VOL. 3, No. 242 — SNYDER, TEXAS, FRIDAY, FEBRUARY 6, 1953 — SIX PAGES—PRICE 5c

Wage And Meat Controls Are Ended By President

2 Completions In Coronet Of Howard Co.

Two completions have been made in the Coronet 2900 field of Northeast Howard County.

On a 24-hour pumping potential test King No. 2 C. L. Jones made 63.74 barrels of oil plus 1.6 barrels of water with a very small gas volume.

Gravity was 25.8. The pay section was treated with 5,000 gallons of acid. Top of pay was found at 2,834, five and one-half inch casing was cemented at 2,830 feet, and total depth was 2,880 feet.

It is 330 feet from north and east lines of section 5-25-H&TC.

Sun No. 1-A C. L. Jones in that field made 26.11 barrels of 23.9-gravity oil with no water on a 24-hour pumping test.

Gas - oil ratio was 155-1. Top of pay is at 2,830 feet, five and one-half inch casing was set at 2,849 feet, and total depth is 2,875 feet. The pay section was treated with 2,000 gallons acid.

It is 330 feet from south and 960.6 feet from east lines of section 10-26-H&TC.

CHANGE APPLICATION

An amended application has been filed by Stanolind Oil & Gas Co. to drill the No. 1 Freytag in the Kelley - Snyder field eight miles northwest of Snyder.

John M. Scroggin and others filed the original application to drill the well to 7,500 feet, but it was never started.

It is 675 feet from north and 136 feet from east lines of a 7.6-acre tract in section 299-97-H&TC.

Chapman & McFarlin has set location in the Cogdell East Sand field of Kent County for its No. 3 D. M. Cogdell, Jr., 660 feet from north and 1,980 feet from east lines of section 775-97-HT&TC, 22 miles north and slightly east of Snyder.

It will use rotary tools to drill to 5,000 feet, beginning at once.

DRILLING REPORT

Stanolind No. 1 Minnie Smith and others, wildcat in North Howard County, cored at 7,782-788 feet and recovered one foot lime with scattered porosity. It is now preparing to drillstem test at 7,778-792 feet.

Superior No. 10-535 Jones in the Fluvanna field of Northeast Borden County drillstem tested at 8,167-182 feet with tool open 90 minutes. Gas surfaced in 60 minutes, but gas volume was too small to measure. It recovered 185 feet heavily oil and gas cut mud with a trace of free oil.

Rowen No. 1 Long, Southeast Borden wildcat, on a 45-minute drillstem test at 8,578-608 feet in Mississippian, recovered five feet of mud with no shows. It is preparing to run five and one-half inch casing to test shows already penetrated.

Texaco No. 2 Fuller, North Scurry wildcat, perforated casing at 7,812-820 feet and 7,828-843 feet and treated with 2,000 gallons of acid. It then swabbed 11 hours, recovering 106 barrels of load oil and acid water. It is still swabbing.

Magnolia No. 2 Martin in the Kelley - Snyder field, swabbing on perforations above the plugback total depth of 7,287 feet in the reef lime, was having small shows of gas with no shows of oil reported.

Also in Scurry, Texaco No. 3 Fuller is drilling at 4,310 feet in lime, Louisiana Land & Exploration No. 1 Howell is at 2,947 feet in lime and shale, Humble No. 1 Nachlinger is drilling at 6,549 feet in shale and sand, and Humble No. 5-B Sorrells is shutin to take potential and complete.

Negro Welded Inside Pipe Is Found Dead

STERLINGTON, La. (AP)—Coroner J. T. French of Ouachita Parish (county) returned a preliminary verdict of asphyxiation in the death of a Negro laborer who was welded inside a gas pipeline.

The body of Ernie Young was found far down the line, indicating he had crawled along the pipe before being overcome. Young went into the pipe Wednesday night to clean it and workers who did not know he was inside sealed the end.

REPAIRS RUSHED

British troops carry sandbags across the temporary wall they are building at Sutton-On-Sea, England, following last weekend's storms. In the background is the seawall that was broken by the pounding sea. The reconstruction work along flood-ravaged coasts of England, Belgium and Holland was rushed in the face of fresh North Sea gales that threatened to expand the havoc wrought last weekend.

Dulles Tells Dutch U.S. Will Help Repair Damage For Flood

THE HAGUE The Netherlands (AP)—John Foster Dulles arrived in Holland today for a first-hand survey of damage wrought by the nation's flood disaster and its impact on European defense planning

President Eisenhower's big four-motored plane brought the U. S. Secretary of State and American Foreign Aid Chief Harold Stassen safely to earth at Amsterdam's Schipol Airfield after an hour's flight, part of it through fog, from the West German capital at Bonn.

Their departure from Bonn had been delayed an hour and 16 minutes by ice on the plane's wings and they took off in fog, giving rise to a report that the plane had developed icing "difficulties."

On his arrival, Dulles was quick to assure the stricken Dutch of American aid for their recovery from the week's flood disaster, Western Europe's worst since the Middle Ages.

In a formal statement at the airport, the new U. S. secretary of state said:

"May we extend again on behalf of our government and the American people our most heartfelt sympathy for your plight. We also renew our pledge to assist in relieving the suffering of your people. I am glad to know that our armed forces in Europe have already been able to give substantial aid."

En route here, the two U. S. officials flew over part of Holland's flooded southwest, where more than one million people are in distress, a fourth of the nation's arable lands are ruined by salt water, and damage has been estimated in the neighborhood of a billion dollars.

Although only last month the Dutch announced they had regained sufficient economic strength to do without further direct U. S. economic aid this year, the storm drastically altered this situation.

Officials now say that losses of property, crops and future agricultural earnings plus the cost of rebuilding the nation's dike system are beyond the capacity of the Dutch people.

Court Orders Pickets Away From Docks In Strike Of Tugboats

NEW YORK (AP)—The leader of a tugboat strike that has hampered New York harbor shipping today ordered pickets withdrawn from most piers in compliance with a court order. The union said it would fight the order in court.

Capt. William V. Bradley, president of Local 333, United Marine Division of the AFL International Longshoremen's Assn., sent the withdrawal notice to the pickets shortly after 11 a.m.(EST).

Longshoremen had refused to go through the tugboat men's picket lines with the result that ships could not be loaded or unloaded although the ships were berthed without the aid of tugs.

Record Price For Champion

HOUSTON (AP)—An all time high price of $18,800 was paid by Bill Williams, Houston restaurant man, to Jimmy Wigley, 13, of Goldthwaite today for his 1205-pound Hereford grand champion Houston Fat Stock Show steer.

The previous high was $18,600, also paid by Williams, for last year's grand champion steer.

It was Les Tarrant, wholesale drug man, who made the $18-700 bid which shoved the price to the new high bracket.

It is the fifth grand champion purchase made by Williams at the show, and the $18,800 he bid is the highest price ever paid by any individual for a fat steer in the nation, stock show officials said.

FORT WORTH (AP) — The grand champion steer of the 1953 Southwestern Exposition and Fat Stock show sold this morning for $6,000.

Big Spring Special II, owned by Sue White of Big Spring, went to the Amon Carter Foundation on a bid by Carter which equalled past records. The steer was donated to Lena Pope Home.

Bidding on the 1,020-pound Hereford champ started at $500 on a bid by Hotel Texas' Manager Andy Anderson.

The reserve champion steer, also a Hereford, owned by Billy and David Bridgford, Colorado City, sold to Leonard's Department Store at $3,850.

Dutch Fight Back, Still In Danger Of More Dike Breaks

AMSTERDAM, The Netherlands (AP)—Flood-ravaged but defiant Holland—facing a billion dollar damage bill—fought back today in her age-old battle against the North Sea. Every inch of Dutch soil, said determined officials, would be reclaimed from the crop-killing salt waters.

A few areas where the angry ocean threatened to punch through weakened dikes still were in danger but officials reported the dramatic evacuation of thousands of persons from the flooded southwest lowlands has been largely completed.

Rescue efforts were concentrated today on saving about 1,000 persons huddled in the town of Noordgouwe. A new break in a nearby dike already has engulfed one previously evacuated village.

As Dutch, British and Belgians added up the staggering damage bill from the storm that hit their lands Sunday, the three-nation death toll mounted to 1,919.

Britain listed 546 dead, Belgium 23 while Holland—by far the worst afflicted of the three—counted 1,350. But this figure did not include hundreds of missing. Many of their bodies, it is feared, still lie trapped in homes several feet below sea level. Unofficial estimates of the Dutch toll alone have reached as high as 2,000.

Property damage, both actual and potential, was described as "appalling." Some 300,000 Dutch are homeless and destitute and 700,000 others are described as "in distress."

Both Belgium and Britain were in somewhat better shape. The water has begun to recede from all except a few of the flooded places in Belgium.

In Britain, A. G. Johnson, chief drainage engineer of the British Agriculture Ministry, reported, "Everything is under control."

Johnson said that 500 holes had been torn in English dikes, but from 100 to 150 of these already have been filled in and repair work on the others was under way.

Dutch officials indicated their next big job would be the resettlement on safer ground of whole towns and villages of dispirited men, women and children from the devastated southwest part of Holland.

Senators Ask Disciplinary Action Taken

WASHINGTON (AP)—Two senators urged the new administration today to crack down on persons responsible for the reported strange disappearance of embarrassing letters from State Department files.

Senators Dirksen (R-Ill) and Mundt (R-SD) called for disciplinary action as the Senate investigations subcommittee headed by Sen. McCarthy (R-Wis) called more witnesses in its public inquiry into the way the files have been handled.

Vladimir Toumanoff, assistant chief of the division which measures State Department employes' performance on the job, was on today's witness list. McCarthy declined to name others in advance.

McCarthy said this may be the last day of hearings "in this phase" of the inquiry, but that there will be other sessions in a week or so.

War Nearly At Standstill As Snow Falls

SEOUL (AP) — The Korean War ground to a virtual standstill today as snow and low-hanging clouds covered the war-torn peninsula.

The U. S. Eighth Army reported only light patrol activity.

U. S. Sabre jets were the only Allied warplanes aloft today. Pilots reported no contact with Communist MIGs in murky skies over far Northwest Korea.

Last night, 10 B29 Superforts from Okinawa plastered 100 tons of bombs on the Taeyu troop center 35 miles east of the Sulho Reservoir on the northwest border of Manchuria.

Crewmen reported Communist night fighter planes made five non-firing passes at the B29s.

A U. S. Fifth Air Force spokesman said F94B all-weather jet fighters—with radical radar equipment which guides the plane to its target—chased Communist planes in North Korea last night. But the Reds streaked for home without a fight.

Suspended Sentence Given In Court To Negro Woman Here

A two-year suspended prison sentence was given a Negro woman convicted by district court jury this morning of theft of a billfold containing $100 from the pocket of Jimmy E. Thompson, Houston Negro man. She was Gladys Soloman Perkins of Center.

The jury reported its verdict shortly before noon as another case was underway, having begun while the jury in the Perkins case was in deliberation. The case underway is against John Willie Baker, Negro man charged with forgery.

Thompson testified he met the woman Oct. 20 at Clay Bros. Hotel in the Negro section of Snyder as he asked for a room. He said she told him she was the proprietor of the hotel and asked him to spend the night sharing a room with her but that he refused.

He said he missed the billfold as he left the Negro section after refusing a room at another place near the hotel where she had taken him. He said she told him he could not spend the night in the hotel unless he took a room with her or another woman. He told the jury of her "loving around on me" while trying to get him to stay, then he told of returning about 20 minutes later to a place where he met officers who had directed him to the Negro section.

The officers confirmed his testimony, saying they directed him to the hotel and 20 to 30 minutes later heard his complaint of the alleged theft. One of the officers taking the stand was Alvin Rogers, Snyder policeman. The other was Leamon Land, also of the police department. C. N. Harbin, night manager of the 66 Super Station, where the man met the officers, also confirmed testimony of both meetings.

The defendant contended she was not the woman identified by the complaining witness and did not take any part in any actions alleged. She admitted signing a statement of confession introduced as evidence but said she signed it on orders of Lloyd Merritt, then sheriff, whom she accused of threatening to whip her if she did not sign it.

When the Perkins case was called yesterday morning, she told the judge, Sterling Williams, she had employed Lloyd Davis, Snyder attorney, to defend her. When Davis was called to the court, however, he said he had never before heard of her. The court then appointed Davis defense attorney.

Davis argued the case was based entirely on circumstantial evidence and that Thompson could not likely identify a woman he had only seen once before for only a few seconds. The court's charge to the jury stated the case was one of circumstantial evidence.

Merritt testified that he witnessed the signed statement the defendant gave Renal Rosson, district attorney, and that no threat nor coercion was ever used in connection with her making the statement. She testified later that Merritt slapped her while she was in jail and told her that was only a sample of what she would get if she did not make a confession.

She contended she never wore a red sweater except while in jail and that it had been given her by Leonard White, then jailer and deputy sheriff. This was in answer to Thompson's testimony that she wore such clothing when the offense occurred. White testified he gave her an old sweater found in the jail but that he did not remember what color it was.

The woman was further identified by Thompson as having a black eye at the time of the offense and also when he saw her in jail two weeks later. She contended she obtained the bruise in Big Spring shortly before her arrest. Mrs. Will Clay took the stand for the state and testified the defendant was never an employe of her hotel but that she stayed around the business several days about the time of the alleged offense and that she had a black eye then.

Jurors in the case were Wayland Mathis, Fred Trice, L. B. Dennis, Stanley Noah, Cecil Boren, Dick Hardee, Robert Warren, Ennis Floyd, Riley Foster, B. F. Pinnell, H. A. Flournoy, and L. M. Lavender.

In the other case, Baker is charged with forging the name of C. B. Robertson to a check made out to Luther Tucker, Snyder Negro, for $100, which was cashed. Robertson was a prisoner in the county jail at the time of the alleged offense as were also Baker and Tucker. Baker is under indictment charging him with burglary, and Tucker is serving a sentence for bootlegging.

Spending Policies Of GOP Administration Are Outlined

WASHINGTON (AP) — The Eisenhower administration was described as aiming today at a pay-as-you-go spending budget, with sharp cutbacks in prospect for funds voted by Congress in past years.

Congress members who have talked with Budget Director Joseph M. Dodge said they gained the impression that an unofficial ceiling of $68,700,000,000 — the amount of expected revenues—spending in the fiscal year beginning July 1.

This would represent a cut of nearly 10 billion dollars under the outgo estimated by former President Truman in his budget message. It would balance the budget if there were no cuts in taxes.

In this connection, Secretary of the Treasury Humphrey, Dodge and some others were reported to have discussed the possibility of continuing—for a time at least—the excess profits tax on business which raises about 2½ billion dollars yearly. This tax will expire June 30 unless renewed.

Without mentioning the excess profits levy specifically, President Eisenhower said in his State of the Union message on Monday that tax cuts should await budget balancing efforts. House Speaker Joseph W. Martin of Massachusetts reiterated last night his opposition to any immediate tax reduction.

Martin said on a television program that Secretary of State Dulles had told him he could "cut the State Department almost in two."

"He can do it," Martin added.

Saying there are other places where savings can be accomplished, Martin went on:

"We have got to cut taxes but I believe it is good, humble common sense — business sense to approach the reductions of appropriations first."

Praying Slayer May Have Died Before Time

HUNTSVILLE (AP) — There was speculation among state prison authorities here today that Roy Jack Hulen, praying wife slayer, may have cheated the state of its death penalty.

Hulen, convicted of murder for beating his estranged wife to death with a pipe, turned a deep purple early today when the first violent shock of electricity hit him in the state's electric chair.

Dr. C. A. Shaw, prison physician, said the Amarillo man may have fainted just before the lethal shock struck him. The purple coloring, the physician explained, was due to blood rushing to the skin.

Other prison authorities, however, believed Hulen may have died before the shock, thus cheating the state of its death penalty. But Dr. Shaw would not verify that opinion.

Hulen, 43, first man assessed the death penalty in Potter County courts, went to the death chamber excited and praying.

Pending Pay Cases Freed From Boards

WASHINGTON (AP) — President Eisenhower today ended all wage and salary controls. He also ordered price controls lifted from a wide range of consumer goods, including all meat products.

A White House statement said the President took the actions in a move "toward eliminating in an orderly fashion the price and wage controls under which the American economy has been required to operate for the past two years."

The ending of wage and salary controls means employers and their workers are free to make any agreements they wish about pay matters.

Government regulations have, in some instances, restrained employers from granting wage boosts when they were agreeable to them.

The controls were part of the government's efforts to battle the inflationary rise in prices and wages which set in sharply after the Korean War broke out in 1950.

BOOSTS TAKE EFFECT

Eisenhower's order as to wage and salary controls directs an immediate suspension "of all wage and salary regulations and orders issued by or administered by the Wage Stabilization Board (or Wage Stabilization Committee), Salary Stabilization Board (or the Office of Salary Stabilization) or the Railroad and Airline Wage Board."

The White House statement said: "Adjustments in compensation, including retroactive adjustments, proposed in petitions filed by employers or by employers and unions jointly and still pending before any of these agencies may now be placed in effect."

The announcement as to price controls said the Office of Price Stabilization (OPS) was issuing orders removing price curbs immediately from "a wide and varied list of consumer goods, including all meat products, all furniture, all apparel, all meals sold in restaurants and public eating places."

SAYS CONTROLS INEFFECTIVE

It said the price order affects "nearly all of the thousands of items normally sold in department stores, and many more."

The statement said, as Eisenhower did in his state of the union message Monday, that price controls "have not been effective in protecting the family budget against high prices."

The OPS decontrol order was described as the first of a series "under which all prices will be decontrolled."

The Wage-Price Control Law expires April 30, and Eisenhower announced Monday that he would not ask for its renewal.

The President's executive order was made public immediately after he had met for two hours with his Cabinet, presumably to review the impending actions.

Only 40 Last Night

The temperature dropped from a high of 68 degrees yesterday to 40 degrees last night and was still there at 7:30 o'clock this morning, according to Mrs. D. P. Strayhorn, official weather observer.

WEATHER

WEST TEXAS: Mostly cloudy and cool Friday and Friday night with a few light showers Friday. Saturday partly cloudy and warmer in the Panhandle and South Plains.

EAST TEXAS AND SOUTH CENTRAL TEXAS: Mostly cloudy with scattered showers and local thunderstorms Friday and early Friday night. Saturday partly cloudy, cooler near the coast. Fresh to strong shifting winds on the coast, becoming northerly Friday night.

Teachers Group Doesn't Like Shivers' Pay Raise Proposal

AUSTIN (AP)—Controversy over how to finance Texas' public education program continued to flare today as legislators left the Capitol for the week end.

The Texas State Teachers Assn., through its executive secretary, made it plain yesterday Gov. Shivers' plan to rearrange school financing does not meet TSTA approval.

Shivers' proposal "will seriously handicap" plans to ease the critical classroom shortage, declared TSTA Executive Secretary Charles A. Tennyson.

The governor wants local school districts to pay a bigger share of the minimum foundation program cost than they now are. The minimum program does not include cost of school construction.

ANSWERS ARTICLES

"Many plans for new school construction may have to be scrapped if local contributions to the Minimum Foundation Fund are increased," said Tennyson.

His prepared statement was an apparent answer to the first of four articles prepared by Shivers and offered to Texas newspapers.

Shivers said he believed the old ratio of 75-25 state-local support of the minimum foundation program ought to be reinstituted. That was the percentage when the Gilmer-Aikin School Laws were passed in 1949, but the fixed amount of local contributions—45 million dollars a year—now is only some 21 per cent of the state-and-local total.

DISPUTES FIGURES

Tennyson said "those who want to re-arrange the school financing pattern cite only the figure showing the local schools pay about 20 per cent of the minimum foundation program cost. They fail to cite the cost of current operations and repayment of bonded indebtedness."

When all costs are considered, local schools pay more than 40 per cent of the cost of public education in Texas, he said.

Tennyson also answered Shivers' implied fear that local control cannot be maintained unless proper local support of schools is maintained. The governor has said: "I don't want to see any weakening of local control of our public schools. The school is too close to the home to be controlled by anyone besides the homefolks."

SAYS NO DANGER

Replied Tennyson: "There is no danger of state control of education when the local schools themselves are paying 40 per cent of the education bill."

Shivers' articles and Tennyson's statements likely will represent the two major points of view that will develop in the legislative fight over school financing.

The issue possibly would not have arisen if teachers had not demanded that the Legislature assure them a pay raise. The TSTA, which boasts a membership of 53,000 of the state's 55,000 teachers, is pushing for an increase of $600 in the minimum annual base pay of beginning teachers.

WRITTEN BY STAFF

Shivers has recommended a cost of living increase, and this was fixed at 10 per cent in the administration bill to raise salaries and revise school financing. Ten per cent would mean a $240 a year hike for beginning teachers with a bachelor's degree.

SOME BABY

Charles R. Hughes of Sacramento, Calif., said he would sell his house and move to the country before he would get rid of his pet lion cub. Neighbors complained because they feared for the safety of the children in the neighborhood. Mrs. Alton Smith is shown feeding the 2½-months-old baby motuntain lion.

Soviets Say They Have Caught Four Spies Trained By U.S.

MOSCOW (AP) — Pravda reported today that state security police have arrested three men and a woman, all Soviet citizens, on charges of spying and alleged that the U. S. intelligence service had especially trained one of the men for espionage.

The Communist party paper identified the four as:

T. A. Sas, "an agent schooled for spying by Americans in Germany."

S. D. Gurevich, a "veteran Trotskyite."

E. A. Taratuta, a woman formerly employed by the Soviet Union's Academy of Sciences.

K. F. Romanov, a former school teacher who once tried to steal from a cartel.

Pravda said all four had passed secrets to foreign governments. Their activities, the paper said, makes it evident "that foreign intelligence services use as agents all kinds of criminals and rotten elements."

The paper called again for intense vigilance against Soviet enemies. It backed its spy charges with this account of what had taken place:

Sas, a Soviet railway worker during World War II, deserted to the Germans and reported to the Gestapo on other Soviet citizens, two of whom were hanged on his testimony.

After the war, the Americans enlisted him in their service and "after having completed a special school he was sent back by American intelligence into the USSR as a repatriate."

In Krivoi Rog, an iron ore center in the Ukraine, Sas "tried to conduct subversive and anti-Soviet work, enlisting all kinds of rotten and criminal elements."

Gurevich established a friendship with Trotskyites while in America from 1914 to 1917.

"After his return to Russia, Gurevich became an active participant and active member of an anti-Soviet Trotskyite group.

"In 1927, Gurevich submitted to the party organization a declaration of renunciation of Trotskyism—this was deceit and double dealing.

"Remaining a hidden Trotskyite and an inveterate enemy of the Soviet people, Gurevich established in 1939 ties with a foreign intelligence service and for a number of years supplied it with espionage information.

"Gurevich squeezed espionage information from those citizens who, having lost their vigilance, blurted out to him state secrets.

"Besides this, he sought out among his acquaintances politically and morally unstable people and used them for purposes of espionage.

"Thus Gurevich drew into the espionage work a former worker at one of the institutes of the Academy of Sciences of the USSR, E. A. Taratuta, whom he entrusted with obtaining information on the attainments of the society of scienists.

"As a result of carelessness and the gullibility of certain workers of the institute, Taratuta succeeded in stealing a number of secret documents."

Tigers Get Chance At Lead In District In Tilt Here Tonight

After working through rugged drills this week, the Tiger cage team is ready to take on Plainview in the Tiger gym tonight with the possibility of taking first place in the district.

Plainview, which edged Snyder 57-55 in an overtime bout in the first district contest, now leads the district with a 4-1 record. The Tigers run second with 4-2.

Last night, Sweetwater moved in to a tie for third place with Lamesa after downing Vernon 55-34. Carl Anderson paced the Mustangs with 21 points to hold his lead in district scoring. Vernon fell to next-to-last place with a 2-3 record.

Lamesa and Sweetwater are scheduled to battle tonight to see who will hold third place, while Vernon is to meet Big Spring.

Ned Underwood, Tiger scoring leader, runs close behind Anderson for second place in district scoring with 106 points. During the entire season, he has scored 296.

Joe Cargile, Tiger set-shotter who still runs third in district scoring with 85 points, will be a starter tonight. He runs second in Tiger season scoring with 180.

Others on the A squad playing list tonight will be Deanie Floyd, 160 points this season; Reagan White, 128; Joe Galyean, 101; Douglas Ayers, 98; Bill Boyd, 88; Jimmy Bennett, 70; and Ray Courtney, 65.

The Tigers will go into the game with a 12-9 season record. They have scored 339 points to opponents' 306 in district play, while Plainview has scored 294 to 257, Lamesa 290 to 278, Sweetwater 281 to 255, Vernon 234 to 244, and Big Spring 227 to 325.

The B squad, which has an 11-3 season record and 4-2 in district play, will meet a team that has a 5-0 record. Plainview is bringing only 15 players, so a part of the A squad will be on the floor during the B game.

The Tiger B has scored 636 points this season to opponents' 58.

The B team will open play at 6:30 o'clock, followed by the A game at 8 o'clock.

DISTRICT STANDINGS

	Season	District
Plainview	16- 6	4-1
Snyder	12- 9	4-2
Sweetwater	15- 7	3-2
Lamesa	13- 8	3-2
Vernon	15- 7	2-3
Big Spring	5-14	0-5

Seton Hall Is Still Rolling Without Loss

NEW YORK (AP)—Honey Russell, coach of the undefeated Seton Hall basketball team, apparently is just as good a prophet as he is a coach.

Russell said two weeks ago the "toughest ones left on our schedule look like Villanova, St. Bonaventure, Siena and our western trip at the end with Loyola of Chicago, Dayton and Louisville."

Villanova became victim No. 21 last Saturday and St. Bonaventure became No. 22 last night, 74-67. That leaves Seton Hall, the nation's top ranked team in The Associated Press poll, with eight games still to play in its bid for a perfect record.

The Seton Hall-Bonnies struggle was part of a Madison Square Garden doubleheader which drew the largest Garden cage turnout of the season—15,482. Manhattan beat St. Johns of Brooklyn 60-52, in the other game.

In other major games throughout the country, Duke put on a second half rally to beat New York University, 89-82; UCLA whipped Bradley, 79-73; Utah State took Denver, 83-73, and Rice trimmed Sam Houston, 81-54.

It was Seton Hall's refusal to get rattled in the pinches that turned the tide against St. Bonaventure. Although slow to get started in the first quarter and trailing by four when it was over, Seton Hall snapped back with eight straight points for a 23-19 lead.

Practice Tilts In City Loop

C & S Sporting Goods and National Guard gave opponents a sampling of the kind of competition they will put up in the city basketball league last night when they both took wins in practice games.

C & S downed Wade Pipkin Motors, second place team in the league last year, 65-42 while National Guard defeated Chuck Wagon, defending champion of the league, 76-71.

James Bowers led C & S to its win with 20 points, followed by the 17 scored by Bobby Shipley. Bill Hanks led the Pipkin team with 14 points, while Eddie Hight scored 12.

Bill Voss paced National Guard with 32 points, and Robert Minton tallied 17. Bob Balke scored 17 for Chuck Wagon, and Joe Burney sacked 16.

El Paso Golf Course Is Too Dry For Defending Champion

EL PASO (AP)—A full-blown rhubarb in which El Paso Open sponsors are boiling mad at Golfer Cary Middlecoff for quitting in disgust over condition of their course almost overshadowed the fact today that Ted Kroll and Chandler Harper led the tournament into its second round.

Handsome Cary, defending champion of the tournament, stalked off the windblown, dry-as-a-bone 6,309-yard El Paso Country Club course yesterday after shooting nine holes in five-over-par 41, and said it was the worst he ever had seen. "I never before in my golf career took six bogeys in a row nor ever three - putted more than three greens in succession," he growled. "I three-putted five in a row here."

Bob Haynesworth, co-chairman of the tournament committee, called Middlecoff a poor sport and said the course was no worse than last year when Middlecoff won first money. "I think he owed it to us to play through this tournament," said Haynesworth.

Meanwhile, Kroll and Harper, who seldom win first place but usually are active around the cash window, were shooting five-under-par 66's to tie for the first round lead. They were a stroke to the good over Doug Ford of Harrison, N. Y.

Kroll, who registers from New Hartford, N. Y., and Harper, Portsmouth, Va., each had little trouble with the course. Ford had trouble on the back nine and complained about it but indicated no intentions of withdrawing.

There were 13 withdrawals yesterday, cutting the field to 128. These will be trimmed to the low 60's and ties plus all eight of the amateurs playing in the tournament with the close of the second round this afternoon. Those go into the final 36 holes Saturday and Sunday.

Haynesworth was burned up at Middlecoff for leaving the tournament, saying "It will hurt us." Especially was it a blow to the tournament in the face of the loss of Tommy Bolt, the tourney favorite, who had to withdraw because of a mashed thumb. He suffered the injury when a car door slammed on it.

Bolt said he hoped to be able to play in the Texas Open at San Antonio next week but Middlecoff wasn't sure he would appear there. "I am not committed," he pointed out. "And I may have to go home to make out my income tax report."

Olson Not To Be Told Who He Can Fight

BOSTON (AP)—Norman Hayes, Boston's entry in the proposed middleweight boxing championship eliminating tourney, plans to continue on that title road, despite the withdrawal of Carl (Bobo) Olson of Honolulu.

Hayes and Olson are booked for a return 10-round feature bout tomorrow night at the Boston Garden. It will be televised nationally at 8 p. m. (CST) with New England blacked out.

Olson, who defeated the Bostonian in their first meeting, plans to come in overweight, around 163 pounds.

"Hayes will make the 160-limit and, as far as we are concerned, it is an elimination tournament bout." Manager Johnny Buckley said.

Sid Flaherty, Olson's pilot, said he would fly to Los Angeles Sunday to meet British Promoter Jack Solomons and negotiate for a London bout with England's Randy Turpin.

Flaherty explained he and Olson were not interested in the proposed tournament to provide a successor for Sugar Ray Robinson, the abdicated middleweight titlist.

"Olson has whipped practically everybody the National Boxing Association has suggested for its elimination tournament and he can lick anyone he hasn't fought yet," Flaherty explained. "I'm not going to let the NBA or the International Boxing Club tell me who my boy will fight and who he won't fight. I'm an independent operator. Nobody's going to hold me back."

The NBA had suggested that the winner of the Olson-Hayes fight meet the survivor of tonight's New York clash between Rocky Castellani and Pierre Langlois.

Hayes has not fought in Boston since Jan. 22, 1952, when he scored an impressive victory over Jake LaMotta. Since then Hayes has lost five of his last six engagements.

Gavilan Isn't So Cocky Now

CHICAGO (AP)—The Kid Gavilan now in Chicago must be different than the Kid Gavilan who has been training in New York, or something.

Gavilan says he may have to go the full 15 rounds before beating Chuck Davey.

Earlier in New York, Gavilan had been quoted as saying he would stop Davey in eight.

The Cuba Kid will defend his welterweight title against undefeated Davey in Chicago Stadium Wednesday night. It will be on the nation's home television sets.

"I never say that thing about only eight rounds," said Gavilan today after being in Chicago 36 hours. "I think I win, but I think it might take 15. Davey heem smart and fast. That's all I hear. Heem good boy, smart college boy. Me a poor boy who used to cut sugar cane in Cuba."

Gavilan, a flashy dresser and proud owner of a sprouting goatee, now has his own cugar cane plantation in Cuba. His manager, Angel Lopez, says he has been guaranteed $104,000 for the Davey scrap —40 per cent of a net gate of $260,000 guaranteed by sponsors of the telecast. His slice likely will be more after the house is counted for the International Boxing Club is talking in terms of a $300,000 or more gross. Davey's cut is 20 per cent.

Rematch terms, should Gavilan lose, require a return bout within 90 days with each receiving 30 per cent.

Hollywood is a buzz with rumors that actress June Haver (above) may give up her movie career and enter a convent. She has told her studio she will not renew her contract. The actress, who is divorced from musician Jimmy Zito, said she is going away to prepare herself by prayer.

Women's Open Starts Today

MIAMI BEACH, Fla. (AP)—Fifteen pros and 72 amateurs teed off at the Bayshore Golf Course today in the first round of the 54-hole Miami Beach Open Tournament.

Babe Zaharias of Tampa, Fla., sewed up expense money Thursday when she fired a two-over-par for low score among the pros in a pro-amateur tuneup. That won the top prize of $375 out of $1,500 distributed among the pros for the day's work.

The winner's purse in the open will be $875.

Marilyn Smith of Wichita, Kan., and Peggy Kirk of Ponte Vedra, Fla., shot 75s in the pro-amateur contest. Louise Suggs of Cincinnati and Betsy Rawls of Spartanburg, S. C., posted 76s.

Middleweight Tourney Starts Amid Groans

NEW YORK (AP)—The American middleweight tournament, already under withering counter fire from two sides, opens tonight with a 12-round match at Madison Square Garden between Rocky Castellani of Luzerne, Pa., and Pierre Langlois of France.

This elimination bout, scheduled for 10 p.m., EST, with ABC radio and NBC television coverage was to have been followed by a Saturday tournament battle at Boston. But that has been changed.

Carl (Bobo) Olson of Honolulu, who fights Norman Hayes of Boston in the 10-rounder, says he isn't interested in any tournament. His manager, Sid Flaherty, claims he has whipped "practically everybody in the tournament and can lick the rest."

J. Onslow Fane, British boxing chief, wants to kill the tournament. He wants Randy Turpin, the ex-champ from Britain, to fight an "acceptable" boxer for the world title. There are hints the "acceptable" boxer might be Olson, ranked No. 1 in this country. At least, Flaherty hopes to see Jack Solomons, London promoter, on the West Coast within a few days.

Tex Sullivan, Castellani's manager, is screaming for a match with Olson for the American title if Rocky gets past Langlois.

Links Girls Don't Like New Edict Against Wearing Shorts

NEW YORK (AP) — The sports world was sharply divided today on the burning issue of the hour: Did the U. S. Golf Association do right by our gals — and gallery guys — in banning shorts for all official women's tournaments?

The prim fairway fathers issued the edict last Saturday. No more scanty, revealing attire for the links lassies. Conservative skirts only.

"We feel it's terribly unfair," said the golfing Bauer sisters, who taught galleries to appreciate more than a pretty swing. "The decision should be left to the individual.

"Shorts are much more comfortable, especially in hot weather. Besides, in many instances skirts are more revealing, such as in windy weather or when bending down or lining up putts. However, if this is their final decision we'll abide by it."

The beauteous Bauers—Alice, 25, and Marlene, 19—can continue to wear shorts in pro events, such as the Cross-Country in which they're playing now in Miami Beach, Fla. They'll have to don skirts in the Women's Open, taken over this year by the USGA.

Another staunch shorts wearer among the lady pros is Peggy Kirk of Findlay, Ohio, who could grace a chorus line. Says Peggy: "I feel the USGA ban is only against the briefer type of shorts. The knee length or Bermuda type shorts should be okay. They offer freedom."

From Maureen Orcutt, long one of the East's outstanding women performers, came a strong vote for the USGA action.

"Shorts are all right in tennis and other sports in which players are in an enclosure," said Maureen. "On a golf course, out in the open, they are undignified. Besides, skirts are much nicer."

A pound of coal produces about as much heat as would be produced by burning 1,300 safety matches from end to end.

Bill Veeck Gotten Himself In Bad Jam With His Own League

NEW YORK (AP)—So far as it is possible to detect at this point, Bill Veeck, the gay young president of the St. Louis Browns, finally has managed to get himself across a barrel.

His demand for a cut of television profits when his club is playing on the road has caused the Yankees, as a retaliatory measure, to chop the Brownies off their night game schedule at the stadium.

This will prove quite a financial blow to Veeck's outfit, which must depend to an important extent upon its "take" in the richer American League parks until it improves sufficiently to attract bigger crowds at home. Daytime games between the Yanks and Browns at the stadium are notoriously poor draws.

So, Veeck's hand not only has been slapped vigorously out of the TV jam jar, but he has been shorn of several of his best road dates. The night games he lost will be divided among the Cleveland Indians and Boston Red Sox, who are not numbered among the poor boy clubs.

There appears to be nowhere Veeck can turn either for redress or sympathy. His own league voted him down at its recent meeting here. He can get no help from Commissioner Ford Frick.

"It's strictly a league matter and not within my province at all," Frick advises us. "I have talked about it with Bill, but I did not regard that as an official protest. If I should receive one I would have to tell him the same thing I've told you."

There remains, seemingly, only the courts, and anyone who knows a baseball magnate these days knows a man who would walk around the block to avoid passing a courthouse.

The only thing certain is that Sportshirt Bill will dream up something. He always has before, and he won't be happy across that barrel.

The great middleweight tournament has cracked up even more quickly than was predicted with the withdrawal of Bobo Olson, the nationally known television favorite, from the unwieldy field of candidates named jointly by the NBA and the New York commission.

Bobo is right. He's already licked most of them and why should he be required to do it again? This one-man commission is prepared to recognize the winner of a talked-about match between Bobo and Randy Turpin of England as the legitimate successor to Ray Robinson as world 160-pound ruler.

Our rival bodies, the NBA-New York cartel, probably would complain, but there wouldn't be much they could do about it. They would, as a matter of fact, look pretty silly. You can see our man Bobo on your sets again tomorrow night, by the way. He's up in Boston to give Norman Hayes another lumping.

THE SNYDER DAILY NEWS

VOL. 3, No. 242 — SNYDER, TEXAS, FRIDAY, FEBRUARY 6, 1953 — SIX PAGES—PRICE 5c

Wage And Meat Controls Are Ended By President

2 Completions In Coronet Of Howard Co.

Two completions have been made in the Coronet 2900 field of Northeast Howard County.

On a 24-hour pumping potential test King No. 2 C. L. Jones made 63.74 barrels of oil plus 1.6 barrels of water with a very small gas volume.

Gravity was 25.8. The pay section was treated with 5,000 gallons of acid. Top of pay was found at 2,834, five and one-half inch casing was cemented at 2,830 feet, and total depth was 2,880 feet.

It is 330 feet from north and east lines of section 5-25-H&TC.

Sun No. 1-A C. L. Jones in that field made 26.11 barrels of 23.9-gravity oil with no water on a 24-hour pumping test.

Gas - oil ratio was 155-1. Top of pay is at 2,830 feet, five and one-half inch casing was set at 2,849 feet, and total depth is 2,875 feet. The pay section was treated with 2,000 gallons acid.

It is 330 feet from south and 960.6 feet from east lines of section 10-26-H&TC.

CHANGE APPLICATION

An amended application has been filed by Stanolind Oil & Gas Co. to drill the No. 1 Freytag in the Kelley - Snyder field eight miles northwest of Snyder.

John M. Scroggin and others filed the original application to drill the well to 7,500 feet, but it was never started.

It is 675 feet from north and 136 feet from east lines of a 7.6-acre tract in section 299-97-H&TC.

Chapman & McFarlin has set location in the Cogdell East Sand field of Kent County for its No. 3 D. M. Cogdell, Jr., 660 feet from north and 1,980 feet from east lines of section 775-97-HT&TC, 22 miles north and slightly east of Snyder.

It will use rotary tools to drill to 5,000 feet, beginning at once.

DRILLING REPORT

Stanolind No. 1 Minnie Smith and others, wildcat in North Howard County, cored at 7,782-788 feet and recovered one foot lime with scattered porosity. It is now preparing to drillstem test at 7,778-792 feet.

Superior No. 10-535 Jones in the Fluvanna field of Northeast Borden County drillstem tested at 8,167-182 feet with tool open 90 minutes. Gas surfaced in 60 minutes, but gas volume was too small to measure. It recovered 185 feet heavily oil and gas cut mud with a trace of free oil.

Rowen No. 1 Long, Southeast Borden wildcat, on a 45-minute drillstem test at 8,578-608 feet in Mississippian, recovered five feet of mud with no shows. It is preparing to run five and one-half inch casing to test shows already penetrated.

Texaco No. 2 Fuller, North Scurry wildcat, perforated casing at 7,812-820 feet and 7,828-843 feet and treated with 2,000 gallons of acid. It then swabbed 11 hours, recovering 106 barrels of load oil and acid water. It is still swabbing.

Magnolia No. 2 Martin in the Kelley - Snyder field, swabbing on perforations above the plugback total depth of 7,287 feet in the reef lime, was having small shows of gas with no shows of oil reported.

Also in Scurry, Texaco No. 3 Fuller is drilling at 4,310 feet in lime, Louisiana Land & Exploration No. 1 Howell is at 2,947 feet in lime and shale, Humble No. 1 Nachlinger is drilling at 6,549 feet in shale and sand, and Humble No. 5-B Sorrells is shutin to take potential and complete.

Negro Welded Inside Pipe Is Found Dead

STERLINGTON, La. (AP)—Coroner J. T. French of Ouachita Parish (county) returned a preliminary verdict of asphyxiation in the death of a Negro laborer who was welded inside a gas pipeline.

The body of Ernie Young was found far down the line, indicating he had crawled along the pipe before being overcome. Young went into the pipe Wednesday night to clean it and workers who did not know he was inside sealed the end.

REPAIRS RUSHED

British troops carry sandbags across the temporary wall they are building at Sutton-On-Sea, England, following last weekend's storms. In the background is the seawall that was broken by the pounding sea. The reconstruction work along flood-ravaged coasts of England, Belgium and Holland was rushed in the face of fresh North Sea gales that threatened to expand the havoc wrought last weekend.

Dulles Tells Dutch U.S. Will Help Repair Damage For Flood

THE HAGUE The Netherlands (AP)—John Foster Dulles arrived in Holland today for a first-hand survey of damage wrought by the nation's flood disaster and its impact on European defense planning

President Eisenhower's big four-motored plane brought the U. S. Secretary of State and American Foreign Aid Chief Harold Stassen safely to earth at Amsterdam's Schipol Airfield after an hour's flight, part of it through fog, from the West German capital at Bonn.

Their departure from Bonn had been delayed an hour and 16 minutes by ice on the plane's wings and they took off in fog, giving rise to a report that the plane had developed icing "difficulties."

On his arrival, Dulles was quick to assure the stricken Dutch of American aid for their recovery from the week's flood disaster, Western Europe's worst since the Middle Ages.

In a formal statement at the airport, the new U. S. secretary of state said:

"May we extend again on behalf of our government and the American people our most heartfelt sympathy for your plight. We also renew our pledge to assist in relieving the suffering of your people. I am glad to know that our armed forces in Europe have already been able to give substantial aid."

En route here, the two U. S. officials flew over part of Holland's flooded southwest, where more than one million people are in distress, a fourth of the nation's arable lands are ruined by salt water, and damage has been estimated in the neighborhood of a billion dollars.

Although only last month the Dutch announced they had regained sufficient economic strength to do without further direct U. S. economic aid this year, the storm drastically altered this situation.

Officials now say that losses of property, crops and future agricultural earnings plus the cost of rebuilding the nation's dike system are beyond the capacity of the Dutch people.

Court Orders Pickets Away From Docks In Strike Of Tugboats

NEW YORK (AP)—The leader of a tugboat strike that has hampered New York harbor shipping today ordered pickets withdrawn from most piers in compliance with a court order. The union said it would fight the order in court.

Capt. William V. Bradley, president of Local 333, United Marine Division of the AFL International Longshoremen's Assn., sent the withdrawal notice to the pickets shortly after 11 a.m.(EST).

Longshoremen had refused to go through the tugboat men's picket lines with the result that ships could not be loaded or unloaded although the ships were berthed without the aid of tugs.

Dutch Fight Back, Still In Danger Of More Dike Breaks

AMSTERDAM, The Netherlands (AP)—Flood-ravaged but defiant Holland—facing a billion dollar damage bill—fought back today in her age-old battle against the North Sea. Every inch of Dutch soil, said determined officials, would be reclaimed from the crop-killing salt waters.

A few areas where the angry ocean threatened to punch through weakened dikes still were in danger but officials reported the dramatic evacuation of thousands of persons from the flooded southwest lowlands has been largely completed.

Rescue efforts were concentrated today on saving about 1,000 persons huddled in the town of Noordgouwe. A new break in a nearby dike already has engulfed one previously evacuated village.

As Dutch, British and Belgians added up the staggering damage bill from the storm that hit their lands Sunday, the three-nation death toll mounted to 1,919.

Britain listed 546 dead, Belgium 23 while Holland—by far the worst afflicted of the three—counted 1,350. But this figure did not include hundreds of missing. Many of their bodies, it is feared, still lie trapped in homes several feet below sea level. Unofficial estimates of the Dutch toll alone have reached as high as 2,000.

Property damage, both actual and potential, was described as "appalling." Some 300,000 Dutch are homeless and destitute and 700,000 others are described as "in distress."

Both Belgium and Britain were in somewhat better shape. The water has begun to recede from all except a few of the flooded places in Belgium.

In Britain, A. G. Johnson, chief drainage engineer of the British Agriculture Ministry, reported, "Everything is under control."

Johnson said that 500 holes had been torn in English dikes, but from 100 to 150 of these already have been filled in and repair work on the others was under way.

Dutch officials indicated their next big job would be the resettlement on safer ground of whole towns and villages of dispirited men, women and children from the devastated southwest part of Holland.

Record Price For Champion

HOUSTON (AP)—An all time high price of $18,800 was paid by Bill Williams, Houston restaurant man, to Jimmy Wigley, 13, of Goldthwaite today for his 1205-pound Hereford grand champion Houston Fat Stock Show steer.

The previous high was $18,600, also paid by Williams, for last year's grand champion steer.

It was Les Tarrant, wholesale drug man, who made the $18-700 bid which shoved the price to the new high bracket.

It is the fifth grand champion purchase made by Williams at the show, and the $18,800 he bid is the highest price ever paid by any individual for a fat steer in the nation, stock show officials said.

FORT WORTH (AP) — The grand champion steer of the 1953 Southwestern Exposition and Fat Stock show sold this morning for $6,000.

Big Spring Special II, owned by Sue White of Big Spring, went to the Amon Carter Foundation on a bid by Carter which equalled past records. The steer was donated to Lena Pope Home.

Bidding on the 1,020-pound Hereford champ started at $500 on a bid by Hotel Texas' Manager Andy Anderson.

The reserve champion steer, also a Hereford, owned by Billy and David Bridgford, Colorado City, sold to Leonard's Department Store at $3,850.

Senators Ask Disciplinary Action Taken

WASHINGTON (AP)—Two senators urged the new administration today to crack down on persons responsible for the reported strange disappearance of embarrassing letters from State Department files.

Senators Dirksen (R-Ill) and Mundt (R-SD) called for disciplinary action as the Senate investigations subcommittee headed by Sen. McCarthy (R-Wis) called more witnesses in its public inquiry into the way the files have been handled.

Vladimir Toumanoff, assistant chief of the division which measures State Department employes' performance on the job, was on today's witness list. McCarthy declined to name others in advance.

McCarthy said this may be the last day of hearings "in this phase" of the inquiry, but that there will be other sessions in a week or so.

War Nearly At Standstill As Snow Falls

SEOUL (AP) — The Korean War ground to a virtual standstill today as snow and low-hanging clouds covered the war-torn peninsula.

The U. S. Eighth Army reported only light patrol activity.

U. S. Sabre jets were the only Allied warplanes aloft today. Pilots reported no contact with Communist MIGs in murky skies over far Northwest Korea.

Last night, 10 B29 Superforts from Okinawa plastered 100 tons of bombs on the Taeyu troop center 35 miles east of the Suiho Reservoir on the northwest border of Manchuria.

Crewmen reported Communist night fighter planes made five nonfiring passes at the B29s.

A U. S. Fifth Air Force spokesman said F94B all-weather jet fighters—with radical radar equipment which guides the plane to its target—chased Communist planes in North Korea last night. But the Reds streaked for home without a fight.

Suspended Sentence Given In Court To Negro Woman Here

A two-year suspended prison sentence was given a Negro woman convicted by district court jury this morning of theft of a billfold containing $100 from the pocket of Jimmy E. Thompson, Houston Negro man. She was Gladys Soloman Perkins of Center.

The jury reported its verdict shortly before noon as another case was underway, having begun while the jury in the Perkins case was in deliberation. The case underway is against John Willie Baker, Negro man charged with forgery.

Thompson testified he met the woman Oct. 20 at Clay Bros. Hotel in the Negro section of Snyder as he asked for a room. He said she told him she was the proprietor of the hotel and asked him to spend the night sharing a room with her but that he refused.

He said he missed the billfold as he left the Negro section after refusing a room at another place near the hotel where she had taken him. He said she told him he could not spend the night in the hotel unless he took a room with her or another woman. He told the jury of her "loving around on me" while trying to get him to stay, then he told of returning about 20 minutes later to a place where he met officers who had directed him to the Negro section.

The officers confirmed his testimony, saying they directed him to the hotel and 20 to 30 minutes later heard his complaint of the alleged theft. One of the officers taking the stand was Alvin Rogers, Snyder policeman. The other was Leamon Land, also of the police department. C. N. Harbin, night manager of the 66 Super Station, where the man met the officers, also confirmed testimony of both meetings.

The defendant contended she was not the woman identified by the complaining witness and did not take any part in any actions alleged. She admitted signing a statement of confession introduced as evidence but said she signed it on orders of Lloyd Merritt, then sheriff, whom she accused of threatening to whip her if she did not sign it.

When the Perkins case was called yesterday morning, she told the judge, Sterling Williams, she had employed Lloyd Davis, Snyder attorney, to defend her. When Davis was called to the court, however, he said he had never before heard of her. The court then appointed Davis defense attorney.

Davis argued the case was based entirely on circumstantial evidence and that Thompson could not likely identify a woman he had only seen once before for only a few seconds. The court's charge to the jury stated the case was one of circumstantial evidence.

Merritt testified that he witnessed the signed statement the defendant gave Renal Rosson, district attorney, and that no threat nor coercion was ever used in connection with her making the statement. She testified later that Merritt slapped her while she was in jail and told her that was only a sample of what she would get if she did not make a confession.

She contended she never wore a red sweater except while in jail and that it had been given her by Leonard White, then jailer and deputy sheriff. This was in answer to Thompson's testimony that she wore such clothing when the offense occurred. White testified he gave her an old sweater found in the jail but that he did not remember what color it was.

The woman was further identified by Thompson as having a black eye at the time of the offense and also when he saw her in jail two weeks later. She contended she obtained the bruise in Big Spring shortly before her arrest. Mrs. Will Clay took the stand for the state and testified the defendant was never an employe of her hotel but that she stayed around the business several days about the time of the alleged offense and that she had a black eye then.

Jurors in the case were Wayland Mathis, Fred Trice, L. B. Dennis, Stanley Noah, Cecil Boren, Dick Hardee, Robert Warren, Ennis Floyd, Riley Foster, B. F. Pinnell, H. A. Flournoy, and L. M. Lavender.

In the other case, Baker is charged with forging the name of C. B. Robertson to a check made out to Luther Tucker, Snyder Negro, for $100, which was cashed. Robertson was a prisoner in the county jail at the time of the alleged offense as were also Baker and Tucker. Baker is under indictment charging him with burglary, and Tucker is serving a sentence for bootlegging.

Spending Policies Of GOP Administration Are Outlined

WASHINGTON (AP) — The Eisenhower administration was described as aiming today at a pay-as-you-go spending budget, with sharp cutbacks in prospect for funds voted by Congress in past years.

Congress members who have talked with Budget Director Joseph M. Dodge said they gained the impression that an unofficial ceiling of $68,700,000,000 — the amount of expected revenues—spending in the fiscal year beginning July 1.

This would represent a cut of nearly 10 billion dollars under the outgo estimated by former President Truman in his budget message. It would balance the budget if there were no cuts in taxes.

In this connection, Secretary of the Treasury Humphrey, Dodge and some others were reported to have discussed the possibility of continuing—for a time at least—the excess profits tax on business which raises about 2½ billion dollars yearly. This tax will expire June 30 unless renewed.

Without mentioning the excess profits levy specifically, President Eisenhower said in his State of the Union message on Monday that tax cuts should await budget balancing efforts. House Speaker Joseph W. Martin of Massachusetts reiterated last night his opposition to any immediate tax reduction.

Martin said on a television program that Secretary of State Dulles had told him he could "cut the State Department almost in two."

"He can do it," Martin added.

Saying there are other places where savings can be accomplished, Martin went on:

"We have got to cut taxes but I believe it is good, humble common sense — business sense to approach the reductions of appropriations first."

Pending Pay Cases Freed From Boards

WASHINGTON (AP) — President Eisenhower today ended all wage and salary controls. He also ordered price controls lifted from a wide range of consumer goods, including all meat products.

A White House statement said the President took the actions in a move "toward eliminating in an orderly fashion the price and wage controls under which the American economy has been required to operate for the past two years."

The ending of wage and salary controls means employers and their workers are free to make any agreements they wish about pay matters.

Government regulations have, in some instances, restrained employers from granting wage boosts when they were agreeable to them.

The controls were part of the government's efforts to battle the inflationary rise in prices and wages which set in sharply after the Korean War broke out in 1950.

BOOSTS TAKE EFFECT

Eisenhower's order as to wage and salary controls directs an immediate suspension "of all wage and salary regulations and orders issued by or administered by the Wage Stabilization Board (or Wage Stabilization Committee), Salary Stabilization Board (or the Office of Salary Stabilization) or the Railroad and Airline Wage Board."

The White House statement said: "Adjustments in compensation, including retroactive adjustments, proposed in petitions filed by employers or by employers and unions jointly and still pending before any of these agencies may now be placed in effect."

The announcement as to price controls said the Office of Price Stabilization (OPS) was issuing orders removing price curbs immediately from "a wide and varied list of consumer goods, including all meat products, all furniture, all apparel, all meals sold in restaurants and public eating places."

SAYS CONTROLS INEFFECTIVE

It said the price order affects "nearly all of the thousands of items normally sold in department stores, and many more."

The statement said, as Eisenhower did in his state of the union message Monday, that price controls "have not been effective in protecting the family budget against high prices."

The OPS decontrol order was described as the first of a series "under which all prices will be decontrolled."

The Wage-Price Control Law expires April 30, and Eisenhower announced Monday that he would not ask for its renewal.

The President's executive order was made public immediately after he had met for two hours with his Cabinet, presumably to review the impending actions.

Praying Slayer May Have Died Before Time

HUNTSVILLE (AP) — There was speculation among state prison authorities here today that Roy Jack Hulen, praying wife slayer, may have cheated the state of its death penalty.

Hulen, convicted of murder for beating his estranged wife to death with a pipe, turned a deep purple early today when the first violent shock of electricity hit him in the state's electric chair.

Dr. C. A. Shaw, prison physician, said the Amarillo man may have fainted just before the lethal shock struck him. The purple coloring, the physician explained, was due to blood rushing to the skin.

Other prison authorities, however, believed Hulen may have died before the shock, thus cheating the state of its death penalty. But Dr. Shaw would not verify that opinion.

Hulen, 43, first man assessed the death penalty in Potter County courts, went to the death chamber excited and praying.

Only 40 Last Night

The temperature dropped from a high of 68 degrees yesterday to 40 degrees last night and was still there at 7:30 o'clock [illegible] morning, according to Mrs. D. P. Strayhorn, official weather observer.

WEATHER

WEST TEXAS: Mostly cloudy and cool Friday and Friday night with a few light showers Friday. Saturday partly cloudy and warmer in the Panhandle and South Plains.

EAST TEXAS AND SOUTH CENTRAL TEXAS: Mostly cloudy with scattered showers and local thunderstorms Friday and early Friday night. Saturday partly cloudy, cooler near the coast. Fresh to strong shifting winds on the coast, becoming northerly Friday night.

SOME BABY

Charles R. Hughes of Sacramento, Calif., said he would sell his house and move to the country before he would get rid of his pet lion cub. Neighbors complained because they feared for the safety of the children in the neighborhood. Mrs. Alton Smith is shown feeding the 2½-months-old baby motuntain lion.

Teachers Group Doesn't Like Shivers' Pay Raise Proposal

AUSTIN (AP)—Controversy over how to finance Texas' public education program continued to flare today as legislators left the Capitol for the week end.

The Texas State Teachers Assn., through its executive secretary, made it plain yesterday Gov. Shivers' plan to rearrange school financing does not meet TSTA approval.

Shivers' proposal "will seriously handicap" plans to ease the critical classroom shortage, declared TSTA Executive Secretary Charles A. Tennyson.

The governor wants local school districts to pay a bigger share of the minimum foundation program cost than they now are. The minimum program does not include cost of school construction.

ANSWERS ARTICLES

"Many plans for new school construction may have to be scrapped if local contributions to the Minimum Foundation Fund are increased," said Tennyson.

His prepared statement was an apparent answer to the first of four articles prepared by Shivers and offered to Texas newspapers.

Shivers said he believed the old ratio of 75-25 state-local support of the minimum foundation program ought to be reinstituted. That was the percentage when the Gilmer-Aikin School Laws were passed in 1949, but the fixed amount of local contributions—45 million dollars a year—now is only some 21 per cent of the state-and-local total.

DISPUTES FIGURES

Tennyson said "those who want to re-arrange the school financing pattern cite only the figure showing the local schools pay about 20 per cent of the minimum foundation program cost. They fail to cite the cost of current operations and repayment of bonded indebtedness."

When all costs are considered, local schools pay more than 40 per cent of the cost of public education in Texas, he said.

Tennyson also answered Shivers' implied fear that local control cannot be maintained unless proper local support of schools is maintained. The governor has said: "I don't want to see any weakening of local control of our public schools. The school is too close to the home to be controlled by anyone besides the homefolks."

SAYS NO DANGER

Replied Tennyson: "There is no danger of state control of education when the local schools themselves are paying 40 per cent of the education bill."

Shivers' articles and Tennyson's statements likely will represent the two major points of view that will develop in the legislative fight over school financing.

The issue possibly would not have arisen if teachers had not demanded that the Legislature assure them a pay raise. The TSTA, which boasts a membership of 53,000 of the state's 55,000 teachers, is pushing for an increase of $600 in the minimum annual base pay of beginning teachers.

WRITTEN BY STAFF

Shivers has recommended a cost of living increase, and this was fixed at 10 per cent in the administration bill to raise salaries and revise school financing. Ten per cent would mean a $240 a year hike for beginning teachers with a bachelor's degree.

Soviets Say They Have Caught Four Spies Trained By U.S.

MOSCOW (AP) — Pravda reported today that state security police have arrested three men and a woman, all Soviet citizens, on charges of spying and alleged that the U. S. intelligence service had especially trained one of the men for espionage.

The Communist party paper identified the four as:

T. A. Sas, "an agent schooled for spying by Americans in Germany."

S. D. Gurevich, a "veteran Trotskyite."

E. A. Taratuta, a woman formerly employed by the Soviet Union's Academy of Sciences.

K. F. Romanov, a former school teacher who once tried to steal from a cartel.

Pravda said all four had passed secrets to foreign governments. Their activities, the paper said, makes it evident "that foreign intelligence services use as agents all kinds of criminals and rotten elements."

The paper called again for intense vigilance against Soviet enemies. It backed its spy charges with this account of what had taken place:

Sas, a Soviet railway worker during World War II, deserted to the Germans and reported to the Gestapo on other Soviet citizens, two of whom were hanged on his testimony.

After the war, the Americans enlisted him in their service and "after having completed a special school he was sent back by American intelligence into the USSR as a repatriate."

In Krivoi Rog, an iron ore center in the Ukraine, Sas "tried to conduct subversive and anti-Soviet work, enlisting all kinds of rotten and criminal elements."

Gurevich established a friendship with Trotskyites while in America from 1914 to 1917.

"After his return to Russia, Gurevich became an active participant and active member of an anti-Soviet Trotskyite group.

"In 1927, Gurevich submitted to the party organization a declaration of renunciation of Trotskyism—this was deceit and double dealing.

"Remaining a hidden Trotskyite and an inveterate enemy of the Soviet people, Gurevich established in 1939 ties with a foreign intelligence service and for a number of years supplied it with espionage information.

"Gurevich squeezed espionage information from those citizens who, having lost their vigilance, blurted out to him state secrets.

"Besides this, he sought out among his acquaintances politically and morally unstable people and used them for purposes of espionage.

"Thus Gurevich drew into the espionage work a former worker at one of the institutes of the Academy of Sciences of the USSR, E. A. Taratuta, whom he entrusted with obtaining information on the attainments of the society of scientists.

"As a result of carelessness and the gullibility of certain workers of the institute, Taratuta succeeded in stealing a number of secret documents."

The Rev. Ray Seay

Revival Planned At Evangelical Methodist Church Next Week

Revival services will begin Sunday night at 7:30 o'clock in the Evangelical Methodist Church with the Rev. Ray Seay of the Sweetwater church officiating.

The visiting evangelist who is a graduate of Bob Jones University will hold the services each night through Feb. 18. He will also speak on a radio broadcast each morning at 10:15 o'clock.

Alathean Sunday School Meets In Tibbet Home

The Alathean Sunday school class of the First Baptist Church met yesterday afternoon in the home of Mrs. S. A. Tibbets at thirty-nineth Street.

After a short business meeting Mrs. Tibbets discussed the need of helping others. Mrs. Bessie Moore gave the devotional. Mrs. M. A. Davis and Mrs. I. T. Westbrook were co-hostesses for the meeting.

Refreshment plates were served to 25 members and one visitor, Mrs. J. A. Dickerson.

LEGAL NOTICE

SHERIFF'S SALE
THE STATE OF TEXAS
COUNTY OF SCURRY

NOTICE IS HEREBY GIVEN That by virtue of a certain ORDER OF SALE issued out of the Honorable 99th Dist. Court of Lubbock County, on the 23rd day of January, 1953 by Emzy Pieratt, Clerk of said 99th District Court, Lubbock County, for the sum of $5,187.00 and for $518.70 as Attorneys' fee and costs of suit, under a Judgement in favor of Bert Sewell in a certain cause in said Court, No. 30,339 and styled Bert Sewell vs. B. F. Yandell and Adna Yandell, placed in my hands for service, I Homer Whisnand as sheriff of Scurry County, Texas, did, on the 6th day of February 1953 levy on certain Real Estate, situated in Scurry County, Texas, described as follows, to-wit:

TRACT NO. 1: BEGINNING at the Southeast corner of said main tract, THENCE North 2 deg. 59' East, 75 feet to a point; THENCE North 87 deg. 01' West, 162½ feet to a point; THENCE South 2 deg. 59' West, 75' to a point; THENCE South 87 deg. 01' East, a distance of 162½ feet to the place of beginning.

TRACT NO. 2: BEGINNING at a point which is North 2 deg. 59' East a distance of 75 feet from the Southeast corner of said main tract for the beginning corner of it's tract; THENCE North 2 deg. 59' East, a distance of 75 feet to a point; THENCE North 87 deg. 01' West, 162½ feet to a point; THENCE South 2 deg. 59' West, 75 feet to a point; THENCE South 87 deg. 01' East, 162½ feet to the place of beginning.

TRACT NO. 3: BEGINNING at a point which is North 2 deg. 59' East a distance of 150 feet from the Southeast corner of said main tract, for the beginning corner of this tract; THENCE North 2 deg. 59' East a distance of 75 feet to a point; THENCE North 87 deg. 01' West, 162½ feet to a point; THENCE South 2 deg. 59' West, 75 feet to a point; THENCE South 87 deg. 01' East, 162½ feet to the place of beginning.

TRACT NO. 4: BEGINNING at a point which is North 2 deg. 59' East a distance of 225 feet from the Southeast corner of said main tract for the beginning corner of this tract; THENCE North 2 deg. 59' East a distance of 75 feet to a point; THENCE North 87 deg. 01' West, 162½ feet to a point; THENCE South 2 deg. 59' West, 75 feet to a point; THENCE South 87 deg. 01' East 162½ feet to the place of beginning.

TRACT NO. 5: BEGINNING at a point which is North 2 deg. 59' East a distance of 300 feet from the Southeast corner of said main tract, for the beginning corner of this tract; THENCE North 2 deg. 59' East, a distance of 75 feet to a point; THENCE North 87 deg. 01' West, 162½ feet to a point; THENCE South 2 deg. 59' West, 75 feet to a point; THENCE South 87 deg. 01' East, 162½ feet to the place of beginning.

The above tracts constitute a part of the main tract, towit:

All of the Surface Estate, together with the rights of use thereof, all that certain lot, tract or parcel of land, situated in the County of Scurry, in the State of Texas, out of and a part of the Northwest One-fourth (NW¼) of Section Number Two Hundred Eight (208) in Block Ninety-seven (97) H&TC Ry. Co. Certificate No. 43-8606 and particulary described as follows:

BEGINNING at an iron stake, in the EBL of a tract of land conveyed to Montex Drilling Company by deed recorded in Volume 107, page 213, of the Deed Records of Scurry County, Texas, for the NE corner of said Montex tract of land bra N 2 deg. 59' E 160 feet, said iron stake also being 2266.1 feet S 87 deg. 01' E and 220 feet S 2 deg. 59' W from the NW corner of said Section 208; THENCE S. 2 deg. 59' W. 500 feet to stake for corner; THENCE S. 87 deg. 01' E 355 feet to stake for corner; THENCE N 2 deg. 59' E 500 feet to stake for corner; THENCE N 87 deg. 01' W 355 feet to the place of beginning, containing 3.6 acres of land, more or less.

and levied upon as the property of B. F. Yandell and Adna Yandell and that on the first Tuesday in March, 1953, the same being the 3rd day of said month, at the Court House door of Scurry County, in the City of Snyder, Texas, between the hours of 10 A.M. and 4 P.M., by virtue of said levy and said Order of Sale I will sell sufficient of said above described Real Estate in accordance with directions of Order of Sale at public vendue, for cash, to the highest bidder, as the property of said B. F. Yandell and Adna Yandell.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Snyder Daily News, a newspaper published in Scurry County.

Witness my hand, this the 6th day of February, 1953.

(s) Homer Whisnand,
Sheriff Scurry County, Texas.
By William D. Love, Deputy.

Subjects Of Jack Dean Are Announced

"How a Lost Sheep Got Home' will be the sermon topic the Rev. Jack Dean will discuss in a meeting of the North Side Baptist Church Sunday morning at 11 o'clock.

On his radio program at 1 o'clock that afternoon Dean will talk on "Digging Deep." At the Sunday evening service at 7:30 o'clock "The Death of the Cross" will be the subject.

Catholics To Hold Mission Next Week

The Rev. Thomas C. Moore, a Redemptorist Father of Okmulgee Okla., will hold a mission at St. Elizabeth's Catholic Church here next week.

Father Moore has been holding missions in the Southwest for 35 years.

Services will be held at 7:30 o'clock each night next week and at 8 o'clock in the mornings. There will also be a children's service at 4 o'clock in the afternoons.

C. E. McGaw Elected Area Brotherhood Head

C. E. McGaw, Snyder attorney, was elected president of the Brotherhood of District No. 8 of Southern Baptist churches in West Texas this week in a meeting in Big Spring.

About 12 persons from Snyder attended the meeting Tuesday night.

McGaw is also president of the Scurry - Mitchell Association of the Baptist Brotherhood.

Amarillo Rites For Man Who Died Here

Funeral services will be held tomorrow afternoon in Amarillo for Luther Baxter Lane, 303 Twenty-eighth Street, who died last night at his home.

Services will be held at the Church of God in Amarillo tomorrow afternoon at 3 o'clock with E. E. Malone of Snyder officiating. Mr. Lane moved to Snyder from Amarillo two years ago.

Survivors include one son, H. E. Lane, Snyder; two daughters, Mrs. Forbus Blake Moore, Shamrock and Mrs. Willie Hicks, Childress.

Burial will be in an Amarillo cemetery. Bell Funeral Home is in charge of local arrangement, and Boxwell Funeral Home in Amarillo is in charge of services there.

Youth Not In Cast Yet

Raysell Vaughan, 17-year-old hunting accident victim, is still improving in Hendrick Memorial Hospital in Abilene, according to his father, J. T. Vaughan of 1213 Thirteenth Street.

Vaughan still has fever and therefore hasn't been placed in a cast, his father said. The boy suffered pelvic injuries when a 12-gauge shotgun was accidentally discharged about two weeks ago.

Bed Bouncer Bounces Out 3rd-Story Window

NEW ORLEANS (AP) — A 4-year-old boy, bouncing up and down on a sofa in his third-floor home, bounced right out of an open window.

Police said Carners Harris landed in the yard 45 feet below yesterday and escaped with three fractured ribs and numerous abrasions. He landed in sand, which apparently saved him from serious injury.

Christmas Ties Are Put To Use In College

TROY, N. Y. (AP)—That Christmas tie may look "crazy" to you but someone else may think it's "okay."

Using this idea, students at Rensselaer Polytechnic Institute will dig out those horrible cravats and start Swap Week Monday.

Each "trade-in" will be worth a coupon. This, with a dime, will buy another tie. Men without trade-ins must pay a little extra. The proceeds will go to the student fellowship.

Navy Warehouse Burns

NEW YORK (AP) — A roaring fire last night destroyed a three-story warehouse in Brooklyn's naval shipyard, near the East River opposite Lower Manhattan.

The structure housed a carpenter shop and was used for storing metal stock. A naval spokesman said much of the stored material would be salvaged.

The cause of the hour-long fire was not determined. The Navy, while terming it not of a suspicious nature, has started an investigation.

Mrs. Horace Edelman, Lubbock Highway, returned home yesterday from Sweetwater Hospital where she was taken for influenza.

Joe Roemisch Of Hermleigh Dies Yesterday

Funeral services will be held at 9:30 o'clock tomorrow morning at the St. John's Catholic Church in Hermleigh for Joe Roemisch, 82, Austrian - born immigrant from Hermleigh who died yesterday in a Sweetwater hospital.

Mrs. Roemisch, a retired farmer, had been under treatment at the hospital during the past week. He had been ill about a year.

He was born May 2, 1870, in Rosshaupt, Austria. When he was 20 years old, he came to the U. S. and settled at Moulton, Tex., where he married the former Anna Reif in 1895. After living in Oklahoma, the couple moved to Scurry County in 1907 and began farming near Hermleigh. Mrs. Roemisch died in 1951.

Burial will be in the Hermleigh Cemetery. The Rev. James Sonderman will officiate in services.

Pallbearers will be Joe D. Roemisch, Floyd Mize, Edgar Kuss, John Roemisch, Edwin Kuss, Albert Kuss, Lenert Bartels, and Alvin Kuss.

Survivors are three sons, John, Roemisch, Joe Roemisch and Frank Roemisch, all of Hermleigh, six daughters, Mrs. Emma Kuss, Mrs. Annie Kuss, Mrs. Mary Zolman, Mrs. Isabelle Kuss, and Mrs. Freida Bartels, all of Hermleigh, and Mrs. Tillie Mize of Pyote; 9 grandchildren, and 35 great-grand children.

DE Students Hold Banquet

"Less than 10 per cent of the persons who make decisions about the things they decide to do as a life time occupation, know enough to make a wise choice," Dr. Cecil Yarbrough, superintendent of schools, said last night.

Dr. Yarbrough made the statement during a talk to about 100 persons at the Annual Distributive Education banquet in the Central Primary School cafeteria.

Sandra Comer, one of five nominees, was crowned queen of the D. E. class. J. M. Kaiser, assistant high school principal, presented her crown. Other contestants were: Yvonne Lewis. Jo Ann Henderson, Jetonne Tipping, and Nadine Moore.

Dr. Yarbrough lauded the business men of Snyder and the Distributive Education department of the high school for attempting to help students choose occupations for which they are fitted.

He listed three major influences which usually determine a persons choice of occupation, parents, school, and the individuals knowledge of himself and what he wants to do.

Toastmaster for the banquet was John Brannan, a senior D. E. student. Music was songs by Louise Crook accompanied by Kay Watson.

Jo Ann Henderson welcomed the guests, and acknowledgement was by M. Turner Beard, manager of Forrest Builders Supply, one of the 24 firms which employes D. E. students.

Settlement In Singer's Suit

LOS ANGELES (AP)—A contract dispute involving the boy who recorded the two million copy hit, "I Saw Mommy Kissing Santa Claus," has been settled out of court.

Under the agreement signed yesterday, 14-year-old Jimmy Boyd, red-haired, freckle-faced hillbilly singer, has severed some of his ties with Abner Greshler Productions.

Greshler's attorney, Edward Rose, said the producer retains six options on the boy's services until the end of 1955. Two are for movies, two for radio, two for television.

"Otherwise the boy can work for whomever he wants to," the attorney said.

Jimmy's mother, Mrs. Winnie Boyd, charged in court recently that under a previous agreement Greshler had been collecting between 55 and 60 per cent of Jimmy's income.

Ann Sheridan To Last Rites

HOLLYWOOD (AP)—Movie actress Ann Sheridan, stunned by the sudden death of her friend of many years, press agent Steve Hannagan, planned to fly today to New York for his funeral.

Miss Sheridan had been the frequent companion of the colorful Hannagan and there was considerable romantic speculation about them. The actress' close friends said she was "all broken up" by the news of his death.

She issued a statement saying: "Once in a while the world is blessed with a man born with great understanding. This is attested to by the number of true friends he gathers during his life. Such a man was Steve Hannagan.

"My personal loss and feelings, which are extremely deep, must therefore be shared by many others around the world who knew, loved and were influenced by the greatness of this man."

Truman Given Big Welcome

INDEPENDENCE, Mo. (AP) — Harry S. Truman, who spent nearly eight experience-packed years as president, choked with emotion last night at the end of a talk to a home-town audience and said:

"There never is and never can be anything like coming back home."

The former President spoke at a family-style homecoming dinner attended by 650 neighbors and friends.

Truman expressed thanks for the warmth with which he had been received since his return.

Until his concluding remark, the ex-President had devoted most of his brief talk to a folksy review of his 30 years in politics and early life in this Western Missouri town of 40,000.

He mentioned his decision, which was announced in March of 1952, not to seek re-election.

"My mind was made up in 1950," he said. "I don't believe there has been any president or presidential candidate, outside of Lincoln, that has been as thoroughly vilified as I have. But I came through it all without any scars."

The 68-year-old former President said that on his train trip home last month after turning over the presidency on Jan. 1 to Republican Dwight D. Eisenhower he and Mrs. Truman were surprised at the size and good will of the crowds along the way.

"The people turned out to greet us as enthusiastically as if I had been on a whistle-stop tour," he recalled. "And then when we got here at the Missouri Pacific depot there were 8,000 or 10,000 people to meet us. That was the climax.

"I want to tell you, no ex-president ever had a homecoming reception like that."

Truman also referred to his 1948 presidential campaign when he defeated Thomas Dewey, the New York governor.

"Some thought they could do a better job than I could," he said. "I don't have a doubt in the world that those who were telling the people they could do a job better than we were might have been telling the truth. The only trouble was they never got the chance."

Mrs. Truman and daughter Margaret also were honored at the dinner.

Truman, in mentioning his return to Independence last month after nearly eight turbulent years in the White House, said Mrs. Truman expressed his feelings as well as anyone could. She said of their welcome home:

"This is the payoff. This makes it worth everything we have been through."

Bynum On Honor Roll

Lowel Bynum, son of Mr. and Mrs. L. O. Bynum, 2703 Avenue V, was included on a list of 49 students on the scholastic honor roll for the fall term at McMurry College, Abilene.

Bynum was one of nine sophomores on the list.

He is a former Snyder High School student.

In rare cases a tiger may be all black or all white in color.

Drought Area Schools Get Break In Bill

AUSTIN — Eleven West Texas members of the state house of representatives, including C. F. Sentell of Snyder, have joined in co-authoring a bill introduced this week to offer a "period of grace" for drought - stricken West Texas schools.

It is the same bill as introduced into the senate by Harley Sadler of Abilene, senator of this district. Sentell headed the list of House members co-authoring the bill.

Schools in an area declared by the federal government a drought disaster area and which have lost as much as 15 per cent of the enrollment they had in 1950-51 could keep the accreditation they have built up. As the state education requirements are now, the schools would lose credits as they lost teachers and cut curriculum.

The Snyder school district, which had an average enrollment of 3,947 students in 1950-51, have had a low of 2,872 this term, or 1,075 less.

The Kilgore - Fisk bill, a bill to revamp state school financing, would have local districts paying more of the minimum fund costs and at the same time drawing less per capita payments.

Included in the list of the 238 "budget balance districts," those whose local finances are such that they do not receive any help from the minimum fund, are the Snyder and Borden County school districts.

Two Felony Indictments Made In Bordon County

Two men were indicted by the Borden County grand jury this week on charges of felony theft, according to Renal B. Rosson, district attorney.

Leslie Gaskin, about 25, Centerville, and Fred Moore, 35, Borden County, were indicted on charges they stole horse saddles from Bob Beal of Beal's Ranch. Rosson said Moore was indicted on these alleged thefts as a habitual criminal.

Moore has a record of at least four felony convictions, having served prison sentences in Huntsville and the state prisons of Arizona and California.

Sentell Opposes Move In Shivers Forces In House Vote Yesterday

AUSTIN — As Governor Shiver's forces, in a show of strength, rallied and sent the controversial anti-cross filing bill back to committee yesterday Rep. C. F. Sentell of Snyder stood with the minority on the vote.

The house vote was 83-83 to return the bill to committee, after those favoring its return argued the move was only to delay action until the state bar committee could make recommendations on election law changes.

Opponents to the proposal called the action a move to kill the bill.

Earlier in the week Sentell had voted with the majority to call the bill out of committee. In yesterday's vote the majority of West Texas representatives voted 19 to 11 to return the bill to committee, Sentell voting with the 11.

Lt. Watson Attending Information School

Air Force Lt. Bob Watson, son of Mr. and Mrs. D. E. Watson of Hermleigh, is now taking a six-week course in information and education at the Armed Forces Information School at Fort Slocum, N. Y.

Watson's wife, Mrs. Billye M. Watson, now resides in Littlefield.

Watson received his bachelor's degree in journalism at Texas Technological College in May, 1949, and was formerly on the teaching staff at Plainview schools.

G. C. Ellis, 57, Dies Here Yesterday, Rites Are Still Pending

George Coffee Ellis, 405 Thirty-third Street, died yesterday morning from a heart attack at his home.

Mr. Ellis, 57, had lived in Scurry County for 52 years. He was a veteran of World War I and a member of the local chapter of the American Legion and the Baptist Church. Funeral services are pending notification of a son, Robert Lynn Ellis, stationed in Korea.

Survivors include his mother, Mrs. Lela Ellis, Snyder; wife, Mrs. Emel Ellis, Snyder; three daughters, two of whom are Mrs. Wanda Shirley, Fort Worth, and Miss Carolynn Ellis, Snyder; one other son, Travis M. Ellis, Wichita Falls, and one sister, Mrs. Louise Darby, Austin.

Funeral arrangements are under the direction of Bell Funeral Home.

Guests in the home of Mr. and Mrs. Tom Fox, Colorado City Highway, have been her mother, Mrs. Frank LeFloor, and Mrs. Fox's sister, Mrs. Charles Epperson and son, Steve, all of Beaumont. They returned home Wednesday following a two-day visit.

City, Chamber Meet Together

Both the city council and the executive committee of the Chamber of Commerce agreed to strive to see that Snyder grows when the two groups met yesterday.

The meeting was held to promote harmony and understanding between the city and chamber.

Each organization offered the other cooperation. "This does not mean that either organization endorsed the other's programs," Leon Huff, chamber manager, said.

They agreed to work with each other and study the difficulties of the city for a reasonable solution.

Representing the chamber were Herbert Feather, president, J. T. Hughes, Clyde Willbern, and Russell Yorgesen.

Representing the city were Harry Holbrook, mayor; Jack Shelley, city manager; and Councilmen C. N. von Roeder, Malven Stevenson, J. W. Phillips, Eugene Harper, and Broadway Browning.

HOSPITAL NOTES

The following admissions and dismissals at Battenfield Hospital are those whose names were released by the hospital.

Patients admitted: Buddy Mullins, Sweetwater, medical; Polly Garbe, daughter of Mr. and Mrs. J. D. Garbe of the Post Highway, surgical; Mrs. W. A. McCormick, 1911 Avenue O, medical; Mrs. Ira Wilson, 2407½ Twenty-sixth medical.

Patients dismissed: Willie Griffith, 911 Thirtieth Street, medical; Fred Heck, Clairemont Road, medical; Larry Wayne Brannan, son of Mr. and Mrs. L. P. Brannan of Snyder, medical; Alfred Leon Morris, son of Mr. and Mrs. A. L. Morris of 2900 Avenue G, medical; Susan and Jan Killgo, daughters of Mr. and Mrs. C. J. Killgo of Snyder, surgical; Miss Patsy Stinnett, Snyder, medical; Billy Hallmark, 416 Thirtieth Street, medical; Mrs. Jesse Cadena and baby girl, 1911 Thirty-third Street.

No Water Meters Cut Off Yet This Month

No water meters have been cut off by the city water department because of delinquent bills so far this month, but there were about 70 bills not paid when the deadline passed yesterday, Ralph Eades, water superintendent, said.

Eades said no date has been set on which cutoffs will begin this month.

BIRTHS

Mr. and Mrs. Jesse Cadena of 1911 Thirty-third Street are parents of a daughter born at 1:25 o'clock yesterday afternoon in Battenfield Hospital. The baby weighed six pounds and five ounces.

Mr. and Mrs. Horton Ridlehuber of Snyder have a son born last night at 11:35 o'clock in Battenfield Hospital. The boy weighed six pounds and eight ounces.

Argentina's Peron Politics Discussed On Club Program

Argentina's religion, education and government were discussed at the Twentieth Century Club's program Tuesday. Mrs. R. E. Gray was hostess at the Village.

Mrs. Ben Weathers, program leader, said "Argentine" means silver, although there is little silver or any other mineral mined there. She said the country's great wealth is unequally distributed in the hands of a small group of businessmen and landowners. She told of the country's having the most advanced university system in Latin America. She also said Catholocism is the national religion and that the president and vice president must be of that faith, although priests and other churchmen cannot be members of Congress.

Juan Domingo Peron who operates a state modeled after the classic Nazi-- Fascist manner, was quoted as saying, "Mussolini was the greatest man of our century. I shall follow in his footsteps but avoid his mistakes."

Evita Peron's life was like Cinderella's, Mrs. W. W. Watts said. She told of the late Evita's coming from a rural household to seek a movie career and of her meeting with Peron through cafe society. Her wardrobe, jewels and hat collection were discussed, and her marriage to Peron was noted as adding to his power by putting beauty by his side.

Argentina would like to see the power of the civil government curbed, the financing of Eva's foundations explained and the economic helm in surer hands, the speakers said. They said conditions would be better if Peron would stop trying to transform an essentially agricultural country into an industrial one. They also said more conservative influences are working on him since Evita's death and that the key to the country's future depends on his reactions.

Favors ca the dessert plates were violet corsages made of flowers grown by the hostess. Sixteen members answered roll call with an odd fact.

A brief parliamentary drill was conducted by Mrs. J. Nelson Dunn.

Mrs. Partlow Styles At Beauticians' Meet

Mrs. Lillie Ruth Partlow, a new member of the Snyder Beauticians' Association, demonstrated a new hair style to the group Wednesday night.

Techniques of styling a side bang were included in the style for which Mrs. Geneva Blalock, a guest, modeled.

Refreshments were served 14 members by Mrs. Wanda Holland.

DOUBLE DUTY APRON!

Coverall apron with detachable top makes smart "little apron", too! So easy to remove the top part and come to the party in your little tea apron.

No. 2759 is cut in small, medium and large sizes. Medium size requires 2½ yds. 35-in. for the entire apron. The "little apron" takes 2⅛ yds. 35-in.

NEWS FROM UNION

By Mrs. J. B. ADAMS

By MRS. J. B. ADAMS

Mr. and Mrs. Howard Hogue visited last week with Mr. and Mrs. Homer Bentley of Cleburne and with Mr. and Mrs. Marvin Lemons of Fort Worth. They were accompanied by Mrs. Byron Wren of Colorado City.

J. T. Biggs and Mr. and Mrs. Jack Ramsey and daughter, Patsy, attended the wedding Saturday night at Santa Anna, Tex., of the Rev. Kenneth Bowker and Miss Coyita Fae Griffin. The Rev. Bowker is a former pastor of the Union Methodist Church.

Mr. and Mrs. R. C. Lunsford made a business trip to Roswell, N. M. Friday.

Sunday visitors in the J. P. Crook home were Mr. and Mrs. W. S. Satterwhite of Lamesa and Mr. and Mrs. R. E. Satterwhite and Mrs. Lula Satterwhite of Big Spring.

Mr. and Mrs. Virgil Jones visited friends in Colorado City Thursday.

Mr. and Mrs. M. R. Shinn of Goldsmith visited friends in this community Friday.

Royce Hogue spent last week end with his parents, Mr. and Mrs. Howard Hogue, after which he left for Lubbock to enroll in Texas Tech.

Mrs. Thayne Mebane was taken to the hospital at Colorado City Monday for medical treatment.

Mrs. Kate Thompson and Mrs. Alma Brooks of Snyder visited Friday with Mr. and Mrs. Charlie Eastman.

Mr. and Mrs. Dee Myers went to Lubbock Friday to be with his brother, Lee Myers, who underwent surgery.

Mr. and Mrs. Odis Caruth and daughter, Judy, visited last week with her parents, Mr. and Mrs. A. H. Clem of Stamford.

Those from Union attending the Woman's Missionary Union quarterly meeting at Loraine Tuesday were Mrs. Ray Lunsford, Mrs. Ovid Lawless, Mrs. Francis Ratliff, Mrs. Claud Hensley, Mrs. King and Mrs. Jack Berry.

Mrs. J. B. Adams visited several days last week in Lamesa.

The WSCS of the Methodist Church is having a study course on Africa. Mrs. M. J. Bearden is teaching the course that meets on Wednesday nights.

Mrs Gwen Shults and daughters of Hamlin visited Friday with the Chock Mulkey family and with Mrs. J. B. Adams.

Mrs. Berry Honored At Going-away Coffee

Mrs. E. W. Berry, who moved to Kerrville yesterday, was honored with a coffee Monday at the home of Mrs. B. V. Gillean. Mrs. Clyde Strudivant was co-hostess.

Refreshments were served from a lace-covered table and a lamp and robe were presented the honor guest.

Guests included Mrs. Loy Neeper, Mrs. Bill Wise, Mrs. Virgil Gayle, Mrs. S. A. Yates, Mrs. Pat Johnston, Mrs. Clark Nicks, Mrs. Pete Sikes and Mrs. J. S. Provins.

Rural, Historical New England Is Cosmorama Topic

Mrs. E. J. Richardson, Jr., and Mrs. James Rosser presented a program on New England to Cosmorama Club members Wednesday afternoon. Mrs. W. W. Park was hostess at her home.

Rural New England was discussed by Mrs. Richardson, who emphasized Maine. Mrs. Rosser told of the historical aspects of the area with emphasis on Boston. She showed slides to illustrate her talk. Both women lived in New England when their husbands were stationed there during World War II.

Twenty-five members attended, and a salad plate was served by the hostess.

Mr. and Mrs. Virgil Gayle, 314 Thirty-third Street were in Abilene yesterday on business.

News From Fluvanna

By MRS. W. F. MATHIS

Bobby Joe Browning of Texas Tech spent the mid-year holidays with his parents, Mr. and Mrs. E. C. Browning.

Mr. and Mrs. Cullen H. Toombs spent the week end in Abilene with their daughter, Gloria, who attends college there, and with other relatives.

Mr. and Mrs. J. J. Belew have returned from Mineral Wells where Mr. Belew has been undergoing medical treatment.

Mr. and Mrs. Truman Ellis of Lubbock spent Friday night with Mr. and Mrs. Horace Carmichael.

Tommy Welch is at home after spending several days in Houston on business.

Mr. and Mrs. B. B. Forehand and Mrs. Bob Jennings were in Abilene over the week end visiting Mr. and Mrs. Herschel McIntyre and son.

Mr. and Mrs. J. D. Patterson and son, Larry J., are guests of Mr. and Mrs. Mert Patterson . .

Mrs. C. E. Kellner and children have been visiting in San Antonio. Her son, Raymond, was inducted into the army in San Antonio Tuesday.

Mr. and Mrs. Dud Arnett and son, Dudley, of Vincent were Sunday visitors of Mr. and Mrs. Charlie Hunnicutt and Mr. and Mrs. Waldon Wills.

Lucian Thomas of Lubbock visited his sister, Mrs. Burl Belew and family Sunday.

Mrs. Ben Norman and children of Lubbock spent a few days here last week visiting relatives.

E. M. Steph filled his appointment at the Church of Christ Sunday. He and Mrs. Steph had spent several days in Fort Worth with their daughter, Mrs. K. G. Selber, Mr. Selber and daughter.

John R. Hunnicutt is back in Eluvanna after having served two years in the army. He spent the several months in Korea.

Helps For Homemakers

Send your questions to "Helps for Homemakers", Snyder Daily News, or call 3-8486.

Would you please tell me how to make the filling for a "western" sandwich? I have eight cookbooks but I can't find the recipe. Mrs. A. L. B.

For each sandwich, beat an egg and add chopped ham and chopped onion; salt and pepper to taste and fry.

• • •

I'm still collecting quick recipes for main dishes. Could you add a suggestion? K. R.

Chicken Upside Down Pie can be made in a jiffy and cooked in 10 minutes. For the crust you'll need 1 package of plain brown-and-serve rolls. Use 2 cans of chicken fricassee, gravy and all. Pour this in a 9x5x3 loaf pan. On top of this fricassee pour either 1 package of frozen peas, cooked, or 1 No. 2 can of peas. Drain peas before adding. Cut the meat, poultry, fish, eggs dried brown-and-serve rolls in half and arrange halves over top of pan. Bake 10 minutes at 350 degrees F. Turn loaf upside down on platter; garnish with paprika and parsley.

• • •

I remember from high school cooking classes the "wheel" of food from which nutritionists say we should eat some food from each group each day. I am unable to find one of the "wheels" in a magazine and would like to know these groups again, if you can tell what it is I'm talking about M.

The eight groups are as follows: meat, poultry, fsih, eggs dried peas, beans, nuts or peanut butter; bread, flour and cereals; butter and fortified margarine; green and yellow vegetables; oranges, tomatoes, grapefruit or other citrus fruits, raw cabbage or raw greens; potatoes and other vegetables and fruits, and milk and milk products, as a beverage or in cooked foods.

Arnaz Explains Coincidences Of TV and Real Life Birth

By BOB THOMAS

HOLLYWOOD (AP) — Proud papa Desi Arnaz today explained the background on one of the happiest coincidences in recent history . the birth of his and Lucille Ball's son in real life and on their television show.

The Arnaz family made the front pages last month when Lucille gave birth to Desiderio Alberto Arnaz IV. That evening some 40 million fans watched the "I Love Lucy" show, on which the TV counterparts of Lucille and Desi also had a baby boy.

"There was a lot of talk that we had spent some time guessing whether to have a girl or boy on the show," said Desi in his Cuban-tinged English. "Also there were reports that we might have had two endings to the show, one in case ours was a girl and the other for a boy.

"Actually, there was never any question about it; the baby on the show was going to be a boy. And for an important personal reason.

"That reason was Lucie, our daughter. Of course she is too young (1½) now to know the difference. But if we stay on the air for three or four years, Lucie might start wondering why she wasn't portrayed on the show. We could tell her 'Well, the part called for a boy; you're a girl.'

"But if we had made the baby on the show a girl, Lucie might have become jealous. When I told our producer, Jess Oppenheimer, about our decision he was happy about it. He said there were more comedy possibilities with a boy than with a girl."

Desi wanted to clear up a misconception: that the Caesarean birth was planned and timed to coincide with the TV show. The truth is that Lucille can have babies only by Caesarean section, and the timing was decreed by the doctor.

The fame of their new son has amazed Lucille and Desi. They have received about 1,000 telegrams, 25,000 cards and letters and hundreds of gifts for the baby. They plan to donate all but the personal presents to an orphanage. Among the gifts was an infant-size St. Louis Browns uniform sent by Bill Veeck, operator of the ball club.

"If the boy shows any possibilities at all send him around this year," said Veeck. "We're desperate."

Jim Ashley, a student at Texas Tech in Lubbock, has been visiting in the home of his sister, Mrs. H. A. McClure, and Mr. McClure, 2805 Avenue U, between semesters.

No Emotional Display, but a Sane and Sound Discussion of Life's Mysteries.

Everyone Welcome!

HEAVEN

"Next Sunday you are to talk about Heaven." This was the opening sentence of a letter written by an old man to a preacher who had announced his sermon for the following week. "I am interested in that land," the letter continued, "because I have held a clear title to a bit of property there for over fifty - five years. I did not buy it. It was given to me without money and without price.

"But the donor purchased it for me at tremendous sacrifice. I am not holding it for speculation since the title is not transferable. It is not a vacant lot. For more than half a century I have been sending materials out of which the greatest Architect and Builder of the universe has been building a home for me, which will never need be remodeled nor repaired because it will suit me perfectly, individually, and will never grow old.

"Termites can never undermine its foundations, for they rest upon the Rock of Ages. Fire cannot destroy it. Floods cannot wash it away. No locks nor bolts will ever be placed upon its door, for no vicious person can ever enter that land where my dwelling stands, now almost completed and almost ready for me to enter in and abide in peace eternally, without fear of being ejected.

"There is a valley of deep shadows between the place where I live and that to which I shall journey in a very short time. I cannot reach my home in that city of gold, without passing through this dark valley of shadows. But I am not afraid, because the best friend I ever had went through the same valley long, long ago and drove away all its gloom. He has stuck by me through thick-and-thin since we first became acquainted fifty-five years ago, and I hold His promise in printed form, never to forsake me nor to leave me alone. He will be with me as I walk though the valley of shadows, and I shall not lose my way when He is with me.

"I hope to hear your sermon on Heaven next Sunday, but I have no assurance that I shall be able to do so. My ticket to heaven has no date marked for the journey—no return coupon—and no permit for baggage. Yes, I am all ready to go and I may not be present to hear you talk next Sunday."

"Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father who is in heaven." (Matt. 7:21).

CHURCH OF CHRIST

1411—25th St.

TED NORTON, Evangelist

GREATER THAN THE ATOM'S POWER...

Everyone these days talks and thinks about atomic energy. To most of us it is the most remarkable and powerful form of energy yet discovered.

One of the world's outstanding scientists does not agree. He points out that the most powerful form of energy is not mechanical. It is not electronic, or even atomic energy. It is, he says, prayer energy.

This little family, then, is tapping that source of amazing power—whether the children utter the simple words, "Now I lay me down to sleep—" or a special prayer straight from their hearts.

When you see a family united in prayer, you know it is a family united in all things.

And you know, too, that the Church is an important part of its life.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Tigers Get Chance At Lead In District In Tilt Here Tonight

After working through rugged drills this week, the Tiger cage team is ready to take on Plainview in the Tiger gym tonight with the possibility of taking first place in the district.

Plainview, which edged Snyder 57-55 in an overtime bout in the first district contest, now leads the district with a 4-1 record. The Tigers run second with 4-2.

Last night, Sweetwater moved into a tie for third place with Lamesa after downing Vernon 55-34. Carl Anderson paced the Mustangs with 21 points to hold his lead in district scoring. Vernon fell to next-to-last place with a 2-3 record.

Lamesa and Sweetwater are scheduled to battle tonight to see who will hold third place, while Vernon is to meet Big Spring.

Ned Underwood, Tiger scoring leader, runs close behind Anderson for second place in district scoring with 106 points. During the entire season, he has scored 296.

Joe Cargile, Tiger set-shotter who still runs third in district scoring with 85 points, will be a starter tonight. He runs second in Tiger season scoring with 180.

Others on the A squad playing list tonight will be Deanie Floyd, 160 points this season; Reagan White, 128; Joe Galyean, 101; Douglas Ayers, 98; Bill Boyd, 88; Jimmy Bennett, 70; and Ray Courtney, 65.

The Tigers will go into the game with a 12-9 season record. They have scored 339 points to opponents' 306 in district play, while Plainview has scored 294 to 257, Lamesa 290 to 278, Sweetwater 281 to 255, Vernon 234 to 244, and Big Spring 227 to 325.

The B squad, which has an 11-3 season record and 4-2 in district play, will meet a team that has a 5-0 record. Plainview is bringing only 15 players, so a part of the A squad will be on the floor during the B game.

The Tiger B has scored 636 points this season to opponents' 58.

The B team will open play at 6:30 o'clock, followed by the A game at 8 o'clock.

DISTRICT STANDINGS

	Season	District
Plainview	16- 6	4-1
Snyder	12- 9	4-2
Sweetwater	15- 7	3-2
Lamesa	13- 8	3-2
Vernon	15- 7	2-3
Big Spring	5-14	0-5

Seton Hall Is Still Rolling Without Loss

NEW YORK (AP)—Honey Russell, coach of the undefeated Seton Hall basketball team, apparently is just as good a prophet as he is a coach.

Russell said two weeks ago the "toughest ones left on our schedule look like Villanova, St. Bonaventure, Siena and our western trip at the end with Loyola of Chicago, Dayton and Louisville."

Villanova became victim No. 21 last Saturday and St. Bonaventure became No. 22 last night, 74-67. That leaves Seton Hall, the nation's top ranked team in The Associated Press poll, with eight games still to play in its bid for a perfect record.

The Seton Hall-Bonnies struggle was part of a Madison Square Garden doubleheader which drew the largest Garden cage turnout of the season—15,482. Manhattan beat St. Johns of Brooklyn 60-52, in the other game.

In other major games throughout the country, Duke put on a second half rally to beat New York University, 89-82; UCLA whipped Bradley, 79-73; Utah State took Denver, 83-73, and Rice trimmed Sam Houston, 81-54.

It was Seton Hall's refusal to get rattled in the pinches that turned the tide against St. Bonaventure. Although slow to get started in the first quarter and trailing by four when it was over, Seton Hall snapped back with eight straight points for a 23-19 lead.

Practice Tilts In City Loop

C & S Sporting Goods and National Guard gave opponents a sampling of the kind of competition they will put up in the city basketball league last night when they both took wins in practice games.

C & S downed Wade Pipkin Motors, second place team in the league last year, 65-42, while National Guard defeated Chuck Wagon, defending champion of the league, 76-71.

James Bowers led C & S to its win with 20 points, followed by the 17 scored by Bobby Shipley. Bill Hanks led the Pipkin team with 14 points, while Eddie Hight scored 12.

Bill Voss paced National Guard with 32 points, and Robert Minton tallied 17. Bob Balke scored 17 for Chuck Wagon, and Joe Burney sacked 16.

Olson Not To Be Told Who He Can Fight

BOSTON (AP)—Norman Hayes, Boston's entry in the proposed middleweight boxing championship eliminating tourney, plans to continue on that title road, despite the withdrawal of Carl (Bobo) Olson of Honolulu.

Hayes and Olson are booked for a return 10-round feature bout tomorrow night at the Boston Garden. It will be televised nationally at 8 p. m. (CST) with New England blacked out.

Olson, who defeated the Bostonian in their first meeting, plans to come in overweight, around 163 pounds.

"Hayes will make the 160-limit and, as far as we are concerned, it is an elimination tournament bout," Manager Johnny Buckley said.

Sid Flaherty, Olson's pilot, said he would fly to Los Angeles Sunday to meet British Promoter Jack Solomons and negotiate for a London bout with England's Randy Turpin.

Flaherty explained he and Olson were not interested in the proposed tournament to provide a successor for Sugar Ray Robinson, the abdicated middleweight titlist.

"Olson has whipped practically everybody the National Boxing Association has suggested for its elmination tournament and he can lick anyone he hasn't fought yet," Flaherty explained. "I'm not going to let the NBA or the International Boxing Club tell me who my boy will fight and who he won't fight. I'm an independent operator. Nobody's going to hold me back."

The NBA had suggested that the winner of the Olson-Hayes fight meet the survivor of tonight's New York clash between Rocky Castellani and Pierre Langlois.

Hayes has not fought in Boston since Jan. 22, 1952, when he scored an impressive victory over Jake LaMotta. Since then Hayes has lost five of his last six engagements.

Gavilan Isn't So Cocky Now

CHICAGO (AP)—The Kid Gavilan now in Chicago must be different than the Kid Gavilan who has been training in New York or something.

Gavilan says he may have to go the full 15 rounds before beating Chuck Davey.

Earlier in New York, Gavilan had been quoted as saying he would stop Davey in eight.

The Cuba Kid will defend his welterweight title against undefeated Davey in Chicago Stadium Wednesday night. It will be on the nation's home television sets.

"I never say that thing about only eight rounds," said Gavilan today after being in Chicago 36 hours. "I think I win, but I think it might take 15. Davey heem smart and fast. That's all I hear. Heem good boy, smart college boy. Me a poor boy who used to cut sugar cane in Cuba."

Gavilan, a flashy dresser and proud owner of a sprouting goatee, now has his own cugar cane plantation in Cuba. His manager, Angel Lopez, says he has been guaranteed $104,000 for the Davey scrap —40 per cent of a net gate of $260,000 guaranteed by sponsors of the telecast. His slice likely will be more after the house is counted for the International Boxing Club is talking in terms of a $300,000 or more gross. Davey's cut is 20 per cent.

Rematch terms, should Gavilan lose, require a return bout within 90 days with each receiving 30 per cent.

Hollywood is a buzz with rumors that actress June Haver (above) may give up her movie career and enter a convent. She has told her studio she will not renew her contract. The actress, who is divorced from musician Jimmy Zito, said she is going away to prepare herself by prayer.

Women's Open Starts Today

MIAMI BEACH, Fla. (AP)—Fifteen pros and 72 amateurs teed off at the Bayshore Golf Course today in the first round of the 54-hole Miami Beach Open Tournament.

Babe Zaharias of Tampa, Fla., sewed up expense money Thursday when she fired a two-over-par for low score among the pros in a pro-amateur tuneup. That won the top prize of $375 out of $1,500 distributed among the pros for the day's work.

The winner's purse in the open will be $875.

Marilyn Smith of Wichita, Kan., and Peggy Kirk of Ponte Vedra, Fla., shot 75s in the pro-amateur contest. Louise Suggs of Cincinnati and Betsy Rawls of Spartanburg, S. C., posted 76s.

Middleweight Tourney Starts Amid Groans

NEW YORK (AP)—The American middleweight tournament, already under withering counter fire from two sides, opens tonight with a 12-round match at Madison Square Garden between Rocky Castellani of Luzerne, Pa., and Pierre Langlois of France.

This elimination bout, scheduled for 10 p.m., EST, with ABC radio and NBC television coverage was to have been followed by a Saturday tournament battle at Boston. But that has been changed.

Carl (Bobo) Olson of Honolulu, who fights Norman Hayes of Boston in the 10-rounder, says he isn't interested in any tournament. His manager, Sid Flaherty, claims he has whipped "practically everybody in the tournament and can lick the rest."

J. Onslow Fane, British boxing chief, wants to kill the tournament. He wants Randy Turpin, the ex-champ from Britain, to fight an "acceptable" boxer for the world title. There are hints the "acceptable" boxer might be Olson, ranked No. 1 in this country. At least, Flaherty hopes to see Jack Solomons, London promoter, on the West Coast within a few days.

Tex Sullivan, Castellani's manager, is screaming for a match with Olson for the American title if Rocky gets past Langlois.

Bill Veeck Gotten Himself In Bad Jam With His Own League

NEW YORK (AP)—So far as it is possible to detect at this point, Bill Veeck, the gay young president of the St. Louis Browns, finally has managed to get himself across a barrel.

His demand for a cut of television profits when his club is playing on the road has caused the Yankees, as a retaliatory measure, to chop the Brownies off their night game schedule at the stadium.

This will prove quite a financial blow to Veeck's outfit, which must depend to an important extent upon its "take" in the richer American League parks until it improves sufficiently to attract bigger crowds at home. Daytime games between the Yanks and Browns at the stadium are notoriously poor draws.

So, Veeck's hand not only has been slapped vigorously out of the TV jam jar, but he has been shorn of several of his best road dates. The night games he lost will be divided among the Cleveland Indians and Boston Red Sox, who are not numbered among the poor boy clubs.

There appears to be nowhere Veeck can turn either for redress or sympathy. His own league voted him down at its recent meeting here. He can get no help from Commissioner Ford Frick.

"It's strictly a league matter and not within my province at all," Frick advises us. "I have talked about it with Bill, but I did not regard that as an official protest. If I should receive one I would have to tell him the same thing I've told you."

There remains, seemingly, only the courts, and anyone who knows a baseball magnate these days knows a man who would walk around the block to avoid passing a courthouse.

The only thing certain is that Sportshirt Bill will dream up something. He always has before, and he won't be happy across that barrel.

The great middleweight tournament has cracked up even more quickly than was predicted with the withdrawal of Bobo Olson, the nationally known television favorite, from the unwieldy field of candidates named jointly by the NBA and the New York commission.

Bobo is right. He's already licked most of them and why should he be required to do it again? This one-man commission is prepared to recognize the winner of a talked-about match between Bobo and Randy Turpin of England as the legitimate successor to Ray Robinson as world 160-pound ruler.

Our rival bodies, the NBA-New York cartel, probably would complain, but there wouldn't be much they could do about it. They would, as a matter of fact, look pretty silly. You can see our man Bobo on your sets again tomorrow night, by the way. He's up in Boston to give Norman Hayes another lumping.

El Paso Golf Course Is Too Dry For Defending Champion

EL PASO (AP)—A full-blown rhubarb in which El Paso Open sponsors are boiling mad at Golfer Cary Middlecoff for quitting in disgust over condition of their course almost overshadowed the fact today that Ted Kroll and Chandler Harper led the tournament into its second round.

Handsome Cary, defending champion of the tournament, stalked off the windblown, dry-as-a-bone 6,309-yard El Paso Country Club course yesterday after shooting nine holes in five-over-par 41, and said it was the worst he ever had seen. "I never before in my golf career took six bogeys in a row nor ever three - putted more than three greens in succession," he growled. "I three-putted five in a row here."

Bob Haynesworth, co-chairman of the tournament committee, called Middlecoff a poor sport and said the course was no worse than last year when Middlecoff won first money. "I think he owed it to us to play through this tournament," said Haynesworth.

Meanwhile, Kroll and Harper, who seldom win first place but usually are active around the cash window, were shooting five-under-par 66's to tie for the first round lead. They were a stroke to the good over Doug Ford of Harrison, N. Y.

Kroll, who registers from New Hartford, N. Y., and Harper, Portsmouth, Va., each had little trouble with the course. Ford had trouble on the back nine and complained about it but indicated no intentions of withdrawing.

There were 13 withdrawals yesterday, cutting the field to 128. These will be trimmed to the low 60's and ties plus all eight of the amateurs playing in the tournament with the close of the second round this afternoon. Those go into the final 36 holes Saturday and Sunday.

Haynesworth was burned up at Middlecoff for leaving the tournament, saying "It will hurt us." Especially was it a blow to the tournament in the face of the loss of Tommy Bolt, the tourney favorite, who had to withdraw because of a mashed thumb. He suffered the injury when a car door slammed on it.

Bolt said he hoped to be able to play in the Texas Open at San Antonio next week but Middlecoff wasn't sure he would appear there. "I am not committed," he pointed out. "And I may have to go home to make out my income tax report."

Links Girls Don't Like New Edict Against Wearing Shorts

NEW YORK (AP) — The sports world was sharply divided today on the burning issue of the hour: Did the U. S. Golf Association do right by our gals — and gallery guys — in banning shorts for all official women's tournaments?

The prim fairway fathers issued the edict last Saturday. No more scanty, revealing attire for the links lassies. Conservative skirts only.

"We feel it's terribly unfair," said the golfing Bauer sisters, who taught galleries to appreciate more than a pretty swing. "The decision should be left to the individual.

"Shorts are much more comfortable, especially in hot weather. Besides, in many instances skirts are more revealing, such as in windy weather or when bending down or lining up putts. However, if this is their final decision we'll abide by it."

The beauteous Bauers—Alice, 25, and Marlene, 19—can continue to wear shorts in pro events, such as the Cross-Country in which they're playing now in Miami Beach, Fla. They'll have to don skirts in the Women's Open, taken over this year by the USGA.

Another staunch shorts wearer among the lady pros is Peggy Kirk of Findlay, Ohio, who could grace a chorus line. Says Peggy: "I feel the USGA ban is only against the briefer type of shorts. The knee length or Bermuda type shorts should be okay. They offer freedom."

From Maureen Orcutt, long one of the East's outstanding women performers, came a strong vote for the USGA action.

"Shorts are all right in tennis and other sports in which players are in an enclosure," said Maureen. "On a golf course, out in the open, they are undignified. Besides, skirts are much nicer."

A pound of coal produces about as much heat as would be produced by burning 1,300 safety matches from end to end.
