Seventy-Seventh Year, Fortieth Week

Price Ten—Cents

Sonora Wool Show Begins, 4-H Contest Slated Today

Contestants in the 30th annual Sonora Wool and Mohair Show began moving their entries into the Sonora Wool and Mohair Company before the Tuesday, June 13, deadline.

Judging in the contest began Wednesday, June 14, with the wool and mohair contest for adults and juniors followed with the junior range judging contest.

Later Wednesday, registration was held for the National 4-H Club Wool Judging Contest.

The national contest will begin Thursday, June 15, at 8 a.m. Teams

representing all wool producing states are expected to compete. Each state is limited to five teams. Texas teams competing are from San Saba, Kerr, Kendall, Edwards and McCollough Counties.

One highlight of the show will be demonstrations planned by the Livestock Division of the Consumer and Marketing Service of the Department of Agriculture.

Demonstrations will be conducted by Elroy M. Pohle, assisted by Harry C. Reals, a marketing specialist.

They will demonstrate equip-

ment developed by their department for the testing of wool and mohair.

Demonstrations will include a coring tool, which takes samples of wool and mohair from bags without damaging the wool or the bag. Other instruments will include an air flow machine used to accurately test the fineness of wool or mohair by the amount of resistance the wool gives to air forced through it.

Pohle said, "If we are to stay in the competitive market with synthetic fibers, changes will need to take place in the marketing field to improve preparation and packaging of the clip and to provide a more accurate way of describing the natural fibers as to fineness-grade, length, color and amount of clean wool fiber a grower has to sell."

Awards in the show will include ribbons, plaques and trophies. Trophy cups will be awarded to grand champion winners in each division. A rotating trophy is presented to the best all-around 4-H Club or FFA Chapter.

The Joe Berger Memorial trophy will go to the premier junior wool exhibitor. The award is based on the greatest number of premier points awarded. It is a rotating trophy.

The annual show is sponsored by the Sonora Lions Club in cooperation with the Sonora Wool and Mohair Company. The club will sponsor a barbecue luncheon Thursday, June 15, at the 4-H Center.

Awards will be presented at that time.

Complete results of the show will appear next week.

San Antonio Firm Buys Sonora Motel

Sonora Motel, one of the first motels ever built in Sonora, has been purchased by LaHoya Land Development of San Antonio. Mrs. Hollis Rogers, new manager said that the late Bob Hallum built the courts in his first big business venture here.

Landscaping improvements and the erecting of new signs are scheduled soon for the 28-unit courts. There will also be a change in check-out time, and free coffee will be served.

Tex Haas, former owner, has moved back to the coast.

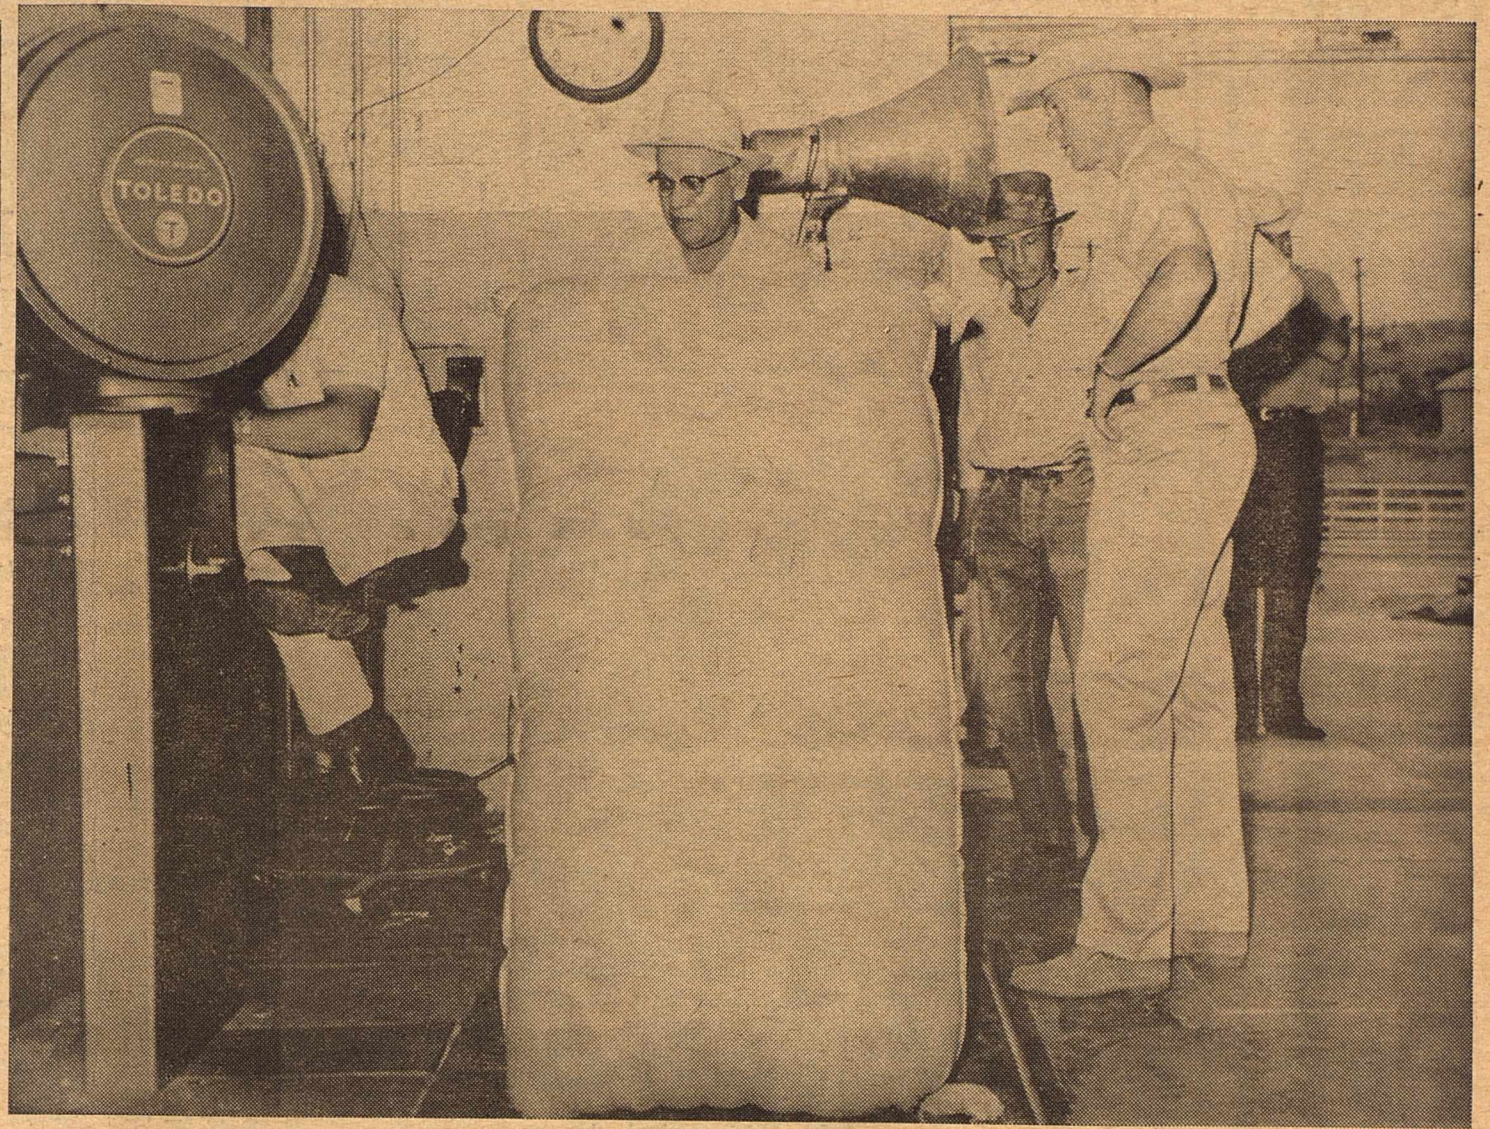

Larry Moore Named To Dean's List

Larry Bob Moore, son of Mr. and Mrs. Herman Moore, was named to the Dean's List at Abilene Christian College for the spring semester.

Moore, a Bible major, had a 4.0 grade average. Under the college's grading system a 4.0 average is equivalent of all "A's".

He was enrolled for 16 semester hours of study during the semester and was acting minister for Shield Church of Christ.

Moore will be a senior next fall.

CLINT LANGFORD, COUNTY AGENT, supervises the weighing of wool bags for the 30th annual Sonora Wool and Mohair Judging Show beginning at 8 p.m., this morning at the Sonora Show. The event is sponsored yearly by the Sonora Lions Club. Climax of the show will be the National 4-H Club Wool and Mohair Company.

Field Day Scheduled At Experiment Station

The Texas A&M Experiment station has scheduled a field day for Friday beginning at 9 a.m. according to Pat Reardon. The Texas

section of the American Society of Range Management will meet there for a morning tour conducted by Dr. Leo Merrill. He will discuss the various grazing techniques being tried and tell ranchers how to make maximum use of land with a minimum of rainfall.

The 4-H Club will be in charge of the \$1-a-plate barbecue dinner. Afternoon speakers will include Dr. C. L. Leinweber, head of the range science department of Texas A&M University. Various aspects of range management will be discussed.

Everyone interested in ranching is invited to attend, according to Reardon.

CINDERS

by Jim Barnett

A proposal has been made to the U. S. Congress called the "East-West Trade Bill", according to a report from U. S. Senator John Tower.

This plan would allow free trade between the Soviet Union and the United States, or vice versa.

Among other implications to the plan, previous limitations and controls on strategic materials would be removed.

While there seems little chance of such a measure being passed while the Soviets support our enemies in Vietnam, it is significant that the proposal was made in the first place.

The American public often looks toward trade appeals from the Soviets for Western goods as an indication of peaceful advances.

While the appearance is often there, at least on the surface, such wishful thinking could be unfortunate.

If the American people are given a chance to choose such a plan, first consideration should be given to some action on the part of the Soviet Union to take a role as peacemaker and end the expansion of Communism around the world.

Volunteer "Candy Stripers" Inaugurate Program At Hospital

Red and white striped uniforms will be very much in evidence at Hudspeth Memorial Hospital this summer.

The "candy stripers", known by their uniforms, are volunteer workers at the hospital during the summer.

The program began Monday, June 12, and so far 16 girls have been accepted in the program. Eight are from Eldorado and eight are from Sonora. The program is open for girls 15 years old to high school graduates.

The volunteer program, accord-

ing to hospital administrator, Albert Everett, is designed to acquaint high school students with the opportunities in health related careers.

Everett said that the girls were given their choice of several different types of work at the hospital. Choices of office work, laboratory or nursing were named as three areas of work. Some expressed the desire to work in all three and will be rotated periodically.

This summer's program is the first time one has been offered at the hospital. The volunteers were

required to meet certain standards and have their parent's consent.

Personal interviews were carried out by Mrs. Rodney C. Dowdy, president of the hospital auxiliary, and one of the hospital nurses.

After an orientation course the girls began work Monday. They will receive no salary and will work up to four hours a day in a merit program aimed at special recognition awards.

The program will last until mid-August, Everett said.

Everett emphasized that, "The program gives the girls a good chance to experience the workings of the medical profession and provides them with the self-satisfaction of helping others."

Plans later in the program call for a tour of a large metropolitan hospital and a lecture by a health career counselor.

Gladys Wyatt Reiley Dies in San Angelo

Funeral services were held Tuesday, June 13, in First Methodist Church for native Sonoran, Mrs. Gladys Wyatt Reiley, 71. Burial was in Sonora Cemetery under the direction of Ratliff-Kerbow Funeral Home.

Mrs. Reiley died Sunday, June 11, in San Angelo's Shannon Memorial Hospital after a brief illness. She was born in Sutton County May 24, 1896, and was the wife of the late J. P. Reiley. Mrs. Reiley had lived in Sonora all of her life.

Her survivors include four daughters, Mrs. Elmer Wilson, Mrs. Melvin Shroyer, Mrs. George Joseph of El Paso and Mrs. Harry Harper of Shiner; one brother, Henry Wyatt; six grandchildren and three great-grandchildren.

Approval for a teacher pay raise was authorized for Sonora teachers by the school board in their regular meeting Monday, June 12.

The pay raise is based on an increase of \$630 a year for teachers with a masters degree and one year experience. Sonora teachers have been paid salaries over the minimum for some time. Until the new legislation went into effect they received \$390 over the state minimum.

Ralph Finklea, who will become superintendent of schools in August, advised the school board to increase the salaries.

The raise will give teachers the new increase plus the extra pay already in effect.

Armer Earwood, president of the school board, said, "If our salaries are just the minimum it leads to problems in recruiting new teachers—we don't want that problem."

Cost to the school district will amount to approximately \$5,500 more each year.

Construction Report

Architect for the new school buildings, John Gary, and clerk of the works, Ray Dunlap, reported to the board on progress of the construction project.

Both estimated that construction was approximately 46 percent complete but work was still behind schedule. The building contract expires August 19 and a penalty will be assessed after that period. Contractor for the project is the H. V. Burk Construction Company.

Both men said that even though construction was behind schedule, work was of high quality.

Gary and Dunlap felt that construction at L. W. Elliott school was due to delays in receiving some of the building materials.

Resignations

Two school officials, Mrs. Emerald Smith and Doyle Morgan, submitted their resignations to the board.

Morgan, in his letter to the board said, "After a happy and pleasant association with the Sonora schools

I am resigning to enter private business." His resignation will become effective June 30.

Mrs. Smith has accepted a position as a full-time librarian in the Corpus Christi area.

New Personnel

The board also approved the recommendation of Ralph Finklea for a new principal for L. W. Elliott school and two new classroom teachers.

The new principal will be Gary Gardner. He has been teaching at Aspermont. His wife will join the school system as a classroom teacher.

Another new teacher is Mrs. Tommy Love. She will teach in the elementary system.

According to Finklea, a girls physical education teacher and a basketball coach have not yet been hired.

He said, "We anticipate no problems in recruiting adequate teachers before the beginning of the fall semester." He added, "There is a shortage of teachers in the state and competition between schools is apparent."

Delinquent Taxes

Board members also approved a measure to renew their contract with the law firm of Huey and McQuary for the collection of delinquent taxes.

During the previous contract the firm collected over \$2,000 in delinquent taxes. The figure includes taxes, penalties and interest. The

firm receives 15 percent of the figure collected.

Recreation Facilities

Ralph Finklea presented a proposal to the board to authorize the use of some of the school athletic facilities by the summer recreation program. The board gave their approval with the stipulation that all facilities must be cared for and all activities have adult leadership.

Driver Education

Due to the new driver education legislation passed recently, driver education may be cancelled. The new law raises the minimum

age for driver license qualification to 16. Finklea explained that most students in the age group have already had the course. The age minimum would allow one more summer class in driver education before the law goes into effect. According to Finklea, however, there is no instructor available to teach the course before the August 28, deadline.

The board authorized Finklea to attempt to secure an instructor from the surrounding schools or make any other practical arrangements.

County Commissioners Court Approves Road Construction, Tables Recreation

The Sutton County Commissioners Court held its regular meeting Monday, June 12, in the office of County Judge, Web Elliott.

The Rev. Ross T. Welch pastor of First Methodist Church, met with the court to ask for county financial support of the summer recreational program.

Welch said that there was an immediate need for restrooms and a headquarters building at the baseball field.

He said, "Since we feel that the recreation program is a long-range plan, we would be better off if we had a new building at the field rather than moving an old one to the site as was originally planned."

Welch said only a small building would be needed at the site.

Judge Elliott advised that the County Commissioners could not give any financial support until plans, specifications and a cost estimate are submitted to them.

In other court business, a proposal by the Texas Highway Department for four miles of farm-to-market road in the county was approved.

The road is planned to parallel Station A road to the Schleicher County boundary.

Sutton County will be responsible for securing right of way and fencing of the site. Construction by the state is estimated to cost \$80,000.

CANDY STRIPERS began volunteer work at Hudspeth Memorial Hospital this week. They include, (front) Consuelo Torres, Anabel Reyna, Mary Espinosa, Juanita Alvarez, Rebecca Urias,

Linda Villarreal and Edna Gonzales. (Top row) Billie Gayl Blaylock, Elaine Dempsey, Susan Mobley, Martha Sue Page, Libby Preston, Susan Hill, Dale Montgomery and Lisa Whitten. Not shown is Nell Neff.

Intolerable Arrogance

Some national labor unions have become so powerful in the United States that whole industries and the public are virtually helpless trying to cope with them.

No reasonable person opposes the right of people to organize and bargain with their employer on wages and conditions of employment. But more and more people

are coming to resent monopolistic union power callously used to deliver ultimatums rather than implement reasonable collective bargaining. This policy has reached a stage where the finding of federal mediation or emergency boards are arrogantly ignored. Apparently, some labor officials fail to see that their high handed dismissal of the public interest can lead to but one end—arbitrary control of the bargaining process. A labor dictator, an industrial dictator or a political dictator have no place in a free nation.

No one wishes compulsory arbitration, but labor policies that threaten or cause strikes of incalculable cost regardless of the national security and welfare will not forever be tolerated.

Devil's River Philosopher sez.

Why Not Return Tax Money to Taxpayer

Editor's note: The Devil's River Philosopher on his bitterweed ranch on Dry Devil's River gets off on taxes this week, his letter reveals.

Dear editor:

I was sitting out here on this bit-terweed ranch trying as a public service to think up some new sources of tax revenue which wouldn't affect me—as I understand it, there's nothing this country or any part of it, state, city or school district, can't do if it could only get more money, which fits my situation too, although I can't help mentioning that while politicians are always hunting for new tax revenue you don't see much thought given to new methods of enabling a taxpayer to raise the money for the taxes he's already paying—at any rate, to get on with this, I pulled out a copy of The Standard-Times I'd been saving to rest my mind on and the first article I noticed was talking about taxes.

According to it, a lot of states are demanding that Washington return to them a part of the income taxes they pay.

Under the proposal, Washington would return say 5 or 10 percent of all the Federal income taxes a state's citizens pay, and the state could use it as it sees fit,

maybe to raise school teachers' salaries or policemen's salaries or, failing that, at least to enlarge the penitentiary.

I got to thinking about this and I'm afraid it has some hitch. In the first place, since Washington isn't making ends meet as it is, the same as me, if it handed back 10 percent more of its revenue to the states, wouldn't Congress then just add 10 percent more on its tax?

Furthermore, if a state got back 10 percent, wouldn't every county and city in that state start demanding a refund on the taxes they pay to the state?

In turn, wouldn't the state, which is having about as much trouble as me and Washington in making ends meet, then have to add 10 percent more on the taxes it's collecting?

Thus the net result would be a 10 percent increase in taxes, all up and down the line, which wasn't the aim at all.

Instead of handing refunds back down the line, from Washington to the smallest town and taxing district, has anybody ever thought of just letting us keep the money in the first place?

Yours faithfully,
J. A.

Sutton County Farm-to-Market Road Approved by Texas Highway Commission

The Texas Highway Commission today approved development of 4.0 miles of Farm to Market Road construction in Sutton County as part

of the 1967 Texas Farm to Market Program.

District Engineer J. A. Snell, of the Texas Highway Department said estimated cost of the work is \$80,000, and provides for the construction of a farm to market road from U. S. 290, 15.0 miles west of Sonora, northeast to the end of a proposed farm to market road at Schleicher County line. The work will be under the supervision of R. A. McCulloch Supervising Resident Engineer.

The work authorized for this county is part of 949.3 miles of Texas Farm and Ranch to Market Roads earmarked for development in the new program. The program lists 228 projects in 166 counties. Estimated cost is \$24.6 million. New mileage included in the program totals 623 miles. Other mileage was previously designated or is being constructed in stages.

The additional mileage brings designated Farm and Ranch to Market Roads in Texas to 38.7 thousand miles. This is greater than the mileage of many other States.

Plans call for an eventual FM-RM system of 50 thousand miles.

20 Students Listed To Spring Honor Roll

The school year ended with 20 Sonora High School students being named to the honor roll for the spring semester.

Graduating seniors listed were Jim Fish, Nedra Raye and Tomye Smith with all "A's", and Prissy Howell making all "A's" and one "B".

Mike Richardson, Debbie Galbreath and Mike Gosney were named as juniors making all "A's" for the semester. Sandra Crawford and Vickie Hodges made only one "B".

Sophomores with all "A's" were Mark Jacoby, Shelley Morris, Rita Kniffen, Jane Sawyer, Linda Villarreal and Austin Stockton. Those with only one "B" were Karen Eustace and Sharon Johns.

Ted Fish and Yvonne Hodges were freshmen making all "A's" and Kathy Morgan made only one "B".

In and Around Sonora

by Hazel McClelland

Mrs. Eulah Newell left last Tuesday for Oklahoma City, to visit her daughter and her family, Mr. and Mrs. Jimmy Denman, Steve and Dan. She will be gone about three weeks.

Mr. and Mrs. Ernest Carroll Stephens and their baby left this week after a week visit with his parents, Mr. and Mrs. J. C. Stephens. Ernest Carroll will enter Western Illinois University at Macomb later this month.

JUST US CLUB

Mrs. Eulah Newell entertained the Just Us Club at her home June 5. Ice cream and cake was served. Club members were Mmes. R. A. Halbert, Paul Turner, J. F. Howell and Libb Wallace. Guests were Mmes. Frankie Gibson, Belle Steen, Bob Vicars and Arthur Carroll.

Mrs. Halbert won high club, Mrs. Howell won the traveling prize, and Mrs. Wallace binged. Mrs. Carroll won high guest prize.

TUESDAY BRIDGE CLUB

Mrs. Arthur Carroll entertained the Tuesday Night Bridge club at her home, June 6. Ice cream and cake was served. Club members present were Mmes. Belle Steen, P. J. Taylor, Bob Vicars, Louie Trainer, George Barrow, L. E. Johnson Jr., W. O. Crites, Earl Duncan, E. D. Shurley, R. A. Halbert and Ernest McClelland.

Guests were Mmes. George Wynn Frankie Gibson, Ted Letsinger, Miers Savell and Duard Archer.

Mrs. E. D. Shurley won high club, Mrs. George Barrow won slam and Mrs. W. O. Crites won bingo. Mrs. George Wynn won high guest prize.

—HMC—

Mr. and Mrs. B. Keng have returned from Houston where they attended the graduation of their daughter, Mrs. Jan Ronda Keng Warner. Jan received her D.D.S. degree.

Mr. and Mrs. James Bunyard are visiting Mrs. Bunyard's mother, Mrs. Bill Fields, this week.

In Ozona Tuesday, June 6, for the installation of officers for the Order of the Eastern Star were Mr. and Mrs. S. M. Loeffler, Mrs. Joe Hull, Mrs. Jym Adamson, Mrs. Dorothy Baker, Mrs. A. W. Awalt and Mrs. O. G. Babcock.

42 FUN CLUB

Mrs. and Mrs. A. W. Awalt entertained the 42 Fun Club at their home June 8. Members present were Mr. and Mrs. Louin Martin, Mr. and Mrs. W. O. Crites, Mr. and Mrs. Leon Neeley, Mr. and Mrs. Pete Thompson, Mr. and Mrs. Ervin Willman and Mr. and Mrs. J. B. Wright. Mr. and Mrs. Wallace Wartenbach were guests.

Louin Martin won high for club, Mrs. Martin won the 84 prize, Mrs. W. O. Crites won bingo for ladies and J. B. Wright won bingo for the men. Mrs. Wartenbach won high for guests. Lime sherbert and cake were served.

THURSDAY BRIDGE CLUB

Mrs. Duard Archer entertained the Thursday Night Bridge Club

at her home June 8. Strawberry shortcake and coffee were served.

Members present were Mmes. Pauline Thompson, Collier Shurley, Frankie Gibson, Robert Kelley, Howard Kirby, Lottie Kelley, James Morris, Ted Letsinger, Francis Archer and L. E. Johnson Jr. Guests were Mmes. Louie Trainer and Ernest McClelland. Mrs. McClelland won high, Mrs. Louie Trainer won second high and Mrs. Collier Shurley won slam.

—HMC—

Bill McClelland was home from North Texas State University at Denton for the weekend visiting his parents, Mr. and Mrs. Ernest McClelland and to attend the wedding of Cissy Young and Bob Nevill.

Carla Whitworth was home from Austin visiting her parents, Mr. and Mrs. Leroy Whitworth. Carla is attending the summer session at the University of Texas.

Mr. and Mrs. Jerry Don Balch of Lubbock were here visiting her parents, Mr. and Mrs. Duke Wilson.

Mr. and Mrs. Jack Graves of Austin were here over the weekend visiting Mrs. L. E. Johnson Jr. Mrs. Jack David Wardlaw of San Angelo was home over the weekend visiting her mother, Mrs. L. E. Johnson Jr., and Mrs. Jack Wardlaw.

Mrs. Bill Tittle is home from the hospital in San Angelo. We sure are glad you are feeling better, Jerry and can be home now.

Mr. and Mrs. Willie Miers have returned from a short visit to San Antonio.

Mr. and Mrs. Birl Vern Davis and Claire Adele of Canyon were here visiting their parents, Mr. and Mrs. Birl Davis, and Mrs. Lois Young and Wesley Young, and to attend the wedding of her sister, Miss Cissy Young to Bob Nevill.

Mr. and Mrs. Penn Baggett of Austin were here for the weekend visiting her father, Dan Cauthorn. Ray D. Lancaster is here visiting his grandmother, Mrs. Rose Thorp. Ray is stationed at Fort Sill, Oklahoma.

Dick McMillan of Austin was home for the weekend to attend the wedding of Miss Cissy Young and Bob Nevill.

Mrs. Preston Neeley of Groves is visiting her parents, Mr. and Mrs. Edwin Sawyer and with Mr. and Mrs. Leon Neeley.

Mrs. Ernest McClelland visited her sister, Mrs. T. C. Netherton in San Angelo this week.

MRS. BOB ELTON NEVILL

Cecelia Young and Bob Nevill Wed In Episcopal Ceremonies Saturday

Miss Cecilia Lily Young and Bob Elton Nevill were married in St. John's Episcopal Church, Saturday June 10 at 7:30 p.m.

The Rev. Rollin Polk, rector, and the Rt. Rev. Everett H. Jones of San Antonio officiated.

Parents of the couple are Wesley C. Young who gave his daughter in marriage, and Mrs. Lois Waggoner Young and Mr. and Mrs. Thomas K. Nevill.

Mrs. W. T. Hardy was the organist and Miss Linda Williams of Ft. Worth was the soloist. Jack Waggoner of Lubbock and Bill Finklea served as acolytes.

For her wedding the bride chose a formal gown of candlelight silk organza fashioned with Alencon lace and an empire waistline. It featured a coat of re-embroidered French Alencon lace with short sleeves and fell into a chapel length train. She wore a mantilla type veil of Alencon lace.

The bride carried a white Bible, a gift from her sister, Mrs. Birl V. Davis. The bride's bouquet, fashioned by the bridegroom's mother was of phalaenopsis orchids and lily of the valley accents.

She was attended by her sisters, Mrs. Birl Vern Davis of Canyon as matron of honor, and Miss Yvonne Young as maid of honor. Bridesmaids were Mrs. Jack David Wardlaw of San Angelo and Miss Barbara Burleson of Denison. Her neice, Claire Adele Davis was flower girl. The bridesmaids carried cascade type bouquets of spider mums and English ivy.

Thomas K. Nevill attended his son as best man. Groomsmen were Ray D. Lancaster of Ft. Sill, Oklahoma, Birl V. Davis of Canyon, and Gil Trainer of Ft. Worth. Dick McMillan of Austin and Bill McClelland of Denton served as ushers. Billy Bob Galbreath of Ozona was ring bearer.

The reception was held in the church parish house. The table was covered with a Belgian lace cloth over yellow felt. Majestic daisies were used in the floral centerpiece and smilax with lily of the valley decorated the table featuring the four-tiered wedding cake.

The bridegroom's table had a bouquet of yellow spider mums and a silver coffee service along with the bridegroom's cake.

Houseparty for the reception included Mrs. James Bunyard, Mrs. Carl J. Cahill, Mrs. Mack Cauthorn, Mrs. George Barrow, Mrs. Suzette Estes, Mrs. Jerry Don Balch, Mrs. Duke Wilson, Mrs. Lawrence Finklea, Mrs. L. E. Johnson Jr. and Mrs. Leroy Waggoner.

After a short wedding trip the couple will live in Ft. Worth.

Mrs. Nevill is a graduate of Texas Christian University where she was a member of Kappa Kappa Gamma social sorority. She is employed with the Texas Extension Service as an assistant Home De-

A Parson's Eye View of Sonora

Now is the time for every good man to come to the aid of his Summer Community Recreation Athletic Program. The Harlan Hinds are here. They moved out last Saturday afternoon. The summer program officially begins today.

In spite of our best efforts, the time has arrived to start the program and we are keenly aware that we are not ready. The 'mills of the gods' are not the only things that grind slowly.

Now that we are at the starting gate we are beginning to realize how much we are behind schedule. The slab by the swimming pool that we had planned to use for headquarters is not covered, so we shall have to establish headquarters temporarily at the High School gym.

The rest rooms are not started. Plans are being drawn and help is promised—but will it be enough? If the older boys who are not gainfully employed would lend a hand, Harlan could use some help.

We really ought to have one season to get started; but we would probably never get anything done if we were not facing an emergency. So—we shall have to do the best

we can with what we have. And there is much we CAN—do—even this first season.

Starting this morning (Thursday) Harlan would like to meet with the boys 15 years and older who want to play hard ball from 8 to 10 a.m. From 10 to 12, he would like to work with girls of the same age who want to play softball. He would like the same schedule on Tuesdays and Fridays.

On Mondays, Wednesdays and Fridays he would work with the boys too old for little league up to 15 who want to play hardball from 8 to 10 o'clock. Girls of a corresponding age desiring to play softball may work out from 10 to 12, the same days.

Girls whose ages correspond with the little leaguers, who were responsible for initiating this program in the first place will have an afternoon (late) schedule of softball and volleyball, depending on the interest manifested.

We hope to organize some men's softball and women's volleyball teams and game schedules. The only lighted field is the little league field, and we would be able to use it on a very restricted schedule.

But with daylight saving time it is not dark until 9 o'clock, and a lot of ball could be played between quitting time on the job and dark.

With Harlan's concurrence we are asking for a meeting of the SCRAP Council Friday evening at 7 o'clock on the Norm Rousselot lawn. We are inviting every person in Sonora who is interested in the program to meet with us.

If you know any unenlightened citizens who do not read the "Devil's River News" please pass the word along. We hope to have a couple of volleyball games lined up for entertainment, if we have time. Come on out!

One of our first impressions of Sonora when we arrived just a year ago was being down at the Sonora Wool and Mohair Company and seeing a little boy (name unknown) come in to get the ribbons he had won in wool judging.

I judged at the time he must have been pretty good to earn that fist full of ribbons. I have since discovered that Sonora judging teams are to be respected in nearly every area.

I met with the Sutton County Commissioners Court a few moments Monday morning. They must carry on some pretty important

business up there. At least they had good press coverage. KCKG and The Devil were both represented there.

Everyone we talked to this (Tuesday) morning received an inch or better of rainfall last night except Dorothy Cusenbary. Hope it will keep on until everyone shares in the blessing.

Saw Billie Galbreath in town and welcomed him as a stranger. He explained this way, "It rained on one pasture and didn't on the other and I have been busy shuffling my livestock to get them on green grass."

Quite a number of our boys and girls are away in camps of various sorts this summer—or a portion of it. There are scout camps, church camps, and various kinds of private camps. We approve of them all, and the kids are very fortunate who get the opportunity to attend. But the kids who have to stay at home should get opportunities to do some of the same things right here at home—that's why we have S.C.R.A.P.

This is traditionally the month for brides, but strangely enough, we have not scheduled a single wedding for this month. This seems to be another tradition the younger generation is pretty much ignoring.

We were back at the old home place in Sterling County last week and it does not look the same as when we last saw it. We took a rough ride through the canyons leading from the Divide back toward the Colorado River. There were a good many wire gates to open.

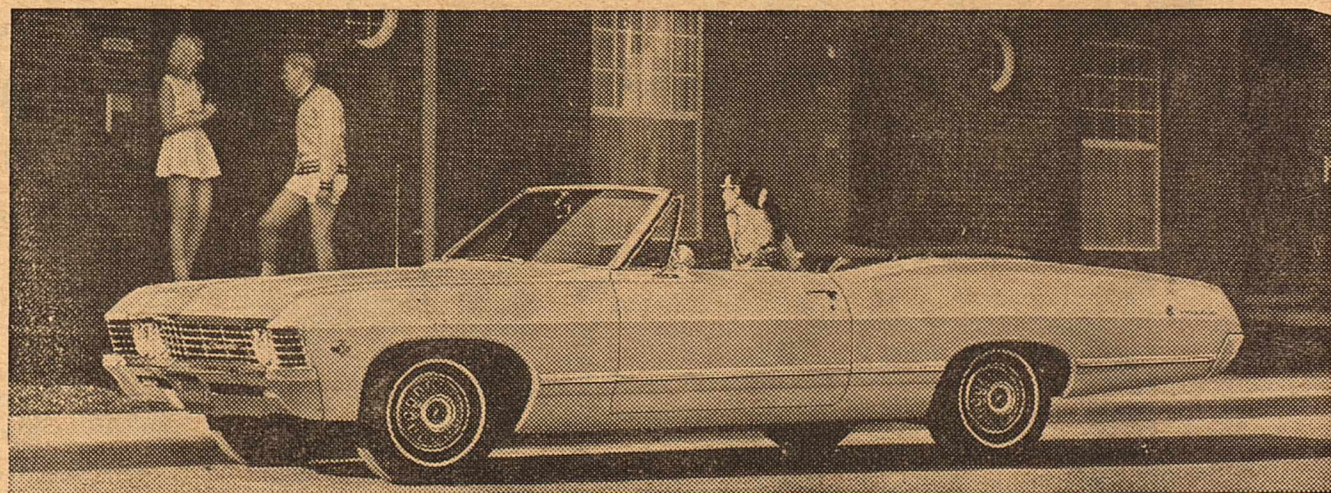

We made one delightful stop at a place where a natural spring runs out of the hillside. The spring was almost choked with moss, but we cleaned it out. Oak and pecan trees grow around the spring. Someone planted some mint at the spring and it has followed the little stream that trickles down to the reservoir below. As one walks across the green turf a very fragrant minty odor fills the air.

This has been developed as a picnic area with a large barbecue pit made from about a 50-gallon oil drum. As out of place as a green oasis in a barren desert, this secluded place of beauty in the canyons made the rough ride seem worthwhile.

Chevrolet

Lowest priced convertibles. Lowest priced hardtops. Lowest priced V8 models.

(And that low price brings you a road-sure ride, Body by Fisher quality, and a traditionally higher resale value. You also get wider front and rear tread for greater stability and handling, foam-cushioned seats, and extra fenders inside the regular ones to help inhibit rust. Most everything more expensive cars give you!)

Impala Convertible—with most everything higher priced cars give you

Miss Logan Finishes Ethiopian School

Linda Leticia Logan, daughter of Mr. and Mrs. Sam T. Logan, was graduated from the American Community School of Addis Ababa, Ethiopia June 9. She gave one of the addresses at the graduation exercises as well as playing the guitar with two fellow graduates to accompany the class songs.

Linda started first grade in Sonora, but moved to Saudi Arabia before mid-semester. She attended David Crockett Elementary School in San Angelo for most of her fifth grade year and had her first semester of her Sophomore year at Central High School in San Angelo. The past four years she has attended five different schools and maintained a 3.65 average.

The American Community School of Addis Ababa is in its first year and Linda served as Student Council President. Linda has two younger sisters: Jane, who will be a freshman in high school this fall and Sammie Ruth who will be in the fourth grade.

The Logan family is returning this summer to Texas for a vacation and Linda will enter either Texas University or Texas Technological College this fall. She wants to visit each school before making her final decision.

Her grandfather is Joe F. Logan.

Card of Thanks

We wish to take this opportunity to express our thanks to each of you who helped make our Vacation Church school a profitable experience for the children in our community.

We are grateful especially to the teachers and helpers in each department who gave so unselfishly of their time and efforts. A thank you is also extended to those who donated refreshments each day.

We appreciate all you have done to make our Church School a success.

Mrs. Jimmy H. Harris and Mrs. Albert Ward In40

42 CLUB MEETS

Mrs. Auther Simmons entertained her 42 Club Thursday, June 8. Members present were Mmes. O. G. Babcock, Dona Stites, Karen Peterson, Lossie Kelley and Lucille Hutcherson.

Guests were Mrs. Belle Steen, Mrs. Buddy Brown and Clayton White.

Ice cream and cake were served. The traveling prize was won by Mrs. Babcock; high club prize was won by Mrs. Hutcherson and the 84 prize by Mrs. Steen.

7-11 Bridge Club Meets at Wards'

Mrs. Albert Ward entertained members and guests of the 7-11 club with a "Wacky" bridge party in her home Monday June 12.

Low club prize was won by Mrs. Al Everrett and low guest was Mrs. Joe Lane. High score was won by Mrs. Armer Earwood. Bingo prizes were won by Mrs. Ralph Finklea, club, and Mrs. Joe Neil Smith. Mrs. John King won the traveling prize.

Mrs. Clay Cade, Mrs. Ralph Finklea and Mrs. Joe Neil Smith received cut prizes.

Yellow and white daisies were used in decorating the party rooms and blueberry tarts and ice cream were served.

Other guests included Mmes. Horace Hill, Ray Shelton, Jerry Hopkins and Jimmy Harris.

JIM McDERMOTT, 11, son of Mr. and Mrs. Jim Bob McDermott of Houston, and grandson of Jack McDermott, caught this five pound Black Bass near Junction last week. Young McDermott caught the fish in midafternoon on a yellow "Herb's Dilly".

YOUR MINISTER SAYS

by the Rev. Arno Melz
 "He maketh the sun to rise on the
 evil and on the good, and sendeth
 rain on the just and on the unjust."
 Matthew 5:45

Last week a wonderful rain fell
on most areas of our community.
This was a much needed rainfall,
and already the ranches are look-
ing greener. The sunshine and rain
are making grass, fields and gar-
dens grow.

To many of the people the rain
is already forgotten, and they are
looking for another. Still others
shrug their shoulders and say, Well
this is the rainy season; we can ex-
pect some moisture. There are
some people who receive the rain
as a special blessing of God.

We often take routine things in
life for granted, assuming they just
have to happen. In our text Jesus
reminds us that things don't just
happen by chance, they are a gift
of God. In His love and mercy God
sends the sunshine and rain which
we need and enjoy so much. These
blessings are sent to the evil as
well as the good.

The difference between the good
and evil is simply that the good be-
lieve in Jesus and follow Him, the
evil do not. The good pray for rain
and receive it with thanksgiving,
the evil do not. You may say well,
it doesn't matter, they are treated
a like. This may be true in some
physical blessings, but is not true
spiritually. The good receive some-
thing extra, which is of far greater
importance than rain or sunshine.
They receive forgiveness of sins,
and the promise of heaven.

If you have received blessings
from God in the past as an unjust,
why not receive ALL God's bless-
ings today as the good. Ask in Jesus
name and you shall receive. Amen!

Snips, Quips, and Lifts

by Lottie Lee Baker

—All people smile in the same
language.
 —An old-timer is one who can
remember when a job was the
first thing you went steady with.

—The best time for a man's ship
to come in is before he gets too old
to navigate.

—Some people find fault as if
it were buried treasure.

—At mealtime a child's idea of
his just deserts is just desserts.
 —Success is relative. The more
success, the more relatives.

—An aerospace expert has pre-
dicted that in 25 years or so it will
be possible to ship freight to the
moon for as little as \$3 a pound.

—Difficulties have always been
necessary to progress. It was dark-
ness that produced the lamp. It

was fog that produced the compass.
 —If he can remember so many
jokes, with all the details that mold
equal skill, how many times he's
told them.

—One reason for the popularity
of stained glass windows during
the Middle Ages was illiteracy; the
Bible, needed "sermons in glass."

—From the errors of others a
wise man corrects his own.

—It is well to govern our lives
and thoughts as if the world were
to see the one and read the other.

—It used to be that Papa dealt
out a stern code of discipline to
junior. Then the electric razor took
away his razor strap, furnaces took
away the woodshed, and tax wor-
ress that produced the lamp. It

ries took away his hair and the

hairbrush. So it might be the kids
are running wild today because
Dad ran out of weapons.

—An executive notes that credit
cards are nothing new. In the 13th
century German knights used a
ring, encrusted with the family
coat of arms, to get credit at inns.
 —A rich man is just a poor man

with money.
 —BIGAMIST: Man who has taken
one too many.

A LIFT FOR THE WEEK
 Learn the fine art of forgetting;
do not bring the troubles of yes-
terday into today.

The Touch Of Time

What marvelous buildings has man erected
through the centuries. What lofty and inspiring
structures has he created.

But how many of these glorious accomplish-
ments stand intact today? We can see famous ruins
the world over — mute reminders that what man
builds is not permanent.

Today our buildings contain great slabs of con-
crete holding hidden wire and steel that will not
break with stress. But can we be sure that today's
creations will be standing a hundred years or two
hundred years from now? Of course not.

Of what can we be certain? What does last?
 Certainly the gifts of God tower indestructibly
today as they have for generations... the things
of the spirit — faith, hope and love. Our church
buildings may crumble or be destroyed, but the
fellowship of believers is perpetual throughout the
ages.

Discover for yourself the great spiritual truths.
Discover for yourself through His Church, those
things which endure forever.

Point Theatre Opens Drama Season With "Barefoot in the Park"

"Barefoot in the Park," which was described by Life Magazine as "One of the funniest comedies ever" when it first set New York theatregoers roaring with laughter in the fall of 1963, will be presented at the Point Theatre in Ingram, June 14 through June 25.

Tickets for the production are now on sale at the Point Theatre box office. Reservations may be made by calling Ingram, (512) 367-5710, or writing P. O. Box 176, Ingram, 78025. Tickets are \$1.50, \$2.25 and \$3.00.

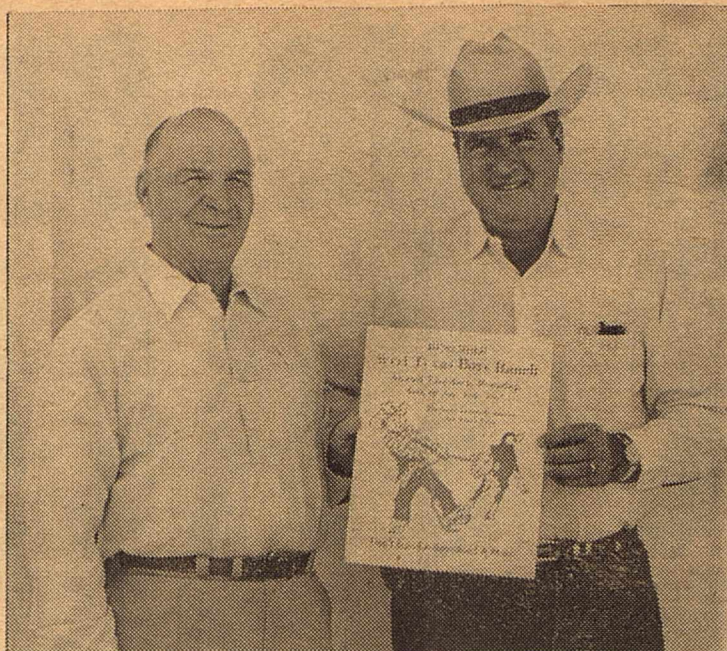

Performances are Wednesday through Sunday evenings at 8:30 p.m.

The Children's workshop, another activity sponsored by the Hill

Country Arts Foundation in Ingram, will begin classes Monday, June 12, and continue through August 5.

The workshop, under the direction of Miss Betty Nelson, will consist of four sessions of two weeks each. Students may be enrolled in one or more two-week units.

Children aged six through sixteen years are eligible to sign up for the workshop. Classes will be held from 8:30 a.m. through noon every day, Monday through Saturday. Students will receive instruction in creative art forms ranging from art through dance and theatre. The daily schedule will include two class periods of one and a half hours each with a rest break between classes.

JOSEPH VANDERSTUCKEN AND BILL MORRIS will be the local leaders for the annual West Texas Boys Ranch Round-up. Donations of livestock will be auctioned off during the week of June 19, to provide funds for the ranch which cares for underprivileged boys in the West Texas area.

you can find the model you want right here in Sonora. We give service after the sale. Sonora Motor Co.

North and West County Receive Wind, Rain

by E. B. Keng, SCS

Runoff producing rains fell on the west and north parts of Sutton County early Tuesday morning. Dry Devil's River was running through Sonora for the first time in many months. Draws west of Sonora were also running.

Preliminary reports indicated that the rainfall was concentrated largely north of a line entering Sutton County about the Hospital ranch where 1.15 fell, dropping .75 at the Caverns; 1.00 at Sonora; 1.20 - 1.50 at the Lea Allison ranch and 1.10 at the Frank Bond ranch. Heavy winds were reported on the Hospital and Edgar Glasscock ranches.

Other rainfall reports collected by E. B. Keng, SCS, include W. L. Davis, 1.8 - 2.1; J. B. Wright, 2.50; John Mittel, 2.1 - 2.4; Howard Kirby, 2.6 - 3.1; Brushy-Top, .93; O. L. Richardson, 1.7; Buddy Ingham, .75; Wallas Renfro, 1.40; Edgar Glasscock, 1.40; G. H. Davis, 2.50;

R. A. Halbert, 1.8 - 1.90; Joe Logan, 1.10; Carra Simmons, 4.06 and Alvis Johnson, 1.00.

Runoff water was caught in dams on the John Mittel, Ben Meckel, G. H. Davis, Pearl Martin and Ada Wynn ranches and possibly some behind other dams.

Rainfall on the Lowrey Draw watershed varied from .67 to 2.33 inches. Some runoff water was caught in Sites 9, 10 and 11.

Agricultural Research Gauges on the watershed showed W. L. Miers, 1.45 to 2.33; James Hunt, 1.08 - 1.92; Joe Logan, 1.05 - 1.27; Vestel Askew, .91 - 2.07; Stella Keene, .94 - 1.10; and Bryan Hunt (Hospital) .67.

JP Court Collects \$1,496 in Fines

Fines amounting to \$1,496 were collected by Justice of the Peace, Alfred Cooper, for the month of May.

The majority of cases tried in the Justice of the Peace Court were for traffic violations with a few exceptions.

One case of auto theft was brought before the court in addition to five cases of disturbing the peace and three cases of driving while intoxicated.

One DWI violator is out on \$1,000 bond. Others have been fined.

Seven cases of minors in the possession of alcoholic beverages were filed during the month and one case of an adult making alcohol available to minors.

Most common traffic offense was assessed for truckers for having overweight loads on their vehicles.

Highway Frontage Planned for Sale

The City Commissioners have authorized the sale of 1.09 acres of land fronting on U. S. Highway 277 and the not-yet-constructed frontage road planned for the new Interstate Highway 10.

The city will receive sealed bids until 1:30 p.m., October 9.

For further information on the exact location and description of the land contact the office of the city manager.
