NUMBER 23

Methodists Will Move Into New Sanctuary Sunday

By DON JONES

The Abernathy First Methodist church is to have the formal opening of its new building Sunday, April 20.

The new structure, which includes the sanctuary, preacher's study, cry room, choir room, parlor room, kitchen, and three rest rooms, is 141 feet long and 48 feet wide, and faces the south. The new addition joins the original building on the southeast side.

The exterior of the building is constructed with face brick to match that of the old building. The interior of the building is decorated with Roman brick and has a high V-shaped choirist acoustic ceiling. The most attractive feature of

the new sanctuary is the beautiful art glass window which rises above and back of the altar. The window has a life-size picture of Jesus in the "Come Unto Me" pose.

The floor of the new sanctuary is covered with aisle carpeting. The foyer of the new building has a cast stone covered floor. The entire building is equipped with central air conditioning and heating units.

Aids for Handicapped
A number of the church members have often made the statement that they hoped to live to see a ground floor sanctuary for the Abernathy Methodist church, so that the elderly and physically handicapped persons could attend the services that they previously could not because of the high stairs to the old one. This dream has been realized. A ramp has been constructed at the main entrance to the new sanctuary so that a wheelchair can be rolled into the church and can be used by people who cannot climb the stairs.

Provisions for those who are handicapped because of hearing have also been provided for in the new sanctuary. Eight sets of hearing aids and connections will be available for the people who have difficulty in hearing the sermons.

Started In October
Construction on the new building started in October of last year. Completion has taken longer than first anticipated because of unsatisfactory weather conditions, which have hampered the progress from time to time.

Mr. H. H. Selke of Abernathy has been the head contractor for the church. He was assisted by the following sub-contractors: Len Ray, Lubbock, brick; Ray Williams, Lubbock, concrete; Henry Howell, Lubbock, painting; Marvin Lewis, Abernathy, plumbing; Leroy Kelley, Abernathy, wiring; Bob Burnett, Abernathy, heating and air conditioning; and H. T. Ritchey, G. F. Cates, and B. V. Powell, all of Abernathy, carpenter work.

Atcheson, Atkinson and Cartwright of Lubbock were architects for the new building.

The completion of the new \$115,-

900 structure with a 500 seating capacity, marks another milestone in the development of the Methodist Church in Abernathy. This is the third addition to the original building which was constructed in 1925.

The church was first organized in 1910 in the old school auditorium with 18 charter members. The Rev. J. P. Calaway was the first pastor of the church.

Mrs. S. R. Merrill, 711 11th St., Abernathy, is the only living charter member left of the original 18.

It was not until 1925 when the Rev. R. F. Dunn, father of Dr. Sam Dunn of West Texas Hospital in Lubbock, was pastor that the Methodist moved into their own building to have their services.

The old sanctuary that has been used up to now and which is to be divided up into classrooms, was constructed in 1942 when Frank Beauchamp was pastor. The Education building on the north side was completed in 1953, when Travis L. Darby was pastor.

The membership of the church has increased from the original 18 to 560 today. There has been an 87% increase in membership during the last 10 years, from 300 to 560.

J. P. Nystel, local businessman, has been prominent on all four building campaigns conducted by the Methodists. In addition to being on all four Building Committees, Mr. Nystel served as chairman of the one in 1953. Mr. Nystel

has also been a continuous member of the official board since October, 1923.

George W. Ragland, who is a member of the official board, has also been very active in the progressive growth of the local church. Mr. Ragland is the senior steward of the church. He became a member of the official board in April of 1923, and has served continuously for the past 35 years.

Besides being one of the stewards, Mr. Ragland is church treasurer, a position he has held for the past 15 years. Mr. Ragland is

also the senior member of the official Finance Board of the Northwest Texas Conference of the Methodist Church.

The members of the 1958 Building Committee are E. A. Houston, chairman, J. C. Mills, H. V. Davis, E. B. Lindsey, Ted Watts, J. W. Davis, J. Wesley Harris, and Mr. Nystel. J. D. Webb is Sunday School Superintendent.

The Rev. H. B. Coggin, pastor, who came to the church in June of last year, deserves much credit for the success of the building. The Rev. Coggin has been a tire-

less worker in seeing the aims of Abernathy Methodists carried out. Rev. Coggin will deliver the first sermon in the new building. The title of the sermon will be "Moving Day."

All former pastors, members, friends of the church, and people concerned with the construction of the new building have been invited to the formal opening. The Morning service hour is 11:00 a. m. Members are bringing a basket lunch to the church, which is to be served in Fellowship Hall at the noon hour.

Antelopes Qualify 8 Boys To Regional; Place Third

(By Don Jones)

The Abernathy Antelope cinder team qualified eight boys for the Region 1 Track Meet last Friday while winning third place at the District 2A track and field meet at the Texas Tech track.

Although the Antelopes won only third place, they qualified more boys for the regional meet than did the two leading teams, Floydada and Lockney. First and second places in each event qualified for the regional meet.

The Antelopes rolled up 32 1/2 points. Floydada, behind Bill Patterson, who scored 18 points for

the Whirlwinds, upset the highly favored Lockney Longhorns by winning the meet. Floydada edged the Longhorns out, 43 to 39.

This year's district meet probably had the keenest competition of any district meet for the past several years, with only 10 1/2 points separating the three top teams.

Harris Top Antelope

A. C. Harris was Abernathy's standout performer as well as one of the meet's top trackmen. Harris won the 440-yard dash with an impressive 52.5 clocking. Harris also ran a leg on the 440-yard relay

team that was second and the mile relay team which won that event.

Other members of the winning mile relay team are Pat Attebury, Jerry Oswalt, and Jimmy Nelson. Attebury and Nelson are also on the 440 relay team.

Another impressive performance for the Antelopes was the mile run in which Carroll Powell won second with the good time of 5:02. Powell beat out Danny Shipley of Floydada, who had defeated Powell in every other meet this year.

Second place winners for the Antelopes who qualified for the regional meet were Gerald Watson, 120-yard high hurdles; Jimmy Dye, pole vault; and Danny Miller, 180-yard low hurdles. Miller also ran a leg on the 440-relay team.

Antelopes who placed in the meet but did not qualify for regional are Gerald Watson, third place tie in the 180 high hurdles; Lane Tannehill, fourth in the high jump; Jimmy Nelson, third in the 440 dash; and Jerry Oswalt, fourth in the 880 run.

Community Meeting Is Scheduled Tonight

GUEST SPEAKER SUNDAY AT FIRST BAPTIST CHURCH

Rev. Tom Parrish, director of development at the Wayland Baptist College, Plainview, Texas, will be the guest speaker this Sunday at the morning worship hour. Each year the First Baptist Church observes "Wayland College Day."

Rev. Parrish will represent the college and bring the morning sermon. At the evening worship hour, Mr. V. Vendrick of General Electric, will present the film, "God and the Atom."

Other directors are J. H. Howard, president; Earl Horne, secretary; and F. C. Bishop. Goodrich is closing his fifth year as manager.

County Line Co-op Gin Stockholders To Meet Monday

Mathew Goodrich announces the annual stockholders' meeting of County Line Co-op Gins at 7:30 p. m. Monday, April 21, at Abernathy school cafeteria. A catfish supper will be served to stockholders, their families and other guests. Included in the business session will be the election of two directors. Entertainment will follow.

Terms of directors Jack Myatt and G. W. Blackmon expire this

It was a year ago this week-end that tornadoes began hitting over the South Plains area, with several funnels reported in the Abernathy area. According to the U. S. Weather map for this Spring, our area is smack in the middle of a predicted violent weather route.

In the event predictions materialize, Abernathy area should be prepared as best it can to meet the emergencies.

Mayor Edgar Graham has called a meeting of representatives of all civic organizations and clubs for Thursday night, April 17, at 8 o'clock at Abernathy school auditorium. Mayor Graham urges all representatives, and others who are interested, to attend the meeting.

Scheduled to address the meeting is Sgt. E. L. Stroud of the State Department of Public Safety. He will discuss warning systems, storm shelters, plans for transporting peo-

B & S OFFERS FREE WASH

FREE WASH

B & S Automatic Laundry at 1204 Avenue D in Abernathy is offering one 20c washing free in a coupon appearing in their advertisement in this issue of The Review. The offer is good from Thursday, April 17, through Thursday, April 24, 1958.

Clip the coupon from the B & S Automatic Laundry ad in this paper and present it there for a free 20c wash.

ple to shelters, protection of students and teachers at school, and other important pointers for such emergencies.

Warning System

In a joint announcement, Edwin Crow, chief of Abernathy Volunteer Fire Department, and Mayor Edgar Graham identified the various fire sirens alarms.

The officials said one long blast of the fire siren on the second and fourth Tuesday nights will be to call firemen to practice sessions.

When there is a fire, the siren will sound a series of long blasts. When the fire siren is used to sound warning that a tornado is approaching Abernathy there will be two six-second blasts, followed by a 12-second blast. This series of two short blasts followed by a long blast will continue until ample warning is sounded by the siren.

Night warning on tornadoes approaching will be handled by the telephone operator and volunteer firemen. When the night telephone operator is advised of a tornado approaching, she will call a member of the fire department nearest the fire station and he will start the series of siren blasts.

Officials asked that local residents not call the telephone office to find the location of a fire after the siren sounds for that purpose. A policy of the company forbids the operators giving this information to anyone except members of the volunteer fire department.

and 50c for adults.

Musical Show Set
A big musical hit show is on tap for the re-opening program, Thursday and Friday nights, April 17-18. It is "The Big Beat," a color picture featuring 18 recording stars and 15 song hits.

Set to show Saturday night, April 19, is another color movie, "The Missouri Traveler," with Lee Mar-

Community Clean-Up Campaign Is Under Way Here

Community Beautification Promotion is a new program being started in Abernathy. It will require the cooperation of every family in the community to make it a successful undertaking.

All churches and organizations were represented at the second meeting held Friday, April 11, at 2:30 p. m. in the Council room of the City Hall. The purpose of the meeting was to discuss ways and means of cleaning up and beautifying the community.

Suggestions made to help clean up the community are: Parents are urged to teach children in the home to refrain from scattering trash and papers; keep some kind of container in the car to put trash in when traveling; keep trash picked up around homes; trim trees, shrubs and hedges, and put limbs in place convenient to be picked up.

Notify the fire department of vacant lots in your neighborhood and of weeds on vacant lots to be burned.

Suggestions made to beautify the community are: Improvement of store fronts by repairing and painting where necessary; planting of trees, shrubs and flowers.

The possibility of clubs and organizations taking the responsibility of various projects in the campaign was discussed. A report on such action by the organizations will be presented at the next meeting, which will be held Friday, May 2 at 2:30 p. m. at the City Hall.

Suggestions from the community on any phase of this program may be turned in to officers of any of the participating organizations.

It is hoped that much improvement will be made by the time Abernathy celebrates its 50th Anniversary in 1959.

To Occupy Harp Building

Young's Store Is Scheduled To Move; Sale Begins Friday

INFORMATION SOUGHT ON AREA VEGETABLE GROWING

At a meeting in Abernathy, Thursday, April 10, of those interested in growing vegetables of various kinds, a committee to serve temporarily in investigating the possibilities in this area was formed with J. D. Webb as president, Arno Struve, secretary, and Dean Sterling, Joe Lovelace and Guy W. Thompson.

The available information was discussed, and a committee appointed to further investigate and glean as much information as possible.

J. D. Webb and Arno Struve made a trip Monday to Lockney relative to the growing of vegetables. Other towns with experience in their immediate areas will be visited and their experiences discussed. Growing and marketing information will be sought and an effort to profit by the experience and mistakes of these other communities will be made.

Anyone interested in growing and marketing various kinds of vegetables should contact Arno Struve or J. D. Webb, or any of the others named.

Other communities have grown vegetables with a measure of suc-

cess, why not Abernathy? It is hoped to form a permanent organization of growers and have the whole community profit from it.

Young's will move into the Harp Building as soon as the building is made ready after removal of the bank fixtures and material now stored there. New light fixtures have already been installed and the necessary cleaning and redecorating will follow immediately after removal of material.

Lillian Young and the others of the store are highly pleased at obtaining this building, and they plan to move immediately after it is ready.

They are announcing a removal sale on another page of this issue, to close out all men's and boys' goods before moving. Hereafter the store will be "Young's," as the "department store" part of the name will be dropped. They will handle only ladies ready-to-wear accessories and gift items.

Dotty Dan for small boys, as well as a full line of children's wear. See their ad in this issue, and help them to close out those items on sale.

Call 80 when you have News

Jack Hackler's Mother Dies At Olton Thursday

Funeral services for Mrs. W. P. Hackler, 79, a resident near Olton for almost a quarter of a century, were conducted at 2 o'clock Saturday afternoon at the Olton Baptist Church.

The Rev. John Lewis, pastor of the church, officiated.

Mrs. Hackler died at 8:50 Thursday night at her home.

She was born Oct. 2, 1878, at Rockhill, S. C. She and her family moved to Hale Center in 1929 from Cloud Chief, Okla. Mr. Hackler died Dec. 4, 1929. In 1934, Mrs. Hackler moved to the farm near Olton.

She was a member of the Olton First Baptist Church. Survivors are five daughters, Mrs. H. R. Keeter and Miss Thea Hackler, both of Olton; Mrs. J. D. Ritchey, Hale Center; Mrs. Roy Wilson, Lubbock, and Mrs. Malcolm Ogletree, Springlake.

Seven sons, Winton, Wallace, Lonnie and Orian Hackler, all of Olton; B. L. Hackler, Cloud Chief; Jack Hackler, Abernathy, and Claude Hackler, Carlsbad, N. M. Twenty-nine grandchildren and 23 great-grandchildren survive.

Interment was in the Hale Center cemetery beside the grave of the husband.

There will be a meeting of the Farmers Union, Thursday (tonight) at 8 p. m. at the City club room, announced Elton Settle, president.

Movie House to Re-Open

Hit Musical Show Is Booked For Nu-Vue Theatre Tonight

The Nu-Vue Theatre, closed for several weeks, is scheduled to re-open Thursday night of this week, April 17. It was announced by Mr. and Mrs. George Reed. See the Nu-Vue advertisement in this issue of The Review.

The building, furnishings and equipment are being repaired for re-opening. All damaged seats are being replaced. Interior of the building is being repaired, with portions being repainted.

As co-owners, the Reeds operat-

ed the Nu-Vue here from 1947 until 1955, when they sold their interest to W. A. Waters. They have leased the business from Mr. Waters, and will move back to Abernathy when they dispose of their property in Plainview.

For night shows, the box office will open at 6:45 and the show will begin at 7. The box office will open at 1:45 p. m. for Sunday matinees, with the show starting at 2 p. m.

Admission will be 15c for children

A 2-Face Cat, "Believe-It-Or-Not"

Oddity, Observed by AHS Students

A Believe-It-Or-Not oddity, a kitten with two faces, was causing excitement at Abernathy High school Friday. Principal J. W. Sollis was unable to give it the name of the boy who brought it to the school. Members of the science classes had the kitten under observation. The kitten had an oversized head, on which there were two distinct faces... four eyes, two noses, two mouths and two chins. The cat had only two ears.

BANK HOLIDAY

Abernathy First State Bank will be closed Monday April 21 San Jacinto Day, a legal banking holiday. Several members of the bank personnel plan to attend the South Plains Bankers Convention to be held that day in Lubbock.

Irene Torres underwent surgery in a Plainview hospital.

BIRTHS

Mr. and Mrs. D. C. Wright are parents of a daughter born April 8. She weighed 7 pounds, 15 ounces.

Reginald Vintz Powell has been called for Armed Forces physical examination April 28.

Wheat Farmers Vote June 20 On 1959 Quotas

Farmers in Hale County will vote June 20 on whether they want to use marketing quotas for their 1959 wheat crop. J. Earl Laney, Chairman, County Agricultural Stabilization and Conservation Committee, said today.

Quotas for the next wheat crop were proclaimed by the Secretary of Agriculture on March 21, as required by legislation whenever the available supply of wheat is more than 20 per cent above the normal supply. The supply this year—estimated at more than 2 billion bushels—is actually 57 per cent above normal.

Mr. Laney pointed out, however, that the quotas will not become effective unless they are approved by at least two-thirds of the producers voting in the referendum. If quotas are approved for the 1959 wheat crop, it will mark the sixth consecutive year they have been used for wheat. Wheat quotas and wheat allotments apply only in the 38 so-called "commercial" wheat states, of which Texas is one.

To be eligible to vote in the June 20 referendum, the Chairman explained, a grower must have more than 15 acres of wheat for harvest as grain in 1959. Any wheat grower who signs an application under the feed wheat provision permitting him to produce up to 30 acres of wheat as feed on his farm will not be eligible to vote in the referendum. Wheat growers will be informed of the wheat allotment for their farms in

advance of the referendum date. As usual, Chairman Laney says, the ASC Committee will set up polling places throughout the county for the convenience of farmers in voting. Locations will be announced later by the County ASC Office.

If quotas are approved in the referendum, wheat acreage allotments will be eligible for the full available price support on their entire production. Wheat growers who exceed their farm acreage allotments will not be eligible for price support and they will also be subject to marketing quota penalties on their excess wheat if they have more than 15 acres of wheat for harvest in grain.

If quotas are not approved, there will be no restriction on wheat marketing. Allotments will remain in effect, but farmers who comply with their farm wheat allotments will be eligible for price support at only 50 per cent of parity.

Try not to get irritated with other motorists, a bulletin from the Texas Safety Association advises. When they forget signals, zig-zag in traffic, fail to dim their lights or show other signs of rudeness, maybe it is because they lack the training or courtesy which YOU possess.

A. C. Sanders, Sr. Dies in Lubbock

LUBBOCK — Arthur C. (Babs) Sanders, 66, pioneer Lubbock businessman, died in West Texas Hospital at 8:17 P. M. Tuesday, April 8, after an illness of several weeks.

Funeral services were held at 10 A. M. Thursday, April 10, in the Broadway Church of Christ with Horace Coffman, associate minister, officiating. Burial was in Tech Memorial Park.

Hospitalized Since January
He became ill last December and has been hospitalized since January. He was taken to Baylor Hospital at Dallas but returned here by air April 6.

Sanders was born in Jack County, Texas. He moved to Lubbock in 1900 and had been in the funeral home business here since 1915. He had owned and operated the Sanders Funeral Home here since 1931.

He was a member of the Knights of Pythias Lodge and the Oddfellows Lodge.

In 1909 he married the former Lena Garrett here.

Came Here As Boy

Sanders came to Lubbock as a boy with his mother. His father died when he was a boy. He attended public schools in Lubbock and was associated with his brother in operation of a meat market here in the early days of Lubbock.

He was active in civic and service clubs here until recent years. He had watched the growth of Lubbock from a small town to one of Texas' largest cities.

Three of his sons—Gordon, Loyd and Cecil—were associated with him in the operation of Sanders Funeral Home.

His brother, Liff, came to Lubbock before the turn of the century and helped organize the first Church of Christ here.

Survivors include his wife; four sons, A. C., Jr., 3010 24th St.; Gordon, 1520 Main St.; Cecil, 1512 9th St.; and Loyd, 1520 9th St.; a brother, Liff Sanders, 1627 15th St.; and eight grandchildren.

your crops can show you **WHY**

International

RAINBOW makes the BIG DIFFERENCE

This year make more money from the crops you raise. Use Rainbow, International's Premium Plant Food. With Rainbow you get the ideal balanced mixture of all the ingredients your crops need for—

- High yields of top quality production that bring premium market prices... more dollars for you.
- A quick start and abundant plant growth that continues throughout the full growing season.
- Healthy, vigorous plants that are more resistant to disease and that produce extra high yields—more profit for you.
- Producing strong, sturdy plants that stand up well and are easy to harvest.

Rainbow, made by the International plant near you, is available in recommended grades for your soils and crops.

EVERY INGREDIENT IN RAINBOW SERVES A PURPOSE

For example, Nitrogen that's fast acting and Nitrogen that is slowly available during the full growing season. Phosphorus and Sulphur for plant color, root and stem development and seed production. Potassium for sturdy growth and quality. Water soluble Magnesium and Calcium for vigorous growth and good healthy leaves, plus other important plant foods for maximum yields.

HINTS OFFERED ON CONTROLLING WEEDS AND GRASS IN COTTON

College Station — The second highest cost item in cotton production is for grass and weed control. Fred C. Elliott, extension cotton specialist, says on the average, 10 hours of labor are required an acre for this one item. But, he adds, this figure can be reduced if recommended control practices are followed.

Last year the State's cotton producers saved an estimated \$16,000,000 by using rotary hoes, chemicals and oils in their efforts to keep weeds and grass under control. Rotary hoes on 44,798 farm tractors were used in 150 counties to cut more than \$15 million from the hoe bill, Elliott points out that rotary hoe equipped tractors should be operated at high speed for best results, around 6 miles an hour.

Lateral oiling with five gallons of naphtha an acre was used on 21,000 acres in 53 counties to cut the weed and grass control cost by \$65,000, reports Elliott. The cost of application was \$1.00 an acre and oiling shoes with a gage wheel arrangement permitted the operators to travel at fourth gear speeds.

In one county, five gallons of naphtha an acre was applied as a fine spray on grass in the drill with 95 percent of the grass killed. This treatment cost a dollar an acre; eliminated hoeing and saved the producers a gross of \$7 an acre.

Spot-treatment of Johnson grass, says the specialist, can eliminate the pest in one year while a full crop can be produced on the treated acreage.

Elliott advises cotton producers who would like detailed information on the recommended weed and grass control practices to contact their local county agent for the desired information.

Plant Nutrient Balance Important

College Station—Maintaining the proper nutrient balance in the application of fertilizer is important in getting top profit from money invested in fertilizer, advises Bill Bennett, extension soil chemist, in charge of the Texas A & M College Soil Testing Laboratory.

Too much nitrogen applied to a crop will often cause a plant to become vegetative and lessen the fruit set. Too much phosphorus or potassium in relation to nitrogen, he adds, will cause a plant to be small, mature early and fail

to make its top potential yield.

To determine the proper nutrient balance for a soil, Bennett suggests that a soil test be made. A soil test will determine the amount and kind of the various plant nutrients that should be applied to give the proper nutrient balance for the crop that is to be grown. The result is the application of the most profitable rate of fertilizer. A soil test will also eliminate unnecessary application of nutrients not needed.

Bennett points out that if soil samples are taken, it is necessary to take a sample which will give a true representative picture of the field being tested. A poorly taken sample, he points out, could re-

sult in a fertilizer recommendation which actually could be misleading and result in wrong recommendations. For information on how to take a soil sample, Bennett suggests a visit with the county agricultural agent who also has forms for listing information which must accompany the soil sample.

Accident Report Given For Dist.

Twenty-three persons have died in sixteen traffic accidents during January and February in the Texas Highway Patrol District 5A, according to Captain E. L. Posey, Commanding Officer. In addition, the Highway Patrol has investigated 135 accidents, injuring 237 persons plus 263 property damage accidents amounting to \$294,470.

Captain Posey advised that speed was the number one contributing factor in the 44 accidents investigated by his men. He urged all motorists to observe speed limits and help prevent accidents by voluntarily complying with all traffic laws.

41 of the accidents investigated occurred in Lubbock county with the following breakdown: property damage 26, personal injury 13, and fatal accidents 2. Captain Posey stated that this is a 16 per cent decrease in total accidents over the same period last year.

During this two month period, Captain Posey advised that the Highway Patrolmen in his district contacted 9,960 traffic law violators. Speed was the number one violation, followed by stop sign violations, defective lights and drunken drivers.

Research Briefs

Innoculation and September irrigation are essential to successful soybean production on the High Plains. This was shown in the tests conducted at the High Plains Station of the Texas Research Foundation in 1957.

Plots of the Lee variety which received September irrigation produced an average of 36 bushels per acre compared to 15 bushels per acre on plots receiving no water after August 25. Beans which were not inoculated produced only 18.5 bushels per acre compared to 36 on inoculated plots.

The application of nitrogen and phosphorus did not increase the yield in 1957. The plots receiving no fertilizer produced as much as did plots where 40 pounds of nitrogen and 40, 80 or 120 pounds of P2O5 were applied per acre.

A row spacing test was conducted with one and two rows per bed at seeding rate of 40, 50, 60, and 70 pounds per acre. The results of this test indicate no significant difference in yield between one and two rows per bed or bet-

FATHERS?

By LOYD E. ASH

Perhaps the most fearful responsibility a man has, other than that of his own soul, is that of his children. Success or failure in the home is the most important in earthly relationships.

One source of encouragement to every father should be the fact that God has revealed Himself to us as our Father. He is our Father by Creation and by Redemption. From the dust of the ground God formed a man and breathed into his nostrils the breath of life, "and man became a living soul" (Gen. 2:7). God is the father of spirits; we are His offspring. All true followers of Christ are the children of God and He is their Heavenly Father. (Ephesians 3:15).

Earthly fathers, therefore, can look to God in His dealings with men to learn the perfect example of an interested Father.

God placed the man in the home as its Head. To the woman He said: "Thy desire shall be to thy husband, and he shall rule over thee" (Genesis 3:16). Paul said: "Let the woman learn in silence with all subjection. But I suffer not a woman to teach, nor usurp authority over the man, but to be in silence. For Adam was first formed, then Eve. And Adam was not deceived, but the woman being deceived was in the transgression" (1 Timothy 2:11-14). Ag-

ain, he said: "Wives, submit yourselves unto your own husband, as unto the Lord. For the husband is the head of the wife even as Christ is the head of the church" (Ephesians 5:22-23). No man can shirk his duty in the home as the moral and spiritual leader without bringing harm to his own family.

The Bible says: "But if any provide not for his own, and specially for those of his own house, he hath denied the faith, and is worse than an infidel" (1 Timothy 5:8). Fathers often admirably fulfill their duty in providing the PHYSICAL and MENTAL needs of the family, but what about the more important SPIRITUAL needs? Is not the soul more than the body? Do we believe that children shall live by bread alone?

It is commendable for fathers to sacrifice and save in order that their children might have some of the advantages of modern advanced education. But, should not these same fathers be just as scrupulous about the SPIRITUAL welfare of their children? Jesus said a man's soul is worth more than the whole world (Matthew 16:26). Does this exclude the children? Dad, why don't you just put aside some of the material things and give your children a little of your time? Alas, before you know it they will be grown and gone from home. Then you will sit and sigh and wish to recall their days of childhood. Why not act now?

It is no accident for a boy or girl to become a good citizen. Neither is it an accident for them to become good responsible Christian adults. What is the reason? Solomon said TRAINING. "Train up a child in the way he should go; and when he is old, he will not depart from it" (Proverbs 22:6). Children who are taught high ideals will grow into them.

Principles learned early in life are those which are retained throughout life. As the twig is bent, so grows the tree.

Upon whose shoulders does this great responsibility rest? Paul placed it squarely on the head of the family, the father: "Fathers, provoke not your children to wrath; but bring them up in the nurture and admonition of the Lord" (Ephesians 6:4). You must take a personal interest in the welfare of your children. You must TAKE them to Bible school and to Church, instead of SENDING them.

You must SHOW by your EXAMPLE the right principles. You must take time to TEACH them the right way (Deut. 6:6-9). The home is the first and foremost agency for building Christian character. Let us dedicate our homes to family worship, to Christian conversation, Christian literature, art, and music, to helpful hospitality and wholesome social life! And remember, Dad: "Children's children are the crown of old men; and the glory of children and their fathers" (Proverbs 17:6).

NU-VUE THEATRE

(Continued from page 1)

Action, in tune with the times, is promised Nu-Vue theatre-goers Sunday afternoon and Monday night, April 20-21. It is "Jet Pilot," starring John Wayne and Janet Leigh, and portions of the U. S. Air Force. The film is in color. War of science, monsters and men make "The Invisible Boy" a thrill-packed film treat for the Tuesday and Wednesday, April 22-23, movie fare at the Nu-Vue. A technicolor movie, "The Girl Most Likely," starring Jane Powell, is scheduled for Thursday and Friday nights, April 24-25. Shows are scheduled every night in the week, and Sunday matinee, at the Nu-Vue.

P-TA MEETS

At a regular meeting of the Parent-Teacher Association, Monday night, the Association voted to appoint PTA representatives to cooperate with the "Friends of the Abernathy Public Library" organization and with the "Community Beautification Promotion Program" sponsored jointly by local

civic organizations.

The program of the evening included a motion picture entitled "World in a Schoolroom." The film depicted how citizens of Manhasset, Long Island, N. Y., give demonstrations of their various skills in the schoolroom so that students may benefit from seeing the practical application of principles and techniques. During the discussion session following the film several teachers related of similar successful experiences in calling on citizens of the Abernathy community to provide special reports and services to assist in the training of students.

Other matters considered at the meeting included a report from the school nurse, Miss Virginia Greenwaldt, on the results of the TB patch tests given under the sponsorship of the PTA, and a report on the scholarship fund. Of 166 TB patch tests given there were 10 positive reactions.

It was reported that \$38.69 had been contributed to the student scholarship fund to date. This amount is considerably short of the \$100 goal needed to present a scholarship to encourage and assist the

Junior High Captures Track Championship at Dist. Meet

The Abernathy Junior High track team captured Abernathy's only first place division at the district track meet at Lubbock last Friday. The seventh and eighth graders compiled 22 points, only 3½ points more than Floydada, in winning the grade school division.

Capture 8 Thirds

Although the young Antelopes got only two first places in the meet, they won eight third places and one fourth to give them the nod over their opponents.

Tom Ritchey won first in the 50-yard dash and Larry Florence captured high honors in the shotput and ran a leg on the 440-yard relay team for the Yearlings of Coach James and Coleman.

Dan Thompson and Larry Boyce were able to get nothing but third places. Thompson won third in the 100-yard dash, the broad jump, and ran a leg on the 440-yard relay team.

Boyce was third in the 50 and 75-yard dashes and also ran a leg on the 440-yard relay team.

Dennie Edwards received the Yearling's only fourth place. He won fourth in the shotput and was the fourth man on the relay team.

Chitchats From AHS

(By Don Jones, Review Staffman)

After a heated campaign in which there were two runoffs, Darrell Goodrich was chosen Mr. AHS for this school year Monday in a campus-wide election. Goodrich and A. C. Harris were deadlocked at 98 votes each for the Mr. AHS honor after one runoff had been held.

The Student Council, in a called meeting, decided that another election should be called to decide the winner.

Jo Ann Phillips was chosen Miss AHS and Brenda Shipman and Pat Attebury were chosen Most Beautiful and Most Handsome in the election held last week.

There will be twelve AHS students representing Abernathy at the regional scholastic meet and track meet at Lubbock this Saturday.

The eight trackmen who will participate in the track and field meet of Region I are A. C. Harris, Jerry Oswalt, Ammy Nelson, Pat Attebury, Carroll Powell, Jimmy Dye, Gerald Watson, and Danny Miller.

Jan Williams won second in Ready Writing at the district scholastic meet last Saturday. She will compete at the regional meet this Saturday.

Bo Wright won the boys district senior single tennis match at Slaton Monday. He will compete in the regional tennis tournament at Lubbock Saturday.

Linda Roberts and Betty Struve won the girls district senior doubles in tennis and they will also compete in the regional tournament.

Mrs. W. B. Chapman of Oklahoma City and Mr. and Mrs. Jim Morgan of Norman, Okla., visited here last week-end. They came here for a 1958 Thunderbird which Abernathy Motor Co. sold to Jim's father, Dr. C. A. Morgan, of Oklahoma City. Mrs. Chapman is a sister-in-law of Douglas Chapman and Mrs. Buford Davenport, and Mrs. Morgan is her daughter.

training of future teachers.

Recommendations for traffic safety plan for Abernathy schools, as outlined Monday night by a committee headed by Joe Lovelace, will appear in The Review next week.

ABERNATHY

Bruce Furniture holds a one-game lead over Johnston Insurance for first place in Women's Bowling League at North College Lanes. Next Monday night will end bowling in the league with Bruce's and Johnston's bowling each other for first place. Dorothy Davenport had high game and series for the night with 202-189. Johnston Insurance team set a new high single game of 784 and a new high series of 2110.

Results of women's bowling Monday night and individual team highs are: Graham Restaurant won 3½ to ½ over Bruce Furniture, Mary McAllister 163-434, LaNell Stone and Fern Pittman 152, Fern Pittman 425; Johnston Insurance swept 4-0 from Abernathy Co-op Gins, Dorothy Davenport 202-189, Phil Phillips 153, Maxcelle Pettit 391; Young's swept 4-0 from Taylor Bros., Marie Shipman-Dean Myatt 156, Marlene Shipman 421, Faye Lutrick 151-433; McKenzie Insurance swept 4 from Cunningham Gin, Betty Adkisson 151-406, June Speer 161-412.

In the Men's League, Bill Moore Well Service won the second half of the League Bowling and will bowl against County Line Co-op Gins, winner of the first half, next Monday night at North College Lanes for first place, and White Auto vs. Bill Wolf & Sons for third place. Cleatus Lebow had high game for the night with 232 and C. J. Berutti had high series with 612. Bill Moore team set a new single game high of 927 and a new three-game series high of 2592.

Results of Men's bowling and individual team highs are: Bill Moore Well Service swept 4 from County Line Co-op Gins, C. J. Berutti 226-612, Verbal Peoples 169-454; Weld-Rite Welding won 3-1 from McKenzie Insurance, Curtis Lebow 180-475; White Auto won 3-1 over Bill Wolf & Sons, Cleatus Lebow 232-564, Lewis Lutrick 213, Vernon Pettit 555; McAllister Grocery swept 4 from Struve Mercantile, Kenneth Jordan 213, Billy Gist 474; Shipman Insurance split 2-2 with Thompson Implement, Jerry Givens 191-538, Louis Sinclair 192-520; White Gold Gin won 3-1 from First State Bank, Glen Pettit 186, J. N. Gragg 454, Ercell Givens 200, Joe Lovelace 432.

Women's Team Standings

Team	Won	Lost
Bruce Furniture	61½	46½
Johnston Insurance	60½	47½
Graham Restaurant	56½	51½

In Ladies Commercial League at LBC, Richardson Shamrock Service rolled 2706 for second high series in the league. Ann McCune had high game 189, Bobby Livesay had high series 503. Other highs were Christine Lebow 125-336, Inez

Hi-Lights From Junior High

Mr. and Mrs. Mark Shadden and sons, Floyd Mark and Kenneth Lane, visited in the home of Betty Guinn.

Carolyn McGuire went to Muleshoe, Saturday, and visited with Mr. and Mrs. Durl McGuire and Mr. and Mrs. Donald McGuire.

Gale West from Cloudercroft, New Mexico, visited Mr. and Mrs. C. C. Lebow, Saturday.

Rev. Daniel Luper from Fort Worth visited Peggy Davis and family Sunday.

Tommy Conner went to Amarillo to visit Mr. and Mrs. James H. Conner over the week-end.

Mr. and Mrs. A. B. Teaff went to Wichita to see their son Marshall, who is stationed there.

Jan Hudson and Jerry Pair visited Judy Kiker over the week-end.

Ann Brooks went to a family reunion at Snyder.

Abernathy Junior High entries in the District Interscholastic League Literary Events at Floydada, April 12, were:

Girls' Declaration: Sue Suttle, Judy Kiker, alternate.

Boys' Declaration: Malcolm Tow, John Saari, alternate.

There were five schools represented and therefore the alternates were not given an opportunity to compete. This is regrettable because all entries from Abernathy were well prepared to perform.

The winner for Abernathy was Malcolm Tow, third place, boys.

Sue Suttle turned in a wonderful performance but failed to place.

JUNIOR HIGH CLASS FAVORITES ELECTED

The following students were elected in a recent election held in Junior High as Class Favorites:

Eighth Grade—Betty Guinn.

Seventh Grade—Lola Beth Rankin, Eddie Davis.

Sixth Grade—Gwendolyn Hendrix, Richard Saari.

HAROLD GORDON WITHDRAWS FROM JUNIOR HIGH SCHOOL

Harold Gordon withdrew from the Seventh Grade in Junior High last week and has moved to Happy, Texas.

Gragg 161-436, Bobby Livesay 181-503, Alice Selke 175-482, Ann McCune 189-460. They also rolled a 974 game which is third high team game.

Thursday night, April 10, Crow's Adv. team swept a four game series from Ace Transfer at North College Lanes in the Plainsman League. Team highs were Curtis Lebow 209-565, Marvin Struve 193-541, Glennon Selke 147-423, Harold McCune 169-484, and Cleatus Lebow 215-543.

Freshmen Win Second At District Track Meet

BILL REEVES IN METHODIST HOSPITAL

Bill Reeves injured his arm recently and has undergone an operation. We hope that Bill is doing fine and will soon be back in school.

Lakeview News

Messrs. and Mmes. Jimmy Belt, Udel Adams, Lloyd Goldston, Claud Hartsell and Rev. and Mrs. Luther Baker went to South Plains, Thursday evening, to visit Mr. and Mrs. Bobby Spitzer who recently moved from this community. Mr. and Mrs. Spitzer were presented several gifts by the visiting group.

Church services were dismissed Sunday night at the Methodist church and several members attended fourth quarterly conference held at the Becton Methodist church by Rev. Marvin Boyd, District Superintendent.

H. A. and Carroll Ledbetter of Gordonville visited in the R. E. Anderson home last Friday.

Mrs. A. Pryce of Timpson visited in the S. M. Harrison home early this week.

Danny, small son of Mr. and Mrs. C. P. Loyd, is ill of chickenpox.

Mr. and Mrs. Bill Carnes and children plan to move to Slaton in late summer and Mr. Carnes has been elected to teach in the Slaton High School for the 58-59 school term.

Mr. and Mrs. J. C. Belt are in Dallas attending the Texas State Ginners convention being held this week in the Industrial and Agriculture building in State Fair park.

CITY GARDEN CLUB

Mrs. R. B. Smith was hostess for a regular meeting of the City Garden Club Thursday, April 10, in the city club room.

Nineteen members were present for this meeting.

Mrs. Clyde Dye gave the program on "Plants for Easy Up-keep."

Mrs. H. H. Selke, a former member, was received back into the club. The next meeting will be April 24, with hostess Mrs. Clarence Nelson.

Mrs. B. H. Beard, reporter

W. S. C. S. NEWS

The Priscilla Circle of Woman-Society of Christian Service will meet Monday, April 21, at 2:30 P. M. in the home of Mrs. J. P. Nystel at 1008 Ave. G. All members are urged to be present and visitors are welcome.

The Abernathy Freshman track team captured second place in the Junior High Division of the 2A track and field meet at Lubbock, Friday, to give the Abernathy teams a 1-2-3 finish, in that order.

The freshmen scored 18½ points, only 4½ less than Floydada. The Fish earned only one first place at the meet, two seconds, and four thirds.

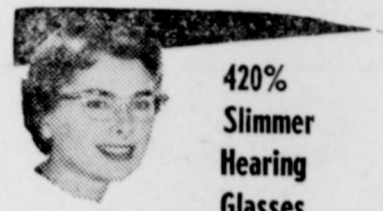

Grady Griffith captured the Fish's only first, the 100-yard dash. Griffith also captured two seconds in the 50 and 75-yard dashes, and a tie for third in the high jump.

Mike Ritchey added two thirds for the Antelopes in the meet, the 50-yard dash and the broad jump, and ran a leg on the 440 relay team which won third. Other members of the relay team were Jerry Gist, Ronald Barrick and Leo Kiker.

M. O. Hood reports that the total rainfall for April through April 14 is 0.81 inches. January total was 2.25 inches, February 0.45, and March 3.21, making a total for the year of 6.72 inches.

Meet Set Friday to Discuss Scout Troop Reactivation

By O. F. REA

William C. Floyd who barbers with L. G. Deering and W. C. Clement, is also interested in working with, and helping, the young boys of the community toward improving their relation with their friends, grown-ups and also raising their standard of thinking and helping them physically.

After talking with several parents and other interested locally, Mr. Floyd contacted Mr. Philip T. Peques, Lubbock, who is Field Director of the Boy Scouts of America. Fifty-four boys signed up to get the local troop reactivated. There will be a meeting of all interested Dads, Mothers, and boys Friday, April 18th, at the Barton-Hood Post 500, Legion Hall. Reactivation of the local Scout Troop depends on your presence at this meeting. Your presence is earnestly requested, and you are urged to be there with your boy or parents. There has been enough fathers volunteer to work with the boys that it seems certain that the Boys Scout Troop will be reactivated. Lets let our boys enjoy the same camping trips and

Letter To The Editor:

11 April 1958

Mr. Buford Davenport
Review
Abernathy, Texas

Dear Mr. Davenport:

Several days ago Col. Ellis, Commander, Reese Air Force Base, wrote you concerning our initial plans for this year's Armed Forces Day activities. Since his letter, my committee and I have continued to develop plans for the base ground and Air Show. We have every reason to believe that this will be the biggest show ever put on at Reese. While it is still too early to receive final commitments, we have already gotten a tentative commitment of 12 bomber, transport, and fighter aircraft.

As soon as we receive final approval of aircraft and other equipment for ground display and for the Air Show, I will send you a picture of the equipment and all available released information. I am sure your readers will find the information interesting as well as informative. Pending a definite commitment of the various items of equipment I am enclosing a booklet titled "Power for Peace, Armed Forces Day 1958." Information contained in this booklet may well be of interest to your readers. For your information, we have requested all of the missiles shown in the booklet for Armed Forces Day. As in the case of aircraft requested, I know we will not receive them all but we are hoping at least one will be made available.

If I may be of any further assistance in keeping you informed on this matter, please address any correspondence to Lt. Col. Raymond R. Ray, Armed Forces Day Project Officer, Reese Air Force Base or call me at Reese during my duty hours at POrter 3-1951, Ext. 718. After duty hours, I can be reached on 2552 Hurlwood exchange.

Sincerely,

RAYMOND R. RAY
Lt. Col., USAF
Armed Forces Day
Project Officer

BAND TRIPPERS ARE ASKED TO PUBLICIZE ABERNATHY AT ENID

Abernathy Chamber of Commerce Manager Weldon Crow seeks the cooperation of band members, their parents and others who plan to attend the Tri-State Band Festival in Enid, Okla., late this month. He wants everyone to take along a supply of the brochures on Abernathy. They'll be a good answer to the question "where's Abernathy located?"

Those who will help publicize their towns in this manner may have a supply of the brochures free of charge. They are available at Crow's office, 909 Avenue D.

Guests at Barbecue

Soap Box Derby Construction Discussed at Meeting Here

Twenty-nine boys from Abernathy and one each from Petersburg and New Deal were treated to a barbecue supper and details on Soap Box Derby racer construction at the home of Mr. and Mrs. A. B. Reid here Thursday night.

It was a meeting held for boys ranging in age from 11 to 15, as Reid, operator of Reid Chevrolet Co. here, displayed his annual interest in the "greatest amateur racing event in the world" which will be held in Lubbock July 28.

The race is being sponsored in the Hub City for the 11th consecutive year by the Avalanche-Journal, Modern Chevrolet and the Exchange Club.

Completing Registration Abernathy, always high in contest entries and also the producer of several Lubbock champions, is completing in registration of 36 boys. Twenty-eight have been turned into Avalanche-Journal offices and the others will be processed soon.

On top of the entry total, Abernathy businessmen have fallen in behind the project wholeheartedly with 35 already agreed to sponsor contestants.

Following the supper, Reid introduced derby officials from Lubbock and turned the construction question-and-answer period over to Holland Graves of Modern Chevrolet, Lubbock.

Ed Crow of Reid Chevrolet, who

acts as an advisor to boys entering from the Abernathy vicinity, also spoke briefly on technical details of the building of the tiny gravity-powered racers.

Show Color Slides

Mrs. Reid later showed color slides of some of the activities of Abernathy contestants in the 1957 race in Lubbock.

A special guest was Carrol Dean Powell, 17-year-old son of Mr. and Mrs. B. V. Powell, Abernathy, who won the Lubbock championship in 1956 and later went on to wind up in the top 18 boys in the All-American Soap Box Derby at Akron, Ohio, that year. This is the farthest a representative of the Lubbock derby has ever gotten in the All-American Derby.

The winner of the Lubbock race is given a championship trophy and a trip to Akron for the All-American race which this year will be held Aug. 17. In addition, many other prizes are awarded to boys in various categories.

Scholarships totaling \$15,000 and many other prizes are awarded national winners.

Nineteen Kingdom Halls in the Texas-Oklahoma area of Jehovah's Witnesses Texas Circuit No. 9 will be closed and all local meetings suspended over the weekend of April 28-29 when the congregation will meet together in their spring circuit assembly at the Central School in Borger, Texas.

Weed District Meet Scheduled

The Hale County Noxious Weed Control District has announced that its first annual meeting is scheduled for 9:00 a. m. to 12:00 noon on Wednesday, April 23, 1958, at the new National Guard Armory on the Lubbock Highway south of the Hale County Airport.

At this meeting a thorough explanation of the District's method of operation is to be presented as well as a report of the progress it has made since its organization.

The principal guest speaker will be Mr. Jake R. Ubel, the State Weed Supervisor on the Kansas State Board of Agriculture. Other portions of the program will be conducted by County Agent Ollie Limer and County Weed Supervisor Archie Martin.

A part of the meeting will be devoted to the nomination and elec-

tion of three of the members on the board of directors by the property taxing voters of Hale County. The taxpayer may appoint a proxy to represent him at the meeting in the event of his absence.

The public is invited to attend and learn the methods by which we must meet one of the most serious problems that faces Hale County agriculture. Coffee and doughnuts will be served from 9:00 until 9:30 a. m.

Rose growers are advised by Harlan Smith, extension plant pathologist, that a good preventative treatment for black spot and powdery mildew is a weekly application to the rose plants of sulfur-copper dust, 90 parts of sulfur and 10 parts of copper. The material may be applied either as a dust or spray but applications should be stopped during hot, dry weather.

NU-VUE THEATRE

(Continued from page 1)

win. Action, in tune with the times, is promised Nu-Vue theatre-goers Sunday afternoon and Monday night, April 20-21. It is "Jet Pilot," starring John Wayne and Janet Leigh, and portions of the U. S. Air Force. The film is in color. War of science, monsters and men make "The Invisible Boy" a thrill-packed film treat for the Thursday and Wednesday, April 22-23, movie fare at the Nu-Vue. A technicolor movie, "The Girl Most Likely," starring Jane Powell, is scheduled for Thursday and Friday nights, April 24-25. Shows are scheduled every night in the week, and Sunday matinee, at the Nu-Vue.

P-TA MEETS

At a regular meeting of the Parent-Teacher Association, Monday night, the Association voted to appoint PTA representatives to co-operate with the "Friends of the Abernathy Public Library" organization and with the "Community Beautification Promotion Program" sponsored jointly by local

civic organizations.

The program of the evening included a motion picture entitled "World in a Schoolroom." The film depicted how citizens of Manhasset, Long Island, N. Y., give demonstrations of their various skills in the schoolroom so that students may benefit from seeing the practical application of principles and techniques. During the discussion session following the film several teachers related of similar successful experiences in calling on citizens of the Abernathy community to provide special reports and services to assist in the training of students.

Other matters considered at the meeting included a report from the school nurse, Miss Virginia Greenwaldt, on the results of the TB patch tests given under the sponsorship of the PTA, and a report on the scholarship fund. Of 166 TB patch tests given there were 10 positive reactions.

It was reported that \$38.69 had been contributed to the student scholarship fund to date. This amount is considerably short of the \$100 goal needed to present a scholarship to encourage and assist the

Junior High Captures Track Championship at Dist. Meet

The Abernathy Junior High track team captured Abernathy's only first place division at the district track meet at Lubbock last Friday. The seventh and eighth graders compiled 22 points, only 3½ points more than Floydada, in winning the grade school division.

Capture 8 Thirds

Although the young Antelopes got only two first places in the meet, they won eight third places and one fourth to give them the nod over their opponents.

Tom Ritchey won first in the 50-yard dash and Larry Florence captured high honors in the shotput and ran a leg on the 440-yard relay team for the Yearlings of Coach James and Coleman.

Dan Thompson and Larry Boyce were able to get nothing but third places. Thompson won third in the 100-yard dash, the broad jump, and ran a leg on the 440-yard relay team.

Boyce was third in the 50 and 75-yard dashes and also ran a leg on the 440-yard relay team.

Dennie Edwards received the Yearling's only fourth place. He won fourth in the shotput and was the fourth man on the relay team.

Chitchats From AHS

(By Don Jones, Review Staffman)

After a heated campaign in which there were two runoffs, Darrell Goodrich was chosen Mr. AHS for this school year Monday in a campus-wide election. Goodrich and A. C. Harris were deadlocked at 98 votes each for the Mr. AHS honor after one runoff had been held.

The Student Council, in a called meeting, decided that another election should be called to decide the winner.

Jo Ann Phillips was chosen Miss AHS and Brenda Shipman and Pat Attebury were chosen Most Beautiful and Most Handsome in the election held last week.

There will be twelve AHS students representing Abernathy at the regional scholastic meet and track meet at Lubbock this Saturday.

The eight trackmen who will participate in the track and field meet of Region I are A. C. Harris, Jerry Oswalt, Jimmy Nelson, Pat Attebury, Carroll Powell, Jimmy Dye, Gerald Watson, and Danny Miller.

Jan Williams won second in Ready Writing at the district scholastic meet last Saturday. She will compete at the regional meet this Saturday.

Bo Wright won the boys district senior single tennis match at Slaton Monday. He will compete in the regional tennis tournament at Lubbock Saturday.

Linda Roberts and Betty Struve won the girls district senior doubles in tennis and they will also compete in the regional tournament.

Mrs. W. B. Chapman of Oklahoma City and Mr. and Mrs. Jim Morgan of Norman, Okla., visited here last week-end. They came here for a 1958 Thunderbird which Abernathy Motor Co. sold to Jim's father, Dr. C. A. Morgan, of Oklahoma City. Mrs. Chapman is a sister-in-law of Douglas Chapman and Mrs. Buford Davenport, and Mrs. Morgan is her daughter.

Recommendations for traffic safety plan for Abernathy schools, as outlined Monday night by a committee headed by Joe Lovelace, will appear in The Review next week.

ABERNATHY

Bruce Furniture holds a one-game lead over Johnston Insurance for first place in Women's Bowling League at North College Lanes. Next Monday night will end bowling in the league with Bruce's and Johnston's bowling each other for first place. Dorothy Davenport had high game and series for the night with 202-489. Johnston Insurance team set a new high single game of 784 and a new high series of 2110.

Results of women's bowling Monday night and individual team highs are: Graham Restaurant won 3½ to ½ over Bruce Furniture, Mary McAllister 163-434, LaNell Stone 125; Johnston Insurance swept 4-0 from Abernathy Co-op Gins. Dorothy Davenport 202-489, Theo Phillips 153, Maxelle Pettit 391; Young's swept 4-0 from Taylor Bros. Marlene Shipman-Dean Myatt 156, Marlene Shipman 421, Faye Lutrick 151-433; McKenzie Insurance swept 4-0 from Cunningham Gin, Betty Adkisson 151-406, June Speer 161-412.

In the Men's League, Bill Moore Well Service won the second half of the League Bowling and will bowl against County Line Co-op Gins. Winner of the first half, next Monday night at North College Lanes for first place, and White Auto vs. Bill Wolf & Sons for third place.

Cleatus Lebow had high game for the night with 232 and C. J. Berutti had high series with 612. Bill Moore team set a new single game high of 927 and a new three-game series high of 2592.

Results of Men's bowling and individual team highs are: Bill Moore Well Service swept 4-0 from County Line Co-op Gins, C. J. Berutti 226-612, Verbal Peoples 169-454; Weld-Rite Welding won 3-1 from McKenzie Insurance, Curtis Lebow 180-475, White Auto won 3-1 over Bill Wolf & Sons, Cleatus Lebow 232-564, Lewis Lutrick 213, Vernon Pettit 555; McAllister Grocery swept 4-0 from Struve Mercantile, Kenneth Jordan 213, Billy Gist 474; Shipman Insurance split 2-2 with Thompson Implement, Jerry Givens 191-538, Louis Sinclair 192-520; White Gold Gin won 3-1 from First State Bank, Glen Pettit 186, J. N. Gragg 454, Erceil Givens 200, Joe Lovelace 432.

Women's Team Standings

Team	Won	Lost
Bruce Furniture	61½	46½
Johnston Insurance	60½	47½
Graham Restaurant	56½	51½

In Ladies Commercial League at LBC, Richardson Shamrock Service rolled 2766 for second high series in the league. Ann McCune had high game 189, Bobbye Livesay had high series 503. Other highs were Christine Lebow 125-396, Inez

Hi-Lights From Junior High

Mr. and Mrs. Mark Shadden and sons, Floyd Mark and Kenneth Lane, visited in the home of Betty Guinn.

Carolyn McGuire went to Muleshoe, Saturday, and visited with Mr. and Mrs. Durl McGuire and Mr. and Mrs. Donald McGuire.

Gale West from Cloudcroft, New Mexico, visited Mr. and Mrs. C. C. Lebow, Saturday.

Rev. Daniel Luper from Fort Worth visited Peggy Davis and family Sunday.

Tommy Conner went to Amarillo to visit Mr. and Mrs. James H. Conner over the week-end.

Mr. and Mrs. A. B. Teaff went to Wichita to see their son Marshall, who is stationed there.

Jan Hudson and Jerry Pair visited Judy Kiker over the week-end. Ann Brooks went to a family reunion at Snyder.

Abernathy Junior High entries in the District Interscholastic League Literary Events at Floydada, April 12, were:

Girls' Declaration: Sue Suttle, Judy Kiker, alternate.

Boys' Declaration: Malcolm Tow, John Saari, alternate.

There were five schools represented and therefore the alternates were well prepared to perform.

The winner for Abernathy was Malcolm Tow, third place, boys. Sue Suttle turned in a wonderful performance but failed to place.

JUNIOR HIGH CLASS FAVORITES ELECTED

The following students were elected in a recent election held in Junior High as Class Favorites:

Eighth Grade—Betty Guinn, Jack Waters.

Seventh Grade—Lola Beth Rankin, Eddie Davis.

Sixth Grade—Gwendolyn Hendrix, Richard Saari.

HAROLD GORDON WITHDRAWS FROM JUNIOR HIGH SCHOOL

Harold Gordon withdrew from the Seventh Grade in Junior High last week and has moved to Happy, Texas.

Gragg 161-436, Bobbye Livesay 181-503, Alice Selke 175-482, Ann McCune 189-460. They also rolled a 974 game which is third high team game.

Thursday night, April 10, Crow's Adv. team swept a four game series from Ace Transfer at North College Lanes in the Plainsman League. Team highs were Curtis Lebow 209-565, Marvin Struve 193-541, Glennon Selke 147-423, Harold McCune 169-484, and Cleatus Lebow 215-543.

Freshmen Win Second At District Track Meet

BILL REEVES IN METHODIST HOSPITAL

Bill Reeves injured his arm recently and has undergone an operation. We hope that Bill is doing fine and will soon be back in school.

Lakeview News

Messrs. and Mmes. Jimmy Belt, Udel Adams, Lloyd Goldston, Claud Hartsell and Rev. and Mrs. Luther Baker went to South Plains, Thursday evening, to visit Mr. and Mrs. Bobby Spitzer who recently moved from this community. Mr. and Mrs. Spitzer were presented several gifts by the visiting group.

Church services were dismissed Sunday night at the Methodist church and several members attended fourth quarterly conference held at the Becton Methodist church by Rev. Marvin Boyd, District Superintendent.

H. A. and Carroll Ledbetter of Gordonville visited in the R. E. Anderson home last Friday.

Mrs. A. Pryce of Timpson visited in the S. M. Harrison home early this week.

Danny, small son of Mr. and Mrs. C. P. Loyd, is ill of chickenpox.

Mr. and Mrs. Bill Carnes and children plan to move to Slaton in late summer and Mr. Carnes has been elected to teach in the Slaton High School for the 58-59 school term.

Mr. and Mrs. J. C. Belt are in Dallas attending the Texas State Ginners convention being held this week in the Industrial and Agriculture building in State Fair park.

CITY GARDEN CLUB

Mrs. R. B. Smith was hostess for a regular meeting of the City Garden Club Thursday, April 10, in the city club room.

Nineteen members were present for this meeting.

Mrs. Clyde Dye gave the program on "Plants for Easy Up-keep."

Mrs. H. H. Selke, a former member, was received back into the club. The next meeting will be April 24, with hostess Mrs. Clarence Nelson.

Mrs. B. H. Beard, reporter

W. S. C. S. NEWS

The Priscilla Circle of Woman-Society of Christian Service will meet Monday, April 21, at 2:30 P. M. in the home of Mrs. J. P. Nystel at 1008 Ave. G. All members are urged to be present and visitors are welcome.

The Abernathy Freshman track team captured second place in the Junior High Division of the 2A track and field meet at Lubbock, Friday, to give the Abernathy teams a 1-2-3 finish, in that order.

The freshmen scored 18½ points, only 4½ less than Floydada. The Fish earned only one first place at the meet, two seconds, and four thirds.

Grady Griffith captured the Fish's only first, the 100-yard dash. Griffith also captured two seconds in the 50 and 75-yard dashes, and a tie for third in the high jump.

Mike Ritchey added two thirds for the Antelopes in the meet, the 50-yard dash and the broad jump, and ran a leg on the 440 relay team which won third. Other members of the relay team were Jerry Gist, Ronald Barriack and Leo Kiker.

M. O. Hood reports that the total rainfall for April through April 14 is 0.81 inches. January total was 2.25 inches, February 0.45, and March 3.21, making a total for the year of 6.72 inches.

Meet Set Friday to Discuss Scout Troop Reactivation

By O. F. REA

William C. Floyd who barbers with L. G. Deering and W. C. Clement, is also interested in working with, and helping, the young boys of the community toward improving their relation with their friends, grown-ups and also raising their standard of thinking and helping them physically.

After talking with several parents and other interested locally, Mr. Floyd contacted Mr. Philip T. Peques, Lubbock, who is Field Director of the Boy Scouts of America. Fifty-four boys signed up to get the local troop reactivated. There will be a meeting of all interested Dads, Mothers, and boys Friday, April 18th, at the Barton-Hood Post 500, Legion Hall. Reactivation of the local Scout Troop depends on your presence at this meeting. Your presence is earnestly requested, and you are urged to be there with your boy or parents. There has been enough fathers volunteer to work with the boys that it seems certain that the Boys Scout Troop will be reactivated. Lets let our boys enjoy the same camping trips and

CLUB MEETS TODAY

A meeting of the County Line Quilting club is scheduled for 1:30 p. m. today (Thursday) in the home of Mrs. G. W. Nelson.

Bill Reeves, a junior high school student, returned to classes this week after being a patient at Methodist hospital, Lubbock, where he underwent a series of operations on his arm.

Donald Bell, First Class Radio Engineer, is with radio Station W.L.L.M. in Taylorville, Illinois.

A brick residence is being constructed on South Drive for Mr. and Mrs. J. C. Veach who have moved back here from Floydada.

Outings as other Scout Troops of this area.

Be sure and be present Friday, April 18, at 8:00 P. M., at the Legion Hall, and make sure the Scout Troop gets going.

Letter To The Editor:

11 April 1958

Mr. Buford Davenport
Review
Abernathy, Texas

Dear Mr. Davenport:

Several days ago Col. Ellis, Commander, Reese Air Force Base, wrote you concerning our initial plans for this year's Armed Forces Day activities. Since his letter, my committee and I have continued to develop plans for the base ground and Air Show. We have every reason to believe that this will be the biggest show ever put on at Reese. While it is still too early to receive final commitments, we have already gotten a tentative commitment of 12 bomber, transport, and fighter aircraft.

As soon as we receive final approval of aircraft and other equipment for ground display and for the Air Show, I will send you a picture of the equipment and all available released information. I am sure your readers will find the information interesting as well as informative. Pending a definite commitment of the various items of equipment I am enclosing a booklet titled "Power for Peace, Armed Forces Day 1958." Information contained in this booklet may well be of interest to your readers. For your information, we have requested all of the missiles shown in the booklet for Armed Forces Day. As in the case of aircraft requested, I know we will not receive them all but we are hoping at least one will be made available.

If I may be of any further assistance in keeping you informed on this matter, please address any correspondence to Lt. Col. Raymond R. Ray, Armed Forces Day Project Officer, Reese Air Force Base or call me at Reese during my duty hours at Porter 3-1951, Ext. 718. After duty hours, I can be reached on 2552 Hurlwood exchange.

Sincerely,

RAYMOND R. RAY
Lt. Col., USAF
Armed Forces Day
Project Officer
Lubbock Area

BAND TRIPPERS ARE ASKED TO PUBLICIZE ABERNATHY AT ENID

Abernathy Chamber of Commerce Manager Weldon Crow seeks the cooperation of band members, their parents and others who plan to attend the Tri-State Band Festival in Enid, Okla., late this month. He wants everyone to take along a supply of the brochures on Abernathy. They'll be a good answer to the question "where's Abernathy located?"

Those who will help publicize their towns in this manner may have a supply of the brochures free of charge. They are available at Crow's office, 909 Avenue D.

Guests at Barbecue

Soap Box Derby Construction Discussed at Meeting Here

Twenty-nine boys from Abernathy and one each from Petersburg and New Deal were treated to a barbecue supper and details on Soap Box Derby racer construction at the home of Mr. and Mrs. A. B. Reid here Thursday night.

It was a meeting held for boys ranging in age from 11 to 15, as Reid, operator of Reid Chevrolet Co. here, displayed his annual interest in the "greatest amateur racing event in the world" which will be held in Lubbock July 28. The race is being sponsored in the Hub City for the 11th consecutive year by the Avalanche-Journal, Modern Chevrolet and the Exchange Club.

Completing Registration Abernathy, always high in contest entries and also the producer of several Lubbock champions, is completing in registration of 36 boys. Twenty-eight have been turned into Avalanche-Journal offices and the others will be processed soon.

On top of the entry total, Abernathy businessmen have fallen in behind the project wholeheartedly with 35 already agreed to sponsor contestants.

Following the supper, Reid introduced derby officials from Lubbock and turned the construction question-and-answer period over to Holland Graves of Modern Chevrolet, Lubbock.

Ed Crow of Reid Chevrolet, who

acts as an advisor to boys entering from the Abernathy vicinity, also spoke briefly on technical details of the building of the tiny gravity-powered racers.

Show Color Slides Mrs. Reid later showed color slides of some of the activities of Abernathy contestants in the 1957 race in Lubbock.

A special guest was Carol Dean Powell, 17-year-old son of Mr. and Mrs. B. V. Powell, Abernathy, who won the Lubbock championship in 1956 and later went on to wind up in the top 18 boys in the All-American Soap Box Derby at Akron, Ohio, that year. This is the farthest a representative of the Lubbock derby has ever gotten in the All-American Derby.

The winner of the Lubbock race is given a championship trophy and a trip to Akron for the All-American race which this year will be held Aug. 17. In addition, many other prizes are awarded to boys in various categories.

Scholarships totaling \$15,000 and many other prizes are awarded national winners.

Nineteen Kingdom Halls in the Texas-Oklahoma area of Jehovah's Witnesses Texas Circuit No. 9 will be closed and all local meetings suspended over the weekend of April 28-29 when the congregation will meet together in their spring circuit assembly at the Central School in Borger, Texas.

Weed District Meet Scheduled

The Hale County Noxious Weed Control District has announced that its first annual meeting is scheduled for 9:00 a. m. to 12:00 noon on Wednesday, April 23, 1958, at the new National Guard Armory on the Lubbock Highway south of the Hale County Airport.

At this meeting a thorough explanation of the District's method of operation is to be presented as well as a report of the progress it has made since its organization.

The principal guest speaker will be Mr. Jake R. Ubel, the State Weed Supervisor on the Kansas State Board of Agriculture. Other portions of the program will be conducted by County Agent Ollie Liner and County Weed Supervisor Archie Martin.

A part of the meeting will be devoted to the nomination and elec-

tion of three of the members on the board of directors by the property taxpaying voters of Hale County. The taxpayer may appoint a proxy to represent him at the meeting in the event of his absence.

The public is invited to attend and learn the methods by which we must meet one of the most serious problems that faces Hale County agriculture. Coffee and doughnuts will be served from 9:00 until 9:30 a. m.

Rose growers are advised by Harlan Smith, extension plant pathologist, that a good preventative treatment for black spot and powdery mildew is a weekly application to the rose plants of sulfur-copper dust, 90 parts of sulfur and 10 parts of copper. The material may be applied either as a dust or spray but applications should be stopped during hot, dry weather.

HEADS RED CROSS DRIVE FOR LIFE SAVED

When a newspaper managing editor interviews one of his reporters - that's news! And so is the story Robert Bruegger (left), managing editor of the Burlington, Iowa, Hawk-Eye Gazette, got from his reporter, Dan Bied, a World War II veteran who heads up the March Red Cross campaign in Des Moines County, Iowa, to show his gratitude for Red Cross food parcels received when he was a prisoner of war in Germany. Bied said many POWs died of malnutrition and were stricken with tuberculosis and other ailments. "The only reason I was able to return home in good physical condition was because of the aid rendered by the Red Cross."

Reduce Delinquency

YOU AND THE ANSWER

(A distinguished Texas judge offers pointers on combating our fast-increasing juvenile delinquency problem.)

By JUDGE SARAH T. HUGHES

In spite of the tremendous responsibility of parents in raising their children, they are blamed too much when things go wrong.

The active help of the community is a MUST for prevention, because we of modern society have made conditions so different from those of a few decades ago.

1. We (society) have made it so that there are few chores to make youngsters feel a necessary part of the family economic unit.

2. We have turned life into a complex, confusing rush, with nerves and hurry uppermost.

3. We have made a multitude of cars, taverns, etc., accessible to the youngsters we have idled, together with much easy money, many bad examples.

What Can We Do?

I. We can help organize more church youth groups, teen caucuses, Scout troops, etc., volunteering for the needed leadership.

II. Help provide more family counseling services, child guidance clinics, etc.

III. Help provide more paid or volunteer probation officers and more detention facilities.

IV. To do the above, we can each work to develop public opinion by conversation with friends, speeches to clubs, letters to editors, postcards to county commissioners and state legislators.

My article next week will go further into this.

20 MPH ZONE

Local law enforcement officers remind drivers of the 20 miles per hour speed limit in the school zone area on the highway in town. Also they request that you observe the stop sign at the pedestrian crosswalk between city hall and Pinson Pharmacy.

Ray Willis, Worshipful Master of the local lodge, announced that Khiva Temple of Anarillo will present a play, "Rose Upon the Altar," at the May 8 stated meeting of Abernathy Masonic Lodge.

HOMESTEAD SUBJECT TO SALE FOR TAXES

Many Texans have the mistaken impression that their homestead cannot be seized and sold for delinquent taxes. In many cases, this idea has led to considerable grief and monetary loss which could have been avoided. A homestead should be rendered to tax assessors like any other property, and taxes assessed against it should be paid as faithfully as those on any other taxable property.

The deadline for rendering property for taxation is April 1, so far as most city taxing agencies are concerned. The last date for rendering real and personal for state and county taxes is April 30. State taxes are collected by the County Tax Collector.

Under the Texas Constitution, each family is entitled to claim one piece of real property as their homestead. This claim must be established by an affidavit filed with the county tax assessor or on before April 30, each and every year. This affidavit must be filed by the owner himself. A lending agency cannot do so, even though it may actually pay the annual taxes thereon from a fund created by the owner's monthly installments.

When the homestead affidavit is properly filed, the owner becomes entitled to an exemption of State taxes up to the value of \$3,000 or 200-acres in the case of farm lands. This is an exemption from payment, not a complete exemption from rendition and assessment. There is no similar exemption with reference to city taxes, or to county taxes, except in certain counties levying a special 30 cent farm-to-market and lateral

road tax.

The homestead claimed for tax purposes need not be the property which is actually occupied by the owner as his residence.

When the homestead affidavit is not filed by April 30, the taxpayer loses his right to the \$3,000 or 200-acre exemption, and consequently becomes liable for more taxes than he would otherwise be required to pay.

Property taxes are assessed against the person who is the record owner of each piece of real and personal property on the first day of January of each year.

Individuals purchasing property during the year should make sure that the taxes for all previous years have been paid. Otherwise, the purchaser may be forced to

pay hundreds of dollars in delinquent taxes to protect his property. Unpaid taxes create a lien against the property which can be enforced regardless of change of ownership.

One should also keep in mind to make some arrangement for the previous owner to pay his pro-rata share of taxes for the current year. Otherwise, the buyer may find it necessary to pay the entire taxes for that year.

When taxes are not paid by the deadline prescribed for the particular taxing unit (city, county, State or district), monetary penalties and interest are added from month to month. In addition, the property becomes subject to seizure and sale to satisfy the tax lien. This lien applies to all property, whether homestead or not.

(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

Don't torture your feet in ill-fitting shoes. You only have one pair of feet to last a lifetime. Give them comfort and balanced support. We can fit your feet! Never before has there been such a combination of carefully engineered construction features blended quality taking full advantage of modern materials and methods. Your feet can feel the difference.

Banquet Set For Bowlers April 28

Plans are being made to have a presentation banquet on Monday night, April 28, for the Abernathy Bowling Leagues, both men and women.

The banquet will be held in the school cafeteria and all trophies and prize money will be given out. Since each team wins a certain amount of money for each game they win, everyone will have something coming so be there to receive your share. Tickets will be \$1.25 per person.

Those on the banquet committee are R. K. McAllister, chairman, Lewis Sinclair, Dwain Bristow, Morris Kerr, Alice Selke, Ann McCune, Betty Albers, and Inez Gragg.

Tickets must be purchased by Monday night, April 21. You may get your tickets at Struve Men's Store, Young's, McAllister Grocery, or from Curtis Lebow or Glennon Selke.

Tax-Man Sam Sez

Now that April 15 is over and done it would be mighty nice to forget the tax business until next year. However, as the old saying goes, death and taxes are certain. If you calmly rock in your rocking chair on the front porch and don't keep tax records, you are going to pay out of your own pocket come next April 15. It pays to think about the tax consequences of all your business transactions throughout the year and especially to make tracks in the form of a record of where you went during the year for tax figuring purposes next spring.

LOCAL NEW CAR DEALER GIVEN SAFETY AWARD

For their efforts in eliminating reckless "hot rods" and helping high schools turn out courteous, capable young men and women drivers, Reid Chevrolet this week was presented a Highway Safety Award by the Texas Automotive Dealers Association.

The award was for their loaning cars and pickups to Abernathy Ind. Schools, Abernathy, Petersburg Ind. School, Petersburg, and New Deal Pub. School, New Deal for use in "behind the wheel" instruction under the high school driver training program.

The association is the statewide organization of factory-authorized new car dealers whose members loan cars, without charge, to high schools having duly qualified "behind the wheel" instructors.

TADA President Sam H. White, Houston, calls this driver education program one of the most important phases of high school training. Highway safety is dependent upon safe drivers, he said, pointing out that young men who have successfully completed a high school driver training course, both classroom theory and "behind the wheel" training, are given a preferred insurance rate because they have proven to be safer drivers.

Tom J. Crooks, TADA Manager, added that Texas dealers

have well over \$1,000,000 invested in automobiles, many of them equipped with dual controls, which they furnish the high schools. In addition they loan pick-ups to 4-H and FFA groups to familiarize students with one type of equipment used in agriculture. He said that many schools offer classroom theory only, due to the shortage of qualified "behind the wheel" instructors.

Even the most reckless driver is not entirely useless, according to the Texas Safety Association, because he can always be pointed out as a horrible example.

changed to 2:00 o'clock Saturday afternoon. Mrs. Killingsworth (Aunt Mattie) was the wife of Ed Killingsworth who is a brother to the late Mrs. I. C. Houston. Of a large family of half brothers and sisters. Mr. Ed Killingsworth was the only full brother to Mrs. Houston. Mr. and Mrs. Killingsworth (Aunt Mattie) had no children. Mr. Killingsworth had one son by his first wife. The son, Olen, of Houston, was present as was his daughter-in-law and grandson. Mr. and Mrs. J. H. Killingsworth of Killeen were present. A sister of Mrs. Killingsworth (Aunt Mattie) and other relatives were present. Mrs. Killingsworth had not been in perfect health lately but her death was rather quick and completely unexpected at that time. She was taken to a hospital when she became unconscious and regained consciousness but died a few minutes later. She was seventy-one years old. Burial was in Greenwood cemetery.

Chairman of the seven-member board which will choose the 1958 Maid of Cotton will be Gaile Dugas, women's editor of the Newspaper Enterprise Association in New York. Other judges will be prominent members of the cotton industry and related organizations.

FRIENDSHIP CIRCLE TO MEET MONDAY

The Friendship Circle of the WSCS will meet Monday, April 21, at 2:30 p. m. with Mrs. Millard Hancock.

The program on "Home" will be given by Misses J. C. Mills, James Davis, George Hagland and R. A. McAllister.

All members are urged to be present and visitors are invited.

ON NAVY CRUISE

Ted Wayne Watts, a member of the Naval Reserve, is on a two-weeks training cruise out of New Orleans, to Florida and return. He will arrive home this week-end.

Revival Scheduled

The Foursquare Church at 14th and Avenue E in Abernathy is to hold a revival April 22-May 4, announced Rev. Arlie Capps, pastor of the church.

J. E. Reddick, editor of "Divine Deliverance" and author of "Faith in Action" and "Divine Healing," will be the evangelist.

Services will be held nightly at 7:30 and the public is invited to attend.

Mr. and Mrs. Doyle Settle of Dallas were guests of Mr. and Mrs. Excell Givens and son, Jerry, Saturday night.
