Red Sox Have Busy Schedule Next Two Weeks

BY CHARLES CONRADT

The regularly schedule game for last Sunday afternoon between the Goldthwaite Red Sox and Pat's Cubs of Fredericksburg was called off and will be played later during the season, it was announced by Clyde Estep, manager of the Red Sox. Announcement will be made when the game is rescheduled.

A busy season is ahead for the Red Sox during the next two weeks with games scheduled on Thursdays and Sundays.

Tonight the Red Sox will play the San Angelo Oilers at 8:00 o'clock on the local diamond.

Sunday they will travel to Medina for a regular league game in the afternoon.

Next week Thursday night, June 30, they will play host to the Coca Cola Bottlers of Austin on the local diamond.

On Sunday, July 3, they will travel to Seguin for a league game in the afternoon.

Thursday night, July 7, they will play a non-conference return match with the Fredericksburg Giants at Fredericksburg.

Mr. and Mrs. Carl Bledsoe of Stephenville spent last Sunday with Mrs. Allen Ross.

Local Girl Signs With All American Red Heads For Basketball Schedule

MISS MARIE REYNOLDS

Daughter of Mr. and Mrs. Boyd Reynolds of Goldthwaite has been selected a member of the All American Red Head Basketball Team, owned by Ora Moore of Arkansas.

On October 15, she will report to training camp in Arkansas for fifteen days of training, after which the team will play throughout the United States and Mexico.

Marie graduated from High School with the class of '55 and has been a member of the Goldthwaite Eaglettes the past three years.

Lions Club Sponsors Spring Dance Revue This Friday Night

The Miss Marty Snyder Spring Dance Revue of Dancers On Parade will be presented in Goldthwaite High School Auditorium this Friday night at 8:00 o'clock. The program is being sponsored by the Goldthwaite Lions Club as a benefit for the Club's community service fund.

Featured in the Revue are a number of young Goldthwaite Starlettes as well as a group from Brownwood and surrounding area. The Revue was sponsored by the Business and Professional Women and presented in Brownwood on June 2.

Members of the club have announced that a fine program is in store for folks from the Mills County area this Friday night and are urging everyone to come out and support this benefit performance.

Reserve seat tickets are now on sale at the Production Credit Association office.

More Than 70 Register For Swim Classes

More than seventy boys and girls from age six through school age registered Monday for the swimming instructions at Goldthwaite Municipal pool, it was announced by Ray Duren, chairman of the pool and park committee.

Of this number 44 are beginners.

Classes are being conducted from 9:00 a. m. to 11:00 a. m. each morning, Monday through Friday, this week and will continue through next week.

Instructors are Mike McCullough, John Gilliam, Robert Dudley Jordon and Joe Hammond. All of these instructors passed their requirements at the swimming instructors course given at the local pool last summer to qualify for conducting swimming classes.

Unpaid 1954 County And State Taxes Go On Delinquent List After June 30

Announcement was made Wednesday by C. F. Stubblefield, Mills County Tax Assessor and Collector that all unpaid 1954 county and state taxes will go on the delinquent tax list as of July 1.

Folks are reminded that next week Thursday, June 30, is the last day for them to pay their 1954 taxes and avoid being placed on the delinquent list.

Those remaining unpaid on July 1, and placed on the delinquent list will be charged additional interest along with the penalty that has already been applied.

Mr. Stubblefield stated that tax collections for 1954 have been very good to date and only a small percentage are unpaid at this time.

Ben W. Newhouse To Attend Meeting At College Station

Ben W. Newhouse, superintendent of Mullin Schools is attending the County Superintendents Association meeting in College Station this week. He is to serve on a panel discussing the subject: "The Role of the Intermediate Level Services in Texas Public Education."

Through the Texas Small School Association, he has made extensive surveys on the "trends of services performed by the County Superintendent's office," and will give invaluable information for those in attendance.

Wheat Marketing Quotas For 1956 To Be Decided This Week Saturday

COLLEGE STATION, (Spec.) —The final decision on whether or not marketing quota controls will apply to wheat produced in 1956 will be made by wheat growers this week Saturday, June 25.

According to the Texas Agricultural Stabilization and Conservation Committee, if two-thirds vote "yes", the support for the 1956 crop will probably be between 75 and 82 percent of parity—the exact level will be announced before the referendum. If more than one-third vote "no", the support will be 50 percent of parity. In any case, points out the committee, support will be available in the commercial wheat states only to those farmers who stay within their farm's wheat acreage allotment. Texas is a commercial wheat state.

If, points out the committee, the vote is favorable, market quotas will be in effect and growers who exceed their farm acreage allotment will be subject to a marketing penalty of 45 percent of parity on their excess wheat. If the vote is unfavorable, there will be no marketing quotas and no penalty for excess wheat.

Acreage allotments will be in effect for price support purposes even if marketing quotas are disapproved. The national acreage allotment for 1956 is 55 million acres—same as for 1955—which is the minimum established by law.

The State ASC Committee urges all eligible voters to study the situation carefully and make their decision. County ASC offices or committeemen can furnish detailed information on the referendum and the polling places.

LOCAL VOTING AT COURT HOUSE

Mills County wheat farmers will cast their ballots on the question in the county A. S. C. office in the court house. Polls will be open from 9:00 a. m. to 7:00 p. m., it was announced by A. C. Henderson, local manager.

Ralph E. Massey Completes 4 Years With U. S. Navy

Ralph E. Massey, DC2, who has served with the U. S. Navy for the past four years, received his separation papers on Tuesday of this week.

He and Mrs. Massey arrived here Tuesday night from Cabaniss Naval Air Base, Corpus Christi, Texas, where he has been stationed for the past three months.

They will visit with their parents, Mr. and Mrs. Vic E. Koleber and Mr. and Mrs. Jess Massey and other relatives and friends for a few days before moving to Denton, Texas, where they are both entering North Texas State College.

They will enroll for the July 14 summer term.

Weather Report

Rainfall recorded in Goldthwaite from Wednesday noon of last week to Wednesday noon of this week, by official weather observer Harry Allen, measured .43 of an inch.

This brings the total for the month of June to 3.14 inches.

Bro. Mayfield left Monday morning to attend the meeting and is expected to return next Monday.

Peggy Rowlett, daughter of Mr. and Mrs. Homer Rowlett, spent the past week in Corpus Christi where she was a guest of her uncle and aunt, Mr. and Mrs. Ralph E. Massey.

Robert Henry Johnson returned to Dallas Sunday after a week's visit with his parents, Mr. and Mrs. Bob Johnson.

Mrs. Foy Von McCasland and children of Mount Pleasant are visiting Mr. and Mrs. J. B. McCasland.

Mr. and Mrs. Albert M. Hunt Jr. and children of McAlester, Oklahoma, are guests of his parents, Mr. and Mrs. A. M. Hunt.

Revival Speaker

REV. HERMAN RICE

pastor of the Baptist Church at Waxahachie., Texas, will be the Evangelist for the Star Baptist Revival that is scheduled to begin this coming Sunday, June 26, and continue through July 3.

The meeting will be held in the Star Tabernacle with services being held at 11:00 a. m. on Sunday morning and 8:00 o'clock in the evenings.

Everyone is invited to attend the meetings.

America's Most Outstanding Farmer To Speak At Brownwood Next Tuesday

CLINTON HARBERS, WEST POINT, TEXAS

Brownwood— America's most outstanding young farmer will discuss his profitable conservation farming methods here Tuesday, June 28. He is Clinton Harbers, 33-year old West Point, Texas, farmer, recently named 1955 national winner of the U. S. Junior Chamber of Commerce Farmer Achievement Award.

Harbers, who won the coveted $5,000 Hoblitzelle Award in 1953 for outstanding contribution to rural life, will speak at two programs in Mims Auditorium at Howard Payne College. At 10 a. m. he will address Future Farmers, 4-H boys, vocational agriculture teachers and county agents. At 2 p. m. he will speak to farmers, ranchers, businessmen and professional people.

Harbers' visit to Brownwood is being sponsored by Citizens National Bank, Brownwood, the agriculture department of Howard Payne College, and the Brown-Mills Soil Conservation District, in co-operation with the Bastrop-Fayette Soil Conservation District.

Harbers will discuss the farming methods he has used to get heavy production of various field crops. His methods have gained him wide recognition. He won the FORT WORTH PRESS award as the outstanding comeback farmer in Texas after he developed swamp land into a 620-acre productive farm.

Three Mills County Men Honored, For Long Service, By Gulf Oil Co.

Marvin Hodges of Goldthwaite was honored at a dinner Tuesday night, last week, in Lampasas, by the Gulf Oil Corporation in recognition and appreciation of his close business association with that company as Consignee for the past 24 years.

Also honored at the meeting were Kelly Saylor of Goldthwaite for 20 years association as a dealer and G. R. Wagner of Priddy for 8 years as a dealer.

A bronze plaque was presented to each of the above men in recognition of their long association with the company.

Gulf District Manager, Mr. V. C. Jung, in making the presentation said, "Gulf is proud of its veteran Consignees and dealers who have been so faithfully and importantly associated with the company throughout the years. These independent businessmen like Mr. Hodges, Mr. Saylor and Mr. Wagner are the backbone of our marketing endeavor, and represent the company to the vast majority of the motoring public."

"They are the men", Mr. Jung continued, "who aided in changing the concept and function of retail gasoline outlets from 'filling stations' to 'service stations,' and have furthered petroleum retailing in the process."

Gulf dealers are honored after completing five years' association with the company, and for every additional five-year period thereafter.

Altogether, some 13,636 Gulf dealers now belong to this veteran's group, with 580 having 25 years' association with the company, 269 with 30 years, 86 with 35 years, 27 with 40 years, and 3 with 45 years.

J. T. Jones Attends Work Conference

J. T. Jones, Supt. of Goldthwaite Schools along with one hundred and six school leaders, most of them school superintendents, attended a one-week University of Texas work-conference on "The Superintendent and the Improvement of Teaching," last week.

Work-conference consultant was Dr. A. J. Stoddard, superintendent emeritus of Los Angeles public school. Questions considered in discussion sessions included the following:

What constitutes good teaching? What condition promotes effectiveness of teaching? How can the superintendent appraise practices and results? What can he do to improve teaching?

Master Bill Atkins of California is a guest of his uncle and aunt, Rev. and Mrs. Walter J. Cartwright.

Congressional Democrats Urge Rayburn for Veep

Garner Set a Precedent; Sam's Age Not a Factor

Special to Central Press

WASHINGTON—There is a move stirring among congressional Democrats to boom House Speaker Sam Rayburn for a vice presidential nomination at the 1956 Democratic convention.

Rayburn, according to intimates, would not be averse to climaxing a distinguished Washington career with the vice presidency. One of his eldest friends, Cactus Jack Garner, similarly moved from the speakership to the vice presidency.

Speaker Sam Rayburn

In addition, Rayburn advocates contend his age would not militate against him inasmuch as former Vice President Alben Barkley was an elderly man when he ran as a running mate with ex-president Harry S. Truman.

Rayburn, who has presided as Speaker of the House longer than any other American in history, would draw popular endorsement from every segment of the Democratic party. His following, as attested by the recent testimonial dinner held in Washington, crosses geographic and sectional lines.

● WOMEN WANTED—In the Republican political camp, President Eisenhower's political advisers are keeping an eye out for a possible new woman cabinet member, especially so since the President himself told a news conference Health, Education and Welfare Secretary Oveta Culp Hobby has said she may have to resign because of personal reasons.

Mrs. Hobby's retirement as the only woman cabinet member presumably would be prompted by the ill health of her husband.

Republican strategists are keenly aware that the women of America were a major factor in his 1952 landslide victory and would advocate that another woman be named to succeed Mrs. Hobby if and when she leaves.

Among the potential candidates for such a post are Miss Bertha S. Adkins, top aide to GOP National Chairman Leonard W. Hall; Mrs. Olive Ann Beech, dynamic president of the Beach Aircraft Company, and Miss Catherine Cleery, Wisconsin bank executive and former assistant to Treasury Secretary George M. Humphrey. Two others given prominent mention are Dr. M. Eunice Hilton, president of the National Association of Deans of Women, and Miss Camille Davies, executive director of *McCall's* magazine.

● RUMOR HUNTING—Senator Estes Kefauver (D), Tennessee, tracked down a Washington rumor recently and found it came from his own front door. On a recent television interview, Kefauver was asked about a report he intends to sell his house. He was asked: might this be a clue that he hopes to move into the White House in early 1957? The senator replied he isn't a presidential hopeful and he didn't even know his house was up for sale.

Mrs. Kefauver then recalled that the senator had ence mentioned casually to his family that it might be well to get a larger house because the four Kefauver children were growing up. All four children dissented, because they liked the neighborhood.

Kefauver's 13-year-old daughter met him at the door a few days later and suggested she might have a solution. There was a vacant lot nearby where a larger house could be built and they could still live in the same neighborhood. As far as the senator can determine, that's the way the rumor got started.

Public weigher Jones has reappointed Miss Ruth Power deputy weigher and she will be found, at J. B. Fergurson's office where she has use of accurate scales.

VIC'S .... SOLILOQUY

From all indications Mills County farmers and ranchers now have a good opportunity to make a really fine feed crop this year. Reports coming to us lead us to believe that, with a little more rain during the summer season, chances are this year they will produce more feed than they have in a long time.

One example of fine feed that is being cut and baled at this time was displayed one day last week by J. M. Mays who resides out on Moline Route. He brought a sample of his Millet crop and left it on display at the Production Credit Association office. It measured a good five feet tall and had heads four to five inches long.

He said he had just started to cut the crop and some of the fellows who were cutting it for him estimated that much of it would make a good 50 bales per acre. He had 20 acres.

Other reports are that feed crop prospects throughout the county certainly are looking good as well as the corn crop.

With rains coming to this area as they have since May first grazing prospects are the finest they have been during the past five to six years.

While these encouraging signs may not mean too much in the way of increased prosperity right at the moment it certainly will mean much during the coming winter and next spring.

The following letter was received from Miss Lowanna Calder, president of the Mullin FHA Chapter: "I received your card asking for one of my pictures. The request certainly came as a surprise but I do appreciate it. Enclosed is one of my school pictures, which I hope will be satisfactory. On behalf of the F. H. A. of Mullin I wish to express our appreciation for all you have done for us in the past year and I feel sure you will be able to help us in the coming year."

The following appears on a sign in front of a business estlablishment on Fredericksburg Road in San Antonio: "We don't want all the business—Just Yours.

There is nothing like good old American Industry. Under such a system everyone has an opportunity to try and make a go of it on their own and they also have the opportunity to fail at it.

American initiative and industry at work has again been clearly demonstrated during the past week right here in Goldthwaite. You can see for yourself.

Miss Jane Ann Steen Becomes Bride Of Lt. Thurman H. Johnson

MRS. THURMAN H. JOHNSON

Miss Jane Ann Steen, daughter of Mr. and Mrs. Robert L. Steen, became the bride of Lt. Thurman Harley Johnson, son of Mr. and Mrs. Leon Johnson of Lometa, in a double ring ceremony read by Rev. Fred J. Brucks of Kerrville at 8:00 p. m. Friday June 17 in the First Methodist Church of Goldthwaite.

Mrs. John G. Berry played the wedding music and accompanied Mrs. Don Hendley of Abilene, who sang "Through the Years" and "I Love Thee."

Miss Martha Carolyn Graves and Miss Kathyrn Ann Brim, cousin of the bride, lighted the candles.

Kenneth Stevenson of Fort Worth was best man. Ushers were William R. Canan of Snyder and Jim Bob Steen of Marfa, brother of the bride.

Mrs. Billy R. Harper was matron of honor. Misses Robbie Jay of Tulsa, Oklahoma and Yvonne Johnson, sister of the groom, were bridesmaids.

The feminine attendents wore identical frocks of Mauve Crystallette designed with a draped off the shoulder neckline in the fitted long torso bodice with full skirts. They wore matching velvet half hats, gloves and slippers. They carried white baskets of pink daisies and sweetheart roses with white ribbon streamers.

The bride, given in marriage by her father, wore a carpet length gown of white Chantilly lace and tulle over taffeta. The lace over taffeta bodice had a portrait neckline edged with tulle and outlined with appliqued hand clipped lace flowers. She wore elbow length lace gauntlets and her veil of tulle was attached to a tiara of seed pearls and rhinestones. Her jewelry was a strand of pearls, a gift from the groom. The bride carried a white Bible topped by a white orchid with stepanotis and lily of the valley streamers.

At the reception in the Church Fellowship Hall the houseparty included: Mmes. J. W. Saylor, Kingsville; J. B. Steen, Marfa; J. D. Brim, Brownwood; W. L. Jones, Waco; John G. Jones, Brady; and E. B. Gilliam, Goldthwaite; Misses Jan Free, Abilene; Kathryn Ann Brim, Brownwood and Martha Carolyn Graves, Goldthwaite. Music was played by Lathon Jernigan.

When the bridal couple left for a wedding trip to Hot Springs, Arkansas, the bride wore a gold toned cotton suit, white braid and rhinestone trimmed, with white accessories and a white orchid corsage.

Mrs. Johnson is a graduate of McMurry College in Abilene and Lt. Johnson is a graduate of Texas A. & M. College.

When they return from their trip Lt. and Mrs. Johnson will go to San Antonio where he will report July 15 for service in the United States Air Force.

Miss Jane Ann Steen Honoree At Luncheon

Mrs. E. B. Gilliam entertained Miss Jane Ann Steen, bride-elect of Thurman Johnson, with a buffet luncheon last Friday.

A pink and white floral arrangement centered with a bride and groom on the table carried out the bride's color scheme. Miss Steen was presented a pink carnation corsage and a salad fork in her silver pattern by the hostess.

Guests included the honoree, Mmes. R. L. Steen, John Berry, Billy R. Harper, Jim Bob Steen of Marfa, F. J. Brucks of Kerrville, J. W. Saylor of Kingsville, Misses Robbie Jay of Tulsa, Oklahoma, Kathryn Brim of Brownwood and Martha Carolyn Graves.

T. C. Wards Visit Here Last Week

Mr. and Mrs. T. C. Ward of Dallas spent part of their vacation in Goldthwaite last week in the home of Mr. and Mrs. L. J. Ward and children. They were enroute from Camp Dallas, Mineral Wells, Texas where they visited their son, Don who is in R. O. T. C. Camp.

Don was not injuried in the storm there last week that blew all their tents away.

The T. C. Wards also purchased a new car while in Goldthwaite.

Habakkuk's Faith Tested

ILLUSTRATED SUNDAY SCHOOL LESSON

By Alfred J. Buescher

Scripture—Habakkuk.

The Prophet Habakkuk cried in agony to God for his people whose sins were bringing destruction upon them: "O Lord, how long shall I cry, and Thou wilt not hear! even cry out unto Thee of violence, and Thou will not save!"

Habakkuk foresaw that the Chaldeans would overrun his country, for they were a "bitter and hasty nation," whose horses were swifter than leopards and more fierce than wolves. He would trust in Jehovah who was punishing His people for their correction.

The Lord answered Habakkuk as he stood upon a tower (a fenced-in place) and said: "Write the vision, and make it plain upon tables, that he may run that readeth it." The vision is not yet come; wait for it.

Through all his anguish of spirit, Habakkuk never lost his faith in Jehovah, crying: "Yet will I rejoice in the Lord, I will joy in the God of my salvation. The Lord is my strength."

MEMORY VERSE—Psalm 56:3.

...ow Pastures Early To Control ...eeds And Improve Grass Conditions

...OLLEGE STATION, (Spec.) ...low your pastures early for ...weed control while there is plenty of moisture in the soil."

That timely reminder comes from E. M. Trew, pasture specialist for the Texas Agricultural Extension Service.

Drouth and overgrazing has thinned stands of grass in most permanent cultivated pastures. Trew explains that this condition coupled with recent rains is likely to make the control of weeds in pastures a bigger problem this summer.

Mowing will help eliminate weeds, sprouts and bushes and clears the way for more desirable plants. It also serves to keep existing grasses growing and succulent, making them more palatable and nutritious to grazing animals.

Start mowing when the worst weeds begin blooming, before they can drop a seed crop. Some plants such as bitterweed and rosinweed may require more than a single cutting.

Don't mow too close, he cautions. Set the cutter bar just low enough to catch the weeds.

The specialist says that under certain conditions mowing is not advisable.

It won't pay, for example, on pastures too poor to support anything better than three-awn needlegrass and various weeds. If a stand of grass is not thick enough to shade the soil, mowing in hot dry weather may let the sun bake the soil, harming the grasses already present.

Many of the native tall bunchgrasses such as the bluestems can not stand repeated mowings, Trew adds.

Cash Income Of Texas Farmers Up 4% During January-April Period

AUSTIN, (Spec.)— Cash income of Texas farmers' has risen 4% during the January-April period of this year, compared with the same four months of 1954. The University of Texas Bureau of Business Research reports that nearly all farm commodities accounted for increases in income, with wheat soaring at a 53% increase, followed by oats (plus 30%), corn (plus 20%), fruits and vegetables (plus 20%), mohair (plus 17%), and peanuts (plus 16%). Only hogs (-11%), wool (-6%), and cotton (-4%) registered decreases for the year-to-year comparison.

Although cash income has risen, Texas farmers found that prices paid for their commodities during April dropped slightly (-1%) from April 1954. Livestock and livestock products registered a 6% decrease in prices, followed closely by a 4% decrease in food grains.

The seasonal upswing in marketing activity which occurs each spring nearly doubled railcar shipments of livestock during April from March. Cattle shipments increased 101% and calves 149%. These sharp rises are only seasonal in nature, as evidenced by a comparison with April 1954 shipments, which were only 2% below this April's.

The U. S. Department of Agriculture reported that Texas' 1954 cotton crop exceeded the previous 10-year average of 3,239,000 bales by 21%. The revised estimates were based on final ginnings, as reported to the Bureau of the Census.

The recent heavy rains which fell over much of the state were greeted enthusiastically by farmers and ranchers. After an extensive tour of the drouth area, Agriculture Commissioner White stated that the rains did not mark an end to the drouth, although they could be classified as "drouth denters." He predicted it would take a wet year, maybe two, before farmers could breathe easily. Yet, some areas of the state have already received as much rain this year as they did for the full year of 1954.

Carload shipments of fruits and vegetables were down 7% for the period January-April of this year compared with the same four-month period of 1954. Late spring freezes which wrought heavy damage to many fruits and vegetables growing areas might well account for this decrease in shipments, as well as the 43% increase in prices received by farmers for fruit.

Livestock Feeding For Summer Months

COLLEGE STATION, (Spec.) —Protein supplements, minerals and plenty of roughage form the necessary combination for keeping livestock healthy and growing during the dry, summer months when green grazing is short.

Too many producers overlook the protein supplement and mineral part of this combination, according to U. D. Thompson, extension animal husbandman. Livestock need more than dry grass—oft times the only feed available in mid-summer.

Thompson suggests supplementing the roughage, whether it be dry pasture, baled hay or bundles, with two pounds of cottonseed meal or cake for each animal daily. Research has shown that 41 percent protein supplements are the most economical to feed.

Granulated salt and steamed bone meal supply the necessary minerals, Thompson says. These may be fed free-choice separately or in combination.

By creep feeding, producers can lighten the load on mother cows and market heavier calves. Start the calves on oats, Thompson suggests, slowly reducing the oats and adding corn. When all green grazing is exhausted, the addition of 10 pounds of cotton seed meal to each 100 pounds of grain mix is recommended.

Funeral Services For Mrs. F. A. Carr Conducted At Center City Sunday

Funeral services for Mrs. Paralea Minerva Carr, 72, were held in the Baptist Church of Center City, Monday afternoon at 2:00 o'clock. Services were conducted by Rev. M. E. Fairchild of Gatesville and Rev. Ramon Sims of Star.

Mrs. Carr was born, February 28, 1883, in DeQueen, Arkansas, daughter of the late Mr. and Mrs. McDaniel. She passed away at her home in the Center City Community, Sunday June 19, 1955. She was a member of the Center City Baptist Church.

In 1907 she was married to J. A. Elliott in Oklahoma. To this union four sons were born, all of whom survive. On June 19, 1931, she was married to F. A. Carr of Oklahoma and moved to Texas making her home in Center City for a number of years.

Survivors are the husband, four sons, William Bryant of Grand Prairie, John Lee of Goldthwaite, Henry Elmer of Whitesboro and Rufus Barney Elliott of Arlington; twenty grandchildren; a sister, Mrs. Alice Deaton of Stonewall, Oklahoma; two brothers, Barney McDaniel of Pittsburg, Oklahoma and Rufus McDaniel of California. Also surviving are two step children, five step grandchildren and a host of friends.

Pallbearers were: Carey Owens, Sherwood Owens, Arbray Head, Charlie Horner, Kenneth Coffman and Herbert Coffman.

Funeral arrangements were under the direction of the Roy Wilkins Funeral Home with interment in the Center City Cemetery.

Ariel E. Newton Funeral Services Are Held At Sonora Last Thursday

Funeral services for Ariel E. Newton were held in the First Methodist Church of Sonora last Thursday morning, June 16 at 10:00 o'clock, with W. H. Marshall, local Methodist minister officiating, assisted by a nephew, Jack Riley.

Ariel Newton was born to Esto and Allie Newton in the Pecan Wells Community on October 22, 1919. He lived in that and the McGirk Communities where his parents were farmers and attended the McGirk school until his family moved to Evant in September 1932.

He lived at Evant and attended school there until he graduated in 1937. He continued to help his father with farming until August 1938, at which time he went to live with the family of his brother, Ozro L. Newton at Pottsville, where he helped in the operation of a grocery store.

In 1939 he enlisted in the United States Navy. After recruit training at the Naval Base in San Diego, California, he was assigned to sea duty on the destroyer U. S. S. Bailey. When the new destroyer, U. S. S. Albemarle was commissioned he was transferred to that ship where he continued duty at sea and was promoted to the rank of Chief Gunner's Mate.

When the Battleship Iowa was built and commissioned during World War II he was assigned to that ship where he continued to serve in the same rank until his discharge from service in September 1945.

He was married to Miss Ruth Riley in February 1945. After his discharge they settled in Sonora where he became co-owner of Piggly Wiggly Grocery. While at the store he became ill and was carried to San Angelo and admitted to Shannon Hospital. He was discharged from Shannon and admitted to Baylor University Hospital, in Dallas June 1. He passed away June 14.

His body was brought to Hamilton and lay in state at the Bob Riley Funeral Home until Wednesday morning. His body was transported to Sonora where funeral services were held Thursday morning.

He was preceded in death by his mother, October 17, 1953 and two infant brothers.

Survivors include his wife, a daughter, Sandra Lou; his father, three sisters, Mrs. Naoma Rasson and Euva Turman, both of Sonora, and Mrs. Odessa Puritt of Fort Worth; three brothers, Ozra L. Newton of Dallas and Otto C. and W. Dawrmen Newton, both of Goldthwaite.

Pallbearers were A. W. Awalt, Ed Grobe, Nelson Stubblefield, S. M. Loeffler, and two brothers-in-law, Glen and Mack Riley of Pottsville.

Center City News

By MRS. JOE GREEN

Mrs. Frank Carr passed away at her home at 5:15 Sunday morning and was buried in the Center City Cemetery Monday afternoon. She was a good friend and neighbor. We extend our sympathy to her loved ones.

We would also like to extend our sympathy to the loved ones of Karl Doggett. He lived at Center City in his childhood.

The Baptist meeting began here last Friday night. Brother Fairchild of Gatesville is doing the preaching. A good crowd has attended each service.

Mr. and Mrs. Ace Kincheloe and daughters of Llano spent Father's Day with us.

Mr. and Mrs. J. W. Coffman of Evant attended the funeral services of Mrs. Carr here Monday.

Joe and I visited Mrs. Wesley Head Monday night and found her improving.

Mrs. Joe Wilds sister from Dallas is visiting her.

Hilda Mae Frank is visiting her aunt, Mrs. Oleta Stagmellor and attending the Vacation Bible School at Pottsville.

Chappell Hill

BY PEARL CRAWFORD

We received .7 inches of rain Sunday afternoon and one and ahalf inches Tuesday and Wednesday nights. Jess Ivy and A. L. Crawford reported 2½ inches at their places and some others report three and four inches of rain.

Mr. and Mrs. Allen Hardgraves and children attended Prayer meeting at the Church of Christ in Goldthwaite Wednesday night. When they returned home, they found all the creeks out of bank. They stopped at the Jess Ivy home and had a hard time getting an answer from honking the car horn. Mr. and Mrs. Ivy were in the celler and it was raining so hard they didn't hear the horn. The Hardgraves and Marshell Brown and son were delayed at the A. L. Crawford creek for several hours.

Albert Evans, W. P. Oxford and W. L. Conner all report a big rain. We have all been enjoying the croak of frogs. Folks have been wondering where they have been hiding.

Floyd Daniel and Mark were visitors of W. A. Elms last Tuesday.

W. P. McCullough was looking after livestock at his ranch recently. He drove by and visited George Crawford, who was plowing cotton. Mr. McCullough said after the good rains prospects for a good crop were much better then thought possible. Corn and feed crops were looking good and cotton was coming up. The grain crops were being havested.

Ernest Burdett visited George Crawford last Tuesday afternoon. Others who visited the Crawfords were: Mr. and Mrs. A. L. Crawford and William G., O. A. Evans, Joe Wilson and son. Mr. and Mrs. Joe Wilson are former residents of this community, who moved to Arkansas several years ago. They have bought a farm at Caradan. Mr. Wilson said they are happy to be back in good old Mills County.

O. A. Evans and Mr. and Mrs. J. C. Bramblett attended church at Mt. Olive Saturday night.

Larry Daniel of Fort Worth spent last week with his grandparents, Mr. and Mrs. R. F. Daniel.

Last Thursday after the big rain Mr. and Mrs. Jess Ivy were going over the telephone line and met Mr. and Mrs. A. L. Crawford and William G. at the Crawford creek working on the water gap. W. W. Williams joined them and they enjoyed a nice visit as well as getting a lot of work done. They drove Mr. Bramblett's cows back into the pasture. The big rain had washed his fence down.

Mr. and Mrs. V. T. Stevens announce the arrival of a grandson, David Dean, the son of Mr. and Mrs. Junior Fisher of Big Spring.

Mr. and Mrs. Troy McCarty and children of Abilene visited the Joe Greens Saturday. Troy is a cousin of Joe Green.

Mr. and Mrs. Travis Smith and Nancy of San Angelo visited the Greens Sunday.

Mrs. C. H. Bramblett came Saturday and took Mr. C. M. Bramblett to town.

News came to our community that Mrs. Clifford Dellis and Mrs. Jake Brown were in the sick list at Edinburg hospital. Their friends are hopeing for them a speedy recovery.

A. L. Crawford gave A. A. Evans a helping hand getting his car started Sunday.

Mrs. Floyd Daniel took Mark and Larry to the Vacation Bible School at the First Baptist Church at Goldthwaite during last week.

R. G. Ivy drove down from Fort Worth on his new motorcycle and spent last weekend with his parents, Mr. and Mrs. Jess Ivy.

J. C. and C. H. Bramblett visited his parents, Mr. and Mrs. C. M. Bramblett last Thursday.

Mr. and Mrs. W. A. Elms and Billie went to the Lake Sunday afternoon and on the way they visited Mr. and Mrs. Woodrow Ratliff and sons.

Susan and Sonnie Fisher of Big Spring are visiting their grandparents, Mr. and Mrs. V. T. Stevens.

Recent guests of Mr. and Mrs. W. W. Williams included Mr. and Mrs. Rosco Karnes and sons of Odessa, Junior Ruakel of Arlington, Mr. and Mrs. Bank Lathem of Gatesville, Mr. and Mrs. Allen Williams and family, Mr. and Mrs. Brown of Waxahachie.

Mr. and Mrs. Erroll Sheppard and children of Killeen spent Sunday with her parents, Mr. and Mrs. Levi Auldridge and other relatives.

Mr. and Mrs. E. L. Pass spent Monday in Brownwood with her sisters, Mrs. Phelan, Mrs. Sutton and Mrs. Mattie Casbeer.

Mr. and Mrs. Oscar Simpson of Garland spent last week with relatives here.

Sheriff and Mrs. C. F. Stubblefield and Sam spent Sunday in Eastland with her parents, Mr. and Mrs. L. A. Horn.

Last Rites For Karl Doggett Conducted In Austin Last Sunday

Funeral services for Karl Doggett were conducted in the Northwest Baptist Church of Austin, Sunday afternoon, June [illegible], at 3:00 o'clock, with Rev. Lloyd McGinnis and Rev Lucas officiating.

Karl was born September 2, 1921 in Mills County, son of the late Walter M. Lee Doggett and Mrs. Mabel Evans Doggett. After a short illness, he passed from this life June 17, 1955, at the Breckenridge Hospital, Austin, Texas. He grew to young manhood in Goldthwaite, and was a graduate of Goldthwaite High School Class of "1940." He was a member of the Goldthwaite Methodist Church.

On August 23, 1947, he was married to Marjory Rue Wetzel of Austin, formerly of Fort Worth. To this union two daughters were born, Kathy Rue and Jan Karlene. The later preceded him in death in 1953, also his father and brother, Elwain.

Survivors are the widow and daughter, Kathy of Austin; his mother, Mrs. Mabel Doggett, a brother Voyd Lee Doggett of Goldthwaite; two sisters, Louise Walker of Goldthwaite and Bonnie Fern Arnold of Austin.

Pallbearers were: Carson Barns, Garland Riggs, Ralph Miers, Bubba Pannell of Austin, Helio Narrinja of San Antonio and Jack Hightower of Kerrville.

Burial was in the Capital Memorial Park, Austin, Texas.

News Of The Ebony Community

By CLEMENTINE WILMETH BRILEY

Our rendezvous with Auld Lang Syne at the Briley home Tuesday, June 14—we each agreed—was one of the most wonderful days in all our life. The weather cooperated, giving us a beautiful day. And in spite of frequent showers, Cecil Egger got the road maintainer in here Monday afternoon and worked the road through our pasture.

Then early Tuesday morning, we the youngsters of long ago, began to assemble for one more day of happy association. Mrs. Edna Dwyer and Mr. and Mrs. Stanley Reeves shared with John and me the duties of host and hostess. Luther Jernigan came from Goldthwaite. Mr. and Mrs. Henry Egger came from Regency. Roscoe Reeves came from Gorman. He brought with him his sister, Mrs. Stella Reeves Pinette, of Houston; his cousin, Mrs. Flora Reeves Hodges of Brownwood and Mrs. Brownie Reeves White of Los Angeles; and his mother's cousin, Mrs. Edna Honea of Brownwood. Jim Wilmeth came from Brownwood bringing with him his sister, Mrs. Grace Wilmeth Bateman, who came by bus from Fort Worth. Also in the afternoon Flora's daughter, Mrs. Hazel Brooks, came from Gruver.

All of us, except Hazel, had lived here at Ebony in our childhood. It was wonderful to meet again after all these years. And our greetings were marked with tears of joy and many a fond embrace. Everyone contributed to the dinner, and what a feast! We also had a festival of memories; after dinner we told stories of our childhood. Then with Sister Grace at the piano, we joined in singing Auld Lang Syne; Long Long Ago; When You and I Were Young Maggie and Silver Threads Among the Gold. Grace and I sang Juanita in memory of our mother, who so often had sung it with each of us. Luther sang Old Rugged Cross. And before we separated we all sang God Be With You Till We Meet Again.

Wednesday afternoon the Dwyer-Brileys, the Stanley Reeveses, and our guests, Roscoe, Stella, Brownie, and Hazel, visited the old Reeves places. I was amazed to see so much of the John Reeves pear orchard still living. It was planted over 80 years ago. There was nothing much left at the Bill Reeves place but the cistern. And though no water has run in it from gutters for many years, it has plenty of water. It has become a well. Roscoe said the more he saw of this country, the more he saw the kindly face of his father. Ere our guest left we stopped for a few minutes at the Hubert Reeves home.

The wildflowers contributed to our pleasure. Daisies and wild zinnias throng our country roads. Often we see fields of daisies, and there are borders of daisies that look like snowbanks. Everywhere the beebrush is white with bloom, and the rain lilies are in bloom.

Mr. and Mrs. Sam Cutbirth and Mr. and Mrs. Threldon Cutbirth from near Houston have been visiting Mrs. Effie Egger and Clayton.

Mr. and Mrs. George Russell and children of Big Spring and Mrs. Paul Lockett and children from Sherman have been visiting their parents, Mr. and Mrs. Blue Thompson.

Mr. and Mrs. Ed La Rue of San Antonio and Mr. and Mrs. Hubert McMullen of Lubbock visited the Griffins recently.

Mr. and Mrs. Charm Whittenburg and Clint and Jack and Mrs. Taylor Duncan and Annette have called on the Brileys.

Mrs. Johnny Humphries' mother and aunt of Richland Springs are staying with her while Johnny makes a business trip to Dallas.

When Mrs. Edna Dwyer returned home Wednesday evening, she found that her niece, Mrs. Wildering Edwards of Lubbock, had hunted as far as the Briley's for her.

Mrs. Paul McClung and Martha and Willie of Wichita Falls visited Mrs. Edna Dwyer Thursday and Friday. Mrs. McClung is visiting her father, Jim Wilmeth in Brownwood. Paul, who is minister for the Church of Christ in Wichita Falls, left June 6, by plane, for a six weeks trip to the Holy Land.

We are looking forward with great pleasure for the Mitchells to spend Monday night with us. They will be on their way to El Paso to visit the Belishes. A card from Frank Crowder today invites the trio (Dwyer-Briley) to go home with him from church Sunday. His son, F. L. and family, are to be there. So for us there's never a dull moment.

State Fair Will Again Play Host To Newspaper Publishers On Press Day

Galveston, Texas, (Spec.) — The State Fair of Texas will play host to Texas newspaper publishers and their families on the traditional Press Day, which this year will be Saturday, Oct. 8, it was announced here during the annual convention of the Texas Press Association.

A highlight of Press Day will be the Texas-Oklahoma gridiron classic at 2 p. m. in the Cotton Bowl.

Other top attractions of the 1955 exposition will be "The Pajama Game," Broadway musical comedy which will be presented in the Auditorium; "Ice Capades of 1956," internationally famed skating spectacle appearing for the first time at the Fair; color television studios and a color TV theater with a giant movie-size screen, and the Pan-American Livestock Exposition featuring 28 breeds of beef and dairy cattle, horses, ponies, sheep, swine and goats.

More than 2,000 newspaper publishers and radio and TV executives with their families are expected to attend Press Day at the Fair this year.

At the press association convention here, the diamond-studded key to the "Texas Treasure Chest" was passed on by the retiring president of the TPA to his successor for the 17th time.

The golden key will be used in 1986, the Fair's 100th anniversary year, to open the chest which was buried beneath a monument to the Fair's founders in 1938. The chest contains historical documents and copies of more than 100 Texas newspapers. The key remains in the possession of the TPA president for safekeeping.

Farm Values Are Up In Texas

COLLEGE STATION, (Spec.) —Farm real estate values in Texas rose three percent between November and March and two percent during the 12 months ending March 1, according to a U. S. Department of Agriculture report.

Nationwide, the increase was one percent during the four month period and two percent for the year ending March 1.

Land values this March were above a year earlier in half of the states.

Records of farm sales show, according to the report, that from 40 to 50 percent of all land purchases in the wheat areas were made to enlarge existing farms. In the central Corn Belt at least a third of all purchases were for this purpose.

With many farms in these areas still below the optimum size for maximum efficiency, this type of demand can be expected to have a bolstering effect on the level of land prices for some time, the report suggested.

RE-ESTABLISHING TEXAS PASTURES

Drouth-breaking rains in many parts of the state have focused attention on the need to restore vital pasturelands ravaged by five years of burning dry weather.

Many thousands of acres of rangeland, especially in West Texas, have been relegated to "second table" or even barren condition during the drouth. Rainfall, alone, will not restore it to proper productivity without additional care.

Landowners must take into consideration the makeup of the soil when they start seeding operations. Plenty of seed but too little lime and fertilizer may mean "poor luck" in establishing a good pasture.

There are scores of reasons for poor stands and failures, including planting seed too deep or too shallow, lack of firmness of seed bed, use of poor quality or unadapted seed and competition by weeds. These are particularly true when a good legume-grass cover is attempted. Yet, the major cause appears to be a lack of plant nutrients.

Some 4 million of our nation's farms are below even minium standards on grass culture. The complacency shown by many growers in regard to regular and disastrous stand failures is costing them an extra $50 million a year for seed, alone.

Before seeding a field, it is to the farmer's advantage to get a complete soil analysis and determine what nutrients it may need to guarantee a good crop. On one Central Texas farm, proper fertilization meant the difference between 2,210 pounds of weed-free forage per acre as compared with a previous yield of 410 pounds containing 40 to 70 percent weeds.

Grassland farmers are urged to consult their county agents or write direct to the Texas Department of Agriculture, Austin, for soil sample information. Proper planting beforehand may mean the difference between success and failure in re-establishing pastures wiped out by the drouth.

Hillside Mission

By LIDA BYRNE

Probably some of us have wondered why our so called good luck changed to so called misfortune. The Bible says: "Say not thou, What is the cause that former days were better than these? for thou dost not inquire wisely concerning this." Eccl. 7:10. The Bible tells us in Job 28:28 that the fear of the Lord is wisdom and to depart from evil is understanding. "Wisdom is the principal thing; therefore get wisdom: and with all thy getting get understanding." Proverbs 4:7.

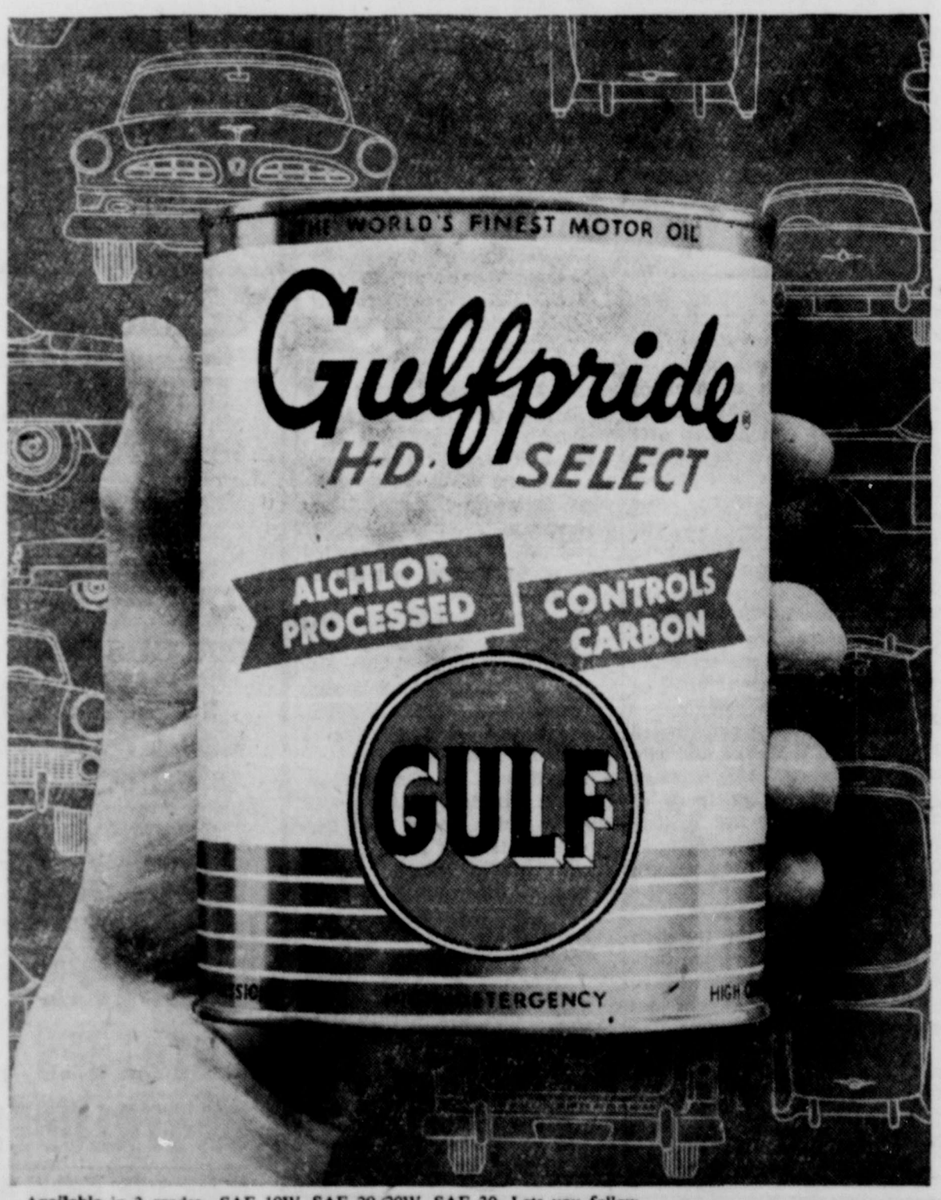
The makers of **Super-Refined No-Nox,** the clean-burning gasoline, now bring you a **new super-refined motor oil...**

New Gulfpride H.D. Select



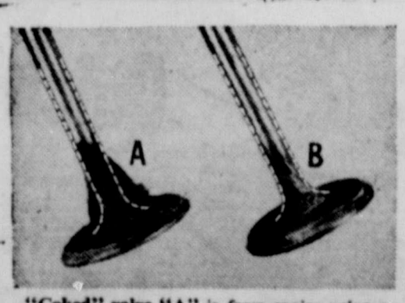
...the **only** motor oil in the world **super-refined** by the Alchlor Process for modern high-compression engines.

Not a compromise, multi-viscosity oil that tries to be an "all-season," "three-grades-in-one" oil. Contains no artificial thickeners that break down in your engine and increase oil consumption.

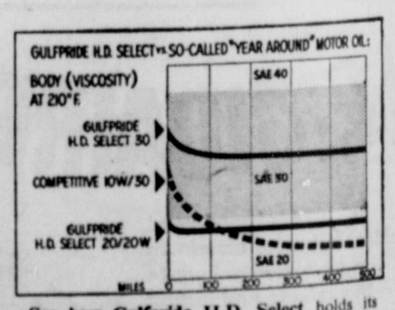
This completely new kind of motor oil—made possible by Gulf's exclusive Alchlor Process—is available in 3 grades to give you the finest protection, the best oil mileage for your make of car—*in every season.*

- **Controls carbon**—cause of knock, pre-ignition, valve failure and loss of power in high-compression engines.
- **Combats corrosive acids,** rust and deposits that build up on engine parts. Keeps hydraulic valve lifters quiet and free-acting.
- **Assures lower oil consumption** than the multi-viscosity "all-season" motor oils, because it has natural viscosity and contains no artificial thickeners that break down in your engine.
- **Provides the toughest protective film** ever developed in a motor oil . . . assures better engine protection for all cars under all driving conditions.

Available in 3 grades—SAE 10W, SAE 20/20W, SAE 30. Lets you follow *your* car manufacturer's recommendation *for each season.*



"Coked" valve "A" is from engine using a so-called "all-season," multi-grade oil. Coke-like carbon deposit is a cause of sluggish performance and ultimate valve failure. Clean valve "B" is from engine using new Gulfpride.



See how Gulfpride H.D. Select holds its "body" (viscosity). This new oil contains no artificial thickeners that break down under heat and pressure. But note how quickly a typical multi-viscosity 10W-30 oil starts to lose its body.

Rev. J. L. Jones filled his regular appointment at the Duren Church Sunday, and ate lunch at the R. C. Duren home.

We were blessed with a good rain and things are sure looking good.

Mrs. R. C. Duren and Mr. Luther Green were called to Smith County to attend funeral services for a cousin.

Southwestern Adopts New Billing System

Mrs. Evelyn Lee, revenue accounting clerk, stands by microfilm equipment and stacks of toll tickets now being used in connection with The Southwestern States Telephone Company's new method of billing subscribers for long-distance calls.

A change in the method of billing charges for long distance calls has been announced by The Southwestern States Telephone Company and will become effective with the next bills received by the Goldthwaite patrons of the company.

The system that is being introduced in Goldthwaite will become effective later throughout the Southwestern States exchanges that are operated in Texas, Oklahoma, Arkansas and Louisiana. This system is already in effect in several exchanges.

Letters were mailed Tuesday to the local subscribers of the telephone company. These letters explained the new system and contained an illustration on how to read the toll tickets that will be attached to telephone bills in the future.

Original tickets made by operators at the time a subscriber completes a long distance call will be attached to the telephone bill.

THE TICKETS WILL SHOW THE PLACE CALLED, DATE, LENGTH OF TIME OF THE CALL, THE PERSON MAKING THE CALL, AND THE CHARGE.

The total charges for these calls, including tax, will appear on the subscriber's regular rental bill.

Persons having a question regarding any call may bring or send the original ticket in question to the local business office for checking. A microfilm photographic record of long distance calls will be kept by the Company for future reference.

"We believe that this new method billing will be both convenient and advantageous to our subscribers," said John D. Allen, West Texas Division Manager. "Subscribers, will have the actual tickets from which they may observe the details of their long distance calls."

News About Social Security

People who work in private households — even handy men who do work outside the house and baby-sitters who are paid as little as $4.00 a week by one household employer, may now have their cash wages count toward old-age and survivors insurance. Benefits to a worker retiring in the future will range from $30 to $108.50 a month; total family benefits can be as much as $200.

Under the amended law, which went into effect on January 1, 1955, the old requirement that a household worker must work on as many as 24 different days for one employer to have his cash wages reported to his social security account was done away with. Now, if a household employer pays her cook, maid, housekeeper, or gardner $50 or more cash wages in a calendar quarter of the year, she must report those wages for the worker's social security account. It does not matter how many or how few days the worker is employed in the household.

What this means is that any person employed in a private household is now building old-age and survivors insurance protection for himself and his family if he is paid at least $50 cash in a 3-month period by a household employer. If he is paid $50 or more cash wages in two or more households, he will get social security credit for those wages also. Wages other than cash—such as board and room—do not count. If the household work is done on a farm operated for profit, it also counts toward social security but in a different way. A worker in a farm household must be paid at least $100 in cash wages in a year by the employer—just like hired hands who work on the farm.

Rest After Rain Is Reported Best Prescription For Pastures

COLLEGE STATION, (Spec.) —Rest after a rain is the best prescription for drouthy, overgrazed pastures.

Since many ranchers are carrying reduced numbers of livestock, producers should be able to defer one-fourth of their grazing lands without damaging the remainder, A. H. Walker, extension range specialist, says. This way many pastures can gain full advantage of recent soaking rains.

Pastures with most native grasses and vegetative cover will make the most recovery in a shorter period of time and should be deferred first, says Walker. Poorer pastures can be rested later since they may require several years to recover.

It's better to remove all livestock from a pasture than to leave it lightly stocked, he adds.

Defer for three to six months, or until frost. But if the grazing is needed sooner, wait at least until the growing grasses mature and drop a seed crop. Deferring promotes seed and plant reproduction in addition to increasing the vigor of existing plants.

The specialist recommends moderately grazing the pasture during the winter. This method provides some forage for livestock and helps distribute plant seed.

Many ranchmen looking over their bare ranges are considering reseeding. In some instances reseeding may be warranted but deferment more often does the job cheaper. If as much as 15 percent of the "key" grasses are left, rest rather than reseed, the specialist suggests.

Scout Troop 77 Enjoys Eventful Week Attending Camp Billy Gibbons

BY FLOYD LANGFORD

Boy Scouts of Troop 77 and their Scout Master returned last Sunday afternoon from a week's camping trip to Camp Billy Gibbons on the banks of Brady Creek, deep in the Hill Country, south of Richland Springs. A very nice time was had by all the boys and the outing proved to be very educational for bad weather camping.

Monday morning the Troop arrived in Camp and checked in. After dinner medical rechecks began and during the afternoon the boys set up camp and received their swim check. Troop 77, was one of the few troops to have 100% swimmers in camp. Monday night at the Council fire a number of Indian Dances were presented and the history of Camp Billy Gibbons and it's donor were told in a very impressive way by Lee R. Tesson. Also, new Campers at Billy Gibbons were initiated into the Council.

Tuesday morning the week's activities began in earnest and even though Brady Creek was swollen and very muddy from the recent rains, a very enthusiastic group of boys enjoyed swimming, rowing, canoeing, lifesaving and just having fun in general. A short distance from camp Mr. Tesson conducted morning classes in Archery. In the afternoon in Plum Hollow numerous boys under the guidance of Mr. Tesson tried out for marksmanship in various classes. Some of the boys can really shoot.

Wednesday night, to the sorrow of all, Herschell McNiel became ill and was carried to San Saba hospital, where his illness was diagnosed, Flu and Pneumonia, but being in the early stages and after several days treatment, he was able to return home Sunday. We were all very sorry Herschell was ill and missed most of the Scouting trip.

Thursday night Tom Cody Graves, Penn Barnett along with several other young men, were chosen candidates for the Ordeal honor in the Order of The Arrow.

Friday night the call-out for Brotherhood in the Order of the Arrow was held, and Scoutmaster Floyd Langford, along with several other Leaders and older boys was called.

Saturday night at the Court of Honor, Tom Cody Graves advanced to the rank of Life Scout, Gerry Head to Star Scout, Terry Pribble to 2nd Class Scout and Robert McKenzie and Jerry Duren received their Tenderfoot badges.

Merit Badges, Rickey Leinneweber, Lifesaving and Canoeing, Terry Pribble, Canoeing; Tom Cody Graves, Archery, Insect Life and Home Repairs; Richard Jones, Pat Rudd and Robert McKenzie, Swimming; Gerry Head, Cooking and Swimming.

Awards from Rifle Range: Pro-marksman, Terry Pribble, Richard Jones and Joe McKenzie.

Marksman, Rickey Leinneweber, Gerry Head, Gary Straley and Bill Clements.

Marksman First Class, Mike Hoover.

Tom Cody Graves is the sixth boy to win Archery Merit badge in Comanche Trail Council and the fourth awarded at Camp Billy Gibbons in fourteen years.

A Blue Ribbon was received for First Class Campsite.

During the Scout session, Saturday night, Troop 77 won first place with their "School Days" and second place with Troop song "Boy Scouts From The County Of Mills," composed by Mr. R. E. Clements.

Mike Hoover and Gary Straley were recognized as having the scores on the rifle range. Mike with 383 and Gary with 375.

Late Saturday night Tom Cody Graves and Penn Barnett received the final initation into the Ordeal of the Arrow, and Floyd Langford was admitted into the Brotherhood of the order of the Arrow.

A number of guests visited camp during the week. Mr. Linneweber and Dean visited one afternoon. Saturday night, Mr. and Mrs. Gerald Head, A. M. Pribble, Judge John L. Patterson, Dr. and Mrs. T. C. Graves and Carolyn, Mrs. Floyd Langford and Donny, and Mr. and Mrs. Norman Duren visited camp and attended the Court of Honor.

Sunday morning Mrs. Floyd Langford and Donny, Mrs. Ozella Jones and children and Dr. T. C. Graves attended church at camp. Other guests for lunch were: Mr. and Mrs. Dave Clements, Harold Yarborough, Mrs. Ozella Jones and children, Mrs. Floyd Langford and boys, Mr. and Mrs. Howard Campbell, Kay, and Cecil, Mr. and Mrs. Jack McKenzie, Mr. and Mrs. Warren Duren, Tom and Phil, John Hester and Mr. and Mrs. L. R. Rudd.

Soon after lunch the trip home began, and plans for next year's camp was already being discussed as Camp Billy Gibbons disappeared.

Boys attending Camp were: Mike Hoover, Bill Clements, Robert McKenzie, Joe McKenzie, Terry Pribble, Pat Rudd, Rickey Leinneweber, Richard Jones, Charles Wilkins, Herschell McNeil, Tom Cody Graves, Gary Straley, Gerry Head, and Jerry Duren, accompanied by Scoutmaster Floyd Langford.

State Capitol NEWS

By VERN SANFORD
Texas Press Association

AUSTIN, Tex. — A luncheon that didn't happen in the Governor's Mansion on Monday had statewide repercussions. It could affect the fate of Texas' Democratic delegates at the presidential convention next summer.

Democratic National Chairman Paul Butler completed a six-day speaking tour of Texas at Houston. It was billed as an effort to restore harmony between the liberal and conservative Texas Democrats.

Mrs. Hilda Weinert of Seguin, loyalist national committeewoman, joined in inviting Butler to Texas. But she boycotted his numerous banquet meetings because, she said, the loyalist Democratic Advisory Council's chairman, Judge Jim Sewell of Corsicana, took over, and froze out contacts with the conservatives.

Gov. Allan Shivers invited Chairman Butler to a luncheon with state officials at the Mansion, to be held June 20. Butler replied that his schedule was "too tight" but he'd be glad to see Governor Shivers in any city where he was billed to appear.

That angered liberalist John McKelvey of Electra, who had arranged the reconciliation conference of Shivers and Butler in Washington in May. He resigned from the Democratic Advisory Council.

Austin politicians were studying the effect of Butler's speaking tour. Some of them thought there had been considerable "double talk," as Butler's statements could be interpreted to suit any view.

At Waco late last week, Butler abandoned the "open door" theme of trying to lure back Democrats who had voted Republican in 1952. He invited the Democratic Advisory Council, his host on the tour, to "organize" the 6,000 Texas precincts with loyal leaders, for next year's showdown.

A significant feature of Butler's tour was that four prospective candidates for governor on the liberal ticket basked in the photographer's flash-bulb limelight.

At Dallas, Supreme Court Associate Justice Will Wilson appeared in his former home city as master of ceremonies at the Butler rally of over 1,000 liberalists.

John C. White, commissioner of Agriculture, sat at the head table.

Ralph Yarborough of Austin, strongly rumored as ready for a third try as the governor of the liberals, started out with Butler at Lubbock and showed up at nearly all his meetings.

And Senator Jimmy Phillips of Angleton showed up at a Waco rally for Butler.

Present also were several other Senators who aren't prospective candidates for governor—and half a dozen House members.

Butler's Houston appearance was before the state convention of the Young Democratic Clubs. Virtually all the potential candidates for governor on the liberal ticket showed up there too. White delivered the keynote address at the opening business session and Yarborough also spoke.

LAND OFFICE FLAWS

A 95-page audit documenting investigations of irregularities in the Veterans Land Board has been released by State Auditor C. H. Cavness.

Cavness emphasized throughout his report the need for additional field supervisors and investigators . . . . who can check continually to prevent irregularities in the $100,000,000 loan program.

The audit covered the period from Sept. 1, 1951 to Jan. 4, 1955 (the last day Bascom Giles was commissioner of the General Land Office and chairman of the Veterans Land Board).

LAND INQUIRY SHIFTS

After winding up its sixth week of investigation before Justice of the Peace Travis Blakeslee in Austin, the court of inquiry into overall operations of the General Land Office moved to Corpus Christi.

Twenty land office geophysical inspectors stationed in Corpus Christi will be questioned there this week.

RAINS BOOST CROPS

Unusually favorable moisture conditions throughout Texas have brightened the crop outlook considerably, says the U. S. Department of Agriculture.

Feed crops have made good development, according to USDA reports. Corn prospects are especially promising. Cotton prospects are "very promising."

Rains in scattered areas of central, eastern and northern Texas interrupted the harvesting of commercial vegetables, tomatoes in Centeral Texas and onions in North Texas.

Crops larger than last year are predicted for cantaloups, onions, potatoes and watermelons.

TURNPIKE BONDS

Biggest issue of "municipal" bonds in Texas history, was sold in Austin at an interest rate fractionally above 1.9 per cent.

Several investment groups joined in buying the $58,500,000 revenue issue of the Texas Turnpike Authority—first of its kind in Texas—and re-offering them to the public.

The money will build Texas' first toll road, between Dallas and Fort Worth.

Wales Sheldon Birthday Honoree

A wonderful day of visiting and feasting was enjoyed at the Charlie Sheldon home Sunday, June 19, in honor of the birthday of Mr. Wales Sheldon.

Those present to enjoy the festivities other than the hosts and honoree were: Mr. and Mrs. Chester Sheldon, Mr. and Mrs. Leslie Sheldon and family, Mr. and Mrs. Elbert Sheldon, Mr. and Mrs. James Perkins, Evelyn and Eldon all of Evant; Mr. and Mrs. Clair Sheldon of Snyder; Mr. and Mrs. Ben Wright of Hico; Mrs. Edith Hatley and Douglas of San Antonio.

Also Mr. and Mrs. Winifred Sheldon, Betty and Barbara; Mr. and Mrs. Al Soules; Mrs. Frank Sheldon and Miss Fredda Soules all of Star .

Cemetery Working At Rock Springs

There will be an all day cemetery working at Rock Springs, next Thursday, June 30.

Everyone interesed in the upkeep of this cemetery are urged to bring tools to work with and be prepared to spend the day, according to an announcement by B. D. Tippen.

Mrs. Wilford Gray had guests Tuesday her nieces, Mrs. Annie Brown, Mrs. Clara Harr, Mrs. Jessie Everett and daughters all of Waco and a friend Mrs. Levy Manning of Gatesville.
