His & Hers

by Scotty & Linda Moore

"I swear I thought it was an armadillo," he said.
"But it wasn't even grey," she said.

Scotty and I were buzzing down the highway last Friday on the way to see the kids for the first time in more than a year, which is ridiculous when you consider the distance between Ozona and Austin, when ahead of us I noticed a pickup pulling a trailer turning across the road and heading back our way. As we neared the now stopped vehicle, a large man got out and stepped onto the edge of the highway. It was then that I identified the black object in the road ahead of us as a helmet.

Whump, whump, whump!
"Scotty, you ran over that man's helmet," I squealed, along with some other pithy comments.

"I swear I thought it was an armadillo, and I was trying to straddle it," he said.

At this point I thought the man was pulling a small boat, and I was wondering why he had left a military-shaped helmet in the boat where it could fly out. I was also convinced that he would probably leap back into his pickup, chase us down and shoot us like dogs.

We sped along with occasional backward looks to see if he was coming up behind us.

Suddenly, traffic slowed to a crawl. House movers were blocking three lanes of traffic as they transported two halves of a dilapidated old home that looked as if it would fall apart in a puff of wind. And here came the pickup pulling a trailer.

When the big, burly driver eased his pickup alongside of us (on my side), I could see a muscular arm propped in the open window. A large black dog was hanging his head out the back of the open camper shell, and the trailer wasn't carrying a boat, it was a Harley!

We unintentionally played car tag with the pickup, first one, then the other moving ahead and then dropping back alongside as we trailed the house movers. Finally, traffic stopped altogether while the trucks transporting the house made wide right turns onto a country road.

Traffic resumed, soon we outdistanced the pickup, and I breathed a sigh of relief. "Whew!"

"I swear, I thought it was an armadillo," he said.

HIS

Now that you have heard her side of the story, here is mine!

In the first place, this guy should have done a better job of tying the helmet to his bike. When you're driving along thinking about playing with your grandkids that you don't get to see very often, the last thing in your mind was running over somebody's stupid bike helmet laying in the middle of the road.

He had it all painted up with black and gray paint and it looked just like an armadillo, believe it or not. And besides, I just skinned it up a little. I could have run over it with one of the tires of the car, causing us to crash into

Three Ozona campuses achieve academically recognized status

Not one, not two, but three of the school district's four campuses have received the coveted "Academically Recognized" accountability and accreditation rating from the Texas Education Agency. Ozona Primary School, Ozona Intermediate School and Ozona Middle School, in results released by the Texas Education Agency last month, achieved the state recognition for their outstanding 1997 results on the Texas Assessment of Academic Skills test, their low dropout rates, and their high attendance rates.

To be eligible to receive the Texas Education Agency Academically Recognized Rating, a school campus has to have an overall total of at least 75% of its students and student groups passing each subject area (reading writing and mathematics) on the 1997 TAAS, a 1995-96 school year dropout rate of 3.5% or less, and a 1995-96 attendance rate of at least 94%.

At Ozona Intermediate School and Ozona Primary School (paired with Ozona Intermediate for the purpose of accountability ratings) 82.7% (148 of 179) of the students taking the 1997 TAAS in grades 3-5 passed reading. Of this group, 77.3% of the school's Hispanic students passed reading, 91.0% of the school's white students passed reading, and 79.8% of the school's economically disadvantaged students passed reading.

In mathematics, 89.9% (161 of 179) of the students passed TAAS, and this group includes 86.6% Hispanic, 94.9% white and 89.3% economically disadvantaged students passing math. In writing, which is only tested in the fourth grade, 93.3% (56 of 60) of the students passed this section of the test. Of this group, 91.2% Hispanic, 95.7% white and 87.1% academically disadvantaged passed.

No student dropouts were reported, and the attendance rate for Ozona Intermediate School was 97.2%. The attendance rate for Ozona Primary School was 97.0%.

"Our school has progressively improved," said OIS principal Manley Holmes. "What's exciting about our achievement is we now have continuity. The schools are all doing well, and that's what it takes."

Mr. Holmes went on to explain that lower grades are feeding into other grades the best students they've had. "High school can't do anything but follow step," he said.

Principal Holmes went on to commend Supt. Larry Taylor for his leadership. "Leadership comes from the top when it pertains to principals," said Holmes. "He deserves a lot of credit. Overall leadership for all four principals enables us to do the best with our kids."

"Lots of things in the system provided by the superintendent, board and administrative team place us pretty much on the cutting edge," said Holmes in referring to programs such as Saxon math, Saxon phonics and accelerated reading. Holmes also commented on the importance of parental involvement, upgraded staffing and staff development. "The school board is very supportive of the campuses."

Marilyn Luce, principal at Ozona Primary School, said "we're excited that our children are achieving high standards, here and over there (after advancing to intermediate school)."

The Iowa Test of Basic Skills results have risen significantly this past year, she commented. A lot of factors caused the rise, but among those she cited were Saxon math, Saxon phonics and accelerated reading.

"The teachers are making a valiant effort in working to raise those skills."

Ms. Luce is proud that her school is meeting the governor's challenge to have everyone on grade level by the third grade. "We're sending students to third grade really above grade level." Third graders this year began school reading at third grade, three months level and doing math at third grade, five months level, she said.

"We're doing what we need to do to get them ready to take the TAAS."

At Ozona Middle School, 84.0% (168 of 198) of the students in grades 6-8 passed reading. Of this group, 80.0% of the school's Hispanic students passed, 92.0% of the school's white students passed, and 81.1% of

PRINCIPALS AT THREE OZONA SCHOOLS accepted plaques last week commending their campuses for achieving "Academically Recognized" accountability and accreditation rating from the Texas Education Agency. School board president Wade Richardson, who made the presentations, commented that "this is very important. This is what it's about." Pictured from left are Supt. School board votes for bond election

By Ted Cotton
Asst. Superintendent
Ozona Schools

Members of the Ozona School Board, meeting in regular session on Tuesday, Sept. 16, unanimously approved an order of a bond election in the amount of \$3,850,000.00 for the purpose of building a new Ozona Middle School. The bond election will be held on Tuesday, Dec. 16.

The new school will be constructed on the same site as the present middle school and will contain additional classrooms, computer and science laboratories, storage areas, a cafeteria/common area for approximately 300 students, and a middle school band hall. Renovations will also be made to the middle school gym, and these include the installation of new bleachers with a seating capacity for 250 spectators, a concessions area, additional storage facilities for equipment and a new wood playing floor.

If approved by Ozona citizens, the construction and renovation will be financed through the issuance of bonds for a 7-year period and will increase the district's current tax rate by about 9 cents during these seven years. It is important to note that there

will be no recapture by the state of any of these local construction/renovation bonds due to the recently passed Senate Bill 4.

The new Ozona Middle School will take approximately one year to complete, and tentative plans are to begin cleaning out the existing middle school building, removing the portable classrooms, and vacating the present site on May 25, which is three days after the 1997-98 school year ends. The salvaging of usable materials and the demolition of the present middle school will begin on June 1, and occupancy of the new school will be on July 30, 1999. The administration and trustees are still discussing options on where to locate middle school students for this one year.

The meeting was briefly recessed so that board members could tour the renovation by SunWest Construction Company of the high school science laboratories and classrooms and inspect the teacher storage cabinets.

Lions host Eldorado for Homecoming

Neal Ulmer
Stockman Sportswriter

Hey, it is that time of the year again for Ozona High School's 1997 Homecoming, when students dress up during the week and have a bonfire, pep rally and a parade. The Lions will be hosting one of their District 8-2A rivals, the Eldorado Eagles, starting with the crowning of the queen at 7:30 p.m. on Friday, Sept. 26, in Lion Stadium.

All senior candidates this year for the 1997 Football Queen are: Traci Screws, Autumn McWilliams, Kristen Shurley and Amber Tarr. Traci is the daughter of David and Sandy Screws of Ozona and Vicki and Eric Brothers of Robert Lee, Autumn is the daughter of David and Peggy McWilliams, Kristen is the daughter of Mary Anne and Fred Deaton of Ozona and Scott Shurley of Sonora, and Amber is the daughter of John and Pam Tarr.

During homecoming week of Sept. 22-26, students will definitely be busy. On Monday, Sept. 22, it will be dress up hair or hat day, Tuesday will be sleepy day, Wednesday will be decade day (dress up in your favorite decade), Thursday will be dress oppo-

JoNel Stokes--- Cook-of-the-Week

Someone's in the kitchen

Cook of the Week JoNel Stokes says she didn't know how to cook when she and Tommy married. "He taught me how to cook," she explained. "Mother liked to cook and didn't want anyone in the kitchen."

With a husband and later three sons to feed, JoNel became a wonderful cook, say friends and family. Some of the recipes she shares today are family favorites. Andy likes the enchiladas, but without onions. John Tom's favorite is the veal parmesan, which JoNel also makes with steak or venison. Son Ken has no favorites, but his wife, Gay, requested that JoNel share her mushroom sauce for steak recipe.

JoNel says she follows recipes basically like they are written. "I love to collect recipes and cookbooks. Tommy is going to have to build more shelves for my cookbooks."

"Tried and true recipes from friends are the best," says JoNel. She also likes regional cookbooks and finds good recipes in many of the Junior League cookbooks.

"Billie Morris is a wonderful cook, and one of our favorites is her fried corn. You'll beg for more and the recipe," said JoNel.

Tommy goes home for lunch everyday and JoNel cooks what she describes as decent, good for you, low fat meals during the week. "But on the weekends we just blow it." Many of their weekends are spent at the ranch near Rocksprings where she grew up, and "I do lots and lots of cooking at the ranch."

JoNel's enchilada recipe comes from The Edwards County Heritage Cookbook from Rocksprings.

Enchiladas

18 tortillas
1 lb. ground meat
1 lb. grated Velveeta cheese
1 large onion, chopped
Sauce:
2 T flour
3 T chili powder
3 T salad oil
1 c. tomato sauce
2 c. water
pinch sugar

Cook sauce until thickened, may need to add a little more water. Dip tortillas in hot fat to soften. Dip into chili sauce. Put on 1 tablespoon meat, sprinkle with cheese and onions and roll up. Top with remaining sauce, cheese and onions. Place in 350 degree oven until cheese melts and bubbles.

Mushroom Sauce for Steak

2 cartons of fresh mushrooms, sliced thin
1/2 stick butter or oleo
2-3 T soy sauce
1/2 c. wine
1-2 T cornstarch
1/4 to 1/2 c. water
Sauté mushrooms in butter for a few minutes. Add soy sauce and wine, simmer until steak is nearly done. Add cornstarch, mix with water and stir until as thick as desired. If you like mushrooms, then this is the best, a family favorite.

8-Layered Salad

1 layer spinach
1 layer green onions
1 layer green peppers
1 layer chopped hard boiled eggs
1 layer crisp bacon, pieces
1 layer frozen peas, raw (do not cook)
1 layer lettuce
All these ingredients are torn or chopped. In a large bowl, layer in order given, then spread with Hellman's mayonnaise (spread like icing a cake). Cover and chill overnight, then sprinkle with paprika and grated cheese. Will keep for several days.
This is Dorothy Montgomery's recipe, and it doesn't last very long around my family. It sure is good.

Round Steak Parmesan

This recipe sounds as though it would take forever, but it really doesn't, says JoNel.
1 1/2 to 2 lbs. round steak, veal, pork or deer steak tenderized and cut into serving pieces
2 eggs

1/4 tsp. salt and pepper
1 c. bread crumbs
4 T Parmesan cheese
1/4 tsp. oregano
1/2 c. olive oil
2 c. tomato sauce*
8 to 10 ounces mozzarella cheese sliced

Preheat oven to 350. Beat eggs, add salt and pepper. In another bowl, mix bread crumbs, Parmesan cheese and oregano. Dip meat in egg and then crumb mixture and fry in oil. Drain excess fat. Place meat in 9x13 baking dish. Pour on tomato sauce and top with mozzarella cheese. Cover with foil and bake for 30 minutes or until tender. Remove foil for last 10 minutes of baking.

*If in a hurry, canned tomato sauce may be used, but to make this extra special, do your own tomato sauce.

Tomato Sauce

3 T salad oil
1 chopped onion
1 6-oz. can tomato paste
1 tsp. dried parsley
1 tsp. sugar
1 tsp. oregano
1/4 tsp. pepper
2 tsp. salt
2 c tomato juice
Sauté onion in oil until transparent. Add remaining ingredients and blend well. Simmer over low heat 8 to 10 minutes.
This dish may be made early in the day and refrigerated until baking time. Noodles make a nice side dish as does green salad or zucchini.

JoNel's Gingerbread

2 eggs, beaten
3/4 c. brown sugar
3/4 c. molasses
3/4 c. oil
2 1/2 c. flour
2 tsp. soda
2 tsp. ginger
1 1/2 tsp. cinnamon
1/2 tsp. cloves
1/2 tsp. baking powder
1/2 tsp. nutmeg
1 c. boiling water
Add beaten eggs to brown sugar, molasses and oil. Combine dry ingredients and sift. Add to egg mixture. Stir in boiling water and mix well. Bake in greased 9x13 pan at 350 for 25 minutes or until springy to the touch. Yield: 16 servings.

Miss Julie Ann Childress Weds Mr. Matthew Wayne Harrison

Miss Julie Ann Childress and Mr. Matthew Wayne Harrison were united in marriage on Saturday, Sept. 20, 1997, at seven o'clock in the evening at First Baptist Church in Ozona. Reverend Bill Fuller officiated the double-ring candlelight ceremony. A reception followed at the Ozona Country Club. On the eve of the wedding, a rehearsal dinner was hosted by the bridegroom's parents in Ozona.

The bride is the daughter of Mr. and Mrs. Pleas Leasel Childress III of Ozona. She is the granddaughter of Mr. and Mrs. Pleas Leasel Childress Jr. of Ozona and Mrs. William Grady Ellis of O'Brien and the late Mr. William Grady Ellis. She is the great-granddaughter of the late Mr. and Mrs. Pleas Leasel Childress Sr., early pioneers of Ozona and San Angelo.

The bridegroom is the son of Mr. and Mrs. Richard Allen Harrison of El Paso. He is the grandson of Mr. and Mrs. William Thomas Farris of Snyder and the late Mr. and Mrs. Robert Edward Harrison of Dallas.

Given in marriage by her parents and escorted by her father, the bride wore a gown of ivory Italian satin traditionally styled with a sheath silhouette. Appliqués of delicate all-con lace embellished with bridal pearls and tiny sequins enhanced the portrait neckline and the long lace sleeves. Beading also covered the Basque bodice, which attached to a graceful cathedral train. The veil of waltz-length white silk illusion was fashioned with an open wreath headpiece decorated with pearls and bead crystals. The two

tiers of veil were finished with white piping and gracefully swept over the V'd back of the dress. She carried a hand-tied bouquet of white roses and gardenias, freesia, stephanotis and lisianthus with a Mother of Pearl Bible belonging to her maternal great-grandmother, Mrs. Sam Reed of Knox City.

Jennifer Davidson of Ozona served her friend as maid of honor. The bridesmaids were Stefny Sutton, Whitney Vannoy, both of Ozona, Haley Najar of San Antonio, Amy Hardberger, a cousin of the bride, of San Antonio, Whitney Condra of Sonora and Mary Elizabeth Feuille of El Paso. The attendants wore formal gowns of navy faille banded with ecru colored satin peau de soi across the bodice and shoulders. They carried hand-tied bouquets of freesia, lilies, orchids, larkspur and roses in shades of creams, mauves, reds and royal purple.

Samuel Harrison of El Paso served his brother as best man. The groomsmen were Chadwick McClesky,

Arthur Flores, Alex Valdiviezo, Joseph Sudomir, all of El Paso, Martin Childress, brother of the bride, of McCamey and James McComas of Albany.

Miss Lauren Farris, cousin of the bridegroom, served as the flower girl. The ring bearers were Master Grady Childress, cousin of the bride, and Master Zachary Farris, cousin of the bridegroom. Master Andrew Farris, cousin of the bridegroom, served as the bride's herald. A trumpet an-

Mrs. Matthew Wayne Harrison

nouncement of the bride was performed by Brad Sullivan.

Vows were spoken before an altar centered with a 15-taper candelabrum adorned with a large spray of lilies, lisianthus and larkspur. Two seven-foot clear columns placed at the back of the altar area supported large, airy sprays of hanging ivy, lilies, roses, lisianthus and larkspur. On each side of the front of the altar, crystal vases four-foot in height supported sprays of orchids, roses and lilies. Each held three tall tapers. Bows with navy and burgundy ribbons marked the pews.

Music for the ceremony was coordinated by Gene Currie, who also served as the pianist. Kelly Murry, cousin of the bride, performed a solo, while Katrece Hale and Renee Casey sang a duet accompanied by Gail Spence on the flute.

Ushers were: Travis Davidson of Ozona, Matthew Baskind, Bryan Davis, Victor Dominguez, Tom Gregor, all of El Paso, Rock Richard of Houston and Brian Stovall of San Diego, CA.

Members of the bride's house-party were: Grace Adamek of Boerne, Chandra McKinney of Eldorado, Jennifer Evans and Ami Sewell of Ozona. Cousins of the bride included Susan Pullen of San Antonio, Sarah Pullen of Ruidoso, NM, Melissa and Abbie Huff of Gwynedd Valley, PA.

Cynthia Ollig, cousin of the bride, of Denver, CO, designed the floral arrangements. She used many of the bride's favorite flowers to decorate the church and reception.

Margaret Jones of Ozona was the wedding attendant coordinator.

The bride is a graduate of Ozona High School and Texas A&M University where she graduated cum laude with a Bachelor of Science degree in Agriculture Development. She was a member of Pi Beta Phi sorority.

The bridegroom is a graduate of Coronado High School in El Paso and Texas A&M University where he graduated cum laude with a Bachelor of Science degree in Electrical Engineering. He was a member of the Aggie Men's Club. He will be employed with Texas Instruments in Dallas.

Following a honeymoon trip to the Hawaiian Islands, the couple will reside in Plano.

Relatives of the bride attending from out of town included: Mrs. Grady Ellis, O'Brien; David Ellis, Amarillo; Mr. and Mrs. Grady Murry, Plainview; Kelly Murry, Dallas; Rebecca and Sara Murry, Irving; Mr. and Mrs. John Mayes, Arlington; Ricky Bartlett, Rowlett; Mr. and Mrs. Ronald L. Berry, Houston; Ron Berry Jr., Austin; Mr. and Mrs. Alex Ollig and son Max, Denver, CO; Dr. and Mrs. Joel Huff, Melissa, Abbie and Philip Huff, Gwynedd Valley, PA; Mr. and Mrs. Charles Childress, Grady and Colton, Austin; Mrs. Homer Hardberger, O'Donnell; Mrs. Billy Hardberger and Mr. and Mrs. George Hardberger, John and James, Lamesa; Chief Justice and Mrs. Phil Hardberger, San Antonio; Mr. and Mrs. Pat Peranteau, Jared and Rebecca, San Antonio; Mrs. Max Elliott, La Jolla, CA; Mr. and Mrs. Wayne Ulrich, San Angelo; Mr. and Mrs. David Childress and Laura, Midland; Mr. and Mrs. Frank Childress, San Antonio; and Mr. and Mrs. Bob Buckholz, Eldorado.

Donica recovering from heart surgery

Bill Donica, one of Ozona's men in brown, is recovering from heart surgery in Shannon Hospital in San Angelo. Bill UPS, as he is known around town, is recovering, but just don't tell him any jokes yet, says fellow UPS delivery man Mike Bien.

A recent heart attack had Bill scheduled for surgery, but a second round with blockage problems necessitated surgery sooner than planned.

A fund has been set up at Ozona National Bank to accept donations for Bill.

It's a girl!

Jason and Tamel Tumlinson of Austin are proud to announce the birth of their daughter, Charli Rain Tumlinson. Born in St. David's Hospital in Austin on Sept. 12, 1997, Charli Rain weighed six pounds, eight ounces and measured 18 3/4 inches.

Charli Rain is welcomed by her grandparents, Betty and Oscar Tumlinson and Sharnan and Wesley West, and her aunt and uncle, Trebie and Tye Lawrence.

Mrs. Matthew Harrison née Julie Childress has made selections at South Texas Lumber Co.

Last chance to join First Place

By Audrey Glynn

So - you have been in the attic or basement digging out your fall clothes? The only thing that still goes around you is the kid's hula hoop that was stored there, also? Well, have we got a deal for you.

You still have this last chance to join in on the First Place Program at First Baptist Church. After the meeting at 5:30 today, membership will be closed for this 13-week session. You'll have to wait until after that for another session to begin.

Dress is casual, the meetings are open to male or female, and to those of any faith. Sessions last for one hour and 15 minutes.

At the meeting last Wednesday

there were seven in attendance. Slices of the lemon pie from the recipe published earlier were served, and several new sugar-free, low-fat recipes were handed out, as they are at many meetings.

The new Bible study for this session will be "Pathway to Success" written by Susan Keith Crawford, a leader of the program at Houston First Baptist Church, and herself a 100-pound loser.

Susan and the present Ozona members of First Place invite you to learn how the journey to success happens. The first step, of course, is to be in attendance. Can we count on you to be there?

Attention: OHS Class of 1978

Members of the Class of 1978 will meet at the homecoming football game Friday, Sept. 26. There will be a meeting after the game to plan the 20 year class reunion.

If anyone has questions or information about classmates, please contact Lucy Perner Humphrey at 392-3131, Anna M. Martinez at 392-5503 or Cindy Williamson Nicks at 392-2313.

Ozona Chamber Of Commerce - Member Of The Week

Oscar Kost

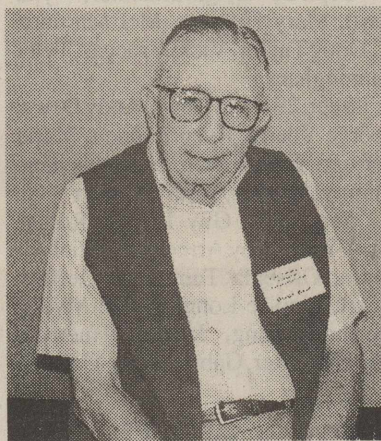

Oscar Kost, one of the organizers of the Ozona Chamber of Commerce and its first president, is the member of the week.

During his first tenure as president, the chamber got heads of civic organizations together and promoted construction of the civic center on land donated by Dick Henderson. At this time the chamber also began keeping hunting lease lists to promote this economic boon in the county.

Oscar owned Ozona Boot and Saddlery for 37 years and was an owner of the Ozona Television System for 30 years.

Through the years he has worked countless hours for the chamber and the betterment of the community. He was honored as the chamber's Citizen of the Year in 1987. He continues to be a member, and he and his wife, Luetta, are active as Ozona Chamber of Commerce Ambassadors.

For more information on how you or your business can become a member of Ozona Chamber of Commerce, call 392-3737 & talk to executive director Shelly Childress.

Forum begins busy year

On Sept. 6, 1997, the Woman's Forum met in the lovely new ranch home of Sonny and Glenda Henderson. The meeting was called to order by the president, Shirley Kirby.

Marolyn Bean reported that on Sept. 23 there would be a dedication program for the "Tie That Binds" in the city park at 4 p.m. The public is invited, and also to the reception to be held in the Crockett Room next to Ozona National Bank.

Jewel Bailey announced that the Woman's Forum and Women's League will jointly host the Heart of Texas District Fall Board meeting in Ozona on Oct. 25.

Mrs. Bailey and Charlotte Harrell will attend the state board meeting to be held in Austin on Sept. 25-27.

Lu Ingram made a report on school supplies needed. A donation was made.

Will Perry reported that the primary school needs volunteers to help in reading. If interested, please contact Mrs. Deborah Bangeman.

The 1997-98 yearbooks were presented by Glenda Henderson, first vice-president.

Hostesses for the opening meet-

ing were: Glenda Henderson, Katharine Russell, Ann Shaw, Dorothy Montgomery, Helen White and Virginia Hubbard. A brunch was served.

Will Perry's sister-in-law, Jean Higgins of Oklahoma City, OK, was a guest.

Members present were: Jewel Bailey, Marolyn Bean, Jane Black, Louise Bunker, Pauline Brown, Norma Carson, Geniece Childress, Marolyn Cox, Beverly Evans, Martha Gries, Charlotte Harrell, Glenda Henderson, Virginia Hubbard, Benny Gail Hunnicutt, Lu Ingram, Georgia Kirby, Shirley Kirby, Mary Lu Lilly, Lucille Littleton, Joyce Maness, Ethel Miller, Dorothy Montgomery, Willa Perry, Bernice Phillips, Vada Pridemore, Katharine Russell, Margaret Tabb, Helen White, Patsy White, Jimmie Jacoby, Katy Jones, Luetta Hale, Sophie Kyle and Madoline Stokes.

The president adjourned the meeting.

Helping Hands receives grant

Helping Hands for the Elderly, Inc. has received the Challenge Grant Money from the Abell-Hanger Foundation in the amount of \$12,500.00 to be used in the kitchen of the new senior center.

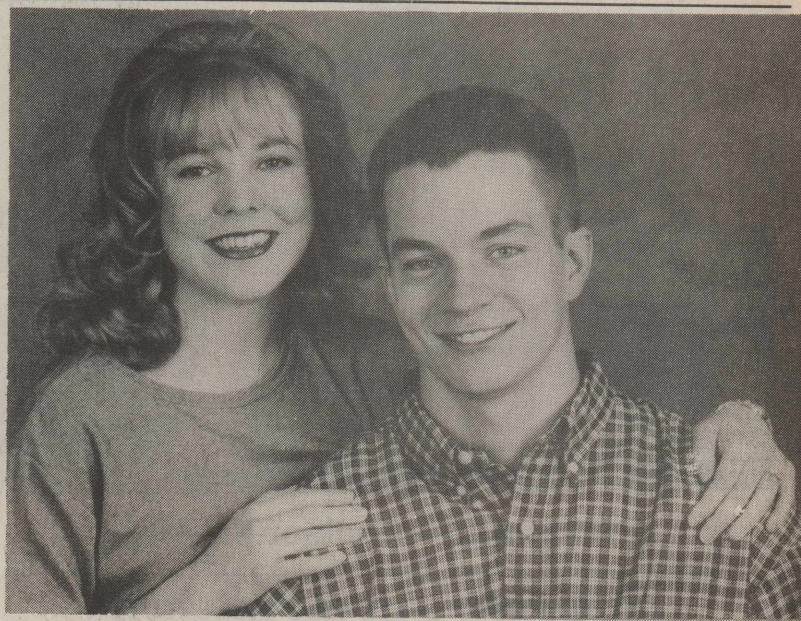

"Helping Hands is so appreciative of Abell-Hanger Foundation for giving us the one year Challenge and the people of Crockett County our share in record breaking time," said Janet Hill McDaniel.

Ground work has begun and bids for the building will be let in the near future.

"And He shall be as the light of the morning when the sun riseth, even a morning without clouds; as the tender grass springing out of the earth by clear shining after rain."

Grant, Kenison engagement announced

Mr. and Mrs. J. R. Grant of Plano announce the engagement and forthcoming marriage of their daughter, Jennifer Leigh, to Michael Hayes Kenison of Ozona, son of Mr. and Mrs. Bob Kenison of Boise, Idaho, and the late Mrs. Helen Kenison of Ozona.

The bride-elect is a 1994 graduate of Plano East Senior High School. She is a candidate for spring graduation at Texas Tech University with a Bachelor of Science in management

information systems.

The bridegroom is the grandson of Mr. Jerry Hayes and the late Billy Jo Hayes and is the nephew of Mr. and Mrs. Terry Dickerson of Ozona. He is a 1993 graduate of Ozona High School and is a candidate for spring graduation at Texas Tech University with a bachelor of science in mechanical engineering.

A January third wedding is planned at the First United Methodist Church in Plano.

Preceptor Mu Chi has organ donors program

The Preceptor Mu Chi Chapter of Beta Sigma Phi was hosted by Terry Adams and Donna Herring in Terry's lovely home. Terry gave an informative program which included a video as well as sharing her personal experience on organ donation. Hostesses had organ donor information ready for all of those who were interested in becoming a part of this exciting and crucial program that is a life saver for many, but sadly, not enough, people every day.

Honored guests attending Terry's program were sisters from Xi Sigma Omega Sherry Haggood, Pam Cunningham, Janet Smith, Martha Weant and Diane Anderson. Linda Wende and Barbara Breisacher were also welcome guests at this meeting.

After a short business meeting, delicious desserts were enjoyed by members and guests. Members attending included: Terry Adams, Nancy Davee, Bobbie Fatout, Nancy Hale, Donna Herring, Sonja Hoover, Betty Koerth, Carolyn Moore, Billie Morris, Barbie Myers, Brenda Newton, Donna Sanders, Jeanne Wellman and Lisa Branch.

Card of Thanks

Dear Friends

My family and I are very grateful for your prayers, food, flowers and expressions of love and sympathy for our loss of John. Ozonans have to be the most friendly and caring people in Texas. A special thank you is extended to Graham Childress and his brother Masons for the graveside service conducted for John. We also want to thank Reverend Jim Carter, Mrs. Georgia Kirby and the Ladies' Sunday School Class of the United Methodist Church for their help and support during this difficult time.

May God bless you,
Lucile Bohannon and Children

Card of Thanks

Thank you to the firemen for the rapid response time last Thursday @ 4 a.m. Fortunately there was not a fire. The staff did an excellent job in following proper procedures. Gerald Creel made it to the care center in record time. Thanks for a job well done to: Nancy Harris, Hazel Allen, Connie Marshall, Angelita Pena, Estella Munoz, Roxanne Rico, Beatrice Galvan, Lupe Galvan, and Gerald Creel.

Card of Thanks

We give thanks to God to everyone for the prayers and flowers. Special thanks to Town and Country, Country Kitchen and Taco Bell #219 for the love and support from all of you, for the love of my husband, Juan Valdez, mom Yolanda, Marcy, dad Butch Patiño, Lisa, Jr., Vero Valdez and grandpa Jose Martinez from Del Rio.

Thank you

Cowboy Church Services in Iraan

Ron, Tim and Katelyn Ross will minister at the Iraan Community Church Sept. 28 at 10:30 a.m.

The Ross family has been in the ministry for 15 years. Ron, Sharon and their three sons, Steve, Tim and Corey, formed a singing ministry while the sons were in their teen years.

Today, Ron, Sharon and Tim own

the Angelo Indoor Arena in San Angelo. They have dedicated the arena to the service of the Lord and hold Monday night Cowboy Church Services. Their prayer is that each event and association using the arena will see Jesus in everything the Rosses do.

Steve, the oldest son, is married and has two daughters. Katelyn, his 6-

year-old daughter, has been singing with the ministry since the age of two.

Corey, the youngest of the three, is in full time cowboy ministry. He and Trey Johnson, both of Lubbock, attend and minister at college rodeos along with other cowboy functions.

Everyone is invited to attend the Sept. 28 service in Iraan.

Classes '45 thru '50 hold reunion

By Dilly Dockery

Ozona High School classes '45 through '50 met Sept 13 and 14 at the Circle Bar Motel, Restaurant and Party Barn for a heartwarming reunion with more than 50 attending. A few of those even managed to get here for the ballgame Friday night, but the meeting actually began Saturday morning at the Party Barn with greetings, hugs, pictures, scrapbooks, food and constant chatter.

Jean Read, our super organizer, had done her job well, as always, and her contribution to our reunion will never be forgotten, but she insisted on passing that privilege on to someone new. Rosalie Friend Richardson graciously accepted the job for our 1999 gathering and would appreciate everyone's help in keeping the address list current.

Muggs Davidson Stephenson and Benny Gail Phillips Hunnicutt did all the decorating, and it was outstanding, especially in the Circle Bar Dining Room, where the Saturday night dinner was held. There were purple and gold flowers, ribbons, megaphones, confetti, napkins, etc. and it all brought back many memories.

Carlton Smith acted as emcee for the evening, welcoming guests, making announcements, presenting door prizes and many, many jokes(?). He also gave us a little history on his class of '46 members since we didn't meet for their 50th anniversary.

Next on the agenda was Max Word who acted as emcee for the Class of '47, celebrating their 50th, and he told us about his life and family, then introduced Joe Perry, then Gordon Bufford, Joe Ross Hufstедler, Juanita Oathout Tuckness and Corinne Phillips Carleton. They all told of full, active lives, rewarding careers and talented children, and each of them

credited growing up in Ozona with their good fortune, in all respects.

They also expressed gratitude to teachers like Sophie Haug Kyle and Rebecca Anderson Allard who met with us; and paid special tribute to L. B. T. Sikes who could not be here. Many "Mr. Sikes" stories were told; he was our principal, teacher, coach, friend and mentor. He was also our taskmaster, disciplinarian and warden, but the love and respect in those voices telling the stories was a wonderful thing to hear, and oh, how we missed him.

Sunday brunch in the Circle Bar Dining Room, more chatter, more hugs, then goodbyes and looking forward to 1999. We even sang the school song, and some of us remembered the words without looking.

Attending from Ozona were: Daphne Meinecke Dockery, Jimmy Read, Benny Gail Phillips Hunnicutt, Billy Hoover, Joe and Marilyn Bean, Mary K. Flowers Brewer, Sam and Polly Perner, Buddy and Elaine Phillips, Nat and Jean Read, Jo Davidson, Rosalie Friend Richardson, Sophie Kyle, John R. Hunnicutt, Bud Harrison, Jamie and Mary Lou Knox and Shannon Dockery Hunnicutt.

Others were: Bill and Barbara McWilliams, Midland; Elaine (Oathout) and Ralph Stanphill, Yuma, AZ; Joyce West Terry, Del Rio; Muggs Davidson Stephenson, San Angelo; Dick McDonald, Corpus Christi; Carlton and Betty Lou Smith, San Angelo; Gordon and Louise Bufford, Lancaster; Joe Ross and Mary Hufstедler, ConCan; Joe Perry, San Antonio; Corinne and Toby Carleton, Midland; Max and Eunice Word, Lubbock; Don and Jackie Cook, Jacksonville; Rosalie Friend Richardson, Sonora; Eda Louise Goodson Hodge, Huntsville, AR; Bill

Melton, Clovis, NM; Chris Perner, Friendswood; Betty Knox Meyer, Rochelle; Rebecca Anderson Allard, Fort Worth; Art Kyle, Colorado Springs, CO; Stacy Dockery Mefford, Austin; Charles McDonald and son Monroe of Bangs; and Donald McDonald of San Antonio.

8th Cubs tumble to Fort Stockton Panthers

The Ozona Eighth Grade Cubs had difficulty in getting into the end zone and fell to the Fort Stockton Eighth Grade Panthers 14-0 in last Thursday's game in Fort Stockton. The Cubs now have a season record of 0-2.

"I was pleased with our performance and proud of the way we played," said Coach Rick Bachman. "I felt that our eighth graders played the entire game with intensity and positive emotion. All of the boys gave 100 percent."

Both teams appeared to be evenly matched in the first half, as neither team scored. Late in the third quarter, the Panthers recovered an Ozona fumble. A Panther tailback scored on a 50-yard sweep play. The run for the 2-point conversion was good, giving the Panthers an 8-0 lead.

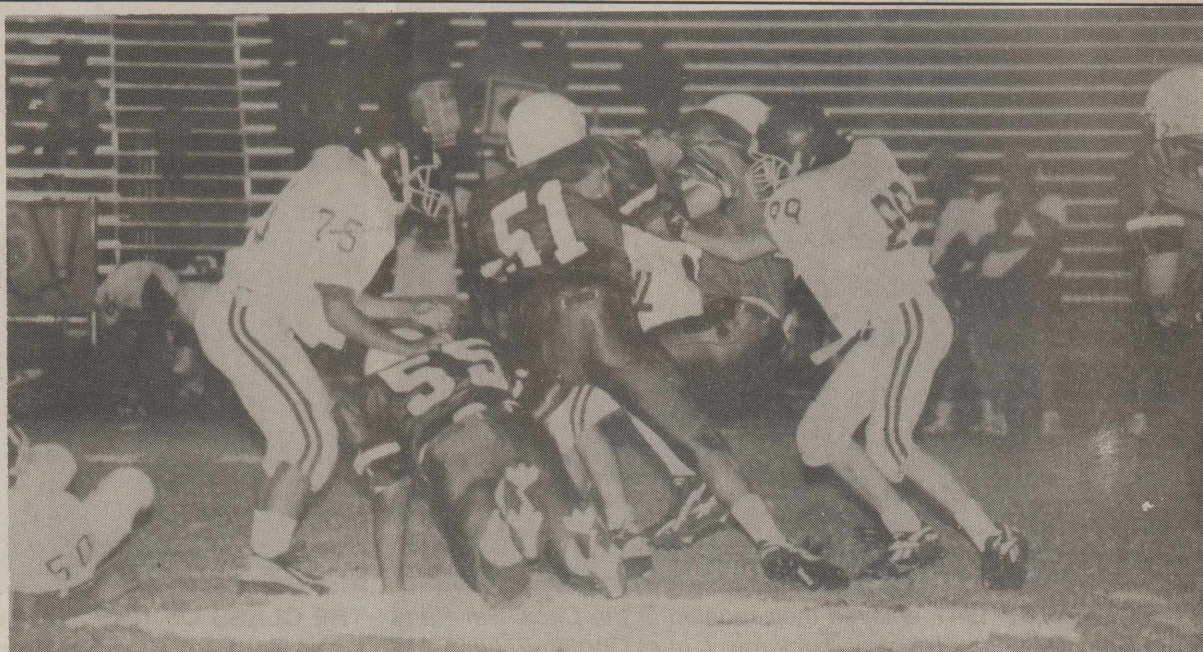

"Defensively, we played very well the entire game with the exception of two big plays," Coach Bachman said. "We had some players step up defensively and make big plays at crucial

times."

The Panthers' last score occurred late in the fourth quarter. They scored on a 20-yard run, and the 2-point conversion failed, but the Panthers won the game 14-0.

At times the Cubs moved the ball fairly well, yet they had difficulty getting it across the goal line. "Offensively, we had several good drives where we ground out yardage against a much larger group of kids. We were able to pass the ball effectively at times, but just couldn't get it into the end zone," said Coach Bachman. "We seemed to execute our offense better this week than last week."

This Thursday, Sept. 25, the Cubs will host the seventh and eighth grade Eldorado Eagles starting at 5:30 p.m. with the seventh and 6:30 p.m. with the eighth grade in Lion Stadium.

Lions make sausage out of the Longhorns 52-0

Neal Ulmer
Stockman Sportswriter

Friday night football was alive and well, and it will be one to remember as the Ozona Lions mangled the District 15-A Harper Longhorns 52-0 in a non-district game played on Sept. 19 in Lion Stadium. The Lions scored seven touchdowns and one field goal, increasing their season record to 2-1, while Harper goes to 0-3.

"We did a lot of good things after we got our motors running a little bit," said Lion head coach Walter Hargrove. "We weren't playing very fast or very aggressive, and we weren't playing quick, but we did play good. We want to play quick and fast all the time. We didn't the first half, but the second half we did."

Both teams had difficulty getting going in the first quarter, but Harper took their opening drive down to the Lion 26-yard line. Kicker and tight end Travis Whitewood tried to put the Longhorns on the scoreboard with a 42-yard field goal with 7:18 left in the quarter. But to the Lions' relief, the ball went wide right.

The Lions took the ball from their own 25-yard line and started working it upfield with a 20-yard run by Ross Crawford and a 20-yard pass completion to Anthony Ortiz. The Lions came up short about a foot and had to turn the ball back over to the Longhorns at their 15-yard line.

The Lions started their scoring drive from their own 40-yard line. They used nine plays, did some good running with gains of 7, 8 and 24 yards by Crawford, a pass of 10 yards to Crawford, and a 17-yard pass completion from Justin Browne to Mark Childress. This took the ball to the Longhorns' 6-yard line. Crawford carried the ball in for the score at that point with 8:33 remaining in the second period. The PAT by Matt Galindo sailed between the goal posts, and the Lions took a 7-0 lead.

A Harper fumble in their next series of plays set up another Lions' touchdown. The Lions started from their own 40-yard line with Rick Hamon and Tim Maldonado running for some yardage. Browne threw a 39-

yard touchdown pass to Brian Badillo with 6:25 left in the second period. A delay of game against the Lions on the PAT forced Galindo to kick it again for the PAT, which put the Lions up to 14-0.

Good defense by the Lions stopped the Longhorns with Browne sacking Harper quarterback Tyler Everett for a 6-yard loss.

"Defensively, we read our keys better, and the kids were focused this week. We didn't tackle as well this week," said Coach Hargrove. "Overall, we played pretty well."

On the Lions' next possession, they failed to make the necessary yardage, being stopped on the Harper 22-yard line. Then Galindo stepped up and kicked a 40-yard field goal into the wind with 1:07 remaining in the second quarter. The Lions increased their score to 17-0 by halftime.

"Matt kicked real well, made all the extra points, and a field goal," Coach Hargrove said. "We did better blocking on those kicks. We spend a couple of days on specialty teams and go over those."

The Lions scored five touchdowns in the second half with two occurring in the third quarter and three in the fourth. Browne threw his second touchdown pass of the night of 15 yards to Kenny Vargas. The PAT by Galindo was good, and the Lions boosted their score to 24-0.

Also in the third quarter, the Longhorns moved the ball down to the Lions' 25-yard line before being stopped. On a fourth down, they tried a 43-yard field goal, but a Lion player came in and blocked the kick.

The Lions took over on their own 44-yard line. They covered the distance in five plays, which included a 33-yard scamper by Tim Maldonado. Crawford took the ball down to the 1-yard line, and Brian Badillo crossed the goal line with 22 seconds left in the third period. Galindo added the PAT, and the Lions extended their lead to 31-0.

Ozona sophomore Matt Castaneda had some good runs throughout the night, including a 14-yard run that took the ball down to the Longhorns' 4-yard line. Castaneda drove the ball

in from the 4-yard line for a Lion touchdown with 9:20 left in the final period. Galindo added the PAT, expanding the Lion score to 38-0.

About two minutes later on good defense by the Lions, the Longhorns were forced to punt. Browne caught the punt and wormed his way through the Longhorn defenders for a 43-yard touchdown with 7:33 remaining in the fourth period. Again, Galindo's kick for the PAT was good, enlarging the Lions' score to 45-0.

Scoring the Lions' last touchdown of the evening was sophomore Tim Maldonado. He scored on a 20-yard run with 3:45 left on the clock. Galindo kicked the PAT to expand their lead to 52-0.

"Ross and Tim had a good night running, and Justin did a real good job of throwing," said Coach Hargrove. Crawford ran for a total of 167 yards, Maldonado had 75, Castaneda 25, and Hamon five yards. Browne was seven-of-eleven passes for 133 yards.

In discussing the Lions' offense and the plays they run, Coach Hargrove said, "We don't do a whole lot. Those plays we can run out of a lot of different formations. You don't have to have a lot of plays in your playbook. We simplified our passing game this week, and it helped us. We dropped some balls, we've got to catch."

Castaneda had a good night defensively, as well. He led his team in tackles with 10. Closely following Castaneda was Browne with nine, Robert Kelly eight, Donnie Bullard and Jamie Ramos with seven each, Kenny Vargas six, and John Esparza, Galindo, Wesley Flores, Ty Mitchell and Luis Hernandez with four each. Twelve Ozona players had three tackles or less. Esparza and Will Roane each recovered a fumble, Ramos caused a fumble to occur, and Galindo

blocked the field goal attempt.

This week the Lions will have their hands full as they host the Eldorado Eagles (3-0) for their homecoming game starting with the crowning of the Football Queen at 7:30 p.m. and the game at 8 p.m. in Lion Stadium.

This game is important for the Lions as it is not only their homecoming game, but their first district game, as well.

"Eldorado is real tough, and they are 3-0 right now. They are playing with enthusiasm and a lot of confidence," said Coach Hargrove. "They have some good runners. They are real solid."

In his second year at Eldorado, head coach Jim Fryar believes that staying healthy is their key to success. Eldorado returns 15 lettermen, 6-6 starters, and from a 1996 playoff season of 6-4. Their strengths are team quickness and their leaders. Possible weaknesses (if any) are depth, size and strength.

There is plenty of talent on that team. Players to watch are quarterback Casey Snelson, running backs Garrett Bownds, Mark Fryar and Lance Mitchell, lineman Beau Saltee, wide receiver Zach Steele and tight end Jason Richters. Defensively, watch for linebacker Mark Fryar, defensive back Kyle Hunter and defensive end Randy Spears.

OMS starts new cross country season

Neal Ulmer
Stockman Sportswriter

The cross country season is just beginning for runners in the Ozona Middle School. The teams will go to at least three meets before district competition on Oct. 27.

Coaching the middle school teams will be Kerry Gartman. Eighth grade girls participating this year are: Joyce Caldera, Leslie Flores, Valicia Hartman, Jessica Herring, Lana Stewart and Staci Sutton.

Seventh grade students running include: Danielle Adams, Kelly Cunningham, Lana Sanchez, Paige Tam-

bunga and Laken Villarreal.

Eighth grade boys running this year include: R. J. Fierro, Chris Kennedy, Jimmy Lopez, Steven Moreno, Michael Ramos, Zeke Rivera, Abel Rodriguez and Jared Shaffer.

Saturday, Sept. 27, the Cubettes and Cubs will run at the cross country meet in Merton. They may or may not go to the Mason meet on Oct. 4 depending on whether or not they can find a meet that is closer. The Ozona meet will be held on Saturday, Oct. 11, and the District 8-2A meet will be held in Grape Creek on Monday, Oct. 27. Coach Hartman will try to schedule a meet on Oct. 18 or 25.

Ozona Seventh Cubs fall to Colts

Neal Ulmer
Stockman Sportswriter

The Ozona Seventh and Eighth Grade Cubs had two extremely tough games in Ozona Sept. 11. The seventh grade was defeated by Sonora 44-8, and the eighth grade was defeated 32-18.

"The first game for the seventh grade boys really woke the kids up," said Coach Dane Vickers. "We had three goals for the first game: first, to be able to punt the ball, we did; second, to be able to throw the ball a little bit, and we did; and third, to make sure each kid was in the right spot whether on offense or defense or special teams, and we did," he said.

The Sonora Seventh Colts were awesome to say the least, as they scored seven touchdowns, but failed on all two-point conversions except for one for a total of 44 points.

The Colts' first score occurred late in the first quarter with two seconds remaining. They scored on a 16-yard run with the conversion no good to take a 6-0 lead.

In the second period, Sonora scored twice with the first one on an 8-yard with 3:37 left. The second touchdown occurred with only eight seconds remaining in the first half on a 40-yard run down the right side of the field. Both conversion runs were no good, but at halftime, the Colts led 18-0.

Coach Vickers explains the system they use in the seventh grade, and the eighth grade uses it, as well. "The gold team played offense in the first half, and the purple team played defense, and at halftime we switch. We also alternate positions with a gold first team, gold second team, purple first team, and purple second team. With this way, the kids have had the reps (repetitions) and a chance to develop," he said.

In the second half, Sonora scored two touchdowns in the third quarter and three in the fourth quarter. At the 4:32 mark in the third, the Colts scored on a 2-yard run on the right side. The 2-point conversion run by the quarterback was good, and the Colts increased their score to 26-0.

Sonora's second touchdown happened with 14 seconds left in the period on a 32-yard run. The conversion run failed, but the Colts expanded their score to 32-0.

The Colts did not let up in the fourth as the quarterback scored on a

32-yard run. The conversion run again failed, but the Colts inched up to a 38-0 lead.

Offensively, Chase Clark returned the ball to the Cub 38-yard line. Quay Oglesby ran for seven yards and another for 16 yards. A pretty pass thrown by Michael Savala and caught by Robert Ogle was good for 52 yards down to the Sonora 2-yard line. On the next play, Ozona fumbled, and a Sonora player picked up the ball and ran 95 yards for a touchdown with 14 seconds left in the game. The conversion run failed, and the Colts' score swelled to 44-0.

Defensively, the Cubs learned they had several things to work on in the future. Coach Vickers said, "the things we need to work on this week are: one, backs need to hold on to the ball; two, the linemen need to work on coming off the ball and blocking someone; and three, we need to work

on getting more aggressive, defensively."

The Cubs were determined not to give up or be skunked. They came back on the kickoff with Oglesby returning the ball to the Colt 42-yard line. On the next and final play of the game, Ozona quarterback Michael Savala hit Lalo Garza for a 42-yard touchdown. The 2-point conversion run by Oglesby was good as the game ended with Sonora winning 44-8.

"These kids are a fun group to coach, and they are enthusiastic. We want them to improve each week physically and mentally, and if we do that, we will achieve the success we want," said Coach Vickers. "We have 34 seventh grade football players, each and everyone played, and played a lot. We want to win at the seventh grade level, but more importantly, we want to make sure each kid gets the reps in order to develop better."

Seventh Cubs uphold own against Panthers

Neal Ulmer
Stockman Sportswriter

The Ozona Seventh Grade Cubs fought hard, but were overpowered by the stronger District 4-4A Fort Stockton Seventh Grade Panthers 32-16 in last Thursday's game in Fort Stockton. The loss gave the seventh Cubs a 0-2 record.

"The seventh grade boys made a drastic improvement from last week," said Coach Dane Vickers. "We were pleased with our kids playing against a 4A school."

The Panthers got on the scoreboard first and scored twice with running plays in the first quarter, and both conversion runs were good. A person might say that the Panthers had plenty of players to choose from, as they had 70 suited up.

Ozona got on the scoreboard in the second quarter with a 43-yard end-around run by Robert Ogle. The 2-point conversion run by Quay Oglesby was good, giving the Cubs some points. They trailed 8 to 16.

The Panthers came back and scored on a running play and a successful conversion, giving them a 24-8 halftime lead.

"Offensively, we ran the toss

extremely well and threw the ball well," said Coach Vickers. "They were able to move the ball up and down the field, execute their plays and block."

Both teams scored in the final period, with the Panthers getting a touchdown and a conversion on running plays.

"Defensively, we were in a position to make the play, but because of the lack of experience, we didn't make the play at times. There was great effort by all of the kids," Coach Vickers said.

Ozona's last touchdown was a quarterback sneak by Jarrett Vickers, which covered about six inches for the score. Again, the conversion run by Oglesby was successful, but the Panthers took a 32-16 win.

Offensively, the Cubs had big runs by Quay Oglesby, Chase Clark and Ricky Perez. Lalo Garza caught a 32-yard pass from quarterback Michael Savala. Dominique Perez, Jacob Tambunga and Johnny Tambunga led the surge defensively.

Thursday, Sept. 25, the Cubs will host the seventh and eighth grade Eldorado Eagles, starting at 5:30 p.m. with the seventh and 6:30 p.m. with the eighth grade in Lion Stadium.

Eighth Cubs disappointed by Colts

Neal Ulmer
Stockman Sportswriter

The Ozona Seventh and Eighth Grade Cubs had two extremely tough games in Ozona Sept. 11. The Ozona seventh grade was defeated by Sonora 44-8 and the Ozona eighth grade was defeated 32-18.

"I was very impressed with our overall effort and performance in the ball game," said Ozona eighth grade coach Rick Bachman. "When we executed our plays well, we made positive things happen. Sonora has a great ball club, and their defense forced us to alter some of the things we liked to do."

Sonora opened up the scoring late in the first quarter with a 42-yard run. The Colts ran for the 2-point conversion, which was good, giving them an 8-0 lead.

The Cubs came back early in the third quarter by taking the kickoff 60 yards to the Colts' 1-yard line. There Ozona's Luis Cruz ran in for the touchdown. Cruz also ran for the conversion, but it failed, and the Colts trailed the Colts 8-6 with 7:31 left in the quarter.

"Offensively, we struggled at times mainly with mental miscues. We executed our plays well and were

able to move the ball on Sonora, but we need to become sharper and more effective on a more consistent basis," said Coach Bachman.

Sonora quickly came back on the first play back with a 62-yard touchdown run with 7:14 left. The 2-point conversion run was good, giving the Colts a 16-6 lead.

Not to be left behind, Ozona's Jared Shaffer returned the kickoff to the Cubs' 41-yard line. Two plays with Ozona penalties placed the ball back to the Colts' 21-yard line. Kyle Richardson threw a pass to Jimmy Lopez for a 79-yard touchdown with 6:25 remaining in the third period. The 2-point conversion run was fumbled, but the Cubs trailed closely to the Colts 16-12.

Sonora scored twice more in the third period. The first one came at the 4:25 mark on a 34-yard run, and the conversion run was good, also, increasing the Colts' score to 24-12.

Their second score occurred at the 1:12 mark on a 56-yard touchdown run. The quarterback ran in for the conversion, and the Colts inched up their score to 32-12.

"Defensively, we've got to wrap up and tackle better. They scored on a lot of big plays. We've got to eliminate those and play fundamental de-

fense," said Coach Bachman. "I was proud of the way the boys stayed in the ball game; they never lost their confidence and continued to fight to the end of the game."

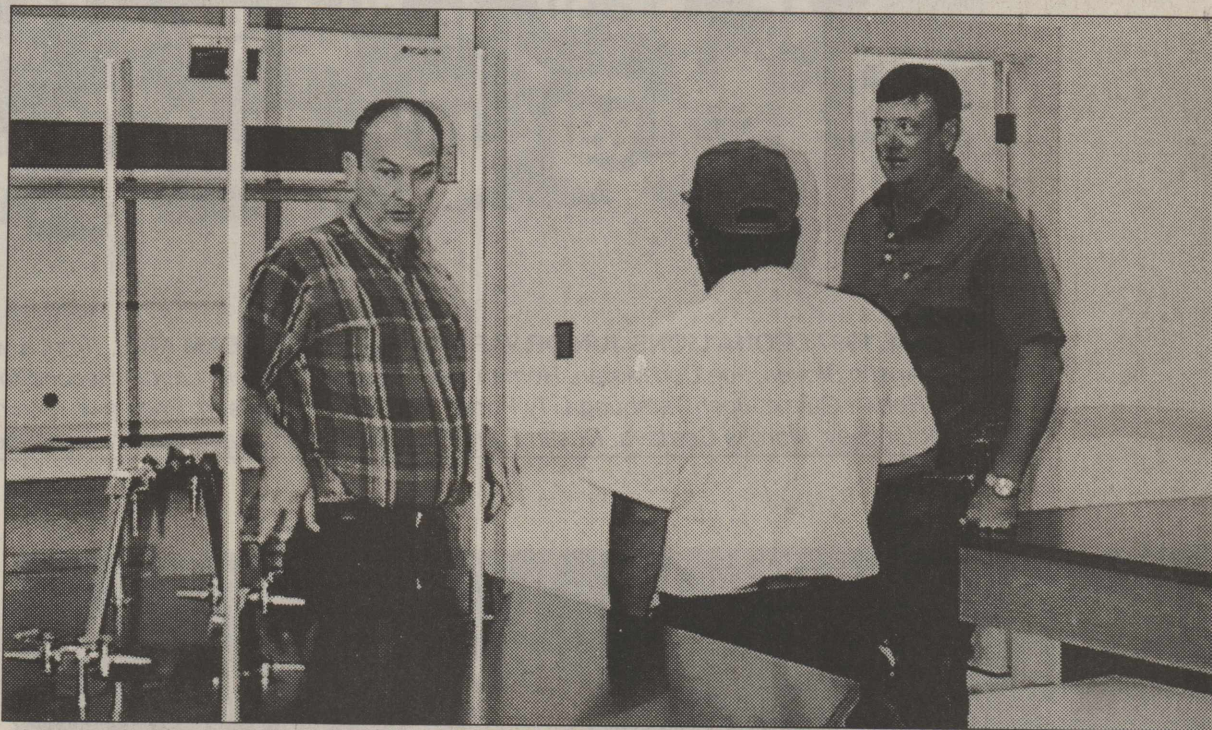

Early in the fourth quarter, the Colts scored on a 55-yard pass interception, but it was called back due to a pass interference call. They were stopped by good Cub defense, which forced them to punt. The punter fumbled the ball and was tackled on the Colts' 36-yard line.

That fumble by the Colts' punter set up the Cubs' last score. Luis Cruz broke for a 31-yard gain, Kyle Richardson ran four yards, and Able Rodriguez ran for five yards down to Sonora's 1-yard line. Rodriguez scored from 1-yard out with 3:46 left in the final period. The 2-point conversion run by Rodriguez was no good, and the Cubs lost to the Colts 32-18.

Plant Tips
from M&R Nursery
by Mike Glaspie
Fall Rains

As I'm writing this article, it is raining outside. Although the rain is always welcome, there are sometimes unpleasant results. As the temperatures start to drop and with adequate moisture, fall weeds and winter grasses start to germinate rather quickly. Past problems with fall and winter weeds, or you live next to pastures or undeveloped lots, treat now with a pre-emergence. The two most popular are Exol 3 Plus & Balan. The best application times are before weed seeds germinate as soil temperatures reach between 52-58 degrees. Soil activation can take between 7-10 days after initial watering. This is why we recommend applying within the next 6 weeks. Check with us on the amount of time that each herbicide lasts in the soil. The way pre-emergence herbicides work is simple. When activated in the soil and the seed germinates, the control zone area surrounding the seed disrupts root and stem development causing seedlings to die before they ever break the soil surface. Without the additional competition of weeds and unwanted grasses, the lawn should be able to derive adequate food & water to be healthier going through the dormant season and next year's growth should start earlier & be healthier.

Speaking of growth, now is the time to apply winterizer fertilizer. Put both products out separately and then water, please don't put them out together. The spreader settings are different for each product. If you have any questions, please give us a call or come by.

Thanks, Mike

Race driver Crawford visit's Erik's School House

Neal Ulmer
Stockman Reporter

Kids at Erik's School House received a special treat last Friday with the visit of Rick Crawford, the driver of a racing pickup. Crawford drives the #14 Circle Bar Ford F-150 sponsored by Tom Mitchell's Circle Bar Motel and RV Park. Lisa Karnes, daughter of Tom Mitchell, brought Crawford to the day care center to visit with the children.

A total of 10 of the 12 students of three and four-year-olds of teacher Debbie Bachman have been studying numbers and about racing during the week of Sept. 15-19. They visited Mitchell's collection of cars and a boat at the Circle Bar Car Museum.

Students at class on Friday were in near awe as they listened to Crawford talking about racing. Students present on Friday included Nathan Weant, Jadyn Poindexter, Chase Phillips, Rose Karnes, Trey Fierro, Lane Hale, Rebecca Pierce, Brandyn McDaniel, Anthony Delgado and Ryan Johnson.

Not present were Chellsey Goff and Adrienne Sanchez.

Crawford, a resident of Mobile, AL, showed off his flame retardant driving suit made of Nomex. He also showed the kids his helmet and how he stays in contact with his pit crew at races. Each student received a "Rick Crawford Fan Club Member" pin and a personalized autographed photo of the racing pickup he drives.

"Both my father and grandfather drove a race car, and I started in 1975," he told the children. "It takes lots of practice, and that's how I learned to drive a race car. I'm now in my fifth year, and if it wasn't for my dad, I wouldn't be racing."

Actually, Crawford drives Tom Mitchell's Ford truck F-150. It is a full size Ford weighing 3,400 pounds. It's engine is a 355 CID production based V-8 with a compression ratio of 9.5:1. The engine develops 700 bhp (brute or brake horse power) and tops out at over 185 miles per hour.

Some people may think that anyone who has been driving a car can just

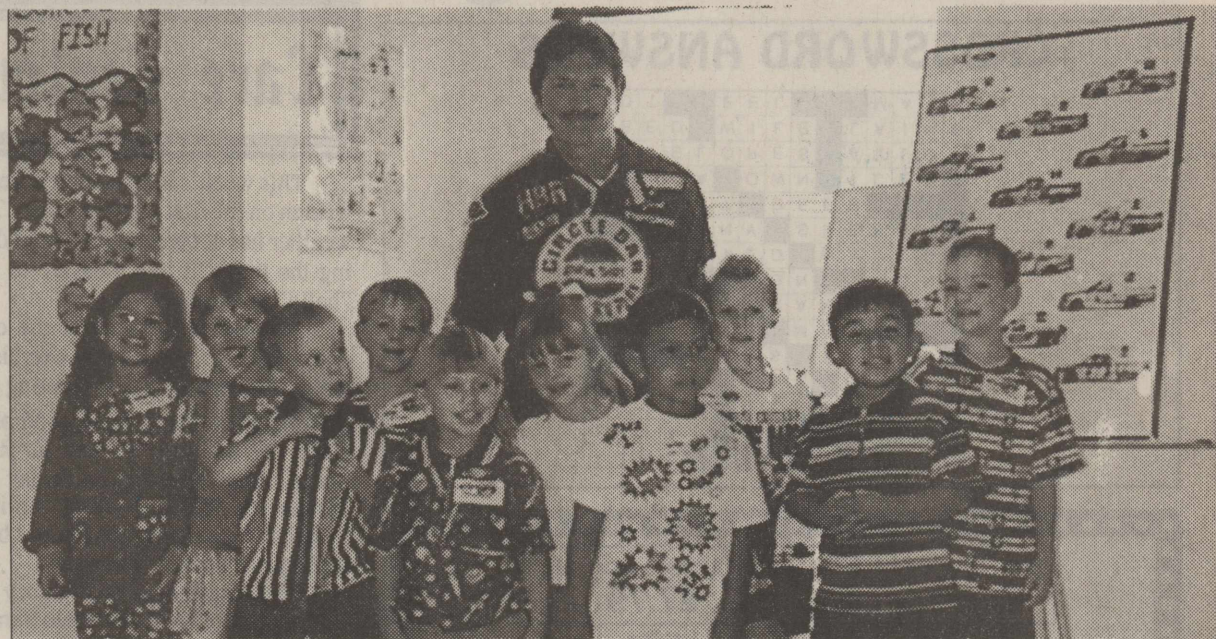

jump right in and start driving a race car. Not true, as Crawford explains, "It takes experience, and I've been there. I think about what's fixin' to happen. I have lots of confidence in my equipment, and to drive a race car, experience is the best teacher."

When Crawford is driving, he says that safety is utmost in his mind along with a respect for others and their driving.

Crawford's latest win was in 1996 at Bristol, TN. "It was a big one!" He is currently 12th in the points in NASCAR and second in the rankings for rookie of the year.

In the truck series, they run 26 races, but Crawford runs 30-31 races. He depends upon a good crew to get him back out on the race track. His crew consists of seven members including a spotter at the top of the stands.

Mitchell's Ford pickup will run next in Martinsville, VA, starting at noon on ESPN on Saturday, Sept. 27. The following televised race that Crawford will be running in will be

Grape Creek Eagles swoop down upon JV Lions

Neal Ulmer
Stockman SportsWriter

The Ozona JV Lions started out strong, but weakened under the Grape Creek JV Eagles 33-6 in Eagle Stadium last Thursday night. The Lions now have a season record of 1-2.

"It was a tough game, and we knew it going over there," said Coach Ronnie Casey. "Grape Creek is a good football club at 3-0. They have an excellent group of skill players. It (the game) gave us a good idea where to be."

Grape Creek received the opening kickoff and fumbled on the third play with the Lions recovering the ball on the Eagles' 42-yard line. The Lions were doing well with good running until the ball was fumbled on the Eagles' 9-yard line where they recovered. "We started out with a lot of confidence, but we didn't score," Casey said. "We kind of lost some confidence on doing what we were doing."

With the Eagles starting at that point, they drove the ball 91 yards on nine plays, and the Eagles' quarterback, Chris Plummer, scored on a 1-yard run. Plummer attempted the point after, but the ball went wide to the right.

"The key is, we gave up six points in the first quarter; we didn't have real good field position, and it put us in a bind," said Coach Casey.

Quarterback Clay Richardson returned the ball to the Lions' 37-yard line. Juan Garcia caught a 45-yard pass from Richardson to the Eagles' 37.

the school's economically disadvantaged students passed this subject area.

In mathematics, 87.3% (172 of 197) of the students passed TAAS, and this group includes 83.5% Hispanic, 93.1% white and 83.1% economically disadvantaged. In writing, which is only tested in the eighth grade, 90.8% (59 of 65) passed. Of this group, 85.7% Hispanic, 96.6% white, and 85.7% academically disadvantaged passed.

No student dropouts were reported in Ozona Middle School, and the school attendance rate was 97.3%.

Ozona Middle School principal Charles Floyd said that in the last two years the school has increased the passing level by 26%. The increase is the largest in the region in improvement, "and our growth-comparison statewide is very, very high."

"I'm proud of the growth. We came from a situation where we were not accomplishing to where we are now."

According to the last state statistics, Ozona Middle School had the greatest gain of anyone last year in their comparison group of 100 schools.

"I want to commend the teachers and students. They're tremendous," said Floyd, adding that "I'm very pleased."

Across Texas, only 2,272 (38%) campuses out of 5,950 were awarded either the recognized or exemplary campus rating, and in recognition for their outstanding accomplishments, plaques of academic recognition were presented to Ozona Primary School, Ozona Intermediate School and Ozona Middle School by school board president Wade Richardson on behalf of the board of trustees in school assemblies that were held last week.

Ozona High School, which had at least 35% of its students passing each subject area, a 6.0% or less dropout rate, and an attendance rate of at least 94%, received an "Academically Acceptable" campus rating by the Texas Education Agency.

20-yard line. The Eagle defense shut the Lions down with a no gain on a run and three incomplete passes.

Due to injuries and two players moving up to varsity, the JV coaches had to practically reconstruct their offensive line. "That was the first time that offensive line played together ever, if I remember correctly. Offensively, we knew we were going to have a hard time with our line, but our line created some big holes and played just as well, if not better, than before," Coach Casey said. "They stepped up to the challenge and met it head on - an outstanding job."

The offensive line is made up of center Josh Tambunga, right guard Albert Quintanar, right tackle Mack Lindsey, left guard Joe Don Moran, left tackle Robert Quiroz and tight end Cade Clark. Other offensive players include Richardson at quarterback, Jed Roane at fullback, Glenn Sutton at tailback, and switching out are Dustin Faight and Seth Webster and Ty Porter and Juan Garcia.

Ozona was placed in a hole several times due to some tough trouble punting and a couple of fumbles. The Eagles had good field position on their next scoring drive from the Lion 30-yard line. Three plays later, Plummer scored on a 27-yard run with 6:23 left in the second quarter. A pass by Plummer to Ricky Hernandez was good to give the Eagles a 14-0 lead.

The Eagles scored twice more in the second quarter. The first occurred with 3:49 remaining as Plummer completed a 6-yard touchdown pass to Michael Wendt. The Lions blocked the PAT, but the Eagles increased their score to 20-0.

Their last touchdown in the first half was a 19-yard pass to Hernandez with 1:51 left in the period. The PAT was no good, and the Eagles led at the half 26-0.

The Lions were able to move the ball in the game and scored in the remaining minutes. "We had 254 yards in offense for a third week in a row. We've had over 250 yards in offense, and in the second week in a row passed for over 100 yards, which was 136 yards," Coach Casey said. "Both Clay and Steven Tarr did a good job at

quarterback, but the turnovers are killing us."

In the second half, the game was played more evenly with both teams scoring one touchdown each. With 3:14 remaining in the third period, the Eagles' last touchdown was set up by an Ozona fumble at the Lions' 43-yard line. Plummer ran down the right side of the field for a 34-yard touchdown. This time, the PAT by Josh Timms was good, giving the Eagles a 33-0 lead.

Steven Tarr was at the helm for the Lions with Richardson running in the second half. Cade Clark, Richardson and Sutton picked up some yardage in the second half along with a 14-pass reception by Dustin Faight.

"In the second half, we played real good offense and defense. We pretty much shut them out in the second half 6-6," said Coach Casey.

Grape Creek had their share of fumbles with Ozona players recovering two of them. Josh Tambunga and Jed Roane both recovered Grape Creek fumbles. The Lions' lone score was set up by the fumble recovery by Roane on the Lions' 48-yard line. Faight caught a 26-yard pass from

Richardson. After a couple of penalties by both teams, Faight caught a 20-yard pass for the touchdown with just 16 seconds remaining in the game. An Ozona fumble occurred on the 2-point conversion, and it was no good.

The Lions attempted an onside kick by Joe Don Moran, and "it was a perfectly executed onside kick. We didn't spend a whole lot of time on specialty teams, because of working on executing some plays with our offensive line," Coach Casey said. The ball was recovered by Ozona's Joe Luna on the Eagles' 45-yard line. With a couple of incomplete passes and a quarterback sack, the Lions ran out of time.

"We would have liked to have won the game, but we are playing good at this point. We are going to get better," said Casey. "These kids are unique, and their attitudes are great. They are giving everything they have for us. We are trying to find a way to punch it into the end zone."

Casey added that this week will be an exciting one for the junior varsity team, as it will be their first district game with Eldorado. They will be getting some kids back, and it will be a big game, being a district game.

The JV Lions play Thursday, Sept. 25, starting at 6:30 p.m. in Eldorado.

Care Center Communiqué

This week's information is being written on the first day of autumn. The weather has cooled, and it rained during the night. It is a pleasure to say "hello" to autumn in Ozona.

Another busy week at the care center. Bingo, beachball exercises, Coke and popcorn party, painting and dominoes (there are some good players in this facility). We had our Resident Council Meeting on Friday and discussed the upcoming holiday months. We still had our faithful band and square dancers this week.

The king and queen of diez y seis de septiembre were Consuelo Sarabia and Bernabe Villarreal. They were presented with a corsage and boutonniere.

Jan St. Clair has been ever so creative and decorated the activity room door for Halloween. Everyone likes it. Would still love for some of you busy people in town to "adopt a door" and surprise a resident. Thirty minutes of your time can bring good feelings to a fellow citizen.

We thank The Stockman for the newspapers for our Wednesday morning Koffee Kapers. An hour of current events and coffee with friends. Thanks,

Leslie Flores, for the paper flowers to help us decorate and celebrate diez y seis de septiembre. And thanks to Kim Galindo for her sombreros and other decorations.

It is hard to thank everyone every week for their kindness in giving time to the care center. This week we would like to send a special thank you to the churches of Ozona. These pastors, priests and congregations who give of their time and fill the spiritual needs of our residents. THANK YOU! Our residents look forward to these services. It has great meaning and brings such comfort. The word of the Lord is private in their everyday living, but it is glorious to all to sing and pray together. Even those who can't hear the sermon or all that is spoken to them can feel the love around them. Some may not know the one who hugs them, but they can feel that they are special. Some may not be able to see that smile, but they feel the power of goodness. All of us know that every day is so busy with our own families, work, and other commitments, yet you of all faiths put aside time to come and visit and pray with the care center residents.

Weekly Drilling and Completion Report

Compiled by Charles Lewis Communications, Lindale, Texas
September 24, 1997

Midland-based Cross Timbers Operating Co. has filed for permit to drill a couple of developmental wells near Crockett County's Henderson Field. 12 miles southeast of Ozona. The No. 12 Jones Ranch "A" is located in a 671-acre lease in the TCRR Survey A-3482. It is under permit for 8,150 feet total depth. Location for the No. 15 Jean Scheuber "B" is a 669-acre lease in the TCRR Survey A-4684. It carries authority for 8,050 feet of maximum hole.

Flowing 11 barrels of oil per day on a 14/64 choke, the No. 2A Hoover 13A has been brought on line 35 miles southwest of Ozona in Crockett County's American Field. It was bottomed at 7,300 feet with plugback to 6,650. Production will be from 3,849 to 3,881 feet into the hole. Flowing tubing pressure was gauged at 80 PSI.

Enron Oil & Gas Co. has posted first production data for the No. 6 Daniel-State 24.4 miles southwest of Ozona in Crockett County's Simpson-Mann Field. Drilled to a 6,250-ft. bottom, it flowed 305,000-CFD on a .875-in. choke and was rated at 305,000-CFD on absolute open flow. The well will produce from 5,498 to 5,934 feet into the wellbore.

The same operator is preparing to make hole for a trio of developmental wells 45 miles southwest of Ozona in Crockett County's Simpson-Mann Field. The wells will be situated in a 3,601-acre lease. The Nos. 15 and 16 M. K. Daniel "A" are in the I&GN Survey A-528 while the No. 14 M. K. Daniel "A" is in the I&GN Survey A-3993. Authority has been granted for 6,500 feet of hole making.

At a location five and three-fourths miles southwest of Ozona, Arco Permian Co. of Midland is scheduled to spud the No. 2X Meadows Ranch "9", in Crockett County's Ozona Field. Location is a 548-acre lease in the D&SE Survey A-2013. Canyon Sand Formation will be the objective at a depth of approximately 8,300 feet.

site day and Friday will be spirit day with students and faculty dressing in purple and gold.

There will be a class hall decorating contest with the seniors and juniors decorating the first and second floors of the Heritage Building and the

sophomores and freshmen decorating the first and second floors of the main building.

One thing you may have already noticed is that Michael Mitchell is stacking wooden pallets and boxes for this year's bonfire. Michael has been doing a terrific job. The bonfire will be held immediately following the middle school games or approximately 7:30 p.m. to 8 p.m. on Thursday, Sept. 25, near the baseball complex north of town.

There will be a homecoming parade at 3:40 p.m. Friday, Sept. 26, beginning in front of Davidson Gym and continuing to the town square where a pep rally will be held.

The homecoming dance Saturday will be held at the civic center from 8 p.m. until midnight.

The Ozona JV team will play in Eldorado starting at 6:30 p.m. Thursday, Sept. 25. The Ozona Middle School Cubs will host the Eldorado Eagles starting at 5 p.m. with the seventh grade and followed at 6:30 p.m. with the eighth grade.

Fleetwood's millionth is on the house

Fleetwood Homes and A-1 Homes of San Angelo have announced the Millionth Home promotion, where Fleetwood retailers throughout the United States will be accepting entries for the drawing of four homes to be given away Oct. 9, Nov. 6, Dec. 11 and Jan. 8. A-1 Homes San Angelo launched the promotion on Aug. 28 and will have the sweepstakes entries available in its sales office. Entries for the drawing will be accepted until Dec. 15.

Fleetwood became the first U.S.

home builder to construct one million homes on Aug. 28, 1997, and is celebrating the milestone by partnering with the local Make-A-Wish Foundation chapter.

Today, the Make-A-Wish Foundation is a large non-profit, privately-funded organization composed of more than 11,000 volunteers in 82 chapters in the United States and its territories. In addition, Make-A-Wish Foundation International has 15 affiliates in other nations.

On Sept. 27, A-1 Homes of San Angelo will have a fund raiser with hot dogs and sodas with the Make-A-Wish Foundation. There will be a lender on hand giving special interest rates.

New banker welcomed with reception

A reception at Crockett County National Bank Sept. 16 was the official welcome to Ozona for new vice-president Jim Skehan and his family. Skehan comes to Ozona from Del Rio where he has been associated with Del Rio National Bank for 13 years.

Skehan grew up in Comstock and is a 1980 graduate of Texas A&M University and also a graduate of the School of Banking in Colorado.

His wife, Laura, was school nurse at Del Rio High School and is now working for the health clinic in Ozona. She also attends Angelo State University where she is studying toward a bachelor's degree in nursing.

Their children are Kristin, a senior at OHS, Bryan, who is in the sixth grade, and Allison, a fourth grader. The youths all show lambs and are active in 4-H and youth sports.

"The kids are enjoying school and we are delighted to be here," said Skehan. "Laura and I are both from small towns, and being in Ozona is like a breath of fresh air."

The Skehans expect to be very involved with the community, and he has already accepted an appointment to the executive board of the Crockett County Extension Program Council. The Skehans are members of the Catholic Church.

Parisher service Sept. 19

Tom William Parisher died Wednesday, September 17, 1997. Funeral service was held Sept. 19 at Calvary Baptist Church where he was a member with Rev. Dan Fleming officiating assisted by Don Ladner.

Tom Parisher was born July 1, 1910, in Cherokee to the late Arch and Ollie Arrott Parisher. He married Vivian Gooden who preceded him in death in 1967.

Tom was the second son of seven children. At 14 years of age he and his older brother, Damon, left home so the younger children would have enough to eat. At the age of 16 he wound up in Ozona digging ditches for the sewer system in front of the movie theater. He was getting 75 cents a foot for a ditch four feet deep and two feet wide.

He soon went to work for Jeff Harkay at Sheffield. His first assignment was to dig rock postholes for a fence line across a rocky point. When he finished, Jeff told him to fill the holes up and tamp them down. He did. After that, Jeff told him, "you'll do".

While he was working for Jeff he and another cowboy were told to deliver a herd of goats to Fort Stockton. The goats had lice. Tom and the other cowboy soon had them, too. After they delivered the goats, they had a time delivering the lice, too.

After working on the White and Baker Ranch at Girvin and the Blakley Ranch, he worked for Erby Chandler. Then he went to work for Marshall Montgomery as foreman. He stayed with Marshall for 47 years. This was when you had to work the ranch (no oil or gas). Tom worked at the ranch and came in on the weekend at night. Vivian taught school and came home on the weekends.

Tom kept 14 head of horses shod, shearing crew and pens in order, hauled feed for the stock, pulled the windmills, cleaned the water troughs, rode the fences, pulled bitterweed, marked lambs, sheared the sheep, worked the calves, built fence, built and worked the roads, fed the sanchos (quail, deer, turkey, javelina), and during the drouth mixed feed.

He had 14 cowboys to help round up, but this varied from 6 to 14 men. The muttons were cut off and put in a feedlot at the house in October and sold in the spring. The ewe lambs were put in the house pasture and selected buck lambs were put in the 3-section pasture. Work started at 5 a.m. and ended after dark.

Tom was a cowboy all his life. He believed in truth, an honest day's work and the fact that the boss wasn't always right but he was always boss. He fit the description of a good cowboy and a pretty fair windmill man.

He worked on Ozona area ranches

most of his life. His last job was foreman for Marshall Montgomery for 47 years. It may be now that the last real cowboy is gone to his reward.

Tom Parisher was preceded in death by his parents, Mr. and Mrs. Arch Parisher, four brothers, Damon, Emite, Archie and Author.

He is survived by a daughter, Tommy Kathleen Parisher O'Bryant and her husband, Dub O'Bryant; two grandsons, his namesake Thomas William O'Bryant, and William Dugan O'Bryant and his wife, Paula, and daughter, Jacklyn Rena. He is also survived by two sisters, Etta Lee and Florance.

DATE OF ISSUANCE: August 29, 1997

AMENDED

NOTICE OF APPLICATION

NOTICE IS HEREBY GIVEN that the Applicant, Louis Dreyfus NAT GAS CORP, 14000 QUAIL SPRINGS PKWY #600, OKLAHOMA CITY, OK 73134, has made application for a spacing and density exception permit under the provisions of Railroad Commission Statewide Rules 37 and 38 (16 Tex. Admin. Code Sections 3.37 and 3.38). Applicant seeks exception to the lease line requirement and to the density of the subject field(s) to drill Well No. 7302, Beasley Ranch "A" Lease, 160 Acres, Sec. 5, Blk. N, TC RR CO Survey, A-2890, Whitehead (Strawn) Field(s), Crockett County, being 15.9 miles in a southeast direction from Ozona, Texas. The location of this well is as follows:

661' from the south line and 1891' from the west line of lease.

60' from the south line and 310' from the west line of survey.

As part of this application, Applicant also seeks permit authority in the Sawyer (Canyon) field. No Rule 37(38) is necessary pursuant to field rules for this field.

Field rules for the Sawyer (Canyon) field are 500/1000, 320/40 acres.

Field rules for the Whitehead (Strawn) field are 933/1320, 320/160 acres.

This well is to be drilled to an approximate depth of 9150 feet.

PURSUANT TO THE TERMS OF Rules 37(h) (2) (A) and 38, this application may be granted without hearing if no protest to the application is received. An affected person is entitled to protest this application. Affected persons include owners of record and the operator or lessees of record of adjacent tracts and tracts nearer to the proposed well than the minimum lease line spacing distance. If a hearing is called, the applicant has the burden to prove the need for an exception. A protestant should be prepared to establish standing as an affected person, and to appear at the hearing either in person or by qualified representative and protest the application with cross-examination or presentation of a direct case. *His & Hers

(Continued from pg. 1)

one of Gillespie County's ravines.

Think goodness I was driving. She probably would have swerved over across the center line and butted heads with that 18-wheeler skipping along toward us. Besides, this guy was probably a real sport, tattoos and all, because he never even looked our way when we were side-by-side waiting for house movers to get out of the way.

Happy First Anniversary

Looked At Your Cellular Bill Lately ?

If you haven't, it just might surprise you as to how much unused airtime you pay for each month. Especially if your cellular provider is still rounding up to the nearest full minute for airtime charges.

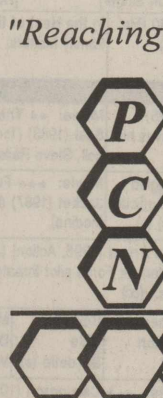

If you're tired of flipping your wig each month over airtime charges, it's time to talk to Plateau Cellular Network about Six Second Billing. With Six Second Billing from Plateau Cellular you pay only for the part of the minute you use, not the whole minute.

For complete details on all the advantages of service from Plateau Cellular Network, see one of these Authorized Agents today.
