

Harrison Misses Two, Wins Contest

A Lubbock entry notched first place in the third Enterprise football contest of the year last week.

W. H. Harrison of Lubbock missed only two games in coping the contest.

Three Olton entries missed only three games and two of them tied for second and third places.

Jack Fuller and Roy Long wound up in a deadlock when both their tie-breaker guesses were off three points on Muleshoe's 13-9 victory over Olton. Fuller guessed the score would be 14-7, while Long predicted it would be 13-12.

Mrs. C. H. McClure also missed only three games, but her guess of 21-7, Olton, was 18 points off on the tie-breaker and left her just out of the money.

Harrison will receive a check for \$10, while Fuller and Long will get \$5 each.

Eight others missed only four games. They were W. G. Finney, Mrs. I. B. Holt, Ronnie Dennis, Darryl Dennis, all of Olton; Mrs. Walter Bryan, of Grapevine; Cheryl Duncan, of Lubbock; and W. L. Jones and Waldo Baxter, both of Plainview.

There's still time to enter the contest for this week. It's easy, just pick up a copy of the Sept. 16 Enterprise, fill out the entry form, and leave it at one of the 18 firms which are sponsoring the event by 4 p.m. Friday.

Man Hurt In Mishap

A one-car mishap at 4:30 p.m. Sunday slightly shook up the driver, and heavily damaged his auto.

The accident occurred on the north side of Running Water Draw on Farm Road 168, just past the curve going out of the draw.

Highway Patrolman Bill An said a late model station wagon driven by Ott Lee Bray of Levelland, overturned after rounding the curve.

The car, loaded with paint, was estimated to be a total loss by Angel.

Bray was taken to Olton Community Hospital for treatment of cuts and bruises and released.

Youths Earn Certificates

The Texas State Library announced this week that six Olton students earned Texas Reading Club certificates for having read 12 or more books during the summer.

Students are Joyce Yandell, Vicki Kennedy, Steve Kennedy, Romelia Morales, Kenny Spain, and Gary Parkey.

The new autumn bookmobile schedule was also announced for this area.

The unit will be in Olton Saturday Sept. 25 from 9:45 to 11:45 a.m.

It will stop in Hart Camp Friday Sept. 25 from 1:45 to 2:30 p.m. and in Fieldton the same day from 2:45 to 3:30 p.m.

TALL COTTON---Lonnie Smith displays a cotton stalk which measures six feet from the bottom of its roots to the top. And it has exactly 195 bolls, squares and blooms on it. Lonnie, who farms five miles north and two west of Olton, said the stalk came off a 15-acre plot where soybeans had been the previous crop. Smith watered once before planting and twice afterwards. He sidressed with 100 pounds of acid. "I just wish," says Lonnie, "all my cotton were this good." The rest of his crop, while not of the six-foot variety, should give bumper yields this year, Lonnie added.

Olton Seeks Even Mark In Hale Center Clash

Olton's Mustangs seek to even their season record Friday, but one major stumbling block stands in the way of the Ponies. The stumbling block is in the form of the Hale Center Owls, the first Class A team Coach Otis Holladay's charges meet this year.

The classification change might seem like a welcome relief after three weeks of play against Class AAA ball clubs, but just "tisn't true.

SCHOOL OUT EARLY

Olton Public Schools will be dismissed at 2:30 p.m. Monday for the South Plains Fair in Lubbock. School buses will run at that time.

The Owls, whose non-conference games are all of the AA variety, lost their first game last week to highly rated Abilene, 20-18. The Owl squad outdid the Antelopes in every department but the most important, and actually scored another touchdown, only to have it nullified by a penalty.

All this without the services of twice all-district halfback J. D. Davis, who should be in shape for this week's encounter. Davis got into limited play last week, after laying out the first two ball games completely due to a knee operation this summer.

The Mustang backfield also suffered a big loss during the 13-9 loss to Muleshoe. Halfback Ricky Smith is out for the season after twisting a knee, which required surgery this week. The sophomore ball carrier

had rolled up 103 yards in nine carries to stand number three in the statistics department for the Ponies.

Coach Holladay said he felt part of the blame for the loss might rest in a change in tempo in the fourth quarter. The Ponies were running plays as fast as possible until the final period, when a slowdown was made to take up more of the clock.

He said he felt the change may have cost the Mustangs the final, winning touchdown.

Joe Priest, operating at his old quarterback post, is the leading groundgainer for Olton after three games, collecting 232 yards in 54 tries. Freshman Benny Akin is second in the department, with 158 in 18 attempts.

Following Smith are Jackie Burkhalter with 73 yards in 27 tries, and Dale DeBerry, with 72 yards in 11 carries.

Coach Holladay has been holding his squad to relatively light workouts this week, since the team suffered a rash of minor injuries in the Muleshoe game.

Since the loss of Smith, the Mustang backfield is still somewhat in doubt, but the main problem Coach Holladay sees with Hale Center is once again the weight problem.

"They outweigh us about 17 pounds a man," he said.

A big problem will be defending the Owl backfield, which boasts a 9.9 sprinter, and a quarterback who can run or throw.

Buddy Duke is the speedster for the squad, and Don Townsen passed five for five in the Abilene contest.

Add to that the possibility of Davis returning at halfback, and either 175-pound Leroy Taylor, or 190-pound Marvin Wilson at the fullback position, and you have a tough combination for any club to keep up with.

Top that with a total of nine returning offensive and eight defensive starters, and you have an idea of the problem for the Mustangs.

Farmers Want Sun After 2-Inch Rains

Grain Harvest Ready To Resume

The Olton area escaped torrential downpours received further south over the weekend but a welcome 1.5 inches of rain did fall on near-harvest crops.

The rains Saturday did cause one mishap involving Olton residents. An ambulance from Parsons Funeral Home, carrying a heart patient, Mrs. Jettie Lawson, slid off the road west of Shallowater and hit a culvert.

Result of the mishap was only a ruined tire and wheel, but Mrs. Lawson had to be transferred to a Lubbock police car to be taken to University Hospital and Clinic in Lubbock.

The accident occurred during a blinding downpour about 7:20 p.m.

Otherwise, results of the three-day rain were welcomed by nearly everyone.

Grain elevator operators in the area were not alarmed about the possible harm to the upcoming grain harvest due to extra moisture.

All elevator managers contacted said the rain had stopped what cutting was in process, but all said no falling grain or heavy washing had been reported.

One benefit from the precipitation may be faster maturity and better thrashing of grain.

Some farmers started test cutting of grain Wednesday, but any heavy cutting was not expected to begin until Friday.

Other farmers said the rain might help cotton which did not receive quite enough irrigation water during the last part of the summer.

The almost unanimous wish was for completely dry and warm weather until frost.

The happiest group after the rain were those who had completed planting wheat. Moisture was expected to help the grain get off to its best start in several years.

Gins reported no activity was hindered because of the rain, since none was in progress.

But one farmer, Frank Struve, did manage to bring in the first bale to the Circle Gin Thursday before the rains halted any other attempts at harvest.

Heaviest rains seemed to be east of town, although there was little difference in any one area.

On the Sam Kendall farm, five miles south and one east of town, "at least three inches" was reported. Feed was unhurt by the downpour, and cotton was measurably helped.

"The cotton was throwing some bolls because of lack of moisture," said Kendall, but the rain halted the loss. "We still need a week or two of sunshine for cotton and feed," he continued.

He said cotton harvesting wouldn't begin until after frost, since he didn't plan to defoliate.

Northwest of town on the Mitch Haddad farm, roughly two inches of rain fell. Mrs. Haddad said the rain would especially help pasture grass on the place, and other crops were generally unaffected by the water.

Cotton on the farm is beginning to open, but it appeared not to be opened enough to hurt. A few handpulled bales seem to be in the picture, but frost again will be the main defoliating agent on the Haddad farm.

"Quite a bit of rain" was reported on the J. S. Nicholas farm southeast of town. Since no gauge was available on the Nicholas place, an exact amount of rain was not available.

Faster ripening grain was one result of the rain seen on the Nicholas place. Cutting of grain appears to be about another week away, if weather warms up and sunshine holds out.

About 2 1/2 inches of rain was measured on the Glen Peterson farm northeast of town. Harvesting was just set to begin on the Peterson farm, when it was temporarily halted by the rain.

Mrs. Peterson said, "Cotton looks real good, and the rain probably will help it, since it needed just a little more."

On the Bobby Copeland farm near Halfway, milo harvesting was about half completed, and operations were set to begin again today.

Copeland said the rain didn't hurt cotton, and possibly will help it. "If it dries up and it doesn't rain any more."

BUY A BROOM!

Olton Lions Club has scheduled its annual broom sale for Tuesday, Sept. 28, at 4 p.m. Proceeds of the event go to help the blind and to boost local Lions activities. Four teams of Lions will canvass the town--homes and businesses--Tuesday afternoon.

QB Club To Buy Mustang Blazers

Olton High School athletics--girls and boys--soon will be going to out-of-town games in style.

Olton Quarterback Club has agreed to purchase "blazers" --sports coats--for use by members of traveling squads representing Olton in all sports.

Other towns will know when the "Big Blue" are in town, because the blazers will be a bright, royal blue, complete with Mustang emblem.

Members of the girls basketball team already have made arrangements for their own blazers for the coming year, but the Quarterback Club will furnish them in the future.

The club has ordered 35 blazers for the boys and coaches of the Mustang football squad.

It is hoped that the blazers will arrive in time for use by the team when it travels to Abilene Oct. 22.

Many other schools of Olton's size have been providing such blazers for their teams the past few years, and QB Club members here feel the coats will be an impressive addition for Olton teams.

The blazers will be paid for with the proceeds from a fund-raising project in which the club will give away a color television set.

The color television will be given away at the football banquet, which will be held in December this year.

Additional information on the project may be obtained from any member of the Quarterback Club.

Choice Plan Brings 6 School Transfers

With Wednesday as the deadline for school transfer under Olton's integration plan, Supt. Ray Schultz reported six transfers here.

This includes one Negro student from Springlake transferring into the second grade at H. P. Webb Elementary and five Latin American students transferring from H. P. Webb to Bohnert. There were no transfers from Bohnert.

Two of the Latin American students entering Bohnert are in the fifth grade, with one each

in the first, third and fourth.

Olton High School also has two Negro students enrolled this year and one is enrolled in the special education class at H. P. Webb.

School officials recently sent letters to the parents of all school children explaining that students may attend the city school of their choice.

Schultz also noted that all requirements have now been met and the local desegregation plan has been federally approved. Schools will be checked again in the spring, according to Schultz.

Please Burn Your Trash, City Asks

Please burn your trash! That urgent appeal to all Olton residents came this week from "Dub" Williamson, city water superintendent.

Williamson explained that many residents are letting trash stack up in their barrels rather than burning it.

"We are getting over town with the trash truck once each week, but we could do it faster if residents would burn more of it," he said.

"As it is," he added, "our truck fills up much quicker than it should and we don't get around as fast as we'd like."

Besides, Williamson said, when residents don't burn their trash, their barrels fill up and some trash blows away and creates unsightly appearances.

When trash is burned, the fly problem is less and so are other sanitation problems, he added.

Water Bills Up Nov. 1

First bills under the new city water rate will be mailed Nov. 1, rather than Oct. 1, as previously reported.

New rates, \$1 higher than before, went into effect Monday.

PTA COFFEE---Get acquainted PTA coffees got underway here Monday morning with the first grade mothers and teachers. Second grade was held Tuesday, third grade met Wednesday and fourth grade was held this morning. Fifth grade will hold a coffee tomorrow morning with junior high set Monday and high school scheduled Tuesday.

MARRY EARLY, HITCHED LONGER

County Is 'Marriage-Minded'

Lamb County is a marriage-minded community. The records show that local residents marry early and stay married longer than people in most parts of the country. By the same token, the proportion of divorced men and women in the local population is below average.

According to the latest Department of Commerce figures, approximately 73 per cent of the Lamb County residents over age 14 are married and living together in normal husband-wife relationships.

By way of comparison, 66 per cent in other sections of the United States are in husband-wife households and 68 per cent in Texas.

Why is it that marriage is on a sounder, longer-lasting foundation with some couples than with others? One explanation has to do with money. A University of Michigan study, covering some 900 families, reveals that financial problems affect more marriages than any other category of disagreement.

This is so, it appears, even though financial security is not the most sought-after aspect of marriage.

A most-valued one, from the wives' standpoint, is companionship in leisure-time activities. They rate it above standard of living and most other benefits.

Although family breakdown is termed the number one social trouble in the United States by the Family Service Association of America, it is somewhat less so in Lamb County.

Locally, there are fewer divorced people, in proportion to population, than in most communities.

The figures show that 30 out of every 1,000 local residents above age 14 are divorced or separated. This does not include those who remarried after having been divorced.

The rate is a better one than in the rest of the United States where it amounts to 42 per 1,000. In Texas it is 46 per 1,000.

The net result of marital breakups in the United States, whether caused by divorce, death or separation, is that 4.9 million families, or 1 out of every 10, are now husband-less and are headed by women.

Half of these women are widows. Another one-third are separated or divorced.

National 4-H Club Week

Whatever you're doing and wherever you live—during the week of Sept. 25 through Oct. 2—you should give attention, interest and support to an observance that will take place at that time. It is National 4-H Club Week.

It would be difficult to praise the 4-H movement too highly. Because of it, great numbers of boys and girls are helped to learn the fundamentals of farming—and farming, in these days, is a combination of business, art and craft. The ancient virtues that are an implicit element in land and nature are combined with the technology of today.

We live in an increasingly urbanized

society. Inevitable as that may be, a very great deal of the strength and the character of this nation is found in the rural side of its life. The land, and those who work the land, feed and clothe and sustain us. And there, away from the congested cities with all their problems, is the strongly beating heart of America.

There are no juvenile delinquents in the ranks of 4-H. They carry on those traditions—pride of purpose, fair dealing, independence, consideration for others—that are so vital to that heartbeat.

DOWN MEMORY LANE

FIVE AND TEN YEARS AGO IN OLTON

FIVE YEARS AGO IN OLTON

Olton's 80-block paving project, given the green light at the polls last Saturday, probably will move into construction stages next February.

Percy Parsons of Olton this week was named president of the Lamb County unit of the American Cancer Society. He succeeds Jim Baxter, who recently moved from Littlefield.

One of the highlights of Olton High School's homecoming Friday, Sept. 30 will be a parade at 3 p.m. in downtown Olton. Marching in the parade will be the Cadet and Mustang High School Bands.

The Texas Employment Commission has opened a farm office at Fitts & Townsend Machine Co. here. T. R. Jewell Jr., Littlefield area office manager, announced Charles F. Barter has been appointed to operate the Olton farm office.

"Dub" Hall, president of the Band Boosters, has announced that the first band parents' meeting of the year will be held Monday at the high school auditorium.

A traveling bowling team sponsored by Olton Delinting Plant took top honors Sept. 11 when it played the Lamb Bowl team of Littlefield and a traveling team from Levelland.

Winners of the Scotch Foursome tournament held recently at ORC have been announced. Low-gross winners were Mrs. Robert Edwards and Mrs. Gilbert Robertson with Mrs. Owen Norfleet and Mrs. Ray Copeland placing as runners-up.

TEN YEARS AGO IN OLTON

James Couch brought in the first load of milo of the season to Ben F. Smith Grain Company last week. The load weighed 11,680 pounds, and tested 12.29. It was from a patch of dry land milo about 7 miles east of Olton.

Fresh from a 20-0 win over Morton last week, Olton's Mustangs will be looking for win no. 2 when they tangle with the Slaton Tigers at 8 p.m. this Friday in Olton Memorial Stadium.

Olton is among the hundreds of Texas high schools whose athletic district alignment is affected by a Texas Interscholastic League reshuffling job that will go into effect for the next school year. For 1956-57, Mustang athletic teams will compete in District 1-AA.

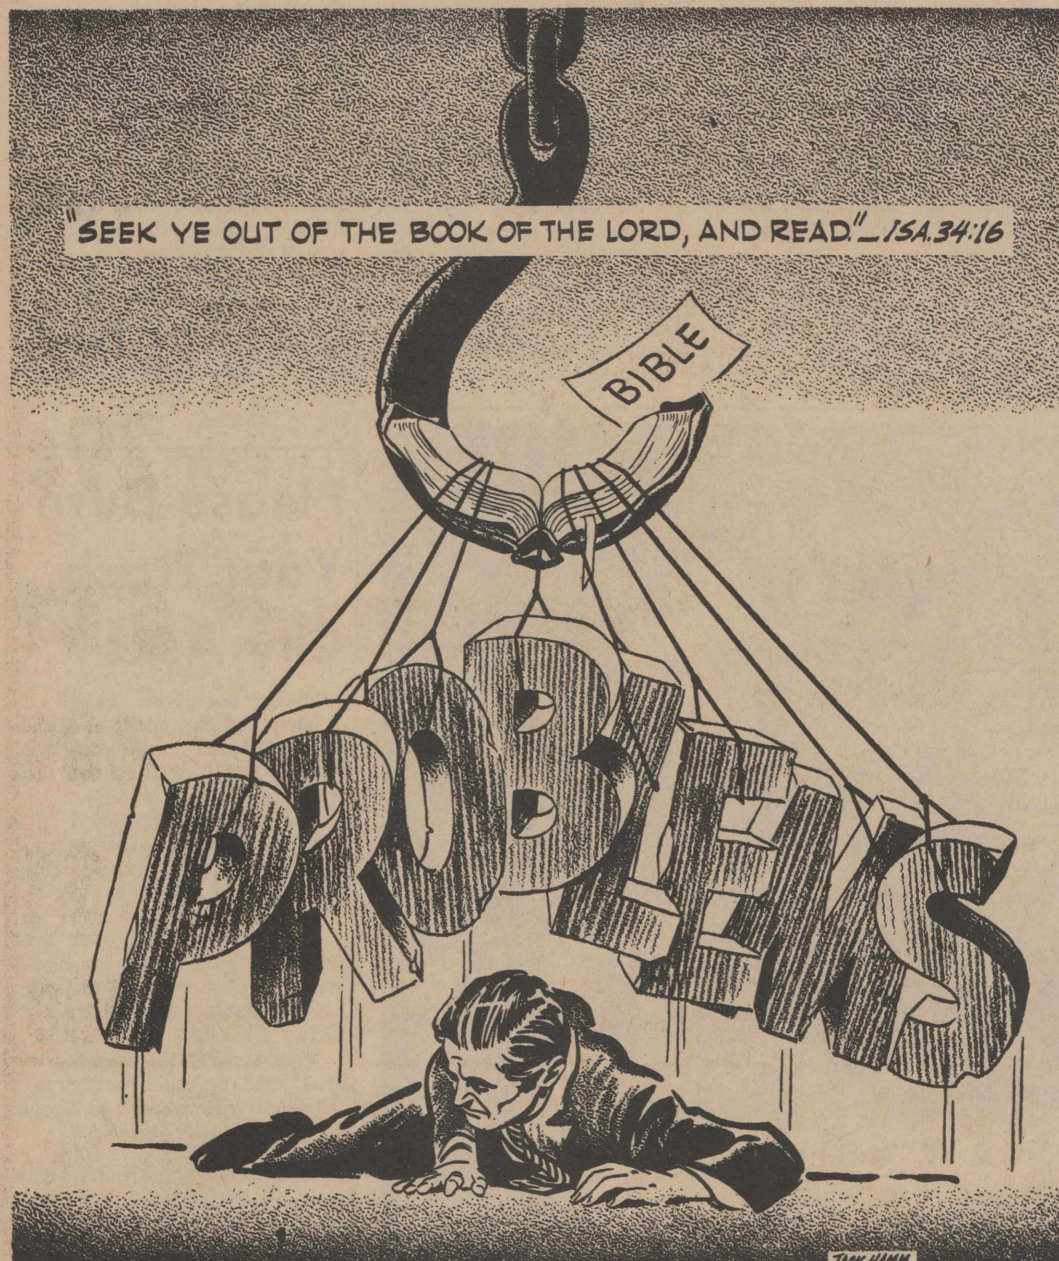

Jack Thomas took in Circle Gin Company's first bale Monday afternoon. Thomas took in a load of 1930 pounds of seed cotton. It gained 537 pounds of lint.

Olton Quarterback Club 1955 membership rose to 33 Monday night with the addition of five new members. They are Lauls Hair, D. L. Glens, Luie Cross, George Kidd and W. L. Bennett.

The Olton FFA Chapter will be host tonight to a district organization meeting for the Future Farmers of America. Representatives from approximately a dozen area FFA chapters are expected to attend.

This area has had two major tragedies in the past two weeks involving children and drivers who had neither drivers license nor liability insurance.

COW POKES

By Ace Reid

"I wuz told they paid \$80 a week here, but nobody told me I'd hafta work 16 hours a day fer it."

THE WALTER BRYANS—who had their ups and downs during five years of football coaching here—are on Easy Street in Grapevine.

At least, that's their address, 1040 Easy Street. Shirley entered our football contest last week and almost came out a winner. She missed only four games.

One of the ones she picked right was Muleshoe's victory over Olton. She guessed it 7-6.

I remember getting entries from Shirley right along in other years, and as far as I know, that's the first time she ever picked somebody over the Mustangs.

And I could tell she still was loyal to the Ponies by the fact that there was a faint outline left where she had originally picked Olton by 21-20, then changed her mind and erased it.

Mr. Bill Turner
Olton Enterprise
Olton, Texas

Dear Bill:

I just want you to know of my deep gratitude for the support which your outstanding newspaper gave to our recent Attorney General's Youth Conference on Crime.

As you know, more than 1,600 young people from all over Tex-

as came to Austin to study the problem of juvenile crime in this State, and to recommend ways in which this alarming rise could be halted. Their behavior while in Austin was completely beyond reproach, and they rendered valuable service to their State in carrying out these important responsibilities.

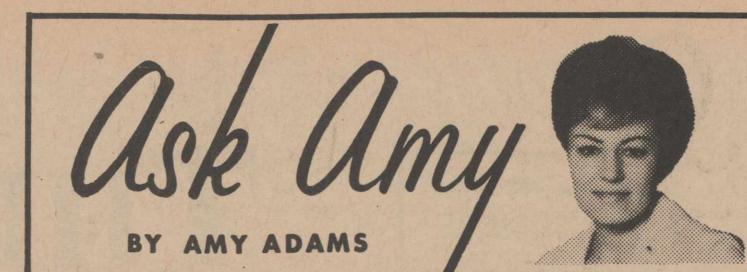

Your local delegation played a large role in these proceedings, and it was a great honor to meet and become associated with them. I hope that all of your area citizens will continue to support these delegates as they begin to implement these ideas gained at the State Conference, at the local level. Again, my thanks to you for your help.

Yours very truly

RETURN FROM VACATION

Mr. and Mrs. H. B. Carson returned home last week after a 10-day vacation. They visited with his aunt and her niece in Phoenix, Ariz., with her sister and family in Parker, Ariz., and with her brother and family in Los Angeles, Calif.

LETTERS TO THE EDITOR

THERE'S AN ART TO LETTER WRITING

Dear Amy:

I have been going out with this boy for about a year. He went into the navy about 11 weeks ago. Here's my problem: When he went away he told me he would write to me. Well he does and I write to him almost every night. In the letters I write to him, I ask him a lot of questions. Some of the questions mean a lot to me but some of them are just ordinary and I wouldn't ask them if I didn't want him to answer them. But he doesn't answer them! Why? That's my silly sob story, and I hope you won't think it's too stupid to answer.

I don't know what is wrong with her. I don't fight with her. I don't drink or gamble and I don't go any place. Being a paint contractor for 45 years, I have been in plenty of women's homes. They have made me all kinds of offers, but I don't want to cheat on her. I think I have waited long enough. Don't you! Can you tell me what to do? Just sign me . . .

A Painter

Dear Painter:
To tell you the unvarnished truth, you have been getting the brush-off! If she is not sharing your bed, what's stopping you from sharing her's?

Cindy

Dear Amy:

My problem is the oldest of all times . . . my mother-in-law. When I was married 16 years ago, she was a lovely person. Now she is a trouble maker. She visits all 4 of her children without being invited. These visits last for 3 to 4 weeks. And she fights all the time. When she's in my house, she never stops degrading the others. She expects us (unemployed for 5 weeks with 4 small children) to keep her in cigarettes (2 packs a day) and take her out every few days.

She doesn't help one single bit around the house — other than keeping all the coffee cups dirty and the ash trays a mess. I am a quiet, easy going type of person. So is my husband. We don't like a lot of noise and disagreements. What can I do with her? (My brother-in-law ran her out of his house 3 days ago.) I'm sure she needs a doctor!

I'll do whatever you say. Even if you say for me to shoot myself . . . there's no other way out! (But, Amy, my dear husband and children need me.)

Sick and Disgusted

Dear Disgusted:
There's no quick remedy for a troublesome mother-in-law. But if she has worn your hospitality (and the budget) thin, it's up to friend hubby to tell her to leave . . . permanently, until she mends her ways!

Tech Takes On Texas

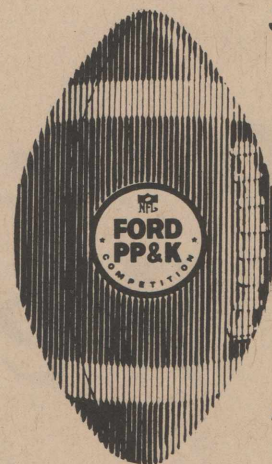

LUBBOCK-Texas Tech, with a "first" under its belt, tries for an almost unprecedented victory over University of Texas at Austin Saturday night. Last week's 26-7 win over Kansas was halted after 56 seconds of play in the fourth period by referee Harold Matthews because of a tornado alert, strong winds, and heavy rain. No one argued with that decision, especially the remnants of the 35,300 fans who witnessed the opening kickoff.

It was the first time for a Southwest Conference team to have a game called by weather. Likely, it was a national first. Texas Tech does have one decision over Texas, a 20-14 win at Austin in 1955. The Longhorns have won 13 times. Last year the score was 23-0.

Coach J. T. King's Red Raiders will be missing the services of defensive tackle Bill Adams of Hobbs, N.M., who has a knee injury. Adams last week replaced Ronnie Pack of Odessa, who, it's hoped can play against Texas.

National 4-H Club Week Slated Sept. 25-Oct. 2

Texas' 87,000 4-H Club members will join other 4-H'ers throughout the nation in the observance of National 4-H Week, Sept. 25-Oct. 2, reports R. L. Hunt Jr., assistant state 4-H leader, Texas A&M University. 4-H is "learning by doing". In the awards program in Texas many projects and demonstrations are offered. To win an award a 4-H'er completes a project and enters his record book or a 4-H'er or 4-H team may work up demonstrations for contests in local, county, or district competition. A winner at district in the senior division advances to State Round-up and from there he may win a trip to the National 4-H Awards Program or National Congress.

Some of the most common projects are beef, swine, lambs, foods-nutrition, dress revue, and electricity. Subject matter less familiar are rifle contest, share-the-fun, public speaking, field crops, leadership, gardening, entomology, safety, citizenship, dog care and training, home and community improvement, and many others.

Each year two of the money raising projects used by the Olton 4-H Club to help carry on their club work are sponsoring the concession stands at the lamb sale in the spring and at

the swine sale in the fall. Part of the money raised is used for a community project. At least one community project is completed by the club each year.

July 27 the Olton 4-H Club attended the Lamb County 4-H Rally Day at Crescent Park in Littlefield. One hundred seventy-one 4-H members and leaders attended and enjoyed games, picnic supper, swimming, and a vesper service. There are approximately 60 boys and girls enrolled in the Olton 4-H Club. Of this group 36 have completed records for this year.

Club meetings are held at the Legion Hut on the second Thursday night of each month at 7:30 p.m.

Theme for the upcoming week will be "Learning for Living." The 4-H members will be joined in the observance by their junior and adult 4-H leaders, their friends and extension workers. The "head - heart - hands - health" organization is supervised in the counties by the county Extension agents and is the junior phase of the Cooperative Extension Service's educational programs.

Objectives of the week are to influence more young people to join or form 4-H Clubs; to ac-

Area Masons Will Meet

A workshop has been scheduled for officers and members of Masonic Lodges in this area at 8 p.m., Sept. 30. The meeting will be held in the Masonic Hall in Sudan. Officers of Littlefield, Muleshoe, Olton, Earth and Sudan Lodges are especially invited.

The workshop is part of a statewide, semi-annual program authorized by the Grand Master of Masons in Texas, J. Carroll Hinsley of Austin. The program is conducted for nearly 1,000 Texas Masonic Lodges with a membership of 250,000 men. The Masonic Order is the state's largest fraternal organization.

The purpose of the workshop is to enable Masons to study common problems of Masonic Lodges and their operations. The workshop will be conducted by L. B. Montgomery of Littlefield, who is chairman of Masonic Workshop Area E-7.

quaint more parents with 4-H and seek their cooperation; to encourage a larger number of capable men and women to become volunteer 4-H leaders; to increase public understanding of 4-H programs and activities; and to recognize and express appreciation for the contributions made to 4-H by friends and those who give support to the organization.

In his greetings to all 4-H Club members, President Johnson said, "Your aims are directly in line with our Nation's goals to achieve fuller and better living for all. You will surely benefit, as will others, from your efforts to explore career opportunities and seek needed education, to practice healthful living, to use constructively your leisure time, and to strengthen your personal standards and citizenship ideals."

Miss Sluder Takes Position

Miss Essie Dianna Sluder has accepted a position as private secretary to Dr. James P. Cornette, president of West Texas State University.

She is the daughter of Mr. and Mrs. Tom Sluder of Olton.

Miss Sluder was born in Olton and attended public schools here 12 years, graduating in 1957. She received her degree in secretarial science from West Texas State in 1959 and worked at the college in the business office for a year after graduation.

Miss Sluder has been employed by Shamrock Gas and Oil for the past four and a half years and was private secretary to Ray C. Johnson, advisory lawyer to Shamrock.

She is active in the state Legal Secretary Organization and serves as secretary to the Amarillo chapter.

MEAT CASSEROLE

Heat in skillet over medium heat:

1 T. butter or margarine
Add and brown:
1 lb. ground lean beef

Remove meat and add to fat remaining in skillet:

1 tsp. butter or margarine

Add and cook until soft:
3 pieces celery, chopped
1 large onion, chopped
1 green pepper, chopped

Stir in:

1 can (10 1/2-oz) cream of mushroom soup
1/2 c. water
1/2 tsp. salt
dash pepper
brown meat

Pour into 2 1/2 qt. casserole and cover and bake at 325 Degrees F 30 minutes. Sprinkle with 1 can (3 oz.) chow-mein noodles. Continue baking 10 minutes. Makes 6 to 8 servings.

SLICED GREEN BEAN SALAD
5 round red radishes (sliced)
3 pieces of celery (chopped)
1 medium size cucumber (chop)
1/2 c. American Cheese (chop)
1 small can or jar of pimientos (chopped)
6 medium pods of Hot Pickled Okra (sliced)
2 T. Best Maid Hot Relish
2 T. Golden Italian Dressing

Combine the above in a large bowl, when mixed well, carefully fold in sliced green beans. Let set for a short time. Then pour dressing around over this. Slice an onion, separate and lay the rings over the top and it's ready to serve.

Local Artist Receives Honors

Mrs. Peggy Pendergrass is among 15 artists chosen from a field of over 200 selected to be shown in the South Plains Circuit Show. The selection was made by the Lubbock Art Association Saturday.

Mrs. Pendergrass' painting which was selected for the showing was a watercolor landscape entitled "Metapa".

The South Plains Circuit Show can be seen at the South Plains Fair in Lubbock which begins Monday, and will also be in Olton in January.

This is the sixth award Mrs. Pendergrass has won in the past two years. In 1963, she won her first award the third time she entered competition. That award was won with a watercolor titled "Mountain", and was won at the First Regional Democratic Women's Competition in Dimmitt. The painting was sent to the state competition as part of a traveling exhibition made up of regional winners.

Later that year, another watercolor, "Winter Evening," won a place on the South Plains Circuit Show.

In the spring of 1963 another watercolor, "Fire on the Mountain" won the third place in the Plains Art Exhibit at Plainview.

She won first and second honorable mention at the Second Regional Democratic Women's Competition at Dimmitt last year with an oil painting titled "Gothic Orchard" and another oil, "Apples".

She has been invited to show her work at the Gallery at Muleshoe and the Singing Hills Gallery at Brownwood.

Mrs. Blanton Martin attended a WMU Planning Meeting at the Baptist Church in Springlake Tuesday morning.

Visitors Sunday morning at the Baptist Church for the services were Mrs. L. C. Sansom of Rochelle and Mrs. Louis Ball.

Mr. and Mrs. H. V. Lynch are spending most of their time in Lubbock at the bedside of his father, V. T. Lynch, who is seriously ill in the University Hospital.

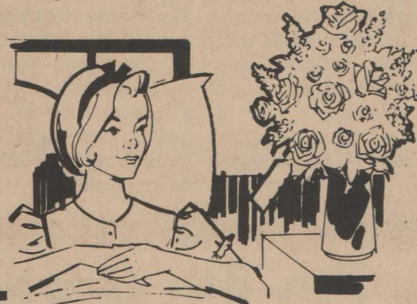

Lightning struck the Johnny Talburt house last Monday morning during a rain storm. It struck a drainage pipe in the utility room and set fire under the floor. The Littlefield Fire Department was called but the fire had been extinguished when the fire truck arrived.

Olton

ACROSS THE COUNTY LINE

BY MRS. C. D. TANNER

Mr. and Mrs. Weldon Daniel returned home Saturday night, Sept. 18 from a three-week trip. They caught the Santa Fe Train at Clovis, N.M. for San Francisco, Calif. Then they took the Southern Pacific to Portland, Oregon, changing there to the Union Pacific going on to Tacoma, Wash. to visit with their daughter, Evelyn, a graduate of the Olton Schools and her husband, Richard Cope.

While in the northwest, Mr. and Mrs. Daniel went sight seeing to Mt. Rainier National Park; Fort Nisqually; Point Defiance Park; McChord Air Force Base; where their son-in-law is stationed; army camp Fort Lewis; then down the Columbia River to Long Beach, Wash. Here they saw the ocean waves and waded on the edge, picked over the drift wood and other debris washed ashore by the tide and around an old time lighthouse.

They visited old friends and relatives in Clovis, N.M.; Tacoma, Silver Dale, and Cathlamet, Wash. Among those visited were several former residents of the Olton community. Mr. and Mrs. Ernest Parris of Silver Dale, Wash.; Mr. and Mrs. Luther Parris of Clovis, N.M.; and Mr. and Mrs. A. L. Laber of Tacoma, Wash. Mrs. Laber is the former Thelma Criswell.

Students who have entered Texas Tech for the fall semester from this vicinity are Ricky Skelton, Don Sopher, Jerry LaFrance, Mary Roberts and Lindy Ray, freshmen; Dale Amerson, sophomore; Larry Fancher and George Phillips, juniors; and Mr. and Mrs. Jack Witten. Jack is a senior.

Ilona Tanner, junior and Lavana Long, senior, have returned to West Texas State University.

Mr. and Mrs. L. M. Alexander spent the weekend in the homes of her brothers, Mr. and Mrs. Robert Eden and Mr. and Mrs. C. B. Eden of Bovina.

Guests in the R. H. Allen Jr. home Sunday were Mrs. Allen's parents, Mr. and Mrs. Clyde Beckham of Lubbock; her great aunt, Mrs. Ed Lander of Pineville, Ore.; her uncle, and aunt, Mr. and Mrs. J. M. Reed of Harrison, Ark., and cousins, Mr. and Mrs. Morris Reed of Hale Center.

R. H. Allen Jr. and Mike attended the Texas Tech vs. Kansas football game at Jones Stadium Saturday night.

Visiting in the home of Mr. and Mrs. Wendell Breland and children this weekend were, on Saturday, Mrs. Breland's uncle, Floyd Lebow of Abilene and on Sunday, Mr. and Mrs. Perry Whisenhunt of Lubbock.

Mr. and Mrs. Harris Copeland and Eudell of Odessa visited several days with Mr. and Mrs. Roy Roberts, Carl and Mrs. Cassie Copeland.

Mr. and Mrs. Roy Neal Jones of Tulsa visited her parents, Mr. and Mrs. Tom Critchfield, Sunday and attended Church at Valley View. The Critchfield's other daughter and her husband, Mr. and Mrs. Joe Eblevin of Littlefield, also visited in their home Sunday.

Mrs. Marcus Breland and Mrs. J. D. Lancaster flew to Galveston Wednesday where Mrs. Breland received a medical check-up at John Sealy. While there, the ladies visited a patient, Mrs. Betty Steele of Olton. Graydon Fincher was released as a patient and Mr. and Mrs. Fincher returned home with them. They started their flight home Friday, but were weathered in at Abilene. They arrived home Saturday afternoon.

Guests in the James A. Johnson home the early part of last week were her brother and wife, Mr. and Mrs. Hubert Cowan of Grand Junction, Colo. Then Johnson's brother and wife, Mr. and Mrs. Alvin Johnson of Fishomingo, Okla. spent the weekend with them.

Tuesday night Mr. and Mrs. James A. Johnson, Olton; Mr. and Mrs. Hubert Cowan, Grand Junction, Colo. and Mr. and Mrs. P. S. Cowan, Littlefield; attended a family get-together and fish fry in the home of Mr. and Mrs. A. M. Cowan of Fieldton.

Mrs. Gary Johnson of Lubbock spent the weekend with her husband's parents, Mr. and Mrs. Joe A. Johnson, while Gary made a business trip to Carlsbad, N.M.

The Perry family reunion was held at the clubhouse at Candyland Park in Lubbock, Sept. 19. Those attending were Mr. and Mrs. W. C. Perry and family, Dallas; Mr. and Mrs. B. K. Perry and family, Mr. and Mrs. J. O. Edwards and family, and Mr. and Mrs. Herman Edwards and family, Amarillo; Mr. and Mrs. Hugh Alexander Jr. and family, Earle; Mr. and Mrs. Grady Sorley and family,

Bovina; Mr. and Mrs. Tom Perry Jr., and family, and Mr. and Mrs. Mike Provasco and family, Lubbock; and Mr. and Mrs. Ernest Jones, Olton.

Mr. and Mrs. Grady Sorley, Debra, Phillip and Kenneth of Bovina spent Saturday night in the home of Mrs. Sorley's parents, Mr. and Mrs. Ernest Jones.

Guests in the Tom Bostick home Sunday were Mr. and Mrs. Bert Cox of Hart and Mr. and Mrs. Vernon Bostick.

Mr. and Mrs. Vernon Bostick returned Tuesday from a vacation at Buckeye, Mo. They also visited his sister, Mrs. Ann Burroughs, in Dallas.

Guests in the J. R. Youngquist home Sunday were Mr. and Mrs. B. A. Honey of Plainview.

Mr. and Mrs. Earnest LaFrance returned Friday from a two-week stay in Truth or Consequences, N.M.

Sunday, Mrs. Dewey Hukill and Kregg of Lubbock and Mrs. Harlan Carson, Kandi, and Kody visited Mrs. Hukill's parents, Mr. and Mrs. Earnest LaFrance.

Mr. and Mrs. D. L. Harmon and Eddie vacationed 10 days in Bernie and Poplar Bluff, Mo. visiting their relatives. They also visited Mr. and Mrs. Freddie Raggo and family, former residents of Halfway, near Booneville, Ark.

The Olton 4-H Club is trying to bring the activities of 4-H Club members to the attention of boys and girls between the ages of nine (9) and nineteen (19) and their parents and other interested adults throughout the community and invite them to participate.

Mr. and Mrs. Raymond Skelton and her niece, Judy Windley, returned Thursday from an eight-day vacation. They went to Amarillo and booked flight to San Francisco for Miss Windley's return trip to Australia the last of September. Then they visited Skelton's sister and family, Mr. and Mrs. J. G. Vaughn in Crowell; his mother, Mrs. D. H. Skelton, and brother, Clifton Skelton in Vernon; and then went to Waller and Houston where they visited Skelton's niece and husband, Mr. and Mrs. Harvey Smith, on a ranch where registered show cattle are raised.

The article notes: "Her collection of cookbooks is a ready source of information when she indulges in her favorite hobby—trying new recipes. These talents arouse applause from Dave (her husband) and daughters, Kristi, age 8, Kelly, age 7, and Shari, 2."

This fall, Mrs. Sweigart will also be busy establishing her family in a new home there in College Lakes.

LaNELDA SWEIGART

Story Features Former Oltonite

LaNelda Sweigart, daughter of Mr. and Mrs. David Maxey, of Olton, was recently featured in an article in a publication at Pope Air Force Base, Fayetteville, N.C.

Mrs. Sweigart, head of the special projects committee, was described as a "busy, clever and imaginative" worker "who has given her time and energies so willingly...during the past years."

The former Oltonite arrived at Pope in November of 1960 and her activities have included co-chairman of a 1963 Winter Wonderland Ball Decorating Committee and Ways and Means Chairman for 1964-65.

"Her outstanding jobs in each capacity are well known," the article states. As special projects chairman, she will be in charge of a December bazaar and a special spring project.

Arts and crafts are also high among Mrs. Sweigart's interests and accomplishments. She does oil, water and tempera painting in addition to ceramics and Dresden. She participates in the Wives' Club Chorus and finds time to enjoy bridge, water skiing and bowling.

The family of Tommy L. Moore, would like to express our appreciation to the doctors and nurses who cared for him during his illness, and to every one who sent cards and flowers at the time of his death.

Frank Fancher Services Held

Frank Fancher, 38, of Long Beach, Calif., died Sept. 16 following a heart attack suffered while he was playing golf. Funeral services were held Sept. 20.

He is survived by his wife, Joyce; one daughter, Tracy, of the home; and his mother, Mrs. Lucille Fancher of Pasadena, Calif. He is a nephew of Mrs. Ira Foster and Mrs. Ray Culwell.

W. H. Wheeler Services Held

Funeral services for W. H. Wheeler, 82, May, Texas, were held Tuesday at 3 p.m. in Higginbotham Funeral Home in Rising Star.

Wheeler, a brother of J. A. Wheeler of Olton, died Monday after a long illness.

Attending from Olton were Mr. and Mrs. J. A. Wheeler and T. B. Wheeler.

T. L. Moore Services Held

Funeral services were held Sept. 18 at 3 p.m. in the First Baptist Church for Tommie Lee Moore, who died Sept. 17. Services were conducted by the Rev. R. H. Campbell and the Rev. John E. Lewis.

He was born June 23, 1906 at Salina. He moved to Olton from Haskell County.

Burial was in Olton Cemetery under direction of Parsons Funeral Home.

Survivors are his mother, Mrs. Annie Moore, Olton; two sons, Johnny of Amarillo and Doyle of Fort Worth; three daughters, Mrs. Donnell Looney, both of Farmington, N.M.; and Mrs. Melba Murphy, Pawnee, Okla.; one brother, Hubbard Moore, Olton; one sister, Mrs. Tempe Doggett, Olton; and seven grandchildren.

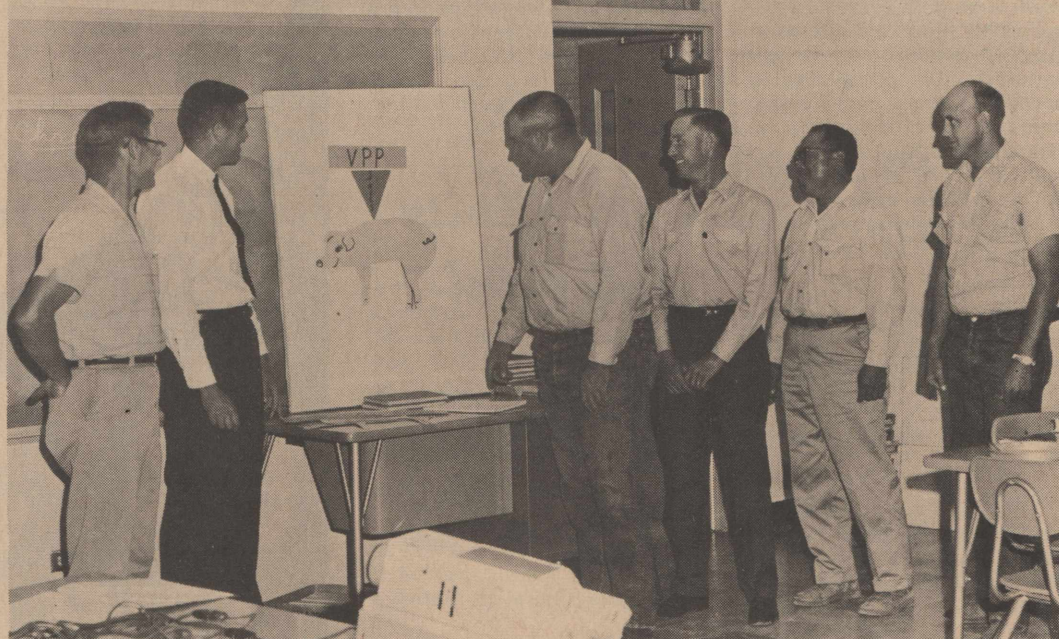

Palbearers were Clifford Carlisle, Bob Ball, Eddie Moore, Robert Edwards, Bill Nichols and Frank Daugherty.

CARD OF THANKS

We, the family of Tommy L. Moore, would like to express our appreciation to the doctors and nurses who cared for him during his illness, and to every one who sent cards and flowers at the time of his death.

May God bless each of you.

A GROUP OF OLTON swine breeders look on as Joe Tocquigny, swine specialist from the department of animal science at Texas A&M lectures during a five-day short course being held at the Olton High vocational building this week. Final session of the short course is Friday night at 7:30.

Field Day Attendance At 6,500

A record breaking attendance of 6,500 turned out for the 9th annual field day of the High Plains Research Foundation.

Four foreign countries and 18 states and Washington, D.C. were represented at the field day. Forty-five out-of-state communities and 154 Texas communities were included in the registration. Foreign countries represented were Portugal, Turkey, Pakistan and Iran.

Attendance was the largest in the 9 years history of the field days at the Foundation's research farm at Halfway.

The highlight of the day was the announcement of the new short-season soybean named Patterson in honor of Virgil Patterson, vice-chairman of the Foundation's board of trustees and chairman of the board of the First National Bank in Amarillo.

The new Patterson soybean will be available for release to farmers after harvest this year. It is of especial interest to farmers in the North Plains as a second crop with harvest early enough to permit planting of wheat and as a catch crop in the South Plains when weather conditions prevents replanting of cotton or grain sorghum.

A special gift to the Foundation to augment the irrigation research of a valley irrigation system was announced. Valley Manufacturing Company donated a complete sprinkler irrigation system worth \$10,000.00.

Certain-Teed Products Co. contributed the asbestos cement pipe necessary for the system. Materials were obtained with the help of the Shur-Gro Irrigation Equipment Co.

Large trucks were busy all afternoon transporting the visitors over the research farm to the four stops. Guides on each truck were professional agricultural representatives of the Extension Service, Soil Conservation Service, and Farmers Home Administration.

The farm and ranch equipment display had 37 firms with the latest in farm equipment

and machinery. A large number of visitors were present at this area all afternoon.

Visitors were treated to a barbecue given by the Hale County State Bank and the Plainview Co-Op Compress and served by the area Lions Clubs.

The evening program started with a musical program by the Plainview Barbershop chorus. Dr. Oliver Williams, president of Oklahoma State University, was the field day speaker. His address was on the need for continuous agricultural research and the future prospects of agriculture.

Frosh, 7th-8th Grade Teams Fall To Plainview

Olton's younger gridders took a beating during the last week of football action. The freshman team dropped a 14-0 decision to the Plainview Blue Pups, while the B-squad was idle.

In the junior high ranks the seventh graders suffered a 6-0 loss to Plainview Estacado, and the eighth graders dropped a 24-0 game to the eighth graders from the same school.

The loss evened the freshmen's record at 1-1, since they took a 20-6 win from Dimmitt in the first week of action. The seventh grade loss also

evened their season record at 1-1, since they topped Muleshoe in the season opener, 12-6.

The loss was the second in as many games for the eighth grade team, since they dropped a 6-0 game to Muleshoe in their first game.

Both the freshmen and B-teams try Floydada today, with the freshmen game set to begin at 6 p.m., and the B-tilt at 7:30 p.m. Both contests will be in Olton.

Next games for the seventh and eighth grade teams are set with Plainview Coronado at 5 p.m. Tuesday in Olton.

Olton Study Club Meets

The Olton Study Club met Sept. 20 at 7:30 p.m. in the home of Mrs. Jim Williams. The subject of the program was "Your Astro-Guide".

The devotional message was given by Mrs. Bailey Hair and amusing horoscopes of each member were given by Mrs. Jim Fuller.

Projects were discussed, and the help given to a needy family and the Woman's Club House were also topics of discussion.

Members present were Mmes. Roye Aikman, Paul Burrus, Ralford Daniel, J. E. Fuller, Bailey Hair, Carl Hooper, Truitt Sides, C. S. Silcott, Marshall Stone, Jack Straw, Joe Turner, Jim Williams and Bill Yates. A new member, Mrs. Eldon Franks, was also welcomed by the president.

The next meeting of the club will be Oct. 4 at 7:30 p.m. in the home of Mrs. Jim Fuller. Special topic for that program will be a handwriting analysis by Mrs. Roy Hale of Floydada.

Rural Traffic

Accidents Told

The Texas Highway Patrol investigated 17 rural traffic accidents in Lamb County during the month of August, according to Sergeant D. S. Lawson, Highway Patrol Supervisor of this area.

These wrecks accounted for eight persons injured and an estimated property damage of \$12,920.00.

The rural traffic accident summary in Lamb County for the first eight months of 1965 shows a total of 76 crashes resulting in two persons killed, 28 persons injured, and an estimated property damage of \$64,805.00.

Sept. 1, 1965, marked the beginning of the new motor vehicle inspection period for all Texas motorists. "With the hard summer driving coming to an end, fall is an excellent time to have vehicles safety checked for the winter months ahead", the Sergeant said.

The Patrol Supervisor called attention to the fact that since the beginning of the inspection program, vehicles having a defect that was a causative factor in fatal accidents decreased from 13 percent to three percent.

"The purpose of the Motor Vehicle Inspection Program is to discover any mal-adjustment which might become a link in a cycle of events leading to an accident, and, by removing the link, preventing the accident", he pointed out.

SUNDAY VISITORS

Visitors in the home of Mr. and Mrs. J. L. Snider were his sister, Mr. and Mrs. Wayne Wester and daughter Brenda and friend, and another daughter, Mr. and Mrs. Dale Sharber and son, all of Amarillo.

LAST-MINUTE SCORE BEATS PONIES, 13-9

The Muleshoe Mules sent Olton's Mustangs tumbling down Heartbreak Hill, pushing across two final quarter touchdowns—one in the last 25 seconds—to win a 13-9 decision there Friday night.

Coach Otis Holladay summed it up for the Mustangs later in this way: "It was a tough one to lose, especially heartbreaking in view of the fact that it was our best effort and probably our best game so far."

Olton pushed the Mules all over the field for three quarters and, aided by recovery of four Muleshoe fumbles, took a 9-0 lead in the fourth quarter.

In the fourth, two big plays led to the Mustangs' downfall.

The first was Joe Adams' 68-yard touchdown run that brought the score to 9-6 with seven minutes left to play.

The other was a fantastic falling catch by Adams of a 37-yard pass that put the Mules on the Olton 21 with just two minutes to play.

And with only 25 seconds showing on the scoreboard clock, the Mules' big fullback, Ronnie Swint, plunged across from the three with the winning TD.

For 41 minutes, it looked like an Olton victory, after Don

Mitchell's 26-yard field goal in the second period and Tommy Hall's two-yard touchdown run in the third quarter made it 9-0, Olton.

Early in the fourth period, the Ponies drove to the Mule 13, but a penalty pushed the Mustangs back to the 18, and successive losses on pass attempts, moved the ball back to the Mule 32.

On the first play after the Mules took over, Adams took off on his fine run that changed the course of the game.

Olton had many standouts through the game, Joe Priest gained 102 yards in 20 carries,

Bennie Akin had 54 in 11, Dale DeBerry 38 in seven, Tommy Hall 35 in 11 and Jackie Burkhalter 18 in eight.

Hall picked up Olton's only touchdown and DeBerry showed some of the most determined running of the year, getting extra yards when Muleshoe defenders seemed to have him stopped.

Ricky Smith, a soph back, got 10 yards in five carries before leaving the game with a twisted knee. The youngster underwent surgery this week and is out of action for the year.

The promising youngster had picked up 103 yards in only nine carries for the season.

Defensively, the Mustangs got outstanding work all across the line from Don Mitchell, Steve Moss, Joe Bob Smith, J. Curtis Hall, Gail Bizzell, and Jimmy Schreier. Priest, Burkhalter and Charles Church also turned in top defensive jobs.

In the first quarter, Olton threatened to run the Mules out of the park.

While Olton was running 19 plays for 62 yards, Muleshoe had only eight tries for a total of 11 yards.

The Mustangs drove to the Mule 31, losing the ball on downs, then came back with a drive starting at the Olton 16.

A 15-yard penalty against Muleshoe gave the Mustangs a first down at their 38, and then DeBerry raced nine yards to the Olton 47.

Akin gained eight and the Ponies had a first down at Muleshoe's 45.

After Hall picked up five, DeBerry put on a great second effort to gain eight more and a first down at the Muleshoe 32.

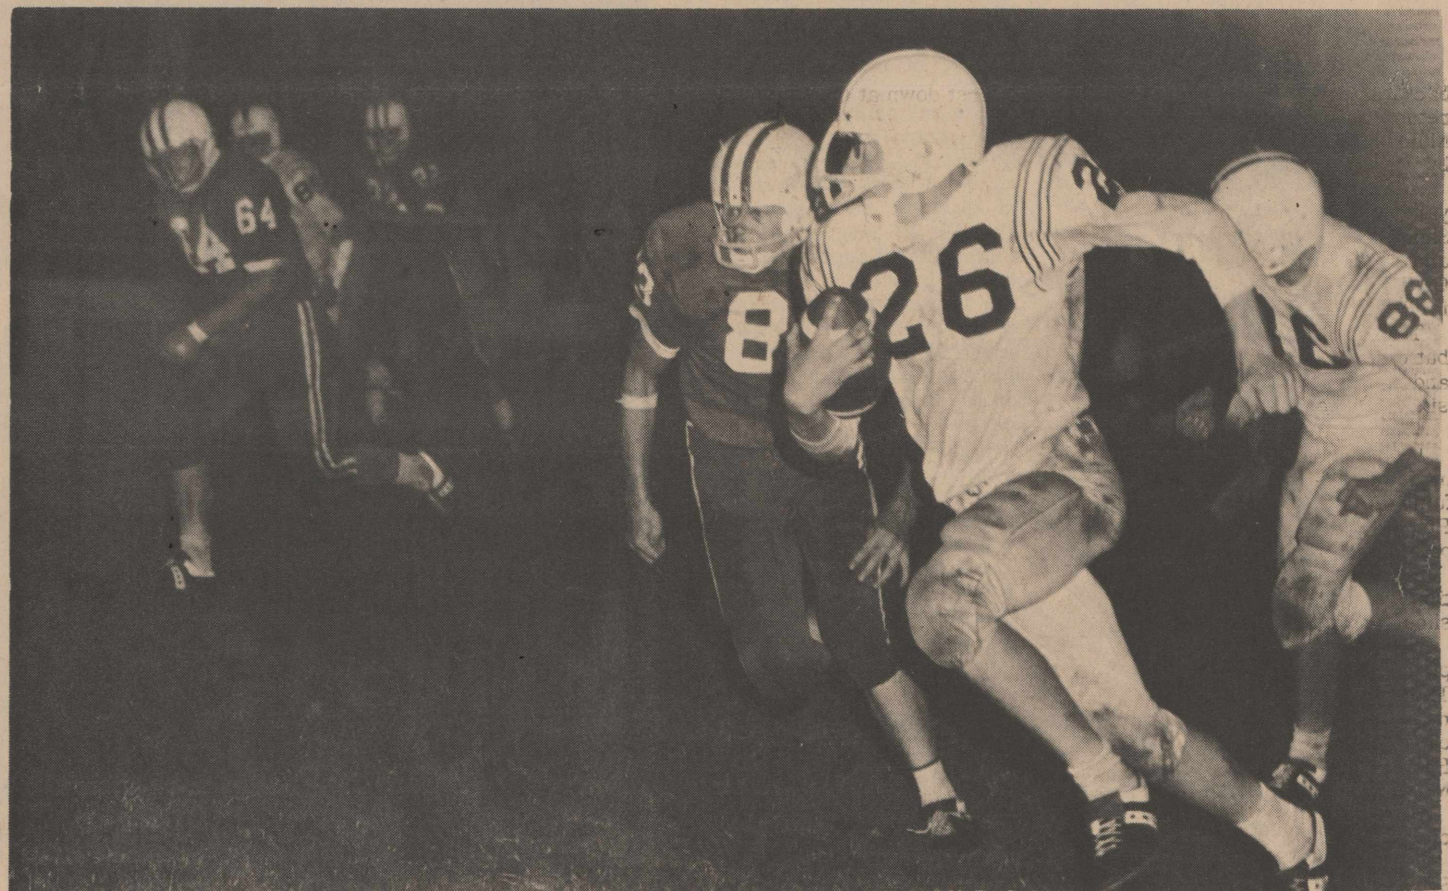

Hall gained two and Priest broke for 18 yards to the Muleshoe 12.

After Hall gained four, Muleshoe caught Akin for a three-yard loss and on third down Hall gained only one. So Mitchell got his kick away from the 16 and Olton had a 3-0 lead with 8:45 left in the half.

The Mules came storming

PRIEST GOES 16 yards to Muleshoe three, setting up Olton TD.

HALFBACK Joe Adams deals Mustangs misery on 25-yard run.

AKIN SPRINTS for nine yards during Olton touchdown drive.

MULESHOE'S Jones goes for 14 yards during second quarter.

back, using a 26-yard kick-off return by Adams to get to the Mule 31, where he was stopped by Albert Key.

Adams then ripped off a 25-yard gain to the Olton 44. Short punches by Ransom Jones and Swint moved the ball to the Olton 33, and then Jones broke for 14 to the Olton 19.

The Mustangs toughened up, but on fourth down Swint got four and a first down at the Olton six.

Two plays later, Adams went in for an apparent score, but fumbled in the end zone and Priest recovered for a touch-back.

But Joe fumbled on the option a few plays later and Muleshoe took over at the Olton 33.

With less than a minute to play in the first half QB John Thompson passed to End Larry Baker at the Olton 10. Priest caught him by a shoestring and Baker fumbled, Olton's Steve Moss recovering at the six.

Priest ran one play and the clock ran out at the half.

Opening the third quarter, Schreier recovered a Mule fumble for the Mustangs at the Olton 37.

Akin carried twice for six and 14 and a first down at the Muleshoe 43.

Bennie hit again for nine and a 15-yard roughing penalty against the Mules put the ball on the Muleshoe 19.

Priest almost broke for the touchdown, racing to the Mule three before the Mules' Andy Stovall stopped him.

The last three yards took four plays, with Hall finally getting the touchdown from the two. Mitchell's kick was wide and it was 9-0, Olton, with 5:30 left in the third quarter.

Again Muleshoe came storming back, with Adams racing 25 yards to the Olton 31.

QB Thompson hit Stovall with a pass to the Olton 14, but the Muleshoe end fumbled and Moss again came up with a recovery.

From there, the Mustangs put on another great drive, with DeBerry gaining seven and Priest 13 out to the Olton 30.

After Burkhalter got four in two tries, DeBerry got seven and a first down at the Olton 41.

Priest added four more and DeBerry got a new first down with a nine-yard run.

Priest raced for 16 to the 30 Burkhalter gained two and Priest ripped off 13 more to the Mule 15.

After Hall gained two, Priest passed to End Burney Hooper, in the end zone, but the ball got away. A penalty rubbed out the play anyway and Olton faced second and 13 at the Mule 18.

Three plays later the Mustangs had been pushed back to the 32 and the Mules took over.

Adams broke loose on his 68-yard run and it was 9-6, Olton, with 7:15 left in the game.

DeBerry took a hand-off from Burkhalter on the kick-off and sailed 30 yards to midfield before he was hauled down.

Priest gained nine in two tries and Burkhalter added two more yards and Olton had a first down at the Mule 39.

But Muleshoe stiffened and on fourth down from the 38, Priest's punt sliced off the side of his foot and Muleshoe took over at the Mule 16.

Short gainers moved the ball out to the 33 and then Thompson set sail with a 37-yard pass to Adams, who made a spectacular catch at the Olton 21.

With less than two minutes to play, Thompson passed to Stovall at the Olton 13, but the Mules still faced fourth down and two.

Jones came through with a fine 10-yard run and the Mules had the ball at the Olton 3.

After Adams failed to gain, Swint plunged across from the three with 25 seconds left in the game. Adams kicked the extra point to make it 13-9.

As the game ended, two pass attempts by the Mustangs fell incomplete.
