Demos Label Republican Plan 'Politics'

Move To Seek Return Of MacArthur Hit

By ED CREAGH
Associated Press Staff Writer

WASHINGTON, Feb. 20—A strong Republican move to bring General Douglas MacArthur home in the near future—before major parties nominate their candidates for President—developed in the House Foreign Affairs committee today.

Democrats, charging "politics," blocked the move temporarily. But GOP backers of the MacArthur-to-Washington movement announced they would try again at the earliest opportunity, perhaps next week. And Republicans have a majority of the votes.

Solon Backs Vote

The politically-charged development stole the spotlight from Secretary of State Marshall's testimony in favor of strictly non-military aid to China's anti-Communist government.

Rep. Lawrence Smith (R-Wis) members disclosed, formally moved at a closed session that MacArthur be invited here from Tokyo to give advice on aid to China and other Far Eastern problems.

STATEMENT IS ISSUED

TOKYO, Saturday, Feb. 21. (AP)—General MacArthur said today the "heavy pressure" of his duties made it "impractical for me to leave my post" to return to Washington and testify on far eastern problems. MacArthur issued a statement commenting on a move among Republican congressmen in Washington to bring him home before the major parties nominate their candidates for the presidency.

But Rep. Jarman (D-Ala), one of those charging politics, successfully opposed a vote, on the ground that there was not a quorum. Rep. Judd (R-Minn) said the question would be raised again "at the earliest opportunity."

Great Welcome Seen

Whether Judd and the others plan it that way or not, MacArthur's return to Washington could be turned into a great ovation for the five-star general. It would be his first visit since long before the victory over Japan.

MacArthur has been mentioned repeatedly as a Republican presidential possibility. Democrats showed themselves well aware of this.

"I thoroughly resent any attempt to use the foreign aid program, so tremendous in importance for this country and the world, for political purposes," Rep. Jarman (D-Ala) told a reporter.

Politics Charged

And Chairman Eaton (R-NJ) said the move "certainly originated in politics." He said he couldn't see "what good it would do" to question MacArthur in person.

Rep. Judd (R-Minn) denied to newsmen that politics had anything to do with the campaign to get MacArthur home. He joined Smith and Rep. Vorys (R-Ohio) in favoring the general's return.

Marshall, testifying on President Truman's request for $570,000,000 in civilian aid to China, heard the Republican proposal without committing himself on it.

Supplies To Be Sold

Marshall told the congressmen China's government has gold and foreign exchange to buy military supplies in the United States.

Design Contest Winners Named

By CHARLES STONE
Avalanche Staff Writer

Winners in the Mackenzie Park Theater and Acousticon design contest, sponsored by the Lubbock Building Construction Trades council, were announced last night by Jerry R. Holleman, one of the judges in the contest, at a program in the Engineering auditorium at Texas Technological college.

First prize of $50 went to Marion E. Wilson, formerly of Granite City, Ill., and now a senior architectural student at Tech. A. D. Anderson, senior architectural student from Cisco, received second prize of $25, and Sidney Key, junior from Denver, Colo., was in third place with a prize of $10.

Planned As Gift

Holleman, in presenting the prizes to the winners, said that the contest was an effort on the part of the Building Construction Trades council to secure possible plans and estimated costs on an outdoor theater and acousticon in Mackenzie park which the council wishes to build as a gift to Lubbock and the surrounding area.

The site selected for the proposed project is centrally located in Mackenzie State park, adjacent to the roadway on the northeast side of Yellowhouse creek, and bounded on the north by a natural bowl, formed by the north bank of the canyon.

The proposed theater and acousticon would seat about 30,000 persons, and would be used for theater productions, musical concerts and other public gatherings. Whether or not the Building Construction Trades council will build

Truman Calls Russian Attitude 'Disturbing'

WASHINGTON, Feb. 20. (AP) — The refusal of Russia and her satellites to help carry out major UN recommendations is "disturbing," President Truman said today.

Indirectly, the President posed in a report to Congress the problem of whether the United States and other UN members should do anything about the situation.

An "overwhelming majority" of the United Nations, Mr. Truman said, laid down courses of action last year on the Greek, Korean and other problems . . . The majority considered these decisions "right and effective," he said.

The President's statement, it was learned, was made with a view not only to informing Congress but also to inviting study by other nations of what if any steps should be taken to deal with this situation.

FOREST FIRE RAGES

FORT SMITH, Ark., Feb. 20 (AP) —A forest fire is raging on the south portion of Sugar Loaf mountain, 30 miles south of here, and an Arkansas forestry division officer said it was of incendiary origin. At noon, an estimated 3,000 acres of timber had been burned. Curtis Coffman, Camden, Arkansas forestry officer, said another 1,000 acres would be lost before fire fighters brought the flames under control.

Mother Saves Son Caught By Eagle

(By The Associated Press)

CARLSBAD, N. M., Feb. 20 A Carlsbad mother told today how she extricated her four-year-old son from the talons of an eagle, which her husband later killed with a bed slat.

Mrs. C. J. Reinhart said this is what happened.

She was hanging out a washing. The child was playing in the yard nearby, when the eagle swooped down and seized him by the head.

When she reached the boy, the huge bird was digging its talons into the child.

Her first efforts to free her son were unsuccessful, and she rushed to the house for a pair of pliers. Returning, she yanked the talons loose, beat off the bird and rushed the boy to a doctor. The physician found four talon wounds, three of which had pierced the child's skin.

Meanwhile, she had summoned her husband, who, finding the eagle still in the neighborhood, killed it with a bed slat.

No Definite Drop Seen In Living Costs

By STERLING F. GREEN
Associated Press Staff Writer

WASHINGTON, Feb. 20.—Food prices are down 3½ per cent from January. Other costs of living have hit record highs and are staying there or going up.

And Washington officialdom fears the new steel price rise will light a fresh blaze under inflation. It is a "discouraging" development, says the government's top economist.

That, in a capsule, was the capital's report tonight on the economic shifts of February.

Some Items Up

The Bureau of Labor Statistics told the first official story of what the market slump did to the market basket: It brought sizeable price cuts in pork chops, lettuce, lard, bacon and eggs, and smaller savings elsewhere.

But fruits and vegetables went up generously. As for other items, the bureau said manufacturers report "no widespread declines and some advances."

Senator J. Howard McGrath (D-RI), Democratic national chairman, stormed meanwhile at yesterday's $5 a ton steel price boost as a "dangerous burden" on the cost of living. He urged the Republican Congress to O. K. President Truman's full anti-inflation program.

Policy Scored

"The irresponsible 'get-yours-while-the-getting-is-good' price policy that is carrying our economy close to the brink of disaster must be halted, or we shall see another crash," McGrath said in a statement.

The chairman of the President's council of economic advisers' Dr. Edwin G. Nourse, gave much the same idea in milder words. The inflationary impact will be "far-reaching and long-reaching," he told a reporter.

It may be reflected in price rises for a wide range of steel products, he said, adding:

Action Said Discouraging

"It also tends to strengthen wage demands, which become pretty well frozen into the economy.

"That this step was taken, as a deliberate action at this time, is a most discouraging thing."

The president of the American Bankers association, Joseph M. Dodge of Detroit, said the price

Reds Seek Power In Czech Dispute

PRAGUE, Czechoslovakia, Feb. 20 (AP) — Czechoslovakia's many-party government broke down today in a test of Communist power.

Three out-and-out anti-Communist parties suddenly quit the cabinet after a tense "sit down strike" which left only Communists sitting in the cabinet-room.

Tonight Communist broadcasts proclaimed a "new people's Democratic national front" and said Communist Premier Klement Gottwald had demanded that President Eduard Benes allow him to name replacements for the cabinet members who resigned.

Czechs At Crossroads

The crisis placed Czechoslovakia at the crossroads between east and west.

The resignations were precipitated in a deadlock over alleged Communist attempts at police rule of the state. The anti-Communists have been saying they were now strong enough to prove that Communists were not all-powerful in Czechoslovakia.

If they succeeded in proving it now they would deliver a definite setback to the Communist program to dominate the fringe of countries around Soviet Russia. So far Czechoslovakia has escaped all-out Soviet domination.

All Prague police were ordered to special duty tonight as crowds increased in Vaclavske, Namesti, the huge public square, and tempers grew short.

Mexican Government Agrees To Equal Treatment Of Visitors

MEXICO CITY, Feb. 20. (AP)—The Mexican government agreed today to U. S. demands for equal treatment of tourists and businessmen seeking travel permits.

The U. S. embassy said yesterday it considered a new Mexican immigration law ended a 1925 agreement by which each country gave permits to visit the other without red tape.

In reply to Mexican restrictions, delays, and high fees, the Embassy said it would send all applications for visas to Washington for approval. The procedure would delay applications two weeks or more.

During the past 24 hours the Mexican government came around to demands by the U. S. for equal treatment of nations of both countries.

Housewife's Crime Blamed On Hubby's 45 Domestic Canines

(By The Associated Press)

BEULAH, Mich., Feb. 20 —A county sheriff said today that a blonde housewife made a 600-mile trip to commit a $5,000 burglary because she grew tired of her husband's dogs in their Pittsburgh, Pa., home.

The woman, Mrs. Ella Jane McGuire, 33, is held for trial under $10,000 bond. She is charged with breaking into the swank summer home of her uncle, W. F. Crawford, at nearby Big Platte lake.

Sheriff Bryan said she told him she wanted money to start an interior decorating business. She grew tired of her home in Pittsburgh, he asserted, because her husband kept 45 dogs that ate off tables and slept in beds.

Break In Cold Weather Seen

WARMER weather and a definite break in the northern which brought overcoat weather to the South Plains and most of the rest of the state was forecast by the Weather bureau for today.

Partly cloudy skies with temperatures a maximum in the upper 50's is the outlook for Lubbock and vicinity, officials at the Weather bureau station north of the city said at midnight. In addition, the prospect of light showers was seen.

Mercury Drops To 23

Moderate south to southeast winds also were indicated. Today's warmer weather is expected to continue through Sunday, the Weatherman said.

Friday, temperatures dipped to a low of 23 degrees and hit a high of 46 about midafternoon.

Warmer weather was forecast for almost the entire state today, the Associated Press reported from Dallas.

Cool temperatures prevailed in most of the state Friday. The only exceptions were in the extreme portions of South Texas and the far west Big Bend country, the Associated Press said.

The day before, the mercury thought it was summer. Temperatures throughout the state were on the rise. It was 85 in Dallas. Friday the maximum in Dallas was 48. Today, forecasters predict it will rise to the 60's.

Panhandle Also Hit

The cold front that changed the state from summer to winter again moved fast. Temperatures went below freezing at several Panhandle and South Plains points.

Small craft warnings were ordered yesterday along the gulf coast. The warnings extended from Brownsville, Tex., to St. Mark's, Fla. Winds up to 31 miles were anticipated.

Forecasts for Texas:

East Texas—Today partly cloudy to cloudy, with scattered showers in the south portion. Not so cold in the north and west portion. Sunday partly cloudy to cloudy, with scattered showers and warmer. Moderate northerly winds on the coast, becoming east to southeast Sunday.

West Texas — Today partly cloudy to cloudy and warmer. Sunday mostly cloudy, with scattered showers except in the El Paso area and Big Bend country. Moderate temperatures.

German Terrorist Leader Faces Hanging For Fourth Reich Plans

STUTTGART, Germany, Feb. 20 (AP)—A German who had elaborate plans for a "fourth Reich" will be hanged shortly, it was announced today.

He is Siegfried Kabus, leader of a terrorist gang which bombed three denazification courts in the Stuttgart area 15 months ago.

Kabus' death sentence has been confirmed by Gen. Lucius D. Clay, U. S. military governor.

Seven Texas Solons Join Dixie Revolt

(By The Associated Press)

WASHINGTON, Feb. 20.—Seven Texans attended a meeting of about 50 Democratic congressmen today that declared war on President Truman's civil rights program.

They were Reps. Pickett, Gossett, Teague, Fisher, Lucas, Poage, and Beckworth, members of the State's House delegation which split yesterday on the question of joining the southern fight against the program.

With Congressmen from ten other southern states, they met today and adopted a resolution pledging "co-operation" with southern governors opposing the President's program for anti-poll tax, anti-lynch, and anti-segregation legislation.

Committees Authorized

Georgia, Florida, Alabama, Tennessee, Mississippi, Arkansas, Louisiana, North Carolina, South Carolina, and Virginia were other states represented. As was the case for Texas, not the entire membership of each delegation was present. Texas has 21 representatives.

The group authorized Rep. Colmer of Mississippi, to appoint a committee from each state "to cooperate" with the southern governors. Gossett is expected to be the Texan on the committee.

Senator McGrath of Rhode Island, Democratic national chairman, has said he will see the governors of five southern states on the matter Monday. He listed among them Governor Beauford Jester of Texas, and the governors of Arkansas, Virginia, Maryland, and South Carolina.

Texas Meeting Held

Colmer said the resolution of opposition to the President's program was adopted unanimously.

A private session in the office of Rep. Gossett yesterday brought the issue to a head in the Texas House delegation. He was handling circulation of a petition protesting the President's recent policy statement.

The document had been reported signed by at least five Texas representatives when House Minority Leader Rayburn of Texas heard about the meeting.

Rayburn was reported to have called the delegation together. It was reported that the petition was torn up after heated discussion,

Arabs Launch Strong Attack

JERUSALEM, Feb. 20 (AP)—A Damascus dispatch said today that 1,500 Arab warriors had launched a powerful offensive in northern Palestine in an effort to cut the Holy Land into two.

An Arab army source in the Syrian capital gave this account of the fighting:

The assault was launched by Arab volunteer fighters some 50 miles north of Jerusalem in the Beisan area, scene of an attack earlier this week. Reinforcements were being rushed into the engagement which was described as the "most ferocious" to date.

Death Toll Increases

The Arabs were seeking to reopen a corridor from the Trans-Jordan frontier to the Nablus-Jenin-Tulkarm triangle where Arab volunteers have been reported concentrating their strength.

Military observers in Syria said that if such a drive was successful it would "pose a strong Arab spearhead" at the Jewish coastal city of Tel Aviv. The Arabs were reported to be setting up a Jewish prison camp in the Nablus area.

The Palestine government has announced that 31 Arabs and one Jew were killed in an attack Monday in northern Palestine.

NEW PENALTIES CRITICIZED

GOP Solons Split Over Terms To Extend Rent Control Law

(By The Associated Press)

WASHINGTON, Feb. 20—Republican senators split today over terms of a bill to extend rent control 14 more months.

Senator Millikin (R-Colo) criticized a section of the new bill which would authorize penalties of up to a year in jail and a $1,000 fine for wilful violations of the proposed regulations.

He said he feared it might be "used as a bludgeon" to force honest landlords to "do dishonest things to avoid the threat of a criminal proceeding."

Senator Cain (R-Wash), floor manager for the measure, said that such criminal actions could be brought only with the attorney general's approval. Also, he said, the provision was adopted by the banking committee instead of the treble damages penalty sought by rent officials in overcharge cases.

There are no provisions for criminal penalties in the present rent control law, which expires Feb. 29. Under the new bill, criminal actions could be invoked for any violation.

Senators Ives (R-NY) and Baldwin (R-Conn) advocated three other changes in the committee's draft. They objected to ending rent controls on non-housekeeping rooms in private homes; demanded that residential hotel apartments be put back under control, and proposed that in lifting rent controls for so-called "luxury" apartments or houses the line be drawn at places renting for $400 a month. The committee proposed removing controls on all dwellings renting for $225 a month or more.

Senator McCarthy (R-Wis) offered an amendment which would give any state the right to take over rent control if the governor could show that the state had an "adequate" rent control law of its own.

PLAN FOR CITY EMPLOYES

Commission Okays Study Of Retirement Program

By H. I. KIEFER
Avalanche Staff Writer

THE city commission in special session Friday invited A. Cole Stephens, Dallas analyst, to estimate the cost of drafting a disability and retirement plan to be considered for Lubbock city employes.

Participating in the discussions preceding the invitation were members of the recently appointed city civil service commission composed of Harry Morris, chairman, Marion Sanford and George W. McCleskey.

It was the first meeting of this group, which will inaugurate and supervise the operation of a civil service plan for Lubbock firemen and policemen as provided in a state law passed last spring by the legislature. The law was approved for adoption in Lubbock at a special city election last December.

May Extend Plan

The civil service and city commissions discussed at length the advisability of extending the civil service plan to all city employes.

Their unanimous decision was to put it into operation only in the police and fire departments at the start. If results are satisfactory there, a poll will be taken of employes in other city departments on whether they want a similar plan. If they do, the declared intent is to make it available to them.

Concurring in this decision for the city commission were Mayor C. A. Bestwick and Commissioners W. B. Price, Fred Childress, J. Ray Dickey and John Spikes.

To Name Director

Chairman Morris said the civil service group probably will be called to meet again early next month to select a director who will have active supervision of the plan for the commission.

Stephens, who came to Lubbock at the city commission's request, said he would make a proposition on drafting a retirement plan for city employes "within the next few days." He said he could not make even a tentative estimate

CIO President Pleads Innocent Of Illegal Political Spending

WASHINGTON, Feb. 20. (AP)—CIO President Philip Murray pleaded innocent today to charges of illegal political spending, and opened a court fight to kill a section of the Taft-Hartley act.

Murray entered his plea on behalf of himself and the CIO, also charged with violating the act's ban on political expenditures by unions.

Then his attorneys asked Federal Judge Alexander Holtzoff to dismiss the indictment. They argued that the ban is unconstitutional.

Holtzoff said he will hear arguments on the motion March 5. If the motion is denied, Murray will go on trial March 22.

Blaze Destroys Main Hangar, Shop At Deming, N.M., Airport

DEMING, N. M., Feb. 20 (AP)—Fire of undetermined origin late today destroyed the main hangar and shop at the Deming municipal airport.

J. Cloyd Miller, city school superintendent and one of the first to reach the scene of the blaze, estimated the damage at between $500,000 and $1,000,000. Nobody was injured.

Mayor T. J. Getswiler said the damage will total nearer $300,000.

The fire started at 4:15 p. m. (MST) with a series of explosions inside the hangar, which housed 14 planes. Chief of Police George Allen said 12 planes, three automobiles, a gasoline truck and a fire engine were destroyed.

Showdown Is Set Monday In Dispute

By MORGAN REYNOLDS
Associated Press Staff Writer

WASHINGTON, Feb. 20—Rebellious Dixie Democrats marshalled forces today for a fight "to the finish" against the administration's civil rights program.

Congressional delegates from 11 southern states formally declared war on President Truman's anti-lynch, anti-poll tax and anti-segregation legislation.

Meeting Set Monday

The opening engagement in the intra-party battle is set for Monday.

Sixteen representatives of the South—five governors and 11 congressmen—will then lay their angry protests before national party chairman Howard McGrath.

Monday's conference will bring to a climax a swelling tide of revolt below the Potomac which was set off by President Truman's civil rights message to Congress Feb. 2.

Organization of the congressional group was in answer to a plea of support from the southern governors' conference Feb. 8. At that time the governors served a 40-day ultimatum on the national party headquarters to abandon the proposals.

Leaders Are Cautioned

Rep. Colmer of Mississippi, chairman of the Capitol Hill group, announced that the 50-odd congressmen unanimously adopted a resolution to support the southern governors.

They further cautioned party leaders against putting the protested program into the Democratic platform. Such action, they said "would assuredly jeopardize its success in the South where it has been nourished and sustained throughout its existence."

Members of the House from these states were at the closed door session: Georgia, Florida, Alabama, Tennessee, Mississippi, Arkansas, Texas, Louisiana, North Carolina, South Carolina and Virginia.

Delegates To Be Named

Delegates from each state will be named to join the southern governors' five-man committee for Monday's showdown session. The governors group, headed by J.

Dorman E. Shaw, 25, of Lubbock, who was being held in county jail on a charge of burglary, was released last night under $1500 bond, according to officials of the sheriff's office.

A second bond of a like amount was also posted for another charge against Shaw at Dallas, records showed. He was brought here after his arrest at Spearman, recently.

Thefts Are Reported

Dan Baucom, of 2418 Ave. H, reported theft from the Boys club last night of a yellow and blue Hawthorne bicycle. It was valued at $20.

Police were also investigating theft of a suit from Ted Richard Friday. He is a guest at a local hotel. Attempted sale of the suit was said to have been made, sheriff's records indicated.

Burglary of premises of Carl Miller of Slaton route 1 and theft of a steel box containing important papers, as well as a .30-caliber carbine and a pair of green glasses were under investigation of the sheriff's department Friday.

Police early this afternoon were questioning a 48-year-old Hubbard City negro who allegedly stole an automobile yesterday in Littlefield and drove it into a car occupied by Glen Smith, assistant Lubbock fire chief, at Fourteenth and Ave. Q.

TEXAS COMPANION IS LOST OVERBOARD AMONG SHARKS

Flier Is Rescued By Boat After Drifting Nine Days In Gulf Of Mexico Aboard Rubber Raft

(By The Associated Press)

BROWNSVILLE, Feb. 20 — Esteban De Leon, Mexican flier rescued by a banana boat after drifting nine days in the Gulf of Mexico on a raft, said today his companion was lost to sharks after their plane crashed into the sea.

De Leon, in a weakened condition, was picked up about 47 miles off the coast from Frontera, Mex., yesterday afternoon by the Pan-American banana boat Roatan. A radio message received here today said the Matamoros, Mex., flier would recover. The boat is due tomorrow.

De Leon and Neil Womack of Brownsville were in a two-engine cargo plane which took off from Brownsville Feb. 10. It went down only 15 miles short of its destination, Carmen, State of Campeche, Mexico. De Leon was quoted as saying in a radio message that the plane crashed when the right engine caught fire.

The plane was being used to fly fresh seafood from Yucatan peninsula to Texas and New Orleans.

Womack was injured. De Leon got him on the rubber raft the plane carried.

His brother Tomas De Leon of Matamoros, in charge of the northern frontier of the Mexican civil aeronautic authority, said Esteban De Leon told him by radio:

"I dragged him (Womack) onto the raft and tried to care for him.

"A few days later he went out of his mind and fell off the raft.

"The last I saw of him was when the sharks gathered around him. Then he disappeared."

Esteban De Leon told his story by radio to his wife and three brothers who gathered in the radio shack of the Margie E., a

GOOD NEWS FOR THE GOP

Democrats Are Put On Notice

DEMOCRATIC strategists appear justified in the alarm caused by the special election Tuesday in New York's 24th Congressional district, which resulted in a decisive victory for leftwinger, Leo Isacson, the American Labor party nominee endorsed by Henry A. Wallace. From any viewpoint, the results look bad for Democratic prospects next Fall.

If the test is indicative of the strength Wallace may show in New York in November—an eventuality impossible to ignore, he is likely to poll enough votes to throw the 47 electoral votes of that state into the Republican column if the election is reasonably close.

Perhaps even more significant in its implications was the fact that only about 40,000 votes were cast in the special election in a district with a potential voting strength of more than 200,000. For some reason, more than 160,000 stayed at home. The small vote cast was not due to lack of effort on behalf of the ALP and Democratic candidates. Extremely vigorous campaigns were waged for both. Between them, they polled about 35,000 votes. The Republicans waged only a token campaign.

Many, if not most, of Tuesday's absentees will vote in November. It is anyone's guess as to how they may vote. But the present implication is that the Republicans may have a good fighting chance in a boss-ridden district which normally is counted as in the bag for the Democrats. If the Republicans can make a good showing in that district, the probabilities are they can carry New York without Wallace's help.

If they can do that, it will be a long step toward putting a Republican in the White House and ending 16 years of New Deal regime.

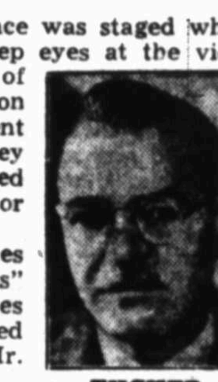

LEADERS CLASH IN PARTY DISPUTE

GOP May Lose New Jersey Vote

By RAY TUCKER

WASHINGTON—National and state Republicans appear to have teamed in an act which seems destined to toss New Jersey's sixteen electoral votes, as well as a seat in the United States Senate, to the Truman-Hague democracy.

The first number in the vaudeville performance was staged when Governor Alfred E. Driscoll, who is casting sheep eyes at the vice-presidential nomination, summoned his tribe of office-holders and politicians to declare war on U. S. Senator Albert W. Hawkes, former president of the United States Chamber of Commerce. They judged him to be too violent an isolationist, based on his Senate votes, and selected State Senator David Van Alstyne Jr. to oppose him.

TUCKER

The so-called "federal crowd" flew to the Hawkes standard, as did many others who resent "boss" dictation in the Hague duchy. When Mr. Hawkes refused to retire, Governor Driscoll humiliated himself and his machine by suggesting that Mr. Van Alstyne withdraw from the race.

* * *

PRIMARY: He agreed obediently, but there was then a to-do about selecting a substitute. The bosses seemed to have agreed on State Treasurer Robert C. Hendrickson, when Labor Commissioner Harry C. Harper announced that he intended to enter the now open primary.

Mr. Harper is not regarded as a heavyweight. He was once a mediocre big league pitcher, achieving his principal fame when, with Boston, he lost to the late, great Walter Johnson by only 1-0 on the day the "Big Train" pitched the only no-hitter of his brilliant career. Nevertheless, he has strong support.

The frank but somewhat inept Mr. Hawkes also made more difficult the chances for G.O.P. victory in Jersey next November. Addressing a state Chamber of Commerce dinner at Washington a week or so ago, he interrupted himself to make this lamented remark:

"I have never hated anyone longer than overnight. There is one exception—and he lies buried at Hyde Park."

Even his friends deplored such a macabre statement. F.D.R. was popular in Jersey.

* * *

REBEL: Although National Chairman B. Carroll Reece has been upset by this jousting among Jerseyites, he soothed no feelings and settled no discords during the political festivities which always attend the celebration of the party's hero—Abraham Lincoln.

When the influential Passaic County Republicans requested an outstanding speaker from Washington, he sent them none other than Senator Wayne L. Morse of Oregon, who happens to be the No. 1 party rebel in the upper chamber.

He delivered a middle-of-the-road speech, it is true, but official sponsorship of him at this particular moment appeared to signify official approval of brawling and rebellion. In other words, Mr. Reece prescribed a stimulant when a soporific was preferable.

* * *

NAME: Democratic Boss Frank Hague hopes to capitalize on the opposition's plight. As he and his predecessors have done before in hours of political distress, when they sponsored such "name" candidates as Woodrow Wilson and Charles Edison, he is looking around for a candidate of advertised distinction. If he can find the paragon, Jersey might go Democratic in both the presidential and senatorial contests.

The Senate outcome could be of the utmost importance. The Democrats hope to oust Republicans in three border states—Oklahoma, Kentucky and West Virginia. If they can carry New Jersey, it would give them fifty seats in the chamber which must pass on all future peace treaties and renewals of the Marshall Plan.

Negroes Back School Fight

(By The Associated Press)

DALLAS, Feb. 20—Bishops of the African Methodist Episcopal church said today that separate higher schools such as those set up in Texas and Oklahoma for negroes do not provide equal education opportunities with whites.

Bishop D. Ward Nichols of New York City, spokesman for his colleagues, said the bishops had gone on record in a resolution as wanting "full equality" in higher education for their race. They ended a three-day session here today.

Program Is Given

"We went on record that negroes should attend the same schools, get instruction from the same faculties and use the same libraries and the same physical facilities," Nichols said.

"It is our contention, expressed in a resolution that we adopted, that you can't establish a University of Texas or a University of Oklahoma in less than a day."

He referred to two cases:

1. The suit by Heman Marion Sweatt, Houston negro postal employe, to force his admission to the University of Texas law school, despite a negro law school was created as an adjunct to the University of Texas.

2. The suit by Ada Lois Sipuel Fisher, whose efforts for admission to the University of Oklahoma resulted in Oklahoma creating a special negro school. She, too, spurned the special school.

Nichols said that 100,000 AME members in Texas and 25,000 AME members in Oklahoma would be urged to give financial help in current suits for education opportunities or others that might come up.

He said the bishops who were to take the lead in urging Texas and Oklahoma members to chip in for court expenses are John H. Clayborn of Little Rock, Ark., and G. B. Young of Waco, Tex. They administer the Texas and Oklahoma areas of 1,200 churches.

Crimes On Increase Here, Official Says

A 50 per cent increase in crimes has occurred in Lubbock in recent years and the total of crimes committed is increasing steadily, Waggoner Carr, assistant district attorney, said in a talk on Crime Prevention week at the American Business club luncheon in Hilton hotel Friday.

Carr's talk was a feature of local observance of the national week, being sponsored in Lubbock by the Exchange club.

During 1947, Lubbock had 11 murders, 16 cases of assault with intent to murder, 51 forgeries, 12 check swindling over $50, 51 cases of theft over $50, 40 burglaries and ten cases of desertion, Carr said. He said the rate of crimes had been showing an increase thus far in 1948.

Matter Of Education

"What can be done about it?" Carr asked. "First of all, you can obey the laws yourselves and then second, you can try to remove the temptation for others. It's a matter of education.

"Let's take the matter of leaving keys in cars," Carr said. "Every day in the U. S. there are 630 automobiles stolen and in nine out of ten cases, the cars were taken with keys in them."

"Here's another thing on which we can blame the increasing rate of crime," Carr said, "and it is the surprising fact that in a certain city in our nation, a survey was made and it was discovered that 68 per cent of the children had no connection with any religion. Of this 68 per cent, three-fourths of these children could not repeat the Ten Commandments and 50 per cent didn't know there were any Ten Commandments. I wonder what the percentage is in Lubbock?"

Carr was introduced by John W. Wilson, program chairman. Sherrill Boyd of Post and Mark Woods of Austin were out-of-town guests at the luncheon.

Victim Of Fire In Dallas Is Former Resident Of Lubbock

Friends here said Friday that Harry Hankins Wells, jr., of Warren, Ark., who was reported to have suffered fatal burns in a small fire in a tourist court in Dallas Thursday, is a former Lubbock resident.

Wells formerly was associated with the Veterans administration office here, working as an authorization officer in one of the VA departments from about June of 1946 until the fall of 1947, friends said. He was married and had two small children, it was reported.

The Associated Press reported Thursday night that a man identified as Wells had died of burns in the fire and that a card in his effects showed him to be a member of the Arkansas Bar association.

Committee To Be Named To Study Project

Child Welfare Unit For County Pushed

Appointment of a committee to present facts and figures on proposed formation of a county child welfare unit was approved in a meeting of county and city officials with representatives of various interested agencies at city hall Friday morning and was the second major step toward proposed formation of such a unit.

First step was approval some time ago of an appropriation of $1,000 each by the city and county commissions for the first year of such a program. This was contingent on developments, and subject to detailed information.

Committee Is Approved

At the suggestion of Mayor Clarence A. Bestwick, the city commission approved selection of a survey committee, and approval by the county commission followed immediately on suggestion by Judge Walter Davies.

The suggestion left appointment of the committee in the hands of Rev. Wm. F. Blakeslee, Mrs. Robt. J. Allen, and John Wilson, the latter city probation officer and manager of the Lubbock Boys club. This group did not announce when they expected to name the committee.

The committee is to assemble facts and figures on operation and cost of the unit, submitting these to a later joint meeting of city and county officials, when it is expected a decision will be made.

Work Is Explained

Miss Lydia Cage, community planning consultant of the division of child welfare of the State Department of Public Welfare, outlined the formation and work of such a unit. She said the state now is operating 16 county-wide units, through local cooperation. She said the program is operated largely by the state, and that the financial responsibility of cooperating agencies would be payment of locally-incurred expenses. This would include office space and fixtures, and cost of the care of children involved, such as board for those placed in foster homes or other care, if necessary.

Miss Cage stressed that the plan is a service program, entirely separate from the state assistance program.

The unit is under supervision of a local board of seven members appointed by cooperating local government agencies—county and city commissions—and success of the unit will depend on personnel of the board, Miss Cage said. Board members serve without pay.

Staff Depends On Need

The staff of workers, she said, would depend on the need, usually starting with one or two trained and experienced workers and a secretary, which are supplied by the state. She added that such a program does not displace or do the work of any other agency or welfare group, but cooperates in every way.

Miss Cage said trained workers are scarce, and that it probably would not be possible for the state to furnish these immediately, adding that a new group now in training will be out in June, when it is anticipated workers would be available if the program is set up in this county.

All five members of the city commission were present. Besides Mayor Bestwick, others were John Spikes, Fred Childress, W. B. Price, and J. Ray Dickey. Judge Davies and three members of the county commission were present. They were Ottis Isom, R. O. Short, and Pat Corley. Absent was Ben Mansker of Slaton.

Representatives of other organizations included the city church federation, Community Chest, public schools, chamber of commerce, tuberculosis association, Salvation Army, Junior Welfare League, Federated clubs, most of the civic and service clubs of the city, Boy Scouts, and the Social Welfare association.

Children Workers' Meeting Continues

The Northwest Texas conference of the Methodist church will continue this morning a meeting of the Council of Children's workers. The meeting was convened at 2:30 p. m. yesterday to make plans for summer activities in the children's program for churches of the conference.

An audio-visual work shop was concluded at noon Friday at the First Methodist church.

Activities to be planned by the Council include summer camp, workers camp and vacation church school, said Mrs. Uel D. Crosby of Lubbock, conference director of children's work. Meetings today are to be conducted at the First Methodist church. A luncheon will be conducted at 1 p. m. at St. John's Methodist church, with children's workers in Lubbock Methodist churches attending in addition to those here for the council meeting. Miss Olive Smith, representing the department of Christian education of children of the board of education of the Methodist church, Nashville, Tenn., is to speak.

The audio-visual work shop which closed yesterday was described as "highly successful." Total attendance was approximately 50, representing each of the nine districts in the Northwest Texas conference.

Heavy Vertical Lifting Doors For New Fire Station Arrive

Heavy vertical lifting doors for the new fire station at Twenty-ninth street and Texas Avenue arrived Friday and Fire Chief W. E. Twitty hopes to begin work of preparing the building for occupancy within a few days.

The building was completed by Max Tidmore, the contractor, several months ago but could not be occupied until the heavy doors were delivered. A special erection crew will come here from Dallas to install the doors. Tidmore began uncrating them at once, however. They were manufactured in Cleveland.

Chief Twitty said furniture and kitchen equipment must be installed before the station can go into service.

Future Of UN Is At Stake

By J. M. ROBERTS, Jr.
Associated Press Staff Writer

Soviet Russia has finally climaxed its long period of intransigeance with a direct violation of the United Nations charter, leading to a revival of speculation as to how long the organization can permit this flouting of its authority.

Since the Russians set themselves up as the sole judges of when the United Nations can do anything, their lead has been followed by more and more members. Yugoslavia has been violating the charter right along with its refusal to cooperate with the Balkan commission, and the Arab states are in armed revolt against the Palestine decision.

Co-Operation Is Sought

Paragraph five of Article Two of the charter says specifically that "all members shall give the United Nations every assistance in any action it takes . . ." Article Six says "a member which has persistently violated the principles contained in the present charter may be expelled . . ."

Well, the whole principle of the charter is summed up in four words of Paragraph 3, Article 1: "To achieve international co-operation . . ."

Soviet Violations Charged

Russia has been in violation of that principle almost from the beginning, she committed an indirect charter violation by failure to appoint a delegate to the Trusteeship council, and how she has directly refused to permit the Korean commission to carry out the duties with which it was charged.

We have preferred to keep Russia in the U. N. in the hope that, if the policy of containment can be made to work, Russia will gradually shift from intransigeance to compromise.

At any rate, any move to oust Russia would only come as the climax to a long series of incidents of an increasingly serious nature. Probably it would result only from an open act of aggression. But there could be a time, too, when it would be better for the U. N. to admit that much of failure rather than to sit idly watching a total collapse of its authority and prestige.

V. O. Key, Pioneer Resident Of Lamesa, Is Taken By Death

Mr. Key had practiced law and still owned an abstract office bearing his name at time of his death.

He was the father of Marion T. Key, Lubbock attorney. Mr. and Mrs. Key went to Lamesa this morning.

Mr. Key had suffered an extended illness. He had been a patient in Price hospital several months.

Mr. Key was a Methodist and a charter member of the Rotary club.

Survivors include his wife; four sons, Dr. V. O. Key, jr., head of the history department at Harvard university, Cecil Key of San Angelo, Dr Luther Key of Minneapolis and Marion T. Key; one daughter, Mrs. Noble H. Price of Lamesa, and four grandchildren.

STOCKS SLUMP AGAIN

NEW YORK, Feb. 20. (AP)—The direction generally was downward in today's stock market although real selling pressure never appeared.

A little short covering in the final hour by those wishing protection over the lengthy weekend—major markets will recess Monday for Washington's birthday—propped individual issues. There were a few dips of a point or so but small fractional declines ruled at the close.

Transfers of 700,000 shares compared with 680,000 Thursday. The Associated Press 60-Stock composite was off .2 of a point at 60.8. The utility average slipped to a new 1947-48 bottom. Of 908 issues registering, 487 fell and 211 rose.

Electric Power and Light was up ⅞ at 15. Lesser improvement was shown for U. S. Steel at 69½, Montgomery Ward 49 7-8, Kennecott 44½ (on a special disbursement), Eastman Kodak 39, Southern Pacific 46⅜, Southern Railway 34¼ and Gulf Oil 60⅛.

Growing competition in the soft drink field still depressed Pepsi-Cola. The stock touched a low for the past several years but finally retrieved part of its loss and finished off ⅝ at 18½. It was again the day's liveliest performer.

Cotton

NEW YORK REPORT

NEW YORK, Feb. 20 (AP) — Cotton futures fluctuated over a fairly wide range in nervous dealings today.

Initial steadiness developed from mill buying and short covering, but the market later sagged on liquidation, influenced by renewed easiness in grains. Losses at one time extended to more than $1 a bale, but the market rallied on the news that the China aid program contemplates purchases of 750,000 bales. Of this total 250,000 bales would be shipped before June 30 this year and the balance in the year ending June 30, 1949.

Cotton closed very steady.

Winner Selected In Seagraves Contest

SEAGRAVES, Feb. 20 (Special)—Seagraves' new slogan, chosen by a selection board and civic clubs which had a wide variety from which to choose, is "Western Town with Southern Hospitality."

The winning slogan was submitted by Mrs. E. R. Morris of Loop.

Believing that another slogan would be more suitable than the former slogan, which was "The Capitol City of the Permian Basin," the Seagraves Chamber of Commerce conducted a slogan contest in which more than 100 entries were received from numerous towns, as far away as Fort Worth, Graham and Wichita Falls.

Some of the more humorous slogans received were "Don't Itch for Success, Scratch for It;" "Going, Going, Gone;" and "For Better or Worse, Contact Your Chamber of Commerce."

The board, composed of Tom Gardner, J. F. Singleton, George Smith, jr., and headed by Ross A. Buckner, superintendent of schools, had in mind a serious slogan, however, and they selected the top six slogans in their estimation and presented them to the Rotary club and Lions club and asked them to vote for the top three.

The result of that poll was that "Western Town with Southern Hospitality" placed first; "City with the Long Range Future," submitted by Mrs. J. J. Jones of Graham, placed second, and "Native Resources — Resourceful Natives," submitted by Mrs. Mark Allen of Loop, placed third.

Honorable mention was given for the following slogans: "City that Friendship Built," submitted by Mrs. E. R. Morris of Loop, who also submitted the first place slogan; "See Successful Seagraves," submitted by Carol Ann Garner, route 5, Brownfield, and "City with an Assured Future," by H. B. Lewis, Seminole.

Briefs Are Asked In Damages Action Underway In Court Here

Both sides were asked to submit briefs Friday morning in 72nd district court in the damages action of J. D. Neely against W. H. Awtrey, jr. The action is a result of a car collision September 16 at Twenty-fourth and Ave. Q.

Briefs were asked by Judge Dan Blair after he had heard a plea in abatement and a motion. The plea in abatement requested that additional parties plaintiff be brought into the suit, and in the alternative, that the case be dismissed.

Leo S. Hay, counsel for the plaintiff, filed a motion requesting the court to order counsel for the defendant, the law firm of Anderson and Howard, not to refer to the fact that the plaintiff's claims had been paid by an insurance company, nor that it adduce evidence to that effect before a jury in a later trial to the merits.

Food Prices Drop

(Continued From Page One)

hike "sounds inflationary to me."

A demand for anti-trust action against the steel industry was made by James G. Patton, president of the national farmers union.

The war of words was waged against this business background:

Chicago—All grain prices sagged.

New York—The stock market drifted slightly lower, but there was no selling spree.

Washington—The Federal Reserve board reported department store sales last week were 3 percent under the level of a year ago.

Prices Appear More Stable

Wheat today lost 2 1/2 to 4 1/2 cents a bushel, with the May contract closing at $2.33 1/4-1/2. This price is only 1/2 to 1 1/2 cents above a week ago when the sharp slump came to a halt in most commodities.

Today's prices of other grains and commodities also were on par with a week ago. Thus, prices over the week have tended to stabilize and the market fluctuations this week will have little, if any, affect on the shopper's future food dollar.

The Associated Press wholesale price index of 35 basic commodities dropped about a third of a point today to 186.97. Last Friday it was 186.32. However, five weeks ago it was more than 20 points higher.

Cotton prices were stimulated by news that the China aid program provides for purchase of 750,000 bales. At New York, prices jumped as much as $1.10 a bale. Closing prices on futures contracts were 75 cents to $1.10 higher. At New Orleans, cotton was up 30 cents to $1.15 a bale.

South Declares War

(Continued From Page One)

Strom Thurmond, of South Carolina, includes Ben Laney, of Arkansas, Beauford Jester, of Texas, Gregg Cherry, of North Carolina and William Tuck, of Virginia.

Gov. Thurmond headed a group of South Carolinians who snubbed the party's big fund raising dinner here last night. Senator and Mrs. Olin D. Johnston joined the state's absentees because a "no segregation" policy was adopted.

By their implied threat to bolt the administration at a crucial stage in the presidential campaign, Dixie leaders hope to gain certain concessions. Among these are a vice presidential choice and greater representation in the party's higher councils.

Their opposition to the racial sections of the civil rights program is of long standing. But by bringing it to head now they figure they can strengthen their position in the party.

One congressman, who asked to remain anonymous, said their main hope in blocking the legislation which they deem invasion of state's rights lies in the election of a Democratic Congress Through seniority rules, southern congressmen will then be in line for chairmanship of the major committees. Thus they would not have to fall back on filibustering tactics to block such legislation.

Whatever President Truman's thoughts were on the southerners' stand he kept to himself as he flew southward for a vacation in the Caribbean.

Retirement Plan

(Continued From Page One)

of cost until he had ascertained the expenses involved in collecting the data which would be necessary to the preparation of a plan specifically applicable to Lubbock. His fee for his appearance Friday was $50 and expenses.

Mayor Bestwick explained that the commission went into the meeting hoping a plan could be drafted soon enough for submission to the citizens of Lubbock at the regular city election April 6.

So much detail is involved, however, that it probably will have to be submitted at a later special election, the commission agreed. Such a plan connot be put into effect without the approval of the citizenship, the mayor said.

Retirement Plan Studied

Tentative retirement plans were discussed at length. Under most of them, employes of 25 years service with the city would be eligible for retirement at the age of 65 years at half their average monthly pay during the last 15 years of their employment.

This plan would be financed by a 4 per cent deduction from the employee's salary, with the city contributing no less than an equal amount and no more than twice that sum.

Under that plan and base on the city's present payroll of about $1,000,000 a year for approximately 425 employes, this cost to the city might amount initially to about $80,000 a year.

This would add about 15 cents to the city tax rate on the basis of anticipated property valuations of $60,000,000 for next year.

The commission, however, directed Stephens to disregard the tentative plans entirely, if he wished, in his efforts to prepare "the most practical system possible for Lubbock."

These instructions assumed, Mayor Bestwick said, that a satisfactory agreement will be reached on the cost of Stephens' services.

cargo boat docked in Brownsville, and contacted the Roatan by radio.

"If the rescue had been one hour later I don't think I would be here now," he said.

Tefolo Crixwell, jr., manager of the international airport at Brownsville, said he listened with De Leon's family until the captain of the Roatan stopped the conversation because of De Leon's weakened condition.

He said De Leon told his family:

After the right engine of the plane caught fire the other engine went out two minutes later.

There was just time to get the life raft from the plane.

There was neither food nor water on the raft. By the third day Womack apparently went out of his head.

He kept saying that he had received a telegram from his wife and a man named Jack Little, a close friend living at Brownsville, asking him to come home.

Finally he jumped from the raft.

The Coast Guard district headquarters at New Orleans said it had received a message that De Leon was doing fine, and that it did not dispatch a PBY plane with help as had been intended.

Womack was a graduate of Carson Newman college of Jefferson City, Tenn. He served during the war as a Navy pilot in the Pacific. He was pilot of the plane that crashed, and De Leon was the co-pilot.

Womack is survived by his wife and baby son.

the project depends upon the cost of the construction, Holleman said.

Judges for the contest, which was limited to junior and senior architectural students at Tech, were F. A. Kleinschmidt, head of the department of architecture at the college; James Atchison, local architect; Jerry R. Holleman, business manager of the electrical workers' local union; and C. J. Lightholder, business manager of the Lubbock Building Construction Trades council.

Approximately 75 persons, mostly architectural students and their wives, were presen for the presentation of the contest winners and to hear Lars Marnus, noted Danish architect, speak on his native Denmark. Marnus illustrated his talk with lantern slides of various points of interest in Denmark, with emphasis on churches, schools, office buildings and other buildings of interest from the architectural point of view.

The Danish speaker is scheduled to make several appearances in Lubbock over the weekend and next week, including a program at 3 p. m. Sunday which is open to the general public.

Texas Mines Trips Red Raiders, 56-55; Sudan Hornets Win Two Tourney Games

Free Shot In Final Minute Gives Miners Loop Victory

EL PASO, Feb. 20 (Special)—A free shot by little Mike Izquierdo with 30 seconds to go in the ball game handed the Texas Mines cage club a tight 56-55 margin over the hard-rallying Texas Tech Red Raiders in Holliday Hall here Friday night in Border Conference court clash.

The startling last half of the ball game saw the Raiders, seeking to hold their chances for a tie in the championship race, come from behind a 17-point deficit in the final 10 minutes.

The Raiders, behind the driving marksmanship of Dukes and Kerr, with Barton and Jackson sticking in their two-points-worth at critical times, knotted the count at 55-55 with a minute and a half to go. They rode roughshot over a group of Mines substitutes, and made short shift of the Miner main-liners when they attempted to stall with seven minutes to go and a nine-point lead.

As the Mines regulars failed to hit their hurried shots, the Raiders failed to miss and pushed the count closer until Jackson zipped in a looper from mid-court to tie the score. With 30 seconds to go, Barton fouled Izquierdo as Mike drove up the center. Izquierdo stalked to the free throw line and with a two handed push shot dribbled in the point that proved the margin. In the last half-minute Santos (Ayo) Perez, Izquierdo and Ventura Irrobali staged a dribblefest to kill the remaining seconds.

Tonight's game was the last of three games played on a swing through New Mexico and West Texas, during which the Raiders won one and lost two. They return to Lubbock for games Tuesday and Friday against West Texas and Hardin-Simmons respectively and complete their season on March 1 against West Texas at Canyon.

Ol' Man Sammy Just Keeps Blasting NFL Pass-Slinging Marks

PHILADELPHIA, Feb. 20 (AP)—If you hear it whispered about that Sammy Baugh is slipping, tell your informant to go soak his head in a record book.

That so-called aging and bent character born Samuel Adrian Baugh 33 years ago, set three all-time passing records and led National Football league pitchers in six individual departments last season, league statisticians announced today.

Slingin' Sammy, who once did his tossing for Texas Christian, but now is an NFL veteran with the Washington Redskins, tossed 354 passes and completed 210 of them for a gain of 2,938 yards. All three were record breaking performances.

Lockney Five Upsets Ralls In Cage Meet

RALLS, Feb. 20 (Special)—The field in the Junior Chamber of Commerce Independent Basketball team tournament was cut from eight to four teams here tonight, with one upset among the four games played.

The host Ralls quintet was eliminated by Lockney, 30-26, in a contest that found four men, two on each team, tying for high-point honors. Rex Parish and Norman Reed of Ralls and Copeland and Childers of Lockney each had 10 points, but Lockney had a little too much outside team support.

Primm Drug of Brownfield dropped Lakeview by the wayside on a 42-21 count, with Ray Worden scoring 20 points for Primm and Ritchie netting 12 for the losers.

Idalou advanced to the semi-finals with a 34-27 victory over Shallowater. Bob Galey's 18 points helped to make the margin, while Turner caged 12 points for Shallowater.

In the night's final game, Levelland poured it on Kress, 56-30, as Breashear notched 19 points and McMinn had 13 for the losers.

Saturday night at 7:30 Idalou meets Primm Drug in the first semi-final match, with Levelland playing Lockney at 8:30 in the second game.

The tournament championship will be decided when the winners of these two games meet at 9:30 p. m.

Rice Owls Edge Frogs, 55 To 52

FORT WORTH, Feb. 20 (AP)—The luckless TCU Horned Frogs made their best bid of the season for a Southwest conference victory here Friday night but finally lost in an overtime period, 55-52, to the Rice Owls.

It was a terrific battle all the way and the count was tied at 24-all at the half. After the regulation 40 minutes the tally was 44-all.

In the five minute overtime TCU twice held three point leads on the fine dribbling and shooting of little Broc Jerrel. But with two minutes left, a long jump by Bob Foley put Rice on top at 53-52. Free tosses by Paul Vahldiek and Foley on fouls that sent Jerrel out of the game iced the contest in the remaining minutes.

MUSTANG FIVE DRUBS TEXAS AGGIES, 62-26

DALLAS, Feb. 20 (AP)—Southern Methodist's Mustangs bounced back from a series of razor-edge defeats here Friday night to overwhelm Texas A&M, 62-26.

In avenging a previous loss to Marty Karow's aggies, the Mustangs carved out the season's most decisive Southwest conference decision.

The Mustangs hit their first shot from the field, a long one by Co-Capt. Burt Rollings, and they rolled to a 9-to-1 advantage before the Cadets connected from the field. Six minutes elapsed before sub Jim Kirkland hit the first Aggie goal.

And for the next ten minutes Kirkland was the only cadet able to crack a stout Mustang defense for a field goal. Bill Batey finally broke the spell on a crip after a neat steal on an SMU out-of-bounds play.

Meantimes, the Methodists moved to a 23-8 lead.

RAZORBACK QUINT CLIPS TEXAS LONGHORNS, 54-40

FAYETTEVILLE, Ark., Feb. 20 (AP)—Arkansas' Razorbacks walloped the Texas Longhorn basketball team 54 to 40 here tonight, setting a new Southwest conference free throw record in the process.

The Arkansans sank 24 charity tosses out of 30 tries.

The defeat wiped out Texas' mathematical chances of gaining a tie with Baylor university for the conference's 1948 cage championship

The teams were tied 23-all at the intermission.

Forward Pop Williams opened the scoring in the first minute, sinking a free throw for Arkansas. Guard Madsen tied it up for Texas a minute later and then gave Texas the lead with his second effort. Cathcart then fired the first field goal to put Arkansas into the lead.

Midway the first period, the Razorbacks had a 14-8 margin but the Longhorns rallied strongly and led 23-18 with two minutes to play.

MacPhail Denies Major Loop Plan To Bar Negroes

MIAMI BEACH, Fla., Feb. 20 (AP)—The lie was hurled at Branch Rickey today by Larry MacPhail for Rickey's statement that 15 big league baseball clubs voted to bar negro players from the majors.

MacPhail, co-owner of the New York Yankees, virtually took Rickey apart in a statement he prepared as chairman of the joint policy committee of big league clubs.

He accused Rickey, Brooklyn Dodger chieftain, of accepting an appointment by the majors to study the recruiting of negro players, and then "he double-crossed his associates for his own personal advantage, raided the negro leagues, and took players without adequately compensating them for players he took."

Charge Is Denied

MacPhail denied that there was any "suggestion, recommendation or proposal" that negro players be barred from major league baseball, that Rickey be prevented from signing Jackie Robinson, or that any measure of discrimination on account of race, creed or color be tolerated in the major leagues.

Rickey stirred the controversy with an address at the Wilberforce State university (Ohio) football banquet Feb. 16 with the statement that the 15 other major league clubs had formally ruled against Robinson's big league debut.

Rickey was quoted as saying that a report adopted unanimously by the majors asserted that the use of negro players would "hazard all the physical properties of baseball." Rickey said he "sat silent while the other 15 clubs approved" the report, and added that he tried to get a copy of the report but was told that all were destroyed.

Statement Is Given

MacPhail, in his vigorous answer today, put in an "if and when he said it" clause and declared, in part:

Rickey was lying (1) when he said the committee recommended that negro players be barred; (2) when he said the 15 major league clubs (all except Brooklyn) voted to prevent Rickey or any other club owner from signing negro players, and (3), when he said copies of the committee's report was collected to destroy evidence of some recommendation or proposal having to do with the participation of negroes in the major leagues.

Spade, Lubbock Fives To Battle For Crown

SPADE, Feb. 20 (Special)—The host Spade independent quintet will meet the Hoyt Furniture team of Lubbock in the finals of the independent Basketball Team tournament here tomorrow, after both teams squeezed through to narrow victories last night.

The Spade five made the final bracket by turning back the Leftwich Lumberjacks of Lubbock, 66-60, in a real thriller, while the Hoyt cagers entered the final canto by beating Cotton Center, 59-47, in another tight contest.

Homer Hull and V. P. Osborne led the winning quint with 18 points apiece, but yielded game honors to Harold Rhodes of Leftwich, who netted 24 points.

Lawson led the Hoyt Furniture club to its victory, scoring 19 points, enough to nose out K. Burnett of Cotton Center, who nicked the hoops for 18 tallies.

Saturday night at 7:30, Cotton Center and Leftwich Lumberjacks will collide to fix third and fourth places in the tourney, with the championship game between Spade and Hoyt Furniture set for 8:30 p. m.

LaVern Roach Scores TKO Over Thornton

MIAMI BEACH, Fla., Feb. 20 (AP)—LaVern Roach, Plainview, Texas, tonight scored a technical knockout over Al Thornton, Rochester, Pa., in the seventh stanza of their scheduled 10-round fight in Flamingo park.

Roach battered Thornton in the sixth and seventh rounds. Dr. Leo Honigsberg, official Miami Beach boxing commission physician, ordered the fight stopped at the end of the seventh.

Roach, who weighed 155, won the first and second rounds and third was a draw. The Texan took the fourth by a slim margin, the fifth was even and Roach took the sixth, using left jabs and a right cross to the heart. Thornton weighed 159.

The victory tonight was the 24th in 25 professional fights for Roach and the youthful Plainview puncher has now won 19 consecutive bouts.

Roach is scheduled to meet Marcel Cerdan, the European middleweight champion, in a Madison Square Garden feature bout March 12. The winner of the Roach-Cerdan fight will be rated as the top contender for Rocky Graziano's suspension-clouded championship.

YOUNG BESTS BEAU JACK IN BLOODY GARDEN BOUT

NEW YORK, Feb. 20 (AP)—Terry Young, fighting for his boxing life, hit the jack pot tonight with a stunning 10-round split decision over blood-spattered Beau Jack, the former lightweight champion. It was the Madison Square Garden "fight of the year," gory and packed with action. Beau Jack weighed 141¼, Young 137½.

It was so close that Referee Frank Fullam called it 5-5 with Young the winner on points by a 6-5 sliver. Judge Charley Shortell saw it for Young 5-4 with one even and Judge Harold Barnes found for the Beau 5-4 and one even.

Young floored the ex-Georgia shoe shine boy from Augusta in the very first round.

For one stretch of fully 30 seconds in the sixth round, Young combed the Beau with both hands as he penned him in a corner.

Head to head they fought, trading punches without a halt through most of the battle. Nobody in the crowd of 14,923 which paid $66,317 heard the bell in the third and the boys kept on battling after the gong in the second, third and fourth.

Sikes Named As Kansas Mentor

LAWRENCE, Kas., Feb. 20 (AP)—J. V. Sikes, personable Texan and end coach at Georgia for the past ten years, today was appointed head football coach at the University of Kansas.

Sikes succeeds George Sauer who resigned last month to become coach at the U. S. Naval academy. He is expected to arrive here next week to make plans for spring practice.

E. C. Quigley, Kansas athletic director, declined to say what salary Sikes will receive for a one-year contract, but it is believed to be $10,000.

To Use "T"

The appointment of Sikes means Kansas will continue using the "T" formation which Sauer's Jayhawks employed in sharing the Big Seven conference championship with Oklahoma the past two seasons.

A star at Texas A. and M. in his playing days, Sikes went to Georgia in 1938 and in the past ten years has turned out some of the finest ends in football.

Sikes, 43 years old, graduated from Texas A. and M. in 1928 after three years of football under Dana X. Bible, now athletic director at Texas university. He was head coach at Burleson college, Greenville, Tex., in 1929-30; head coach of East Texas State Teachers, 1931-34, and freshman coach at Texas A. and M., 1935-36.

Spade Cagers Cop Two Games From Shallowater Teams

SPADE, Feb. 20 (Special)—The Spade High school Longhorns turned in double victories tonight, the girls taking a curtain raiser from the Shallowater sextet, 24-20, and the boys turning back the Mustangs, 41-32.

Forward Crump of Shallowater led the scorers in the girls' game with 12 points, followed closely by Wanda McLelland of Spade with 11 counters.

In the boys' game, Spade fought tenaciously to hold a slim lead and managed to stave off the Mustang efforts to score. Bobby Short of Spade topped the scorers with 19 points and Center Darrell Murphy had 14 tallies for the Mustangs.

Armed And Assault To Meet In $50,000 Widener Today

MIAMI, Fla., Feb. 20 (AP)—The two champions, Armed and Assault, and eight others were named today for the running of the $50,000 Widener at Hialeah tomorrow.

Armed chances picked up remarkably this morning when he went six furlongs in 1:21.1 for his best workout of the winter. The odds-makers indicated he might be the favorite or at least an even choice with Assault before race time.

Fencing competition will be conducted all afternoon and until finished tonight.

Making the trip from Lubbock are Coach Keith Wells, Sammy Self, Mark Smith, R. L. Shannon, Jack Drain, Hubert Slay, Keith Powell and Ted Powell.

JUNIORS BATTLE TONIGHT

Track Champs To Compete In AAU Meet Tonight

NEW YORK, Feb. 20 (AP)—Athletes from all over the country, their eyes on the coming Olympics, will compete in the National AAU indoor track and field championships here tomorrow night, forming what officials describe as the finest field in the 60-year-history of the meet.

Forty-eight present or past national champions, as well as countless holders of collegiate, junior and district titles, are among those set to try for the 12 individual and three relay crowns before a sellout throng of more than 15,000 at Madison Square Garden.

Feature Event Slated

Although an indoor title is no guarantee of an Olympic berth, this climactic test of the board track season will give both athletes and fans their first reasonably accurate line on the talent which Uncle Sam will have available for the London games in July.

Probably the night's highlight will be the 600-yard run, which has drawn the best quarter-milers from three countries and promises to be the nearest thing to an Olympic preview found on the boards this year.

Defending Champion George Guida of Villanova, Herb McKenley, Jamaica's world quarter-mile record holder; Bob McFarlane, Canadian quarter-mile champion, and Dave Bolen of Colorado, who barely beat Guida for second place behind McKenley in the national outdoor 400-meter event last year, head the sparkling field for the 600.

Mile Stars Out

Reggie Pearman of New York university, outdoor 800-meter champion, ranks as favorite in the 1,000-yard run with Tarver Perkins of the Illinois Athletic club and Jerry Connolly of Fordham the most serious of his 26 challengers.

The mile has been robbed of its customary glamor by the illness of defending champion Gil Dodds and the withdrawal of Gerry Karver, Penn State's national outdoor champ, to run in a dual meet with Notre Dame.

With them absent, the man to beat among ten or more mile starters appears to be Bill Mack of Michigan State, who finished second in both the indoor and outdoor championships.

Wayland Quintet Rolls Over Howard County Five, 83-57

PLAINVIEW, Feb. 20 (Special)—The Wayland Junior college basketball team burned up the netting tonight with an 83-57 victory over the Howard County Junior college quintet in a game played here.

D. W. Harkins added 18 points to his season's total, which now stands at 368 in 24 games, to take scoring honors, while Rankin of the visitors had 15 points. Leon Burch of Wayland, second high point Wayland player, had nine points for a season's total of 344 tallies.

Wayland rolled up an early lead and went off the court at the half with a 42-23 margin. The reserve string played the entire second half and continued the rout.

Championship Tussle Slated Tonight At Abernathy Gym

By BOB CONE
Avalanche Sports Writer

ABERNATHY, Feb. 20—Those championship-minded Hornets of Sudan High breezed through their first two appearances in this tournament of champions here Friday, leveled their arch rivals, the Levelland Lobos, and turned back little Sundown to face Saturday play as the sole undefeated five of the four which started the double elimination meet.

Sudan handed Sundown a 39-28 thumping in the afternoon, and came back just about as strong in the night fray to outshoot Levelland, 35-28.

* * *

Tahoka High's battling Bulldogs ran into a double reversal of their floor aims, were trounced, 40 to 28, by Levelland in the afternoon and were shaded, 31-30, in an airtight battle with the Sundown Roughnecks in the night session.

Sundown had edged to a 19-16 lead at halftime after the two teams had battled to a 7-7 deadlock through the first period.

Don Cowan, the Tahoka center, sank a long swisher to make the score 30-29 in the Bulldogs favor with only a couple of minutes remaining. Then Doug Ethridge was fouled as he tried for a field goal. He stepped cooly to the line and sank both his gratis tosses to give Sundown the lead onto which the Roughnecks froze the rest of the way.

Eddins Swishes Net

Sudan and Levelland played three minutes in the first period before anyone bagged a point. Jim Eddins swished the net for a two pointer, and that seemed to ease the tension somewhat. Bobby Hart sank one of his two free pitches to make it 2-1.

The teams were deadlocked at 5-all with the close of the first period. Sudan held a 15-12 lead at the half.

Eddins was high point man for the Hornets with 15 and was followed closely by Bouldin with 14. Morris and Wise, the two Levelland forwards, each had nine points.

The tourney gets under way at 1:30 p. m. Saturday with Levelland and Sundown leading off. That is to be followed by an exhibition game between the Abernathy High Antelopes and the Ralls High Jackrabbits of District 3-A.

At 7:30 p. m. Saturday Tahoka and the loser of the Levelland-Sundown game meet for third place honors in the tournament while the winner of that clash and Sudan will meet at 9 p. m. to determine first and second place winners. Two teams will go from the district to the regional tournament at Canyon next weekend.

Ethridge High Scorer

It was estimated that as many as 1,600 persons saw the night games. The afternoon crowd was some smaller, but not much.

In the Sundown-Tahoka game Doug Ethridge was high among the individual scorers with 15 His brother, John, accounted for eight. Cowan, the Tahoka center, was high for his team with 11.

John Ethridge was high among the Sundown scorers in the Sundown-Sudan clash, sinking five field goals and three gratis tosses for 13. Doug Ethridge made nine. Eddins was high point man in this game with 17 while his teammate, Bouldin, scored 13.

The Friday night clash between the Hornets and Lobos marked the fourth such of the season for the two teams with the Hornets winning all of them.

Last season both teams went to the regional tournament, Sudan as the district champ. In the finals of the Region 1-A meet Levelland edged Sudan.
