Tahoka, Lynn County, Texas Friday, February 15, 1952

Number 20

Bulldogs New 6-AA Basketball Champs

The Tahoka Bulldogs are the 1952 District 6-AA basketball champions. They clinched the championship by defeating Post here Friday night 48 to 31.

Thereby, they set another record, this being the first time the Bulldogs have ever won two district championships in one year. Last fall, they were undefeated in District 6-AA football competition.

Enter Regional Meet

As a result of winning the basketball championship, the Bulldogs have qualified to enter the Class AA regional meet at Texas Tech Feb. 29 and March 1, where eight district champions will be competing for the right to enter the state finals in Austin.

In the regional meet, Tahoka will open play with the winner of District 4, which will be either Quanah or Iowa Park.

Slaton Here Tuesday

Though Tahoka has one more conference game to play with Slaton, it already is the champion because all other teams in the District, Slaton, Ralls, Post, and Spur, have lost three or more games.

Slaton Tigers close out the conference schedule here Tuesday night, with the boys' B team playing at 6:00 p. m., the girls' team at 7:00 p. m., and the varsity boys at 8:00.

Tahoka defeated Slaton there recently 63 to 33, the B team won in an overtime game 35 to 34, and the girls lost by a top-heavy score.

Tonight, Friday, the A and B boys' teams play the tall sharp-shooting Brownfield Cubs there, in that school's beautiful new gym. (Con't. On Back Page)

Draper Entered For Commissioner

A group of friends this week authorized the following announcement of Buel Draper as a candidate for County Commissioner, Precinct 4:

"To the Voters of Commissioner's Precinct 4:

"Realizing the great need of having a commissioner who is a good financier to attend to the finances of our county, therefore, we, the friends of Buel Draper, are hereby announcing him as a candidate for commissioner of Precinct No. 4.

"Buel has lived in this county since he was a mere boy. We have known him for many years. Buel is honest, fair in his dealings with his fellow man. He is a good financier, has made a success of his own business by good management, and will make a success of the county's business if elected commissioner.

"If there ever was a time the county needed a commissioner that knows how to manage the county's business so as to get the value of the money spent, it is now. Buel Draper has the know-how, and will use it, if elected.

"He doesn't need the office for the money that is in it, but the precinct and the county greatly need his service and management. He will protect the county from unwarranted extravagance and actively promote economy in government of the county.

"Therefore, we, a host of his friends that know him, appeal to the voters of Precinct 4 to elect Buel Draper our commissioner. Signed — His Friends."

Income Expert Coming To City

Deputy Collector of Internal Revenue Burt Bedford of Lubbock will be at the First National Bank in Tahoka next Wednesday, Feb. 20, from 8:30 a. m. to 5:00 p. m. to render assistance with income tax problems to any who desire such.

This will be the only visit by an Internal Revenue man to Tahoka for this purpose before March 15.

West Named Rotary Head

Ernest West, minister of the Church of Christ, was named the new president of Tahoka Rotary Club for the year beginning on July 1, at the regular meeting of the club Thursday noon of last week.

West has been with the local Church three years, and has been active in the Rotary Club practically ever since moving here. He was a club director last year.

Clint Walker, president of the club, will automatically become vice president for the new year.

New directors elected at the same time are H. W. Carter and Pete Hegi. They will succeed Winston Wharton and Charles Townes.

Other members of the board are Tom Gill and O. C. Elliott and David Weathers, secretary-treasurer.

Junior Rotarians for the month are Jimmy Urzle and Charles Ware, High School Seniors. Jimmy is a painter, and Charles is president of the National High School Poetry Association, and this week is in Kansas City for a meeting of the organization.

Mrs. J. W. Norman Died Saturday

Mrs. J. W. Norman, 73, a resident of the Grassland area for 36 years, died at 8:14 a. m. Saturday in a Lubbock hospital from a heart attack which she had suffered two days before.

Funeral services were held Sunday at 2:30 p. m. at the Grassland Church of the Nazarene with Rev. J. R. Ferguson officiating, and burial followed in Grassland Cemetery under direction of Mason Funeral Home of Post.

She had suffered a heart attack on Monday and was taken to the hospital on Thursday afternoon for treatment.

Mrs. Norman was born at Romance, Ark., April 18, 1878, her maiden name being Nannie Belle Crossland. She and Mr. Norman were married in Collins county September 16, 1896. She and her husband were among the early farmer settlers of eastern Lynn county. They bought their farm out of the Post lands in 1916. They raised a family of 11 children.

Surviving are the husband; three daughters, Mrs. E. B. Gregg of Grassland, Mrs. Roy Saage of Slaton, and Mrs. Howard Teaff of Post; and eight sons, Bob, Ervert, Ray, W. H., A. L., and Glenn of Grassland, Alton B. of Levelland, and Johnny of Pampa, Calif.; 26 grandchildren, five great grandchildren; one sister, Mrs. Charley Parr of Hollis, Okla.; and one brother, Walter Crossland of Wichita Falls.

Pallbearers were nine grandsons, Gerald Norman, Gene Nunn, Hugh Don Atcheson, Reagan Reed, Derrell Ray Norman, Alton Norman, Joe Gayle Fleming, Raymond Gerner, and Frankie Norman.

Tax Collections For 1951 Reach 96 Percent Total

Lynn county tax collections have been good this year considering everything with 96.2 percent of the roll for 1951 paid up until February 1, according to J. E. (Red) Brown, assessor and collector.

To that date, Brown had collected \$148,254.74 in taxes from a possible \$152,000.00, not including \$5,114.66 in delinquent taxes paid up to that date. People are still paying their 1951 taxes, now delinquent, and the percentage may eventually near the 100 percent figure.

WILLIE Z. FLORENCE

Willie Florence Gets Promotion

Willie Z. Florence, formerly of Lynn county and a son of Mr. and Mrs. W. Z. Florence of Draw, has been named new assistant manager of the TUCO plant of Southwestern Public Service company north of Abernathy.

Formerly an engineer at the plant, Florence succeeds P. S. Sterrett, who was elevated to manager when R. E. Dyer was moved to the Denver City plant.

Florence has made a fine record with the company, and his advancement has been rapid. He is credited with designing several devices useful in power plant operations, and designed the 142-foot TUCO radio tower. TUCO is the company's third largest power plant, having a capacity of 42,000 kilowatts per hour.

Willie was born at Tahoka, completed grammar school and high school at Draw, and was an outstanding athlete during his high school days. He attended Howard Payne College two years until war came. Joining the Army, he served until 1943 with the 36th Division.

He worked for the Soil Conservation Service nearly 10 months, then entered Texas Tech, where he graduated with a B. S. degree in Civil Engineering. He also lettered in football and track at Tech.

He is married and has two children.

Style Show Will Be Presented On Monday Night

Plans are complete for the style show being presented in the school gymnasium next Monday night, Feb. 18, at 8:00 p. m. under sponsorship of the Tahoka Garden Club and local merchants.

The date and place of meeting has been changed from Tuesday at the Legion Hall to Monday at the gymnasium.

Ladies' children's, and men's latest fashions will be modeled, including play clothes, formals, casuals, and work clothing.

An entertaining program has been arranged for presentation between changes, including some specialty numbers from Lamesa.

All people of the area are invited. Admission prices are 25 and 50 cents, with all proceeds going toward the purchase of shrubs for landscaping the Tahoka school grounds.

Lynn county farmers are invited to a meeting in the district court room in Tahoka Saturday at 2:00 p. m. to determine if this county is interested in joining the "rain-making" project proposed for the lower South Plains.

Sam Allen, president of Dawson County Farm Bureau and coordinator of Puka-Lambro Rural Telephone co-operative here, will be the principal speaker.

The meeting follows two similar meetings held previously at Lamesa, and precedes another which will be held there Thursday, February 21.

Men sponsoring the local meeting, all of whom have attended the Lamesa meetings, include Pat Hutchison, Lee Roy Knight, Dr. K. R. Durham, W. B. Prichard,

County Election Judges Named

Election judges to serve two years in General and Special Elections were appointed Monday during a regular meeting of Lynn County Commissioners' Court.

These judges do not serve in party primary elections, as political parties select their own judges for such elections.

Presiding judges are first named below, followed by associate judges, for each precinct:

Precinct 1: Sheriff's office in courthouse, N. W. Allphin, H. O. Hargett.

Precinct 2: Wilson School, C. E. Campbell, E. L. Blankenship.

Precinct 3: O'Donnell School, Tom Brewer, Louis Purvis.

Precinct 4: New Home, J. E. Fortenberry, Moman Johnson.

Precinct 5: Draw School, Graham Hensley, Gus Sherrill.

Precinct 6: County Court Room, E. R. Edwards, J. M. Small.

Precinct 7: Grassland School, R. M. Thomas, Leroy Davis.

Precinct 8: Gordon School, J. O. Reed, J. H. Huddleston.

Precinct 9: Garnolia School, J. B. Ray, J. E. Thomas.

Precinct 10: Tahoka High School, Geo. Claude Wells, Maurice Huffaker.

Precinct 11: New Moore School, N. S. Parker, H. L. Webb.

Precinct 12: Lakeview Gin Office, Roy Nettles, B. G. Milliken.

Norvell Redwine Out For Sheriff

Norvell (Booger) Redwine this week entered the race for Sheriff of Lynn county.

He was born and raised in Lynn county, and is the oldest son of Mr. F. E. Redwine of Tahoka and the late F. E. Redwine, long a prominent citizen and former sheriff. He is a graduate of Tahoka High School.

"Booger," as he is known to friends, has had 12½ years experience as a peace officer, and feels that he is thoroughly qualified to fill the office of Sheriff.

He was named deputy sheriff of this county April 1, 1936, and served under Sheriff B. L. Parker until August 1, 1937, when he resigned to join the Texas Highway Patrol. After four years in the Highway Patrol, he became a Texas Ranger on Sept. 1, 1941, and served in this capacity for a little over six years, resigning in January, 1948, to farm with his brother. Since April 24, 1951, he has been investigator for the OPS Enforcement Branch, having resigned this position effective Friday.

Such training, together with his experience in meeting the public and knowledge of law enforcement, he feels would enable him to give the citizens the service and protection demanded of a Sheriff.

He has never before asked for a public office, nor been mixed up in a political campaign, but he promises a clean race and will make an effort to contact personally all the voters possible. If elected, he promises to give his best to the job, to serve the public faithfully and courteously.

May Try Rain-Making In Area

Larry Hagood, N. E. Wood, and "Jude" Taylor.

Wilmer Smith of New Home is a member of a committee studying the proposal. J. E. Nance of Tahoka, Borden county farmer, is also a member.

Ford Hubbard of Houston, representing Irvin F. Kirck Weather Service of Denver, Colo., recently explained the project to a meeting of farmers at Lamesa.

He stressed the fact that his company does not claim it can or will make rain. However, he believes they can and do improve the conditions and increase the amount of rainfall by use of silver iodide and generators. Anyway, it is claimed, results have been obtained in previous projects.

Hubbard discussed the work his

J. WALTER HAMMOND

Farmers Attend Bureau Meeting

J. Walter Hammond, president of the Texas Farm Bureau Federation, met with Farm Bureau leaders from 15 counties in the Lubbock Hotel, Lubbock, on Feb. 11.

Hammond spoke on current issues: (1) freedom; (2) who shall speak for farmers; (3) will a part of the money to build highways be tractor gasoline taxes; (4) what will be the farm labor and machinery situation this year?

The meeting was one step in launching a membership campaign in the 15 counties. Presently, of the 50,000 members in the Texas Farm Bureau, 7,600 are from this area.

R. J. Buchanan, area field representative for Texas Farm Bureau, and Leon Lane, State Field Representative, Lubbock, Texas will assist the leaders from the following counties participating in the campaign:

Bailey, Castro, Cochran, Crosby, Floyd, Gaines, Hale, Hockley, Lamb, Lubbock, Lynn, Motley, Parmer, Swisher, Yoakum.

Elmer Blankenship, J. W. Moore, L. H. Moore, and Guy Smith of Tahoka attended the meeting.

Senator Kilmer Corbin spoke on Farm Bureau help with legislation.

Mr. LaFon of Plainview spoke on Farm Bureau help with legislation and need for more organizations.

Walter Hammonds and other Farm Bureau officials will participate on a morning radio broadcast Tuesday, February 19, over all radio stations in Lubbock.

Two Aldermen To Be Elected

Two aldermen and a city secretary are to be elected in this year's City of Tahoka election on April 1.

Mrs. Nettie Jackson, present city secretary, has filed for reelection in this office.

The terms of two aldermen, H. G. Hodges and Joe Bob Billman, expire this coming April. So far, no names have been filed for the posts. Monday, March 3, is the final date for filing for aldermen.

Holdover aldermen are Roy Edwards, Hick Gibson, and Herman Heck, and Mayor Jimmy Applewhite also is a holdover.

ORDER BOOKS, only 25c each at The News.

Lynn Stands 9th In '51 Cotton Ginning

J. Y. Thompson Dies Suddenly

Joe Young Thompson, 64, well-known Lynn county farmer residing six miles east of Tahoka, died suddenly of a heart attack at 9:45 p. m. Sunday at the home of his brother, W. M. (Bill) Thompson.

About five years ago he had suffered his first heart attack, and he had been in ill health ever since.

Sunday night, Mr. and Mrs. Joe Thompson were playing "42" with Mr. and Mrs. Bill Thompson at the latter's near-by home. Suddenly, Mr. Joe slumped in his chair dead.

Funeral services were delayed until today to permit arrival of relatives. The services will be held at 3:00 p. m. today, Friday, at the First Methodist Church here, Rev. Jim Sharp officiating, with burial following in Tahoka Cemetery under direction of Stanley-Jones Funeral Home.

Mr. Thompson was born in Hill (Con't. On Back Page)

"Dick" Turner Seeks Re-Election

G. W. (Dick) Turner, Jr., is seeking re-election as county commissioner of Precinct 4, the New Home precinct.

Mr. Turner says he has done his best to please the people, and has tried to be impartial in his service, keeping in mind the good of the entire precinct and the county as a whole. Keeping up the roads and ruling on county business policies is a trying proposition, but he has tried to keep a level head and do the best he knew how.

One accomplishment in the office, unless there is some hitch, is the proposed paving of the gap from Petty to the Dixie-New Home road. The State Highway Department has promised this will be done this year.

Mr. Turner has been a resident of the county and the precinct for 22 years. He is married and has one child.

If the people see fit, he believes his experience and training have prepared him to do a better job in the future, and he will sincerely appreciate the vote in the Democratic primaries.

Church Seeks Second Term

A second term in the office he now holds is being asked of the voters by Clarence Church, commissioner of Precinct 1.

Mr. Church says, "I have done the best I could with what I have had to work with," and promises continued efficient service to the people of the precinct and of the county as a whole, if they see fit to retain him in office.

The commissioner's job is a hard one, in that it requires a level head in meeting many vexing problems as well as in keeping up the roads in all kinds of Plains weather on limited finances. He has tried to use good judgment and to treat all areas fairly.

A citizen of Wilson, Mr. Church and wife have two children. He is a progressive farmer and citizen, and has been living in the county and precinct nine years. He will appreciate your consideration at the polls.

MEDICAL PATIENTS

Among the medical patients in Tahoka Hospital this week are: Mrs. J. L. Wood, Tahoka; Mrs. D. D. Lavender, T-Bar; Mrs. L. H. Cummings, Post; and Walter Lee, 11 months old son of Mr. and Mrs. Warren Hardt, Jr., who is ill with bronchitis.

Lynn county ginned the surprising figure of 93,874 bales of cotton from the 1951 crop up to January 16, 1952, and the county ended the season in ninth place among all counties of the state in spite of the drouthy conditions here.

Lynn almost habitually finishes in the "high ten" Texas counties in cotton production, and more time than not it is among the "high five."

Figures released by the Bureau of Census reveal the following figures, with some cotton yet to be ginned on the Plains, for January 16:

Hidalgo	277,414
Cameron	238,683
Lubbock	193,455
Hale	143,478
Hockley	137,460
Lamb	119,200
Crosby	103,513
Willacy	99,974
Lynn	93,874
Floyd	88,700

It will be noted that seven of the ten counties above are on the South Plains, the leading cotton producing area of the nation. It's the first time in many years that Crosby has exceeded Lynn, and the first time that Floyd has hit the high ten.

Below is the production in some other South Plains counties:

Terry	66,000
Dawson	58,428
Cochran	48,741
Bailey	41,877
Dickens	36,419
Motley	22,457
Castro	14,836
Swisher	14,480
Briscoe	12,406
Gaines	11,798
Garza	9,913

The tier of counties south of Lubbock were handicapped by insufficient moisture this year.

In fairness, it should be stated, also, that some lower South Plains counties, particularly Lynn and Dawson, ginned some cotton hauled in from counties further north. A survey of Lynn county gins reveal that between 10,000 and 12,000 bales of cotton from the north was hauled here for ginning.

Mrs. W. T. Reed Buried Monday

Mrs. W. T. Reed, 76, formerly of Lynn county, died at her home in Amarillo at 10:20 p. m. Saturday. She had been in ill health for about two years, and had moved from O'Donnell to Amarillo only about a year ago to live with her son, O. T. Reed.

Funeral services were held at the First Baptist Church in Tahoka Monday at 3:00 p. m. with a Rev. Sears of Amarillo conducting the services. Burial followed in Tahoka Cemetery under direction of Stanley-Jones Funeral home.

She was born Lora Bell Burke haulder at Rome, Georgia, on March 27, 1875. She was married to W. T. Reed in Eastland county, Texas, on October 26, 1892. They later moved to Scurry county, and thence to Lynn county on December 28, 1922, settling on a farm in the Draw community. A few years ago, they retired and moved to O'Donnell. Mrs. Reed died December 26, 1950. Mrs. Reed had been a member of the Baptist Church for many years.

Survivors include one daughter, Mrs. J. F. Stuart of Tahoka; three sons, Tom S. Reed of Brownfield, Omer T. Reed of Amarillo, and Rev. O. N. Reed of Midland; one sister, Mrs. F. E. Howell of Amarillo; and nine grandchildren and four great grandchildren.

Mrs. R. L. Gibson of Tahoka entered Slaton hospital on Monday of this week where she is being treated for double pneumonia. It was hoped, that she would be able to return to her home here the last of this week.

Governor Allan Shivers and Secretary of State John Ben Shepperd discuss the 1952 Heart Fund campaign now being conducted in many Texas counties. Governor Shivers is honorary campaign chairman and Mr. Shepperd is state co-chairman with Banker Ben H. Wooten of Dallas. The Governor has proclaimed February as Heart Month in Texas to call attention to the ravages of heart diseases, the nation's number one killer. Contributions to the Heart Fund may be made direct to local Heart associations or mailed to Heart, care of the local postmaster.

Whooping Cough Can Be Serious

AUSTIN. —Inasmuch as the incidence of whooping cough in Texas is expected to show an increase during the coming months Dr. Geo. W. Cox, State Health Officer, released a statement to day urging that strenuous efforts be made to control the spread of this debilitating childhood disease. There were 1273 cases reported during the first 5 weeks of this year.

"Whooping cough can only be contracted by direct exposure to the disease, and isolation of cases must be universally practiced if the incidence is to be controlled," Dr. Cox stated.

"The infectious agent or germ of whooping cough is transmitted by droplets expelled in coughing.

Better Cough Relief

When new drugs or old fail to stop your cough or chest cold don't delay. Creomulsion contains only safe, helpful, proven ingredients and no narcotics to disturb nature's process. It goes right to the seat of the trouble to soothe and heal raw, tender, inflamed bronchial membranes. Guaranteed to please you or drugstore refunds money. Creomulsion has stood the test of many millions of users.

CREOMULSION

Relieves Coughs, Chest Colds, Acute Bronchitis

sneezing, or speaking," Dr. Cox said. "The discharges from the nose and throat are dangerous to susceptible persons; the need for early recognition and careful isolation of whooping cough is obvious. Your family physician should be called at the first sign."

"The first symptom of this disease is usually a dry cough, which persists day and night and tends to become increasingly severe. The disease is fully developed when vomiting of food and whooping accompany the paroxysm of cough. Dr. Cox stressed the fact that children who have whooping cough should not attend school or come in contact with other children until three weeks after the appearance of typical signs of the disease.

"Prevention and control of whooping cough, especially among infants and small children, may be accomplished through use of approved vaccine and convalescent serum," Dr. Cox asserted, "and it is important that such measures be taken to protect them. Neglecting to do so, and allowing the young child to suffer an attack of this disease, may seriously impair his future health."

Demand for chemical defoliants for use on cotton in 1952 is expected to be triple that of 1951, but indications are that supplies should be sufficient.

GROUP GATHERS IN CLAUDE JAMES HOME

Those enjoying a buffet style dinner Sunday in the home of Mr. and Mrs. Claude James and family, of the New Home community were:

Mrs. James' mother, Mrs. M. A. Inman of Tahoka, Jim Chandler of Culver, Oregon, Mrs. Glenn Fortenberry and children, Denver City, Texas, Mr. and Mrs. Gerald Walton and family, Snyder, Mr. and Mrs. Charles Freeman and baby, Crosbyton, Mr. and Mrs. Wayland Walton, Snyder, Gene Bob Wilson, Lubbock, Mr. and Mrs. Winston Davies and children, Bob Smith, Harold Crooks, De Loria Edwards, and Donald Caudle all of New Home.

LEAVES FOR CALIFORNIA

Mrs. Don Dee Cowan, the former Miss Mary Ann Jones, left Friday for Oceanside, California, where she joined her husband stationed there in the U. S. Marine Corps. She expects to remain there as long as Don Dee is in California.

Don Dee and Mary Ann were married here last December 18th, following which she returned to Texas Tech and completed work at end of the past semester for her degree in Home Economics.

MRS. BARTON HOSTESS TO WELLS H. D. CLUB

The Wells Home Demonstration Club met in the home of Mrs. T. E. Barton February 5 with six members in attendance.

Miss Ina Ledbetter, the leader, gave a basket. An order was placed for materials with which to make baskets at a later date.

We meet on February 19 with Mrs. H. H. Lindley, at which time Miss Hard will give a demonstration. —Reporter.

Lakeview News

MRS. W. W. McNABB
Correspondent

Those attending the Pastor and Laymen Conference at Plainview last week were Mr. and Mrs. M. P. Harmonson, Mr. and Mrs. Royce Hemmeline, Mrs. Sallie Godfrey, Mrs. W. T. Knight and Mr. J. A. Godfrey.

Mrs. Frank Timmons is recovering from burns on the face and arms caused by an explosion of their cook stove.

A surprise birthday party was given Mrs. Sallie Godfrey at the L. M. Rodgers home in Brownfield Saturday night, with several friends and relatives attending. Those from this community attending were: Mrs. Ora Timmons, Mrs. Hillary Smith, Mr. and Mrs. Glenn Ensor and family, Mr. and Mrs. C. T. Timmons and family and Mr. and Mrs. C. B. Nowlin and family.

Mr. and Mrs. John Sain have recently moved to the F. E. McNabb farm from Southland.

Mr. and Mrs. S. L. Williams, Mr. and Mrs. L. H. Moore, Sr., and Mr. and Mrs. R. W. Allen visited with Mrs. Mittie Ater Sunday.

Mr. and Mrs. H. A. Dial visited with her niece and family, Mr. and Mrs. Otis Pope and children of County Line Sunday.

Mr. and Mrs. M. P. Harmonson and daughter ate lunch with the W. W. McNabb family.

Mr. C. J. Falls is suffering from an attack of flu.

Mr. D. W. Hancock, Byron Milliken, O. K. Briggs, S. L. Williams, and E. W. Turnipseed left Monday morning for a fishing to the Rio Grande.

The Methodist W. S. C. S. which meets every Tuesday afternoon at the church, is now studying the book of Acts and urge each member to attend and welcome all visitors.

The Baptist W. M. U. meets every Monday afternoon, with Royal Service this week, they welcome every lady and visitor to attend.

Little Stanley Royce Hemme

line is suffering from sore eyes this week.

Miss Thurleen McNabb visited Saturday and Sunday in the J. T. Swinson home, with her grandmother, Mrs. P. E. Hall. Mr. and Mrs. Swinson are in Houston attending the Fat Stock Show and Ginners Convention.

Mr. and Mrs. S. H. Gryder visited with the W. W. McNabb Thursday night.

The Baptist Brotherhood met Thursday with Bro. John Martin from Wilson, bringing the message. There were 32 men present.

Mr. Charlie Brent and daughter, Charlene, have returned from a visit to Dodd, Texas. Mrs. Brent remained at Dodd, where her father is sick.

Bro. Vance Zinn is conducting a Revival in Post this week.

Miss Jo Etheridge of Seminole spent this weekend with Genita Nowlin.

Mr. and Mrs. Melvin Newman and daughters are spending this week in Dallas with Mrs. Newman's father, Mr. Thomas Wilkins.

T. H. Charters, Frank and Billy Timmons, Cecil Yeatts, Walter Morris and B. S. Morris left Monday morning for Sugar Lake, fishing.

Visiting with Mr. and Mrs. M. P. Harmonson Saturday night were Mr. and Mrs. W. D. Hale and Mr. and Mrs. Hubert Bryant of Lubbock. Mr. Bryant is a brother to Weldon, formerly of this community and now lives in Carlsbad, N. M.

Mrs. V. L. Dillard and children of Lubbock visited with her father, Mr. W. S. Perry, Sunday. Gary Wadsworth of Lubbock spent the weekend with his grandparents, Mr. and Mrs. D. B. Wheeler.

Mr. and Mrs. W. T. Knight and son, Joe, visited relatives in the Pool community Sunday afternoon.

Visiting with Mr. and Mrs. Henry Edge were his niece and sister of Lubbock.

Mrs. Ollie Carson Retires After Long Government Service

Mrs. F. Thomas (Ollie Knight) Carson, daughter of Mr. and Mrs. W. L. Knight of Tahoka, has retired from her position as chief classifier of the General Records Branch, Civil Aeronautics Authority, Washington, D. C.

Before going to work for the government in 1918, she was a teacher in the Tahoka schools. Her father, W. L. Knight, will be 88 next Sunday.

In 1950, Mrs. Carson received the Honor Award from the Secretary of Commerce for her diligence and outstanding ability in revising the Uniform Filing system of the CAA for its Washington and Field offices.

Mrs. Carson received her A. B. degree from Hardin-Simmons University, taught in Tahoka, then in 1918 went to Washington to work for the Bureau of Internal Revenue and in her spare time attended George Washington University.

In 1920, she married a college sweetheart, F. Thomas Carson, now an associate director of the Bureau of Standards in Washington.

She studied piano under a pupil of Harold Bauer, and now that she has retired she hopes to further her interest in the fine arts by studying painting and ceramics.

In approximately six months, she and Tommy will start looking over the nation for summer home and winter home locations.

The CA News states: "Those CAA employees who have had the privilege of spending a day or an evening with the Carsons at their summer cottage on the bank of the Potomac will always remember the gracious entertainment, good food, canoe rides, and picnics as a bright spot in their lives."

Mrs. Carson has been instrumental in educating three nieces and nephews and has been rewarded for her efforts in seeing them established in good positions or in their own business.

The Carsons hope to come to Tahoka soon for a visit. They have visited here many times over the years and are well known by many Tahokans. Mrs. Emory Nance of this city is her sister.

THE LYNN COUNTY NEWS,

Friday, February 15, 1952

M. D. TEMPLE HERE IN INTEREST OF TAFT

Mohler D. Temple, Lubbock attorney, member of the Republican State Executive Committee of Texas and chairman of the party's 19th Congressional district, was in Tahoka Friday of last week in the interest of Senator Taft's campaign for the Republican nomination for president.

He declares most Texas Republicans, and nearly all the Party big-wigs of the nation are favoring Taft. He hopes precinct delegates from the May 3rd precinct

conventions will be instructed for Taft.

He also told The News that J. L. Shoemaker of O'Donell has been named the Republican chairman for Lynn county.

Senator Taft will visit Lubbock soon, and he hopes a large delegation will turn out to hear the Senator.

Outlook for supplies of cotton insecticides in 1952 is favorable if farmers buy early. Demands may exceed 600 million pounds depending on pest infestation.

LUGGING POWER

...like you never saw before!

the great new
FERGUSON "30"

Engineers call it torque. You call it lugging power . . . the ability of your tractor to keep on going when the job gets tougher and tougher.

Torque in the Ferguson "30" gives you a big edge over any other tractor. The big valve-in-head engine provides more lugging power at low engine speeds than many tractors have with the throttle wide open!

You can set the throttle of the Ferguson "30" at a safe, economical speed and leave it there all day long. You can slow to a creep in heavy going without stalling or shifting gears. You can slow down to climb over a furrow without stopping or shifting.

And look at all these EXTRAS Ferguson Engineers have given you . . .

- VALVE ROTATORS that keep exhaust valves at top efficiency for hundreds of extra hours . . . to keep service costs low.
- BIGGER, HEAVIER GEARS for greater durability and long rear-end life.
- SIG BONDED-LINING BRACKES for longer life, safer stops, easier replacement.
- A NEW AIR-FUEL SYSTEM that delivers cleaner, cooler air to the engine. This means longer engine life and more work from fuel.
- BETTER LUBRICATION to all vital engine parts. Oil passages to filter are drilled to minimize leakage factor. Floating intake skirts clean oil and leaves sludge behind. Horizontally mounted filter is easier to clean and service.
- PRESSURIZED COOLING for better cooling under all operating conditions, including high altitudes.
- Dempster Tool Bar Planters, 2, 3, 4-row.
- Dempster Tool Bar Go-Devs, 2, 3, 4-row.
- Lone Star Go-Devs and Cultivators, Tool Bar Type, 2, 3, 4-row.
- Lone Star Roto-Cultivator, Knives.
- Lone Star Roto-Cultivates, Knives, Sweeps, Plows, and runs Rotary Hoes all in one operation.
- Danuser Blades and Post Hole Diggers.
- Phillips Reversible, Two-Way Disc Plows.
- Independent One-Way Plows (3-point hook-up).
- Single Bottom 18-Inch Deep Breaking Moldboard Plows.
- Armor blades.
- Subsoilers.
- Grain Drills.

- 1 '47 Model Ford Tractor, good shape.
- 1 '49 Model Ford Tractor, A-1 shape.
- 1 Model A John Deere, 4-row equipment, top condition.
- 1 F-20 Farmall, 4-row equipment.
- 1 Oliver '70, no equipment.
- 1 MTA, M-M, 4-row equipment.
- 1 Farmall Regular, no equipment.

Scout Week Is Observed Here

Tahoka Boy Scouts fittingly observed National Boy Scout week from Wednesday of last week through Tuesday of this week with a full program of events.

The observance was closed out Tuesday night with a "pot luck" supper by the Scouts at the WOW hall.

During Tuesday, the Boy Scouts took over the city by directing traffic, assessing fines, and serving as city officials. Funds raised by fines go toward carrying on of the Scout program in Tahoka.

For the day, Guy Witt served as City Judge, Carleton Bell and Ronny Brooks as Marshals, Ted Pridmore as treasurer, Gordon Smith as city attorney, and the other boys as police.

The week of events opened last Wednesday night with the boys attending, in a body, prayer services at the Church of Christ.

Friday night, the troop, Scouters, and friends held a troop re-dedication meeting at the WOW hall. This was followed by a Court of Honor at which Tender foot awards were presented Richard DuBose, Jerry Freeman, Jimmy Harter, Bobby McGlaun, Jim Polk, Jerry Reed, and Freilich Salanas.

Saturday night, the Boy Scouts cooked their own supper by camp-

Dan Cowan Enters Junior College

Daniel Raye (Dan) Cowan, 18, son of Mrs. Winston Davies of New Home, former Tahoka and New Home athlete, has entered Henderson County Junior College at Athens on an athletic scholarship.

He hopes to play on the college football team next fall. Currently he is playing basketball at the college, but entered too late to be eligible for competition for the college team.

Dan is rooming with Ronny Gurley, student from Tahoka, who lettered in football at the college and now is on the basketball team.

Bill McNeely, who recently underwent major surgery in a Temple hospital, came home last week and is reported to be recovering nicely.

fire.

Sunday morning, they held a Sunday School service at the Legion hall, attended the morning preaching services at the First Baptist Church and the evening services at the Methodist Church.

Monday night, they were guests of the Rose Theatre at a moving picture show.

The Scouts collected \$172.80 in fines for the Scout program Tuesday.

H. B. McCord, Jr., is the scout master.

Congratulations:

Mr. and Mrs. R. H. (Hick) Gibson on the birth of a daughter weighing 5 pounds 6 ounces at Tahoka Hospital Friday, Feb. 8, at 4:08 p. m. They have named her Cindy Gay.

Mr. and Mrs. Jimmy J. Raindl on the birth of a Valentine sweet heart at 12:37 a. m. Thursday in Tahoka Hospital. The little lady has been named Paula Remell. She weighed 8 pounds 10 ounces.

Mr. and Mrs. Harold R. Jackson of route 2 on birth of a son named Randall Lynn, and weighing 5 pounds 2 ounces, at 7:40 p. m. Sunday. Though premature by birth, the little fellow is reported doing nicely.

Mr. and Mrs. Charles E. Birdwell on the birth of a son weighing 7 pounds 5 ounces at Tahoka Hospital at 10:30 a. m. Monday. Name, Billy Ernest.

Mr. and Mrs. Domingo Riojas on the birth of a 6 pound daughter named Marguerita, at Tahoka Hospital at 10:17 a. m. Wednesday.

BAKE SALE SATURDAY

Members of Tahoka Garden Club are sponsoring another Bake Sale Saturday, beginning at 10 a. m., in the Southwestern Public Service building, on the west side of the square. Funds raised will go toward landscaping the Tahoka school grounds.

Sooty mold on gardenias is caused by the white fly, small, moth-like insect. The young, found on the underside of the leaves, resemble scales and can be controlled by spraying with three tablespoons of white oil emulsion diluted with one gallon of water. A five-per cent DDT dust will control the adult insect.

Mr. and Mrs. V. F. Jones and daughters, Lindy and Mrs. Mary Ann Cowan, visited friends in Seminole early last week.

Schools Facing Critical Period

AUSTIN, Feb. 11. —Texas schools are facing one of the most critical periods in their history, Charles M. Tennyson, executive secretary of the Texas State Teachers Association, said today as he outlined pressing needs for new buildings and more teachers over the entire state.

The school population, particularly on the elementary level, is growing at an alarming rate, he pointed out. For example, birth in Texas in 1945—this year's first graders—numbered 156,000. In 1947, birth in the Lone Star State jumped to 179,000, an increase of 65,000. If this additional group could be divided into classes of 30 children each, Texas would still need 2100 additional teachers and classrooms in just the first and second grades.

And the birthrate continues to climb. In 1950, live births numbered 203,678, and the number for 1951 will exceed that figure.

In addition to the birthrate, educators worry about the size of the graduating class as compared to the number of children entering first grade. For instance, this year, 156,000 youngsters crowded into first grade rooms over the state, but only 90,000 graduated from the eighth grade. This left already over-burdened teachers with 66,000 additional children to accommodate in one year.

"The gain is going to continue to increase until at least the 1956-57 school year," Tennyson added. "By that time, the elementary schools must take care of 300,000 children in addition to the ones now enrolled. If 75 per cent of this number enters public schools, it will mean 8654 additional class rooms."

The average cost of each class room and related facilities now exceeds \$28,000. Thus Texas must spend \$242,312,000 for buildings and facilities alone if the children are to have desirable schools. And this does not take into consideration the need for new facilities to replace undesirable buildings.

Trustee Election Will Be April 5th

School trustee elections will be coming up soon—Saturday, April 5—and in Tahoka two trustees are to be elected.

The terms of Calloway Huffaker, board president, and Hubert Tankersley expire at this time. No names have been filed as yet for the places, J. M. Small, district secretary, states.

Other members of the board are V. F. Jones, J. D. Finley, W. T. Kidwell, Buel Draper, and John F. Thomas.

Land owners are urged to include in their 1952 farm and ranch improvement programs practices that will increase the food supplies and cover for wildlife. This important natural resource deserves better treatment.

Andy Govan, aged Negro man, suffered a heart attack Wednesday night and is a patient in Tahoka Hospital.

Good table manners should be practiced at home if they are to become a habit in public.

ings and to relieve already over crowded conditions. A recent survey made by the Texas Education Agency shows that Texas needs to spend \$540,294,500 to bring school buildings, facilities, sites and buses up to ideal conditions. After the 1956-57 school year, the elementary enrollment over the state should begin to level off, but high schools will then face the problems of increased enrollment.

Texas does not face the educational problem alone. A nose count among elementary children over the entire nation showed that grade school population rose nearly three million from 1947 to 1950. In October 1950, the U. S. Census Bureau reported that enrollment in all schools and colleges was at an all time high of slightly over 30 million persons. This represents a fifth of the nation's total population and half of the population between 5 and 29 years of age.

Junior Play Is Set For Feb. 22

"Meet Corless Archer," a comedy in three acts, will be presented February 22, 1952 at 8 o'clock p. m., in the Tahoka High School auditorium, by the Junior class. Tickets will go on sale Monday, February 17th. Sketches of the play will be presented Friday.

The cast includes: Frances Flint, Corless Archer; Carroll Smith, Mr. Archer; Shirley Bell, Mrs. Archer; Sue Patterson, Louise; Joan Scott, Mildred; Harley Schulz, Dexter Franklin; T. D. Dunlap, Mr. Franklin; Josephine Raindl, Cousin Agnes; Ronald Roberts, Doctor; Betty Henry, Betty; and Patsy Smith, a nurse.

BROWNFIELD MAN IS SPEAKER IN TAHOKA

Vernon A. Townes, county attorney of Terry county, spoke on "Americanism" before an appreciative audience of Phebe K. Warner Club members and guests in Fellowship Hall of the Methodist Church here Tuesday at 4:15 p. m.

Cotton producers should use the "1952 Guide for Controlling Cotton Insects in Texas" when plans are made for fighting cotton insects this year. Copies of the circular are available at all county Extension offices.

When 13 Russian ships puzzled Scots fishermen by sheltering in Burra Firth off the Shetland island of Unst, British shipping authorities said: "They have a right to shelter from the gale."

The Swedish government has purchased a villa at Capri for use as a center for its writers, artists and scientists in Italy.

MR. AND MRS. M. E. MORRIS HONORED BY FRIENDS

Friends of Mr. and Mrs. M. E. Morris, who live in the Gordon community, met Wednesday night of last week in the Morris' new home and gave them a "house-warming" and gave their son and wife, Mr. and Mrs. Jimmy Morris, a shower.

The younger Morris recently moved up from Houston, and will live on the farm and help with the farming.

Hostesses for the party were: Mes. W. P. Lester, Zella Smith, Ed Denton, Clyde Haire, Jesse Ward, H. D. Hallman, and Heywood Basinger.

They served coffee, cocoa, and wiches, and cake to approximately one hundred guests.

Those from out of the neighborhood were: Mr. and Mrs. O. D. Orr and children of Tahoka, Mr. and Mrs. Hugo Maeker of Wilson, Mr. and Mrs. Joe Lester of Slaton, Mrs. Dell Martin and Mrs. Bill Guinn of San Angelo, Mrs. Guinn and Mrs. Morris are sisters.

The young couple were showered with a number of nice gifts, which came as a complete surprise to them.

Mr. and Mrs. M. E. Morris and son Earl spent last week end in Albuquerque, New Mexico, visiting the Arden Maeker family.

CARD OF APPRECIATION

We are indeed grateful to our many friends and appreciate the kindness of all those who sent flowers, cards and food, to all who in any way expressed sympathy and those who performed any act of kindness on the death of our dear companion and mother. You have made our burden of sorrow easier to bear. May God bless each of you. —O. A. Corley and Children.

A. H. Moyer of Post was over Monday visiting old Tahoka friends and attending to some business. Mr. Moyer says he didn't come to Lynn county until 1905 and therefore hasn't gotten accustomed to the sandstorms yet. Both he and his wife are getting up in years, but are both in better health than they were a few years ago.

A good farm and home safety program combines the use of common sense and thoughtfulness in conducting the farm and home activities. A job performed when the two essentials are absent may result in serious injury or even death.

Marine Recruiter Visits Tahoka

S/Sgt. Wm. H. McCloud of the U. S. Marine recruiting office located in the Postoffice building, Lubbock, was in Tahoka Wednesday and told The News he would be here each second and fourth Wednesday morning of the month from 9:30 to 11:30 in the future. Any young man interested in a career in the Marines may talk with him in Tahoka on these days. He will also be glad to explain opportunities for the Woman Marine to any young ladies interested.

**J. Y. Everett, 81,
Dies Wednesday**

Funeral services were held for Jesse Yell Everett, 81, pioneer retired farmer of O'Donnell, at the First Baptist Church there at 4:00 p. m. Thursday. Rev. Troy Dale officiating.

Mr. Everett was born in Arkansas April 17, 1870. He was a Borden county stock farmer before moving to O'Donnell in 1923. He had been in ill health about two years before death came at 12:30 p. m. Wednesday.

Survivors include his wife; six sons, Glynn, of Balboa, Calif., William Travis, Naymon, and Roy, all of O'Donnell, Walter Dewey, of Snyder, and Harvey of Artesia, N. M.; one daughter, Mrs. Flossie Johnson of Gail; one sister, Mrs. Lila Gray of Goldthwaite; one brother, W. H. Everett of Houston; 15 grandchildren, and nine great grandchildren.

Burial followed in O'Donnell Cemetery under direction of Stanley-Jones Funeral Home of Tahoka.

**Irrigation School
Plans Completed**

County Agent Bill Griffin is hopeful that all farmers interested in irrigation will attend the Lynn county Irrigation School in Tahoka Tuesday, Feb. 26.

Three specialists will speak on the program, which will be held in the courthouse between the hours of 10 and 12 a. m. and 1 and 3 p. m.

East Bengal, Pakistan, has been suffering from a salt shortage, because of lack of shipping facilities, and has appealed to India to send a million pounds. New Delhi reports.

Thompson

(Cont'd. From Page 1) county on December 3, 1887. He grew up there, and married Stella Maye Curry on December 23, 1907. The couple moved to the Redwine community in Lynn county in 1916, and have resided here ever since. Except for a few years that they lived in town so that they could send their three daughters to school, they have lived on the farm. For a number of years they have lived at the place east of Tahoka. He had long been a member of the Methodist Church.

In addition to the wife, he leaves three daughters, Mrs. Pauline Walker of Pecos, Mrs. Grace McIlwain of Camp Lejeune, North Carolina, and Mrs. Billie Brooks of Memphis; one brother, Bill Thompson; a half-brother, Jess Shelton of Morton; two sisters, Mrs. Nicie Coker of Dallas and Mrs. E. W. Willingham of San Saba; two half-sisters, Mrs. Ethyl Norris of Tucson, Arizona, and Mrs. Maude Jones of Tahoka; four grandchildren, one of whom he helped raise being Clark Dyess, now with the Navy in Japan; a nephew that he helped raise, Chris Norris of Tucson, and a number of other nephews and nieces.

Basketball

(Cont'd. From Page 1, Sec. 1) gym, the B games starting at 7:00.

Coach Jake Jacobs is attempting to schedule one or two other pre-tournament warm-up games here for the Bulldogs.

Ralls Whips Bulldogs
Last Tuesday night at Ralls, the Jackrabbits gave the Bulldogs a 50 to 36 whipping, their first conference loss in seven games, but the B team from Tahoka took a 44 to 28 victory. The girls lost 15 to 29 to the Ralls girls, who have won 18 of 21 games this season.

Possibly the Bulldogs were dreaming of the championship they already had sewed up, or of their previous 43 to 29 victory over Ralls here. At any rate, the Jackrabbits out-hustled the Bulldogs, got most of the tip-offs, rebounds, and loose balls, and were accurate on their shots. The Bulldogs put up a battle but were badly off on their aim at the basket, and even missed 17 of 27 free shots.

Tahoka trailed all the way after making a field goal early, the score being 8-12 at the quarter, 14-26 at the half, 29-38 at the third. Two Tahoka boys and one Ralls boy fouled out in the game.

Alvin Morrison was high point man for Ralls with 15, while for Tahoka Tekell scored 15, Halamicek 8, James Foster 4, Havens 3, Howle and Bartley 2 each, and Dodson 0.

B Team Wins
However, the B team played what was possibly their best game of the season to win 44 to 28. They led 14-8 at the quarter, 18-14 at the half, 32-18 at the end of the third. Purser of Ralls was high point man with 11.

As usual, Coach Jake Jacobs used two complete teams in taking the victory. Slover scored 9, Dodson 8, Huddleston 7, Brooks 6, John Foster 5, Lehman, Ables and Sherrod 2 each, and John Curry 0.

The girls put up a game battle losing 15 to 29, with Deanie Edwards scoring 11 points for Tahoka.

Post Bulldog Victim
The Bulldogs actually cinched the championship last Friday night when they defeated the Post Antelopes convincingly 46 to 31, as that leaves all teams except Tahoka with at least three losses. The largest crowd of the season witnessed the game.

Tahoka's A team boys were fired up for the game, showed lots of hustle, and made few mistakes.

Though Tahoka trailed 13 to 12 at end of the first quarter, there was even then little doubt that the Bulldogs would come through with a victory.

Howle hit for five points early, Brice hit one field goal, and Tekell rolled in five point, while Post's Jack Kirkpatrick hit for five. King for three, Stone for two, and Evans for three.

Then, in the second quarter, the Bulldogs tore loose with Tekell scoring five points in quick succession, Howle two, Tekell two more, and Halamicek a beautiful one. During the period, Kirkpatrick, Evans, and Stone scored one field goal each. Score Tahoka 24 Post 19 at halftime.

Tekell High Scorer
Havens got hot in the second half, scoring two field goals in the third quarter, and Howle, Halamicek, and Tekell one each; while Kirkpatrick scored one field goal and two free shots, Ballentine a two-pointer, and Evans a free throw. Score 34-26.

The Bulldogs let the boom down in the fourth, with Havens hitting three field goals, Brice two, and Tekell one; while holding Kirkpatrick to three points and Evans to a lone field goal.

Tekell was high point man with 16 points; Havens and Howle each had 10, Halamicek and Brice 6. Foster saw only brief action. For

Post Kirkpatrick had 14, Evans 8, Stone 4, King 2, Ballentine 2, and Custer none.

However, the Bulldogs hit only 6 of 18 free shots, while Post was hitting 8 of 16 free shots.

Don Brice, with able assistance from his mates, did a good job in controlling Post's fine all-around athlete, Kirkpatrick. Tekell, Havens, and Howle also played one of the best games of their careers.

The game itself was clean and well played, but Tahoka fans were a little boisterous. Perhaps, this was a result of some previous treatment from fans of the sister city.

B Team Trims Post

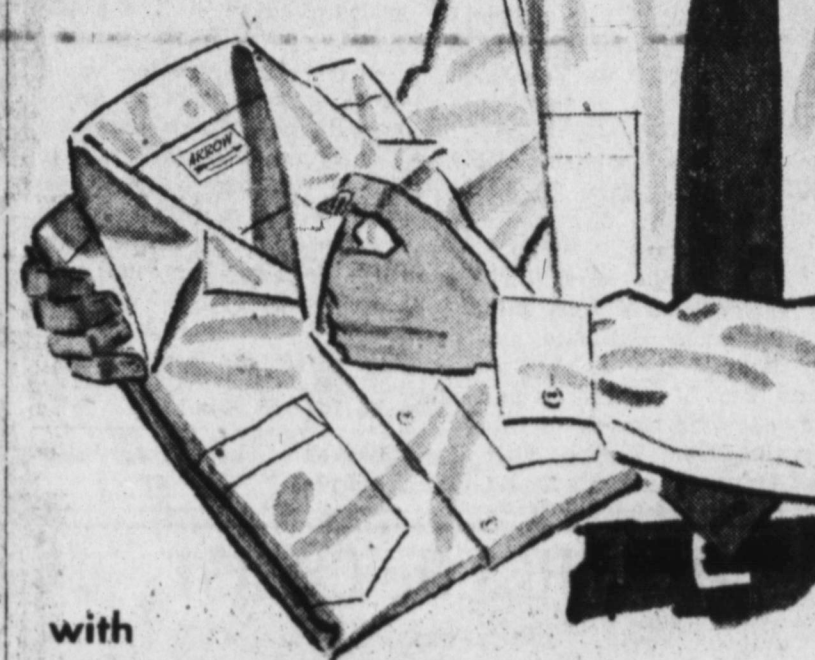

Tahoka's B team captured a close 32 to 29 victory over Post's B team as a prelude to the feature event. They were behind 4-6 at the first, went ahead 14-12 in the half, maintained a 23-18 lead

in the third, and held on for scoring was: Slover 5, Brooks 4, Dodson 4, John Foster 2, Sherrod 2, Paris 3, Huddleston 3, for Tahoka with 9 other Bulldogs.

J. B. Ables was highpoint man for Tahoka with 9 other Bulldogs.

TAHOKA, TEXAS. — FRIDAY, FEBRUARY 15, 1952

Tahoka Fishermen Make Large Haul In Old Mexico

Six Tahoka fishermen returned home Monday from a week's trip to Don Martin Lake, down in Mexico below Eagle Pass, and they brought in 275 pounds of dressed fish as evidence of their skill, or luck.

Those making the trip were: H. G. Hodges, Clint Sikes, Bob Tate, E. S. Tippit, and Bill Ellis.

Most of the fish caught were channel cat weighing from a pound and a half to three pounds. Only 20 or 25 bass were caught, as this species was just beginning to bite, Mr. Hodges said.

This time the biggest fish didn't get away Hodges said. They caught a 10-pound channel cat fish which is near a record for this species.

He said Bob Tate and Bill Ellis may not be great fishermen, but that they are certainly good camp boys.

Mrs. Pearl Calloway of Abilene was here early this week visiting friends and looking after her property interests.

The number of vehicles rolling down Texas highways has doubled in the last ten years and is still on the rise.

A, AA Region Basketball Play

LUBBOCK, Feb. 8. —Both boys' and girls' regional high school basketball championships will be determined at Texas Tech.

Tech will be the center for Region I of the Interscholastic League for A and AA tournaments in boys' play Feb. 29 and March 1 and for Region II for the same classifications in girls' competition March 7 and 8. Winners from each classification will be certified to the state meet from the boys' tournament, but in the girls' division the A and AA schools will compete together, with one champion being chosen

Thomas were appointed to arrange the program for next month's meeting, and Otis Spears and Ira J. Hart were named to the food committee.

Methodist Men Elect Officers

Tahoka Methodist Men elected new officers, raised funds for improvement of its parking lot, and enjoyed a sumptuous chicken dumpling feast Monday night in Fellowship hall of the church.

Clint Walker was elected president of the organization to succeed C. O. Carmack. He has served as vice president this year, and will take over as president at the March meeting.

Maurice Huffaker succeeds Walker as vice president, and Pete Hegi was re-elected secretary-treasurer.

Men present contributed \$164.50 to build sidewalks on the parking lot just north of the church. The walk in front of the church will be extended north across the east side of the entire block, and another walk will be laid north of the church. Roy Edwards, Calaway Huffaker and J. M. Uzzle were appointed on a committee to get the job done.

The dinner was served by Rush Dudgeon and Horace Lindley.

Bill Strange, Jr. and Dr. Skiles

Game Tournament Now Set March 7th

Due to a conflict in dates, the bridge, canasta, and "42" tournament set for February 29 at the Legion Hall, has been postponed until Friday night, March 7, according to Mrs. Charles Stewart.

The tournament is being sponsored by the Legion Auxiliary for benefit of the M. D. Anderson Foundation for Cancer Research.

Lubbock visited in the S. L. Williams home Monday afternoon.

Mrs. Bill Farmer, the former Louella Newman, visited with her father, Mr. J. H. Newman, Sunday.

Mr. and Mrs. S. L. Williams visited friends in Lubbock Sunday.

We take this means of cautioning the people of Lakeview that "Fishing Pox" fever is beginning to spread rapidly among our citizens, but with the sand blowing like it did this week end do you blame them?

to go to Austin.

Bobby Goad of the Athletic Department is director of the boys' tournament. The girls' tournament, under the supervision of Dr. Roman Kirellis, Physical Education Department chairman, will be directed by Morley Jennings and Mrs. Margaret Richards.

District 1-8 will send their champions to the boys' AA tournament. Schools in each district are: District 1—Dalhart, Perryton, Dumas, Phillips, and Shamrock; District 2—Canyon, Floydada,

Hereford, and Tulia.

District 3—Childress, Memphis, Paducah, and Wellington.

District 4—Electra, Burkburnett, Iowa Park, Quanah, and Seymour.

ODds AND EndS

(BY E. I. THE ELDER)

This column this week is intended mainly as a space filler. As a matter of fact this column is usually a great success as a space filler. Anybody who will take a glance at it almost any week will readily see that it fills a lot of space. So here goes for a little more.

In talking with Tax Collector Red Brown the other day, he expressed the belief that there are at least 800 persons in Lynn county who are not required to pay a poll tax on account of having passed the age limit of 60. Peo-

ple in this county more than 60 years of age are not required to procure an exemption certificate, either, as they are required to do in larger cities. So he has no definite line-up as to the number of such persons in this county. He was just venturing a guess. But he is sure that the number falling in this category is increasing each year. He says that folks just live longer than they used to. I don't know whether that is a compliment to the doctors and nurses or to the climate. But any way, the fact that old folks have almost quit dying, it not only

lengthening our list of voters but also our list of pensioners. If that tendency keeps up long enough I guess nearly all of us full-grown men and women will soon be voting and also drawing a pension. I am listening for some candidate to put an anti-aging plank in his platform any day now. I'll bet he could win a lot of votes on it too.

Also I am listening for the labor unions and their political spokesmen any time now to begin advocating the enactment of a law reducing the retirement age from seventy to about fifty and making it compulsory for everybody to retire from service at that age whatever his or her occupation or profession may be and regardless of the condition of his or her health and physical strength. There are a lot of folks already that want to retire some of the most capable men in our country simply because they are getting-up-in years. I have heard that argument against Tom Connolly. Yes, and there are even some churches that want to retire any pastor who gets up to be some 55 or 60 years old, regardless of the fact that he can preach better today than he ever could before in his life. And I have known the converse to be true. Some young preacher wants to retire every deacon or Sunday School teacher when the gray hairs begin to accumulate on his head regardless of the amount of

gray matter inside his head. I do not know that any such situation as that exists in Taboka today but there has been a time in the recent past when it did exist.

If this tendency to lay the older ministers on the shelf had blazed up thirty or forty years ago, we guess that George C. Rankin and Granville Jones and Grandpa Gambrell would have had to retire long before they passed on. And of course George Truett would have been laid on the shelf also several years before he died.

In politics, of course our Elder statesmen like David B. Culbertson, John H. Reagan, George W. Norris of Nebraska, Carter Glass of Virginia, Senator George of Georgia, and scores of others of the greatest statesmen this country has produced would have been kicked out long before the golden bells were rung for them.

We need to get away from this foolish idea that a man's age alone, or the place of his birth, or the party that elected him to office, constitutes a black mark against him that bars him from future service regardless of his ability, experience, patriotism, or other virtues.

Speaking about the matter of old age pensions, that is a ticklish problem for all office-holders and office-seekers. A lot of them will get out on the stump and yell their heads off for economy in the government—cut off this waste and cut off this graft, cut down the amount for this purpose and for that purpose, cut, cut, cut, most of which should be done—but in the next breath that same gentleman will be whooping it up for an increase in old age pensions, take off the restrictions and let the sky be the limit to be paid the aged, and most of them want all the aged to be paid a pension regardless of their wealth or the amount of their income. That would be waste of the most prodigious sort; in fact, it would be legalized graft. Since prices for everything have risen sky-high, it is possible that we should increase the pension paid to each needy person, I think we should. But I think that we should continue to limit payments to the needy only. And they should be paid on the basis of their need.

Furthermore, if a person or the pension rolls is able-bodied and in good health, then I think that it would be right and proper, although it might not be practicable, to encourage him to earn as much of his living as possible through any kind of employment which he might be able to procure. This thing of prohibiting aged people who are on the pension rolls from accepting any kind of employment, full-time or part-time, while drawing a pension, seems to me to be wrong in principle and in practice; and I believe that it should be changed.

Now, going back to the matter of retiring aged persons; I do not believe that ministers, teachers

college professors or college officials, or other persons should be retired by law or by religious and educational bodies from further service in their respective positions upon reaching any particular age.

But I do believe that higher and higher standards of ability and efficiency should be required by the public for these positions. That would include higher educational qualifications in some instances, greater natural ability and aptitude in other instances, deeper and stronger moral and spiritual standards in others.

Native intellectual ability and a large fund of good common sense often count for more than educational attainments. Examples of this are legion. Specifically, we might mention Bunyan, Spurgeon, Moody, and Billy Sunday among ministers; Benjamin Franklin, George Washington, Abraham Lincoln, and James Stephen Hogg among statesmen, and thousands of others in the various professions.

Native ability and efficiency surmount even the barriers of

race and nationality. Distinguished examples are to be found in the cases of Fred Douglas, Paul Lawrence Dunbar, the Negro poet; Booker T. Washington, college president; and George Washington Carver, the Negro Agricultural scientist, whose marvelous accomplishments in his line have astounded and are today blessing the world. It is true that both Booker T. Washington and George Washington Carver were well educated men but they obtained their

education in the face of many handicaps and almost unmountable obstacles.

What we are trying to say is that ability and efficiency should

Odds & Ends

(Cont'd. From Editorial Page)
be recognized and used wherever it is found and should not be discarded or hampered by some man-made age limit.

That brings up another question. Should not all race distinctions of every kind be ignored or frowned upon in our law-making? you may ask. Should not all laws prohibiting marriages between members of different races be repealed? Should not all race segregation laws of every kind, in the city, in the schools, on railway trains and buses be abolished? Those are pertinent questions.

As to the matter of intermarriage among the races. There is between some races and others so much fundamental difference that it is probably wise that intermarriage among them be prohibited by law. This is generally

true with reference to the white and the colored races in this country. There may be exceptions to the rule here and there, and certainly there are many colored people who are superior in character, intellect, and education to many whites. But the fundamental differences between the two races are so pronounced that occasional marriages between white and colored persons have usually proved unhappy and unsatisfactory. This result, of course, has been due in part to race prejudices. We believe that at the present time and probably for many scores of years yet, our laws prohibiting the intermarriage of white and colored people in Texas should be retained for the benefit of both races.

As to race segregation, we believe that it is to the best interest of each race that these segregation laws and ordinances be also retained.

To abolish them or to ignore them entirely would result in increased prejudices and personal conflict between members of the two races, and if agitated too much might cause occasional race riots. As a rule the whites and the blacks in the south know how to get along together in the community, the city, and the state. The friendly relationship between the two races is disturbed more by out-side busy-bodies than it is by internal dissensions.

We want to acknowledge, however, that occasionally in the past white men have themselves become brutal in dealing with occasional outrageous and brutal acts committed by Negroes. Lynchings, however, have almost become a thing of the past and have rarely ever been resorted to heretofore except under great provocation. We hope that there will never be another one in Texas. And we hope that there will never be another fiendish outrage in Texas calculated to provoke a lynching.

We want to acknowledge also that we have not treated the Negro fairly in the matter of education. We think that Tahoka has sinned and is sinning in that respect today. We have built ample comfortable, and beautiful school buildings for our white children and still have only a two or three room stuccoed shanty for our one hundred colored children to use as their educational center. With

a cotton compress over there "on the hill" employing many men, our future Negro population seems to be stable, and I believe that the next project on our school building program should be the erection of an attractive and commodious school building for colored children.

Let me say here that the school board has been fortunate to have almost from the first, Miss Paralee Sayles as a teacher in that school. For years she was the only teacher and now she is one of the three. Her services have been invaluable.

One more word. I hope that Negro men living over on the hill will find it possible soon to start a "Better Homes" building campaign. There are a few who have fairly nice homes already but just a few. Too many families are living in mere shanties. If no private individual or corporation can be found who will finance a building campaign and if the families living over there can not begin such a campaign themselves, then we think that this is just such a housing campaign that the Government should undertake. Those

Five Safety Rules Given Farmers

Every thirty minutes of the farm work day some farmer is killed on his tractor and forty others suffer accidents, many of them permanently disabling.

This fact points up the urgent need on most farms to eliminate careless habits of tractor operation. Here are five good safety practices that are thoroughly tested and proved, and easy to follow.

First—always keep wheel treads as wide as possible for the job you are doing.

Second—plan fields for safety; colored folks ought to be lifted out of hovels into comfortable homes and out of unsanitary surroundings into clean and sanitary premises.

Maybe all these suggestions we are making this week in this column are unnecessary or ineffectual but we hope that they do no harm at least. Just wanted to say these things before taking a possible extended trip across the border.

stay away from ditches, shoulders, holes, rocks, and stumps;

Third—slow down before making a sharp turn;

Fourth—be extra careful on sidehills, where the sloping angle gives your tractor a head start toward tipping;

Fifth—on any type of land, pay attention to where you're going. Don't try to do anything else. Remember, operating a tractor is a full time job, as 80,000 accidents each year testify.

These and many other safe operating practices are demonstrated in a motion picture now in preparation by the Agricultural Committee of the American Petroleum Institute, in cooperation with safety authorities at many agricultural colleges.

About half of all tractor fatalities result from tipping accidents, either sideways or over backwards.

Wilson News
MRS. FRANK SMITH
Correspondent

Linda Carol Holder, small daughter of Mr. and Mrs. Albert Holder, continues to be ill at her home but is being treated by a Slaton physician.

Mrs. H. C. Fountain visited her granddaughter, Mrs. David Weather in Tahoka Thursday night.

Mr. and Mrs. Edmund Macker received word Friday that their son, Dan, who is in the Peacock Military Academy in San Antonio, was ill with the flu. Sunday, on receiving word that Dan did not seem to be responding to treatment, Mr. and Mrs. Macker left for San Antonio.

The W. M. S. of the Baptist Church met Monday at the church for their regular weekly meeting. Mrs. Carl Gryder finished reviewing the book "Stewardship in the Church." Those present were: Mmes. W. F. Lappe, H. C. Fountain, Lonnie Lumsden, Hubert Hannabass, Bill McLaughlin, Pat Swann, John Gayle, R. T. Moore, and Carl Gryder.

Martin Donley of Lubbock was a luncheon guest Monday in the Frank Smith home.

Mr. and Mrs. Sam Gatzki entertained with two tables of bridge Monday night. Those present were: Messrs. and Mmes. Bill Lumsden, Raymond Gatzki of Gordon, Frank Smith and Sam Gatzki.

Mr. and Mrs. Earl Tunnell of Tahoka visited Monday in the home of Mrs. Tunnell's mother, Mrs. H. C. Fountain.

Tom Dawson of San Francisco, Calif., has been visiting in the home of his cousins, Mr. and Mrs. Bill Lumsden.

Miss Gladys Kirtley has returned to her home after an emergency appendectomy performed last week in a Slaton hospital.

Mr. and Mrs. A. H. Nelson of Clyde are visiting in the home of their son-in-law and daughter, Mr. and Mrs. Luke Coleman. Mrs. Coleman, who had the misfortune of breaking her leg during the ice storm several weeks ago, had the cast removed but is still unable to walk without her crutches. X-rays revealed that the bone was not knitting properly.

Mrs. Howard Cook and Mrs. Frank Smith were Lubbock visitors Wednesday.

Mrs. Lena Behrend was in Slaton Wednesday for medical attention.

Frank Smith, local manager for Foxworth Galbraith Lumber company, attended a banquet at the Lubbock Hotel Wednesday night given by Pittsburg Plate Glass company.

Mrs. Edmund Macker entertained Monday afternoon, honoring her son, Valton, on his fifth birthday. Games were played and refreshments were served to Roy a Cook, Wesley Ahrens, Janet Lindorf, Kathy Cummings, Larry, Mike, and Ronnie Schaffner. Mothers attending were: Mmes. Henry Ahrens, Werner Schaffner, Carlton Schaffner, Elmer Lindorf, Herbert Ehlers, and Walter Macker.

The W. M. S. of the St. John's Lutheran Church met Tuesday afternoon at the church. Mrs. Carlton Schaffner read the scripture reading. Mrs. Ben Brieger led the prayer and Mrs. Werner

ST. JOHN'S LUTHERAN CHURCH
Wilson, Texas
Rev. C. C. Ehler, Pastor
Sunday School 9:30 A. M.
Divine Worship 10:45 A. M.

Schaffner discussed the topic "Serve Through the W. M. F." Rev. Ehler conducted the Bible Study after which Mrs. Carlton Schaffner presented Mrs. Werner Schaffner with a life membership pin. Mrs. Edmund Macker gave a report on a recent meeting which she attended at Posey. During the social hour Mrs. Ben Brieger and Mrs. Carlton Schaffner as hostess served refreshments to twenty.

Guests in the Henry Ahrens home Sunday were Messrs. and Mmes. Anton Ahrens, Walter Gardner and daughter and Weldon Ahrens. The Weldon Ahrens and the Gardners are Lubbock residents. The group celebrated Wesley Ahren's birthday which falls on Tuesday, February 12.

Mrs. Arvan Holder and children were Slaton visitors Wednesday.

Mr. and Mrs. Prentiss Jones entertained Saturday night with a dinner and bridge party. Preceding the games a delicious fried chicken dinner was served, after which the group played contract bridge. John Sims was high score winner. Present were: Messrs. and Mmes. Sam Gatzki, Arvan Holder, Bill Lumsden, Howard Cook, Luke Coleman, Brann, J. H. Parrish, Frank Smith, John Sims, Prentiss Jones, and Tom Dawson.

Mr. and Mrs. Tom Rampey of Slaton visited Mrs. Rampey's brother-in-law and sister, Mr. and Mrs. Hubert Hannabass.

Messrs. and Mmes. Darrell Ward, Bill Lumsden, and Sam Gatzki celebrated Mr. and Mrs. Ward's tenth wedding anniversary by dining at Kattman's in Lubbock Wednesday night.

Mrs. Howard Cook visited in the home of her brother-in-law and sister, Mr. and Mrs. D. Freeman in Tahoka Thursday night.

The Lions Club met at the High School cafeteria Thursday night for their regular monthly meeting.

Mr. and Mrs. Arvan Holder and family spent Sunday in Plainview, the guests of Mr. and Mrs. Ralph Kahlich. The Kahlichs, former Wilson residents, have purchased a farm near Plainview. Mr. and Mrs. Norris Raymond and sons also visited in the Kahlich home Sunday afternoon.

Mr. and Mrs. Dalton McCelvy of Lubbock visited Mrs. McCelvy's parents, Mr. and Mrs. Hubert Hannabass Monday night.

Mr. and Mrs. J. C. Key and Mr. and Mrs. J. E. Crowder visited with Mr. and Mrs. W. F. Raymond and daughters at Union Sunday.

Among those attending the Farmer's Cooperative Gin convention in Houston this week are the following: Mark Murray, Arthur

Hagens and Messrs. and Mmes. Judson Hewlett, Chester Swope, and Charles Campbell.

The Cooper High School girls and boys basketball teams defeated the Wilson teams in games played Friday night here. The girls' game which was tied with a 41-41 score at the end of the game finally resulted in Cooper's winning the game with a 48-45 score.

Mr. and Mrs. Mark Murray have received word that their son, 2nd Lt. Lynn Murray, has landed on Okinawa.

Mrs. W. J. Hancock is visiting in New Home, the guest of her son and daughter-in-law, Mr. and Mrs. D. W. Hancock.

Mr. and Mrs. J. C. Key shopped in Lubbock Saturday.

The Wilson grade school boys and girls basketball teams played in the tournament at Grand Chapel Saturday. The Wilson girls' A team won first place while the B team won second. The boys also won their game.

Juanita Murray re-entered school Monday after a week's absence caused by illness.

Mr. and Mrs. Sam Gatzki and children and Mr. and Mrs. Bill Lumsden were in Lubbock Sunday.

Mrs. Frank Schneider was a Slaton visitor Wednesday.

Mrs. Katie Nieman spent from Thursday until Sunday in Lamesa, the guest of her son and daughter-in-law, Mr. and Mrs. Adolph Nieman. Mr. and Mrs. Hugo Moecker went for her Sunday.

Buddy Macker has accepted a position as coach in the O'Donnell school and will begin his duties Wednesday. Buddy, who is the son of Mr. and Mrs. Hugo Macker, is a January graduate of Texas Tech.

Pat Swann is constructing a double garage at his home.

The Walther League of the St. Paul's Lutheran Church met Sun-

SOUTHWESTERN PUBLIC SERVICE COMPANY
27 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

It looks like a "POWER YEAR"

New Horsepower — new Brake Power — and new Power Steering blossom on Buick's ROADMASTER for 1952

MAYBE you've heard—horsepower has hit a new high on the ROADMASTER.

Brake power has done the same.

But today, we'd like to concentrate on the third member of the power trio—Buick's own version of Power Steering, available on ROADMASTERS at a moderate extra cost.

What is this Power Steering like? It's something like a helping hand, something like a "hydraulic slave"—that relieves you of all steering strain, but lets you keep command.

What we mean is this:

Power Steering is handled by a special hydraulic unit—and engineers can design this unit to take over any amount of steering effort—even to a point where the wheel seems to float in your hand.

But in that case, you'd surrender all control to

that hydraulic unit—get no steering "feel" from the wheel.

Now suppose you're telling two agile tons of automobile what to do in traffic. We think you'd like to have it know that you're in command.

And—out on the straightaway—we believe that a part of the joy you get from owning a Buick is the sensation of having something alive and eagerly willing beneath your hands.

So we're glad to announce that Buick engineers didn't spoil this thrill. They've kept the fun of driving, and simply eased the effort.

When you're rolling along smooth and straight, it takes almost no effort to keep any Buick on course. It almost steers itself, as every Buick owner knows.

But—when you want to get away from a curb

—back into a parking spot—make a turn—Buick's Power Steering comes into action, saves four-fifths of the effort required with ordinary steering. Power Steering does the extra work.

And—in case you wonder what happens if Power Steering gets out of kilter, the answer is nothing. Your Buick steers just as it always has.

That's why we've been saying, "This is Power Steering as it ought to be."

Come in. Try it out. We think you'll agree.

Equipment, accessories, trim and models are subject to change without notice.

Sure is true for '52

When better automobiles are built
