

## Along The Waterfront

Fishing in the bay area during the past week has been reported to be excellent. Mornings have been still and calm to the fishermen's delight with cool Gulf breezes returning in the afternoon.

Mr. and Mrs. Carl Woodward of New Orleans, La., visited Mr. and Mrs. Dennis O'Connor last week. Mr. Woodward landed a 7-foot 2-inch sailfish aboard the O'Connor yacht, Coscabel.

Mr. and Mrs. W. Drachenberg of Houston, Mr. and Mrs. George Bunkley of Zacata City, Mr. and Mrs. Frank Curry, Bossier City, La., and Mr. and Mrs. George Davis of Galena Park, fished from Snug Harbor on Copano Bay and brought in 350 trout in four days fishing. They also landed some gafftop and redfish. The trout weighed from 1 to 3 pounds. The party left Sunday after staying at the Patio Courts and reported a wonderful time.

Mr. and Mrs. T. V. Vermillion, Mr. and Mrs. Jones of Bellaire, Tex., Jess Evans, Bob Miller and party and Mr. and Mrs. Ralph O. Bell, all of San Antonio, Capt. and Mrs. Hugh B. Taggart of Washington, D. C. and Mr. and Mrs. Bruce Killam of Robstown landed 479 trout and reds while fishing over the weekend from Lenoir's Landing at Copano Bay. Capt. and Mrs. Taggart and Mr. and Mrs. Bruce Killam reported the largest catch with 140 trout. These and other guests at Village Courts fished at Lenoir's Landing over the weekend.

Ernest Schuchart from Rio Medina, C. J. Schott and Clarence Keller from Eastland, fished with Bill Crist last Thursday and caught 26 fish.

Ralph Bell and party went out with Crist Friday and landed 90 trout.

Saturday Mr. and Mrs. Lee Fields, Mr. and Mrs. Burdett, and Mr. and Mrs. Huette, all of Houston, caught 79 fish while out with Crist.

W. L. Smith, Rusty Jones, Johnny West and Roy O'Conner, all from Houston, landed 187 trout Sunday while fishing with Crist.

Mr. and Mrs. Jones of Dallas brought in 51 nice trout after fishing with Fred Christilles last Thursday.

Mr. and Mrs. Phil Young and party of Refugio fished with Christilles Friday and caught 126 trout.

Mr. Ahrenbeck and party of four from Houston landed 147 trout while fishing with Christilles Saturday.

W. C. Moore and party from San Antonio fished with Christilles Sunday and caught 76 trout.

Monday Mr. and Mrs. Hardy Boatman and Mr. and Mrs. Ross Boatman of Houston went out with Christilles and landed 239 trout.

Mr. and Mrs. Edgar Sheldon and sons from Smiley, Tex., fished with Christilles Tuesday and landed 264 trout. Wednesday they brought in 132 trout.

Walter McKinney of San Antonio and H. C. Floyd fished at Allyn's Bight Tuesday and caught 36 trout.

W. S. Younger and S. H. Swayze of San Antonio fished in the Lan Reef and Redfish Point area and reported catching from 20 to 25 trout each day from July 8 to 22. The largest catch was reported Saturday when they brought in 56 trout.

R. B. Herbert and sons of Alice landed 30 fish while fishing in this area Saturday.

A. Herbert and daughters from San Antonio caught 29 trout Sunday from Lap Reef.

Mr. and Mrs. Jack Sharp of Corpus Christi and Mr. and Mrs. Jerry Ryan of Kingsville landed 37 trout on Lap Reef Sunday.

Tuesday Mr. and Mrs. Richards of Corpus Christi landed 50 trout while fishing from Lap Reef and

## Wendell Victorious In Race For Aransas County Judge

**Landslide Vote Elects Eller County Treasurer, John W. Barnhart Named State Representative**

Johnnie D. Wendell defeated County Judge D. R. Simmons in his race for re-election by a 75 vote margin, complete but unofficial tabulation of the democratic primary vote showed Monday. Simmons received 513 votes against 588 for Johnnie D. Wendell in the election Saturday.

Mrs. Ettoil Harriet Eller was elected county treasurer by a landslide vote, polling 649 while the incumbent, C. K. Tatum received 383.

John W. Barnhart, Bee County attorney and a member of a pioneer Beeville family, was elected state representative from the 70th Representative Dis-

JOHNNIE D. WENDELL

trict by a margin of 741 votes over the incumbent, Harvey Shell.

Barnhart polled 3,764 votes in the four-county district while Shell received 3,023 votes.

The margin of victory was in Bee County where Barnhart piled up a 2-1 plurality in an exceptionally heavy vote for that county and a 3-1 majority in Refugio.

The count by counties was Aransas: Barnhart 317, Shell 518; Bee: Barnhart 2,028, Shell 928; Refugio: Barnhart 412, Shell 125; San Patricio: Barnhart 1,007, Shell 1,452.

There never was any doubt about the governor's race in Saturday's Democratic primary election—Gov. Allan Shivers held at least 75 per cent of the votes throughout the tabulations. Energetic Pierce Brooks, with a hill-billy caravan, and quiet Ben Ramsey, a veteran politician, face the runoff for lieutenant governor.

Candidates for re-election in precinct races in Aransas County fared better than those in county-wide races. All commissioners were re-elected. Results are:

Commissioner, Precinct 1: W. B. Allen, incumbent, 205; Bruce Mayes, 56; Charles Garrett, 69; and George Harrell, 64.

Commissioner, Precinct No. 2: J. M. Sparks, Jr., incumbent, 263; Fred M. Hunt, 186.

Commissioner, Precinct No. 3: A. L. Davis, incumbent, 173; Wm. Winslow, 50.

Justice of the Peace, Precinct No. 1: W. D. Hoover, 203; W. B. Trout, 111.

Justice of the Peace, Precinct No. 3: F. Iansen, incumbent, 77; W. S. Steede, 67; W. B. Wismer, 66.

Constable, Precinct No. 1: D. E. Holleway, 194; T. C. Stout, 119.

### West Texas Presbytery Meets Here Today

Women of the Presbyterian Church held their monthly meeting at the church Tuesday afternoon and completed details for the part they will play in entertaining about 100 members of the West Texas Presbytery, District 2, who will meet at the church Thursday night.

A seafood dinner will be served the visitors at the church at 7:30 p.m. The food will be prepared and served by the ladies.

Mrs. Hugh Morrison and Miss Lillie Fahr were hostesses at the Tuesday meeting, which was changed from Thursday because of the district meet. Mrs. Harry Mills was in charge of the program, "Christianity at Work."

### DENTIST TO BE AT CLINIC EACH FRIDAY

Dr. Fred R. Chastain of Aransas Pass has announced that he will open his office for the practice of dentistry at the McElveen-Graham Clinic here.

Dr. Chastain will begin his practice here Friday, Aug. 11. Office hours will be held from 9 to 5 each Friday.

## Addition Planned For Kelly Grocery

T. C. Kelly was issued a permit at the city hall Wednesday to make a 26 by 24 foot addition to the north side of the L.G.A. Grocery. The addition will be frame with succo finish. W. G. Harriet is the contractor.

Work is underway on a 22 by 60 foot mercantile building for Chester Johnson. The sheet metal building with concrete floor is being erected on lot 9, block 14, Smith and Wood. Cost was estimated at \$1,000.

A 14 by 20 foot offset and 9 1/2 by 4 foot concrete block addition will be made to the Modern Abstract office on Market Street. The building permit was issued Emory M. Spencer. M. W. Cochran is the contractor.

Work is underway on a five room dwelling with bath for Jim Smith on the waterfront south of Rockport. The home will be of frame construction and is estimated to cost \$5,500. It is located on lot 9, block 434, Manning addition.

Wm. Beetley was granted a permit to enlarge a room on the west side of his home. An 18 by 4 1/2 foot addition will be made. The home is located on lots 1 and 2, block 5, Doughty and Mathis.

B. F. Smith obtained a permit to build a 20 by 26 foot frame dwelling. The home, which will be located on lot 12, block 5, Stewart's addition, will include four rooms and a bath.

Arthur Ahr was issued a permit to build a 17 by 10 foot sheet iron garage on the west one-half of block A. It will be an addition to the present building.

Marvin Perryman obtained a permit to build a three room frame dwelling on lots 1 and 2, block 7, Smith and Wood. Charley Ladd is the contractor.

Chester Johnson Motors was issued a permit to move a one room dwelling from Domicio H. Benavides from lot 2, outlot 26, Doughty and Mathis, to lot 12, outlot 2, Smith and Wood.

### Commercial Fishermen Advised to Apply for License Before Aug. 31

Commercial fishermen are advised by the Game, Fish and Oyster Commission to protect their priority under the commercial fishing boat license quota by applying for permit renewals before the end of the fiscal year on August 31.

The chief clerk explained that renewals must be formally applied for by all owners of commercial fishing boats registered by the Federal Government and used in the tidal waters of the Gulf Coast. The annual fee is \$6.00 per boat.

The commercial fishing boat license law applies to all such boats 16 feet in length or over and to all boats powered by inboard motors regardless of length. Commercial fishing boats less than 16 feet long and powered by outboard motors are subject only to the general \$3.00 boat license law.

### County Receives Share Of Surplus In Rural Road Fund Supt. 1

Judge D. R. Simmons has been notified that Aransas County will receive \$5,240.67 for its share of the surplus in the County and Road District Highway Fund at the close of this fiscal year. These rural road funds are split by Texas counties and highways on Sept. 1.

The present bond assumption law requires that these funds be used to service the county lateral road debt that was created prior to Jan. 2, 1939. The Judge was instructed to credit sinking funds of eligible road bond issue with \$5,240.67.

## Official Election Returns

## Cars Badly Damaged In Accidents This Week

A 1948 Buick sedan was badly damaged in an accident early Saturday morning which is reported to have resulted from a blowout. Occupants of the car escaped without injury.

Barney Shelby, driver of the Buick, and Ray Smith were riding north on Highway 35 between Cavasso Creek and Salt Creek about 1:30 Saturday morning when a blowout occurred on the left front wheel of the car at the curve and Shelby lost control of the car. It turned over two or three times, according to investigating officers Sheriff A. R. Curry and Sherman Mundine, deputy, landing on the top.

Medical examination revealed that Shelby had suffered cracked ribs. The Buick belonged to Lucky Longora of Aransas Pass.

George H. O'Brien of Corpus Christi was driving to work about 11 p.m. Tuesday when his 1948 Chevrolet left the road and hit a culvert on Highway 35 at Rockport just south of the county barn. O'Brien was treated at the Rockport hospital and released Wednesday morning. He is employed by the Modsett and Graham Drilling Co. The car was badly damaged.

## CONGRATULATIONS

Mr. and Mrs. Bruce Mayes are the proud parents of twins born at the Walter Nobel hospital in Aransas Pass Saturday, July 22. The girl weighed 4 pounds 14 ounces and the boy weighed 4 pounds 12 ounces. Both are reported to be doing fine. Neither have been named.

Mrs. Ona Anderson of Fort Worth is visiting at the home of her son, A. W. Anderson, this week.

## State Health Officer Urges Children to Have Dental Checkup

"Now is an excellent time for school children of all ages to make a trip to their dentists' offices," Dr. Geo. W. Cox, state health officer reminds Texas parents. Since school progress is influenced by the pupil's health, which is in turn affected by mouth conditions, it is wise to visit the dentist during the summer vacation and obtain any needed treatment before school starts.

"It is dangerous to assume that there is no need for dental attention simply because a child does not complain of a tooth ache or the parent does not notice any cavities. Only careful examination by a dentist can justify such a conclusion.

"Children entering school for the first time are particularly in need of dental attention. Usually they are at the age when the first four permanent teeth, the sixth year molars, appear. Because these erupt before the shedding of any baby teeth, they are often mistaken for baby teeth. Since these are important teeth they should receive early and regular attention by the family dentist.

"Postponement of a visit to the dentist may result in pain and discomfort for the child later on. To avoid such suffering and to prevent the development of conditions that may require more extensive dental services at a later date, parents are strongly urged to take their children to the dentist for an examination now. Prompt action will allow time to complete any needed corrections before school opens."

Buck Davis, USN, is visiting his parents, Mr. and Mrs. Jack Davis, while on 30 day leave from the Naval Base at San Diego, Calif.

## Funeral Services For John Rooke Sunday

Funeral services were held for John William Rooke, 76, at the First Baptist Church at 4 p.m. Sunday, with the Rev. Walter Crabb officiating. Mr. Rooke died at his home here Saturday night at 7 o'clock. He had been in poor health for several months.

Rooke was a retired plumber and had lived here since 1907, coming here from DeWitt County. He was a member of IOOF 342, Rockport Rebekah Lodge 88, and

a member of the First Baptist Church.

Burial was in the Rockport cemetery. Odd Fellows conducted services at the grave. Pallbearers were William Beetley, H. T. Harris, Virgil Mullin, Fred Cloberdants, Lawrence McLester and H. E. Rice of Benavides.

Mr. and Mrs. A. B. Ault of Calallen and Mr. and Mrs. J. H. Page and family of Corpus Christi were Sunday guests at the home of Mr. and Mrs. Dykes. Visitors over the week-end at the Dykes home were Mr. and Mrs. Morris Hutchings of San Antonio.

## To My Many Friends:

I wish to thank each and every one of the voters of Aransas County, Texas, for my nomination to the office of District and County Clerk.

I have the pleasure of meeting many new people who have moved into our county since I was elected to the above office, all of whom it has been a privilege to know and serve.

I will continue to try to fill this office to the best of my ability and to give every one courteous and efficient service.

Yours to command,

### JAS. C. HERRING

District and County Clerk,  
Aransas County, Texas

# 40,000 Families Affected By Disasters in 16 States, 6-Month Survey Shows—Floods, Tornadoes Cause Greatest Loss

Floods, tornadoes, storms, fires, and other disasters this year have struck an estimated 40,000 families in 15 of the 16 states comprising the American Red Cross Midwestern Area, shown by the above map. Red Cross officials in charge of aiding disaster victims in the area report a number of disaster operations continuing into the second half of 1950. Largest continuing operations are in the North Dakota-Western Minnesota flood area, where Red Cross has provided continuous assistance since the end of March, with operations complicated by recurring floods and blizzards.

## Scouts Win Honors At District Swim Meet

Culley Roberts, Tom Cron and Wallace Hiett will enter the Gulf Coast Council Swim meet as winners of the District Swim meet which was held at Sinton July 15. The Council meet will be held at Kingsville, August 12, and will include a tour of the King Ranch and a free barbecue given by the King Ranch.

Eight Scouts brought home six first place honors, one second place, four third place and two fourths when they attended the Sinton meet.

Culley Roberts placed first in the breast stroke. Tommy Cron, competing in the Explorer Division, placed first in diving, back stroke, side stroke and free style. The three Scouts and another yet to be selected will also enter the relay at Kingsville.

A. W. Anderson, assistant Scout Master, accompanied them to the meet.

## New Dodge-Plymouth Dealer In Aransas Pass

C. L. Walker and John W. Nelson have opened the Walker-Nelson Motor Co., Inc., in Aransas Pass. The formal opening of the new Dodge-Plymouth establishment was held July 21-22.

New Dodge cars and trucks are now on display. They invite their friends in Aransas County to drop by and see their new line of automobiles at their place next to the city hall in Aransas Pass.

Mr. and Mrs. Ceylon Ammons and Mitchell vacationed in San Antonio, New Braunfels, San Marcos and Austin during the past week. They were accompanied by Mrs. Thiele and son of Skidmore.

Mr. and Mrs. H. C. Beck, Mrs. Mamie Neimast, Mr. and Mrs. E. F. Jaschke and daughter, all of Houston, spent the weekend at the W. B. Allen home.

Mr. and Mrs. Chas. Roe, Sr., are driving a new Buick Roadmaster.

**CONGRATULATIONS**  
Mr. and Mrs. J. V. Boultinghouse are the parents of a son born at the Rockport hospital July 17. He weighed 7 pounds, 4 ounces and has been named Kelsey Joe.

Mr. and Mrs. Jack Horton are driving a new Buick sedan.

Mr. and Mrs. G. A. Hander and sons have gone to Mark, Texas, for a three weeks vacation.

What will the <sup>60</sup>1950 census be?

**WE HAVE SOME IDEAS** on that and are planning today for those folks who'll be our new customers ten years from now. Split-second electric service requires years of planning ahead...five, ten or fifteen years...so that plenty of electricity is ready when and where it's needed.

During the past four years, we've spent over \$33,000,000 for expansion, almost doubling our power capacity.

And, in the next ten years, we plan to spend many millions more for additional generating units, greater distribution and transmission facilities.

There's plenty of power for South Texans today and there'll be plenty in the future...power for business, industry and agriculture...reserve power to protect your service...low-cost power for your finer, more comfortable electrical living.

### Local Marines Ordered to Duty

Zade Jones, Kenneth Harwick, Tim Haynes, Jr., Leslie Sparks and Roy Mullinax, Jr. are among 200 members of B Company, unit of the Organized Reserves, who received orders this week to report to Camp Pendleton, Calif., for assignment.

Official confirmation of this development was withheld for security reason, but reports indicated that all of the men in the company had been ordered to active duty.

Indications are that the Marines will leave Corpus Christi by August 4. B. Company received a "warning order" last Thursday alerting members of the approaching call to active duty.

### Ratliff Damages Car In Races Tuesday

John Ratliff placed third in a heat race and was involved in a three-car smashup in the feature race at the stock car races, held at the Corpus Christi Speedway Tuesday night.

Ratliff's car was damaged in the smash-up but will be repaired in time for the races next Tuesday. Ratliff has purchased Tim Haynes half interest in the car and is now the only person driving the vehicle in the races.

### WONDERS NEVER CEASE!

Wonders never cease! This young lady found her glamorous bare-shouldered fashion in a barn. She took the print material found in cotton feed bags and designed this gay frock to wear on a summer evening.

### School Board President Outlines Need for New High School

Hugh Morrison, president of the board of the Aransas County Independent School District, told members of the Rotary Club Wednesday that a \$425,000 bond election will be held August 12. The bond election is needed to build a new high school plant and to make needed repairs and additions to the existing school plant, he said.

Morrison urged members of Rotary, as businessmen, to back the bond election. Leaders will be needed to inform the people of the issues involved, he said.

Visitors at the Wednesday luncheon were Nathan White, Plano, Tex.; J. B. Green, Houston; Ed Pribyl, Victoria; Jim Dow, Galveston; John E. Gray, Galveston; Ad Buckner, San Marcos, and Lynn Lasswell, Waxahachie.

It was reported that Dick Denny, E. J. Albin and Jack Horton attended the Rotary District 185 assembly which was in session in Corpus Christi Sunday and Monday. Over 200 Rotarians registered at the meeting.

### Grass Fires Limited To One This Week

The fire department was called out to extinguish a blaze in vacant lots north of the Leonard LeBlanc home Tuesday afternoon about 2 p.m.

A truck belonging to K. J. Harwick, parked on the lot, was threatened by the flames. The firemen put out the blaze in about 10 minutes.

Origin of the fire was unknown but it was believed that it was started by a lighted cigarette.

Mr. and Mrs. Kenneth Perron, Mr. and Mrs. Harold Hobbs and Mr. and Mrs. Burl Wagley of Houston spent the weekend at the R. B. Sipe home.

### Army Puts Freeze On Reserve Commissions

Washington, D. C. — The Army has frozen reserve commissions expiring or about to expire, a spokesman said today.

These are five-year commissions held by officers who are not now on active duty.

#### Many Near Expiration

A large number of these five-year commissions were signed by officers who in September and October of 1945, in the months immediately following the end of World War II, left active duty and signed up for the reserves. Now these commissions are beginning to expire, just as the Korean crisis grows more and more acute.

Therefore, the Army has issued a freeze order.

The Air Force said it has been unable to freeze commissions of its reserve officers. The explanation, a spokesman said, is that the Air Force commissions were issued under a later law than that used by the Army. Legislative action would be required to keep five-year commissions in the Air Force in effect, it was said.

There is no problem for the Navy and Marine Corps. Their reserve commissions run "at the pleasure of the President." There is no expiration date.

The Army and Air Force may order up some reservists who are not on a drill-pay basis, but the Navy and Marine Corps contemplate no such move at the moment.

The Army, now calling up smaller-than-divisional organized units, says that some volunteer reserve officers expert in radar and communications are being called up as individuals and units.

The Air Force says it may call on volunteer training units for specialists if such reservists are readily available and their skills are critical.

#### Navy Not Short

The Navy expects to get all the men needed from its organized reserve and fleet reserve, made up of those put on inactive duty after 20 years' service. The Marines, likewise, do not contemplate any involuntary recall of volunteer reservists.

Members of the Reserved Officers Training Corps — Army, Navy and Air Force — are exempt

**AMMO CARRIERS**—A U. S. Army team is shown slogging through rice paddies with machine gun ammunition for embattled front-line forces. To date, many reverses suffered at the hands of the armored North Koreans have been due to a shortage of ammunition, the life blood of artillery and small weapons units.

Capt. and Mrs. John L. Bridges and sons visited Mr. and Mrs. D. C. McBride last week on their way from Nagoya, Japan to their new station in Birmingham, Ala. They were accompanied here by Mr. and Mrs. D. C. McBride, Jr., of Fort Worth.

from the draft during their junior and senior years in college. The exemption then ceases unless they accept their commissions and go on active duty for two years.

### CARD OF THANKS

I wish to thank my voters and supporters in the last election and also congratulate my opponent in winning the election.

C. K. TATUM

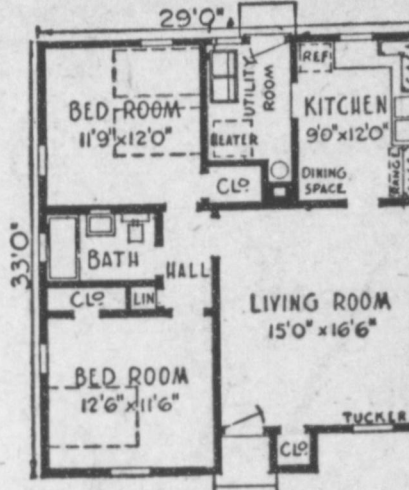

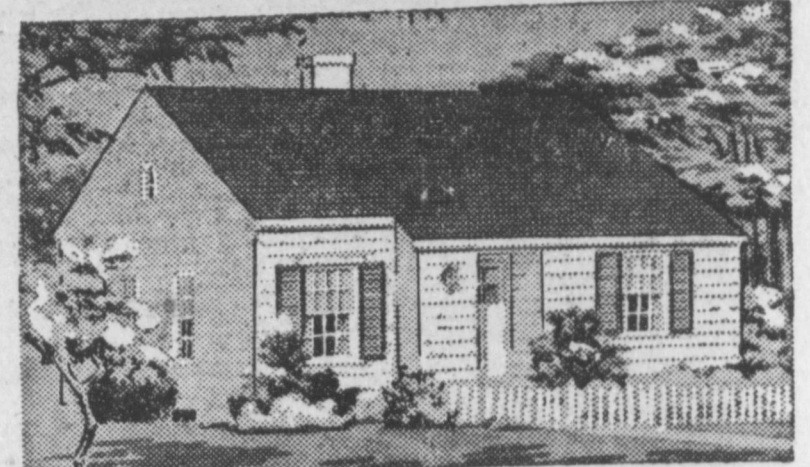

Mrs. J. S. Sanlan of San Antonio and Mrs. J. L. Sadler and children of Arkansas are spending the week at the home of Mrs. Henry Koehler and family. They spent the weekend with Mr. Koehler at Freeport. Miss Mary Lee Koehler and Miss Shirley Rivers, who have been visiting in Louisiana, returned home with them.

### Two Yard Men Work at Cemetery

The Cemetery Association voted to keep the two yard men working at the cemetery full time until Oct. 1; at the regular meeting held Monday at the home of the Misses Vivian and Velma Picton and Grace Smith.

About 12 members attended the meeting. They will meet in August at the home of Mrs. S. F. Jackson.

Mr. and Mrs. George Sanders, Karen, Francene and Stephen of Dallas are visiting this week at the home of his parents, Mr. and Mrs. L. E. Sanders.

**What a stepper!**

Just hint to the gas pedal and she steps out like no other low-priced car. And that's true whether you're driving a Ford V-8 or "Six". But this high-stepper is a low spender when it comes to costs. You can own a V-8, for example, for hundreds less than most "Sixes"—and a Ford "Six" for even less.

**What a stopper!**

This '50 Ford actually helps you apply the brakes. They're 35% easier-acting King-Size Brakes that use car momentum to help you stop. Like Ford's extra-rugged "Lifeguard" Body, they give you the kind of protection you'd expect only of costliest cars. And for added safety and comfort, you ride low and level in the "Mid Ship" section of the car, between the wheels—not over them. You're cradled in comfort on "Hydra-Coil" front springs and "Para-Flex" rear springs that give a road-hugging smoothness truly amazing.

**What a looker!**

Yes, again in '50, Ford received the Fashion Academy Gold Medal as "Fashion Car of the Year." And Ford's stay good looking because their baked-on finish is "made to live outdoors." That means high resale value which, together with Ford's low running costs, puts Ford further out front as America's savingest car.

## ERNESTINE JORDEN BECOMES BRIDE OF CECIL BOONE AT HOME CEREMONY

Miss Ernestine Jorden, daughter of Mrs. Lura Jorden, became the bride of Cecil Boone, son of Mr. and Mrs. E. E. Boone, in a quiet ceremony performed at the Joe Smith home Saturday night at 8 o'clock. Rev. Walter Crabb of the First Baptist Church performed the single ring ceremony, before an improvised altar of fern and baskets of pink roses.

## BIRTHDAY PARTY FOR JENNY HULL

Mrs. Chas. Hull honored her daughter last Thursday afternoon with a party at their home in Fulton. The occasion was Jenny Lee's fourth birthday.

The youngsters spent the afternoon playing games on the lawn. Refreshments were served to Monte Rouquette, Becky Rouquette, John Goff, Carolyn Casterline, Sue Goff, Phyllis Ann Cox, Willard Cox, Shirley B. Cole, Junior Hull, Carol Wolf, Geneva Osterloh, Mrs. Willard Cox, Mrs. Stewart, Norma Jean Benningfield, Mrs. John Goff and Nadine Miller.

The bride was attired in an afternoon dress of white sheer over taffeta. Her accessories were gold and she wore an orchid corsage.

Attendants were Miss Nancy Juergens and Neil Jorden. Miss Juergens wore a dress of white shirkin with gold accessories and a corsage of yellow chrysanthemums.

Following the ceremony a reception was held at the Smith home. The dining table was laid with a lace cloth and centered with a five tiered wedding cake topped with a miniature bride and groom. The cake was served by Mrs. Edward Hayden, Miss Mary Beth McCarty of Corpus Christi and Miss Joyce Lassiter. The bride attended the Rockport schools. The groom attended schools at Cuero and later served in the Navy. He is employed here by the Sun Oil Company. The couple will make their home in Rockport.

## FRENCH ACCENT

Jacques Heim, internationally-celebrated Parisian couturier, created this stunning cotton formal from a white cotton fabric printed with an unusual lavender design. The cape buttons at the shoulder. Monsieur Heim calls this chic cotton gown "song of love," the National Cotton Council says.

## WEEKEND GUESTS ENTERTAINED AT PICNIC-DANCE

Miss Bonnie Cron entertained with a picnic at the Goose Island State Park Saturday night honoring her house guests, Miss Jacqueline Keasler of San Antonio and Miss Betty Pickens of Eastland, both of whom are sorority sisters of Miss Cron at the University of Texas.

Following the picnic dancing was enjoyed at the concession hall. Guests were Miss Patti aBillou, Miss Yvonne Wington, Miss Charlotte Cron, Harvey Tittsworth of San Marcos, John Barber, Lynn Wendell, Harris Pollard, James Bracht, Don Banning and the honoree.

Earlier in the day Miss Cron and her guests enjoyed sailing on the "Mars" with Mr. and Mrs. Travis Bailey. Others in the sailing party were Miss Charlotte Cron, Miss Patti Ballou and Miss Sissy Rowe.

## BIRTHDAY DINNER

Mrs. Bill Crist and Mrs. Frank Zeller arranged a birthday party for Bill Crist at his home Sunday. Dinner guests were Mr. and Mrs. Frank Zeller and Tootsie Brunner from Dallas.

## A Survey of the Effects of a Natural Pass On Fish Population

The primary objectives of the fish trap constructed in Cedar Bayou may be briefly summarized. They were:

1. To determine the time and the magnitude of movement of various species through the pass.
2. To establish a tagging program with the object of studying the movements of the sciaenids and the flounders.
3. To aid in the study of food habits of various species.
4. To aid in the study of spawning activities.
5. To determine the age of fish utilizing the pass.
6. To gather hydrographical and meteorological data throughout the year.

In addition to this seines, trammel nets and other devices were used to check the population density of various areas.

### Area Worked On

Minor changes have occurred in Cedar Bayou since March. The very low tides, supplemented by shifting sands, caused emergence of large sand bars in areas where moderately deep water was formerly present. The entrance to the bayou from Mesquite Bay will now accommodate only shallow draft boats and the channel into the Gulf changes location frequently. A large shelf of sand has emerged on the northeast side of Grass Island where previously water was three feet in depth. Water at the trap is now less than five feet at maximum although the main wings are in 12 feet of water at the deepest point. This is due, of course to the scouring action of the currents through the pass. The west shore of Grass Island has become muddy and the traps proper seem to be filling in with mud.

### Activities

The trap was not in operation from April 1-18. Work was resumed on the latter date. Traps are raised at 0800 and at 1800 leaving the remainder of the day for trammel net operations, tagging, collecting of hydrographical and meteorological data, and general repair work. After raising the trap nets an accurate count is made of each species utilizing the pass. Separate records are made for those coming from the Gulf, and those going to the Gulf. Nocturnal and diurnal fluctuations were observed. Records were kept of the number of blue crabs moving through the pass and the sexual condition of these crabs was recorded. Similar observations were made on the commercial shrimp. A great deal of emphasis was placed on the tagging program. Trammel strikes were made in Benson Slough, Mud Slough, the Gulf of Mexico, throughout Cedar Bayou, and in Mesquite Bay. Fish tagged were the redfish, the spotted trout, sand trout, croaker, spot, drum, and sheepshead. In addition two tarpon and one jackfish were tagged.

Floating postcards used to study the currents of the region were released at various times but few have been returned.

Stomach analysis has been limited in scale due to the emphasis on tagging but approximately 200 flounder have been examined.

The trap operated properly until near the end of the quarter when the 2x4s used to hold the wire succumbed to the attacks of the marine wood borers. Old fences were accordingly ripped out and were replaced with new heavy duty, small mesh wire and heavily creosoted timbers.

### Biological Data Accumulated

The movement of organisms through the pass has increased in intensity. Very large hauls of croakers have been taken as they moved toward the Gulf. The yellowtail migrated toward the Gulf in April in a spawning condition and returned spent in late May and in June.

The principal species taken during the three months, were Croakers, whiff, sand trout, spot, sea catfish, mullet and pinfish.

It was interesting to note that in May and early June spawning sand trout were taken as they traveled to the Gulf and small sand trout were taken as they traveled to the bays. As many as 25,000 of the year class I were taken in the north trap in one haul. These fish were not spawning.

Approximately 2,500 blue crabs and 8,000 shrimp were taken in the traps. More than 300 fish have been tagged in the area. Several of these have been retaken in the trap and two flounder tags have been returned by sportsmen. None of these fish had moved over one mile even though some had been tagged for two months.

## V.F.W. DINNER HONORS MARINES

Members of the V.F.W. will honor local marines who have been called to active duty at a dinner and dance Saturday night. Attending the dinner will be Leslie Sparks, Roy Mullinax, Jr., Tim Haynes, Jr., Kenneth Harwick and Zade Jones. Chas. Garrett, commander of the V.F.W., will also be a guest.

Following the dinner the boys will be special guests at the dance at the V.F.W. hall. The public is also invited to attend.

## DINNER PARTY

Mr. and Mrs. Fred Christilles entertained at a dinner party at their home Sunday night honoring Mr. and Mrs. G. C. Francisco and Mrs. Louis Bailey of Houston. Other guests were Mr. and Mrs. Fred B. Hunt.

The evening was spent playing canasta.

## Attend Funeral

Mrs. M. E. McElveen received word today that her brother, Walter Simpson, died at Liverpool, Texas.

Mrs. McElveen, Cecil Gray and Buddy McElveen went to Liverpool today and will attend funeral services which are scheduled to be held Friday.

## WEDNESDAY CLUB PLAYS BRIDGE AT FRED BRACHT HOME

Mrs. Fred Bracht entertained members and guests of the Wednesday Bridge Club at her home Wednesday afternoon. She was assisted by Miss Mary Jo Bracht.

Mrs. Fred Christilles claimed high score for the members and Mrs. C. F. Roozzell held second high. Mrs. W. H. Woellert of Poth won high score for guests and Mrs. Louis Bailey of Houston was second high.

Tea guests were Mrs. A. C. Glass and Mrs. J. L. Baughman.

Five tables of bridge were in progress. Those playing were Mrs. C. C. Fowler, Mrs. J. P. Hanway, Mrs. Fred B. Hunt, Miss Mabel Bracht, Miss Genevieve Bracht, Mrs. L. M. Bracht, Mrs. J. H. Mills, Mrs. Fred Booth, Mrs. Jas. Sorenson, Mrs. Clark Wren, Mrs. Emory M. Spencer, Mrs. Victor Waranken, Mrs. Clyde Farenthold and Mrs. Woellert, all of Poth, Mrs. G. C. Francisco, Mrs. Louis Bailey and Mrs. Z. Morris, all of Houston, Mrs. Vogist of Boerne, Mrs. Fred Christilles and Mrs. C. F. Roozzell.

Marion McElveen, postmaster, announced this week that the Indiana territory sesquicentennial three-cent stamp is now available at the local postoffice.

## SHOWER HONORS RECENT BRIDE

The Mesdames J. W. Wilkinson, Dick Simpson, Jr., Elbert Munday and Birdie Cole honored their niece, Mrs. Sherwood Williams of Corpus Christi, last Thursday evening. The affair was held at the Fulton Lions Club building.

Mrs. Williams is the former Allena Dell Wilkinson, daughter of Mr. and Mrs. W. W. Wilkinson of Corpus Christi. She was united in marriage to Mr. Williams July 14, at the downtown Baptist Church in Corpus Christi.

Arrangements of fern and bougainvillea decorated the hall. Refreshments were served from a table laid with a pink cloth over green.

About 75 persons attended.

## 500 CLUB MEETS AT DAVIS HOME

Mrs. Mollye Davis entertained the 500 Club at her home last Thursday afternoon.

High scores were claimed by Mrs. Lloyd Lassiter and Mrs. Henry Camehl.

Refreshments were served to Mrs. Lassiter, Mrs. Bruce Winkle, Mrs. Marvin Davis, Mrs. Jack Davis, Mrs. Camehl, Mrs. Julius Malchar and Mrs. Richard Sharp of New Orleans, La.

## Funeral Services for Plane Crash Victim

Funeral services were held at Hawkins, Texas, Wednesday for Lt. James R. Greeson, 21, who was killed in a plane crash in Georgia.

Lieutenant Greeson was killed Monday when his jet aircraft crashed into a country churchyard. The plane narrowly missed the church filled with 75 persons. Steps on one side of the church were sheared off and several autos parked nearby were damaged. The plane was from Turner Field, Albany, Ga.

Lieutenant Greeson was born in Rockport, leaving here with his parents as a youngster and was a frequent visitor here since that time.

He is survived by his wife; his parents, Mr. and Mrs. J. B. Greeson; one brother and one sister.

Attending the funeral from Rockport were Mr. and Mrs. R. S. Johnson, his grandparents; Mr. and Mrs. R. A. Johnson, Mr. and Mrs. Roscoe Johnson, Mr. and Mrs. W. D. Heldenfels, Mr. and Mrs. Malcolm Bocquet, Mrs. Henry Ballou and Miss Patti Ballou.

ux to Chas. G. Diamond. Fractional lots 9 to 16, block 398, Manning addition, fraction block N of the John H. Traylor subdivision, Manning addition, from Edgar B. Jackman to Marvin H. Davis.

Lots 13 and 14, block 30, Smith and Wood, from Ben Thompson et ux to Earl W. Wright.

**ALWAYS TRAVEL TRAILWAYS**

Sitting around last Friday evening, the talk turned to the best way of getting to sleep when it seems you just can't. "The way I always do," says Sandy Johnson, "is to breathe deep and make believe I weigh a ton."

"Just throw away the pillow—it works every time," says Buzz Ellis. When counting sheep came up, right away was the question: What kind of sheep?

From where I sit, you could argue 'til Doomsday and never get complete agreement on a lot of things. Now, take me. I'm all for

having a glass of beer or ale on occasion. Your "sociable beverage" may be a "Coke"—or buttermilk or maybe a cup of hot coffee.

But enjoying our preferences is a right in this country and each of us is entitled to his own. The important thing is to respect that right in the true democratic spirit of understanding! As a matter of fact, what a tiresome old world this would be if we all did have the same likes and dislikes!

### Corpus Christi Air Fiesta Set for July 29 and 30 At Cuddihy Field

Corpus Christi, Tex. — There'll be music in the air as well as planes when the Corpus Christi Air Fiesta opens the throttle July 29 and 30 at Cuddihy Field. Mrs. Dot Lemon, managing-director of the air show, has announced that the Champion Drum and Bugle Corps from Brownsville will perform.

A number of other additions to the program were disclosed by Mrs. Lemon. The 14th Armored Field Artillery of Fort Hood is sending approximately 500 men and 39 officers to present a battalion review for the Saturday and Sunday performances of the air show.

Many other attractions will be offered for the two-day celebration.

### CARD OF THANKS

To our many sincere and faithful friends we wish to express our deepest appreciation for their untiring vigil during the recent illness of our beloved husband and brother. Words cannot express just how much we are indebted to each and every one of you.

Mrs. Floy Rooke  
Mrs. Alice Mae Thomerson  
Ray Thomerson c15

**CHICK AHoy!**—Nancy Olson, a chic chick clad in an abbreviated slicker, is shown after she completed her latest movie, co-starring with Gloria Swanson, Bill Holden and others. Aside from looking nautical but nice, Miss Olson is hailed as a promising actress in her own right.

**"DIG OR DIE"**—In Korea, where U. S. jet planes and the modern Soviet-built tanks of the North Koreans have been making headlines, the GI in the field still finds the age-old shovel his most effective means of protection. A front-line American soldier is shown digging a hole that his life may depend upon.

### Jess Harbin Enrolls For Summer Session

Jess Harbin, superintendent of the Aransas County Independent School District is among the students enrolled for the second summer session at Southwest Texas State Teachers College in San Marcos.

Fast growing, the San Marcos college claimed one of the largest enrollments in its history for the first 1950 summer session.

Mrs. Ann Poling, 609 Delaware St., Indianapolis, Indiana, who was suffering from deficiencies of Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron, and Niacin, smiles as she pours herself another cup of coffee. Mrs. Poling says life lately is like it used to be years ago... "that is, of course, since I've been taking HADACOL." She can't get over what a difference HADACOL has made in her outlook on life.

Mrs. Poling says: "Three months ago a good friend of mine told me about HADACOL—she knew how much stomach distress I have had. Any type of food that was fried or that had acid in it I just couldn't eat. It affected my sleep, too. In fact, I couldn't have been in a worse condition. When I ate what I wanted to I felt miserable and when I didn't eat these things—I didn't have a proper diet and still felt bad. Then, when I started taking HADACOL, I felt better immediately. I've got a bottle in the house now—and will continue to keep HADACOL from now on. I have told many folks about HADACOL—and they all thank me for telling them about HADACOL. They all have gotten wonderful results from HADACOL like I have. Now I eat anything I want and get a good night's sleep. I can't praise HADACOL enough."

**HADACOL Can Help You, Too!**... as it has helped thousands of others whose systems lacked Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin. Yes, even hundreds of doctors have recommended HADACOL to their patients. The HADACOL formula is so effective for stomach distress, nervousness, insomnia, constipation, aches and pains of neuritis, and a general run-down condition caused by such deficiencies.

**Make Up Your Mind**... to give HADACOL a chance to help you, as it has helped countless thousands of others. Remember, there are no substitutes for HADACOL. Always insist on the genuine HADACOL. No risk involved. Buy a bottle of HADACOL, either the trial size, \$1.25, or the large family or hospital size, \$3.50, and if HADACOL does not help you your money will be refunded.

### Motor Travel from Laredo to Canal Zone Impossible at This Time

Wm. H. Furlong, director of the Inter-American Highway Association, vacationing in Fulton this week, released a special report with the view of acquainting the motoring public with the facts relative to vehicular travel in Mexico and through the several Central American republics extending to the Panama Canal Zone, at this time.

A true understanding may be had relative to the subject as it exists today on the Inter-American Highway (Laredo, Texas to Panama, Canal Zone) the following data, based on Furlong's personal inspection of that sector of the Pan-American Highway, is offered for the consideration of interested persons.

Repeated articles and reports have appeared in the press, magazines and radio implying the feasibility of recreational motor travel southward from Laredo to the Canal Zone. Such advice may be promptly disregarded as emanating from unreliable sources for it is definitely stated that, at this time, there exists no through and uninterrupted lane of motor travel between these two cardinal points. This assertion is made despite the claims of several individuals as having traversed the entire route by motor vehicle on land.

Reports of this character are today causing situations involving heavy expense, loss of valuable time and considerable disappointment to many persons having read and accepted them as reciting the facts, he said. These persons moved by the spirit of adventure and an inclination toward the "something different" have made elaborate plans to visit those intriguing areas by motor, only to learn upon reaching the border that certain roads beyond Mexico in Central America may not be crossed by vehicle.

Facts regarding the roads beyond the Mexican border and shipment of automobiles may be obtained at the Chamber of Commerce office from material made available by Mr. Furlong.

### Manufacturers Urged To Return Questionnaire

Austin, Tex. — Manufacturers are likely to find their names omitted from the new 1950 edition of the "Director of Texas Manufacturers," unless questionnaires are returned immediately to the University of Texas Bureau of Business Research, publishers of the directory, according to Dr. John R. Stockton, director of the bureau.

Second requests have been mailed to those manufacturers who have not filed their information, and August 15 is the final date for returning the questionnaire.

More than 10,000 questionnaires have been mailed out to manufacturers all over the state, and 5,500 have been returned to the bureau. Firms will be listed both by name and by type of products manufactured.

The directory, the single most important publication of its kind in the state, provides wholesalers and retailers with a reliable source of information regarding Texas-made products, and it is also used widely by out-of-state manufacturers in locating sources of supply. Small as well as large factories are urged to supply the bureau with the requested information so that they will be included in the directory.

Name, address, home office, type of organization, name and title of principal officer or partners, date of establishment, territory served, number of employees, and products manufactured will be listed for each plant in the state.

The directory will be published early in the fall and distribution will cover not only the state but the nation and foreign countries as well.

Dr. Stockton has expressed appreciation for the splendid cooperation on the part of the chambers of commerce and other cooperating agencies in getting the questionnaires into the hands of manufacturers.

The Corpus Christi Army and Air Force Recruiting Station reported that Gilbert Kelly Drake, son of Mrs. Bertha Drake of Rockport, was one of 12 volunteers who enlisted Monday.

**WEAPON OF WEDLOCK**—Celebrating their 72nd wedding anniversary, Mr. and Mrs. James Wheeler of Denver, Colo., posed with this time-honored symbol of domestic life, a rolling pin. Mr. Wheeler didn't seem amused but his wife flashed a knowing wink at the photographer.

### CARD OF THANKS

I wish to take this means to thank my friends for their vote and support in the Democratic primary. Although not nominated to office I hold no ill will towards those that did not support me.

FRED M. HUNT. p15

Mr. and Mrs. Bill Patrick, Margaret and Billy, of Lagrange, were Rockport visitors Sunday. Margaret and Billy remained here for a visit. They are guests at the John C. Sorenson home.

John Curry Sorenson, Paul Whistler and Robert Bolleter, all of Houston are visiting this week at the John C. Sorenson home. Sorenson will report for duty in the marine corps next month.

## Bond Election

(Continued from page 1)

grade school will get underway immediately after the bond issue has passed. This addition is required for the opening of the school in the fall. Funds for this addition are provided in the amount of the bond issue.

The living room of the home economics building at the Rockport school is being remodeled to provide an extra classroom for the grade school this year. Enrollment at the grade school this year is 432 in comparison with 202 students enrolled in the 1940-41 term. In order to provide adequate facilities for the youngsters, it was necessary to create another room. Upon completion of a new high school, plans are set up to convert the present high school rooms into a junior high school and the science room out of the grade school building, facilities would be adequate there for the increased grade school enrollment.

All of the rooms in the present plant need redecorating and new equipment and this is provided for in the amount of the bond issue.

Figures show that there will be one first grade this year with the enrollment figure at the present time listed at 29, the maximum number of students desirable for one teacher to handle, according to standards set by the State Department of Education.

According to the present scholastic census there will be 76 students in the second grade next year, which if the State Department recommendations are to be met, will require three second grades. In the two second grades last year, there were 50 students enrolled, which will require that there be two third grades this year. Figures show that there will be at least 49 students in the fourth grade, which will require two rooms; 42 students in the fifth grade, which should have two rooms, and 70 students in the sixth grade, which will make two rooms a necessity. One room each will accommodate students of the seventh and eighth grades.

A total of these rooms show that 14 rooms will be required for the grade school students. At the present time there are only 12 rooms available, nine in the main building and three in the annex. There are actually 10 rooms in the main building but one of them is being utilized by the high school science department. An extra room is being made in the home economics building.

The Rockport grade school building was erected in 1935 and the rooms were built to accommodate 35 students each, and constructed according to State Department of Education specifications. The present rooms meet the minimum requirements set up by the State Department; however, the maximum teacher load has been lowered from 35 to 30 students.

Mrs. R. F. Bane and Miss Louise Bane of Dallas are visiting at the home of Dr. and Mrs. L. G. Wood this week.

## Fulton Beach Field Test Makes Oil

William Herbert Hunt Trust Estate No. 1 Copano Unit No. 4 Fulton Beach Field, made 215 barrels of 42.6 gravity oil on potential test from 24 shot perforations at 7,161-67 feet. Test was through 1/8 choke, under 1,000 pounds tubing pressure and 1,375 pounds casing pressure. Gas-oil ratio was 807 to 1. Total depth was 7,189 feet and 5 1/2 inch casing was set on bottom. The well is in Lot 23, Copano Village, David Lockhard Survey, A-97.

Sullivan and Garnett No. 5 A. T. Vineyard, Lamar Field wildcat in Reserve B Survey, flowed 75 barrels of 42 gravity oil on potential test through 6/64 inch choke under 700 pounds tubing pressure and 1,700 pounds casing pressure. Perforations, with 24 shots, were at 7,127-30 feet. Gas-oil ratio was 688 to 1. Total depth was 10,588 feet; 9 5/8 inch casing was set at 7,466 feet; plug back depth was 7,141 feet.

Hewitt and Dougherty No. 2 F. G. Gabriel, Mud Flats Field, was waiting on cement Wednesday after setting 7-inch protective casing. Total depth was 8,950 feet. On 15 minute drill stem test at 8,867-71 feet, working pressure was 16 pounds and recovery was 980 feet of oil. Bottom hole pressures were 1,450 pounds flowing, and 3,800 pounds shut-in. This test is in the southeast corner of Lot 8, section 48, Sixth Addition, Taft Farm Lands.

George W. Graham, Ryan, Hays and Burke No. B-1 F. G. Gabriel, Mud Flats Field, Wednesday was taking potential on perforations at 9,615-25 feet and 9,643-70 feet. The well is a rich distillate producer. On 3/16 inch choke, flowing pressure was 2,350 pounds. Shut-in pressure was 4,000 pounds. Total depth is 9,676 feet, 7-inch casing is set at 8,803 feet, and 5 1/2 inch liner is set to total depth on the test which is in Lot 6, block 48, Fifth Addition.

Graham, Ryan, Hays and Burke No. 2 D. W. Grant, Mud Flats Field, was drilling at 7,418 feet yesterday in side tracked hole. Contract depth is 9,500 feet. This test is in lot 1, block 51, Fifth Addition.

Phillips Petroleum Co. is preparing to drill two tests in the 1-well Copano Bay Field, north of Fulton Beach Field, at No. A-1 Pano, State Tract 15, and No. B-1 Pano, State Tract 33. Phillips has asked U. S. Army Corps of Engineers permission to sink drilling barges and erect derrick on the sites about a mile west of Newcomb Point, and lay a 2-inch pipe line to an existing header platform in State Tract 34.

Hearing has been set for August 3 on a William Herbert Hunt Trust Estate request to amend Field Rule 8 to provide for allocation on the basis of 50 per cent on acreage and 50 per cent a well be reservoir and to add Field Rule 9 to provide for a gas-oil ratio survey in Fulton Beach Field.

Mr. and Mrs. B. W. Hamblin attended the Zenith Radio Show at the Plaza Deck in Corpus Christi Tuesday night.

J. G. Hamblin spent the weekend in Houston visiting Mr. and Mrs. Neil Creiglow.
