CHARTER LIONS CLUB MEMBERS - Celebrating the 25th birthday of Olton Lions are 3 of its charter members, G.T. Sides, Lauis Hair and I.B. "Doc" Holt. Another charter member, G.H. Bley, was not present.

Lions Amass 25 Years

Twenty-five years of fellowship and serving were climaxed Tuesday evening with a ladies night dinner and program for Olton Lions Club. The occasion marked the silver anniversary of the chartering of the local club.

"Third time is a charm" proved to be a true adage for Oltonites when, for the third time, a charter for a Lions Club was granted in October 1949.

Ten years earlier, in another October, fourteen men applied for a charter of the city's first Lions Club. Under the leadership of Walter Rose, charter of the city's first Lions Club. Under the leadership of Walter Rose, a charter was approved Nov. 9, 1939 and the club began regular meetings in the American Legion Hut. Meeting sites were later moved to the school lunchroom in the "old red building" and to the basement of the Methodist Church at Avenue Ξ and 10th Streets, now the Church of the Nazarene.

Charter members of that first club were Rose, G.H. Bley, I.B. Holt, Lauis Hair, Jack Straw, Speck Aikman, X.A. Austin, Howard Buchenau, Jack Silcott, A.D. Melton, H.C. Pumphrey, Guy Willis, Roy Granbery and D.M. Granbery.

Soon after organizing, I.B. Holt took the reigns of president and served two years. World conditions during that World War II era posed many problems but the club continued to struggle to survive under the presidency of Otha Dent, Austin and Hair. By July 1945 the decision was made the disband the club.

Improving economic conditions led to the reorganization of the club in January 1946 with G.T. Sides as president. Once again failure struck and in September 1948 that club, too, disbanded.

"Try again" became the battle cry and in October 1949 20 men gathered and made application for charter.

A charter dated Oct. 29, 1949 was granted and the present club was born. Charter members were Sides, Bley, Straw, Buchenau, D.M. Granbery, Holt, J.R. Fulmer, H.C. Armstrong, J.T. Jones, J.C. Scruggs, H.O. Thomas, S.E. Whittington, J.B. McAdams, W.B. Smith Jr., Arnold Amundsen, Brent Burrow, T.M. Cox, C.R. LeMond, Earl Smith and Harold Wilson.

Still active in the club are three of the original club's charter members; Bley, Holt and Hair. Currently the club boasts a membership roll of 45 with 33 active members. Twenty-five of today's members hold perfect attendance records.

Always enjoying hearty appetite for the noon meal meal that has been a part of club meetings, Lions were fed in those early days by Mrs. A.D. Melton and when the club moved to the school lunchroom, by the late Margie Slatten. Women of the church began preparing the meals when the club met at the Methodist Church basement.

It was early in the 1950's that club meetings were moved to the dining room of the Ideal (now the Coachman). Meals were provided by the cafe but cramped space led members to seek more spacious accomodations and soon the Lions returned to the Legion Hut for their meetings.

Mary Miller, the late Mrs. Henry Miller, began cooking home-style dinners for club members in 1952 and continued to provide bountiful meals until cancer forced her to retire 10 years later.

Gretta, Mrs. Mack Keating took over the apron and kitchen following Mrs. Miller's retirement and has cooked for hungry Lions since that time. She was presented a plaque of appreciation Tuesday night in recognition of her retirement.

Experienced in cooking for hungry Lions, the club's new cook is Mrs. "Red" Bevill of Mayfield.

Through the years, the club has earned numerous awards for its activities including the coveted District Governor's Award which is presented to the number one club in the district. This award was won two years in succession under the leadership of Lion Bosses George Redinger and the late Howard Hall.

Most recently, the club received recognition for its participation in the new youth exchange program.

Projects through the years conducted by the club have provided the electric scoreboard in the high school gym, outdoor bulletin board at OHS, cyclone fence at junior high, playground equipment at school and innumerable sight and hearing aids.

For many years, the club sponsored Boy Scouting for little Oltonites and has assisted financially with the baseball programs.

Serving their fellowmen, the Lions have helped move senior citizens and paid for surgery to restore a small girl's eyesight. They have also sent children to the crippled children's camp at Kerrville.

Special guests attending Tuesday evening's special occasion were Jim Jones, Deputy District Governor, and Jim Johnson, Lt. Governor of District 2T2.

Mustang Stage Band provided entertainment.

LIONS CLUB SWEETHEART Jenny Lynn Gunter, daughter of Mr. and Mrs. Uil Gunter, holds an emblem which designates Olton as a 25 year member of Lions International.

A PLAQUE FOR SERVICE is given to Mrs. Gretta Keating by Lion Don Spain for her service as cook for the club for 12 years.

14.74 Inches Rain Recorded

Bright sunshine Thursday, along with a brisk westerly breeze, gladdened the spirits of rain-weary farmers and hopefully began the drying process of soggy grain and cotton fields awaiting harvest.

A check with Eugene Griffin, official weather reporter for the city, reveals some rather startling information.

Following one of the driest summers in recent years, rains began falling in August and since that time a total of 14.74 inches of moisture have been measured in the local gauge.

Monthly chartings show 6.60 inches recorded in August; followed by 3.73 inches in September and 4.41 inches measured in October.

Hindered in making home calls thus far, members of the class will be glad to respond to a call from any prospective buyer, according to Mrs. Lacy. Renewals will be carefully handled where subscriptions are not yet due.

He continues, "Mr. Banister has spent 46 years in spreading the good news of Christ around the world." Prior to 1971, he spent his time in local work, 23 years of which was at Skillman Avenue Church of Christ in Dallas.

Since May of 1971 he has conducted an average of 43 gospel meetings per year. These have carried him all over the United States, Japan, Hong Kong, Thailand, the Philippines and Hawaii.

Mr. Banister is a member of the Board of Trustees of Abilene Christian College and held the first in the annual series of "lectures on Preaching" at that school in 1951.

Members of the local congregation extend a cordial invitation to friends and neighbors to join them in the worship services. Mr. Caraway, in speaking for his members, says "We feel that the greatest service we can render to our community and our nation is to share Jesus with all people."

Special Fund Begun For Marilyn Miller

Whoever said kids hated their teachers?

Not so, at least in OHS.

A special donation is being taken up for funds to fly Mrs. Marilyn Miller, a teacher at OHS, to Olton from Houston for the Littlefield-Olton game next Friday night.

Wife of head coach Ed Miller, Mrs. Miller is in Houston for a month, taking treatment for cancer as an "out patient" and would be allowed to make the trip home.

The "kids" at OHS are trying to get money to buy a ticket so that Mrs. Miller might get to come home and be at the all-important Littlefield-Olton clash. They would like the help of the entire community if possible.

A special box has been placed in the foyer of Olton High School. Those who would like to help may place their donations in the box.

Post Contestant Gains In Football Guessing

Past master at pigskin predicting and proficient still, Charles Didway of Post nailed down the week's win with just two misses and upped his season lead by a six-point span.

Only the Idalou-Abernathy and Vega-Hart upsets marred Didway's entry last week as he correctly picked each of the remaining contests. He has 102 correct guesses for the season.

Finishing in second and third place this week were Coy Gullett and Scott Parker. Each missed three games but little mister Gullett came closer on the tie-breaker to claim second place money. His prediction was 21 points off, 20-7. Young Parker missed by 47 points with a 32-21 guess.

In The Ring

by dick watson

The Olton pugilists swept through the Tulia boxing tournament Saturday night like a white tornado, making a clean sweep against all competition. Even the Tulia fans were cheering for the crowd pleasing boxers from Olton. We took five fighters but could only find matches for three.

Seven year old Duane "dynamite" Eby tangled with rough Reed Rowell of Tulia who is the same age. Eby's roundhouse rights proved too much for Rowell and gave Eby a T.K.O. early in the second round. Eby is a much improved fighter and displays better footwork while stalking his opponent.

Danny Garcia scored his fifth straight win with a decision over George Ruiz of Lubbock. Danny won all three rounds easily with his usual style of cool collected boxing. When we match Danny, we just tell the other teams to trot out their best fighter in the weight range. None but the top fighters can stay in the ring with Danny for three rounds.

The aggressiveness and speed of spunky Joey Fernandez gave him an overwhelming victory over the brave but slower Chris Garcia of Tulia. Fernandez is fast as greased lightning and took command of the fight in the opening seconds. Both fighters tipped the scales at sixty pounds.

The Olton group travels to Muleshoe for another tournament this Saturday, Nov. 2. Fights begin at 8 p.m. and will be at the school gymnasium. If you want some real excitement, I encourage you to go see these brave boys battle. You'll enjoy it and the boys will appreciate the support.

The generosity of area citizens brightens the outlook for Olton boxers. Durwood Lynch of Lynch Manufacturing Co. has offered to build a portable boxing ring valued at $2500 if others would furnish about $400 for materials. Bill Morris of Farmer's Pump has offered to furnish a portion of the materials and we are only about $300 dollars short of having a ring which means we will be able to bring future tournaments to Olton. Wayne Moore of Wayne's Printing has offered to donate his labor if printing is needed for a local tournament.

We are proud to have coach Wayne Phares back with us. He has been in Lubbock for a week with his wife, Gay, who has been in the hospital. Gay is home also and is doing fine.

Wayne and I took donations for a couple of hours Wednesday to help with the expense of boxing equipment, tournament trip expense and material for the ring. We are pleased to announce receipt of $105 with nearly 100% participation from the business men we contacted. We still need about $700.

Bill and Gene Chaney have offered the use of their building for workouts. The building is located at the South edge of Olton and formerly housed the Olton Pump Company. Training will continue there on Tuesday and Thursday nights from 7 to 9 p.m. The building is large and other participants are invited.

Everything But The Kitchen Sink

By Mozelle Trotter

General election time has come again and politics is the menu of the day even though the "big office" is not up for consideration this year. Has it really been just two years since voters went to polls to cast their preference for president?

Seems an eternity since that election day of 1972 with all that's happened since then and to one man, in particular, "eternity" must seem inadequate.

We ordinary mortals err both by accident and intention. We suffer from the deed whether it be known by our fellowman or only in our innermost awareness. But can you imagine how it must be to have your actions emblazoned for all the world to see?

It's easy to say "He brought it on himself" when one thinks of the trials and torment our former president suffers and yet who are we to judge?

A very trite and true little gem has been printed numerous times, even in Ann Landers' column. Its message reads:

SAINTS AND SINNERS

When some fellow yields to Temptation.
And breaks a conventional law,
We look for no good in his makeup,
But Gosh! How we look for the flaw!

None will ask, "How was he tempted?"
Nor allow for the battles he's fought.
His name becomes food for the jackals-
For us who have never been caught!

"He has sinned" we shout from the housetops.
We forget all the good he has done.
We center on just one lost battle-
And forget all the times he has won.

"Come gaze on the sinner," we thunder,
"And by his example be taught
That his footsteps lead to Destruction."
Cry we - Who have never Been caught.

I'm willing to try, with Thy mercy.
To keep the Commandments Thous't taught.
But deliver me, Lord, from the judgement
Of Saints who have never been caught!

No words can say it better though than those found in the book of Romans: "Therefore thou art inexcusable, O Man, whosoever thou art that judgest; for wherein thou judgest another, thou condemnest thyself, for thou that judgest doest the same things."

And Christ's words in the book of St. John, "....he that is without sin among you, let him cast a stone at her."

5,206 NEEDLES TO THREAD! How would you like to have five thousand, two hundred and six needles to keep threaded? I know how irritated I get when my one machine needle runs out of thread and how utterly exasperating it is to discover that I have been "sewing" with no thread. All of you can have compassion for one of our community's newest residents, the manager of our new factory, Pro-Sox, Inc., Mr. Dale Haynes. Along with being the office manager, personnel manager, bookkeeper, file clerk, maintenance superintendent, shipping clerk, and executive director, Dale is also responsible for keeping those 5,206 needles threaded to keep those machines continuously turning out those Pro-Sox.

Nov. 2, you have the opportunity to meet this fellow who is so capable in all of these capacities and to hear him explain the functioning of the operation. I know you will not want to miss the big RIBBON-CUTTING AND OPEN HOUSE of Pro-Sox, Inc., at 2 p.m. in front of the building at the corner of Main and 7th Streets. This is the culmination of much work and fine cooperation between several agencies in Olton and is visible proof that we can get things to happen if we are willing to put fourth the time and the effort.

So now your couriosity about "that new factory" can be satisfied! Just be on hand Saturday at 2 o'clock for the RIBBON-CUTTING AND OPEN HOUSE.

Cooks Of The Week

Twenty-one students of OHS, enrolled in fourth period "homemaking one," are learning it can be fun as well as wise to know how to cook. As "cooks of the week," they share some of the recipes they've enjoyed most.

Completing their twelfth week of classes, the group is composed of girls and boys in every classification in high school. Carol Seaborn is instructor.

Learning to cook is not the only achievement of the class. The students have studied nutrition and meal planning and have made a trip to a grocery store to learn wise shopping and the cost of feeding a family per week.

Foods prepared by the class thus far have been biscuits, yeast breads, pancakes, tortillas, muffins, pizza, cinnamon rolls, doughnuts and cookies.

They have also studied egg cookery, made puddings and learned to make gravy and white sauce. They have prepared various types of salads and made casseroles.

Future class periods will find the group learning the techniques of pastry and pie fillings. They will also be making brownies.

Recipes selected from the class files are those for yummy caramel quicks, cake-type doughnuts and yeast bread.

2¾ c. sifted flour
¼ c. sugar
¾ t. salt
1 pkg. active dry yeast
¼ c. softened margarine
¾ c. hot water
1 egg

In a large bowl, thoroughly mix 1 c. flour and sugar, salt and undissolved yeast. Add softened margarine.

Gradually add hot water to dry ingredients and beat two minutes at medium speed of electric mixer, scraping bowl occasionally.

For sweet dough, add egg and ½ c. flour, or enough flour to make a thick batter. For bread dough, add 1 c. flour, or enough flour to make a thick batter. Beat at high speed two minutes; scrape bowl occasionally.

Stir in enough additional flour to make a soft dough. Turn out onto a lightly floured board; knead the dough until smooth and elastic, about 8 to 10 minutes.

Cover with plastic wrap, then with a towel; let rest 20 minutes.

Punch down, shape into a loaf. Brush lightly with oil. Cover pan loosely with oiled wax paper, the plastic wrap.

Refrigerate at moderately cold temperature 2 to 48 hours. The shaped dough rises in the refrigerator.

Remove from refrigerator; uncover and let stand 10 minutes. Puncture any huge bubbles carefully. Bake for 35-40 minutes in a 400° oven for bread dough. Bake at 375 for 30-35 minutes for sweet dough.

MRS. DAVID LEE MASON

Mr. Mason, Miss Jordan Exchange Wedding Vows

With an exchange of vows in Hopewell Baptist Church, Sunday, Oct. 20, Miss Debra Jayne Jordan became the bride of David Lee Mason.

Officiating the double ring ceremony was the Rev. Larry Wilson, pastor First Baptist Church of Silverton.

Parents of the couple are Mr. and Mrs. Harold Jordan of the city and Mr. and Mrs. Bill Mason of Edmonson.

Presenting traditional nuptial selections at piano was Harold Dean Carson, who also accompanied Randy Williams, soloist, of Plainview as he sang, "We'll Walk With God" and "The Wedding Prayer."

The altar area of the church was centered with an archway entwined with emerald, jade and leather greenery, accented with lavender and white satin bows, and groupings of wedding bells and white doves. Flanking baskets of white gladioli and lavender asters completed the nuptial setting. Lavender satin bows marked the bridal aisle and honor pews.

At the conclusion of the ceremony the couple observed the first lighting of the memory candle.

Presented in marriage by her father, the bride was attired in a formal length gown of bridal satin and white lace fashioned by the mother of the groom.

The Princess style dress of white lace over satin was fashioned with a self train. Tiny covered buttons traced a line down the front of the gown from the mandarin collar and closed the wrist opening of the long fitted sleeves.

The waist length lace mantilla fell from a satin covered headdress. The bride carried a cascade arrangment of salas greenery, cymbidium orchids, tipped and pearled, with satin leaves and loops of ribbed tubing, atop a white Bible, family heirloom of her late aunt, Elizabeth Blackwell Jefferies.

She wore the traditional blue garter, and carried in her shoe pennies minted in the years of birth of both bride and groom.

Miss Kim Foster, serving as maid of honor, was gowned in orchid. Her formal length dress was styled along Empire lines. She carried a single lavender aster tied with a satin bow and matching streamers.

Little Miss Karri Richardson of Post serving as flower girl wore a floor length gown similar to that of the maid of honor. She carried a flower basket the bride had carried in her late aunt's wedding.

David Reaves of Edmonson served as best man. Guests were seated by Teddy and Alvin Williams both of Plainview. Kerry Noack, son of Mr. and Mrs. Leon Noack, was ring bearer. The groom and his attendants wore western cut, club tuxedoes.

Seated at a small table covered with lace underlaid with orchid, Miss Sydonua Allen of Lubbock registered guests.

Immediately following the ceremony a reception in Fellowship Hall of the church honored the young couple. The bride's table, decorated by Mrs. Sherman Lawson and Mrs. Don Lawson, was laid with a lace cloth over orchid and featured the bride's bouquet mounted on an easel. The traditional three tiered wedding cake was topped with a heart revealing a pair of white doves and wedding rings. Crystal and silver completed the appointments.

Presiding at the table were Misses Leona Cooper of the city, Joretta Harber, Plainview, Beki Schammahorn, Apache, Okla., and Mrs. Debra Abott, Espanola, N.M., sister of the groom.

Following a wedding trip to Ruidoso, N.M., the couple will be at home in Plainview. The bride, who is a student in Olton High School, will continue her studies in Plainview High School.

Mason, a spring graduate of Plainview High School is presently employed at Quarterway Gin, Plainview.

A rehearsal dinner, hosted Saturday evening at a Plainview restaurant, was hosted by Mr. and Mrs. Mason, parents of the groom.

Out of town guests included Mrs. C.I. Barlow, Kelly Joe Wheatly, Jaton Schellar, Christy Barlow, Mr. and Mrs. Earl Jordan, Mark, Sheila and Royce, all of Earth; Mrs. Mardema Ogletree, Mr. and Mrs. Wayne Allen, Michael Christi, all of Lubbock; and Mr. and Mrs. Marvin Williams, Cindy McCamish, David, Connie and Christi Williams, Mr. and Mrs. Ronnie Fields, Joe Smith, Mr. and Mrs. Rodney Watson, and Pauli Hernandez all of Plainview.

From Oklahoma, Mr. and Mrs. Kerry Mitchell, and Freddy Ikard all of Cyril; Mr. and Mrs. Bill Huddleston and Patti and Helen Campbell all of Purcell; Mr. and Mrs. James Woodard Jr. and James III, and Mr. and Mrs. Wymon Blackwell all of Oklahoma City; Becky and Cindy Scammahorn, Mike Scammahorn, and Mr. and Mrs. Roy Scammahorn all of Apache; Mr. and Mrs. Richard Ogle of Fletcher and Mr. and Mrs. H.L. Lumpkin.

You know, the worse inflation gets the more we need somebody like Briscoe. He's created a lot of good jobs and he knows how to get things started.

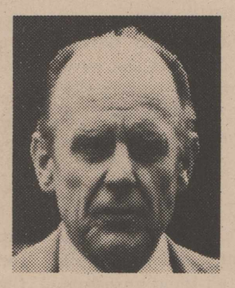

In times like these when the economy is so shaky, I'm going to stay with Governor Briscoe.

It's quite refreshing for me to know that we have a man like Dolph Briscoe ... a man who puts integrity before all things....

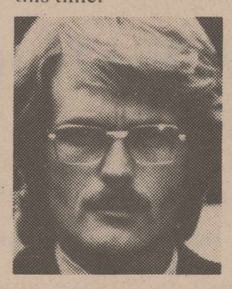

Dolph Briscoe's proved he has the contacts and the know how to bring new business to the State of Texas. We can't afford to lose him at a critical time like this.

We need new jobs and more income in this state and Governor Briscoe is helping us get them.

Briscoe's kept pace without adding new taxes—I voted Republican in 1972, but I'm voting for Briscoe this time.

They all promised no new taxes; Dolph Briscoe kept his promise.

I think Dolph Briscoe is a Governor you can believe in. I'm looking forward to voting for him in November.

Mustangs Scalp Chieftains

Fans were thrilled and some upset after the Mustangs held out Friona 6-0. Defense was the game's thriller, especially when Olton was on that side. After a fumbled kick, the Mustangs drove out of the hole and then fumbled. The Chieftains got the ball and drove to the one yard line and there the Olton Defense held the Chieftains and the Mustangs got the ball again.

Glen Johnson had a super night as he gained 119 yards for the night and broke 1,000 yards for the season. He got Olton's lone score on a one yard plunge with 6:32 to go in the half.

Now let's go back to defense. The Mustangs held Friona to just 114 total yards and have averaged holding opponents to 99 yards a game. The defense was led by Greg Gregory, Clarence Johnson, Leslie Gary, and Glen Johnson. Scott Roberson and Freddy Stockdale both had an interception to add to Olton's total of 14, twelve of them by the secondary. Joe Alcorta had a brillant night both offensively and defensively as he held Friona runners the times at the goal line.

"Too Tall" Gregory came up with a fantastic play and a dream of every defensive lineman, when he blocked a Clay Bandy pass that killed the Chieftain drive.

The Mustangs are now 2-0 in district play and are open this week. The Chieftains are 0-1 in district play and face the Littlefield Wildcats who are 1-1 in district play. The Mustangs season schedule is Littlefield at Olton, then Olton at Dimmitt. The Ponies are now 7-1 on the year with title hopes in the next three weeks.

Congratulations Glen on breaking 1,000 yards. Keep it up!!! Also Congratulations to the whole M U S T A N G T E A M!!!

DEFENSIVE GOAL L[illegible] Stands by the Mustangs put the Chieftains on the losing side 6-0.

A Look At District 3-AA

By Bill Ellis

Defense was the name of the game in District 3-AA last Friday, as the four district teams that saw action scored only eight points between them.

Olton welcomed Friona to league warfare by dropping the Chieftains, 6-0 before the Chiefs' home fans, and another visitor, Littlefield, took advantage for a freak play for a 2-0 win over Morton's Indians.

The Friona-Olton game was everything it was cracked up to be, pitting the team which had allowed the least yards (Olton--under 100 per game) against the team which had allowed the fewest points (Friona, 21).

When the dust had cleared, Olton had taken advantage of its big break, while holding Friona on downs on two occasions within the 10-yard line.

It was the first season loss for Friona after six wins, and shot Olton into the district leadership with a 2-0 record.

"Friona's defense definitely has not been over-rated," stated Olton coach Ed Miller. "It was one of the hardest-hitting games I've ever witnessed," he added.

Miller said he felt that his team's ability to control the ball made the difference. Tailback Glen Johnson made some key runs in the fourth quarter to help the Mustangs eat up the clock when they needed to.

But Miller was also complimentary of the Chieftains off the field. "They were a fine bunch of gentlemen. I don't know if we could have accepted defeat in the manner they did," he said.

Olton has the week off, and Miller indicated it would come in handy, since most of his players were "pretty sore" after the physical game.

Littlefield, for the second time this year, scored a win without the benefit of a touchdown, and their 2-0 win over Morton must be classified as one of the wildest endings imaginable.

The Wildcats had driven to the Morton six, where they elected to try a field goal late in the game. The goal missed, and Morton took over on the 20.

Tailback Ray Dean Thomspon faded to pass, and was hit by Doug McCain at about the time he started to deliver the ball. Morton recovered the ball in the end zone, but officials ruled a safety, and that was the ball game. Only two seconds were on the clock when the weird play came about.

Olton's Johnson cracked the 1,000-yard mark with his 119 yards gained against Friona. Littlefield's Turner seems a cinch to make that plateau, as he goes into this week's game with 987 yards. Robert Mayberry, idle last week, has 858 yards with three games left.
