Rotan School Board Votes To Lower Tax Rate By 2c, Total Values Up

The members of the Rotan School Board met last Monday night and reduced the 1983 tax rate by .02 cents per \$100.00 valuation, according to Superintendent Jerry Dickson.

The tax rate reduction, assuming that 100 percent collections are realized, will bring in \$594,250. This is approximately \$24,000 more than was brought in in 1982 with a tax

rate of .86 cents per \$100.00 valuation. The 1982 revenue amounted to \$272,000.00.

Valuations are up in oil values, the value of the gins and gyp mill is up but district real estate values are down, said Dickson.

The 2 cents reduction from .86 cents to .84 cents will mean about a 2% savings to taxpayers on the same property over

last year.

In other action, the board voted to increase substitute teacher pay from \$25.00 a day to \$30.00 a day; discussed the school calendar with respect to the spring break but took no action and discussed reviewing the school policy for majorette selection. With respect to majorette selections Kay Kennedy, Band Director, is to make a

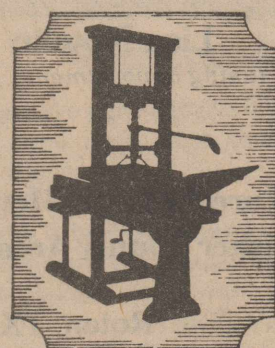

recommendation back to the board in October for consideration.

Board members revised the 5 year improvement plan with respect to major expenses and discussed the possibility of constructing a concession stand-rest room building at the football field. The request for construction was made by the Rotan Band Booster Club. A further discussion

is expected to be held at the October meeting.

The board discussed, in closed session, possible pending litigation with respect to the possible repayment of tax funds collected.

The final action of the night was the increasing of High School Principal David Hargrove's above base salary from \$1,000 a year to \$2,641.00 a year.

this time but should be available in about a week, according to representatives in Fisher County Judge Marshall Bennett's office.

In other action, the commissioners approved the disbursement of county tax monies to the following accounts. General fund 15

cents; jury fund 1 cent and each of the four road and bridge funds 3.5 cents for a total of 30 cents.

In a motion by Commissioner Hendon and second by Commissioner W.A.

Cross, commissioners voted 4-0 to return monies paid by the Citizen's State Bank and First National Bank on a refund of 1982 taxes erroneously paid.

Commissioners voted to

accept the budget and voted to pay bills including a \$4,8000 revenue sharing bill to Jones County Implement for a mower for county use.

Jeff McClure Named New V.P. Area 2, Young Farmer Group

Jeff McClure, of the Fisher County Young Farmers, was elected Vice President of the Area II Young Farmers, Saturday, Sept. 10. The Area II Young Farmers Convention was held in Brownfield this year and was put on by the Brownfield Young Farmers Chapter.

Jeff served as Treasurer of Area II for 82-83 and assumed his new office at the close of the convention. Jeff has been active in the Young Farmer Organization for the past 7 years. Not only has he had

a role in the Fisher County Young Farmers, but is now broadening his role throughout the area.

The Area II Young Farmers Convention was held at Brownfield on Sept. 10. Members from the Fisher County Young Farmers attending were Mr. and Mrs. Jeff McClure, Mr. and Mrs. Richard Gaona, Mr. and Mrs. Ramon Guerra, Mr. and Mrs. Steve Terry, and Mr. and Mrs. Gary Daniel, and Edwin Jackson, representing Midwest Electric Coop.

The convention included

the business meeting, two tours and an evening banquet. The Brownfield Young Farmers did an outstanding job in hosting the convention.

The tours included visiting the Texas Tech Research Center and the Goodpasture Fertilizer Plant.

The guest speaker for the banquet was Mr. Earl Sears, President of the National Cotton Council. His speech was of great interest to all of the members and guests present.

Methodists To Host Hamlin Bell Choir

The Ladies' Hand-Bell Choir from Hamlin will be in the First United Methodist Church, Rotan, on Sunday, September 18th,

Legal Notice

NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT

Walsh and Watts, Inc. 1111 Seventh Street, Wichita Falls, Texas 76301 has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas.

The applicant proposes to inject fluid into the Flippen, Steele, Well Number 11. The proposed injection well is located 15 miles W. of Hamlin, Texas in the Royston Field, in Fisher County. Fluid will be injected into strata in the subsurface depth interval from 3210 to 3252 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.

Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512-445-1373).

Community of Sylvester, Texas, in Fisher County, will have an Old Fashion Box Supper at the Sylvester Community Center. The boxed suppers will be auctioned off to the highest bidder.

For those who have never been to a box supper, the women of the community prepare a supper, and fix a decorative box to appeal to the audience. The box is then auctioned to the highest bidder, the name of the woman is revealed and they share the supper.

The purpose for the event is to raise money to help build a park for the children and grandchildren of residents of the community. At present, we are raising money to build a court to be used for basketball, tennis, volleyball and croquet.

the park has been named the Sylvester Memorial Park in memory of passed Sylvester residents.

All residents, former residents, friends or anyone wishing to have a good old

fashioned time are invited to come, bring a box and share in the fun.

Donations of monies and anything that can be used to build playground equipment will be appreciated.

All residents are urged to attend and bring either a box supper or a bake good to be sold.

Roby School Board Gets Builders Risk Insurance

Roby School Board members met in regular session last Monday night and with only 5 of the 7 members present attended to a short version of an agenda, according to minutes of the meeting.

Sylvester UMC Plans Special Service Soon

The members of the Sylvester United Methodist Church will be holding a 77th Anniversary Celebration and Homecoming on Sunday, October 9th, according to Rev. Barbara Gammett, Pastor.

Registration will be at 9:30 a.m. with a history of the Sylvester Church to be presented at 10:00 a.m. At 11:00 a.m. the visitors will be attending the morning worship service with a covered dish salad luncheon scheduled for noon. At 2:00 p.m. there will be a memory sharing service. "We welcome all friends of the Sylvester United Methodist Church to attend our special service", said Rev. Gammett.

utes of the meeting.

The board approved the minutes of the previous meeting; approved the payment of the bills as presented; approved the monthly tax assessors report and voted to approve the extra curricular bus mileage to be computed at .81 cents per mile.

In addition, the board voted to purchase a builders risk insurance policy on the construction taking place and add that to the present school insurance policy.

Rotan 8th Grade Game

The 8th grade Rotan Yellowhammers came up short, 6-0 in their first game. The first half we made too many mistakes, such as fumbling a punt, letting them score with only 9 of our men on the field. However, considering only two days practice they didn't look bad. We tried to get a good look everybody so we could make adjustments this week. The second half the 8th grade played much better but we couldn't get the ball in for the touchdown.

Rev. and Mrs. Paul Warren are proud to announce the arrival of Krystal Amanda, on Sept. 7, in Rosedal, Miss. She has two proud brothers, six year old Matt and 3 year old Dusty. Grandparents are Mrs. Louise Oden of Sweetwater, and Mr. and Mrs. Jimmie Oden also of Sweetwater, Mr. and Mrs. Wayne Warren of the Claytonville Community.

Rotan JV

Defeated 34 - 0

COACH FELIX: The Rotan JV got beat 34-0. The first half ended 28-0. The JV made too many mistakes in the first half. The second half Anson scored only 6 points. Rotan showed signs of moving the ball. David Yanez and Brad Long started to run well in the second half. We come up short on getting a first down close to the goal line, that did not help up by turning the ball over to Anson. The JV just got outthustled by Anson.

Rotan 7th Graders Tie Anson Tigers In Game

The Rotan 7th grade took on Anson Thursday and tied 6-6. We only had two days of actual practice to prepare for the game. I was pleased with the second half of play of the 7th graders. George Patterson broke a long run for

our touchdown and we missed the two point conversion. The first half of play, the players lined up in the wrong formation and we also had too many people on the field or not enough at times. The second half we looked

ed better. We now have a full week ahead of us to get good practice in. Overall, with only two days practice, I was pleased, even though I would have rather had the win instead of a tie. By Coach Cliff Felix.

"Miss America"

To a mother and a father—the future of the nation and the world is all wrapped up in their child.

As PARENTS we believe in this little one God gave us. We commit our love and resources and common sense to the fulfillment of her exciting destiny.

If she never makes it to a beauty pageant—that's not what we're concerned about!

If she grows up to be a person loved and loving—close to God and those He loves—we'll settle for that!

That's why there's moral training and religious education in her stars.

We're MR. & MRS. AMERICA. And we worship God, thankful that our daughter can have not one fabulous year of fame but a lifetime fulfilling her destiny.

Pink Building on the Fair Grounds in Roby. All area dancers are welcome. Visitors are welcome to come watch.

Rev. Derrell Wayne Monday and Marcus Reid Cave both of Rotan, have been selected for inclusion in the 1983 edition of Outstanding Young Men of America. ACU

These men were selected from nomination received from Senators, Congressmen, Governors, Mayors, State Legislators, University and College Presidents and Deans as well as various civic groups, including the

United kStates Jaycees which also endorses the Outstanding Young Men of America program.

In every community there are young men working diligently to make their cities, as well as their country, better places in which to live. These men, having distinguished themselves in one or more fields of endeavor, are outstanding and deserve to be recognized for their achievements. TGhe criteria for selection include a man's voluntary service to community, professional leadership, academic achievement, business advan-

cement, cultural accomplishments and civic political participation. The men listed, along with fellow Outstanding Young Men throughout North America will be featured in this prestigious annual awards publica-

tion. Our Board of Advisors and Editors salute all chosen as Outstanding Young Men of America. We take great pride in bringing their accomplishments to the attention of the American public.

Farm Bureau Leader To Spearhead Letter Drive

Texas Farm Bureau President S.M. True, Jr. has called upon TFB members to contact the Texas Railroad Commission, urging it to broaden its interpretation of agricultural truck-

ing regulations to permit free competition.

In a letter to county Farm bureau leaders, True noted that the Railroad Commission will accept additional comments relating to adoption of final regulations through Sept. 19. True urged TFB members to contact Mack Wallace, the chairman of the commission, or the other commissioners, Buddy Temple and James E. Nugent.

True said broad definitions would mean "lower transportation costs, more profit to the agricultural producer and lower costs to the consumer."

True noted that TFB was successful during the past session of the Texas Legislature in obtaining an agricultural permit so that more trucks could haul agricultural products with lower competitive rates.

The Railroad Commission staff met Aug. 15 at Austin and proposed very restrictive definitions of agricultural trucking regulations which would excluded certain farm products from being hauled with an agricultural permit.

Rotan Hammers Blank Anson 13 Zip, Hornets Next

Rotan's Yellowhammers posted their second season win last Friday night under new Head Coach John Smith by defeating Anson by the score of 13-0.

The Yellowhammers scored their first touchdown with 8:17 left in the second quarter when Greg Gruben handed off to Charles Williams and he scampered 32 yards dodging Anson tacklers for the score. Tim Carrillo kicked the extra point to give Rotan a 7-0 lead. In the drive to score, Charles Williams, Connell Johnson and Sammy Turner picked up yardage on the ground with Johnson carrying to the 32 to set up the score.

The Yellowhammer defense led by Charles Adkins, Ben Bryan, Dion Sepeda and Joe Paul Soliz stopped Anson cold in the first quarter of action.

Anson had the ball on offense on two occasions during the first period.

In the second quarter, Sammy Turner killed an Anson drive when he intercepted a pass returning

it to the Anson 32 yd. line. Prior to the interception, Anson ran 12 plays, picked up 3 first downs. Defensive standouts in the drive were Tim Carrillo, Charles Adkins, Dion Sepeda and

Randy Martinez.

Rotan took over, with the score 7-0 but was forced to punt after running 9 plays and picking up 3 first downs. Faced with 3-29 yards Larry Villaneuva for Anson tackled Gruben in the backfield.

Anson took over, ran tow plays as the clock ended the first half of action.

In the second half, Anson took to the field determined to make a more respectable showing on offense.

Rotan took the opening second-half kick with Sam-

my Turner returning 28 yards. A flag tagging Anson for off-sides gave Rotan the ball on the 37 yard line. Charles Williams picked up 2 yards, Connell Johnson carried for 1 yard and returned for a 5 yard carry to give Rotan a 4-2 from the 48. Rotan attempted to convert with a run by Williams that fell inches shy of the needed first down.

Anson took over on the 48, Charles Adkins stopped Dickey McNally on a drive play; Ben Bryan was credited with a tackle and Rudy Garza stopped an Anson runner forcing a 4-5 play. Anson punted and Greg Gruben and Company began operating from the 31 yard line.

Gruben picked up 5 yards on a keeper, he pitched to Turner for 7 yards and a first down; Johnson and Williams carried and faced

with 5:31 left on the clock and a 4-2 situation Williams was stopped and the Yellowhammers had to give up possession.

A fumble recovery by Rotan set up the second Rotan score of the night with 1:25 left in the 3rd quarter.

Johnson, Williams and Turner carried to the 18 yard line then with forth down needing five yards from the 18, Gruben handed off to Williams who tossed a pass to Sammy Turner for the score.

The extra point was blocked. The score came with

10: left in the 3rd period.

Ben Bryan picked off an Anson pass in the final quarter that proved to be a defensive battle for both squads.

Roby Garden Club Meets

Thursday, September 8 at 9:30 a.m., the Roby Garden Club their first meeting of the year at the Midwest Electric Company.

Hostesses were Mrs. Fay Ray and Mrs. Richard Ray.

Mrs. Richard Ray, President, called the meeting to order, and asked Mrs. Earnest Hammer to read the minutes of the last meeting that was held in

April before the club recessed for the summer months. This was done and approved.

The September 8th meeting was a planning of programs and activities for the insuing year.

Members present were Mrs. L.L. Stuart, Mrs. Dwalyn Parker, Mrs. Jesse Goforth, Mrs. Coy Carriker, Mrs. W.W. Morton, Mrs. Earnest Hammer and hostesses, Mrs. Richard Ray, and Mrs. Fay Ray.

The club is happy to welcome Mrs. Eugene Turnbow as a new member.

The club had one guest, Margaret Nichols, a former resident of Fisher County and received a warm welcome from everyone. She was visiting Mrs. Fay Ray.

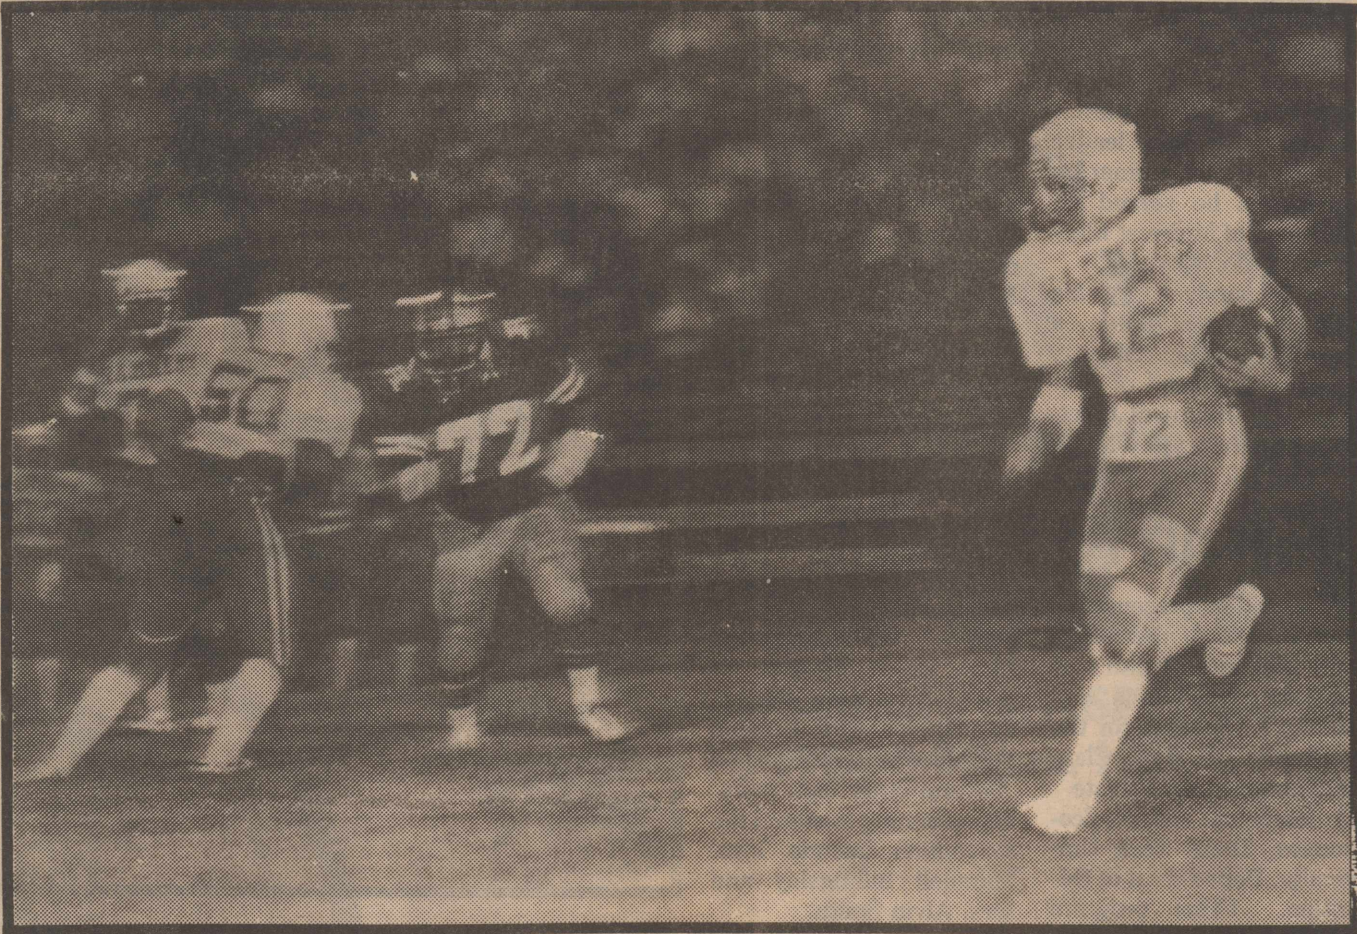

Roby Set For Homecoming Sept 23, 24

The members of the Roby community are in the process of making final plans for the 1983 Homecoming activities scheduled for Friday, September 23rd and Saturday, September 24th.

The activities will begin with a parade and pep rally at 5:00 p.m., Friday, followed by the homecoming game against Spur at 8:00 p.m. Following the game, the homecoming crowd will hold registration, and get-together for coffee.

On Saturday, registration begins at 9:00; a lunch at 11:30, band concert at 2:00 p.m.; business meeting at 2:30 and get-together at the Sweetwater Country Club at 8:30.

If anyone has anything to display in down town windows during Homecoming please contact Carol Stuart at 776-2684. Post card invitations will not be sent to Roby Execes living locally in Fisher County.

LOTS OF RUNNING ROOM: Rotan Quarterback Greg Gruben, son of Mr. and Mrs. Wilber Gruben, has a lot of field to roam over in the above photo as he scampers on a

quarterback sneak. Gruben, a senior, will be hosting Aspermont with the other varsity players on Friday night.

Roby Photo

Roby Public Schools will be taking school pictures on Wednesday, September 21st beginning at 8:15 a.m. Please bring pre-schoolers as early as possible.

Card Of Thanks

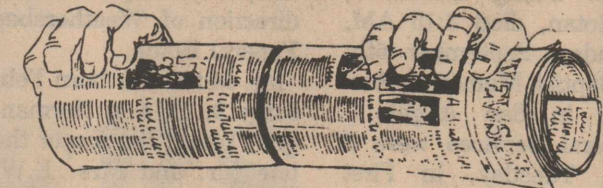

We want to sincerely convey our thanks and appreciation to the many wonderful people that showed love and concern during Jerry Dycus' stay in West Texas Medical Center recently. To all the people that visited in the hospital, sent flowers, cards, provided food and offered prayers, we deeply appreciate your concern. May God richly bless each one of you-we will forever remember your wonderful acts of kindness.

The family of Jerry, Candy, Mandy and Dee Dycus

Final Rites Conducted For J.A. "Buddy" Murff

J.A. "Buddy" Murff, 69, of Rotan, died 8:15 AM, Monday, September 5th, in Baptist Memorial Hospital in San Angelo. Funeral Services were 2 PM, Tuesday, in First Baptist Church of Roby. Officiating was Rev. Jim Ritter, the Pastor, and Rev. Mike O'Neill, Pastor of Cross Roads Baptist Church. Burial was in the

Roby Cemetery under the direction of Weathersbee Funeral Home.

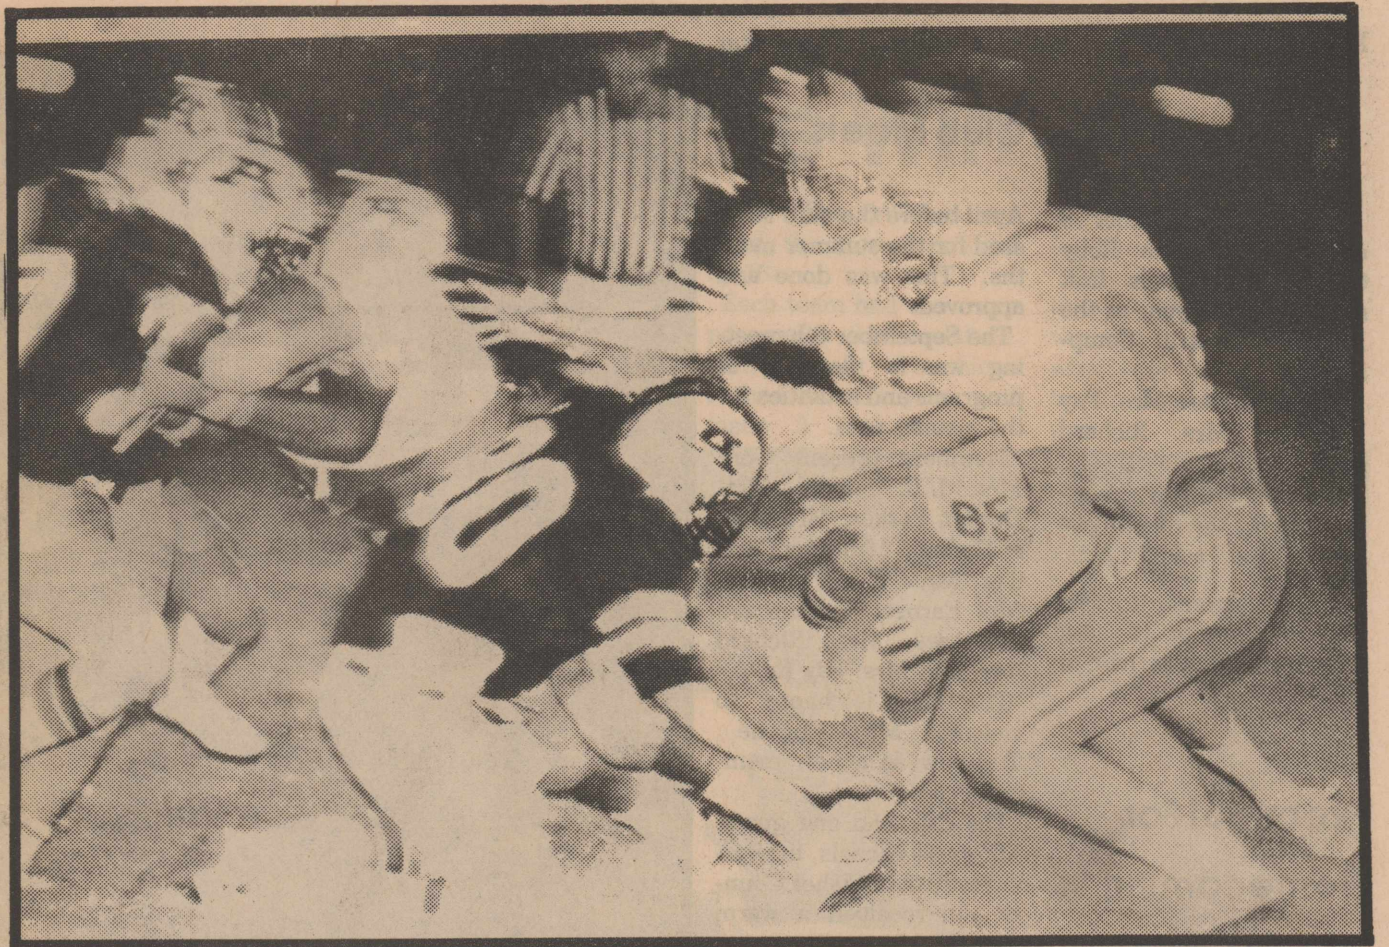

Mr. Murff was born February 9, 1914 in Norman, Texas, the son of the late Mr. and Mrs. E.W. Murff. He moved to Anson as a child and to Fisher County in 1933. He was a member of the First Baptist Church of Roby where he served as a

deacon for many years. He was also song leader for 18 years. A farmer by occupation he served on the board of Midwest Electric Coop for 25 years.

He is survived by his wife, Lurline of Rotan, a daughter, Mrs. Glenn (Janice) Copeland of Rotan, a son, Jimmy of Junction, 4 brothers, Roy Murff of Roswell, New Mexico,

Elmo Murff of Lamesa, Carl Murff of Roby, and Joe Murff of Corsicana, one sister, Bessie Rose of Big Spring, six grandchildren: Lainey, Shawn, & Kacey Murff of Junction, Mrs. Bill (Kim) Allen & Kevin Copeland of San Angelo and Keith Copeland of Great Lakes, ILL.

Several other club members planning to attend the convention include Mrs. Marshall Billingsley and Mrs. Alvin Smith.

SCRAMBLED MASS: Rotan and Anson players hit each other with a lot of intensity last Friday. Above

Rotan players Dion Sepeda left, Ben Bryan, 85 center and Charles Adkins, 80 make the tackle.

Extension Homemakers Plan To Meet

Several members of the Fisher County Extension Homemakers Clubs will be attending the State Meeting of Texas Extension Homemakers Association in Lubbock, September 20-22 according to Alice Balenger, County Extension Agent.

Fisher County delegates to the convention are Mrs.

Stuart Carey and Mrs. James Cave. Mrs. Lowell Thornburg, Chairman of the State Health Committee of T.E.H.A. will be in Lubbock on Monday as the board of directors, which she serves on will begin their meetings on Monday.

On Thursday Mrs. Thornburg with her Health Com-

mittee will be presenting a workshop for homemakers on "Diet and Health" as well as "Life Style and Health". Speaker for the workshop is Dr. Clara McPherson, Associate Professor of Home Economics, Texas Tech University, Department of Nutrition. Other program

participants include members of the committee, Mrs. Helen Haynes of Anson, Mrs. Rosa Ward of Quanah, and Mrs. Darlene Terrell of Wichita Falls.

Several other club members planning to attend the convention include Mrs. Marshall Billingsley and Mrs. Alvin Smith.

Rotan Nursing Center Lists Visitors

The showers were a relief from the heat, but we sure can use some more rain. Our open house was a lot of fun. We had several visitors to visit with us. B.B. Crawford is our oldest Grandfather, Minnie Zimmerman is our oldest Grandmother, Best Grandmother was Mrs. Shipp, Best Grandfather was Gaines Smith, Hubert Daniels has the most Grandchildren and Vineta Goodman was the Best Dressed.

We would like to welcome Russell Ahrlette to our home. We are happy to have Romie Kersh back from the hospital. This week we will be getting ready for our garage sale. We are going to have this Saturday.

Visiting Mrs. Fleming was Mr. and Mrs. Marvin Fleming of Abilene, Mrs. Louise Harris and Mark of Lubbock. Maude Gruben had two grandsons to visit

her, they were Ronald Gruben of Ft. Worth and Gary Gruben of Lakeview. Earl and Wynell Maize of Lubbock visited Maudie

Maize. Austin and Emprress Bagwell of San Antonio visited Patience Bagwell. Vineta Goodman

was visited by Mr. and Mrs. Truman Carr of Stephenville.

Law On Vehicle Width To Be Challenged

The State Legislature during the most recent session passed House Bill 1602 and S.B. 288 amending the previous state law concerning the legal width limitations of vehicles operating on state highways.

House Bill 1602 eliminates the 50 mile exemption for farm equipment and Senate Bill 288 raises the special permit fee from \$5.00 to \$20.00.

Beginning September 1, 1983, drivers will be required to obtain a special permit from the Texas Highway Department Permit Office when operating

a vehicle on a public highway if the total outside width exceeds one hundred and two (102) inches including any load on the vehicle. The cost of the special permit is \$20.00 per single trip.

House Bill 1602 was passed by the House of Representatives May 6, 1983

with a vote of 141 yeas, 1 nay, and 1 present not voting. It was passed by the Senate May 23, 1983 by a vote of 31 yeas, 0 nays.

You may contact your State Representative and State Senator and inform them of the hardship this change creates.

Leverton On McMurry Scholarship Plan

Seven freshman students at McMurry College have been named to receive William Fletcher-McMurry scholarships, according to Dr. Paul Jungmeyer, dean of the college.

Recipients of the four-year, full tuition scholarships are Jerry Harvey of Amarillo, Roger Haynes of Lubbock, David Hudson of Coleman, Marc Klinkerman of Iowa Park, Julie

Knight of Wichita, Kansas, Darrin Leverton of Rotan and Bryan Shackelford of Irving.

Students must maintain a 3.25 grade point average in their studies at McMurry to receive the scholarships. The actual awarding of the scholarships is based upon academic excellence and strong leadership qualities by the student in high school.

Golden Haven Home

We are glad to have Louise Schubert back from the hospital.

Ruth Webb celebrated her 91st birthday September 8th.

Rotan Students Get WTSU Scholarships

More than 400 beginning freshman students at West Texas State University from seven states have been awarded a \$200 Don and Sybil Harrington Scholarship for the 1983-84 academic year.

Scholarships are awarded each year to students who will attend WTSU as freshman and who are members of high school National Honor Society chapters or similar organizations.

Don and Sybil Harrington Honor Scholarships were begun in 1979 with an endowment from the Don and Sybil Harrington Foundation of Amarillo. Additional grants have grown to a total endowment of \$1.2 million and students are eligible to retain the scholarship for four years at WTSU.

The scholarships are re-

Roby Lions Even At 1-1, Looking For Bronte Win

The Roby Lions took a loss Friday night to a very good Jayton team. The Lions lost by the score of 33 to 16.

Roby suffered four fumbles and one interception in the first half, with two of the fumbles and the interception in the first quarter.

The Jaybirds were a powerful team with two excellent running backs and they wasted no time in showing their power. They took the opening kickoff and went 62 yds. in nine plays. To score, with 8 minutes, 14 seconds left in the first quarter. The PAT was good and Jayton lead 7 to 0.

The Lions were unable to move the ball on their first possession and punted on 4th down.

Centennial Celebration Planned

Robert Martin, Sidney Rufas Bryan and Oliver Rasmus Etheredge came to Fisher County in 1886. A celebration is being planned for that Centennial by the descendants of these three pioneer Fisher County families in the summer of 1986.

A planning meeting was recently held at the home of Mr. and Mrs. Sam Etheredge of Hobbs. Present for the meeting were Ted Etheredge of Sweetwater, C.C. Etheredge of Roscoe, Connie Tutt, Sam and Roxie Etheredge of Hobbs, Calvin and Beth Bryan of Seagraves, Jerele and Martin Palmer, Bryan and Nettie Etheredge and Billie Holcomb all of Roby.

Elected officers of the committee to plan the celebration were C.C. Etheredge, chairman; Connie Tutt, vice-chairman; Billie Holcomb, secretary; and Ted Etheredge, treasurer.

If you are descended from one of these three pioneer Fisher County families, get your photos and family tree information together and plan to celebrate in 1986. The committee will meet at Connie Tutt's the first Sunday of December.

Legal Notice

The board members of the Rotan Independent School District met in regular session on Monday night, September 12th and approved the tax rate of .84 cents per \$100.00 valuation.

This rate breaks down .79 cents for the general fund and .07 cents for debt service. Superintendent Jerry Dickson indicated that the rate should provide a tax levy of \$595,250.00 as compared to last years \$572,009.00.

Jayton, on the first play of their second possession of the game went 43 yards for their second TD. The PAT kick was blocked by Roby's Bubba Doty, and with still six minutes and 52 seconds left in the first quarter, Jayton led 13-0.

After the kick the Lions had a first down on their 32 yd. line, but fumbled the ball back to the Jay-

birds on the first play.

Jayton then began their possession on the Lion 43 yd. line after the fumble. Not being able to make a first down, they punted back to the Lions.

Roby then ran two plays and on third and 8, their pass was picked off by the Jaybirds, stopping the Lions.

Jayton fumbled back to

the Lions on their first play. The Lions then started their first good drive of the night. Beginning at their 45 yd. line, Roby moved the ball in 7 plays to the Jaybirds 20 yd. line, when on 1st and 10 at the 20, the Lions suffered their third turnover of this quarter, killing a good drive.

Jayton then ran one play and the quarter ended.

In the first quarter the Lions made 2 first downs and rushed for 41 yds, but suffered 3 turnovers. Jayton made 3 first downs and rushed for 105 yds. and had one turnover.

In the 2nd quarter, in Jaytons first two possessions they were unable to make first downs and punted.

Roby's first possession of the second quarter ended with a punt but their second and third possession ended with fumbles.

Jayton scored on their third possession of the second quarter. The drive covered 34 yds. in four plays. With four minutes and 5 seconds left in the first half Jayton led 19-0. Each team had one more possession before the half.

In the second quarter Roby's Frank Gonzalez caught three passes for some good yardage. The Lions made 2 first downs and rushed for 29 yds. and passed for 32, and suffered 2 turnovers. Jayton had one first down and rushed for 19 yds. and passed for 33.

The second half started with Jayton receiving and the Jaybirds went in to score in 4 plays that covered 80 yds. The PAT run was good, with still 10 minutes and 58 seconds left in the third quarter Jayton led 27-0.

Roby had only two possessions in the third quarter and could not sustain a drive on either possession. Jayton had 2 more possessions after their scoring drive, but both times their possessions ended on turnovers, one a fumble, recovered for the Lions by Bubba Doty, and the other an interception by Lance Green.

Jayton in the 3rd quarter, made 3 first downs and rushed for 78 yds. Roby rushed for only 14 yds and no first downs.

Roby started the final quarter with possession of the ball, but punted on 4th down.

Jayton scored again on their first possession of the 4th quarter going 85 yds. in five plays. The PAT kick was no good and with 8 minutes and 46 seconds left in the game, Jayton led 33-0.

After the kick the Lions began on their 37 yd. line and in nine plays the Lions made their first score. The

last play being a 38 yd. run by Bennie Putnam. The PAT run was good and with 4 minutes and 54 seconds left in the game the score was 33-8.

The Lions then kicked and Jayton began their

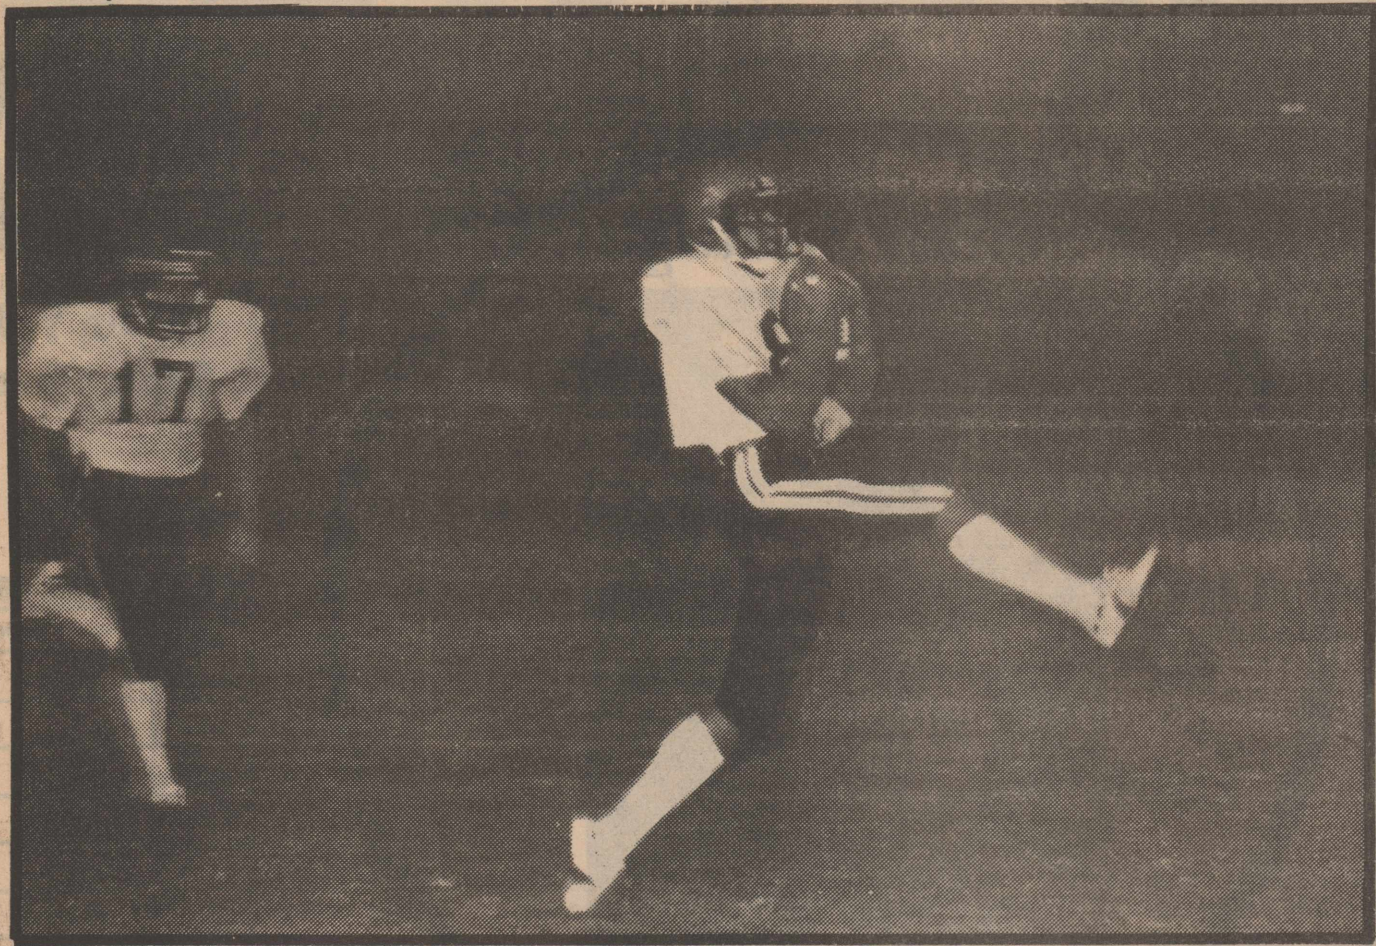

2nd possession of the 4th quarter at their 15. Then in punt formation on 4th down the snap went over the Jayton Punters head and Roby's Billy Brezinski recovered the lost ball for the Lions second TD of the

night. The PAT run was good, the score then read 33-16.

Each team had one more possession before the game ended. The Lions rushed for 62 yds. and made 3 first downs.

Jayton had 129 yds. rushing and 3 first downs.

The Lions will be trying to get back into the winning way this Friday, when they travel to Bronte to play the Longhorns at 8 p.m.

HIGH STEPPER: Roby's Frankie Gonzalez, son of Mr. and Mrs. Alfredo Gonzalez of Roby, steps high after snagging a pass last Friday against Jayton. The Roby pass-catcher will get a lot of opportunities to step even higher as the Lions face tough Bronte on Friday night.

ROUGH SLEDDING: The Roby Lions had some rough sledding last Friday night as they were defeated by Jayton in the second season game. In the first contest Roby edged Aspermont. The Lions face Bronte this Friday.

County Agent Report

By Richard Spencer

Fisher County producers have their land ready for the 1984 wheat crop. Our wheat yields for 1983 were fairly good considering the crop was made on last year's winter snows. Reports indicate that yields ranged from low of 10

bu/A to 50 bu. acre. A 20 to 24 Bu/A yield range was more typical. There may be a reason for producers that produced only 10 bu. of wheat. Low soil fertility may be one reason or perhaps a heavy plow or compaction pan in their soil prevented water uptake. With either problem, taking a soil sample probe and pulling soil samples will help you check for a soil compaction layer. Generally these problems will prevent one from pushing the soil test probe down to a depth of 12 inches. We usually find them at 4 to 6 inches deep where the plows have been running. After the soil samples are taken. Mix about 7 to 10 cores from a 150 acre field in a clean plastic bucket. Place them in a soil sample mailing

bags and send the sample to the Soil Testing Laboratory. Engineers Extension Center in Lubbock have a designed instrument that measures the force required to penetrate the compaction pan. This instrument is called a penetrometer. The equipment will eventually determine what force in a soil compaction layer is sufficient to justify deep plowing.

Wheat if grazed requires about 2 lbs/a of nitrogen for each bushel of wheat. If a producer wants to make 30 bushel/A on a soil that has adequate moisture, then as total of 60 lbs/one of nitrogen is needed. Many of our soils will furnish from 20 to 30 lbs/A of nitrogen. Hence this is the reason why soil tests helps you plan your fertilizer requirements.

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 8, 1983

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 91 proposes a constitutional amendment which requires a county with a population of 30,000 or more to be divided into not less than four nor more than eight justice of the peace precincts. A county with a population of 18,000 or more but less than 30,000 shall be divided into not less than two nor more than five justice of the peace precincts. A county with a population of less than 18,000 shall be designated as a single justice of the peace precinct or, upon a finding of necessity by the commissioners court, shall be divided into more than one justice of the peace precinct but not more than four. The amendment provides further, that in any precinct in which there is a city with a population of 18,000 or more, two justices of the peace shall be elected. The amendment allows a justice of the peace, constable or commissioner to continue in office until the expiration of his term, although a change in precinct boundaries results in the officer no longer being a resident of the precinct for which he was elected or appointed and allows a justice of the peace or constable to continue in office until the expiration of his term even though a change in precinct boundaries results in the abolishment of the precinct or more than one justice of the peace or constable serving the precinct. Vacancies in the office of justice of the peace or constable that result from a precinct boundary change shall be filled by the commissioners court until the next general election. The amendment would take effect on January 1, 1984, and counties with populations of less than 30,000 and with more than four justice of the peace and constable precincts would have until January 1, 1987 to comply with the amendment.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing fewer justice of the peace and constable precincts in counties with a population of less than 30,000 and providing for continuous service by justices of the peace, constables, and county commissioners when precinct boundaries are changed."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 105 proposes a constitutional amendment which would limit a homestead in a city, town or village to a lot or lots amounting to not more than one acre of land, together with any improvements on the land. The constitutional requirement that, at the time of

designation, an urban homestead not exceed ten thousand dollars in value without reference to the value of any improvements on the land would be eliminated.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment replacing the limitation on the value of an urban homestead with a limitation based on size."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 1 proposes a constitutional amendment that authorizes the Legislature to enact legislation that permits representative associations of agricultural producers to collect refundable assessments on their product sales to be used solely to finance programs of marketing, promotion, research and education relating to those products. It provides, further, that adoption of the proposed constitutional amendment will bring into effect Senate Bill 607, Acts of the 68th Legislature, Regular Session, 1983, with rejection of the amendment resulting in Senate Bill 607 having no effect.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment providing for the advancement of food and fiber production and marketing in this state through research, education, and promotion financed by the producers of agricultural products."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 30 proposes a constitutional amendment which authorizes the Legislature to enact laws to provide for the succession of members of the Legislature in the event of enemy attack and allows the suspension of procedural rules imposed by the Constitution in the event of, or immediate threat of, enemy attack. The amendment empowers the Governor, after consultation with the Speaker of the House and the Lieutenant Governor, to suspend the constitutional requirement that the Legislature hold its sessions in Austin and allows the suspension of procedural rules by the Governor issuing a proclamation in which the House of Representatives and Senate concur by resolution approved by a majority of the members present. Suspension of the constitutional rules may not exceed a period of two years under a single proclamation; however, the Governor may renew the suspension by issuing a new proclamation concurred in by the House of Representatives and the Senate through a resolution approved by a major-

ity of the members present.

The amendment will appear on the ballot as follows: "The constitutional amendment authorizing statutory provisions for succession of public office during disasters caused by enemy attack, and authorizing the suspension of certain constitutional rules relating to legislative procedure during those disasters or during immediate threat of enemy attack."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 12 proposes a constitutional amendment that authorizes the Legislature to enact legislation providing for the use of the permanent school fund and income from the permanent school fund to guarantee bonds issued by school districts. The amendment provides, further, that the Legislature may appropriate part of the available school fund for administration of the permanent school fund or of a bond guarantee program established pursuant to the amendment.

The constitutional amendment will appear on the ballot as follows: "The constitutional amendment authorizing use of the permanent school fund to guarantee bonds issued by school districts."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 1 proposes a constitutional amendment which would permit the Legislature to provide for the garnishment of wages to enforce court-ordered child support payments. The garnishment remedy would not be available for other purposes.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment allowing the Legislature to provide for additional remedies to enforce court-ordered child support payments."

PROPOSITION NO. 7 ON THE BALLOT

Senate Joint Resolution 14 proposes a constitutional amendment that authorizes the Veterans' Land Board to provide for, issue, and sell general obligation bonds of the State of Texas in an amount not to exceed \$800 million to provide financing to veterans of the state. The amendment requires that three hundred million dollars of the state bonds be dedicated to the Veterans' Land Fund. The Fund is to be used to purchase land to be sold to veterans under such terms, rules and regulations as may be authorized by law. The amendment creates the Veterans' Housing Assistance Fund and requires that \$500 million of the state bonds authorized by the amendment be dedicated to the Fund. The Veterans' Housing Assistance Fund will be utilized by the Veterans' Land Board for the purpose of making home mortgage loans to veterans for housing within the state and for the administrative

costs of administering the fund and issuing the bonds. The amendment provides, further, that if there is not money in either the Veterans' Land Fund or the Veterans' Housing Assistance Fund available for payment of principal and interest on the general obligation bonds issued pursuant to the amendment, then money coming into the Treasury in each fiscal year is appropriated in an amount sufficient for payment of principal and interest due in that fiscal year.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment for financial assistance to veterans and to authorize the issuance of \$800 million in bonds of the state to finance the Veterans' Land Program and the Veterans' Housing Assistance Program."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 1 proposes a constitutional amendment that authorizes political subdivisions to exempt veterans' organizations from ad valorem taxation on their property. The amendment requires that the veterans' organizations be chartered by the United States Congress, be composed of members or former members of the United States Armed Forces, and be organized for patriotic and public service purposes. The amendment provides, further, that political subdivisions may exempt fraternal organizations from ad valorem taxation on their property. The amendment requires that the fraternal organizations be organized to perform and be primarily engaged in charitable or benevolent functions. The Legislature would be authorized to enact laws that prescribe eligibility requirements for fraternal organizations to benefit from the exemption and to pass legislation limiting the types or amount of property owned by a fraternal organization which may be exempted from ad valorem taxation.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to authorize taxing units to exempt from taxation property of certain veterans' and fraternal organizations."

PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 70 proposes a constitutional amendment to authorize the Legislature to provide, by local or general law, a method by which judges of statutory courts with probate jurisdiction may be assigned to any other statutory court with probate jurisdiction and to any constitutional county court in any county in the state.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for assignment of judges of statutory probate courts to other statutory county courts with probate

jurisdiction and to county courts."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 17 proposes a constitutional amendment that authorizes the Legislature to enact laws which would allow a city or town to expend public funds to relocate or replace sanitation sewerage laterals on private property if done in conjunction with the replacement or relocation of sanitation sewer mains serving the property. The amendment requires that the law authorize the city or town to affix a lien on the private property, with the consent of the owner, to cover the costs of the replacement or relocation of the sewer laterals on the property. The lien may not be enforced until five years have expired since the date the lien was affixed. The amendment provides, further, that the law require that the costs of the replacement or relocation of the sewer laterals on the private property be assessed against the property with repayment to be amortized over a period not to exceed five years and at an interest rate provided by law.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to permit a city or town to expend public funds and levy assessments for the relocation or replacement of sanitation sewer laterals on private property."

PROPOSITION NO. 11 ON THE BALLOT

Senate Joint Resolution 13 proposes a constitutional amendment that would change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and would eliminate the Governor's power to revoke paroles. The Legislature would be authorized to establish the Board of Pardons and Paroles and to require it to maintain records of its actions and the reasons for its actions. The amendment would empower the Legislature to enact parole laws. Constitutional language specifying the qualifications and terms of office for members of the Board of Pardons and Paroles is eliminated. The constitutional language governing the composition of the Board of Pardons and Paroles and the manner of filling vacancies on the Board is eliminated.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and to give the board power to revoke paroles."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitución que aparecerán en la boleta el día 8 de noviembre de 1983. Diabetes And Diet

By Alice Ballenger

Diabetes is one disease we are likely to see more of in our lifetime. According to the American Diabetes Association, the incidence of diabetes is increasing by about 6% a year. At this rate, infants born today have a better than 1 in 5 chance of developing diabetes by the time they reach 70.

On common image of a diabetic is a person who

takes daily insulin shots, eats special foods and never tastes sugar. This image of diabetes and the diabetic diet is not entirely accurate.

Diabetes is characterized by the inability to process sugars and other carbohydrates normally. It occurs in all age groups from infants to the elderly, but the greatest incidence is among middle-aged or old-

er adults.

About 80 to 85% of all diabetics are 45 years of age or older.

During the past decade, medical research has led to the discovery of new characteristics of the disease. It's now thought that diabetes is not one, but several diseases, possibly with differing causes and means of transmission.

Most people don't realize that diet is the key to controlling diabetes. The majority of the diabetics do not need insulin. Older diabetics usually control their disease through oral medication and diet, or diet alone.

A diabetic diet is not particularly restrictive either. In fact, it is the kind of good, basic, healthful diet that nutritionists say we should all eat.

The American Diabetic Association currently recommends a balanced diet with food from the four major food groups and 50 to 60% of the total calories from carbohydrates.

The diabetic's carbohydrates should be mostly from starches such as potatoes, pasta and bread, and the intake of sugars and desserts should be limited. But diabetic diets do not require the use of the special no-sugar products you see in the grocery stores.

ACU Receives

Federal Grant

A federal grant for \$116,000 to Abilene Christian University's department of social work and sociology will be used to train professionals from community agencies to deal with family violence.

Ten scholarships to participate in the program will be awarded to area individuals. Dr. Rollo Tinkler, department chairman, said the department faculty was especially pleased about the grant because "We asked for new money to launch into a new dimension of study instead of requesting funds to continue a program already in progress."

"We saw family violence as an area of special need," Tinkler said.

Department faculty, headed by Coy Pullara, director of the social work program, will spend the fall semester designing the course and establishing criteria for the scholarships. The class will be team taught by Mrs. Pullara, Terry Moore, and Paul Maiden, assistant professors.

Individuals who are interested in participating in the program should contact the department for further information.

Diabetics must also regularly space their meals. The total calories for each day must be divided into at least three meals and often one or two regular snacks. The meals and snacks need to be balanced to contain some protein and fat as well as carbohydrates.

Along with diet, diabetics must be concerned about maintaining a desirable weight. Losing weight may help the overweight diabetic reduce his need for drug therapy, and improve his ability to tolerate sugars.

For diabetics, and non-diabetics alike, good nutrition plays an important role in maintaining good health.

Roby Junior Varsity Team Defeated By Baird 6 - 0

Roby's JV team traveled to Baird last Thursday to play a good game against a young Baird team. Both teams showed some promising offense and good defenses.

Baird won the game by the score of 6 to 0, they scored with a minute and twenty seconds left in the game. Roby's JV this year is made up of 13 freshmen, 3 sophomores and 2 juniors. The young freshmen really played a good defensive game, eleven times they threw the Baird team for losses.

The defense was led by Marlon Terry, Jeff Branson and Billy Fee, with the

team being made up of Gerry Streety, Jeff Green, Jeff Morton, John Shipp,

Darry Thomson, Kevin Stuart, Todd Matthies, Ruben Rodriguez, Bruce

Williams, Joe Acevedo, Wenzel Hardwick and Todd Donham.

Final Rites Held For Anastacio Ortiz

Anastacio Ortiz, 50, of Roby, died at 10:30 a.m. Sunday in Fisher County Hospital after a long illness. Services were held at 2 p.m. Tuesday in St. Joseph Catholic Church in Rotan.

The Rev. Austin Kittridge, pastor officiated. Burial was in Roby Cemetery.

Rosary was at 8 p.m. Monday in Weathersbee Funeral Home in Rotan.

Born April 7, 1933, in Los Indios, Texas, he moved to Fisher County in 1953 from Mexico. He married Basilia Colmenero on September 7, 1968 in Mathis. Ortiz was employed by

McDonald Cotton Storage Co. and was a member of St. Joseph Catholic Church.

Survivors include his wife of Roby: one son, John of the home, his parents, Mr. and Mrs. Juan Ortiz of Monterrey, Mexico; three brothers and seven sisters.

Tax Planning by Richard Rodgers, CPA

Real Estate Planning

If you have aged parents who own an appreciated home, you could ease their financial burden. Here's how:

1. Make an installment purchase of the property and rent it back to them.
2. Structure the transaction so that the monthly rental charges are lower than the installment payments you must make to them.

This automatically provides extra income for your parents. In the meantime, the first \$125,000 of gain on the transaction can be excluded from income by your parents if they qualify and you are entitled to take tax-reducing interest and depreciation deductions on the property because you've converted it to rental property. This could offset any losses you might incur from subsidizing your parent's rent. This transaction should be properly structured in order to avoid the loss of certain benefits from the relationship of the parties involved in the transaction.

here's just one possibility for structuring a real estate transaction to benefit several family members. When it comes to real estate, your CPA can often give you ideas that are both tax-wise and financially sound.
