

We know everyone has noticed the little advertisement in a roll of film that if it doesn't work out to let the company know and it will be replaced.

Well, we have always wondered what they figure on doing about the photos that were missed on the bad roll of film that cannot be replaced.

We got a chance to find out Saturday night.

We'd gone down to WTSU for the homecoming game, left early to get back to get pictures and the story about the 4-H Achievement Banquet and guess what...yep, we ended up with only about half the photos we thought we'd taken due to a bad roll of film.

We missed out on the photos of the Gold Star Boy and Girl, the winner of the Danforth Award winner and the Outstanding adult Leaders, all on a roll that went blank!

At any rate, we are sorry not to have gotten these photos, especially when about half the paper this week deals with recognizing our local 4-H boys and girls. But, reckon you can't win them all!

National 4-H Week is held annually across the nation, but here in Sherman County we've always held up on this event until the Gold Star Banquet where we can follow up the Achievement Banquet with story and photos.

We'd like to pass along our congratulations to all the 4-H members for a good year and a special note of thanks to Jim Allison and Glenda Price for their work with our youth.

A special congratulatory note to Mike Flores, this year's 4-H Gold Star Boy, and to Charlotte Sutterfield, this year's 4-H Gold Star Girl, for their honor. We would be remiss not to recognize the Danforth Award winner, Colette Schwertner of Texhoma, for her work this past year and also to the Outstanding Adult Leaders, Mr. and Mrs. Johnny West.

The Achievement Banquet Saturday night was the largest attended such event in recent years. It has been a long time since the barn has been so crowded. We were happy to see the folks back supporting our youth, perhaps next year it will be "standing room only."

As this issue goes to press it is Election Day. What the outcome will be today, who knows? We only hope that there is a good turnout of voters, for if one doesn't vote then they don't exercise the right of representation. This issue will include the county returns when they come in tonight.

XXXX

A judge was overheard talking to a defendant.... "Colonel Watson, why are you called 'Colonel'? I don't think you were ever in the army, what regiment were you in?"

"Well, sir it is like this," the defendant replied, "The Colonel in front of my name is like when someone calls you the 'Honorable Judge Wilson. It doesn't mean a thing!'"

XXXX

Overheard in the coffee shop.... "If you are on the right track, don't just sit there or you may be run over!"

Hooray for the Elk Band! The Band earned a Division I Rating down at Canyon last Tuesday and in so doing put a step up the first rung on the ladder leading toward the coveted Sweepstakes Awards.

We are happy for all the Elk Band members and a special note of congratulations to Gary Laramore, band director, and Steve Ragsdale, assistant band director.

The entire band has worked hard this year shooting for the Division I in Marching. They have looked really fine at all the ball games and we understand they looked even better down at Canyon last week.

Keep up the good work Band! GEB!

IN GENERAL ELECTION

County Voters Approve Road Bond Issue

Sherman County voters overwhelmingly cast their ballots in favor of the \$500,000 bond issue for the purpose of providing the county's share of purchase cost for four-lane Highway 287 north from the Moore county line to Stratford. They also went Republican against the grain of the majority of voters in the 13th Congressional District, and turned right around and went with a Democrat, the loser, in the State Representative race for the 64th District.

Looking down the ballot late Tuesday night, the bond issue, the only local issue on the day, carried by a majority of 541 in favor, while 255 voted against the issue.

The bond issue carried in every precinct in the county except in Texhoma, on the way to a nearly 3-1 landslide. By precincts, the issue carried in Precinct 1 by 50-6; Precinct 2, 24-23; Precinct 3, it lost by 41-101 and carried in Precinct 4 410-121 while the absentee

box carried it by a 16-4 margin.

Bob Price, Republican incumbent who was seeking his fifth term as congressman from the 13th District, carried the county over his Democratic opponent, Jack Hightower, 454-379, but lost out over the entire district by a large majority. This will be the first time the district has had a Democrat in Washington since back in the early 1960's.

Moving on down the ballot, Governor Dolph Briscoe carried the county over Republican Jim Granberry 500-316, while Lt. Gov. Bill Hobby won over Gaylor Marshall, 516-263.

Jesse James, Texas' oldest politician, won over Robert Holt in the race for State Treasurer in the county by a vote of 488-314, while county voters went in favor of John White over Zack Fisher 495-293 in the ag commissioners race.

Sherman county almost split the ticket in the State Representative race with Bob Close of Perryton the eventual area winner. Close got 384 votes

in the county while Pressley Ashton of Dumas picked up 390 votes.

In another close race, Dumas candidate Dan Loving got 393 votes over Amarillo's W.W. Carter with 380. This was for the State Board of Education.

Up in Precinct 3, Texhoma,

there was no candidate on the ballot for Justice of Peace and write in voters ended up in a tie between F.H. Dawkins and Ralph Renner with 3 votes each. J.H. Dawkins got 2 votes and C.L. Diller got one vote. The office is currently held by F.H.

JUNIOR CLASS SLATES PLAY

The Junior Class Play entitled, "Hillbilly Wedin", will be presented Friday, November 15 in the high school auditorium. The presentation will include an afternoon matinee for the school children and an evening performance for adults at 8:00 p.m.

The comedy is about a hillbilly father trying to find husbands for his daughters, in anyway that he can. This leads him into some hilarious predicaments.

FIRST HALF EXPLOSION

Elks Trounce Hounds In Big Team Effort

Stratford's Elks took little time in putting four touchdowns on the boards in the first half of play, added another in the third quarter and coasted to a 34-6 victory over the Gruver Greyhounds Friday night.

The Elks were lead in scoring by Ricky Howard who galloped for two Elk touchdowns while Quarterback Mark Beatty scored one touchdown on a 65 yard run then passed for two touchdowns, one to End Willie Mungia and End Gary Ferguson. Beatty also passed for two PAT's to Mungia for four more Stratford points.

The Elks left little doubt as to the eventual outcome of the game early in the first stanza as Beatty broke for a 65 yard

touchdown gallop on the seventh play by the Elks after holding Gruver on downs following the opening kickoff.

The Hounds had driven from their own 34 to the Elk 16 before the blue and white stiffened and forced the ball over on downs. Howard and Leonard Duncan did the legwork to move the ball out to the Stratford 35 where on a third and one situation, Beatty kept over the middle, broke one tackle then outran all other defenders for the 65 yard opening score.

Following the resulting kickoff, the Elks forward wall led by Don Harris, Tony Urias, Leonard Duncan and Ricky Reed forced the Hounds to punt from their own 20.

Taking over at the Elk 45, Howard broke loose on the first play, going 55 yards for the second Elk td of the night. Beatty passed to Mungia for the two PAT points and the Elks lead 14-0 with 3:12 left in the first.

In the second stanza, the two teams had exchanged punts and the Elks took over on the Greyhound 44. Beatty hit Duncan for a 19-yard pass to the Greyhound 30 then Howard took a pitchout and behind blocking turned the corner and raced the distance for another Elk touchdown with 4:24 left in the stanza. Beatty hit Mungia on a two point conversion effort to make it 22-0.

AT UIL CONTEST

Elk Marching Band Gets Top Rating

Stratford's Elk Marching Band was awarded a Division I (Superior) Rating at the 1974 University Interscholastic League's Marching Contest held at Buffalo Bowl in Canyon last Tuesday.

The Division I Rating is the highest award a band can earn in the UIL Marching Contests.

The Elk Band was one of eleven bands out of the 39 which competed to earn the coveted Division I award. The marching contest is one of three contests held annually for bands and by earning a Division I in each of the three contests a band qualifies for the Sweepstakes Award.

The Elk Band has earned Sweepstakes Awards four times in the history of the school. The Elk Band earned its first Sweepstakes back in 1968 then again in 1969 and 1970 and the last one in 1973.

The 1968-69 and 1970 awards were earned while the band was under direction of Noel Maxwell and the 1973 award was earned under direction of Jeff Dougherty.

The three contests which a band must earn a Division I Rating include the Marching Contest, held in the fall each year, then Concert and Sight-Reading Contests, which are held in the spring.

"We were really happy with the way in which the band

members conducted themselves Tuesday," said Elk Band Director Gary Laramore. "The Elk Band was awarded Division I all the way across by all three judges at the contests," Laramore pointed out.

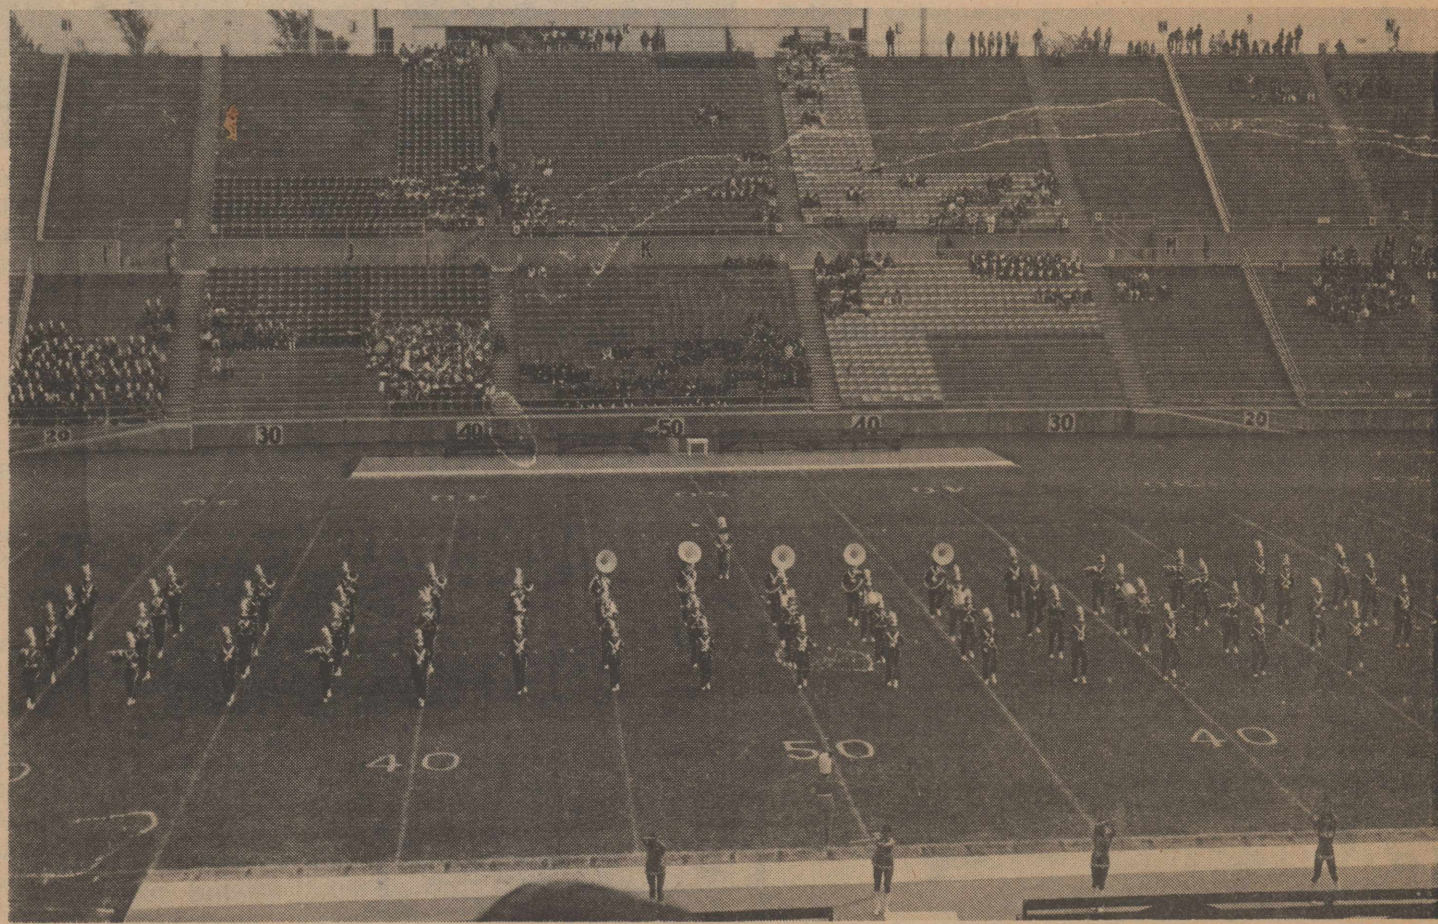

Laramore took over reigns of the Elk Band last fall following the resignation of Doughten who is now at Pampa High School. Laramore is assisted this year by Steve Ragsdale who helps with the high school band and is Junior High Band Director.

There were four Class A Bands which qualified for Division I at Tuesday's contests. These included bands from Stratford, Memphis, Gruver and Sanford Fritch.

Other bands receiving Division I Ratings included Pampa Junior High School, Tulia High School, Panhandle High School, Dalhart High School, Canyon High School, Pampa High School, Amarillo High School and Hereford High School.

In addition to the entire band marching in contests, the Elk Twirlers also competed individually and as a group. Rhonda Fortenberry and Cindy Stok were both awarded Division I for their performances with Betty Hacker earning a Division II and Natalie Engelbrecht earning a Division III.

The Ensemble Twirling earned a Division II rating.

ELK BAND AT WTSU CONTEST--The Stratford Elk Marching Band was awarded a Division I [Superior] Rating for their performance last Tuesday at the UIL Contests held at Buffalo Bowl

at WTSU in Canyon. This is the first step toward a coveted Sweepstakes Award. The Elk Band is under direction of Gary Laramore and assisted by Steve Ragsdale this year.

Cold weather, moisture and the first real cold snap of the year hit this weekend with snow reported all around Saturday Sunday night. We understand it snowed at Boise, City, Dalhart and on south in Amarillo, but we never heard of any locally. The temperature dropped down into the high 20's this week but moisture has kept combines out of the fields. Perhaps it will clear and allow the corn and milo to be harvested. We hope so.

Commodity prices Tuesday showed wheat selling for \$4.95 per bushel, grain sorghum at \$5.90 per cwt and corn at \$3.38 per bushel on local markets.

What Does It Take To Build A Church?

Perhaps you glance at the church on the corner once in a while and wonder what it would be like to visit during a service. What is it that draws those people to that particular building every week? What built that church?

The only possible answer is — the love of God. Their love of God prompted them to sacrifice and give so that the sanctuary might be built. The love of God compels them to meet there with others who serve Him. Their love of God compels them to "go, and tell others".

We pray that you will be drawn to such a church this week and that you will align yourself with it. You can help build it into something even better.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

COUNTY BOND SALES
OVER MID-POINT

In releasing Treasury figures, County Bond Chairman W.S. Frizzell Jr., announced sales of Series E and H United States Savings Bonds in Sherman County during September totaled \$4,550. Sales for the nine-month period were \$43,797 for 61 percent of the yearly sales goal of \$70,000.

September sales in Texas amounted to \$19,110,753 compared to \$17,149,206 during the same period of 1973—an increase of 11 percent. Year-to-date sales totaled \$173,861,964 for 73 percent of the \$236.8 Million goal achieved.

It's always easy to stand on the sidelines and criticize the players.

What's New At School

On Nov. 2nd the City of Stratford and Stratford Schools sponsored a Halloween Movie and Dance for the children and young people of our community.

The movie started at 7:30 p.m. and was for K thru 12th grade age students. Free treats of 15c candy bars were

distributed to the approximately 150 students who attended. Mr. Jack Gilley and H.T. Galloway sponsored the movie.

The dance starting at 9:00 p.m. and lasting till 12:00 p.m. was for 8th thru 12th grades. Mr. Delvin Howard and other high school and 8th grade

teachers, sponsored the affair. The Black House Band from Dumas furnished the music for the 125 students who attended. Refreshments were served.

We'd like to thank the kids for their cooperation in taking care of our city over the Halloween period.

To discover and uncover a criminal, the ancient Greeks would place an agate or a piece of jet on a red-hot axe, and it supposedly indicated the guilty person by its motion.

Dawkins but he did not seek reelection.

C County Judge Bill Frizzell said late Tuesday night the Commissioners Court would probably seek an Attorney General's opinion in the issue as Texas Election Laws state there can be no ties in the General Election.

There were a total of 852 voters out of a possible 1,631 to cast ballots on Tuesday.

Taking a look at uncontested races, we find that District Judge Archie McDonald got a total of 669 votes; County Judge W.S. Frizzell got a total of 706 votes and picked up the largest number of votes for any single candidate all day Tuesday.

District & County Clerk Marguerite Terrell garnered a total of 703 votes while Marilyn Albert got 690 votes in her bid for the unexpired term of county tax assessor-collector. Madge Lowe got 695 votes in her reelection for county treasurer.

Robert Ferguson got 52 votes to return as commissioner for Precinct 2 while Tom Wakefield got 494 votes to take over the office of county commissioner for Precinct 4 this coming January.

J.R. Marshall got a total of 481 votes to keep his office as Justice of Peace for Precinct 4 to round out this portion of the ballot.

A complete tally sheet of all races, precinct by precinct, will be carried in next week's issue of The Star.

Jack Gilley To Head County Bee

Jack C. Gilley, Principal of Stratford Middle School, has been named to direct the 1975 Spelling Bee for Sherman County.

The 27th annual Regional Spelling Bee—co-sponsored by the Amarillo Globe-News and West Texas State University—will be held in Amarillo on April 26, 1975, and the place will be the Stephen F. Austin Junior High school.

Students in the public and parochial schools are invited to participate. All details may be obtained from the county bee director.

The national sponsors—the Scripps-Howard Newspapers—establish the rules for the annual Bee competition. Any student who will not have reached his (or her) 16th birthday or gone beyond the eighth grade at the end of the current school term, will be eligible to compete.

The Amarillo Globe-News-WTSU Regional Bee is unique in that it also offers a chance for the elementary grade students to compete. Boys and girls in the sixth grades and lower may spell in the junior division and each county will select a champ in this division. The elementary county winners do not compete in the regional elimination contest in Amarillo unless he should hold both junior and senior championships.

The area assigned to the

Amarillo Globe-News and West Texas State University covers 46 counties: 29 in the Texas Panhandle, 10 in Oklahoma, four in New Mexico and three in Kansas. Each county bee director has complete control of his county contests and he may conduct his contests as oral or written competition. The Amarillo regional event will be oral.

For many years the schools have used the "Words of the Champions" booklet, prepared by the National Spelling Bee. The 1975 issue may be obtained by writing:

Spelling Bee Editor
Amarillo Globe-News
P.O. Box 2091
Amarillo, Texas 79166

The price of the booklet is 25 cents.

The champions from Sherman County in 1973 were:
Senior Division: Ken Ingham

and he was a student in the Stratford Middle School and was from Stratford, Texas.

Junior: Kyle Ingham and he was a student in the Stratford Middle School and was from Stratford, Texas.

One of the 46 county champions to compete in the Regional Bee will win a free trip for himself (and a chaperon) to Washington, D.C. early in June, courtesy of the newspaper, where he will spell in the 48th National Spelling Bee.

Bee coordinator will be Gene Parker, director of placement at West Texas State University. Spelling Bee Editor for the newspaper is Mrs. Jeane Bartlett.

Interested students, teachers and school officials may contact the newspaper for additional information.

TSTI Slates Night Class Registration

JV Bombs Gruver In First Win

Stratford's Junior Varsity came through with their first win of the year turning in a near-perfect performance Thursday night in clobbering their Gruver counterparts, a team which had beaten them earlier 24-14, by a score of 30-0.

The Elk JV held Gruver to only four first downs for the entire game while putting up 20 first downs of their own.

The entire team came through

with superior blocking, tackling and kicking.

The Elk JV scored one time in each of the four quarters while stopping the only Gruver threat of the game in its tracks at the Elk 15 yard line in the second quarter. After that time, Gruver was never able to seriously threaten again.

Jeff Witcher scored the first Elk JV touchdown going in from two yards out with 0:42 left in

the first. The PAT try was no good. In the second stanza, Jeff Howard turned on the speed on a reverse to go 17 yards for a touchdown with 1:03 left in the first half. Taylor Johnson's PAT pass was good to Mark Phillips in the end zone as the JV went in at the intermission leading 14-0.

Andy (Spider) Riffe got on the boards in the third stanza capping a 60 yard Stratford

drive as he went 8 yards for a touchdown with 3:08 left in the third. Witcher added two more points via a run to make it 22-0.

The JV wasn't finished as late in the fourth quarter Tom McReynolds intercepted a Gruver pass returning it to Greyhound 12 yard line. Two plays later Thomas Sewell went in from 4 yards away and McReynolds added the two extra points on a PAT run to make it 30-0 with 1:25 left in the game.

Johnny Powers' booming kickoffs kept the Hounds deep in their own territory as he kicked three of four kickoffs out of the end zone. Witcher intercepted one pass to stop Gruver drive and Jimmy Kirkwood lead the JV defense sacking the quarterback five times during the contest.

It was a near-perfect night for all three prep teams as the Elk 7th Grade battled to a 0-0 tie while the Elk 8th Grade wiped out Gruver 34-12 in their contest.

Stratford's 8th Grade scored twice in the first quarter, in the second and twice in the fourth to win their game.

Craig Bell opened the Elk scoring with a 8 yard gallop with 3:36 left in the first quarter. Chet Everett blasted across for the two PAT points to make it 8-0.

Three plays later Terry Bilbrey intercepted a Gruver aerial and returned it 58 yards only to have it called back for a clip.

The penalty only stymied the Elk 8th Graders momentarily for shortly afterward Bell got loose on an 18 yard touchdown gallop to make it 14-0 with 7:59 left in the first.

Gruver came back to score on a 3 yard plunge in the second but the PAT effort was short.

Jay Willard got the young Elks back on the boards again just before the half with a 2 yard quarterback sneak. Jerry Ewers put the PAT run across to give the Elks a 22-6 halftime score.

Moving on to the fourth quarter, the Stratford 8th got on the boards again as Mark Keener gathered in a Gruver aerial and behind good blocking travelled 60 yards to paydirt. The PAT was no good and Stratford lead 28-6 with 6:52 left in the game.

Willard broke for a 48 yard touchdown run with 3:29 left to make it 34-6 and Gruver shook loose with 3:12 left on a 55 yard touchdown dash to end the game with Stratford out in front 34-12.

All three teams close their play Thursday against Sunray, there.

Hatmaker stated that Roper qualified for membership in Franklin's Key Club, comprising a select group of company associates who produce extremely high personal sales within a 60-day period.

In recognition of Roper's exceptional industry achievements, he will be featured in the

ELKS WIN ...from page 1

Following the kickoff the Elks recovered a Greyhound fumble at the Gruver 30. Stratford returned the favor on the next play as Gruver intercepted an attempted screen pass.

Gruver put the ball in the air on the following play and Steve Coats gathered it in at the Greyhound 48 and was pulled down at the Hound 44. Two plays later Beaty hit Duncan for an 18 yard pass to put the ball at the Gruver 33 then went back to Gary Ferguson who hauled in the pass at the Gruver 10 and went all the way for another Elk touchdown. Ferguson attempted to dropkick the PAT but it was low for no points and Stratford lead 28-0 at the half.

The 1974-75 Stratford Community 4-H Club would like to invite all 4-H'ers, parents, leaders and public to attend a candle-light Installation Service to be held November 14 at 7 p.m. in the County Barn.

Social Security News

[Have you a question about social security? Address it to Robert H. Schaller, Branch Manager, P.O. Box 1292, Guymon, Oklahoma 73942. You will receive an answer in this column or by mail.]

By Robert H. Schaller
Q. How disabled must a person be to qualify for Supplemental Security Income payments?
A. The requirements are basically the same as the disability requirements for Social Security. Generally, a person is considered disabled when he has a physical or mental impairment which prevents his doing any substantial gainful work and the condition is expected to last, or has lasted, for at least 12 months or is expected to result in death.

Q. My 16-year old son broke both legs and sustained a severe head injury in a recent motorcycle accident. Can he draw Supplemental Security Income as a disabled person?
A. From your information it is not possible to give a definite "yes" or "no" answer to your question. Since Supplemental Security Income payments are based on "needs" it will be necessary for you to furnish more details regarding the family's income and resources.

Q. I received a VA disability payment. Will my entitlement to Supplemental Security Income be established when I present my VA disability payment. Will my entitlement to Supplemental Security Income be established when I present my VA award letter to Social Security? I only received \$130 as my total monthly income.

A. A thing is not a thing. VA or any other agency does not necessarily entitle a person to Supplemental Security Income because the definition of disability may vary from one agency to another.

There is confusion and controversy over the anti-inflation tax proposals of President Ford. The proposals are in trouble because there are few people who understand just who gets hurt, who benefits and by how much. Consequently, the Administration has already indicated a willingness to negotiate over the proposed 5 percent surcharge on personal incomes. Dickering has begun with the House Ways & means Committee, on what modifications Congress will demand and the Administration will accept.

According to the treasury, the tax would not be levied on adjusted gross income but on taxable income after personal exemptions and deductions and the first \$10,000 of taxable income on joint returns would be exempt. Since the tax on that \$10,000 comes to \$1,820 only

taxes above this surcharge floor would be subject on the 5 percent add-on. For instance, a family of four with wages of \$15,000 and personal deductions of 17 percent of income would pay no surtax. A family of four with \$20,000 adjusted gross income winds up with a \$42 surtax. The surtax is a lot less punishing to the middle class taxpayer than President Ford stated.
