Worth

By Nanalee Nichols

I was cleaning out my purse the other day, and came across my notebook.

The slip of paper in my little notebook read: "Soap-charts. Bldg. burial m's, dog walk bldg...big rug...7-8."

History. JD...excellent this year."

Hmmm...sure wish I knew what that meant!

Then there was the little jotted item that reads "G&T May 2nd..dead".

Under that is a simple message reading "pix...all...wk".

A little reflection brings on the thought that my notes don't make a whole lot of sense to anyone but me. They are "memory kickers" instead of information.

The soap-charts, etc. message translates to: The 7th and 8th grade classes taught by Juanita Davis have completed their Texas history projects this year. They range from soap carvings, maps and charts, to burial mound replicas and a model of an old fashioned home with a dog walk, plus handwoven rugs. The quality is excellent on all the projects this year.

Simple, eh? Only if you are familiar with the way my mind works...and I'm obviously the only person even remotely able to claim that!

G&T means that the gifted and talented program deadline needs to be mentioned as May 2 in the story in the paper.

I put notes into my computer all the time that way...they are in a folder marked "Nanalee's Secrets" which, naturally means that everyone has to take a peek!

It doesn't matter if they look, of course, not only are my secrets shallow and light (instead of deep and dark) but no one can read the notes.

That computer folder has little kickers like "grandma and wsy" "Church kids and starch" and "knee deep and stuck" or "cattle rustling according to the rules".

Perhaps I should keep better notes, but so far I've never forgotten a message yet!

What it boils down to is: If I should die before I wake, I hope I don't leave notes behind for folks to figure out...it'll never work!

Talco's Bales Is Postal Volunteer Of The Year

Claudia Bales, a Rural Carrier Assoc. for the Talco Post Office has been selected the local Postal Volunteer of the Year.

Postmaster Grace Hearron presented Bales with a certificate of appreciation signed by U.S. Postmaster General Anthony M. Frank.

The award and similar presentations made at post offices throughout the country, are intended to honor the spirit of volunteerism during National Volunteer Week, April 21-28.

"The Talco Post Office, like all of our post offices and thousands of postal employees nationwide, is committed to volunteerism and community service," said Postmaster Hearron. "Through her dedicated service, we feel Claudia represents what volunteerism is all about.

On behalf of the Postmaster General the community of Talco, I salute Claudia for contributing her time to our community."

Bales, a 9-year postal employee, is being honored for three years Boy Scout leader, 1 year cancer chairman 5 years Sunday School teacher, 3 years helped with misfortune and disaster victims and regular blood donor.

This week the Postal Service is joining hands with ACTION, the federal domestic volunteer agency, in paying tribute to volunteerism nationwide.

MRS. MELBA REED, Talco School secretary, received flowers and a beautiful plant in honor of Secretary's Week last week.

Country Cooking

By Gerrie Bankhead

Sharing this week in the Country Cooking column is Mae Hobson of Talco.

Mae and her husband Chass have been married for 30 years and moved to the Talco area from Yantis in 1970. They have made this area their home since then, and attend Neville's Chapel Baptist Church in Mt. Pleasant.

They are the parents of twins, Melinda and Michael. Melinda and husband Dale Holman live in Mt. Pleasant and have twin daughters, Rachelle and Renea, ages 9 and a daughter, Traci, age 7 and Christopher, age 4. Michael and his wife, Shari live in Lufkin and have a son, Charles Robert, age 5, and a daughter, Felicia, age 17, a student at Rivercrest.

Mae has taught school at Talco Elementary for 21 years and is presently teaching the third grade. She says she loves to be with her kids and enjoys their company as much as she does adults. She says that every day is different, even though you have a routine, every day is a new day. The kids light up her life. She loves flowers and her students know this and surprise her often with a rose or bouquet. Mae has her eye on retirement and is looking forward to just planting flowers and going to fiddling contests with her husband, since this is his hobby.

Besides planting, pruning and caring for beautiful flowers, Mae

enjoys sewing. She manages to have time to sew for both she and Felicia. Mae and Chass both enjoy getting in the car and riding around to look at other people's yards, flowers and gardens. She also enjoys going to the lake in the summertime and enjoys quilting.

During the winter months, Chass does a lot of cooking on his wood heater, shown in the picture. He puts a big pot of pinto beans on and cooks them all day. He also cooks roast and big pots of chili on this stove. During the summer, the crock pot takes the place of the stove.

Chass is sharing his recipes for Beans and Rice and Chili that he cooks both ways. Mae is sharing her grandmother's recipe for cookies that is over 100 years old and has been passed from generation to generation.

Mae's Sour Dough Biscuit is about 21 years old and everyone who has eaten them loves them. This recipe lasts a long time, you can pinch off what you want and refrigerate the rest. The Buffalo Chip recipe was given to her by a friend and this recipe makes a big batch of cookies. Mae is also sharing her Poppy Seed Cake recipe she received from a former teacher.

If you've enjoyed the article, request a recipe or have a recipe to share or suggest a feature, please call 652-6032 or write Rt. 1, Box 67A, Deport, TX 75435.

Statement of Intent to Change Rates

In accordance with the regulations of the Public Utility Commission of Texas, Texas-New Mexico Power Company announces the Company's intent to change rates for its entire Texas operations. The effective date of such change is May 17, 1991. All classes of customers will be affected by said proposed changes. The proposed rates will produce an increase in gross revenues to the Company over test year revenues adjusted for test year customer growth and weather and annualization of test year rate increases of \$35,836,827, or 9.63%. TNP is proposing an alternative rate base treatment for Unit 2 of TNP One, the second unit of the Company's generating facility located in Robertson County, Texas. Under this alternative, sale-leaseback treatment will be given to Unit 2, thereby including a lease payment in the cost of service, as opposed to traditional rate base treatment. If adopted, the sale-leaseback plan results in an increase in gross revenues of \$31,210,197, or an 8.38% increase over adjusted test year revenues during the first year of the plan. Texas-New Mexico Power Company provides electrical service to more than 165,011 customers located within the state of Texas.

A complete copy of the requested rate filing package is on file with the Public Utility Commission of Texas in Austin, Texas, and with all cities served by Texas-New Mexico Power Company which have retained original jurisdiction. You may inspect a copy of the filing during normal business hours at each business office of Texas-New Mexico Power Company in your area.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

Donna Stockton Qualifies For UIL State Meet

Donna Stockton, Rivercrest High School senior, has qualified for the University Interscholastic League Academic State Meet, May 2-4 at the University of Texas in Austin. Donna earned eligibility by placing first at the UIL regional meet held at Tyler Junior College on April 20. This is the third year for Donna to enter the headline contest. She placed fourth in the contest as a sophomore and a junior. She will be accompanied to Austin by her sponsors, Mrs. Ann Roberts. Contests range from headline writing to Lincoln-Douglas debate, calculator applications to accounting. Of the million and a half students who participated in UIL activities in 1989-90, over one-half million stu-

dents competed in one or more of the 20 general academic contests. In participating at the State Meet, students qualify for Texas Interscholastic League Foundation scholarships. During 1990-91, the TILF awarded more than \$504,000 in scholarship grants to 382 college students who competed at the state meet. The TILF funds are made possible through grants from foundations, individuals and families. Donna is the daughter of Mr. and Mrs. Don Stockton of Bogata and has attended Talco-Bogata schools since entering kindergarten. She is a member of the annual staff, paper staff, D-Fy-It, Spanish Club, Student Council, National Honor Society, Beta Club, Drama Club and FFA.

The King Ranch in Texas is bigger than the state of Rhode Island. It comprises 1.25 million acres.

Social Security Notes

By Ray Hudson
 May is Older Americans Month and the SSA is joining with the Administration on Aging to encourage community programs nationwide that recognize the achievements and contributions of senior citizens.
 The theme for the month is "Older Americans, Our Greatest Natural Resource". The SSA will join local agencies and organizations in special programs focusing public attention on the contributions to the community made by older Americans.
 Activities planned are also designed to promote greater awareness of the services available to help older people live meaningful, independent lives. Such services include transportation and housing for the elderly, health and nutrition programs, adult day care, senior center programs and services for older people living alone as well as those who live in institutions.
 People who wish to participate in the activities should call the Area Office on Aging listed in the telephone book under State Government.

Growing Turf In Shade Is Perennial Problem

By Paul D. Payne
 Shade is desirable in the landscape, but it is the number one problem in growing turf grass. We constantly receive questions on this topic, so we checked with Texas A&M University for their latest thinking. The following comments are those of Dr. Richard Duple, turf grass specialist.
 There are a lot of situations where you just cannot grow grass in the environment that you have. Environmental changes caused by shade have a major effect on grass. Reduced light, less extreme temperatures, increased humidity, restricted air movement, competition from trees, increased disease problems and shallow root systems are all products of shade.
 Grass in shade has less ability to use nitrogen, less photosynthetic activity, less growth, less wear tolerance and more susceptibility to pre-emergent herbicides and less tolerance to cold.

CAPTURE® DRY CARPET CLEANING

Carpets and water don't mix. Wet cleaning methods, including steam, can shorten the life of a carpet and leave residues behind that actually attract new soil. Introducing Capture® carpet soil extractor. Capture goes on dry, then vacuums clean in just minutes, lifting out trapped soil, odors, and stains like magic. You can even replace furniture and use the room as soon as you're finished cleaning because your carpet never gets wet. And there's no danger of mildew, mold, or shrinkage. Capture lets you clean just a spot or a high-traffic area. Clean where and when you need to without leaving a noticeable "clean line." What's more, carpets cleaned with dry Capture stay clean longer, so you clean less often. That saves you both time and money.

Lady Rebels Travel To Emory To Suffer 5-4 Loss

The Rivercrest Lady Rebels traveled to Emory on Monday, April 29 to play the Rains County girls team. The game went score for score until the top of the seventh inning when the RHS girls couldn't score and break the 4-4 tie. Rains came back with a strong base hit in the bottom of the seventh to take the win, 5-4.

Jerilyn Russell, pitcher for the Lady Rebels, sent seven batters to the bench with strike-outs. Scoring for the Lady Rebels were Krista Weatherall, Jerilyn Russell and Tawala Padgett. Base hits were turned in by Kim Brown and Laquitta Norman. They will meet Mt. Vernon at Joliet on Thursday at 4:30.

REGIONAL Track Meet participants from Rivercrest who traveled to Palestine are Keitha Gillis, Krista Weatherall, Konya Nickerson, Latrisa Belcher, Tracey Green, Katy Ross, Chasity Rain and not pictured, Patches Raines and Ginger Hood. (Staff Photo by Keye Lee)

To The Editor:
Here is my check for renewing my subscription for the Talco Times.
I most definitely don't want to miss one of Nanalee's Nichols Worth columns, they are very interesting and I always read her column first, as a former resident of Talco, I like to keep up on the goings on around Talco.
Thanks for all the news.

It's Time We Get "Serious" About The Education Of Students In Our School District

The maximum responsibility rests on the Principal, the Teacher and the Parent; who must have greater involvement and cooperation among themselves and they must have the support of the local school board of trustees.

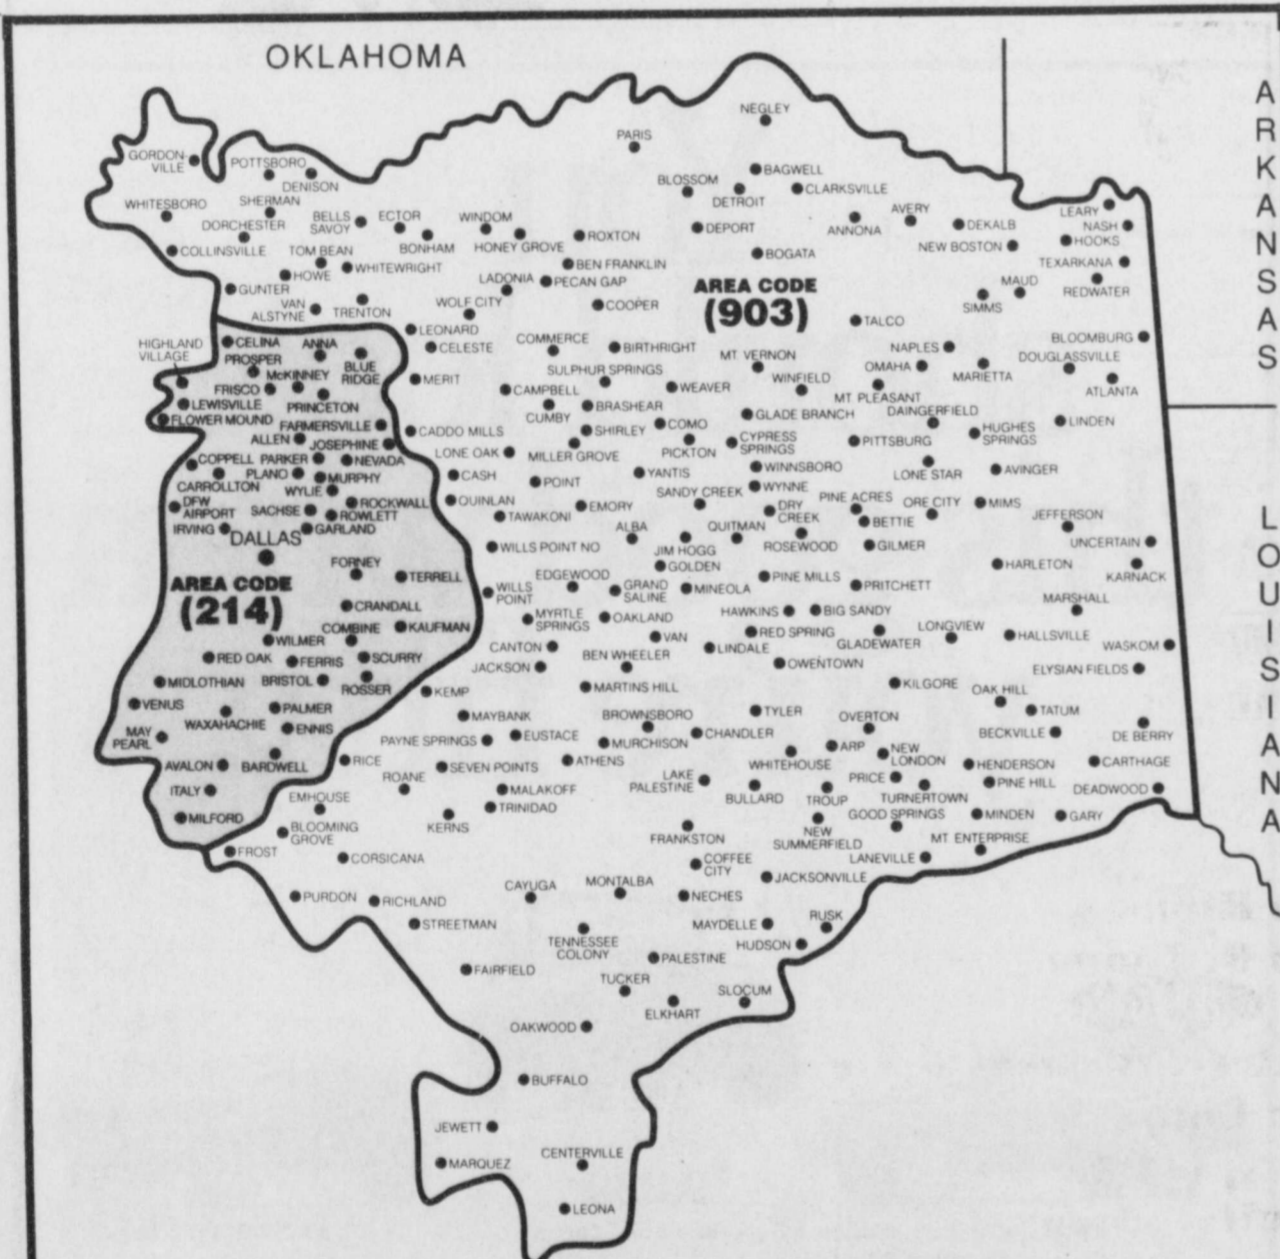

Parents and all tax payers should be encouraged to participate in and support our local schools.

With all of us working together, our students will get a better education. I will work and cooperate with all to improve the education of each student in our school district.

I would appreciate your support and vote Saturday, May 4th for school trustee of the Talco-Bogata Schools.

IT'S A FACT... (903)

It's a fact! You MUST begin dialing the (903) area code to successfully complete telephone calls to numbers in most Northeast Texas communities beginning May 6, 1991.

Beginning that day, you will no longer be able to use the old 214 area code to dial numbers that are now a part of the new (903) area code. If you forget and dial 214 to make a call to a number in the (903) area code, you will hear a recorded message telling you to redial the number using the (903) area code or the call cannot be completed. It's as simple as that, but don't forget to:

- Change the area code designation on your checks, stationery, business cards, vehicles, calendars, ads and all other printed materials... notify friends, relatives, customers, suppliers and associates.
- You may also need to reprogram or modify some of your telephone equipment. Reprogram automatic dialing devices, FAX machines and computer modems with the (903) area code so special features such as speed calling and call forwarding will perform properly.

Your phone rates won't change... and your seven-digit phone number will remain the same.

So... make a note... Beginning May 6, dial area code (903).

Texas-New Mexico Safety Fair Is May 2

An electric arcing demonstration that has received favorable comments throughout Texas-New Mexico Power Company's service area will come to Bogata May 2 during the company's safety fair.

The safety fair is free and open to the public and will be held from 9 a.m. until 4 p.m. at TNP's Bogata Construction Center on Highway 271.

The electric arcing demonstration will be presented at 10 a.m., at noon and at 2 p.m., using live electricity to dramatically demonstrate the dangers of electricity.

TNP has presented the demonstration in various towns it serves and has received favorable comments from those attending. "Excellent" and "educational" are two words that have been used in many of the thank you letters TNP received concerning the program.

Although the electric arcing dem-

onstrations will be one of the most vivid reminders of the need for safety during the fair, it certainly won't be the only one. Exhibits at the fair will also provide information about high-way safety, hunting and fishing safety, fire protection and other ways to prevent accidents and injuries.

In addition to TNP, exhibitors include Contel, Deport Fire Department, American Red Cross, Red River County Extension Agency, St. Joseph's Hospital, Texas Department of Public Safety, Texas Parks and Wildlife and St. Michael's Hospital.

The fair will also feature an exhibit of the winners of a safety poster contest sponsored for students in first through fifth grades at five area elementary schools. The school winners will be on display at the fair, and a grand champion will be selected from the five school winners. The grand champion will receive a bicycle.

CELEBRATING-Heather and Haley Hawkins celebrated their 4th Birthday Saturday. Helping them celebrate was Janna and Mark Hawkins, Douglas

and Robbie Hawkins, James and Pauline Gibbs, Randy and Fern Gibbs and Boys Shane, Sonny and Shannon, Mrs. Lucille Childers and Mr. and Mrs. J.N. Lee.

THE RIVERCREST girls traveled to Emory on Monday, April 29 to play Rains in softball. The girls took a 5-4 loss following an exciting game. The group will

play at Johntown on Thursday at 4:30 and everyone is invited to come out and support the team. (Staff Photo by Nancy Brown)
