YOU HELP MORE THE UNITED WAY

54TH YEAR — NO. 17 | 24 PAGES | COLORADO CITY, TEXAS, THURSDAY, NOVEMBER 27, 1958 | $5 Per Year in Mitchell County — 10c Per Single Copy

They'll Lead District

Here are the three officers who will lead Mitchell County Soil Conservation District board of supervisors during the ensuing months. From left to right are W. A. Dunnahoo of Loraine, vice chairman; W. W. Hester of Cuthbert, secretary, and Perry Bowles of Colorado City, chairman. The board election was last week.

City's Population Growth Climbs To Record 9,625

Two-Year Increase Of 800

Population of Colorado City now is increasing at the rate of approximately 800 persons every two years.

The fact was revealed Wednesday in Chamber of Commerce figures prepared for a West Texas "growth survey."

The figure, based on professional formula involving scholastic and utility customer counts, is approximately 800 higher than the estimated population two years ago.

* * *

JAN. 1 THE estimated population was 8,842—based on the same formula for the current population figure.

And Chamber of Commerce Manager Ernie Larmer said the November population count is almost 600 more than the population estimated here last January.

Compared to the U. S. Census of 1950, the 9,625 population is far ahead. The census lists 6,774.

The population figure was prepared by the Chamber of Commerce for West Texas Today, magazine of West Texas Chamber of Commerce. The magazine is conducting a "growth survey" of West Texas cities.

* * *

POPULATION GAIN for the city is reflected in current building, increasing school enrollment, tight rental housing problem and steady increase of utilities customers? Larmer said.

Purchasing power increase —a huge jump of 10 million dollars in last eight years to $22,250,000 — is another glaring evidence of the growth.

SOUTHWESTERN BELL Telephone officials previously have reported that the rate of increase in phone customers in Colorado City has been on par with the top communities of this West Texas area.

* * *

INCREASE IN utilities connections is charted in these figures: electric — 2,193 today, compared to 2,092 in 1950; telephone — 2,802 today, compared with only 1,842 in 1950; water — 2,241 today, compared with 1,683, in 1950; gas — 1,994 today, compared with 1,495 in 1950.

School enrollment now is 2,040, compared with 1,806 in 1950.

BIDS DUE IN '59 | ROW BUYING SOON

FREEWAY COST: 3.9 MILLION

"Construction bids for Colorado City's U.S. Highway 80 freeway link (Interstate 20) may be taken in Austin during second half of 1959.

Cost for the 6.9 miles of construction, including purchase of right of way, is estimated for a whopping $3,904,000.

That's the information State Highway District Engineer J. C. (Jake) Roberts of Abilene told 40 citizens at a design hearing Wednesday in County Courtroom.

"We will ask for bids and award construction contract," Roberts said, "just as soon as plans go out and right of way is bought.

"Construction has got to be started by 1960 and; right now, it looks like we might be ready for bids sometime next year (1959)."

Design and location plans for the big project — final link in the Interstate 20 route across Mitchell County — already are completed.

And actual right of way purchase here in Mitchell County are expected to begin soon.

Right of way will be purchased, not by local funds, but with federal-state money. Therefore, Texas Highway Department will be in charge of all right of way buying.

Roberts told the hearing that local appraisers will be used for right of way purchasing if properly qualified and licensed personnel is available here.

But indications are that special teams will be brought in to obtain right of way.

"We want to pay a man every dime we owe," said Roberts in answering a question by Precinct 1 Commissioner Sam Thompson, "but we don't want to pay a dime more."

Business routes into Colorado City's downtown area, following present Highway 80 route from the freeway, will be marked with new-type interstate highway signs.

Manner for designating the business route was questioned by Chamber of Commerce Manager Ernie Larmer.

Signs will call attention

See FREEWAY, Pg. 7

$100 CASH IN FREE PRIZES

Cars, Farm Implements In Auto Show Saturday

Colorado City Record's Second Annual Auto Show will be staged here Saturday with $100 in free cash prizes for spectators.

Featured in the show will be displays of the newest 1959 car models, farm tractors and equipment, boats and outboard motors.

Site for the outdoor show—entirely free to all citizens—will be downtown in the 100 block of Walnut. Time will be from 10 a. m. until 2 p. m.

Eleven dealer firms will sponsor exhibits at the show—displaying 16 lines of automobiles, trucks, farm tractors, boats and motors.

The exhibits will extend from Second St. to First St. on Walnut, with displays in three lines—at both east and west curbs of Walnut and in mid-street.

Spectator walkways will be on the street pavement and on sidewalks.

Every person attending the Auto Show will have 10 free chances for winning part of the $100 cash prizes that will be given away by the Colorado City Record.

First prize will be $50; second will be $25; third will be $15; fourth will be $10—all cash.

Registration blanks for the prize money will be at each separate dealership display—10 in all. And each Auto Show spectator can register at every exhibit, therefore receiving 10 chances at the awards.

Drawing for the cash prizes will be at the close of the show in mid-afternoon Saturday. However, presence at the drawing is not required to win.

It will be a record display Saturday, for the show has expanded from the first annual presentation last year that had eight dealer exhibits.

There are 10 dealers this year sponsoring exhibits. And the list of exhibits — brand displays by the dealers—has increased greatly.

Infact, every Colorado City automobile and farm implement firm will sponsor exhibits Saturday.

Eight separate lines of automobiles — including one foreign — will be shown by the following dealers: Jay Adams Chevrolet and Oldsmobile, Craddock-Witten Ford, Hunter-Merket Pontiac, Buick and Vauxhall; Frank Motor Company Plymouth and Chrysler.

Five dealers will show tractor and farm equipment. M. N. Caddell Inc. will display Lone Star boats and Evinrude outboard motors.

Crowds at last year's Auto Show placed their signatures on more than 4,000 cards while registering for prize money. Lucky winners last year were Mrs. Dwaine Williams, who took home $50 in cash; Burton Hines of Westbrook, $25 cash; A. A. Free, $15 cash; Patricia Ann Rich of Route 2, $10 cash.

★ ★ ★ ★ ★ ★

TRACTORS, EQUIPMENT

Five Firms Show Farm Implements

Newest and finest farm implements will be a big feature of the Colorado City Record's Second Annual Auto Show here Saturday.

Five implement dealers of Colorado City will display the latest and most advanced farm machinery for West Texas agriculture.

The big farm display will be on the pavement in 100 block of Walnut along with the 1959 auto models and newest models in boats and outboard motors.

Infact, the farm implement display will rival the automobile display in size and numbers.

Exhibiting farm equipment at the Saturday show will be these five authorized dealers:

Costin Bros. with Ford tractor equipment.

Merket Bros. with John Deer tractors and equipment.

Shurtleff Bros. with Oliver tractors and equipment.

Griffin Truck & Tractor — Farmall tractors and McCormick implements by International-Harvester.

Walker Implement Company with Allis - Chalmers tractors and equipment.

Displays by all five dealers will feature latest models and improvements.

For instance, Shurtleff Bros. will show the Oliver 880, a new 4-5 plow tractor, and its row crop companion, the Oliver 770, a 3-4 plow tractor.

In the Griffin Truck & Tractor Company's Farmall display will be some of the largest and most powerful diesel, gasoline and butane powered tractors in this area.

The new Allis-Chalmers D-17 diesel powered tractor for big implements will be a highlight of the Walker Implement exhibit.

Costin Bros. will show the Ford row - crop tractors, the powerful 3-4 plow 900 series and the 2-3 plow 700 series, with models for diesel, butane and gasoline.

A big feature of the John Deere exhibit by Merket Bros. will be a new two-way plow, plus other tractors and implements.

The farm implement displays will be interspersed with the new car exhibits in the block-long show. Spectators can register at the farm displays for the $100 prize money.

Buford HD Meeting

Mrs. Boothe Slaughter will host a meeting of the Buford Home Demonstration Club in her home Friday morning at nine-thirty o'clock.

Chamber Ballots to Membership Dec. 1

Ballots for election of four new Chamber of Commerce directors will be mailed Dec. 1 to chamber membership.

Approximately 285 active members, firms and individuals will receive the ballots.

Marked ballots must be returned to the chamber office by Dec. 10 to be counted in the election.

Four directors will be elected for three-year terms from a list of eight nominees — Paul Boston, Glenn R. (Bob) Robinson, George Witten, Bob Pender, Dr. Seth Cowan, Philip Berman, Dewey H. Davis and Wayne Shawn.

AT WESTBROOK FESTIVAL

Seniors Reign as Harvest Royalty

A couple of seniors, Doyce Lankford and Linda Butler, reigned as king and queen of Westbrook School's Harvest Festival Saturday night.

Honored as prince and princess at the festival were Jimmy Rees and Patsy Rees, sixth grade students.

The royal couple were elected by votes from a field of candidates representing every grade of the school.

Coronation ceremony was a highlight of the festival sponsored by Westbrook Parent-Teacher Association.

The queen, Miss Butler, is the daughter of Mr. and Mrs. Coit Butler. Lankford, the king, is the son of Mr. and Mrs. Troy Lankford.

Runners-up were in the king and queen contest were Tanya Boatright; daughter of Mr. and Mrs. Joe Boatright of Colorado City, and Jessie Watson, son of Mr. and Mrs. J. M. Watson, also of Colorado City, both freshman students.

The princess, Patsy Rees, is the daughter of Mr. and Mrs. T. A. Rees. Her prince, Jimmy Rees, is the son of Mr. and Mrs. Louis (Choppy) Rees.

No. 2 couple in the prince and princess voting were Artie Butler and Darlene Lankford, fifth graders.

Crown bearers were Kathie Lee and Danny Whitehead. Patsy Morris and Junior Oden. Train bearers were Lindley Smith and Barbara Chenoweth. Debbie Hines and Cynthia Richardson were flower girls.

On the fun program for the festival were entertainment and concession booths sponsored by various classes of the school.

Proceeds from the festival will be used for various school programs.

Mrs. Ed Roach Dies; Funeral Held Tuesday

Mrs. Ed Roach, 56, long time resident of the Payne community, died Sunday night in Hendrick Memorial Hospital in Abilene following an illness of three weeks.

Funeral services were conducted Tuesday at 2 p. m. in Payne Baptist Church with the pastor, Rev. Fred Smith, officiating, assisted by Rev. Bill Cathey, former pastor, of Fort Worth.

Mrs. Roach was born in Scurry County, Nov. 29, 1901.

She married Ed Roach in Colorado City May 22, 1922. The couple lived in the Payne community, where Mr. Roach is engaged in farming. Mrs. Roach was a member of the Payne Baptist Church.

Survivors include the husband, Ed Roach of Colorado City; two sons, Ed Roach Jr. of Colorado City and Billy Earl Roach of Tulia;

Also, three brothers, E. N. Burk of Colorado City, Lester Burk of Seymour and Johnny Burk of Andrews; three sisters, Mrs. Zada Radde of Sterling City, Mrs. Alice Don Carlos and Mrs. Florence Flory, both of Alameda, Calif.

Pallbearers were T. L. Holman, C. E. Welch, N. O. Brown, Dennis Fortenberry, Grady Beach, Odell Fuller, Johnny Tiller and Ernest Venus.

Burial was in Colorado City Cemetery.

AMONG 10 DISTRICT TEAMS

Loraine Edges C-City In Top FFA Contests

Loraine High and Colorado City High Future Farmers were No. 1 and 2 in major competition of Lone Wolf District leadership contest.

Contest events — with FFA teams from 10 schools competing — were conducted last week in Snyder.

Loraine FFA Chapter's senior and junior farm skills teams won first place in their two contests. And right in the No. 2 spot both times were the Colorado City Future Farmer teams of James Trammell.

It was the fifth consecutive year Loraine has won the senior skills event and the fourth straight year for Loraine to triumph in junior skills.

Raymond Holt's team from Loraine in the senior skills was Ronald Haley, Maylon Beaty and Marvin Wallington. His junior skills team was Tim Marcum, Walter Clopton and Gerald Owen.

Representing Colorado High in senior skills were Johnny Brown, Gary Lambeth and Kenneth Beazley. Junior skills team was Charles Bearden, Joe Smith and Alton Currie.

Colorado City teams also placed third in senior chapter conducting, fourth in junior chapter conducting, fifth in farm radio.

Loraine placed fourth in senior conducting, second in farm radio and sixth in FFA quiz.

Representing Colorado City in the third, fourth and fifth place teams were: Johnny Brown, Gary Lambeth, Dwayne McGuire, Roy Craighead, Lewis Hartsfield, Kenneth Beazley and Jackie Joiner; senior conducting; Charles Allmond, Kenneth Stinson, Henry Ross and John McShan, farm radio.

On the three other placing teams for Loraine were Stanley Martin, Joe Edwards, Ben Clopton, Larry Young, Floyd Stone, A. D. Simon, Kenneth Johnson and Jerry Baumann, senior conducting; Larry Young, Joe Edwards and Stanley Martin, farm radio; Polly Pargett, Thomas Vest, Robert Stewart and Don Redwine, FFA quiz.

Complete results of the district contest follows:

Senior chapter conducting—Ira, first; Sweetwater, second; Colorado City, third; Loraine, fourth; Snyder, fifth.

Junior chapter conducting—Roscoe, first; Snyder, second; Highland, third; Colorado

See FFA, Pg. 7

Two-Car Collision Injures 4 Persons

Four persons were injured Tuesday in a two-car collision at the intersection of Vine and E. 19th St.

Rodney Dockrey, two-year-old son of Mr. and Mrs. Charles Dockrey, was moved to Parkland Hospital in Dallas for special treatment for a jaw fracture.

Injuries were reported slight for the other three hurt in the wreck.

The collision happened at about 8:55 a. m. between a 1957 Chrysler sedan, driven by Mrs. Sam L. (Buzz) Majors, and a 1953 Ford convertible, driven by Mrs. Dockrey.

The Majors auto was moving east on E. 19th St. and the Dockrey car was traveling south on Vine, according to Police Chief Leon Yeager, who investigated the crash.

In the Dockrey car were Rodney, who was to remain at the Dallas hospital for 24 or 48 hours, and two other Dockrey children — Rhonda Gail, 6, whose head cut required five stitches, and Bruce, 4, unhurt.

Joe Kirschbaum, 5, passenger in the Majors car received a cut in the left eyebrow that required four stitches. Mrs. Majors suffered multiple bruises.

Two other children — Chris Caddell and Cathy Cornwell, passengers in the Majors car —were unhurt.

Car Victim's Funeral Here

Funeral services for Juan Luera, 16, were conducted Tuesday morning at 9 o'clock in St. Ann's Catholic Church with Rev. Thomas Quinlivan officiating.

Luera died Sunday from injuries received in a car wreck Saturday in Austin. He was born June 27, 1942, in Mitchell County and had lived here all his life.

He is survived by his parents, Mr. and Mrs. Pedro Luera of Colorado City; five brothers and five sisters.

Burial was in Mitchell County Cemetery.

Money Off The Tree

Mrs. Buddy Hertenberger, wife of one of Colorado City's two Texas Highway patrolmen, shows how a merchant's "Money Tree" Saturday provided her with a $25 cash certificate in exchange for her lucky auto license number.

$1,620 MORE ON TREES

Shoppers Win $535 Total

Lucky shoppers here Tuesday and Saturday won $535 at merchant "Money Trees."

Forty - one persons took home $280 in cash certificates Tuesday and 45 persons won $255 Saturday.

It was the biggest money spree so far in the "Money Trees" program which is offering cash prizes ranging from $5 to $100 for lucky car license numbers.

And the "Money Trees" Saturday after Thanksgiving will be loaded again with 263 lucky numbers worth $1,620.

Adding to the Saturday bonus attraction for Colorado City shoppers will be the Colorado City Record's Second Annual Auto Show, 100 block Walnut, which will offer $100 in cash prizes to spectators registering at the show between 10 a. m. and 2 p. m.

Big winner Tuesday in "Money Trees" was Mrs. Mae Fuller, whose CY 2381 license won a $50 prize. Cecil L. Shafer won $25. Kent Womack and Cecil Clark, $10.

Winning $25 prize Saturday was Mrs. Buddy Hertenberger. Awards worth $10 went to Charles Stubblefield and S. L. Simmons.

Five dollar winners during the last two awards days were:

Chip Payne, W. A. Lindsey, Roy Barker, Matt Alvarado, Robert L. Ramage, A. L. Maddin, Andrew Johnson, Mrs. Carlton Black, H. E. Beasley, J. D. Iglehart, Clovis Boren, O. L. Williams, Robert T. Hargrove, C. H. Graham, T. J. Geiger.

Billy Hammond, Earl A. Simmons, W. A. Lindsey, S. F. Keathley, Will Worrell, Morris Sloan, Mrs. B. M. Moore, Mrs. Joe Smoot, C. B. Webb, Julian Smith, H. C. Pace, C. S. Snowden, Travis Pritchett, Billy Robertson, Mrs. W. D. Jameson, Ruffin Locker Plant, M. K. Sparks, Louis Fisher, Merchants Motor Lines, H. E. Allard, S. W. Hamm, Mrs. Leonard Long.

T. L. Johnson, Mrs. Foy Webb, Marvin Cherry, H. L.

AT ALL-DAY MEETING

North Loraine Club Appoints Project Committee Leaders

By MRS. C. C. HAMILTON
Record Correspondent

LORAINE — Mrs. Raymond Wheeler hosted an all day meeting of the North Loraine Home Demonstration Club Wednesday, Nov. 17, in her home seven miles south of Loraine.

Mrs. Jack Linam, president, presided during the business session when committees and demonstrators were appointed for the coming year.

Named as demonstrators were Mrs. Willie Taylor, food; Mrs. Linam, orchid; Mrs. Wheeler, landscape; Mrs. Roy Wells, clothing and Mrs. J. E. Price, housing.

Committee chairman named for the new year are Mrs. Wheeler, program; Mrs. Wells, 4-H; Mrs. O. J. Hamrick, civil defense; Mrs. Buck Taylor, expansion; Mrs. Bud Sheppard, education; Mrs. Price, publicity; Mrs. Floyd Richey, hospitality; Mrs. Willie Taylor, recreation and Mrs. Ralph Lankford, marketing.

Club prayer was led by Mrs. Wheeler. Roll call was answered by giving hints on "short cuts on laundry."

During the social hour members made gifts for McKnight Tuberculosis Sanitorium near San Angelo.

Present for the meeting and covered dish dinner were Mrs. Sheppard, Mrs. Richey, Mrs. Hamrick, Mrs. Price, Mrs. Linam, Mrs. Wells, Mrs. Taylor and the hostess.

* * *

Mr. and Mrs. Bobby Reddin and baby and Wayne Reddin of Odessa visited last week end with their sister and family, Mr. and Mrs. E. C. Compton.

Mrs. Etta Sandlin of Ervin is visiting her sister-in-law, Mrs. H. B. Wilson.

Mrs. Frank Johnson Hosts 1950 Club

By MRS. C. C. HAMILTON
Record Correspondent

LORAINE — Members of the 1950 Club were honored with a Thanksgiving dinner Monday evening in the home of Mrs. Frank Johnson.

Thanksgiving motif was carried out in the decoration of party rooms. Dining table was laid with a Thanksgiving cloth centered with a cornucopia.

Guests were seated at four some tables that had an arrangement of red roses. Served a Thanksgiving dinner were members — Mrs. Fay McCollum, Mrs. Josephine Marshall, Mrs. Cora Hall, Mrs. Pauline Smiley, Mrs. J. D. McDonald, Mrs. Maylon Compton, Mrs. Lily Bennett and two guests — Mrs. Jim Taylor and Miss Mildred Evans.

Following the dinner, games of canasta were played by the group.

* * *

Mrs. J. C. Hall Sr. returned home Saturday following a ten day visit in Houston with her daughter and son-in-law Mr. and Mrs. M. A. Baumgarten and in Arlington with another daughter and family Mr. and Mrs. Joe Milsap and children.

* * *

Mrs. Herbert Mearse was honored with a party last Saturday in the home of Mr. and Mrs. Wilmon Tartt and daughters, Loretta, Judy and Gwen.

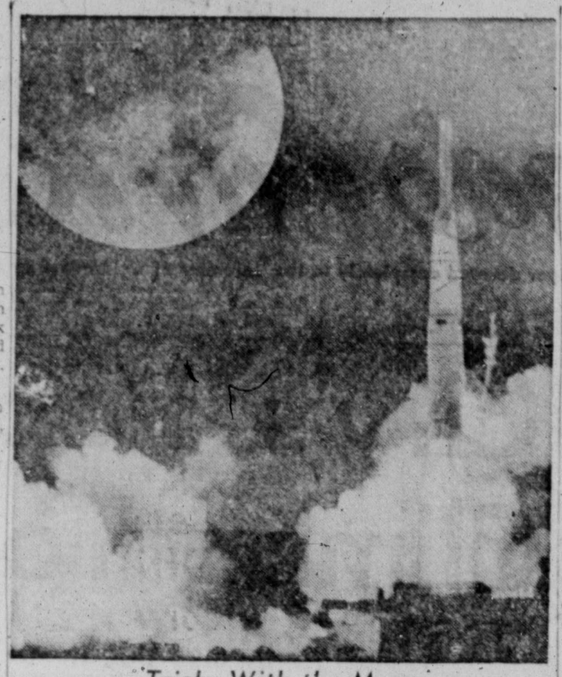
Homemade ice cream and cake were served following games of "42".

Attending the surprise fete were Mr. Mearse and children, Mike and Jan; Mr. and Mrs. E. J. Schroeder and daughters Carolyn and Bobby Lou; Mr and Mrs. Howard Tartt and sons, Danny and Jimmy; the honoree and the host family.

Entertain Guests

Mr. and Mrs. Dan Butler of Loraine entertained guests in their home last week end.

Among those visiting in their home were Mr. and Mrs. W. P. Sandlin of Fort Worth; Mr. and Mrs. Joe Bailey Barton of Ervin; Mr. and Mrs. Harry Dockrey and sons of Colorado City and Mrs. H. B. Wilson.



Tricky With the Moon

An intentional double exposure produced this picture of so-near-and-yet-so-far. Shot of the moon was taken several nights before the ill-fated moon shot of the Air Force Thor-Able rocket from Cape Canaveral, Fla. The Army next will take up man's attempt to orbit the moon with a satellite.

ROBERTSON & MILLER

Local Pair Ends Radar Schooling

Pfc Bill F. Robertson, son of Mrs. Georgia L. Tarver, 895 E. Eight St., recently completed the 33-week radar repair course at the Army Signal School, Fort Monmouth, N. J.

Robertson received training in testing, repairing and performing maintenance on ground radar equipment.

He entered the Army last December and received basic training at Fort Carson, Colo.

The 21-year-old soldier is a 1955 graduate of Colorado City High School and attended North Texas State College. He was formerly employed by the Texas Highway Department. His father, Henry J. Robertson, lives in Coahoma.

* * *

Completing the same 33-week training course also was Pfc James W. Miller, son of Robert W. Miller, Coahoma.

Miller received training in testing, repairing and performing maintenance on ground radar equipment.

He entered the Army last December and received basic training at Fort Carson, Colo.

The 20-year-old soldier is a 1956 graduate of Colorado High School, Colorado City, and was formerly employed by Texas Electric Service Company, Big Spring. His mother, Mrs. Neva O. Miller, lives in Midland.

* * *

Jimmie D. Morris, apprentice petty officer third class USN, son of Mr. and Mrs. C. S. Morris of 644 Cypress St., was graduated Nov. 7 from Recruit Training at the Naval Training Center, San Diego, Calif.

Apprentice petty officers are chosen from the ranks of the seaman recruits to assist Company Commanders. The selection is based on individual aptitude and leadership qualities.

Brown to Air Base For Medical Check

James Brown, son of Mr. and Mrs. Preston Brown of Loraine, was in San Antonio recently for a medical check at Lackland Air Force Base.

Brown has been on retirement leave from the Air Force since being stricken two years ago with rheumatic fever while with the Air Force in Wyoming.

Present-day Brooklyn resulted from the consolidation of numerous small villages, first of which was settled by the Dutch in 1936.

Iglehart Home Is Scene For Reunion

By MRS. ALTIS CLEMMER
Record Correspondent

Anne Reed Is St. Edward's Cheer Leader

By MRS. J. T. STEWART
Record Correspondent

SILVER — Anne Reed, daughter of Mr. and Mrs. Wayne Reed, was elected cheer leader of St. Edwards University in Austin recently.

Miss Reed is a 1958 graduate of Colorado High School and is attending Seton School of Nursing in Austin and studying at St. Edwards University.

Mrs. Andy Prather recently underwent surgery at Seton Hospital in Austin. Her mother, Mrs. O. W. Newell has been Austin visiting her.

Fishy Operation

Dr. Reginald Dutta completes removal of a cataract from the eye of a rare Celestial-Eyed Veiltail in his fish surgery in London, England. Stimulant supplied in minute quantity by an assistant with a hypodermic needle is given to the fish just before it's returned to its tank. Known formally as an "aquarist veterinary surgeon," the doctor operates on patients sent to him by fish fanciers in many countries.

Coach Speaks To Loraine P-TA Meeting

LORAINE — Claud Morrison, coach at Loraine High School, and Mrs. Wilmon Tartt, fifth grade teacher in the Loraine School system, presented the program last Thursday afternoon for the regular meeting of the Parent-Teacher Association.

Mrs. Tartt presented a talk on "Thanksgiving Thoughts", Topic of Morrison's speech was "Bad Publicity of Our Children".

During the business, Mrs. Bruce Byrne, president, presided.

The P-TA voted to improve the school library and help collect books for the library.

Mrs. R. B. Cope's fourth grade room had the most parents present with the senior class next.

* * *

Sherri and Terri Long of Colorado City visited Tuesday with their great-grandmother, Mrs. Cora Hall.

BY CHURCH CLASS

Committees Named For Yule Party

WESTBROOK — Mrs. H. E Sullivan entertained members of the Ruth Sunday Class of the Westbrook Baptist Church recently in her home.

Mrs. W. T. Brooks spoke the opening prayer.

Presenting the devotion for the meeting was Mrs. N. J McMahan.

During the business session committees were appointed for the Christmas party to be held Dec. 17 in the Golden Age recreational room in Westbrook.

Mrs. Rex McKenney and Mrs. Charles Ranne were named to the program committee with Mrs. Troy Lankford and Mrs. Sullivan, food Mrs. T. O. Robinson and Mrs McMahan, decoration and Mrs W. A. Bell and Mrs. Brooks recreation.

The class voted to contribute $15 to buy material for the Nursery at the church.

Refreshments of cookies and coffee were served to Mrs Brooks, Mrs. McMahan, Mrs Bell, Mrs. McKenney, Mrs Ranne, Mrs. Lankford, Mrs Royce Moore, Mrs. Robinson Mrs. Altis Clemmer and the hostess.

* * * *

Mrs. Altis Clemmer entertained with a party in her home last Thursday afternoon.

Attending were Mrs. W. A Bell, Mrs. Jim Berry, Mrs. Etta Henderson, Mrs. Oren Moore, Mrs. Pete Ellis, Mrs. P. E. Clawson, Mrs. Sam Oden Mrs. N. J. McMahan, Mrs H. E. Sullivan, Mrs. Troy Lankford.

Also, Mrs. R. O. Lee and Kyla, Mrs. Royce Moore, Tim Oden, Mrs. T. E. Lewis, Mrs. Ed Rothwell of Colorado City.

* * *

Mr. and Mrs. J. R. Trent left Friday for Florida where they will visit for six months with their daughter and son-in-law.

Trio Reports SBA Office Due for Area

Three members of Colorado City Chamber of Commerce attended a small business administration clinic Tuesday in Austin.

The clinic was sponsored by Austin Chamber of Commerce and Texas Bank & Trust Company of Austin.

Attending from here were Charles Root, chairman of the chamber's industrial development committee; James Boyd, chamber director and directorate representative on the oil development committee; and Ernie Larmer, chamber manager.

The group reported that the federal government's Small Business Administration will open a regional office in Lubbock early in 1959. The new West Texas SBA office will facilitate SBA loans and technical assistance to small businesses in this West Texas area.

New phases of the SBA program, since the Small Business Administration has been made by Congress a permanent agency of the federal government, were discussed at the clinic by C. W. Ferguson, regional director of SBA in Dallas; A. K. Choates and Ben Martin, also of the SBA staff in Dallas, and J. R. Woodall, SBA staffer in San Antonio.

Holiday Visitors

Mr. and Mrs. Troy Kegans and sons of Wichita Falls and Mr. and Mrs. Jack Allbright and children of Odessa are visiting during the Thanksgiving holidays with Mrs. Kegan's and Mrs. Allbright's parents, Mr. and Mrs. Wiley Walker of Loraine.

Local Delegate to State Cancer Meet

Mrs. Neil Scott will attend the 13th Annual Meeting of the Texas Division of the American Cancer Society at the Driskill Hotel in Austin, Dec. 4 and 5, as the official delegate of the Mitchell County unit.

Advance registration for the annual meeting indicates that more than 300 delegates and members of the Texas Division will attend the two-day meeting.

Delegates to the annual meeting will participate in a program which will consider problems on cytology, crusade, service to cancer patients and public education and will seek ways and means of increasing the effectiveness of the Texas

Group Meeting

Lillie Harness Group of First Christian Church will meet Monday afternoon at three o'clock in the church parlor.

Cal C. Wright Guest Speaker For Hesperian Club Program

Cal C. Wright, retired Methodist minister, was guest speaker for the Hesperian Study Club Friday in the home of Mrs. J. A. Sadler.

"Part Played by the Church in Frontier Life" was topic of his discussion.

"The church was the center of community life on the frontier," Mr. Wright told the group. "Methodist, Baptist, Church of Christ and camp meetings were looked forward to, by the whole community, with a great deal of interest."

Mr. Wright told the group that he had ridden circuit for eight churches in the early days of his ministry and was chaplain of the Association of Sherriffs Posse.

"People lived together in early days and were always ready to lend a helping hand to the sick and needy," he said, and concluded with, "Our founding fathers paid a very high price for our spiritual, educational and political life."

Others presenting discussions for the afternoon program were Miss Mabel Smith and Mrs. Bennett Scott.

Miss Smith discussed "Cowboy Camp Meetings of the Davis Mountain Region".

"It is no rarety on an August day to come upon a tent filled with people singing hymns in the Skellman's Grove area of Fort Davis", Miss Smith told the group.

"The camp meetings date back to 1890 and it's existence today is one of the true representations of the finest quality of the old West," Miss Smith said.

"The camp meeting has aptly been called the cornerstone for a firm foundation of religion built in the West", Miss Smith concluded.

Mrs. Scott spoke of the mission work with Latin-Americans. "Mobile units called 'Harvesters", churches on wheels which are really station wagons, are equipped with all that is needed for a well rounded program—spiritual help, recreational activities, health service — extend a welcome to the communities they serve as the missionaries move from crop to crop harvest where they are needed and can do so much for the migrant workers," Mrs. Scott told those present.

Mrs. J. D. White was program leader for the meeting.

Mrs. J. W. Watson, president, presided during the business meet preceding the program.

Mrs. Sadler served dessert plates to one guest, her mother, Mrs. M. E. Lindley and members Mmes. Arthur Barry, Lynn Halbert, J. E. Hale, Otto Jones, E. M. Majors, Scott, V. V. Shropshire, O. L. Simpson, R. K. Snethen, G. O. Thrower, Watson.

Also, Mmes. White, E. H. Winn, Cal Wright, Raymond Perdue, C. E. Cogswell, S. O. Wulfjen and Miss Smith.

Class Plans Thanksgiving Project

Members of the Faith Sunday School Class of First Baptist Church voted to prepare a Thanksgiving basket of food and clothing for a needy family, at their regular meeting Thursday evening, Nov. 20, in the home of Mrs. Bill Everett with Mrs. Fred McKay as cohostess.

Mrs. Everett, class president, presided during the business session and members completed plans for this Thanksgiving project of the class.

"My Crystal Ball" was the devotion topic presented by Mrs. Al Byrd.

The closing prayer was directed by Mrs. McKay.

Following the social hour the hostesses served refreshments of angel food cake and strawberry punch to two guests, Mrs. Wayne Shawn and Mrs. John Turner. Members present were Mrs. B. D. Mason, Mrs. Truman Bodine, Mrs. A. K. McCarley Jr., Mrs. Bill Burleson, Mrs. Bill Riemenschneider, Mrs. Ted Stone, Mrs. Bill Holbert, Mrs. Byrd, Mrs. Charles Baker, an honorary member, Mrs. Juanita Johnson; and the hostesses, Mrs. McKay and Mrs. Everett.

Farewell Fete Honors Mrs. Garner

A farewell bridge party complimented Mrs. Gene Garner Wednesday, Nov. 19, in the home of Mrs. E. B. Carlock.

Hostesses for the fete were Mrs. Carlock, Mrs. John Russell, Mrs. Virgle Hendley and Mrs. R. A. Moore Jr.

Party rooms were decorated with fall arrangements of golden chrysanthemums.

Mrs. Garner, who will be moving to Carthage Dec. 1 with her family where her husband has been transferred by Sun Oil Company, received gifts of handkerchiefs from guests attending and also a gift from the hostesses.

During the evening bridge games, four tables of guests played and high score was awarded to Mrs. Mack Tunnell. Mrs. Garner won the low score.

Guests attending in addition to the honoree, Mrs Garner, were Mrs. Porter Richardson, Mrs. Marvin Wingate, Mrs. H. F. Tinsley, Mrs Bob Ratliff Jr., Mrs. Tunnell, Mrs. Garland Zimmerman, Mrs. Buddy Hertenberger, Mrs. Bob Chalker, Mrs. Emmet Banks Jr., Mrs. Charles Godwin, Mrs. Francis Winn and the hostesses, Mrs. Russell, Mrs. Hendley, Mrs. Moore and Mrs. Carlock.

Officers of Self Culture Club

Four officers of the Self Culture Study Club were served refreshments following a club program Friday afternoon which featured Dr. Kenneth W. Cowan as guest speaker. Officers are, left to right, Mrs. J. L. Strain, first vice president; Mrs. Tom Grant, second vice president; Mrs. Leslie Keith, treasurer; and Mrs. A. A. Herrington, parliamentarian.

DISCUSSES HEART, BLOOD PRESSURE

Dr. Cowan Program Speaker For Self Culture Study Club

Dr. Kenneth W. Cowan, president of Abilene District of the Heart Association, was guest speaker Friday afternoon, Nov. 21, for a meeting of the Self Culture Study Club in the home of Mrs. A. A. Herrington.

Dr. Cowan discussed heart disease and high blood pressure at a regular meeting of the club.

"High blood pressure, like fever, is only the sign of some underlying disease," Dr. Cowan stated. "We can now isolate the cause in 20 per cent of all cases of high blood pressure. The Treatment should be directed at the underlying cause in these cases.

"Many of the people who think they have blood pressure realy only have arteries which are less elastic and do not compress so readily," Dr. Cowan added. "These people may have blood pressures over 200 but do not represent disease.

"High Blood pressure, regardless of cause, puts an added strain on the heart," Dr. Cowan added. "Some hearts can not hold up for great lengths of time under this added strain.

"Others can — treatments in the 80 per cent of cases for which the cause is unknown is directed at relieving this added strain," Dr. Cowan stated.

A round table discussion followed Dr. Cowan's talk with Dr. Cowan answering questions presented by members.

Dr. Cowan was introduced by Mrs. Herrington.

Opening prayer and pledge of allegiance to the flag was directed by Mrs. Leslie Keith.

Mrs. J. L. Strain, first vice president, presided in the absence of Mrs. Wakefield, president, who is ill in Arkansas City, Kan.

Mrs. Strain announced the cancer film for women which was shown at the Palace Theater Tuesday. She also reminded club delegates to attend the regular meeting of the Mitchell County Federation of Women's Clubs Tuesday in Civic House.

Reports were presented by various club officers.

The club voted to subscribe to the National Geographic Magazine for the Federation Library, which has been a project of the club for a number of years.

All club members present signed a get-well card which was mailed to their president, Mrs. Wakefield.

A letter of appreciation was read from Mrs. C. P. Gary, a club member, expressing gratitude for many courtesies by the club and members, recently during the death of her mother.

Mrs. Tom Grant expressed appreciation for the club's sympathy at the death of a grandchild.

During the social hour, following the business session and program, the hostess served salad plates to the following members — Mrs. John Brown, Mrs. D. H. Davis, Mrs. Grant, Mrs. Keith, Mrs. R. M. Reed, Mrs. J. L. Strain, Mrs. L. A. Strain, Mrs. L. J. Taylor, Mrs. E. L. Tiller, Mrs. Tom Glover, Mrs. Leroy Gressett, Mrs. Wilford Fox, Mrs. C. C. Berry, Mrs. J. C. Hooker, Mrs. A. H. Jackson and Mrs. Paul Beeman.

Mrs. Grant will host the next meeting of the group

Dr. Cowan, . . . guest speaker

"High blood pressure is not a disease, but the sign of some underlying disease," Dr. Kenneth Cowan emphasized in his talk Friday to members of the Self Culture Study Club.

Auxiliary Meeting

The Colorado City Fire Department Auxiliary will meet for a regular business session Thursday at 7:30 p. m. in the clubroom at City Hall.

Mrs. Smith to Visit In Shreveport, La.

Mrs. Jack Smith left Tuesday enroute for Grand Prairie to visit in the home of her grandson and family, Mr. and Mrs. Jack Smith Donaldson.

While there the group will go to Shreveport, La., for the Thanksgiving holidays to visit with Mrs. Smith's granddaughter, Mrs. Sam Spano. Mrs. Smith's daughter, Mrs. John Murrell Jr. of Fort Worth will also be a guest in the home of her daughter, Mrs. Spano.

AT REGULAR MEET

Jaycee-ettes Plan Christmas Projects

Jaycee-ettes voted to decorate the Christmas tree at the Civic House at their regular dinner meeting Thursday evening, Nov. 20, in Civic House.

The group voted to be responsible for decorating the Christmas tree planned to enhance the Civic center during the holidays.

During the business meeting Mrs. Johnny Grubbs, president, presided and the organization also voted to participate in the "Light A Window" contest.

Mrs. Ernest Larmer presented a report of the club's recent fund raising project, which was the serving of a mid-night supper for the Square Dance Association.

The group also discussed a Jaycee-ette Christmas party, tentative date for this fete is Dec. 20. Other plans for the party will be completed and announced later.

Those present for the dinner meeting in Civic House were Mrs. Bob Williams, Mrs. Glen Wood, Mrs. Charles Ezell, Mrs. Charles Gatchell, Mrs. Larmer, Mrs. Grubbs, Mrs. John D. Followill, Mrs. Bob Pender and Mrs. Cummins Wood.

OF COLORADO CITY FIRE DEPARTMENT

Thanksgiving Dinner Honors Auxiliary Guests, Members

Members of the Colorado City Fire Department Auxiliary were hostesses for their annual Thanksgiving dinner complimenting their families Thursday evening, Nov. 20, in the clubroom at the City Hall.

Leonard Henderson, retired volunteer fire-chief, presented the invocation.

A traditional Thanksgiving turkey dinner was served from a buffet table covered with a white cloth which was centered with a "Horn-of-Plenty" filled with assorted fresh fruits. Other room decorations featured a drawing of a Pilgrim scene, inscribed with the words "We Give Thanks To Thee, O Lord", which was drawn by Mrs. Don DeLaney. Smaller tables were enhanced with colorful fall leaves and flowers tied with green and gold ribbons.

Following the dinner hour games of "42" were played with Mrs. Virgil Eaton winning high score and R. A. Moore Jr., low score. Mrs. Babe Cox won the traveling prize.

Dinner guests attending the Thanksgiving fete were A. G. (Red) Ballard, fire-chief; Mr. and Mrs. M. V. Cornwell.

Auxiliary members and families attending were Mr. and Mrs. Henry Pond Jr. and children, Mr. and Mrs. H. C. Pendergrass and son, Denzil; Mr. and Mrs. Truman Henderson and son, Robert Truman; Mr. and Mrs. Dick DeLaney, Don Seale, Mr. and Mrs. Leonard Henderson, Mr. and Mrs. Eaton, Mr. and Mrs. Robert Henderson and daughters, Mr. and Mrs. Moore, Mr. and Mrs. L. O. Schafer, Mr. and Mrs. Virgil Brown and children.

Also, Mrs. Babe Cox and daughter, Tinker; Mr. and Mrs. Dwain Williams and children, J. A. Sadler Jr., Mr. and Mrs. Don Henderson and daughters, Mr. and Mrs. Don DeLaney and son.

Holiday Guests in W. M. Elliott Home

Thanksgiving holiday guests expected in the home of Mrs. W. M. Elliott Sr. and Miss Hennie Meriwether will be Dr. and Mrs. John F. Elliott and sons, Paul, Stephen Marion and Andrew of Fort Worth.

Miss Margaret Huff of Lubbock is also expected in the Elliott home for the Thanksgiving week end.

Christmas Party

Mrs. James W. Carraway will host a Christmas party for the Ready Sunday School Class of the Calvary Baptist Church Tuesday evening at seven-thirty o'clock in her home.

MRS. ELLIOTT, SPEAKER

'King John' Topic Of Club Program

Mrs. W. M. Elliott Sr. was program leader Friday, Nov. 21, for a meeting of the Shakespeare Club in the Lone Wolf Electric Co - Operative building with Mrs. Byron Byrne as hostess.

Mrs. Elliott presented the afternoon lesson which concerned "King John."

Members answered roll call with quotations from the play.

Following the program the hostess, assisted by Mrs. Bruce Byrne, served refreshments from a tea table laid with a lace cloth and centered with an arrangement of fall flowers.

Guests attending the club meeting were Mrs. Sue Johnson and Mrs. Bruce Byrne.

Members present were Mrs. W. R. Motley Sr., Mrs. Joe H. Smoot Sr., Mrs. John Doss, Miss Mabel Smith, Mrs. R. S. Brennand, Mrs. Fielding E. Lee Sr., Mrs. Jerold Riordan, Mrs. Elliott and Mrs. Frank Lupton and the hostess, Mrs. Byron Byrne.

Mrs. Brennand will host the next meeting of the club Dec. 5 at three o'clock in the afternoon. Mrs. Doss will be program leader for this meeting.

Ruth Class Meets in Dillard Home

"Freedom To Worship God" was the devotion topic presented by Mrs. Newt Miller Thursday, Nov. 20, for a meeting of the Ruth Sunday School Class of First Baptist Church in the home of Mrs. A. C. Dillard.

Assisting Mrs. Dillard as co-hostesses for the meeting were Mrs. R. B. Cain and Mrs. Virgil Mann. Decorations featured a Thanksgiving theme.

Yearbooks were presented to class members by Mrs. J. B. Magill.

Members contributed gifts of food which will be used to fill a Thanksgiving basket for a family.

During the social hour the hostesses served pumpkin and mince pie and coffee to Mrs. Roy Porter, Mrs. Paul Beeman, Mrs. M. A. Dillard, Mrs. A. C. Benson, Mrs. Ed Rothwell, Mrs. Vernon Hock, Mrs. W. N. Miller, Mrs. Carl Lady, Mrs. Dennis Walding, Mrs. R. K. Snethen, Mrs. Dick Compton, Mrs. Magill, Mrs. Newt Miller, and the hostesses, Mrs. Cain, Mrs. Mann and Mrs. A. C. Dillard.

DEC. 11 IN CIVIC HOUSE

Committees Named for Annual HD Council Holiday Luncheon

Members of the Mitchell County Home Demonstration Council voted to have a Christmas luncheon, at a regular council meeting Thursday afternoon, Nov. 20, at the county courtroom in the Courthouse.

The Christmas luncheon fete was planned for Thursday, Dec. 11, at the Civic House.

Mrs. J. C. Womack, council chairman presided during the meeting and appointed the following planning committee for the holiday luncheon: Mrs. P. H. Pace, Mrs. Swann Taylor and Mrs. J. C. Northcutt, program committee; Mrs. James Cox, Mrs. Don Blassingame and Mrs. Roy Bates, decoration committee.

The opening club prayer was directed by Mrs. Bates.

Seven HD Clubs presented reports at the monthly council meeting.

Mrs. C. C. Berry presented a report of the recent meeting of the Mitchell County Federation of Women's Clubs which met in Civic House.

During the business session the group also voted to be responsible for concessions at the 4-H and Future Farmers of America Stock Show, which is scheduled for Jan. 9 and Jan. 10. General committee appointed for this event includes — Mrs. Bruce Byrne, Mrs. W. W. Cooper and Mrs. Sam Thompson.

The following council committees for 1959 were appointed by Mrs. Womack: Education and Expansion — Mrs. Louis Rees and Mrs. Ben Adams.

Yearbook — Mrs. Virgil Moser and Mrs. W. B. Head.

Finance—Mrs. J. C. Northcutt, Mrs. C. N. Stubblefield and Mrs. Odell Fuller.

Recreation — Mrs. Harry Dockrey.

4-H—Mrs. Don Blassingame.

Civil Defense — Mrs. Don Henderson.

Publicity — Mrs. Herman Salley and Mrs. Cullen Payne.

Miss Elinor Harvey, HD agent, announced—all council committees for 1959 will meet Dec. 15 at 2 p. m. at the Courthouse to make recommendations for the new year.

The recreation hour was directed by the Spade HD Club and featured a hula-hoop contest.

Those attending the council meeting were Mrs. Womack, Miss Harvey, Mrs. Raymond Wheeler, Mrs. Linam, Mrs. Bates, Mrs. Thompson, Mrs. Stubblefield, Mrs. Ward P. Jarman, Mrs. Adams, Mrs. Payne, Mrs. Langley, Mrs. Welden Wiggins, Mrs. Berry and Mrs. Dockrey.

Mrs. Wulfjen Hostess for Merry Wives

The home of Mrs. S. O. Wulfjen was the scene Wednesday afternoon, Nov. 19, for a meeting of the Merry Wives Club.

Party rooms were decorated with fall flowers and pyracantha berries.

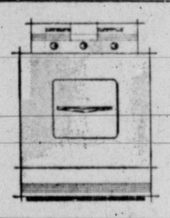
Following the games of "42" the hostess served salad plates to one guest, Mrs. George Mahon, and members, Mrs. Jess Craddock, Mrs. R. S. Brennand, Mrs. Sue Johnson, Mrs. O. B. Price, Mrs. J. A. Sadler Sr., Mrs. M. J. Dawson, Mrs. Frank Lupton, Mrs. P. K. Mackey, Mrs. J. L. Pidgeon, Mrs. Ed Jones, Mrs. A. L. Maddin, Mrs. O. B. Trulock Sr., Mrs. V. R. Trulock, Mrs. E. H. Winn, Mrs. W. W. Rhode and the hostess, Mrs. Wulfjen.

The next meeting of the club will be the club's Christmas party in the home of Mrs Charles C. Thompson.

June and Fred MacMurray say:

"Let's make this the Merriest Christmas ever!"

Give her an automatic gas appliance



A MODERN GAS KITCHEN with automatic Burner-with-a-Brain, no hangover heat and smokeless, closed-door broiling—makes cooking truly *faster, cleaner, cooler!* And cooking with Gas is *4 times as thrifty* as electricity.*

A GAS DRYER, another gift of thrift, lets her dry 7 loads for the cost of drying 1 electrically.* Faster and fully-automatic!

THE RCA WHIRLPOOL REFRIGERATOR with automatic ice-maker, is the only refrigerator backed by a 10-year guarantee on its silent, dependable GAS freezing system.

NOTICE OF SALE
THE STATE OF TEXAS
COUNTY OF MITCHELL

By virtue of an Order of Sale issued out of the District Court of Travis County, Texas, 126th Judical District, on September 24, 1958, by O. T. Martin, Clerk of said Court, on a Judgment rendered in said Court on the 30th day of July, 1958, in favor of C. H. Langdeau, Receiver of Physicians Life and Accident Insurance Company of America, plaintiff, and against Joe A. Irwin and Duane Flora, defendants, in the case of C. H. Langdeau, Receiver of Physicians Life and Accident Insurance Company of America, vs. Duane Flora, et al, No. 110,176 in such Court, I did on the 27th day of September, 1958, at 10:00 o'clock A. M. Levy upon the following described tracts and parcels of land situated in the County of Mitchell, State of Texas, as the property of the above named defendents, to-wit:

Lots 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26 and 27, all in Block One (1); Lots 13 and 14 in Block Three (3); Lots 2, 3, 4, 5, 6, 7, 8, 9, 10, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29 and 30 in Block Four (4); Lots 24, 25, 26, 27, 28, 29, and 30 in Block Five (5); Lots 3, 8, 9, 10, 11, 14, 16, 17, 18, 19, and 20 in Block Six (6); and Lots 1, 2, 3, 4, 5, 6 and 7 in Block Eight (8); all of the above described lots being located in Eastover Addition, an addition to the City of Colorado City, Mitchell County, Texas.

And on the 2nd day of December, 1958, being the first Tuesday of said month, between the hours of 10:00 o'clock A. M. and 4:00 o'clock P. M. on said day, at the Court House door of Mitchell for cash all of the right, title County in the City of Colorado City, Texas I will offer for sale and sell at public auction and interest of the said Duane Flora and Joe A. Irwin in and to the said property. Each of the above described lots will be offered and will be sold separately.

And in compliance with law, I give this notice by publication in the English language, once a week for three consecutive weeks immediately preceding said date of sale, in the Colorado City Record, a newspaper published in Mitchell County, Texas.

WITNESS MY HAND, this 27 day of October, 1958.
R. E. Gregory Jr.
Sheriff, Mitchell County, Texas

FREEWAY . . .

(Continued from page 1)

to the business route before traffic reaches a 12-foot deceleration lane, 900 to 1,000 feet long, that extends into frontage roads that will send downtown traffic over the freeway.

There will be additional signs at the separation of freeway and business route traffic over the freeway.

There will be additional signs at the separation of freeway and business route traffic.

Roberts said that the interstate freeway will be completely re-signed with overhead signs being used at numerous locations.

Possibility of State Highway 208 (Snyder to Robert Lee) being extended from its present junction with U. S. 80 directly into the freeway route northeast of the city, prompted a questions from City Manager Rollin K. Snethen.

The city manager asked if the state planned to make the extension and if the state would maintain the current State 208 town route as a business route.

"That is something that should be taken up with you and your City Council," Roberts replied, "and right now the question is a shot over my head.

"But we will be happy to discuss the question with you at anytime."

M. N. Caddell, member of Chamber of Commerce highway development committee, praised the State Highway Department and, in particular, the local staff and district staff of District Engineer Roberts in their Highway 80 freeway work.

Caddell described the freeway program here as providing a wonderful opportunity for Colorado City tourist trade, especially with construction of a second lake.

A similar hearing was conducted Thursday afternoon in Big Spring for the freeway bypass route there.

Right of way purchase for Sweetwater bypass is already nearing completion and construction contract is planned for next March or April.

Contract for part of the Abilene route, from Tye to Anson Road, is expected to be let in December. Additional Abilene contract is planned for next spring.

MRS. GARNER SECOND

Bolin Top Picker In Final Contest

The football guesssers had a heyday this week as the favorites won in every game on the Record's grid contest.

Even some contestants with perfect entries got only honorable mention.

But the big winner, by virtue of a 44-0 key score, was J. V. Bolin Jr., 1936 Locust. He was among nine contestants who didn't miss a game on the 10-tilt slate.

His 44-0 guess on the C City vs. Sweetwater was the closest to the 68-0 rout.

He wins two tickets to the Hardin - Siramons vs. New Mexico A&M game Friday in Abilene.

Winning second place in the season's final contest was Mrs. Gene Garner with a key score of 38-0. Only two weeks ago she won second place and this week's win gives her an additional years subscription to the Record.

Third and fourth places were won by Hoyt Roberts of Westbrook and Jack Burkhalter of Colorado City. They picked the same key score, 40-6, and each wins two movie passes.

Also picking all games correctly, but further off on the key score were Marvin Majors, Patti Sue Harrison, Mrs. E. Tilley, Mrs. R. A. Moore Jr., and Alton Sparks of Ames, Iowa.

Fouling up on only one game were the following contestants:

Will H. Jones of Corsicana, Bill Bowles of Loraine, Harlan Morgan of Snyder, Beeman Dockrey of Bismarck, N. D., Jim Harrison, Mrs. Jess Bolin Sr., Mrs. J. H. Forrester, Maberry Willbanks, Janet Earle McMullen, Mrs. Maberry Willbanks, Carl Echols Jr., James E. McMullen, Mrs. A Byrd, Jimmy House, Mrs. D. M. Costlow, Joe Allen, Joe Merritt, C. G. Harkins, E. M. Fisher, Mrs. Pat Shields, Pat Shields, Mrs. Glenn Thomas, Mrs. W. W. Smith, Harold Hendley and Clive Killough.

Majority of this group missed either the Rice-T. C. U., Miami - Houston or Notre Dame-Iowa games.

Wolf Cagers Open Season On Dec. 5

Basketball workouts will get into full swing Monday for Colorado High's opening game Dec. 5 at Merkel, Coach Ron Gurley said Wednesday.

A number of boys have been working out for months, while other players who have been on the football team will join the squad this coming week.

Wolves play Merkel, Abilene and Big Spring on the road before hosting the Andrews Mustangs here Dec. 9 in the home opener.

Junior High basketball teams get their first taste of competition when they host Snyder 7th, 8th and 9th grade teams Dec. 4.

Guests for Weekend

Mr. and Mrs. Donald Moore and two children, Donna Sue and Becky Lynn, of Marlin were guests here recently in the home of Mr. and Mrs. Dock Ellis 835 E. Seventh.

H. T. Coles, Father of Supt., Dies

Final rites for H. T. Coles, 88, retired Mitchell County farmer, were conducted Wednesday afternoon at 4 p.m. in First Methodist Church with the pastor, Rev. Clarence Collins, officating, assisted by Cal C. Wright.

Coles died Tuesday night in the local hospital following a long illness.

He was born in Tennessee April 9, 1870, and was married to Abenia Seale at Caddo Mills, Jan. 18, 1899. The couple have lived in Mitchell County for 54 years. Coles was a member of the First Methodist Church.

Coles is survived by his wife of Colorado City; four sons, County Supt. Roy Davis Coles of Colorado City, Thomas C. Coles of Ralls, Ewell Coles of Iraan and Doyle A. Coles of Santa Rosa, Cal.; one daughter, Mrs. Jewel C. Richter of Colorado City; one brother, George Coles of Murray, Ky.; eight grandchildren and 11 great-grandchildren.

Pallbearers were Sam Bullock, Leslie Hamilton, A. K. McCarley, Leonard Allen, Chester Hart and E. Barber.

Burial was in Colorado City Cemetery.

Johann Sebastian Bach's family had been dedicated to music for six generations.

Standing Room At Sweetwater

Tickets to the Sweetwater-Breckenridge football game were at a premium today.

Tickets to the Saturday night bi-district game in Sweetwater went like the proverbial hotcakes Wednesday morning.

Standing room tickets were being sold after the reserved seat ducats were all sold out at 9 a.m.

Additional standing room tickets will probably be sold at the gate Saturday night.

Purpose of the 1900 Boxer Rebellion, according to its participants, was to drive all foreigners from China.

Miles Pupils Presented In Recital

LORAINE — Mrs. A. R. Miles presented her piano and organ students in a recital at First Baptist Church Sunday afternoon.

Pupils presented were Peggy Phillips, Joretta Hall, Janet Sue Hall, Sandy Marcum, Linda Ragain, Cindy McDaniel, Judy Tartt, Loretta Tartt, Kitty Forsythe, Sherry Graham, Judy Hudgins, Nancy Coffee, Bryon Mote, Ann Dickerson, Golda Cary, Miss Gladys Phillips and two guests — Mrs. Howard Tartt and Amelia Erwin of Colorado City.

Mr. and Mrs. Woodrow Pratt and daughter, Sarah, are in Arlington for the Thanksgiving holidays. They are guests in the home of their son, brother and family, Mr and Mrs. Willard Pratt and son, Ross.

Buckeye is the popular name for a species of chestnut abundant in Ohio.

WHEN YOU ARE BUYING

Best Auto Deal? Then Visit Your Local New Car Dealer

Composing one of the largest segments of local business in Colorado City, the city's new car dealers again offer for 1959 automobile deals on a par with any town in the Southwest.

For 1959, as in past years, local new car dealers offer to the people of the Colorado City area the most outstanding models in a wide choice of automobiles designed for both style and utility.

These local auto dealers and their staffs of local employes are backed by a repuation for trustworthy service gained over the years by trading with local people on a neighbor-to-neighbor basis.

As a vital and integral part of the economy backbone of Colorado City, these dealers not only offer the tops in automotive power and design to new car buyers, but also help to support this community through taxes paid to city, county and schools and through participation in civic groups and civic projects.

Prospective automobile buyers can expect to receive a better deal both at the time of the purchase and for months to come from local new car dealers.

This better deal is based on a four-point bargain which combines a quality product with dependable service and with economy in time and money.

In the relationship between Colorado City automobile dealers and the local buying public, trustworthiness and fairness in auto transactions are assured because Colorado City new car dealers are not fly-by-night salesmen who depend on one deal for their margin of profit.

Their business reputation has been earned over the years by dependable service on the products which they sell, by repeat business from the same local satisfied customers.

And since their business is local and their customers are local, their reputation for fair-trading has been earned from day to day under the close scrutiny of the local buying public which knows them best.

They must maintain that of the year to keep the local customers coming back for new purchases and service.

Their better deal includes endorsement of the dealer's product by hometown attention and approval.

The local dealer must stand behind his product every day of the year, because of the same day to day business dealing at home with the hometown resident.

Colorado City dealers use no gimmicks, come-ons or hidden charges, which is another reason for the better deal available to the local buyer. The customer can purchase his car the way he wants it — either with a minimum of luxury accessories or loaded with the finest available driving conveniences for ease and comfort in driving.

Another facet of the better deal which operates every day of the year, 24 hours per day is the dependable, reasonably priced service and maintenance offered in modern local service departments by qualified capable personnel.

This service is available every day to new and old customers alike.

All these reasons combine to produce the always better safer deal with Colorado City new car dealers, where convenience, dependability and courtesy are always available —whatever the local resident' automotive needs may be.

Horse Head Auto

An early automobile designed by Uriah Smith of Battle Creek, Mich., had an artificial horse head protruding from the front so as not to frighten horses on the road!

Present Car Makes Good Trade Deal

In 1956, some 85 per cent of a new car buyers turned in another car, statistics indicate.

That means the old car served to help make the "deal." In the C-City area, most families who have cars will find that the present one will help make a "good deal" now, according to local dealers who are engaged in promotion "Auto Show."

Depend on Industry

One out of every six businesses and one out of every seven gainful workers in the United States are dependent for a livelihood on the manufacture, distribution, servicing and use of motor vehicles.

Big Change in Car Sizes, Styles During 30 Years

Automobiles last twice as long now, even though their lifetime mileage is four and one-half times greater than that of cars produced 30 years ago, Colorado City car dealers pointed out today while preparing for Saturday's Auto Show.

The first automobile to exceed a mile a minute in speed was driven Nov. 16, 1901, on a straightaway course at Ocean Parkway, Brooklyn, N. Y.

Now such a speed is no novelty, it was pointed out, although car dealers do not encourage such a high speed for normal travel in city areas.

Automobiles have come a long way, they note, but there is still a need to be alert and of every four cars featured to respect the rights of others.

Change in Cars

Back in 1946, when there were 25,143,000 cars on the road, only 5.12 of the new cars were equipped with automatic transmission. Ten years later, with the number of cars on the road reaching an alltime high of 42,804,000, three out

Auto Appeal For Women Is Featured

Auto Show planners have not ignored the lady of the house is planning the big event for Colorado City area.

Sales staffs have been alerted to point out those advantages of today's cars which will appeal to milady — and there are many features which will catch her eye.

Since back seat drivers are moving to the front seat by the scores, a woman's word—when it comes to buying a new car—has caused many a man to stop and listen.

Research experts agree the gals usually have the last word when the family is buying a car. As a result, most of the improvements in today's passenger cars both in styling and performance have the women in mind.

Windows that rise mysteriously when you push a button . . . seats that glide forward and backward at the flick of a finger . . . transmissions that shift for themselves . . . elegant upholstery . . . these and many other new car ideas were engineered with a woman in mind. In fact, many experts feel that the principal engineering developments in recent years began with the "for the ladies" trend.

With women, style comes first, then comfort, then easy handling and safety. With gals usually have the last men, power and performance are the keywords. And since the price of the car is included in the family budget, the economy factors in an auto are important to a woman.

Today's women often times has the car in her possession more than the man, so her opinion is one to be reckoned with. And, of course men aim to please, so chances are they don't argue too long when the lady of the house wants a particular make or color.

Built First Car

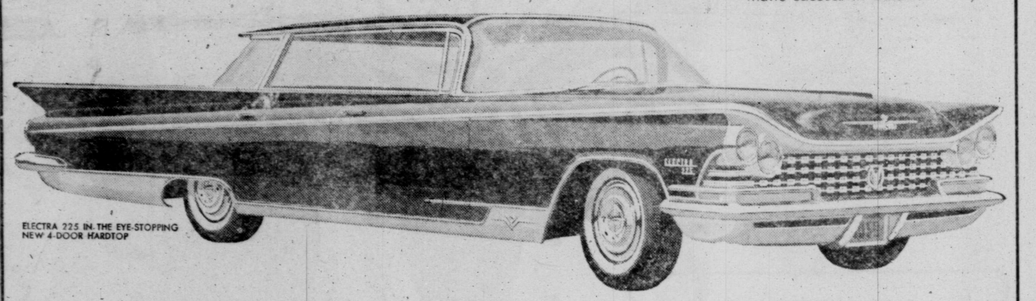
Charles and Frank Duryea built the first successfully operated, marketable automobile in America in 1892.

THE CAR: BUICK '59

LE SABRE *The thriftiest Buick*
INVICTA *The most spirited Buick*
ELECTRA *The most luxurious Buick*

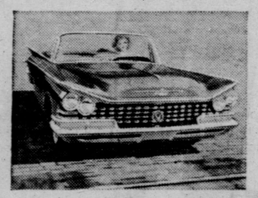
America has never said "OKAY" so fast!

Within 10 days after it was introduced, 37,429 had purchased THE CAR, Buick for '59. The most dramatic success in Buick's history!



ELECTRA 225 IN THE EYE-STOPPING NEW 4-DOOR HARDTOP

See the '59 Buick at the Auto Show and you'll know why we have called this THE CAR. It's a new generation for Buick! Not just a new design . . . but splendidly right for this day and age. Ask about the thrifty new Wildcat engines . . . new Equipoise ride . . . new fin-cooled rear brakes and aluminum front brakes . . . new Twin-Turbine and Triple-Turbine transmissions . . . super-quiet body by Fisher . . . new Magic-Mirror finish that retains its beauty longer . . . new interior decor everywhere! This year of all years, buy no new car until you see and drive THE CAR!



THE LOOK. A clean, lean, new kind of fine-car look. The look of the best-engineered, best-manufactured Buick ever built . . . and the most excitingly beautiful design in Buick's nearly 60 proud years.

PRESENTED BY JAY ADAMS

Finest Chevrolet Models on Display at Saturday's Show

Dale Adams at Colorado City Record's Second Annual Auto Show Saturday will view sleek, beauteous models in the finest line of cars in Chevrolet's history.

Proud exhibitors of the fresh, all-new Chevrolet cars will be Jay Adams Chevrolet Co.'s Chevrolet and Oldsmobile authorized dealer.

Stylists will see that complete change in styling with more safety, comfort and performance features as are the keynote of the 1959 Chevrolets.

Lines sweep rearward in a virtually level plane. Tors are mechanical highlights:

Chevy's Sparkling Style

Two angles of view are necessary to show the complete styling changes in the 1959 Chevrolet line that will be featured Saturday at the Record's Auto Show. Spectators not only will view the lastest in auto, farm implements and boating, but also will try for $100 in cash prizes.

A new six-cylinder engine, named the Hi-Thrift because of added economy through redesign in valving and carburetion, gives up to 10 per cent more mileage, plus more usable horsepower at normal driving speeds.

Fundamental improvements in coil spring suspension, incorporating specialized controls. Refinements in the optional Level-Air suspension to acquire softer, quiter operation.

Larger braking surfaces, benefiting further by flanged drums and 27 per cent more lining area provide surer stops, longer life. Tires improved for durability and reduced in rolling resistance through newly developed cords, which run cooler, offer a softer ride and last longer.

A Turboglide transmission of advanced design. One of two automatic transmissions in the 1959 line, the quality of Turboglide has been raised to a new peak.

Easier steering and the inclusion of a second, shock resistant universal joint. A radiator increased in cooling area, a simplified, more productive electrical system.

In addition to a bold, fresh design, Chevrolet bodies for 1959 excel in comfort and structural unity. An impressive increase in passenger room is exemplified by almost five inches more width in the five and one-half foot front seat. With 20 per cent greater capacity, the trunk has been increased up to 32 cubic feet.

Still another example of general commodiousness can be found in station wagons. The cargo space has been lengthened to almost eight feet.

Sedans have been reduced in height one inch; sport models two inches. Through lower body mountings and a new roof configuration, the advance has been accomplished without sacrifice, and in some cases an actual gain, in headroom. Station wagons are now also higher than the four-foot, eight-inch sedans.

Front tread of the car has been broadened 1.5 inches; the rear tread 1.5 inch. Wheelbase is 119 inches and the overall length 210.9 inches.

Worthy of particular attention in the new bodies is the introduction of a new lacquer, a nine-step metal finishing process that adds depth to color and remarkable luster longevity. Under experiment for several years, the new service body surfaces will not require polishing for as much as three years in normal climates.

The Impala line, which won wide acclaim in 1958, has been broadened to include a new 4-door sedan and a 4-door hardtop, in addition to the sport coupe and the convertible.

The Bel Air series is offered in 2- and 4-door sedans.

The Biscayne series, offered in 2- and 4-door sedans and a utility sedan, takes over the lowest price niche formerly occupied by the Delray, now discontinued.

Brine shrimp is the only animal except a certain species of fly, which lives in the Great Salt Lake of Utah.

Average Car Travels 10,000 Miles a Year

The average passenger car in the United States travels 9,359 miles a year, according to the Automobile Manufacturers Assn.

This average is probably higher in this West Texas area, where most families depend on the automobile as their chief means of transportation.

Keep Eye on Road

Smoking a cigarette in a car is all right, but taking chances while you light up is a dangerous practice, traffic safety experts say.

For safety, motorists should keep their eyes on the road and both hands on the wheel.

Buicks to Draw Crowd at Show

A striking crowd - pleaser Saturday at Colorado City Record's Auto Show will be the display of 1959 Buicks.

Styling for the '59 Buick models is as new as their names. And their names are entirely new for Buick's three series.

The Buick display Saturday will be in the Hunter-Merket Motors exhibit at the second annual show. Hunter-Merket is the authorized Pontiac and Buick dealer for Colorado City.

Lowest priced series by Buick is the Le Sabre, replacing the Special series.

Replacing the Century and Super series is the Invicta.

The luxury series, replacing the Roadmaster and Limited series, is the Electra.

It is an entirely new look for the Buick for 1959, visitors at the Auto Show will find Saturday.

Windshields curve into the roof, in some models without overhang. Twin headlights are set diagonally at either end of the grille.

A new V-8 engine, with 10.5-to-1 compression ration and 4-barrel carbureators has been developed for the Electra and 55 inches in height.

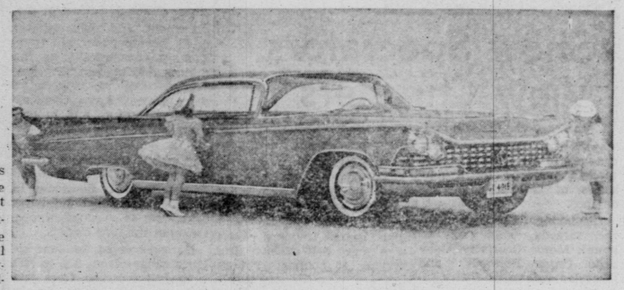
Much less bright trim is used on all series. From the headlight eyebrow one bright line of trim is carried backward on each side to the edge of a round and larger tail light placed beneath the outward flaring delta wing. Smaller, white backup lights are below the massive rear bumper.

Optional times, at extra cost, include a new positive traction rear differential. It automatically delivers power to the rear wheel having the greater traction. Another option is a combination of air springs in front.

LeSabre and Invicta series are mounted on a 123 - inch wheel base and are 217.4 inches in overall length. Last year's Special and Century series, on a 122 - inch wheel base, were 211.8 inches long.

The Electra this year comes on 126.3 inch wheel base and in 220.6 and 225.4-inch overall lengths. Last year the Super, Roadmaster and Limited series were on 127.5 - inch wheel base. Super and Roadmaster were 219.1 inches long and the Limited 227.1 inches.

Brass is an alloy made from copper and zinc.



Sleek And Low Buick

Auto Show spectators Saturday here will view new Buick cars with the low, sleek styling as emphasized here by this two-door Electra hardtop. Show viewers also will have free chances at $100 in cash prizes, too, offered by the Colorado City Record.

Auto Interior May Reflect Owner Taste

Most automobile manufacturers now employ stylists whose job it is to make car interiors a home away from home.

Today's auto upholstery may well express the personality of the car's owner, with such luxury coverings as leopard or pony skin leading a long list of custom-made features.

For more conservative tastes, leather is a popular choice. Available in a wide selection of colors, leather is now processed to prevent scuffing and to increase its wearability. Leather upholstery is "standard" on many models.

Sparkling metallic threads — small, all-over patterns — new textures, new designs — all these are giving car interiors a new look.

In addition, new dye processes, new finishing developments, plus the use of science fibers, are protecting this luxury look from finger prints and stains.

FOR YOUR NEW AUTO
COMPLETE INSURANCE SERVICE

Just as you check your car regularly for safety, your auto insurance should be checked, too! Be sure your insurance is adequate!

HUNTER-MERKET EXHIBIT

Pontiac's New Body Styles To Be Show 'Eye-Catchers'

Eye - catchers at Colorado City Record's Second Annual Auto Show Saturday will be models of Pontiac's 1959 automobile line.

The '59 Pontiac cars, with all new body and dozens of other brand new features — will be displayed at the show by Hunter-Merket Motors, Colorado City's authorized dealer for Pontiac and Buick.

Unprecedented in fresh styling approach, the 1959 Pontiac has 14 all-new breath-taking body styles.

The exciting new line of automobiles, from the luxurious Bonnevilles to the lowest priced Cataline models, is lower and wider. Window area is up to 37 per cent greater, providing unsurpassed visibility for driving safety.

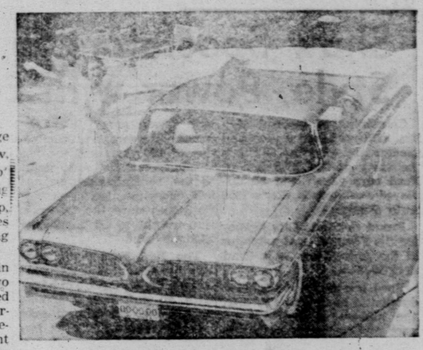
Imparting added appeal is the standardization of dazzling Magic-Mirror acrylic lacquer finishes, 15 solid colors and 12 recommended two-tone combinations. The high gloss lacquer, introduced by Pontiac in 1956, is two to five times more weather resistant than other paints.

The '59 Pontiac line will entice even the artist's eye with such colors as: Royal Amethyst, Gulfstream Blue, Shoreline Gold, Seaspray Green, Canyon Copper, Silvermist Gray, and Mandalay Red.

From every angle, clean, tasteful styling highlights the dynamic new cars. A 60 per cent greater area Vista-Panoramic windshield extending into the roof and a large wrap - around rear window, lend a spectacular effect of aircraft design. The startling new four-door Vista hardtop, available in all series, features a modernistic roof over-hang in the rear.

Dual head lamps mounted in twin grilles, wrap-around two-bar bumper, and a V-shaped hood design extending rearward from the grilles, are predominant features of the front view. The Pontiac or Bonneville name in gold script adorn the chromed rectangular grille work on the left side.

Some bricks made by the Babylonians and Egyptians more than 4,000 years ago are still in perfect condition.



Popular Pontiac Coupe

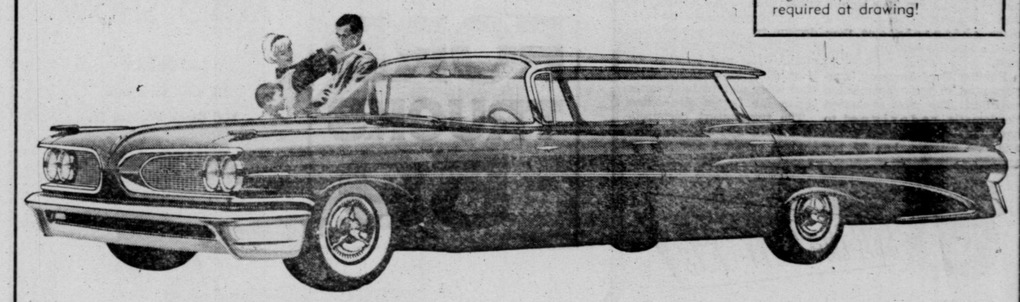
The 1959 Pontiac Catalina sport coupe reflects ultra-modern design from every angle. Top models of the entire Pontiac line of new cars will be on view Saturday at the Record's Auto Show, which also offers $100 in cash prizes to spectators.

PONTIAC! America's Number ① Road Car!
3 Totally New Series • Catalina • Star Chief • Bonneville

Coast-to-Coast only 1½ cents per mile for gas!

Pontiac's new Tempset 420E V-8 sets the year's most important economy mark!

$100 CASH in prizes at the AUTO SHOW
SATURDAY
All you have to do is register at the Record's Auto Show. Nothing to buy. Your presence not required at drawing!



See PONTIAC at the AUTO SHOW!

You name it — Pontiac has it . . . the year's most important advances in style, safety, handling and performance. Everything about the '59 Pontiac was designed to give you driving as you've never known it: Air-Cooled True-Contour Brakes for precise, unvarying control . . . spacious vista-lounge interiors with seats wider than a sofa and full circle visibility (the Vista-Panoramic windshield curves clear up to the roof). Three series: magnificent Bonneville, dramatic Star Chief and brilliant new Catalina. Attend the Auto Show and see why the '59 Pontiac is so new!

PONTIAC COAST-TO-COAST ECONOMY RUN
San Diego, California to Savannah, Georgia

WITH NEW '59 MODELS

Show Spectators to See Ford Style, Power with Economy

Combining of tasteful styling, efficent performance and greater fuel economy — that's the story of the 1959 line of Ford cars which will be displayed at Colorado City's 1959 Auto Show.

Proud Colorado City agency for the Fords — and exhibitor at the Auto Show — is Craddock-Witten.

Ford has made a slight reduction in horsepower to offer the highest engine performance and operating efficiency in the normal driving range of 30 to 70 m. p. h. that ever has been built into any Ford car. Compression ratios have been tailored to obtain the maximum fuel economy consistent with Ford's traditionally high performance characteristics and present octane ratings.

For top economy, Ford offers the "Mileage Maker Six" engine which will take the 1959 Ford owner more than 400 miles on a 20-gallon tank full of gasoline. Ford engines, with full-flow oil filters as standard equipment, are designed to go 4,000 miles between oil changes.

The new, aluminized muffler, standard on all 1959 Fords, is built to last twice as long as conventional types.

Another economy feature is the new Diamond Lustre finish, a super-enamel that requires no waxing during the lifetime of the car. This bright, durable paint is 50 per cent more chip-resistant than Ford's famous enamels of the past.

Further Ford economy is represented in the transmission selection. The new two-speed Fordomatic, redesigned to have two forward gear ratios on the 292 and 332 cubic inch and one reverse, has 27 per cent fewer parts than the former Fordomatic. Elimination of 105 parts and the use of aluminum for such items as the transmission case and bell housing have enabled Ford to reduce the transmission weight by 50 pounds, or 22.8 per cent.

The 1959 Fordomatic operates, by means of a hydraulic torque converter combined with an automatic planetary gear train. This transmission has gear ratios of 1.75:1 in low, 1.00:1 in drive, and 1.50:1 in reverse. For down-hill braking or slowing, the transmission may be down-shifted manually at any speed up to about 65 m. p. h. by placing the selector lever in "low."

Cruise-O-Matic, Ford's high performance transmission that unites overdrive economy with the convenience of an automatic transmission, again is available in 1959 Ford cars.

The standard syncromesh three-speed manual transmission has been redesigned for easier shifting. Gear spacings and shift linkages have been modified, and fine pitch gear teeth are used for quieter operation. Overdrive also is available.

In V-8 engines, where Ford has had more than 25 years' experience in design and production, the 1959 line-up includes engines with displacements of 191, 332 and 352 cubic inches. All engines incorporate the most advanced design in combustion chambers, crankshaft, carburetors manifolding and ignition systems. New super-fitted aluminum alloy pistons have longer skirts for better oil control.

The two-venturi carburetor engines employs new jets and venturis for improved fuel economy. All Ford engines use the highly efficient dry replaceable element in the air cleaner.

Ford cars incorporate the deep-offset hypoid rear axle, with its straddle-mounted drive pinion for extra durability and quietness. The deep off-set design permits a lower drive shaft position for lower "tunnel" height inside the passenger compartment.

The 1959 Ford line includes 17 models in four series. The Fairlane 500 series consists of the popular retractable hardtop, called the Skyliner, the Sunliner convertible, two pillarless hardtops and two thin pillar sedans. The Fairlane and Custom 300 series offer two- and four-door models. The six station wagon models include two-, and four-door models, for six or nine passengers.

Travel by Auto

More people travel by motor vehicle than by all other means of transportation combined. You Auto Buy Now.

Auto Owners Save with Quality Fuel

The modern motorist is saving as much as $140 a year in gasoline costs, as a result of steady improvement through the years in the quantity and quality of motor fuels.

This has been demonstrated by a new measurement concept advanced by the Ethyl Corporation.

This new concept measures progress by the increased distance that a gallon of gasoline will move one ton of automobile. In that way, allowance is made for the increasing weight of the average automobile, as well as providing a uniform standard for current cars, which are of varying weights.

Back in 1930, a gallon of gasoline could move one ton of automobile 29 miles at a constant speed of 40 miles per hour. By 1957, one gallon of gasoline could move one ton of a 1957 model car nearly 44 miles at the same speed.

A brigade is usually composed of three regiments.

MAJOR STYLE CHANGE

Show Spectators View Chryslers

Auto Show visitors will note major, eye-pleasing style changes in the 1959 Chrysler models, powered by a new series of Golden Lion V-8 engines.

Displaying the Chryslers at the Saturday show will be Frank Motor Company, Colorado City's Plymouth and Chrysler authorized dealer.

Spectators will be quick to notice the new Chrysler front and rear designs, side trim and roofing styling.

New optional Chrysler features include front swivel seats and electronic rear view mirror, an automatic headlight beam changer, extra large super soft cushion tires carrying 16 pounds air pressure and rear air suspension for automatic leveling.

The new Golden Lion engines, although larger in displacement and with greater rated horsepower, will perform as economically as the engines they replace, Chrysler engines took top honors in competitive western economy runs last spring, and in previous years.

Low numerical axle ratios throughout the line, a reduction in engine weight and extensive use of aluminum in both trim and functional parts contribute to economical operation of the 1959 models.

Horsepower of the new engines ranges from 305 to 380, a modest increase from previous models except for the Chrysler 300E which is unchanged in horsepower.

Chrysler puts a high value on its new optional low pressure tires as an advancement in comfortable riding. They are similar in design and construction to the low pressure tires made available optionally on 1958 Imperials.

Auto-Pilot, the dial and push button device for controlling car speed, figures importantly in Chrysler's production planning for more restful and pleasurable motoring.

The Chrysler line includes the New Yorker, Saratoga and Windsor series as well as the sport-styled Chrysler 300E.

The human brain has been compared to a giant switchboard which brings every part of the body into contact with other parts.

Newest In Chrysler Line

Here is the Chrysler Windsor Dartline, newest of the Chrysler line that will be seen Saturday at the Colorado City Record's Second Annual Auto Show. Featuring the finest in auto luxury, the show also will offer $100 in cash to lucky spectators.

A new car represents a big investment . . . and to protect that investment,

Plymouth's Bumper-to-Bumper Newness to be Show Feature

You won't want to miss the display of the new bumper-to-bumper and road-to-roof styling of 1959 Plymouths at Colorado City Record's Auto Show Saturday.

The new Plymouth models will be one of the featured displays during the show and will be sponsored by Frank Motor Company, authorized Plymouth and Chrysler dealer here in Colorado City.

New bumper-to-bumper and road-to-roof styling, new power plants with unprecedented traffic agility which operate 10 percent more economically, and a new top-of-the-line series of luxury models head the list of innovations for the 1959 Plymouth.

The new Plymouth models are now in premier showing here this week end at Frank Motor Company, 245 Chestnut, and Wallace Motor Company, 1213 E. Highway 80.

The 29 models offered include the new Sport Fury series, which for the first time in the low-price field provides swivel front seats as standard equipment. The swivel seats are optional on four other models.

In addition to the Sport Fury in the revised model line up, Plymouth also offers the Fury, the Belvedere, and the Savoy series. For the first time, Plymouth has two convertibles, one in each the Sport Fury and the Belvedere line.

Among the "value" features are several which contribute to a total of some 10 percent greater economy of operation. There is a new 3-stage carburetor, standard on all V-8s, which with new manifolding reduces gas consumption in the middle speed ranges, where most driving is done. A new rear axle gear ratio of 2.93:1 is available at no extra cost with the Torque - Flite transmission.

Although the improvements have reduced operating costs, they have at the same time increased performance.

The new Golden Commando 395 V-8 engine, with 305 horsepower, has been increased in displacement from 350 to 361 cubic inches, and in tests has shown exceptional "getaway" ability in traffic. It is optional engine for all Plymouth models. Additional torque in normal driving ranges is a feature of all engines.

Plymouth's proven Torsion-Aire ride, which professional test drivers have termed "the most roadable suspension system on any American passenger car," retains its non-sway, non-dip characteristics and is standard equipment on all models. In addition, as optional equipment, air springs are used in conjunction with the regular rear leaf springs.

The swivel front seats represent the first major change in car seating since Plymouth introduced the rear - facing third seat on station wagons. The new feature, standard equipment on the Sport Fury 2-door hardtop and convertible, allows the front seat passenger and the driver to pivot the seats toward the door when entering or leaving the car.

Auto Is No Longer Luxury, Says AMA

"Car a luxury? Not any more," says the Automobile Manufacturers Assn., which reports that three out of every four families in the nation have a car and five million families have two cars.

The automobile, as the association says, is a virtual necessity.

Windows Clean?

Motorists should never drive their cars unless car windows are clean and visibility assured, the traffic experts say.

For cleaning purposes keep a small window scraper and cloth in the glove compartment of your car.

Luxury Emphasis in New Car Interiors

Modern automobile interiors are masterpieces of interior decoration.

From the gleaming instrument panel to the luxurious floor pad to the sleek upholstery, as much care has been given to color, chrome and fabrics as you would give to decorating your living room.

Insure with confidence

★ Visit our display at the Record Auto Show on Saturday and see everything that's NEW in Fords. In the big Ford family, you'll find a model to fit your family or business requirements ... AND your budget! And speaking of budgets, all standard Ford engines — Six or Thunderbird V-8 — are designed for "regular gasoline at regular prices." You save up to 5 cents on each gallon!

★ In fact economy is the byword of the new '59 Ford. There's a new aluminized muffler that normally will last twice as long as conventional mufflers used on other cars ... full flow oil filtration that lets you change oil at 4,000 miles instead of the 1,000 usually recommended ... new Tyrex cord tires for greater economy and safety ... a brilliant new baked enamel finish that never needs waxing ... and two new economy power-transmission teams that will bring you savings automatically. The '59 Ford is truly a masterpiece of underpricing!

★ All this PLUS — a classic new design that was awarded the Gold Medal for beautiful proportions at the Brussels World's Fair!

JAY ADAMS DISPLAY

Olds '59 Models In Show Spotlight

You'll like the looks of the new Oldsmobile cars on display here Saturday at Colorado City's Second Annual Auto Show.

That's because they are the most distinctively different models in Oldsmobile's 61-year history.

The new Olds models will be seen in the exhibit of Jay Adams Chevrolet, authorized Chevrolet and Oldsmobile dealer for Colorado City and Mitchell County.

The 1959 Oldsmobile line has the "Linear Look", featuring clean sculptured lines from the full-width grille of anodized aluminum to the expansive rear deck.

Outstanding among the many improvements included in the new models are the more spacious interiors for increased passenger comfort — a wide variety of new interior fabrics and trim applications, the new and different "Twin-Contour" instrument panel with increased "driver visibility" of the instrument cluster, new, long-lasting, high-luster paint finishes and many other pleasing convenience and appearance features.

Exterior finishes and trims offered for 1959 cover 15 appealing new colors with 81 recommended two-tone combinations.

Formulated in the acrylic-base paints which offer the advantage of highly increased color and luster retention and resistance to stains and discoloration, the 15 new "Magic Mirror" finishes for '59 are: silver mist, polaris white, willow mist, emerald mist, crystal green, sapphire mist, frost blue, aqua mist, cardinal red russet, burgundy mist, golden mist, bronze mist, indigo and ebony black. All are standard at no added cost.

Some 50 new upholstery selections complement the tasteful exterior color selections. Upholstery materials for the three 1959 Oldsmobile series include eight new fabrics in differing weaves and patterns, leather and Morocceen.

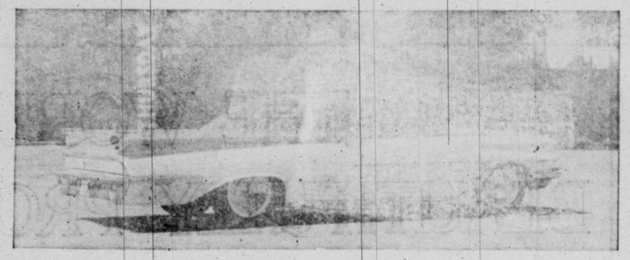
Appointments in all Holiday models combine either genuine top-grain leather or Morocceen with durable nylon fabrics.

The new "98" Holiday SportSedan, Oldmobile's "family-sized" sports-car model, is luxurious in every respect with its interior of hand-buffed, top grain leather bolsters with a newly-designed corded fabric.

Power vent panes are optional on all models in the Super "88" and "98" series.

The all-around luxuriousness of the 1959 Oldsmobile interiors harmonize with the exterior color combinations and illustrate Oldsmobile's attention to developing design and color patterns that appeal to both men and women.

In addition, the increased spaciousness permits greater shoulder and leg room for front and rear seat passengers.



Olds New SceniCoupe

The fleet, trim beauty of Oldsmobile's new "Linear Look" for 1959 is apparent in this Super 88 Holiday SceniCoupe. Oldsmobile models will be one of the highlights of the Record's Auto Show here Saturday, when spectators will view dealer exhibits and try for $100 in cash prizes.

New Look For Ford

Ford's tasteful styling theme for 1959 is accented by the Sunliner convertible as it appeared at the Brussels World's Fair. Ford's new models will be featured at the Record's Auto Show here Saturday along with $100 in cash prizes for spectators.

20 Million Older Cars on Highways

There are more than 20 million cars five years or older still in use, a local automobile dealer learned while checking figures sent out by a national agency.

This means, he noted, that there are a lot of people who really do need to buy a new car.

"I couldn't think of a better time than now when dealers are going all-out to make our Auto Show a success," he said.

FOR THE SPORTSMEN

Boats, Motors at Auto Show, Too

Outdoor enthusiasts — the fishermen, boaters and waterskiers—will have their special attractions at the Record's Second Annual Auto Show Saturday.

That's right!

For the newest equipment for outdoor water sports will be shown.

Featured in the display will be latest model Lone Star motor boats and new Evinrude outboard motors.

Exhibiting the boats and motors will be M. N. Caddell Inc., Colorado City dealer for Lone Star and Evinrude.

The Lone Star boats, designed and made in Texas especially for sportsmen of the Southwest, incorporate maneuverability and safety features of finest quality.

Headlining the new 8-model line of Evinrudes are the 50 h. p. Starflite and 50 h. p. Four-Fifty, four cylinder V motors.

Despite the power, the new Evinrude 50s, according to M. N. Caddell, are the quietest outboards ever manufactured, producing less operational sound than the smallest horsepower motors.

The 1959 Evinrude line includes the Starflite and Four-Fifty V-4 h. p. units, the 35 h. p. Lark electric-starting; the 35 h. p. electric and standard Big Twin; the 18 h. p. electric and standard Fastwin; the Sportwin, 10 h. p. the 5.5 h. p. Fisherman, and the 3 h. p. Lightwin and Ducktwin.

The new Evinrude principle of quiet has been extended to the 35 h. p. Lark, the highly styled motor which has been even further refined for its 1959 appearance.

The extremely quiet operation stems from the manner in which the two V-4 50s and the Lark motors are mounted and the way their covers are sealed.

A rich Commodore Blue replaces the traditional Evinrude Blue as the predominant color of the 1959 line. The Evinrude Blue is retained as trim with Aqua White on most of the new motors.

Provides Most Jobs

The automobile has provided more jobs for more people than any other single industry in America. The number of workers in highway transportation equals the combined adult populations of Colorado, Idaho, Wyoming, Arizona, New Mexico, and the six New England States.

LOCAL DEALER DISPLAY

English Vauxhall At Saturday Show

There'll be a foreign accent for the Record's Second Annual Auto Show here Saturday.

It will be the display of Vauxhall cars, a product of Vauxhall Motors Limited, a British manufacturing division of General Motors.

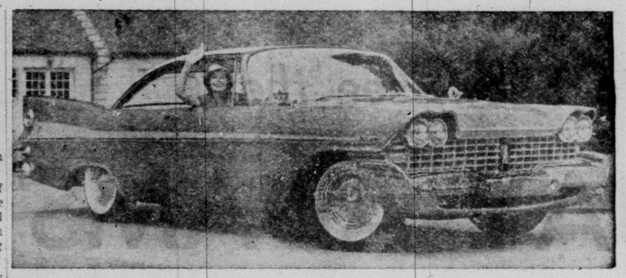
Dealer for the English-made auto here in Colorado City is Hunter-Merket Motors, the agency which will show the foreign line at the Saturday show.

Spectators at the show will see that Vauxhall designers have created in this compact, economy car advanced engineering that is blended with clean aerodynamic styling.

A high-performance car of medium size and moderate cost, the British Vauxhall combines the all-around vision of an open car with the snug comfort of a sedan.

The Vauxhall's many virtues —its easy handling, phenomenal roadholding and braking, its roominess and remarkable economy — all stem from its advanced design.

The Vauxhall is powered by a four-cylinder engine that delivers 55 horsepower. It has a compression ratio of 6.8 to 1.



New Line For Plymouth

This Sport Fury two-door hardtop is the newest of the new '59 Plymouths that will be on the public eye here Saturday at the Record's Second Annual Auto Show. Another feature of the show will be $100 in cash prizes for lucky spectators.

There's a surprise in store for drivers their first time at the wheel of the Vauxhall. Here is a really modern engine with big bore and short stroke for effortless high road speeds at low pis tons speeds; with big valve and separate ports for breathing; with high compression ratios for performance and economy;

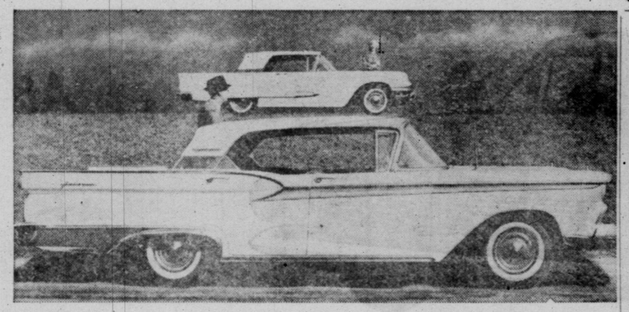
The Friendly CITY NATIONAL BANK "since 1900"



New Series For Ford

Available early in December at Ford dealerships will be this new series — the Galaxie — with styling flavor of the Thunderbird. This new luxury series, Galaxie, will include six different body styles.

Ford's New Galaxie Series Here Soon

Ford Division has announced — nearly a year ahead of schedule — a new series of automobiles that will sell for only $48 above regular Ford Fairlane 500 prices, but have a strong resemblance to the four-passenger Thunderbird — especially in the roof area.

Called the Galaxie, and originally a part of Ford's 1960 styling plans, the new luxury series contains six different body styles.

To bring the Galaxie series to the market early, engineers, toll makers and product planners worked night and day and week ends in top secrecy. The Galaxie required more than a hundred different dies to make more than 50 unique parts and assemblies.

The Galaxie series comes in a two-door sedan, a four-door sedan, two-door hardtop, four-door hardtop, a convertible and a retractable hardtop.

In addition to the Thunderbird roof line, the Galaxie offers a Thunderbird-flavored interior with quilted and pleated fabrics over tailored seats, a new molding over the safety win headlights, different fender ornaments, a modified instrument panel, a two-tone steering wheel, added chrome interior trim inserts and seat side shields.

There are seven interior color selections. "Galaxie" script appears on the quarter panels and the instrument panel.

The suggested list prices, which are $48 above comparable models in the Fairlane 500 line, start at $2,303 for the two-door, six - cylinder sedan.

Production of the vehicles started Nov. 17 at most Ford Division assembly plants. The cars go one sale at Ford dealerships in early December.

Color Choice Best Ever in Auto History

Todays automobiles are rolling off the assembly line in a rainbow array of colors — from sunset pink to deep purple.

There was a time, too, when a two-tone car was a taxi. But those days have fast faded into the past, as two and even triple-tone cars have gained in popularity.

Solid black has become the exception father than the rule to the extent that it it caused the di-staff side of one car-buying family to remark to her husband, "Black? Why must you be conspicuous."

The average man it seems wants a relatively subdued, solid color on his new car.

But women are more color conscious and want the same color vitality they demand in their dresses and in their interior decoration.

Make Chevrolet your first stop at the Auto Show!

Let your eyes linger over Chevrolet's fresh, finely-shaped lines. Relax in the roominess of its elegant new interior. No other car says NEW like this one!

Besides new looks: you get a choice of high-compression V-8's, easy-ratio steering of 28 to 1, new areas of visibility with up to 50 percent more seeing area, new hi-thrift six that gets up to 10 percent more mileage, magic-mirror finish that requires no waxing or polishing for up to three years, more hip room that rivals costliest cars, gentler air ride, new Tyrex cord tires, superior rear suspension and new safety-master brakes that last up to 66 percent longer.

It's new engineering that does it down deep in the '59 Chevy!

new Task Force Trucks for '59

Talk about best sellers, new might, new models, new money-saving power and your're talking about Chevrolet Task Force '59 Trucks. More power . . . in both the more efficient V-8 and the economical 6's. Built-to-last bodies. Durable, comfortable caps. New chassis refinements. See Chevy pickups first!

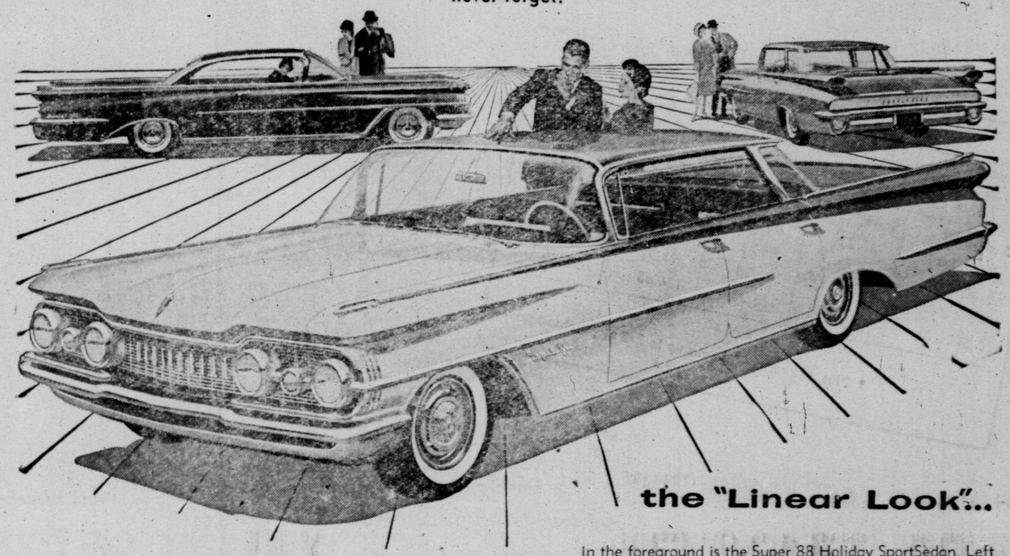
OLDSMOBILE FOR '59

In economical 88's and luxurious 98's, you'll find just the model and body style that suits your family requirements and budget. And there's nothing newer than Oldsmobile's new "linear look" that conquers "inner space." Interiors surround you with spaciousness . . . more than ever before. There's a greater expanse of glass all around and the new Vista-Panoramic Windshield sweeps into the roof. Real stretch-out comfort for passengers and driver . . . up to 64 percent more luggage capacity in the trunk. Put yourself behind the wheel of the roomiest Rocket ever built!

It's the car you've wished for . . . the car you asked for. Test the new stopping power of Oldsmobile's Air-Scoop Brakes. Experience the exceptional smoothness and comfort of the new "Glide Ride" . . . the quietness and power of fuel-saving new Rocket Engines. See the beautiful new Magic-Mirror paints with built-in lustre that lasts and lasts! The '59 Oldsmobile opens up a whole new vista in automotive styling. It's slim, trim silhouette spells out a travel adventure story you'll never forget.

So totally new...
so typically Olds!



the "Linear Look"...

In the foreground is the Super 88 Holiday SportSedan. Left rear is the Ninety-Eight Holiday SceniCoupe and at right rear is the Dynamic 88 Holiday SportSedan. What a choice . . . what a car!
