Chamberlain Wins Demonstration Prize

Commissioners Hear Protest On Demonstrator Release

DEMONSTRATION EXHIBIT SUCCESS

CHAMBERLAIN LADIES CARRY OFF FIRST PLACE WITH CLARENDON NEXT

Several hundred men and women of Donley County visited the building last Saturday where the County home demonstration fair score card exhibits were on exhibition for judging to determine the products which were to make up the county exhibit to the Tri-State Fair in Amarillo next week. Hundreds of the finest samples of canned goods and other wonderful home demonstration products were exhibited in splendid fashion on long tables arranged in the Lions Club luncheon building. The exhibits were judged by Miss Minnie Mae Grubbs, district demonstration agent.

The County Council wishes to thank the public for the splendid help on the club work and especially Mr. W. H. Patrick and the First National Bank for prizes awarded to the winning clubs, a sealer and a cooker. The Council is also grateful to Odos Caraway for his kindness in furnishing the building for the exhibit.

The Chamberlain Home Demonstration Club produced the finest showing of any other club in the county and carried off the first prize with Clarendon placing second with Ashtola and Jericho receiving honorable mention. As a result of their winnings Chamberlain was awarded the Sealer and Clarendon the Cooker.

First, Second and Third place winners in the various events are found below:

One quart can beans—Mrs. H. M. Reid, Mrs. J. M. Acord, Mrs. H. H. Hunt.

One quart canned field or black eyed peas—Mrs. W. P. Holly, Mrs. H. M. Reid.

One pint canned English peas—Mrs. Will Barbee, Mrs. J. H. Helm, Mrs. J. M. Acord.

One pint canned asparagus—Mrs. J. M. Acord.

One pint butter beans or lima beans—Mrs. W. P. Holly, Mrs. Huffstuffler, Mrs. J. M. Acord.

One quart canned tomatoes—Mrs. Aduddell, Mrs. Elmer Ashmead, Mrs. Lester Schull.

One quart canned carrots—Mrs. H. R. Skinner, Mrs. Shull, Mrs. F. M. Brown.

One quart canned beets—Mrs. J. H. Helm, Mrs. Will Poovy, Mrs. O. B. Rampey.

One quart canned okra—Mrs. Brison, Mrs. W. P. Holly.

One quart canned spinach or greens—Mrs. A. P. Brown, Mrs. H. W. Lowell, Mrs. Roy Beverly.

One quart other canned vegetables—Mrs. T. R. Broun, Mrs. Will Poovy, Mrs. Brison.

One quart canned peaches—Mrs. J. C. Estlack, Mrs. Elmer Ashmead, Mrs. H. M. Reid.

One quart canned pears—Mrs. A. D. Arnold, Mrs. John Aduddell, Mrs. Elmer Ashmead.

One quart canned plums—Mrs. Elmer Ashmead, H. W. Lovell, Mrs. J. R. Chamberlain.

One quart canned apples—Mrs. H. M. Reid, Mrs. Fink, Mrs. Pickering.

One quart canned cherries—Mrs. J. M. Graham, Mrs. J. D. Thomas, Mrs. Elmer Ashmead.

One quart canned grapes—Mrs. Mrs. O. B. Rampey, Mrs. Elmer Ashmead, Mrs. Fink.

One quart canned blackberries—Mrs. Fink, Mrs. J. H. Helm, Mrs. Ritter.

One quart canned dewberries—H. W. Lovell, Mrs. J. M. Acord, Mrs. Skinner.

One quart other canned fruits—Mrs. Elmer Ashmead. Mrs. H. W. Lovell, Mrs. O. B. Rampey.

One quart sweet pickled peaches—Mrs. Elmer Ashmead, Mrs. Roy Beverly, Mrs. J. A. Tomb.

One quart sweet pickled watermelon rind—Mrs. Elmer Ashmead, Mrs. Roy Beverly, Mrs. J. M. Acord.

One quart sweet pickled pears—Mrs. Will Pickering, Mrs. J. C. Estlack, Mrs. Elmer Ashmead.

One quart other fruit sweet pickles—Mrs. J. C. Estlack, Mrs. Elmer Ashmead.

One quart pickled beets—Ms. Carl Naylor, Mrs. McDowell, Mrs. Leroy Spargler.

One quart cucumber pickles—Mrs. H. M. Reid, Mrs. McDowell Mrs. J. R. Chamberlain.

One pint pickled onions—Mrs. H. M. Reid. Mrs. Elmer Ashmead, Mrs. B. Johnson.

One pint bread and butter

(Continued on Page Eight)

COACHES ARRANGE SCRIMMAGE FOR FANS FRIDAY

As a courtesy to the football fans of Clarendon and immediate territory, Coaches Frank Stocking and John Hutton have scheduled a scrimmage tomorrow afternoon about 4 o'clock to give the local folks their first glimpse of the 1932 Bronchos and close the second week of training for the fifty odd candidates who have reported for football this year. Frank Stocking stated that no plays had been given the boys to date and very little had been done which might justify a public showing of the defending champions, however, due to the insistence of the fans he and Mr. Hutton have agreed to send the players through their paces in a short scrimmage. They have asked the fans not to expect too much from the lads, but to look over the new crop of players who have commanded considerable publicity the last few weeks. Uniforms were issued yesterday to the boys for the first time. The new uniforms will be reserved until the start of the season. Every one is invited to attend this free showing of the 1932 machine.

LIONS CLUB VOTE TO BUY BLOWER

NEW EQUIPMENT WILL MAKE COLLEGE SCIENCE DEPARTMENT COMPLETE

With Boss Lion Ira Merchant out of the city and Vice-President T. D. Nored directing the destinies of the Lions Club through Tuesday's luncheon, a great deal of work was accomplished and an attendance contest was entered and plans arranged for the successful outcome of same.

Correspondence was read from the International office announcing a new series of attendance contests, the first of which will begin next Tuesday. The members discussed the contest and voted unanimously to again enter. Last year the club maintained a perfect record throughout the two contests and the same average is being looked forward to during the coming contests.

A report from the Major Activities Committee of the club upon the project of purchasing an electric blower for use in the laboratory work of the junior college and high school was made by Lion Sam M. Braswell. The report indicated the committee had gone into the matter and after investigation found the item very muchly in need by the department and therefore recommended the purchase of same in the immediate future. The finances of the club, although at a low ebb, could be worked to the point where the mechanical device could be bought as the major activity of the coming year. It is estimated that the laboratory equipment will cost approximately $140.00. The committee report was accepted and the club voted to purchase the item unanimouly. Lion O. C. Watson expressed the appreciation of the school board on the action of the Lions Club as did Lion H. T. Burton.

YOUNG PEOPLE OFF TO SCHOOL

LOCAL YOUNG FOLKS END VACATION AND LEAVE FOR WINTER TERM

With the passing of this week the city of Clarendon will be deprived of many of its young people, as quite a few of the young boys and girls will leave to enter universities and colleges of the state and country. A number have already left and practically all will be gone by the end of the week.

Joe Bourland returned to the Naval Academy at Annapolis, Md.; Misses Ruth Nichols and Margaret Dillard have already enrolled in the Jefferson Davis Hospital in Houston; Miss Dorothy McCanne is again entering Goucher at Baltimore, Md.; and Miss Johnnie D. Latson and Wade Youngblood will represent Clarendon at Baylor Medical College in Dallas.

The University of Texas draws a crowd from here this year with Clyde Slaven, Benton Smith, Joe Noble, Phifer Estlack, and Ancel Barton attending. Raymond player on last year's championship Nichols, Captain and star football team, and Chester Williams are enrolled in Texas Tech at Lubbock. Miss Mary Frances Caraway will re-enter Incarnate Word College in San Antonio, while Bill Rutherford will again attend the El Paso School of Mines.

West Texas State Teachers College at Canyon will have Misses Mary Jo Chamberlain, Roberta LaFon, Obie Crabtree, Helen Slater, and Mabel Mongole from Clarendon.

Andrew Reavis will attend S. M. U. while Tony Watson will be in a business college in Dallas.

TRI-STATE FAIR BOOSTERS IN VISIT

MASON KING AND ASSOCIATES BOOST FAIR WITH LOUD SPEAKER CAR

Advertising the annual Tri-State Fair at Amarillo, September 19 to 24, a group of Amarillo business men visited here Monday morning in a sound-equipped courtesy car of the Cunningham Floral Company. During their brief stay here the visitors contacted local school and chamber of commerce officials relative to this city organizing a delegation to attend the big exposition.

Mason King, head of the Amarillo Chamber of Commerce Trade Extension department, and a member of the Tri-State Fair publicity committee, declared that if Clarendon sends a delegation to the fair its members will be given an opportunity to broadcast over an Amarillo radio station. He especially urged all musicians and singers to attend the territorial attraction and display their talents over the radio hookup.

With a gigantic galaxy of attractions exceeding those of all previous years, the 1932 fair promises to draw more visitors than ever before. From morning until late at night there will be something going on every minute. No charges will be made to the grounds.

Among the attractions to be assembled for the entertainment of thousands are a rodeo, the Wortham Shows, largest carnival combination in the country, night automobile races, a World War pageant, a theatrical show and a big college football game.

Cash awards totaling $3,300 will be given to contestants in the World's championhip rodeo. Not less than 30 racing cars are expected to be entered in the automobile speed classic.

Entries in the dairy cattle, swine, poultry, agriculture, horticulture, boys and girls and women's farm club work departments, already exceed those of last year, and some of the divisions have been closed to additional entries for lack of space.

Railroad fares to Amarillo will be the lowest in the Panhandle's history during the fair. For the first two days, Monday and Tuesday, September 19 and 20, round-trip tickets will be sold for 60 percent of the one-way charge. Excursion rates will be in effect during the remaining four days. The visitors from Amarillo called especial attention to the great amount of publicity and good-will Donley County would derive from sending an organized group to the fair, and expressed hopes that this community will be represented in a big way.

LELIA LAKE HIGH SCHOOL TO PUBLISH PAPER IN NEWS

The News is pleased to announce that beginning next week the student body of Lelia Lake High School will publish a section of activities in the columns of this newspaper. Mrs. W. V. Thomasson, head of the English department in that splendid school will sponsor the publication and edit the articles after they are written by the students themselves. We suggest to the readers of The News that they watch the Lelia Lake School news each week and learn the latest in that little city a few miles to the east.

HIGHWAY PLEAS ARE PRESENTED

MONDAY AFTERNOON SESSION TAKEN UP BY PUBLIC HEARING

With County Judge J. J. Alexander absent, the commissioners court of Donley County held open meetings Monday afternoon to hear expressions on highway matters and later received a delegation of 4-H Club women of the county who appeared to protest the release of the home demonstration agent, recently announced.

Delegations from Hedley, Ashtola, Martin, Goldston, Lelia Lake and a few from Clarendon were present at the highway discussion, and Divisional Engineer W. J. Van London of the highway department was on hand at the request of the court.

In the discussion it was brought out that should Highway 5 be rerouted on the lately proposed survey through the canyon, the present road would be turned back to the county for maintainance; that the cost per mile last year was $370, which also included some improvements; that the department was not settled on whether to use caliche or concrete through the county should the right-of-way be furnished by the county; that there was no intention on the part of the department to cross the Denver tracks to the North side in the present survey, on account of the undesirability of under or overpasses; that the department was ready to begin work at once if the county would accept the offer.

Commissioner Hawkins of precinct three, accused certain Clarendon men of fighting Hedley's demand that the highway stay on the North side through that city, but said only a few, probably four or five, held that attitude This was challenged by M. M. Noble of Goldston, who declared that he had lived here for many years and had never found anybody in Clarendon showing any fight against Hedley, and asked that Engineer Van London state whether or not any citizen or citizens of the city of Clarendon had ever urged the department to leave Hedley off the route. Mr. Van London said no citizen of Clarendon had ever as much as hinted that Hedley be discriminated against; that no one to his knowledge had ever fought Hedley. Mr. Howkins then said that Mr. Van London wasn't the man he wanted to ask the question of; that he would like to have Judge Ely, chairman of the highway department answer the question.

Mr. Jeff Pirtle of Hedley said that he thought until some time ago that there was an misunderstanding in Hedley about the attitude of Clarendon, but that after having watched the situation for a number of years he had about decided that he was wrong about it. He called attention to the fact that last year the Hedley people had a road committee to meet with Clarendon's committee, and that after meeting the Clarendon committee had failed to meet with or show any interest in further joint meetings.

S. W. Lowe was called on for a statement, and responded by saying that he wanted the road to serve just as many people as possible; that he was willing to get the highway on either side of the tracks.

Commissioner Hawkins announced that the right-of-way could be secured by warrants or a small bond issue, but that in his opinion the warrant route presented many difficulties; that the bond proposal seemed much the best of the two methods.

The meeting adjourned after having voted to leave the matter to the commissioners and a vote

(Continued on Page 4)

Donley County Day at Amarillo Fair Is Set For Next Wednesday, Sept. 21

Next Wednesday, September 21st, will be Clarendon and Donley County Day at the Amarillo Tri-State Exposition, according to the officials of the local Chamber of Commerce who have just completed arrangements with the Fair officials. Headed by the Crack Clarendon High School Band the delegation will leave Clarendon about 8 o'clock Wednesday morning and will proieed to the fair ground entrance where the party will gather for last minute plans before entering the City.

Clarendon feels indeed fortunated that Wednesday has been designated as Donley County Day because it is also Old Settler's Day at the fair. This will give many of the Donley citizens and opportunity to meet with their early-day friends. A meeting of the Old Settlers Association will be held at the Tri-State Fair Grounds at 10 o'clock Wednesday morning. W. H. Patrick, president of the Association is especially anxious for all old settlers of Donley County to attend and enjoy the meeting.

Committees will be on the street in the next day or two raising a fund which will take care of the expenses of the band members while in Amarillo and any donation a business firm or individual might make will be gratefully received. It is the plan of the local chamber of commerce to provide a truck to carry the band members to Amarillo, Thus eliminating the need for several automobiles. The local band and other entertainers will be featured throughout the day with broadcasts from Amarillo radio stations.

The Chamber of Commerce, with the Home Demonstrator and and County Agent assisting, have planned an impressive county agricultural exhibit for the Tri-State Agricultural show which will likely place high among the counties exhibiting.

Mrs. O. L. Fink and Kenneth left Sunday for Ironton, Texas, where they will visit Mrs. E. W. Brittain. They will also visit in Ft. Worth before they return.

BROUN SPEAKS TO ROTARIANS

LOCAL CLUB WILL PRESENT JOINT PROGRAM AT MEMPHIS SEPT. 20TH

Rotary President, O. L. Jenkins presided at the regular Friday luncheon last week at which time new business was brought to the attention of the membership of the club and disposed of with dispatch.

A motion was made and carried to the effect that on Tuesday, September 20th, the local Rotarians would journey to the city of Memphis where they would be joined by the Rotarians from Childress and there present a joint program for the Memphis club. A committee was appointed and details are being arranged to put the Clarendon portion of the program over in great style.

County Agricultural Agent, T. R. Broun was introduced to the gathering and he responded with a very interesting and instructive address on the methods the Donley County farmers were using to overcome the ecnomic depression. A new insight into the problems facing the rural citizens was unfolded to the members of the Rotary Club, all of whom left the luncheon with a much better understanding and hope for the future.

Mr. and Mrs. W. J. Lewis and family returned to Dallas Friday, after spending the summer here.

Court Busy on Route Estimate

Commissioners are said to be busy on securing the probable cost of highway right-of-way from the property owners, and will likely be able to report definitely at a session of the court Friday.

Commissioner Roy Beverly got started Wednesday afternoon interviewing property owners on the proposed survey in this precinct, and said that Commissioner Sid Harris of precinct one had secured two men to get the estimate in his territory West of Clarendon. Commissioner Les Hawkins of Hedley said he would be able to present his figures when the court met.

The court has been asked to have a petition drawn to meet their own approval on the project which will be presented to the tax payers of the county for early signing and presentation to the court.

Miss Alice Matthews of Houston was the guest of Miss Clarie Marie Braswell over the week end. They both returned to Houston Tuesday.

Mr. and Mrs. J. Roy Wells left Sunday for Abilene where Mr. Wells will teach the coming year.

LITLE ANITA WHITE LAID TO FINAL REST

Friends of Mr. and Mrs. Frank White were deeply touched last Sunday morning when their eighteen month-old daughter, Anita Florence, succumbed to an acute illness of only a few days. Funeral services were held Sunday afternoon at one o'clock, after which the little body was carried to Fort Worth where it was laid to its final rest. Rev. B. N. Shepherd, pastor of the First Baptist Church, had charge of the service here.

Prizes Will Be Awarded Winners In Les Beaux Arts Flower Exhibit

Mr. and Mrs. J. A. Boykin and Mr. and Mrs. G. L. Boykin motored to Turkey Sunday where they met Mr. Boykin's sister and her husband.

The Les Beaux Arts Club flower show will be held at the Woman's Club Rooms on the first Saturday in October beginning at one o'clock. No admission will be charged those attending the event as it is one of the major activities of the Les Beaux Arts organization through which a more beautiful city may be attained through a better and fuller appreciation of plants and flowers. A cordial invitation is extended to all, especially to the women of the surrounding communities.

Those who have plants and flowers which they would like to enter are requested to bring them to the rooms the Friday afternoon before the exhibit on Saturday, or phone any of the following ladies so they may call for the plants on that day: Mesdames Fred E. Chamberlain, T. H. Ellis, Charles Trent, John Sims, Sr. Please have these ready on Friday so that the proper display may be worked out for the Saturday exhibit.

Prizes will be awarded the winners in the various displays. The prizes: Roses—Two dozen Tulip Bulbs; Dahilas — Better Homes and Gardens, Magazine; Cosmos—Shrub; Mixed Garden Baskets—Baskets of Mixed Cuttings; Blooming Plant—Shrub; Non-blooming Plant—Shrub; All Garden Flowers—Blue Ribbons.

30 TEACHERS IN LOCAL SCHOOLS

FEW NEW NAMES WILL BE FOUND IN LIST OF FACULTY MEMBERS

The Clarendon public school system, together with Clarendon Junior College, boasts a faculty of thirty teachers and instructors, the least number in the past several years to handle the local situation. As a means of knowing what each teacher is in charge of this year we are publishing the faculty and the subjects each will teach. We suggest the readers of The News to clip the list for future reference.

The list:

H. T. Burton, Superintendent of Schools; W. A. Clark, Jr., Dean of Clarendon Junior College; Frank A. Stocking, History and Economics; R. H. Carver, Commerce; Miss Ineva Headrick, English; Miss Mary Howren, Mathmatics; Miss Anna Wiedman, Spanish; Mrs. Joyce Clark, Librarian; G. L. Boykin, Agriculture; John G. Hutton, History and Civics; Miss Temple Harris, Latin; Miss Jimmie Morgan, Home Economics; Miss Marie Thornton, English; R. E. Drennan, Principal Jr. High School and South Ward; Mrs. R. E. Drennan, Geography; McHenry Lane, Science and Mathmetics; Miss Mamie Price, Spanish; Miss Ruby Kendricks Cherry, English; Mrs. Robert Cope, 4th Grade; Miss Pauline Fox, Second Grade; Miss Elon Akien, Fifth Grade; Miss Edna Mae Mongole, Third Grade; Miss Pauline Clark, Fourth Grade; Miss Elizabeth Stevens, Second Grade; Mrs. Ben Tom Pruitt, Third Grade; Mrs. J. H. Headrick, First Grade; Miss Vada Waldron, First Grade; Mrs. Alta Lane, Geography and Physicology; Mrs. Homer Powell, Piano; Mrs. Frank Stocking, Speech Arts.

Mrs. W. H. Cooke with her family and Lorraine Patrick motored to Childress Sunday, where they attended the Caprock League Invitation Tournament.

WHITE HEAT INTEREST IN HIGHWAY PROBLEM

There never was a time in the history of Donley County when there was such white heat interest in the highway situation as at the present, and developments are moving swiftly.

Militant delegations from the interested communities of the county were on hand for the meeting of the commissioners court the first of the week, with little reserve when it came to making their desires and positions known.

At the present time there is being a canvass made of probable costs of right-of-way on the new route, and Friday will probably bring about a show down as to whether or not petitions will be put out asking for a small bond issue, or the intention to issue county warrants for the purchase of the right-of-way authorized.

Citizens of precinct one and two are anxiously waiting to know if citizens in three and four will join in a county wide movement for the highway, and are already planning on separate action in this end of the county in case the county-wide movement fails.

The News is opposed to the bonds and favors the warrant route because it will be cheaper to the tax payer in the long run, for the commissioners have said that the project could be handled without collection of the small tax levy in normal years, whereas if bonds are voted they will have to be paid to the last farthing. But if the court insists on the bond route, those really interested in the highway should certainly work and vote for the bonds.

The principal thing we need now is speedy action. We have delayed too long now, and if we continue to trifle with petty details and lose the highway, the loss will be irreparable.

—oOo—

CLEAR VISIONED TRUTH

Editor Harry Koch of the Quanah Tribune-Chief, born in Holland and several times a visitor in Europe makes the following pertinent comment in regards to the liquor agitation:

> "Most folks have lost sight of the simple fact that it is liquor—not prohibition that is troubling us. The American in foreign lands soon concludes that ours is a sober nation when he sees so many bleary-eyed men and frowzy women abroad."

Which brings to mind that pungent declaration of Col. Alfred Porcelli never more timely than at a time when liquor leaders in America are making a last determined stand to undermine the eighteenth amendment and bring back the curse of legalized booze to this country. Read what Col. Porcelli says:

"I defy you to find a single total abstainer who has (a) ruined his home thru total abstinence; (b) thrashed his wife thru taking water; (c) sent his children out into the street—shoeless—to beg in order to supply him with water; (d) suffered from cirhossis of the liver, delirium tremens, Bright's disease, or gout thru drinking water."

—oOo—

FOOLISH RUMORS AND REMEDY

In the highway discussion of recent weeks there has come to Clarendon a rumor that certain citizens at Hedley had said that unless the highway was routed on the North side of the Denver tracks in that city they were certainly willing for it to miss the county entirely, for that would mean that those "so-and-sos" up at Clarendon would lose the road, too.

In Hedley there is a rumor being circulated that several Clarendon citizens have been fighting Hedley on the highway routing and had even approached highway department officials to keep the survey from going where Hedley wants it.

The News doesn't believe there is any foundation for either story. They are only foolish rumors to stir up the people, and the best remedy for such rumors is to ignore them entirely.

—oOo—

DONLEY COUNTY WILL EXHIBIT

In the last few days Donley County is to have a county agent and home demonstrator, a very fine exhibit is being arranged for entry at the Tri-State Fair at Amarillo, and many entries will also compete in the individual events.

Donley has never missed a Tri-State Fair, she expects to add much to the competition at Amarillo next week.

LOOKS LIKE A FINE YEAR FOR UPSETS

With the Fergusons in control of the state convention at Lubbock this week, and with the Sterling forces appealing to the courts to throw out thousands of illegal Ferguson votes and declare him the nominee of the Democratic party for governor in the November elections, the political stage in Texas is set for most any startling development.

There continues to be rumors of a wholesale turning of Sterling voters and Ferguson voters to the Republican candidate for governor in case either candidate is not certified as the Democratic nominee, and the court decision must be awaited to see if the movement materializes and which faction jumps the corral in resentment.

Of course, there is Judge Armstrong of Fort Worth who is running as an independent candidate for governor but few will rally to his standard for the most people realize that it would be a futile gesture.

Ferguson or Sterling men voting for Orville Bullington recognize the fact that they will add their strength to the more than a hundred thousand regular Republican voters in Texas, with a fair chance of victory if the movement becomes general enough.

Strange things may happen in November, according to the violence of the events of the next few weeks.

—oOo—

FEAR STIFLES INITIATIVE

The only thing that keeps most of us from realizing our own possibilities and of getting the highest satisfaction out of life is fear. There are very few human beings in the world who are not afraid of something, and as long as one is afraid of anything he cannot achieve perfect happiness.

Primitive man must have lived in a state of almost constant terror. He was afraid of wild beasts, afraid of enemies of other tribes, afraid of the thunder and lightening, afraid of evil spirits that lurked in the darkness of the forest—of real dangers and of unreal dangers which he imagined. Very few people in these days have the perfectly natural physical fears that surrounded the lives of our ancestors. But who of us has not some mental fear, fear of something that has not happened but which we think may happen to ourselves or our loved ones?

In the past two or three years the people of the United States have been the prey of a new kind of fear. They have been afraid that, in the popular phrase, the bottom has dropped out of everything. They have feared that never again would they have a job, that the factories that have shut down would never start up, that they would never be able to sell the products of their farms—those and a thousand other fears which have no relation to common sense or reality seemed to take possession of perhaps the majority of Americans.

And that is one of the reasons we have been so slow in coming back from the economic crisis. We have been afraid to use our intelligence and common sense and go ahead when everybody else was afraid to do anything but accept conditions as they are and paint them, mentally, much worse than they are.

We see signs that this widespread fear is beginning to disappear. We do not believe it ever had any real foundation, and we believe people are waking up to that fact. If we are right, and hope and courage are beginning to replace fear, then we have made a good start toward the return of good times.—Northern Lyon County Journal, Allen, Kansas.

After saving $600 on grocery bills in the last year by cutting food expenditures from $60 per month to $6, Mrs. R. C. McFarlane of Port Neches Home Demonstration Club explains her system. "We have 58 varieties in our year 'round garden that cost us only $10, and I will have over 500 cans of food when the season is over. We buy only cereal, lard, bacon, sugar and flour from the store and raise the rest ourselves."

WEST TEXAS UTILITIES CO.

Can You Afford to Do Without Electric Range Superiorities?

The amazing superiorities of modern Electric Cookery are many and varied! . . . And they are so important, to your health and to efficient home-management, that Electric Cookery deserves your serious consideration . . . AT ONCE!

Modern Electric Cookery means more healthful meals—for all the vitamins and food elements are cooked in . . . not boiled away as in old-fashioned methods. Food flavors are sealed in, too—making meals far more tasty and appetizing.

With an Electric Range, food-shrinkage is reduced by more than 20 per cent! . . . And less expensive cuts of meat can be used, with remarkable results, due to the superior cooking method! These advantages mean large cash savings each month!

—And Electric Cookery brings happy leisure hours. The *automatic* controls do all the cooking . . . you merely prepare your meals and entrust their finished perfection to the scientific accuracy of this remarkable *Electrical Servant!*

You'll also appreciate the coolness and cleanliness of modern Electric Cookery. The heat is confined to its job of cooking, so there's no surplus to make your kitchen unbearably hot . . . and with clean electric heat there are no blackened pots and pans to scour or sooty walls and curtains to clean.

From the standpoints of Health, Convenience, Leisure, Economy, Coolness and Cleanliness—can you afford to do without Electric Range Superiorities? . . .

. . . . *The Answer Is "NO"!!*

Call us for an individual investigation of your use of electric service, to determine the cost of cooking by electricity in your home. You may be surprised to know there are many cases where electric cookery actually decreases the total of electrical and gas bills.

West Texas Utilities Company

ITEMS OF INTEREST IN DONLEY

Pleasant Valley

Wayne Clayton of Melrose, New Mexico and Jim Brown of Amarillo spent Thursday night with Mr. and Mrs. J. M. Potter.

Nelse Robinson and daughter, Miss Thelma who visited friends at Lubbock for more than a week returned Thursday.

Mr. and Mrs. Longan accompanied Mr. and Mrs. Ben Andis to Shamrock Sunday where they visited Mr. and Mrs. Henry Riley, Mr. and Mrs. Newman Riley and Mr. and Mrs. Hestelo, all have good crops and such fine truck patches. Mr. Hestelo said she had sold 15 bushel of tomatoes and nearly as many peppers to one man at Pampa at one time. We wish that all those that are against the paved highway through Donley County could ride over the good roads of Gray and Wheeler County. One can tell by the roads when they reach Donley County.

Mr. and Mrs. Slaton Mahaffey spent Sunday with Mr. and Mrs. Nelse Robinson.

Miss Helen Goldston gave her mother a surprise birthday party Saturday night. Progressive forty-two was enjoyed until a lote hour when delicious cake and ice cream was served to: Mr. and Mrs. Roy Wilson, Billie Jo Wilson, Mr. and Mrs. Longan and Gene Chamberlain, Mr. Goldston and children and the honoree, Mrs. Goldston.

Mr. and Mrs. Charlie Corder and children also Miss Nan Potter were dinner guests in the Longan home Monday.

J. C. Longan is spending a few days with his sister, Mrs. Gaither in Memphis.

John Irvin Wilson is visiting his sister, Mrs. John Blevins at Wellington.

Mrs. Zeb Morris had a reminder that she was another year older when several of her friends at the request of her daughter-in-law gathered in her home last Monday night. The men played 42 while the women did just what women always do, just gosip, until they were served cake and coffee. Those to wish her many happy returns of the day were: Miss Eula Haley, Mr. and Mrs. Lonnie MorZris and children and Mr. and Mrs. Pat Longan and family.

J. M. Potter is doing some row binding for Mr. Wheeler this week.

Mr. and Mrs. Hugh Riley entertained the young people with a party Saturday night.

Misses Nan Potter and Dollie Corder attended the funeral of Leland Knox Friday afternoon.

Mr. and Mrs. L. L. Taylor and Mrs. Curtis Thompson and Miss Nan Potter were callers in the Longan home Friday afternoon.

Mr. and Mrs. Clampit were callers in the Longan home Sunday evening.

Mr. and Mrs. Sowell spent Saturday night with Mr. and Mrs. P. O. Thompson.

Mrs. E. O. Hutton and children and Miss Bonnie Hardin visited in the Potter home Sunday afternoon.

Miss Dollie Corder visited Mrs. Goodpasture in Amarillo several days last week.

LELIA LAKE

Miss Layma Taylor was an Amarillo visitor Saturday.

Mr. and Mrs. Hugh Knox returned to their home at Vega, Monday after attending the funeral of his brother which was held Friday.

M. and Mrs. Bert Smith moved to Clarendon Saturday where they will make their home.

Arthur Preacher and family of Bay City moved back to our midst Saturday.

Mr. Turner Hayes and Orvilee Menefee and Mr. Alford of Center left Wednesday after a visit with Mr. and Ms. W. V. McCauley.

Walter Creamer and family of Muleshoe spent the week end here with his daughters.

Sam and Don Tomlinson and O'Dell. Chester and Addie Holland spent Sunday at Hedley with Mr. and Mrs. C. H. Holland.

Edward McDaniel of Clarendon, spent the week end with H. R. King, Jr.

Lelia Lake community was deeply stirred on last Wednesday afternoon when we learned of the death of Leland Knox who died at noon on Wednesday at Hot Springs, New Mexico. Some ill health had been his for a year or more. The news of his passing caused great grief to our entire community. The funeral services which were held from the First Baptist Church at 4 o'clock Friday afternoon, Sept. 9th by Rev. Allen, pastor, was attended by a great number of friends and relatives. The floral offering was very large and beautiful. Leland was born in Hill County July 24, 1906 and was 26 years of age and had lived in and near Lelia Lake for the past 17 years. He graduated from Lelia Lake High School on May 13, 1927. Through all these years Leland numbered his friends by his acquaintances among both the young and old. He was converted and united with the First Baptist Church. He is survived by his parents, Mr. and Mrs. C. C. Knox, his brothers and Isabel, Mrs. J. P. Reynolds and sisters are Willard, Van, Altha, Mrs. Cecil Dodson of Lelia Lake and Hugs of Vega and Noel of Adrain oll of who where here for the last rites of their loved one. Interment was made in the Citizens Cemetery. The pall bearers and honoray pallbearers were Dell Loshon, Alvin Mace, Guy Putman, Frank Shaw, Bert Smith, Addis Holland of Clovis, New Mexico, Louie Self of Martin and Quinn Aten.

Born to Mr. and Mrs. Carl Durant Wednesday a boy. The little body was laid to rest in the cemetery at Hedley Thursday. Funeral services were held by Rev. Allen at the home of Mrs. Durant's sister, Mrs. Russell of Windy Valley.

SUNNY VIEW

The pie supper at the school building here was well attended Friday night. The pies sold for the sum of $17.00, the music was fine, and the prettiest girl, Miss Janette McWhorter, was awarded a fine cake also the ugliest man, Donald Ballew, was awarded a cake. Neal Bogard was the auctioneer and his wit and cooperation with all present, made things go off snappy. All had a good time and the proceeds will go to buy playground equipment.

Mr. and Mrs. Neal Bogard and Mr. and Mrs. Heckle Starks attended the Men's Fellowship Club meeting at the Presbyterian Church Thursday night. A profitable meeting was had with refreshments being served at the close.

Miss Ethel Hutto of Clarendon spent Saturday night and Sunday with Mrs. A. M. Lanham.

Miss Pauline Brame spent Saturday night and Sunday with Miss Ina Riley and attended the pie supper Friday night.

Mr. and Mrs. L. L. Taylor of Clarendon were callers in the Lanham home Sunday afternoon.

Mr. and Mrs. John Jones and son returned home at Brice Thursday morning after several days visit with Mr. and Mrs. Jack Bailey.

Mr. and Mrs. Alfred Estlack and daughter, Ina Jean, called on Mr. and Mrs. A. M. Lanham late Sunday afternoon on their return home from Hollis, Oklahoma where they had visited with Mr. and Mrs. Grundy.

Neal Bogard and Sam Lowe have traded farms. Neal becomes owner of Mr. Lowes farm in the Hudgins community and Mr. Lowe is owner of Mr. Bogards farm near Sunny View.

Mr. and Mrs. Taylor were callers in the home of Mr. and Mrs. S. T. Clayton Friday afternoon.

Mr. and Mrs. Quin Aten of Lelia Lake visited with Mr. and Mrs. Sam Roberts Sunday afternoon.

Mr. and Mrs. Heckle Starks spent Sunday afternoon with Mr. and Mrs. Neal Bogard.

Mr. and Mrs. Sam Roberts and Mr. and Mrs. Floyd Parker and baby were callers in the home of Mr. and Mrs. Devertie Leathers Friday night.

WINDY VALLEY

There were services at the Baptist Church Sunday morning. Rev. DeBoard and Rev. Walker presided over the ordination service for deacons.

There was also Sunday School in the afternoon at the school house.

Rev. and Mrs. McCluse and children, Mr. and Mrs. Hickey of Hedley visited in the I. M. Noble home late Sunday afternoon.

Mr. and Mrs. Ben Bales and Grandpa Bales visited in the Buchanan home Sunday.

Roby Josey from Lelia Lake has been visiting in the Valley and attending the meeting.

Leslie and Lora Skinner, Mr. B. F. Fletcher and sons, Bud and Eugene of Lelia Lake, left Tuesday afternoon for Haskell county where the men will pick cotton while Miss Lora will visit friends in Haskell.

Mr. and Mrs. G. W. Kavanaugh of Martin spent Sunday with Mr. and Mrs. Jim Josey.

Several from this community attended Leland Knox's funeral at Lelia Lake Friday.

Mr. and Mrs. Alvin Mace spent Saturday night with her parents, Mr. and Mrs. N. R. Simmons.

Miss Hazel Cole went to Ashtola Sunday where she will begin her school Monday.

Jewel and Wilson Morgan from near Hedley spent Friday night in the home of their brother, Tom and family.

Mrs. O. S. Lyons is visiting relatives at Graham, Texas.

Misses Maude and Jo Ella Buchanan and Virgie Skinner who are attending Clarendon College, spent Saturday night and Sunday with home folks.

Mr. and Mrs. Cornell English returned to their home at Lake View last week, after spending quite a while in the community.

Theo Noble and Clyde Skinner spent Saturday night with Wilson Morgan of Hedley.

TO THE TAX PAYERS OF DONLEY COUNTY

When I accepted a place on the Economy League Committee I did so with the understanding that said committee's work would be open and submitted for public inspection and print.

Our meetings were harmonious and practically unanimous in all suggested recommendations to the tax agencies.

But the entire committee, save myself, at our last meeting decided that publicity would not be for the best. I bow to their will: tho with regret.

B. L. JENKINS
Member of Committee.

Fifty and Fit

A MAN is as old—or as young—as his organs.

At fifty, you can be *in your prime.*

Why go along with "fairly good health" when you might be enjoying vigor you haven't felt for years?

There's a simple little thing anyone can do to keep the vital organs stimulated, and feel fit all the time. People don't realize how sluggish they've grown until they've tried it. The stimulant that will stir your system to new life is Dr. Caldwell's syrup pepsin. It will make a most amazing difference *in many ways.*

This famous doctor's prescription is a delicious syrup made with fresh herbs, active senna, and pure pepsin. It starts its good work with the first spoonful. That's all you need to drive away the dullness and headache of a bilious spell, and rid the system of that slow poison that saps your strength. It's better than a tonic for tired bowels, and unlike habit-forming laxatives you can take it freely or give it to any child. And it isn't expensive.

Get some syrup pepsin today, and take a little tonight. Don't wait until you're sick to give your system this wonderful help. You can *avoid* those spells of biliousness or constipation. A spoonful every now and then is better than constant worry about the condition of your bowels, or fear of auto-intoxication as you grow older. Dr. Caldwell's syrup pepsin protects the system. All druggists keep this preparation.

Highway Story—

that showed many in favor of a bond issue.

Edwin Baley of Martin, A. B. Bynum of Lelia Lake, J. F. Grant of Goldston were also among those urging the court to secure the road for Donley County, saying that the side of the tracks made no difference with them.

According to Mr. Van London the route of the new survey from Clarendon west to the Armstrong County line parallels the Denver tracks on the South side, which according to Edwin Baley reduces to a minimum opposition in that section of the county.

Apparently nothing further will be done by the court, awaiting the receipt of a petition praying the calling of an election for a bond issue of $25.000 for the purchase of right-of-way on location approved by the state department.

GOLDSTON NEWS

Sunday School was held at the usual hour Sunday afternoon.

James Davison of Silverton visited for a few days last week with his grandparents, Mr. and Mrs. W. C. Veazy.

Miss Lorena Stegall left last week for El Paso where she will teach this school term.

Mrs. Stewart and her daughters Misses Ura and Bertie and Mrs. Eichelberger visited with Mrs. Grant and Grandma Churchwell Friday afternoon of last week.

We are having ideal weather now and crops are looking good, a rain would be beneficial to late feed crops.

Misses Jewel and Irene Rhodes and Julia Earthman, also R. V. Hatley enteded school at Clarendon this week.

Mr. and Mrs. U. W. Grant of Kansas City and Mr. and Mrs. Warren Bray and baby, Wendell, of Ft. Worth left for their home last week after a visit with their parents, Mr. and Mrs. G. R. Grant.

J. J. Goldston was out to his far mthe first of the week.

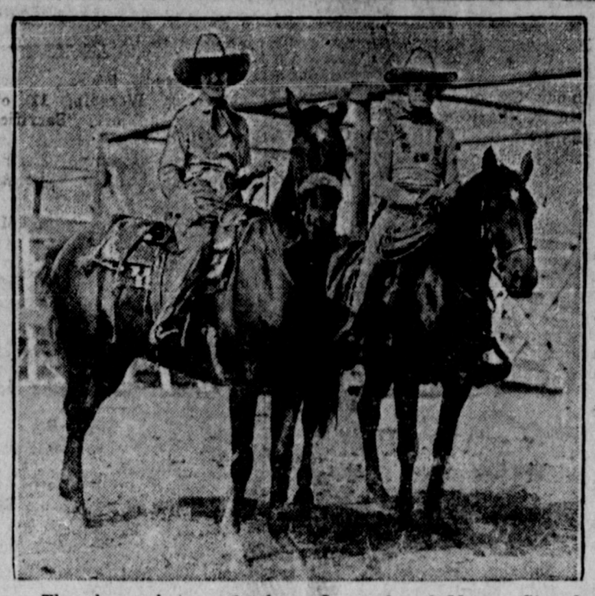

Joseph Dilli is cutting feed for farm the first of the week.

G. R. Grant returned from Forestburg Tuesday where he had been to see his mother who has been confined to her bed for some time and is not expected to recover.

Mr. Mixon and family are visiting relatives in East Texas this week.

Mr. and Mrs. W. L. Meek of New Mexico visited relatives here the first of the week.

Mr. and Mrs. Roy Broadway and son of Miami, Texas visited Mrs. Broadway's parents, Mr. and Mrs. W. T. Lowe Sunday.

The above photograph shows Leonard and Mayme Stroud of Rocky Ford, Colorado preparing for the world's championship rodeo to be staged in connection with the Amarillo Tri-State Fair, September 19 to 24.

These two world-famous performers will direct the rodeo at Amarillo in which $3,300 has been posted in cash awards to the contestants. Entries already have been received from many of the world's greatest riders and ropers.

The attraction will be staged each afternoon of the fair.

THE TEMPLE BUILT BY GOD, THE HOUSE IN WHICH I LIVE

X—The Transportation System, The Feet.

Psa. 122:2

We are really living into a portable house. The tortoise carries his own house around with him, and the house of our body has also a way of moving about. God, the architect and creator of all living things, has given to all men, and beasts, birds and fishes, a suitable method of traveling. Each has a transportation system of its own. The feet of animals, the wings of the birds, and the fins of the fishes, exactly suit their immediate life and movement. Take away our feet and how helpless our bodies would be.

Some children do not use their feet as they should. When mother calls them to come at once, they begin just to walk as though they had chains on their feet or as though their feet were fastened to the ground.

Do you know that you can speak with your feet? Solomon said of a wicked man, "He winketh with his eyes, he speaketh with his feet." Both good and bad people speak with their feet. Our feet often tell the secret of our lives. Your mother can often tell where you have been, and what you have been doing by looking at your boots or shoes. When you are happy you skip and run, when you are sad and unwilling you loiter and drag, when you are angry you stamp with your feet. Your feet will reveal your character.

Habakug, the prophet, speaks of having feet like hind's feet. He seemed thankful that he had quick feet and not lazy feet. Idle people usually stumble into sin and mischief. In our prayers we should pray for feet to run in the ways of the good. Job once said "Feet was I to the lame." Ready feet, willing feet, feet anxious to be useful are to be desired.

Remember your feet will follow your thoughts. If you think beautiful things your feet will take you into good ways. If you love the things that are true, your feet will be true to your love. If you keep company with Jesus you will walk with Him. If in your heart you love God, your feet will delight in serving God.

In our two sermons for next Sunday we will give some good advice on walking with God. At the morning hour the subject will be: "Self-Deception." During the evening service we will speak on, "The Way that Seemeth Right."—W. E. Ferrell, Minister, First Christian Church, Clarendon, Texas.

Mrs. Clara McKay and son, Jack, of Trinidad, Colorado are visiting in the CcCanne home.

ST. JOHN BAPTIST CHURCH

Rev. L. L. Swan, Rector

Services for "the Sunday after Trinity"—Sept. 18th.

UNCLAIMED LETTERS

Letters remaining in this office for the week ending Sept. 10, 1932 are as follows:

John S. Baird, J. Hammond Brewer, Ruth Crawford, Jesse Gordon, M. G. Lattimer, J. C. Parker.

C. H. Bugbee, P. M.
Clarendon, Texas.

Sam W. Lowe, the newly elected County Judge, entertained the County Commissioners with a luncheon Monday.

THE INTEREST OF THIS BANK

. . . in its customers begins when they open an account—continues during the life of their connection here—and is terminated only by the customer himself. Not as a matter of occasional occurence but as one of continuous habits our interest shown in the financial welfare of those who honor us with their business.

FIRST NATIONAL BANK

Great Interest Points Matador-Aggie Game

AMARILLO, Sept. 14.—Interest in the Tri-State Fair sponsored college football game to be played in Amarillo on Sept. 24, the last day of this year's exposition, is mounting daily and not without sufficient cause.

Both of the teams, the Aggies of College Station, and the Matadors of Texas Tech, promise to be among the Southwest's greatest this season.

The Matadors are pointing for this game. Pete Cawthon will fire his men up to the highest possible pitch, for a victory over the stalwart Aggies would brighten Teach's chance to some day become a member of the Southwest Conference.

Matty Bell and his team will put on their best because they will be playing before a strange audience and in a new part of the state for them. The stigma of defeat from the hands of the Matadors would cause nearly as much grief in Aggieland as to lose to Texas, for the Bullfighters are an "outside" outfit, and the Farmers do not intend to do anything to lower the prestige now enjoyed by the Southwest conference.

Hundreds of ex-aggies are planning to attend the game, and watch their favorites in action. Likewise, several hundred exes and present students of Texas Tech will be on hand to cheer the West Texans.

Avery Rush, secretary and Bill Lampe, President, of the Tri-State Fair Association have left nothing undone to make this game the feature sports event of the year. Prices are $1.10, $1.65, and $2.20 for boxes. The game will be played at Butler Field.

Out-of-town orders for reservations should be sent to Lyman E. Robbins, Globe-News, Amarillo. Mr. Robbins wishes those who care to sit in the special reserved section for ex-aggies to specify when sending in orders. The Aggie section seats are $1.65.

A special train will be run from Lubbock for the game.

WARNING TO COTTON TRUCK OPERATORS

Representatives of the Highway Patrol of this district ask The News to issue warning to all local cotton truck operators that the regulations controlling such carriers must be complied with. Arrests will be promptly made for any and all infractions.

Mrs. Homer Mulkey is in Amarillo visiting her sister.

ON TEXAS FARMS
By W. H. Darrow.
Extension Service Editor

Twelve cars of tin cans sold in Coleman county this year, besides large quantities of glass jars, jar tops and tin lids, leads the home demonstration agent to estimate that a total of 884,000 containers of food will be put on farms there this year. Home demonstration club members report helping 486 women not club members with their food preservation.

Double the sale price for his feed is what Ernest Goilloud, Hartley county farmer, says he made by selling his enormous feed crops through 261 steers fed under county agent direction. The first 50 sold topped the Kansas City market. He became interested in feeding through his 4-H club son who has fed baby beeves three years.

With a total cost of $37.50 12 Van Zandt county 4-H club girls have made their bedrooms attractive.

Seven Mason county farmers are creep feeding 525 beef calves as a result of last year's demonstrations which showed that creep fed calves put on from 100 to 150 pounds more weight than other calves, at a feed cost of less than 4 cents per pound.

Hamilton county farmers have been shown by the county agent how to destroy beds of stinging red ants at a cost of about 3 cents per bed. A solution of sodium cyanide is poured in the beds when all the ants are at home.

Miss Helen Martin left Saturday for Pampa where she will teach Public School Music in the Pampa Junior High.

Mr. and Mrs. Tom Bugbee and Elgin Patrick spent the week end on the Craven Ranch near Childress.

IN SOCIETY

Les Beaux Arts Begins Years Work

The lovely new home of Mrs. J. W. Evans was the scene of a congenial meeting of the Les Beaux Arts club on Saturday afternoon, when this club began it work for the year, with Mrs. Evans and Mrs. J. H. Headrick as hostesses.

During the business session Mrs. Holman Kennedy's resignation was accepted and Mrs. R. L. Bigger elected to the office of Treasurer. The newly elected members were Mrs. Ira Merchant, Mrs. J. D. Stocking, and Miss Anna Moores.

The program was by far the most interesting and enjoyable one the club has had the pleasure of hearing in quite a while, as it was about the early days of the Panhandle and Clarendon. Mrs. F. E. Chamberlain led the program, which included interesting talks by Mrs. Bagby, Mrs. Sims, Mrs. Stocking, and Mrs. Taylor. At the conclusion of the program delicious refreshments were seved.

Mrs. L. S. Bagby's article on the "Early Ranches in the Panhandle" will be publihed in next week's News for the benefit of those who may be interested in the early history of Donley County and the Panhandle.

Kill Kare Kneedle Klub Honors Husbands

The Kill Kare Kneedle Klub gathered their belongings and a bountiful picnic supper together Friday afternoon of last week and took themselves, their husbands and a few friends to the river north of Clarendon for an evening of pleasure. Mr. Frank Whitlock made the picnic supper complete by making "Camp Coffee" as only he can. Taking part in this event were: Mr. and Mrs. O. C. Watson and family, Mr. and Mrs. George McCleskey and family, Mr. and Mrs. Buel Sanford and family, Mr. and Mrs. W. A. Massie, Mr. and Mrs. Frank Whitlock, Mr. and Mrs. G. G. Kemp, Mr. and Mrs. W. A. Mosley, Mr. and Mrs. Harry Brumley. Mr. and Mrs. W. B. Sims. Mrs. Eva Draffen. Mrs. Joe Cluck, Mr. and Mrs. W. A. Land, Virginia Cluck, Virginia McGowan, and Jack Draffen.

* * *

MacDowell Club

Saturday evening the MacDowell club held its first meeting this year at the club rooms. As it was its initial meeting, there were several stunts, which cleverly introduced everyone and made this an enjoyable affair. Mr. Sam M. Braswell presented the club with booklets containing the programs for the coming year.

The incoming President resigned and Mrs. John M. Bass was elected to this office. Other officers for 1932-33 are: Mrs. Rayburn Smith, Vice-President; Miss Anna Moores. Secretary-Treasurer; Mrs. R. Wilkerson, Reporter; Miss Mildred Martin. Librarian; Mr. Sam M. Braswell. Director; and Miss Mildred Martin Accompanist.

The program which was clever in every detail was as follows:

Piano Solo, Delphia Bones; Vocal Selection. Jack McKay; Piano Solo. Pauline Shelton; Scarecrow Dance, Jean Bourland and Carroll Holder; Vocal Selection, James Smith; Clarinet Solo, Hurbert Reavis; Piano Duet, Mrs. Rayburn Smith and Miss Barbara Smith; and Operatic Charades by the MacDowell Club.

* * *

Friendship Club Meets With Mrs. J. S. Hayter

The Friendship Club held its regular meeting Sept. 13 at the home of Mrs. J. S. Hayter, with thirteen members and two visitors present.

The meeting opened with the Lord's Prayer and Mrs. Teel read the Twenty-third Psalm. The roll call was responded to by a verse of Scripture, after which Mrs. Eva Womack distributed the Pollyanna packages, much to the delight of the recepiants. After a short business session the afternoon was spent in needle work and piecing quilts.

Dainty refreshments were served to Mesdames C. R. Skinner, J. D. Stocking, M. E. Thornton, G. J. Teel, M. T. Crabtree, H. Tyree, J. A. Tomb. Eva Womack, A. T. Miller, J. W. Rowland, L. Ballew, J. L. Allison, members and Mrs. Julia Beverly and Mrs. H. L. Brady, guests.

* * *

Business and Professional Women Meet

The Business and Professional Women's Club met Tuesday evening in the Club Room. The subject for the evening was "Research" with unusually interesting talks by Mrs. Ruth Reeves and Miss Mantie Graves.

The members answered roll call by telling what they did and why and if they liked it. Miss Lottie Lane said she had the reputation of buying more red beans and tobacco than any woman in Clarendon.

Nifty ice cream packs were served to: Ruth Teat, Gwendolyn Couch, Ruth Reeves, Lottie Lane, Rhoda Wiedman, Helen Wiedman, Julia Wiedman, Mildred Martin, Mantie Graves, Carrie Davis, Norma Rhode, Beth Little, Julia Mae Caraway, Winnie Weatherly, Mae Shavers, Fannie Perry, Arthur Donnell.

* * *

School Board's Annual Picnic

True to their regular custom, the annual chicken barbecue honoring the Clarendon school teachers, faculty members, and other employees, with their families was given Thursday evening at the Clarendon Country Club by the School Board and their families. This is an annual affair originated by the School Board some thirteen years ago.

Upon their arrival at the club, the guests found that forty-seven delicious Donley County chickens had been barbecued in their honor. After partaking of these, and the salads, pies, and cakes in like proportion, the guests and hosts being very congenial made the remainder of the evening a delightful affair.

The principal feature of the evenings program, aside from the "Chicken," was a song entitled "Casey Jones" rendered by the Board's President, Mr. F. E. Chamberlain. The song was such a success that it has since been adopted as the Official School Board Song.

* * *

Bell Ranch Scene Of Picnic

At six o'clock Sunday morning some energetic young people made their way down to Bell's Ranch where they had been invited to spend the day. Upon their arrival they were greeted by Mr. and Mrs. Charlie Bell and Bus.

Those present to enjoy this were: Misses Latrice Benson, Nell Butler, Lois Alexander, Nadine Haile, Betty Walker, Messers Eugene Letts, Shy Johnson, Johnnie Tucker, Bus Bell, Mr. and Mrs. Charlie Bell.

* * *

Ladies Aid

The Ladies Aid Society of the First Christian Church met at the church, and was opened by a prayer by Mrs. F. C. Johnson. The meeting was called to order by the president and in the business session that followed the ladies decided to have a Saturday Market September 17.

Mrs. Carver led the devotional after which the 12th Chapter, First Corinthians was read and discussed. The lesson for the next meeting will be the 13th Chapter, First Corinthians with Mrs. Frank White, Leader and Mrs. Jim Casey hostess.

The meeting was dismissed with the Lord's Prayer.

Picnic at Rowe Ranch

The Rowe Ranch was the scene of a delightful picnic Saturday evening when a congenial crowd invaded it in quest of a good time. Those who helped to make this a success were: Misses Mary Sue Watters, Maude Crawford, Reatta Thomas, Messers Homer Bones, J. P. Matherson, Clyde Martin, and Mr. and Mrs. Donald Ballew.

* * *

THE 1926 BOOK CLUB will meet Tuesday afternoon, Sept. 20 in the home of Mrs. Harry Brumley, with Mrs. Rolle Brumley as hostess.

* * *

A Delightful Party

Mrs. James Trent and Mrs. John Sims, Sr., were charming hostesses Monday afternoon at the Country Club when they entertained the 1912 Needle Club and a few friends.

The afternoon was spent in congenial conversation and pleasant remlniscence, after which the hostesses, assisted by Mrs. Ione Ellis, Mrs. Charlie Trent, and Miss Nettie Sims served a sumptuous picnic supper.

* * *

Mary Francis Caraway Honored

Gay, happy, and snappy was the parish house dance given by Joyce Link last Friday night as the "gang" bade farewell to another "Betty Co-ed" as Mary Francis Caraway began to turn her thoughts San Antonio-wards for another year.

Dancing held the attention of the merry group until the wee hours of the night. The radio tried to play a mean trick, but with the musical ability of Pauline Shelton and Jonnie D. Latson, no one so much as wanted for a radio.

Punch was served throughout the evening to: Misses Nola Gordon, Pauline Shelton, Jonnie D. Latson, Hazel Gilbert, Dorothy Jo Taylor, Lodi Green, Jean Bourland, Carroll Holder, Elizabeth Kemp, Lucille Andis, Pauline Sanford, Mary Francis Caraway, the honoree, and Joyce Link the hostess; to Messrs. Henry Wilder, Byrum Haile, Bill Wood, Snooks Andis, Fred Bourland, James Smith, Mike Stricklin, Bill Word, Sam Cauthen, Carol Hudson, Benton Smith, Steve Green, Kenneth Brown, Tony Watson, Glen Allison, Clayton Powell and Hollis Leathers; to Mr. and Mrs. Carl Bennett, Miss Lotta Bourland and Mr. Densil Davis.

And so a night of enjoyment was ended as the gay crowd swayed rather reluctantly to the meaningful strains of "Home, Sweet Home."

* * *

Episcopal Auxiliary

Mrs. George Ryan entertained the Episcopal Auxiliary Wednesday afternoon at three o'clock, with a hundred per cent attendance. Mrs. L. S. Bagby conducted the United-Thank Offering Program which was very interesting. At the conclusion dainty refreshments and a social hour was enjoyed.

* * *

THE SIMS PARENT TEACHERS ASSOCIATION will hold its first meeting this fall at the School Building Tuesday afternoon, Sept. 20, from three to four o'clock. All the parents are urged to be there as it is the first meeting and Rev. Robert S. McKee will make an interesting talk.

The Editor of The News acknowledges a basket of home grown grapes from Judge J. J. Alexander, raised on his Donley County farm. The grapes are of a very fine flavor and the Judge reports that he has gathered more than 100 bushels this season. The Editor enjoyed the grapes very much and recalls that there was never much between him and the Judge—except a 100 foot right-of-way.

J. R. Bain returned to the city the latter part of last week from Ruidosa, N. M., where he left Mrs. Bain and daughters for an indefinite stay.

T. D. Nored made a business trip to Childress Wednesday.

Mrs. M. M. Noble, Peggy and Joe are leaving in a few days for Austin where the children will be in school this winter.

Miss Lottie Lane and Mrs. O. T. Smith are in Dimmitt for the week end visiting Mr. and Mrs. Charles Dean.

The realization that the football season is just around the corner is a bit stronger since the first gridiron conflict of the year was staged last week end in Amarillo where the Amarillo Junior College Badgers pried the lid off with a 21 to 0 whitewash job over the Panhandle Aggies of Goodwell Okla. And that also brings to mind the fact that it is only 15 days until the Clarendon High School Bronchos will get into action in defense of the District title won last year. Of course those wishing to get a glimpse of the Maroon and White machine will have to make the journey to Quitaque, but indications show that interest is to such a pitch over the coming season that a great crowd will follow the Bronchos to the site of their opening skirmish.

And how those Bronchos are going to click this year—Folks they are going to be good, possibly not as polished as some teams the local school has turned out, but unless I miss my guess the eleven that represents this little city is going to be one of the scrappingest bunch of lads we ever saw. From the way those fifty odd lads are stepping through the preliminary training paces dished out by those two splendid coaches, John Hutton and Frank Stocking, it looks like they really mean business and are going to get themselves into shape that will carry them through the season just a bit better than their opponents. It's a real live bunch of red-blooded he-boys that's going to represent Clarendon this fall, and all the fans in the city and Donley County should begin now to learn the names of the players who are going to carry the local colors through to another championship.

Nothing develops a boy like the game of football, not particularly the actual game so much as the democratic spirit which prevails on the practice field for three months, and the splendid development of body and mind through a streneous grind of conditioning practice. Of course the satisfaction of being an atlete and being one who carries the glory of the school and town is the inspiration which keeps the majority of the boys out day after day, but it's no easy job, folks, to put in two to three hours every afternoon for at least three months. She's a great game and with a little co-operation from the home folks and fans this year's eleven is going right after another district title.

And a word to the fans about the coaches. The local mentors are starting their sixth year at the helm of the Broncho Athletic Department. We feel they have done a great job with the youth of the community and have guided their destiny in the right and proper channels. They both are straight and upright in their dealings with the different individuals—something which is even of greater importance than winning an athletic contest. Both are interested in the development of the boys and are donating their time to the thankless job of moulding a football team from the group. Neither are receiving a penny for their time and energy expended with the boys. A word or two of encouragement to the coaches as well as to the players will mean a whole lot in making them know they have the backing of the entire community.

The Phillips Petroleum Co., through its local station operated by O. E. Harvey, has outfitted the team this year with individual drinking bottles. A metal carrier with quart bottles will make a fine addition to the equipment of the Bronchos and at the same time will be a great deal more sanitary and convenient to the players.

Our golfers played fine golf at the Cap Rock Association tournament at Childress over the week end, but Shamrock was a little better and took home the team cup. All but one of the locals made the first flight and were among the last to be enlisted.

Carl Parsons is negotiating a novel tourney with Tulia and Post, winners of a golf loop similar to the Cap Rock League, of which Clarendon is winner, to be played at Plainview in the near future. It's a great scheme and worthy of support.

Phillips Gentry, Ira Merchant, A. N. Woods, Kenneth Kerbow, Carl Parsons, and Jim Cornelius, attended the Tournament in Childress Sunday.

U. of T. Chosen To Take S. W. Title

S. M. U. BELIEVED WILL RUN SECOND

TWENTY-TWO LETTER MEN RETURN TO STATE SCHOOL PLUS FINE NEW CROP

With the first week of training almost completed and with all the encampments of the seven contingents of the Southwestern Conference filled with the hopefuls of the respective coaches upon whose shoulders rests the gridiron glory of their school, comes the time when a prediction as to the outcome of the approaching race is in order. Considerable interest has been and is being manifest in this year's Southwest Conference scramble in this locality and no little speculation is being made as to whether this club or old Whoozis College or even old Dingbat Uney will grab the flag next Thanksgiving. Anyway, here goes:

The University of Texas Longhorns will win the conference title this year in spite of Coach Littlefield for the simple reason the State school, barring injuries will have by far the most powerful starting eleven in the race. Other fine elevens will be met in the season which might battle this first team on fairly even terms, but when the Orange and White begins sending in streams of fresh substitutes who are every bit as good as the man just replaced the six other members of the conference just won't have the man power to prevent the last half Longhorn stampede. Twenty-two lettermen will be available for Texas service this season with a wonderful array of reserves and sophomores as well as some of those promising performers who were kept from the competition last season due to scholastic difficulties. Ernie Koy, giant all-conference fullback, and Harrison Stafford, powerful all-conference guard, will lead the Orange and White from the conference briarpatch this year with a flashy open brand of offensive football from a brand new closed short punt formation. Watch the Steers.

About the only difference between the choice of the famous S. M. U. Mustangs and the Longhorns for the crown is the fact that the celebrated sky circus of Ray Morrison's horses won the title last season and they don't repeat. Morrison is the outstanding coach in the southwest and his teams are always the ultra-modern in the art of smart offense. Fifteen lettermen and some fine sophomore talent leads us to believe the Ponies will trot across the finish line with no less than runner-up position. Should they again smear the University of Texas this year the Mustangs will likely be crowned champions for the second straight year. However, they might receive another such surprise as awaited them two years ago on the last visit to the State Capital when they were licked 25-7. Ray Morrison promises the conference an offensive that will open their eyes this season, and every one knows he has a habit of doing just that. However, if he has invented something much better than usual it will be "sump'in" sure enough. Sprague and Travis will carry the brunt of the Pony offensive this season and will be making a bid for All-Conference and All-American fame. Clarendon will watch with interest the progress of the Mustangs as Maurice and Goodwin Bray, former Clarendon boys, are slated for line berths.

The third place fight looms interesting between the veteran Rice Institute Owls, the much press agented T. C. U. Horned Frogs and the A. & M. Aggies. The two aforementioned elevens are even given ranking as potential championship threats, however, neither possess the real man-power of the Longhorns and Mustangs.

Rice drew the lucky number from the hat and is rated third, chiefly because that school has not lost a man in two years and if the high powered material which Coach Meagher is so proud ever should get to work this is the year. Last season the Owls were rated as one of the strongest in the state but were too gentle with their opposition—a reason many attributed to their failure to finish higher in the race. This year the Houston boys have the proverbial "blood in their eyes", so say the Houston scribes, and that is enough to make the conference sit up and take warning. They were able to extend their winning streak over the Texas Longhorns to two years last season and only lost to T. C. U. by one point and this year brings both teams to Houston for the games.

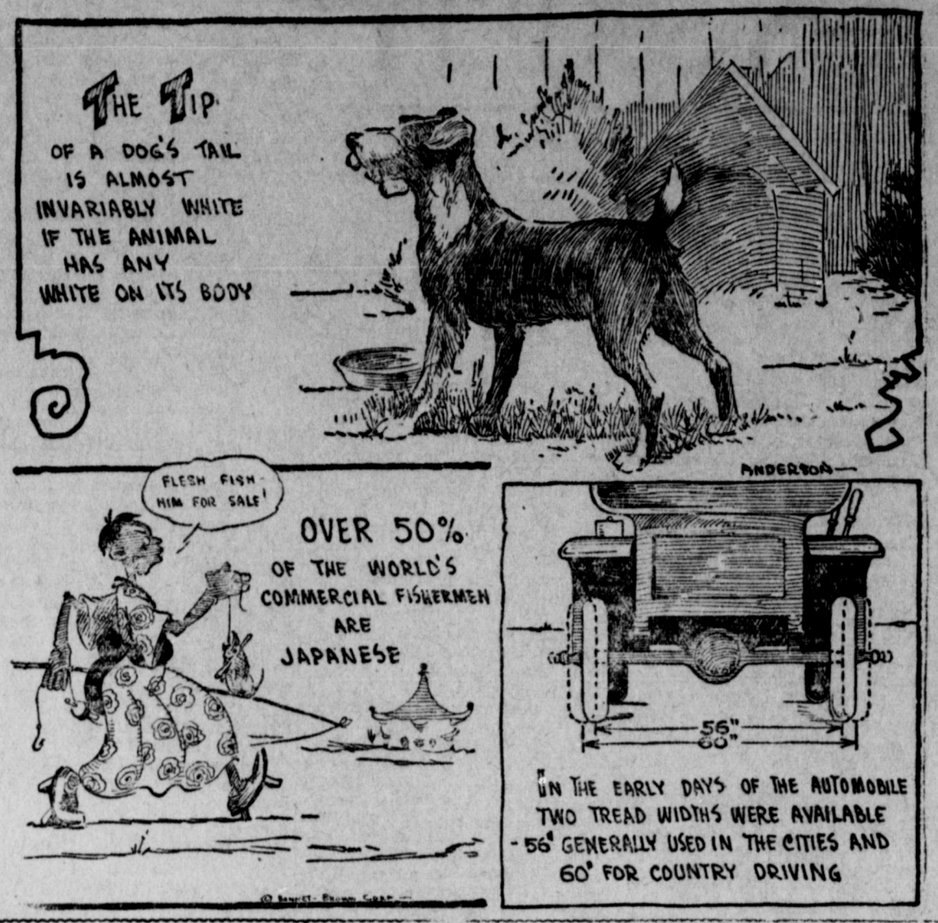

Those bad bad Froggies at T. C .U. is our choice for fourth place. Many believe they will be considered stronger than last season but we don't. Coach Schmidt will again present another tough assignment to all the other conference teams but will lose some contests just the same. Dennis of Memphis will be about their most valuable mail carrier—he always has.

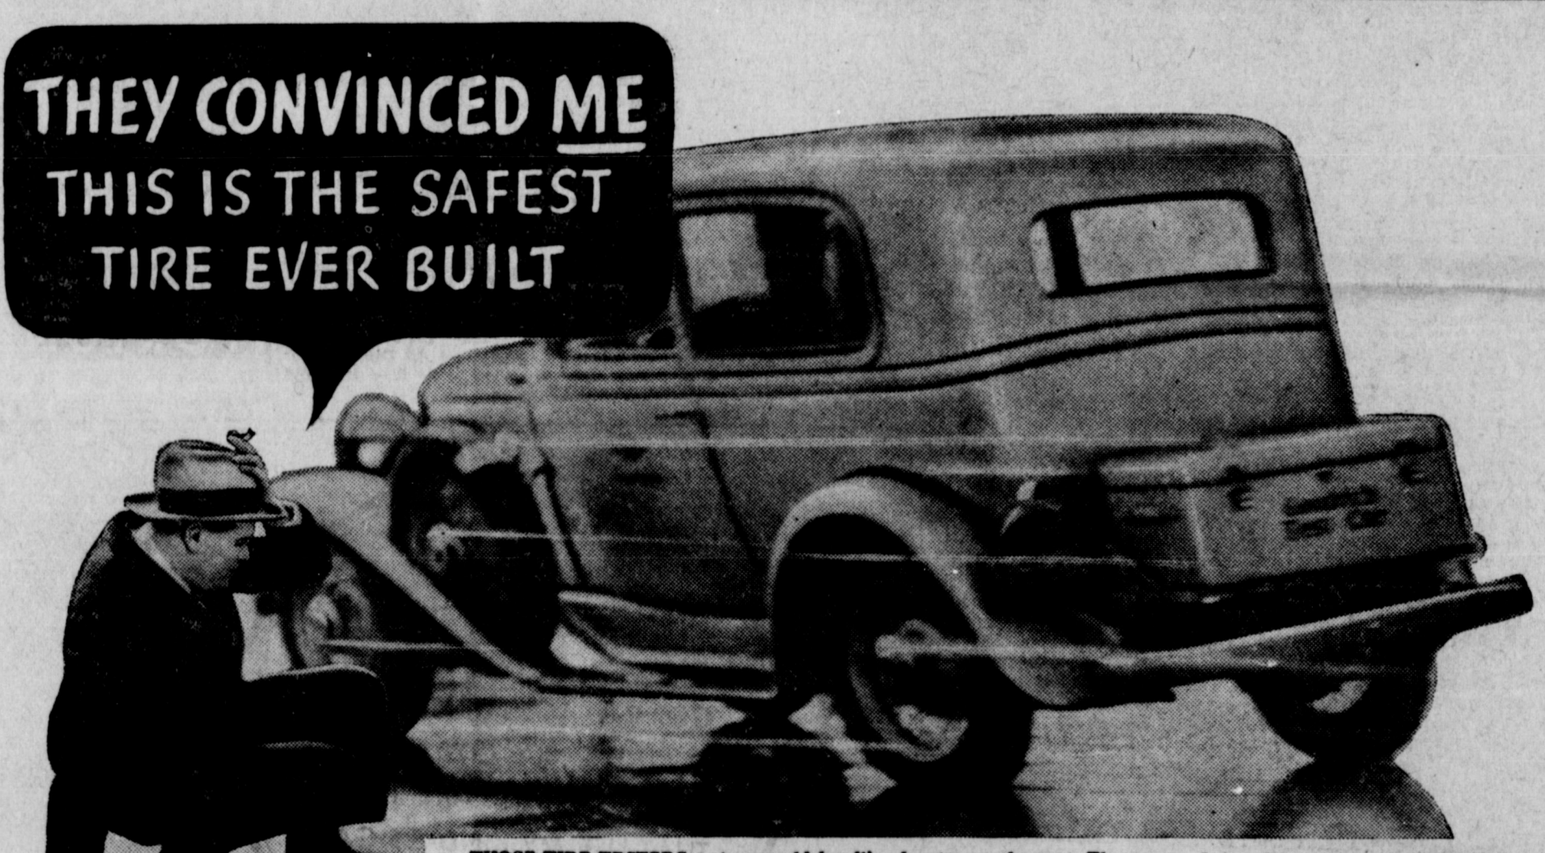

And pursuing them close to the rear will be the Soldiers of A. & M. Any other year they would be favored to finish better than fifth, but this season's great elevens will likely keep them from advancing in the standings. A great backfield will be handicapped throughout the year by an unseasoned and unreliable line but will prove troublesome to anybody. Domingue, Captain Aston and Muggins Fowler, former Amarillo Sandie, will bear watching.

Should the Arkansas Razorback sophomores do the unbelievable they may finish higher than sixth place. A fair team last year will be replaced by what was considered the most outstanding freshman team in the history of the Southwest Conference. Watch them in the next two years.

And lastly the luckless Baylor Bears. Probably will have a weaker club than last season's team. **A rebuilding process is being started at the Waco instution which will take a season or two to complete.**

ODD — BUT TRUE!

THOSE TIRE TESTERS *put your old headline hunter on the spot. That car on Safety Silvertowns went around that sharp corner at 42 miles an hour. But those tires clutched that wet, asphalt surface like they were running in a groove.* **They didn't skid an inch . . .** *I asked them whether they were testing Goodrich or Gibbons.*

Floyd Gibbons

HELLO EVERYBODY—Floyd Gibbons speaking. I've just seen a most wonderful demonstration of progress.

I think it is BIG news, and I'll tell you why: 34,400 were *killed* in automobile accidents in this country last year.

Almost a *million*—997,600—were *injured*.

These figures overwhelm me. What do you think? If a way has been found to make tires that will prevent some of these tragedies—isn't that BIG news?

I leave it to you.

I stopped at the Goodrich plant in Akron. I heard they were making a safer tire—the safest tire ever built. They call it the SAFETY Silvertown.

They convinced me. They showed me a test that was a sock-dologer.

These Goodrich tire testers put your old headline hunter on the spot. That spot was right in the middle of a street intersection. And the street was wet.

They drove a car with these new safety tires on it—drove it straight at me at the speed of 42 miles an hour. Just before it reached me, going at that speed, the driver turned suddenly. Just missed me by inches.

They said it wouldn't skid. I had to believe them. It did not skid. But, boy, what a test! I asked them if they were testing Goodrich or Gibbons.

That car on Safety Silvertowns went around that sharp corner at 42 miles an hour. Not a curve—a *sharp* corner—sharper than a right angle. But those tires clutched that wet, asphalt surface like they were running in a groove.

THEY DIDN'T SKID AN INCH.

If they had skidded—well, some other boy'd be writing this copy instead of me.

When I got my breath back, I wanted to know how such a tire could be made. I mean, I wanted to see the works.

They showed me a plant so big I wore my legs out—and only hit the high spots.

One place, I stood in a shaft eight or ten stories high, and watched them drop a heavy, wicked-looking metal prong—like a guillotine—on an inflated tire. Forty—fifty—sixty feet they dropped it. Then, at 75 feet, the tire gave way. It didn't burst—the air came out like a sigh.

That's one way they find out whether their tires are safe against blow-outs.

I saw them place a tire in a chamber reinforced like a prison cell, and blow it up to *200 pounds* pressure before it burst.

Test, test—improve, improve! That's what it's all about. They're at it 24 hours a day. Trying to find weak spots in tires that are already tougher than the Gas House Gang. That's how they prove it's the safest tire ever built!

They told me these Safety Silvertowns sell for the price of any standard tire. Not a cent more.

With thousands smashed up or killed in skidding accidents every year, I'm willing to pay something extra to save my neck. Maybe they're making it too easy for us.

I'M FOR THIS LEAGUE, TOO! Here's something: The Silvertown Safety League. It gives me driving rules to follow—for safety. It gives me an emblem for my car. I joined up! Any Goodrich dealer will enroll you, they tell me. No cost.

$3.00 to $12.00
a Set Allowed for the Old Tires on your car on purchase of four
NEW GOODRICH SAFETY SILVERTOWNS
To help cut down the toll of accidents—to get the "Death Tires" off the highways—we offer sensational trade-in allowances for your old, unsafe tires on all Safety Silvertowns.

A NEW SPIRIT

School has started! New friends! New work! New adventures! New honors to gain! Are we ready for these things? Yes, I think we are more than ready. There even seems to be a bit of eagerness popping out everywhere. The young enthusistic Sophomores radiate a freshness that makes everyone feel younger and more ready for what is ahead. The old antagonism between the Seniors and Juniors seems to be a little more heated than it has been in several years. It is the college students, however, who are the most enthusiastic of all this year. There are more students than ever before; there are more students from out of town that everyone has not known all his life. However, there is much more enthusiasm this year in the school as a whole.

Students, let's take this seed of enthusiasm and cultivate it and make a rip roaring school.

Assembly Report

Mr. Burton called a meeting of the entire student body on Tuesday, September 13, in order to deliver certain announcements that the students have heard every year since they have been going to school here and, although Mr. Burton knows that most of the students have these rules memorized, he contends that some of them must be repeated several times each year.

The announcements concerned nearly everybody in school. Library fees and their collection were called to the attention of high school students. The new students were asked to have their credits transfered so that their classification could be attended to. But the announcements that were especially moss-covered and worn by age, were those directed to the students who might want to play hookey, and to those who are rather slow in getting to school. It is the opinion of the writer that as long as the school has a few students of this class, the student body will realize the fact that repetition in announcements is essential.

Alpha Delta Psi

The Alpha Delta Psi Society year had a very promising start Thursday evening. A large group of prospective members together with old members of the Society gathered on the college campus at seven o'clock to wait for the truck which was to bear them to the river to eat watermelons.

The moon shown on the happy crowd as each person descended from the truck to hike the mile to create an appetite—a worthy one. Contests and races served to make excitment and hilaity foremost. Some admitted having over eaten just a little, but no one was unhappy.

Music issued forth from a portable Victrola and proved to be an inspiration to some who assembled on the bridge and danced under the light of the moon. This affair was a success, according to the reports of those who attended. The next meeting of the Society is to be Wednesday evening, September 14.

SENIORS CHOOSE ALFRED McMURTRY

GREAT YEAR IS LOOKED TO BY SPLENDID SENIOR ORGANIZATION

The Senior Class met the latter part of last week for the purpose of organization. Bill Greene, who was president of the Juniors last year, took charge of the meeting The following officers were elected:

Alfred McMurtry, President.
Byrum Haile, Vice-President.
Ardis Patman, Secretary-Treasurer.
Donley Darnell, Reporter.
Delbert Linders, Sergeant-at-Arms.

Delbert Linders was the only officer who was re-elected. Marjorie White, who was Secretary-Treasurer last year, reported the amount of $1.20 in the treasury.

The Seniors held another meeting on Monday, at which Alfred McMurtry presided. The purpose of this meeting was to elect pep squad leaders from the Senior Class. Contrary to the usual custom there are to be two leaders from each class, one boy and one girl. The Senior leaders are Garland Wood and Marjorie White.

All of the officers accepted their positions except Donley Darnell, Reporter. This vacancy will be filled at a class meeting to be held soon.

Bits Of WASHINGTON'S Current Comment

Special to The Clarendon News

A new generation remembers nothing concerning Mr. Dooley. He was a mythical newspaper character who, about the time of the Spanish-American War, amused the country with bits of wisdom, often stated in badly mixed metaphor. If Mr. Dooley's literary creator were still writing, he might make that notoble say that cotton is a stormy sea, on which British textile mills are forced to march. When events of the Civil War reduced the supply of the well-known staple, large portions of England were on the verge of starvation. At present, she faces a strike of cotton workers numbering two hundred thousand, or approximately one-third of the entire population of Manchester, the largest city in the territory involved. In one way or another, cotton keeps Britain anxious. England is handicapped by reason of the fact that she produces little of the raw material that supplies her manufacturing plants. This side of the Atlantic should take due notice and govern itself accordingly. The farmer should not be the last person to be considered in farming industrial legislation.

New Improvements Are In Evidence

There have been several improvements made in the school this year. In the building itself a good many changes have taken place. Some of the windows in the administration building have been washed, and the remaining ones will be in the near future. Another improvement is that the entire science department has been rebuilt and re-arranged. The library has a new Webster Dictionary which was given by the Senior Class of '31 and '32. This useful book was autograped by each member of the class. Another thing in connection with the library is that all of the books were fumigated before school started.

Not only have improvements and additions been made in a material way but two new courses have been added to the college curriculum. Biology 114 and European Government 213. Mr. Clark, head of the Science Department, will instruct the Biology students while Superintendent Burton will give lectures and instruction in Government.

Although Mr. Clark and some of his students are responsible for most of the changes and improvements in the building, yet the clean and orderly way in which the building and grounds are kept is due to the industry of the new janitor, Mr. Burkett.

It is reported that ocean fares will be raised to the old standard, because the cut of a few months ago failed to produce more passengers. In other words, business is poor and it is necessary to charge more, and thereby make it better. That sort of argument does not ring like the sound reasoning of big business, what the ship owners actually see is better times ahead. They should have been more candid, and should have passed their optimism along to others who do not have the same facilities for observation and conclusion.

The country has had to suffer a good deal of worry during the past few years, but nothing has come up to the anxiety arising out of the question as to whether or not the selected candidates will accept.

The writer of the "Hints for Motorists" column gets a lift from the news this week. If the car is stolen, it can be got rid of by leaving it on a railroad track with a fast train due, according to Maryland practice. New York City contributes a gem, in the instance of the fellow who released himself from a traffic jam by turning out and driving half a block on the side walk. In general, the motorist has to be ready for emergencies.

Japan is said to be determined to put through its Manchurian policy, regardless of what the rest of the world may say or think. Ex-Kaiser Wilhelm was of the same mind. He said once that the Hohenzollern dynasty was responsible to the Almighty alone, which sounds well, but it is our recollection that the Scriptural command also enjoins a duty toward one's neighbor. The neglected neighbors finally took Wilhelm in charge. The neighbors may prove an instrument in the hand of Omipotence for Japan's undoing.

Mexico is moving onward and upward. During a recent disturbance there, all department heads resigned. That is better than the old custom of requiring them to resign their heads.

Connecticut designates a stream in which none but women may fish, which is another step toward complete equality of the sexes. With no mere men around, mother and sister Sue stands on the same footing with dad and express their feelings in the rugged language of the fishing hole, when the biggest one gets away.

Away off somewhere, a scientist discovers traces of a civilization twenty centuries old. Coming nearer home, the United States has a startling item to offer regarding a noble race that seemed to be extinct. A "farm girl" is reported to have called on the President.

Mr. de Valera of the Irish Free State, and Mr. Cosgrave, prominent in the same country, hate each other so heartily that they speak neither to nor about each other. They must be harsh and bitter men, yet either is better fitted to hold office than a person willing to gain it through a mud-slinging campaign.

PEP SQUAD HAS 52 AT FIRST MEET

MARJORIE WHITE WILL LEAD PEPPERS DURING COMING SEASON

The first Pep Squad meeting of the year was held Monday afternoon at 3:20. Fifty-two girls and boys were present, however, the boys were greatly in the minority. It is hoped that more boys will be present at the next meeting. It was decided that Marjorie White, Senior Leader, should also be leader of the entire Pep Squad Various details of costumes were discussed, but these have not been settled definitely. It was decided that meetings would be held on Tuesday, Wednesday and Thursday of each week.

Bronchos Start Training Grind

Coaches Stocking and Hutton issued their annual call for huskies Monday afternoon and were heard by some fifty future Bronchos. As yet the boys have not donned uniforms but are working out in old clothes. The work-out consists of exercises, dummy scrimmages, passing, kicking, etc.

In a few days suits will be issued and then football training will be in full swing. Coaches Stocking and Hutton have given much of their summer vacatoin to the study of new plays which will be sure to keep the opposition guessing.

The squad of the year has increased greatly in number over that of last year and Clarendon is sure to have a championship team. Among those reporting the public will find the backfield prospects including Boles, C. Hudson, Andis, W. Hudson, A. Davis, Whitlock, B. Word, C. Word, Chamberlain, Mann, E. Watson, Goodson, P. Greene, McCrary, Bleaker, Turnbow, Holtzclaw, B. Nichols, Fronabarger. Prospective guards are: Gormon, Haile, Johnston, Clemons, Wilkerson K. Davis, Basnard, Brady. Tackles: O'Neal, Hughes, Cooke, B. Greene, Wood, Hutton, Boston, Ends: Martin, Easterling, M. Butler, S. Butler, J. Jackson, O. C. Watson, P. Smith, A. J. Smith and Linders.

Baptist Convention Dates Are Changed

The Executive Board of the Baptist General Convention of Texas meeting in Dallas, Sept. 13, voted to change the date for the meeting of the Baptist Convention from November 9 to November 16. The Convention voted last year to meet in Abilene in 1932.

Plans were completed for the raising of $600,000 for missions and benevolences by means of the Every-member Canvass Campaign now in progress among the 490,000 Baptists of Texas. Dr. J. Howard Williams, Executive Secretary of the Board, was placed in charge of the campaign, and he has appointed seventeen organizers in as many districts representing every portion of Texas.

The campaign will continue until October 30. The final week, October 23-30, is designated as pledge week, at which time every Baptist in the state will be solicited for a pledge to the $600,000 fund.

The money raised by this campaign is to be used by the Baptists for their work of missions and benevolences; every Baptist institution is to share in the funds, whether it is in Texas, in China or elsewhere. The proportion of the funds to go to each institution will be worked out at the meeting of the State Convention to be held in Abilene November 16.

WATSON HEADS CLASS OF 1934

ELERY WATSON CHOSEN TO FILL OFFICE OF VICE-PRESIDENT

On Monday, the twelfth, the Junior Class assembled to elect officers for the coming term. O. C. Watson took the office of president by a large majority. Elery Watson was elected Vice-President. Loyd Martin won over two others for secretary. The office of Treasurer was given to Evelyn Murphy. Wilma Dee Smith, now the Junior Reporter, will try to give an account of all business and social activities of the class. J. D. Holtzclaw and Isabel Wright will represent the Juniors in leading the Broncho Peppers. Several committeemen yet remain to be elected.

Whitlock Is New Sophomore President

The Sophomore Class organized on Thursday of last week. The enthusiastic students that came from the Junior High building to begin their work in the Senior High building, have lost no time in beginning their scholastic duties. For President they elected Lawrence Whitlock. Mary Travis Dyer was elected Vice-President. Carol Hudson, Secretary and Treasurer. Peggy Taylor Sergeant-at-Arms and Evelyn Stoddard Reporter.

The Faculty and Student body are glad to have with them this year Miss Marie Thornton. Miss Thornton, who is a graduate of S. M. U., has charge of the English in the Junior and Sophomore Classes.

CLARENDON NEWS

BUSINESS MAY VARY, BUT SERVICE, — NEVER

For a number of years this institution has adhered strictly to the policy that business trends and requirements might vary but that service to its customers and depositors should be maintained at a uniformly high standard. This includes: Properly trained and skilled personnel; fair and impartial treatment administered to all clients; to render unexcelled service—always; and to keep faith with customers, community and the banking profession.

INSIST ON Genuine BAYER ASPIRIN

Because ....

The Bayer Cross is not just a trade-mark, but a symbol of safety.

That name tells you it cannot depress the heart.

The tablet stamped Bayer dissolves so quickly you get instant relief from headaches or other pain.

There is no disagreeable taste or odor to tablets of Bayer manufacture; no harmful quantities of free salicylic acid to upset the stomach; no coarse particles to irritate throat or stomach.

NO TABLETS ARE GENUINE BAYER ASPIRIN WITHOUT THIS CROSS

PLAN HIGHWAY EAST OF HERE

ROAD WOULD RUN NORTH, SOUTH, PERRYTON THRU HEDLEY TO LAKEVIEW

McLEAN, Sept. 13.—The Eastern Panhandle is interested in a new north and south state highway which would run from Perryton, on the North Plains, across the Canadian river to Miami, then by way of McLean and Hedley to Lakeview, in Hall County.

It is now necessary for residents of McLean—and almost every other town along the route—to travel up to 20 miles either East or West before they can go North or South over a state improved highway.

The proposed route would give North Plains residents a direct outlet to Pampa, and then to Amarillo over State Highway No. 33. At present it is necessary fo residents of Lipscomb, Ochiltree and Hansford counties to go by way of Stinnet and Borger to reach either Amarillo or Pampa.

Although a County highway between McLean and Pampa is being improved, this city is without a state highway north and south. Lakeview, at the other end of the line, is on a paved county road, 10 miles from Memphis, but with no outlet in the direction of Clarendon to the North.

Proponents of the route claim that it would cross more east and west state highways than any other road of similar distance in the state, intersecting with 117. 33, 75 and 5, and federal highways 60 and 66.

JOSEPH S. BEATY IS BURIED HERE FRIDAY

The ranks of the old pioneers who settled this section of the state was further diminished last Wednesday when Joseph Samuel Beaty, farther of Mrs. W. A. Willie, succumbed to a lingering illness at his ranch home near Magdalena, New Mexico.

The deceased wah born near Little Rock, Arkansas, December 26, 1853. He married Miss Mary Sewell at Snyder, Texas, April 7, 1887. To this union was born one son and four daughters, the son preceeding his father in death while still an infant. Mr. Beaty leaves four daughters and six grandchildren to mourn his passing. His wife also preceeded him to the grave, having passed away some 33 years ago. He was buried by her side in the Odd Fellows Cemetery.

He was converted 33 years ago and since that time has lived a Christian life, although never becoming affiliated with any church.

Mr. Beaty was an old time cowman and southern gentleman. At one time he was issued the contract to furnish wild game for the F. W. & D. C. R. R. construction crew as the road was being built through the Panhandle. He moved to Clarendon in 1887 where he filed on the present Bairfield tract, living here until 1904 when he moved to Corona, N. M., where he made his home for 14 years. Leaving Corona he was situated at Freedonia, Arizona, where he was employed as a tourist guide in the canyon for two years before retiring on his ranch at Magdelena, N. M., where he lived until his death.

Funeral services were held at the First Baptist Church Friday afternoon with the Rev. B N. Shepherd, Pastor, conducting the last rites. Interment was made in the I. O. O. F. Cemetery.

BRAY

Cotton picking is the order of the day here. Several bales already have been ginned.

Sunday School was well attended Sunday and a large crowd at singing Sunday night.

Misses Lucille Hargis and Imogene Robinson spent Saturday night with Misses Ethel and Floy Bell.

Mr. and Mrs. Robert Thomas entertained the young folks with a musical Saturday night. Miss Edna Parrott spent Sunday visiting with Misses Lucille and Marie Hargis.

Misses Ethel Bell and Elva Dishman are attending high school at Hedley. They were home for the week end.

Mr. and Mrs. Claude Hill and son W. O. Hill were visiting in the home of their son and brother Mr. and Mrs. C. N. Hill of McLean Sunday. They went to help eat C. N.'s birthday dinner.

Miss Minnie Johnson spent Sunday with Miss Christine Hargis.

Miss Lillian Sharp has been visiting friends at Giles the past week.

Haskell Sharp and son of Ring were visiting Sunday in the home of his father.

Mrs. Lorene Watkins, Miss Otha Lamberson and Carl Atkins were callers in the home of Mr. and Mrs. A. A. Parrott Sunday afternoon.

Mr. and Mrs. Wesley Banister entertained the young people with a party Wednesday night.

Miss Thelma Styles spent Sunday visiting with Miss Lilliam Sharp.

Mr. and Mrs. Wesley Banister moved to Hedley Thursday. Wesley has accepted a position with the Westberrp Gin Company.

Mr. and Mrs. Burdine of McLean have moved into the Wesley Banister home.

Martin Banister spent Sunday in Amarillo.

Mrs. Virgil Malone is real sick at the home of her parents, Mr. and Mrs. D. N. Robinson.

Mr. and Mrs. Clarence Hill and daughter of McLean were callers in the home of Mr. and Mrs. J. C. Hill Saturday afternoon.

Mrs. W. T. Youree and son Woodvine, and daughter, Mrs. Roy Stinger, and Joe Don of Hedley and Miss Juanita Lamberson of Sunny View were callers in the home of Mr. and Mrs. J. C. Hill Thursday afternoon.

Mr. and Mrs. G. W. Antrobus returned Saturday from a delightful trip through Indiana, Ohio, and Kentucky. While in Indiana they attended the National Bible Conference at Winona. Mr. Antrobus assures us that "Good Times" will be here real soon. He says that prosperity has already returned to the people back east and that it is only a matter of a few months until it will reach us.

Mrs. Leslie Duerson left Wednesday for Jacksboro, Texas where she will visit relatives.

FRANK HEATH, Owner

WHY
Does Laundry Washing Save $$$

because Wet Wash Service is exactly what home washing gives. You pay from 50c to 60c for the average family washing.

COUNTING— soap, powder, bluing, starch, gas water, repair and depreciation on equipment, interest on investment, etc; the equivalent of this work done at home would cost approximately $1.15

It is this substantial difference in cost that is daily prompting new customers to obtain from the laundry a better quality of work for less money. It will pay you to make this comparison, and to be one of our many customers.
