Col-Tex Refinery site

T.W.C. to provide up to \$1 million for clean-up

The Texas Water Commission announced this week that funds up to \$1 million would be available for the preliminary cleanup of the former Col-Tex Refinery site just west of town beginning in June of this year. At this time there are no estimates on how many workers this project will employ.

Some 80 to 90 percent of the money will come from three fee-generated sources including the tax for hazardous waste disposal, the fee on vehicle battery sales and the waste oil tax. The remainder will come from other fee-generated sources said representatives of the Commission.

The overall clean up is expected to cost several million dollars. The site of the old refinery covers about 200 acres north and south of business 120 west of town.

Refinery operations began in 1928 and continued under various owners until 1968 when operations were moved to a refinery in Big Spring. By 1971 all major refinery and tank farm structures were dismantled with the exception of some large tanks which were leased for storage in the early '70's.

Presently, three storage tanks remain above ground and they contain benzene, chromium and a variety of other hazardous wastes. One of the tanks has a capacity of 80,000 barrels and the other two have a capacity of 55,000 barrels. The tanks have been punctured and the TWC say they are releasing hazardous substances that have wound up in the Colorado River.

Additional surface water migration of the hazardous substances is being temporarily prevented with an oil absorbent boom in the river and some contaminated groundwater migration is being temporarily prevented with the use of a hydrocarbon abatement system that acts as a filter and barrier.

This was installed by Fina and runs for 450 feet along the river.

The \$1 million is expected to cover costs for the removal of the three tanks and their contents followed by proper off-site disposal. The project is under the direction of the TWC's Superfund Investigation Section.

CISD EMPLOYEE APPRECIATION BANQUET: Vicki Weaver, computer lab aide at Hutchinson Elementary, was honored with a five-year pin at the CISD Appreciation Banquet Thursday night. Shown with her is Dr. Billy Bruce Bridgford who addressed the audience on his fourteen years as a CISD trustee.

C.I.S.D. honors employees

The Colorado ISD held their annual Employee Appreciation Banquet Thursday night with some 230 people in attendance.

Retiring school board trustee Dr. Billy Bruce Bridgford addressed the gathering and spoke of the improvements on each campus since he had been on the board. Bridgford told the audience that the most difficult part of being a trustee was having to discipline other people's children for breaking school rules.

Bridgford also recognized all the board members that had served with him over the past fourteen years.

Several employees were also recognized and awarded service pins for their tenure including: Vicki

Brown, five years; Gladys Hayes, Estella Ornelas, Lanette Ramage and Jane Servera for ten years; Ann Brown, Virginia DeLoera, Barbara Hammond, Bobby Lemons, Louis Molina, Shirley Rogers, Walt Staats, Linda Stewart and Carolyn Walkers for fifteen years service; and, Annette Chesser, Guadalupe Espinoza and Susan Farr for twenty years service to the CISD.

Those employees receiving plaques as they retire from the system this year were Ann Brown, Lu Hertenberger, Jim McLean and David Woods.

Entertainment was by the Colorado Middle School "Hee Haw Honeys".

Deadline nearing for celebration

The Chamber of Commerce is still signing up participants for the big Cinco de Mayo celebration set for Saturday, May 8 at Ruddick Park.

All who wish to be in the parade, talent show, volleyball tourney or have an arts and crafts or food booth can still call the Chamber at 728-3403 and be included in the festivities.

The last day to sign up for any of the activities is Wednesday, May 5.

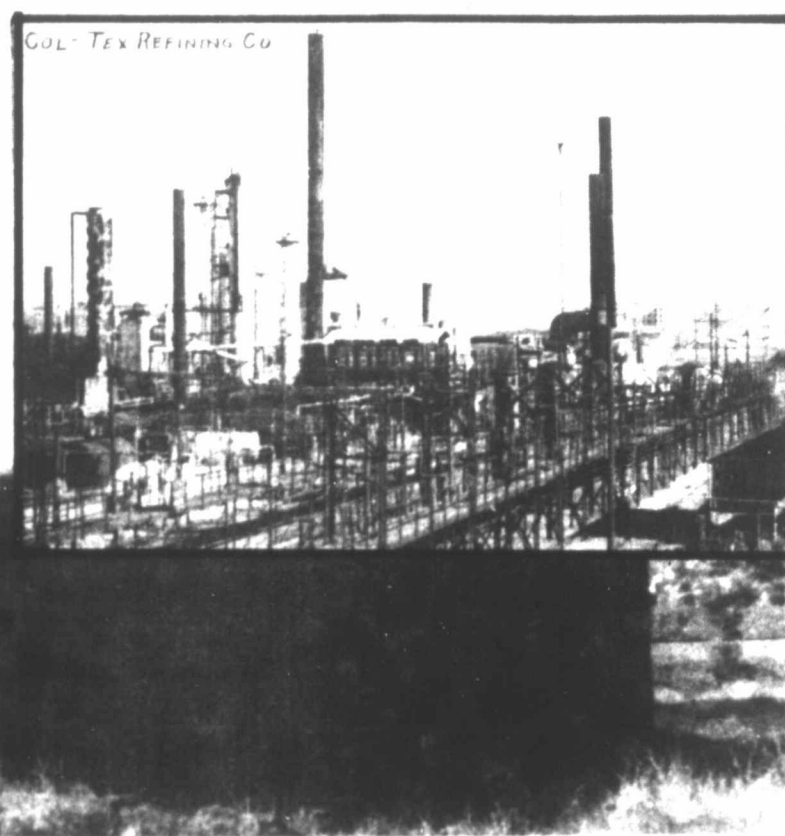

Cinco de Mayo is the celebration of a Mexican army victory against the French army.

A popular misconception is that the historically significant day is Mexican Independence Day, but it's not. Mexican Independence Day is Sept. 16.

The battle pitting the Mexican army against the French on May 5, 1862, in the city of Puebla started after Mexico, under the leadership of Benito Juarez, cut off service on all foreign debt. The measure affected Spain, England and France.

In October, 1861, the three powerful nations decided to send forces to Mexico.

LEAKING STORAGE TANKS: The Texas Water Commission is providing up to \$1 million in funds for the preliminary cleanup of the old Col-Tex Refinery site west of town. The money is to be used primarily to remove three storage tanks such as the one shown that are leaking hazardous chemicals such as benzene and chromium. The inset shows the refinery as it was in 1971.

Joins other antique shops

Antique Mall now open

A project that began last August and will likely continue "forever" is taking a giant step forward in downtown Colorado City this weekend with the opening of The Good Ole' Days Antique Mall at 157 E. 2nd.

At the present time, the 4,000 square foot building houses wares from ten antique dealers from throughout West Texas and currently has space for eight more.

The spacious building has a wide selection of antiques and collectibles and will have a full-time manager, Kay Fite, on site at all times. Hours of operation will be Tuesday thru Saturday from 10 a.m. until 6 p.m. and on Sunday, 1 to 6 p.m.

It will also be open on two major holidays that fall on Monday, Memorial Day and Labor Day.

Currently antique dealers in the Mall include: John Williamson,

Betty Boedecker, Molly Morris and Fern Thompson all of Colorado City; Dorothy Downing and Sharon White of Big Spring; Cynthia Waldrop, Betty House and Billy Hanes, Snyder; and Linda Stamper of Midland.

Rental is .65 cents per square foot - an 8' by 10' space rents for \$52 per month - and rental arrangements can be made with Fleta Lewis at 728-3982.

The Mall joins two other stores downtown that currently handle antiques.

Stepping Back is located three doors west of the Mall and specializes in antiques and old furniture repair and Home Grown Crafts around the corner at 162 Walnut currently has six booths leased to antique and collectible dealers.

Stepping Back is owned by David and Rebecca Mainka and are

currently open on Thursday mornings and all day Saturday plus other times by appointment.

Home Grown Crafts is owned by Sharon Dockrey and is open Tuesday thru Saturday from 10 a.m. to 5:30 p.m.

Water meeting set for May 6

Citizens all across the state of Texas are concerned about water. Is our water being contaminated? Will our water still be available in the future? These are some questions many people ask when water rights and uses are mentioned. Mitchell County citizens can get some of their questions answered by attending a meeting sponsored by the Program Council of the

State trooper investigated

A Department of Public Safety trooper stationed in Colorado City is under investigation for an alleged sexual assault of a local woman according to Texas Ranger Captain Gene Powell of Midland.

The alleged assault took place last week.

No charges have been filed and the results of the investigation are expected to be presented to the Mitchell Co. Grand Jury on May 20.

DPS Sgt. George Thomas of Sweetwater said Friday that no troopers have been suspended in Mitchell County.

Thunderstorms roam throughout county

Thunderstorms that roamed through Mitchell County Wednesday night and Thursday morning left rainfall totals ranging from 1/2" to 2".

County Extension Agent Bryan Limmer said the totals varied so much that only certain cotton growing areas of the county would be helped to any great extent.

"It's all going to help though," said Limmer. "Some of the producers were worried it was not even going to shower before planting time."

Pastures should benefit greatly from the rain as will the wheat crops. The county didn't see the early spring rains that have fell in the past few years and the early season grasses were almost used up.

TU ELECTRIC EMPLOYEE HONORED: Morgan Creek Power Plant employee Paul Barr (right) received the TU Electric's 'President's Award' Friday morning from the company's chief executive, Earl Nye. Barr saved the life of a choking Sweetwater woman in September of last year by performing the Heimlich Maneuver on her. Nye also complimented all the Morgan Creek employees for their work and dedication in what he described as "some difficult times in the industry."

CLEAN-UP,

From Page One

Past and present owners of the site consist of at least nine companies that owned or operated the facility during the processing, storage or disposal of hazardous substances. The TWC says they are responsible for developing a remediation plan that will result in the total cleanup of the site. Failure to meet specified deadlines in the order can result in penalties of up to \$5,000 per day.

In January of 1862, troops sent by the trio of European powers landed at Veracruz harbor. Shortly afterward, Spain and England discovered that they were being used as pawns in Napoleon's scheme for expansion and withdrew their forces.

The French, however, did not and marched inland where they were met at the city of Puebla by the Mexican Army led by General Ignacio Zaragoza.

His troops defeated the French troops in the ensuing battle.

MEETING

Mitchell County Extension Service.

The meeting will be held on May 6, 1993 at the Colorado Middle School Cafeteria at 7:00 p.m. The informative event will address issues on the formation of an underground water conservation district and problems concerning household chemical waste.

Mr. Allen Lange, manager of the Lipan-Kickapoo Water Conservation District in Tom Green County will be speaking on the processes a county must go through to obtain a water district. Mr. Lange is well versed in the legal and political formalities concerning water districts and will provide an excellent program.

Mrs. Ingrid Dierlam will also be on the program to discuss household chemical waste. Mrs. Dierlam is the Project Coordinator of the Community Support Program with the Texas Water Commission in Austin. Her program will provide outstanding information concerning the proper uses and disposal techniques of household chemical waste and its containers.

The meeting is the start of a series sponsored by the Mitchell County Extension Service to provide Mitchell County citizens with educational information on water quality and conservation and proper disposal and uses of household as well as agricultural chemicals.

And later this summer the old Colorado Drug will be opened with an old-fashioned soda fountain fully operable and it is owned by John and Mary Kay Williamson.

Williamson is also the chairman of the Preserve Our Past Committee of the Chamber of Commerce. He stated that 10,000

cars pass through Colorado City on I-20 daily and their goal is to get them off the highway and into town.

The Chamber is planning on putting signs east and west of town touting the community's heritage and the antique shopping opportunities that are springing up.

Bulldogs defeat Ira

The Loraine Bulldogs ran their season record to 6 wins against 4 losses Tuesday as they defeated Ira, 12-1.
Most important though is they are undefeated in the district race with two victories.
Craig Finley threw a three-hitter for his second win of the year against two losses.
Michael Moore and David Mitchell both hit doubles to lead the offensive attack.
The next game for Loraine will be May 7 when they host the Westbrook Wildcats at 6 p.m.

School Breakfast Week Observed

Colorado ISD Food service Director, Christine Cooley has announced that the school cafeterias are observing Texas School Breakfast Week, May 3-7, as declared by Governor Ann Richards, with activities to encourage children to begin each day with a nutritious breakfast.

Governor Ann Richards has stated, "a hungry child cannot concentrate and learn effectively and all children deserve to reach their full potential." Colorado City schools also recognize the importance of giving children this opportunity by offering a nutritious breakfast to all children in school. Breakfast is available to all children although some parents may have the misconception that it is available to only those who qualify for free or reduced price meals. In reality breakfast at school is for all students and can be purchased for 60 cents by those students who pay full price for their meals. This price includes the full breakfast of whole or enriched grain products, protein items, fruit or fruit juices and milk.

Activities for the week include displaying posters to promote breakfast, troll stickers and color sheets to those participating, and introducing a new breakfast item. Director Cooley encourages all students to eat breakfast in the cafeteria during this week and every week to get a good start on the day.

Hospital Aux.
meets

The Mitchell County Hospital
Auxiliary met in the home of
Virginia Harmon for the monthly
workshop and business meeting.
Each member brought a covered
dish for lunch. They worked on
new items to be placed for sale in
the Gift Shop. During a brief
business meeting it was decided that
the Saturday afternoon shift in the
Gift Shop would be taken
temporarily by different members
until a permanent one could be
assigned. Also new items to be
purchased for the Gift Shop was
discussed.

The next meeting will be in
the home of Bonnie Farrar, club
president. Those attending were:
Bonnie Farrar, Faye Spivey, new
member Orle McElhane, Geneva
Killian, Maxine Pierson, Gloria
Erwin and Virginia Harmon.

Wolves defeat Greenwood

The Colorado City Wolves
baseball team got their district race
off to a running start Tuesday as
they defeated Midland Greenwood,
19-4 behind the one-hit pitching of
James Franco who recorded 7
strikeouts.

The Wolves sent 20 batters to the
plate in the second inning as they
scored 16 runs to put the game far
out of reach as they evened their
season mark to 8-8.

Lynn Boyd led the Wolves with
three hits in four attempts as he

recorded two doubles and a home
run to knock in four runs. Doug
Conner also went 3 for 4 as he had
2 singles and a double to account
for 2 RBIs.

Adrian Martinez went 2 for 4
with 2 singles and knocking in two
runs while Ashley Walthall, Daniel
Silva and John Fuller all recorded
one hit.

The next home game is set for
Tuesday against Reagan County at
5 p.m.

Senior piano recital planned

BRIEFS

Mrs. Lynn Bethel will present Jason Wade Warren in his Senior Piano Recital on Sunday, May 9, at 2 p.m. in the First Baptist Church Chapel in Snyder.

Jason, a senior at Snyder High School and the son of Wade and Carolyn Warren, of Snyder, has studied piano for nine years under Mrs. Bethel.

He has been a first place winner in the Pauline Slaton Piano Competition in Odessa, the Mark Knox Piano Competition in Midland and the Lubbock Sonata, Sonatina and Concerto Competition in Lubbock. For eight years he has received superior ratings at the Texas Federation of Music Pastoral Festival in Lubbock and has also been an all-state candidate for eight years. Jason has participated in the National Guild Auditions for nine years and will audition for his High School Diploma in May.

Jason has been a member of the vivace Junior Music Club for nine years where he served as vice president and president. He served

as camp counselor at the Bethel Studio Summer Music Camps for four years.

Jason is a member of the First Christian Church and has been church pianist for three years. In addition, he plays the drums and bass guitar and was a member of the Snyder High School Acapella Choir for three years. He served in the Student council in high school two years.

As a member of the varsity tennis team for three years, Jason was named all-district in doubles and singles his sophomore and junior years and all-district singles his senior year. He was regional qualifier in team tennis for two years, regional alternate in singles his junior year and regional qualifier in singles his senior year.

He was recently named the most valuable player in tennis for 1993.

Jason plans to major in finance and accounting and will enter WTC this fall and later attend Texas Christian University.

Jason Warren

In his recital he will include selections from Bach, Mendelssohn, Kachaturian, Kabalevsky, Haydn, McDowell, Towner, Newton, Gaither and Hine.

Immediately following the recital, a reception will be held in the garden room.

The recital is open to the public.

Renee Margaret Steinlage and Franklin Phillip Logan

Steinlage, Logan to Wed

Mr. and Mrs. Melvin Steinlage of Seneca, Kansas are announcing the engagement and approaching marriage of their daughter, Renee Margaret Steinlage to Franklin Phillip Logan, son of Mr. and Mrs. Homer Logan of Fort Worth and grandson of Mabel Logan of the Spade Community.

The wedding is planned for July 10, 1993 at 4:00 p.m. at the First United Methodist Church, Fort Worth, Texas. The bride-to-be

is a 1986 graduate of Nemaha Valley High School and a 1990 graduate of Kansas State University. She is a product development coordinator for Fossil, Inc.

Her fiancé is a 1986 graduate of Crowley High School and a 1991 graduate of Texas Christian University. He is a federal officer for the U.S. Department of Justice. The Logans are former residents of the Spade Community.

Tracy Wills and Marty Cleckler

Wills, Cleckler to unite

Tracy Wills of Amarillo and Marty Heath Cleckler of Sweetwater will be married on May 14, 1993 7:30 p.m. at Paramount Terrace Christian Church in Amarillo, Texas.

He is the son of Tom and Brenda Johnson and Keith Cleckler all of Sweetwater.

She is the daughter of Don and Patty Wills of Amarillo.

The bride is a senior at Texas A&M University and is majoring

in Community Health. She recently transferred from Texas Tech University and is a member of Kappa Delta Sorority.

The groom will conclude his Master's degree in May in Land Economics and Real Estate from Texas A&M University. He received his Bachelor's degree of Business Administration in Economics from Texas Tech University and is a member of FarmHouse fraternity.

Unless They're Stopped, Southwestern Bell Will Know More About You Than Even The IRS.

By keeping track of who you call, how often you call and how long your conversations last, Southwestern Bell and other Texas telephone companies can create an alarmingly detailed profile of your life.

Fortunately, they have never had any reason to do this.

Until now.

The telephone companies are no longer satisfied with owning a monopoly over local telephone lines. They now want to own and control the information services that flow through those lines.

By using their file on you, these companies could make you the target for all kinds of sales messages

involving your business, your health, your finances, your family life and more.

Call an obstetrician and you could be hounded by diaper services and daycare centers. Call for stock quotes and the telephone company could try to sell you their stock selection service. Call a dating service and the next thing you know the telephone company could try to arrange your social life.

The Texas legislature can go a long way towards preventing this abuse by supporting a two-year study that will provide the true facts behind the telephone companies' desires to be deregulated and free to set their own

policies and rates.

Urge your legislator to vote in favor of a two-year, fact-revealing study that will protect Texans from the monopolistic whims of Texas telephone companies. Because if you remain silent now, everything you say later can, and just might, be used against you. Support the two-year study and protect your pocketbook.

Tell your legislator that you want to be protected from powerful Texas telephone company monopolies.

CARD OF THANKS

Card of Thanks...

My humble thanks to everyone who helped with and participated in my retirement reception.
To my co-workers, my good friend JoAnn Merket, R.N., D.O.N., the Administrative Dept., the "Pink Ladies" and Dietary Dept. who worked so hard to make it a memorable occasion as I pursue another step in life.
Thank you family and friends, Doctors and PA's for the gifts, flowers, cards and by being there. You all made it a special time. I appreciate our Hospital Governing Board and thank you all for the beautiful engraved plaque. Also the thoughtful dinner party from a group of my co-workers. God Bless the entire staff of M.C. Hospital. I will never forget you. I love you all.
Friday Moore

Card of Thanks....

Our hearts overflow with sincere appreciation for all who expressed their love and sympathy in so many comforting ways during the loss of our father and grandfather.
We would like to give a special "Thank You" to everyone for keeping us in your prayers, sending cards, flowers, food and the phone calls. Also many thanks to the Lady Guadalupe of St. Ann's Catholic Church, the individuals who helped with the Rosary, Fuller Food employees and Kiker-Seale Funeral Home.
We thank each and everyone from the bottom of our hearts.
The Family of
Albert B. Martinez, Sr.

LETTER TO THE EDITOR

Dear Editor:

To those that organized, worked, and to the community in general, I want to say a big "Thank You" for all the work done on my house, thanks to Christmas-in-April.

It's good to be part of a community that cares. Because of the volunteers, my house has taken on a new look inside and out.

Thanks again. I appreciate you all.
Betty Robertson

(Editors Note: CHS Principal James McSwain received this letter from the Governor, commending the high school for their participation in the Partnership School Program.)

Mr. James McSwain
Principal
Colorado High School
1500 N. Lone Wolf Blvd.
Colorado City, Texas 79512

Dear Mr. McSwain:

I am proud to adopt Colorado High School as a Governor's Gold Star School.

Please accept the enclosed plaque as a token of my support for your innovative efforts in pursuit of quality education for your students. Commissioner of Education Lionel "Skip" Meno selected your school

as a Partnership School because of your vision and your willingness to take risks. The work you do in your school will influence education throughout the state.

During each of my visits to Gold Star Schools, I learn more about how creative and effective good educators can be when given the opportunity. The push for greater local control and flexibility through efforts such as site-based decision-making and the Partnership School Initiative have created opportunities for Texas educators to take charge of improving education in the state. I hope to be able to visit your school in the near future and learn about the progress Colorado High School has made.

Thank you for your wonderful contribution to education in Texas.

Sincerely,
Ann W. Richards
Governor

MDA hosts camp

How would you like your summer vacation filled with friends, laughter, and good times? If your answer is yes, and you are a young man or woman 18 years of age or older, then the Muscular Dystrophy Association (MDA) invites you to become a very special part of the MDA summer camp program.

This year's camp will be held at Ceta Canyon by Happy, Texas, Sunday, August 8 thru Friday, August 13.

Volunteers willing to spend the week at camp are needed to act as companions to a child or teenager with Muscular Dystrophy. It is a wonderful opportunity to perform a valuable community service and enjoy a week of summer camp-free!

For further information and an application form, please call the Muscular Dystrophy Association at (915) 366-7588 or (915) 683-2405.

Looney club meets

Linnie Williams led the club prayer. Roll call and reading of the minutes was given by Etta Lee Gibson. Council report was given by Billie Woods.

The book review was discussed and will be held on May 11 at 2 p.m. in the C.C. Thompson

Room. Looney Club will be responsible for eight dozen cookies.

Recreation was given by Etta Lee Gibson. Ruth Myers was

hostess serving delicious refreshments to one guest, Dora Sutton and members, Etta Lee Gibson, Madge Shepherd, Lena Bullard, Linnie Williams, Eddie Barclay, Pansy Northcutt, Correne Barnett, Lonie Pruitt and Billie Woods.

Westbrook students headed to UIL meet

Five Westbrook students will be competing at the UIL state academic spring meet.

The site for this competition will be in Austin, Texas. Accounting May 8 at 10:30 a.m.; Calculator May 8 at 8:30 a.m.

The students earned eligibility by placing first, second or third at the UIL regional academic meet, held April 24, 1993 at Hardin-Simmons University.

1st place-Accounting Team: Jeff Conaway; Christy Easley; Jay Browne. Individual Accounting: Jeff Conaway 1st; Christy Easley 4th; Jay Browne 8th. 1st place-Calculator Team: Jeff Conaway; Mike Martin; Jay Brone; Greg Conaway, Alt.

"Although the UIL is more often associated with athletic competition, more students compete in the academic contests," said Dr. Bailey Marshall, UIL director. "In fact, the League began as a debating league in 1910 and then later merged with a track and field association to form the basis for the current organization. Each year, more than a third of the total participation in UIL activities involved academic contests."

Texas has the nation's most

comprehensive state of academic contests. "Long before the development of other academic-based competitions, the UIL was sponsoring contests in writing, speaking, mathematics and science," Marshall added.

UIL academic contests cover several subjects areas including math, science, business, language arts, journalism, speech, and theatre. Recently, contests in current issues & events and computer science were added last year.

the purpose of the UIL academic program is to use competition to develop students' higher order thinking skills. "A primary objective for League

directors is to maintain a high correlation between what is taught in the classroom and what is required of students involved in extracurricular competition," said Janet Wiman, UIL academic director. "Consequently, as much emphasis is placed on the educational context of the contests as is placed on the contests themselves."

Students who compete at the UIL State Meet also qualify for Texas Interscholastic League Foundation scholarships. This year, the TILF is awarding more than \$700,000 scholarship grants to 534 college students who compete at the UIL State Academic Meet.
