\$2,345,000 CONSTRUCTION

March Contract For Freeway Job

First Baptist Church will begin construction within next 10 days on a new brick education building.

Contract for the construction has been awarded to V. E. Stone, local building contractor.

Cost of the 2-story unit will be approximately \$100,000 exclusive of furnishings.

Work already is under way for raising a frame structure on the north side of the church, site of the new education unit.

Announcement of the contract award and impending construction came this week from First Baptist Church officials.

Signing of the contract culminates more than a year of study and preparation for the building program. Fund raising project in advance of the

construction has been progressing upward for months.

The new building will be 40 by 100 feet with modern facilities on both floors.

The brick and stone exterior will match the main church building at the corner of Chestnut and E. Third St.

In addition to educational facilities, the unit will include a new church library, church parlor, kitchenette, restrooms and elevator.

The elevator will serve, not only the educational areas, but also the auditorium, especially for funerals.

The educational building will be completely air-conditioned — refrigerated cooling and central heating.

Educational facilities will include classrooms, assembly rooms and other adjoining features.

MAYOR DECLARES City Growth Tied To Bond Ballots

Mayor Bob Robinson Thursday tied the city's \$435,000 water and street improvements bond election to the community's business and industrial growth.

"We have the good people, the location and the water," the mayor declared at the Kiwanis luncheon in Civic House, "but we can't exploit the third water—unless we can bring the water into town."

Robinson and City Manager Earl Keaton were special guests of Kiwanians—invited to explain the bond proposals to the club.

The 2-part bond proposal — \$385,000 for waterworks and distribution improvements, plus \$50,000 more for 100 blocks of street resurfacing and the city's part for a voluntary new paving program — will come to a vote Feb. 18.

Robinson pointed out the fact that lack of intake lines, plant facilities and distribution lines seriously handicap the city now in providing water adequately for residences and businesses at peak usage periods.

Infact, the handicap is so serious that the city is barely able to treat and transport enough water for domestic purposes.

And not enough for domestic purposes and a fire or similar emergency, Robinson pointed out.

At the same time, the city faces a crossroads in development and progress, he said.

"We must create a desire and climate for more industry," the mayor emphasized.

Attend Banquet

A local delegation was in Big Spring Thursday evening for that city's annual Chamber of Commerce banquet.

In the group were Mr. and Mrs. Paul B. Hunter, Mr. and Mrs. Bob Carver, Dr. John Chinn, Dr. Dave Bridgford and Jeff Taylor.

\$100,000 EDUCATION BUILDING

Contract Awarded for Baptist Church Unit

Contract for the first phase of a new 4-million dollar Colorado City freeway construction program is expected to be next month in Austin.

That was the report Thursday from Joe Smoot, Texas Highway Department resident engineer.

All preparation here for the new construction the Interstate 30 freeway link north around Colorado City has been completed by engineers.

We hope for the contract to be awarded in March, Smoot said. And that would mean contractor and his crews moving into the job in April.

The initial contract will be for grading and structures for the 1.5 mile long, 1.5 mile from the end of the present west freeway to the end of the east freeway. At the end of the east freeway, the highway will be widened to 12 lanes.

Chairman's Role To Rep. Carriker

State Rep. Max D. Carriker, the Roby legislator who represents the 3-county area of Mitchell, Fisher and Nolan, has been named chairman of the House Committee on Judicial Districts.

The appointment was made by Speaker of the House James A. Turman for the 56th Texas Legislature now in session.

Carriker also was appointed vice chairman of the House Committee on Agriculture and a member of 3 other major committees.

He will serve as a member of the Education Committee, Penitentiaries Committee, Revenue and Taxation Committee.

"Rep. Carriker will occupy a position of responsibility and leadership during this session," Speaker Turman told The Colorado City Record.

"As chairman of one of the most important committees in the House of Representatives and as a member of several other committees, Carriker will carry a heavy burden of work and will exert a vital influence on legislative policy."

"I know he will conduct himself in a manner that will reflect credit on himself and will benefit the people of Texas," the speaker added.

The Mitchell-Fisher-Nolan representative now is serving his second term in the legislature.

VFW MEETING

Special meeting of Veterans of Foreign Wars is scheduled for Monday evening at 7:30 in the post hall, according to Don DeLaney.

In addition to a special business session, there will be a guest speaker.

Kendall Employed For Chamber Post

Big Spring Assistant Appointed Manager

DICK KENDALL, looks to Colorado City.

Dick Kendall, who has served as assistant Chamber of Commerce manager in San Angelo and now is No. 2 professional executive on the Big Spring Chamber's staff, will manage the Colorado City Chamber of Commerce.

Appointment of the personable 25-year-old career Chamber of Commerce executive to the Colorado City position was announced Thursday by Dr. Seth Cowan, Chamber president.

Kendall will officially begin his duties here in 2 weeks, Feb. 16—filling the vacancy created by the recent departure of Rex Felker, who had served as manager for 18 months.

Chamber of Commerce board of directors unanimously approved the appointment of Kendall to the \$6,300 position after he had been recommended by a Chamber screening committee.

The screening committee, headed by Dr. Cowan, considered more than a score of applications and interviewed 4 candidates in the final analysis before recommending Kendall.

Members of the screening committee in their recommendations to the board of directors reported that the new manager had outstanding potential, a thorough background in professional Chamber of Commerce work, plus outstanding recommendations from civic leaders in Big Spring and San Angelo.

Kendall, married and the father of a 15-month old daughter, is a graduate of Baylor University, Waco, and has completed a 2-year course at the U. S. Chamber of Commerce Institute.

From March 1957 to June 1958 he was director of publicity and research for San Angelo Chamber of Commerce. He has been assistant to Bill Quimby, Big Spring Chamber of Commerce manager, for the last 5 months, since completing 2 years of Air Force duty.

During his tenure as executive assistant in Big Spring, Kendall has compiled this capable, energetic record:

(1) Prepared case for improved air line service presented for Big Spring before Civil Aeronautics Board in Dallas; (2) organized Chamber of Commerce membership drive resulting in \$3,000 in additional dues; (3) coordinated promotion of Howard County road bond election which was approved by a 3 to 1 majority.

(4) Planned Business Education Day program involving 75 business firms and 300 teachers; (5) Published bi-weekly membership bulletin for the Chamber; (6) arranged for All-Texas Tour overnight visit and party; (7) instrumental in revitalizing U.S. 80-Interstate 20 Highway Association; (8) assisted in major planning and arrangements for annual Chamber banquet.

In addition, Kendall assisted the Big Spring manager in promotion of the city's recent \$1,300,000 bond election which was approved by 3 to 1 vote majority, securing of 2 Texas Intercollegiate League football championship playoff games, setting up of action courts in practical politics for business men, preparing for military affairs committee event administering of Howard County United Food, welcoming and registering for convention.

While director of publicity and research for San Angelo Chamber of Commerce, Kendall compiled information for a community industrial survey valued at \$5,000 and produced a complete self-supporting information booklet "Inside San Angelo."

He has been working closely with the city's industrial development committee, and has been instrumental in securing of a \$50,000 loan for the city's industrial development fund.

RUNNING START FOR MANAGER

Dick Kendall, who reports here Feb. 16 as Chamber of Commerce manager, is quick to tackle a job.

From his official hiring Monday night, he hurried to a dinner meeting with Chamber officials. An hour later he was in a conference for C-City industrial publicity, followed by a post-midnight parley with Chamber President Seth Cowan.

Next night he was back for an Industrial Team Inc. meeting all while still working full-time executive assistant at the Big Spring Chamber of Commerce.

FOR JAYCEE TRI-REGIONAL

Large Delegation to Back Convention Bid

Jaycees will move into Odessa this weekend for a campaign to win the 1961 tri-regional Junior Chamber of Commerce convention.

Heading the Colorado City delegation will be Wayne Worley, chairman of the local Jaycees' convention committee, and Don Benson, president.

They will place their bid for the annual convention at the Jaycee Winter Tri-Regional Sunday.

However, their campaign for the event—scheduled next summer—will begin Saturday and continue through business sessions Sunday.

The tri-regional convention, if obtained by the local Jaycees, would bring approximately 300 Jaycees to Colorado City from 34 towns in Regions 4, 5 and 6.

Area of the huge tri-regional literature concerning Civic House.

The local Jaycees will set up their "Avoid Convention Tension—Vote C-City" headquarters in a suite in the Hotel Lincoln.

They will display large banners, color pictures and decorations in the hotel lobby. This will be part of the campaign to win the convention from other bidding cities which will include Brownwood, Mansfield and Fredericksburg.

Last time Colorado City was host for a regional convention was in 1936.

Five couples representing the local Junior Chamber were in Merkel Friday night the eve of their convention departure for the charter.

Banquet Ballroom Area

Plans in the northeast corner of the new City Hall building show the banquet ballroom area which will be 40 by 100 feet and can be enlarged even more by movable walls separating it from the TV party room.

Also, Mrs. Moore, Mrs. Egger, Mrs. Hooks and Mrs. Jean Camp.

Next meeting will be conducted March 1 in the home of Mrs. Egger.

Nuptial music was presented by Mrs. Elliott, soloist, and Miss Gloria Zander, organist. Mrs. John D. Murray, English professor at Baylor University, read a sonnet by Elizabeth Barrett Browning, "How Do I Love Thee," during the ceremony.

Given in marriage by her father, the bride wore a gown of white chantilly lace and net over satin. Her tiered net skirt ended in a brush train. The sabrina neckline of the bodice was trimmed with iridescent sequins. Her waist-length veil fell from a cap trimmed with seed pearls and she carried a cascade of white camellias with three gardenias in the center.

Maid of honor was Miss Margaret Meaders, a classmate at Texas Christian University in Ft. Worth. Bridesmaids were Miss Brenda Hill, a Baylor classmate and Miss Mary Sue Reichart of Valley Mills, sister of the bride.

Bridal attendants wore deep lavender satin street-length dresses with bell skirts and matching shoes. Circular veils complimented their lavender flower headpieces. They carried bouquets of white camellias.

Kathy Ratliff of Colorado City was flower girl. She wore a lavender dress a shade darker than that of the bridesmaids and maid of honor. She wore a white beret accented with white flowers and carried a white basket filled with carnation leaves. Her corsage was of white carnations. Mike Ratliff was ring bearer.

For her daughters wedding, Mrs. Pickens wore a sky-blue dress with darker blue and pink stripes. She wore a blue cap-type hat with attached veil and black accessories.

Serving the groom as best man was William Geltemeyer of Waco. Ralph Cane of the University of Texas in Austin and Steve Pickens of Valley Mills, brother of the bride were groomsmen. Ushers were Gordon Arnold of Clifton, Rickey Lundberg and Joe Crawford of Valley Mills. Candlelighters were Rusty Pickens and Betty Lou Reichart of Valley Mills.

Immediately following the wedding, a reception was conducted in the home of Mr. and Mrs. Sanford Poole.

The serving table was laid with a white outwork tablecloth. A three-tiered wedding cake on gold plate and decorated with small orchids was placed on one end of the table. At the other end of the table was the punch bowl filled with orange punch. A golden color arrangement of fruit centered the table and appointments were in crystal and sterling.

All members of the houseparty except Mrs. Ratliff and Mrs. Lucille Baer of Austin who wore corsages of bronze and gold camellias; wore white camellia corsages. Other houseparty members included Miss Sherry Martin, Miss Jackie Denton, Miss Carolyn Denton all of Valley Mills, and Mrs. Roland Anderson of Denton.

After a short honeymoon trip to Stage Coach Inn in Salado, the couple is residing at 3723 Cole St. in Dallas where Reichart is employed by Melton Book Company and she will continue work toward her degree at Texas Christian University in Ft. Worth. The groom is attending night classes at Arlington

AT LORAIN SCHOOL

Dean Walter Adams Speaks to T. S. T. A.

Dean Walter Adams from Abilene Christian College was guest speaker at the meeting of the Mitchell County Texas State Teacher's Association in the Loraine School cafeteria last Monday.

Dean Adams presented a talk on "The Teacher and The Community." He stated that A. C. C. gave a scroll to the best classroom teacher. He then listed the qualifications of the teacher for this award. He thought the same could be applied to the public school teacher because they too had a responsibility to the people they served and should be the best teacher possible.

Dean Adams said that some things to remember were to commend whenever possible; life away from school is just

as important as in school; our students are our best press agents; and teachers must take an active part in the community.

Buck S. Hughes, Loraine band director, introduced the Freshmenettes, Dora Griffin, Alternates, are Supt. Herman Parsons, Miss Faye Edwards, Vance Dickenson and Ralph Bryan.

Nominating committee for next year's officers are Supt. Cushing, Miss Edith Wilkerson and Brooks Teague.

It was voted that the unit will support Stillwell Foundation, fund for retired teachers.

A chicken plate dinner was served to 68 members and 10 guests.

Loraine had the larger percentage of members present and Mrs. Gerald Gordon drew the name of Miss Carolyn Jones, who received the door prize.

Next meeting was scheduled for next spring at Westbrook School.

Glenda Richard and Teena White, who sang two songs. They were accompanied by Golda Carv, Joretta Hall entertained with two accordion solos.

F. M. Findley, president.

Tech Cagers Host Baylor At Lubbock

Baylor University's always-dangerous Bears invade the Lubbock coliseum to play Texas Tech here Saturday night.

Baylor, not considered a title contender, nevertheless, is rated a team capable of upsetting championship hopes. In their last game before mid-term, the Bears came within one point of knocking off front-running University of Texas.

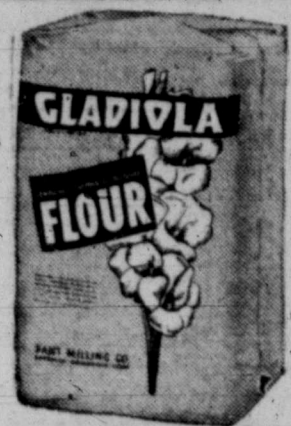

Keeping alive pennant hopes is just one of the motives. Polk Robinson's Raiders will have Baylor last year became the only Southwest Conference team ever to defeat Texas Tech in three games in one season. Besides winning from the Raiders in the pre-season tournament, the Bears won both conference games played in Waco and Lubbock.

Like the Bears' Bill Henderson's Bears against West Texas on their roster. A week from now, Baylor will be in Lubbock to play the Bears.

In the preliminary at 8 p.m., the Texas Tech Raiders will play the Texas Tech Bears.

Snyder Deals Wolves 4th District Defeat

By JERRY MCKAY
Record Staff Writer

Snyder's Tigers dealt the Wolves their fourth conference loss here Tuesday night by a score of 66-52.

Snyder took an early lead in a sudden burst. The Wolves,

who made only one field goal in the first quarter, hit their free throws well. Snyder obliged with a lot of fouls.

In fact, the Wolves didn't make a field goal until less than a minute was left in the opening period.

During the first quarter at one time, Snyder was ahead by 10 points. The main factor in C-City's scoring was 10 out of 13 throws.

The quarter ended with Snyder ahead 17-12.

The second quarter started with another Snyder spurt. The rebounding efforts of Jon Moore, plus his offensive scoring; Buddy Compton's accuracy and Steve Hillhouse's steady free throws fizzled this spurt through to pull the Wolves within 5 points of the Tigers 25-20.

Snyder picked up a point here and there to up their lead to 30-23. Three more Tiger free throws brought the halftime score to 33-23.

The Tigers opened the third quarter with their usual spurt. This one fizzled out with Buddy Compton at the helm. Jon Moore added his ability to this for a 2 point gain on Snyder's lead. The score then stood at 36-28 in Snyder's favor.

Snyder connected for a couple and Steve Hillhouse and Buddy Compton poured in a few for a 38-32 score after the first four minutes of the third quarter slipped by.

The hungry Wolves gnawed at the Snyder lead steadily until Compton fouled out. This proved to be the turning point in the Wolves' offensive game.

Snyder led by a score of 50-38 at the end of quarter number 3.

Snyder scored 16 more points in the last quarter to 66 for the Wolves.

Steve Hillhouse was high for the Wolves with 15 points. Charles Gladson led Snyder with 18.

The next home game will be with Lakeview on the 10th. C-CITY FG FT TP Hillhouse 2 11 15 Compton 4 5 13 Moore 3 4 10 Loveless 0 1 1 Andrews 3 3 9 Lyon 0 2 2 Newell 0 2 2

Wallace Romps to Playoff Position

The Wallace Wildcats clinched a play-off birth against Sweetwater by trouncing Slaton in Slaton Tuesday night. The scores were C-City 64 and Slaton 39.

It took the Wallace Wildcats 14 minutes to get heated up, but when they finally got hot they burned the nets throughout the game, including Tee Lee's (David Miles) last second shot from the middle line at the end of the first half.

The cold Wildcats made three points in the first eight minutes and Slaton held the lead until Wallace tied the score 23-23 with only two minutes left in the half. Wallace, however, made 25 points in the second quarter to lead 28-23 at the half.

Wallace continued to pour it on the hapless and helpless team of Slaton throughout the last half.

Three Wallace Wildcats hit in double figures. They were Curtis Scott 19, David Miles 14, and Tony Jones 11. B. Sykes had 16 for the losers.

Wallace plays Sweetwater here at the Colorado High School gym tonight (Thursday). Wallace goes to Sweetwater Friday. These games will be played on "2 out of 3" basis to determine who will go to Prairie View for State finals.

A third game will be played Saturday, if necessary.

The Wallace girl team forwards Dorothy Johnson, Lorene Johnson, and Sue Taylor

popped the nets making 16 points Tuesday night. That, however, was enough to beat a Slaton team who only made 7 points. The girl's game was played 5 running minute quarters because of the late start of the game. Bernie Marshall, Carolyn Williams, and Alma Lewey were the Wallace guards.

Big Spring, behind the accurate shooting of J. Wright and L. Brown, knocked Wallace from the ranks of the undefeated in district play Friday night in Big Spring. The score was Big Spring 63 and Wallace 54.

The Lakeview Tigers (Big Spring) trailed 2-8 in the first few minutes of play, but came up to only two points behind in the first quarter, 18-16. Wallace couldn't find the range in the second period, making only eight points. Lakeview made 11 for a 27-26 half-time lead. The teams played on about equal terms in the third period as the period ended in a 39-39 tie. J.

Wright, hook shot artist for the Tigers, popped the nets for 10 points along with set long shots by L. Ransom, and E. Wright and the constant stealing of L. Brown took the lead which they never relinquished.

Henry Burton, Wallace's defensive king, proved he is also an offensive man by making 18 points for the Wildcats. Other Wallace point-makers were D. Miles (13), P. Jones (12), A. Biggers (5), and C. Scott (4).

Editorially Speaking

Our Women Have A Right To Yell

Money — tax money, that is, and the lack of funds — poses the recurring number one problem for the present session of the Texas Legislature in Austin. And legislation is upcoming for worthwhile programs that will involve spending millions of dollars more.

Unique among Texas citizens seeking the passage of legislation this term are members of the Business and Professional Women's clubs and the men and women working with them for the passage of an Equal Legal Rights Amendment to the Texas Constitution.

They ask no tax spending. They seek the passage of an amendment which will not cost taxpayers one penny. In fact their proposal probably would save money for taxpayers generally and many citizens individually.

By eliminating unjust laws which discriminate against women and result in court costs — the Equal Legal Rights Amendment would reduce public expense.

Often in the operation of these now outdated laws, men and women both

suffer momentary losses, because of their antedated thinking and performance. This has been pointed out ably by Mrs. Hermine Tobolowsky, Dallas lawyer, who serves as the federation's chairman of legislative steering committee. In addition to this problem, she emphasized, married women are forced to pay attorney's fees and court costs in order to do with their own property what anyone else in the State of Texas can do as a matter of course.

Women, sometimes we are hesitant to admit it, are practical. They are proving it by their crusade to pass the constitutional amendment which will not penalize taxpayers but will mean money in the pockets of Texas men and women.

But much more than the money angle is the fact that the proposed amendment to the Texas Constitution would assure justice for all. And that's long overdue for who still have no rights in many instances under Texas law.

Pollution Can Come Too Easy

A little carelessness can cause extensive damage, warns H. D. Dodgen, executive secretary of the Game and Fish Commission. This was the case recently near Austin when insecticides were washed into a storm sewer which in turn poured these deadly chemicals into the Colorado River.

A few days before the damage, an Austin firm washed down some pallets on which insecticides had been carried. The chemicals flowed through a storm sewer and into the Colorado River. It wasn't long until hundreds of edible fish began surfacing. As the river current carried the liquid death downstream, more fish fell victim to the chemicals.

At last report, literally tons of fish had been "destroyed." The destruction was carried into Bastrop County, and

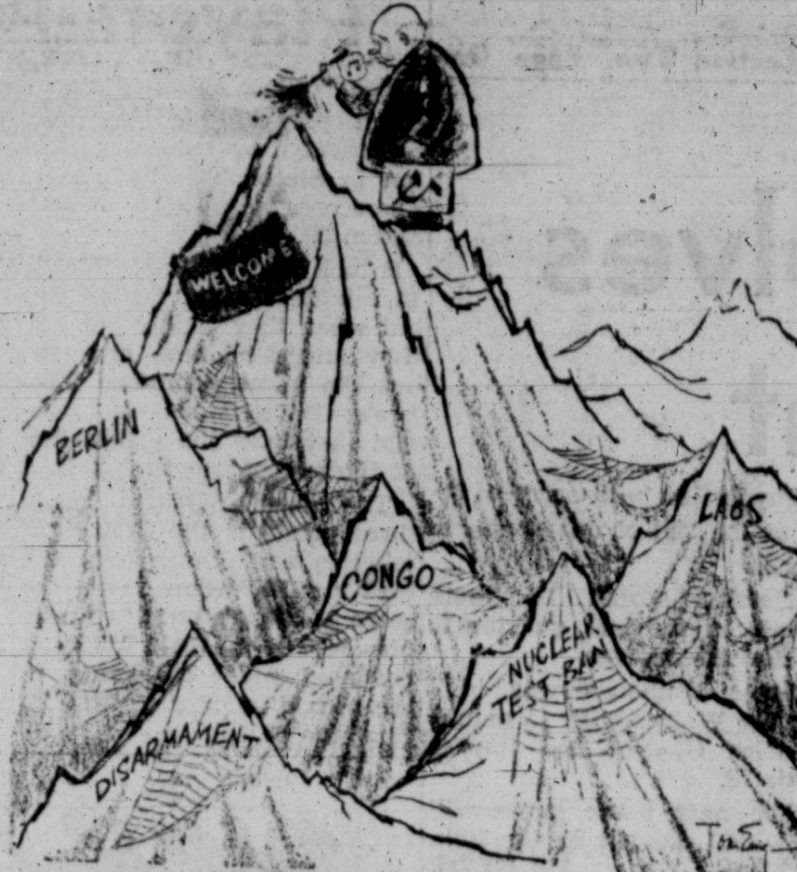

then into Fayette County, and on past La Grange.

In all, it has traveled over 100 stream miles, spreading death to the fish along the way. For the first few miles the chemicals produced nearly a complete kill of all fish in the river.

"Pollution is a serious problem in the state," said Dodgen, and most of it is caused by neglect and the lack of interest in keeping our lakes and streams clean and healthy for all forms of game and fish.

Many times if a person would give just a little foresight to the possible results of an action, there would be less contamination of these lakes and streams. So, let's all think twice before washing any type of chemicals into drains, attempting unusual drainage or waste elimination. It will help in the progress against pollution.

SHINNERY PHILOSOPHER

Here's a Sitdown — On Principles

Editor's note: The Shinnery Philosopher on his Johnson grass farm stands up for his principles this week, which is hard to do from a sitting position.

Dear editor: A town friend of mine I hadn't seen in a long time dropped by to see me one here the other day and he got to looking the place over and finally he said, "Why don't you modernize things around here a little? This is 1961 we're living in, not 1932."

Well, I know what year it is, I've got a calendar, that's one of the splendid things a

bout democracy, one man's calendar is just as good as another's and the man with 500 is no better off than the man with only one, but I didn't say anything. Just sort of laughed apologetically as though maybe I would, although the truth is this place suits me like it is.

Well, maybe not exactly like it is, but the amount of work it'd take to make it more modern isn't worth the difference.

Moreover, what's modern is something that's hard to put your finger on. At the very moment you buy a new model, branded 1961 and made only two hours ago, engineers are off in a corner somewhere scheming up a newer model to replace the one you just bought.

Sometimes it seems to me there's no use in getting something new, there'll be something newer out tomorrow.

For example, take refrigerators. I've always contended that a refrigerator, when it manages to maintain a temperature of around 36 degrees, has reached its full purpose, and anything below that is ridiculous. Refrigerators have been doing this for years, maintaining the right temperature 24 hours a day, but they're still bringing out new models.

I've got me a refrigerator out here on this Johnson grass farm, but if I bought a new one, it'd be out of date 12 months from now, and if you're going to be out of date 12 months, you might as well be out of date 15 or 20 years. An ex-convict is an ex-convict, whether he served one year or twenty-five. My notion is that the time to buy a refrigerator is when you haven't got one or the one you've got plays out.

Some people say this theory is bad for business, that it'd stand in the way of progress and mass production. This is because they don't have enough confidence in business. Business, as I see it, will always manage to sell the consumer a little more than he can pay for, regardless of what bracket he's in. If I ever met through paying for my 1939 tractor, I'm going to buy me a new one.

Yours faithfully,

J. A.

BIBLE COMMENT

Attendance Proves Loyalty to Church

Church attendance is a prime essential of whole some church life and of the church's effectiveness as a Christian institution.

The fact that some churches are crowded with large congregations, and that most churches are filled, and often overflowed at Christmas and Easter, by many who seldom go to church at other times, tends to obscure much of the actual situation in non-churchgoing.

By and large, regular attendance in most churches is small, often very small, in relation to the number of people who are members.

READY TO FACE PROBLEM

Are Voters Ahead of State's Legislators in Tax Program?

By VERN SANFORD

Texas Press Association A proposal that would take the monkey off the backs of the legislators who campaigned on a no-sales-tax, no-income-tax platform has been made by one of the State Capitol correspondents.

It is the feeling of many persons in Austin as well as over the state that the public is ready for a definite, long-time tax program, whether it be a sales tax, an income tax or the Governor's proposed payroll tax.

They are convinced that the state has to take some drastic financing steps. And they are ready to foot the bill. Many legislators realize this fact.

Trouble is that a roodly number of them campaigned on a no-sales-tax, no-income-tax; that their resentment to such felt at the time that there was a popular campaign theme; that the public did not want either type of tax; that their resentment to either would be bitter.

It is the opinion of a number of the legislators that the people are far ahead of the lawmakers in this type of thinking; that they understand the problem better than the legislators realize; and that they are willing to face the facts.

But the legislators are whole are hesitant. They are not sure the people are ready. They are fearful that they will get all the blame.

Richard Morehead of the Austin bureau of the Dallas News suggests that legislators feel the public pulse by ordering a referendum on the April 4 ballot. Voters will be going to the polls anyway to vote for a new U. S. Senator.

Morehead's proposed referendum would point out the state's need for at least \$100,000,000 a year in new revenue. Each voter would be asked to check which of the three tax proposals he referred to: a payroll tax to be paid equally by employer and employee, a general sales tax, or an income tax.

Such a referendum would give the voters a voice in the tax program... an opportunity to express their own preference in the matter. And at the same time it would lift the problem off the shoulders of the legislators.

As Morehead points out, there are other ways to raise money but informed people generally agree that some variation or combination of the three methods outlined herein is going to be passed by the legislature. And by April 4 the voters will have heard many sides of all proposals.

TAX PLANS — Lawmakers have proposed numerous methods for raising additional tax money.

Ren. W. W. Glass of Jacksonville suggests a constitutional amendment authorizing a one per cent levy on the gross income of all businesses. He estimated it would bring in \$100,000,000 a year.

A 10 per cent tax on the gross receipts of trading stamp firms was suggested by Ren. Henry A. Fletcher of Luling.

A graduated levy on gross income at the wholesale level and on income from personal services — for an estimated \$300,000,000 yearly — was put forward by Ren. Lloyd Guffey of El Campo.

Rep. Marshall O. Bell of San Antonio took the opposite approach by proposing a constitutional amendment that would prohibit either a state income or payroll tax.

Raciest suggestion came from Rep. V. E. (Red) Berry of San Antonio who, as he promised in his campaign, introduced a bill to legalize horse racing and parimutuel betting and to levy a tax on the track proceeds.

As bills dropped into the hopper, State Treasurer Jesse James announced that the general revenue fund deficit has risen to \$95,381,122.

SAVINGS SOUGHT — Legislature is also considering proposals aimed at cutting expenses.

Texas Research League, reporting on a study made at the request of the Legislature, made 19 recommendations for reducing the cost of collecting taxes.

Rep. Dick Cory of Victoria has proposed a bill that would set up a commission to study the agencies of state government with a view to eliminating duplication and bringing about maximum economy and efficiency. It has been dubbed

WASHINGTON REPORT

World Agriculture At All-Time High

By JOHN C. WHITE

Agriculture Commissioner An all-time record in world output of farm products for the year ending June 30, 1961 has been predicted by the U. S. Department of Agriculture.

World-wide production is forecast at 42 per cent above the 1935-39 level and two per cent above the previous record established last year, with all major regions of the world except Eastern Europe showing an increase.

At the same time, population also has continued to increase by leaps and bounds, and this has cancelled out a large part of the gain in production. Per capita agricultural production for 1960-61, even though as large as last year and only slightly below the record 1958-59 level, is only six per cent above the pre-war average of 1935-39.

This report indicates that the volume of U. S. agricultural output is about equal to Mainland China's and almost 60 per cent larger than that of the Soviet Union. These countries are the largest agricultural producers, accounting for about 40 per cent of the world's output of farm products. On a per capita basis, however, production in the U. S. is about twice the Soviet Union's and about four times that of

Mainland China.

Increases in commodity production this year are predicted for wheat, rice, corn, barley, sugar, tobacco, cotton, soybeans, peanuts, flaxseed, cottonseed, castor beans, beans, citrus, and tea.

Livestock production is expected to continue its upward trend. Cattle, hog, and sheep slaughterings are likely to be larger in 1961 than in 1960. The same goes for milk production, also for poultry and eggs.

Heavy stocks on hand at the beginning of 1960 will add materially to the 1960-61 world supplies available for consumption. Even with an expected up trend in trade volume, world stocks of such important commodities as wheat, feed grains, and coffee will probably be larger at the end of this season than at the beginning.

However, the bulk of these stocks is largely concentrated in a few countries, and a number of other countries continue to be in a deficit position.

While substantial per capita increases in production are foreseen for the United States, Western Europe, Western Asia, Africa, Australia, and New Zealand, decreases are indicated in Latin America, the Communist Bloc countries, and the Far East.

Committees Appointed For Sweetheart Dinner

By MRS. ALTIS CLEMMER
Record Correspondent

WESTBROOK—A group of women met in the home of Mrs. W. A. Bell Friday morning to make plans for the Sweetheart Banquet to be held in the Westbrook Baptist Church Fellowship Hall Monday evening Feb. 21 at 7 o'clock.

Mrs. W. A. Bell, W. M. U. president, is serving as general chairman.

Committee appointed for the annual event are:

Invitations — Mrs. Kenneth Andrews, Mrs. James Jarrett, Mrs. Rex McKenney.

Program — Mrs. Herman Parsons, Mrs. Charles Ranne and Mrs. Bell.

Decorations — Mrs. W. E. Smith Jr., Mrs. Troy Lankford, Mrs. H. J. Sullivan, Mrs. Sidney Jones, Mrs. N. J. McMahon.

Food — Mrs. Altis Clemmer, Mrs. E. Lewis, Mrs. Otto Conaway, Mrs. E. C. Whitehead, Mrs. Ralph Bryant.

The banquet will be sponsored by the church.

The Woman's Society of

Christian Service of the Methodist Church will begin the new home mission study "Heritage and Horizons" Tuesday evening in the sanctuary.

Mrs. Price Hendrix will lead the group in the study.

Everyone is urged to attend this series of lessons.

The Builders Class of the Methodist Church will reschedule their business and social meeting for the month due to the recent inclement weather.

Mrs. J. W. Hawkins will be hostess, assisted by Mrs. Frank Oglesby.

Mrs. Altis Clemmer and Mrs. Sidney Jones were business visitors in Big Spring Friday.

Basic Beliefs Are Study for WSCS

By MRS. ROY WELLS
Record Correspondent

LORAIN — The W.S.C.S. of the First Methodist Church met Monday at 3 p. m. in the church to continue the study, "Basic Christian Beliefs."

The meeting opened by singing "What a Friend" led by Mrs. Muriel Abbott, accompanied by Mrs. K. L. Taylor.

Mrs. Abbott led the devotional study from Philippians. The chapter under discussion was "Our Belief in Christ."

Those contributing papers were Mrs. Harold Martin, Mrs. Wiley Walker, the pastor, Rev. Muriel Abbott, who summed up the chapter by saying Jesus was called Christ not because of what the believers hoped for, but what they actually found in Him.

Those present were Rev. Abbott and Mrs. Abbott, Mrs. Wiley Walker, K. L. Taylor, Harold Martin, Percy Bond, and Roy Wells.

Mr. and Mrs. Charles Gilliland from Mancos, Colo., visited in the Jack Walker home last week.

The Willing Workers Class of First Methodist church had its regular meeting Thursday night in the home of Mrs. Jimmie Boone with Mrs. Bruce Johnson as co-hostess.

Mrs. Drew Givens led the devotional study — "Today and Tomorrow."

"She also read a poem 'My Guide'."

Mrs. Doris Martin presided in the absence of the president. Various committees gave reports and subjects of interest were discussed.

Refreshments of apple pie topped with ice cream, coffee and hot chocolate were served to Mrs. W. H. Jeans, Floyd Coffey, Plev Beaty, Lily Bennett, Drek Givens, K. L. Taylor, Ralph Lankford, Doris Martin and the hostess.

Bull By The Tail

It isn't that they have anything against taking the bull by the horns down Mexico way. It just isn't sporting. The rider has galloped up in back of the bull, lifted him off the ground by his tail, and thrown him to the sand. A "gentlemen's sport," the exercise developed from an ancient method of halting cattle stampedes by "grounding" the lead bulls.

Presley On Screen Again

The one and only Elvis leads the star-studded cast
in the new movie "Flaming Star" in which he sings
the title song plus four more in the manner which
only Elvis can master. In the film with him are Bar-
bara Eden (shown), Steve Forrest, Dolores Del Rio and
John McIntire. The film opens Feb. 5 at the Palace
Theatre.

Science Fiction Films To Show at Palace

A double feature of science
fiction films is to start Friday
at the Palace Theatre. They
are "Beyond the Time Bar-
rier" and "The Amazing
Transparent Man." The first
is a thrilling account of life
65 years from today.

If you are looking for new
frontiers, join Major William
Allison (Robert Clarke) as he
crosses the mightiest frontier
of all - the time barrier -
to find a world beyond im-
agination 65 years into the fu-
ture in American Interna-
tional's BEYOND THE TIME
BARRIER. Journey with him
as he flashes through limi-
less space into a world of in-
genious underground cities
filled with fantastic inven-
tions and peopled with a dy-
ing civilization of humans
and mutants created by a

BEYOND THE TIME BAR-
RIER is a bold adventure that
will stagger the imagination
in a world of the future that
brings H. G. Wells' prophe-
cies to amazing life.

The second film is about a
man who is forced to have
himself subjected to a ray
which will make him invis-
ible. He is then, persuaded to
steal from the government
radio-active materials. It is a
thrilling adventure of science
fiction exploration with the
very able cast of Marguerite
Chapman, Douglas Kennedy,
James Griffith, Ivan Triesault,
Red Morgan, Cormel Daniel,
and Edward Erwin.

Elvis Presley Opens At Palace Feb. 5

Race war, pitting brother
against brother, neighbor a-
gainst neighbor, sparking the
conflicts which torture a half-
breed boy . . . these are the
elements in a new, action-
packed "singing" production,
"Flaming Star," 20th Century-
Fox CinemaScope De Luxe.

Color drama of old Texas,
starring Elvis Presley, Bar-
bara Eden, Steve Forrest, Do-
lores Del Rio, and opening
Feb. 5 at the Palace Theatre.

"Flaming Star" is the tragic
saga of a half-Indian youth,
Pacer (Elvis Presley) son of
a white man, Burton (John
McIntire) and Neddy, a full-
blooded Indian beauty (Dolores
Del Rio). When the Indians
launch a series of massacres
on white settlers in Texas, the
wrath of the entire town
turns upon the Burton family
and especially on young Pacer.
Even Pacer's half-brother
Clint (Steve Forrest) feels
prejudice and the cooling of
trust begin in his sweetheart
Roz Pierce (Barbara Eden).

Danger comes to a fever-
pitch when the Indians ask
the Burton family to take
sides with them against the
white community. Pacer and
his mother try to resolve the
antagonisms, but know all too
soon that understanding be-
tween the two warring races
will come only through some
great human tragedy on both
sides. An unexpected and
highly-charged climax brings
to "Flaming Star" a conclu-
sion that is unique in the tra-

NEW VICE CHAIRMAN

Kennedy Circle Elects Mrs. Teeters to Post

LORAIN — Willie May Kennedy Circle of First Baptist Church met Monday in the home of Mrs. Pauline Smiley.

Mrs. Walter Teeters presented the devotional study from Romans 14th chapter with the theme, "Facing the Alcohol Problem."

Mrs. Smiley, program chairman, directed the program. Mrs. J. W. King discussed "You Have a Right to Know" and closing prayer was by Mrs. W. C. Rogers.

Mrs. King conducted a business meeting.

Mrs. Teeters was elected vice chairman and Mrs. Edwin Hallmark was named prayer chairman and assistant secretary-treasurer.

The group voted to study the book, "The Dreamer's Path," as a home mission project.

Circles will meet Feb. 23 in the home of Mrs. Harvey Leach and attend the workers conference at First Baptist Church in Colorado City Thursday Jan. 26.

Those present were Mmes. N. C. House, Eileen House, Walter Teeters, W. C. Rogers, J. W. King and the hostess.

May Taylor Circle of the First Baptist Church met Monday night in the home of Mrs. J. C. Hall Sr.

The program opened with

the group singing "Christ for the Whole Wide World." Mrs. Woodrow Pratt led the devotional study from Matthew 5 and Romans 13. The theme was "The Alcohol Problem."

Mrs. Ida Baird led in prayer. Mrs. O. C. Lucas spoke on "You Have the Right to Know."

Mrs. Harvey Leach talked on "What Would Jesus Do?" Mrs. Hall closed with prayer. Refreshments were served by the hostess to Mmes. H. M. Farrington, Harvey Leach, W. H. Long, C. A. Land, O. C. Lucas, Dottie Marshall, Woodrow Pratt, Ida Baird, W. Claxton.

Ex-Westbrook Residents Hospitalized

WESTBROOK — Word has been received that Mrs. Don Baxter of Snyder underwent surgery in a Lubbock hospital for a brain concussion Monday.

Mrs. Baxter is the former Myrlene Donaldson and was reared in Westbrook.

She is a niece of Mrs. Jim Moore of Westbrook.

In a Midland hospital is Jack Jarnigan, who has had a heart attack.

Jarnigan is a former resident of Westbrook, being manager of Burton Lingo Lumber Co. at the time of his residence here.

Mrs. Jarnigan is a sister of D. J. Barber of Westbrook.
