Because of heavy rains many terrace systems broke and caused concentrated flooding. Stephens measured moisture on the farm at a four-foo t depth.

WATER—Roy Bates, superintendent for TESCO power plant at the lake stands on the spillway top as wind blows water on his shoes and oyer the spillway. Bates said, "People have been waiting to see this for seven years."

EVERYWHERE—Perhaps it's convenient for front-porch fishing but it also could be a little shaky for the cabin owner, Pete Warren, who owns this cabin at Lake Colorado City, tries his luck unperturbed by the rising water that came within seven inches of flooding his cabin. (Record Staff Photos)

AT CIVIC HOUSE MAY 9

Nation's Top Farmer To Address Session

At Farmers, Businessmen Conference

Clinton Harber, America's outstanding farmer in 1955, will be the key speaker at the businessmen and farmers conference May 9 at Civic House.

On the same speaking program will be a former Mitchell County resident, Dr. Wayland Bennett, and C. E. Fisher of Spur.

Harber was selected in 1955 as the outstanding young farmer in Texas and later was named as the nation's top farm hand. In 1954, the Fort Worth Press awards committee named him as the outstanding come-back farmer in Texas.

Several years ago, Harber bought 235 acres on credit with a Federal government loan. The land was valued at $12 to $60 per acre.

Today, the land is comparable to irrigated sections that sell for $500 per acre.

Harber's soil conservation practices have built the fertility of the soil which accounts for a big part of his success.

One year, with six inches of rain after the cotton came up, he made 738 pounds of lint per acre on 36 acres, according to reports.

His net income per acre after figuring all costs including depreciation of equipment was $211.76.

The first year he farmed, his crops yielded a quarter bale per acre.

Elmer Martin, chamber of commerce agriculture chairman which will sponsor the joint conference, said Dr. Bennett, head of the Texas Tech economics department, would speak probably on the progressive aspects of West Texas farming.

Martin said Bennett was raised on a farm just north of Loraine.

Fisher is head of the agriculture experiment station at Spur and has a broad knowledge of advancements and problems of the farmer, according to Martin.

Martin said the conference would be held in the form of an open house and would begin 7:30 p. m. Refreshments will be served, he said.

"After the three guest speakers have finished their discussions, questions will be invited from the audience," stated Martin.

BASS, CATFISH BITE

Sportsmen Pull Nice Catches From Lake

Fishermen had a field day during the early part of the week as bass and some of their aquatic playmates moved to shallow water—and then to the frying pan.

More than three score of catfish and bass were hauled in Sunday through Tuesday.

Brooks Dorn fishing with a trotline Tuesday caught six catfish the largest of which was 35 pounds. Bernie Grable pulled in a nice string of bass—nine in all. The smallest in the catch was a wide-mouthed fellow that brought the scale hand to four and a half pounds.

Howard Bynum caught 16 catfish during a two-day period. The lake patrolman said sizes ranged from one to six pounds.

W. B. Yancey pulled out six bass with one weighing a good six pounds. A. Horton joined the parade with a two and a quarter pound bass.

County Attorney Frank Ginzel bagged two bass that weighed six and three pounds and Truman Henderson took 12 channel cat off his trotline.

Joe Barnett and Charles Smith teamed up to catch nine bass that weighed at 32 pounds, the largest six and a half pounds. Others varied from 4 to two pounds.

Many of the Fish reported caught were taken in the area around the sportsmen club and most bass were caught with artificial bait.

One Oiler Completed In Westbrook Field

One new completion was announced Wednesday in the Westbrook Pool by operators.

It is Standard No. 9-2 Adams 330 feet from north and 990 feet from west lines, Section 11, Block 28 in the T&P Survey.

In 24 hours, the well pumped 114 barrels of oil and three per cent water.

Perforations were made at 2984 and 2996 feet and 3012-3019, 3035-3048 and 3057-3064 feet.

With a depth of 3094 feet, oil gravity is 24.3 degrees.

GOOD FISHING—Joe Barnett and Charlie Smith, left, caught nine bass that weighed a total of 32 pounds. Fish were caught Sunday morning after high waters forced them into shallow water. The two fishermen used a shimmy wiggler with black and white bucktail for bait. The largest bass weighed 6½ pounds. The remainder weighed from four and a half to two pounds. Similar catches were bagged in the same vicinity Sunday morning. (Record Staff Photo)

New Student Pre-Enrollment Slated May 10

A pre-enrollment session will be conducted May 10 at primary school, Superintendent Ed Williams announced Thursday.

Parents and children are invited to attend the pre-enrollment which will serve as an orientation for both parents and children who will begin school for the first time in September.

Williams said if possible both parents should attend the orientation that will meet in Primary School cafeteria.

Parents and children also are invited to eat in the cafeteria 11:20 a. m., Williams stated.

During the morning, a tour of the building will show facilities, school grounds and provide an opportunity for parents and children to meet first grade teachers.

Williams said since a record of each child's birth and evidence of small pox vaccinations must be shown before final registration next fall, it would help in the pre-enrollment for parents to bring such records.

"It would be in the best interest of each child if polio and diphtheria shots were given before the beginning of school in September," Williams said.

He added that parents should feel free to call on the school administration at any time when it might possibly be of assistance in furthering the scholastic program of the children.

May 20 Stands Final Release Day for Cotton

Final date to release cotton allotments that have not been placed in the soil bank or will not be planted is May 20, Thursday announced Mike Custer, ASC office manager.

Custer also said that measurment of wheat acreage reserve and planted wheat is about complete and that excess wheat acreage must be disposed of by May 10.

"If a producer has underplanted his wheat allotment, placed less than his allotment in acreage reserve or destroys more than his excess acres and wishes to preserve full history credit, a form, MQ-31 must be signed," Custer said.

He also said if wheat acreage reserve measures more than the designated acreage, the excess acreage may be released for other uses if the operator makes a deposit of two dollars with the county committee within 10 days after the date of notice and files a revised agreement if the designated acreage reserve was not accurately described on the original agreement.

If the acreage reserve measures less than was designated on the agreement, the producer may designate adequate additional eligible acreage.

The required deposit must be made within 10 days after the date acreage reserve notice is mailed, Custer indicated.

HIGHEST AWARDED

Student Paper Wins Journalism Laurel

Colorado High School's student Newspaper, the Howl, scored 918 of a possible 1000 points to win the highest award offered by the Columbia Press for high school journalism.

Mrs. Gerald Gordon, high school journalism instructor, received word Monday that the Howl had been awarded the medalist award for outstanding journalistic qualities.

The award is given only to ten per cent of all entries in the class of high schools with approximately 400 students.

Judging of the publication was based on content of paper which won 285 of 300 points; the student staff scored 368 of possible 400 on writing and editing; for newspaper makeup, the journalists score 180 of 200 points.

General consideration added 85 more points to the winning column for the top award.

In a dispatch Mrs. Gordon received Monday, the paper was commended for good English, language and style employed, news stories were said to be generally good and well written.

It also was pointed out that writers avoided editorializing in news stories, headline coverage was good, meaningful words were used and a colorful vocabulary was manifested in writing.

The paper showed originality and developed humor in feature writing and editorials were consistently original.

In general consideration, evidence of seriousness of purpose, school pride, vision and achievement as contrasted with mediocre and perfunctory treatment of objectives and materials were taken in account.

The high school journalism department is nine years old and has won six awards of distinguished merit from the Interscholastic League Association.

Individual winners in the past for news writing have been C. Billberry, 'Ann Rudd, Shirley Hutchins, Addene Rogers, Jackie Sue Lowe and Mary Ann Snider.

LIONS TAKE TALENT TEAM TO CONCLAVE

Three Lions Club members along with a talent team are in Lubbock for the bi-district Convention that will last thru Saturday.

Attending are President M. N. Caddell, Secretary Ira Uttz and Walter Rogers, deputy district governor.

A talent team of four high school girls which includes Nell Webb, Jo Ann Merket, Janet Yost and piano accompanist Kathleen Wood will compete in the talent contest Thursday, Uttz said.

The talent team was chosen after being named winner of a zone talent contest April 25, he said.

The trio will sing two selections, "Italian Street Song" and "Coming Through The Rye," according to Curtis Baker, high school music director, who has been instructing the girls.

Women Barely Miss Death After Smashup

Two Loraine women barely missed death when flames consumed their car after a three-car smashup just west of Big Spring on Highway 80.

Mrs. J. D. McDonald, accompanied by Mrs. Frank Johnson, was en route to Midland to see an ill brother-in-law when her 1954 Ford stalled in a rainstorm.

A second party stopped to assist the stranded women and was pushing Mrs. McDonald's car when a third auto, a Buick driven by a Monahans man, rammed into her car which burst into flames.

The crash momentarily stunned the women and Mrs. McDonald's glasses were lost but both women managed to abandon the burning auto before it was swallowed by flames.

The two women sought refuge in a nearby cafe where an insurance salesman gave them transportation to their Midland destination.

Mrs. McDonald later said one car was totally demolished and was smashed into the form of an accordion.

Other than a few bruises and

Level Hovers Scant Inches Below Spillway

Heaviest April rains since 1922 left county cropland flooded and filled Lake Colorado City with the biggest volume of water since its construction seven years ago.

Roy Bates, plant superintendent for TESCO, said the week of intermitent rains pushed the lake level to a scant few inches from the spillway top which represented a nine-foot rise.

At top level the lake holds about 30,000 acre feet of water.

About a four-inch rise was needed Monday to push lake waters over the spillway top.

At Lake Colorado City Park, water was about 18 inches over the fishing pier and one cabin on the lake was nearly isolated as the rising tide surged to within seven inches of the doorsten.

Terraced farm lands throughout the county stood as much as ten inches deep and viewed at an angle looked like an ocean of water.

North of Westbrook, a bridge across Morgan Creek was spared flooding as boiling red water churned two feet below the safety surface.

On many county roads driftwood and trash Monday were lonesome evidence of the water height as watershed drainage receded.

The official city measurement for April was boosted to 6.12 inches which was raised by .39 of an inch Sunday, 1.93 inches Monday and .11 of an inch Tuesday.

K. L. Taylor at Loraine said rainfall there during the last week had reached 9.45 inches. He recorded 1.70 inches Sunday and .15 since then.

Elsewhere in the county, rainfall varied from more than four inches to seven inches.

At Payne, Mrs. Charles Williams measured .9 of an inch Sunday, .2 Monday and a shower Wednesday.

Mrs. Robert Bolin at Spade said total rainfall was 5.1 inches while, Mrs. Jim Brown at Cuthbert reported 5.4 inches from the seven-day monsoon.

Mrs. Claude Cogswell on the Seven Wells road said more than four inches had fallen since Saturday. At the Plainview Community, Mrs. R. C. Howell reported about six inches of moisture.

Another six-inch recording was made at the Looney Community by Mrs. J. T. Vest and Mrs. J. M. Strain at the Fairview Community said her rain-gauge accounted for more than seven inches of water.

Mrs. E. L. Smith of the Buford Community said the total there was at least seven inches and perhaps more, and Mrs. C.W. Oliver at Westbrook reported more than six inches.

HONORING OLD-TIMERS

Program Complete for Seventh Annual 'Cheerio' Party Saturday

Program for the seventh annual Cheerio party, honoring persons 65 years or older in the community, has been revealed by members of the Philathea Class of First Methodist Church.

The afternoon party, hosted by the Philatheans in the church's Fellowship Hall, will include a musical program, a play by Mrs. Arnel Smith's eighth grade speech department and readings.

Highlight of the affair will be the recognition of the oldest man and woman attending. A corsage and a boutonniere will be presented to the pair by Rev. Jack Ellzey, church pastor.

The one-act play, "Standing Room Only", by Jerry Jones is the story of a family who is going on vacation. The maid decides not to go, so each member of the family asks a friend to go in her place. And sure enough there is not room.

The cast includes Glenda Gillard, Frankie Moore, Shirley Davenport, Johnny Brown, Wanda Brown, Charles Sherman, Betty Lloyd, Bobby Stewart and Mary Chandler.

Carol Sue Burdine will be announcer and prompter for the presentation.

Linda Farrar will present a reading, "Choosing a Career for Mary". Susan Rhode will do the reading, "Aunt Hetty Visits the Art Galleries".

Musical portion of the program will include special selections and a sing-song period.

Mrs. Charles C. Thompson will direct the afternoon devotional service.

The party will be hosted from 2:30 p. m. until 4:30 o'clock. Anyone needing transportation to or from the party are asked to telephone Mrs. C. A. Farmer, Mrs. H. L. Jamison or Mrs. J. F. Merritt.

General chairman for this year's affair is Mrs. J. W. Hill.

ROGERS, HAMMERSTEIN

Study Club Reveiws Lives of Musicians

Musical program for the 1921 Study Club Friday afternoon in the home of Mrs. W. C. Hooks featured the biography of Rogers and Hammerstein.

The biography was reviewed by Mrs. R. H. Ratliff.

"These two men have contributed much to the vitality of the American theatre of today, giving it a personality and distinction of its own, developing from it a form that is neither opera, operatic or straight musical comedy.

"We call it the musical play," Mrs. Ratliff said.

Altogether they did 59 productions, the group heard. "Oklahoma" ran the longest of any play in the history of musical Dawson, Mrs. E. L. Dorn. entertainment.

With the writing of "The King and I", Mrs. Ratliff continued, "Rogers and Hammerstein can rest on their laurels. Musically speaking, it is considered the best of all their distinguished productions.

"Today, having successfully invaded television with their tuneful version of 'Cinderella'," Mrs. Ratliff concluded, "this famous team expects to open it on Broadway in 1958."

After Mrs. Ratliff's talk, Mrs. Hooks played a piano arrangement of "O What A Beautiful Morning".

Roll call was answered by each member naming a musician. During the business session the 1957-58 year book was read by Mrs. Hooks, year book committee chairman. Members paid club dues for the coming year.

Attending the last meeting for 1956-57 were Mrs. Pete Ainsworth, Mrs. H. B. Broaddus, Mrs. J. S. Craddock Sr., Mrs. M. J. Mrs. W. L. Doss Mrs. U. G. Hardison.

O. L. Montgomerys Plan Home for Comfort, Ease in Family Living

The comfortable "lived in" look is prominent in the home of Mr. and Mrs. O. L. Montgomery at 909 East 16th Street, one of five local residences to be shown next Thursday in the annual pilgrimage of homes.

A feature of the home is the family room, which is combined with the kitchen.

Light beige inlaid linoleum covers the floor and wall area above the cabinet tops. Sandalwood textile walls are accented by deep red and spiced brown upholstery in the family room. Kitchen has a green dinette suite and ample storage space in natural finished cabinets.

Curtain tiers of beige crash cover large double windows in the kitchen area and windows in the family room which give a view of the spacious back lawn.

Sandalwood walls and rose beige carpet in the living room is brightened by furnishings of pink with undertones of black and gold with silver metallic thread. Figured draperies and nylon panels cover the large picture window and smaller windows on each side.

The Montgomery's 12-year-old son, Bobby, has his bedroom decorated with toy aircrafts. His dresser lamp has an airplane base and parachute shade.

Gold figured drapes and a gold bedspread contrast light green walls and rose beige carpet.

The dream of any little girl is to have a bedroom like Mary Ann's, the Montgomerys' nine-year-old daughter.

Rose and white plaid cafe curtains cover double windows on the east and south. Rose and white plaid skirt on a miniature doll forms a shade for her bed lamp. Bed is covered with a pink chenille spread. Completing color scheme for the room are blue walls, blue shades for dresser lamps and rose beige carpet.

Master bedroom is decorated with green and white striped draperies with a matching spread for the modern bookcase bed. Rose colored walls provide an attractive background for the light oak furniture.

The master bedroom has its own walk-in closet and private bath, which is done in various shades of brown and green.

Second bathroom is finished in pink and gray.

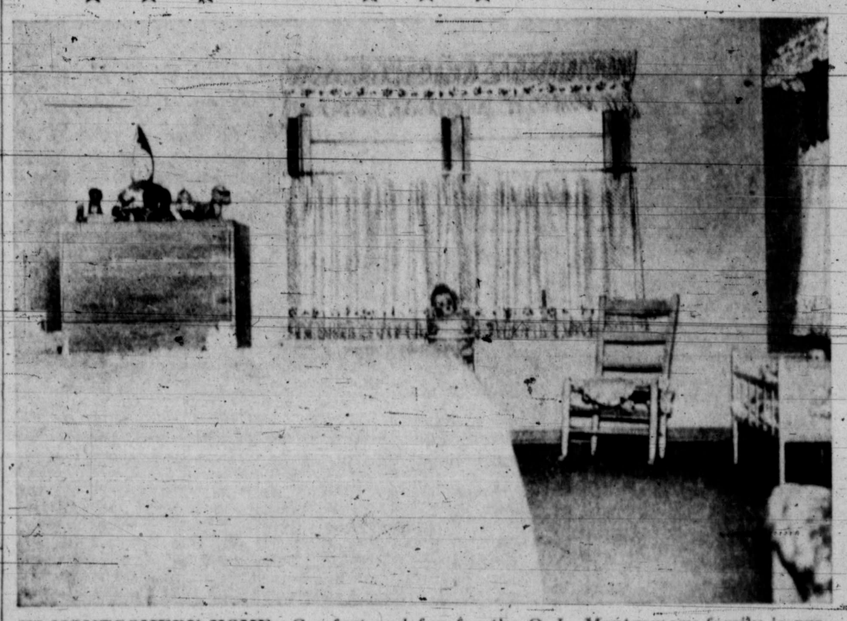

Exterior of the five-room house and garage is of bricks made in Mexico with dark brown trim.

Tickets are now on sale for the pilgrimage, according to Mrs. Joe Salter, project chairman.

"Tickets can be purchased from any 1949 Study Club member," Mrs. Salter said, "or at Eva's Dress Shop downtown."

The affair will be sponsored between 7 p. m. and 9 p. m.

Dr. T. R. Pritchett of Opportunity, Wash., was recently named head of the corrosion branch at Kaiser Aluminum Department of Metallurgical Research in Spokane, Wash.

Dr. Pritchett is the son of Mr. and Mrs. J. T. Pritchett of 704 East 10th Street.

He was graduated from Colorado High School in 1932 and attended the University of Texas where he received his bachelor of science degree in chemistry, master of arts degree in chemistry and doctor of philosophy in physical chemistry, chemical engineering and applied mathematics.

While studying at the university, he received a scholarship in ceramics and fellowships with Pan American Oil Company and the Navy.

He served as assistant teacher of chemistry at the university while working on his masters and doctors degrees.

While in the Army he studied under the Army's specialized training program in Syracuse University in Syracuse, N. Y.; Ohio State University in Columbus, Ohio and Texas A&M College where he received a diploma in electrical engineering.

He worked one year with Monsanto Chemical Company in Dayton, Ohio, before becoming employed by Kaiser Aluminum Chemical Corporation in 1952.

Dr. and Mrs. Pritchett have three children Rhonda, Thomas Rand and Rebecca.

Progressive Supper Fetes Baptist Youth

A "round the world" supper Tuesday evening feted members of the Ambassadors for Christ Training Union of First Baptist Church.

Various courses of the meal represented foreign countries.

First course was a French salad served by Mrs. A. W. Hubbard at the Hubbard home.

A Chinese dish was served in the home of Mr. and Mrs. Benton Cain. Hawaiian punch was served by Mr. and Mrs. Holley Howell in their home.

The group then traveled to the home of Mr. and Mrs. M. A. Dillard where they had Italian meat balls and spaghetti.

The dessert course of ice cream and cake representing America, was served in the home of Mr. and Mrs. Luke Thomas.

Young people attending the supper were Ronald Wallace, Danny Barber, Kenny Simmons, Rayvel Moseley, Margaret Hubbard, Glenda Owens, Rosemary Thomas and Kay Howell.

Mrs. Dillard, sponsor for the group, directed the supper route.

DOUBLE RING VOWS

Mr. and Mrs. David Clark Reside In Sweetwater Following Wedding

Mr. and Mrs. David Clark are residing in Sweetwater following their recent marriage in the Sweetwater Hospital Nurses Home.

Mrs. Clark is the former Virginia McCorcle, daughter of Mrs. H. F. McCorcle of 712 Locust Street.

Mr. Clark is the son of Mr. and Mrs. Mack Clark of Forest, Miss.

Rev. Joe Atchison of the West Side Baptist Church in Sweetwater read the double ring ceremony April 6.

An improvised altar was centered with a sunburst arrangement of white gladioli, flanked on each side by candelabra and palm.

The bride was given in marriage by her brother, T. J. McCorcle of Sweetwater.

She wore a waltz-length gown of white cotton chromespun material, fashioned with an off-shoulder neckline, empress waistline and flared skirt with insets of tiny pleats. She wore a string of pearls borrowed from Mrs. Leo Huddleston of Sweetwater.

She carried a white gardenia, surrounded by pink roses, with a white Rainbow Bible.

Mrs. Burl Tatum of Sweetwater was matron of honor. She wore a pale green taffeta dress which was complimented by a white carnation corsage.

Delbert Zachary of Sweetwater was best man.

Candles were lighted by Mrs. Bill McCrary of Sweetwater and Miss Margaret Oyler of Colorado City, niece of the bride.

Mrs. Jane Gillette, organist, presented traditional wedding music and accompanied Mrs. Delbert Zachary who sang "Always" and "O Promise Me".

Bridal table for the reception was arranged with green candles and pink camellias, a gift to the couple from Miss Mary McCorcle of Kelso, Wash., a sister of the bride.

Mrs. Paul West and Miss Joan Walls, both of Sweetwater, served punch and the four-tiered wedding cake. Miss Edith Boyd registered guests.

Camellias and carnations floated in low containers on the registery and the organ.

For their brief wedding trip, the bride changed to a blue linen sheath dress, complimented by white accessories.

The bride, a graduate of Colorado City School, attended North Texas State College in Denton and Howard Payne College in Brownwood. She recently received a diploma as a licensed vocational nurse and is employed at Sweetwater Hospital.

Mr. Clark was educated in Forest, Miss. He is employed by May Bros. Construction Company in Sweetwater.

Local residents attending the wedding were the bride's mother, Mrs. Bill Oyler; Mrs. Dona Reed and daughter, Janie.

Other out of town guests were Mrs. L. R. Rogers, Linda and David of Amarillo; Mr. and Mrs. E. B. Van Winkle, Joy and Wayne of Iredell; Mrs. Horace Boyd, Mr. and Mrs. Howard Quiett of Abilene; Mrs. L. K. Brackney of Fort Worth, Miss Nora McCraw of Abilene and Tyrone Clark of Forest, Miss.

Mmes. Berry, Nelson Join Study Club

Mrs. Tommy Nelson and Mrs. Chester Berry are new members of the Self Culture Club.

Last meeting of the 1956-57 club year for the group was hosted Friday afternoon in the home of Mrs. Earl Brown.

Mrs. Tom Glover led the opening prayer and pledge to the flag. Mrs. C. P. Gary was elected delegate to the Texas Federation of Women's Club convention during the business session.

Program topic for the afternoon was "Flowers I Love".

Mrs. L. A. Keith talked about flowers as a hobby. She said that flowers helped her to make friends that she might not have had. Mrs. Keith said that she found relaxation in gardening.

Mrs. Brown told the origin of the rose.

At the close of the meeting the club presented a gift to Mrs. Jack L. Jones, who is moving from Colorado City next month.

Entertaining rooms were decorated with arrangements of roses.

Mrs. Brown served a dessert plate to Mrs. Roy Davis Coles, Mrs. Gary, Mrs. Tom L. Grant, Mrs. A. A. Herrington, Mrs. Jones, Mrs. Keith, Mrs. R. M. Reed, Mrs. L. J. Taylor, Mrs. Charles Wakefield, Mrs. A. T. Broadwell, Mrs. Wilford Fox, Mrs. E. L. Tiller, Mrs. Glover and Mrs. Nelson.

Mrs. McClure Reviews Book For WSG

Mrs. W. D. McClure Monday evening reviewed the book, "Southeast Asia", in the sanctuary of First Methodist Church.

The review was sponsored by the Wesleyan Service Guild of the church.

Meeting was opened with the group singing "From All the Dark Places". Miss Nelda Garrret presented the devotion on missionary work. Mrs. Ed Williams spoke the closing prayer.

Guest for the evening was Mrs. W. H. Garret.

Guild members attending were Mrs. J.W. Hill, Mrs. Roy Dozier, Mrs. Wilma Reynolds, Mrs. J. Ed Richardson, Mrs. Williams, Mrs. Jewell Richter, Mrs. C. A. Farmer, Mrs. Tom Glover, Mrs. Myrtle Womack, Miss Garrett, Miss Susan McDonald and Miss Effie Copeland.

Coming Events Scheduled by Auxiliary

Forthcoming events for the Girls' Auxiliary of Oak Street Baptist Church were planned Monday afternoon during a meeting in the home of Mrs. Winfred Talley.

First of the special events will be a mother-daughter banquet May 13.

A coronation service is scheduled for May 15. Plans for a two-day houseparty were made for May 17-18.

Following the meeting cookies and soft drinks were served to Shirley Bell, Betty Buckner, Pat Cain, Pat Greaves, Joyce Nowell, Carolyn Sprott, Linda Sprott, Beth Harris, Monette Lewallen, Sue Philipp, Helen Brown and Marlena Currie.

Officers Installed in Candlelight Ceremony

New officer slate for the Woman's Society of Christian Service of St. Luke Methodist Church was installed in a candle light ceremony April 23 in the church santuary.

Rev. Tommy Nelson, church pastor, conducted the installation ceremony.

Prior to the service Rev. Nelson led responsive readings which was a prayer of thanks. He talked about the dangers and opportunities of a woman's society.

Each new officer lighted a candle as she was installed.

Those participating were Mrs. Bob Reily, president; Mrs. Darrell Hulme, vice president; Mrs. Tommy Nelson, recording secretary; Mrs. Forrest Yancy, treasurer.

Mrs. D. L. McWilliams, secretary of promotion; Mrs. Lawrence Breeden, secretary of missionary education and service; Mrs. C. W. Womack, secretary of Christian social relations; Mrs. John Brown, secretary of local church activities.

Mrs. H. P. Iglehart, secretary of student work; Mrs. Yancy, secretary of youth work.

Mrs. Etta Brannon, secretary of spiritual life; Mrs. F. A. Wearner, secretary of literature and publications and Mrs. V. L. Eaton, secretary of supplies.

Officers unable to be present for the installation were Mrs. Pat McKinney Jr., secretary of children's work, and Mrs. Jim Nash, status of women.

Following the ceremony a brief business session was conducted by Mrs. Reily. She appointed a year book committee consisting of Mrs. Hulme, Mrs. McWilliams, Mrs. Wearner, Mrs. Breeden and Mrs. Brown.

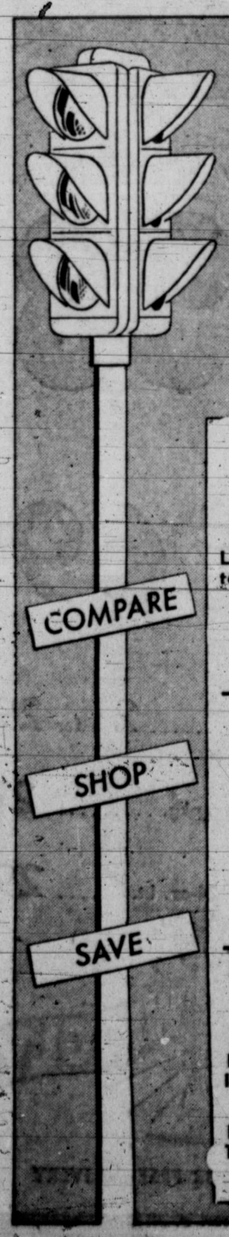

Attending the installation ceremony in addition to new officers were Mrs. Pete Pruitt and Rev. Nelson.

Wolves Schedule Intrasquad Grid Game Saturday Night

If weather permits, Colorado High's football hopefuls will engage in a full-scale scrimmage Saturday, 7:30 p. m. at Wolf Stadium.

Weather didn't permit last Saturday and the scheduled intra-squad game was cancelled.

Wolf Stadium turf was still fairly muddy early in the week but was expected to be in good shape for Saturday's action.

Head Coach Bob Reily said the team would really bear down on practice Thursday and Friday evenings since the weather had slowed down action somewhat.

Reily reported one major injury in the Wolf camp. That was Marion Flippin, 190-pound letterman tackle, who suffered a broken nose this week. Flippin was in Root Memorial Hospital, but Reily hoped that a guard might be used to protect the injury and allow the junior tackle to finish the spring practice.

Another tackle, Gerald (Hoot) Adams, has been slowed by a foot injury and may not be able to compete in Saturday evening's scrimmage.

Reily said he had moved a couple of ninth graders up to the varsity squad to replace the two injured boys.

Moving up Wednesday were Phillip Bates and Hunter Mann, who joined other ninth graders already working with the "first 22". The others are Dickie Richardson, Bill Davis, Mike Wheeler and Romaldo Lujan.

Wheeler injured his nose Wednesday in practice, but was expected to be ready by Saturday's scrimmage.

Flippin injured his nose on the blocking sled when he glanced off the sled and hit his nose on a steel bar.

The teams scrimmaged about an hour Wednesday and Reily said four backs stood out. They were Lucky Merket, Fred Womack, Bancker Cade and Dickie Richardson.

A new addition to the team is Dan Surratt, 165-pound freshman, who moved from Hawkins.

Reily said Thursday that he would use the same White and Red teams for Saturday's action.

"We may make a few minor changes but majority of the players will stay on the teams we named before," the coach said.

The White team will feature Jimmy Richardson and Barton Smith at ends; Flippin, if he's ready, at tackle and possibly Adams or Mann at the other tackle; Wheeler and Paul Free at guards; Joe Maddox at center to complete the White line.

White backfield will be built around Richard Compton at quarterback with Merket at left half, Richardson at fullback and Womack at right half.

On the Red line, Lynrae Carpenter and James Shoemaker will handle the ends; Lujan at one tackle and Raymond Weaver at the other; Bob Aycock and Kenny Simmons at guards and Gene Blassingame at center.

Two regulars from last season's team — All-District Don Black and Cade — head the Red backfield.

Operating at quarterback will be Bobby Caffey and Don Powell at left half.

Ready for sub duty on the two teams will be Gary Ledbetter, John Walker, Jay Shmer, Robert Womack, Joe Valdez, Billy Bobo, Danny Fisher, John Johnston, Dewitt Hardin, Larry Hardcastle, Buzz Cade, Nick Martinez, Don Dodd, Vernon Carey, H. L. Jones, Joe Carrasco, Mike Schoolcraft and Surratt.

IN SCRIMMAGE SATURDAY—Four backfield lettermen on the Colorado High football team will show their running wares Saturday night when the team engages in an inter-squad scrimmage. Left to right are Lucky Merket, Fred Womack, Bancker Cade and Don Black. Merket and Womack are sophomores while the other two are juniors.

OUTSTANDING SHOTPUTTER

Windham in Austin For Track Carnival

Jim Windham, Colorado High's long entry in the Texas Interscholastic Track Meet, is scheduled to enter competition 8:30 a. m., Friday.

Windham and Coach Joe Burk left Colorado City Thursday morning for Austin.

The 220-pound senior is making his second consecutive appearance in the state track meet. He won fourth in the shotput last year with a toss of 52 feet 1 inch.

Windham will be favored to finish either first or second in the shot event. He met his toughest competition in Class AA last week at the Red Raider Relays. That was Pat Holmes, a giant from Del Rio.

And Holmes will be throwing the 12-pound shot again this week in the same division with Windham.

Holmes threw a terrific 56 feet 1 inch at Lubbock with Jim taking second with 53 feet 3 and 3/4 inches.

Windham will be forced to outdo anything he's thrown this year if he beats Holmes.

The C-City boy's top mark this season is 54 feet 6 inches.

At the Lubbock meet, Windham succeeded in besting the only other shotputer to beat him this year—Raeford McIlhaney of McCamey. But McIlhaney will be throwing in Class A at Austin this week end.

Windham could possibly pick up some points in the discus at Austin. He finished third at Lubbock with 148 feet 4 inches.

This will mark the first time in many years that Colorado High has not had a sprinter or relay team in the state meet.

Wolves won seventh last year with 18 points. They finished second in the mile relay, fourth in the 440-yard relay and fourth in the shot put.

Finals in the shotput event will probably be held late Saturday morning or early Saturday afternoon.

Jaycee Clubs Participate In Volleyball

Colorado City Jaycees are promoting a volleyball tournament among Snyder, Big Spring, Sweetwater and the local club.

Bob Reily, chairman of the Jaycee Sports Committee, organized the round robin tournament and schedule.

Reily said he believed the tournament would further relations among the neighboring Jaycee clubs and give the members a chance to get acquainted with fellow workers in other cities.

The tournament began last month and the turnout in the four towns has been good, according to Reily.

Colorado City was scheduled to play in Big Spring Thursday night while Snyder played in Sweetwater.

Final games of the tourney are slated May 9 when Colorado City goes to Sweetwater and Big Spring goes to Snyder.

Games here are being played in the Athletic Building Gym.

'SHOT IN THE ARM

State Land, Water Resources Get Pep

The state's tremendous land water resources ill from many years of neglect are getting a good "shot in the arm" from the various Soil Conservation Districts.

Hundreds of small dams, known as retention reservoirs, have been constructed on upstream tributaries in major Texas watersheds. Many others are planned in conjunction with large downstream reservoirs.

These upstream water retention structures are beginning to dot the countryside. In some areas, they can be seen from the highway. They might appear, at first, to be an exaggerated "Texas-size" stock tank.

The small dam projects have a three-fold purpose: Prevent flash floods, conserve water and stop soil erosion.

Structures Eliminate

Thousands of acres in lowland areas have been made available for crops and pastures because the retention structures have eliminated seasonal flash floods.

SCD co-operators in the area, through proper land treatment on farms surrounding the reservoirs, help preserve every rain drop that falls. They also assist the Soil Conservation Service in obtaining necessary easements for proposed reservoirs.

The dams, when constructed, remain the property of the land owners. Recreational facilities have been set up by many owners. An irrigation has been applied to small, adjoining crops.

The structures are designed to release excessive water downstream at a slow rate, thereby putting into practice the idea to "make water walk, not run". When a flash flood strikes, the reservoirs catch the water and release it very slowly.

Dams Tend

Completion of all the planned small dams will, in the future, tend to stabilize the flow of large creeks and rivers — providing more dependable, year-round surface water supplies.

All Texans should be proud of the locally controlled Soil Conservation Districts. SCD boards of supervisors and the farmer-cooperators are far-sighted, progressive leaders. They have recognized that, as the soil goes, so goes the nation. And they're doing something about it.

TWO SENATORS VOW EXHAUSTED FIGHT

House-Passed Segregation Bills Face Senate Filibuster Threat

By VERN SANFORD,
Texas Press Association.

Worst drought in Texas history is broken. After seven pinched years farmers look out over soggy fields and talk of "bumper crops."

But the troublesome drought had a troublesome end. Tornadoes, cloudbursts, hail and floods brought loss of lives and property damage in the millions.

Spring planting is reported far behind schedule in many areas. In others, washedout fields will have to be re-sown. And despite the deluge, some dry pockets were noted by agriculture officials, notably in far West and Southwest Texas.

But most reports reflect sober optimism. J. E. Sturrock, manager of the Texas Water Conservation Association, warned that the next drought, probably in 15 years, will be worse unless precautions are taken now. Water must not be allowed to race off into the Gulf, he said.

And Agriculture Commissioner John White issued a comment not heard in years. He said the fields "needed sunshine."

As rain fell in sheets and rivers boiled over into the bottoms, lawmakers debated how to build a bulwark against future dry spells.

Sponsors Contend

Water program sponsors contended an earlier conservation program might have prevented much of the flood devastation.

Plan for a $200,000,000 fund to help local districts build conservation projects was approved by the House in final form. But Senate opposition slowed progress of another proposed bond issue which would allow state to buy storage space in federal reservoirs. It was cut from $200,000,000 to $100,000,000.

Time is now the main enemy of an unpassed bill in the Legislature. Any measure that gets caught on the smallest parliamentary snag is likely to die there in the stampede to finish.

During the next week legislators can be expected to show their ingenuity in creating snags to sidetrack unwanted bills. Some favorite devices are sending measures from one committee to another, to subcommittee or loading them with controversial amendments. In the Senate, of course, the old reliable is the filibuster which forces other members to give up so they can get on to other things.

Beat The Clock

Matched against this foot-dragging will be the furious efforts of bill sponsors to "beat the clock."

Seasoned observers now are looking for adjournment of the Legislature about May 17. Appropriation bills will be the determining factor, and principally the teachers' pay bill. If it looks as though no satisfactory agreement can be reached, or that a tax bill is necessary after all, lawmakers may throw in the towel and go home on May 10, looking to a special session to iron out those knotty problems.

House-passed segregation bills moved forward in the Senate, but still face a filibuster threat.

Five of the nine bills were sent from Senate State Affairs Committee to the floor. There two senators, Henry Gonzalez and Abraham Kazen Jr., say they'll fight as long as their breath holds out.

A large but orderly crowd attended the committee hearing. House sponsors and a spokesman for Former Gov. Allan Shivers' advisory committee on school segregation spoke on behalf of the bills. Representatives of various church groups, organized labor and several Negroes spoke against them.

Reorganization Wrangle

Insurance Commission reorganization hung by a thread for days, but apparently is to be thrashed out in a House floor fight.

State Affairs Committee tied 9-to-9 on whether to bring the bill out of its subcommittee grave. Chairman Bill Heatly tipped the scales with a "no."

Then renewed pressure from Governor Daniel brought a promise from subcommittee chairman Obie Bristow to report out "some kind" of reorganization bill. But, Bristow observed, he couldn't see what the two bills under consideration would do except throw the present commissioners out of office. Governor Daniel has strongly urged starting over with a "clean slate." He reportedly has said he will call a special session if a reorganization bill isn't passed.

Physicians Life & Accident Insurance Co. and the Board of Insurance Commissioners have locked horns in court.

Commission has revoked the license of the firm headed by Former Gov. Coke Stevenson. It charged the company with being fraudulently organized, illegally operated and insolvent. It obtained a court order temporarily restraining the firm from doing business.

Company Countered

Company countered with a suit to restrain the commission from interfering with its operation. It blamed its insolvency on a Commission-approved contract by which Physicians bought worthless assets through the state liquidator. It termed the Commission action "capricious, unreasonable, arbitrary."

Texas Naturopathic Association has asked Governor Daniel to help clear the confusion surrounding their right to practice.

Law passed in 1949 creating a board to license naturopaths has been declared invalid in court. Efforts to get new laws touched off the legislative bribery charges and investigations.

Governor Daniel said he would ask for an attorney general's opinion.

Meanwhile, naturopaths have been coming in batches to talk to the Travis County grand jury. Some had charged publicly that money had been "extorted" from their association to stave off unfavorable legislation. TNA President Howard Harmon said he doubted there was enough evidence to convict anyone.

Short Snorts

Toppled by Senate committee was the bill to prevent "loss leader" advertising by retailers. Small grocers had pushed the measure to ban limited sales of below-cost items. A new House member, Rep. Harold H. Coley, 35-year-old Conroe radio man, took office for the session's waning weeks. He replaces James E. Cox—Speaker Waggoner Carr was praised and piled with gifts from fellow members and constituents on Speakers Day—Senate President Pro Tempore Ottis Lock is to receive customary "governor for a day" honors Friday. His office places him third in line to the governorship — Portrait of Lt. Gen. Ernest O. Thompson is to be painted and hung with those of other notables in the Senate chamber. Texas Independent Producers and Royalty Owners will honor Thompson on May 22 with a silver plaque marking his 25th anniversary on the Railroad Commission—Senate confirmation of J. M. Patterson as chairman of the Board of Control and 86 others wrapped up Former Gov. Allan Shivers' long list of interim appointees—all approved.

The big things you want cost less in a Mercury Monterey!

YOU HAVE TO PAY OVER $88 MORE to get a 4-barrel carburetor as standard equipment in any competitive car. And Mercury's Thermo-Matic Carburetor is the only one that controls the temperature of the air the engine breathes.

YOU HAVE TO PAY OVER $130 MORE to match the Monterey's brake size in any other car. The Monterey actually has bigger brakes than most of the *highest* priced cars!

YOU HAVE TO PAY OVER $150 MORE to match Mercury's standard 255 horsepower in any competitive car. And the Monterey's optional engine offers a blazing 335 horsepower!

YOU HAVE TO PAY OVER $200 MORE to get any other car with *real* dual headlamps. No other car at the Monterey's price even offers duals. You can get Quadri-Beam headlamps, a true 4-beam system, on *all 19* Mercury models.

YOU HAVE TO PAY OVER $500 MORE to match the Monterey's standard compression in any competitive car. Its compression ratio of 9.75 to 1 is close to the highest you can get in *any* car.

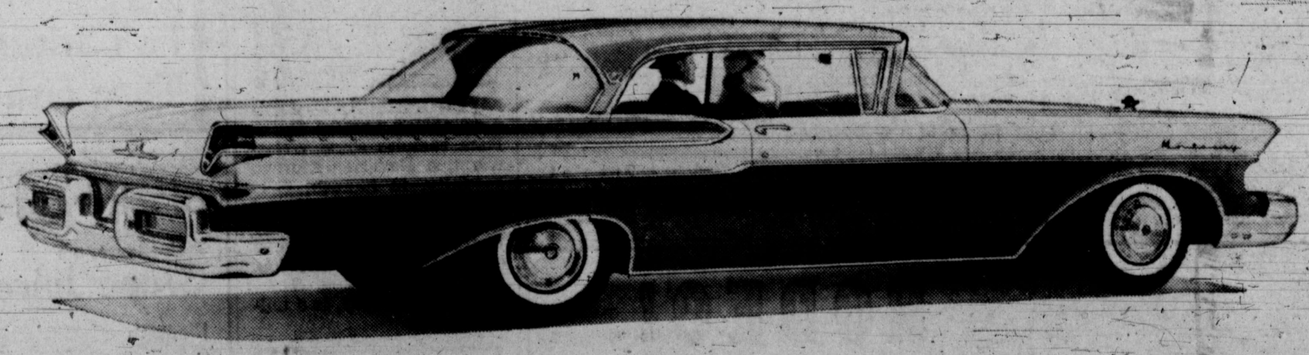

YOU HAVE TO PAY OVER $1,000 MORE to match The Big M Monterey's hip room and rear seat leg room. Mercury has the biggest size increase in the industry—bigger in every important dimension!

YOU HAVE TO PAY OVER $2,000 MORE to match Mercury's width in any other car. You can match it only in America's three costliest cars!

* * *

And no other car *at any price* offers you Mercury's exclusive Floating Ride and Dream-Car Design. Stop in today. Let us show you *all* the reasons why the Mercury Monterey is the easiest big car to drive, to ride in, to look at, and to *buy*.

The price comparisons stated are based on factory suggested retail delivered prices.

BIGGEST VALUE INCREASE IN THE INDUSTRY! The Big M is up in size, in power, in luxury, in everything that counts in a car. But the price is still low—just an easy step up from the low-priced three.

AT SCHOOL GYMNASIUM

Westbrook Junior Class Honors Teachers, Seniors With Banquet

By MRS. ALTIS CLEMMER, Record Correspondent.

WESTBROOK — Members of the junior class honored senior class students and teachers with a banquet Saturday in the school gymnasium.

Theme for the occasion was "fairyland."

A large wishing well stood in the center surrounded by tables. A vine of climbing roses covered one side of the wishing well and a bouquet of roses adorned the tables.

Favors and place cards were miniature wishing wells with names written on each. Crepe paper streamers of green, pink and yellow were hung across the ceiling. The floor around the well inside the table was covered with grass.

Crystal candle holders with green candles were used on tables. On each candle was a runner of green leaves and pink blossoms with butterflies.

Bill Quimby of Colorado City was guest speaker. His subject was, "You, Too, Have a Magic Wand!"

Rev. Joe McCarthey pronounced the invocation. John Matlock gave the welcome and Kerry Sweatt gave the response.

In the land of make believe, the class prophecy, was given by Edell Morris. LaVerne Moody gave "Reflections in the Pool," class will.

Fairy waitresses sang "Let Us Wish Upon a Star" accompanied by Mrs. J. M. Watson at the piano. Benediction was given by Earl Cook.

Sophomore girls dressed as fairies served. They were Ann Rich, Juanita Andrews, Linda Butler, Virginia Wilson. Boys dressed as pixies included Doyce Lankford and Newton Bacon.

Members of the senior class present included Curtis Clemmer, Pat Morren, Marie Iglehart, Lonnie Wyrosdick, Floyd Ritchey, Sue Rich, Alton Raschke, Bobbie Carter, Nell Johnson, Kerry Sweatt, Glenda Taylor, LaVerne Moody, Alta Rohus.

Junior class members present included Edell Morris, Danny Swafford, Barbara Parish, John Matlock, Roy Buchanan, Roy Iglehart, Lynda Salley, Jerry Putnam.

Others present were Jimmy Moody, Rev. and Mrs. Joe McCarthey, Mr. and Mrs. L.E. Gressett, N. W. Stokes, Earl Cook, Mr. and Mrs. J. C. Moore, Mr. and Mrs. Pete Hines, Mr. and Mrs. Herman Parsons, Mr. and Mrs. Bass Hines, Mr. and Mrs. J. M. Watson, Mr. and Mrs. Perdue, S. A. Walker and sponsor Mrs. Walker.

Menus consisted of fruit cocktail served from a crystal punch bowl in the wishing well; fried chicken, whole green beans, creamed potatoes, vegetable tossed salad with french dressing, hot rolls and butter pats, strawberry short cake and iced tea.

P-TA mothers and members of the junior and senior classes prepared the food.

Visit Loraine Parents

Mr. and Mrs. Calvin Haltom of Abilene spent week end with parents, Mr. and Mrs. Howard Combs, Loraine.

Workers Class Holds Regular Business Meet

LORAINE—The Willing Workers Sunday School Class of the First Methodist Church met Thursday April 25 with Mrs. Clyde Smith for its monthly worship and business meeting. The meeting was opened with prayer by Mrs. Doris Martin.

Due to the stormy weather, the devotional speaker could not be present and each member gave some event that happened on Easter Sunday that was an inspiration to them.

Mrs. Harold Martin closed the worship period with prayer.

Mrs. Doris Martin, class president directed a short business session and Mrs. Troy Jones led the closing prayer.

Frosted grape and cookies were served to Mrs. K. L. Taylor, Mrs. Doris Martin, Mrs. Lily Bennett, Mrs. Troy Jones, Mrs. Harold Martin, Mrs. Wiley Walker and Mrs. Smith.

* * *

Mr. and Mrs. Tommy Thompson and son, Rocky of Jal N. M., visited here with her parents, Mr. and Mrs. Lewis Claxton, and at Roscoe with his parents, Mr. and Mrs. Thompson, from Friday until Tuesday.

* * *

Mr. and Mrs. Lynn Hamilton and sons, Keith and Tim, were hosts to a party Saturday night, in honor of Mrs. Ray Preston on her birthday.

Others present were Mrs. Preston and son, Harold Ray, Mr. and Mrs. J. C. Hall Jr., of Loraine, Mr. and Mrs. Tharon Henderson and son, Brad of Andrews.

Games were played then gifts were presented the guest of honor and a large decorated birthday cake was served with coffee.

Gail Ainsworth May Have Only Year To Live

A fund has been started for pretty, litle Gail Ainsworth, 4½-year-old daughter of Mr. and Mrs. H. W. Ainsworth, former residents of Colorado City.

Gail, a leukemia victim, has perhaps one year to live, physicians tell her parents.

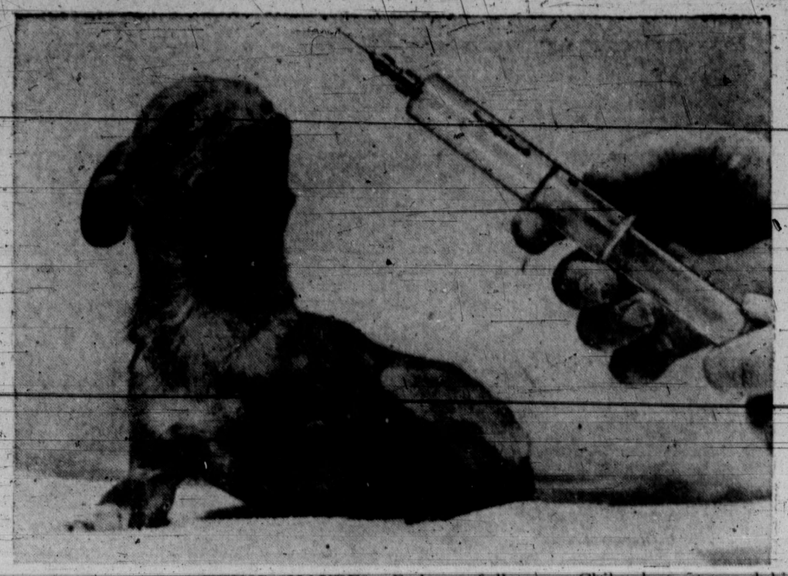

The Ainsworths moved from here in January. They had resided here two years while Mr. Ainsworth worked for an oil well drilling company.

* * *

The Ainsworths now reside at 136 Ragland St. in Graham, their home town.

They have made three trips to Houston's M. D. Anderson Hospital where Gail is under the care of five physicians. She receives blood transfusions when necessary.

According to a story in the Graham Leader, Mr. Ainsworth is unemployed at the present and the medical bill has mounted to $1,200. The newspaper has started a "Gail Ainsworth Fund" with all donations mailed to the newspaper.

YOU WON'T FEEL A THING (MAYBE)—Pedro, a full-grown Chihuahua, seems dubious about that big needle. But it's for his own good. Pedro happens to live in Memphis, Tenn., and Memphis happens to be in the midst of a drive to have all canine residents inoculated against rabies.

Lands Attend Joint Dinner For Grandsons

LORAINE—Mr. and Mrs. J. J. Land attended a joint birthday dinner Sunday at the home of a son-in-law and daughter, Mr. and Mrs. Ernest Hall at Snyder.

The dinner honored their two oldest grandsons, Lanny Hall, son of Ernest Hall, and Larry Stanley, son of Mr. and Mrs. Carl Stanley of Sweetwater, on their 13th birthdays.

Mrs. Stanley and Mrs. Hall are the only two children of Mr. and Mrs. Land's and the two grandsons were born on the same day.

Others present for the dinner were Mr. and Mrs. Carl Stanley and son, Donny, Sweetwater; Kim Hall, Mr. and Mrs. Hick Hall, Mr. and Mrs. Emmitt Hall, Snyder.

* * *

Mrs. Hall De Armo of El Paso, and Mrs. Bob Mackey of Santa Rita, N. M., came in last Wednesday to be with their 92 year old mother, Mrs. J. F. Reeder, who has been seriously ill in the Johnson Hospital after suffering a stroke at her home earlier that day. Also visiting Friday here with Mrs. Reeder were a grandson and family, Mr. and Mrs. James Jarratt and children of Roscoe.

* * *

Mrs. O. C. Norris, Mrs. Grady Norris and Miss Marie Jones of Roscoe visited with Mrs. Frank Crownover and Miss Annie Jarratt recently.

* * *

Mr. and Mrs. Alec Britton spent the week end in Killeen with their son and family, Mr. and Mrs. Gene Britton and children and another son, M/Sgt. Harold Britton who is stationed at Fort Hood. The Brittons made the trip to see if their children were safe after the floods at Killeen, but said they were not in the worst part of flood, but had seen much disaster where some homes had been swept away by the flood waters.

HEALTH HINTS

Mental Illness Differs From Emotional Upset

If you think "mental illness" and "emotional disturbance" are one and the same thing, you're like most people. But you aren't necessarily correct in your opinion. That's why, especially since this is National Mental Health Week, the difference between the two expressions should be cleared up.

It is a matter of degree. Mental illness is generally considered severe enough to require hospitalization and a regimen of treatment, often for long periods.

On the other hand, many people have emotional disturbances which temporarily affect their mental health. Proper professional help can prevent the trouble from progressing into something more serious requiring hospitalization.

It is in providing this professional help that psychiatric outpatient clinics prove their worth. There are 18 such clinics in Texas. There is a great need for many more.

Clinics are currently operating in Austin, Corpus Christi, Dallas, El Paso, Fort Worth, Galveston, Houston, and San Antonio. The address and telephone number of each is listed in the city telephone directory.

The first comprehensive look at the services rendered by clinics has recently been completed by the State Health Department's Division of Mental Health. It shows that in one year more than 2,400 people—95 per cent of them from urban areas—were given psychiatric help, visiting clinics for consultation and returning home afterward. And since each patient was a member of a family, the relief of his distress meant happier relationships for the entire family.

Most children patients in the 5-9 age group were diagnosed as having personality problems — such things as social conduct and habit difficulties. The bulk of mental deficiencies were also found in this age group.

Among adults, the most common diagnosis are personality disorders exclusive of alcoholism or drug addiction. Few psychotic disorders are seen, but when they are most of them are schizophrenic ("split personality") reactions.

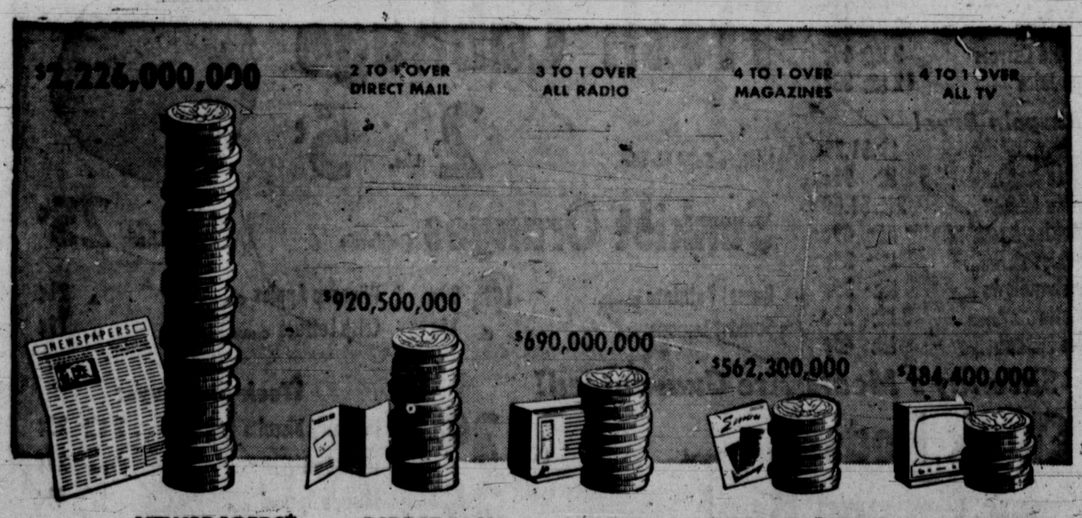

Boys and girls do not differ substantially so far as diagnoses are concerned, but of patients under 18, boys outnumber girls by almost twice. Clinic costs per patient range from an average of $99.41 to $272.24.

Nearly three-fourths of all patients were considered "improved" after clinic treatments, a fair gauge of their true worth to the Community.

Mental Health has become the nation's Number One concern. At least nine million Americans are now suffering from a mental disorder. The cost to taxpayers: more than $1 billion a year. More psychiatric outpatient clinics could prevent much of the high cost in dollars—and in human unhappiness.

Advertisers Choose Newspapers 2 to 1 OVER ANY OTHER MEDIUM!

NEWSPAPERS*	DIRECT MAIL	ALL RADIO	MAGAZINES	ALL TV
% OF TOTAL 34.0%	14.0%	10.5%	8.6%	7.4%

It takes a lot of confidence and all kinds of people to spend 2¼ billion dollars on advertising.

It takes everybody from big VP's to housewives with rooms to rent. It takes chain-store executives and neighborhood merchants.

It takes local business people—those who spend only their own money for ads, and those who also spend the important money contributed by manufacturers.

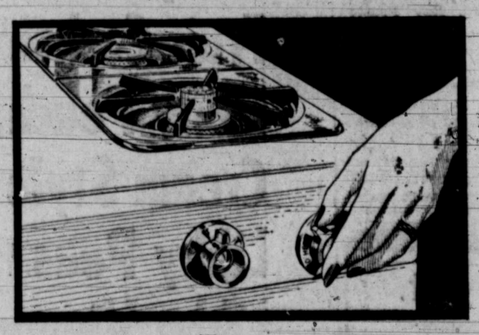

But most of all it takes an advertising medium that can do the job: NEWSPAPERS.

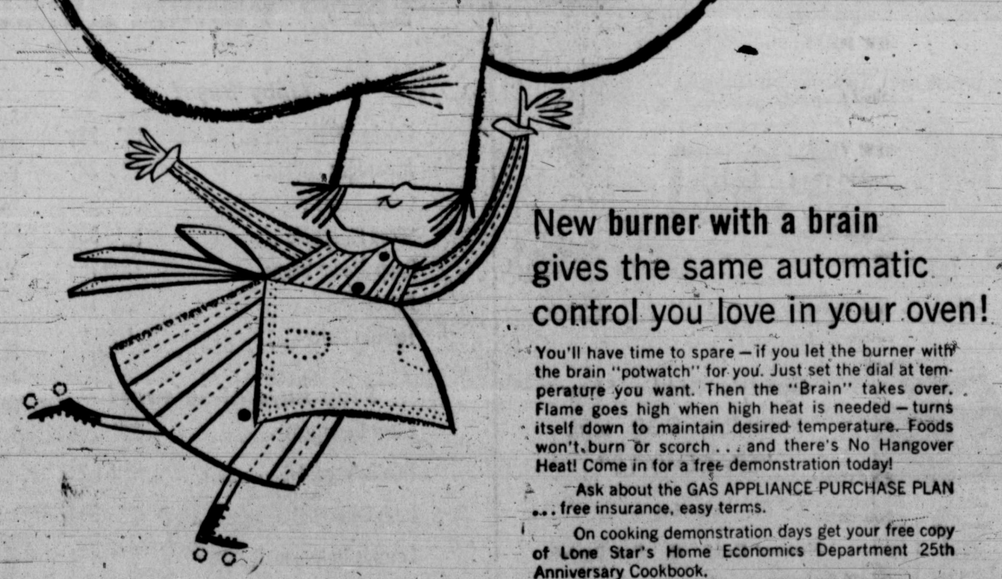

If you're a retailer or wholesaler, demand newspaper advertising before you place an order.

If you're a salesman or district manager, ask your management for *newspaper* advertising to move out the products you sell.

And *if you're a manufacturer*, remember this: IN 1951 ONE-THIRD OF ALL U. S. ADVERTISING DOLLARS WENT INTO NEWSPAPERS.

AT McMURRAY COLLEGE

Loraine Band Wins Music Sweepstakes

By MRS. C. C. HAMILTON, Record Correspondent.

LORAINE—The Loraine High School band won its first sweepstakes trophy in the Region II university interscholastic league music competition festival Friday at McMurry College, Abilene.

Phases of the contest covered concert playing and sightreading. The band was rated first division in concert and first division in sightreading to cop the sweepstakes trophy.

"This band shows good precision and musicianship and does an outstanding job for class B," a judge commented.

"Better than many of the AA bands I heard this morning," he said.

The Loraine band is directed by Robert Taylor.

Promotions Announced For Texas and Pacific

Promotions and transfer of Texas and Pacific Railway Company's operating department were announced this week.

All changes will be effective May 1, it was said.

K. D. Hestes will take over the reins of the road's Western Division as superintendent with headquarters at Big Spring.

Assistant Superintendent George W. Stone now has a district from Fort Worth to Big Spring entailed by his new promotion.

Charles S. Baldwin will be headquartered at Big Spring with jurisdiction to El Paso.

Clarence Percy Jr. was appointed to trainmaster with head quarters at Big Spring.

Loraine Sends Two Judging Teams to State

Two Loraine teams qualified for the state judging contest by placing in the top six per cent of the winners at the bi-area contest at Texas Tech Saturday.

Raymond Holt, Loraine vocational agriculture teacher, said the meats and poultry teams qualified for the state contest at Texas A&M May 4.

Loraine boys who competed with approximately 1600 other contestants included Gary Parnell, Wilson Bass and Billy J. Long, poultry; Bob Rankin, Bobby Compton and Garland Narrell, cotton; Ronald Haley, Derrell Owens and Billy Cornutt, livestock.

Also Donald Ritchey, Gerald Martin and George Martin, dairy cattle.

Holt said the meats and poultry teams would leave Friday for the A&M competition.

If sold for the value of its chemical elements, the human body would be worth about 98 cents.

50 Land Tracts Will Be Sold By Land Board

Fifty tracts of land, mostly in Central Texas and the upper Valley region, will be offered for sale on June 6 by the Veterans' Land Board.

Forfeited earlier by the Board because purchasers were not keeping up payments, the lands total 3003.44 acres. They are located in 25 Texas counties.

Nine of the fifty tracts offered are in Medina County, just west of San Antonio. This is the largest county offering. Nearby Zavalla County has five of the forfeited tracts.

Forfeited lands to be offered for sale in East and Northeast are in Lamar, Red River, Hopkins, and Rusk Counties.

In Central Texas, forfeited tracts are in Erath, Comanche, Brown, Hamilton, Coryell, Lampasas, McCullough, Williamson, and Bastrop Counties.

Upper Valley lands are in Bexar, Medina, Karnes, Frio, Zavalla, Maverick, aand Dimmit Counties.

Hidalgo and Cameron are the only two counties in the Valley with forfeited lands.

In West Texas, tracts will be offered in Presidio and Culberson Counties, and in the Panhandle in Oldham County.

Anyone desiring information about the sale may contact the Veterans' Land Board in Austin, Land Commissioner Earl Rudder said Monday.

FOR HIGH SCHOOLS

School Change Due In Accreditation

The State Board of Education will give consideration at its May 6 meeting in Austin to several proposed changes in accreditation standards for Texas high schools.

A 29-member Advisory Committee which has been studying the graduation requirements for Texas schools has recommended the changes. The chairman of the study, Cecil A. Morgan of Fort Worth, is also a member of the State Board of Education. Mr. Morgan said today that if the recommendations are approved in the present form, all accredited high schools will be required to make the following courses available every year or in alternating years, beginning in September, 1958:

Four units in English, three of which are required for graduation;

One unit in World History, one unit in American History, and one-half unit in Government, all required for graduation.

Four units in mathematics, including Algebra, Geometry, and General Mathematics, with two units of mathematics required for graduation;

Four units in laboratory science, including General science Biology, Chemistry, and Physics, with two units required for graduation; and

Enough elective units to make alternatives available to students.

Supt. Ed Williams said all of the courses listed were offered at Colorado High School.

No limitation is proposed on the number of elective courses a high school may offer, but the above list specifies 14½ units which every high school must make available and 9½ of these specified units will be required for graduation. In addition, each student must choose enough electives so that, upon graduation, he will have a minimum of 16 units over and above his credits in Health and Physical Education.

In addition to the specific unit requirements, the Advisory Committee recommended that high schools offer "an adequate program of health and physical education" and also a foreign language "if there is a demand."

The Advisory Committee proposed that the State Commission on School Accreditation be asked to determine the manner in which 2 units of vocational education courses might be substituted for one year of General Science. The Committee indicated that the "scientific concepts" contained in Vocational Agriculture, Vocational Homemaking, and certain Industrial Vocational Education courses would justify this substitution.

The Committee specified that the one-half unit in Government shall include an intensive study of the Constitutions of Texas and the United States.

The Advisory Committee recommended that the new requirements be introduced voluntarily by local school districts in September, 1957, and made mandatory for all schools beginning in the 1958-59 school year.

Among other recommendations presented to the State Board of Education for consideration were these:

All high school graduates should receive the same type of diploma, with each student's transcript serving as a record of accomplishments available to employers and college officials.

A maximum of one regular class period of the school day may be devoted to competitive athletics.

Of the basic 16 units for graduation, not more than two units (other than repeated courses) may be earned in summer school and by correspondence.

A comprehensive study of the high school curriculum should be made.

The curriculum study, if approved by the State Board of Education, would describe the approved courses offered in Texas high schools, determine which courses should be added, dropped, or combined, and explore specific areas of the curriculum, such as health and physical education, in which practices differ widely among Texas schools.

Services Held For Father Of Mrs. L.A. Reed

LORAINE — Funeral services for Elbert B. Ussery, 77, father of Mrs. L. A. Reed of Loraine, were held at the Champion Baptist Church April 26.

Rev. Bill Hale, minister of the church and Rev. Lee Hollis of Sweetwater, conducted the service.

Burial was in the Champion cemetery where Masonic rites were conducted at graveside.

Ussery's body was found floating in Champion Creek April 25 after a two-day search.

Survivors include his wife, one son, Homer Ussery of Donna; four daughters, Mrs. Nannie Isham of Farmersville; Mrs. Lorene Lawhon of Sweetwater; Mrs. Bertha Petty, Ft. Worth; Mrs. Reed, Loraine, 25 grandchildren and 37 great grandchildren.

Rev. Eastman Ends Ministry At Westbrook

WESTBROOK — Rev. E. L. Eastman has resigned as pastor of the First Baptist Church to accept the ministry of the Calvary Baptist Church in Andrews.

The Eastmans left April 19 for Andrews after serving the Westbrook church three and a half years.

They have two children, Karalene, 6, and Darrel, 3.

Rev. John Hamilton of Abilene was guest speaker at the church April 28.

Doyle Conaway of Abilene was a guest of Ray Conaway Sunday.

Mr. and Mrs. Leslie Bassinger and daughter, Neta, were visiting friends in Westbrook during the holidays.

"ALL THINGS ARE CHANGED, AND WE CHANGE WITH THEM"

—(Author's Name Below)—

In recent years there has been a great change in the practice of medicine and pharmacy.

To keep pace with this change we pharmacists are continuously studying the drug and medical journals. As soon as a new drug is released we not only stock it, but learn all about its dosage, action, proper compounding, and preservation.

That is why we are prepared to compound any prescription, prescribed by any physician, no matter how distant, exactly as he specifies.

YOUR PHYSICIAN CAN PHONE RA 8-3484 WHEN YOU NEED A MEDICINE

Pick up your prescription if shopping near us, or let us deliver promptly without extra charge. A great many people entrust us with the responsibility of filling their prescriptions. May we compound yours?
