**HALLOWEEN COSTUME WINNERS**-Saturday afternoon, more than 100 costumed youngsters showed up at the Ben Franklin Store for the Ben Franklin-KMUL Halloween costume contest. Pictured with Gerald Reid, left back and Jerry Haley, right back are the winners of the three divisions. They are from left, middle, Erin Kelley, a Trivia game for second place; Michael Shields, a cassette player for first place; Brandon Thomason, the bicycle; and front row, from left, Joseph Mata, a wagon; Bryce Embry, a Wuzzle and Kristen Jonason, a Lite Brite.

## Heritage Group Set Fund Drive

Around 30 people, interested in the heritage of this area, and the chance to save some of the heritage, met Monday night at the Muleshoe Church of Christ. Speaker was Roy Whitt, chairman, as he explained a fund drive planned for the Muleshoe

Heritage Association, to be kicked off next Monday, November 4.

According to reports, it was a very interested and enthusiastic group who met, and listened and participated by asking questions. They also received answers to their questions.

"A cross section of people were called to be team captains for the upcoming drive," said Jenne McVicker. "They will have a large group of people on their team to help canvas the city and surrounding communities in Bailey County."

"If you have not been contacted and will help, Roy Whitt has asked you to call him. Your help is needed and your help and interest will certainly be, most appreciated."

The Muleshoe Heritage Foundation was created as a result of the cry that went out to save the Santa Fe Depot in the

Spring of '83, when a group of Muleshoe Bailey County citizens answered the call to meet in the Chamber offices of City Hall.

John Gulley, then Chamber of Commerce manager, told the group of 16 persons present, that Santa Fe was planning to get rid of the depot, and that they would consider giving it to a non-profit organization who would move it to another location, maintain it and use it.

From the meeting, a committee of five was appointed to study the possibilities and attempt to decide on a location and use for this historic old depot. Appointed were Mike Perez, Jenne McVicker, Myrtle Creamer, Todd Holt and Margie Merritt. A group of high school seniors were present who had been former junior high historical society members, sponsored by Mrs. Lavon McMillip.

They were Lori Stroud, Annette Crabtree, Misti Prater, Laura Leal, Todd Holt, Jay Pearson and Michael Foss. They promised to start the ball rolling with a car wash, to raise funds to move the depot. Cleta Williams of the Muleshoe Journal and Bailey County Journal said she would run a survey in the next edition to The Journal asking people to indicate their interest in this project. The survey was also made by Channel 6 and KMUL.

Also at this meeting, John Gulley put these questions before the group: Who will be willing to assume responsibility for the depot after it is moved? How will it's move and maintenance be paid for? and Where will it be located?

Several committee meetings were then held, and many ideas were discussed. The Bailey County Commissioners Court accepted the depot from Santa Fe and a committee of nine

## Funeral Home Has New Manager With Todd Ellis

Todd Ellis recently passed his State Bard of Examinations test and is now a licensed funeral director and embalmer. He has been associated with the family business, and since completing his training at Dallas Institute of Mortuary Science. During his training, he was an honor student and a member of Pi Sigma Eta Honor Fraternity.

He is assuming the responsibilities as manager of the Ellis Funeral Home in Muleshoe, Parsons-Ellis Funeral Home in Earth and the recently acquired funeral home in Morton, of which he is a partner.

Ellis is the son of Frank and Sally Ellis and is married to the former Starla Black, daughter of Ronnie and Donna Black.

He is a certified Emergency Medical Technician and is currently serving as a volunteer for the West Plains Medical Center Ambulance Service. He and his wife are presently attending a 17-week EMT training class.

Ellis is also involved with the Muleshoe Rotary Club, and is Justice of Peace in Precinct Four for Bailey County.

Mrs. Ellis is also working with her husband in the funeral service. She attended the Floral Design School in Denver, Colo. and worked for florists in Canyon, Dallas and Muleshoe before becoming involved with her husband in funeral service.

Ellis attended South Plains College, Levelland and West Texas State University, Canyon, before completing his mortuary training in Dallas.

★★  
Three Tie For First In Contest

After the eighth week of the annual Muleshoe Merchant's Football Contest, three more winners emerged tied for first place honors.

They are Scott Calvert, who has a previous third place this year; Lloyd Pollard and Flo Brown, both new names to the winners' column. The duo each missed four games, and were the only contestants this week to do so, but, ironically enough, each was 50 points off on the double tiebreaker.

All other contestants missed five or more games. The second and third place winners each missed five games, as did three other players, but won by figuring the tiebreaker scores.

Second place winner was Gary Freeman, who was 42 points away on the tie breakers and in third place was Barry Lewis, who missed five games and was 45 points off on the double tiebreakers.

Donna Noriega is still leading the contest with 20 points; Gerald Shanks is second at this time with 16 points and Victor Noriega has 14 points for third place.

## Man And Woman Of The Year To Be Chosen

The Chamber of Commerce and Agriculture has started plans for the annual banquet and are seeking nominations for Man and Woman of the Year, said Toni Eagle, manager of the CoC.

"If you wish to nominate someone, simply list your reasons for the nomination or nominations, and mail or deliver it to the CoC office," she said.

All nominations must be received in the Chamber office on or before November 20. Mrs. Eagle said late nominations will not be considered.

Man and Woman of the Year, along with the Farm Family of the Year, Employee of the Year, retiring officers and directors and other awards will be recognized at the banquet which has tentatively been set for January 11, 1986.

## MHS Cross Country Wins District Title

Muleshoe High School's cross country teams are continuing with their 'winning ways' as they took the district titles in both boys' and girls' varsity divisions at Lubbock last Saturday.

For the first time, the girls' varsity team won 'the district title, and won it with 41 points. In second place, Dimmitt had 65 points; Idalou was third with 75 points; fourth place Floydada had 79 points and Tulia was fifth with 84 points.

Individual placings included Juanita Garcia, fourth; Jennifer Green, sixth; Norma Castorena, seventh; Joann Gutierrez, 10th; Caroline Liles, 14th; Lisa Laredo, 16th and Esther Acosta, 22nd.

Ranked third in the state, the Muleshoe High School varsity boys also won the district title with 24 points; Floydada had 37 for second place and Tulia came in with 79 points for third place.

For the boys' varsity, individual placings included Norman Perez, second; Ralph Salazar, fourth; Rudy Flores, fifth; Ronnie Logsdon, sixth; Carlos Reyes, seventh; Richard Ring, ninth and Jose Sanchez, 10th.

This weekend, both teams will be in competition for the regional title, again at Lubbock. The girls will run at 8:40 a.m., followed by the boys at 10 a.m. The competition will be at Mae

Friday, October 25, 1985 started out as 'just another Friday' in Muleshoe, except for one family, the Tommy Gunstream family. Gunstream found a note on his front door, a note that triggered a lot of activity throughout the day.

Before the day was ended, a man and two juvenile males were in jail, the FBI had been in Muleshoe much of the day, and extortion charges were pending against the trio arrested.

Federal charges were filed against Ramiro Martinez, 20, in Lubbock on Saturday and he was ordered held without bond pending a hearing on Wednesday.

## Rotary Hears Seat Belt Safety Tips

Glen Green obtained the program for the Muleshoe Rotary Club on Tuesday. His program was a video show on the importance of the safety aspects of wearing seat belts.

According to the video presentation, 50,000 people are killed each year in automobile or other vehicle accidents. Also, the number one killer in accidents involves the victim being thrown from the vehicle.

As shown on the film, 99.9 percent of the seating area in wrecked cars is still intact following the accident. Another interesting fact is that the impact of a car going 35 mph is 700 g's.

Although a lot of people express concern about fastening their safety belts, with a fear they may not be able to loosen them in case of a fire involving an accident, less than one-half of one percent of all accidents are followed by a fire.

Narrating the film was a state trooper with 23 years experience. He said that he had never checked an accident involving a death where a seat belt was in use at the time of impact of the vehicle or vehicles.

Guests at Rotary on Tuesday were Walter Hughes, Glen Watkins and Jack Bloomer.

day, October 30, before U.S. Magistrate J.Q. Warnick Jr., who was out of town for a few days.

Acting in Warnick's absence was County Court-at-Law Judge Cecil Puryear, who issued the order for Martinez to be held in the Lubbock County Jail pending the formal hearing on Wednesday. Judge Puryear granted the continuance for Assistant U.S. Attorney Dick Baker.

On Tuesday, charges were filed with Justice of the Peace Jack Bates in Bailey County against two of the suspects in the extortion attempt.

Robbery charges were filed against Martinez, who remains in Lubbock County Jail, and one of the juveniles involved in the incident on Friday. A bond of \$25,000 was set by Judge Bates, and the second suspect was arrested around 1:30 p.m. Tuesday afternoon and is incarcerated in the Bailey County jail.

Bailey County Sheriff Bob Henderson called a news conference for 3 p.m. Tuesday to announce the charges filed in Bailey County. He explained to the three local news media representatives that the Bailey County Sheriff's office had been asked by the FBI to not release any information in the initial phases of the case, and Sheriff Henderson expressed the sheriff's office appreciation to the local news media for waiting for information to be released.

Sheriff Henderson also said

## Mules-Littlefield To End Seasons Football Action

Friday night, the Muleshoe Mules will be traveling to Littlefield to tangle with the Wildcats in the last football game for the Mules for the 1985 season.

The winless Mules will be taking on the Wildcats, a traditional rival, who started out the season in first place, but following two defeats and a tie now stand at 4-2-1 for the year.

At this time, Littlefield has slipped to fifth place in District 2-3A ratings, and unbeaten Idalou is in the driver's seat in first place.

Idalou has already cinched the district title, and will not be playing this week. Floydada will be at Dimmitt and Friona will be taking on Tulia.

Gametime is 7:30 p.m., so be sure to be there and back the Mules, who, although winless, have never given up this year.

**VIOLA'S UNDERGOING FACELIFT, ENLARGEMENT**-Viola's, a popular Mexican-food restaurant in west Muleshoe is currently undergoing a facelift. Viola Anzaldúa said the seating area is being enlarged to accommodate 80 diners, along with a new kitchen area, new restrooms, new carpet and decorations. Arches will be constructed across the front of the restaurant and in the near future, Viola's will be featuring an all-new look, but serving the same good food.

## Around Muleshoe

Ron Linebarger, pastor of the Circle Back Baptist Church said the Royal Ambassadors plan a hike on Saturday, November 2, near the Muleshoe National Wildlife Refuge.

Boys in grades 1-12 are invited to make the hike. The boys will be picked up at the Needmore Cafe at 10 a.m. and all boys planning to be there are asked to dress for hiking. They will be returned to the Needmore Cafe between 3-3:30 p.m.

Rev. Linebarger said the Royal Ambassadors meet regularly at 5 p.m. each Sunday at the Circle Back Baptist Church east of Needmore.

Al Jones, of the Muleshoe National Wildlife Refuge, said that on Monday at noon, he counted 68,000 sandhill cranes on two of the refuge's lakes. He could not count the third lake because of fog, but estimated an additional 2,000 plus cranes there.

Jones said this made the crane count very high for this time of year.

Also, he counted 4,700-4,800 ducks of various species on the lakes. The predominant duck was the green wing teal, which numbered around 2,200. This too, is a higher duck population than normal for this time of year.

Jones added that there is more water in the lakes now than he has seen 'for a long time.' Goose Lake is open by permission only, added Jones.

He said upper Goose Lake had water in June, 1978, June 1985, and again at this time.

Jones also counted five golden eagles; several other variety of hawks; four red neck thalarpes and one Franklin's gull.

Belinda Ann Clayton, a graduate of Muleshoe High School, has been inducted into the Psi Zeta chapter of Phi Theta Kappa at Western Texas College, Snyder.

She is majoring in secretarial and stenographic studies at WTC and plans to transfer to

## Too Many Halloween Treats

Halloween treats may seem more like "tricks" to parents who want to keep their children from filling up on candy.

Mary K. Sweeten, a nutritionist with the Texas A&M University Agricultural Extension Service, offers some suggestions on how to keep the holiday treats safe and curb your child's urge to overeat sugary foods.

Let children trick-or-treat only in familiar areas and neighborhoods.

Make sure children eat before going out and don't eat anything out of their bags before coming home.

After trick-or-treating, share the fun by letting the children show you their treats. Throw away any unwrapped items or those with torn wrappers. Wash fruit and cut into small pieces to make sure nothing has been placed inside.

Encourage your children to save some candy by suggesting that they eat one or two pieces a day, at snack time and as a dessert following a meal.

**GHOSTS AND GOBLINS AND JACK-O-LANTERNS**--At the Duane and Debbie Tillman home in northeast Muleshoe, you can find this display of unusual jack-o-lanterns. Carved by Tillman and neighbor, Mike Hill, notice the unusual noses, and that most of the jack-o-lanterns have eyeballs. They are lighted and make quite a display when the candles are flickering at night. The ghost in the background adds to the overall spooky atmosphere. Such decorations may be seen at this time all around Muleshoe, as today, Thursday, is Halloween.

## Sudan Schools Plan 1985 Homecoming Activities

Homecoming activities for the Sudan Public Schools are scheduled to begin Friday night, Nov. 1 with the football game between Sudan and the Sundown Routhnecks. Game time is 7:30 p.m. at Hornet Stadium.

The 33rd Sudan ex-students and ex-teacher homecoming activities scheduled for Saturday, Nov. 2 will start with a reception at the High School cafeteria beginning at 5 p.m. and continue through 6:30 p.m. This time will be used for visiting and registration. Tours will be provided for anyone who wishes to see the school. The serving line for the evening meal will begin at 6:30 p.m.

The business meeting and recognition of honored classes will begin immediately after the meal. If you are a member or teacher of the classes of 1925, 1935, 1945, 1955, 1965, 1975, or 1985, you are asked to make an extra effort to attend. It was reported that these homecoming activities are open to everyone who ever attended or taught in the Sudan School System.

### Muleshoe Squares

By Mary Alice Ramm

It sure is nice to have visitors from here in Muleshoe to come watch us square dance. We also have visitors from the Circle Eights of Littlefield, Y. Squares from Clovis, and Starlighters of Portales.

Saturday night October 19th seven couples attended the Peanut Festival and square dance. We had lots of fun and their festival was great.

October 24 was our Halloween Costume party. Special prize went to:

Ugliest Woman-Joyce Carr; Ugliest Man-Ernest Ramm; Funniest Woman-Della Puckett; Funniest Man-Eddie Fisher; Scariest Couple-Kathy and Darrell Embry; Best Dressed Couple was Edith and Martin Chandler. We had ghost, scarecrows, clowns, cowboys, pumpkins, Dorothy of the Wizard of Oz, Boy George, Santa Claus, and many other characters. A special thanks to Mrs. Nellie King and Mrs. Elouise Heilier for being our judges they are both from Portales.

Door prizes were won by Gloria and J.W. Herington, Alene and Leonard Huber and Mary Alice and Ernest Ramm.

Hostess for the night was Elizabeth Ann Tabor. Decorations were by Kathy Embry, Elinor and Chester Embry, Buddy Embry and Mary Alice Ramm.

This Saturday night our group is dividing up with some of us going to the Y. Squares, Stero and Corn Bread dance in Clovis while others are going to Plainview to help them celebrate their anniversary.

Don't forget Muleshoe Square Dancers we are the Host Club for the Lubbock Federation Dance November 2. If you have not been contacted about this please call Elinor or Chester Yerby about your responsibility for that night. Plan now to be there in Lubbock early to help get everything ready to start dancing.

Again we invite the public to come watch us square dance and if you square dance join in the dancing. Visitors are always welcome.

Queen candidates are Stephanie Bickett, Michele Gaston and Anna Ramos.

Stephanie is the 17 year old daughter of Patty Miller and Terry Bickett of Anahvac. She has been a cheerleader for three years, a member of FTA four years and FHA one year. She was a member of the One Act Play and participated in UIL feature writing last year. She has been a member of the Sudan Hornet Band five years, serving as reporter last year and senior class representative this year.

She served as reporter for Student Council her sophomore year. She has been on the Annual Staff for two years and was in basketball for two years. She has been on the honor roll every year and NHS for two years.

A member of the First Baptist Church of Sudan, she was named to "Who's Who Among American High School Students".

She will be escorted by Brent Kirkland, son of Mr. and Mrs. Jim Kirkland.

Michele Gaston, 17 year old daughter of Wix and Joann Gaston of Sudan, has been cheerleader the past two years and is head cheerleader this year.

She participated in UIL her Junior year qualifying for regional in feature writing and news writing and placed sixth at regionals in news writing.

She has been on the honor roll every year and NHS for two years, member of FHA three years and FTA two years, member of Annual staff two years, member of Hornet Band for five years and is now serving as president.

She was named to "Who's Who among American High School Students" and member of First United Methodist Church. She was selected for membership in The Society of Distinguished American High School Students for two years.

Michele will be escorted by Brad Smith, son of Mr. and Mrs. Ronnie Smith.

If a first place winner is unable to participate in the District 4-H food show in Lubbock on Saturday, Nov. 23 one of these alternates will take their place.

## Creative Living

with Sheryl Borden

Three topics will be presented on "Creative Living" on November 5 and 9. Diane Creston, consultant to Colorforms, New York, will present a line of toddler clothes which is based on the same concept that the company was originally famous for. Children of all ages have delighted in the magic of Colorforms for over 30 years. Because of the popularity of the toy, and the purity of its design, the toddler clothes have been introduced. Colorforms Kids features bold, distinction designs for imaginative fall dressing. The entire line has been developed around the Colorforms design concept which is based on the interplay of vivid primary colors and basic shapes. Diane is Vice President of Richard and Edward's Public Relations, Inc.

Another guest, Dulcie Simonds, who works as Public Relations Supervisor with Rubbermaid Co. in Wooster, Ohio, will share some uses for the microwave oven that do not relate to food. These are all quick and easy household tips that show just one more way to use the microwave oven.

A final segment will feature fajitas: south Texas style. Elizabeth Wunderlick represents the Southwest Meat Packers Assn. from Dallas, Texas, and she will discuss and demonstrate making the fajitas, which have become popular through the southwest.

On November 7, Jhane Barnes, a designer of mens and women's wear, will introduce a new contest sponsored by Cheer. It's called the Cheer Leaders Awards for Design Excellence, a unique challenge to the best and brightest design students in America.

Jhane will also discuss laundering principles for high fashion garments and explain her role as a consultant to All Temperature Cheer. She is from New York.

Nancy Boyle, Manager of Product Development and Training with Sharp Electronics,

Paramus, New Jersey, will demonstrate how a gourmet meal can be prepared in the microwave oven.

The show will conclude with an interview with Mary Bernardon, Director of the Hoover Home Institute, who will tell about her role as a home economist at Hoover. Mary is from North Canton, Ohio.

"Creative Living" is produced and hosted by Sheryl Borden. The show airs on KENW-TV, Channel 3 in Portales at 12 noon on Tuesday and Thursday and at 2:00 pm on Saturday. Viewers can request copies of printed materials offered on the show by calling on KENW-TV's toll-free telephone lines. In New Mexico, the number is 1-800-432-2361, out-of-state: 1-800-545-2359.

"Creative Living" is carried on more than 90 PBS stations in the United States, Canada, Guam and Puerto Rico and is distributed by the Pacific Mountain Network, Denver, Colorado.

### PUBLIC SERVICE COMPANY REDUCES LIGHT RATES TO MULESHOE USERS

Southwestern Public Service Co. has announced another reduction in electric rates. It is the second voluntary rate reduction made by the electric service company in one year's time. The new rate for resident service starts at six cents per kilowatt hour and graduates down to as low as 1.8 per kilowatt hour.

When Southwestern Public Service Company took over operation of the electric system in Muleshoe in September 1942 the top rate was ten cents; on October 1, 1944 the top rate was reduced to seven and half cents, and effective October 1, 1945 the top rate has been further reduced to six cents.

## Lacy Tillman, Douglass Field Win Contest

At the Halloween skating Friday night, Oct. 25, sponsored by the Jennyslippers, over 120 youngsters appeared in their best "painted Halloween faces". The two winners were Lacy Tillman, five year old daughter of Duane and Debbie Tillman; and Douglass Field, five year old son of Randy and Kay Field. Both are kindergarten students. Lacy won a "Rainbow Sprite" doll and Douglass won a "Gobot".

"However all the youngsters were winners as the Jennyslippers gave a prize to every child there," said Nelda Merriott. "They also received a cup of brew from the witches cauldron and each cup contained a black plastic spider, which drew (delighted) reactions from the 'spooks and goblins'."

All of the Jennyslippers were in full costume, which included four witches, two clowns, punk rockers and various other characters.

"Everyone enjoyed the special refreshments, the skating and the unusual look everyone was sporting--especially the Jennyslippers."

The Jennyslippers are making tentative plans for a special Thanksgiving skating on November 22.

## City Police Report

Muleshoe City Police had a busy weekend, with several cases filed in their offices.

On October 22, officers investigated a report of an individual leaving Target gas without paying for \$16.61 in gas. No suspect had been apprehended at presstime.

Muleshoe Junior High School reported two typewriters had been taken from a classroom on October 24. The typewriters, both manual, were valued at \$20 each.

A Muleshoe High School student was charged with reckless damage at the school, and following a plea of not guilty, was released for a future hearing. This occurred on October 24.

Two accidents were investigated on October 26. One was a two vehicle accident with no injuries and the second involved a vehicle that backed into a city dumpster, again with no injuries.

One man was booked into the Bailey County jail regarding the two vehicle accident. He was charged with no driver's license, no liability insurance and leaving the scene of an accident.

Also on October 26, one man was jailed on a charge of public intoxication. Another individual was arrested and jailed on a charge of public intoxication on October 27.

Also on October 27, West Plains Medical Center reported

a prowler. Investigating officers found a storage door forced open, but nothing appeared to be missing.

A man was arrested by city police on October 27 on DPS warrants from Castro County. He paid the fines and was released.

Another individual was arrested on a Capias on October 25. He paid a fine and was released.

On October 27, a man hit a sign after the steering 'went out' on his vehicle. There were no injuries.

Angelo State University following completion of her work at WTC.

Navy Fireman Recruit David J. Reid, son of Pam R. Reid, Muleshoe, has completed recruit training at Recruit Training Command, San Diego.

During Reid's eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in on of the Navy's 85 basic fields.

A 1985 graduate of Muleshoe High School, he joined the Navy in March 1985.

Toni Eagle, manager of the Muleshoe Chamber of Commerce and Agriculture, is asking for more rental listings from the CoC.

"Things are picking up, and we are getting a lot more requests," said Mrs. Eagle. "We have lots of people who need rentals, but don't have nearly enough listings."

"We would like to remind people there is a very minimal charge for handling your rental listings. We can guide potential renters to you, but we cannot screen them for you. So, please give us a call and list your rental with us."

It's official, the time for 'Trick or Treating' this year is on Halloween night, Thursday, October 31. So says Toni Eagle, manager of the Muleshoe Chamber of Commerce and Agriculture.

Mrs. Eagle said the hours set aside for Trick or Treating in Muleshoe are 6:30 p.m.-8:30 p.m., and urges the children to go only to houses that are well-lighted.

Residents who will have 'treats' for the youngsters are asked to leave their porch lights on until after the Trick or Treat hours are concluded.

## Extortion Try

Cont. From Page 1

the other juvenile, age 15, will be going to a juvenile court hearing, at a date to be established.

The cases against the other two individuals involved will be going to the next grand jury conducted in this county.

He said Gunstream notified the sheriff's office about the note found on his door at his residence, demanding \$7,000 in 100, 50 and 20 dollar denominations to be left at a specific location. According to officials, the note threatened the entire Gunstream family.

Security was immediately arranged for the family while the investigation got underway. Also, security was provided by Lubbock police for the Gunstream daughter until she could return to her home in Muleshoe on Friday afternoon.

Because of the extortion attempt involving a bank president, the bank officials notified the Federal Deposit Insurance and additional security measures were taken, also according to sheriff's office reports.

On Tuesday morning, The Journal talked with Timothy Creedon, special agent for the FBI at Lubbock, who was a part of the investigation of the extortion attempt in this city.

U.S. Magistrate Warnick issued a warrant on a sworn statement by FBI Special Agent Creedon.

In Creedon's affidavit, he said that in response to the extortionists' typed letter, Gunstream and Bailey County Sheriff Bob

Henderson left a 'dummy' package containing less than the \$7,000 sought at a roadside park in Muleshoe around 8 p.m. on Friday.

Several minutes after the 'drop' was made, two males in dark clothing picked up the sack and fled, temporarily eluding officers who had staked out the pick-up site, according to the affidavit.

Several witnesses reported seeing the duo to officers involved in the incident, added the report, and they were subsequently apprehended shortly after 8:30 p.m. at a residence in Muleshoe. They were taken to the Bailey County Sheriff's Office, where ages and identities were established. The trio was held in the Bailey County jail until the FBI assumed custody of Martinez and the two juveniles were temporarily released pending the additional charges which were filed on Tuesday.

Agent Creedon said no one was injured in the incident, and the 'dummy' package was recovered intact.

On Tuesday morning, a Journal representative talked with Bob Graves, assistant principal of Muleshoe High School. He said Ramiro Martinez was a freshman student at MHS.

"He missed a lot of school, and did not do too good in school," said Graves, "he apparently dropped out, and did not attend after 1981-1982."

Local officers who assisted the FBI special agents from Lubbock included Bailey County Sheriff Bob Henderson, Deputies Jerry Hicks and Hal Bynum, DPS Troopers Lacie Kirk and Jim Cook, and Muleshoe City Police Officers Sgt. Richard Bonham and Patrolman Gary Maddox.

It is amazing how much work some folks do to avoid work.

AND A RACE IT WAS--Just in case you did not know it, elephants do run, and proved it Sunday afternoon. At left is Richard Bonham, Muleshoe City Police Sergeant and at right on the big elephant, is Cleta Williams. They did show up and did race, although Cleta did not win. A large crowd packed the circus grounds to watch the race prior to the circus performance.

## Sheriffs Office Report

According to the jail book at the Bailey County Sheriff's office, the following cases were filed during the past several days:

Jailed was one person for criminal mischief, filed by the City of Muleshoe; the individual was released on \$1,000 bond.

Muleshoe City Police officers jailed two persons on public intoxication; and city police also jailed one individual for failure to appear and no driver's license.

The FBI booked two persons on charges of extortion, along with juveniles; the subjects were all taken to Lubbock.

Parmer County has one prisoner booked into the Bailey County jail.

interested citizens were appointed by the court to begin plans to move the depot to a permanent site near the Bailey County Civic Center. The committee members were Glen Williams, Mike Perez, Tom Watson, Magann Rennels, Jean Allison, Roy Whitt, Jenne McVicker and Ruth Hall, all designated to serve one, two and three year terms.

After many committee meetings and a lot of work, the depot was moved from the Santa Fe railway right of way down American Boulevard to its new home west of the Bailey County Civic Center. The move was made in April, 1985.

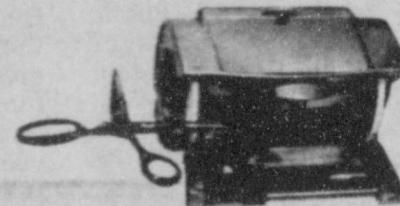

Now, it's time to do more and the fund raising drive will be kicked off.

## Letter To The Editor

To the Editor:

I am deeply concerned that there may be widespread misunderstanding of Propositions 1 and 2 (State "water amendments") to be voted on at the November 5 general election. Based upon questions I have received, many voters are apparently under the mistaken impression that approval of these two proposed Constitutional amendments would authorize expenditure of more than a billion dollars of State funds for water projects. This is emphatically not the case.

The programs that would be authorized by Propositions 1 and 2 are loan programs, to be financed through the issuance of bonds, not through the approp-

riation of tax dollars, and the loans made are to be repaid to the State with interest by the borrowers. This means that projects financed with State assistance under these programs will be paid for by the beneficiaries of those projects, which is as it should be. The benefits to the citizens of the State would be that funds will be available as needed to help communities throughout the State meet their needs for water supplies, wastewater treatment facilities, and drainage and flood control works, and those funds will be available at a lower interest cost than would be the case if the bonds were issued by individual subdivisions of the State.

This program is, in fact, an extension and expansion of a program that has been in place for 20 years. In 1957, the voters approved the sale of \$100,000,000 in State bonds to finance development of water supplies. In 1962, 1971, 1975 and 1981, the voters approved

issuance of additional State bonds and expansion of the program to include water quality enhancement. In total, \$600,000,000 in State bonds have been authorized by the voters, and \$500,000,000 from the funds thus obtained have been loaned at interest to Texas cities and water districts for water supply and water quality enhancement projects. This has made it possible to accomplish water resource development to meet the needs of the people of Texas that could not otherwise have been accomplished, and there has never been a default on any of these loans.

Today, only \$90,000,000 is available to continue this pro-

## Florida's Battling For Another Title

Three down, three to go. Those are Florida's figures on the way to another possible Southeast Conference title. But there are three tough obstacles, Auburn, Georgia, and Kentucky. The Auburn Tigers have a score to settle with the Gators as Florida beat them last fall, 24-3. The game will be played in Auburn Saturday, and we're making Florida a very slight favorite.

North Carolina faces rather a Herculean test - three of them - to make it to the top of the Atlantic Coast Conference. After challenging Maryland Saturday, the Tar Heels have to contend with Clemson and Virginia. However, after they whipped Wake Forest three weeks ago, hopes for a shot at the title brightened considerably. Playing Maryland away from home will be a difficult assignment. The Terps are favored.

Only four Saturdays are left on the Pac-10 Conference schedule, and U.C.L.A., Arizona, Washington, Southern Cal, and Arizona State are still prominent in the championship picture. U.C.L.A. holds the highest power quotient of the group, and has two important games remaining with Arizona and Southern California. Washington is 3 and 1 after stubbing its toe against Oregon State two weeks ago, and the Huskies must play both Arizona State and Southern Cal. They should defeat Stanford Saturday. Arizona and Arizona State are

gram. With the State's population projected to increase from about 16,000,000 in 1985 to over 21,000,000 in the year 2000, it is extremely important that the regional and local governments in Texas have access to low cost financing to help meet their water resource needs. Propositions 1 and 2 offer the means for this to be accomplished without placing any additional tax burden on the State's taxpayers.

Propositions 1 and 2 have the very active support of the Governor, Lt. Governor and Speaker of the House of Representatives. They have been endorsed by every business organization, chamber of commerce and trade association in

the State that has studied them and taken a stand. But their final fate will be in the hands of the voters on November 5, and it is important that the voters go to the polls on that date with a clear understanding of the programs these propositions would authorize and their importance to the future of Texas.

### Walter F. Harrison Former Muleshoe Resident Dies

Funeral services for Walter F. Harrison, 78, of Springdale, Ark. will be held at 11 a.m. Friday, Nov. 1 in the First Baptist Church of Muleshoe with the Rev. E.K. Shepherd officiating, assisted by the Rev. Berry Bradley, pastor.

Interment will be in Bailey County Memorial Park under the direction of Ellis Funeral Home of Muleshoe. Harrison died at 6 a.m. Monday at his home.

A native of Tupelo, Miss., Harrison had been a resident of Springdale 12 years moving from Muleshoe. He married Clara Belle Simpson on Dec. 24, 1931, in Wellington. He was a retired farmer and a member of the First Baptist Church of Springdale.

Survivors include his wife, Clara; three sons, Ted Harrison, Donald Harrison, and Jerry Harrison, all of Muleshoe; three daughters, Mrs. Jeanetta Precure of Muleshoe, Mrs. Noretta Miller of Springdale, and Mrs. Denise Poor of Rogers, Ark.; three sisters, Mrs. Vela Woods of Friona, Mrs. Velma Dean of Amory, Miss., and Mrs. Robbie Kelly of Tupelo, Miss.; 15 grandchildren; and five great grandchildren.

### Lena Griffin Services Held Monday At Earth

Services for Lena Grace Griffin, 73, of Earth were held at 2 p.m. Monday, Oct. 28 in the Earth United Methodist Church with the Rev. Jimmy Nunn, pastor, and the Rev. Bill Watson, pastor of the Littlefield Methodist Church, officiating.

Burial was in Littlefield Memorial Park under the direction of Parsons-Ellis Funeral Home of Earth. Mrs. Griffin died at 11:15 a.m. Friday in South Plains Hospital at Amherst.

She was born Sept. 16, 1912, in Maxwell and moved to Earth in 1939, from Maxwell. She was a housewife, a member of the Earth United Methodist Church and the Earth Senior Citizens. Her husband, James preceded her in death.

Survivors include four sisters, Miss Ruth Mueck of Dallas, Mrs. Lenora Schaefer of Olton, Mrs. Helen Montgomery of Houston and Mrs. Bernell Walker of Littlefield; two brothers, Floyd Mueck of Bishop and E.C. Mueck of Lake Jackson.

### Letter To The Editor

Dear Editor:

Now that the first public school grading period is over and Texans are assessing the value of the new "pass-play" rule, I would like to take this opportunity to stress the gains we are making in the classroom.

Approximately 85 percent of varsity athletes statewide passed all their courses, while the overall rate was considerably

lower. What this means is that our athletes are winning on and off the playing field. Why is their percentage pass rate higher than the average? Because the coaches, whose own performance is evaluated each week when their teams compete, worked with their players in tutorials and helped them make the grade. My office advocated this kind of teamwork in a "play book" mailed each Texas coach, and I think we have found a winning formula that produces results.

As parents, teachers, coaches and students, we can improve the pass rate during the second grading period if we extend the same attention and "scholastic coaching" given our varsity

athletes to every child experiencing difficulty in the classroom.

Discovering this key to academic achievement is no less significant to Texans than the discovery of the Spindletop oil gusher. Educated minds are the "oil and gas" of Texas' future, and we must work harder--and encourage our young people to work harder--to better prepare for the challenging jobs of the future. The real issue for our children and grandchildren is

not going to be "no pass-no play." The real issue is going to be "no learn-no earn."

This is no time to retreat from education reform. It took courage to raise the standards, and it's going to take courage to stick to them. I think the vast majority of Texans want this state to have the best schools, and I remain committed to seeing Texas achieve that goal.

Yours truly,  
Mark White  
Governor of Texas

## DEEP

### AS THE SEA

Standing in the sand, looking at the sea, one cannot help thinking of the boundless, fathomless love of God toward us. Oh, how he loves us, uplifts us, protects us and encourages us. There comes to mind many of his precious promises and the heart swells with gratitude. Recalled first of all, perhaps, are verses like these:

"Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee: yea, I will help thee."

"Yea, I have loved thee with an everlasting love: therefore with loving kindness have I drawn thee." Jeremiah 31:3.

"For God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."

"For God sent not his Son into the world to condemn the world; but that the world through him might be saved." John 3:16, 17.

Many more words of comfort await you in the Bible and in the Church as His words are proclaimed from the pulpit. We invite you to attend church this week. You will be glad you did.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.

### BASEBALL

WASHINGTON -- The St. Louis Cardinals were under-estimated all year. One should have guessed, perhaps, that a team which beat out the New York Mets and Dwight Gooden would defeat the Los Angeles Dodgers.

The Cards were also ready with their pitching rotation, for both the playoffs and the Series.

## Those Who Bray Together, Stay Together

The annual Staff wants to remind you that time is running out for you to get your senior pictures done. The deadline for you to get your picture in the 1986 Muletrain is November 1. If you are having your photograph done elsewhere than Adrian Photography, you must bring us a wallet size photograph by November 1. However, if you have it done at Adrian Photography, he will supply us with your photograph at no expense to you. Help us by making this senior annual very special to you by including your senior picture.

Seven exciting and delightful comedies will be presented by the Muleshoe High School Theatre Department. Three of the seven shows will be performed Monday, November 4th, from 7:00-10:00 p.m. They are: "Wedded But No Wife," "Time Out For Ginger," and "Midsummer Night's Dream." Tuesday, November 5th, from 7:00-10:00 p.m., the other 4 shows will be performed. They are: "Midsummer Night's Dream," "Millie McIvion," "Androcles and the Lion," and "Meet Me In St. Louis." The admission price will be \$2.00 a person. Come and enjoy a night of laughter!!!

The Junior Class members and sponsors would like to thank all the parents for the effort and time each one put toward the Thanksgiving supper. It was a great success!!!

## Coach's Comments

Last Thursday the JV mules traveled to Tulia to squash the Hornets. The Mules gave it their best kick but just could not surpass the Hornets. The final score showed of 12-6 defeat, with the only score coming from David Wooten. Coach Scott commented that the Mules played a strong game but just could not hold on to the ball in the endzone.

## Band Receives '1' At Contest

Last Saturday, October 26, the Mighty 'M' traveled to Lubbock to compete in the district U.I.L. Marching Contest. The band received 1 rating.

The judging was extremely tough and out of 14 bands, Brownfield, Muleshoe, and Denver City were the only three with 1 ratings. The other 2 bands were chosen for regionals and Muleshoe was named as the alternate.

Comments from the judges included:

Norval Howell liked the dynamic contrasts and felt that the marching precision was good. He liked the Mighty 'M's appearance and said they had good "Esprit de Corps," and he really enjoyed the performance.

Jim Van Zandt stated that the band had an "emotional opener." He said the general effect was very creative and most enjoyable. He also felt we had good appearance and super discipline. Some of his comments were "Great Band!" and "Very Enjoyable!"

Rey Meza said the show had a nice rotation by color guard (flags) and good use of flags.

## Calendar Of Events

October 31-5:00 9th Littlefield-Here, JV Littlefield-Here  
November 1-7:30 Varsity Mules vs. Littlefield Wildcats-there, 3 weeks Failing Reports!!  
November 2-Cross Country Regional Meet-Lubbock.  
November 4-Fall Plays-7:30-10:00 p.m.  
November 5-Fall Plays-7:30-10:00 p.m., Girls Basketball Scrimmage vs. Springlake-Here 5:00 p.m.

He also enjoyed the flag changes. He said the show had nice solo features and good discipline and appearance. He was very enthusiastic about the flag routines and said the show was "visually well conceived."

All three judges gave Muleshoe a 1 rating and said that they enjoyed the show tremendously. Many people from other towns, especially competing bands, were very enthusiastic about the show. They felt it was interesting and showed a lot of hard work!

The 1 rating was a terrific achievement because it is the first leg of three to getting a sweepstakes band. The Mighty 'M' is the only band eligible for sweepstakes in the North Zone. This is also the year for 3-A Honor Band.

The band is starting jazz band and concert band, and will soon begin preparing for the Christmas concert.

## SCAC Names Citizen Of Month

The Student - Community Action club, at their monthly meeting Tuesday, October 15, honored Gil Lamb by naming him Citizen-of-the-month for October. Mike Holt, vice president, introduced Mr. Lamb as a person who has always contributed to the community and has helped put Muleshoe on the map. Mr. Lamb told club members of some of his activities during the many years he has lived in the community. In the past he has led the heart

## MHS Students Conquer First Six Weeks

Editorial by Susan Lunsford  
Many Texas schools were greatly affected by the "No-pass-no-play" rule included in House Bill 72. I am proud to say that Muleshoe High School was not among the schools drastically affected. Even though there are a few of the MHS students who will be ineligible this six weeks, the majority of students will continue to participate in extracurricular activities. A roster was made showing the percentages of students who were on the first six weeks honor roll from different activities. This reflects not only the desire and ability of these students to pass, but also the ability to excel.

Eighteen percent of all MHS students were on the first six weeks honor roll. According to Wayland Ethridge, MHS principal, this is a high percentage for the first six weeks term. The following chart shows percentages in different categories of students who made the honor roll:

51% Athletes  
16% Varsity Football Team  
9% Junior Varsity Football Team  
36% Boys Cross Country Team  
83% Girls Cross Country Team  
43% Combined Girls Varsity and Junior Varsity Basketball Team  
33% Girls Freshmen Basketball Team  
5% Boys Freshmen Basketball Team  
35% Mighty "M" Marching Band  
25% Combined Speech and Theatre Students

These students overcame the pressure and tribulation of participating in after-school activities; yet they still managed to excel academically. We are proud of these outstanding students, and we hope to encourage other students to become active and strive to accomplish this goal, also.

## Job Applications

The first period English class of Mrs. Blecker's had the privilege of having Mr. Bob Donaldson come to the class and give practice interviews, different students for different jobs.

The class has been studying job applications, interviews, and how to get along on a job. The class has written several types of job applications. They have watched films of how to get a job and how to get along on the job after getting the job.

Mr. Donaldson's visit was a highlight of the study. He first interviewed as a grocery store manager, which he is now. Then he interviewed as a restaurant manager, department store manager, and bank manager.

Mr. Donaldson gave good pointers for interviewing for a job. There was good points about getting along on a job and what is expected on the job.

The students gave him a great ovation. They are writing individual thank you letters of appreciation.

drive, the cancer drive, and the United Fund. He along with his late wife, Olabelle Lamb, were instrumental also in getting a first-rate library for the Muleshoe area. Mr. Lamb almost single-handedly managed to get the Mule Memorial for Muleshoe, which has brought worldwide recognition to Muleshoe. For years Mr. Lamb ran KMUL radio station, and he told how being without the station led to despair, but to later triumph when his daughter, Magann Rennels, came up with the idea of a local TV station. The success which Channel 6 has experienced is a story of interest to broadcasting stations all over the United States. Representatives have come here and interviewed the personnel of Channel 6 from many different places including WFFA Dallas and Sam Donaldson's World News Tonight, and ABC station.

Mr. Lamb then commended members of SCAC for the contributions they have made to the community, including their work with the Muleshoe Heritage Foundation. He said the financial assistance and the work accomplished has given inspiration to others and will help make this project a success.

Stacey Smith pinned a button on Mr. Lamb and gave him a congratulatory card from SCAC members, honoring him for being chosen citizen-of-the-month.

Mike Holt, presiding, asked for a report from committees and Meischelle Logsdon, chairman of the fund-raising committee said no definite plans have been finalized and asked for a special committee meeting on Wednesday after school. Members who worked at the Muleshoe Depot last Saturday reported on the work done. The Muleshoe Heritage Foundation asked for volunteers earlier to help clean and do carpenter work and, about ten SCAC members responded by working at the depot.

The next meeting of SCAC will be at Debbie Isaacs, the date to be set later.

At the conclusion of the meeting SCAC members enjoyed refreshments served by the hostess Kristy Landers, Nina Landers, and Meischelle Logsdon. Club members enjoyed helping Kristy celebrate her 18th birthday and also enjoyed the delicious birthday cake served.

## Activity VS Accomplishment

by Sherri Stovall  
If a person looked up the word active, he would find that it meant busy or working. If a person looked up the word accomplishment, he would find it meant a task that has been completed. No one should ever confuse activity and accomplishment.

There is a big difference between activity and accomplishment. One can be active and not accomplish anything; however, one must be active to accomplish anything. A person must set goals and work toward those goals to accomplish anything. Enthusiasm is also important because it is the hub of all progress. With enthusiasm, there is accomplishment; without it, there is only activity. One must also have a positive attitude toward whatever he wants to accomplish. Remember, one should never confuse activity with accomplishment.

You are as honest a man as any is in the cards--if the kings were out.
