A.K. McCarley resigns...

Hospital district sets new tax rate

The Mitchell County Hospital District adjusted its tax rate up Tuesday night after being able to hold the same rate for the past two years.

The rate was set at .3260 per $100 valuation. Last year and the year before, the rate was .2975. The increase was due to declining tax values and the rate had to go up in order to raise an amount equal to the proposed budgets.

The budgets for the Hospital and the Valley fair Lodge were approved at the meeting prior to the approval of the tax rate.

The budget for the Hospital was set at $3,108,926 and revenue is projected at $2,940,210. Last year the budget was for $2,888,400 and revenue was projected at $2,504,590.

For the Lodge, the budget was approved at $992,422 with revenue projected to be $936,568.

The District also accepted the resignation of board member A. K. McCarley. He had served some five years as a member. His replacement will appointed by the remaining members.

In other business, the District heard a report from CEJKA and Co. concerning physician recruitment, increased the number of RN scholarships by two and approved routine reports.

WON'T HURT AT ALL: Buddy Crabtree prepares to donate blood Wednesday at the Civic Center as Kathy Smith begins the process. United Blood Services of San Angelo receives the blood while the Tumbleweed Lioness Club here sponsors the drive. The next drive is set for Nov. 18.

City Council to consider vacancy at next meeting

Persons interested in applying for the vacancy in district 6 on the City Council are asked to contact City Hall before their meeting on Sept.8.

City charter states that a vacancy in the council shall be appointed until the next regular election, said city manager Buddy Foster.

Qualifications for the position include being twenty-one years of age, a citizen of the United States, a qualified voter of the State of Texas, be a resident within the city's corporate limits for the past two-years and must not be in arrears in the payment of any taxes or other liability due the city.

A majority vote of the current council members is required to appoint a qualified citizen to serve until next year's election.

The council is faced with filling the council seat due to the recent death of Duff Chesney who had recently been elected to his second two-year term on the policy making board.

EARLY SEASON PAINS: Brandon Oden is getting ice applied to his knee during football practice Thursday aftrenoon. Student trainer Audra McAnally applies the tape. Both are junior students at Colorado High. A reminder: season football tickets are now on sale.

Wolf season tickets are now on sale

Season tickets are now on sale for the five home games for the Colorado City Wolves.

The package is $17.50 and this is for five home games. Season ticket holders will have until Friday, Sept. 11 to purchase the same seats as last year then they will go on sale to the general public.

At the gate, adult tickets will be $4.

The first home game is Sept. 25 as Coahoma comes to town. Other games include Muleshoe on Oct. 2 and Crane on Oct. 16 which will be homecoming. Kermit will be here the next week and then Big Lake will close out the schedule here on Nov. 6.

City answers lawsuit

City attorney Tom Rees has filed an answer to the lawsuit filed by Joe R. Johnson in respect to the now-closed Hertenberger Field.

Johnson had filed a $5,000 suit in Justice of the Peace Keith Ruddick's court. In his suit, he is suing for "the loss of liberty on his own personal property during prolonged softball tournaments at the field, his personal property is repeatedly trashed with beer cans and bottles, his driveway is repeatedly blocked for hours at a time, repeated confrontations with persons trespassing on his personal property, permanent injury to his dog which resulted in the pet's death due to a blow from a baseball bat in his front yard plus loss of personal health due to late scheduling of softball games with noise from auto horns and yells up to 24 hours a day for periods of up to one week in duration. Johnson further stated that when the field was constructed in 1973, the then city manager agreed there would be no lights installed for night softball games."

In answering the suit, the city states 'The city of Colorado City, Texas, is a home rule city, incorporated under the laws of the State and it specifically invokes its governmental immunity to any and all claims of Joe R. Johnson as to harm or compensation."

The answer went on to read that "the City would further show the matters complained of by Johnson were caused solely, in whole or in part, by the acts, omissions, conduct of persons, companies, entities and or instrumentality beyond the control of the City over whom the City possessed no right of control and whose acts the City is not legally responsible. These acts, omissions, and or conduct represent a new and independent cause of the occurence in question and the Plaintiff's alleged damages."

The answer went on to ask that the Plaintiff recover nothing by reason of his suit.

See LAWSUIT, page 6

Hurricane Andrew relief sought

Local citizens who wish to donate money or needed items to the victims of Hurricane Andrew have the opportunity to do so locally.

The American Red Cross is accepting money donations and they may either be mailed to 136 E. 3rd or brought by the office at that location.

The Salvation Army is accepting donations for clothing, canned goods or baby items and they must be delivered to the fire station before 5 pm Sunday.

Voting continues in liquor election

Absentee balloting in the local option election will continue through 5 pm Friday, Sept. 4 with the election set for Tuesday, Sept. 8.

Through 5 pm Friday, some 24 ballots had been cast.

The election is to allow for the sale and off-premises consumption of beer, wine and liquor in the original boundaries of the old justice of the peace precinct 2.

The area involved in the election consists of an area on the East side of Lake Colorado City and the Westbrook area. This includes voters who were originally part of the old voting box 7.

Polling places on election day will be at the Oak Street Baptist Church in Colorado City and the Westbrook School Tax Office in Westbrook.

A total of 866 people are listed as registered voters in the area which will be affected by the election.

Unemployment rate drops

Mitchell County's unemployment rate dropped somewhat in July to 8.5-per cent.

Last month the rate was 9.7 and a year ago at this time, the rate stood at 7.1-per cent.

According to the figures released by the Texas Employment Commission report, there were 320 people seeking employment from Mitchell County. This is out of a work force of 3,751 of which 3,431 are currently employed.

The lowest rate in the state is in the Bryan-College Station area with a rate of 3.9 The highest is the McAllen-Edinburg-Mission area with a 16.4-per cent.

In Nolan County, the rate stands at 8.1-per cent as compared to 6.5-per cent one year ago

In Scurry County, the rate was 7.3-per cent, a big drop from July a year ago of 11.4.

In Ector County, (Odessa), the rate is 10.3 as compared to 6.8 per cent this time one year ago.

Franco receives fifteen years

Felix Molina Franco, 35, of 443 W. 17th in Colorado City, was sentenced to 15 years in the Texas Department of Corrections after being found guilty in the 32nd District Court Thursday. He was also assessed a $1500 fine.

He had plead not guilty of the charge of the delivery of cocaine.

School trustees consider budget, two resignations

In a special called meeting Thursday night, the Colorado School trustees accepted two resignations and continued to work on the budget for the '92-'93 school year.

The trustees accepted the resignations of Marla Howsby, Plan A instructor, and Ann Kay, special education aid at Kelley Elementary.

They also scheduled a special meeting for Monday, August 31 at 8:00 p.m.

They are expected to amend the official budget for "91-'92 and have a budget workshop for the coming year.

SIX-HUNDRED ATTEND RETIREMENT PARTY:Ray Anne Carlock is receiving a bouquet of roses from Elaine Kelley during her retirement party Friday at the City National Bank. She had a total of some thirty-seven years of employment with the local financial institution.

Womack, Kelley win prizes during Lug Nuts dance

Sue Womack won the "people's choice" award at the Lug Nuts Car Club's cruising night recently with her 1965 Mustang fastback. She won a John Deere toy tractor donated by Key Brothers Implement.

Elaine Kelley won the '50's costume award at the dance afterwards and won The Texas Country Cookbook donated by Plagens Printing and Office Supply.

Ken Andrews, of the club, also noted that the Deep Creek Cloggers of Snyder put on two shows and "they were teriffic," he said.

Transportation, meals available to eligible citizens

Transportation services and home-delivered meals are available for eligible participants from Wallace Center under Title III of the Older Americans Act. Transportation is available on Tuesday and Thursday from 9 a.m. until 3 p.m. to transport persons 60 years or older to and from social service centers, medical and health care services, meals program and senior centers. On Wednesday transportation is available for shopping (groceries, bank, post office & etc.) or to other community facilities.

Eligibility Criteria:

1. To be eligible for transportation services, individuals must be 60 years of age or older or the spouse of an eligible person.
2. Eligible individuals will provide name, address, telephone number and date of birth prior to participating in this service.
3. The older Americans Act contains provisions for participants in services to contribute to the provision of those services.

To be eligible for home-delivered meals the following guidelines must be met:

1. A person must be 60 years of age or older, who is home bound by reason of illness, incapacitating disability or is otherwise isolated.
2. The spouse of an eligible client, if receipt of that meal is in the best interest of the home-bound person.
3. Preferred target group are eligible persons who may not eat adequate and nutritious meals because they are incapacitated or disabled due to an accident, illness or frailty, and have no family available to assist them.

To receive a home-delivered meal you need to call Wallace Center and register your desire to participate so the Outreach worker may call on you to validate your request. A donation for the meal is accepted upon delivery or monthly arrangements may be made.

These criteria are mandated by the Title III Older Americans Act and not Wallace Center. If you are interested or know someone who might need this service please contact Wallace Senior Citizens Center, 728-2392.

Grant receives Sul Ross degree

Jill R. Grant of Colorado City was among 157 Sul Ross State University students receiving degrees and certification August 15 during commencement ceremonies in the Graves-Pierce Complex.

Grant received her M.Ed. degree in elementary education.

Dr. Don Rogers, the executive director of the Texas Association of Community Schools, was the keynote speaker. Graduates and their families were honored with a reception following commencement.

Letters to the Editor

Dear Editor:

The Tumbleweed Lions Club would like to thank each and every donor who came in and donated blood at our blood drive August 26th. Each unit is divided into several different components and will save someone's life. Blood is truly the "Gift of Life"

Elsewhere in the paper you will find a list of donors who came in. If your name isn't on the list please plan on coming in and donating at our next drive which will be November 18th.

Thank you again
Tumbleweed Lions Club

Dear Editor:

Project Celebration and the senior class of 1993 would like to express their appreciation to everyone who helped make the Playday and Dance on August 22, such a big success.

Wood's Boots let us borrow chairs for the dance, KVMC advertised, Sonic and Dairy Queen donated cups, CISD helped out with tables, ice and a drag implement, David Stubblefield and C&S Grocery donated ice, the County Commissioners loaned us the equipment to prepare the arena and mowed around it, plus they allowed us to use the ag barn for the dance. And the night of the dance we had security provided by David Montgomery and Scott Morton, which was very much appreciated.

Thanks again to all those who helped and all those who came out and participated! You are all very special to us!

Roxie Strain
Debbie Harris
General Co-Chairmen

Dear Editor:

In answer to the letter of the Dr. A.B. Robertson family in Editor's column of Aug. 23rd paper.

There are hundreds of pictures on display at the Heart of West Texas Museum. Now waiting for people to come in and help identify them. We have 2 pictures of the Robertson family that we know to be of this family, but do not have names of other members of these families, so we can locate these among the many pictures.

We are working on getting family's histories and pictures for the archives of this area. We have asked for this help in the news letters we have mailed out - we will have to have help from these families if we accomplish the goal.

A Service of
Transamerican Diagnostic Services
(Providing Mammography Services for over 5 years)

According to the American Cancer Society, one out of ~~ten~~ nine women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate.

A mammogram can detect a cancer this small, ● even before it can be felt.

Guidelines For Screening Mammography Established by the American Cancer Society.

I. 35-40 years of age - One baseline mammogram.

II. 40-50 years of age - A mammogram every 1-2 years depending on breast type and risk factor.

III. 50 years of age and over - An annual physical examination and annual mammogram.

IV. Asymptomatic women under 50 years of age with significant high risk factors should be examined at appropriate intervals. These risk factors include previous breast cancer and family history of cancer.

V. A symptomatic woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast pain.

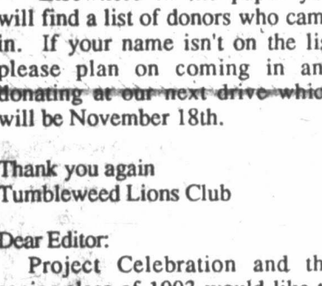

A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers.

A female technologist who is highly trained in mammography will perform the examination.

The charge for the screening mammogram is , The Unit accepts cash, check, Visa, Mastercard and American Express.

VARSITY VOLLEYBALL TEAM. The Lady Wolves Volleyball team is coached this year by Sharon Graves. Members of the team include, back row (L-R), coach Graves, Elaine McKnight, Marie Rivera, Veronica Moreno, Krissy Crawford, Tarsha Scott and Bethany Bridgford. Front row (L-R) are Tracy Scott, Amanda Alvarez, Janette Ceballos, Lori Ortiz and Jennifer Ornelas.

Wolves play Albany, Abilene

The Lady Wolves volleyball team played in Albany Tuesday night and lost the first match to the hosts, 12-15, 15-9 and 13-15.

Bethany Bridgford led the Wolves with 12 points including five aces, while Veronica Moreno had 8 and Elaine McKnight had 9 points. Krissy Crawford had 6 kills and Janette Ceballos had 7 assists.

Coach Shirley Graves stated that "Lori Ortiz and Jennifer Ornales also contributed greatly to our overall performance. Tarsha Scott, Marie Rivera and Amanda Alvarez did a fine job in the front line play while Tracy Scott hustled greatly in the backline play for us.'

The varsity also played Abilene High and lost 7-15, 9-15.

Janette Ceballos had 6 points including 2 aces while Jennifer Ornales had 3.

Veronica Moreno had 3 kills while Bridgford had 2 and Caballos had 7 assists.

Graves went on to say "the entire team played with great intensity and hustle in both matches. Both schools have good programs and our girls did a fine job against them. I'm very proud of their commitment to rebuilding our athletic program."

The junior varsity lost to Albany, 6-15, 5-15. Nikia Jackson had 5 points while Emma Molina had 2. Freida McKnight had 2 kills while Kim Russel hadded 2 assists. The 9th grade also lost to Albany while Susan Hartman scored 8 points, Marka Fambro added 4 and Shelley Galey had 3.

The varsity and JV will host Aspermont this Saturday with the JV at 11 am and the varsity at noon. Next action for the ninth grade will be in the Abilene Tournament on Sept.12.

NOTICE OF COMPARABLE TAX RATES AND REVENUES

The legislature has enacted a statute on school funding to comply with a court mandate enforcing the state constitution. Under prior statutes the tax rate for last year provides $6,049 per student in state and local revenues. Under this statute that same rate now provides $6,404 per student instate and local revenues.

State law only requires a minimum tax rate of $.82 for County Education Districts. State law does not require a school district to adopt a tax rate that maximizes the receipt of state funds.

The board of trustees of the Loraine School District hereby gives notice that it is considering the adoption of (or "has adopted" for tax bill notice) a tax rate of $.67 that will provide $6,280 per student in state and local revenues.

RETIRED FROM CHEVRON: R.C. Noel's friends gave him a lesson in retirement Friday as they staged this show in his front yard as he left for his last day of work with Chevron. His fishing pole is handy but so is his wife's list of "honey-do's".

RRC sets production allowables

Railroad Commission Chairman Lena Guerrero and Commissioners James E. (Jim) Nugent and Bob Krueger set Texas Oil production for September at 1,743,409 barrels per day, based on purchaser nominations, and set gas production allowables for prorated fields in the state to meet market demand of 271,721,637 Mcf (thousand cubic feet).

For prorated gas fields, the September 1992 allowable represents an increase of 29,020,164 Mcf when compared to actual production of 242,701,473 Mcf in September 1991. In setting the September 1992 allowable, the Commission used historical production figures from September 1991 and producer forecasts for September 1992 demand, then adjusted the figures to account for such factors as well capability, new wells in a field, etc.

Guerrero and Commissioners James E. (Jim) Nugent and Bob Krueger also reviewed oil companies' September nominations to buy a total of 1,743,409 barrels of Texas oil per day. The nomination total, a decrease of 9,532 barrels daily when compared to August purchaser nominations, estimates Texas oil purchases in the coming month. September 1991 nominations totaled 1,790,120 barrels daily.

Major purchasers filed these September nominations from the floor at the hearing: Amoco Productions Company, 141,500 barrels per day, unchanged; and Texaco Trading and Transp. Inc., 113,100 barrels per day, down 3,000 barrels.

Chairman Guerrero reported that crude oil and petroleum products imported into the U.S. averaged 7,625,000 barrels per day for the month of June 1992. This was a decrease of 620,000 barrels per day from the same period a year ago.

11th annual bass tourney plans set

The Colorado City Bass Club will host its eleventh annual open bass tournament on Lakes Champion and Colorado City Saturday, September 12, 1992. The lakes are in excellent shape this year and workers are attempting to complete a new four-lane boat ramp at Lake Champion.

Registration will begin at 5 p.m. at Fisher Park on Lake Champion and stew will again be served to all contestants until midnight, Friday. Fishing hours begin at 7:00 a.m. with fishermen required to be in line by 4:00 p.m. Saturday afternoon. Entry fee is $35 and there is an optional $5 calcutta.

Past winners in the tournament's first decade are: 1982, Maxey Ware, Westbrook; 1983, Gary Stracener, Sweetwater; 1984, Larry Stevenson, Monahans; 1985, Vic Keys, Big Spring; 1986, Jerry Dudley, Big Spring;1987, Ronnie Simpson, Lubbock; 1988, Ronnie Parsons, Sweetwater; 1990, Danny Crowell, Dyess AFB and 1991, Wendell Pinkerton of Colorado City.

The tournament has grown in popularity from a turn out of 97 in its first year to last fall's 212. Records range from a low of 92 in 1983 to a high of 261 in 1986. Expectations are high for another good showing this year.

Weigh-in will begin at 3:00 and over $6,000 will be awarded after the official results are tallied as soon as possible after all the fish are weighed and released back into Lake Champion.

LAWSUIT

The field was permanently closed by vote of the City Council this week

Before voting to close the field, mayor Jim Baum noted and the council agreed to "make a committment to have a softball ballpark by next spring."

Lease information sought by chamber to compile list

The Chamber of Commerce is still seeking information concerning Mitchell County hunting leases to compile a list for hunters who are wanting to lease land for the upcoming hunting seasons.

The Chamber will gather the information and provide the lease information so that interested hunters can contact the owner or lease operator of the particular tract of land that they want to hunt on.

Jay McCollum of the Chamber said "we get many requests for hunting lease availabilty here in Mitchell Co. but up to now, we were able to give only limited information to those inquiring."

Game Warden Rany Bullard noted that over 500 deer and turkey hunters and over 300 dove and quail hunters come into the county each year. He also noted that there is a much larger demand for leases than are available. Bullard also emphasized that a "Hunting Lease License" is required of anyone who leases hunting rights or charges a fee for hunting on property they own or property they control. The manager of a hunting lease must maintain a record book provided by the Department with each hunter's name, address, license number, dates hunted and number and species of birds or animals hunted and killed. The hunters are responsible for providing the required information to the manager of the lease. The license fee is $25 for 1 to 499 acres, $50 for 500 to 999 acres and $75 for 1,000 acres or more.

To improve the information that is available in the area, the Chamber has made a form available to be used by land owners to provide up to date information relating to their leases.

This information needs to be turned into the Chamber as soon as possible and if one needs more information, please contact the Chambaer at 157 West Second St. or call 728-3403.

NOTICE OF PUBLIC HEARING ON TAX INCREASE

The City of Colorado City will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1991 by 84%. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on Thursday, September 3, 1992 at 5:30 p.m.

FOR the proposal:	Rex Thackerson, Brian Bassham, Gary Redwine, Sammy Contreras
AGAINST the proposal:	Jim Baum, Bob Reily
PRESENT and not voting:	None
ABSENT:	None

The statement above shows the percentage increase the proposed rate represents over the Rollback tax rate that the unit published on 8-16-92. The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	LAST YEAR	THIS YEAR
Average home value	$16,350.00	$16,350.00
General exemptions available (amount available on the average home, not including senior citizen's or disabled person's exemptions)	-0-	-0-
Average taxable value	$16,350.00	$16,350.00
Tax rate	.5892/$100	.3341/$100
Tax	$96.33	$54.63

Under this proposal taxes on the average home would decrease by $41.70 or 43% compared with last years taxes. Comparing tax rates without adjusting for changes in property value, the tax rate would decrease by $.2551 per $100 of taxable value or 43% compared to last year's tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

OBITUARIES

Estha Gaskins

Graveside services were held Friday August, 21, 1992 in the Cuthbert Cemetery for Estha Womack Gaskins, with Rev. Howard Quiett, pastor of First United Methodist Church officiating. She was a resident of Kingsland and had formerly lived in Colorado City.

Survivors include two daughters, Marie McCullough and Helen Jenkins both of Kingsland and one son, Robert Joe Womack of Dallas. Also four grandchildren and five great-grandchildren survive.

Mary Camp

Services for Mary Delanie Camp were held Aug. 24 at the Rule Church of Christ. Burial was in the Rule Cemetery with ministers John Greeson and Travis Boyd officiating.

Burial was under direction of Holden-McCauley Funeral Home.

She was born in Lipan, Texas and was a homemaker and the owner of a local groacery store. She married William C. Camp on Feb. 22, 1920 in Lipan. He died in 1976.

Survivors include one daughter, Odessa Hatfield of Abilene and one son, W.J. Camp of Colorado City. Also seven grandchildren, fifteen great-grandchildren and six great-great-grandchildren survive.

She was preceded in death by her husband, one son, Donald Gerald Camp and four sisters and five brothers.

Rowe's, Shelan enter program for counseling

Sylvia Shelan, a retired business owner and member of the Abilene Chapter of the Service Corps of Retired Executives (SCORE), has been selected to serve as mentor for the federal Women's Network for Entrepreneurial Training (WNET) program.

Walter Fronstin, district director of the Lubbock office of the U.S. Small Business Administration (SBA), said Ms. Shelan has set up a one-year program of counseling with her protegee, Gene Rowe, owner of Rowe's Ladies Fashions in Colorado City, Texas.

The WNET program was developed by the SBA's Office of Women's Business Ownership to support the emerging population of women business owners. The program recruits successful women business owners to act as mentors for fledgling companies owned by women.

Ms. Shelan said, "I am very interested in helping retail women business owners because that is what I did for 30 years, and I realize the problems often faced by women in business."

The SBA is accepting applications for mentors or protegees. Fore more information, call or write Jonanna Teeters, SBA's WNET Representative, at 1611 10th Street, Suite 200, Lubbock, TX 79401.

NOTICE OF PUBLIC HEARING ON MITCHELL COUNTY APPRAISAL DISTRICT BUDGET

The Mitchell County Appraisal District will hold a public hearing on a proposed budget for the 1993 fiscal year.

The public hearing will be held on September 10, 1992 at 8:00 p.m. in the Curriculum Room of the Colorado Independent School District Administration Building.

A summary of the appraisal budget follows:

The total amount of the proposed budget is $176,589.

SALARIES	$52,500.00
HOURLY	$2,500.00

Changes noted in state school testing program

Changes in the state's student testing program being phased in beginning this school year will expand the number of subject areas tested and cut back on the number of classroom hours devoted to taking statewide standardized examinations.

The first of the changes, which will be implemented gradually over a two-year period, will involve the scheduling of the Texas Assessment of Academic Skills (TAAS). During the 1992-93 school year, the TAAS will be given in the fall to students in grades 3, 7 and 11, and in the spring to students in grades 4, 8 and 10. But this will be the last time the test will be administered in the fall, and the last time it will be given to third- and seventh-graders.

However, for the first time, the exit-level TASS, currently administered to high-school juniors in the spring, will be given instead next spring to sophomores. By moving up the scheduling of the exit-level test, students who fail the exam will gain an extra opportunity to re-take it. Graduates must pass the exit-level TAAS to receive their high school diplomas.

"This streamlining of the testing process will allow us to focus attention on real preparation versus minimum graduation requirements," said Lionel R. Meno, Commissioner of Education.

The changes were approved by the State Board of Education at its meeting last April in Houston.

Other changes in the makeup of the test are planned for 1993-94 and 1994-95. New subject areas that will be added to TAAS include computer literacy, social studies, science, second-language proficiency, and physical fitness and health. The TAAS currently tests students in reading, writing and mathematics, but these examination cover less than 20 percent of the essential elements identified in the state's curriculum.

"We want to involve Texas educators at all levels in how and what should be tested," said Keith Cruse, senior director of the Division of Instructional Outcomes Assessment. "This must be done to mirror good classroom practices."

To expand the scope of the test and make it more efficient, new subject areas will require students to demonstrate their competency in performing a variety of tasks that reflect real-world situations. For instance, students may complete tasks on a computer to test their computer literacy, or perform experiments in a science lab. Field testing for the new subject areas will begin during the 1992-93 school year.

On the other hand, the state's new Norm-Referenced Assessment Program for Texas will be reduced in scope beginning this school year. The NAPT was given for the first time last April in grades 3 through 11, and tested reading, language, mathematics, social studies and science. Unlike the TAAS, the NAPT is based on national, not state, curriculum standards and is required for state evaluation for some federally funded programs. The test will continue to be administered to the same grades, but the required subject areas will be limited to reading and mathematics. This will significantly reduce the time students spend taking the test. Districts may continue to give the other subject areas on an optional basis.

German youth enjoys West Texas

A Monahans youth and a German youth enjoyed the best of their individual worlds this summer through the Rotary International Youth Exchange Program.

Shana Smith, 17, daughter of Ronnie and Judy Smith of Monahans and granddaughter of Wilford and Betty Oyler of Colorado City and great-granddaughter of Mrs. Margaret Oyler of Colorado City, visited Erlangen, Germany this summer as a participant in Rotary's Youth Exchange Program. While in Germany, she stayed in the home of a German family whose daughter, Anja Merchant, 19, returned to Monahans for a visit with Shana and her family.

Shana visited with Anja and her family from June 29 through July 28, and Anja returned to Monahans with Shana on July 28 and visited until August 24.

Erlangen is located in Bavaria which is rich in cultural history. Anja's mother was born in Erlangen but her father was born in India.

While in Germany, Shana enjoyed visiting the sites including a castle of which the castle at Disney Land was modeled. She camped three days at a town near Munich and visited a walled village.

She visited the site where World War II German dictator Adoph Hitler made some of his famous speeches and also viewed a monument to Hitler, which she said "made a big impression".

While in Germany, Shana visited the commissary in Erlangen which is like a "miniature Furr's, where we got some American food."

There the two visited the Farris barracks where Shana met an American soldier from Midland, who is stationed in Germany.

"He was glad to talk to another Texan," she said, adding that the man was bunking with an American soldier from Maine.

Of course, Shana and Anja had obstacles to overcome. One of them was a possible language barrier.

"I was worried because I knew no German, but I later found out that she (Anja) had eight years of English," said Shana, Anja also speaks French.

And there are also cultural differences that Shana was able to view first hand.

For instance, Shana said vacations in Germany are different than those in the United States. While U.S. citizens may go to another town in the same or another state, Germans, because of their geographic location, visit another country.

And what did Anja think of Texas? "I like it here. It's different. I like the landscape the most," she said.

While in Texas, Anja visited San Antonio as well as Canyon where she viewed the musical "Texas." She also visited the Sandhills State Park and the Million Barrel Museum.

Shana's road to Germany began at the beginning of school last year when high school counselor Gayla Langley presented information on the Rotary Youth Exchange Program.

Shana applied for the exchange program and interviewed with Rotary officials in November. In December, she was accepted for the program and by April 1992, she learned she would be going to Germany. Rotary's orientation helped her prepare for the trip which made the experience not as difficult as she thought it would be.

"Yes, it was very nice," Shana said of her trip. "It took a whole year to get ready. It was very interesting but different."

Anja Merchant & Shana Smith enjoy dinner at Palo Duro Canyon before seeing the musical "Texas".

Sanchez appointed to council

The Westbrook City Council appointed Kate Sanchez to fill a vacancy during their August meeting.

She joins mayor J. L. Rees and council members Sally Parker and Peggy Hill.

Trailer tickets on sale

The Mitchell County 4-H is now selling tickets for a Bruton 16-foot utility trailer to be given away during the Mitchell County Fair.

Your $1 donation will benefit the County 4-H and FFA Livestock Show.

Tickets may be purchased from any4-H member or at the Extension office at the courthouse annex.

Can Your Child See Well Enough To Learn??

When your children enter school this fall, about 80% of what they learn will come through sight. Yet 4 out of 10 children have vision problems that can inhibit school achievement. Most vision problems cannot be detected by the familiar eye chart test for 20/20 vision. Help make your child's future crystal clear.

Does Your Child.....

- Avoid close work?
- Hold reading material too close?
- Show excessive head movement while reading?
- Lose his place while reading?
- Rub eyes frequently?
- Make reversals while reading?
- Often have headaches?
- Uses a finger to maintain his place while reading?

If so, we recommend having your child's vision tested.
