Pat McAlister Chairman of County Fair

Pat McAlister will head the 1975 Collingsworth County Fair and will announce the committees to work with him in a few days.

The Fair will be held Friday and Saturday, Sept. 5 and 6, with the entire week of September 1 to 6 designated as Fair Week, according to Mrs. Margaret Vines, Chamber of Commerce secretary.

The Fair will also be the kick-off for Collingsworth County's Bicentennial observances and the Centennial Observance of the Founding of the county.

Mr. McAlister, who is on the staff of Greenbelt Electric Co-operative, Inc., is also president of the Wellington Cycle Club.

He has announced that a number of new ideas for the Fair are being looked at, and new events are being considered. If these can be carried out, it will mean the involvement of more people, and especially younger children in the Fair.

Upon the appointment of his committee members, a meeting of Chamber Directors with the committees will be called for a general discussion of the Fair.

Joe Montgomery To Head Lions Club in 1975-76

Wellington Lions named Joe Montgomery president for the coming year during the election meeting Monday, April 28. He will succeed Mike Smith at the installation of the first of July.

Other officers elected to serve with Mr. Montgomery are Gary Archer, first vice president; Johnny Mote, second vice president; Bill Colson, third vice president; Marlin Felts, secretary-treasurer; Marshall Peters, assistant secretary-treasurer; Mike Lockett, Lion tamer; and Dan Henard, Jr., tail twister.

Chester White and Jack Neeley were elected directors for two-year terms. Holdover directors are John Coffee and Glen McLain.

Stage Band Plays At Area Schools

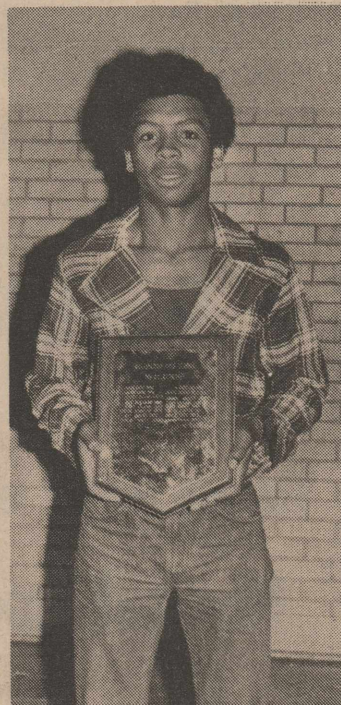

That Skyrocket Stage Band will play at three neighboring schools Thursday, May 8, according to Garry Woffort, director.

Their first stop will be at Samnorwood at 8:45 a.m. the band will then perform at Quail at 11:00 a.m. and will eat lunch with the Quail students.

Their final stop will be at Hedley at 2:00 p.m.

The program will include numbers especially popular with high school students, including Come Together, Ticket to Ride, I Can't Stop Loving You, The Horse, and Saints.

The stage band was formed only this semester and has made several public

SPORTS AWARD RECIPIENTS

These five were honored at the All Sports Banquet given Friday evening, May 2, for all young athletes of Wellington High School. Edward Thomas, left, received the plaque as outstanding Skyrocket basketball player; George Brewer received one of two football awards, as the outstanding backfield player; Lucy Sullivan was

honored from the Rockette basketball team; and Jim Bob Nall won the other football award, for excellence as a lineman. Ron Ingram, right, although injured early in the football season, received the Larry Wright Memorial Award for his courage and spirit.

Little League Play to Begin With Four Teams

Official Little League Baseball play opens in Wellington Tuesday, May 20 with approximately 75 players on four teams.

The first practice session will be Saturday, May 10, from 10:00 a.m. until noon, and another practice will be held Saturday, May 17, at the same time. The players will be placed on teams at that time.

Girls will be regular team members for the first time, just as they are playing on Little League teams throughout the country, Charles Darter, secretary, said.

Plans for the first game were completed in a meeting Tuesday night, May 6.

Sponsors this year are City

State Bank, Wellington State Bank, Wellington VFW and Langford Brothers Conoco. Each team will carry the name of its sponsor.

The boys and girls will wear official Little League shirts and caps, provided by the sponsors. City State will wear blue, Wellington State green, Langfords red and VFW gold.

Vennum Fitzgerald is Little League president this year, while Marlin Felts is vice-president; Charles Darter, secretary; James Williams, treasurer; James Williams, player agent and Gary Archer, safety officer.

The Women's Auxiliary will be named later.

An all-star team will be

chosen by the players and managers late in the season, and this is the team that will go into competition with teams from other area towns, Childress, Memphis and Clarendon.

Wellington, as well as these other towns, is in the Berger district.

Mrs. T. T. Fain Will Be Buried Here Thursday

Mrs. T.T. Fain, who came with her family to Collingsworth County only two years after it was organized, 1892, died Monday night, May 5, in Canyon, where she had lived for 34 years. She was 98 years of age.

Funeral services will be conducted at Canyon at 1:30 p.m. Thursday, then graveside services will be conducted at Fairview Cemetery here at 4:00 p.m. Thursday, with burial in the family plot. Kelso Funeral Home is in charge of local arrangements.

Mrs. Fain was 15 years old when she came to Collingsworth County from Lampasas County with her parents, Mr. and Mrs. John Winney, her sister, and four of her five brothers. Mr. Winney traded for a claim in the Indian Creek community, just north of Salt Fork River along the present Highway US 83. He first provided his family with a comfortable home, incorporating into it a dugout area into a hillside, one of the first habitations in

Army Band Plays At School Friday

The United States Army Stage Band from Ft. Sill, Oklahoma, will be presented in a concert before Wellington High School and Junior High Students Friday, May 9.

The concert will be played in the school auditorium.

This is the first year that the Ft. Sill Stage Band, regarded as one of the finest in the entire Army, has played for Wellington Students.

—See #3, Page 2A

Wheat Crop Prospects Still Good in County

Prospects are still good for one of the better wheat crops Collingsworth County has had in a number of years, County Agent Don Reeves reported Tuesday, May 6.

"If the county could get a general one inch to an inch and a half rain in the next 7 to 10 days and if hail will leave the wheat alone, prospects are very good," he declared.

Hot dry winds will cause the most damage now, it was pointed out, and a few growers report the crop is hurting.

At this point, no one is attempting a prediction as to yield, although Mr. Reeves pointed out that the high cost of fertilizer this year will bring the yields down. Most producers have cut down on fertilizer or used none at all.

There is no accurate figure on the number of acres in the county this year, but estimates are between 20,000 and 25,000 acres. Most growers are known to have overplanted their allotted acres, since there is no penalty for this.

Harvest in the county is expected to start in the south part of the county the first week in June.

Beta Ping Pong Tournament to Open Monday

The Beta Club Ping Pong tournament will get under way here Monday, May 12, and continue through Tuesday, May 13, starting at 5:00 p.m. each day.

Play will be in the high school gymnasium.

There will be divisions for both men and women, with three classes in each. These will be for fifth through eighth grades, ninth through seniors, and adults.

Additional information can be had at the high school or from Beta Club members.

County Cotton Crop Totals 26,238 Bales

Cotton ginnings from the 1974 Collingsworth County crop totaled 26,238 bales according to figures released this week by the U.S. Department of Commerce.

Although the figure is below the 1973 bumper crop of 39,687 bales, it is still well above the number expected when the harvest began.

At that point, about half a crop was expected, which would have been around 20,000 bales.

Childress county ginned 18,198 bales in 1974, compared to 37,122 in 1973.

Donley County tallied 9,122 bales for the 1974 crop year, while 14,587 bales was counted for the preceding year.

According to Department of Commerce figures, Texas had a crop total of 2,479,009, compared to 4,500,544 in 1973.

Reports from ginners show there were 11,328,391 bales ginned in the United States from the 1974 crop compared with 12,610,998 for 1973.

Construction of New Tennis Courts Starts

Construction started Monday, May 5, on tennis courts at Ellison Park that will be "as good as anybody's", City Manager Glen Taylor announced.

These long-needed courts will enable Wellington players to keep pace with the

fast-growing tennis action. These will be of a quality that will attract tournament play to the city.

Mr. Taylor said the two existing courts at Ellison Park will be completely rebuilt and two new courts will be put in immediately north of the present courts.

New 10-foot chain link backstops will be put in and a complete new lighting system installed.

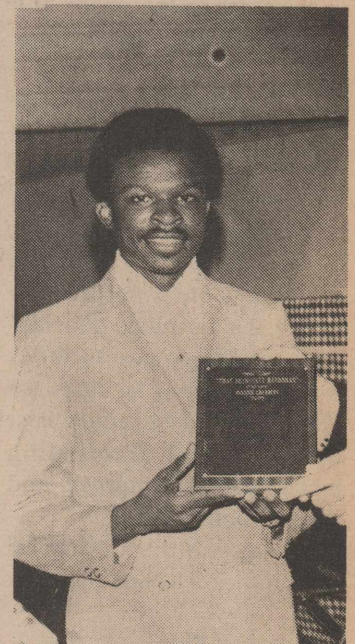

Base material for the four courts has been secured from a stockpile belonging to Ivan Dement, Highway 83 general contractor, and the city manager pointed out that the courts will have the same base as the highway.

Smooth asphalt surface will be applied.

Mr. Taylor explained that while the best of all tennis court surfaces is concrete, it would cost from \$18,000 to \$20,000 to put in four

Those who have followed the crop believe that almost the entire acreage will be

cut, barring weatherage, as only a small amount was grazed out during the winter.

RECEIVE BAND AWARDS

These received the two coveted awards given members of the high school band. Freddy Chambers was named That Skyrocket Bandsman, while Betty Burba received the National Arion Award. Presentations were made at the band banquet.

Slogan Sought for "Beautify" Program

The Chamber of Commerce needs a slogan! One that would fit Wellington's beautification and community achievement program. One that would tie in with our Clean-up Campaign which will be May 26-31.

Selection of the slogan is one of the requirements for participation in the Beautify Texas program. Deadline for submitting entries is Monday, May 19. These should be taken to the Chamber of Commerce office. The year-long contest runs from January 1, 1975 to January 1, 1976.

"Our nation is now in its Bicentennial celebration. As you know, this isn't just a fleeting thing that happens in 1976, but something we are building toward in every part of the country by deepening our senses of the

great heritage of America, said members of the beautification committee, Mrs. Barney Glenn, Lyman Daniel and Mrs. Robert Lacy.

"Our forefathers pioneered in this country, fought for its liberty and created its form of government. More recent pioneers—our parents—developed the Southwest and its traditions. Can we imagine them letting their farms, fields, yards or towns be covered with litter?"

"The Bicentennial provides the perfect time and reason for us to do what we ought to do anyway—make our own communities better and more beautiful so we can

Four-H to Help With Pet Shots

The 4-H Livestock Club will assist Dr. Mark Fires in giving rabies shots to dogs and cats Saturday, May 17, from 8:00 a.m. to 12:00 noon, County Agent Don Reeves announced.

Dr. Fires will administer the shots, with the 4-H members assisting in various ways.

Announcement of complete plans will be made later.

C&H Burglarized Early This Week

Burglars struck C&H Pharmacy last Monday night or in the early hours Tuesday, May 5 or 6, for the second time in eight days.

Again, a considerable amount of narcotics was taken, but this time \$300 in money was taken from a drawer in the pharmacy department of the store, Sheriff John Rainey said.

The drugs were taken from

shelves, he added.

Jimmy Cochran, owner, reported the burglary to the sheriff's department shortly after opening at 9:00 a.m. Tuesday morning.

Entry was gained apparently by using a key to unlock the front door, and the burglar probably left that way, according to Mr. Rainey. He said Mr. Cochran told him that a key to the store was lost last year.

Hospital Week Will Be Held May 11 through 17

Area residents will have an opportunity to join Collingsworth General Hospital in observing 1975 National Hospital Week May 11 through 17.

Garner Altom, administrator, announcing the annual program sponsored jointly by the American Hospital Association and its 7,000 member institutions, said:

"With the growing public concern over health care cost and quality, this year's theme, 'A constant concern for a healthy community' is particularly appropriate.

"Hospitals are community institutions and they evolve in response to the needs and concerns of the people they serve."

In response to the expressed concerns and needs of their communities, hospitals are adopting cost containment programs, initiating patient education projects to help people stay out of the hospital, developing ambulatory care facilities to free inpatient facilities for other use and to reduce cost of care, and developing mechanism to improve and assure quality care.

Collingsworth General Hospital does not have a

Music Program At Methodist Church Sunday

A musical program will be presented at First United Methodist Church by Bobby and Benita Skidmore of Panhandle Sunday, May 11, at 7:00 p.m.

This talented couple are members of the choir and work with the young people's choir of First Methodist Church, Panhandle.

Mr. Skidmore is a vocalist, while his wife plays the piano and organ. Their six-year-old son, Bruce, will accompany them and will sing.

Ice cream and cake will be served after the program, to which the public is invited, said the Rev. James Boswell, pastor.

Use Leader Classified Ads for best results.

special program planned for National Hospital Week, but it is emphasized that visitors are always welcome to come and learn more of the hospital and the care it offers, and to see some of the

T. C. Crabtree Unhurt in Fall

By Mrs. G.T. Stephens

T.C. Crabtree, 88, fell Friday morning, May 2, about 11:00 o'clock when he went outside to check a trash fire he burns in a pit behind the store.

He tripped on some wire around the pit and got overbalanced and fell in it.

Luckily the fire had gone out. However, he couldn't get up. After some time, Mrs. Crabtree went to check on him and found him unconscious, lying face down. She couldn't get him out and called for help.

Mr. and Mrs. A.B. Boyett, across the street, heard her. They rushed over and got him out. Mr. Crabtree was out of the store about an hour.

Several came by that time. John Blevins drove the Crabtree car and rushed Mr. Crabtree to Hall County Hospital in Memphis.

Doctors examined him and treated his bruises. They found no broken bones. He was just bruised in several places and suffering from shock. However, he was dismissed from the hospital and came back home.

At present his condition is satisfactory and he is back in the store on the job.

#2—continued from page 1
pass on the great American heritage we have received.

"The two local banks, City State and Wellington State, will give a 'Savings Bond' to the winner who submits the best slogan to the Chamber office by May 19. Please bear in mind that this does not replace our 'Go and Grow With Collingsworth County' slogan but will be our theme for our clean-up program throughout the rest of 1975," the committee concluded.

care facilities that make Wellington's hospital health facility.

"Good health of its residents is perhaps the community's most basic resource," Mr. Altom said, "and by taking an interest in Collingsworth General's place in community life, residents are involving themselves in activities which will help assure their own good health."

Fire Damages House Tuesday

Fire discovered at 12:30 a.m. Tuesday damaged a house in the 400 block of Floydada Street, Buster Hughs reported.

Firemen believe the house to be vacant, although apparently clothing had been left in a closet. It is believed the fire started at that point, Fire Marshal Bob Watson said.

Members of the fire department worked about an hour to bring the blaze under control. There was extensive damage to the northeast part of the structure, and the fire burned through the ceiling but not the roof. The blaze was reported by neighbors.

#4—continued from page 1
the county.

A long furrow plowed across the prairie from the Winney home to the dugout school, Indian Creek, had a part in her education, for this was the guide which the children followed when they went to classes. Her sister, Mrs. L.T. Alexander was her first teacher.

Many years later she recalled there were about 20 students. She continued to staunchly support these pioneer one-room schools, where smaller children had the advantage of learning from those who were older.

After attending school two years, Mrs. Fain became a teacher, first at Dozier, then returning to Indian Creek.

She was married to Thomas T. Fain, a farmer-rancher in the Needwood Community in the eastern part of the county, on

NURSING CENTER BAZAAR ITEMS

Residents of Thomas Nursing Center, Inc., will hold the Busy Bee Bazaar Friday, May 9, from 1:00 to 4:00 p.m. On sale will be many crafts items which residents have made. Here

they are displayed in the window of Sears Catalog Store. Beside the exhibit are Mrs. Fred Brown and Ira Passons, residents of the center.

Junior High Tennis Has 2-A Champions

Wellington Junior High Tennis teams brought home two championships from the District 2-A tournament held in Clarendon Thursday, April 30. Coach Ronnie

Glenn announced.

Carl Taylor won the boys singles, defeating a Clarendon youth in the finals 6-1 and 6-3. He had defeated players from Silverton and McLean to get into the finals.

Vanessa Ingram and Carol Ann Daves were the girls doubles champion. They played a strong Memphis team in the finals 6-2, 4-6 and 6-3.

Pam Ingram placed third in the girls singles. The boys doubles team, made up of a fifth grader and sixth grader, Channy Wood and Brent Long, lost in the first round.

Coach Glenn praised the players as a "real fine junior high team," adding that all of the students will be out for tennis again next year.

#1—continued from page 1
entire Panhandle," the city manager said. "They are in an ideal location, surrounded by trees."

City employees will do all the work getting the courts ready for surfacing. They will do much of the electrical installation, and West Texas Utilities Company will work with them on the remainder.

Tennis is regarded as the fastest growing sport in the nation, and it has caught hold especially in Texas.

Wellington interest skyrocketed when the high school tennis team all but swept the District 2-A UIL competition and went on to regional.

This enthusiasm was not confined to students, but has caught on among adults as well.

Mr. Taylor assured that the courts will be finished as soon as possible, and certainly in time for summer play.

#3—continued from page 1
the winners, with Bob Carthel of Pioneer presenting the honors.

New District 1 4-H Council officers were installed with outgoing chairman, Bruce Pickens of Hemphill County installing new officers. The 1975-76 Council officers are: chairman, David Kehoe of Moore County; first vice chairman, Diane Green of Potter County; second vice-chairman, Britt Hicks of Deaf Smith County; secretary,

Jacquelyn Langford of Parmer County; and information chairman, Scott Hand of Hemphill County.

Chevrolet announces a new small car.

Monza Towne Coupe

34 MILES PER GALLON. Equipped with its available 5-speed transmission and 2.3-litre 2-barrel engine, the Monza Towne Coupe has been rated by the EPA as follows: 21 mpg in the city test, 34 mpg in the highway test... better than a lot of foreign cars.

FORMAL VINYL ROOF STANDARD. In your pick of nine colors. The lower body comes in thirteen colors.

SMALL AND DRESSY. There have always been dressy big Chevrolets. This is a dressy small one. It's fun to drive. It's comfortable inside. It comes with a very sensible price.

THREE ENGINES TO CHOOSE FROM. The standard engine is a thrifty 2.3-litre single-barrel Four. Available: a 2.3-litre double-barrel Four and a small 4.3-litre V8. Depending on engine selection, there are four transmissions available.

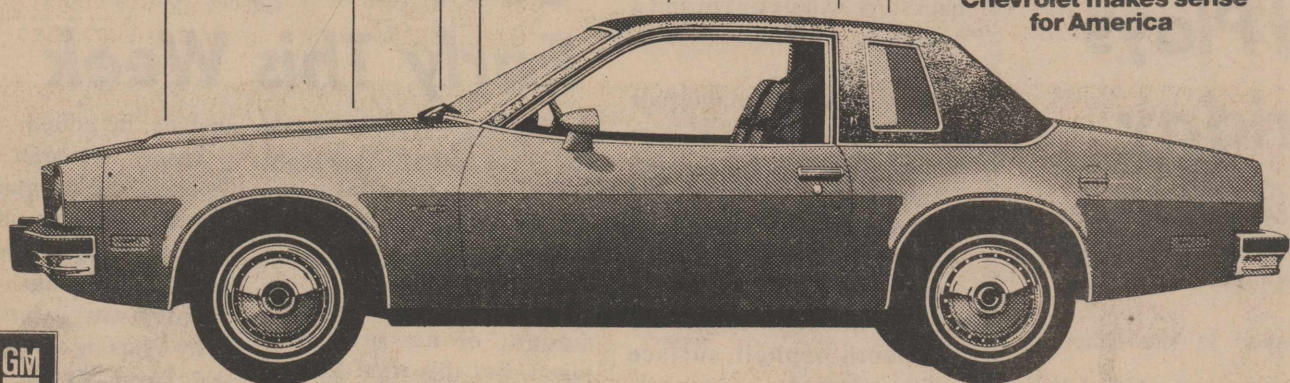

A WIDE SELECTION OF OPTIONS. Leather upholstery, forged aluminum wheels, AM/FM stereo—they're all available. And up to you.

AT YOUR CHEVROLET DEALER'S MAY 8. See it soon. We think you'll find it's both a sensibly priced car to start with, and a sensible little car to stay with.

NEW FREEDOM BATTERY. The Towne Coupe is the first Chevrolet to have it. Standard. Needs no refill.

A CHOICE OF RICH-LOOKING INTERIORS. Either vinyl or luxurious pattern cloth is standard.

Chevrolet
Chevrolet makes sense for America

Dressy. Fun to Drive. Sensibly Priced.

Lyman's Holds Clinic on Air Conditioners

Several local service men attended an auto air conditioner service clinic Monday night, May 5 in the Heritage Room. Lyman's Automotive sponsored the clinic.

Walter Thomas, an air conditioner service representative, conducted the clinic covering basic service, troubleshooting and safety.

Attending the clinic were Johnny Nash, J.W. Seitz, Dick Campbell, Sam McGill, C.A. Winton, Kenneth Foster, Lonny Driver, John Green, Gerald Ray, Lyman Daniel and Larry Gollighugh.

Ernest Nelson Dies in Utah

A former Wellington man, Ernest H. Nelson, died in Moab, Utah, on March 7, after a long illness.

The son of the late Mr. and Mrs. J.W. Nelson, he was born September 7, 1899, in Oklahoma. He moved with his family to Collingsworth County in 1916, and was married November 9, 1918, to the former Barbara McMinn.

Mr. Nelson farmed in the Collingsworth County area for many years, then worked in defense plants during World War II.

He lived here a short time in more recent years, but moved to Mansfield in 1971 and to Moab, Utah, early in 1972.

He is survived by his widow, Barbara, and six children: Ernest Eugene and Denzel O. of Moab, Utah; Harlace of Amarillo, Mrs. Margaret Kickerson, and Mrs. Joyce Coulston of Burleson, and Mrs. Hazel Ticer of Reno, Nevada; five sisters: Mrs. Lillie Moore and Mrs. Laura Keesee of San Bernardino, Calif.; Mrs. Gladys King of Fieldton, Mrs. Kathryn Hanners of Azle, and Mrs. Jamesy

Home Management

BY MRS. ARLA FELTS CO. EXTENSION AGENT

Use of fad diets increases during spring as consumers try to "shape up" for summer activities.

But in spite of rapid weight loss on a fad diet, whenever the dieter returns to his former eating pattern, weight returns too.

All fad diets follow a typical pattern of early enthusiasm but are soon forgotten when they fail to produce miraculous results.

One popular diet -- high fat, high protein and low carbohydrate diet -- does lead to fast weight loss at first. But that is due to water loss. This diet could be dangerous for people with atherosclerosis, diabetes and kidney disease, or for pregnant women.

The best way to get in shape for spring and summer is to begin now with daily exercising, cutting the quantity meals down and eating more lower calorie foods from the Basic Four Food Groups.

Choose two-three servings from the Milk Group. Select skim, buttermilk or non-fat dry milk instead of whole milk. Try cheeses made with skim milk, such as low fat mozzarella cheese and dry curd cottage cheese.

Four servings of low calorie fruits and vegetables could include fresh or frozen fruits and vegetables, unsweetened canned pie fruit or dietetic fruits.

Fresh vegetables can be

Keller of Wellington. There are 15 grandchildren and 7 great grandchildren.

seasoned with vinegar, tomato juice, lemon juice, herbs, mint chopped parsley and mustard. Bouillon or tomato juice enhances the flavor of cooked vegetables.

Some of the better choices for four servings from the Bread and Cereal Group would include whole wheat or enriched breads or cereals. Don't add sugar to cereals or purchase sugar-coated ones. Serve nutritious cookies -- oatmeal, molasses, peanut butter or raisin -- or plain cakes.

From the Meat Group, include two or more 2½ ounce servings of lean meat -- beef, pork, poultry or fish.

Group Here for Cass Service

A group of out of town people were here to attend the funeral of Mrs. T.C. Cass, on Thursday morning, May 1.

Burial was in San Diego, Calif., where she lived for many years.

Here for the service were Mr. and Mrs. Kenyth Cass and Jerry Cass of Friona; Mrs. Roy Burks and Mrs. Otis Baring of Brownfield; Mr. and Mrs. W.S. Ingram of Friona; Mr. and Mrs. L.J. Jones and Mrs. Hattie Jones of Hereford;

Mrs. Dale Ratliff of Clayton, New Mexico; Mr. and Mrs. G.W. Crosnoe of Hollis; Mr. and Mrs. Jack Aaron of Burk Burnett; Mr. and Mrs. Tommy Emmert of McLean; and Mrs. Ones Jones of Hollis.

Proposed Changes in Game Regulations Told

Three members of the Texas Parks and Wildlife Service were here for the annual hearing Monday, March 31, but no county residents appeared.

These hearings are held to give residents of a county the opportunity to review proposed changes in hunting and fishing regulations.

Here Monday were Dick DeArment, Wheeler, district game official; Dennis Thomas, Shamrock, warden; and Don Davis, hearing officer and biologists at the game

preserve north of Paducah.

Proposed changes include the closing of prairie chicken check stations, although a world of valuable information has been secured from them in the past, Mr. Davis said.

Counties with proposed prairie chicken seasons are Collingsworth, Donley, Gray, Hemphill, Lipscomb, Ochiltree, Roberts and Wheeler.

Closing of the Aoudad Sheep check stations is also proposed for Armstrong,

Briscoe, Donley, Floyd, Hall, Motley, Randall and Swisher Counties.

Another proposed change applies to all Panhandle counties and would change the bag limit on deer from one mule deer buck or one antlerless mule deer by permits and one white-tailed buck or one antlerless white-tailed deer by special permit to:

One mule deer, buck or antlerless, by permit, and two white-tailed deer, no more than one white tailed buck, antlerless by permit.

The proposed change on the bag limit on turkeys in all Panhandle counties during special archery season is

MAP MARCH OF DIMES WORK

Cula R. Nowlin, County Extension Agent from Perryton, second from left; Donna Huffaker, Extension Agent from Canadian; Mrs. Arla Felts, Extension Agent from Wellington; and Elaine Houston, Extension Agent from Pampa discuss the problems of birth defects with

Dr. Jon Aase, speaker and March of Dimes grantee, following the recent conference entitled "Parenting - Priority - the Adolescent" sponsored by the Texas Home Economics Association and the March of Dimes.

Arla Felts at Conference On Parenting, Adolescence

A discussion of the fine art of parenting drew 175 home economists, teachers, students and school administrators from across Texas to Dallas during April for a conference on "Parenting - Priority - The Adolescent." Funded by the National Foundation-March of Dimes in cooperation with the Texas Home Economics Association and Texas Woman's University, this is one of four pilot conferences planned by the March of Dimes and the Center for the Family of the American Home Economics Association.

Attending from Wellington was Mrs. Arla Felts, County Extension Agent.

Designed to identify and promote family life education within the school system, participants in the conference were recipients of the most updated information on parenting that is available. Topics covered included the importance of parenting in our changing times; teenage pregnancy; birth defects; the tragedy and the hope; genetic counseling; and the battered child.

According to Texas Home Economic Association President, Betty Alford, Ph.D., the Preparation for Parenthood Conference has been directed at the adolescent because of the following statistics: (1) over one-half million teenage girls marry each year in Texas; (2) teenagers are marrying at a rate four times greater than other Texans; (3) one out of 10 girls in the United States will have a baby before she is 18 years old; (4) in Texas,

births to mothers 19 years and younger are increasing at a rate five times faster than other Texas births; and (5) one third of the first born are born to teenage mothers. She further explained that as teachers of the parents of tomorrow, Home Economics instructors would be better prepared to answer young people's questions and assist educators in helping their students approach marriage and parenthood with warm, intelligent understanding of their responsibilities, if they knew the facts.

Elaine Whitelaw, Director of Volunteer Services for the National Foundation-March of Dimes challenged delegates to focus on the future and do something to bring parenting education to our schools.

SHS Sophs Go Bowling

Sannorwood sophomores held a bowling party at Childress Thursday evening, April 24, preceded by a pizza supper.

Students bowling were Clifford Oldham, Clinton Oldham, Gary Skinner, Bobby Myers, Dwayne Myers, Robert Cruz, Ida Beth Stice and Debbie Clark.

Accompanying the students were Mr. and Mrs. Alva Clark, Mr. and Mrs. Leon Myers and Mrs. Noah Stice, class parents, and Mr. and Mrs. Zeldon Jenkins, class sponsor.

Acteens Hold Wood Study

Scenery on wood was the activity for the Acteen meeting April 23. The scene was created by coloring a piece of wood and rocks and arranging them artistically.

Refreshments were served by Jennifer Pendleton and Darla Seitz to Vanessa Ingram, Pam Ingram, Nanetta Young, Tina Young, Cherly Birkey, Carla Seitz, Teresa Hodges, Connie Daves, Lori Collins, Kim Judd, Trisha Kilgo, Mary Bearden, Glenda Collins and Margaret Wood.

Fix-It Tip

A garden walk can be made of stone, broken pieces of cement, wood, gravel, bricks. Keep your eyes open for material that can be used for a path.

You also can buy the material for a path as well, but you will find that improvising not only saves money, it makes for a more interesting path as well.

Rubble from a building being torn down might serve. There may be a small charge or you might get it for the hauling. A sidewalk that is being replaced is broken up into chunks first.

Happy Homemaking

By BARBARA BAKER

One precaution toward avoiding an expensive repair bill for the family auto's air-conditioning unit next spring is to turn it on every few weeks during the winter and let it run briefly. This lubricates the cooling unit's seals and lessens the chances of their drying out.

It may be too late for this holiday season but here's a suggestion to make next Christmas a little easier. Save those heavy cardboard tubes after the paper towels or wrapping paper are gone and when dismantling the Christmas tree, wrap the strings of lights around the tubes. Next year the lights are ready to unroll without any

tangles. This works especially well for miniature lights.

To eliminate that unpleasant bleach taste inside coffee or tea pots after you've scrubbed away stains, pour a little vinegar inside and swirl around until all sides have been coated. Rinse well.

Keep a small whisk broom by the skirt of the Christmas tree this year so you won't have to hunt around for it when cleaning up fallen tree needles.

Mix a thin paste of water and baking soda with some granular detergent then soak shirts with heavy underarm stains in it for 20 minutes before laundering.

Gollihugh Host Dinner

By Mrs. G.T. Stephens

The family gathering in the home of Mr. and Mrs. W.A. Gollihugh and Dub on Sunday, May 4, was to honor Pfc. Paula Gollihugh, who is home on two weeks leave from the Army.

Pfc. Gollihugh, who is enlisted in the Women's Army Corps at Ft. McClellan, Alabama, has completed her basic training there. She is the daughter of Mr. and Mrs. John Ray Gollihugh of Amarillo. When her two weeks leave is up, she will be transferred from Ft. McClellan to a base in Virginia, where she will enter school.

Those attending the family gathering were Mr. and Mrs. John Ray Gollihugh and children and Evon Gollihugh of Amarillo, Mr. and Mrs. W.F. Howard and sons of Mobeetie, Mr. and Mrs. Larry Gollihugh and girls, Mrs. Eugene Vernon and children, and Mr. and Mrs. Paul Gollihugh and daughter, all of Wellington.

The Texas Egg Law is administered by the Texas Department of Agriculture.

Excelsior Club Closes Year With Study of Pierre Bonard

Excelsior Club closed its year's activities Thursday, May 1, when Miss Marie Shadid was hostess.

She also led the program study of Pierre Bonnard (1867-1947), french artist, and his works.

"He clearly defined a rich and decaden social milieu," Miss Shadid told the group. "It becomes clear, on approaching Bonnard in this fashion, that his art--which seems transparently simple and even superficial--is profoundly complex."

His paintings depict the rich and secret density of those lives in which nothing happens because the person says nothing, lets the world see nothing of what fills his days and his mind.

"To hope to know truly what a person is by detailing his known acts, his friendships, his appearances, his trips, would be the same thing as thinking you understand his painting by saying that the artist made portraits, landscapes, and still-lives," Miss Shadid continued, quoting his biographer, Raymond Cogniat.

PHYLLIS SULLIVAN

UT Student Dorm Advisor

Phyllis Sullivan, daughter of Mr. and Mrs. James Sullivan, was recently chosen an advisor of Littlefield Dorm at The University of Texas for the 1975-76 school year.

A freshman, she was a member of the six girl intramural basketball championship team playing for her dorm, and also a member of the dorm's team that placed third in the woman's intramurals track meet. She is a member of Alpha Phi Sorority.

Past Matrons Meet Tuesday

Past Matrons and Past Patrons Club, order of the Eastern Star, met in the Heritage Room Tuesday, April 29, for a regular meeting.

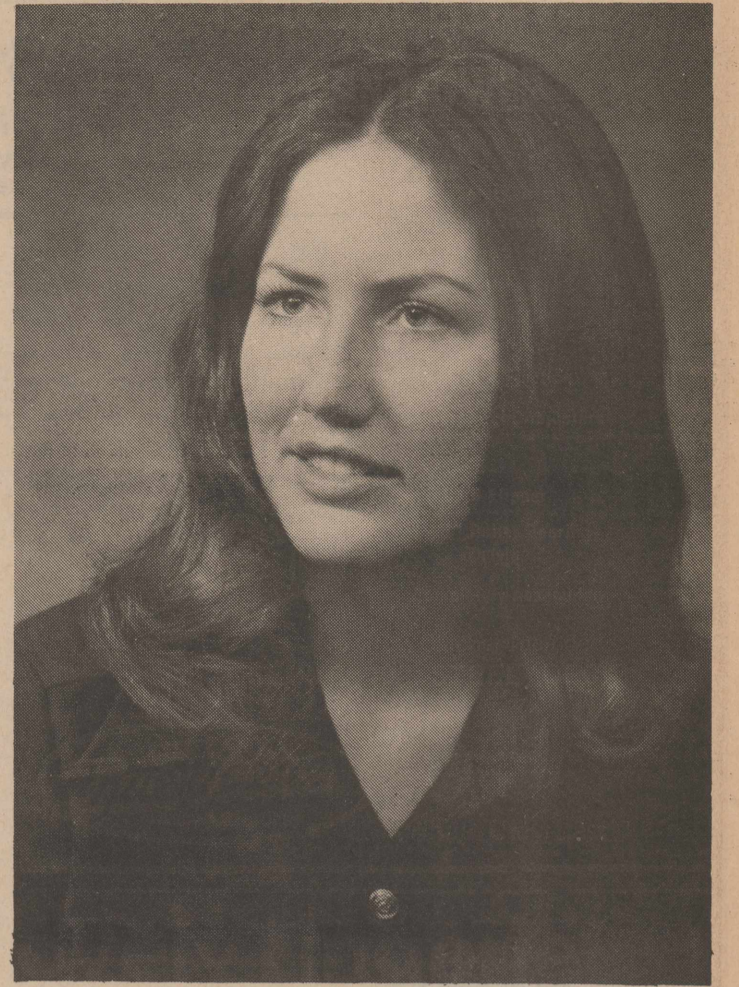

Games of 42 were played, then refreshments were served by the hostess, Mrs. Rosco Land, Miss Maudie Coffee.

A short business meeting was held by Mrs. G.L. Jones, president.

Attending were Mr. and Mrs. E.F. Bartlett, Mrs. Ralph Ball, Mrs. Bryan Denley, Mrs. Paul Starr, Mrs. W.E. Brewster, Mrs. Jennie Holcomb, Mrs. Olean Leggett, Mrs. Ethel Lowrie, Mrs. J.M. Strong, Mrs. Jones, and the hostess, Mrs. Land and Miss Coffee.

Most meat or candy thermometers are not designed for microwave use. The microwaves may cause inaccuracy or damage. Specially designed thermometers are now available for microwave ovens.

Bicentennial clothes will look more authentic if made up in fabrics similar to the originals -- cotton calico, gingham or small prints, Marlene Odle, clothing specialist with the Texas Agricultural Extension Service.

MARY ANNE SCOTT

Engagement of Mary A. Scott, Larry Gaston Announced Here

Mr. and Mrs. Earl R. Scott, 3308 Conner Drive, Canyon, are announcing the forthcoming marriage of their daughter, Mary Anne, to Larry Wayne Gaston of 4203 Summit Circle, Amarillo.

The prospective bridegroom is the son of the Reverend and Mrs. Leroy

Gaston of Spokane, Wash. Miss Scott is attending West Texas University as a physical education major. Mr. Gaston is employed in the management division at Iowa Beef Processors, Amarillo.

The couple will be married Sunday, June 8, in Calvary Baptist Church at Canyon.

WSB Volleyball Team Brings Home Trophies

Wellington State Bank Volley Ball team brought home the trophies this season. They participated in three tournaments. In the Wellington Young Homemakers' tournament they won third place, the Samnorwood tournament gave them a second place and they beat McLean in the Samnorwood Lions' tournament to win the first place trophy.

Playing on the bank sponsored team for the 1975 season were Joline Groves, Zenith Warrick, Linda Brewer, Cheryl Brown, Helen Gollighugh and Vada Wood.

Mrs. Frank Jones Receives Degree

Mrs. Frank Jones of Amarillo, daughter-in-law of Dr. and Mrs. Chas. B. Jones, will receive her bachelor's degree in nursing from West Texas State University Saturday, May 17.

The commencement exercise will be held at 4:30 p.m. in the Amarillo Civic Center Coliseum.

The West Texas State Nursing Program is carried out in co-operation with Northwest Texas Hospital, Amarillo.

Mr. and Mrs. Frank Jones and their four children, Teresa, Sharri, Elizabeth and Tim, visited with his parents during the week end.

HEADACHES AT DFW

The Dallas/Fort Worth Airport will cost \$800 million. When the Atlanta International Airport opened ten years ago, it made Georgia the gateway to the South and the money poured into Atlanta. The Dallas/Fort Worth Airport hasn't brought any boom yet; instead it may be a potential financial bust.

Five years ago, airport planners estimated that DFW would board almost 12 million passengers and handle 275,000 tons of cargo by 1975. Based on the figures so far this year, the

estimate isn't even close. DFW will probably board 7 million passengers and handle only 60,000 tons of cargo. This means that the airlines using the giant facility will have to bear a much larger share of the cost of operating the airport. Landing fees were originally estimated at 50 cents per 1,000 lb., or 10 times the 5 cent rate charged at Love Field in Dallas. The landing fee on opening day was 62 cents. It has since been raised to 97 cents and airline sources say it will hit \$1.02 shortly. For Braniff International, the largest user of DFW facilities, the move from Love Field means an increase of \$9 million in landing fees and property rentals last year.

The recession wiped out prospects for a healthy growth in traffic, but the delay in getting a highly sophisticated surface transportation system between terminals and various facilities has caused a jump in DFW operating costs. The system, called "Airtrans" is now carrying passengers and the manufacturer of the system says it is performing satisfactorily in all respects. Although it is not as critical in the operation of

Science Classes Visit Palo Duro

The eighth grade science classes had a field trip to Palo Duro Canyon Wednesday, April 30, under the sponsorship of their instructor, Charles Floyd.

They first visited the Panhandle Plains Historical Museum, taking in all three floors of the exhibits.

After their sack lunch, they went down Devils Slide, hiked to the Spanish Caves, went to Observation Point and rode the Sad Monkey Railroad.

Accompanying the students and Mr. Floyd were Mrs. James Williams and Coach Ronny Glenn, also three mothers, Mrs. Howard Murdock, Mrs. Dee Burba and Mrs. Ralph Sherrill.

Bankers at Greenbelt Association Meeting

Officers and staff members of Wellington's two banks attended the spring meeting of the Greenbelt Bankers Association in Vernon Thursday evening, April 24.

During the business session, announcement was made that the fall meeting of the association will be held in Wellington, with the two banks as hosts.

The date for the meeting will be set.

Entertainment at the Vernon meeting was pre-

ented by a group from Vernon Community College.

Attending from City State Bank were Mr. and Mrs. Melvin Boothe, Mr. and Mrs. Vennum Fitzgerald, and Mr. and Mrs. Joe Terry.

Representing Wellington State Bank were Mr. and Mrs. Jack Neeley, Joe Montgomery, Marlin Felts and his niece, Amy Petty of Vernon, Mr. and Mrs. Bill Colson, Mrs. Elmer Feemster, Mrs. Wayne Martin, Mr. and Mrs. Paul Bell, Mr. and Mrs. J.I. Morgan, and Mr. and Mrs. Truman Estes.

Quail News

By Mrs. G.T. Stephens

Mrs. Jennie Oatman, 84, entered the High Plains Baptist Hospital in Amarillo Sunday, May 4. She underwent eye surgery Monday. Mrs. Billie Oatman will stay in Amarillo to be with her until she is able to come home.

Mr. and Mrs. Eugene Lee visited in Leveland Saturday and Sunday with his mother, Mrs. Sarah Lee. At present she is at home with her daughter, Mrs. Bob Jenkins. Mrs. Lee has been in poor health for about a year following a stroke.

Ben Farmer has been a patient in the Hall County Hospital in Memphis since Saturday.

Mr. and Mrs. Ople White visited in Childress last Wednesday with Mrs. Carrol Blevins.

Visitors in the home of Mr. and Mrs. Paul Fielding, Rita and Ralph recently were Mr. and Mrs. Ernest Neel of Memphis and Mrs. Dee Francis of Pampa.

Last weekend guests were Mr. and Mrs. Floyd Ford, Mrs. Vada Fielding of Irving, Mrs. Dean Johnson and Mrs. Nell Yost of Dallas, Mr. and Mrs. C.D. Fielding and grandson, Tim Fielding, of Leveland.

Mr. and Mrs. Orbie Hartman met their son and his wife, Mr. and Mrs. J.W. Hartman of Velma, Okla., and their granddaughter and family, Mr. and Mrs. Dickie Forkner, and three children of Lawton, Okla. at Ft. Cobb.

Peters Visit In California

Mr. and Mrs. David Peters returned recently from a ten day vacation. They visited their son, Mr. and Mrs. Fred Peters, Janeen and Andrea in Collinsville, Oklahoma. While there they attended a Swap Meet in Tulsa. They were one of one hundred antique car vendors who displayed antique car parts.

The couple also visited their daughter, Mr. and Mrs. David Kendall, Sheena and Shon in Skiatook, Oklahoma. They departed from Tulsa for an enjoyable flight to California where they visited Mrs. Peters' sister, Mr. and Mrs. Andy Jolley in LaHabra. They visited the usual points of interest, Knotts' Berry Farm, toured the Burbank Studio and watched the taping of the NBC "Tonight Show." Joey Bishop was the master of ceremonies in the absence of Johnny Carson.

One day Mr. Peters and Mr. Jolley went deep sea fishing.

Mrs. Peters said on their return trip they were flying at 33,000 feet, and they located Wellington as they flew over enroute to Tulsa, Oklahoma, where they again visited their son and daughter and then returned home.

Western Singer Charley Pride was on the same plane with the Peters.

Okla. on Sunday, April 27 for a week of fishing and vacationing. Mrs. Hartman reported a wonderful trip with lots of visiting and good catches of fish. They returned to their homes Sunday, May 4.

Worland Robinson spent the night Saturday night in the home of his grandparents, Mr. and Mrs. A.L. Robinson. He was enroute to Fritch to visit his father, Lee Roy Robinson.

Childress UDC Has Program

The Childress Chapter of United Daughters of the Confederacy and the Sarah Elizabeth Underwood Chapter, Children of the Confederacy, presented a program Sunday, April 20, in commemoration of the Confederate Memorial Day, April 26.

A World War I Military Cross of Service was bestowed upon Reuben Rountree of Hereford, formerly of Wellington. His mother, the late Margaret E. Brock Rountree, was a member of the chapter.

Mr. Rountree served in the 141st Infantry, 36th Division, U.S. Army and was honorably discharged July 3, 1919, at Camp Travis.

One of those honored in the memorial service was Mrs. Sam White, the former Lola Rountree.

Mrs. B.B. Martin of Dodson was the recorder of crosses, and Mrs. C.O. Bodine was one of those who placed memorial wreaths for Confederate soldiers.

Members of Mr. Rountree's family attending the ceremony were Mrs. Rountree from Hereford, Mr. and Mrs. Joe Rountree and Mrs. Bill Janes.

VALERIE VAN PELT AND JAMES R. BOWEN

Valerie Van Pelt Wins VFW Loyalty Award

Valerie Van Pelt, 11-year-old fifth grade student in Wellington Elementary School, received a certificate as winner of the Loyalty Day essay contest sponsored by Glynn Moore Post, Veterans of Foreign Wars.

The presentation was made Thursday, May 1, Loyalty Day, at the school, by James R. Bowen, VFW post quartermaster.

Valerie is the daughter of Mr. and Mrs. Don Van Pelt. In addition to her classwork she studies piano with Mrs. Benny Kilgo and sings in one of the children's choirs of First Baptist Church.

Here is Valerie's essay:

LOYALTY

Each year after World War II the American VFW grew more concerned as the communists celebrated the spread of the beliefs by parades and speeches on May 1st. May 1st was designated as May Day by the communists.

The VFW decided that they would have a celebration of their own for May 1st.

Their celebration stresses loyalty to the United States of America, to the American Flag, to the American way of life, and to the thousands of loyal Americans who gave their lives for their country.

President Truman proclaimed May 1st as Loyalty Day in 1948. He deliberately chose May 1st in answer to the challenge of communism.

As we study about Loyalty Day, we realize how important loyalty is to every American. As long as we are loyal to our country and her flag, and to everything it stands for, we will remain a free and independent nation. As Daniel Webster once said, "God grants liberty only to those who love it so strongly that they always loyally guard and defend it."

Mrs. Bura Handley and Mr. and Mrs. Z.J. Neeley of Quail were in Lockney Saturday, May 3, to attend the funeral of Roy Handley.

Paintings of Pieter Bruegel Studied by Excelsior Club

The Excelsior Club met in the home of Mrs. L.W. Wells, Thursday, April 17 at 7:30 p.m.

The meeting was opened with Miss Hattie D. Wells, vice president, presiding. Minutes were read by Mrs. Russell Yates, secretary. Mrs. J.F. Michael, treasurer, gave the treasurer's report. Roll call was answered and a museum safety drawer for preserving the club's records was discussed. Mrs. Wells gave the program on the works of Pieter Bruegel, the Elder.

"The art of Peter Bruegel is universal in scope and appeal," Mrs. Wells told the club. "It is also of great historical importance because it opened new horizons for Flemish and north European painting. In 1590 a trip to the south introduced him to Italian humanism and landscape. He returned to Flanders and began to paint ordinary folk at work and play with a new breadth of style and a lusty, heroic manner. He took the everyday incidents of peasant life, such as harvesting, hunting, village dances and festivities, children playing, and transformed these mundane occurrences into rich paintings and humor."

Bruegel's life spanned the period of 1525 to probably 1569, the era in which the colonization of the New World was beginning.

"Bruegel was given the misleading nickname of 'The Peasant Artist,'" Mrs. Wells continued. This implies that he was ignorant and a salty bumpkin. Bruegel was educated to the fingertips. His circle of friends were the distinguished scientists and scholars of this period. He did not hate or fear the peasants, but painted them in their true identity.

He left no portraits. All his figures are types. His figures are caught in undignified postures of work-a-day life, hopping, tugging and tumbling - casually trapped by his brush into one moment of time.

He might even be compared to Leonardo da Vinci in his sense of a deep and convulsive rhythm of nature against man."

Those attending were Mrs. J.F. Michael, Miss Dorothy Robertson, Miss Wells, Miss Bonnie Willis, Miss Rama Camp, Mrs. Yates, Mrs. Robert Barjenbruch, Mrs. Violet Potter and hostess, Mrs. Wells.

Tips For The Novice Automechanic
by Scott Connor

- ### Radiator Coolant Rusty or Dirty?
- Check the coolant in your car's radiator. Does it have a rusty or dirty appearance? Chances are the coolant is old and the mixture should be changed, to prevent engine and radiator damage.
- The Automotive Parts and Accessories Association recommends that you have a screwdriver, a pair of pliers, a 2½ gallon bucket, a funnel, a flashlight, rags, fresh antifreeze, fresh water, a knee pad and fender blankets to do this simple job well.
- Here's what to do: With the engine cold -
1. Raise the hood and remove the radiator cap.
 2. Locate the radiator draincock, which is generally at the bottom of the radiator.
 3. Drain the coolant from the radiator by opening the draincock counter-clockwise with a pair of pliers. Catch the draining coolant in the bucket.
 4. After all coolant has drained, note the volume of it in the bucket, then discard the old coolant. Run fresh water from a hose through the system at the filler neck of the radiator until the water drains clear.
 5. After all this water has drained from the radiator, close the draincock by hand, then tighten slightly with the pliers.
 6. Mix equal amounts of antifreeze and water in the bucket to a volume equal to that which you drained.
 7. Pour the mixture through the funnel into the radiator.
 8. Start the car and watch the coolant level in the radiator filler neck. As the engine warms up and the level drops, slowly add additional antifreeze mixture until it holds steady at one inch below the filler neck of the radiator.
 9. Replace the radiator cap and turn off engine. Now, go over all the radiator and heater hose connections, making sure each is not leaking. Give each screw clamp a tightening twist with the screwdriver. If you have spring wire clamps and you see no leaks, leave them alone! If one or more are leaking, replace them with good screw clamps.
 10. Lower the hood, clean up, and put your tools away.

Richardson Foundation Awards Four-H Grant

COLLEGE STATION -- More Texas 4-H volunteer leaders will have an opportunity to participate in leadership training programs at the newly completed Texas 4-H Center, thanks to the Sid W. Richardson Foundation of Fort Worth.

The Richardson Foundation has awarded an initial grant of \$25,000 to the Texas 4-H Youth Development Foundation to be used for

travel scholarships for volunteer leaders who attend training workshops at the state center located at Brownwood.

The overall grant totaling \$100,000 is renewable for a three-year period, during which time some 80 training conferences and workshops are being planned for 4-H volunteer leaders throughout the state.

"The grant is designed to boost 4-H volunteer leadership development programs in Texas," said Tom Davison, executive director of the Texas 4-H Youth Development Foundation and 4-H specialist for the Texas Agricultural Extension Service.

Kopp Awarded Accreditation In Accountancy

George "Jack" Kopp has successfully completed the requirements for accreditation in the field of accountancy.

The Accreditation Council for Accountancy, a non-profit corporation sponsored by the National Society of Public Accountants, awarded status to Mr. Kopp on April 23.

The purpose of the Council's accreditation program is to provide a method for the recognition of qualified and ethical practitioners who are engaged in the practice of accounting. The cornerstones of the program are a form of testing for all applicants and the maintenance of accredited status through mandatory continuing education requirements.

As of this date, Mr. Kopp is one of only 3,000 accountants to earn this recognition from the Accreditation Council. He and his wife, Jean, and their children George, Brad and Catherine, reside at 4590 Martin Drive, Boulder, Colorado.

Scouts Camp At New Park

Members of Boy Scout 232 had an overnight camping trip to the Scout Park on Salt Fork River Friday and Saturday, April 18 and 19.

They cooked their food over campfires and slept in tents. They also set out trees at the park site.

This area, first purchased by the county for a park site, is on the south side of the river. With the purchase of the present Pioneer Park site on the north side of Salt Fork, the original tract was made available to boy Scouts and Girl Scouts. They are now in the process of improving the park.

Sixteen boys, along with Scoutmaster Glen McLain and assistant scoutmaster, Lee DeVoss, were on the camp out.

Lunchrooms

WELLINGTON

DON MARTIN

Don Martin to Receive Degree In Pharmacy

Donald Eugene Martin is among the 523 Southwestern State University students who have made application for degrees to be awarded at the end of the spring semester.

Registrar Harrel Kennedy said the university's 71st annual spring convocation will be on Friday, May 16.

Mr. Martin is one of 69 seeking the bachelor of science in pharmacy degree.

The son of Mr. and Mrs. J.Y. Martin, he is a graduate of Wellington High School. He was employed in Oklahoma City during part of the last semester for practical experience which is one requirement for graduation.

He will take his examinations before the State Board of Pharmacy in the fall. Mr. Martin, his wife, Pam, and their small son will be in Wellington this summer.

Two Unhurt as Car Overtakes

Mrs. Doug Chauveaux and her baby, of Tulia, escaped serious injury when their car went off a culvert about six miles west of Wellington on Highway FM 1442 Friday evening, May 2, about 6:00 p.m.

They were en route here to spend the week end with her mother, Mrs. Yvonne Brewer.

The car went off one side of the pavement, and as Mrs. Chauveaux attempted to pull back onto the pavement, it continued on across the road and off the culvert, her mother said.

The vehicle did not overturn but was badly damaged.

Ray Cozad, driver for the Volunteer Ambulance Service was the first to come by and he brought Mrs. Chauveaux and her son to Wellington.

Mr. Chauveaux, a member of the Tulia High School coaching staff, was in Austin with students in the State UIL competition.

He returned by Wellington Sunday for his wife and baby.

Hope For Breakthrough in Arthritis Treatment Soon

Medicines which will be available within the next six months hold out hope of relief to those who suffer from arthritis, almost 1,000 persons, most of them stricken with the disease, were told at a Panhandle-wide meeting in Amarillo Wednesday, April 30.

A number from Collingsworth County were present.

This was sponsored by the Extension Service and the Arthritis Foundation, Panhandle Chapter. Mrs. Arla Felts, county extension agent, was one of those who made plans.

Mrs. Felts announced upon returning that a similar meeting will be held in Wellington tentatively set for next fall. Speakers will include a physical therapist, Miss Mary Sweeten, nutritionist who spoke here earlier this year; and several doctors. Barbara Sears of the National Arthritis Foundation will assist.

Those at the Amarillo meeting were told to let a doctor identify the type of arthritis from which they suffer, rather than deciding for themselves. Osteo and rheumatoid arthritis are best known, but gout is also a form of arthritis, and so are the lupus diseases, Mrs. Felts reported.

Miss Sweeten discussed the affect of food on arthritis, and pointed out that when one is put on a diet, it is usually for something rather than arthritis. Exercise may help some forms of arthritis, but it will be detrimental to others.

Copies of her talk are available in Mrs. Felts office. All speakers tried to build the hopes of those who must

live with arthritis, Mrs. Ernest Harwell said. The group was told that two drugs should be available in about two months that will help arthritics, and another should come in six months that may be a break-through in handling the disease.

Aspirin is still the best bet, however, Mrs. Harwell said, but even this should be taken under a doctor's supervision. Surgical procedures were discussed.

Arthritis in children was discussed, and appearing on the program was a 14-year-old girl who already has had one knee joint replaced and will have the other replaced also.

Mrs. Felts said parents need to be aware that it may not be "growing pains" bothering a child, but arthritis instead.

The crowd exceeded by several hundred the number expected at the meeting.

Brent Wade Elected to WTSU Student Senate

BRENT WADE

WTSU -- Brent Wade, Wellington freshman, has been elected to the Student Senate of West Texas State University, representing the School of Business for the 1975-76 academic year.

Composed of representatives from each class, the Senate adopts policies in the areas of campus activities, student life and finance and makes recommendations to the administration.

To be eligible for the office, students must be enrolled in 12 semester hours and have a 1.0 grade point average on a 3.0 scale.

Wade is the son of Mr. and Mrs. J.B. Wade, 911 Arlington.

Legumes Alternate High Priced Nitrogen

COLLEGE STATION -- Legumes offer a good alternative to paying the high price of commercial nitrogen fertilizer, according to research agronomists with the Texas Agricultural Experiment Station.

Dr. G.W. Evers, with the Texas A&M University Agricultural Research Sta-

Langfords Buy Resort Motel at Ft. Cobb, Okla.

Mr. and Mrs. Bob Langford and their five-year-old son, Lee, moved Monday to Ft. Cobb, Okla., where they will operate Bob's Lakeside Motel and Boat Storage.

This is located on Ft. Cobb Reservoir, and although it is 9 miles from the town of Ft. Cobb, it is in the Willow resort community of about 100 homes.

The Langfords' new business is a resort motel on the northeast side of the lake, only a two-hour drive from Wellington.

It draws fishermen, boaters and skiers. Winter is a popular season, with duck and quail hunting.

This is one of the famous crow-hunting areas of the southwest, due in part to the large acreage of irrigated peanuts in the area. The motel keeps hunters from all parts of the United States during winter crow season, Mr. Langford said. These usually remain for periods of one to two weeks.

Ft. Cobb is also the location of the Tri-County Technical Vocational School.

A life-long Wellington resident, Mr. Langford has sold his interest in Langford Brothers Conoco to his brothers, Billy Langford and Jimmy Langford. He and his wife, Neva, also sold Mode O'Day to Mr. and Mrs. Bill Hall and their home to Mr. and Mrs. Denzil Lacy.

Mr. Langford is a Certified Emergency Medical Technician and a member of the Collingsworth Volunteer Ambulance Service. He has already made arrangements to have oxygen equipment and other emergency medical equipment for the Willow community at the motel. Mr. and Mrs. Langford also were active in First Baptist Church.

tion at Angleton, notes that grazing livestock on legume pastures is one way of getting nitrogen back to the soil. Nitrogen is returned to the soil in the form of urine and feces.

Nitrogen is also added through the decomposition of legume roots and nodules in the soil and the decomposition of legume leaves and stems above the soil.

Evers points out that two perennial legumes, alfalfa and white clover, grow successfully in Texas where they are well adapted.

Dr. F.M. Rouquette, at the Texas A&M University Agricultural Research and Extension Center at Overton, advises delaying late summer nitrogen application and removing grass topgrowth, thereby reducing competition from perennial grass to get maximum production from legumes.

When fertilizing legumes, he recommends liming according to a soil test and using low amounts of nitrogen and higher amounts of phosphorus and potash.

Dr. R.W. Weaver, in the Department of Soil and Crop Sciences at Texas A&M University, contends that the success of using legumes for nitrogen fertilization depends on the success of the inoculation program.

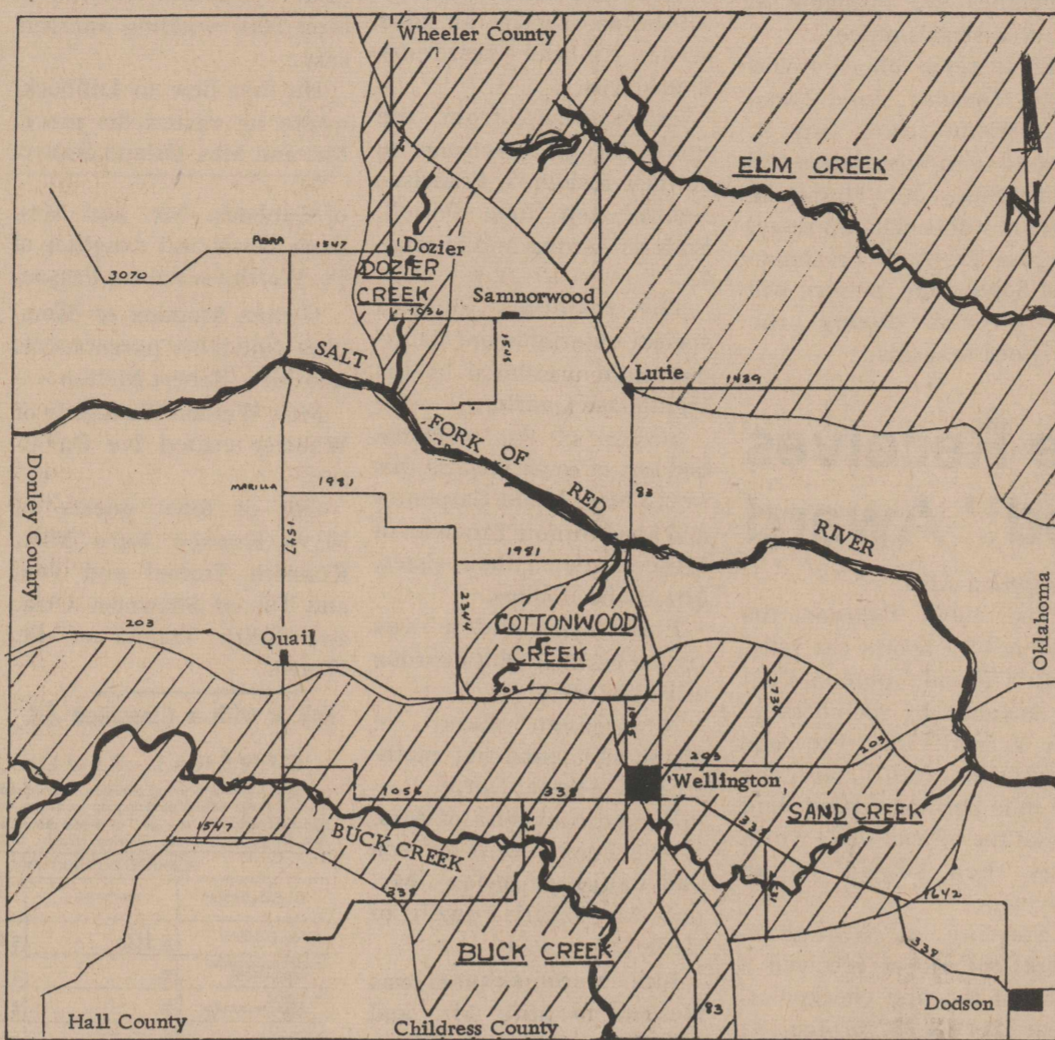

To fix nitrogen, legumes must be nodulated by effective bacteria, he points out. The type of bacteria used for inoculation varies with the type of legume and the soil type of the pasture.

Always use a fresh, high quality inoculant prepared for a specific legume, Weaver advises, and keep it stored in a cool place.

Hays Children Here For Four Day Visit

Visiting with Mrs. J.L. Hays, Myra and Larlu, the weekend of May 1-4 were: Mr. and Mrs. H.L. Pollard, Odessa; Mrs. Emmett Thornton, Pueblo, Colo.; Mr. and Mrs. D.R. Biter, Vernon and Jimmy, Mr. and Mrs. Joe A. Biter and Kristi, and Miss Merle Hays, Wichita Falls;

Mr. and Mrs. Dennie Umfleet, Dee Ann and Denny, Patrick AFB, Florida; Mrs. Mike Pollard and Lori, Grand Prairie; and Miss Barbara Pollard, Colorado City.

WATERSHEDS OF SALT FORK SCD

The entire soil conservation district lies in the Red River Basin, with the Salt Fork of the Red River lending its name to the district itself, as it roughly bisects it from west to

east. The district considers its watershed resources to be of primary importance and will constantly seek ways to promote the wise use and development of these resources.

R. Fourmentin Re-elected as VFW Commander

Officers of the Glynn Moore Post No. 6439, Veterans of Foreign Wars, was called Sunday afternoon, April 20, to elect post officers for the 1975-76 term.

Richard Fourmentin was re-elected post commander. M.W. Paschall was chosen senior vice commander, while Dennis E. Cudd is junior vice commander, and J. R. Bowen was re-elected quarter-master.

Paul Spillman was elected judge advocate, J.P. Sikes, surgeon, John S. Coleman, chaplain, and V.H. Breedlove trustee for a three-year term.

Millard Brown is the outgoing senior vice commander and Parker Turner served as junior vice commander until he moved to El Paso.

Norwood FFA Names Area One Delegates

Six members of Samnorwood Future Farmers Chapter will attend the Area I convention at Tascosa High School, Amarillo Friday and Saturday, April 9 and 10.

Douglas Coleman, Jr., will enter his application for designation as Lone Star Farmer, highest award given on the state level. He was recently chosen the Greenbelt District Star Lone Star Farmer from among 14 applicants by vocational agriculture teachers of the district.

Earl Kirkland will represent the Greenbelt District in the talent contest. He sings and plays the guitar and will be featured on the program of the Samnorwood Lions Club Thursday night, May 8.

Gary Skinner will be the voting delegate. Others attending will be Richard Lee, Gilbert Segura and Arvel Gowin.

Jimmy Brown, vocational agriculture instructor, will accompany the group.

Soil Stewardship Week Urges Responsibility

Soil Stewardship Week, a nationwide observance which emphasizes man's responsibility to protect and conserve soil, water, and other natural resources, will be May 4-11 this year, Douglas Coleman, Chairman of the Salt Fork Soil and Water Conservation District, announced today.

This year's theme, "Test of Strength," emphasizes "how the many changes now occurring in the nation 'test our strength' and affect our continuing responsibility to be good stewards of the land," said Mr. Coleman.

"We hope," said Mr. Coleman, "that during Soil Stewardship Week, millions of Americans will pause for a moment to consider their responsibilities for the protection and use of the Lord's earth."

The district, upon request, provides local churches with programs, bulletin inserts, and copies of this year's observance booklet. The material was prepared by the National Soil Stewardship Advisory Committee of the National Association of Conservation Districts. The advisory committee is composed of churchmen of different faiths.

Nineteen hundred and seventy-five will be the 21st consecutive year that the Salt Fork Soil and Water Conservation District, along with almost 3,000 similar districts throughout the

Dickie Judd At Fort Polk

Dickie Judd enlisted in the Army for a three-year period and reported to Ft. Polk, La. April 24.

Upon completing his 8-weeks basic training, he is due to be transferred to Ft. Hood for electronics training.

Judd graduated from Wellington High School in 1973, then attended Clarendon College and Amarillo College.

His parents are Mr. and Mrs. Dick Judd.

nation, has sponsored Soil Stewardship Week. The custom of setting aside special "Rogation Days" for this purpose began more than 1,500 years ago in France, when French peasants prayed for help after crop failures had brought widespread hunger.

Good Grazing System Combines Forage, Stock

COLLEGE STATION -- "The best grazing system is one that gives optimum vegetation improvement and top livestock performance without sacrificing either plant or animal requirements," says Dr. M.M. Kothmann, associate professor of range science at Texas A&M University and range research scientist with the Texas Agricultural Experiment Station.

Kothmann says there are basically two categories of grazing systems. One is deferred rotation systems where at least half of the total land is grazed at any given time and grazing time equals or exceeds the rest period.

The other type is short duration grazing systems where animals graze less than half of the total land and the length of time a pasture rests exceeds the length of the grazing period.

"Deferred rotation grazing systems give the best livestock performance, while short duration systems give the most rapid range improvement," Kothmann points out.

"If you're trying to improve the range condition and are willing to sacrifice some livestock production, short duration grazing is the best system. A deferred rotation grazing system is better if you're trying to boost livestock production."

The range specialist lists a few points to consider in selecting the right grazing system.

"Look at the number of

Thomas Nursing Center Observes Annual Week

Patients and residents of the local nursing homes will be honored during Nursing Home Week, May 11-17. The observance is sponsored by Texas Nursing Home Association which is affiliated with American Health Care Association.

In joining the program, Tommy Thomas, administrator of Thomas Nursing Center, Inc. announced an Open House on Mother's Day, May 11. This year's theme is "Visitors Welcome!" This will be from 2:30 to 4:30 p.m.

"This is an all-out effort by our profession to get the community to take time for a personal visit and a closer look into the operation of today's nursing homes," said Mr. Thomas.

are meeting that need with continuing expansion of services and facilities," he continued. "We want every-

one to learn what our nursing home is really like, and the total care which is administered to our residents."

AT WASHINGTON CONFERENCE

Attending the 1975 Texas Farm Bureau President's Conference in Washington, D. C. from Wellington was Frank Coleman, right. Shown with him are other area members who attended, reading from left, Mr. and Mrs. Jack Osborne and Raymond Maddox of Gray County, Helen Shaller of Hemphill County, Art Sailor of Gray County, Frank Shaller of Hemphill County and Mr. Coleman.

Coleman Attends Farm Bureau Conference

Participating in the 1975 Texas Farm Bureau President's Conference April 22-24 in Washington, D.C. was Frank Coleman, (right) of Wellington, representing the Collingsworth County Farm Bureau. Attending from this area were Mr. and Mrs. Jack Osborne, Raymond Maddox of Gray County, Helen Shaller Hemphill Co., Art Sailor Gray Co., Frank Shaller Hemphill Co.

Part of a group of some 240 Texans (county FB leaders and some wives and Texas Farm Bureau staff) attending the conference, the leaders met with Texas Congressmen, Senators, and Secretary of Agriculture Earl Butz.

A banquet was held for the group which featured Ameri-

can Farm Bureau Federation President William J. Kuhfuss and the Washington, D.C. AFBF office staff in a discussion of "The Washington Situation."

They saw the usual sights in Washington, including Ford's Theater; the Capitol building; the Supreme Court Building; the Library of Congress; the White House; the Washington, Jefferson and Lincoln Monuments; the Cherry Trees, the Smithsonian Museum; the National Gallery of Art; and Arlington National Cemetery.

Oregon Relatives Visit Mr., Mrs. Ozro Bartlett

Guests of Mr. and Mrs. Ozro Bartlett last week were their daughter-in-law, Mrs. Joe Bartlett of Boardman, Oregon, and their granddaughter, Miss Cynthia Hoef of Pendleton, Oregon.

Miss Hoef's parents are Mr. and Mrs. Ronald Hoef, and her mother will be remembered as June Bartlett.

Mrs. Joe Bartlett is office manager of W.E. Nelson Co., home builders. Mr. Bartlett is irrigation specialist for Sabre Farms, Inc., which has 16,000 acres under irrigation and will add 8,000 additional acres. Major crops are potatoes, corn and wheat.

Irrigation is from the Columbia River, through 7 miles of 72" pipe and an additional 7 miles of canal. Almost 200 engines are used and all irrigation is by pivot systems.

This was Miss Hoef's first visit in Wellington since she was 8 months old -- 19 years ago.

Keep your rental property producing by using Leader Classifieds regularly.

LON KIKER

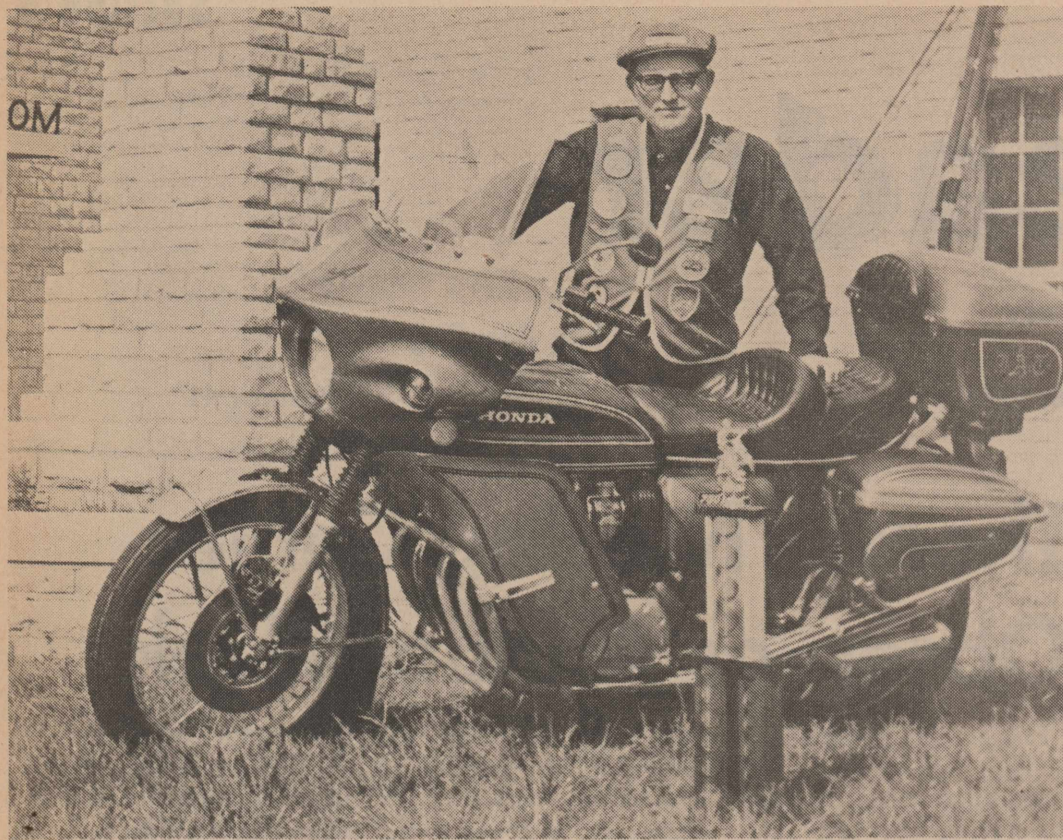

Lon Kiker Wins District FFA Speaking Event

Lon Kiker, freshman in Wellington FFA chapter, placed first in the Greenbelt District public speaking contest at Memphis Wednesday, April 23.

The subject of his prepared talk was "Cotton Producers Need a Fair Price."

He will compete in the Area I FFA public speaking contest in Amarillo May 10.

Lon is the son of Mr. and Mrs. Melvin Kiker.

Frank Phillips College Plans Summer School

Registration for the first Summer Term at Frank Phillips College has been announced for Monday, June 2, with classes being held for the first time Monday through Thursday only. Schedules are available at the Registrar's office. First term classes will begin Tuesday, June 3 and end Wednesday, July 9. Second term registration will be Thursday, July 11 and the session will conclude Friday, August 15. Both Freshman and Sophomore courses will be offered during the six-week sessions.

Thomas Cycle Receives "Best Dressed" Award

The best dressed bike award at the First Annual Poker Run of the Eagle Flats Motorcycle Club went to Mr. and Mrs. John Alf Thomas, for their Honda.

The event was held at Vernon Sunday, April 25, and the couple received a large trophy.

The machine, with Wixom fairing, leg shields, saddle bags and touring case, are in the Honda orange color. The pin striping on the bike was done by Pat McAlister. The machine has the Thomas' cattle brand on the fairings and bags and their initials in gold lettering on the side of the touring case. Across the back of the touring pack is the music to "Tennessee Waltz." This bike also has an AM-FM radio.

Fifty-one motorcyclists registered for the event, coming from Bowie, Wellington, Wichita Falls, Shepard Air Force Base, Altus, Childress, Quanah and other area towns. Among them were a group of airmen from West Germany training at

Sheppard AFB. The event followed the format of a sports car rally, with a 70 mile route laid out in advance by members of the Vernon Club, who rode out the route at the 55-mile-per-hour speed limit to set the official time, which was then sealed in an envelope.

Starting at Allingham Park, the riders received a map of the first checkpoint, near the US 287 bridge. At each checkpoint, the rider picked up a playing card and a map to the next checkpoint. The route carried them to Farmers Valley, Odell, the Lovers Lane overpass and Santa Rosa Rodeo Grounds.

Going from Wellington were Mr. and Mrs. Thomas, Mr. and Mrs. Kenneth Foster, Farris Wood and Joe Wood.

Recent guests of Mr. and Mrs. G.N. Davis were their son, Mike Davis, his fiancée and her brother, Miss Karen Martin and Kent Martin of Lubbock.

Thomas Nursing Center News

Things are really buzzing around the Thomas Nursing Center while the residents get ready for their Busy Bee Bazaar. The Bazaar is to be held at the Thomas Nursing Center on Friday, May 9th from 1 to 4 p.m. Items which will be on sale are all hand made by the residents themselves.

Other news from the center brings a welcome to our new residents, Francisco Aguirre and John Powell. Both on A-wing and in room 12.

The residents enjoyed special entertainment Saturday night presented by the Lighthouse Quartet.

Several of the residents had out of town visitors this week, Mrs. Maud Carpenter and Mrs. Minnie Freeman of McLean visited their sister, Mrs. Effie Phillips.

Emma McLendon was visited by Mrs. Olin Bearden of Hollis, Okla.

Mrs. Jean Hamil of Shamrock visited her mother, Mrs. Minnie Horne.

Weekend visitors of Mrs. Jennie Powell were her son and daughter-in-law, Mr. and Mrs. Bill Powell of Hedley.

Mrs. Mabel Graham was pleased to have Mr. and Mrs. Lloyd Graham of Olton, Mr. and Mrs. Garrett McCasland of Dallas and Mrs. G.B. McCasland of Royce City.

Mr. and Mrs. Tom Johnson of Shallowater and Mr. and Mrs. Lewis Underwood of Mobeetie were weekend guests of Mrs. Grace Johnson.

Lula Williams was visited by Mr. and Mrs. Bill Newton

Tom Williams Visits From California

Tom Williams of Santa Barbara, Calif., left Monday, April 28, after a week's visit with his sister and brother-in-law, Mr. and Mrs. J.B. Stevenson.

Mr. Williams moved to California from Ft. Worth in the early 1940s. His last visit to Wellington was three years ago when Mr. and Mrs. Stevenson celebrated their 50th wedding anniversary.

He first flew to Lubbock, where he visited his niece, Mr. and Mrs. Orland Butler.

of Lubbock. Mr. and Mrs. Jerry Lewis and daughter of Ft. Worth visited Ira Passon.

Glenna Maddox of Memphis visited her parents, Mr. and Mrs. Robert Melton.

Mrs. Weldon Weatherly of Wheeler visited Iva Davidson.

Out of town guests of Myra Keesee were Mrs. Kenneth Tramel and Toni and Tim of Shawnee, Okla. and Edith Tramel of Ft. Worth.

Addresses of Norwood Ex-Students Sought

In an effort to contact all graduates of Samnorwood High School since the first class in 1935, a list has been compiled of those whose present addresses are not known.

"We shall appreciate receiving this information from anyone who can help us," said Mrs. Paul Schaub (Harriett Lowry) who is working with this listing. "It is our hope that we will be able to contact each of these before our 40-year reunion to be held over the July 4 week end."

The list, including the married names of part of the girls, shows these names:

1935: Fred Thompson, Finis Hall, Lois Fritts Kite.
1936: Aleene Sparlin Spangles, Floy Sparlin, Edna Wilkerson Merrith, Mahota Wilson Ray.
1937: Novelle Throckmorton.
1938: Inez Hill Cooper, Thomas Seale, Russell Clement, Lois Crossland Price.
1939: Medie R. Martin.

Quenton Fritts, Sammie Glazner Gaither, J.P. Cody, Mr. and Mrs. Gene Clevenger.

1940: Pauline Rainey Morris, Norman DeBord, Juanita Robertson Herring, Lora Hill Dickenson, Margaret E. Cleveland.

1941: Juanita Decker, Modena Shaw Vaskin.

1932: Nellie B. Henderson, Willie Decker, Arlene Young Austin.

1943: Louise Brooks, Helen Williams, Norris Sechrist, Billy Ponder, Nell Ponder and Mary E. Morris.

1944: Norma Faye Hayes Jolley, Jessie DeBord and Evelyn Crossland.

1948: Maxine Eagle and Jewell Henderson Boggs.

1949: Louise Craddock, Wanda Browning Pederson, Cleo Brooks, and Delores Filchgerald.

1952: Naomie Lamb and Garland Lamb.

1953: Geraldine Moody, Marland Sheffield, and Juanita Baker Davis.

1956: Bill Simpson.
1957: Donald Poore.
1958: Sylvia Payne Smith.

1961: Lew Edward Johnson, Lena Johnson and Harvey North.

1962: Barbara Favor and Bobby Stevenson.

1963: Michael Wischkaemper and Carlos McLe-

more.
1964: Douglas Wright.
1966: Alvin Lisle.
1970: Ruthie Dwight Herro and Gary A. Oldham.

LYNA COLEMAN

Lyna Coleman Initiated in WT Fraternity

Lyna Coleman was formally initiated into the Beta Zeta Chapter, Delta Psi Kappa Fraternity of West Texas State University on Sunday, April 13.

The initiation ceremony was held in the Faith Chapel on the West Texas State campus.

Delta Psi Kappa is a physical education fraternity for women.

Lyna is the daughter of Mr. and Mrs. Donald Coleman of Samnorwood. She is a junior at West Texas State University, majoring in physical education.

Guests in the home of Mrs. W.E. Winters this week end were her daughter, Mr. and Mrs. V.E. Trammell of Ft. Worth and her grandson, Mr. and Mrs. Kenneth Trammell, Kim and Toni of Shawnee, Oklahoma.

Hospital Notes

Visiting Hours: 2:00 to 4:30 p.m.; 7:00 to 8:30 p.m.

Ruth Bishop, medical, April 14 to 21.

Mrs. Guy Bumpas, medical, April 14 to 17.

John Coffee, medical, April 14 to 17.

Dick Hill of Shamrock, medical, April 15 to 24.

Rosie Garcia, daughter of Mr. and Mrs. Jessie Garcia, surgical, April 15 to 21.

Mrs. Rob Isbell, medical, April 16 to 29.

Mrs. Craig Bergvall, obstetrical, April 17 to 23.

Tommy Gibbons, grandson of Mr. and Mrs. Doc Turner, traumatic surgery, April 17 to 20.

Ernest Moody, medical, April 19 and 20.

Yvonne Thomas, medical, April 19 to 26.

Anetta Inghram, daughter of Mrs. Glenna Inghram, medical, April 20 to 22.

Mrs. Vera Coffee, medical, April 21 to 29.

Mrs. Clara Bettis, medical, April 21 to 29.

Lee Roy Brinkley, medical,

April 22 and 23.

Dorma Lee Tyler, medical, April 23 to 26.

Joe Powell was admitted April 24 for medical treatment.

Joe Simpson, medical, has been a patient since April 24.

Mrs. Herbert Duncan, medical, has been hospitalized since April 26.

John Coffee, medical, was admitted for medical treatment April 27.

Mrs. Fern Lewis, medical, entered the hospital April 28.

Ruby L. Tyson, medical, was admitted April 28.

R.J. Branch entered for medical treatment April 28.

Felix Hunt, medical, was admitted April 28.

Mrs. Dulan Crosnoe of Hollis, medical, was admitted April 28.

Ralph Hicks, traumatic surgery, was admitted April 29.

Patients admitted earlier and dismissed after April 14

Rabies in Texas Up 46 Percent in 1974

During 1974 there were nearly 400 laboratory confirmed animal rabies cases in Texas. This represents an increase of 125 cases -- or a 46 per cent rise -- over the cases in 1973.

One big increase was in the number of dogs with rabies. While only seven dogs were found with rabies in 1973, this number jumped to nearly 90 during 1974. In addition, nine cats were found to be rabid.

Attend ... Bring a Friend

Thank You!

We want to take this means of saying 'THANK YOU' to all the fine people of Collingsworth County for many years of good friendship and patronage.

We have sold our interest in Langford Bros. Conoco to Billy and Jimmy Langford; and we have sold our Mode O'Day store to Judy and Bill Hall. We wish them all continued success.

It is with a sense of regret that we leave Wellington, but we are excited about the future. We have purchased a motel and boat storage facility at Ft. Cobb, Oklahoma. Come visit us any time at Bob's Lakeside Motel and Boat Storage.

Thank you again for the many kindnesses to both of us throughout the years.

Don't Wait Until May 26 To Begin Cleaning Up

Wellington's Clean-up Campaign comes the last week in May, and this one is most important in view of the city's participation in the statewide Governor's Community Achievement Awards program, directed by the Beautify Texas Council.

By the same count, the effectiveness of this clean-up is going to depend on what we do before May 26 in the way of cleaning up.

It is to be expected that we clean our own premises, but some plan of improvement of beautification should be worked out for almost every home in Wellington. Only touching up will be needed at some homes. Others may want to start from scratch.

This type of improvement does not have to be expensive. Nor does it take skill or experience to carry out.

Some improvement work is beyond the scope of the individual, and the City has a number of plans on the drawing board, including such things as new tennis courts, baseball field renovation, etc. Organizations will doubtless join in.

Beautifying Wellington will do more than satisfy our esthetic sense. A beautiful, cared for town automatically has its welcome mat out to tourists and expanding or new industries, to young people wanting to raise families in a small town of quality, to retiring professional people or senior citizens wanting an attractive place to live.

Tourists, industries and individuals prefer to spend their time and money in a town where clean streets and well-kept neighborhoods are evidence of community pride and civic responsibility. This town can be Wellington!

Other Editors Say . . .

Horatio Alger

Most young folks today don't remember Horatio Alger, but he was the young fellow of yesterday who rose from poor but honest beginnings to position of wealth and power by application of the principals of thrift, honesty and above all, hard work.

This kind of story seems corny today in an era of sharp dealings and political conniving, but Horatio Alger served as a good example for a lot of young Americans who are now mature men.

It may be that Ed Livermore, Jr., editor of the Edmond Booster has come up with a current Horatio Alger story.

Back around 1960, a young student from Iran found himself at Central State University in Edmond. He was unable to speak English very well and needed an automobile. He went to several dealers and even with his limited vocabulary and knowledge of car trades, realized that he was being over-priced.

He went to Bob Ford, the Edmond Chevrolet dealer, who went out of his way to get the young Iranian the kind of car he wanted at the kind of price he could pay.

This year, Mr. Robert Azarmi of Iran returned to Edmond, not as a student, but as the sole purchasing agent for the Iranian Contractors Association.

In his pocket he had an order for 750 dump trucks and 350 pickups, an order amounting to several million dollars.

Guess where he took his order?

Said Robert Azarmi: "I'm pleased and grateful to God that I made the decision to go to these people for my needs."

And said Bob Ford: "It's unbelievable. He was just an ordinary student and we sold him an automobile. When you cast your bread upon the waters, you never know how it will come back to you."

Bob Ford may not be a Horatio Alger. But he certainly found out that an application of the Algerian principles of hard work and honesty can certainly pave the road to financial success.

— The Perryton Herald

Nature's revolt

When Australia adopted the metric system a few years ago, the changeover was not without its unexpected pitfalls. For example, one irate letter writer complained to an editor:

"Since eggs went metric they have been pale in yolk color and lacking in freshness. This clearly shows that (chickens) cannot adjust to laying different-size eggs."

"We tamper with nature at our peril."

STATE CAPITAL Highlights AND Sidelights

by Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN — Major legislation bearing on property tax values throughout the State has been passed by the House and sent to the Senate.

Representatives approved two separate measures which some contend provide for "the first major overhaul of the property tax structure in Texas this century."

HB 637 by Rep. Luther Jones of El Paso establishes a legislative tax board which will conduct an \$8 million statewide audit of taxable property during the next two years.

HB 1463 by Rep. Wayne Peveto of Orange would direct all property tax appraisals to be made by countywide offices. Local taxing authorities would still establish their own tax rates and assessment ratios under the legislation.

The State Comptroller's office would develop standards and procedures for the county tax appraisers.

Both bills are regarded as important to school finance reform. Many of the school measures would base allocation of state aid on market value of district property.

VOTE BILLS ADVANCED

Bills important to the legislative process cleared the House in a busy week.

HB 4 revises the 1973 campaign reporting and disclosure act, and establishes a bipartisan commission to enforce it.

SB 300, with a controversial party purity amendment attached, provides for a computer-policed permanent voter registration system. The measure returns to the Senate, which previously has rejected the "purity" provision requiring voters to register by party preference.

Other major bills passed by the House last week would provide for establishment of Health Maintenance Organizations (SB 180) and encourage rape victims (HB 284) to report crimes and aid prosecutors in getting convictions. The HMO bill went back to the Senate with a minor amendment and is expected soon to be signed into law.

LAWYERS CURBED

A State Bar of Texas Committee on Professional Ethics has held city councilmen and mayors who are lawyers should not practice in municipal courts or represent clients in cases initiated by city police officers.

Morris Hassell of Rusk, committee chairman, said some of the same reasoning used in the opinion could be applied to legislators practicing before state agencies.

COURTS SPEAK

A State Supreme Court decision cast doubts on cities' rights to regulate telephone rates for "extended metropolitan area service." The high court upheld an intermediate House court finding that a city has no inherent power to regulate utility rates, but only that granted by the legislature.

The Supreme Court also affirmed a \$139,194 damage judgment against a Houston

finance firm following the death of a man from a heart attack after efforts to collect a \$158 debt.

In another case, the high court found no usury in a Dallas savings association's \$24,985 profit from arranging a \$150,000 loan for a development firm.

AG OPINIONS

The legislature has authority to require public utilities to refund to customers excessive rates, Atty. Gen. John Hill held.

In other recent opinions, the Attorney General concluded:

- A commissioners court is not required to call an election for purpose of invalidating previously-authorized road bonds on presentation of a petition.

- The legislature may alter the method of selecting members of public service boards so long as the agencies' economic obligations are not impaired.

- A commissioners court's mere refusal to ratify a prior action allegedly taken in violation of the open meetings act does not of itself have the effect of invalidating the earlier action.

APPOINTMENTS

R. Paul Teague Sr. of Texas City was named by Gov. Dolph Briscoe to the College Coordinating Board, succeeding Loren Bryce Meaders of Dallas who resigned.

Briscoe appointed Michael P. Metcalf of Dumas district judge of the 69th district (Deaf Smith, Oldham, Moore, Hartley, Sherman and Dallam counties).

He named Barry E. Blackwell of Dalhart to succeed Metcalf as 69th district attorney.

Tom Cole of Houston is new deputy general counsel for the Republican Party of Texas.

Roy M. Talley of Austin will serve on the legal committee of the Interstate Oil Compact Commission for Texas.

SHORT SNORTS

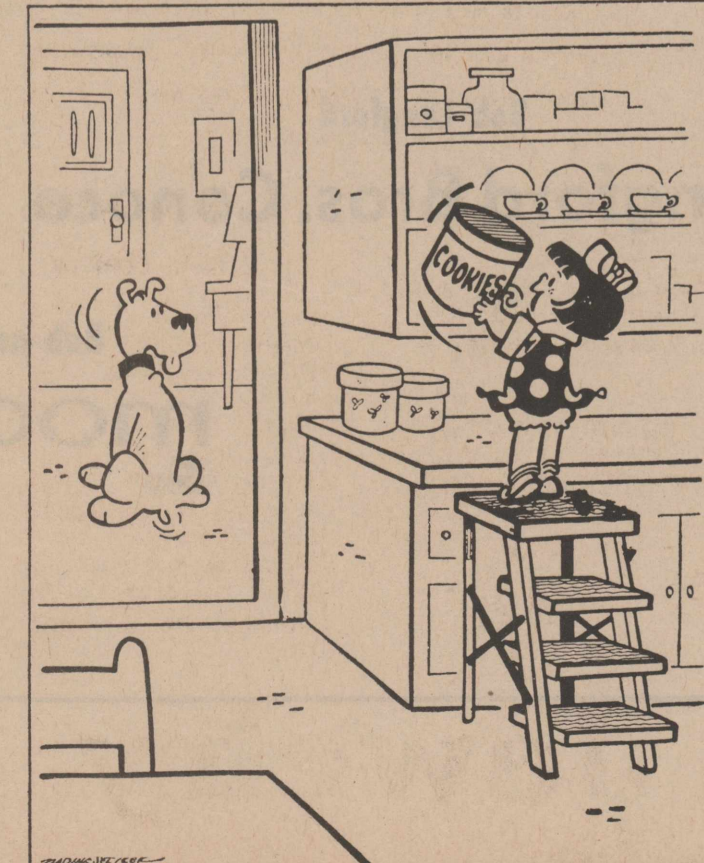

The Governor entered into an agreement with the U.S.

Volunteer Care Corps Helps Children, Aged

Representatives of the local Department of Public Welfare have formed a new state volunteer program called the Care Corps.

They met recently with the pastors' wives of the county and discussed the needs. Mrs. Erwin Emmert was appointed chairwoman and Mrs. Roy Collins, vice chairwoman. Other women serving on the committee are Mrs. Elvis Pitts, Mrs. Charles Waugh, Mrs. James Boswell, Mrs. Andres Rodriguez, Mrs. Carl McKinney, Mrs. Steve Dolloff, Mrs. Tommy Anderson, Mrs. Enoch Fuller and Mrs. L.A. Davis.

The women were told of the need for volunteers to work with children, older people, foster homes, provide transportation for the aged, do baby sitting and help with planning family budget. They were asked to present these needs to the women of their respective congregations.

The following volunteers already committed were submitted by DPW representative, John Alf Thomas last week:

Mrs. Bill Moseley, Mrs. Tom Anderson, Mrs. Bob Weatherly, Mrs. Vennum Fitzgerald, Mrs. Pete Scott, Mrs. Elmer Hiett, Mrs. Boyd Derryberry, Mrs. D. C. Thomason, Mrs. Farris Wood, Mrs. Erwin Emmert, Mrs. C. O. Wilkerson, Mrs. Dudley Phipps, Mrs. Clyde Emmert, Rosalee Roberson, Mrs. Ozro Bartlett, Mrs. Sandy Parson, Mrs. Nora Johnson, Mrs. Charles Waugh, Mrs. Charles Darter, Mrs. Jack Sanford, Mrs. Raymond Neeley, Mrs. Tommy Powell and Mrs. Sandown Smith.

Mr. Thomas stressed they would like more volunteers and anyone interested should contact any of the committee women or the DPW Office. He continued that with enough volunteers no one would need to work more than one day each month.

Nova Purdy, Volunteer Coordinator, will come from Lubbock Thursday, May 15 to train the volunteers in this program. They will meet at 1:00 p.m. on the second floor of the court house Room 10, where the Welfare Office is located.

Mrs. Marie Saunders Receives PhD in May

A former Wellington woman, Mrs. Marie Harrell Saunders, will receive her PhD degree in English from the University of Oklahoma in May. She is an Associate Professor of English at Central State University, Edmond, Oklahoma, where she has been teaching for 9 years.

Her husband, Willis Lawrence Saunders, Jr., a Baptist minister, is chaplain of the Baptist Hospital in Oklahoma City.

Mrs. Saunders dissertation for her doctorate was on John Milton and the subject was "The Concept of Responsibility in Milton's Major Poems."

She received her B.A. degree with a major in English at Hardin-Simmons University, Abilene, in 1949 and M.A. degree with major in English from New Mexico Highlands University, Las Vegas, New Mexico, in 1964. She taught a year in San

Betty Rose Moore Passes Board

Betty Rose Moore, a short time ago passed her examinations before the Board of Examiners of the State of Texas to become a registered nurse. She is on the staff of Collingsworth General Hospital.

Miss Moore, who graduated from Wellington High School, received her Associate of Science degree in Nursing from Amarillo College at the end of the summer term in August 1974 with a 3.429 grade point average.

A lifelong Wellington resident, she is the daughter of Mrs. Frankie Moore.

Antonio Junior College, San Antonio, before going to Central State University.

Born in Wellington, Mrs. Saunders is the daughter of the late Mr. and Mrs. C.H. Harrell and graduated from high school here in 1939.

She and Rev. Saunders were married in September 1947, while he was pastor of Faith Baptist Church. From Wellington, he was called into the Navy as Chaplain.

They have three children, Mary Anne, born in 1954, and married to 2nd Lt. Weldon N. Griffin, who is presently with the Army in Korea; Mark Allen, born in 1958, a junior at John Marshall High School, Oklahoma City; and Alice Lyna, born in 1960, a freshman at John Marshall High School.

Other members of the Harrell family include her brothers and sister, Dempsey Harrell and Thurston Harrell of Borger and Mrs. Velma Welpton of Ft. Worth.

Health Tips

Texas Medical Association

"HEIMLICH HUG" CAN BE A LIFESAVER

What would you do if you encountered a person choking-unable to talk or breathe? Most people would probably slap them on the back and hope the problem would work itself out. Now, however, there's a better way! It's called the "Heimlich Maneuver" or the "Heimlich Hug". It was devised by Dr. Henry J. Heimlich, director of surgery at the Jewish Hospital in Cincinnati and in most cases where the "Hug" was applied, a life has been saved.

Because the "Hug" is so easy and quick to do, and because its results have been so successful, the Texas

Medical Association recommends that everyone become familiar with it so that future choking victims can be spared a needless death.

Prompt action is required to save a choking victim because death can occur inside of four minutes. The "Heimlich Hug", which you may want to practice on a willing "victim" first, can be applied from the standing position in this fashion:

1. Stand behind the victim and wrap your arms around his waist, allowing the victim's head, arms and upper torso to hang forward.
2. Make a fist with one hand and grab it with the other. Place the fist against the victim's abdomen, slightly above the navel and below the rib cage.
3. Squeeze the fist into the victim's abdomen with a forceful upward thrust. This

may be repeated if necessary.

(Note: A second person should be prepared to remove ejected food or other obstruction from the victim's throat when it is expelled.)

If the victim has already collapsed, the rescuer need not pick him up. Face down or face up, the procedure is basically the same: Straddle the victim. Place both hands (one on top of the other) just below the victim's diaphragm. Then push sharply toward the victim's head. The procedure should be repeated if necessary.

(Note: A second person should be prepared to remove ejected food or other obstruction from the victim's throat when it is expelled.)

The idea of the "Heimlich Hug" is to compress the air in the lungs, so that food stuck in the throat pops out, enabling the victim to breathe again.

Every year in the United States, 3900 people strangle on food stuck in their throats. That's more people than are killed each year in accidental shootings. In most cases, the incident occurs at the dinner table. The victim suddenly chokes, turns blue or black, and is dead within minutes. He can neither speak nor help himself. And chances are no one else will help him either since bystanders usually confuse the episode with a heart attack. Thus the popular appellation, "cafe coronary."

The typical case of "cafe coronary" involves an elderly person with either no

Rolling Plains PCA Holds Two Annual Meetings

The Rolling Plains Production Credit Association held its 41st Annual Stockholders' Meeting in Matador, April 19 and Stamford, April 26 with attendance of 655 Stockholders and guests.

J.R. Gleaton, President, disclosed that the Rolling Plains PCA had a capital structure of almost 6 million dollars and loans outstanding as of December 31, 1974, in excess of 30 million dollars. He also reported that PCA is handling Crop Hail Insurance as another service to its members.

W.J. Boykin, Director from Northfield, gave the Report from the Board.

Jack H. Barton, Senior Vice-President of Federal Intermediate Credit Bank of Houston was the guest speaker at the Matador session and Marsha Martin, Assistant Vice-President, FICB, at the Stamford session.

The Stockholders elected W.J. Boykin of Northfield and Mack T. Claburn of Anson to the Board of Directors. The Board held a meeting following the Annual Meeting and re-elected Mr. Lasater Hensley, Guthrie, as Chairman of the Board and Mack T. Claburn,

chewing teeth, or with ill-fitting dentures. The victim also often has been drinking, and so is not as careful as he should be about cutting up his meat or chewing adequately.

In one case, a man told his wife, "Mabel, you can't swallow that big piece of steak." She replied, "Oh yes I can!" Unfortunately, those were her last words.

Wm. McClaskey Gets National Bankers Honor

William W. McClaskey, president of the First National Bank of Goliad, has been named a Certified Commercial Lender (CCL) by the American Bankers Association. He was one of 200 bankers to receive the honor at an awards presentation in New York City recently.

The program, similar in scope to the CLU (Credit Life Underwriter) concept for insurance executives, was begun this year.

Mr. McClaskey, who began his banking career in Wellington, is the son of Mrs. W.W. McClaskey and brother of Mrs. Keith Smith.

In a news release from the ABA, this description of the CCL was given:

"Designated to raise the professional standards and improve the commercial lending function within banking systems, the CCL program identifies and examines persons with

acceptable knowledge of the principles and practices of, and laws affecting, commercial lending; encourages commercial lending officers in a continuing program of professional development, and assists bank management in assessing the abilities of commercial lending officers."

Bankers applying for the CCL designation are examined and certified by a 10-member accreditation board composed of top bankers from every section of the country.

Mrs. Billy Hudspeth and daughter, Dede, and Mrs. Jerry Cummins and daughter, Kerri, of Hollis were Wellington visitors Monday morning.

Remember **Reddy** Supplies the energy—but only YOU can use it wisely!

Reddy's helpful tips for your Dishwasher

- A dishwasher will usually hold a whole day's dishes. It takes as much hot water and energy to wash 1 dish as it does a full load. Stack your dishes out of sight in your dishwasher and wait until you have a full load to turn it on.
- Use only detergents manufactured specifically for dishwashers. A wetting agent helps prevent water spots on glasses and silverware.
- Clean the filter screen often. A clogged filter can reduce the efficiency of your dishwasher.
