OLTON TO REGIONAL

GRAND ENTRY - Tri-Captain Clarence Johnson proudly exhibits District Championship trophy as victorious Miller Mustangs file into school gymnasium to attend giant Pep Rally. The rally was held in preparation for the Olton

Mustang-Lockney Longhorn clash Saturday night in Bulldog Stadium, Plainview, to determine Bi-District winner. (staff photo)

Looking For 'A First'

Mustangs of Olton High will seek the elusive crown of regional champions Friday night in Dick Bivins Stadium, Amarillo, the scene of a similar quest 21 years ago.

Olton sought but never attained, the regional title would truly make 1974 the "Year of the Mustang." Mustang teams of the past won five bi-district titles but the regional crown always proved to be the unattainable dream.

The Mustangs first visit to the Amarillo stadium was a battle for bi-district rather than regional and the OHS gridsters lost a heart-breaker to Phillips with the decision determined by penetrations after the Mustangs and Blackhawks fought to a 20-20 tie.

Numerous district cham-

pionships have been earned by Mustangs of earlier years but only nine teams have reached bi-district play.

The Mustangs of 1939 whipped Roscoe in Abilene for the bi-district title but fell to Pecos in regional play in Odessa.

Ten years later, the Mustangs again claimed the bi-district crown with a victory over Meadow on Olton's homeground. Kress upended the Mustangs for the regional title in a game played in Plainview.

Olton's last year in Class A, 1952, found the Mustangs taking a bi-district victory from Lefors only to fall prey to the red and white ponies from Denver City in regional competition.

The following year came the crushing death knell of the 20-20 tie loss to Phillips.

In 1955, the Blackhawks eliminated the Mustangs' path to regional with a bi-district defeat in Plainview's Bulldog Stadium.

Denver City again popped up as spoilers when, in 1959 and 1960, they wiped out Olton's pursuit of the elusive regional crown.

The Mustangs whipped the Canyon Eagles in bi-district only to be crushed by Denver City at Brownfield.

In 1960, it was Junior Coffee and the Dimmitt Bobcats who were conquered by the Mustangs in bi-district play. The blue and white Ponies were victims of their red and white counterparts this time in a bitterly cold and snowy Thanksgiving Day in Littlefield.

Denver City also played the villain roles in 1967 and 1968 when they stopped the Mustangs in bi-district play on the DC home field and the final time in Olton.

The 1974 model Mustangs may not have the brawn of some of their earlier fellows nor did they receive the pre-season favors of others but they have an all important ingredient of their own and the makings of champions.

Roger Yates in Plainview's Monday edition of the Daily Herald wrote: "With the team unity the Mustangs have, the individual humbleness and the will to win, Olton deserves to be right

where it is - battling in the regional playoffs."

And, in the words on one of their own after Saturday night's victory, "The thing that sticks out in my mind is that we had it together."

Mustangs Take Bi-District Title

By Elmer Houston

Olton Mustangs rightfully representing District 3-AA, came back the second half and ran over the Lockney Longhorns who represented District 4-AA in front of a crowd numbering around 4,000 screaming fans. Just for the record, the score turned out in the exact same form as the last outing between these two teams in the numerical form of 22-6.

After the game, the Mustangs were awarded a gold trophy signifying their victory, the second such trophy that they have captured this year. The Longhorns were really up for the game and wanted that trophy just as much as the Mustangs. In the first half, the Longhorns dominated the statistics in every department except the main one, the scoreboard. Lockney proved to all the witnesses who were at the game that they were qualified to represent their district as well as any one else could have.

Bryan Allcorn boomed the opening kickoff out of the end zone for the Mustangs. On the first play from scrimmage at the Lockney 20 the Longhorns fumbled the pitchout on an end around with Kevin Workman recovering for the Mustangs on Lockney 19.

Mustang quarterback Jimmy Parker lost one yard on first down back to the 20. Second down found Parker picking up eight yards down to the twelve.

Workhorse Glen Johnson got the first down of the night for the Mustangs on third down as he picked up four hard yards to the Horn 3.

Again on first down Parker was thrown for a loss

back to the 12. A penalty moved the ball five yards to the Horn five.

Again on first down following the penalty, Parker got one yard to the four.

On second down Glen Johnson busted into the end zone for the first Mustang score of the night. Parker ran the extra points to make it 8-0 with 9:38 remaining in the first period of play.

Allcorn boomed the kickoff deep into Lockney territory with Mark Sherman being downed on the Horn 7. Lockney picked up two first downs aided by the hard running of Danny Foster in moving out to their own 44. Facing the fourth down and one at their own 44, Lockney kicked the ball away with it rolling to the Olton 21.

Parker picked up yardage to the 24. Then Joe Alcorta got five more to the 29. Third down found Alcorta trying again and only getting one yard to the Olton 30.

On fourth down Johnson got the needed yardage for the Mustangs first down. Olton fumbled on first down with Lockney recovering on the Olton 31.

The fired up Longhorns picked up two yards on first down to the Olton 29. Sherman got six yards on the second try to move the ball to the 23. A pitch out on third down was a losing matter with Mark Stroebel dropping the Longhorn runner for a three yard loss back to the 26.

"Old Reliable" J.D. Caudle broke the Longhorns' horns on fourth down by recovering a fumble for the Mustangs at the Olton 37 after a hectic chase of the ball by both teams.

On first down, Parker passed to David Johnson for

a Mustang first down at the mid field stripe. Big Brother Glen Johnson then drove for 10 more yards and another Mustang first down at the Lockney 40.

Parker tried another pass only to be dropped for a loss back to the Lockney 48. A penalty moved the ball back into Mustang territory to the Olton 48. Olton called a time out the five seconds remaining in the first quarter of play. On the next play Allcorn booted the ball 38 yards to the Lockney 14. This ended the first quarter of play.

Nine plays and 84 yards later found the Longhorns on the Olton 2. Charles Sterling carried for the Horns as he got the two yards for the touchdown. Trailing 8-6 Lockney elected to try for two to even the game up.

Quarterback Zack Cummings passed to Roland Bennett only to have the pass go incomplete. The Mustangs now had a 8-6 lead to protect.

On fourth down Johnson got the needed yardage for the Mustangs first down. Olton fumbled on first down with Lockney recovering on the Olton 31.

The fired up Longhorns picked up two yards on first down to the Olton 29. Sherman got six yards on the second try to move the ball to the 23. A pitch out on third down was a losing matter with Mark Stroebel dropping the Longhorn runner for a three yard loss back to the 26.

"Old Reliable" J.D. Caudle broke the Longhorns' horns on fourth down by recovering a fumble for the Mustangs at the Olton 37 after a hectic chase of the ball by both teams.

On first down, Parker passed to David Johnson for

The Lockney kickoff bounced into the end zone with Olton putting the ball in play at their own 20. Three plays later Olton was still faced with fourth down and 6 needed for the first down.

Allcorn punted for the Mustangs with the ball rolling dead on the Lockney 48. On first down Olton's Ray Rodriguez recovered another Lockney fumble for the Mustangs on the Lockney 45.

Both teams swapped 5 yard penalties on the next two plays. Olton moved to the Horn 37 before losing the ball to Lockney on downs with 4:16 remaining in the second period of play.

Eleven plays and three first downs later Lockney was knocking on Olton's front door at the Olton 10. With only 21 seconds remaining in the half Lockney threw an incomplete pass and in doing so drew a 5 yard penalty moving the ball out to the Olton 15.

Proclamation

WHEREAS: The Olton Mustangs have displayed courage and determination which would serve well as a guide for every member of the community

WHEREAS: The Olton Mustangs have displayed sportsmanship and unfailing teamwork in the face of staggering obstacles and in spite of forecasts to the contrary by so called experts have won Bi-district Championship

WHEREAS: The Olton Mustangs have reflected credit and honor upon the school and community

WITH THE AUTHORITY VESTED IN ME AS CHIEF MAGISTRATE OF THIS CITY, I, Parley P. Myers, Mayor of Olton, do hereby PROCLAIM Friday, Nov. 29, OLTON MUSTANG DAY IN OLTON and urged all citizens of this community to support the Olton Mustangs in their game in Amarillo's Dick Bivins Stadium with Spearman for regional championship.

Parley Myers
Mayor of Olton, Texas

With time running out the Longhorns lined up to try for the go ahead points with a field goal try. It would have been a 32 yard try for points except that Olton's too tall Greg Gregory got in the way of the ball knocking it back down field with Copenhagen Caudle recovering at the Olton 14.

Olton ran out the remaining seconds on the clock to finish the half and Lockney.

Lockney was trailing 8-6 at intermission and had outgained Olton in yards 161 to 57.

The third quarter opened with Olton receiving the kickoff and a penalty to put the ball in play at the Olton 10.

The Mustang Show was on the road for real now as the Mustangs came alive and dehorned the Longhorns.

Johnson got 6 to the 16. A penalty moved the ball five more yards to the 21. Another penalty moved it five more to the 26. Parker got one yard to the 27. Johnson picked up five to the 32 for another first down. Alcorta got three to the 35. Johnson picked up 14 behind good blocking to the Olton 49 for another first down.

Second down found Johnson carrying again for 6 yards to the Horn 4. A delay of game penalty moved it back five yards only to have a Lockney player jump off sides before the snap of the ball to give the five yards right back to the Mustangs.

On third down Parker moved to the 37 behind very hard blocking by several teammates for another first down.

Play Off Game In Amarillo Friday

"Jinx the Lynx" has been the hue and cry through hallways of Olton High School and in the city's coffee shops and other meeting places, following the Mustang's decisive 22-6 victory over Lockney Longhorns Saturday night in Bulldog Stadium, Plainview.

By virtue of the Bi-District win, the Mighty Mustangs advance to Regional Playoff Friday, Nov. 29, in Dick Bivins Stadium, Amarillo.

Facing them will be the Spearman Lynx, victors Friday night in a Bi-district clash with state ranked Henrietta, 50-19.

Olton's coaches, anticipating this situation, scouted the Spearman-Henrietta contest. In speaking of the Lynx, Coach Miller states "They are very quick and very big."

With their impressive year's performance resting upon team-effort, the Miller Mustangs appear undaunted as they prepare for the Lynx. Miller says of his team "We do not have the material to be a real powerhouse, the Mustangs have arrived in Regional playoffs by sheer determination."

Members of the Mustang team are swift to give credit to the support they have received from their home

town fans. One stated "The town's spirit and enthusiasm for football is unmatched in West Texas."

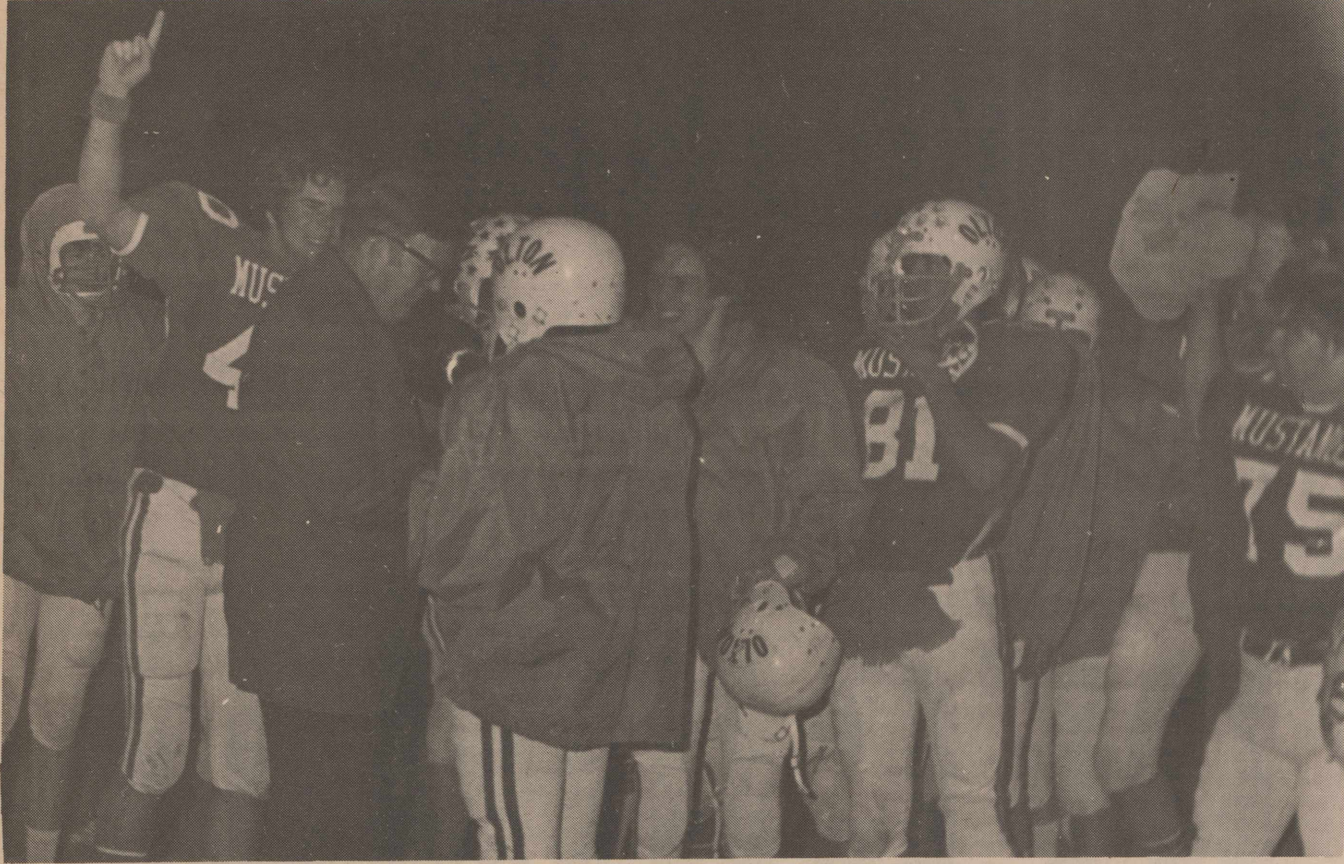

This enthusiasm will be unleashed Friday afternoon at 2:30 in a Giant Pep Rally in high school gymnasium. And again Friday night at the Amarillo field.

Fans seeking Dick Bivins Stadium are advised to take I-40 toward Oklahoma City, turning off on either Nelson or Grand exits, thence north to 10th Street.

Tickets for the game are \$3 for adults and \$1 for students.

GLAMOROUS GIBSON AND GOAT parade Olton streets Sunday afternoon to fulfill a wager made by the KFLP announcer. Loyalty to the Lockney Longhorns brought Jan Gibson the indignity when Olton Mustangs earned Bi-District Title Saturday. Phil Mayberry, second announcer, won the wager. (staff photo)

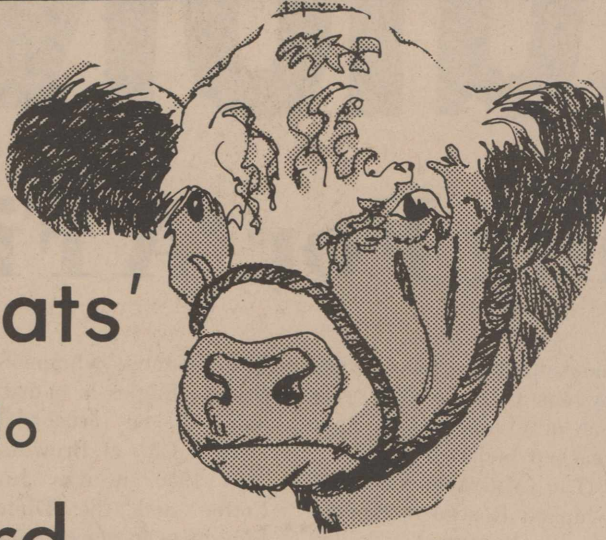

AFTER A HARD FOUGHT BATTLE, Captain Clarence Johnson accepts the Bi-District trophy while Jim Parker tells it all, "We're Number One."

"THIS GOAT AND I HAVE BECOME PRETTY GOOD FRIENDS, WE'RE BOOSTING YOU ALL THE WAY TO STATE," Jon promised.

'Don't Look Ethel!'

Pardon me, sir, did you see what happened Saturday night?

"Yeah, I seen. I was sittin' there about the 50-yard line, just gettin' ready to buy Ethel a popcorn, when here he come - out from that big gang-fight in the middle of the field, streakin' right up the sideline."

Did you see what he did?

"Yeah, I seen. That little feller Number 82 come outta that gang-fight with tha' football them red fellers was a playin' with. Then that little sun-tanned guy with a 30 on his shirt jist when streakin' down the field. He turned his head while he was a-runnin' and looked back at them red shirts behind him and raised his hand a-grinnin' and I yelled at Ethel, I said, 'Don't look, Ethel! But it was too late - she already seen, and was wavin' back at him.'"

Did you notice what happened after the game?

"Yeah, I noticed. I felt I was back in a Harley Sadler tent show and Toby had just outfoxed the city slicer. Them Mustangs fans was a-goin' bananas, and Ethel was a-goin' with 'em. I hollered at Ethel, I said, 'Come back here, Ethel! But it was too late - she was already climbin' the goal-post, and some guy in a little blue hat was a-givin' her a push.'"

Did you see what the Olton coaches were doing while all this was going on?

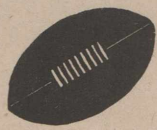

"Yeah, I seen. I got Ethel down from the goal post and was a lookin' for the boys' locker room, and I opened this door and there was Mr. Miller drawin' off the Spearman defense on a blackboard. He looked me right in th' eye and said, 'Blessed are the meek,' and asked me if I happen to have th' Denver City and Alpine game film. I told him I was just tryin' to git to the dressin' room before all them ree-porters from the other newspapers did."

Did anything else happen to you during the post-game riot?

"Yeah, it happened. Me and Ethel was jist breakin' clear of the crowd outside, and was a standin' between th' buses and all them cars when this same guy in that little blue hat come runnin' up and grabbed me around th' waist. I hollered at Ethel, I said, 'Don't look, Ethel!' Then this guy started dancin' me around and yellin' 'We ain't the dark horses no more!'"

Well, how did you happen to get the black eye?

"Aw, that's somethin' else. But it wuz worth it. Excuse me, mister. Don't listen in on the phone now, Ethel - I'm gonna call me another Longhorn fan and ask him if he seen th' game."

Dear Bryan:
You sure played a good
game friday. We are camps
now. We beat Lockney once
we can beat em again you
better make some touch-
downs. We can block all
threw the game if we can
beat Dimmit. We can beat
Lockney.

Dear Mark Stroebel,
I like the way you play a
whole lot. I wrote to you
because you are very nice
and you play very well. I
hope you'll beat Lockney
Longhorns a whole lot like
you'll beat Littlefield.

Let's go all the way to

down at the Horn 20. This gave the Mustangs a first down at the 20. "Hoss" Johnson bulled his way for six yards to the 14. Parker tried his luck for no gain. Third down found Johnson following Alcorta down to the Horn three for another first down.

Alcorta and Caudle opened a hole and Johnson plowed in for the score. Johnson ran the two extra points to boost the Mustang lead to 16-6.

This Mustang drive covered 90 yards, 15 plays and consumed a little over eight minutes of time.

Allcorn kicked off for the Mustangs. Foster received the ball and started upfield only to have some hard hitting Mustangs separate him and ball with Ricky Smith recovering for the Mustangs at the Lockney 42.

Johnson carried for three of the four tries and picked up the first down for the Mustangs at the Horn 29.

Again Johnson was handed the ball only this time the ground got in the way as he lost his footing and fell down at the 29. Second down found Miller calling for Johnson again. He found running room around the right side of the Olton line and galloped down field. Johnson approached the last Lockney defender between him and the goal line. He wiggled but was unable to fake the defender, Roland Bennett from his path. Johnson did his usual trick then, he just lowered his head and plowed into Bennett and fell at the Lockney 12. Bennett was shaken up on the play and took a breather for a few minutes on the side line.

A penalty moved the ball back five yards to the 17. Parker ran for three to the 14; threw an incomplete pass on second down and

son, Bryan, has opportunity to play in the same stadium in regional clash.

third down found him passing to David Johnson at the four. Johnson lunged into the end zone for the score to boost the Mustang lead 22-6.

Extra point try failed leaving the score at 22-6. After the kickoff Lockney ran three plays before the quarter ends. Olton had controlled the ball for all but three plays in the third quarter.

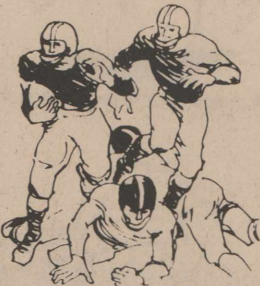

Olton's defense toughened up and didn't allow Lockney another first down or a chance at the Mustang goal line until the Horns recovered a Mustang fumble at the Olton 25 with 1:22 remaining in the game.

Leslie Gary took this threat away from the Horns as he intercepted a Longhorn pass at the Olton nine with 0:52 seconds remaining

in the game. Olton then ran out the clock for the victory.

Olton dominated the second half of play as they controlled the ball for 20:23 out of the 24 minutes of playing time, and ran 42 offensive plays. Lockney used 13 plays and 3:37 of time.

Joe Alcorta gained 48 yards for the night in 11 carries. Glen Johnson carried 27 times for 131 yards, 111 of those yards came in the second half of play.
