THE SNYDER DAILY NEWS

VOL. 8. NO. 81 — SNYDER, TEXAS, FRIDAY, AUGUST 2, 1957 — EIGHT PAGES—PRICE 5c

A VESSEL OUT TO PASTURE—Strange sights the eye can behold and here's one that will make you look twice—the French liner Pasteur seemingly sitting in a grain-field near Brest, France. Actually the ship is hove to in the sea "cemetery" of Land-evennec awaiting high tide, which won't come until the end of August, to allow movement to Brest harbor. There are no passengers aboard and the crew is meanwhile enjoying the scenic countryside. A company has offered to buy the vessel but the French government has not given final approval.

Broad Open Skies Proposal Is Made

LONDON (AP)—John Foster Dulles proposed today that all of the United States, all of the Soviet Union and most of Europe be exposed to aerial and ground inspection as a safeguard against sneak nuclear attacks.

Speaking on behalf of the West, the U. S. secretary of state broadened the West's "open skies" proposal in a dramatic bid to break an East-West deadlock in the U. N. subcommittee on disarmament.

Under the new Western plan Soviet planes would be allowed to fly over U. S. and Western territory and Soviet ground inspectors could check seaports, rail junctions, main highways and air fields to expose any warlike nuclear moves. Western powers would have similar rights throughout the Soviet Union.

Dulles had worked four days to get agreement on the plan among the Western members of the subcommittee—Britain, France, Canada and the United States. There had been broad but incomplete agreement before President Eisenhower sent him here Monday to put steam into the talks.

The West's proposal was that a broadened open skies plan might be established when a "first stage" agreement on disarmament comes into force. The Western powers emphasized that the approval of all nations affected would be required.

Dulles first proposed:

"A. That all the territory of the continental United States, all Alaska, including the Aleutian Islands, all the territory of Canada and all the territory of the U.S.S.R. will be open to inspection.

"B. If the government of the Soviet Union rejects this broad proposal, to which is related the proposal for inspection of Europe referred to below, the four powers with the consent of the governments of Denmark and Norway proposed that:

"All the territory north of the Arctic Circle of the Soviet Union, Canada, the United States (Alaska), Denmark (Greenland) and Norway: All the territory of Canada, the United States and the Soviet Union west of 140 degrees west longitude, east of 160 degrees longitude, and north of 50 degrees north latitude: all the remainder of Alaska, all the remainder of the Kamchatka Peninsula: and all of the Aleutian and Kurile Islands, will be open to inspection.

"Section two:

"2. With regard to inspection in Europe, provided there is commitment on the part of the Soviet Union to one of the two foregoing proposals, the governments of Canada, France, the United Kingdom and the United States with the concurrence in principle of their European allies and in continuing consultation with them, subject to the indispensable consent of the countries concerned and to any mutually agreed exceptions, propose that an area including all of Europe bounded in the south by latitude 40 degrees north and in the west by 10 degrees west longitude and in the east by 60 degrees east longitude will be open to inspection."

This European zone to be opened to inspection would take in virtually the entire European land mass excepting the southern half of Spain and Portugal, the toe of Italy, the southern tip of Yugoslavia and Greece, the southern two-thirds of Turkey and Russia's northern approaches to Iran.

The zone would include Ireland and the rest of the British Isles, and extend eastward to the Ural Mountains.

The 69-year-old American cabinet officer decided to present the plan personally in an effort to lend emphasis to the proposal.

By replacing Harold E. Stassen, the U.S. delegate, at the subcommittee session, Dulles brought the weight of his own authority and that of President Eisenhower's to the table. It was a climax to a whirlwind five-day visit to London ordered by the President.

The open skies proposal for aerial inspection of each other's territory by Russian and American planes originally was made at the Geneva summit conference in 1955 by President Eisenhower.

The idea for international ground inspectors at key ports, rail junctions, frontier areas and airports came first from Soviet Premier Nikolai Bulganin.

Before flying back to Washington tonight, Dulles was to make a television and radio broadcast to Britain.

HELD FOR BIGAMY— Mrs. Aileen Stuart, an English war bride of El Paso, Tex., wife of an Air Force major, is charged with bigamy after she allegedly married Sgt. 1-C Allen Louis Willie. She is the mother of five children.

BIG SEVEN MONTHS

Building Permits Are At Highest Point Since '51

BUILDING PERMITS in Snyder are still running at a rapid pace, and after seven months they are the highest since 1951.

At the end of six months, building permits were leading even 1951, but in 1951 July was a big month, with more than $2 million in permits.

During the first seven months this year, building permit values have totaled $1,712,250, or almost half a million dollars higher than they were during the past two years for the same period.

July had a total of $294,000, second highest figure for July in the history of Snyder. July, 1955, had a total of $505,070, and July, 1951, had $2,563,050.

A total of 31 permits were issued here during the month of July, according to Prentice Smith, city planning and zoning engineer. Of those, 21 were residences.

RESIDENTIAL BUILDING was the biggest thing in permits during the month. The largest permit was one for a $30,000 residence to be built at 2701 Thirty-fifth Street by Bob Parks & Sons. There were also residential permits for $25,000, $27,000, and $20,000. Most of the remainder of permits were for additions to homes or for converting garages into dens.

The $1,721,250 figure for the first seven months is far ahead of last year's $1,243,387. Other seven month figures include $1,225,735 for 1955, $597,765 for 1954, $1,097,575 for 1953, and $1,115,335 for 1952.

Probably most significant is the fact that the building permits for seven months this year already exceed the totals for the entire years of 1956, 1954, 1953, and 1952. Totals for the 12 months those years were $1,679,632 for 1956, $1,332,265 for 1954, $1,504,189.50 for 1953, and $1,513,885 for 1952.

So far this year, the city has issued a total of 179 permits, and 110 of those have been for residences.

Since the beginning of 1950, there has been a total of 1,581 permits for residences issued here.

Lucy, The Hen Is Just A Big Flop

NEW BRUNSWICK, N.J. (AP) — There is no joy at Rutgers—Lucy has struck out.

Lucy is the hen that startled the feathered set last week by laying 17 eggs in a five-day period.

Well, you can imagine what happened thereafter.

From an unnamed hen in a flock of several hundred owned by John Delaporte of Reaville, she leaped to fame. She got a name. Delaporte grew proud of her, and the scientific world took over.

The 2-year-old Leghorn was brought to the Rutgers University agriculture experiment station Monday for Dr. Paul D. Sturkie, poultry physiologist, to study.

Sturkie wanted to see what made Lucy play such a wonderful shell game. She had laid three eggs on two days, four on two days and, with Delaporte keeping watch to make certain no prankster was spoofing him, three on the fifth day.

Well, higher education didn't agree with Lucy. And Rutgers officials said yesterday that she hadn't laid a single egg since she arrived. Hadn't even formed an egg, in fact.

When she does, Sturkie will take X-rays to see if she has two oviducts instead of the usual one. He thinks it's possible because some of the eggs have had a roundish shape, others a longish appearance.

But until she lays, Lucy's reputation is pretty foul around here.

SPOT MUSE

NO MATTER where you happen to be in Texas today and tomorrow, you can expect the same weather other Texans are getting. Usually, the U. S. Weather Bureau must break its Texas forecast into three or four areas to cover the state, but here of late they have a lot of them which read simply "All Texas." Incidentally, August started off in the 100-degrees class yesterday in Snyder. Maximum reading for the day was squarely on the century mark. The Weather Bureau says "All Texas" can expect more of the same, with the usual reference to scattered afternoon and evening thundershowers.

COUNTY OFFICIALS are still working on the 1958 budget, which must be adopted before the end of August: Quite a bit of budget work has already been done. Doyle Gallman, county auditor, will be in Abilene Monday working on the budget with Charlie Smith of the First Southwest Co., financial advisors for the county, and members of the commissioners court will be there Tuesday. It looks as if the annual county budget hearing may be set for Aug. 19.

MEETING PLACE has been changed for the August 15 meeting called by several agricultural leaders here to discuss problems and promotion of cotton. The meeting, originally set for the junior high auditorium, will be in the high school auditorium at 3 p.m. that day, according to Henry Burchett, chairman of the group.

Son For Singer

SANTA MONICA, Calif. (AP) — Singer Rosemary Clooney has given birth prematurely to a four-pound son, Gabriel Vincent. The baby was expected in October. Miss Clooney, wife of actor Jose Ferrer, was in good condition at St. John's Hospital.

Call To Girl Costs Him Year In Prison

LOUISVILLE, Ky. (AP) — A talkative man who couldn't resist calling his girl in Denver was sentenced to a year in prison.

Eugene Williams 21, received the sentence in Criminal Court after pleading guilty to storehouse breaking. He said while he was in an automobile repair shop, he called his girl friend and talked for 71 minutes.

When the owner of the shop received a bill for $32, he informed police, who investigated and arrested Williams.

Cheese For Weapon

PHILADELPHIA (AP) — Philadelphia police are searching for robbers who used a hunk of cheese as a weapon. Cab driver John Evans says he picked up two fares and suddenly one of them hit him in the mouth with a handful of cheese. The other slugged him with a lead pipe, Evans says, and escaped with $20.

Man Is Killed As He Sits Down To Dinner

ST. LOUIS (AP)—It was hot—about 94—when Orenza Young, 43, sat down to dinner with his family last night. He had kicked off his shoes and socks and was perspiring heavily.

A floor lamp stood near the dinner table—not near enough to suit Young. He reached out to move it and was electrocuted.

Road Money Set Aside For State

WASHINGTON (AP)—Texas will receive $167,977,005 of the nearly three billion dollars the government earmarked today for the national highway program for the 12 months starting in Mid-1958.

Texas will get $115,010,749 for interstate roads, $25,443,547 for primary roads, $17,034,541 for secondary roads and $927,667 for urban roads.

The $2,875,000,000 apportioned to the various states includes two billion dollars to continue work on the 41,000-mile network of limited access superhighways. These interstate highways will link 90 per cent of all cities with a population of 50,000 or more. The program calls for their completion in about 16 years.

The Bureau of Public Roads apportioned $393,750,000 for the federal-aid primary system. This system, in existence for many years, includes almost all main routes used in inter-city travel. Counting in the interstate system, it is 235,000 miles in length.

A total of $262,500,000 was apportioned to the federal-aid secondary system of farm-to-market and feeder roads, some 520,000 miles in length.

For urban highways that are extensions of primary and secondary systems into cities, the government apportioned $218,750,000.

Seven states were apportioned more than 100 million dollars. New York leads the list with $197,947,856. Texas will receive $167,977,005, California $163,408,183, Pennsylvania $148,236,048, Illinois $132,433,592, Ohio $119,338,559 and Michigan 102,096,687.

Marilyn Monroe Has Miscarriage

NEW YORK (AP) — Movie star Marilyn Monroe lost her baby last night by miscarriage. An emergency operation was performed.

The wife of playwright Arthur Miller was reported today "as feeling as well as can be expected."

Miss Monroe was described as "slightly groggy" and seemed tired. A bouquet of roses brightened her room.

She will be in the hospital 9 to 10 days.

Dr. Hilliard Dubrow, one of two gynecologists who performed the operation, said he was "not at liberty to divulge the medical aspects" of the case but he said "She certainly can have more children and she's very anxious to have more children."

"The baby was unsavable and it was urgent to protect the life of the mother," said the source who declined use of his name.

The operation followed a fast, ambulance trip yesterday from the Millers' summer home at Amagansett on the eastern end of Long Island.

An emergency call for the East Hampton ambulance service was made from the Miller home at 11 a.m. yesterday.

Dr. Hilliard Dubrow, New York gynecologist and one of Miss Monroe's physicians, happened to be in East Hampton at the time and traveled with the stricken film star and her husband.

When she was admitted to the hospital one of her doctor's said Miss Monroe was "five or six weeks pregnant and is expecting her child at the end of March." There have been persistant rumors she was expecting a child.

She was wheeled from the ambulance in a stretcher. A sheet covered her famous body. Only her tousled blonde hair, her bare, sun-tanned feet and the top of her her blue pajamas sleeves were visible.

Miller, nervous and solicitious, helped wheel the stretcher. At the elevator he leaned over the stretcher, put his arm around his wife's waist and whispered to her.

She was taken to a $26-a-day ninth floor room. Miller took a room in the hospital's hotel section.

Miller said he could not recall any incident that could have induced a threatened miscarriage. He said his wife had been "resting, digging clams and swimming" on their vacation.

The medical source said that "no difficulties" were anticipated as a result of the operation and that Miss Monroe was "doing as well as can be expected."

It was learned that the operation was performed by Dr. Dubrow and Dr. Bernard Berglas, also a gynecologist.

Miss Monroe and Miller were married in a civil ceremony at White Plains, N. Y., on June 29, 1956. Two days later they were married in a reform Jewish ceremony in South Salem, N. Y.

Sentenced To Life

DALLAS (AP)—Harold Carter, 28, a Negro, convicted last week of raping a white woman, was sentenced to life in prison yesterday. He will be eligible for parole in 15 years.

Drowns While Fishing

FORT WORTH (AP)—Eli Bobo, 46, drowned yesterday while fishing in the Trinity River.

Tired Of Her Nagging

CUERO (AP)—Ted Jamison, 57, was charged with the murder yesterday of his step mother, Amanda Jamison, 80. The woman was stabbed to death with a pocket knife. He told reporters he "was just tired of her nagging." County Atty. James Crain said Jamison was being held in the DeWitt County jail without bond.

Jr. College Meeting Set

The Scurry County Citizens Committee for a Junior College has set a meeting for 8 o'clock tonight in the district courtroom of the courthouse here.

Persons other than those already named to the committee who are interested in the possibilities of a junior college here have been invited to attend the meeting.

The committee is making studies on the feasibility of a junior college district for Scurry County or for Scurry and a neighboring county.

Members of the committee are Bill Jordan, Paul Keaton, Charles Musslewhite Herbert Feather, Mrs. H. G. Towle, Ray Houpt, Mrs. Harold Brown, Bob Dupree, Mrs. Gene Dulaney, Roy J. McClosky, Mrs. Jack Bowden, Arthur Blanchard, Mrs. H. C. Lowry, Ted McAlister, Mr. and Mrs. Wayne Boren, Mrs. R. B. Comer, Robert R. Patterson, Grady Elder, Hollis Fields, Dr. Wilton N. Jones, and Charles Blakey.

Rackets Probe Witness Says Workers Are Being Exploited

WASHINGTON (AP) — The Senate rackets investigating committee developed testimony today that hoodlum-controlled labor unions and employers have conspired to exploit nearly one million Puerto Rican and Negro workers in New York City.

John McNiff, executive secretary of the Assn. of Catholic Trade Unionists, said, "the worst evil of all in the trade-union picture today is collusion between crooked management and crooked unionism.

McNiff named 22 New York local unions which he said cooperate with companies to "exploit Puerto Rican workers and other unskilled or semiskilled workers in the metropolitan New York area." He said this is only a partial list.

He said the unions in cooperation with firms enter into contracts which are often only verbal agreements and often fix wages at the $40-per-week- legal federal minimum wage for a 40-hour week, or rates only slightly above that figure.

A standard practice, McNiff said, even among "the more respected industrial unions in New York," is to refuse to give workers copies of the contracts that are put in writing. Thus, he said, the workers seldom know even the minimum benefits to which they are entitled.

McNiff said he has taken this up with the International Ladies Garment Workers, for one, and obtained some success in having more contracts made available to ILGWU members.

He said he thought depriving members of contract copies was without the knowledge of ILGWU President Dave Dubinsky, but that he has been unable to see Dubinsky about it.

Favors Alaska Plan

WASHINGTON (AP)—Speaker Sam Rayburn said yesterday he was for the admission of Alaska as a state.

Three Killed In Accident

HARLINGEN (AP)—Three persons were killed and another was critically injured in a headon collision on Highway 83 here early today.

Enrique Galvan, 27, of Harlingen and Jacobe George, 21, of Los Indios were killed at once. Mary Hill, 34, of Harlingen, died an hour later.

Henry Ellis of San Antonio was in a critical condition.

Police said the car carrying Galvan and George ran off the highway and then came back across the road hitting one driven by Ellis almost headon. After hitting the Ellis car, police said, the other car smashed into a palm tree and bounced back onto the highway, landing on its top.

Another accident took two lives here yesterday.

Killed were Vicente Chavarria, 21, and Glen Hensz, 6, of Harlingen.

Injured were Earl Hensz, 12, and Ramiro Rodriguez, 18. They were reported not in serious conditions.

Patrolmen said the car was driven by David Hensz, 17, and the truck by Earl Morris Jr., 40, both of Harlingen.

Gas War Continues

DALLAS (AP)—The two-month-old gasoline price war continued today with gasoline prices still well below normal. Prices ranged down to 18.9 cents.

Ike Extremely Unhappy Over Defeat Of Civil Rights Plans

WASHINGTON (AP) — President Eisenhower said today the jury trial provision added to the civil rights bill by the Senate threatens to weaken the nation's judicial system. And he said it will make the bill "largely ineffective" in protecting the rights of all Americans to vote.

Eisenhower previously pictured by Sen. Potter (R-Mich) as "damn unhappy" over the Senate action, gave his views in a statement marked by sharp language.

He said the 51-42 vote that guaranteed jury trials in criminal contempt cases would be "bitterly disappointing" to many millions of Americans in that it would have the effect of leaving great numbers of qualified voters disenfranchised.

"Rarely in our entire legislative history have so many extraneous issues been introduced into the debate in order to confuse both the legislators and the public," Eisenhower said.

White House press secretary James C. Hagerty, who said Eisenhower dictated the statement to him, declined to tell reporters whether the President will veto the bill if it is finally passed by Congress in the form of the Senate measure.

A possibility that it may not do so this year was foreseen by Sen. Knowland of California, the GOP leader. Knowland said he thinks the bill may become stymied in conference with the House, which passed the bill much more closely tailored to the administration draft.

Hagerty did not dispute a newsman's suggestion that Eisenhower would hardly accept a bill which, in his opinion, weakened the American judiciary.

Potter reported on Eisenhower's reaction after a call at the White House this morning to discuss another matter with the President. Without elaborating, Potter told newsmen "the President is damn unhappy" about losing the fight over the jury trial amendment.

The text of Eisenhower's statement, as given out by Hagerty:

"My first reaction to the vote in the Senate last night is to extend my sincere appreciation to Sen. Knowland and to those senators who stood with him in valiant and persistent efforts to bring to all our citizens protection in their right to vote—a protection of which many are now deprived.

"Rarely in our entire legislative history have so many extraneous issues been introduced into the debate in order to confuse both legislators and the public.

"The result cannot fail to be bitterly disappointing to those many millions of Americans who realized that without the minimum protection that was projected in Section 4 of the bill, as it passed the House of Representatives, many fellow Americans will continue in effect to be disenfranchised.

"Finally, no American can fail to feel the utmost concern that an attempt should be made to interpose a jury trial between a federal judge and his legal orders. During our history as a nation great Americans have pointed out that such a procedure would weaken our whole judicial system and particularly the prestige of the federal judiciary. In this case it will also make largely ineffective the basic purpose of the bill—that of protecting promptly and effectively every American in his right to vote."

WEATHER

SNYDER TEMPERATURES: High Thursday, 100 degrees; low, 70 degrees; reading at 7:30 a.m. today 73 degrees.

ALL TEXAS: Partly cloudy through Saturday with widely scattered, mostly afternoon and evening, thundershowers. No much change in temperatures.

ON FHA LOANS

Interest Rates May Be Hiked

WASHINGTON (AP)—Another increase in FHA home loan interest rates is imminent, congressional sources said today.

They said they expect a boost from 5 to 5¼ per cent in the interest rate to be announced soon along with approval of lower down payments and new controls on the amount of discount — or premium—which may be charged borrowers on mortgage loans insured by the Federal Housing Administration.

No time was mentioned in connection with the rate increase, but reports were current that an announcement might be made before September. Firm loan commitments already made presumably would not be affected.

There was no immediate comment from housing officials.

A reduction in FHA down payment requirements for prospective home buyers was authorized and imposition of sharply lower ceilings on discounts was ordered by Congress in new housing legislation signed July 12 by President Eisenhower.

Reports that FHA planned to increase its interest charge were partially confirmed by Rep. Rains (D-Ala), chairman of the Housing subcommittee of the House.

He told a reporter he had been "informed such a study was under way" in the administration in connection with impending reduction of down payment requirements.

"I am afraid they are also going to increase the interest rate," he said.

The housing administrator is authorized under law to raise the interest to a maximum of 6 per cent without coming to Congress for approval.

In addition to the current 5 per cent rate, FHA now charges an additional half of 1 per cent fee for insuring the mortgage loan to bring the total cost to 5½ per cent. An additional one quarter per cent would bring the cost to borrowers to 5¾ per cent.

FHA's plan to increase the interest rate was regarded as a move to offset restrictions on the amount of discount which lenders might charge, thereby continuing to keep FHA loans competitive with other financing demands.

OIL ROUNDUP

6 Field Projects Slated In Scurry

Six field projects have been scheduled for drilling in Scurry County.

W. L. Meadows, Jr. of Midland staked four of the projects, all on the Huddleston lease in Section 161, Block 97, H&TC Survey, 12 miles southwest of Snyder. They are slated for 3,300 feet with cable tools.

No. 1 Huddleston spots 990 feet from the north and 330 feet from the east lines of Section 161. No. 2 will be 330 feet from the north and 990 feet from the east lines. No. 3 spots 990 feet from the north and 1,650 feet from the east lines. No. 4 will be 2,310 feet from the east and 330 feet from the north lines.

Staked in the Sharon Ridge (2,400) Field was Park Cities Oil Co. of Dallas No. 1 J. W. Skipworth, two miles southwest of Dunn. Slated for 3,500 feet with rotary, it spots 330 feet from the north and 2,310 feet from the east lines of Section 136, Block 3, H&GN Survey.

Same operator's No. 1 N. Johnson will be a similar project spotting 2,310 feet from the south and 1,320 feet from the west lines of Section 136.

Completed in the Sharon Ridge (2,400) Field was Texas National Petroleum Co. No. 2 J. M. Sterling and No. 4 Sterling, both in Section 160, Block 97, H&TC Survey.

No. 2 Sterling had a daily potential of 99.36 barrels of 32 gravity oil and 10 per cent water, pumping from perforations at 2,424-28 and 2,430-38 feet. Pay was treated with acid and fractured.

No. 4 Sterling pumped 80.04 barrels of 30.6 gravity oil daily and no water from perforations at 2,520-35 feet. Pay was fractured and acidized.

FISHER COUNTY

A deepening project has been completed in Fisher County. The Ibex Co. and M. E. Daniel of Breckenridge finalled their No. 1 J. J. Steele as a producer in the Round Top (Canyon) Field. Daily potential was 41 barrles of 39 gravity oil and 35 per cent water, pumping from 64 perforations at 4,633-42 and 4,646-53 feet. The well previously produced from the Flippen Lime at 3,200 feet. It is in Section 210 BBB&C Survey, or eight miles southwest of Hamlin.

Callihan Interest, Inc., et al. of Abilene have plugged their No. 1-B R. M. Wagstaff at 5,039 feet. The test was in Lot 5, Edward Miles Survey 219.

NOLAN COUNTY

Roark Hooker, Allison and Pressidge of Abilene have completed their No. 3 G. W. Cochran in Section 104, Block 1-A, H&TC Survey, 18 miles south of Sweetwater. Potential was 116 barrels of 41 gravity oil and 11 per cent water, flowing through a 20-64 inch choke. Flow was from 36 perforations at 4,096-102 feet.

Skelly Oil Co. No. 4 J. R. Cochran has been completed. It flowed 110.26 barrels of 38.6 gravity oil in four hours through a ¾ inch choke. Flow was through 36 perforations at 4,076-82 feet. The new well is in Section 106, Block 1-A, H&TC Survey.

BORDEN COUNTY

The Texas Co. No. 1-E Claton, wildcat in Southwest Borden County, developed oil, gas and water during a drillstem test of the Pennsylvanian. On a two-hour test of the zone from 8,283-94 feet, gas surface in 14 minutes. Recovery included 290 feet of oil, 90 feet of gas-cut mud and 390 feet of salt water. Location is 2,083 feet from the north and 613 feet from the west lines of Section 44, Block 32, T4N, T&P Survey, or 14 miles southwest of Gail.

GARZA COUNTY

Robert L. Wood of Midland No. 1 Shelby County School Land will be a 4,700 foot wildcat two and one half miles east of Southland. The location is 330 feet from the north and west lines of the Shelby County School Land survey.

TODAY'S MARKETS

FORT WORTH (AP)—Hogs 10, steady. Choice 220.

Cattle 600; calves 50; steady; good steers, heifers 20.00-22.00; common and medium 12.00-19.00; fat cows 12.25-15.00; good and choice calves 18.50-21.50; common and medium 14.00-18.00.

Sheep 200; good and choice spring lambs 20.00-22.00; few 19.00-20.00.

AUSTIN (AP)—Poultry, East Texas prices 21c-24c lb. 20-22 mostly 21; South Texas steady; 21-mostly 22. Wool was 21.

NEW YORK (AP)—Cotton was 35 to 50 cents a bale lower at noon today. October 34.24, December 34.22, March 34.28.

CHICAGO (AP)—Butter 1,422,000; unchanged. Eggs 7,500; 1c to 1½c lower. Mixed 38; A whites 56½; mixed 38; mediums 33; standards 29½.

STOCK AVERAGES

Compiled by The Associated Press

	Indust.	Rails	Utils	60 Stks
Thurs. day	473.47	127.2	74.1	184.3
Week ago	472.7	130.4	74.5	187.1
Month ago	477.3	128.4	75.3	186.4
Year ago	473.9	142.7	76.7	190.9

Activity on the stock exchanges in New York yesterday included the following:

	High	Low	Close	Change
Ark. Oil	64¼	63¾	63¾	off ¼
Chesapeake	23¾	23¾	23¾	—
Gulf Oil	142¼	140¼	140¼	off 2¼

The following admissions and dismissals at the two Snyder hospitals are only those whose names have been released by the hospitals.

BATTENFIELD-JONES

ADMISSIONS — David Wiman, 2308 Twenty-ninth Street; W. L. Fitheredge, route 3; Mrs. Lester Page, Box 646; Bobby Cumbie, Jr., 3105 Avenue K; James Floyd, 37-07 Muriel Drive.

DISMISSALS — Mrs. Mary Greer, 1007 Twenty-seventh Street; A. B. Sumerford, route 1; Jerry Thompson, Box 1468; Diana Foster, route 3; Guy McKeown, 801 Twenty-fourth Street.

COGDELL MEMORIAL

ADMISSIONS — Rosie Walker, 3412 Avenue M; John Hunnicutt, Flivanna; George Brunson, 3212 Fortieth Street; T. L. Anger, 2710 Thirty-eighth Street; Lou Neves, 2507 Avenue I; Reginald Wilson, 2701 Avenue Y; Ben Hays, 2902 Forty-second Street; Mrs. N. R. Wolfe, 1302 Twenty-eighth Street; Margetta Black, 602 Thirty-fourth Street; Lottie Vivian Shuler, 2301 Avenue M; Vera Wrinkle 108 Ash; Ramona Allen, 1908 Coleman; M. E. Morris, Box 101, Ira.

DISMISSALS — Pamela Aylor, route 3; Hazel Rannefeld, 3713 Sunset; Helen Spiller, 1007 Twenty-sixth Street; Donna Page, 801 Twenty-sixth Street; Maudie Holloway, 111 Thirteenth Street; Ida DeShan, Snyder; R. M. Myers, 39-08 Muriel Drive; Paul Gray, route 1; Vera Wrinkle 108 Ash; Hortensio Rocha, 1904 Nineteenth Street.

Program To Teach Indians Scheduled

MEXICO CITY (AP) — Mexico is expanding a program to teach its Indians, especially in wild mountain areas, by radio.

Forty-one schools are being scattered through the Mixteca Mountains in southern Oaxaca. They will be equipped with radio receivers, notebooks and pencils, blackboards and chalk, and some books.

Among other things, practical advice will be given on farming, cattle raising and cooking.

The broadcasts will be made from Tlaxiaco, in the center of the region, by teachers familiar with the dialect.

Dog Has Sympathy Of Officer Who Shot Him

MIAMI, Fla. (AP) — A dog was scheduled for amputation of his left foreleg today with the sympathy and proferred aid of a policeman who accidentally shot the animal while helping subdue its master.

Detective George Spell's shotgun blast injured Puddles, a black poodle. The dog was with Edwin Starchk, 31, who was captured with the aid of tear gas after exchanging shots with officers.

Spell said he'd pay part of the veterinary bill for the dog.

Starchk had threatened to kill himself. He was placed under psychiatric observation.

Local Man Gets 60 Day Jail Sentence

A Snyder man was given a 60-day jail sentence in county court yesterday afternoon when he pleaded guilty to a charge of theft.

He was Sim Teague, arrested by City police as a shoplifter.

Complaintant on the county court charge was Loyd M. Hatcher of White's Auto Store.

Navy Our Rifle Team

Navy officials at Annapolis, Md., say the U.S. Naval Academy and Georgetown University have organized a rifle team. School officials say they are surprisingly good shots.

The fastest north Lafayette traveled in the United States was to Portland, Maine.

Survey Of County Proposals Is Outlined At Meeting Here

A discussion on surveys now being made here on what Scurry County needs in public facilities was given at the weekly Rotary Club luncheon yesterday by Charles Blakey and Mel Gilbert, members of the Junior Chamber of Commerce.

The Jaycees are leading the surveys being made on possibilities and needs of the county. Included in the things being surveyed here are possibilities for a junior college, new courthouse, parks, community center, auditorium, youth center with fulltime paid director, additional paved rural roads, and possible addition to the county hospital.

So far most of the interest in the early stages of surveys has been in a junior college, and a special community committee has been set up for studies. That committee is composed of persons represent businesses, including some rural people.

The two Jaycees pointed out that their organization is not proposing any of these projects, merely making surveys.

The junior college committee has already met with a state junior college consultant, who made a survey of Scurry County and this area in that connection and has given reports favorable to a possible junior college. Many major educational institutions are now requiring entrance exams because they are becoming overcrowded, and others are preparing to begin giving exams. Many local residents feel that junior colleges are needed to help relieve the crowdedness in colleges.

"We just want to find out what Scurry County wants and needs, what you think the county needs," Blakey told the group at yesterday's meeting. "We know that Scurry County, in 1961, will have the major part of its indebtedness paid off... if we don't begin our planning now, we never will," he said.

Gilbert made comparisons of the tax structure of Scurry County and other counties. In most cases, Scurry County is in much better financial condition than other counties, but many counties which are not as fortunate as Scurry tax-wise have more public facilities. Winkler County, for example, has half a million dollars invested in parks, a $50,000 community house, a 50-bed hospital, a $75,000 library, a half million dollar courthouse, swimming pool, and is now building a youth center.

The average Scurry Countian who has a $10,000 home pays about $11.50 county tax annually on the home. In Howard County, the tax would be about $23. In Taylor, it would be one and one-half times as much, in Lubbock County three times as much, and in Dallas County eight times as much.

At the present time, Scurry County's bond debt includes airport bonds which will be paid off by 1960 and library bonds, courthouse improvement bonds, hospital bonds, park bonds, and road bonds which will be paid in 1961.

A question asked at the meeting is whether anyone has any idea how much money a junior college could bring into Snyder in increased trade. The two Jaycees said that is not known but that the special junior college committee is taking that into account in its studies and will determine, as far as is posible, how junior colleges being established in other areas affected trade. It is known now that out of 56 million consumer dollars here, only 28 million is remaining here.

Another question was whether private capital was being considered in connection with any of these studies. The Jaycees said that is the first thing committees are instructed to investigate while making their studies.

Here's How To Let Off Steam Easy Way

LITTLE ROCK, Ark. (AP) — Ever want to bash in a motor car with a sledge hammer?

A 1941 automobile will be available on a downtown street next week for anyone who wants to let off steam — under police supervision.

Sledges will be rented for $1 to those with king-size grudges; smaller hammers will be available for the less temperamental.

Proceeds will go to a youth center construction fund.

Stellar Family

TAMPA, Fla. (AP) — The family of Joseph Morningstar lives in a Moon trailer at the Silver Star trailer court.

Vote With Majority

WASHINGTON (AP)—Texas Sens. with the majority in passing the jury trial amendment to the civil rights bill last night.

WOMEN

Mrs. Cafritz Plans Tour Of Europe

By JANE EADS

WASHINGTON — Gwen Cafritz, indefatigable capital hostess, has laid aside party-planning for a family project this summer. With her wealthy realtor husband, Morris, she is taking their three sons on their first tour of Europe.

She says she finds the prospect more exciting than any of the celebrity - studded super wingdings she tosses. The emphasis, says the Vienna - born socialite, will be on the history and culture of the continental capitals to which they will pilot the boys.

Gwen says she just can't wait until she sees how her sons, Calvin, 26, Carter, 20, and Conrad, 18, react to the sights of Paris, such as Notre Dame, the Louvre and other art galleries.

"I would like to show them all the wonderful things through my eyes," she told me amid preparations for a July sailing on the Liberte.

"Then we're going to Vienna and Venice," she went on. "Imagine seeing these for the first time? It will be fantastic. I've spent half my life in Europe and I want the boys to get the spirit of the whole thing. I want to teach them. I will make speeches. It will be tremendously broadening."

The family will also spend some time in Rome and on August 1 will go to Monte Carlo for several weeks' stay before returning to Washington.

Mrs. Cafritz says she has been warned that some of the long-hair aspects of the sojourn she's planned for her handsome young sons might not take. She said she'd been told to be prepared to laugh at some of her sons' reactions.

"They've all been exposed to art and culture all their lives," she argues. "On the whole, I think they'll get a great deal out of their travels. We decided to make the trip this year while none of the boys is in the service and none is married."

Earle Hyman Given Some Weighty Roles

STATFORD, Conn. (AP) — Earle Hyman is beginning to wonder about the weighty acting roles that come his way each summer.

Hyman, playing the title role in the American Shakespeare Festival production of "Othello," each evening dons a 50 pound costume of suede suit, breast plate, fur cap and swami turban.

In the festival's version of "King John" last year Hyman had to wear 95 pounds of burlap, leather and cotton swaddling.

"I never get to wear this stuff in the winter," Hyman protests.

The Human Weapon

DETROIT (AP) — Maj. Gen. James E. Briggs, superintendent of the U.S. Air Force Academy, says the country should give more attention to its strongest weapons —human beings. "I sometimes wonder whether we should not give even more attention than we do to the development of our greatest resource—high quality human beings," Briggs says.

Sheath Still In The Lead

By NADEANE WALKER

PARIS (AP) — Whistle-bait necklines, hardly any waistlines and a choice of two hemlines — short or medium — that's what the Paris fashion makers have to offer for the coming winter.

One American buyer happily remarked, "These dresses will sell."

The sheath is undisputed queen of fashion. But for cocktail and evening there are puffed bell shapes as well.

It is a predominately black season, with blue in second place, followed by bright red, coral pinks and green.

As usual, Dior's opening climaxed the week of openings. His "Spindle Line," with loose waist and tapered-in hem, was spiced up with some of the lowest necklines that have ever raised fashion writers' eyebrows.

About half the dress houses plumped for very short skirts, barely covering the knee. Among them were Patou, Heim, Lenvin-Castillo, Cardin and — according to buyers who saw them — Balenciaga and Givenchy. In the mid-calf or conservative school were Dior, Balmain, Desses, Griffe and Laroche, plus Chanel, of course.

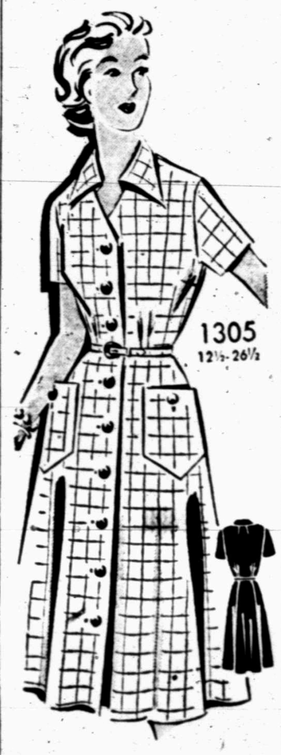

While sheaths were sometimes completely unwaisted, gripping the hip and hugging the legs, more often they were tacked in on the tummy and loose or paneled behind.

Details that turned up all over included bows, dark discreet plaids, scarf necklines for coats and jackets, extremely long or quite short suit jackets, big fur collars, spotted furs, wiglike hats covering all the hair, wool fringe trim, and lampshade skirts for cocktail time.

Opening the season, Patou showed short - skirted, busty sheaths, and a favored daytime ensemble of woolen dress with short hip-tight jacket, bundled over with a fur-lined coat to match. Bows abounded.

Lanvin headlined hips in a panier or basket-skirted collection, with yet more bows. Pierre Cardin's "Lasso Line," with loopy drapery and low kangaroo pouches, featured chiffon dresses draped between the knees. His skirts were the shortest and tightest of the season.

Look Your Best

ON every occasion, season after season, in a well tailored shirtwaister that buttons down the front, and comes in half sizes.

No. 1305 with PHOTO-GUIDE is in sizes 12½, 14½, 16½ 18½, 20½, 22½, 24½, 26½. Size 14½, 35 bust, 5 yards of 35-inch.

Send 35c in coins for this pattern to IRIS LANE, (care of Snyder Daily News), Box 438, Midtown Station, New York 18, N. Y.

They're Using Their Noodles For Money

RACINE, Wis. (AP)—The ladies of the Confraternity of Christian Doctrine of St. Lucy's Church are using their noodles—to raise funds for the parish's school fund.

Leader of the project is Mrs. Louis Szondi who was presented with a jeweled rolling pin when hailed by her fellow workers as the confraternity's "Empress of Noodledom."

Folowing a close time table—because you can't rush a noodle—the ladies will produce 200 packages of noodles to be sold for 50 to 75 cents a package at the annual bazaar.

Man Has Discovered Reason For Showers

CINCINNATI (AP)—Edward L. Schott, president of a local amusement park, believes he may have found the cause of the rain and bad weather that has been plaguing him.

A group of Hopi Indians, hired to perform dances at the park, have been wowing the customers with a spirited rendition of an Indian rain dance.

Summer Delight

Marinate sliced tomatoes and cucumbers in a mixture of vinegar, sugar and minced parsley or dill; serve with chilled cooked salmon steaks for a summer supper.

Mothballing Now Used In Construction

CHICAGO (AP)—The technique used to "mothball" ships now may be applied to construction.

Richard E. Baringer, head of shelter design of the Illinois Institute of Technology's Institute of Design, developed the method of spraying quick-drying vinyl "cocoon" onto a tabular steel frame.

He believes the technique may lead to better and less expensive shelter.

Some of the advantages of the new covering are that it is cheaper to use, faster to apply, moisture proof and does not need rigid framework. Two students erected one of the shelters, 12 feet high and 20 feet in diameter, in 15 hours.

The technique also has been used to make furniture, lighting fixtures and sculpture.

Cloth tape, meshed at 6-inch intervals, gives the vinyl something to cling to. The vinyl fibers can span a two-foot space if necessary, after the addition of webbing agents.

White pigment is added to a second coat of pure vinyl to keep the sun's rays from deteriorating the plastic.

For The Young Set!

Delight the youngsters with this cute little 12-inch horse. Samll enough for tiny hands and arms to cuddle. No. 254 has pattern pieces and full directions.

Send 25 cents in coins for this pattern to MARTHA MADISON, care of Snyder Daily News, Box 438, Midtown Station, New York 18, N.Y.

TO MARRY—Mrs. Mary Reese of Joplin, Mo., has announced the engagement and approaching marriage of her daughter, Miss Reba Jean Reese, above, to Thomas D. Jordan. Mr. Jordan is the son of Mr. and Mrs. D. M. Jordan, Lubbock Highway. Vows will be exchanged Sunday at 3 p.m. in the Assembly of God Church in Joplin.

Kathy Sims Honored At Birthday Party

Kathy Sims, daughter of Mrs. and Mrs. Robert A. Sims, 110 Thirty-fourth Street, was honored with a party in the family home Wednesday in observance of her fifth birthday.

Refreshments of ice cream and cake were served, while favors were balloons and peppermint sticks. Beth and Ginny Sims assisted in serving.

Guests included Debbie, Becky and Patty Sims, Jerry Wayne Braley, Pam and Michael Williamson, Nancy Vaughn, Rodney Kubena, Vicki Sue Barker, Elaine Caswell, Butch and Pamela Kay Buchanan, and Davy and Doug Sims, brothers of the honoree.

WHAT'S GOING ON

MRS. J. E. VICKERS of San Angelo has been visiting in the home of MR. AND MRS. JAP BECK, Roby Highway, the past three weeks.

Good luncheon sandwich: Tuna, hard-cooked egg, pickle relish and mayonnaise. Point up flavor with a little lemon juice if you like.

NEWS FROM GAIL

By MRS. V. L. CLARK

Mrs. Alma Cathey spent the weekend in Denver City visiting the W. Cathey family.

Mr. and Mrs. Don P. Odom have returned to their home in Houston after spending 10 days with Mrs. Odom's parents, Mr. and Mrs. Frank Birmingham.

Mr. and Mrs. John Dickey and family of Stamford and Ensley Jenkins of Abilene spent the weekend with the V. L. Clarks. Mrs. Maude Jenkins of Fort Worth returned home with them after spending two weeks in the Clark home.

Mr. and Mrs. Billy Holley and Evelyn Ann of Gail and Mr. and Mrs. Lloyd Holley of Snyder spent the weekend in Hico with the M. J. Taylors.

Mr. and Mrs. Elwood Hamilton and Dinah Lyn of Beaumont were visiting friends in Gail Friday.

Mr. and Mrs. Tom Hudson of Hico spent the weekend with Mr. and Mrs. T. G. Hudson. On Monday they were shopping in Lubbock.

Mr. and Mrs. Ernest Turner and Mrs. Doris Rudd and Taylor were in Carlsbad, N.M., during the weekend. The group toured the caverns while there.

Mrs. Shorty Farmer and son and Mrs. Billy Holley and daughter were in Lamesa on business Tuesday.

Mr. and Mrs. J. A. Jones are vacationing in Belen, N.M.

Mrs. Vie Moore of Monahans is visiting Mrs. Pairlee Moore this week.

Guests of Mr. and Mrs. Gene Smoot Thursday were Mr. and Mrs. B. O. Whitcombe and sons of Rosenburg.

Mrs. R. L. Gray of Snyder is visiting the Borden Grays this week.

Mr. and Mrs. Bert Dennis and family are vacationing in Galveston this week.

Miss Patsy Norman, Miss Jan Thomas, Miss Beverly Norman, Miss Pat Lawon, Miss Marihelen Reid, and Miss Dottie Harrison of Tahoka visited in Gail Thursday morning.

Guests of Mrs. D. Dorward this week have been Mrs. Myrtle Pou and Mrs. Garvice Pou of Fort Worth, Mrs. Ella Doson of Valley Mills, Mrs. Gwyneth Meadows and Mrs. Macleta Clark and son of Corpus Christi.

Mr. and Mrs. Byron Pierce and boys are visiting his parents in Grandfalls.

Recent guests of Mr. and Mrs. Frank Miller were Mr. and Mrs. Ken Russell of Duncan, Okla., Mr. and Mrs. Doyle Newton and Vickie Faye of Quitaque, Mrs. Bill White and family of Venequela, Mrs. Jack Taylor and family of Arlington, and Mr. and Mrs. Charlie Miller of Snyder.

Guests of Mr. and Mrs. Shorty Farmer Saturday were Mr. and Mrs. Matt Farmer of Mesquite, Richard Crenshaw of Fort Worth, and Richard Guffey of Mesquite.

Guests of Mrs. Attie Jackson during the weekend were Mrs Bertha of Midland, Mrs. Inez Woody of Stanton, Mrs. Stella and Hope Woody of Stanton, Mr. and Mrs. O. D. Jackson and family, Mr. and Mrs. Lewie Jackson, and Mr. and Mrs. Murray Jackson, all of Snyder.

Mr. and Mrs. Paul Logsdon and Glen are vacationing in Celina and Sulphur Springs.

Miss Carol Patterson of Gail and Mr. and Mrs. Arch Odom of Fluvanna are spending two weeks in California.

Mrs. Aubrey Rogers and Roy visited Mrs. Lucy Rogers and Mrs. Belle Clark in Big Spring Tuesday.

Mrs. Earl Sealy spent Friday night with Mr. and Mrs. Bill Sealy and Rusty in Snyder. On Sunday Mr. and Mrs. Sealy visited Mr. and Mrs. Elbert Hicks in Meadow.

Miss Gilda Cathey of Denver City is visiting Mr. and Mrs. Jym Hendricks and Mrs. Alma Cathey.

Mrs. Sam Skeen has resumed her duties as postmistress after a two week vacation.

Party Held By Gamma Upsilon

Members of the Gamma Upsilon Chapter, ESA, met Thursday morning in Towle Memorial Park for a coffee party.

Attending were Mrs. Gene Thompson, Mrs. W. W. Springer, Mrs. Roaal Minor, Mrs. Charley Sparks, Mrs. C. A. Butler, Mrs. Elmer Folk, Mrs. Horrace Bostick, Mrs. Bob Boren, Mrs. Joe Williamson and Mrs. Bill Watson.

Guests were Jeannine and David Thompson, Mark Springer, Bruce Butler, David Folk, Clarke and Mark Bostick and Kathy, Bebo and John Boren.

Stan, Sam Put Cards On Top

By ED WILKS

Stan (The Man) Musial and Sad Sam Jones, an example of the old standbys and new faces who have made the St. Louis Cardinals hum, have the Redbirds perched atop the National League standings again.

Musial, 4-for-4 with a pair of two-run homers, and Jones, pitching a six-hit shutout, were all the Cards needed to move two percentage points past idle Milwaukee last night. But the Redbirds won it big, banging 16 hits for an 8-0 job and their sixth straight success.

Brooklyn is third, 1½ games behind, after rapping the Chicago Cubs 12-3. Gil Hodges set a NL record with the 13th bases-loaded home run of his 12-year career.

Cincinnati reclaimed fourth place from Philadelphia, rallying to beat the Phils 4-3.

In the American League, it's New York by four games after Washington bumped the second-place Chicago White Sox 5-4 while the Yankees were idle. Detroit gained a share of fourth place with Cleveland by defeating Boston 7-5 in the only other game scheduled.

Musial, who retired after six innings, passed Ty Cobb and took third place behind Babe Ruth and Lou Gehrig with 1,140 extra-base hits in his 16-year career.

Stan, who also singled twice, put it away fast, tagging a first-inning pitch from southpaw Johnny Antonelli, now 10-11, for his first homer, then giving the Cards a 6-0 lead in the sixth with the second, off lefty reliever Jim Constable, after Jones had doubled.

Jones, a 31-year-old righthander who has gained control since joining the Cards in a December deal with the Cubs, walked only one, struck out four and had a four-hitter for eight innings while gaining a 9-4 record.

The Dodgers, matching St. Louis' 21-10 record in the last 31 games, rapped 18 hits off loser Tom Poholsky and three relievers as the Cubs chipped in six errors.

Curt Simmons, backed up by homers from Stan Lopata and Rip Repulski, had a four-hitter and a 3-1 lead until the Redlegs cut loose for three runs in the eighth. Ed Bailey's sacrifice fly scored the clincher. Johnny Klippstein won in relief.

Roy Sievers hit his fourth home run in four games to trigger a three-run sixth that beat the White Sox, who had built a 4-0 lead on Larry Doby's first grand-slammer since 1953.

The Tigers scored three in the ninth for a 7-1 lead, but Duke Maas needed relief from Harry Byrd and Frank Lary to win his eighth. Frank Malzone's two-on homer made it a four-run ninth for the Bosox and Lary came on with two on and none out to get Norm Zauchin on a double play ball and fan Ted Lepcio. Mike Fornieles was the loser.

HAPPY OCCASION—Sammy (Lefty) Faulkner, Seagraves pitcher, is greeted at home plate by several of his team mates after hitting a homerun in yesterday's district Little League game here against Midland Central. The blow came in the second inning and cut the Midland lead to 2-1. But Midland roared on to victory, 8-2, to gain the finals today against Big Spring National, set to start at 5:30. (Dale Walton photo.)

Big Spring, Midland Gain Little League Finals Here

By BUCK FRANCIS

Midland Central and Big Spring National will clash for the District 2 Little League championship here today, starting at 5:30 p.m.

These two teams grabbed a spot in the championship finals with victories here yesterday. Midland lacing Seagraves by 8-2 in the first games and Big Spring staging a Frank Merriwell finish to eke past Colorado City, 9-8.

In the latter, Big Spring trailed 8-1 going into the bottom of the sixth inning, the final scheduled inning in Little League ball. But the Big Springers, held to three hits in the first five innings by Charles Houston, began rapping the ball to all corners and before the dust had settled, Big Spring had pushed across eight runs and a 9-8 victory.

There was still no one out when Big Spring sent the eighth and winning run across. Rickey Wisner, who went the route for Big Spring, singled to center with the bases loaded to break an 8-8 tie.

Another big blow in the Big Spring sixth was a three-run homer by Red Schwarzenbach that drove in the first three runs in the big sixth inning explosion.

Colorado City took a 1-0 lead in the first and then rallied for four runs in the second for a 5-0 lead. The C-Citians seemingly had everything under control, especially when they scored three runs in top of the sixth for an 8-1 bulge.

But Big Spring, combining six hits with three Colorado City errors, pulled the game out in the lower half of the sixth.

Wisner aided his own cause with two doubles and a single while his battery mate, Gene Lamb, collected three singles. Martin Christian of Colorado City also got three hits.

Midland Central was never in trouble against Seagraves after taking a 2-0 first inning lead. Midland made it 4-1 in top of the third with another two-run spree. Seagraves pitcher Sammy Faulkner had homered in the second inning for the lone marker for losers to this point.

Midland iced the decision with three runs in the sixth. Nugent Brasher, Midland third baseman, slammed two homers and a single to pace the winners at the plate.

Faulkner, who had hurled a no-hit game earlier in the week for Seagraves, led his mates at the plate yesterday with two-for-two, a homer and single.

Winner of today's championship game will gain a berth in the Sectional Tournament to be held in Abilene next week.

Yesterday's line scores:

FIRST GAME

MIDLAND CENTRAL
202 013—8-8-0

SEAGRAVES
010 100—2-4-3

Bob Ittner and Don Puckett; Sammy Faulkner and Billy Grady, Roger Barnes (3).

SECOND GAME

COLORADO CITY
140 003—8-8-3

BIG SPRING NAT'L.
000 108—9-9-3

Charles Houston, Harry Johnson (6), Robert Cade (6) and Martin Christian; Rickey Wisner and Gene Lamb.

West Downs East In All-Star Tilt, 56-44

ABILENE (AP)—Jerry Nutt of Cotton Center dumped 17 points last night to lead the West all-stars to a 56-44 victory over the East in the annual basketball classic of the Texas Six-Man Football Coaches Assn.

The all-star football game will be played tonight.

Cornell now has won the most Intercollegiate Rowing Regatta varsity races — 18.

When Jockey Bill Hartack flew from Chicago to Delaware Park on June 22 it was a productive trip. He won the Dover Stakes with Bolero U. and the New Castle Stakes with Princess Turia, both in photo finishes.

HERMLEIGH-FURNITURE CLASH TONIGHT

Sun Rips Sox To Take City Lead

Sun Oil took over sole possession of first place in the City League baseball second half chase last night with a 10-1 triumph over the Blue Sox at Towle Park.

Sun, in winning, kept its perfect record alive in the second half, the Oilers now owning a 2-0 record. The loss was the first for the Blue Sox this half in two starts.

Snyder Furniture and Hermleigh clash tonight in the next scheduled City League encounter. Closing out the week's play tomorrow night will be Snyder Furniture and Sun.

Snyder Furniture could move into a two-way tie for first by winning both games this weekend. Snyder Furniture, which tied Sun for the first half crown but then lost to the Oilers in a one-game "sudden death" playoff, currently is 0-1 in the second half as is her opponent tonight, Hermleigh.

Alan Snead pitched Sun to victory last night with a four-hitter. Three of the Blue Sox hits came in the second inning when they came up with their only run.

The second inning Blue Sox marker broke the scoring ice but Sun quickly tied it up in the bottom of the second and then moved ahead, 3-1, in the third with a two-run rally and the Oilers breezed in from this point.

Sun put the game out of reach with a five-run uprising in the fifth.

The Oilers only got six hits off three Blue Sox pitchers but Sun took advantage of loose defensive play of the Sox.

No player on either side got more than one hit. Third baseman Jimmy Smith of Sun got the only extra base hit in the game, a fifth inning double.

Lions Put 2 Rookies On Reserve List

DETROIT (AP)—Rookies Gordon Malloy and John Gibbens were placed on the reserve list yesterday by the Detroit Lions.

Malloy had a sore knee and was advised to give up football by the doctors who examined him.

BIG GUN—Pictured is Nugent Brasher, Midland third baseman, slamming out his second homerun of the game in yesterday's win over Seagraves in the district Little League tournament here. Brasher added a single to his two homers to lead the Midlanders to victory. (Dale Walton Photograph)

Three Tied In Jaycee Golf

MIDLAND (AP)—Three players—Randy Petri of Amarillo and Elgie Seamster of Borger—were tied for first place today as the Texas Junior Chamber of Commerce Golf Tournament entered its final round.

Petri, Mathis and Seamster shot 3-under-par 68s in the opening round yesterday, topping a field of 200 golfers.

They were two strokes better than Gib Mathis of Austin, Ross Teter of Dallas, Jimmy Gary of Bennett and [illegible] of Fort Worth.

NO ELEMENT OF CHANCE

"Calculated risk" seems to be a popular phrase for old-fashioned "gamble."

But there's no place for either in preparing or dispensing pharmaceuticals.

Ever notice the letters U.S.P. or N.F. on a medicine label? The letters represent two official books that are recognized by federal law—the United States Pharmacopoeia and the National Formulary.

Together they are the pharmacist's "bible." They give approved standards of the quality, purity, and potency of most medicinal agents.

Whatever your prescription calls for we are prepared to fill it.

Rural Road Change Foreseen

Scurry County may have seen its last mile of state-supported farm-to-market road construction if a recommended change in the state's rural road program is approved, according to Herman Stahl, president of the Scurry County Farm Bureau.

Stahl said the Texas Research Bureau League is advocating that laws governing construction of farm-to-market roads be changed. In a study made for the Texas Highway Commission, the league said the change would prevent the state from becoming burdened with a rural road program far in excess of its needs. It said a part of the funds earmarked for farm-to-market road construction should be used for maintenance.

Scurry County already has, of course, many farm-to-market roads, but there are still many miles of unpaved roads in the country, Stahl said.

Stahl said that in the state 26,000 miles of rural roads have been paved under the FM rural road program, but more than 100,000 miles remain unpaved. He said the $36 million spent for FM road construction and improvement in the state last year was less than one-tenth of the total state expenditure on highways.

Rural interests, in lobbying for the rural road program, had to be satisfied with less than the amount thought necessary to finance the FM program, Stahl said.

"It was the understanding at the time the program was enacted that all the funds appropriated would be used for construction and that the highway department would maintain the road system. Now, they want to use our rural road funds for what they call other worthy highway projects," Stahl said.

SAYS REESE

Use Of 3 Names Is Good Idea

No one knows for sure just why the practice of giving persons three names, like William Henry Smith or such, got started.

But whatever the reason, it was a good idea. It might even be better if there were a practice of giving morre than three, or one of everyone using all three of his names.

People are always getting mixed up because they have similar names.

Such is the case of one Snyder resident, who is constantly mixed up with a resident of Post who is in Snyder frequently.

Clarence Reese of Post was fined in county court here this week when he pleaded guilty to a charge of swindle by worthless check.

Clarence H. Reese of 2112 Peyton Avenue, Snyder, is not the same man, but he is sometimes mistaken for the check-swindling Reese.

When the check swindling-Reese, who has been charged here several times, gets fined here occasionally, th Snyder Reese has many friends who think it is him.

To further confuse things, people who got stuck with the other Reese's checks sometimes go to the Snyder Reese trying to collect from him. That could get old.

Anyhow, to make a long story short, the Reese fined here this week was not the one who resides on Peyton Avenue. The Reese who was fined is a resident of Post and was working near Justiceburg when arrested. He has now been turned over to authorities in Sweetwater, where a grand jury is investigating him.

Gunmen Hold Couple

TILLAMOOK, Ore. (AP) — Mrs. Alda Lorene Wright, 62, and James Thomas Aubrey, 81, were released — apparently unharmed — after being held 24 hours by two gunmen who robbed her country store of about $500.

We are now prepared to offer a written warranty for 30,000 miles or 30 months on every new Pontiac sold and serviced by us!

Pontiac's record of dependability and long life—consistantly giving up to and over 100,000 miles of service with no major maintainance—makes this offer possible. With todays prices you can't afford to buy a new car and then have to spend hundreds of dollars for major repairs after a few thousand miles of driving. With our 30,000 mile warranty, you can own and drive America's Number One Road Car with all it's beauty, performance and dependability and not have to worry about a large repair bill.

Don't settle for anything less. Come in now and investigate this wondeerful plan. Remember—5 out of 10 small cars wear a Pontiac price tag but give you none of Pontiac's advantages—So Don't Second Guess Yourself Out Of A Pontiac!

CHURCH NEWS

SNYDER AREA CHURCH NOTES

Special Services Slated By Some Area Churches

A summer revival meeting will open with the evening service at 8 o'clock Sunday at the Union Methodist Church and will continue through the following Sunday. The church is on the Lamesa highway.

Dr. H. Clyde Smith, new Big Spring District superintendent, will be speaker. He formerly served churches in this area, including a former pastorate at the First Baptist Church in Big Spring. He was for several years superintendent of the Abilene district. Most recently he was pastor of the San Jacinto Methodist Church in Amarillo.

The Rev. Ralph Odom, pastor, said a nursery will be provided each evening. Services will be at 8 p.m. daily.

* * *

Guest preacher at the St. John's Episcopal Church at the Sunday 11 a.m. service will be the Ven. Claude Canterbury of Amarillo, archdeacon of North Texas. The baptismal office will be read at 12:15 p.m.

* * *

The Rev. E. H. Martin of the Sixth Street Methodist Church in Sweetwater, will conduct a revival meeting at the Fluvanna Methodist Church beginning Sunday, and lasting through the following Sunday. Services will be daily at 10:30 a.m. and 8 p.m., according to the Rev. L. D. Cleveland, pastor. Rev. Martin has had 16 years of experience in revival work.

* * *

"The Militant Message of the Church" will be the subject of the Rev. A. J. Martin, pastor of the Avenue D Baptist Church, at the Sunday 11 a.m. service. He will speak on "The Deceitfulness of Sin" at the 8 p.m. service and on "No One Ever Cared for Me Like Jesus" on the 7:45 a.m. Good News broadcast on KSNY. At 8 p.m. Wednesday, the church will have its monthly business meeting.

* * *

The Rev. G. M. Cole, pastor of the First Baptist Church, will speak on "Joseph of Arimathea" at the Sunday 11 a.m. service and on "When Jesus Comes Back" at the 7:30 p.m. service. Mrs. W. G. Herring will be soloist at the morning service.

* * *

A Gospel meeting is to open Tuesday and last through Aug. 18 at the Dunn Church of Christ, with Bill Grasham as preacher. Services will be each evening at 8.

* * *

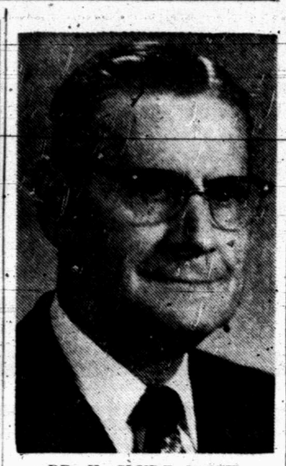

The Rev. R. Charles Spivey, pastor of the First Presbyterian Church, will speak on "The Worship of the Christian" at the Sunday 11 a.m. service. At the 7 p.m. service, there will be an informal discussion on "What Presbyterians Believe about the Bible." Wednesday will be family night, with a covered dish supper set for 6:30 p.m. The program will be a talk by Bill Brandt, a missionary from Brazil on furlough.

* * *

"What to Do with Leftovers" will be the subject of the Rev. Walter L. Lentz, pastor of the Grace Lutheran Church, meeting in the West Elementary School auditorium at 10:45 a.m. Sunday. On Saturday mornings at 11:45, Rev. Lentz presents the radio program, "Religion in the News," on KSNY.

VEN. CLAUDE CANTERBURY

World Jewry Threat Is Seen By Scholar

AMSTERDAM, The Netherlands (AP)—Unless Israel establishes emphasis on its distinctive religious character, the Jew in Israel "will cease to be a Jew," a leading Jewish scholar told a world conference on Judaism here.

Dr. Eugene Mihaly, of the Hebrew Union College-Jewish Institute of Reglion in New York, said failure of Israel to stress its Jewish religious mission would be "calamitous for Isreali Jewry" and "would threaten world Jewry itself."

Preliminary Plans Are Made For Annual Agricultural Tour

Preliminary plans for the annual agricultural tour for farmers and businessmen were discussed yesterday in a meeting of the agriculture committee of the Chamber of Commerce.

Guy Moore presided at the meeting in the absence of Kenneth Goforth, chairman.

The committee set the date for the tour, which will be Aug. 29, with the crowd to gather at the exhibit barn in Towle Memorial Park at 8:30 a.m. and buses to leave at 9 a.m.

Tentative plans were made for a brief talk by an agricultural speaker at a noon barbecue in the picnic pavilion in the park. The committee was to contact civic clubs in Snyder in connection with the proposal of having a joint club meeting that day in connection with the barbecue.

Oscar Fowler, county agent, will be master of ceremonies for the tour. Definite stops for the tour have not yet been scheduled.

In connection with a proposed reestablishment of a county fair, the committee has appointed Buford Browning of Fluvanna as chairman of the organizational group.

Browning is making plans for beginning work soon on organizing a fair association, with plans for the first county fair to be held in the fall of 1958. Browning will make a report at the next meeting of the agriculture committee on definite organizational plans.

The committee discussed the annual award for the first cotton bale ginned in the county for the season, and it will make a recommendation to the chamber board for a cash award.

The first bale for which an award will be made will be the first ginned. It must be at least 450 pounds.

During the meeting, Moore reported to the group that the state soil conservation board will have a survey made of the Deep Creek watershed at some time in the future. This will be done in connection with the preliminary application for a small watershed flood control project made by the Upper Colorado Soil Conservation District.

Welfare Drive Is Set By Adbentists

MOUNT VERNON, Ohio (AP)—Plans for a year-long social welfare drive by 75,000 Seventh-Day Adventist youths in communities across the country were formed at a church youth conference here.

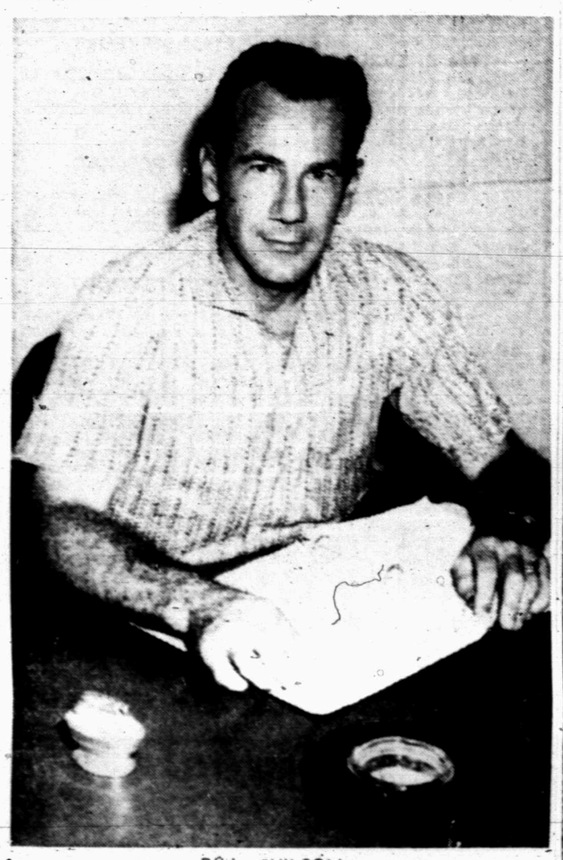

The community programs, including surveys to determine what youth can do for the deaf, blind, elderly, shut-ins and others, will begin Jan. 1. Part of the aim is to channel young people into useful activity.

Reform Judaism

NEW YORK (AP) — "Reform Judaism is on the threshold of becoming the majoity faith of American and Canadian Jews," says Solomon Elsner of Hartford, Conn., chairman of the board of the Union of American Hebrew Congregations, the reform branch of U.S. Judaism. The other two branches are Conservative and Orthodox Judaism.

Buddhist's Holiday

NEW YORK (AP)—Buddists in many lands celebrate a major holiday for their faith late this month—called "O Bon." It is an occasion when the spirits of the dead are believed to return to earth for a visit, and is marked with festivities and dancing in joy over the eternity of life.

BILL WILSON
. . . Authorized Dealer

Wilson Is Owner Of Ford Agency

Ford Motor Co. has announced that Bill Wilson, owner of Wilson Motors here, has been established as an authorized Ford dealer in Snyder, rather than an associate dealer.

Previously there have been associate dealerships here. Wilson purchased the firm March 18 and has full ownership.

The Ford dealer is also owner of Bill Wilson Motor Co. in Haskell, where he lived before coming here. That firm is Ford-Mercury dealership for Haskell.

Wilson has been associated with retail automobile sales for many years. Prior to World War II, he was a retail salesman. After the war, in August, 1945, he became owner of the Haskell dealership.

During the war, Wilson served one year in the Royal Canadian Air Force and four in the U.S. Army Air Corps. He went into the Canadian Air Force because he had only one and one-half years of college, and at the time the U.S. was requiring two years for pilots. Later, when the U.S. got into the war, he transferred to the U.S. force.

Born in Sherman, Wilson was reared in Fort Worth, where he finished high school. He attended New Mexico A&M at Las Cruces.

Wilson is a director of the Brazos River Authority. Just last week, he completed a one-year term as a member of the National Ford Dealers Council. Each year, 12 Ford dealers are elected to the council out of the 7,000 dealers in the U.S.

Wilson and his wife have two children: a daughter, Mary Louis, 8, and a son, William Henry Wilson III, 4. The family lives at 2233 Sunset. Mrs. Wilson, daughter of an Aspermont rancher, M. and Mrs. W. A. Springer, is a graduate of Texas Christian University.

Department heads at Wilson Motors are Jurden Brunken, sales manager; Darrell Tramel, office manager; Jim Palmer, service manager; W. M. Stephens, Jr., parts manager; and Herman Elkins, fleet representative.

Symbols Of Religion Inspires Spirit Of Us

CHICAGO (AP) — Religious movements communicate their ideas in the language of sensation, Dr. Ira A. De Augustine Reid, sociology professon at Haverford, Pa., college, told a Disciples of Christ executive meeting here.

By the "light of symbols of religion," he said, believers "enter into darkness of social problems. The symbols are not the knowledge of reason. They are those of belief. The symbols tell us nothing, but they inspire and inspirit us. We believe in them at our own risks. We know this, and we are not afraid."

VBS Opens Monday At Northside Church

Vacation Bible school will open Monday at the Northside Baptist Church and last one week.

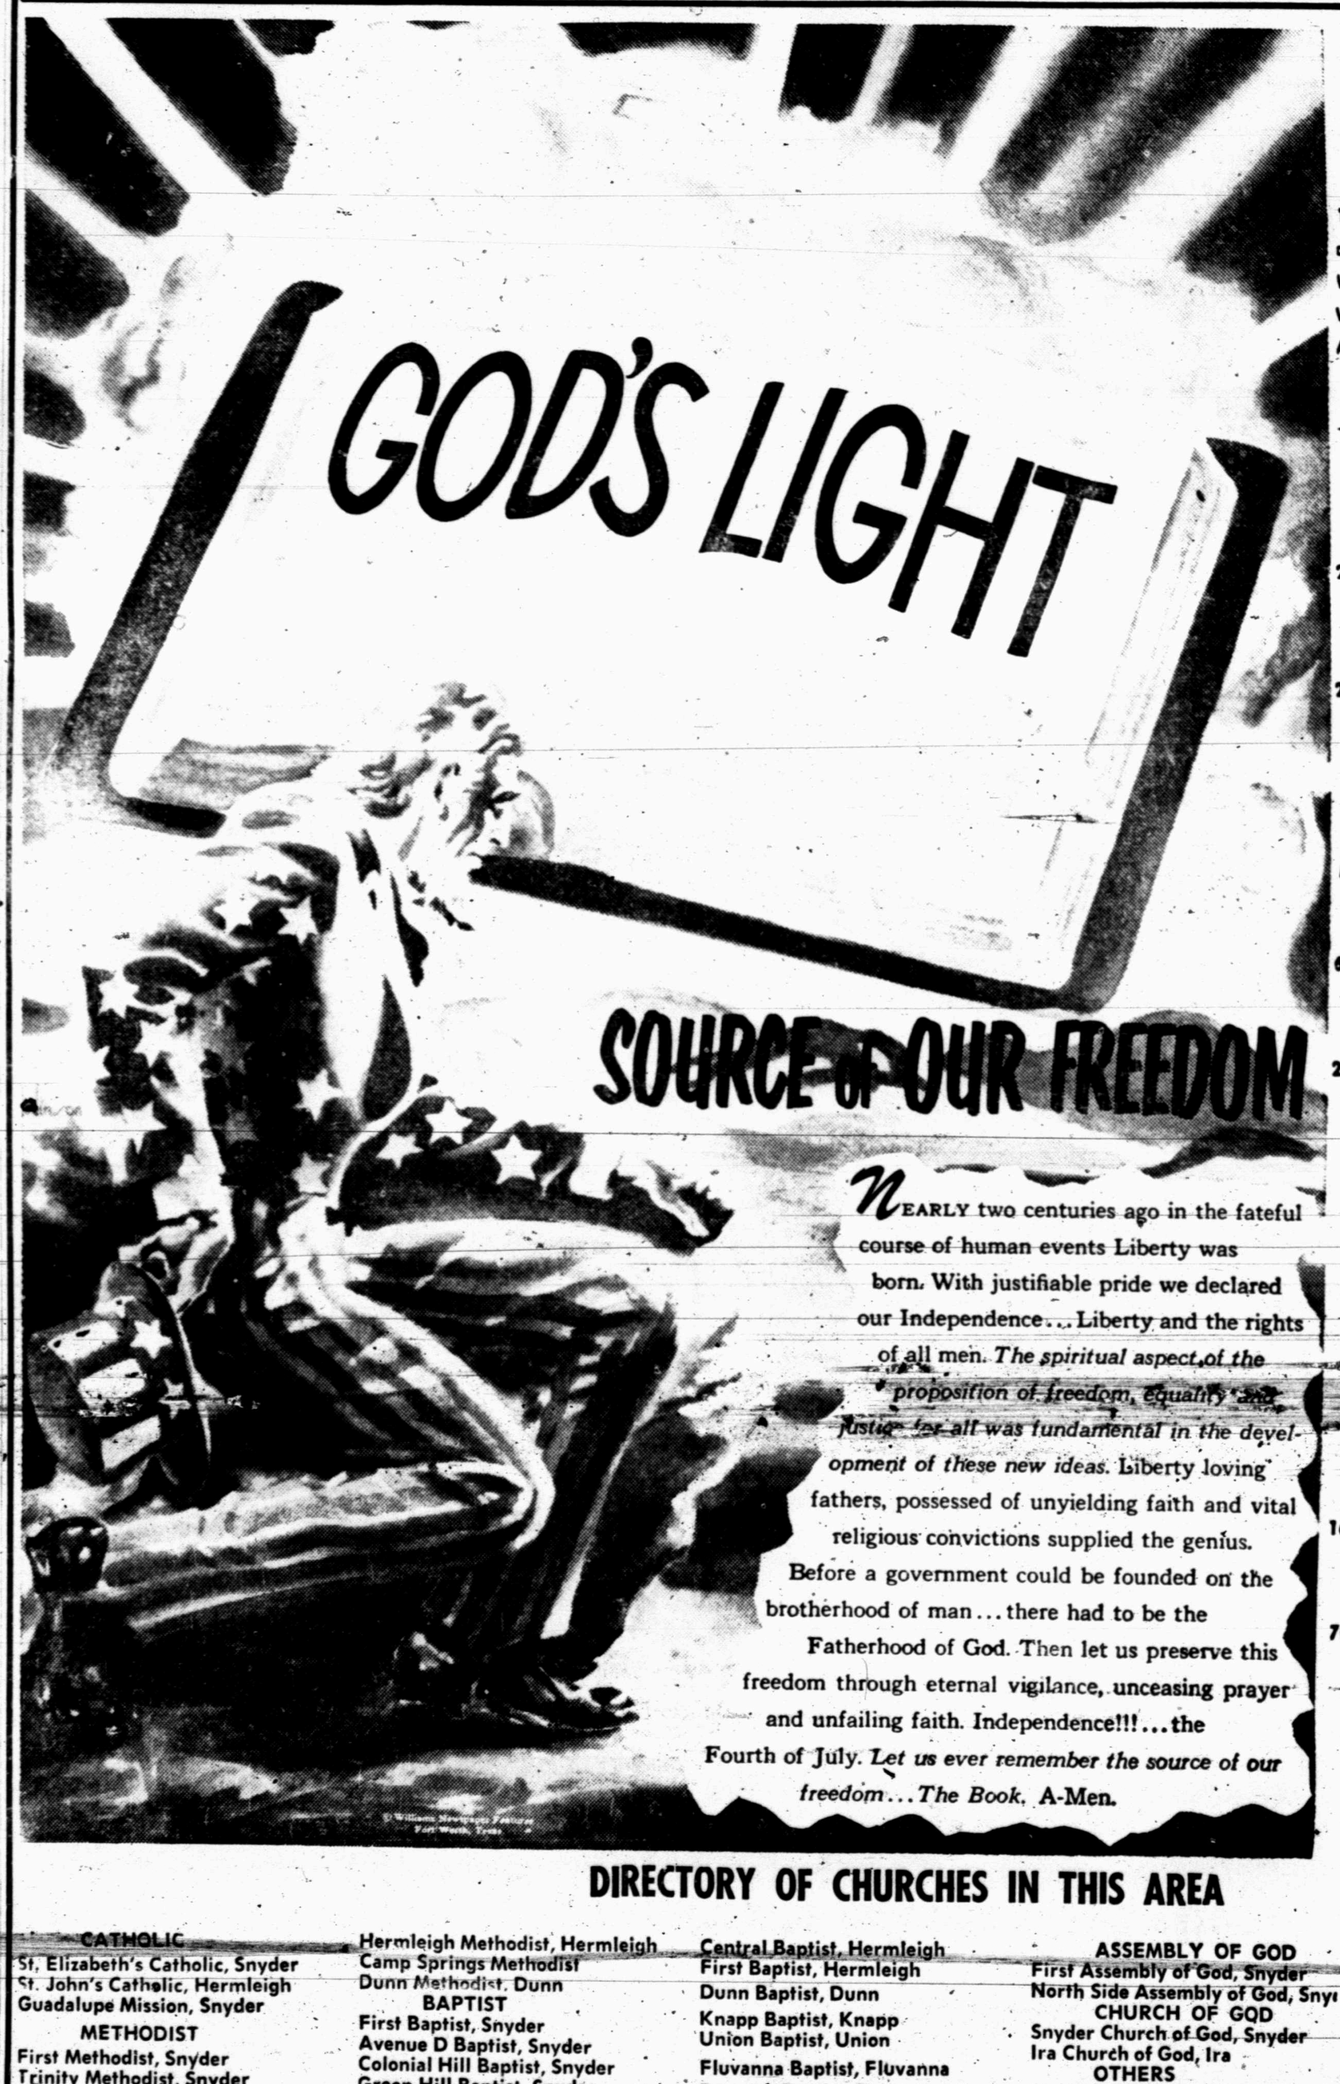

Classes will be from 8:30 to 11 a.m. daily for children from three to 16.

The Rev. Jack Dean, pastor, will be principal. There will be about 25 workers.

Million Circulation

PHILADELPHIA (AP)—Presbyterian Life, official magazine of Presbyterian church in the U.S., has reached a circulation of a million. Editors said this was the largest subscription total of any official church journal in Christian history.

NEARLY two centuries ago in the fateful course of human events Liberty was born. With justifiable pride we declared our Independence... Liberty and the rights of all men. *The spiritual aspect of the proposition of freedom, equality and justice for all was fundamental in the development of these new ideas.* Liberty loving fathers, possessed of unyielding faith and vital religious convictions supplied the genius. Before a government could be founded on the brotherhood of man... there had to be the Fatherhood of God. Then let us preserve this freedom through eternal vigilance, unceasing prayer and unfailing faith. Independence!!!... the Fourth of July. *Let us ever remember the source of our freedom... The Book.* A-Men.

The Public Spirited Firms and Individuals On This Page Bring You This Weekly Message In The Hope That It Will Point To A Better Way Of Life And Be An Inspiration To Everyone.
