County Democrats Planning Dinner, Ag. Commissioner Hightower Speaker

Fisher County Democrats will have the pleasure of hearing State Commissioner of Agriculture Jim Hightower speak at their county-wide bar-be-que dinner this coming Monday, October 29th. The

dinner will be held at the Roby High School gymnasium at 6:30 p.m. and tickets are \$10 each. Local State Representative Steve Carriker, who will emcee the event, said

that the dinner is an expression of support for the Democratic ticket from

County Blood Drive Is Most Successful

A total of 64 Fisher County individuals volunteered to donate blood in last Monday's semi-annual blood drive, according to Carol Roberts, Fisher County Ladies' Auxiliary President and blood drive coordinator.

"We had 64 people show up to give blood but only 57 pints were accepted," said Carol Roberts. She indicated that the drive conducted last Monday was the biggest in total pints collected in the history of the 4 year drive.

"We want to express our sincere thanks to the 64 individuals that showed up to give blood and to everyone helping to make this drive successful," said Carol Roberts.

top to bottom and that all local Democratic office holders and candidates will be recognized.

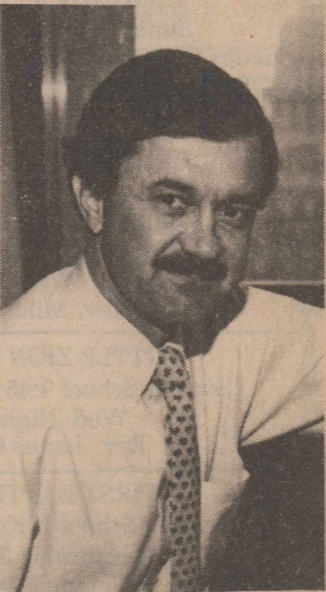

"Anyone who's heard Jim Hightower speak can tell you that his perfor-

mance alone is worth the price of admission. This is a rare privilege to have "Whole Hog" Hightower here and an event you won't want to miss", Carriker said.

Roby Firemen Plan Annual Turkey Shoot

The Roby Volunteer Fire Department will be sponsoring their annual Turkey Shoot on Sunday, October 28th beginning at 1:00 p.m., at the R.D. Terry Farm, southwest of Roby on Highway 419, according to department officials.

The annual shoot will feature bingo, .22 target shooting, skeet shooting and ceramic turkey shooting. Frozen turkeys will be given as prizes.

Sen. Farabee Announces \$97,587 Grant For Rotan

Texas Senator Ray Farabee of Wichita Falls announced recently that Texas Governor Mark White approved a \$96,587.00 grant from the Texas Department of Community Affairs to the Rotan Housing Authority for the purpose of maintaining a weatherization project.

The grant money actually is from the Federal Department of Energy but is administered and awarded by the Governor through

the Texas Department of Community Affairs.

The monies used for the grant are removed from a petroleum violation escrow fund that fines large oil companies found to be in violation of federal laws.

Rotan is just one of the two Texas cities in the 30th Senatorial District represented by Ray Farabee to receive the grant. The other is Spur, Texas scheduled to receive a grant of \$26,000.00.

Open House Of New \$615,695.00 County Highway Office Sunday

Fisher County residents will have the opportunity to attend the open house of the State Department of Highways and Public

Transportation maintenance facility in Roby this Sunday between the hours of 2:00 p.m. and 4:00 p.m., according to Bernie Cumbie, Jr., maintenance supervisor.

The \$615,695.00 project, completed in August of 1983, is located 1.7 miles west of Roby on Highway 180. The cost of the building was \$327,700.00 and the cost of the grounds work (concrete slabs, curbs and gutters, etc amounted to \$287,995.00. The new building contains 9,453 square feet, according to Cumbie.

Funding for the project actually began in November of 1974 when some fencing was installed and ground improvement accomplished. In 1975 the department began suffering from a low cash flow and the Fisher County project was put "on hold" until it was re-activated in 1982. In April of 1983 the bid was let for the construction of the building, which was completed in August of 1983. The funds used for construction of the new facility could only be used for the construc-

HOMECOMING QUEEN: Georgette Ramirez, daughter of Mrs. Delores Ramirez, was crowned Homecoming Queen for 1984 at the halftime ceremonies last Friday night between Rotan's and Haskell's football game. Georgette is a cheerleader and was escorted by her brother Ted Ramirez during the special ceremonies.

Absentee Voting Gets Interest,

92 Ballots Out

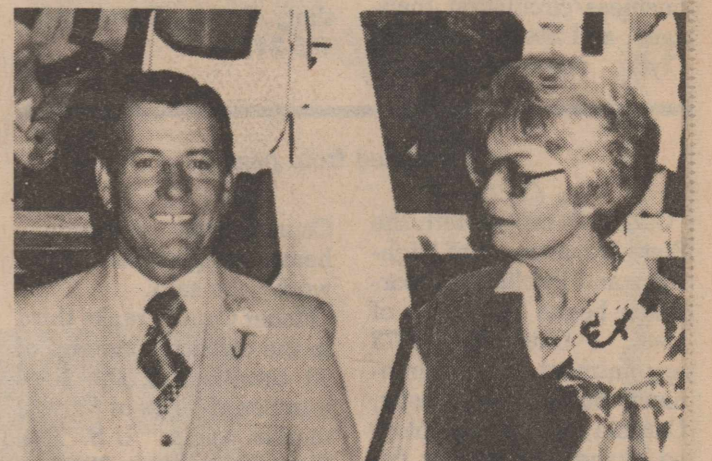

Fisher County Clerk Bettie Rivers indicated that "across the counter" absentee balloting for the November General Election, set for November 6th, "is running a little higher for the first three days than in previous years."

A total of 36 Fisher County voters cast ballots across the counter between Wednesday, October 17th and Friday, October 19th (first three days), according to Bettie Rivers.

In addition a total of 56 ballots were mailed to Fisher County voters. The deadline for voting absentee, in person, is Friday, November 2nd at 5:00 p.m. This act can be accomplished at the office of Fisher County Clerk Bettie Rivers, between normal business hours.

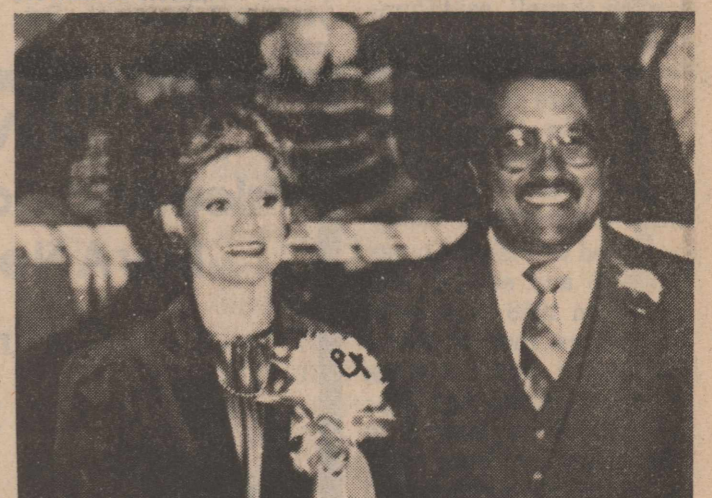

HOMECOMING CANDIDATE: Representing the class of 1944 as the Homecoming Queen Candidate was Helen (Albert) Noles of Roby. She was escorted by Horace Carter of Rotan.

CANDIDATE FOR QUEEN: Representing the Rotan High School graduating class of 1954 was Clarice (Higgins) Ray. She was escorted last Friday night by James Mann of Rotan.

QUEEN CANDIDATE AND ESCORT: Representing the class of 1964 during the annual Rotan Homecoming activities was Ann (Klepper) Woodruff, escorted by Jim Nowlin of Rotan.

HOMECOMING QUEEN CANDIDATES: Representing the Rotan High School graduating class of 1974 was Brenda (Wallace) Goodwin. She was escorted by Raymond (Hoss) Carrillo of Rotan.

He Is Only A Boy

Please don't curse the boy down there,
He is my son, you see;
He's only just a boy, you know,
And means a lot to me.

I did not raise my son,
sports fans,
For you to call him names;
He may not be a super star,
But it's a high school game.

Please don't curse the boys down there,
They do the best they can;
They never tried to lose a game,
They're boys-and you're a man.

The game belongs to them, you see,
And you are just a guest;
They do not need a fan like you,
They need the very best.

If you have nothing nice to say,
Please leave the boys alone.
And if you can't enjoy the game,
Why don't you stay at home?

So please don't curse those boys down there.
Each one's his parent's son;
And win or lose or tie, you see,
To us they're "Number One"!

COMING HOME QUEEN CROWNED: A tearful Kristi Holt, daughter of Mr. and Mrs. Glen Holt of Rotan, was crowned "Coming Home Queen" for 1984. Kristi represented the Rotan High School graduating class of

1984. She is currently entrolled in Western Texas College in Snyder. She was escorted by Jackie Ragan, left and congratulated by Randy Murphree, right, Rotan Ex-Students Association President.

YELLOWHAMMER MASCOT: David Stevens, son of Mr. and Mrs. Joe Helms of Rotan, is the 1984 Rotan Yellowhammer Mascot. He will be on the sidelines this Friday night as the football team travels to Hawley for the 8th season contest.

Roby National Honor Group Holds Executive Meeting

The Executive Committee of the Roby National Honor Society met last week. This was the first called meeting of the Roby Chapter and Ricky Spencer, the Chapter President, called the meeting to order. He then called for the secretary and treasury

reports, which each were read. Mrs. Dora Reyes, the Chapter Sponsor, explained the new procedure for addition of members. We then voted unanimously to have a booth at the Halloween Carnival on October 27, and to donate all proceeds to the Rehabilitation Center in Abilene. The meeting was then adjourned by Ricky Spencer.

The members present were: Ricky Spencer, Steve Turpin, Mike Meek, Sharron Haggard, Susan Gaona, Marcy Mauldin, and Jennifer Wright.

Cumbie's career with the State Department of Highways and Public Transportation began in March of 1946. Until his 1973 appointment as Maintenance Supervisor in Roby, Cumbie had been employed in the engineering department overseeing the construction of roads.

Cumbie and his wife Juanita, originally from Stone-wall County, have one son Allen, age 37, a lawyer in Bay City, Texas. Allen Cumbie and his wife Janett, have two sons, Todd and Kyle.

The local highway department facility has seen a decrease in the number of employees in recent years. When Cumbie came to Fisher County there were a total of 20 employees, now that staff has been reduced to 14 due to funding availabilities.

"The general condition of the roads in Fisher County must be described as being fair shape", said Cumbie. He indicated that it is harder now than it used to be to secure repair funds because the allocation of funding is based on vehicles per mile. "We don't carry the traffic in Fisher returned to Fisher County in 1946 and served until 1958. In 1958 Carl Wylie served as maintenance supervisor until entering private business in 1963. Gaylord Price served in that capacity from 1963 until 1973 when he moved to Scurry County. Bernie Cumbie, Jr. moved from Hamlin to Roby in 1973 and has been serving as Maintenance Supervisor since that time.

County that warrants heavy budgets for repair work", he said.

Fisher County ranks third in the district, made up of 13 counties, in the total number of miles of farm to market roads. U.S. 180, State 70 and State 92 carry the most traffic, but Farm to Market road 57 from Longworth to the Jones County line and Farm to Market 611 from Rotan to 180 by the Hobbs Community ranks second in use.

There are a total of 14 employees at the local facility. They include Vernon Allen, 17 years; Jack C. Cox, 23 years; Jacob Flippo, 19 years; Larry E. Gruben, 7 years; Ellen Hataway, 7 years; Jackie Holcomb, 6 years; Jesse F. Houghton, 14 years; Benito C. Olibas, 6 years; Raymond Pippin, 4 years; Kevin Rivers, 4 years; Melvin Thomson, 13 years; Michael Vinson, 3 years; Bernie Cumbie, 38 years and James H. Putnam, 23 years.

Read Psalm 86:12-17

Shew me a token for good. —Psalm 86:17 (KJV)

As I climbed into the plane, I was facing a problem that was tearing me to pieces. When we were airborne, I opened my Bible with a prayer for something from God's word. I needed help! I opened my Bible to the Psalms, and my eyes were caught by the words, "Show me a token for good." My heart cried out, "Yes, Lord, that is just what I need—a token for good!"

I looked out the window and there it was; a complete circular rainbow was set in the clouds below. And I remembered what the Lord said to Noah, "I do set my bow in the cloud, and it shall be for a token of a covenant between me and the earth."

I looked again, and in the very center of that beautiful rainbow I saw the little gray shadow of our plane. It seemed as if God were saying to me, "Keep in the center of my will. I will take care of everything else." My burden lifted, and God did take care of my overwhelming problem, in God's own special way and time.

PRAYER: Lord, keep us in the center of Your will. Help us to trust You in all the circumstances of our lives, whether they are times of joy or of sorrow. In Jesus' name. Amen.

THOUGHT FOR THE DAY

The safe, secure place is in the center of God's will.

Tax Planning

IRS PENALTIES

Each year marks an increase in the computerized penalty notices that IRS mails to taxpayers. Tax reform acts in an effort to raise additional revenue and equalize the tax burden usually provide for new penalties for late filing or underpayment of tax.

The Internal Revenue Code provides for a number of different penalties, but the two most common are:

1. Underpayment of estimated tax.
2. A late filing penalty for payment after the date provided by law.

It is possible to convince IRS that they should waive the penalty. In fact, millions of penalties are abated every year. The key is to respond promptly to the IRS notices and know the excuses that work (those provided for in the tax law) and those that don't.

Many of the penalty notices are sent in error either due to a programming error in IRS computers or human error in entering input information. An example of this type error occurred on many of the 1983 Returns generating underpayment notices on estimated taxes when the return in fact contained a form 2210 explaining the underpayment and claiming one of the statutory reasons for excusing penalty as follows:

1. This year's payments were equal to or in excess of last years tax liability.
2. No penalty is due at any installment date if your payments equal 80% of the tax on your "annualized" income up until the month before the installment date.

Filing late without getting an extension invokes a penalty of 5% of the unpaid tax, per month, up to a total of 25%. There is also a minimum failure to file penalty for not getting your tax return in within 60 days of its due date. The minimum is \$100.00 or 100% of the tax due—whichever is less. To beat this penalty if you owned taxes, you must convince the IRS that you had reasonable cause for filing late.

Yellowhammers Fall To Haskell In Final Minutes Of Game

The Rotan Yellowhammers fell victim to the Haskell Indians during last

weekend's homecoming game. It was a season battle with both teams

sharing the lead at one time or another. By halftime the score was in

favor of Haskell 19 to 14. The Hammers answered back late in the third quarter by putting seven points on the scoreboard but with 6:09 remaining in the game the Indians scored on a big gainer by Robert Ivy to take the winning points of the game.

Haskell was the first to score at the end of the first quarter but a fumbled snap for the extra point kept them at six points. Leading the attack on the fumbled play was Robert Gauna. Rotan answered back on their next possession.

With 3:09 left in the first quarter Yellowhammer John Pease returned the ball to the 33 yard line of Rotan to set up the scoring drive. Three plays later Larry Messick gained 11 yards on a pass from quarterback Tim Carrillo.

When the quarter had

ended Rotan was on the Haskell 34 yard line with second down and six yards to go.

It took only two more minutes for Ed Martinez to catch another Carrillo pass and put six points on the board for the Hammers. The extra point attempt was good and Rotan took the lead at 7 to 6.

Perhaps the biggest play of the game followed when Haskell's Todd Harris made a long pass which resulted in a touchdown on their first possession of the football in the second quarter. After a delay of game penalty on the Indians the extra point attempt missed the uprights and the score remained at 7-12 for a five-point advantage to the Indians.

The Hammers were stopped cold after gaining ownership of the ball again. A pass to Charles Williams was incomplete

which kept the team on their eleven yard line with just under three minutes expired from the clock in the second quarter. Two plays later the Hammers had to return the ball to the Indians who made another scoring effort when Robert Ivy ran 34 yards to the end zone. The extra point was good and Haskell took a larger margin at 19-7.

The final score of the first half followed when Rotan regained the ball. A Carrillo pass to Messick netted the Hammers 48 yards and put them on the Indians 11 yard line. Five plays later quarterback Tim Carrillo took the ball to the end zone on fourth down and one yard to go. Rotan trailed 14 points to 19 at the half.

Seven minutes into the third quarter it looked as if the Yellowhammers would be victorious for their

homecoming game. Beginning on their own 40 yard line the Hammers marched to the opposite end of the field and were on the Haskell three yard with about three and half minutes left in the quarter. Charles Williams carried the ball past the goal line and the extra point was good to put Rotan ahead by two points.

Midway through the final

quarter the Indians sewed up the game when Robert Ivy made his big gainer to put the Indians in the winner's circle with a final score of Haskell 26 and Rotan 21.

The Yellowhammer's record stands at six losses and one win. They will attempt to improve their tally this weekend when they are hosted by Hawley on Friday night.

Roby Cubs Are Defeated

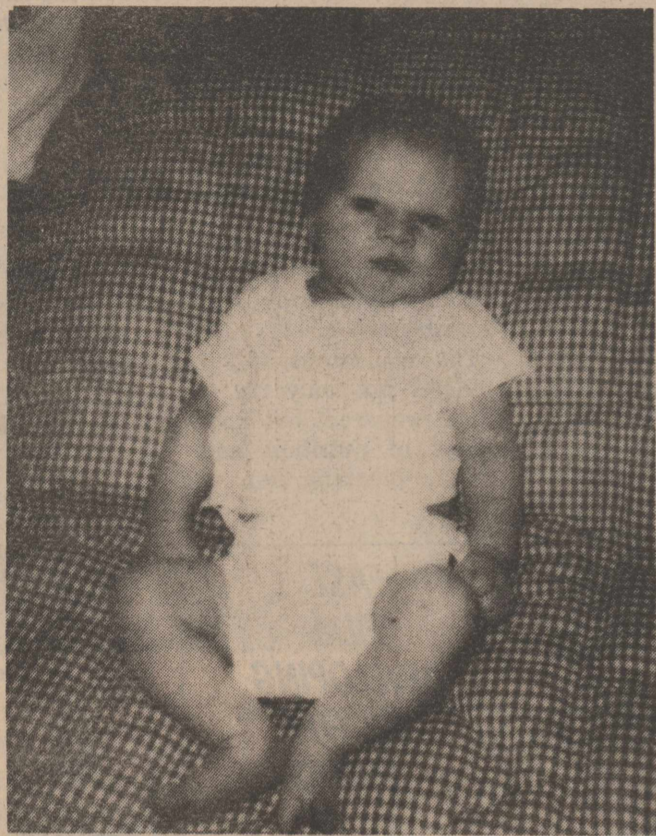

The Cubs played a tough defensive game against Roscoe but came up short 6 points. A punt return for 35 yards was Roscoe's only score. The Cubs moved the ball well but was unable to get the ball over pay dirt. Cubs players are as follows: Jerry Carreon, Carter Edmondson, Robert Garcia, Rick Onofre,

David Shipp, Jerry Orona, Craig Maxwell, Joey Teague, Ronnie Rodriguez, Jay Lynn Helm, Domingo Chasco, Rudy Gonzalez, Michael Carreon, Jay Rudd, John Je De Los Santos, Joe Orona, Joe Paul Barrera, Laramie Collier, Gilbert Carreon, Jerry Wayne Stuart and Robert Guthrie.

Grandparents Corner

This column will be featured in our paper each week that space allows. Please bring or send in your grandchildren pictures with the information you wish to put in the paper. We will mail them back to you or you can pick them up at the newspaper office.

William K. Cade, son of Mr. & Mrs. Mark Cade of Rotan, Maternal Grandparents are Mr. and Mrs. A.D. Lindsey of San Saba. Paternal Grandparents are Mr. and Mrs. William C. Cade of Rotan.

FLYING HIGH: Rotan running back Charles Williams, horizontal with turf, dives for a few extra yards in last Friday night's Yellowhammer-Haskell Indian contest. Rotan played a solid game but came up short on points in the final few minutes

of the game. The Rotan Yellowhammers take on Hawley this Friday night in the first of two away games. The following week the Hammers face Anson on the road and finish the season at home on November 9th with Hamlin.

Congressional "REPORT CARD"

How Your Senators/Representatives Voted On 12 Key Moral/Family Issues 98th Congress 1983 Session

SENATE

Key Moral/Family Issues

1. **EDUCATION.** Domenici (R-NM) motion to table (kill) the Hollings (D-SC) amendment to S. Con. Res. 27 (Budget Resolution) which would increase education spending by \$1.5 billion. Federal education funding and interference in local schools has been a major factor in the decline of quality education. Federal funding should be cut, not dramatically increased. May 5, 1983. Motion to table **REJECTED** 46-48. **YES** was correct vote.

2. **NATIONAL DEFENSE.** Nunn (D-GA)-Jackson (D-WA) amendment to S. Con. Res. 27 (Budget Resolution) to provide for a 6.5 percent real increase in defense spending. Strengthening our national defenses to protect the security, peace and freedom of our nation is clearly a vital, moral issue. May 10, 1983. Amendment **REJECTED** 48-48. **YES** was correct vote.

3. **REDUCE DEFICIT.** Helms (R-NC) amendment to S. Con. Res. 27 (Budget Resolution) to reduce the federal budget deficit by \$23.5 billion. Years of spending beyond our means has had a negative impact on our economy and has especially hurt those who are poor and the elderly on fixed incomes. Reducing the deficit would be a major step toward returning the principles of financial stewardship to our government. Amendment **REJECTED** 41-59. **YES** was correct vote.

4. **HUMAN LIFE AMENDMENT.** Vote on S.J. Res. 3, the resolution to establish a constitutional amendment to overturn the 1973 Supreme Court *Roe v. Wade* decision which legalized abortion on demand. June 28, 1983. Amendment **REJECTED** 49-50. (Two-thirds, or 67 votes in this case, is necessary to adopt a constitutional amendment.) **YES** was correct vote.

5. **DEFUND COMMUNISM.** Baker (R-TN) motion to table (kill) the Helms (R-NC) amendment to S. 869 (Export-Import Bank funding) to require the U.S. to oppose loans by the International Monetary Fund to Communist

dictatorships. Taxpayer subsidization of atheistic, anti-Christian Communist countries is clearly immoral. September 23, 1983. Motion to table (kill) **APPROVED** 45-30. **NO** was correct vote.

6. **SCHOOL BUSING.** Baker (R-TN) motion to table (kill) the Helms (R-NC) amendment to H.R. 3222 (Justice Dept. Appropriation) which would prohibit the Justice Department from bringing any legal action which would require forced busing of school children. Forced busing has greatly undermined the neighborhood school concept and, subsequently, parental moral authority and control over the education of their children. October 21, 1983. Motion to table (kill) **REJECTED** 29-52. **NO** was correct vote.

7. **NUKE FREEZE.** Dole (R-KS) motion to table (kill) the Kennedy (D-MA) amendment to call for a freeze on the production and deployment of nuclear weapons. The practical effect of the amendment would be to bring about a unilateral freeze on U.S. nuclear capabilities in the face of massive Soviet nuclear expansion. Such a freeze would greatly endanger the U.S. deterrent to protect us from nuclear attack. October 31, 1983. Motion to table (kill) **APPROVED** 58-40. **YES** was correct vote.

8. **ABORTION FUNDING.** Weicker (R-CT) motion to table (kill) the Denton (R-AL) amendment to S.J. Res. 194 (Continuing Appropriations) which would prohibit funding of abortion, or for health insurance plans for federal employees that paid for abortions. November 9, 1983. Motion to table (kill) **REJECTED** 44-51. **NO** was correct vote.

9. **ABORTION FUNDING.** Hatfield (R-OR) motion to strike (kill) from the bill House language prohibiting federal employees from using federal health insurance plans to pay for abortions. November 10, 1983. Motion to strike (kill) the House language **REJECTED** 43-44. **NO** was correct vote.

10. **CHRISTIAN SCHOOL TAX-EXEMPTION.** Moynihan (D-NY) motion to table (kill) the Helms (R-NC) amendment to H.J. Res. 413 (Continuing Appropriations) which would prohibit the Internal Revenue Service from revoking tax-exemptions of private schools which did not comply with race quotas for admission. IRS denial of tax exemptions to church schools also has the effect of the federal government unconstitutionally dictating what is "correct vs. incorrect" religious belief. November 10, 1983. Motion to table (kill) **APPROVED** 51-28. **NO** was correct vote.

11. **ABORTION FUNDING.** Thurmond (R-SC) motion to table (kill) the Jepsen (R-IA) amendment to H.R. 2230 (Civil Rights Act) which would ban federal funding of abortions, ban federal insurance coverage for abortion, en-

courage states to pass new anti-abortion laws and grant expedited Supreme Court review for challenges to new anti-abortion laws. November 14, 1983. Motion to table (kill) **APPROVED** 42-34. **NO** was correct vote.

12. **TUITION TAX CREDITS.** Boren (D-OK) motion to table (kill) the Dole (R-KS) amendment to provide tax credits for tuition payments by parents for private elementary and secondary schools. This would alleviate the double financial burden on parents whose taxes also subsidize public schools, increase competition in education and, subsequently, force public schools to upgrade their moral environment and educational quality. November 16, 1983. Motion to table (kill) **APPROVED** 59-38. **NO** was correct vote.

HOUSE

Key Moral/Family Issues

1. **NUKE FREEZE.** Broomfield (R-MI) motion to recommit (thus killing) the bill, H.J. Res. 13 (Nuclear Freeze Resolution) calling for a freeze on the deployment of and reduction in nuclear weapons. The nuclear freeze resolution would jeopardize U.S. security by locking the U.S. into a position of inferiority to the U.S.S.R. May 4, 1983. Motion **REJECTED** 175-247. **YES** was correct vote.

2. **BALANCED BUDGET.** Walker (R-PA) amendment to H.R. 1983 to prohibit expenditure of funds in violation of balanced budget requirements. This would help to curb deficit spending and return principles of financial stewardship to our government. May 11, 1983. Amendment **REJECTED** 157-254. **YES** was correct vote.

3. **SCHOOL BUSING.** Perkins (D-KY) motion to suspend the rules and pass H.R. 2207 to authorize funds to local school districts in fiscal 1984-86 to help them offset the costs of school desegregation. Increased federal aid in this area would facilitate forced school busing which is wasteful of taxpayers' dollars and has greatly undermined the neighborhood school concept as well as parental authority over the education of their children. June 7, 1983. Motion to suspend the rules **APPROVED** 299-120. **NO** was correct vote.

4. **ABORTION FUNDING.** Smith (R-NJ) amendment to H.R. 3191 (Treasury/General Appropriations) to prohibit the use of federal health benefit funds to pay for abortions unless the life of the mother is endangered. June 8, 1983. Amendment **APPROVED** 226-182. **YES** was correct vote.

5. **CRANE CENSURE.** Michel (R-IL) motion to recommit H. Res. 266 to the Committee on Standards of Official Conduct. The Michel motion was to recommend that the "Ethics" Committee impose a stiffer form of punishment (censure) for Rep. Dan Crane's sexual misconduct with a minor. July 20, 1983. Motion **APPROVED** 289-136. **YES** was correct vote.

6. **STUDDS CENSURE.** Michel (R-IL) motion to recommit H. Res. 265 to the Committee on Standards of Official Conduct. The Michel motion was to recommend that the "Ethics" Committee impose a stiffer form of punishment (censure) on Rep. Gerry Studs for his sexual misconduct with a minor. July 20, 1983. Motion **APPROVED** 338-87. **YES** was correct vote.

7. **AID TO COMMUNIST COUNTRIES.** Gramm (R-TX) amendment to instruct the U.S. representative to the Inter-

national Monetary Fund to oppose loans to Communist dictatorships. It is clearly immoral for the I.M.F., funded mainly by U.S. tax dollars, to financially support atheistic Communist regimes. August 3, 1983. Amendment **APPROVED** 242-185. **YES** was correct vote.

8. **LITERACY TESTS.** Erlenborn (R-IL) motion to recommit H. R. 3520 to the Education and Labor Committee. Erlenborn's motion was to prohibit funds authorized by the bill from being spent by any school district unless they have a procedure for determining functional literacy as a condition for high school graduation. Issuing high school diplomas to functional illiterates is an immoral use of taxpayer dollars. September 13, 1983. Motion **REJECTED** 128-275. **YES** was correct vote.

9. **SCHOOL PRAYER.** Smith (D-IA) motion that the H.R. 3222 (Justice Appropriations) be reported back to the House with amendments. Smith's motion prevented Walker (R-PA) from adding amendments which have been used to prohibit use of Justice Department funds to block programs of voluntary school prayer. September 19, 1983. Motion **APPROVED** 245-120. **NO** was correct vote.

10. **ABORTION FUNDING.** Conte (R-MA) amendment to prohibit use of funds in H.R. 3913 (Labor-HHS-Education Appropriations) to pay for abortions. September 22, 1983. Amendment **APPROVED** 231-184. **YES** was correct vote.

11. **AFFIRMATIVE ACTION.** Smith (D-IA) motion that the House accept a Senate amendment to H.R. 3222, providing \$11.89 million for the U.S. Civil Rights Commission. The Senate amendment would allow the President to fire members of the Civil Rights Commission who did not agree with his stand against discriminatory affirmative action quotas. November 8, 1983. Motion **REJECTED** 170-235. **YES** was correct vote.

12. **EQUAL RIGHTS AMENDMENT.** Rodino (D-NJ) motion to suspend the rules and pass H.J. Res. 1 (E.R.A.), requiring two-thirds vote for passage. The Equal Rights Amendment is the biggest threat to the God-ordained structure of the family and the traditional moral position of respect for women in society. November 15, 1983. Motion **REJECTED** 278-147. **NO** was correct vote.

**Extension Homemakers Report
By Alice Ballenger**

Quilters in Fisher County can show their handiwork and compete for an array of prizes in a regional quilt show Jan. 7 and 8 in Wichita Falls.

The quilt show will be a feature of the second annual Rolling Plains Cotton Show, to be held those dates at the Wichita Falls Activity Center, said Alice Ballenger, County Extension Agent for home economics. The Cotton Show is conducted by the Texas Agricultural Extension Service to promote cotton, a major commodity in the Rolling Plains.

The quilt show will include seven categories: (1) Individual Hand-made quilt, (2) Individual Machine-made quilt, (3) Group Hand-made quilt, (4) Individual Hand-made Baby quilt, (5) Individual Machine made Baby quilt, (6) Individual Creative quilt, (7) Antique Quilt.

Only one quilt per category is eligible for entry and all quilts, except antiques, must have been made within the last three years. Antique quilts must be at least 50 years old. Entries should have a suggested entry category, however, final decisions regarding categories will be made by the judges.

Quilts having any machine work will be entered in the appropriate machine

County Awards Banquet Is Conducted

By Kim Hunt

The Fisher County 4-H Club held its annual Awards Banquet on Saturday, October 13. Many Fisher County students were honored in both the Junior and Senior divisions. The main awards, however, were the Gold Star Awards, presented to Charla Wiley, Gary Teague and Grey Gruben.

The Gold Star Award is the highest award available at the County level. The honorees have been members of the 4-H Club for a number of years. They have competed in 4-H events on the County, District and State level.

The Gold Star winners have been chosen because of the outstanding leadership qualities they have demonstrated not only in 4-H, but in other activities in the community as well.

Awards were also given to the outstanding adult leaders. The Spur Clip was awarded to Mrs. Fred Kemp. The Friend of 4-H Award went to Mr. Kermit Terry. Both Mrs. Kemp and Mr. Terry have been active in 4-H for many years and still provide much assistance for the students participating in 4-H.

Jennifer Wright gave a speech on her term as an officer on the 4-H State Council. Miss Wright was elected Secretary to the State Council and said that was "one of the most memorable experiences of my life."

Entertainment for the evening was provided by the Fisher County Share-the-Fun team. They performed the skit which was awarded 1st place and Best Musical at the State Round-Up this summer, along with their rendition of Quiet Riot's "Metal Health." Parents of 4-H'ers also sang a song about the evils of "Cigarettes and Whiskey and Wild, Wild Women." The evening's meal was prepared and served by members of the Roby FHA.

category. NO DOUBLE KNIT quilts are eligible for entry. All entries will be judged, but space may limit the number shown.

Prizes will be awarded in the amount of \$25 for first place in each category, \$15 for second place in each category, \$100 for Best of Show, and \$75 for runner-up. First place (blue), second place (red) and participation ribbons will also be awarded.

Persons interested in entering the quilt show can do so by obtaining entry forms from their county Extension agent for home economics. Also quilts will be taken to Wichita Falls by the county Extension Agent for Home Economics. It will also pick up quilts and return them to Roby. Entry forms may be returned to their county Extension Office or mailed to Mary Streit, Texas A&M University Agricultural Research and Extension Center, Box 2159, Vernon, Texas, 76384-2159.

The Fisher County Young Farmers will have a dove fry at the Roby Firehall at 7:00 p.m. Saturday, Nov. 3rd. Everyone welcome. Also the Fisher County Young Farmers and the Roby FFA will present some fruit to the Golden Haven Home in Roby.

The Fisher County Chapter also elected new officers, they are Richard Gaona, President; David Stevens, Vice President; Lance McWilliams, Secretary; Britt Stuart, Treasurer; Steve Terry, Reporter; Alvin Smith, Sentinel.

The Fisher County Young Farmers would like to thank McClure's Incorporated and L.V. Armstrong Implement Co. for donating door prizes for the Area II Convention.

United Methodist Church in Abilene on Sunday, October 21. Representing Rotan were Tom and Janis Collins, Buck Denton, Mrs. Bob Coventry, and Rev. Fred Brown. Mr. and Mrs. Jim Hawkins, Mar-

shall and Elizabeth Billingsley with daughters, Margaret and Martha, and Rev. and Mrs. Warren Schoenecker attended from Roby.

In 1967 the National Fellowship of Methodist Mus-

icians declared that a Sunday in the fall of the year would be set aside as the Great Day of Singing for the Methodist Church. Abilene District held its first district-wide Great Day of Singing in Radford Auditorium at McMurry College on October 21, 1979.

During District business W.P. Schubert of Roby was appointed to the Committee on Nominations for the Class of 1985.

Rev. Schoenecker was appointed chairman of the Ecumenical Concern work area. District Trustees include Kim Pease for the Class of 1986 and Rev. Fred Brown is serving on the District Board of Church Location and Building for the Class of 1986.

Music for the celebration was provided by the brass choir and the chanters of McMurry College; the Rainbow Connection; the combined choirs of Elm-

wood West, First, Aldersgate and Saint Paul Churches; Joni Bishop, Mary Daniel and Terri Ford; Hal Hopson Good Vibrations; and Cheryl Allen.

NOTICE OF APPLICATION FOR OIL AND GAS WASTE DISPOSAL WELL PERMIT

Scott and Remington, Box 788, Graham, Texas, 76046 has applied to the Railroad Commission of Texas for a permit to dispose of produced salt water or other oil and gas waste by well injection into a porous formation not productive of oil or gas.

The applicant proposes to dispose of oil and gas waste into the Cisco Lime Nettie Bailey (01807), Well Number 2. The proposed disposal well is located 8 miles North of Royston in the Ida Strawn Field, in Fisher County. The waste water will be injected into strata in the subsurface depth interval from 3300' to 3770' feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.

Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas, 78711 (Telephone 512/445-1373).

The Field Day for Mesquite and Prickly Pear Control was a big success. In the evaluation of the 15 test plots. For mesquite control 1/2 pound of Picloram had a 85 per cent pear kill. For prickly pear control prescribed burning and then applying 1/2 pound of picloram gave 99 percent control. 25 attended the field day and enjoyed a meal after the tour provided by Dow Chemical Company.

The Standard Variety Wheat test was established last week. Varieties planted were Lancota, Vona, Sturdy, Wrangler, Chisholm, TAM 105, Hawk, TAM 108, Golden Acres 5227, Bounty 205, Mustang, Harpool 114, Tex Rd, and TAM 107.

Cattlemen can improve their calf crop by paying close attention to the selection of replacement heifers.

"The key is to select replacement heifers based on weight and frame size."

"This should be done when heifers are 15 months old so that they can be bred to calve at two years of age.

Studies have shown that heavier, large framed heifers will have higher pregnancy rate, particularly during the second breeding season.

In a study last year on the Four G Ranch in Waller County, heifers were divided into three weight groups at about 15 months of age and placed with bulls. Similar comparisons were made regarding frame size.

The heaviest heifers had more than an 84 percent pregnancy rate in the first breeding season, from 5 to 8 percent higher than the two lighter weight groups. However, the big difference came in the second breeding season when the heaviest heifers boasted a 90 percent pregnancy rate compared to 74 and 79 percent for the two lighter weight groups of heifers.

The larger framed heifers had higher pregnancy rates throughout the test. "This study clearly shows that selecting heavier large frame replacement heifers can lead to an increased calf crop."

Area Firemen Hold Semi-Annual Meeting In Rotan, 10 Cities Compete In Races

Fighting a fire may not seem like something a firemen really can get much practice at before entering the real thing.

But Saturday, firemen from 10 Big Country cities competed in pumper races and other tests of skill during the 92nd semi-annual meeting of the Mid-West Texas Firemen and Fire Marshals Association here.

In one race, called the six-man hose lay, firemen took their starting positions standing on the fire truck. But at the sound of the gun, they sprang into action.

While some on the team attached the hose to a fire hydrant, others ran to various points to connect the sections of hose, making it extend to 150 feet in length.

Racing to the end of the hose with a nozzle, one fireman got the distinction of trying to screw on the nozzle before the water came flowing out of the end of the hose.

The water had to spray out a 10-foot stream to qualify, one of the firemen explained.

But getting the hose all connected and spewing out

Homemakers Meet

The Extension Homemakers Club met with Mary and Louada Posey September 4. Eleven members were present.

Eda Bickerstaff presided. Oma Long led the recreation. After a business discussion, Dollie Curry brought the program on ways to cut down on water in our daily routine.

Refreshments were served to Ardell Floyd, Gaynell Henry, Qanda Floyd, Eda Bickerstaff, Lois Sparks, Hilda Rollins, Beatrice Hargrove, Oma Long, Dollie Curry, Louada and Mary Posey.

The reflection was "The journey of a thousand miles begins with one step.

water in just 15 to 20 seconds was no small feat.

In trying to connect the hose so quickly, the segments often were not screwed together tight enough or the hose wasn't attached to the hydrant properly, and the water never made it to the end of the hose.

To conserve water, the flow was cut off within seconds after it traveled down the hose and out the nozzle. The amount of water used wasn't much, one fireman explained, saying it only took about 15 gallons of water each time a successful connection was made.

The competition included a six-man pumper race, a six-man hose lay with 150 feet of hose, and a two-man race with 100 feet of hose.

Members of the Ladies Auxiliary also had pumper and two-person races, although the women used slightly different equipment in their races than the men did.

About 130 people, including firemen and their families, attended the day of activities, which included "fun, games, and fellowship," said Kenny Woods of Snyder, association president.

Fire departments from Rotan, Roby, Stamford, Colorado City, Anson, Throckmorton, Haskell, Merkel, Snyder and Tye were at the event.

Before the competition began at 4:30 p.m., a business meeting was conducted and Throckmorton was selected as the site of next October's meeting. The group will meet in Haskell in April.

Other events included a barbeque dinner in the school cafeteria and a Firemen's Ball in the community center at 8:30 p.m.

Results of the water races follow: Men's Pumper Race: 1. Haskell No. 2, 21.95 seconds; 2. Roby, 23.23; 3. Colorado City, 24.55.

Men's Six-Man Race: 1.

Throckmorton, 15.12 seconds; 2. Haskell, No. 1, 17.01; 3. Colorado City, 18.19.

Men's Two-Man Race: 1. Haskell, 14.61 seconds; 2. Snyder, 14.98; 3. Anson, 17.04.

Ladies' Pumper Race: 1. Merkel, 20.19 seconds; 2. Haskell, 22.04; 3. Snyder, 22.86.

Ladies' Two-Person Race: 1. Anson, 14.76 seconds; 2. Haskell, 16.79; 3. Merkel, 17.34.

Rotan City Council Hires New Attorney

Rotan City Council met on October 12 for their regularly scheduled meeting and hired attorney Charles Brownfield of Stamford as city attorney. Brownfield will be used on a retainer basis at a cost of \$250 per month. Council also approved adding a streetlight to the east end of East Burnside. The exact installation date was unknown but is expected to be within a few weeks. Chief of Police H.W. Grady reported they had answered a total of 60 calls during September and the Department was currently at full strength.

The 1984 tax report was received on October 10 and showed a total of \$5,679.20 in collections as of that time. Seven minor water leaks and one major leak were reported by the Water, Sewer, and Garbage Departments for the previous month. Water loss was 3.5%. One hundred and fifty feet of sewer line was replaced on Lincoln Street and there were seven garbage complaints which were taken care of. The city will take delivery of a 1975 mobile street sweeper during February of 1985 from State Surplus

for a cost of \$4,000. The original delivery date was reported as being October 27, 1984. The sewage grant proposal was approved and Council is currently awaiting authority from the Texas Water Resources Board to set a bid date for the plan. The Revenue Sharing Requirements form was completed before the October 27 deadline. The Fire Department reported on their convention which took place on October 12. It was also reported that

the Dump Grant Permit needed to be updated and an engineer would have to plan the operations of the program. Amendments to the Drilling Ordinance were discussed and further action is expected to take place at the next regular meeting of Council on November 13. Debts of \$425.77 were incurred at the Community Center during September.

A TALK WITH THE COACH: Roby Lion Head Coach Tommie Miller, left, discusses a last minute play with team members during a recent contest. Coach Ricky Williams (right) encourages players.

Carreon Player Has Brain Surgery

Jimmy Carreon, 17 year old son of Mr. and Mrs. Frutoso Carreon of Roby, was apparently injured in the Roby Lion-Garden City football game last Friday night and as a result of that injury was operated on at Hendrick Medical Center in Abilene last Sunday in a two and a half hour brain surgery operation. The Roby Senior was complaining of a headache after the game, after the

team returned to Roby, but according to Head Coach Tommie Miller "that is not very uncommon."

Miller said the player called him Saturday indicating that he was still having headaches and was throwing-up. Miller instructed him to see a doctor. He was thought to have a concussion on Saturday, but his physical condition did not improve

by Sunday and at that time family members made the decision to transport him to Hendrick Medical Center.

During the operation at Abilene, doctors drained a blood buildup from his head, removed several blood clots and indicated to family members that they felt the operation was successful. Reports last Monday indicated that Carreon was recovering satisfactorily.

Head Coach Tommie Miller has been plagued by injuries this season. In addition to Jimmy Car-

reon, Miller has lost Rodney Green for the season with a neck injury; lost Ricky Spencer for the year with a knee injury; has Benny Carreon on the injury list with a dislocated finger but is expecting him back this week and lost Danny Carreon last Friday with a neck injury for an undetermined time.

Several other players are sporting various injuries but are still suiting up for games. Pache Parks injured his "good" knee last Friday. He has been nursing a knee injury for several weeks.

The Living Word To Be Shown AT FBC

THE LIVING WORD, a new film produced by World Wide Pictures, will be presented by First Baptist Church, 201 N. McKinley, Rotan, Texas on October 28 at 7:00 p.m. The showing is free, and open to the public.

Featuring narration by Billy Graham and Cliff Barrows, the film weaves together Scripture passages, great works of religious art, music and some of the most stunning color footage ever filmed in the Holy Land. The film touches the heart and

"God's Prison Gang," a newly released film featuring Al Capone's getaway driver, the last member of Bonnie and Clyde's gang and two other notorious criminals who have become Christians will be shown at Rotan Foursquare Church, 711 N. Genevieve, on Sunday, Oct. 28. The showing is scheduled to begin at 6:00 p.m.

Also featured is "Chaplain Ray," whose Dallas-based International Prison Ministry has changed the lives of thousands of inmates over the past 18 years.

The Reverend Claud Fry, pastor of Rotan Foursquare Church, said he hopes all citizens concerned about the problem of rising crime will attend the free screening of the film.

mind of the viewer with its relevance to twentieth-century mankind.

Rich in visual beauty, and enhanced by a powerful, original, musical score, THE LIVING WORD brings the pages of the Bible to life in a fresh new way.

The Reverend Derrell Monday, pastor of First Baptist Church, is extending an invitation to all to attend. THE LIVING WORD is an outstanding

film for anyone who has unanswered questions about just what the Bible means to us today. The producers of the film feel the real beauty of the production is not so much the color photography, which is truly memorable, but more the clear way in which it explains what the Christian faith really is.

God has a plan for us, set in motion at the moment of Creation, and it's still being realized today. The

film aims to help each viewer discover that plan, and to see how our lives fit into that plan.

World Wide Picture, the producer of THE LIVING WORD, is the film ministry of the Billy Graham organization. Among the company's other releases are the award-winning THE HIDING PLACE, and the recent film, JONI, which stars Joni Eareckson, a quadriplegic, as herself.

A Kiss For Rehabilitation

The Roby Chapter of the National Honor Society is planning to start the year off with more community involvement projects! We plan to set up a "Kissing Booth" at the Roby Halloween Carnival on October

27 at the Pink Building and charge 25 cents a kiss.

All proceeds of this event will go to the Rehabilitation Center in Abilene. The members to be kissed are: Ricky Spencer, Steve Turpin, Mike Meek, Susan

Gaona, Sharron Haggard, Marcy Mauldin, and Jennifer Wright.

Support the Rehab, and bring your quarters and get some kisses!

Let's talk.

Information about your changing telephone service from Bill Gilliland, Manager-Community Relations.

Making your bill easier to read

If you're like most folks, you've probably noticed there are more pages in your phone bill since the split-up of the Bell System. That's because your bill now includes charges for several separate companies instead of just one like last year.

Right now, the bill you receive from Southwestern Bell Telephone includes our charges for local service and long distance within your service area. It may also include long distance charges from AT&T Communications and charges from AT&T Information Systems (for leased equipment).

Calls you place through other long distance companies may also be billed through Southwestern Bell Telephone if those companies choose to use our billing service. That makes it easier for you because you get one bill, and you write one check.

Solving the customer confusion

Still, this breakdown of charges by each individual company has caused some confusion. We know that, and we're doing our best to simplify your bill to reflect what you want.

Your bill first started getting a new look in January. At that time, we had numerous billing changes necessary to simply accomplish divestiture.

Starting in February, the company began conducting interviews with customers to find out what short-term changes and long-term changes were needed.

We've put your changes into place

Some of the changes you wanted and we adopted are:

- revising the bill summary page to include adjustments and charges for each company whose fees are included on the bill;
- removing "unpaid from last bill" from the summary page if the last bill was paid in-full;
- numbering pages consecutively to help you reassemble your bill after studying it; as well as others.

Further changes to simplify the bills will be put into place in the coming months.

Would you like more information about the changes on your bill? Call the Tele-Help toll-free number, Monday through Friday from 8 a.m.-8 p.m. — 1/800-325-2686 (please ask for "extension 84") and request the Tele-Help Booklet No. 2 ("A Guide to Your Phone Bill").

If you'd like the booklet in Spanish, please write: Southwestern Bell Telephone, Tele-Help; P.O. Box 225265; Dallas, TX 75215.

For your information, to date, we've distributed more than 700,000 Tele-Help booklets in Texas in an effort to clear up any confusion regarding our business after divestiture. We're pleased to help our customers get the answers they need.

As always, if you have any comments, I'd like to hear from you.

Hustling Around Hobbs

What a good week we have had, with some more rain and just beautiful days. Friday night it was pretty stormy there for a while and some folks got a good rain, while others just got up to half an inch, but its still wet and the pastures look just like Spring, they are so green. Is sure nice to have our tanks almost full, and the cows are not even interested in coming up for any feed, they have plenty in the pastures.

Mr. and Mrs. Larry McBeth and three children from Abilene spent Saturday and Sunday visiting with Mrs. Bea Hardin. Mrs. Doc Hardin from Victoria and Wendy Hardin from Abilene visited with Bea and her company on Saturday night. They also visited with Mr. and Mrs. Milton Doyle in Roby. Bea reports almost 2 1/2 inches of rain down on the river, over the last two or three days.

Mr. and Mrs. David Etheredge from San Angelo were here visiting with the J.W. Etheredges over the week end. Mr. and Mrs. Randy Etheredge also visited over the week end. Todd Etheredge from Snyder and Mr. and Mrs. Sam Etheredge also were there. They were all there for dinner on Sunday.

Mrs. Opal Phillips went to Mr. and Mrs. Gary Hyers on Saturday and helped celebrate Jeremy Hyer's 8th birthday. Happy birthday to him. Mr. and Mrs. Glenn Phillips from Post spent all day Sunday visiting with Opal. Sunday night Opal went to the home of Mr. and Mrs. C.J. Thornton; all of the Porters, Phillips, and Hyers were there, helping Vicky Hyer, Walter Cave from Snyder and Michael Porter from Arlington celebrate their birthdays. Happy birthday to all of them.

Mr. and Mrs. Jackie Cave and their daughter and her baby, all from Farmington, New Mexico visited with Mr. and Mrs. J.C. Cave. They came on Thursday and stayed until Saturday morning. Mrs. Billy Carter from Brownwood visited with the Caves Saturday and Sunday. She brought Mrs. Edd Carter from Roby home; she had been down at Temple visiting with her son, Harold.

Congratulations to Mr. and Mrs. J.D. Kincaid who celebrated their 60th wedding anniversary on Friday. They celebrated their anniversary Saturday night when they ate supper in Roby with Mr. and Mrs. Windle Kincaid, Mr. and Mrs. Ronnie Kincaid and family from Highland and Mr. and Mrs. Jim Bob Solsbery and baby from Sweetwater.

Jim and I went to Snyder on Wednesday, and Thursday we were at Roby watching the Junior High and Junior Varsity play Stamford. Heard from Mark and Melody and they had got about 4

inches of rain during the past week, but didn't get that heavy flooding rain that fell in Austin.

Don't forget to be sure and give blood on Monday, October 22nd. The Blood Drive is very worthwhile, and everybody should make an effort to give.

Sid Coggins and his daughter, Cindy, from Denver, Colorado are here visiting with Mr. and Mrs. James Ratliff. Mr. Coggins is Dianne's uncle, and they are having a wonderful time, enjoying the beautiful country out at the Ratliff's. Mr. and Mrs. Tracy Knipe and Teresa Ratliff and a friend all from Snyder visited with the Ratliffs and their company on Sunday.

Well, this is about all for this week, see you next Thursday.

Delayed from last week.

What rainy weather we have been having, and so far we have measured almost 1 1/2 inches here at the house, and its still raining Monday night, and the forecasters say it will rain again tomorrow. All of the farmers are truly happy with all this moisture, and we are going to be seeing some real good wheat if the weather will stay warm for a few more weeks.

Mr. and Mrs. Rudolph Martinez attended the 4-H Awards Banquet which was held at the Senior Citizens Center on Saturday night.

Mr. and Mrs. D.H. Hornsberger from Sweetwater and Mrs. Eunice Arp from Roby visited all day Thursday with the J.D. Kincaids.

Congratulations to Bro. and Mrs. Dutch Parks who were celebrating their 35th wedding anniversary on Sunday. May they have many more.

M.L. (Buck) Cave from Newcastle visited with Mrs. Vida Boyer and the J.C. Caves last Saturday, Sunday and Monday. He returned home on Tuesday. Buck is Mrs. Boyer and J.C.'s brother.

Morris Hardin from Lubbock visited Sunday and Monday with his mother, Mrs. Bea Hardin.

Jim and I went to Snyder on Tuesday and then Thursday we went to Haskell to watch the Junior High and Junior Varsity football games. Friday was Homecoming at Roby and there was really a good crowd there. It was a almost perfect night, weatherwise, not nearly as windy as it was Thursday night. It was sure a good game, even though Roby lost by one touchdown. Saturday we went to Stamford for the U.I.L. Marching Band Competition. It

was such a lovely day and we saw some good bands perform, all of the Class AA from the entire area.

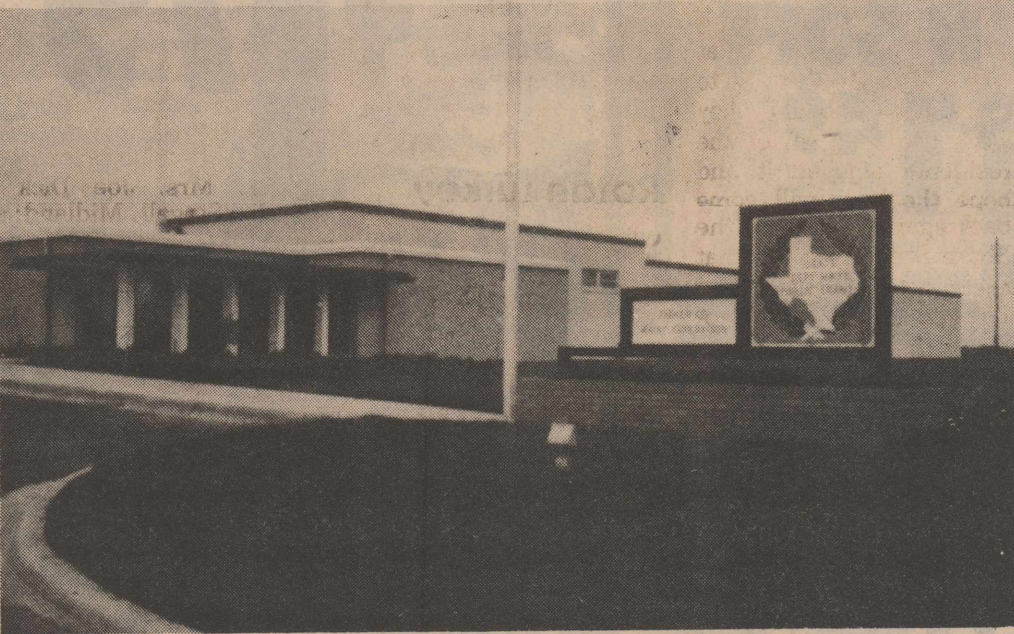

We were very impressed at the amount of talented young people our area has, and how dedicated they all are. It takes hours and hours of practice for a band to be able to march and play as well and they all did. Of course we thought the Roby band was outstanding, but with two granddaughters playing in the band, maybe we are a little bit prejudiced. Surely not. We also watched a little of the twirling contest, but left early as we were going on to Abilene for the remainder of the evening.

Well, the Cowboys finally won a game, and we had to stay up until after midnight to see them do it. It was sure cold and damp on Sunday, and that night our fire in the fireplace sure felt good.

Heard from Mark and Melody and they had got a real good rain with some pretty stormy weather.

Watch out for the little Ghosts and Goblins on Tuesday night, Halloween, as there will be lots of little folk out on the streets.

Thats about all for this week. See you next Thursday. Don't forget the Hobbs Homecoming coming up real soon, Saturday, November 3rd and they are looking for a real big crowd.

OPEN HOUSE SUNDAY: On Sunday, October 28, between 2 and 4 p.m. Fisher County residents will have the opportunity to attend the Open House of the new Texas Highway Department Maintenance facility on Hwy. 180 West in Roby.

Newspapers Pack Solid Wallop In Texas, Poll Indicates Direct Mailings Down

Newspapers pack a solid wallop for Texas business and residential communities alike...far outdistancing all other forms of communication.

Results of Texas Consumer Survey 84, the largest and most comprehensive study ever conducted on readership, listening, viewing and shopping habits, heavily documents Texas newspapers superiority.

Daniel Funeral Conducted

Hubert Daniel, 79, of Roby, died at 1 a.m. Friday, October 11, at Roby Nursing Center following a lengthy illness. Funeral services were held at 2 P.M. Saturday, October 13, at the First Baptist Church in Roby. Rev. Dan Burrow, pastor of Westside Baptist Church in Sweetwater and Rev. Derrell Monday, pastor of First Baptist Church officiated. Burial was in the Roby Cemetery under the direction of Weathersbee Funeral Home.

Mr. Daniel was born May 14, 1905, in Dublin, the son of the late Mr. and Mrs. James Daniel. He moved to Fisher County about 1920 with his family. He married Elsie Long, October 31, 1925, in Roby. Mr. Daniel farmed until 1965 when he moved to Roby and worked as a

plumber until his retirement in 1970. He had been in the Roby Nursing Center the past four years. He is preceded in death by a daughter, Verlene, in 1938.

He is survived by: his wife of Roby; five daughters: Mrs. Nolan (Yvonne) Hicks of Roby, Mrs. Bill (Daphene) Cade of Roby, Mrs. Calvin (Juanita) Neves of Roby, Mrs. Eddie (Linda) Simmons of Sweetwater, and Mrs. Harold (Gaylon) Freeman of Roby; seven sons; Carmie, Sherman, and Baxter, all of Roby; Calvin, Donnie and Larry of Sweetwater; Vernon of Manassas, Virginia; 3 sisters; Pearl Keathley of Colorado City, Florence Wilburn of Roby and Florida Polk of Royston. 31 grandchildren and 12 great grandchildren.

Grandsons served as casket bearers.

These are just three of the dozens of highlights revealed by the statewide study which was conducted by Consumer Data Service (CDS), of Oklahoma City.

The massive survey was under the supervision of Dr. Ernest Larkin, director of the Journalism Research Center, University of Oklahoma.

The study also provides in depth detail of the vast audience appeal of Texas newspapers. This portion of the data emphasized:

(A) 69.6 percent read at least five issues of their local daily, and 84.3 percent read every issue of their local weekly newspaper;

(B) 72.6 percent of local newspaper readers who responded to the survey are married;

(C) Over 50 percent of the families subscribing to local newspapers comprise three or more people;

(D) Husbands and wives in 43.3 percent of the Texas newspaper reading families both have jobs with combined incomes totaling more than \$20,000;

(E) 64.19 percent of Texans who voted in the 1982-83 elections are newspaper readers, and

(F) 79.4 percent of Texas newspaper readers own their own homes.

Lyndell Williams, Executive Vice-President of the Texas Press Association (TPA) in Austin, after receiving the high study report said this week:

"This survey not only confirms what major advertising retailers already know, but also provides undeniable proof of newspaper strength in all other areas as well."

He cited the high readership interest in local news as an example of "newspaper wallop for a better informed community and state". Williams pointed out the following additional facts that were revealed by the survey data:

82.8 percent of Texans read all local news in their newspapers;

70.3 percent read the special sections;

58.4 percent read the editorials, and

54.3 percent read the state news.

Williams also cited local merchant ads as the most

thoroughly read advertising matter. Those figures read:

89 percent of Texas newspaper readers usually or at least sometimes read all local merchant advertising;

85.4 percent usually or sometimes read all grocery ads;

85.8 percent usually or sometimes read all the inserts in newspaper, and 85.59 percent usually or sometimes read department store advertising.

The survey also outlined the strengths and weaknesses of direct mail along with radio and television.

Direct mail advertising in Texas, much of it conducted by out-of-state firms, is usually read by 43.7 percent of the addresses, with only 31 percent of that number reading all of a single mailing.

Radio and television while being listened to by as much as 73 percent of Texas consumers and seen by at least that many people, nevertheless, must divide those numbers of dozens of stations and channels. And the most watched cable television channels of all don't even accept advertising.

John Taylor, Director of the Texas Newspaper Advertising Bureau (TNAB), explained that an analysis of the massive survey easily reveals numerous additional newspaper assets that may be overlooked at first glance.

Taylor explained: Every Texas newspaper is a dues payer to its community and state, as well as a major contributor to a better society. Texas newspapers, their publishers and staffs have spent lifetimes creating communities that justify the investment of millions of dollars by major retailers.

"Our newspapers represent major local payrolls and substantial taxpayers to the local, county and state governments. And in all cases, one newspaper and not more than two thoroughly dominates the markets which they serve. "Texas newspapers represent quite a choice

from the major direct mailers who often don't even pay state taxes, and the electronic media which must share its hour-by-hour audience with about 50 competitors."

DON'T use a home fire extinguisher until you have gotten everyone else out of the house, checked your own escape route, and called the fire department. THEN, if the fire is small enough to put out or slowed down by your extinguisher, use it.

What kind should you get? They are classified by the type of fire they fight. Class A fires involve paper, wood, cloth, and some types of plastic.

Class B fires come from flammable liquids and gases, such as gasoline in the garage and frying pan grease in the kitchen. Class C fires involve electric equipment: a short in a home appliance, perhaps.

For general use at-home, choose an ABC extinguisher that can fight all the most common household fires. Look for the UL label that shows the unit has been tested and approved.

Keep your extinguisher accessible in fire-hazard locations such as the kitchen, workshop, or garage-but away from children. Most types should be tested periodically; check instructions to see how.

Fire protection: a good extinguisher, and adequate insurance. Talk to us at:

Letters to the Editor

Kim,
Because of numerous reasons that have become obvious to students, teachers, and parents since the beginning of the school year (and for other reasons which may not become apparent until future years), I voted no on House Bill 72, the "education" bill of the June special session.

Numerous calls and letters from concerned persons indicate that somehow, in a frustrated effort to strike out at what many people believe to be an ill-conceived and counterproductive change in the statutes, many teachers and parents assume or have been misinformed that all Legislators voted for and supported H.B. 72. This is not the case and I can assure you that many Legislators, like myself, were concerned with (1) inadequate increases in teacher pay and the imposition of an untested pay scheme which results in many veteran teachers being paid the same as

beginning teachers; (2) the inclusion in the statutes of inflexible regulations regarding attendance and grading, matters better handled, in my opinion, by local boards; and (3) the almost certain increase in local property taxes for the majority of the 36 school districts located within my legislative district.

A tremendous amount of political capital has been invested in this "reform" measure and I do not hold out great hope that the more objectionable parts can be easily amended. I do hope, however, that the scheduled increase in the proportion of the basic program that local taxes must fund (Local Fund Assignment) can be rescinded and thereby take added pressure off the property taxes. I am also hopeful that policy-making authority regarding attendance, grading structure, and specialized curriculum will be returned to the local boards where it be-

longs.
It is difficult, when having campaigned and been elected, in part, on a platform of improving education, to vote against a bill highly touted as education improvement. But I did not perceive the bulk of H.B. 72 as the kind of improvement we in the 78th district regard as progress, there I voted no.

Sincerely,
Steven Carriker
State Representative

Local Historical Group Tours Western Part Of Fisher County

A group of members of Fisher County Historical Commission made a tour of interesting points in the western part of Fisher County and just across the east Scurry County line.

The group was hosted by P. M. (Buddy) Burnet, a member of FCHC who has lived in this area all of his life and is a well known amateur archeologist. First point visited was the petrified tree on the Harrell place, northwest of Camp Springs. Authorities in this field of research estimate the entire tree to have been from 200 to 300 feet in height. No excavation has been allowed around the tree, but 21 1/2 feet are exposed with each end going deep into the earth. At the south end of

the tree about 4 1/2 feet has been removed many years ago and the part going south is very evident going deep underground. The entire exposed portion is 31 1/2 inches in diameter as shown in accompanying picture. Many people question a 200-300 foot tree in this area, but at least it was much taller than any local tree of the 18 or 19th century. Different formations appear in the trunk making it a very interesting and unusual find. It is on private property.

From this site the group traveled south to Green Springs. Another picture shows the rock formations.

These springs are the beginning of Clear Fork River which flows east

across Fisher County eventually into the Brazos River. Early settlers found numerous strong springs here and before them much evidence was found of Indian habitants of earlier years. Passages are some 6 to 12 feet below surface and in these until a few years ago numerous pictographs were evident. Vandals have destroyed most of these but artifacts found in the area and research of early day explorers indicate this to have been very important to Indian life for many years. The rock formations shown in the picture are most unusual. Bob Malouf, State Archeologist of Austin recently made a trip to Green Springs and plans to return for additional survey.

From this point the group went southeast to the abandoned Claytonville cemetery. This is one of three abandoned community cemeteries in the county with FCHC doing much restoration work.

This cemetery has been fenced thru the years by Carroll Hodges, owner of the site. It is located about a mile off FM road, hence no vandalism. It is in good condition considering not being used for some 30-40

years. Headstones are in good condition, in fact trimming live trees, removing a couple of dead trees, mowing grass and weeds and taking out a few bushes is necessary work to be done here.

Alice Ballenger an active member of FCHC and Pete Flores plan to oversee a group of 4-H Club members who will be working as a public service project on clearing this cemetery. County Commissioner Jimmy Wright will also

help with the work. As about 50% of County Commission members were unable to make the

tour because of conflicting commitments, another such tour will probably be made later.

Reviews To Begin Locally On Farmer (FmHA) Loans

Reviews will begin within the next few weeks of Farmers Home Administration (FmHA) loans accounts to see which farmers in Texas need and will qualify for a one-time set aside of part of their loan, John B. Smith, Fisher County-Scurry County Supervisor said today.

FmHA has been authorized to set aside up to 25 percent--to a maximum of \$200,000--of the debt owed the agency for farmers who are experiencing severe financial difficulty, if the set aside will help achieve a positive cash flow for the borrower. "We will begin scheduling appointments for our

borrowers to review their accounts, determine if they need special assistance and see if we can make that assistance available," John B. Smith said.

"Not every borrower will qualify for the set aside, but there might be some other way to help, such as consolidation or rescheduling of existing loans. We will look at all alternatives." Mr. Smith said all accounts will be reviewed. There are some exceptions, such as accounts in bankruptcy or foreclosure or those determined able to graduate to other sources of credit.

GOES ON TOUR: Headwaters of Clear Fork-Green Springs. Springs flowing at bottom of crevices.

ENJOYS SCENERY: Violet Upshaw, FCHC member and Roby Postmistress sitting beside broken end of petrified tree.

Rotan Nursing Center

We had some visitors Saturday night that the residents kind of wondered about. They were the Rotan Breakers and they did something that they call breakdancing. Some of the residents said that they didn't think they would try to dance that way. They would stick to the kind of dancing they were used to. All of the residents enjoyed it and hope the boys will come back again. Three of the Rotan Breakers is all that came out of eight boys. They were Joey Thompson (Ozone), Augie Alaniz (Popalong Kid), and Ben Alaniz (Tyron). We thank the boys for coming and showing us how to breakdance or as one resident put it how to break-a-bone.

Johnnie Trejo had a surprise birthday party Saturday afternoon also. Several of her children and grandchildren were here for the party. She also had a new grandson born Saturday at Fisher County Hospital. That makes two new grandbabies this month.

Visitors in the home last week were Josh Stewart and Adam Thornton of Snyder visiting B.B. Crawford. Ruby and Bob McKinney of Dallas visited Maude Gruben. Romie Kersh had several visitors Sunday. They were Mr. and Mrs. Truitt Galyean of Tyler, Rita War-

ner and girls of Hamlin and Betty Bredemeyer and children of Snyder. Naomi Thompson of Abilene visited her mother, Vineta Goodman, Nancy Bagwell was visited by her daughter, Dorothy Scifers of Hamlin.

Nancy Bagwell also won the most games at Bingo Friday.

Rotan Turkey Shoot Shotgun Winner Named

Although attendance was down this year for the annual Rotan Volunteer Fire Department sponsored "Turkey Shoot", Fire Chief Perry Thomson indicated that all those attending participated, but it was apparent that rain and cold weather kept many from attending the annual affair.

Joe Zambrano of Rotan was the winner of the shotgun drawing. He was awarded a Winchester Pump-vented rib shotgun by the Rotan Volunteer Fire Department and Rotan High School Junior Class.

This weather has everyone cold. They like the rain, but not the temperature.

Thaddie Wilson is in the hospital. We want to wish her a speedy recovery. She celebrated her 86th birthday there Thursday.

Our residents would like to thank the Homecoming Association for the donuts they brought to them. Appreciation goes to Mayrene Morrow for the nail clippers she gave to the home.

Out of town visitors this

week were Dean and Claire Wright of Manchester, New Hampshire visited Lucille Wright, and Doris Branch of Aspermont. Mr. and Mrs. Gaines Shipp of Roswell, New Mexico visited Ollie Shipp. Doyle and Jessie Jewel Rogers of Greenville

visited LaNita Moore. Visiting Clara Carter was Dee Moore of Hawley and Eldon Dowell of Iowa Park.

We want to invite all the ghost and goblins to come by in their costumes Halloween night.

TEC Opens Local Office

Texas Employment Commission Sweetwater Office Manager Jerre Howard has announced that Texas Employment Commission will begin providing job service for workers and employers in Fisher County on a regular biweekly schedule.

These services will include job applicant registration and placement service, job order taking for employers who need workers, selection and referral of qualified applicants to job openings, and dissemination of local and state local market information for employers and applicants needs.

Mrs. Howard stated that at this time these services will not include unemployment insurance claim taking. Claimants will continue receiving this service

at the Sweetwater Office, 121 E. Third Street. The Texas Employment Commission is a state agency and there is never any fee to applicants or employers.

Plans are initially to start this service in Rotan on November 6 at Rotan City Hall and Roby on November 7 at Fisher County Courthouse Coffee Room to take applications on any area job seekers and get acquainted with local employers. Ronnie Reedy will be assigned as interviewer to work in Fisher County. He stated that all job seekers need to file applications even if they already have applications in the Sweetwater Office.

"I am looking forward to meeting and working with Fisher County residents

and feel that this service will be of great benefit to this area," stated Mr. Reedy.

Beginning November 6, scheduled service will be every first and third Tuesday of each month in Rotan and first and third Wednesday each month in Roby. Hours in each location will be 1 p.m. to 4 p.m.
