Best wishes go to two young men from our area, the first we believe to ever qualify for the State 4-H Horse Show.

Mike Flores, son of Mr. and Mrs. Joe Flores, and Kurt Harris, son of Mr. and Mrs. Jack Harris, will be competing with the outstanding 4-H horsemen and horsewomen from over the entire state in this contest. We wish them good luck in the event.

While on the subject of passing out best wishes we would like to thank all the men and women who worked to make the 1972 Girl Scout Day Camp a success. This was quite a year for the girls, even the weather cooperated and it didn't rain to spoil their outing even though most of the area was wanting a drink of water.

Usually girl scout day camping has the same effect on local weather as little league baseball and washing the car... it is usually a success in bringing down moisture. But, our congratulations to Mrs. Don Riffe and all the folks who helped with this.

This is a political year and several remarked that we didn't have much about last week's Democratic Convention in our column and wondered why. Quite frankly, we didn't go for Senator McGovern and would've liked to have seen someone like Scoop Jackson or even George Wallace in preference.

However, we didn't get our preference and that's the way the cookie crumbles sometime. We do believe that the majority ruled at the convention and we must learn from what took place at Miami.

We got a couple of press releases from Bob Price, Republican nominee for Congressman for the district, Monday morning screaming about his Democratic opponent Graham Purcell.

Price is pointing out in his releases that Purcell should endorse Nixon instead of McGovern, and not to do so "would be a disservice to the principles that made America great."

What Price does not admit in his releases is that Purcell is not a fool. To publicly endorse Nixon would be to be stripped of his seniority in the House, removal from the House Agricultural Committee and chairman of the Livestock & Feed Grain subcommittees which Price would probably like to see happen.

This isn't to say by any means that Price would be named to these positions for he would not.

Graham Purcell has gone on record as saying "I will not ask anyone else to vote for George McGovern."

He has said this to this reporter personally, we've heard him say this over television and seen him quoted as saying this in a number of newspaper articles.

Quite frankly, this is about all that Bob Price is capable of talking about...this and the number of times he has flown this or that Air Force jet on our tax money!

Frankly speaking, we will support Graham Purcell for election to Congress from this district come November and would urge all thinking residents to do the same.

Purcell is a man of experience, a man who knows our area and agriculture and has gone to bat for us any number of times when he wasn't even representing this area. We believe sincerely he will be an asset to us all and endorse him to all our readers to look at him, get to know him and we believe you will agree with us in this regard.

More rains fell Monday night but none in Stratford. Scattered reports indicated the moisture fell mostly in the Sunray area with some hail damage reported. Commodity sales locally Tuesday showed wheat selling for \$1.40 per bushel, grain sorghum selling for \$2.05 per cwt and corn at \$1.30 per bushel.

TOWN TALK
Tucker Garoutte, son of Mr. and Mrs. Gary Garoutte, tangled with the big copper doors on the front of the bank Monday morning and came out second best with a cut across the top of his foot. Tucker recovered from the injury quite a bit faster than his grandmother and others at the scene.

PARENT'S NIGHT AT DAY CAMP---Several of the groups of Girl Scouts performed for parents at the final evening's program last Thursday night which ended the 1972 Girl Scout Day Camp for Stratford. Shown here is one of the Indian dances done by one of the groups. The camp was rated a success by the leaders and the girls were sorry to see it all end. We understand this feeling was not shared by many of the leaders who had gotten all the but bites they needed for one week!

STRATFORD, SHERMAN COUNTY, TEXAS 79084

IN GOVERNMENT CHECKS

County Farmers Scheduled To Receive \$2.5 Million

Approximately 350 farmers in Sherman County are scheduled to receive farm set-aside program payments totaling \$1.5 million during the first week of July, according to Gary Lundberg, County Executive Director for the Agricultural Stabilization and Conservation Service (ASCS).

By the end of the month, the total will be about 2.5 million to 450 farmers. Payments under the set-aside programs are made to farmers who agree to set aside part of their land from production in order to meet a national objective of balancing supply and demand in certain commodities. These payments help to off-set the loss of returns from crop-

land that otherwise would be used for income-yielding production, and on which the farmer is obliged to continue to pay taxes and apply needed conservation steps, according to officials of the U.S. Department of Agriculture. Payments to producers are limited to \$55,000 per person for each of three crops--feed grain, wheat and

cotton--under the Agriculture Act of 1970.

Nationally total payments are expected to be about \$3.7 billion. Total 1972 farm set-aside program payments in Sherman County are expected to be about \$4 million.

Feed grain producers in the nation ultimately will receive about \$1.9 billion, cotton producers about \$825 million, and

wheat producers about \$1 billion. Preliminary payments to wheat producers are limited by law to 75 percent of final payments. Final wheat certificate payments will be made after December 1. Feed grain and cotton farmers may or may not get a final payment, depending on market conditions.

The expedited farm program payments are made possible by streamlined procedures inaugurated in 1970 by ASCS. The action enabled farmers to receive the entire payment due them in the 1970 and 1971 programs six to eight weeks earlier than ever before.

These early payments help many producers reduce their need for longterm credit and cut the amount of interest paid. The flow of cash at this time will again be of major significance to rural commodities and the U.S. agricultural economy, USDA officials said.

Three Men To Receive Draft Notice

Three young men from this area have been notified of their induction through Local Board 25 of the Texas Selective Service during the month of August, announced Don Harch, chairman.

The three young men up for induction in August are Mark Wayne Green, Johnny Waylen Smith and Michael Roy Lusk. In addition to the three to be inducted, 14 will be taking their pre-induction physicals this month.

The 14 to take pre-induction physicals are David Dale Field, William Dean Meek; Solomon Noah Kepley; Steven Ray Messer; Joseph Douglas Cox; Dennis Warren Brice; Philip Nelson Burton; Emory Harold Harris; Ronald Harvey Brooks; Robert Neal Sheets; Israel Hernandez; Gary Lee Szalay; Henry Dale Stewart; and Frederick Neal Squires.

Local Board 25 covered the 4-county area included in Sherman, Dallam, Hartley and Moore Counties.

Young men in the first priority selection group with lottery numbers of 75 or lower will be subject to induction in August. This group is made up of men born in 1952 or older men who have lost a draft deferment during the 1972 calendar years and who are classified in Class 1A, 1AO, or 1-O.

Hatch says there is also an increase of 25 in the lottery number for induction from the July call. There is also an increase in lottery numbers for pre-induction Armed Forces Examinations from 90 in July to 100 in August. Men in the first priority group are those subject to examination orders.

August Induction orders will be issued between July 3 and July 28 with 30 days notice from date of mailing. Under the present uniform national call system there is no quota for Texas but it is expected that approximately 500 will be drafted across the state.

Some Areas Receive Good Moisture Sunday

Stratford and areas generally westward and north received rainfall Sunday night from .88 of an inch to up over 3.40 inches while the area just east and on south of town missed out on the showers.

Reports early Monday morning showed that Stratford's official rainfall for the evening totalled .88 of an inch according to Horace Sneed's Weather Bureau gauge.

Conlen Grain & Mercantile reported their area got 1.50 inches out of the system and heavier rainfall on toward Dalhart. Dalhart proper reported heavy rains up to 4 inches during the downpour.

Kerrick and vicinity reported

good moisture for the first time in several months. Kerrick Elevator reported one inch even with Coldwater areas receiving 2.5 inches. Kerrick Land & Cattle Company got 3.40 inches. Sneed Ranch reported 4 inches as did the Perkins-Prothro Ranch Headquarters while the Griggs Community up in the Oklahoma Panhandle north of Stratford got from 2 inches to 3.5 inches.

The rainfall quit just east of Stratford as only .10 of an inch was reported by Jimmy Jackson at his farm just across from Stratford Feed Yards and none on east from that point.

Going south down Highway 287 the rainfall skirted this area falling mostly on westward of a point nearly into Moore County. The .88 of an inch brings Stratford's total moisture for the year to 12 inches even since January 1, 1972. The average rainfall for the city, according to Weather Bureau sources, is 16.55.

The city's rainfall by months to date is as follows: January, 0; February, .50; March, .14; April, 1.44; May, 5.66; June, 3.30; July, .88 for a total of 12.0 inches for the year.

Five Students Return From WTSC Conclave

Five Stratford students were among the 130 student leaders who attended the one-week Texas Association of Student Councils Workshop at West Texas State University last week.

Those who attended include Mary Chesmer, Ruben Martinez, Lee Pendleton, Ken Scarth and Debra Summerour. Delvin Howard served as a workshop staff member and taught some of the classes.

The workshop participants attended classes which dealt with duties and responsibilities, projects, group dynamics and leadership, communications and public relations and aims and objectives. In addition, guest speakers discussed problems such as drugs, understanding other students, why some students drop out of school and financial aid for college-bound students.

"Swap Shop" was held to give the students an opportunity to discuss and share school problems with each other. The participants found that many schools face the same problems and most agreed that apathy was the most common problem.

Sisters Win Honors At FB Contest

Debra and Cindy Summerour, the daughters of Mr. and Mrs. Jimmy Summerour were runners up in the Dallam County farm Bureau Queen's Bonfest held Saturday at the Dalhart Elementary School Cafeteria.

Debra was the 1st runnerup in the senior division of the contest, while Cindy was the 1st runnerup in the junior division.

Debra will be a senior at Stratford High next year and Cindy will be a sophomore. Cheryl Gibbs of Texline was the senior division queen and Kay Bezner of Dalhart was the junior division queen.

Three Students Now Attending FB Seminar

Three high school students from Sherman County are attending the tenth annual High School Students Citizenship Seminar to be conducted by the Texas Farm Bureau July 18-22 on the campus of Baylor University in Waco, according to A.E. Pronger, Jr., president of the County Farm Bureau.

Students selected to attend from this county include Pat Flores, Terri Bell and Jackie Gilley.

They will be among some 450 students from all over the state who will be entering the 11th or 12th grades in September and have been carefully screened as to leadership ability and scholastic achievement.

Attendance is not limited to students from Farm Bureau families, but is open to those who reside in towns or cities as well as rural areas.

Girl Scout Day Camp Ends Here

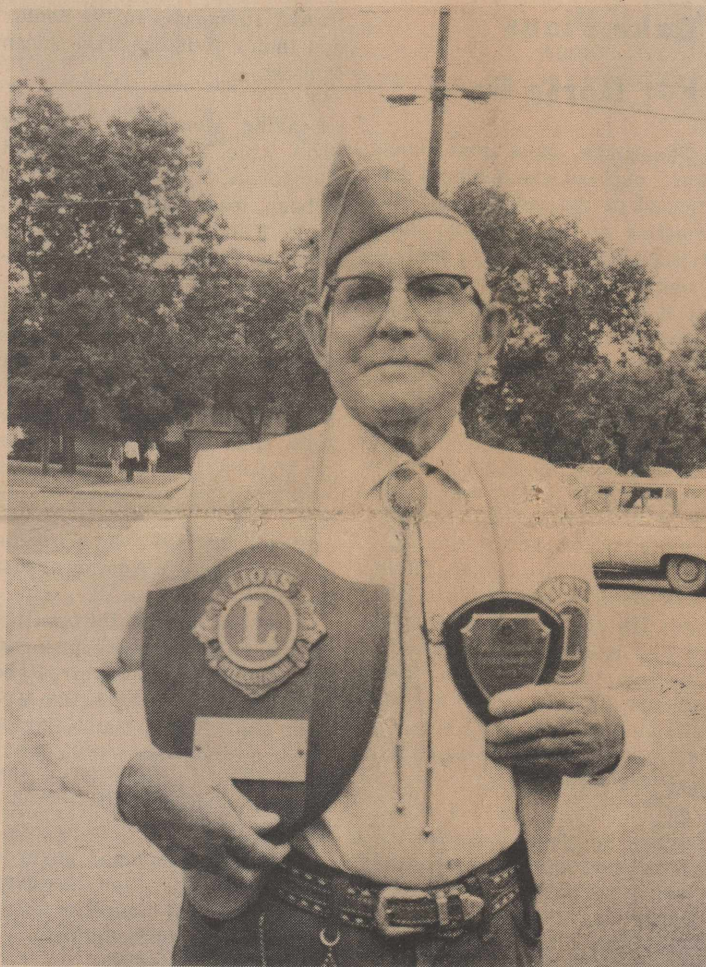

Stratford Girl Scout Day Camp ended Friday July 16 with an average daily attendance of 65.

The girls enjoyed the following special programs: Archery by Fred Cross, Lashing for cadets by Bill Sladek, Crafts by Bonnie Lyles, Clay modeling by Marge Pilch, Art by Mary Hill and paper mache taught by Karen Stoval.

The nurses tent was a popular and busy spot throughout the week for the treatment of mosquito bites and other minor ailments, under the direction of Mrs. C.C. Plunk and Mrs. Logan McClellan.

Gaynelle Riffe was the director of the 1972 Day Camp with Claudette Howard serving as Asst. Director.

The girls would like to thank Mrs. Joe Billington, Mr. and Mrs. V.O. Lasley and Mr. and Mrs. David McBryde for the use of their land and each and everyone else who helped make the camp possible.

CHAMPION SALESMAN---Many local folks know this gentleman, B.J. (Brack) Wiggins, 87, who owns extensive holdings in this area and makes his home at Kerrville most of the time. The last time Brack was up he was peddling tickets and ended up winning this plaque for his efforts. Brack won the two plaques above for selling tickets for benefit of the Lions Club Crippled Children's Camp. Brack joined the Lions over 20 years ago and has encouraged the civic work of the organization since that time. He received the two plaques from the Kerrville Lions and the Lions Camp which is located at Kerrville.

ELKS PICKED LAST Football Fans Devour Area Grid Magazines

The air turned from humid summer to cool fall last week with the arrival of several area-wide and statewide football magazines which local fans promptly bought up like pancakes.

The Stratford Elks, who will move up from Class A to Class AA this year were not picked anywhere but in the cellar of District 1AA but several area youths were given notice and several area teams were recognized for the fall potential.

Stratford's Jim Bob Brown, 200 pound guard, was picked among the area's top 22 Class AA players for this coming season despite the jump from A to AA. Jim Bob has been recognized for his contribution to the Elks the past three seasons and will be a senior this fall at SHS.

Taking a look at the "experts" procrastinations for this year the so-called experts have rated District 1AA to end up this way: Panhandle, Dalhart, Phillips, Spearman, Boys Ranch and Stratford. District 2AA is supposed to wind up in this manner, Childress, Seymour, Quanah, Electra and Shamrock. Quoting Top O Texas Football magazine both Panhandle and Dalhart are picked among

Elk Band Members Return From SWSC

Twenty-eight members of the 1972-73 Stratford Elk Band returned home this weekend from a weeklong Band Camp held at Southwestern State College in Weatherford, Okla.

Of the nearly 500 students attending the camp from over a four state area, four of the Elk Band members were picked for the Camp's Honor Band.

Honor Band members included Jackie Gilley, daughter of Mr. and Mrs. Jack Gilley, who plays the flute; Vicki Slaton, daughter of Glen Slaton, who plays a clarinet; Greg Tillery, son of Mr. and Mrs. Rex Tillery, who plays the Alto clarinet; and D'Lynn Brown, daughter of Mr. and Mrs. M.H. Brown, who plays the baritone saxophone.

Four Elk Band members were also picked for the Symphonic Band. These included Stephanie Summerour, daughter of Mr. and Mrs. Johnny Summerour, who plays the flute; Cathy Cross and Gin Bass, both playing the clarinet, daughter of Mr. and Mrs. Fred Cross and Mr. and Mrs. E.L. Bass, respectively; and David McReynolds, son of Mr. and Mrs. Dave McReynolds, playing the tympani.

Six band members were named to the Concert Band and these included Shirlyn Christian, daughter of Mr. and Mrs. Rex Christian, playing the clarinet; Karen Bain, daughter of Mr. and Mrs. Phillip Bain, playing the bass clarinet; Benita McAlister, daughter of Mr. and Mrs. John McAlister, playing the trumpet; Andrea Pilch, daughter of Mr. and Mrs. John Pilch, playing the French horn; Mike Armstrong, son of Mr. and Mrs. Lowell

Armstrong, playing the trombone; and Jacque Lasley, daughter of Mr. and Mrs. V.O. Lasley, playing the cymbals. Varsity band members at SWSC Band Camp from Stratford included six Elk band members. These included Gloria Pleyer, daughter of Mr. and Mrs. Stanley Pleyer, playing the flute; Kathleen Martin, daughter of Mr. and Mrs. W.C. Martin Jr., playing the clarinet; Tracy Hamilton, daughter of Mr. and Mrs. E.A. Hamilton, playing the clarinet; Betty Hacker, daughter of Mr. and Mrs. A.H. Hacker, playing the bass clarinet; Tammy Cameron, daughter of Mr. and Mrs. J.J. Cameron, playing the oboe; and John McDaniel, son of Mr. and Mrs. Kayo McDaniel, playing the baritone.

Cadet Band members at SWSC Band camp from Stratford included three Elk Band members who were Nakita Cox, daughter of Mrs. Elvena Cox playing the clarinet; Jere Gilley, daughter of Mr. and Mrs. Jack Gilley, playing the clarinet; and Sherry Jones, daughter of Mr. and Mrs. W.C. Jones, playing the trombone.

Five Elk band members were named to the Prep Band at SWSC Band Camp. These included Debbie Crawford, daughter of Mr. and Mrs. James Crawford, playing the clarinet; Kim McGavock, daughter of Mr. and Mrs. L.B. McGavock playing the bass clarinet; Debbie Stacy, daughter of Mr. and Mrs. Wendel Stacy playing the trumpet; Ginger Borth, daughter of Mr. and Mrs. Cecil Borth, playing the French horn and Dalene Prescott, daughter of Mr. and Mrs. Dale Prescott, playing the drums.

Elk Band Director Jeff Doughen was an assistant camp director at the 17th Annual SWSC Music Camp and said "we were real proud of all our Stratford young people, both as members of the band and in their personal conduct at the week-long event," he stated.

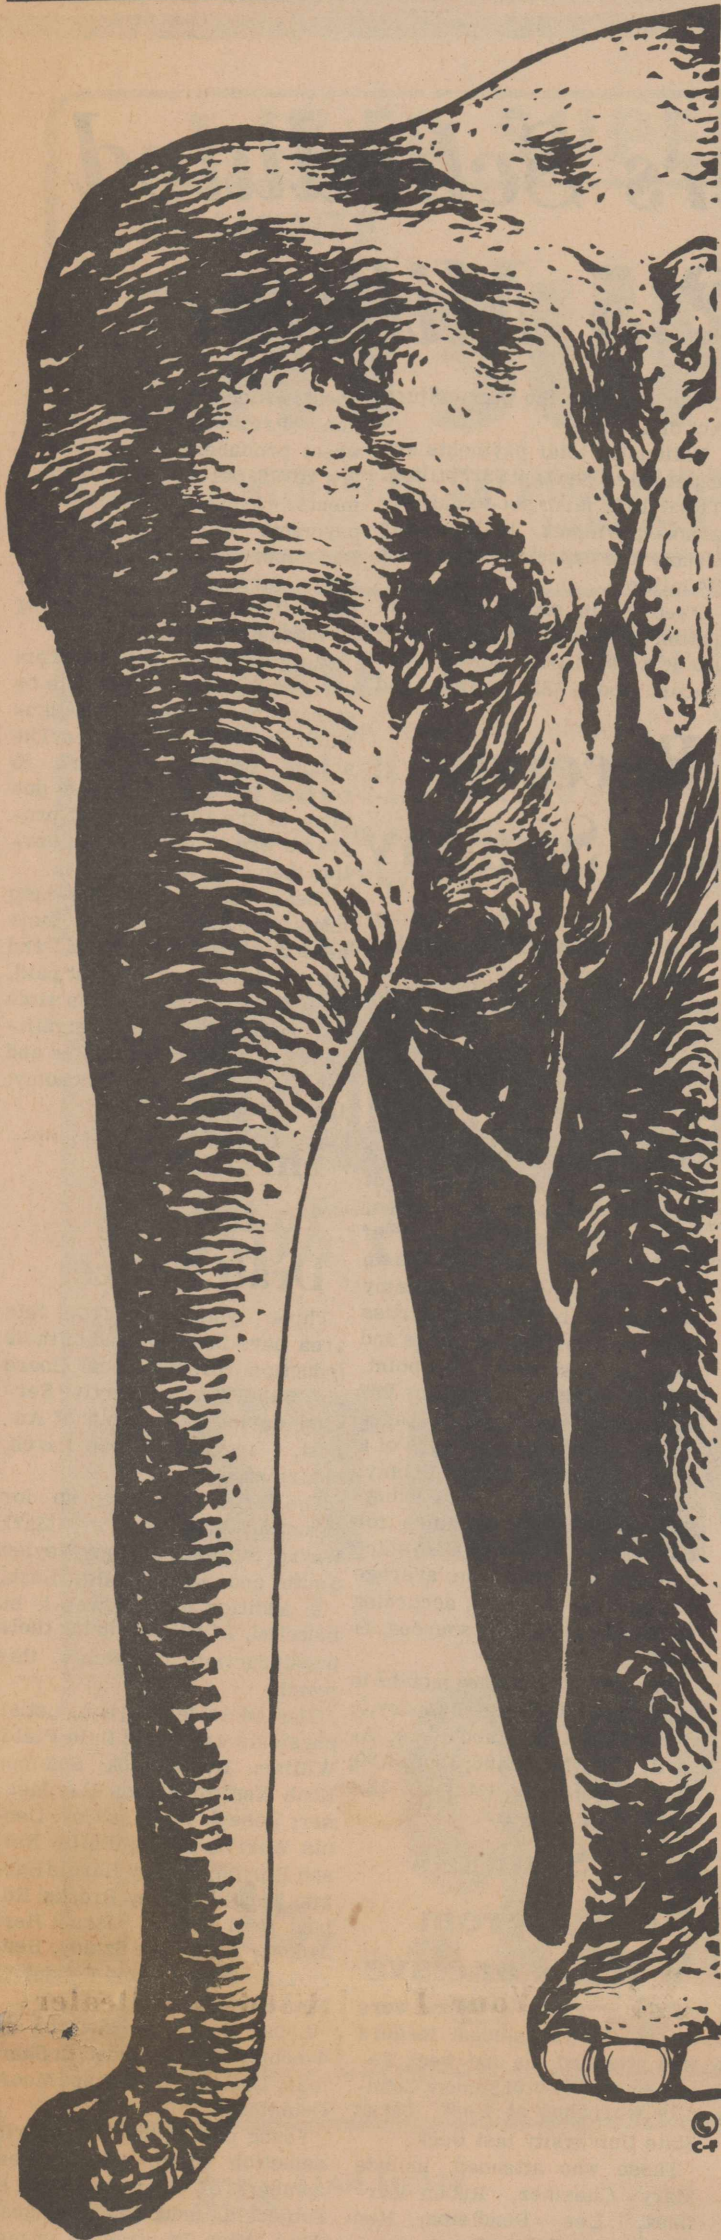

The final concerts were held at the SWSC Student Union auditorium Saturday afternoon.

Tommy Florida, son of Mr. and Mrs. R.E. Florida, is the winner of a trophy for Best sewing in the 12-13 year old group of Dallam County 4-H. He goes to Amarillo July 31 to model the 100% dacronpolyester knit pants and tank top he made.

He also was named best 5th year boy in Dallam County.

Blue ribbons were awarded to Kelley Irlbeck, Debbie Miller, and Belinda Irlbeck. Annette Hampton received a red ribbon. The event was held July 15 at Dalhart Elementary school.

Jan Wells was a contestant in the Dallam County Farm Bureau Contest held in conjunction with the 4-H Dress Revue.

Debra Summerour and Cindy Summerour, daughters of the Jimmy Summerours, were named runnersup in the Senior and Junior divisions of the Queen Contest.

*** Leaving Monday morning for Scott Able Electric Camp at Cloudcroft, N.M. were Mrs. Ted Irlbeck, leader, Belinda Irlbeck, R. E. Florida III, and Tommy Florida. They will return Friday.

*** With the rain slowing down the field work, a quick ice cream social was planned for Monday night. Hosts were the Hank Rogers, Gail McDaniels and Virgie Mathews.

After filling up on the home-made ice cream and cake, two squares danced while some played Liverpool Rummy or just visited.

In varying degrees the families of the following were present: Joe Wagner, Pete Taylor, Fred McDaniel, Ted Irlbeck, Don McKee, Joe McKee, Ralph Hampton, Jerry Hayworth, Alvin Hamrick, J.C. Robinson, Don Moons, Joe Evans, Charles Durr and the hosts.

Brenda Robinson had a narrow escape recently when she fell off a pickup! She wound up with a skinned nose, chin and leg.

Five Wrecks Reported By DPS Units

The Texas Highway Patrol investigated five accidents on rural highways in Sherman County during the month of June, according to Sergeant C.E. Henderson, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and no persons injured.

The rural traffic accident summary for the 60 counties of

the Department of Public Safety Region 5 for June, 1972 shows a total of 527 accidents resulting in 20 persons killed and 347 persons injured as compared to June, 1971 with 524 accidents resulting in 10 persons killed and 308 persons injured.

The 20 traffic deaths for the month of June, 1972 occurred in the following counties: Dallam and Lubbock, three each; Archer, Armstrong, Bailey, Childress, Floyd, Hale, Jack, Montague, Parker, Terry, Wichita, Wilbarger, Wise, and Young, one each.

PSALM 16-11

HERE IS THE PATH

Pointing the way

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Early churches used steeples to make the building higher than all others in the city. People could see God's House from any direction, and could easily find their way to a place of worship. Today, with many office buildings towering into the sky, churches are not always the tallest buildings. However, churches still point the way to God, and provide a place of worship.

Mrs. Theresa Beaman, a Stratford resident for 10 years and a native of Oklahoma City, is our Cook for this week.

Theresa was raised in Oklahoma City and attended Capital Hill Senior High there.

She and her husband, Charles, were married in Clayton, New Mexico and they have three children. Theresa also said that the joy of their life right now is two beautiful grandchildren and one more on the way.

Charles is from Sedalia, Missouri, and is employed at TOC Motor Company.

Theresa is involved mostly with volunteer work and is proud to say that she makes out the certificates and packets for the Chamber Chariot. By volunteer work Theresa explained that she likes to help with anything she can and wherever she is needed. Just anything she can do.

She enjoys cooking, reading, sewing and volunteer work.

Theresa has given us several very delicious recipes of which one she cooked up herself. They are Flat Enchiladas (her own recipe), Guacomole Salad, Cole Slaw, and Cobbler.

FLAT ENCHILADAS

12 tortillas-frozen or canned
2 small cans of Taco Sauce
2 small cans of Enchilada Sauce
1 large onion, chopped finely
10 oz. cheddar cheese-grated
2 lbs. hamburger meat

Cook hamburger meat until done in a skillet. Heat the sauces together in a small saucepan. Fry the tortillas lightly, in a skillet barely browned on each side, place 4 flat tortillas in shallow baking pan, put hamburger meat on each tortilla, 3 tablespoons cheese and onion on hamburger meat-then 3 tablespoons of sauce over the meat, onions and cheese. Repeat with 2 more layers of everything ending up with the sauce on top. Bake in oven 20 minutes at 400 degrees. Serves 4 with a salad.

GUACOMOLE SALAD

2 ripe (soft) avocados

1/2 t salt
2 T lemon juice
1/2 t pepper
3 T minced onions
A dash of worchester sauce
2 medium sized tomatoes finely chopped
A dash of paprika
1 small hot red pepper or 3 little green peppers chopped fine
Make paste of avocados and lemon juice. Mix in other ingredients. (May use 2 heaping Tablespoons of mayonaise if wanted) Put in salad bowl that has been rubbed with garlic. Put seed in center on lettuce. (can use corn chips for dip)

COLE SLAW
1/2 cup of canned milk-undiluted
1 T sugar
1/2 cup mayonaise
1/2 t celery seed
1/2 t tabasco
1 1/2 t salt
6 T vinegar
10 cups shredded cabbage
2 t prepared mustard
1 cup of shredded carrots
1 onion finely chopped (optional)
2/3 cup finely chopped green peppers
1/2 cup finely chopped radishes (optional)

Add the evaporated milk to the mayonaise and blend until smooth. Stir in tobasco, vinegar and mustard, sugar, celery seed and salt. Put cabbage, onions, carrots and green peppers in large bowl; pour dressing over and toss gently.

COBBLER
2 cups flour
2 cups sugar
2 cups milk
3 t baking powder
1 t salt
1 egg
Thicken fruit.
Stir all ingredients together pour 1/2 into pan and add fruit then add other 1/2 mixture. Bake until brown at 350 degrees. Add 1/2 cup sugar and a 1/2 cup of corn starch for each can of fruit.

MILITARY NEWS

TUCSON, Ariz.---Everett D. McAdams, son of Mr. and Mrs. Victor J. McAdams of 501 S. Fulton, Stratford, Tex., has been promoted to airman first class in the U.S. Air Force.

Airman McAdams is a navigation systems specialist at Davis-Monthan AFB, Ariz. He is a member of the Strategic Air Command, America's nuclear deterrent force of long range bombers and intercontinental ballistic missiles.

The airman, a 1969 graduate of Stratford High School, attended West Texas State University.

Cadet Michael Huereca, son of Mr. and Mrs. David H. Huereca of Stratford is receiving practical work in military leadership at the Army Reserve Officers Training Corps Advanced Summer Camp at Ft. Riley, Kan., from June 10 to July 21.

Cadet Huereca, who is scheduled to receive his B.S. degree in 1973 from Texas Technological University at Lubbock, is one of more than 10,000 students attending Army ROTC

training at six installations in the U.S.

The six-week ROTC Advanced Camp provides an opportunity for cadets to develop and demonstrate leadership capabilities in a field training environment. The instruction supplements theories and concepts which cadets learned in the classroom on campus.

Cadets normally attend the training between their junior and senior years. This enables them to better comprehend their final year of classroom work and to function as cadet leaders on campus.

The 22-year-old cadet is a 1969 graduate of Stratford High School.

Cadet Pat A. Scarth, 21, son of Mr. and Mrs. Jack Scarth of Stratford is receiving practical work in military leadership at the Army Reserve Officers Training Corps Advanced Summer Camp at Ft. Riley, Kan., from June 10 to July 21.

Cadet Scarth, who is scheduled to receive a B.S. degree in 1974 from Texas Technological University, Lubbock, is one of more than 10,000 students attending Army ROTC training at six installations in the U.S.

**BLASTS MEAT IMPORTS
Purcell Answers**

An ever increasing pressure by urban citizens on the Republican Administration is resulting in a squeeze on American cattlemen, Congressman Graham Purcell stated this past week.

Purcell made the statement at a meeting of two wheatgrower organizations in Dumas.

Purcell was critical of the Administration's move for meat imports into the U.S. as a result of the "urban pressure groups."

The U.S. Department made announcement of increasing meat import quotas with 12 foreign nations last week and it was this action that the Congressman was referring to in Dumas.

"The action of our State Department has given them (foreign beef producers) incentive to divert shipments now committed to other nations, some perhaps already in shipment, to the U.S. by basing future import quotas on the number of pounds they deliver this year," Purcell pointed out.

This action will have lasting affects not only on the cattlemen but the grain producers who supply cattle feedlots in

this area, Purcell explained.

Congressman Purcell cited Bureau of Labor statistics in showing that beef prices, which have come under heavy fire the last several months from many consumer pressure groups, have not risen unduly in comparison with other prices for the period 1967-1972.

During this period the cost of public transportation has increased 43.5 percent, medical services up 31 percent, rents up 37 percent, insurance and financing up 42 percent, he pointed out.

In other statements this past week, Purcell replied that he would vote himself for the Democratic nominee for President, George McGovern.

"As a registered professional Democrat I can do no less and protect my seniority in the House," Purcell explained.

"I will vote for my party's nominee, but will not urge anyone else to do likewise," he added. "I have my own campaign to work on and will not participate in helping with anyone else's campaign in this district," he explained.

**The Sherman House
by Oline Caraway**

Would you believe that we have three persons who guessed the identity of our Mystery Object? Pauline Jones was the most explicit saying, "Used in weaving. Called a Sley or Reed." Mrs. R.C. Browder of Gould, Okla. and one of our teenagers, Danelene Prescott, also identified it.

We have a new "Who and What" Guessing Game. Mr. Newt Crabtree loaned us the Mystery Object and the photograph is one of my friends--Come by and see if you can identify either or both.

Do you remember we mentioned that the files on the museum? Well, as people didn't literally flock in to view the museum this afternoon, I started snooping--and I found out that of the Class of 1939 Mary Woodford Kidwell Wisdom had the 'best disposition' and that Betty Lee Brown was the 'sweetest' and that Jack Dettie was reported as once having been known to his teachers as a 'modern problem child'!

Lorraine Mehner brought in an interesting folder which contained report cards belonging to her father Arthur Ross. The cards had beautiful pictures on the front as well as good grades on the back. Included in the

folder was a 1900 teacher's contract from the state of Missouri--said teacher was to receive thirty-three and one-third dollars per month.

The Sherman House is appreciative of the memorials given to us in memory of Mrs. L.B. Haile; Mrs. Nannie Caraway, mother of Hartland and Toby Caraway; Mrs. Ann Williams and Mr. John Chesmer, father of Paul Chesmer. Our sincere sympathy is extended to the families of these Pioneers.

We keep the museum open on Tuesdays and Thursday from 2-5 p.m. Few visitors came on Sunday afternoon and it was difficult to find a hostess--so we will try remaining open two days each week, but we continue to open by appointment.

Look for a special showing in August! Mary Hill announces a 4-H Art Show. Members of Tri-Corner Art Club have been teaching art classes to our 4-H Club members and the finished results of these classes will be on display in August. This is a great thing for the Art Club to do--also, the trash cans on Main are so pretty. The one at the post office is most attractive--I'm surprised someone hasn't mailed a letter in it--or have they?

Annual Rodeo
August 2- 5**

The 26th annual Top o' Texas Rodeo is scheduled in Pampa August 2-5 in an all new grandstand and pens built recently following a tornado of two years ago. Pampa has not had a rodeo for the past two years due to the tornado in 1970 and the VEE quarantine of last year which made necessary the cancellation for two years in a row.

Directors of the Association report all plans finalized and all all-time record number of entries are expected for the rodeo which has been in operation here since 1945.

A street parade is scheduled for Wednesday afternoon, August 2 at 4:00 p.m. to get the

rodeo underway, with nightly performances at 8:00 p.m.

Tommy and Beverly Steiner of Austin will produce this years rodeo, featuring some of the top specialty acts on the rodeo circuit, including the Kajun Kid, popular rodeo clown, Helen Taylor and her all-girl show band direct from Las Vegas will be featured at all rodeo performances and will play for dancing in the National Guard Armory Wednesday through Saturday nights.

All of the regular RCA events will be included, with cowboys and cowgirls competing for an estimated purse of \$10,000. An amateur bareback riding contest, with a purse of \$200 plus entry fees, is scheduled in order that all amateurs in this area may participate.

Holly Gray, president of the Top o' Texas Rodeo Association, said that ample free parking will be available.

In loving memory of Tilman Lynn Hawkins, who passed away 1 year ago July 13.
There is no time

We could set for parting
We who must remain
are never ready for such pain
Even our prayers would be
"Not yet, not yet dear God, another
day with us let our loved one stay."
We must believe, when falls the blow.
That wisely God Will it so.

County Agent's Report

By Fred Cross

Corn leaf aphids are showing up thick on grain sorghum in most field around the county. According to research studies, most infestations of corn leaf aphids do not cause economic damage. Heavy infestations in the whorl seldom result in economic loss. This insect does serve as an excellent food source for beneficial insects and allows for the early development of predators and parasites. I am sure this is all true. However, many farmers just can't sleep at night if bugs are thick on their crop. Peace of mind is worth some dollars. So, if you think you need to kill corn leaf aphids, then I guess you do need to kill them. If you are still undecided, you might like to know that entomologists counts show corn leaf aphid numbers are on the way down.

Greenbugs are just beginning to show up in small bunches in some fields. This is about the usual time of year for this. Soon corn leaf aphid numbers will start down and greenbug numbers will start up. Greenbugs do cause economic losses. This insect often needs control. An effort should be made to avoid multiple applications. Proper timing of the applications based upon field inspections is the key

to effective control. By delaying treatment until greenbug numbers approach damaging levels one treatment will population is overwhelmed by predators and parasites. By limiting number of applications, there is a better chance of staying out of trouble with the Banks Grass Mite. This pest is the one that's hard to control.

I hope every farmer knows how to tell the difference between a greenbug and a corn leaf aphid. Every now and then I hear that someone believes that they are the same insect, they just change color later in the year. This is about like saying that a Hereford steer could change into an Angus steer as it got older.

The two insects do not even belong to the same genus. Greenbugs are Schizaphis graminum and Corn leaf aphids are Rhopalosiphum maidis. If you are not sure how to tell the difference, let me know and I'll send you a copy of L-819 that shows how to tell the difference. County 4-H camp is next week. 4-H members need to get their registration blanks in by Friday. Things are shaping up for a good camp. Workshops will be on water safety and ecology. Parents are also encouraged to attend.

FOOTBALL

...from page 1

Elks haven't met the Blackhawks in previous years but all other teams have been on the schedule at one time or another and many teams in 1AA used to be in the same district with Stratford at one time or another. Stratford opens their grid wars on September 8 against Gruver there and opens their home season entertaining the Fritch Eagles here on Sept. 15. On September 22 there is an open date followed by Texoma Sept. 29 and Boise City on October 6. Sunray will be the last pre-district warm-up on October 13 followed by District 1AA clashes with Boys Ranch, October 20; Phillips, October 27; Dalhart, November 3; Spearman on November 10 and the finale against Panhandle on November 17.

Stratford wound up its Class A record last year with a disappointing 1-9 season but this scribe will go out on a limb and predict a 6-4 season for 1972.

Three Attend PSC Workshop

Three Stratford residents are among 77 persons who are presently enrolled in the Human Relations Workshop being held on the Panhandle State College campus. They are Viola Kautz, Geri Hartman, and Irene Mayorga. The workshop is being taught by specialists in the areas of American Indian, Black-American, and Mexican Americans.

Political Calendar

The following have authorized The Stratford Star to announce their candidacy for political office to the 1972 elections: DEMOCRATIC PRIMARY Congressman, 13th District (D-Wichita Falls re-election) GRAHAM PURCELL State Representative, 64th Legislative District DEAN COBB, (re-election) District Attorney, 69th Judicial District MIKE METCALF (re-election) Sherman County Attorney W.A. (Bill) Dyess Sherman County Sheriff CLOIS VAUGHN (re-election) Sherman County Tax Assessor-Collector GENE SADLER Sherman County Commissioner, Pct. 1 JOE EVERETT

Doc Potts Resigns From Taylor Evans

Taylor-Evans Seed Company has announced that James A. (Doc) Potts has resigned as Executive Vice President and General Manager of its Agri-Supply Division, effective August 1, 1972.

Potts is succeeded by Van B. Rich, formerly Assistant General Manager of the Amarillo-based firm.

Rich joined Taylor-Evans in 1959 as Manager of the Oklahoma City Branch and was appointed Assistant General Manager, Agri-Supply Division in 1969. Prior to joining Taylor-Evans he was, for seven years, vice president and purchasing agent for a major seed and farm supply wholesale company in Oklahoma. He is a native of Paden, Oklahoma. Rich, his wife, Leatrice, daughter Becky and son Garry live in Amarillo.

New Secretary At Mary Allen

H.T. Galloway, the Mary Allen Elementary Principal, wishes to announce Deborah Sue DeBerry will be the new secretary for the Mary Allen School for the 72-73 school year.

She is a 1970 graduate of South Plains Junior College at Levelland, Texas. She and her husband will move to Stratford from Canyon where she has been employed in secretarial work at West Texas State University for the past two years.
