MUENSTER ENTERPRISE

VOLUME XXXVII — MUENSTER, COOKE COUNTY, TEXAS 76252 — NOVEMBER 24, 1972 — NUMBER 1

Again, the arrival of Thanksgiving marks the completion of another year by the Enterprise. As indicated by the volume and number of this edition, the paper has completed its thirty sixth year of publication and is getting started on its thirty seventh.

And, it may be added, this is another happy birthday. The past year, like so many before, has been pleasant and productive. The Enterprise has enjoyed another year of community service while achieving the very practical goal of earning a living.

As usual, this column likes to point out that the arrival of the birthday on Thanksgiving is a fitting coincidence — because the birthday is a proper occasion to give thanks. The Enterprise is indebted every week for its continuing success and is glad to make a special mention of it on this occasion.

First of all it is grateful to our Heavenly Father for another year of health, the primary essential for carrying on the work. It is grateful, too, for our country's political and economic system which offers more opportunity than any other in the world. As a result the Enterprise has been free to say what it pleases and to get the support of other businesses which are equally free.

The Enterprise is proud to be located in a thriving community. Though Muenster is still a small town it has lots of business, considerably more than most other towns of its size, and this paper is very pleased to have some of the city's success rub off on it.

In particular the Enterprise is thankful to those who are directly responsible for its success. It appreciates the advertising and printing customers who account for most of the revenue and the faithful readers whose subscriptions also help pay the bills. And it thanks the many friends who have been dependable news sources. Without them the local news would be skimpy indeed.

The Enterprise thanks all of them for enabling it to publish a paper which is a credit to a good community.

Along with its personal interest in this holiday, the Enterprise is mindful of lots of blessings that concern all of us, and for which all of us ought to be grateful.

Doubtless the top item on most lists is the apparent approach of peace in Vietnam. As this is written optimism is running high. Perhaps the agreements will be reached on or before Thanksgiving.

And there seem to be indications that the terms will be honorable, allowing South Vietnam to determine its own kind of government without a coalition with the communists. It was pleasing to observe that the election was a clear cut mandate to stand by the Vietnamese in the negotiations rather than walk out and abandon them. For this again we can be thankful. It's a sign that America still believes in liberty and independence for others as well as itself.

Also as a nation we're thankful for another good year. Business is picking up, inflation is slowing down. American agriculture had another abundant year, providing us with a high standard of living plus a surplus to help the less fortunate in other lands.

In the area of world politics we seem to have reason for more thanks. We have established a speaking relationship with the two world powers that cause U. S. the most concern. Tensions have eased and very possibly the threat of world conflict is delayed if not eliminated.

Considering this fact along with exports of grain and practical help in industrial and economic technology, we wonder whether we might even expect a mellowing of the saber rattling countries. They must be starting to realize that there can be no winners in the big confrontation. The benefits now coming from our help are greater than the reds could ever attain by conquest.

All in all there are many reasons for gratitude. Whoever is in doubt needs only to look abroad—almost anywhere. Nobody else can match us in freedom and comfort. But while saying thanks let's take a moment also to ask for solutions to some of the problems that trouble our way of life.

Muenster Juniors Blast Callisburg For Champ Title

The Little Monsters of Muenster Junior High maintained their perfect district record in the game at Callisburg last Thursday for undisputed claim on the championship of the 11-A junior division.

They won decisively dominating the statistics while rolling up a 32-0 win. Muenster moved the ball consistently throughout the game whereas the junior Wildcats managed only two first downs in the first half and none in the second.

Muenster made its first touchdown early in its first possession. Mark Sicking soared over in a big, 45 yard play after the boys had made two first downs. Tim Wolf followed over for extra points.

Still in the first quarter Danny Fisher gave Muenster good field position by blocking a punt on the 30. Three plays got to the 3 yard line where Tim Wolf broke through for a 6 pointer and also ran for extra points.

In the next quarter the boys started at midfield and got to the 38 before Mark Mollenkopf got into the scoring action with a fine sprint. Sicking upped the score to 24-0.

And after intermission, on first possession, the future Hornets put on a steady 60 yard drive ending in a 7 yard crash for the score by Tim Wolf. And again, Wolf got the extra points.

From then on Coach Glenn Richardson turned the job over to his reserves and seventh graders who played the Callisburg boys on about even terms. Thirty one boys were suited out and all got a part of the action.

In Cross Country Race

Ronnie Hess was listed as one of the members of a seven man cross country team representing Eastern New Mexico University last Saturday at a national meet in Liberty, Mo. Seventy five schools were entered in the hilly, 5 mile event.

Christmas Lights Will Be Installed Early in December

Christmas lights on Muenster streets will be installed in the first week of December according to plans of city Superintendent Steve Moster. That's when he expects the annual helping hand from TP&L linemen.

As far as the city crew is concerned, all is ready, Moster said. Lines have been checked, and repaired when necessary. The city also has lights for the Noel display on the water tower.

When lights were taken down last year that display was left intact rather than take on the big job of removing it. Switches were cut off and that's all. Then someone discovered during the summer that it takes more than height to discourage some thieves. Over 150 of the light bulbs were gone.

The city will replace the lights this year. Meanwhile it welcomes good ideas on preventing another theft.

Lights on the street will follow last year's arrangement. Strings will extend across Main Street to Fourth and across the highway to the east city limit.

Gold Star Boy and Girl Honored at District 4-H Event

Kim Reiter and John Schumacher, children of the Wilfred Reiters and Richard Schumachers were honored at the District Gold Star Banquet on the TCU Campus. When John was unable to attend Dwayne Denis accepted the award for him. Others attending were Margie Felderhoff, last year's Cooke County District representative, Aassistant County Agents Marlea Thompson and Craig Rosenbaum, Mr. and Mrs. Wilfred Reiter and Mr. and Mrs. Richard Schumacher.

Bake Sale

The Junior Class of Sacred Heart High School will sponsor a bake sale Saturday from 8 to 4 at Fisher, Hofbauer and Pagel stores.

Pre-Thanksgiving Snow Sets Record

The heaviest pre-Thanksgiving snow on record here came in Tuesday but it did not remain long. According to Steve Moster's official figures it averaged 2½ inches deep about 7 a.m. and was almost completely gone by noon. Rising temperature needed only a few hours to clear streets and only a few hours more to clear lawns.

Though the heaviest before Thanksgiving, the snow was not the earliest, Moster said. There was a trace of it on November 2, 1951 and again four days later. Likewise early but later than this week's was an inch of snow on November 23, 1957 and a trace on November 29, 1968.

Also special is the fact that it fell on rather dense foliage. Tree limbs here are still far from bare.

Council Considers Use of Street for School Playground

The Muenster city council Monday night considered but postponed a decision on whether to permit temporary use of a street as a school playground.

Because of recent wet weather the regular play ground for elementary children at the public school is not suitable for use, so the council was asked to use Oak Street between 7th and 8th, adjoining the west side of the playground. The intention is to keep traffifc off while children are there.

Councilmen hesitated to allow the favor unless they are certain the city would not be liable in case of an accident on the street. Their answer awaits an inquiry on the subject.

The council changed its meeting schedule from twice to once a month, choosing the second Monday for future meetings. In case of emergency the mayor will call a special meeting.

Also, the council granted a holiday to employees on the day after Thanksgiving. The city hall will not be open Friday.

Sacred Heart Will Play in District Basketball Loop

Sacred Heart's basketball teams will be in an interscholastic league district schedule this year but without eligibility to represent the district in bi-district play.

It happened, says Coach Bob Steele, when Lindsay, Era, Valley View and Saint Jo invited Sacred Heart to join in their schedule and the arrangement got the OK from UIL at Austin.

However, since it is not a public school Sacred Heart cannot advance beyond district competition except by invitation of the other teams involved. The result is that the Tigers, if they happen to come out in front, will have to drop back and let the next high team go to the playoffs. If the Tigers end with a lower standing the ruling makes no difference.

The pre-season begins next Tuesday with S&S and includes four twin game programs and three tournaments. District play starts January 5 and consists of double round robin, each school meeting each other one twice.

The high school schedule consists mostly of three game bookings — the two first string games plus a B game. The list is as follows.

Nov. 28, S&S, here
Nov. 30, Whitesboro tourn.
Dec. 5, Collinsville, there

Scouting Program Gets Fresh Start

Scouting in Muenster, after several months of inactivity, got off to a new start Monday and Tuesday nights when over fifty members were signed up, adult committees were organized and leaders were appointed.

The revival concerned both Boy Scouts and Cub Scouts, the former organization meeting Monday night in MHS auditorium and the latter group Tuesday night in the K of C hall.

The new scoutmaster is Eual (Jack) Davis and his assistant is Wilfred Reiter. With them for their first meeting were W. H. Artusy, executive of the Butterfield Trail District, along with a number of adults who were signed up as committeemen, plus thirty boys divided evenly between former scouts and beginners.

Committee members are Henry Weinzapfel, David Bright, Donald Endres, Dan Luke, Andy Phillips and Ed Schneider.

Their meeting consisted principally of an orientation talk by Artusy explaining the ideals and program of scouting and discussing activities of the local group. They chose Monday, 7:30 p.m., in the KC Hall for their regular meetings and agreed on hikes and campouts every four to six weeks.

At the Cub Scout meeting Robert Walterscheid was named as the new cubmaster; Ted Henscheid, Jerry Walterscheid and Marty Klement were named on the adult committee; and Mrs. David Bright. Mrs. Ernest Jaska and Mrs. Alvin Fuhrman were named den mothers. Twenty four boys joined.

Both groups of boys will meet again with Mr. Artusy next Monday and Tuesday nights principally to continue review of the scouting program. For those meetings Artusy and the local leadership extend invitations to all former scouts who want to come back as well as all others of eligible age. Boys 8, 9 and 10 are welcome in the Cubs, those 11 and over are welcome in the Scouts.

KCs Remember 88 Deceased Members In Memorial Rite

Eighty eight deseased members of the Muenster Knights of Columbus council were honored Sunday afternoon at the annual memorial service in the K of C hall.

The ceremony consisted of special memorial ritual conducted by council officers along with a short sermon by the chaplain, Father Bede Mitchel, urging members to pray for their departed loved ones and also give more thought to their own death so as to be better prepared for its coming.

Four names were added to the memorial list since the previous year's service. They are Martin Walterscheid, Charles Fisher, John Herr and Ed Schmitt.

Hornets Win Finale Dump Wildcats 25-6

A dreary season plagued with injuries had a pleasant ending for the Hornets Friday night when they upset Callisburg's Wildcates 25-6 for a district record of 2-3-0 and a full season record of 5-5-0.

Another pleasant feature to help offset the cold, misty weather was dad's night. As players came to the field they were joined by their fathers and introduced with them.

Jim Endres had recovered sufficiently from his season-long knee injury to see some action in the final game of his high school football career.

With him back at the quarterback job, the hornets were their old selves again. Along with his own contribution to the team's offense, he gave them confidence, which, incidentally also carried over to the defense. So, in addition to moving the ball well they were very grudging about the yardage they allowed their visitors. Their total gains were 293 and Callisburg's were 87.

Their enthusiasm, already high, got a big assist from the morale lifter on their second possession. A Wildcat punt had set them back to the 13 where Tom Hennigan broke through the middle into an open field. He strained every muscle heading for the goal but was aware that a pursuer was gaining. Two sharp cuts gained a step each, but he should have made another. He was finally hauled down on the 1 yard line.

Three plays later Jim Endres scored on a quarterback sneak and kicked true for an extra point.

On the next series Callisburg lost ground on penalties and busted plays and got off a short kick behind the goal line. The Hornets were 23 yards away. Trachta plowed to the 16 and a penalty advanced them to the 8. and four plays later Endres scored from 1 foot out on another sneak. The kick for a bonus point failed.

The next Wildcat series had a similar tragic ending. After a bad pass from center the would be kicker was trapped on the 12. Three plays later Hennigan scored on a screen pass from Endres. It was the second play of the second quarter.

The next score came on the Hornets' next possession. With 67 to go they gained 26 on five rushes. A pass from Endres to Alan Miller gained 35 to the 6 but a penalty cost 15 yards a pass to Miller gained 13, Hennigan gained 5 and Endres went over from the 3.

About midway in the third period Muenster moved again starting from its 36 but the third series stalled and ended in a punt. However Hennigan's interception two plays later resumed the drive with 41 to go. Hennigan carried twice for 14 and 9 and Tom Bright scooted 12 to the 6.

Next play Endres went down with a knee injury and a fumble on the following play lost the scoring opportunity.

Starting from there the Wildcats combined a few good plays with a number of Hornet mistakes to get their only score on the board. First Muenster was penalized 15 for a late tackle, then for roughing the kicker, then for disputing the official's call, then for piling on. When the penalizing was finished Callisburg was on the 20, then lost 15 on a holding penalty. But it got back to the 21 when a Hornet was called for pass interference. Two passes got to the 5 and two plays later Hough scored from the 1.

With 3:44 left on the clock Muenster moved 41 to the 21 in six plays and tried for a field goal, but missed.

Book Fair Hailed As Great Success

Children, parents and grandparents — everybody enjoyed the books as well as students' interpretations of them by way of dioramas, mobiles and posters at the book fair Thursday through Monday in Sacred Heart reading lab.

The event was hailed as a great success, both for stimulating reading interest and for making a good selection of books available.

Sister Georgia thanks all who helped with clerical and supervisory duties and said that processing of orders will be finished this weekend. The books can be expected early in December.

Helpers at the fair were Mmes. Betty Trubenbach, Tony Koesler, Ervin Henscheid, Leo Hess, Denis Walterscheid, W. J. Miller, Tom Sangster, Albert Hess, Rufus Henscheid, Joe Hess, Joe Felderhoff, Thomas Felderhoff, Arthur Bayer, Tony Hess, Norbert Walterscheid, Richard Grewing, Julian Walterscheid and Miss Shirley Becker.

Tigers Romp44-8 Over Henrietta B

Though the weather was far from pleasant the Sacred Heart Tigers had a delightful night Thursday smashing Henrietta B 44-8. It was a fine ending of a fine season in which the boys reversed their 1971 record from 1-9 to 9-1.

It was also parents night with pre-game ceremonies to introduce each player's father and mother.

The contest was probably the most one sided of all on this year's schedule. The visitors managed only 3 first downs, while the Tigers got 20, and their net yardage was minus 35 and Sacred Heart's was 346.

The scoring spree got under way with the opening kickoff, which was returned past midfield. From there Sacred Heart tore off big gains to the 4 and Davey Krahl went over for a TD that did not count. A penalty put the ball back on the 19 and three plays later Gary Endres hit John Bartush with a touchdown pass, then passed to Krahl for 2 more.

Next possession was more of the same. The drive went 70 yards. Big gains were by Kevin Pels for 21 and 7 and Melvin Luke for 13. Endres scored from the 1 on a quarterback sneak.

On the kickoff that followed Goist returned to the Tiger 31 and three more plays got to the 20. But the next series was two losses and a fumble recovered by Jeff Fette. That was followed by an exchange of punts, a fumble by Sacred Heart and another punt by Henrietta. Then Sacred Heart headed for its third score — 47 yards in 8 plays. Pels scored from the 2 and also went over for the extra points.

As the second half started the Tigers took charge again. Henrietta had to punt on its first series and the Tigers were 56 yards away. Gary Endres ripped off 46 of that on the next play, Melvin Luke crashed to the 1 and Kenny Hess went over for the TD. A pass to Luke upped the count to 30-0.

The next one was very similar starting on Henrietta's first series and leaving Sacred Heart 49 yards to go. Six plays were needed. the big gainers being 18 and 9 by Pels and 16 by Luke. Luke went over from the 6 for the score.

After that Coach Steele put in his youngsters and the Visitors got somewhat better. The teams exchanged kicks and Henrietta recovered a Tiger fumble on the 19. Three tries reached the 5 and two plays later Persick passed to England for 4 yards and the score. The same combination added extra points.

About then Coach Steele discovered that Pels was 20 yards short of 1000 for the season, so he returned first stringers to the game. The Tigers responded with a 61 yard drive and Pels got more than enough for the season's goal. A pass to Luke for 3 ended the 10 play drive and Kenny Hess scored bonus points.

Capitalist Holiday

The first Presidential Proclamation of a day of Thanksgiving in the United States was made by George Washington, in 1789. The day was set aside for prayers and thanks for the new Constitution. Sev eral states continued the practice, each designating its own day.

Abraham Lincoln was the first President to appoint an official Thanksgiving Day, to be celebrated each year on the last Thursday of November. Lincoln issued the Proclamation on October 3, 1863. Since that time the Nation has joined, on one day, in saying its prayers of Thanksgiving, and in remembrance of the small band of religious fugitives who landed at Plymouth Rock.

A fact too often forgotten concerning the Pilgrim Fathers is their trail — and abandonment — of the communal system of joint ownership and community labor in the colony. A primary reason for their early hardships on the North American continent was the effort to form a Socialist society.

At first, the young colony seemed to be working, but following the first "Thanksgiving," the colony went into a tailspin. Many found that under the system all shared equally so that not a few began to absent themselves from the fields. Naturally they feigned illness and naturally the number of absentees increased.

The crops failed, and the "starving time" soon followed. Things became so bad in 1623, just three years after they had landed, that the best they could provide for new arrivals from the mother country was a freshly-caught fish, a lobster, and a cup of water. It was a disastrous come-down after a bountiful feast of 1621, when they had hosted Chief Massasoit and 90 of his braves.

And so it was that in that same year of 1623, Governor William Bradford, at the urging of the governing Council, established the free enterprise system, and the Plymouth Plantation began to grow and prosper.

The Pilgrims had learned their lesson the hard way. But, from the agony of "the starving time" there has grown the most productive and most wealthy civilization that the world has ever known. In Thanksgiving, it has shared the product of its work with virtually every nation in the world.

Thanksgiving is truly a capitalist holiday.

Thanksgiving 1972

All of us can be proud of and thankful for our remarkable heritage, our many blessings, and our hopeful future.

With hindsight we can quibble about some of the actions of our forefathers, but we should be forever grateful that they fought for freedom and won, that they sought and achieved a government responsible to the public will, and that they developed a competitive economic system under which our people have grown and prospered.

George Washington's call for "humble thanks" in his first Presidential Thanksgiving Proclamation asked his countrymen to pray for forgiveness of "our national and other transgressions," for performance of their duties "properly and punctually," and for a "government of wise, just and constitutional law, discreetly and faithfully executed and obeyed."

The Father of our Country urged his people to pray for other nations "to bless them with good governments, peace, and concord; to promote the knowledge and practice of true religion and virtue, and the increase of science among them and us; and generally, to grant unto all mankind such a degree of temporal prosperity as He alone knows to best."

Darlene Rohmer Andy Truebenbach Exchange Vows

In wedding rites solemnized in Sacred Heart Church on Saturday, November 18 at 4:00 in the afternoon, Miss Darlene Rohmer became the bride of Andy Truebenbach, Jr. Their parents are Mr. and Mrs. Alfred (Johnny) Rohmer and Mr. and Mrs. Andy Truebenbach, Sr. Father Leonard Wangler officiated at the Nuptial Mass with a double ring ceremony and heard the couple pledge their vows.

Presented at the altar by her father the bride wore a lovely gown of Chantilly lace, featuring a Sabrina neckline and long tapered sleeves. Designed with cascading ruffles of scalloped lace, the skirt swept into a full cathedral train. Her veil of illusion gathered gently to a Juliet cap, was edged with matching lace and drifted softly the full length of the train. For something old, the bride wore a ring over 100 years old that first belonged to Mrs. Frank Hesse, her late great grand-mother and is the wedding band worn by Mrs. John Rohmer at her wedding 61 years ago. Darlene also wore her grandmother Rohmer's engagement ring, for

added sentiment. She carried a rosary borrowed from her aunt, Mrs. Leonard Hartman tied in her bridal bouquet. The rosary was a gift from the late Mrs. Henry Fette another great grandmother of the bride. She wore a gold cross and chain, gift of the groom.

The bridal bouquet was a cascading oval of white stephanotis, blue frenched carnations, white roses and lillies of the valley, centered with white glamellias interspersed with blue satin leaves and pearls, with blue and white streamers tied with lovers knots and pearls.

Wedding date chosen was of special significance since it was the groom's birthday.

Wedding Attendants

Maid of honor was a close friend of the bride, Miss Pam Walterscheid and bridesmaids were her nieces Miss Sonda Bayer of Howe, Texas, and Miss Vicky Haverkamp. Another niece. Karla Jo Hartman was flower girl. They were identically gowned in full length dresses of royal blue velvet with fitted bodice, high round neckline edged in a self ruffle and long sleeves with narrow ruffle edge. The slim skirt had a wide ruffle that brushed the floor and an overskirt with front apron effect also edged with a wide ruffle that lifted to the waist in back, creating a cascading effect. Their only jewelry, a gift from the bride, was a silver and rhinestone heart on a silver chain. Their brimmed hats were made of matching royal blue velvet and trimmed with poufs of lighter royal blue tulle. The dresses were all made by Mrs. Robert Bayer and the hats by Mrs. John Otto.

The attendants each carried a white fur muff adorned with a cluster of stephanotis blue frenched carnations and sprays of rhinestones and blue velvet leaves and tied with light blue streamers with lovers knots. They wore white lace up boots.

Train bearers were Denise Haverkamp and Lea Carol Bayer of Howe, both bride's nieces. Their dresses were identical to the bridesmaids, and they wore wristlets of fresh blue and white flowers with matching flowers tied in their hair. Ring bearer was Giles Wayne Truebenbach, groom's nephew.

Leading the bridal procession into church was Joe Bayer of Howe, nephew of the bride who carried a candle in a blue globe. Immediately after the wedding ceremony, the groom placed the candle on the altar in the St. Joseph Shrine in memory of his

Darlene Rohmer - - - bride's grandfather, the late Joe Fette. Young Joe is his grandfather's namesake.

Allen Truebenbach, groom's brother was best man and groomsmen were Stephen Stoffels groom's cousin and Dwayne Rohmer bride's cousin. Ushers were Steve Rohmer, Tim Hartman and Larry Vogel also cousins of the couple.

After Mass the bride placed the traditional floral offering a blue carnation on the Blessed Virgin's altar. Wedding music was given by Miss Mary Lou Kralicke, organist and Mrs. David Walterscheid and Dr. Martin Kralicke, vocalists. Before Mass Mrs. Walterscheid sang "I Loved You Once in Silence"'. When the couple presented a candle at St. Joseph's altar Mrs. Walterscheid and Dr. Kralicke sang in duet: "Let It Be Me". At the Offertory she sang: "One Hand, One Heart" and at Communion he sang: "Love Story". When the couple went to the Blessed Virgin's altar Mrs. Walterscheid sang: "Mother, at Your Feet We're Kneeling."

For the processional, Miss Kralicke played "The Whiter Shade of Pale" and "If Ever I Would Leave You" as the recessional.

The church sanctuary was decorated in a formal setting with two Roman pillars at each side of the altar holding arrangements of white chrysanthemums and two white floor candelabras with lighted votive crystals and stephanotis and tied with blue satin bows with lovers knots. Altar boys were Billy Haverkamp, Billy Rohmer, Terry Rohmer, Joe Hoedebeck and Chris Stoffels.

Wedding Reception

Wedding reception, dinner and dance were held in the V.F.W. hall where 275 guests were registered by Misses Teresa Hoedebeck and Carla Schilling. The registration table was covered with a lace cloth belonging to the bride's late great- grandmother, Mrs. Joe Otto and held the bride's picture and a memory candle, gift of Sister Fidelis Rohmer and a flower arrangement of blue carnations and white starburst mums a gift of Marie and Nora Truebenbach.

The bride's table was covered with a floor length linen cloth and had a scalloped skirt of blue chiffon caught up by clusters of white wedding bells tied with blue satin bows. The table held two candelabra with blue and white candles and was centered by the four tiered wedding cake. Between the two upper and two lower tiers were supporting columns and the bridal figurine. Atop the cake was a cluster of blue rosebuds and silver leaves. Blue satin ribbons extended from the figurine to two heart shaped cakes, inscribed Darlene and Andy. A white dove decorated each of the smaller cakes and tiny white wedding bells hung from the ribbons. The cake was made and cut by Mrs. Charles Bayer and served by Linda Sicking, Florence Hess and Karen Walterscheid close friends of the bride. The cake knife used was a gift from Mrs. Joe Fette bride's grandmother. An unusual white wall back-ground for the bride's table was centered with a large silvered heart and blue bow with streamers, two love birds holding streamers inscribed Darlene and Andy, starburst mums, and blue chiffon with two smaller hearts to each side. Four floor urns of palm plants completed the setting.

For her daughter's wedding, Mrs. Rohmer chose a formal length gown of turquoise with white accessories with a white orchid corsage.

The groom's mother wore a brown and beige dress and sleeveless coat ensemble of formal length and a white orchid corsage. Grandmothers of the pair wore corsages of white glamellias.

For traveling the bride wore a navy blue suit with red accessories. When they return from their wedding trip they will make their home in Muenster. Both are graduates of Sacred Heart High. He is employed at A.M.P.I. and she is employed at Jr. Elite.

Out of town guests were Don Bayer of Waco, Mr. and Mrs. Joe Spaeth of Longview, Everette Spaeth of Dallas, Miss Becky Lacy of De Soto, Mr. and Mrs. Morton Wright and family of Irving, Miss Ida Rohmer of Fort Worth, Sister Romana of Little Rock, Mrs. Della Bayer and three children of Howe; Mr. and Mrs. Henry Bartel of Pilot Point, Mr. and Mrs. Marvin Tischler, South Mayd, Alvin Hacker of Denton and Mr. and Mrs. Roger Fleitman of Gainesville and Mr. and Mrs. Pete Orona and daughter, Jeannie of Myra.

Rehearsal Dinner

A rehearsal dinner was hosted by Mr. and Mrs. Andy Truebenbach, Sr. and was served by Misses Nora and Marie Truebenbach. The tables were covered in white and held blue and white flowers. An arrangement of white spider mums and white carnations centered the bride's table. Forty guests attended the candlelight dinner.

Church Ceremony and Reception Mark Schumacher Golden Wedding

When Mr. and Mrs. Henry Schumacher of Gainesville celebrated their golden wedding anniversary, their four children, thirty four grandchildren and one great grandchild were all in attendance.

Also present were their attendants of fifty years ago her sister Mamie Schneiderjan and their friend Joe Hofbauer.

Mass and renewal of marriage vows in St. Mary's Church, officiated by Father James Gillespie, were followed by a reception and dinner in the Knights of Columbus Hall, hosted by the children of the honor couple. They are Leona, Mrs. Ben Miller; Richard Schumacher; Mary Lou, Mrs. Bill Schroeder and Melvin Schumacher. A third son Henry Schumacher, Jr., lost is life in the battle of Luzon Island in May 1945.

Grand children also took a prominent part in the day's festivities. Four grandsons Dennis. Ronnie, Gene and Tim Schumacher were Mass servers. Ushers were other grandsons Glen Schroeder and Mike Miller. Grand-daughters Karen Schumacher and Mary Beth Miller presided at the guest book.

Opening the gifts were grand-daughters Sister Clarice Schumacher, Barbra Schumacher and Mrs. Larry Semmington. Other grandchildren helped serve the cake. The oldest grandchild Paul Miller reviewed the life history of the honor couple. He told that Henry Schumacher and Elizabeth Schneiderjan were married in Sacred Heart Church in Muenster on November 7 1922 by the late Father Frowin Koerdt. They lived in Muenster until August 1935 when they and their five children moved to a farm south of Gainesville where they operated a Grade A dairy farm until 1957.

They are members of St. Mary's Church and through the years have been active in church and community affairs. Mrs. Schumacher belongs to the Altar Society and the Downard-Fairplains Home Demonstration Club. Mr. Schumacher is prefect of the Third Order of St. Francis and a members of the Knights of Columbus. He is also president of Downard-Fairplains Progress Club and is active in the Cooke County Farm Bureau and was first president of that organization.

For their golden wedding anniversary Mrs. Schumacher wore a navy blue knit dress and a gold mum corsage. Mr. Schumacher had a gold boutonniere. Music was furnished by Sister Yvonne Lerner, Karen Schumacher and Patsy Spaeth. Sr. Yvonne sang "I'm in Love With My God" after renewal of vows and was accompanied by guitarists Karen Schumacher and Patsy Spaeth. At the Offertory Patsy Spaeth sang "On this Day, O Beautiful Mother" with Sr. Yvonne at the organ. During Communion, Sr. Yvonne sang "Panis Angelicus". After Mass all the guests joined in singing "Holy God, We Praise Thy Name."

The four children of the golden weds presented the Offertory gifts.

The golden theme was used in church decoration and throughout the reception hall.

The honorees' table held a three tiered cake with gold numerals signifying 50. Each of the children were represented by a small figurine while roses and one rosebud decorated the cake for the thirty four grandchildren and one great grandchild. The registration table held the Schumacher's wedding picture, a candelabrum family tree and an arrangement of gold flowers in a milk glass container. Gold flower arrangements with gold numerals 50 were on the guests tables. Added decor was a banner with an appliqued family tree made by Mrs. Richard Schumacher.

Right now, Mrs. Johnson is doing her housework.

Electricity is washing the dirty clothes and the breakfast dishes. Cleaning the oven. It's heating the baby's bath water, warming the house and simmering the soup for supper.

Mrs. Johnson uses 10 times more electric power around the house than her mother used 25 years ago. And each kilowatt-hour of that electric service costs her about one-half as much as it cost her mother. Electricity is one of the very few items that cost *less* today than they used to! Your electric bill is higher, because you use more electricity than ever before to help with the routine chores and keep your family comfortable. Electricity is still one of the biggest bargains in your budget.

While electric rates are low, TP&L's costs of producing and supplying electricity are high – and increasing rapidly. And, even though rates may have to be raised in the future, the Company is dedicated to keeping your electric rates as low as possible, consistent with good service.

IT'S A FACT: For the 20 years prior to 1966, interest rates on TP&L's debt issues ranged from 2¾% to 4⅝%. Since 1966, interest rates paid by the Company have averaged about 7⅛% and 58% of the Company's total indebtedness was incurred during this period.
