Those enjoying the evening were Mr. and Mrs. John Luthi, Mr. and Mrs. Herman Hargrove, Mr. and Mrs. Merton Smith, Mr. and Mrs. N. P. Dear, Mr. and Mrs. E. J. Copeland, Mr. and Mrs. Dean Conner, Mr. and Mrs. Ben Peckenpaugh, Mr. and Mrs. L. R. Conner, Mr. and Mrs. Ray Chase, Vern Conner and Ira Chase.

Those enjoying the hospitality of their home were Mr. and Mrs. Bush, Mr. and Mrs. Cecil and Mrs. A. H. Nichols, W. C. Herndon, Miss Mary Mae LaRue Norris, and P. Campbell.

GIRL SCOUT NEWS

Troop No. 2 met Friday, October 7 and organized their patrols for the year. Patrol leaders elected were Mary Kathryn Allen, Polly Ann Holmes and Anna Lou Herndon.

There were 15 members present and two visitors who expect to become members soon.

The Girl Scouts sold pop and hamburgers at the football game Friday night and made \$5.00 for the treasury.

We wish to thank Mrs. W. H. Lance for cooperation in helping to organize our new patrols. She is to be our leader for the coming year.

Class Social

The Home Builders class of the McMillen Sunday school enjoyed a wicker and marshmallow roast at the McMillen school house Wednesday evening as a farewell gesture for the departing members, Mr. and Mrs. Jack Ives, who are moving to Enid, Okla., to make their home.

Members enjoying the evening were Mr. and Mrs. Ives and daughter, Mr. and Mrs. Travis Flowers and children, Mr. and Mrs. Noel King and daughter, Mr. and Mrs. Gilman Flowers and children, Mr. and Mrs. Noel King and daughter, Mr. and Mrs. Gilman Flowers and children, and Mr. and Mrs. Earl Waide and children.

Birth Day Dinner

Mrs. W. L. Lovett entertained with a family dinner Sunday honoring the birthday anniversaries of her son, Ivan, and daughter-in-law, Mrs. Ivan Lovett.

Plates were laid for Mr. and Mrs. Bill McLanahan and son, Billy Wayne, Mr. and Mrs. Pendorf Schubert, Spearman, Mr. and Mrs. Ivan Lovett and children, Peggy Jean and Laurel Ivan, and Mr. and Mrs. W. L. Lovett.

Birthday Party

It was to honor her daughter, Donna Marie, on her second birthday anniversary that Mrs. Harry Caylor entertained a happy party of the former's playmates at a prettily appointed affair Thursday morning from ten to eleven o'clock in the family home, 410 Southwest First street.

The home was decorated in many colored balloons. Mrs. John Osterbuhler assisted Mrs. Caylor in directing the games and later in serving the little guests with birthday cake, ice cream and suckers.

Those present were Marilyn Richardson, Phyllis Vernon, Palay Tackle, Winkler, Clara, Kay Caylor, Janet Vaughn, Shirley Littleton, and Kaye LeMaster.

Mr. and Mrs. Wilson Hibner, Arnett, Okla., spent the week-end visiting with her parents, Mr. and Mrs. Joe Schollenbarger.

Word has been received from Dick Nies that he passed his examinations in both Wichita Falls and Dallas and has enlisted in the U. S. Navy. He is staying in Wichita Falls awaiting his call, which will probably be within the next two weeks.

The body of this dress is soft black crepe with white faille used for a contrasting effect. Soft full-length sleeves are finished with tailored white cuffs. The circular cape flares to the hips from the shoulder line.

Beta Sigma Phi

A program on "Friendship" was enjoyed by the members of the Beta Sigma Phi Sorority and their guests at the club room in the Hotel Perryton, Tuesday evening. Fall flowers decorated the room and beautiful corsages were presented to each guest upon their arrival.

Members answered to roll call by giving traditions of the Beta Sigma Phi. "The meaning of Friendship" by Miss Richardson and "Famous Friendships in History" by Miss Spencer.

Rushes present were Miss Betsy Wilson, Miss Hazelle Scott, Mrs. Yvonne Acker, Miss Annette Glick, Miss Katherine Winkler, Mrs. Claudia Bolerjack and Miss Lois Bailey of Spearman. Members attending were Misses Beth Richardson, Opal Foglesong, Opal Gline, Pauline Spencer, Moina Caldwell, Cleo Cudd and Eugenia Mitchell.

Gene Ashcroft, Shattuck, Okla., was a Sunday dinner guest in the home of his cousin, Mrs. E. W. LeMaster. In the afternoon, the LeMaster family, Mr. Ashcroft, and Mr. and Mrs. W. J. Miller and Justice visited in the M. H. Crum home.

P. E. Leatherman of the Gray, Okla., community was brought to the Perryton hospital for treatment Monday.

Mrs. J. L. Rehus of the southwest part of the county was shopping in Perryton Tuesday.

Miss Nora Eads, Amarillo, spent the week-end visiting with her parents, Mr. and Mrs. W. T. Eads. Her sister, Dessie, returned with her for a week's visit.

Where 15 Died in Charleston Tornado

Rescue workers seeking the dead and injured are shown above in the ruins of Public Market in Charleston, S. C., a few minutes after two tornadoes struck the historic city. Loss of life was heaviest here; 15 of the 27 killed in the city were found in this wreckage.

Cuts Ton of Cane in Three Minutes

The new cane harvester, above, was invented by a retired naval officer, Allan Ramsey Wurtle, on his plantation in Pointe Coupee Parish, La. Attached to an ordinary tractor it will do the work of 80 or 90 men in cutting, topping, stripping and bunching the cane. At top speed the machine can cut a ton every three minutes.

Dangerous Period

Fall and Winter Hazards Cause Accident Rate to Increase During Cold Weather

The automobile death and accident rate has shown a steady decline for a number of months. But now the crucial test period is at hand. We are entering the most dangerous driving months. Fall brings rains, to be followed by the ice and snows of winter, all of which immeasurably increase driving hazards. Equally important, these seasons bring shorter days—and the accident rate at night is much higher than in daylight.

The wise driver will prepare for this dangerous period. And preparation should take two forms. Put your car in first-class condition, so far as brakes, lights, tires and steering are concerned. And put yourself in the proper mental condition for safe driving. Never forget that the human element is the responsible factor in the great majority of accidents. Before anyone can drive safely, he must think safely. He must know the hazards he faces, and be prepared for them. This "safety consciousness" is the first and most vital essential of accident prevention.

Remember that chance-taking isn't clever. Any fool can push the throttle to the floorboards, pass on hills and curves, disregard adverse weather conditions, and perform

Jots 'n' Jest

A PLEASANT surprise is the European situation clears up would be to discover that the Japanese had got out of China and gone home unnoticed during the excitement in Europe.

An increase of 25 per cent in gasoline consumption during the last month may have been the result of renewed business activity or it may have been the result of people driving faster and longer in an effort to keep ahead of the bill collectors.

Mussolini says that Italy is hopeful the peace of Europe may be preserved. Somehow this suggests the town drunkard hitting the sawdust trail.

Funny money politicians who want to hand out a federal paycheck without work such week seem to forget there may be nothing to buy about the second week of the experiment.

McMillen "Ag" Meets

Meeting of New Officers is Made at Meeting at Schoolhouse Friday, October 7

The McMillen Agricultural Association met Friday night at the McMillen schoolhouse for the purpose of electing new officers for the year and to formulate plans for the organization's activities.

Officers elected were J. L. Bryan president; Atlas Flowers, vice president; Mrs. Atlas Flowers, secretary and treasurer.

The newly elected Mr. Bryan appointed a program committee consisting of Paul Hardy, H. B. Urban and Mrs. Walter Bowen. Mrs. James Hardy, Mrs. H. B. Urban and Mrs. D. P. Urnsh will serve on the refreshment committee.

After the business meeting ice cream and cake were served to all present.

Similar acts of idiotic recklessness. Caution is the product of intelligence.

Drive safely all the time. And be especially careful in the fall and winter seasons. Then the accident rate will continue to go down.

Black Velvet

Perryton Sorority club will their annual social in the Economic department of the school, Thursday evening, October 20. All members are expected to attend and bring the host or a guest.

Those enjoying the hospitality of their home were Mr. and Mrs. Bush, Mr. and Mrs. Cecil and Mrs. A. H. Nichols, W. C. Herndon, Miss Mary Mae LaRue Norris, and P. Campbell.

Honor Sister

Miss Helen May entertained with a six o'clock dinner Thursday evening in the May home, 122 Southwest Fourth Ave., in celebration of the sixteenth birthday anniversary of her sister, Miss Maxine.

After the delicious three course meal, skating was enjoyed at Wayne's Rink. The guests were Miss Cleo Payne, Jeanne Pinkerton, Betty Jo Perry, Mary Ellen Newman, Virginia Holland, Joan Balzer, Aldene Calley and Mrs. Bob Lewis.

Osborne-Tolbert Nuptials

Miss Fannie Blanche Tolbert, daughter of Mr. and Mrs. Joe Tolbert, Miami, became the bride of Mr. Lowell Osborne, in an impressive ceremony held Tuesday evening, October 4, in the manse of the First Presbyterian Church, Pampa. Dr. Robert Boshen officiated in the presence of Miss Marie Landers and T. M. Kiviehen of Miami.

The bride was attractively attired in a grey wool suit trimmed in caracul fur. Her accessories were of black and silver. Her corsage was of pink and silver carnations. She graduated from the Miami high school with the class of 1936 and has since been employed in the First State Bank of Miami.

The bridegroom is a son of Mr. and Mrs. T. M. Osborne, who live on a farm south of Perryton. He received his high school education in Perryton and Pampa.

The young couple will be at home on a farm, two miles northeast of Pampa.

Farnsworth Bridge

Mrs. Ray Chase was the charming hostess for her bridge club Thursday afternoon.

The games were enjoyed by Mrs. L. R. Conner, Mrs. John Luthi, Mrs. P. W. Wermake, Mrs. Dean Conner, Mrs. Ben Peckenpaugh, Mrs. E. J. Copeland, Mrs. Dean Conner, and Miss Barba Lee Chase.

Dell-a-Deck

The Dell-a-Deck bridge club was graciously entertained Friday afternoon by Mrs. J. E. West at her home, 820 Southwest Sixth street.

Score awards were won by Mrs. Bell, high, and Mrs. Sims, second high. The interesting games were followed by a tasty refreshment plate which was in keeping with the Mexican motif cleverly used by the hostess in her appointments and prizes.

Bridal Shower

Mrs. Lowell Osborne, a recent bride, was the guest of honor at a lovely miscellaneous shower, Friday evening, in the home of Mrs. Ben Talley, Miami. Other hostesses were Mrs. A. L. Mosey, Mrs. W. F. Locke, Mrs. V. Wilkinson and Mrs. Scott Corbin.

The house was attractively decorated with yellow dahlias and daisies. The entertainment was in keeping with the occasion and after viewing the many lovely gifts, each guest was served punch and cookies.

Mr. and Mrs. Jack R. Allen and family attended the funeral services of Judge E. J. Pickett, Canadian, Sunday.

Road Hog Makes 16 Miles a Day

This hog-powered vehicle is expected to travel from San Antonio, Tex., to the New York World's Fair at the rate of 16 miles a day. Owner Henry L. Forrest sits at the right, while E. E. Ferguson handles the reins. The hog weighs 475 pounds, is six feet long.

Old Span Firm as New One Fails

The famous old covered bridge at Housick, N. Y., pictured here, stood firm as the flood waters of the Hudson river swept around it. Nearly a concrete span, built recently to replace the old wooden covered bridge, was swept away.

Midnight Fire Consumes Barn

Flames raced through the huge barn in the picture above at South Cortland, N. Y., despite the best efforts of firemen from the neighboring villages. In this picture the fire has reached its most spectacular stage in the barn and a few flames are pouring from the top of the silo. The loss was estimated at \$8000.

Looking Forward to New Congress

The new 77th Congress, still some months away, will start out on solid footing. Shown here are workmen at the Capitol in Washington leveling and repairing the stone steps.

Seeks Selected Seeds for Sowing

Add unusual job: Extracting seeds from tomatoes is the task of this worker at a nursery in Hertfordshire, England. Seeds of the finest tomatoes grown under glass at the nursery are dried and later sown to produce highest grade crops.

THE REIGNING SPORT

With the football season just around the corner, Robert Smalley's latest contribution to sports is a new device. How to watch football—without the problems of the game from the point of view of the spectator.

Salmon Climbing Famous Fishways

Two Columbia-river salmon are seen above as they cross a fishboard in one of the levels of the fishways at Bonneville Dam. Government experts count and classify the fish as they pass around the dam, through the fishways, to spawn upstream.

EVAPORATION IS ONE SETBACK

STOCK PONDS ARE INVALUABLE ASSETS TO RANCHES AND FARMS IN THIS TERRITORY SAYS SC8

Properly constructed stock ponds are a valuable asset to farms and ranches of the Southern Great Plains, says Jeff Ray, Engineer, of the Soil Conservation demonstration area located near Perryton.

Evaporation is an important factor that cannot be overlooked, Mr. Ray points out. He cites the fact that Department of Agriculture statistics show evaporation from an acre of water during the summer may be from four to five times as much as would be used by approximately 200 head of livestock.

"During the last 15 years evaporation in the Great Plains area has averaged from three feet in the northern part to approximately five feet in the southern portion.

However, it must be remembered, that ponds may lose more water from seepage than from evaporation if the dam is not properly constructed.

A clay grit mixture, composed of about one part of clay to two or three parts of sand and gravel, makes an ideal composition for holding water. It is pointed out.

As a general rule, the Soil Conservation Service technician says, dam sites should be excavated, not only in order to deepen the pond, but to reduce evaporation loss. The clay grit material should be thick enough so that floured bed rock or beds of sand or gravel are not exposed. Wherever possible, pond sites over floured bed rock should be avoided.

Seepage in a new reservoir can be reduced by removing the top-soil from the dam site, by plowing separated furrows in the subsoil to obtain a firm bottom, by packing the dam carefully during construction, or by feeding and bedding livestock on the bottom of the basin when the earth is wet, thereby helping to pack it thoroughly, according to Mr. Ray.

Protect Your Health

Spectators Urged to Wear Proper Clothing for Health's Sake At Football Games

AUSTIN, Texas—Gridiron fans should take a tip from football players this fall and protect themselves at games by keeping in good physical condition, the Texas State Department of Health advises.

"The nervous strain brought on by the Southwest's hectic-dazzle style of play, exposure to extreme climatic conditions for long hours in an open stadium and sudden changes in weather are particularly dangerous to football spectators who have been leading sedentary lives indoors," Dr. Geo. W. Cox, state health officer warned.

"The healthy person, like the athlete who adheres to strict training rules, won't be kept away from games because of illness. The spectator who keeps fit maintains his 'eligibility' throughout the season. But one who is careless with his health is apt to miss a few games or be out for the season with a cold, influenza or more serious illness. This is particularly true of the late fall games when the weather varies greatly from week to week.

Again using the players as an example, Doctor Cox urges fans to dress carefully for the games. It is a foolish gamble with ill health to wear heavy garments to opening games when the thermometer is hitting 99, no matter what fashion decrees. And late season games necessitate warm clothes and wraps, of course.

Doctor Cox also asks football fans to cooperate with the Department of Public Safety in driving carefully and from football games. Congested week-end traffic and the probability that some drivers are over-enthusiastic and careless, add to traffic hazards, and serious accidents.

Sympathy cards can usually express your thoughts much better than a letter. Our line is complete. Stewart Printing Co.

Tin Suit Worn At Nazi Fete

This weird "robot" was one of a group that recently celebrated the 100th anniversary of the completion of the Berlin-Potsdam railroad in Germany. The fete was held in Berlin.

THE SITTING-DOWN AGE

The American people sit down too much, was the recent statement of the president of the American Association for Health, Physical Education, and Recreation. He noted how many people can't run up a flight of stairs without becoming exhausted. The sitters in easy chairs and on automobile cushions should think about that.

Pioneer days provided few sit-down jobs. The pioneer could not tell a tree while sitting down. At least he had to stand while hoeing corn. Later if he got a shop job, he usually kept going. After supper he hoed the garden. His insides were kept moving.

The housewife of to-day is not in so much danger from sit-down work. It is many steps from cookstove to clothes closet. Her back may ache at night, but her incessant activity produces appetite and thus repairs wastes.

In our soft modern age, many folks feel they must roll out with the car if they have a quarter mile to travel. They will cover more of the map in that car if they walk reasonable distances.

If you've found ordinary trusses a makeshift, don't be discouraged. Science and experience have worked together to end rupture handicaps—to give you complete physical and mental ease. Let us fit you with the amazing, NEW

NON-SKID SPOT-PAD TRUSS

You'll see at a glance how the new "Non-Skid Spot-Pad" features holds the rupture securely with only one-half the pressure of ordinary trusses. Light and comfortable, you can wear it without being conscious of it.

The "Spot" holds the hernia securely, as with your fingers, while the non-skid surface keeps the pad from slipping.

Scientific Fitting By Experts. Come in and consult us without cost or obligation. There is a "Spot-Pad" Truss to fit your exact requirements.

CITY DRUG STORE

DO'S AND DON'TS TO PREVENT FIRES

DON'T drop lighted matches. At home use deep ash trays and make sure the match is out.

DON'T let rags, which have been used for oil or paint, accumulate in cellar. Throw them away.

DON'T use cheap electrical wiring. Make sure it is approved and safe... you'll benefit.

DON'T use explosive cleaning fluids. It isn't worth the risk. Explosions are dangerous.

DON'T use coils to replace "blown" fuses and remember to replace all defective electrical appliances.

DO make sure that your plumbing system has no gas leaks. Do this periodically. Stop fire!

DO the right thing when a fire starts—call the fire department immediately.

DO your part to teach your family or employees the dangers of fire. Start immediately.

DO away with all old fashioned stoves that are potential fire hazards. See ads on this page.

It costs you money every time you don't read Want Ads in the Herald.

STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912.

Of Ochiltree County Herald published weekly at Perryton, Texas, for October 1, 1938.

State of Texas
County of Ochiltree

Before me, a Notary Public in and for the State and county aforesaid, personally appeared Van W. Stewart, who, having been duly sworn according to law and deposes and says he is the owner of the Ochiltree County Herald and that the following is to the best of his knowledge and belief, a true statement of the ownership, management, and circulation, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in section 411, Postal Laws and Regulations, printed on the reverse of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are: Publisher Van W. Stewart, Perryton, Texas.

2. That the owner is: Van W. Stewart.

3. That the known bondholders, mortgages, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state.) None.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders

as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

OCHILTREE COUNTY HERALD'S Northeast Panhandle Sports

Rangers Undefeated With 20-0 Win Over Indians

INDIANS WITH PLENTY POWER WERE REPELLED

Fourth Victory for Rangers from Four Games; Favorites Over Follett

Shattuck Gets 2 Downs

The Perryton Rangers topped the Shattuck Indians Friday night 20-0 in their fourth victory of the four games played so far in their schedule. It is indicated that Burk's Rangers will hold a high place in the district tally for Section B in the Panhandle district. If not winning the championship title. The next game scheduled is a conference tilt with Shattuck there Friday night, October 14.

The Indians were not strong on offense as the more experienced Rangers eleven. Three downed were in the starting line-up for Shattuck. Perryton gained 110 yards in scrimmage as compared to Shattuck's 58. Gaining first downs the Rangers came out ahead of the Indians 18-2. Lewis grabbed the bulk of yard gainage for Perryton with expert blocking by colleagues.

It was not until the last of the second quarter that Perryton made its initial score. Lewis caught a pass from Flowers on the play and ran 21 yards across the last white line. Flowers failed with the place the ball going high to the outside.

The Rangers continued to monopolize the game with repeated first downs. Flowers went over in the first quarter for the second score of the game. Continuing with the kick after point was tackled to the touch by Flowers.

Week Two Friday—
Slaton 27, Claude 12.
White Deer 28, Slaton 0.
Phillips at Miami cancelled.
Spearman 7, Canadian 6.
Shattuck (Okla.) 0, Perryton 20.
Lawrence (Okla.) 0, Follett 40.

Shattuck rallied on the kickoff to a 35 yard gain on the return. They lost their opportunity on the next play when they were penalized 13 yards and failed to take up enough slack to retain the ball.

After a definite march to scoring zone. Mack Winter plunged over the line with a yard to spare for the first touchdown for Perryton. Synovs followed through with a beautiful kick for the extra point.

While no scores were made during the remainder of the game the Rangers continued to add up yard gainage.

White Deer Continues Victory March Friday
The White Deer Bucks continued their winning streak when they triumphed over the Slaton eleven, 28-0, Friday night at Slaton.

Ernie Moore started the touchdowns in the second quarter and added three more in the third period. Ed Seitz and Jimmie Russell scored.

White Deer will have to be reckoned with if the Perryton Rangers win the conference. Present indications point to this.

McWilliams received a punt and turned the ball 40 yards in the air, displaying the splendid coordination of the Rangers in blocking.

Mr. and Mrs. Max Boyer were in Canadian Sunday to attend the funeral services of Judge E. J. Pickens.

Mr. and Mrs. Luther Wade and Eugene, Mrs. J. D. Wade and Miss Viola Glaspele were Sunday dinner guests of Mr. and Mrs. Fred Purush of the New Hope community.

Pugilistic Spotlight Shifts to Nova, Coast Youngster

Lou Nova . . . earns place in fistie sun.

BY IRVING DIX
NOW that Lou Nova has convinced folks he really can fight by putting away Gunner Barlund in seven rounds, the 23-year-old collegian from the west coast is regarded by many critics as the Number 2 heavyweight in line for a shot at Joe Louis' title . . . with Tony Galento the only one ahead of him.

Nova can add to his buildup by defeating Tommy Farr . . . a very likely possibility . . . if and when the two meet this winter.

Nova's first ambition was to be an All-America . . . got the idea while playing football and throwing the javelin for the California Aggies . . . his ambition now is to win the heavyweight championship . . . He's probably the best college prospect ever to hit the big-time . . .

AND glancing down other sporting trails: Paul Runyan, P. G. A. champion, and Jug McSpuden, 1937 runner-up, are on a tour of South America, where they will appear in golf exhibitions in Buenos Aires, Rio de Janeiro and other cities . . . they expect to return home by way of San Juan and Puerto Rico . . . winding up in the states in mid-November . . .

Vic Bradford, Alabama quarterback, is quite a jittersbug . . . the Crimson Tide star has a collection of more than 200 phonograph records in swing time . . . Captain I. B. Hale, 245 pounds, and Davie O'Brien, 150 pounds, heaviest and lightest man respectively on the Texas Christian football team, are roommates . . . O'Brien says they had to put him in with Hale in order to get two in a room . . .

FRANK MIKAN, Indiana sophomore guard, served two years in Hawaii as a corporal in the United States Army before enrolling in college . . . Iowa claims the largest tackle in big-time football this year, in 300-pound Henry Luebecke . . . And our personal nomination for the greatest waste of time in football is a team going into a huddle on fourth down and five to go . . . when everyone in the stadium knows they're going to kick, anyway.

Canadian Loses To Lynx Friday 6 to 7
The Canadian Wildcats lost out when the Spearman Lynx invaded Hoover Field Friday night and defeated them 7 to 6 in a thrill-packed game.

The Lynx scored late in the second quarter and added an extra point on the place kick. Canadian was deep in Spearman territory through the major part of the third quarter and scored when Bennie Caldwell sped 20 yards on an end run. The attempt for the extra point failed.

SCREEN BASKETBALL
Basketball as a background for a story comes to the screen for the first time next Saturday at the Ellis Theatre, when Paramount's "Campus Confessions" opens there.

The film feature Hank Luisetti and his three-time intercollegiate championship team-mates, together with Betty Grable and Eleanor Whitney.

H. Shindler, bookkeeper at the Universal Motor Co. is spending a two weeks vacation at Nacogdoches. Miss June Phelps is working during his absence.

Mr. and Mrs. Luther Wade and Eugene, Mrs. J. D. Wade and Miss Viola Glaspele were Sunday dinner guests of Mr. and Mrs. Fred Purush of the New Hope community.

Mr. and Mrs. Robert Francis and daughter, Onna Grace, visited Saturday at the farm with Mr. and Mrs. Ralph Francis and family.

Play Beaver Friday

Local Polo Team Meets Beaver At Liberal, Kansas, In Match To Entertain Fair Crowds

The Perryton Polo Team will go to Liberal, Kansas, Friday to meet Beaver on the race track in a match serving as part of the days free entertainment in conjunction with the Seward County Fair, October 13-14.

The two teams have met before and are about evenly matched. Beaver at the present time has the highest percentage of wins over Perryton, which according to Hamilton Murphy, captain of the local team, may be reversed. Perryton's probable line up will be C. O. Roach, H. D. Hearn, Mike and Hamilton Murphy.

Ranger Second Team Plays Pampa Oct. 13

The Ranger second team will meet the Pampa second team at Ranger Field Thursday night according to Otis E. Burk, Ranger coach. The game will be called at 7:30 p. m.

The two teams are evenly matched in weight, but Pampa has a slight advantage in experience. The Ranger's second squad, although some of the members having seen action, has never been matched.

Perryton's probable starting line-up will be as follows: Hergert, Halvey, Tevis, Ben Boston, Woodworth, Williams, Sharpe, Jack Edge, Stone, Gidley and Willis Lilly.

Admission for the game will be ten and twenty-five cents.

THUD OF THE FOOTBALL

With September and October comes football, bringing yelling crowds to grand stands, hero worshiping girls, students who can't sleep nights, old graduates solemnly lamenting if the dear old college loses. The football gridiron, what a spectacle!

The thud of the football is not all joy to anxious parents. When a heap of burly players fall on cherished Son, parental hearts beat. What if he breaks a leg in the melee?

Some boys get permanent injuries from this somewhat rough game. But rolling in the dirt is safer than the things some young folks do. The youth under the heap of players is safer than some who are under the spell of too speedy friends. The boys of America are seething with energy. From time to time explosions are reported among some of those who lack athletics as a safety valve.

Anyway football boys learn to think quick, take some hard knocks, and play for the good of the team.

Distinctive and appealing letter heads at the Stewart Printing Co.

EAST OF BOYD

Mrs. Aldeen Rodgers, Reporter
This neighborhood had several good showers over the week-end. Mr. and Mrs. Lee Schollenberger called on Mr. and Mrs. Aldeen Rodgers Thursday evening.

Mr. and Mrs. Herman Ratzlaff plan to leave here and make their home in Meno, Okla. Tuesday evening a group of friends gathered at their home for a farewell party.

Mr. and Mrs. Frank Duff entertained a few friends, Saturday evening.

Mrs. Harry Gorton, Levi Lusk, Mrs. George Kirton and son, Paul Dean, called on Mr. and Mrs. Aldeen Rodgers, Tuesday.

Harry Kirton and son, George, were in Garfield County, Oklahoma, last week on business.

Mrs. J. Harold Gift and children spent the week-end with their parents, Mr. and Mrs. Lee Schollenberger.

Miss Eudora Hartenberger, teacher in the Follett schools, was a guest Saturday and Sunday with Mr. and Mrs. K. H. McGibbon.

When you want anything, you usually have to ask for it, and rather emphatically. Many concerns have failed to realize possible gains, because they never asked for them by advertising.

It costs you money every time you don't read Want Ads in the Herald.

Rader, Cowgar Pittsberger, Walter D. McCutcheon, Gertrude King McClung and C. E. McClung, and W. B. LaMaster are Defendants, and a brief statement of plaintiff's cause of action, being as follows:

Suit for partition of the following described land situated in Ochiltree County, Texas, and described as the West One-half (1/2) of Section No. Twelve (12), Block Z School File 5656, Original purchaser J. G. Grogan, containing 310 1/2 acres; also for partition of certain monies alleged to be in the hands of W. B. LaMaster, as Agent for all defendants, representing the rents collected from the above land. Further alleging that the defendant, Gertrude King McClung has been fully paid and settled with as to her part of said money and that the amount of cash in the hands of the said LaMaster belongs to the other defendants and to the exclusion of Mrs. Gertrude King McClung; that the interest of said Gertrude King McClung is an undivided one-half interest, which can be set apart to her in kind; that the other undivided one-half of said land is owned jointly by the other defendants, and that by reason of the small fractional interest of each can not be partitioned in kind, by reason of which the plaintiffs ask that the same be sold under the order of the court and the proceeds from such sale partitioned among the defendants, and these plaintiffs further seeking costs of court, general relief, both in law and equity.

Herein Paid Not but have before said Court, at its next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Perryton, Texas, on this 3rd day of October, A. D. 1938.

Surplus Food Commodities Given Refugees of Storm in Northeast

BY SPECIAL CORRESPONDENT

WASHINGTON.—Supplies of foodstuffs which had been distributed to welfare agencies in the New England states for relief clients, were made available to feed refugees from areas hard hit by the Atlantic coast hurricane.

They were purchased by Federal Surplus Commodities Corporation and provided the hurricane and flood victims with a diet reasonably representative of this year's farm production. Sent by truck and by the soup kitchens in stricken seaboard towns were two carloads of butter, 48,000 pounds of beefs, and nine carloads of cabbages produced in New York state; 58,000 pounds of flour, and 40,000 pounds of beans bought in Massachusetts; seven carloads of oranges and one carload of dried prunes which the FSCC bought to relieve a surplus in California.

On hand for immediate distribution were 78,000,000 pounds of rice which the corporation bought to help Louisiana and Texas planters dispose of burdensome record crops.

ALL of the losses in the recent hurricane along the eastern coast were by no means in life and property, according to H. H. Bennett, chief of the federal soil conservation service.

WASHINGTON.—The ladies are being given special attention this year by both major political parties. Democrats and Republicans alike are extremely interested in what the women of the country are thinking about politics.

Not so long ago women were politically important only on election days and even then scant attention was paid them if the election came during apple butter season or in any of the particularly busy times of the average housewife.

But that day is past. Both major parties now have a distinct division, in charge of a woman, whose duty it is to see that feminine party workers are kept up to date on political happenings.

Mrs. Dorothy McAllister, head of the women's division of the national committee, handles this job for the Democrats. Her program includes bringing lecturers

INVESTIGATE FATAL CRASH

COMMITTEE STUDIES HIGHWAY ACCIDENT, RECOMMENDS PROGRAM OF EDUCATION FOR MOTORISTS

Investigation of Texas' most tragic automobile collision in 1938 has been completed by a special committee appointed by Governor Allred, and immediate release of the report and recommendations were made today by Carl J. Rutland, Chairman of the Committee and President of the Texas Safety Association, Inc.

Governor Allred created this committee to investigate an automobile crash at Highway 80 and Belt Line Road, near Dallas, on May 3, 1938, in which six people were killed and two badly injured.

This is the first case on record of an investigation of an automobile accident by the governor of a state, and the Committee, composed of C. J. Rutland, Albert Sidney Johnson, of the Public Safety Commission, Harry Hines of the State Highway Commission, and Judge Ben Fy of the Dallas County Commissioner's Court, devoted its efforts to learning the fundamental causes of the fatal crash and drafting a number of recommendations for the prevention of such tragedies in the future.

In its report, the Committee named violation of a boulevard stop sign, speed too high for safety, driving while under the influence of intoxicants, and ignoring a crossroad sign as the immediate cause of the fatal crash.

In its conclusions the Committee charges the traffic system of the State with failure to educate the driver to the dangers of these violations—failure to enforce the traffic laws, and provide certainty of punishment for violators, together with need for further traffic engineering for safety on streets and highways.

The Committee recommended a state-wide traffic survey, county by county, perhaps through WPA funds. It points out the need for a substantial increase in the State highway patrol personnel. It urges adoption of an anti-ticket-fixing pledge by all City Councils and county officials in the state.

Complete scrapping of the state traffic laws and adoption of the Model Code as recommended by the National Conference on Street and Highway Safety, was urged.

A definite program of education for motorists, a revision of the driver's license law, giving the Texas Department of Public Safety authority to suspend licenses, with the right of appeal, and providing for a small fee to be charged for each license issued, were recommended.

A copy of the published report of this Committee's investigation and recommendations will be mailed to every official in the State concerned with traffic matters. Ten thousand copies have been printed for distribution.

The Committee calls attention to the fact that the annual number of traffic victims in Texas is over six times as great as the number who perished in the New London School disaster and it appeals to every public official and every citizen of the State of Texas to join the Committee and the Governor in demanding that these recommendations and other steps necessary to make our highways safe be put into effect without further delay and political quibbling, and consequent waste of life and property.

Buy or sell, twice as well, with Want Ads.

Beauty Believes In Talent First

"Miss America" of 1935, now Mrs. John Mustacchio of Pittsburgh, Pa., wants her 2-year-old daughter Patricia Lee to be a movie star when she grows up. But not via the beauty queen route. So Patricia Lee, pictured here with her mother, is learning to dance and sing in anticipation of the day she goes to Hollywood. She seems to be doing pretty well already on the beauty side.

"The new Goodrich SAFETY Silvertown LIFE-SAVER TREAD... GOLDEN PLY BLOW-OUT PROTECTION"

Motorists, here's an amazing new kind of tire that protects you against both skids and blow-outs! It's the sensational new Goodrich Silvertown with the Life-Saver Tread and the famous Golden Ply.

This new Life-Saver Tread is actually a road dryer. Its never-ending spiral bars, acting like a battery of windshield wipers, sweep the water right and left, force it out through special deep drainage grooves. Thus it provides a dryer, safer road surface for the rubber to grip—stops you seconds quicker than you've ever stopped before!

And remember, many tires cost more; but no other tire—at any price—can give you this two-way protection against both skids and blow-outs. So for safety's sake get a set of these life-saving, long-mileage Goodrich Silvertowns. Come in today for a thrilling demonstration ride.

Big Money for Smallest Star

Smallest and youngest child ever to appear in the films is Bonnie Belle Barber, above, ten days old. She was paid \$22.50 a minute for her appearances with Carole Lombard, who is shown here with Bonnie Belle. A doctor, a nurse and a welfare worker supervised the baby's "work."

When paper becomes stuck to a package of raisins, put the package on the mouth of the teakettle and let the steam rise over it for a moment. The paper will loosen immediately.

Pay Wage Earners

Social Security Pays Benefits To Deceased Wage Earners And To Workers Over 65

AMARILLO.—A total of 1,683,619 social security account numbers had been issued to employees of Texas up to September 1, Dewey Reed, manager of the Amarillo office of the Social Security Board, said today. The total number issued for August was 31,780, of which 1,835 were issued through the Amarillo office.

As of September 1, 40,690,192 account numbers, used in the maintenance of wage earners' old-age insurance records, had been issued by the Board, Mr. Reed said.

In filing claims for lump-sum payments, which are now being made by the Board, claimants use their account numbers for identification purposes. Such payments amount to 3 1/2 per cent of the wages received by a worker from covered employment since January 1, 1937, with a limit of \$3,000 from each employer during a year. Claims are being paid to wage earners who reach the age of 65 and do not qualify for monthly benefits, and to estates of deceased workers. Monthly retirement benefits will not become payable until January, 1942.

If a worker loses his account card, he should report the loss immediately to the Social Security Board, 418 Oliver-Eakle Building, Amarillo, Texas, and a duplicate card will be issued to him.

Alfalfa Box Supper

Alfalfa School Program and Box Supper to be Held Thursday Evening, October 20

The Alfalfa school is sponsoring an entertainment and box supper Thursday, October 20, 8:00 p. m., at the schoolhouse. Music for the evening will be furnished by the Perryton Serenaders and Lawrence Elzey.

A cordial invitation is extended to every one to attend. Proceeds from the supper will be used to purchase playground equipment for the school.

REGIONAL WIND EROSION MEETING OCTOBER 21-22

STILLWATER, Ok.—Representatives of five plains states will meet here Oct. 21 and 22 to study present problems in the wind erosion area, this week announced Director Ernest E. Scholl of the Extension Service, Oklahoma A. and M. College.

Coordination of present programs designed for wind erosion control into a more effective control program will also be considered, Scholl said. States to be represented include Oklahoma, Kansas, Colorado, New Mexico, Texas.

SHOWING 1939 PONTIAC CARS

LANCE PONTIAC CO. HAS NEW 1939 PONTIAC AUTOMOBILES ON DISPLAY IN PERRYTON

The Lance Pontiac Co., local Pontiac dealers, are now showing the new 1939 cars. They announce a 10 per cent price reduction on the seventeen models in the three lines of cars this division of General Motors is offering for 1939.

The Lance Pontiac Co. points out that prices advertised do not reveal the full size of the rebates enjoyed by the retail purchaser. "This year," they say, "the top of our lowest priced two door cylinder sedan will pay \$700.00 more than for the corresponding model for last year, and \$800.00 more. Safety Shift is considered standard on this widely copied feature in all standard equipment on all models. In addition to the Safety Shift, all models of the new Deluxe line carry as standard equipment trunk horns, tail lights, vices and trunk mats which last year, cost purchaser additional. So, considering these important and popular items, we have succeeded in obtaining price cuts of which we are justifiably proud."

The burglars burgling the house about 3 a. m., should consider it about the time when the people can be expected to wake up and give the alarm.

Frank Holdeman returned Saturday from a business trip to Detroit, Michigan.

ANYTHING MAY HAPPEN World War German song and slogan was "Deutschland Uber Alles." Today, in the opinion of many foreign correspondents, the Third Reich could be more or less justifiably placarded with signs proudly reading "Hitler uber Europa." Six years ago Hitler was generally regarded as a relatively harmless sword wielder who had small chance of getting anywhere with the astounding program laid down in Mein Kampf—the book he wrote in prison. Today Hitler dominates the continent to perhaps a greater degree than any man since Napoleon, and a remarkable number of the objectives detailed in Mein Kampf have been achieved.

International Sunday School Lesson Respect for God

The International Uniform Sunday School Lesson for Oct. 16. Text: Exodus 20:7; Matthew 15:17-19; 12:33-37.

We live in a profane age. High places and low in today's world reek with irreverence of the sacred name of Jesus Christ. Literature of the day, particularly fiction, is guilty of this irreverence in the name of realism. It does not minimize the evil it removes the blot.

There is no book that dares to give the actual obscenity that the lowest characters use. The question then becomes one of good taste and judgment. For those who believe in God and in reverence for the use of their names profanely is impossible, provided their faith is real.

For those who do not believe in God or who have no faith in Him, it is not a matter of reverence for the use of their names. It is a matter of respect for the name of God and of the Saviour who is a hypocrite and a sham. It is strange that those who profess no belief in God will swear by His name.

Why should we be reverent? Why should the name of God and the name of Jesus Christ, our Saviour, be holy?

Should it be necessary for one to ask such a question? How can we believe in a God who is good, and at the same time think that there is nothing wrong or unbecomingly in the irreverent use of His name? How can one consider the beautiful life of Jesus of Nazareth and use the name of that good and holy man lightly and thoughtlessly?

If the matter were not one of

moral right, it would at least be one of propriety. Profanity is an offense against refinement and good manners, as much as an offense against moral and spiritual decency.

Among Roman Catholics there is an organization known as the Holy Name Society whose members are pledged against the profane or irreverent use of the names of God or our Saviour. It would be well if all who make any profession of Christianity, or who recognize any obligation as a Christian community, would take upon themselves some such pledge and observe it in practice.

But there is an aspect of profanity even deeper than its impropriety or the sin of actual words. Profane words indicate a profane mind and profane heart.

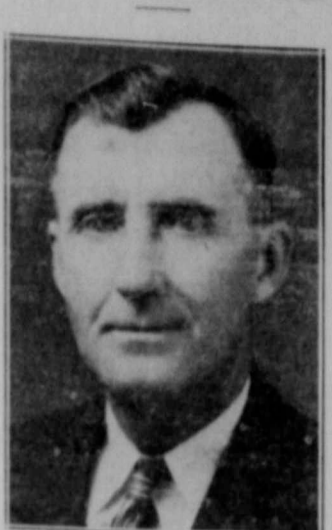

A lack of rightful response to goodness and love and truth. The willingness of the man to trail holy things in the dust is an evidence of their inner unholiness.

One recalls the story of the bishop who rebuked a fellow traveler for swearing. The traveler replied, "I swear a great deal and you pray a great deal, but neither of us means anything by it."

There is a good deal of thoughtless and futile profanity, as there is a great deal of mere formalism in prayer. Evil language may be on the lips rather than in the heart, but nevertheless it reveals a lack of right thinking and right attitude.

The closing verse of our lesson is broadly true—that men are justified or condemned by their words, for their words indicate what they are.

Assists With Revival

Rev. S. R. Brannon, pastor of the Nazarene Church, invites the public to attend the revival being held at the church by Evangelist W. H. Minor of Bethany, Okla. The revival is running from October 11-23.

Nazarene Revival

Services Started Tuesday, Oct. 11 With Evangelist W. H. Minor Of Bethany, Okla., Leading

A two week revival was underway in earnest at the Nazarene Church Tuesday, October 11, under the direction of Evangelist W. H. Minor of Bethany, Oklahoma. Rev. S. R. Brannon, pastor of the church, is assisting with the services. The revival will continue through October 23.

"Rev. Minor, an able speaker, is delivering messages of vital importance to citizens of Perryton. He has many years of evangelistic work behind him and is well worth listening to," states Mr. Brannon.

Morning services are held daily at 10 a. m. Evening services on week days are at 7:30. Sunday services begin with Sunday School at 9:45 a. m., J. O. Carter, superintendent. Preaching at 11 a. m. Miss Edith Tucker, president of the Young People's Class announces that that organization meets at 7 p. m. Night services begin at 7:30. Leading the song services is Frank Herndon, member of the church and talented singer. The public is not only invited, but is urged to attend as many of the meetings as possible.

COUNTY COUNCIL MET WITH PERRYTON P. T. A.

The Perryton Parent-Teacher Association was hostess to the County Council Friday afternoon in the high school auditorium. Mrs. W. M. McCloy, Morse, third vice president of the district, was guest at the meeting and assisted in the School of Instruction for the officers. The business session was presided over by Mrs. O. A. Schuster, president of the County Council. Report and plans of the year for each organization was told by the delegates. At the close of the meeting, a delicious refreshment plate was served by Mrs. W. C. Herndon, social chairman, and her committee of the Perryton unit.

THE FIRESIDE BLAZE

As the cool evenings come in the autumn months, the fire blazes on the hearth in countless homes. In former days families spent many hours watching the dance of those flames. The soft purring of the fire quieted anxious nerves. The good talkers settled everything, from the next election to the proper way of cooking pumpkin pie.

The fire on the hearth stirs currents of memory. The mind's eyes look on faces that once reflected the glow of that blaze, but are now forever vanished. But they say people are no longer so sentimental. They prefer to burn the gas in the tank rather than the maple chunks on the hearth.

Yet the fire on the hearth still burns, and people like to look on it. The hard job of work ahead doesn't seem so formidable, as the cheerful blaze seems to light a flame of hope and confidence in your heart. The fire that warms the cold room also thaws out chilly natures, and makes them feel again the glow of home and neighborly affection.

Mr. and Mrs. Clyde Cofer returned home Sunday from Washington, D. C., where they have been at the bedside of their son, Clyde Jr., an enrollee in the U. S. Marines. Clyde is convalescing following a major operation.

HOME COMING IS NOVEMBER 5TH

WEST TEXAS STATE COLLEGE MAKING PLANS FOR THE ANNUAL HOME COMING NEXT MONTH

CANYON—A homecoming occasion, more varied than last year's successful event, will be held at West Texas State College Nov. 4-5.

Homecoming day will be November 5, but the Ex-Students' Association will direct its annual celebration on the night club theme at Cousins Hall on the previous evening. A feature of that evening, however, will be the crowning of an ex-student queen to reign during the homecoming period. The coronation will be held in the main college auditorium about 8 p. m. during a program beginning at 7:30 p. m. The queen and her beauty court will then go to Cousins Hall to open the doors of an elaborate night club setup.

The general plans are being made by an ex-student committee of which Mrs. Tommie Montfort of Canyon is chairman. Other members of this committee are Clarence Thompson, Mrs. Lee Foster, Mrs. Ray Campbell, Mrs. Lee Johnson, J. B. Speer, and Olin E. Hinkle. Sub-chairmen and committees are being set up to care for the many ramifications of the event. Mr. Thompson is general chairman of the night club program, and Mrs. Foster of the coronation program. The coronation ceremony, however, will be directed again by the Pi Omega.

Each county in which some of the College's 20,000 ex-students reside will be allowed one candidate for queen, who must be an unmarried girl. However, in counties of large population, an additional candidate may be entered from each town of more than 1,000 population. It is desired that the ex-students of each county shall assemble immediately and select these candidates for queen certifying the entries to Mrs. Montfort, the general chairman.

At John Tarleton

Two Perryton Boys Among the 1100 Students Attending John Tarleton College

Among the 1100 students who enrolled in John Tarleton College, representing 132 counties and 10 states, are 2 students from Ochiltree County.

The students from Ochiltree county are: Knute Dowers and Leland Horne of Perryton, Texas.

This represents the largest enrollment ever enjoyed by the college during the first semester. The total enrollment for the year is expected to exceed 1300.

Dean J. Thomas Davis recently in a chapel talk advised the home sick Co-eds to forget the boys back home and find a new sweetheart on the campus. "That ought to be easy," he said, "for there are two Cadets for every girl."

CHRISTIAN SCIENCE

"Doctrine of Atonement" is the subject of the Lesson-Sermon which will be read in all Churches of Christ Sunday, October 16. The Golden Text is: "God hath appointed us to wrath, but to obtain salvation by our Lord Jesus Christ, who died for us, that whosoever will, he might live with him" (I Thessalonians 1:10).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Beloved, think it not strange concerning the trial which is to try you, as though some strange thing happened unto you: But rejoice, inasmuch as are partakers of Christ's sufferings" (I Peter 4:12, 13).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "If truth is overcoming error in your daily walk and conversation, you can truthfully say, 'I have fought a good fight... I have kept the faith,' because you are a better man" (page 10).

Distinctive and appealing letter heads at the Stewart Printing Co.

Here's Sample of \$5000 Grin

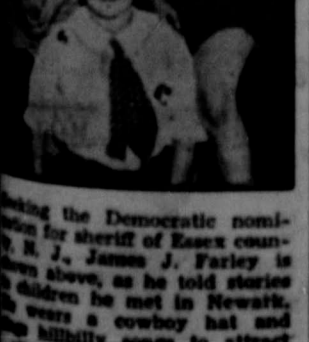

Good reason for that broad grin was Lowell Single, garage mechanic of South Charleston, O., who collected \$5000 when he won the preliminary handicap at the Grand American Trapshoot at Vandalia, O. The south-western marksman broke 72 out of 75 targets in a shoot-off to break a three-way tie.

Candidate Woos Child Support

Mr. and Mrs. Clyde Cofer returned home Sunday from Washington, D. C., where they have been at the bedside of their son, Clyde Jr., an enrollee in the U. S. Marines. Clyde is convalescing following a major operation.

Favorite for Supreme Court

Prof. Felix Frankfurter, shown above in his study at Harvard University, is thought by many to be favored for appointment to the Supreme Court to succeed the late Benjamin N. Cardozo.

Revival Opens Sunday

Revival Services Begin at Full Gospel Church on Sunday Morning, October 16

Beginning Sunday morning, October 16, at 11 o'clock, the Full Gospel Church will start a revival meeting. Evangelist Gail Schultz, Selman, Okla., will be in charge of the services.

Assisting Mr. Schultz and having charge of the music will be Evangelist and Mrs. J. M. Scott of Baxter Springs, Kansas. Miss Edna Mae Long, local pastor, announces that there will be services every night at 7:30, and the public is cordially invited.

Sunday school will be at the regular hour.

LUTHERAN CHURCH

H. M. E. Daenzer, Pastor 2:15 p. m. Sunday School 3:15 p. m. Communion Service 4:15 p. m. Voters' Meeting. The Quarterly Meeting of the congregation will be held on Sunday after the main service. Every voter is urged to attend, since a number of vital matters demand our attention. The Lord's Supper will be celebrated in the main service. You are cordially invited to come and attend our services.

80 BILLION INCOME NEEDED

Says Uncle Sam: "Give me a regular national income of \$80,000,000,000 a year, and I'll stop lying awake nights about that \$38,000,000,000 debt." He had that national income back in the boom year of 1929. Since then, he has had to rub along on an average of perhaps \$55,000,000,000. The man with a \$2,000 income says all his problems would be solved, if he had \$4,000 per. But if he got it, his wants and demands would also double. May be about the same with your Uncle Sam.

Just raising wages won't produce the desired result. Prices would go up about the same, leaving the same old balance of \$6000. Factory shut-downs because of lack of orders, and stoppage of farm, road, and building work in winter, are the principal causes why Uncle does not find that \$80,000,000,000 in his breeches pocket. Nothing the government or business can do will give the United States July temperatures in January, so that our door work could keep right on in winter.

But the habits of the people might be changed so they would not buy so much by fits and starts and "steady by jerks." When they want their houses painted or walls papered, as one instance, they rush to do these jobs at about the same time. That produces overwork for months, and leaving the rest of the time. If goods could be produced and sold, and work done for less money during the months when millions lie

Stars of Campus Story

With beauty on the right of him and beauty on the left of him—in the persons of Betty Grable and Eleanor Whitney—Hank Luisetti, famed Stanford basketball star, swings into his first screen role in Paramount's "Campus Confessions." This new college romance will have its first local showing Saturday at the Ellis Theatre.

"Little Caesar" a Racket Buster

Edward G. Robinson, here held back by John Beal, as his assistant, and Barbara O'Neil, as his wife, in a racket-buster extraordinary in Columbia's "I Am the Law" which comes to the Ellis Theatre, Thursday and Friday, October 13-14. He is starred as a law professor who builds up a staff of his former pupils in order to destroy organized crime. Alexander Hall directed the film.

Grable Heads Cast

"Campus Confessions" Something New in College Life; "Hank" Luisetti Makes Debut

Betty Grable, lovely beauty who recently scored so sensationally in "Give Me A Sailor" will be seen in one of her biggest and most important roles to-date next Saturday at the Ellis Theatre, when Paramount's gay comedy of college life, "Campus Confessions," opens there.

Featured with Miss Grable in the cast of "Campus Confessions" are beautiful Eleanor Whitney, Hank Luisetti, Stanford University basketball star who makes his film debut in this film, William Henry, Thurston Hall and Fritz Peid, the popular comedian.

"Keep in your shop, and your shop will keep you," said the old proverb. A good modern proverb for those who buy goods away from home, would be, "Stick to your home town and your home town will stick to you."

Ayres in New Film

"Young Dr. Kildare" Brings The Screen World New Laurels In Dramatic Hits at Ellis

Lew Ayres' sensational return to the screen spotlight continues. With Lionel Barrymore, he is featured in "Young Dr. Kildare," which is coming to the Ellis Theatre Tuesday and Wednesday, October 18-19. Lynne Carver has the feminine lead.

Ayres' performances in "Holiday" and "Rich Man, Poor Girl" resulted virtually in demand performances by this young veteran whose unforgettable work in "All Quiet on the West Front" zoomed him to stardom ten years ago. Metro-Goldwyn-Mayer answered the demand by placing him under contract and casting him immediately as Kildare. Barrymore plays the grizzled diagnostician, Dr. Gillespie, who is at once the nemesis and mentor of the amazing young Kildare.

"Young Dr. Kildare" is the story of a young medical student who sacrifices love and a place of comparative security beside his country doctor father to achieve something great for humanity. As an interne in the general hospital of a big city, his independent thinking gets him fired from the staff, but wins him the admiration of Gillespie, the great diagnostician. Kildare returns home to find that, through Gillespie's love and a career are not incompatible.

The cast supporting Ayres, Barrymore and Miss Carver includes Nat Pendleton, Jo Ann Sayers, and Samuel S. Hinds. The picture was directed by Harold S. Bucquet, winner of last year's award of the Academy of Motion Picture Arts and Sciences for the crime short, "Torture Money."

In Romantic Mood

Jeffrey Lynn and Priscilla Lane play boy meets girl, loses girl, wins girl in "Four Daughters" which will be the attraction at the Ellis Theatre, Sunday and Monday.

Winsome Wife Is Glamor Winner

This smile won the title of "Glamor Girl" voted by the 8200 delegates at the annual cosmetics convention in Chicago for Mrs. Lucille Lemberg of that city. She proved wives can be glamorous, too.

Mrs. F. E. Hooper

Mr. and Mrs. Sidney Cook visited with Mrs. A. M. Morris, Saturday. Johnnie Presnell received a badly sprained ankle at school last Monday while playing ball. He has been absent from school this week.

Darrel Bruton and B. H. Mowery of Shattuck called on A. C. Partridge, Monday. Buel Morris, who has been taking treatments at South Bend, Texas,

BLUE MOUND NEWS

Mrs. H. E. Pattison, Reporter

The club ladies met in the home of Mrs. Elmer Unruh last week to quilt, with 12 members, five visitors and the home demonstrator present. The next meeting will be in the home of Mrs. E. M. Padgett.

The P. T. A. had a regular business meeting Wednesday night, and the school presented a good program. Sandwiches, cocoa and wafers were served following the program.

Mr. and Mrs. Geo. Buchner were Sunday dinner guests of Mr. and Mrs. S. S. Cook. Afternoon callers were Mr. and Mrs. Elmer Unruh and children and John Unruh.

Don Blosser spent the week-end with Mr. and Mrs. A. C. Partridge. Mr. and Mrs. Chas. Campbell and children called on Mr. and Mrs. A. M. Morris, Monday evening.

Fred Dowers and son Paul and Mr. and Mrs. J. W. Cayler were callers in the home of Mr. and Mrs. Paul Winters, Sunday.

Marolyn and Carolynne McGlam-mery spent Monday and Tuesday with Emma Reitswig.

Mr. and Mrs. A. C. Partridge spent Sunday with their daughter, Mr. and Mrs. Levi Blosser, of Beaver.

Mrs. Della Mann, Harvard, Ill., visited a few days with her sister.

FARMERS CO-OP SOCIETY

PRESENT UNIQUE SCREEN DRAMA

"FOUR DAUGHTERS" AT ELLIS IS TOPS IN ROMANTIC APPEAL AND VARIETY ON OCTOBER 16-17

"Four Daughters," Warner Bros. picturization of a famous Cosmopolitan magazine story by Fannie Hurst, which shows Sunday and Monday at the Ellis Theatre, poses a unique problem in human relationships as its theme.

What happens when four devoted sisters all fall in love with the same man? The man in the case is Jeffrey Lynn, one of the screen's newest and most handsome leading men, who makes it quite believable that four girls would fall headlong under the spell of his charm. An unusual bit of casting places the three Lane sisters—Priscilla, Rosemary and Lola—in the roles of screen beauties recently come to the screen, making a fourth of interest to theatre-goers is the casting of John Garfield, the leading young character actor of the Broadway stage, in another featured role in "Four Daughters," which marks his screen debut.

The story, adapted from the Fannie Hurst original by Julius J. Epstein and Lenore Coffee, works out a logical and deeply moving solution to the problem posed. Under the direction of the brilliant Michael Curtiz, the picture has been hailed by previewers as an outstanding choice for the Academy Award for 1938.

In spite of all that is done to improve people's eyesight, many of them can't seem to read the signs that say "Danger" and "No parking." Seeing a sign that reads "Children go slow," someone says she hopes they don't go any slower than they usually do when asked to go down town on an errand.

Rural Power Laboratory Seen as Boon to Farmers

Here is a diagram of the uses made of electricity on the farm of Nelson Peet near Rochester, N. Y. Electrical companies and the New York State College of Agriculture co-operated in selecting and equipping the dairy farm.

ROCHESTER, N. Y.—Nelson Peet is the 10th generation of his family to till the soil of New England. He lives 18 miles north of here on a 200-acre farm; 100 acres are under cultivation, 50 acres are in pasture, 18 in woodland and 32 are in an apple orchard.

Until a short time ago he used electricity to light his house and outbuildings, to operate the radio and an electric iron. Then he was selected by representatives of New York State College of Agriculture and a number of electrical companies as a typical farmer. That meant his farm was to be used as a laboratory in the use of more electricity on the farm.

Companies engaged in the production of electricity and the manufacturers of farm equipment united with the college authorities to set up a long-time survey. Electricians, laborers and mechanics began arriving at the Peet farm within a short time and were soon at work putting in a mile of new wiring, a 15-kilovolt ampere distribution transformer, motors, electric heaters, pumps, farm and home appliances from the kitchen to the hay mow.

Peet has 15 pure-bred Holstein cows. An electric milker milks three cows at once and Peet is

already convinced that he can handle a herd twice the size of his present one with the addition of the new machinery.

Water for washing the milking utensils is heated with electricity. Bacteria that may get into the milk are killed with two ultraviolet ray lamps attached to an aerator through which the milk is poured.

Flies, mosquitoes and other insects are killed by special lamps that hang about the barn and home area of the farm. Small motors perform many of the tasks ordinarily connected with running the average farm.

No small part of the revolutionary changes have been made in the kitchen of the home. Modern laundry and dish-washing equipment has been installed in the roomy kitchen. Fresh water is pumped direct from the well to the faucets in the kitchen and bathrooms. Water pumped from the well is used as a cooling element in the aerator and milk cooling tank.

Companies backing the experiment say that Peet is typical of the 1,250,000 farmers in the country and that their experience in meeting his problems with the hay mow.

Peet has 15 pure-bred Holstein cows. An electric milker milks three cows at once and Peet is

SWINE FEEDING PROVIDES A MARKET FOR GRAIN SORGHUM

By A. D. JACKSON

A lot of ten 69-pound pigs weighed 214 pounds after being fed kafir and protein supplement for 30 days at the Texas A. and M. Experiment Station, and paid \$1.77 per hundred pounds for the kafir they consumed, according to Fred Hale, Chief Division Swine Husbandry, Texas Experiment Station. This is more than four times as much as the grain is bringing on the market in West Texas at this time.

The pigs were purebred Durocs, and were bred by the Texas Station. They were farrowed in March, 1938, were started on test June 5, and were 6 months old when the test closed September 5. These pigs consumed 382 pounds of total feed per 100 pounds of gain, and made an average daily gain of 1.61 pounds.

The 10 pigs consumed 4766 pounds of kafir and 787 pounds of protein supplement during the 90 day test, and made a total gain of 1484 pounds. The protein supplement at 50 cents per pound cost \$15.74. Figuring charges of labor, equipment, interest, veterinary costs, and miscellaneous expense at \$1.50 per 100 pounds of gain, these costs total \$21.81 for the 1484 pounds of total gain. The \$21.81 added to the protein supplement cost of \$15.74 gives a total cost (other than kafir) of \$37.55. The 1484 pounds of gain sold for \$8.40 per cwt., or a total of \$12.13 which leaves \$84.38 after deducting the \$37.55 cost. Therefore 4766 pounds of kafir brought \$84.38 or \$1.77 per 100 pounds.

Hale explains that such results as these were not obtained merely by chance, nor without some knowledge of hogs and the phases that go to make up hog production. Neither were they obtained without organized planning. In other words, included in these results are: (1) good hogs; (2) balanced rations; (3) proper and adequate feed lot equipment; (4) sanitation; (5) plenty of clean water; and (6) daily observation about the feed lots.

The first requirement necessary for sound swine production is adequate farm-grown grain. Without farm-grown grain, swine feeding becomes more or less of a speculative game, and the average farmer cannot afford to take up any added speculative project, as farming at its best is loaded with uncertainties. The farmer who grows his own feed prices for the grain or other produce consumed by the hogs, yet may still have a fair profit through selling his produce at market prices in the form of pork, but the man who buys his feed can have for profit only what he obtains in excess of the market value of the feeds consumed by the hogs. Thus, the farmer who grows his feed has two sources of profit, namely the grower's profit, or the profit obtained by selling his produce at market price; together with the feeder's profit, or what he obtains for his produce in excess of market price by selling it in the form of pork. The man who has to buy all the grain which he feeds his hogs can have only the feeder's profit, and under unfavorable conditions, this profit may be so small that it will scarcely pay for the labor involved.

Then next requirement is good hogs. Any of the common breeds of hogs found in the state will contain both good and inefficient individuals. The individual hog is more important than is the breed. One must inform himself concerning the points of a good hog in order to be consistently successful with hogs.

Proper equipment, water supply, and some knowledge of feeds, balanced rations, pasture requirements, sanitation and disease, and management details all are necessary for successful swine production. It was Benjamin Franklin who said, "He that by the plow would thrive, himself must either hold or drive." Franklin simply implied that one must be on the job in order to make a success on the farm. This central truth certainly holds true in the feeding and management of hogs. Being on the job includes keeping abreast of new information through the reading of farm papers, livestock magazines, bulletins and reports from the Agricultural Colleges, and forming the habit of making observations as one goes about his work.

"The average farmer is safer to

Arctic Weather Grows Spinach

Yard and Garden

Water, water, our shrubs need water. The rains all summer have kept the shrubs in fine shape and they have done well, but now they are beginning to show the effects of the lack of water. In order to have the shrubs in good shape and to have strong growth next spring we need to allow the shrubs to go into the dormant stage gradually with plenty of water.

The shrubs should be watered generously, and then water supplied in sufficient amounts so that they will not have the wilted condition that they do now. Do not put on so much water that new growth will start out strong. We are not trying to start new growth but to allow the shrubs to harden gradually with the cold weather, producing strong, well-filled wood so that in the spring the shrub will grow vigorously.

New growth would hurt the shrubs more than the drought, for they would be tender and would be subject to freezing back, but a shrub going into dormant condition with good strong growth will be less subject to freezing back next spring when the late spring frost strikes.

If you are not planting the fall garden a very good thing to do at this time would be to spread a 1-inch layer of well-rotted manure or compost over it and spade it in. The garden next spring will be much easier to prepare for the seed bed as the compost or manure will have virtually become part of the soil. Compost and manure is used more for the humus that it supplies than for the fertilizer that it is likely to contain. The benefits it gives comes in its water-holding capacity and it is of more value if it is part of the soil instead of the clumps and masses that it is when it is added to the garden just before the seed bed is prepared in the spring.

Don't throw away an entire potful of potatoes because some of them have burned. If you cut away the scorched portions and finish cooking the unburned portions in a clean kettle of fresh boiling water, no burned taste will remain. The same is true of other vegetables, of course.

handle hogs in small numbers and use them as an adjunct to his other farm operations. Used in this way, and handled with a reasonable degree of judgement, the hog will give a good account of himself in increasing farm revenue and profits.

The initial investment in starting a few hogs is less than for other classes of livestock, the turnover quicker, and the opportunity for selection and improvement in a given time is consequently much greater.

The labor cost of producing pork is low when volume production is combined with good farm organization, suitable equipment and watering facilities. With the wider use of the self-feeder for pigs intended for an early market, the substitution of dry for slop feeding, and the more general appreciation and use of forage crops for all classes of hogs, labor costs may be materially reduced.

Scarlet Fever Menace

Scarlet Fever is Treacherous And Should be Guarded Against By Using Antitoxin

Austin, Texas—"Scarlet fever still continues to be a menace to children," said Dr. Geo. W. Cox, state health officer, in discussing diseases common to children. "Many cases are slight, but they may infect others who may become seriously ill. It is treacherous and undesirable, and the only good thing about it is that if one can avoid it until grown, the chances of never getting it are excellent."

"Scarlet fever is spread by the transfer of the infection in the discharges of nose and throat, ears, or abscesses of persons ill with the disease and those who are carriers of the infection. Then handling of articles soiled by the patient may cause the disease."

"Children under ten years of age are usually susceptible to scarlet fever. Children becoming suddenly ill with fever, sore throat, vomiting and showing a fine red rash, should have medical attention and be immediately quarantined to prevent the spread of this disease. The appearance of scarlet fever in the home should be immediately followed by a rigid quarantine for at least three weeks. The public should be warned against exposing young children to those exhibiting acute catarrhal symptoms of any kind. Take no chances—be on the safe side."

"The use of potent scarlet fever antitoxin is of value in shortening the course of the disease. The antitoxin should be administered within three days of the onset. Scarlet fever antitoxin lessens the complications, such as heart and kidney diseases, discharging ears and infected sinuses, which often occur after scarlet fever."

PRODUCTION NEWS

Metro-Goldwyn-Mayer has acquired motion picture rights to the current stage musical success "I Married an Angel," now in its fifth month at the Shubert Theatre, New York. "Out West With the Hardys" is announced as final title for the new picture dealing with the adventures of Judge Hardy and his family. Agnes Christine Johnston is author of the new story in this group, for which the screen treatment is being prepared by Kay Van Ripper and William Ludwig. A nation wide dance competition is announced by M-G-M in association with the release of its new musical production, "The Great Waltz." The contest, planned as the most extensive ever undertaken by a motion picture company, will start September 25th, and close December 5. For further details suggest you contact your local movie house.

Florence Rice will play the female lead opposite Robert Taylor in "Stand Up and Fight" in which Wallace Beery co-stars. Helen Broderick has also been assigned a part in the same picture. Nana Bryant has joined the "Out West With the Hardys" unit. Johnny Wash, now appearing in "Boys Town," has been signed to a long-term contract by the Culver City Studio.

Joe Newman, a former office-boy, has been promoted to a post as Short Subjects Director. His first assignment will be a Pete Smith release, "A Man's Greatest Friend." Edward Chodorov has been signed to a new long-term producer-writer contract. Jane Hall, well-known writer, has affixed her signature to a contract.

Fernand Gravet arrived in New York City on a vacation trip. His latest role is in "The Great Waltz."... Russell, having finished work in "The Citadel" arrived in New York on the New Amsterdam. Gabriel Paoletti, producer of new "Pygmalion," is scheduled to sail for New York the first week of October.

Color For Safety

Children in Bright Colors Easily Seen by Motorists and Protected from Accidents

STILLWATER, Ok.—(Special)—Color is the keynote to safety when mothers start planning their children's winter wardrobes.

Bright colors that the motorist is certain to see when children walk along the highway to school protect the tots as well as please them, for all children love bright colors.

Miss Mae Thompson, assistant Extension clothing specialist, Oklahoma A. and M. College, points out that brilliant sweaters or jackets to wear during October's bright, crisp days and coats for cold weather in reds, blues and greens can be seen from a long distance and will not blend with gray or brown of the road.

"However," adds Miss Thompson, "if the mother prefers to buy a brown or black coat for the child, give him a scarf, cap and mittens of bright knit fabric. They are inexpensive, warm and will wear well."

Kidnaped Baby Chimp Eats Again

First food in three days for this baby chimpanzee was the bottle of milk fast disappearing here. Baby was kidnaped from its mother, Lorette, in the Audubon Zoo in New Orleans, La., by another zoo "chimp" named Coco, whose baby died two years ago. Coop defied efforts to rescue the youngster and it was necessary for attendants to trick Coco into being tied to the bars of her cage before the baby could be rescued.

China to U. S. in Tiny Junk

The Hummel Hummel, above, a 36-foot Chinese junk, made the 7000-mile journey from China to Los Angeles to bring Dr. E. Allen Peterson of Los Angeles and his Japanese wife, Tane, to their home. Two Russian seamen accompanied them on the three-month journey.

Home Demonstration CLUB NEWS

NEW HOPE CLUB

Mrs. B. B. Lee, Reporter
"Have your fruit jars full but not touching the top of lid, and have juice enough to cover fruit or vegetable and avoid over cooking," stated Mrs. Hazel Martin, home demonstration agent, at the meeting of the New Hope Club when it met with Mrs. Herman Hargrave, Wednesday, October 5.

Members brought 24 jars of fruits and vegetables to be scored. A date cake was made and demonstrated by Mrs. W. L. Lovett and Mrs. Hazel Martin. A quilt was quilted for our hostess and 12 tea towels hemmed.

Present were the following members: Mesdames Carl Carter, A. M. Koehn, W. L. Lovett, J. E. Yaden, Ben Peckenpaugh, W. G. Yeary, C. R. Cudd, O. E. Carter, Fred Purniah, Albert Ackley, C. J. Prantz, M. F. Hethcock, Adrain Lovett, B. B. Lee Lorena Kutch, Hazel Martin, Gus Koehn and the hostess, Mrs. Hargrave. Visitors were May Lynn Schubert, Spearman, and Mrs. P. T. Hart, Gravelle, Ark.

WOLF CREEK CLUB

Mrs. S. J. Handy, Reporter
"We can't get along without reading in the home," stated Mrs. Hazel Martin, the Home Demonstration agent, to the club, October 6, in the home of Mrs. S. J. Handy.

"The reading center should be well lighted, have comfortable chairs and reading material suited to the interest and need of each member of the family, such as, one or two papers, one daily, a magazine for the girl and the boy, a woman's magazine, one or two good farm and home magazines, and a magazine for the hobby of the husband and the wife."

Those present were: Mesdames J. H. Callihan, Walter Daniel, Lawrence Ellzey, Will Tandy, Hazel Martin, and the hostess, Mrs. Handy.

OCHILTREE H. D. CLUB TO MEET WEDNESDAY, OCT. 19

The Ochiltree Home Demonstration Club will meet October 19 at 1:30 p. m. in the home of Mrs. Jim Dodson. Each club member is asked to bring one quart each of vegetables and fruit for the Ball Jar Contest. The reports of bedroom work are to be ready for the bedroom demonstrator. Visitors are always welcome.

In curing concrete in hot weather, exposed surfaces should be sprayed with water at least twice a day or otherwise kept moist for a week or 10 days.

A cold wax emulsion has been developed that will keep farm stored vegetables two or three times as long as unwaxed ones before they show signs of wilting.

Calves waste more feed eating out of a large box than a small one.

OCHILTREE CLUB

Mrs. Jack Dodson
"The dried fruits, especially dates, are the most desirable sources of sugar because they are sweet enough to serve as a candy, yet at the same time give a large amount of iron for the red corpuscles and calcium for the teeth and bones," stated Mrs. Kirt Williams at the meeting of the Ochiltree Home Demonstration club in the home of Mrs. Charles McCartney, Wednesday, October 5.

A date cake was made by club members and came out of the oven a success.

During the business meeting the members discussed the demonstration they would like for the coming year. Mentioned were the remodeling of a kitchen to make it more convenient and bedroom demonstrations. Officers elected for the year were as follows: Mrs. Kirt Williams, president; Mrs. W. T. Lackey, vice-president; Mrs. Jack Dodson, secretary; Mrs. Charles McCartney, reporter; Mrs. Claud Crouch, council delegate.

A few minutes of entertainment was enjoyed by the group. Mrs. Kirt Williams won the contest of "Questions" and the "guess what" package.

Delicious refreshments were served to the following: Mrs. W. T. Lackey, Mrs. Claude Crouch, Mrs. Kirt Williams, Lillian Williams, and the hostess, Mrs. Charles McCartney.

NEW HOPE CLUB TO MEET ON FRIDAY, OCTOBER 21

The New Hope Home Demonstration Club will meet with Mrs. Ben Peckenpaugh on Friday, October 21, at 10:00 a. m. Every member bring covered dish and also a thimble.

Election of officers for next year will be at one o'clock, followed by the bedroom demonstration. Members who failed to bring jars to last meeting can take them to Mrs. Hazel Martin's office to be scored.

A daughter was born to Mr and Mrs. Earl Kerns on Monday, October 10. The name Duenna Mae has been chosen for her.

Newspaper ADVERTISING Sells Goods

Kegs Used for Mail at Catalina

Reminiscent of the "keg mail" of the South Seas where letters are floated out to sea in kegs to be picked up by passing ships, is the official United States mail drop, a padlocked keg at the Santa Catalina Island Isthmus. Pictured here is pretty Violet Gilmore mailing a postcard to the folks at home in Los Angeles.

Mr. and Mrs. Rufus Bolerjack, Mr. and Mrs. Clarence Zirkle, Miss Ruby Neufeld, and A. P. McConvey enjoyed refreshments in the O. A. Bush home Wednesday evening following church services.

COUNTY COUNCIL

Mrs. Jack Dodson, Reporter
"A total of 787 people have been helped through the demonstration club women of this county," stated Mrs. James Hardy, expansion chairman at the meeting of the Ochiltree County Council, Saturday, October 8.

The clubs reported that progress had been made in home improvement. Each chairman of council committees gave a report on the year's work and plans for the coming year.

Other business included the appointment of the following committee to plan a bedroom tour: Mrs. Fred Butler, Mrs. B. B. Lee and Mrs. Kirt Williams.

The club women will be heard on a radio program November 5. The Achievement Day for Farm Food Supply was set for November 9.

Each club member is requested to turn in a report of the year's work to the bedroom demonstrator of their respective clubs to enable her to complete her story.

All new club officers attend the November Council. The council officers will be elected at this time.

In the publicity work four clubs were 100 per cent for September. News stories sent in to College Station were Waka, McMillen, Missouri Avenue and Ochiltree.

The Ball Jar Contest will be completed by November 22. Present were Mesdames J. R. Stump, Wayne Lovett, C. O. Roach, J. H. Kershaw, Max Bues, Kirt Williams, B. B. Lee, Jack Dodson, Fred Butler, James Hardy, Blansit Carter, Jim Dodson, A. W. Henry and Hazel Martin.

Maine and Idaho in Potato Race

Governors of two great potato producing states, Maine and Idaho are shown in their stride as they raced to see who might pick up the most potatoes for the honor of their respective commonwealths. Gov. Barzilla W. Clark of Idaho is shown on the right, Gov. Lewis C. Burrows of Maine on the left.

Mr. and Mrs. Robert Francis and Ona Grace spent Saturday night and Sunday with their son, Ralph, and family.

Mr. Sweitzer and Mrs. Byler spent Saturday night in the Paul Pletcher home.

Ed Goins left last week for Sparta Mo., where he will spend some time with relatives.

Friends and relatives of Mrs. Ed Cline gathered at their home, Thursday evening to bid them farewell. The Clines are moving to Colorado to make their home.

Mrs. W. C. Wilson and daughter moved to Liberal, Kans., Monday to join her husband who has work there.

HUNTOON NEWS

Mrs. Norman Crum, Reporter
The regular meeting of the Parent-Teacher Association will be held Friday night, October 14 at the Huntoon school house. An entertaining program has been prepared by the primary room. The topic for discussion is "Home Play" which will be led by Mrs. O. A. Schuster. The public is invited.

Mr. and Mrs. Albert Latham and Orville spent Sunday evening with Mr. and Mrs. Orville Cook and family of Booker.

Margery Hummer spent Sunday afternoon with Mr. and Mrs. Gladys Morris.

Mr. and Mrs. Clarion Marriott spent Sunday in the Bernard Hurter home.

Ether Kershman spent Thursday night with Irene Latham.

David Hummer visited Sunday night with Loyd Hummer.

Mr. and Mrs. A. E. Smith and Mrs. W. H. Harbor and children visited Sunday afternoon with Mr. and Mrs. Morris Smith.

David Stollings spent Sunday with Delmar Hummer.

Mr. and Mrs. Carl Hurter and family were Sunday dinner guests of Mr. and Mrs. Ira Kins. Jack was very proud to bring home a calf bought with money he earned during harvest.

Lorine Littau spent Thursday night with Ozella Pearson.

Mr. and Mrs. George Latham and Irene spent Sunday afternoon in the home of Mr. and Mrs. W. A. Latham.

Mr. and Mrs. L. H. Littau and family spent Sunday with Mr. and Mrs. J. L. Cook of Lipscomb.

Irene Latham was an over-night guest of Ozella Pearson, Wednesday night.

Mr. and Mrs. Joseph Bremmer and family enjoyed Sunday afternoon in Perryton.

Sunday dinner guests of Mr. and Mrs. Norman Crum were Mr. and Mrs. Ambrose Morris and Mr. and Mrs. Harry Mountcastle and daughter.

Mr. and Mrs. Clyde Devers and sons were Friday night visitors of Mr. and Mrs. J. L. Cook.

Little Misses Velma Ruth and Lena Mae Smith spent Friday night and Saturday night with Rayna Lee Mountcastle.

Mr. and Mrs. J. W. Day and daughters spent Sunday evening with Mr. and Mrs. Harry Mountcastle.

The membership drive for the Parent-Teacher Association is being carried on this year by the school children. A useful prize will be given to the room getting the most members. Help promote the drive and contest by giving your membership fee to a child from the room which you want to win the prize. The contest closes Friday, October 14.

Recent steer fattening investigations conducted by the Texas A. and M. College Agricultural Experiment Station showed that supplementing sudan grass with cottonseed cake increased the gain about one-third pound a day and added finish.

Government War on Insects for 1939 Already Under Way

STATE and federal programs for combatting insect hordes in 1939 already are under way. New areas in the west and north-west are threatened although the season just ending has shown remarkable results in the control of the insect scourge.

Damage by grasshoppers and Mormon crickets was reduced far more than had been expected and the damage from the Hessian fly was cut to practically nothing in areas where the fly has been one of the greatest enemies of the wheat farmer.

Heavy migrations of the strong-flying lesser migratory grasshopper, largely into idle lands, increase the importance of next year's task. Control measures on idle lands are difficult, if not impossible. Montana and Wyoming, eastern Washington, and some places in Oregon may expect hopper trouble next year, government experts say.

Old-fashioned but effective is the method of broadcasting grasshopper poison bait being used by the farmer in the top picture. In the lower picture is a Mormon cricket, another of the pests that plague the farmer.

The Red River valley in North Dakota was the scene of another heavy migration this year and trouble may be expected there in the spring and summer of 1939. Poison bait for hoppers and crickets are still the best methods of control.

The canner sections of the east may look for trouble from the army worm, according to federal reports. Corn areas in Maine, Maryland, Virginia, North Carolina, in some areas on the Gulf of Mexico and in regions south from Indiana to Texas through Missouri and Kansas will be the scene of this control program.

Government surveys also disclose that the second brood European corn borer became a commercial threat in Indiana during the last year. New York, New Jersey, Ohio and Massachusetts have also had some trouble with this crop enemy.

Three states in the middle west have shown an increase of chinch bugs which will warrant particular attention next year. These states are Iowa, Missouri and Oklahoma.

In California the government experts will wage a particularly bitter war on the pepper weevil which did extremely heavy damage this year. There is no indication this year in areas where dusting cotton is common practice.

Oriental Guests With Pope Pius

Members of the Manchukuo mission to Rome stand at respectful attention before Pope Pius XI, in this unusual photograph taken at the Pope's summer home at Castel Gandolfo, near Rome.

'Cornfield Conference' Leaders

Republicans rallied 'round the cornstalks at the Washington, Ind., "kickoff" of the 1938 G. O. P. campaign. Pictured here is the sponsor of the pow-wow, Homer Capehart, center, with Raymond Willis, Indiana Senate nominee, left, and Dr. Glenn Frank, head of the national Republican program committee.

NO. 1-Continued From Front Page

tem contains 108 square miles, and it is necessary that a spillway 100 feet wide be constructed to care for runoff after the lake is filled. The PWA has allotted \$168,000 for the completion of the dam and recreational facilities. The land on which the project is located has been purchased by the Federal government.

Recreational facilities will be provided at the dam site for the use of residents of Ochiltree and surrounding counties in Texas and Oklahoma.

Other such projects approved and either constructed or getting ready for work are Buffalo dam near Timberlake, Boggy Creek near Canadian, Mc-Jelias Creek near Pampa, Rita Blanca dam near Dalhart and a project in Swisher county.

On all these projects, which are sponsored by the Panhandle Water Conservation Authority, money is being provided by the PWA, labor by the WPA, and land and supervision by the BAE. All work is under the supervision of Tod L. Smith, engineer in charge of the BAE construction division in Amarillo.

NO. 2-Continued From Front Page

members served by the organization last year. Randall county runs a close second in the eight high ranking counties in the state.

The association for this county was founded in 1936 and is a member of the Texas Agricultural Association and is affiliated with the National Farm Bureau Federation, the largest farmer organization in the nation.

County funds are used for sending representatives to all state and regional meetings. By having these funds available the county has had representatives at all important meetings and have had an active part in all matters affecting the Farm Program.

Actively backing up the county association during the year were community associations from McMullen, Ochiltree, Black, Notia, Lone Tree and Twichell. County Agent E. W. Thomas states that other communities are expected to join as a group in the near future.

The membership fee is \$2.00 per person. Of this amount 50 cents remains in the county, 50 cents goes to the state organization, 50 cents for a year subscription to the "Farmers Banner" and 50 cents to the National Farm Bureau Federation.

Other business than the election taken up at the meeting were reports from delegates who attended the Hutchinson, Kansas, and Fort Worth farm meeting held recently. It was voted to release a financial statement at an early date. Meetings will be continued on the second Tuesday of the month at 10 a. m.

NO. 3-Continued From Front Page

ed in Miami. W. R. Ewing, now presiding judge of the 21st district court, was district attorney for the same district court when Judge Pickens was the reporter.

He was elected District Attorney in 1916, resigning in 1917 to volunteer for military service. John A. Holmes, appointed to succeed him, resigned when Mr. Pickens was discharged from the army in 1919. In May, 1922, he married Miss Jeanette Collins.

Upon resignation of Judge Newton F. Willis in 1929, Mr. Pickens was appointed to the district judgeship, which he held at his death.

Besides the widow, a daughter, Jeanette, and four sons, Ernest, Charles, John and Curtive, survive him.

Though his hundreds of friends knew of his serious illness, news of the popular judge's death came as a blow, indicative that the niche he

WHEAT INSURANCE RETURNS

SOME FARMS IN COUNTY HAVE BEEN DAMAGED BY WORMS AND HOPPERS; ARE ELIGIBLE FOR PAYMENT

FARMERS who are cooperating in the Federal Crop Insurance Program in this section of the country are beginning to realize how insurance of this kind can protect them. During the last month several fields of wheat have been destroyed by grasshoppers and worms.

If an insurance policy has been written on a farm that has been destroyed, the farmer may do either of two things:

1. He may collect the insurance on it if all the wheat is gone, which will be paid within thirty days from the time the claim has been made, and is allowed to sow any other crop except wheat on this land either this fall or next spring.

2. He may at his discretion reseed the wheat if conditions are favorable, and the insurance will still be in effect on the second seeding. However, no payment will be made on the first seeding as the policy guarantees a specific number of bushels to be produced on the land, and this amount may be produced on the second seeding.

If a field is only partially destroyed a report on the amount of damage will be made but no payment will be made until after harvest or until the balance of the wheat is dead.

CCC VISITORS

Company 2674, local CCC, has had three district officers the past week. Major R. C. Throckmorton, Fort Worth, commanding officer of the North Texas District, had lunch at the camp Tuesday and made inspection. Lt. Leonard W. Cronin, Lubbock, sub-district chaplain, came in Tuesday and remained until Wednesday. James Lyons, district dentist, was here last week looking after the dental needs of the enrollees.

Gifted as a speaker, Judge Pickens never refused to lend assistance whenever called upon and adjusted his speeches to the occasion, whether solemn or humorous. He was always willing to help in promoting any movement for the betterment of a community.

In his passing, the Panhandle has lost one of its most valuable and loved citizens, and able jurist.

NO. 4-Continued From Front Page

recently been re-roofed with heavy roofing paper. A lavatory and other plumbing, adding to the efficiency of the company, have been installed for the use of the cooks and k. pa.

The floors in the kitchen, the kitchen store room, infirmary and officers' mess will be covered with battleship linoleum. The infirmary is being outfit with ply-wood. The recreation hall ceiling will be finished like the reading room.

A new manual training room in the educational building is being equipped with new fixtures. A well equipped dark room is available to enrollees interested in photography.

Most of the enrollees are taking advantage of the opportunities offered in the educational department under the supervision of Mr. Brooks, educational adviser. Six or seven enrollees are taking extension work at the Oklahoma university.

The company strength now is 205 men. And word has just been received that 12 men from Potter County and 1 from Scurry county will be enrolled on October 20. All enrollees upon entering the camp are instructed in proper health practices.

NO. 5-Continued From Front Page

ham announced the following committees:

Dewey Looking Over His Fences

Is this picture of New York's racket-busting Dewey prophetic of his political future? Is he looking toward the presidential election of 1940? Since his nomination by the Republicans as candidate for governor of New York, political leaders say the young district attorney will be a good candidate for the Republican presidential nomination in 1940.

May Walk Again After Operation

Doctors believe that 20-year-old Sylvia Davis, above, of Kansas City, Mo., may regain use of arms and legs, paralyzed since birth, if her present rate of improvement continues following a risky spinal operation she is slated on undergoing. She is shown here at home after six months in a hospital.

Dance Friday Night

Perryton Playboys Play Old Time Dance For Jaycees; Marguerite Brown Plays Next Week

The Junior Chamber of Commerce announces an old time dance Friday night, October 14 at Donley Hall. Music will be furnished by the Perryton Playboys. Admission for the affair will be 50 cents per couple. Featured will be polkas, schottische and square dances.

This dance starts off an arranged schedule for the winter by the organization of alternate old time and modern dances. One dance a week will be given.

On Wednesday, October 19, Marguerite Brown and her orchestra will play for a modern dance in the hall starting at 9 p. m. until a late hour. Entertainment seekers will find in Miss Brown's orchestra all that can be desired in a modern swing band. She has played several successful engagements in some of the leading hotels in the southwest.

All Perryton is invited to attend these dances and are guaranteed a good time by the Junior Chamber of Commerce.

A son was born to Mr. and Mrs. Donald Schwab at the Shattuck hospital on September 28. Mrs. Schwab and son, who has been named, Donald Earl, were brought to their home, west of Perryton last week.

Manse Wood, Sweetwater, was a guest for the week-end with his son and family, Mr. and Mrs. Manse Wood Jr. and Patricia Ann.

CLASS SPONSORS ARE ANNOUNCED

PLANS MADE BY ROOMMOTHERS AND TEACHERS AT MONDAY MEETING TO ARRANGE WORK

Mrs. H. E. Shotwell, chairman of the room mothers of the P. T. A., called a meeting of the teachers and room mothers Monday afternoon in the Junior High building. Plans were made for the school year.

It was decided that the room-mothers would sponsor only one special entertainment or party for their respective rooms during the term, and this party will be at Christmas time.

Parents night, with the potluck suppers, will be continued because these gatherings are considered very successful in promoting acquaintance and understanding between teacher, pupil and parents.

Mrs. Shotwell requested each teacher to report the needy children in his or her room to the room mothers, who, in turn, would cooperate with the child welfare chairman, Miss Nellie M. Perry.

Mrs. Tom Denman, chairman of the P. T. A. attendance award, announced that instead of the picture heretofore given, a cash award of \$2.00 is to be allowed for a book or books at each Parent-Teacher meeting. This award going to the room having the largest number of parents present at the P. T. A. regular meeting.

Names of each class, together with teachers and room mothers for same, is as follows:

1A: Mrs. Reba Shearer, Mrs. Charley Kent and Mrs. C. B. Rogers.

1B: Mrs. E. D. Kelley, Mrs. LeRoy Hartman and Mrs. W. M. Boston.

2A: Miss Nellie Wingren, Mrs. W. L. Herndon and Mrs. G. R. Gunter.

2B: Miss Arnette Glick, Mrs. B. J. Phelps and Mrs. L. T. Wright.

3A: Miss Nora Stump, Mrs. Quentin Williams and Mrs. J. H. Biggs.

3B: Miss Dorothy Patton, Mrs. Tom Weidon and Mrs. Roy Stinson.

4A: Miss Fay Puckley, Mrs. Glenn W. Ragan and Mrs. K. H. Platt.

4B: Miss Virginia Vaughan, Mrs. J. R. Buchanan and Mrs. Claud Allen.

5A: R. L. Duke, Mrs. Lake Patton and Mrs. W. M. Seymour.

5B: Miss Mary Louise Yoe, Mrs. J. W. Daniels and Mrs. Ed Lynch.

6A: Mrs. Frank Boyle, Mrs. R. H. Holland, Mrs. Roy Bell and Mrs. George Pletcher.

6B: Miss Katherine Winkler, Mrs. W. C. Herndon and Mrs. K. H. Crisp.

7A: Miss Lida Beasley, Mrs. G. C. Brillhart and Mrs. Hazel Martin.

EXCELLENT RESULTS FROM ADVERTISING IN HERALD

Advertising in the Ochiltree County Herald gets excellent results, says the Creomulsion Company, makers of Creomulsion, a prescription for coughs, colds and bronchial irritations. A consistent user of newspaper space for many years, the Creomulsion Company has again started their nationwide advertising campaign on their product in the Ochiltree County Herald. Creomulsion, recommended by thousands of physicians and druggists, is sold and guaranteed by all drug stores.

7B: Miss Betsy Wilson, Mrs. Tom Denman and Mrs. Luther Wade. 8A: Lloyd E. Spears, sponsor, Mrs. R. T. Correll, Mrs. C. F. Milam, and Mrs. T. R. Murray.

Sophomores: S. N. Henry, sponsor, Mrs. Howard Holt, Mrs. Dewey Allen, Mrs. J. R. Thomas and Mrs. Frank Dodson.

Juniors: Miss Hazelle Scott, sponsor, Mrs. Sam Herget, Mrs. O. A. Schuster and Mrs. J. M. Jackson. Seniors: Miss Verna Harris, sponsor, Mrs. Robert Lawrence, Mrs. Fred Huston, Mrs. E. W. Thomas and Mrs. W. B. LaMaister.

Open New Garage

Ray Cook and Frank Hollis Form Partnership in Business Venture North of Tracks

Ray Cook and Frank Hollis announce the opening of a new garage in the building formerly occupied by the Northside Garage. The new firm will operate under the active management of the partners.

Offering a complete service in general auto repair work, the concern will feature valve grinding, re-boring, M-march Battery sales and service, Fram and A. C. oil filters.

Mr. Cook and Mr. Hollis are both experienced mechanics, having followed this business for a number of years in Perryton. They invite the public to pay them a visit in their new home.

The Herald joins with their many friends in wishing them success in their new venture. Carried in the pages of the Herald this week is an advertisement describing their many services. Check it.

Dr. and Mrs. J. C. May and son, George Milton, visited Sunday with her uncle and family Mr. and Mrs. I. N. Bowers, Kelton. Mrs. J. M. Grigsby accompanied them to Canadian, where she attended the funeral services of two old friends, Ross Tipps and Judge E. J. Pickens.
