Labor Ballot Is Ordered In Port Arthur

PORT ARTHUR, Oct. 30 (AP)—A New Orleans labor relations attorney said today the National Labor Relations Board has ruled that union elections must be held within 30 days in the bitter Port Arthur retail strike. He called it a victory for the stores.

Samuel Lang, who represented the stores in the year-long dispute, said the NLRB turned down a request by the Sabine Area Industrial Union, Local 1814 CIO, to withdraw its petition for an election.

Lang said the union filed the petition seeking recognition as bargaining agent for three national chain stores and four Texas concerns. The companies refused to allow the election and the union went on strike with employes of several stores joining in the strike.

Lang said that the labor board also held that, since the union has continued its picketing despite the request for withdrawal of the election peition, it has "not abandoned its claim to represent the employes."

Lang said the board ordered the elections be held by Nov. 29 and employes who will vote will be those currently on the stores' payrolls.

In Washington, Frank Kleiler, executive secretary of the NLRB, confirmed that a decision had been reached. He said that, following the policy of the NLRB, no information will be released until the parties involved are notified. He said it would be Monday or later when the NLRB made its announcement.

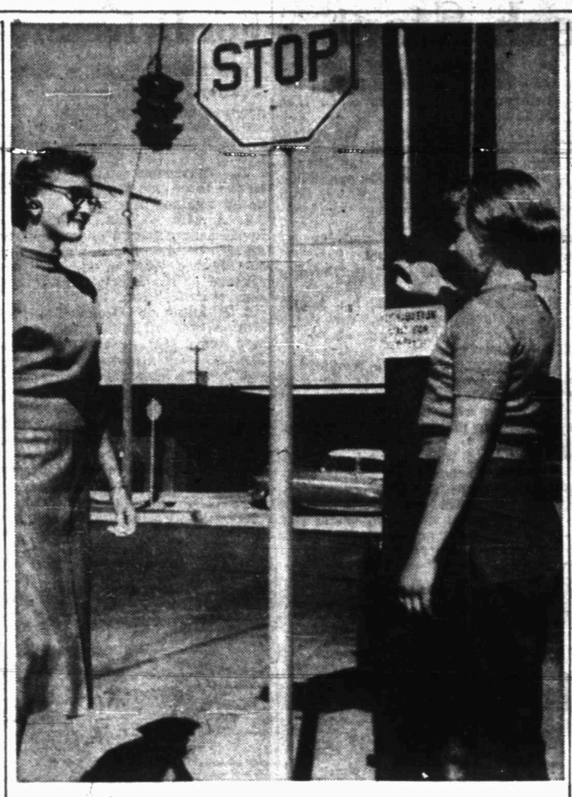

Crusade Over, Adlai Declares

NEW YORK, Oct. 30 (AP)—Adlai E. Stevenson charged tonight that "the President himself" has affirmed Republican campaign material which has been "standard Communist propaganda for years."

"This," said Stevenson, "is the end of the great crusade."

The 1952 Democratic presidential candidate attacked President Eisenhower, Vice President Nixon, Sen. Joseph R. McCarthy (R-Wis.) and other Republican leaders in a nationwide television and radio address.

He told a Democratic rally in the closing days of the campaign he fears that "irresponsible politicians, tearing the nation apart in search for votes, have recklessly damaged our freedom, our self respect and our unity of national purpose."

NEW PEDESTRIAN LIGHT

A new traffic signal light that is custom designed to afford the ultimate in convenience for both motorists and pedestrians is shown being used above. The light, located at Twenty-fifth Street and Avenue J, stays on caution for traffic on Twenty-fifth Street and on stop-then-go for traffic on Avenue J unless pedestrians push the control buttons to stop traffic so the pedestrian can walk across the street. The light is located at an intersection used heavily during the early morning and mid-afternoon by school children walking to and from school. Suzanne Houston, daughter of Mr. and Mrs. L. P. Houston, 1010 Twenty-fifth Street, watches as Jo Ann Eades, daughter of Mr. and Mrs. Joe Eades, 704 East Highway, pushes the button so the two school girls may cross the street. To cross the street anyone can push the button, then wait for the red light. After one complete change cycle, the light resumes its caution duties to let motorists pass without stopping. (Lee Watson photograph).

Negro Held In Sex Slaying

BEAVER FALLS, Pa., Oct. 30 (AP) — Beaver County Dist. Atty. Richard P. Stewart said tonight Elijah Thompson Jr., a 22-year-old Negro, is being held on a charge of murder in the slaying of Helen Jean Bryant, 16, a high school sophomore of nearby Aliquippa.

Steward said Thompson, a neighbor of the slain girl, will be arraigned before Justice of the Peace Rudolph Schwartz of Hopewell Township tonight.

Searchers today found the nearly nude and ravished body of the girl under a pile of autumn leaves about 300 yards from her home. She had been missing since Monday.

Matt Zvoner, Hopewell police chief, said the girl "definitely was raped." He said her clothes were disarranged, and knife wounds riddled her body. Her forehead was crushed by a heavy object.

The slaying set off a second manhunt in western Pennsylvania. Police already are seeking the killer of a 6-year-old girl at Conemaugh. The nude body of the child, Karen Mauk, was found in a graveyard yesterday.

Conemaugh is about 100 miles southeast of Beaver Falls. Police would make no comment on a possible link between the two cases, but said they will "certainly compare evidence."

Helen Jean was last seen when she left for school Monday. Strewn about the body were her school books and contents of a pencil box. All were covered with leaves.

Regan Yarnell, Hopewell auxiliary policeman with the search party discovered the body. It lay about 300 yards from the home of Helen Jean's parents, Mr. and Mrs. Earl Bryant.

The Bryant residence is on a hillside high above the road where the girl caught her school bus each day. She had to walk down a narrow path through a heavily wooded area to the bus stop.

Yarnell said the body lay about 30 feet from the path. It was covered with dirt and a shoe was missing. State police said the body "apparently was dragged a great distance."

Mrs. Bryant reported her daughter missing Monday after she failed to return from school. Schoolmates said Helen wasn't on the morning bus.

WEATHER

NORTH CENTRAL, EAST and WEST TEXAS: Generally fair with no important temperature changes through Monday.

Gentle to moderate variable winds on coast.

SOUTH CENTRAL TEXAS: Generally fair with no important temperature changes through Monday; gentle to moderate mostly east and northeast winds on coast.

School District Voters Okay Bond Issue, Tax Rate Change

New Tactics To Get Votes Put Into Use

By The Associated Press

Republicans and Democrats uncorked electioneering tactics without precedent Saturday in bellring campaigns to turn out the vote for Tuesday's crucial election.

The GOP resorted to telephone bells, the Democrats to door bells.

President Eisenhower got on the phone at the White House with calls to 10 people in 9 states across the nation, asking them to vote and pass the word to 10 others—and so on.

The Republican National Committee, Republican governors and the Citiens for Eisenhower organization pitched into the attempt to set up a telephonic chain reaction. That was on the theory voiced by Eisenhower in a Friday speech at Wilmington, Del., that "if everybody votes, we're in."

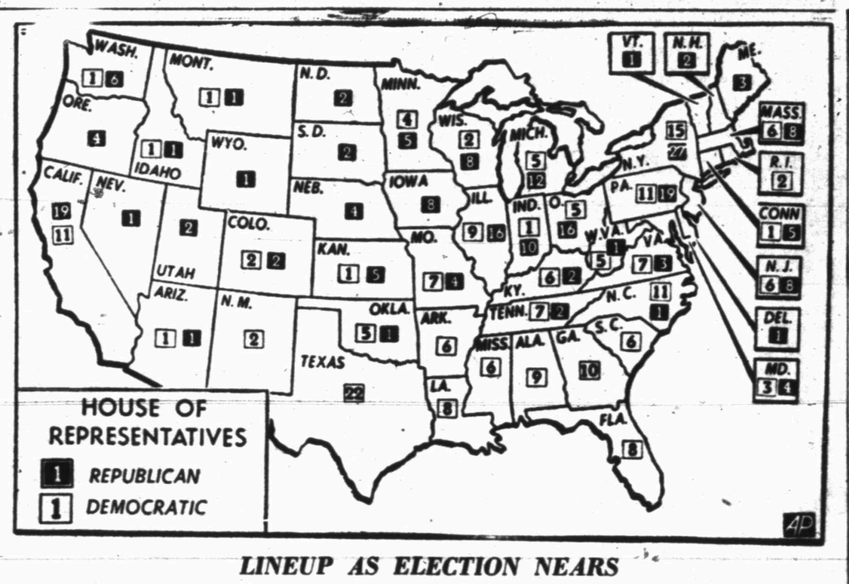

Democratic National Chairman Stephen A. Mitchell promptly came through with a telegraphic appeal to all party leaders and candidates to start a similar sort of drive by walking up to 10 homes and punching door bells. He told them that "we are the party with the record and the candidates which can afford to meet the voters face to face."

"The time is short," he said. "Let's start now to stave off the desperate last minute assaults of the Republican smear bund."

Just what effect these novel maneuvers would have on the outcome of the party battle for control of Congress, nobody could say. In some spots —Delaware, for example — even Democrats applauded the Eisenhower get-out-the-vote project and said they would turn to the telephone to spur a big outpouring of ballots.

Republican National Chairman Leonard W. Hall got out a statement saying Mitchell and Adlai E. Stevenson, the 1952 Democratic presidential nominee, "are frantic at the big swing toward the Republicans in the past 10 days.

With nothing constructive to offer, he said, the "Democrat 'happiness boys' are frantically changing their gloom tune to a song of hate," in "close harmony on a low note."

LINEUP AS ELECTION NEARS

This map of the United States illustrates the number and present political status of House of Representatives' seats at stake in each state in Tuesday's elections. The Republicans retained their three seats in the Maine election, held last month. There are single vacancies in New York, Michigan and Ohio. These, with Ohio's one Independent, not shown on the map, complete the total of 435 House seats at stake.

London Strike Finally Over

LONDON, Oct. 30 (AP)—The waterfront strike that crippled eight great ports of this island nation for almost a month is over.

The 44,000 strikes — most of them quit work in defiance of their union leaders—voted today to go back to the docks Monday and start moving more than 500 million dollars worth of imports and exports idling in ships and in warehouses.

The strike ended in a compromise on the squabble that started it—the principle of compulsory overtime. The strikers agreed to operate on voluntary overtime while the matter is negotiated.

Communists gave the strike their enthusiastic support. The Daily Worker, the Communist newspaper, hailed the outcome as a great victory.

At 8 a.m. Monday the wharf gates will be thrown open and the dockmen will stream back to tackle the 350 ships that arrived during the walkout.

Port officials said it will be weeks before the giant London docks are working normally. Thousands of dollars worth of Christmas exports have been canceled. Shipping companies alone estimate their losses at over 5½ million dollars.

UF To Select Drive Leaders

Appointments are expected to be made by tomorrow of several key figures to work in the first campaign of the Scurry County United Fund.

The fund's campaign committee, headed by Bob Wilson, is now considering prospective persons to serve in several positions.

The United Fund was organized this year and is led by Lyle Deffebach, president, and Hicks Allen, vice-president, along with several officers and a large group of directors.

The fund's budget and admissions committee, which Malven Stevenson heads, has received word from several agencies indicating that they will join the United Fund, which is designed to coordinate the efforts of all fund-raising agencies which have been working here. Actual contracts are expected to be signed with many of the agencies by late this week.

Officials of the organization are at work trying to get the United Fund well enough organized to get the first annual drive on within the next few days.

Amendment For Jury Service By Women Tops Interest Here

By LEE WATSON

The proposed amendment to the constitution of Texas which would permit women to serve on juries appears to be the most interesting to persons in and around Snyder interviewed last week.

Of 43 persons interviewed, only a few could name more than two of the 11 proposed amendments.

Running next to the women-on-jury amendment are the proposed amendments which would provide for coverage of proprietary, employees of the state's political subdivisions under federal old age and survivors insurance, and the proposed amendment permitting members of the teachers retirement system and the state employees retirement system to receive credit for services rendered as a teacher or as a state employe.

No one interviewed specifically mentioned the proposed ammendments which would change to four-year terms of office the elective district, county and precinct offices which now have two-year terms, or the amendment which would provide that counties with less than 10,000 inhabitants may elect to have a tax assessor-collector.

Several persons interviewed stated that they had read summaries of all the proposed amendments.

When told what the different proposals were the opinion on how the person interviewed would vote seemed divided into rough occupational categories, depending on whether the amendments would have a direct bearing on his, or her, personal life.

The 11 proposed amendments will be voted on Tuesday — and in many cases will be voted on by persons who read the amendments for their first time with the necessity to vote for or against each of the issues without time to fully consider the propositions.

The proposed amendments will appear in the following form on the ballot and the voter will mark his ballot either for or against each amendment.

1. Authorizing the Texas Legislature to increase spending for old age assistance, aid to the blind and aid to dependent children by $7,000,00 a year and requiring that names of recipients of public assistance be made available to the public.

2. Permitting members of the teachers retirement system and the state employees retirement system to receive credit for services rendered as a teacher or s a state employe.

3. Providing for coverage of proprietary employees of the state's political subdivisions under federal old age and survivors insurance.

4. Creating a state building commission with authority to erect buildings for state purposes and establishing a state building fund by transferring to it the surplus from the Confederate Pension Fund.

5. Authorizing the legislature to fix the salaries of the governor, attorney general, comptroller of public accounts, state treasurer, commissioner of the general land office and secretary of state; and fixing compensation of members of the Legislature at $25 per day for not more than 120 days of any session.

6. Prohibiting use of the credit of the state or grants of any public money for construction, maintenance or operation of toll roads and turnpikes.

8. Changing to four-year terms of office the elective district, county and precinct offices which now have two year terms.

7. Providing that women shall have both the right and the duty to serve on juries.

9. Authorizing the creation of countywide hospital districts in Bexar, Dallas, El Paso, Galveston, Harris, Jefferson and Tarrant Counties, and authorizing ad valorem taxes for support and operation of such districts.

10. Providing that a member of the armed forces of the United States or compenent branches thereof may vote in the county in which he or she resided at the time of entering such service.

11. Providing that counties with less than 10,000 inhabitants may elect to have a tax assessor-collector.

One of the amendments which received the most criticism is the one which would allow names of recipients of public assistance be made available to the public.

A highly controversial amendment is the one which provides for changing to four-year terms the presently two-year elective terms of district, county, and precinct offices.

The women-on-jury and armed-forces voting amendments appeared in the interviews to be the most highly favored here.

Two of the proposed amendments do not concern voters of Scurry County, although the amendments will be voted on here. They are the ones establishing hospital districts in specific highly populated counties, and the one to let counties of less than 10,000 persons decide by vote on whether to have a county tax assessor-collector.

Opinion Issued On Four-Year Terms

The attorney general of Texas has issued an opinion concerning a question foremost in the minds of many politicians, lawyers, and other citizens regarding the proposal to amend the constitution and provide four-year terms of office.

The question was whether the amendment would affect terms of state representatives. Included in the words of the proposal is the phrase "elective district, county, and precinct offices which have heretofore had terms of two years," and many good lawyers interpret this as a blanket provision which would eliminate all two-year terms.

John Ben Shepperd, attorney general, differs in his opinion. In a letter to a Houston politician, a copy of which was sent to Jim Ikard, tax assessor-collector here, Shepperd said:

"After a careful and detailed study of this amendment, it is my opinion that this amendment, if adopted, would not increase the term of these legislators.

"The opinion is based on the fact that the officers whose terms would be increased are enumerated in the body of the amendment, and state representatives are not named. The amendment makes no attempt to change the present constitutional legislative term of two years by any reference to Section 4 of Article 3, which sets up a two-year term for representatives."

Practically all other elective offices with present two-year terms would be included in the change, however. Those expressly named in the proposal are district clerks, criminal district attorneys, county judges, judges of county courts at law, county criminal courts, county probate courts, and county domestic relations courts, county clerks, county treasurers, county surveyors, county commissioners, justices of peace, inspectors of hides and animals, sheriffs, tax assessor-collectors, county attorneys, constables, and public weighers.

Some of these would be made four-year terms immediately, but about half would not become four-year terms until two years from now. Thus each two years, elections would affect about half the offices.

Proponents of the proposal contend that too much valuable time of office holders is spent in campaigning for re-election, that the officials barely get settled at their jobs by time they need to start new campaigns, and that their pay is whittled to meager sums after campaign expenses are paid. They believe also that better officials will be elected if terms are increased.

Opponents believe officials should be willing to risk the two-year intervals, the frequent campaigns, that they are still paid enough to compensate them for their labors even after campaign expenses are paid, and that the public is entitled to remove incompetent officials by ballot every two years.

This subject is only one of 11 proposed amendments to the constitution which will be voted on Tuesday at the general election. Others concern requiring and allowing women to serve on juries, a change in the state teachers and state employes retirement system, changes in old age and blind assistance, converting the confederate pension tax; authorizing the legislature to change salaries of the governor, attorney general, state treasurer, and other state officials; increasing salaries of legislators, use of public funds for toll roads, county-wide hospitals, and voting privileges of military personnel.

Pamphlets explaining all the amendment proposals may be obtained free from any attorney in Snyder.

Cotton Ginning Total Moves By 13,000 Mark

Cotton ginning figures showed this week that the cotton crop in Scurry County had gone well over 13,000 bales.

Ginners say the harvest lacks little being finished in most parts of the county. Some believe there is still less than 1,000 bales out.

Figures include 6,684 bales at the three Snyder gins, 1,391 at Ira, 1,735 at Fluvanna, 1,518 at Hermleigh, 1,784 at Inadale, and estimates of more than 1,100 each at China Grove and Dunn.

Turnout At Polls Sets Record Here

Taxpaying voters of the Snyder school district went to the polls Saturday and gave resounding approval to a $2-million bond issue to finance expansions and improvements to the city's educational facilities.

A record turnout of over 1,150 voters favored the issue by a margin of nearly three to one, with complete, unofficial returns showing 854 votes for the bonds and 302 against the bonds.

At the same time voters authorized the school district to increase the ceiling on its tax rate from $1 per $100 valuation to $1.50 per $100 valuation.

Vote on the change in tax rates was 799 to 336, according to the complete, unofficial returns.

The vast majority of voters who came to the aid of their school district voiced in this manner their approval of tentative plans for construction of 55 new classrooms in the elementary schools. At present, the system is overcrowded with 400 more elementary pupils than the regular buildings will accommodate.

The plans were based not only on present crowded situations but also on the known increases of the next five years, during which 900 children now living in Snyder will start to school.

More than 80 per cent of the $2-million will be spent for construction of the classrooms, which will also include construction of an entirely new 22-classroom building in the northeast quarter of the city.

Other classroom construction will include a 13 - room wing at West Elementary School, a nine - room wing at East Elementary, a similar wing at North Elementary, two more classrooms at Central Primary, and combination speech and physical education rooms and equipment at all elementary schools.

Junior high school will get classroom and laboratory facilities for vocal music, band, industrial arts, arts and crafts, health service, and improvements to its auditorium. At present, the junior high building is shared by Central Primary students because of the crowded conditions, thus also crowding junior high.

The high school, with its new building, needs very little. The stadium is to be enlarged by 2,000 seats. A field house, press box, and new lighting system are in the plans.

Abraham Lincoln School for Negroes will get new shop and physical education rooms.

Rumors circulating through the system concerning the election varied from arguments that the issue, if approved, would double taxes to the contention that plans were to build a $2-million football stadium.

School officials, trustees, administrators, and school tax consultants for the industries which pay more than 90 per cent of all taxes in the county agree that taxes will be increased approximately 10 per cent.

Actually, plans are for use of only six and four - tenths per cent of the bond issue for athletic facilities. Eighty and two-tenths per cent was planned for vocational and academic facilities and in the elementary schools

Burglars Hit Grocery Here

The Piggly Wiggly grocery, a super market at 2210 Twenty-fifth Street, was burglarized Friday night or early Saturday morning, and a sum between $250 and $300 was taken from a cash register and a safe.

A ladder taken from the back yard of an apartment house next door was used for access to the roof and was found yesterday morning atop the grocery building. A hole had been torn through the roof with tools after several small holes had been bored in the pattern of a square.

Most of the money lost was taken from a cash register, the rest from a safe. Inside the safe was still a smaller safe containing more money than was stolen, but entry to this was not gained, even though the knob had been knocked off.

Officers called to the scene when the burglary was discovered quickly opened the inner safe, causing opinion that the burglar or burglars either ran short of time or were frightened from the building before opening the small safe.

Store officials said the burglary was committed in considerably similar manner as a recent burglary of a similar store in Abilene, where a ladder was left on that roof also.

City policemen and officers of the sheriff's department were investigating the building yesterday. Fingerprint work was being done by E. E. Norris, deputy sheriff.

Rayburn, Johnson Set To Take Top Posts If Democrats Win

By The Associated Press

Two Texans are in line to take the top posts in the Senate and the House should the Democrats win control of Congress in Tuesday's general election.

They are Sen. Lyndon Johnson, 46, tall and dark; and Rep. Sam Rayburn, 72, whose gleaming bald head and stocky figure is familiar to millions by way of television.

Both Johnson and Rayburn now are minority leaders of their party in the Senate and the House.

Both have been out over the nation working for Democratic congressional candidates and have predicted the Democrats will win control of the House by 20 to 40 seats and of the Senate by at least five seats.

Should their predictions come true, Johnson is in line to become majority leader of the Senate—a post now held by Sen. Knowland of California. Rayburn is in line to become speaker of the House—a post he held under the Roosevelt and Truman administrations and already has held longer than any other man in history. Rep. Joseph Martin of Massachusetts now is speaker.

Johnson, finishing his first 6-year term, has a Republican opponent for re-election in Tuesday's voting. He is Carlos Watson, Brownsville, a longtime leader in the state GOP party.

The republicans have made no predictions of victory in the senatorial race.

Rayburn does not have a Republican opponent.

The National Democratic committee sent Rayburn and Johnson over the country to speak for party candidates.

The Democratic committee said Johnson had made speeches for former Sen. Joseph O'Mahoney, Wyoming; Sen. James E. Murray, Montana; Sen. Hubert Humphrey, Minnesota; Sen. Clinton Anderson, New Mexico; Alan Bible of Reno Nev., running for the Senate; and for the Utah State Democratic ticket which includes Rep. Reva Beck Bosone and former Rep. Walter K. Granger.

Rayburn became familiar to the nation's television watchers when he presided at the Democratic national convention in Chicago in 1952

The National committee said he had made speeches for Ross T. McIntire, Coronado Calif., running for the House; Rep. Sheppard of Yucapia, Calif., running for re-election; Rep. Sam Yorty of Los Angeles, running for the Senate; George H. Christopher, former congressman from Butler, Mo., running for the house again; Rep. Morgan Moulder of Camdenton, Mo., running for re-election; W. R. Hull Jr., Weston, Mo., running for the House; Sen. Paul Douglas of Illinois, seeking re-election; J. C. Sedberry of Charlotte, N. C., running for the House; Ernest Robertson of Salem, Va., running for the House, and John C. Webb of Fairfax, Va., running for the House.

Rayburn plans to spend election night at home as usual, getting results over radio and television.

Rayburn's office in Bonham said the congressman was looking forward to being Speaker again. He was said to appear a little tired by his strenuous campaign but never complained about his health and seemed as vigorous as ever.

Johnson will spend election night in the Austin area.

Monday Is Dollar Day In Snyder...Don't Miss It

Less Than Third Of Voters In State Expected At Polls

By MARTHA COLE
Associated Press Staff

Just about 500,000 Texans — less than one-third of the state's eligible voters — are expected to vote in Tuesday's general election.

The Republicans are working to get out a big vote, especially in Houston and Dallas, and hoping that apathy among the Democrats will help elect some GOP candidates.

The state as a whole will vote on all state officers, from governor on down; on a congressman-at-large; on one U. S. Senator and 11 proposed amendments to the state constitution, including one to require women to serve on juries.

In addition, 21 U. S. representatives are up for election in the Congressional districts and so are all members of the state house of representatives and one - third of the state senate in their districts.

The Republicans have candidates for governor, state agriculture commissioner, the U. S. senate, congressman - at-large, and for three congressional posts — in Dallas, Houston and the Panhandle.

The Constitution party has candidates for agriculture commissioner and the U.S. Senate.

"I believe we have an excellent chance in the Houston, Dallas and Panhandle congressional races," said H. J. (Jack) Porter, Houston, Republican national committeeman for Texas.

"Reports we have received at state headquarters lead us definitely to believe that each of the three candidates has better than an even break if present trends continue through election day.

"A heavy Republican state vote can be expected because of the intense interest generated in the two largest voting areas, Houston and Dallas."

Last Thursday President Eisenhower sent a message to Porter in which he urged Texans to get out and vote.

The Republicans garnered only about 3,100 votes in their July primary. In 1950—the last non-presidential election year—their candidate for governor drew almost 40,000 votes. In the 1952 general election, when Republican Eisenhower carried the state, the GOP cross-file vote was 468,319.

According to past history, Democratic nomination in the primaries has meant election in November.

Democrats traditionally stop their active campaigning after their nomination in their party's primary.

This year has been no exception.

The contested races include:

For governor: Allan Shivers, Democrat; Tod R. Adams, Crockett, Republican.

For U.S. Senate: Lyndon Johnson, Johnson City, Democrat; Carlos Watson, Brownsville, Republican; Fred T. Spangler, San Antonio, Constitution.

For state commissioner of agriculture: John White, Democrat; Harry Linderman, Houston, Republican; E. E. Wells, Lockney, Constitution.

For congressman-at-large: Martin Dies, Lufkin, Democrat; Tom Nolan, San Antonio, Republican.

For congressman from the 5th district: Wallace Savage, Dallas, Democrat; Bruce Alger, Dallas, Republican.

For congressman from the 8th district: Albert Thomas, Houston, Democrat; William B. Butler, Houston, Republican.

For congressman from the 18th district: Walter Rogers, Pampa, Democrat; LeRoy LaMaster, Perryton, Republican.

Robert L. Johnson, head of the Texas Election Bureau, made the prediction on the vote turnout.

The state has 1,863,619 eligible voters.

In the 1952 general election —when Dwight Eisenhower and Adlai Stevenson were running for president—the state cast 2,075,946 votes.

In the 1950 general election —when there was no presidential race involved—the state cast 374,747 votes.

The proposed constitutional amendments include one that was rejected in 1949. It would require women to serve on juries. Women's clubs in the state have waged a big campaign to get it passed this time.

Another proposal would allow the state to use surplus money in the Confederate Pension fund to build a new state office building.

A third proposal would raise the pay of members of the state legislature to $25 a day for 120 days and nothing thereafter if the legislature still is in session. Legislators now get $10 a day for 120 days and $5 a day thereafter when they are in session.

The other proposed amendments:

Boost the ceiling on state spending for public welfare from the present 35 million dollars a year to 42 million.

Allow transfer of prior service credits in the state employes' and teachers' retirement funds.

Allow certain city employes to qualify for social security benefits.

Prohibit pledging the state's credit to support toll roads.

Allow 4-year terms for precinct, county and district elective officers who now have 2-year terms.

Allow joint city-county hospital operations in Harris, Dallas, Bexar, Tarrant, Galveston, El Paso or Jefferson counties.

Allow military personnel from Texas to vote if they had established residence in Texas a year before entering service.

Allow counties of 10,000 population or less to vote on whether they want a tax assessor-collector.

Officer Accused Of Harrassing Troops

AUGUSTA, Ga., Oct. 30 (AP)—A young Camp Gordon lieutenant has been accused of "harrassing and humiliating" treatment — ranging from hanging a trainee by the feet from a tree limb to ordering recruits to shout an obscene phrase.

The officer, identified as 2nd Lt. Charles C. Anderson, 24, commanding officer of Co. A, 1st Infantry Training Regiment, allegedly used the Prussian-like tactics against members of his unit.

Details of the top-secret investigation were released today by Lt. Gen. A. R. Bolling, commanding general of the 3rd Army.

Lt. Anderson, commissioned at Ft. Benning, Ga., Aug. 14, has been relieved of his command and placed under arrest pending completion of the pre-trial investigation, Bolling said.

Charges against the St. Louis, Mo., officer follow:

1. Anderson allegedly ordered a trainee to be bound by his ankles with a rope and suspended from a tree limb. Other trainees were forced to pull on the rope "thus suspending the trainee upside down." The officer then instructed the recruit to "beat the trunk of the tree if (you) want to beat anything."

2. Anderson forced two trainees to take "sand baths" to "emphasize the necessity of frequent bathing." The recruits were forced to strip down to their shorts and socks and then were ordered to scrub themselves with a wash cloth dipped in water and sand. They were later ordered to climb a tree and repeatedly shout an obscene phrase.

3. Anderson ordered a trainee to do "push-ups and squat-jumps until he lay apparently exhausted on the ground." While the recruit lay prostrate, other trainees were forced to throw dirt over him.

Gen. Bolling said the alleged incidents occurred during bivouac in the final weeks of training.

The general said when the allegations reached headquarters, Camp Gordon, an immediate investigation was ordered. He added that members of Co. A were on leave—but nine were recalled to give testimony.

Bolling said Lt. Anderson will be given a general court-martial if warranted by the pre-trial investigation.

Dixon-Yates Foes Predict Pact Failure

WASHINGTON, Oct. 30 (AP)—Opponents of the Dixon-Yates private power plan predicted at a Senate Antimonopoly subcommittee hearing today that 1. it will never take effect and 2. if it does, President Eisenhower may take a political shellacking.

Gordon R. Clapp, chairman of the Tennessee Valley Authority until Eisenhower declined to reappoint him last May, forecast the project will never be built because "when the facts are smoked out . . . the revulsion of the people will finally get through to the President."

Clapp appeared as witness for the second straight day after Sen. Kerr (D-Okla) told an interviewer the proposed contract will never take effect if his party wins control of Congress at the polls next Tuesday. "And they will win control," Kerr said.

And Sen. Langer (R-ND), chairman of the investigative group and one of Dixon-Yates' strongest critics, predicted that unless the contract is repudiated Eisenhower would not carry more than a couple of states if he runs for re-election in 1956.

Langer said Eisenhower "would carry about as many states as Taft did after he opposed the conservation program of former President Theodore Roosevelt." He noted that William Howard Taft carried only Utah and Vermont in 1912, a year in which the Republican party split and Woodrow Wilson was elected.

Eisenhower has ordered the Atomic Energy Commission to negotiate with a power group, known as Dixon-Yates from the names of the heads of the concerns involved, for a 107-million-dollar plant to be built at West Memphis, Ark. Power from the project would be fed into TVA lines to replace electricity TVA is supplying to atomic plants. AEC has approved a contract but not yet signed it.

Hoover Plans Visit In Western Germany

NEW YORK, Oct. 30 (AP)—Former President Herbert Hoover today accepted an invitation to visit West Germany next month.

The invitation came from the West German government and the Senate of West Berlin. It was formally extended in Hoover's Waldorf-Astoria Hotel suite today by Dr. Konrad Adenauer, chancellor of West Germany.

The 80-year-old Hoover will make the trip in President Eisenhower's plane, the Columbine, leaving here Nov. 21 and spending one wek in West Germany.

Legion Head Says Reds Have Same Old Policy

DALLAS, Oct. 30 (AP)—The commander of the American Legion said today that peaceful co-existence with Russia is a "physical impossibility."

Seaborn Collins, of Las Cruces, N.M., told the Dallas Council on World Affairs Russia has not changed its policy of world domination "one bit" since Lenin, and said that in view of this, the United States must re-assess its economic, political and military policies.

Georgia Vote Set On School

ATLANTA, Oct. 30 (AP)—The private school scheme to counter the Supreme Court decision outlawing public school segregation will be put to a popular vote test in Georgia Tuesday.

About a half million of the state's 1,272,793 registered voters are expected to vote on a controversial constitutional amendment which would clear the way for creating a system of private schools.

The proposed amendment, which has stirred up a hot and some times bitter campaign, does not mention private schools. It only authorizes the grant of state, county or city funds to individuals in discharge of all the state's obligation to furnish an education.

But Gov. Herman Talmadge, leading Southern white supremacy champion, and his hand-picked successor, Lt. Gov. Marvin Griffin, make no secret of their belief that only in private schools can separate classes for white and Negro children be permanently maintained.

And they insist the amendment is necessary to give the Legislature "last resort" power to deal with a final Supreme Court decree banning segregation in any or all of the state's public school systems.

The amendment is the only major issue on the long general election ballot in this one party state, which, with two exceptions, will elect all Democratic nominees without opposition.

Man, Estranged Wife Killed In Shooting

GRAND SALINE, Oct. 30 (AP)—An aged man and his younger estranged wife were killed today in a shooting which police called murder and suicide.

The dead were Mr. and Mrs. O. B. Brown, 71 and 49.

Police said Mrs. Brown died instantly when shot at her home. Brown died a short time later at the entrance to a Grand Saline hospital.

Murder and suicide was ruled. Sheriff Forrest Sides of Van Zandt County said the couple had been "at severe odds" for several years.

Sheppard Trial Goes In Recess For Weekend

By ARTHUR EVERETT

CLEVELAND, Oct. 30 (AP)—A late movie, a midnight snack at a drive-in—these simple pleasures might prove the salvation of Dr. Samuel Sheppard in the trial for the murder of his wife, Marilyn, 31.

The life or death case against the handsome 30-year-old osteopath was in weekend recess today. It was thrown into an uproar Friday by the disclosure of a purported police record on one of the jurors.

No one was talking for publication. But from a prosecution source came a guarded opinion that the whole question might be ironed out Monday by compromise and the trial permitted to resume.

Meanwhile, defense Atty. William J. Corrigan said he will base part of his defense on a husband and wife who saw the late movie and ate the late snack. They are Mr. and Mrs. Robert Knitter. They are scheduled to testify for the defense.

After their evening out, Corrigan said, they were driving home near the West Lake Road home of Dr. Sheppard in Bay Village, about 12 miles west of here. Their headlights picked out the figure of a bushy-haired man and Knitter is supposed to have remarked to his wife:

"How would you like to meet that fellow in the dark."

Sheppard has claimed that it was such a bushy-haired stranger who invaded his home July 4, killed his wife and knocked him unconscious.

The state contends the handsome 30-year-old osteopath did the killing himself, after an illicit love affair with Susan Hayes, a 24-year-old former technician in his osteopathic hospital. She is scheduled as a star state witness.

Wilbur Shaw Dies In Crash

DECATUR, Ind., Oct. 30 (AP)—Wilbur Shaw, 52, president of the Indianapolis Motor Speedway and three-time winner of the 500-mile race, and two companions were killed in a plane crash near here late today.

The light plane exploded and crashed in a field as a farmer watched nearby. State police and Sheriff Robert W. Shraluka said the bodies were ground to bits in the wreckage.

Shaw was identified by a credit card and a private pilot's license. The pilot of the plane was identified as Ray Grimes, 40, Greenfield, Ind.

The third occupant of the plane was not identified immediately.

State police said the plane exploded on striking the ground on a farm near Peterson, five miles southwest of Decatur.

Homer Ginter, owner of the farm, who was working on his tractor, said he heard a roar, looked up and saw the plane in pieces, 20 to 30 feet from the ground.

The plane, a Cessna, was owned by the Muncie Aviation Corp. Gordon Lackey, manager of Sky Harbor Airport at Indianapolis, said the plane with three men left Indianapolis at 9:05 a.m. for Detroit. It presumably was returning to Indianapolis at the time of the crash.

Peterson is 20 miles south of Fort Wayne, in Adams County.

Heckler Gets Lecture, Nixon Causes Debate

SAN MATEO, Calif., Oct. 30 (AP)—A Democratic heckler got a public lecture from Vice President Nixon here last night and those who heard it were still debating today whether the vice president said, after he had finished: "Throw him out."

Members of Nixon's party said he made no such remark.

Several reporters said they heard it. Others within 15 feet of the vice president said they did not hear Nixon say anything like that.

Two San Francisco newspapers reported the vice president finished his rebuke and then said, "Now, throw him out." Two others made no mention of it.

The heckler was identified as James Heavey, 29, a San Francisco precinct worker for Young Democrats.

SCHOOL

Continued From Page 1

alone, 11½ per cent for the same facilities at junior high, one and eight-tenths per cent at the Negro school, and the remaining one and nine-tenths for alterations and improvements to grounds, new agricultural program, etc.

The bonds are to be sold to investors bidding lowest in a future meeting of the board of trustees. The rate is estimated to be about two per cent. All bonds will be for 15 years.

Voters here in 1950 approved a bond issue of a million and a half dollars more than yesterday's issue and did so with a ratio of nearly nine to one. But only 167 persons voted in the $3½-million issue during the last month of 1950, each voter controlling nearly $21,000. Results were 150 to 17.

The issue four years ago was mainly for construction of Snyder's $2½-million high school plant but also included construction of some elementary buildings and an administration office building. That election followed one concerning issuance of $600,000 held earlier the same year and preceded by six months another bond election of $650,000 which also carried.

Yesterday's election was by far the largest voicing by ballot of all school elections ever held in this district. The last preceding election of the district was that of board trustees, when 338 voted in April.

By noon yesterday, more than 400 had voted.

Probably a great contributary to the large turnout yesterday was the defeated proposal for a county library in early September. That proposal was downed by a margin of 48 in a vote of 573 to 621. The election was countywide.

Boy And Dog Head For A Fresh Start

MONROE, La., Oct. 30 (AP)—Ten-year-old Joe Cooper and his dog, Tippie, locked in an arm and paw embrace at the gates of the reformatory today, then walked together into a new life.

The slight, blue-eyed sixth grader, who held school officials at bay with a loaded shotgun to save his pet from the city pound, said he was both "sad" and "glad" to be leaving the Louisiana Training Institute.

"I'm going to miss all my new friends out here," he explained, "but it feels better going home."

Joe won't exactly be going home. Judge Howell Heard, who had committed Joe to the reformatory less than five hours after the shotgun incident, last night released him to the custody of a married half sister.

The action came after former Gov. James A. Noe agreed to head up a national fund raising drive to send the boy to a private school in Tennessee and later to college.

Tippie almost marred the reunion when he leaped out of the window of the car taking him to the reformatory and raced down U.S. Highway 80.

Dr. R. W. Einhorn, the veterinarian who vaccinated and cared for Tippie while Joe was in the reformatory, stopped his car in the middle of the busy highway, then ran after and caught the long-legged, lop-eared hound who started all Joe Cooper's troubles by following him to school.

At the training institute, the dog bounded from the car again, but this time headed for his young master and proceeded to paw Joe's new clothes and lick his well-scrubbed face.

Tippie and Joe leave Wednesday for the Webb School for Boys in Bell Buckle, Tenn. Noe has agreed to underwrite the 11-year $18,220 education plan in case donations fall short.

Noe said the boy and dog episode that aroused nationwide sympathies gave Monroe and adjoining West Monroe "a black eye" and he hoped the drive would put the twin cities on the Ouachita River in a more favorable light.

Harriman Holding Straw Vote Lead

By The Associated Press

Averell Harriman, Democratic-Liberal candidate, continues to lead the New York Daily News' straw poll of New York State's hotly contested gubernatorial contest.

Figures reported today give Harriman 54.8 per cent of the statewide straws, to 45.2 for his Republican opponent, Sen. Irving M. Ives. The Daily News is supporting Ives.

In Iowa the Des Moines Sunday Register final pre-election poll shows Sen. Guy M. Gillette, Democrat, leading Rep. Thomas E. Martin, Republican, for the U.S. Senate. The Register is neutral in the Gillette-Martin contest.

In Phoenix, Ariz., the Arizona Republic reports its poll puts Gov. Howard Pyle, Republican, ahead of former Sen. Ernest W. McFarland, Democrat, in the gubernatorial race, 47.2 per cent to 43.7, with 9.1 per cent undecided. The Arizona Republic is supporting Republican candidates.

In Colorado, the Denver Post poll's latest results show former Rep. John A. Carroll, Democrat, with 50 per cent, Republican Gordon Allott with 40 and undecided, 10, in the U.S. Senate race.

The Princeton Research Service, under the direction of Kenneth Fink, asked eligible voters whom they'd like to see win in the congressional elections in their race.

It says 53.5 per cent favored Democrats and 46.5 Republicans in a survey completed Oct. 20.

The survey appears in New York and New Jersey papers.

The Gallup poll's semifinal figures announced in mid-October were similar to the Princeton group's.

The popular vote for congressmen then was 52 per cent Democratic, 48 per cent Republican, Gallup reported. Outside of the South the Gallup breakdown was 51 per cent GOP, 49 per cent Democratic.

Gallup noted that experience indicates the Republicans will have to win 55 per cent of the non-South popular vote to get enough seats for a House majority.

Autos Run Down Pair Crossing Austin Street

AUSTIN, Oct. 30 (AP)—Mary Browley, 19, of Longview, an SMU student, was seriously injured early today when she and a companion, Pete Whaley of Austin, were hit by two cars.

Miss Browley had both legs broken, a fractured skull and possible internal injuries. Whaley was also hospitalized with head and arm injuries.

Police said Whaley and Miss Browley were crossing a busy street in the University of Texas area and stopped in the middle to allow traffic to thin out before continuing.

They were hit first by an auto driven south and were whipped into the path of a northbound car.

New Trial Denied Convicted Airman

BRADY, Oct. 30 (AP)—A new trial for Jimmy Shaver, San Antonio airman convicted of the murder of a 3-year-old girl, was denied today by Judge Joe Mays.

Mays overruled a defense motion in which Shaver's attorneys attempted to show that the jury which sentenced Shaver to death Oct. 2 had violated its charge. Defense attorneys appealed.

Shaver was convicted of murder in the death of Chere Joe Horton, after he was arrested near the spot where the child's brutally-beaten and ravished body was found July 4. The child had been taken from her parents' car, parked in front of a San Antonio tavern.

McCarthy Has New Requests For Defense

WASHINGTON, Oct. 30 (AP)—Sen. McCarthy (R-Wis) stepped up his pre-session defense against a Senate censure move today with new requests to a Democratic senator and to Atty. Gen. Brownell.

The Wisconsin senator touched on the three points of censure proposed against him in:

1. A wire to Sen. Gillette (D-Iowa) asking for "a clearcut statement" before Tuesday's election on whether Gillette will vote for censure at the special Senate session starting Nov. 8.

2. A letter to Brownell urging him to seek an indictment of former Army Maj. Irving Peress under the false statements statute.

A special Senate committee has unanimously recommended that McCarthy be censured by the Senate for his conduct, and its report will come before the Senate Nov. 8.

The committee said McCarthy had been "contemptuous, contumacious and denunciatory, without reason or justification" toward a Senate Elections subcommittee that investigated his financial affairs in 1951-52, and that he had issued "an abusive and insulting" statement about one of the subcommittee members, Sen. Hendrickson (R-NJ). Gillette, now up for re-election, was chairman of the Elections unit during part of its inquiry.

The third censure allegation is that McCarthy abused Brig. Gen. Ralph W. Zwicker at a hearing last February in questioning the general about the promotion and honorable discharge of Peress. Peress, now a New York City dentist, has been accused by McCarthy of being "a Fifth Amendment Communist."

McCarthy, who for a week now has been putting out letters, telegrams and statements relating to the censure case, said yesterday, that he believes a majority of the Senate will vote to censure him because cause "very few" senators will go into the Nov. 8 session "with an open mind."

The armies of Alexander the Great saw sugar for the first time when they invaded India.

The average age of the people of Connecticut is 32.7 years.

DEAN AND JERRY STEP OUT!
Those two zaney ambassadors of mirth, Dean Martin and Jerry Lewis, let themselves go full blast in their brand new Technicolor musical laugh riot, "Living It Up," which is due to open next week at the Ritz Theatre. A Paramount picture, it co-stars Janet Leigh and Edward Arnold with Fred Clark and Sheree North. "Living It Up" is based on the smash Broadway hit, "Hazel Flagg," and was produced by Paul Jones and directed by Norman Taurog. — Adv.

BRAVE BIRD

All eyes are fixed on the end of the barrel of a U.S. Army 280-mm cannon where a tiny bird perched during a field maneuver near Bad Kreuzach, Germany, recently. The bird was in no danger for there was no firing, not even blanks, during the exercise.

Odessan A Bit Nervous When Ike Telephones

ODESSA, Tex., Oct. 30 (AP)—A 20-year-old Odessa Sunday school teacher, Mrs. Kenneth Dyson got a telephone call from President Eisenhower this morning, and admitted afterwards, she was "just a little bit nervous."

The call was one of 10 the President made this morning urging people all over the country to get out the vote in next Tuesday's election.

The young housewife and her Sunday school class had written the President Oct. 17 that they believed that "the election of God-fearing, peace - loving men" was what made a nation great, and told the president they would pray for him and other leaders.

"We weren't really expecting an answer quite this soon," Mrs. Dyson said. The kids will be thrilled over the call."

Mrs. Dyson said the conversation was short — about two or three minutes. Asked what the president sounded like, she said he sounded "like a Yankee — with sort of a northern accent."

The president told her he had received the letter, and that it had touched him very deeply. Then he said he would like to ask a favor of her. Would she call 10 of her neighbors and urge them to vote and to call 10 of their friends—to start a chain reaction to get out a large vote.

Mrs. Dyson told the president that she thought that was a good idea.

"I didn't say much except 'yes' and 'no'," she said later.

Her husband is a machinist with an oil field equipment manufacturing firm. She teaches the fifth grade Sunday school class at the First Christian Church here.

A County Republican official had called her about an hour before the President's call to make sure she would be at home.

Houston Has Own Big Race

HOUSTON, Oct. 30 (AP)—Houston residents on Tuesday use a complicated preferential ballot system in settling a red hot, three-way race for the $25,000-a-year job as mayor of the South's largest city.

The city general election and bitter campaigns for three positions on Houston school board overshadow the county and state general elections despite republican candidates for congress, six state legislature positions and six precinct offices.

Traditionally, an incumbent Houston Mayor undergoes a struggle for survival every two years.

Mayor Roy Hofheinz, a radio executive seeking a second term, drew two opponents who have campaigned vigorously.

Louis Welch, 36, former city councilman, again is seeking the vote of the "Little Man." Welch ran against Hofheinz two years ago and lost by 3 per cent of the vote.

Alvin S. Moody, 42, title company owner and attorney, is a political newcomer but seeks to unseat Hofheinz with the support of canny Oscar Holcombe, who stepped out as mayor two years ago after serving 10 non-consecutive terms.

Hofheinz has been endorsed by the Houston Chronicle and the Houston Post. The Houston Press has endorsed Welch.

In Bermuda, cars more than five years old may not be sold for operation on public roads.

SCOUT HUT DEDICATION SET

This Boy Scout hut has just been completed by members of the American Legion and Veterans of Foreign Wars on the property of the organizations. It is about 14 feet by 30 feet and has one large meeting room, two locker rooms, and a bath. Each of the organizations are sponsoring new scout troops. The Legion troop, No. 110, meets on Monday nights with H. H. Bearden as scoutmaster and W. M. Starnes as assistant. Levis Garrett is scoutmaster and Ray Waters assistant of the VFW troop, No. 123. The troops, which have about 18 members each, will be presented their charters in a program at 7:30 o'clock tomorrow night. (Lee Watson photograph)

Cpl. Batchelor Still Expects His Freedom

SAN ANTONIO, Oct. 30 (AP)—Cpl. Claude Batchelor, former Korean POW whose life sentence for collaborating with his Communist captors was cut to 20 years this week, said today he thinks he will be freed eventually. He denied he was ever a Communist.

The Kermit soldier answered questions after writing down the answers and memorizing them.

"I believe that when the case gets to a higher court where someone can understand it, I will be freed. I don't know what the Communists are saying about my trial, but it's typical of what they pick up and use as propaganda," he said.

"I don't want the American people to help the Communists by believing their propaganda—by believing that our government has been unfair to me, because I believe it will be fair in the long run," he continued.

Thursday, the 4th Army commander, Lt. Gen. I. D. White upheld Batchelor's conviction, which included a dishonorable discharge with forfeiture of all pay and allowances, but reduced the sentence to 20 years as an "example of mercy."

"The reduction in the sentence of the court has been done in the hope that Cpl. Batchelor may profit by the rehabilitation program in the army institutions," White said.

Freight Car Loaded With Cotton Ignites

A freight car loaded with cotton was on fire yesterday afternoon near the Snyder office of Jones & Laughlin Steel Corp. on the Lubbock highway.

Snyder firemen called to the scene extinguished the fire.

GOP Leading In Expenses For Campaign

By HARRY SNYDER

WASHINGTON, Oct. 30 (AP)—The Republican National Committee headed into the home stretch of the congressional election tests out in front of its Democratic counterpart in officially reported spending.

The GOP committee, in a report to the House, said today that up to Oct. 15 it had spent $1,214,763. The Democratic group said its expenditures amounted to $1,031,669.

The reports, required by the corrupt practices law of 1925, also showed that the Republicans were ahead in money-raising. Contributions to the GOP: $1,356,216; to the Democratic organization: $960,134—a deficit.

The National Citizens for Eisenhower Congressional Committee reported receipts of $718,404 and expenditures of $483,974.

Some of the other organizations and their reports, with receipts listed first followed by expenditures:

Americans for Democratic Action—$88,628 and $95,825.

National Committee for an Effective Congress—$78,909 and $78,378.

United Auto Workers-CIO Political Action Committee—$298,259 and $329,900.

AFL-League for Political Education—$333,599 and $429,250.

Republican Congressional Campaign Committee—$412,981 and $554,816.

Democratic Congressional Campaign Committee—$181,733 and $171,425.

Republican Senatorial Campaign Committee—$172,889 and $252,351.

Democratic Senatorial Campaign Committee—no receipts or expenditures.

The law, under which the reports are required, calls on each congressional candidate to make an accounting, along with all political organizations that are interstate in character or are branches of national organizations.

But strictly local organizations are free to support their favorites on a local basis without being called on for an accounting. And individuals may contribute similarly.

Angelo Slates Steer Roping

The San Angelo Fat Stock Show and Rodeo Association will sponsor an Invitational Steer Roping and Branding to be held at the Fairgrounds at 2 p.m. Nov. 14.

This attraction will be the first of its kind to be held in West Texas in many years and it is planned to make it an annual event.

Ten of the top ropers in the world will compete for a $10,000 purse. Each roper is paying an entry fee of $500 and will rope five steers each.

Entered are: Cotton Lee, Fort Sumner, N.M. Toots Mansfield, Big Spring; Troy Forte, Lovington, N. M.; Shoat Webster, Lenapah, Okla.; John D. Hollyman, Ozona; Everett Shaw, Stonewall, Okla.; Don McLaughlin, Smithfield; Clark McEntire, Kiowa, Okla.; Steve Stevenson, Big Lake; Ike Rude, Brawley, Calif.

Tickets may be purchased at the B.C.D. office in the Cactus Hotel after Nov. 1. Six and four seat boxes are also available and are the only reserved seats.

Man Injured Friday

Donald Richard Short, Lamesa highway, was hospitalized late Friday afternoon with injuries received while at work at the McClatchy Brothers yard on the Lubbock highway. Short was taken to Cogdell Memorial Hospital by a Bell ambulance and admitted for treatment.

FARM CENSUS ENUMERATORS

Starting tomorrow, these people will be visiting farms and ranches in this area, in the Department of Agriculture census, which is held every five years. These enumerators will gather information pertaining to farm population, income, crops, housing, equipment, and other data pertaining to agriculture. This group is made up of persons from Kent, Scurry, and Mitchell counties as they studied together last week in a school for census takers under Ernest Sears of Snyder, who is crew chief for the three-county area. Seated around the table, left to right, are Mrs. Katherine Carriker of Clairemont, James W. Coffee of Snyder, Miss Vernell Cooper of Gerard, Carlton A. Daurighty of Fluvanna, Mrs. Nola R. Forsythe of Loraine, Roy M. Hanson of Dunn, Stanton A. Hutchins of Loraine, James H. Kimbrell of Ira, Charles E. Laster of Mitchell County, Mrs. Frances W. Martin of Colorado City, Mrs. Geraldine R. Meyers of Snyder, Mrs. Nelda Milliken of Colorado City, Vernon B. Murdock of Jayton, and Leo R. Peverler of Snyder. Sears is shown standing at center. (Lee Watson photograph)

Range Tour Plans Made

Definite plans were made late last week by the Chamber of Commerce agriculture committee for the range tour to be held here Nov. 9.

The tour wil be open to all persons interested in the business, whether they be farmers, ranchers, businessmen, or laborers, according to committee chairman, Max West.

The tour will leave the stock barn in Towle Memorial Park at 8:45 o'clock on the morning of Nov. 9. The group will go first to the Hugh Taylor ranch to view a spreader dam. Next it will go to Jack Martin's to see how brush was controlled and to see blue panic grass raised as a soil builder and grazing crop. The Shannon estate will follow, where range sites and deferred grazing will be seen. After visiting those three places, the group will return to the stock barn for a free lunch. During the afternoon, the group will be shown pitting, chiseling, and furrowing on the place of Audrey Head.

Herschel Bell of Amarillo, range specialist for the Soil Conservation Service, will explain range conditions to the group during the tour. J. C. Porter, head of the agriculture department of the First National Bank in Wichita Falls, will be main speaker at the lunch.

AGRICULTURE OFFICES MOVE

Offices of the Soil Conservation Service, the Farmer's Home Administration and the Agricultural Stabilization Committee moved last week from their old location on the second floor of the Texas Electric Service Co. building on the west side of the square to new ground-floor offices at 2405 Avenue R. Five of the women who work in the ASC office are shown above about to enter the front door of the new building. They are from left: Mrs. Adell Campbell, Mrs. Helen Roberts, Mrs. Anita Payne, Mrs. Vanita Groves, and Mrs. Sunny Box. (Lee Watson photograph.)

120,000 Enrolled In Texas 4-H Clubs

By SAM WHITLOW
Texas Editor
Farmer-Stockman Magazine

COLLEGE STATION, Tex., Oct. 30 (AP)—The massive 4-H Club program in Texas has over 120,000 enrolled, and activities spread to every corner of the state.

This 4-H Club work in Texas is the outgrowth of the original Corn Club boys that started in Jack County in 1908, and the Tomato Canning Club which started a few years later in Smith County.

The 4-H work includes agriculture, home economics and related activities. In Texas, 4-H boys are engaged principally in livestock, field crop and poultry demonstrations, while the major activities for girls are clothing, foods and homemaking. These youngsters—ranging from 9 to 20 years of age—vigorously compete with each other on a community, county, state and national basis. One of the most recent winners was 13-year-old Jimmy Latham, who lives near Booker in the Texas Panhandle. Jimmy's Angus steer won grand championship honors at the junior show of State Fair of Texas in Dallas.

One of the most significant phases of 4-H Club work is that the youngsters plan and develop their result demonstrations at home, which means the whole family often takes part. There are numerous cases in Texas where the 4-H demonstration has blossomed into a family enterprise and has become the major source of family income.

Floyd Lynch, Texas 4-H Club leader, explains that the 4-H program is a part of the Texas Agricultural Extension Service. County agents and home demonstration agents develop the activities in the various counties. The individual 4-H Club is developed as a community project.

Lynch emphasized that a big share of credit for the success of 4-H Club work must go to volunteer adult leaders in the communities who give the youngsters guidance and encouragement. He also pointed to "the tremendously important work being done by business and commercial organizations in setting up 4-H Club awards."

The 4-H symbol signifies head, heart, hand and health. The 4-H slogan is "To Make the Best Better."

Lynch directs the 4-H program in Texas, and is assisted at the headquarters at Texas A&M College by Miss Mildred Harris, Miss Erma Wines and A. H. Karcher Jr.

Texans Urged To Cast Votes

By MAC ROY RASOR

AUSTIN, Oct. 30 (AP) — Two of Texas' top political leaders today urged Texans to vote next Tuesday, not only to help decide the fate of 11 proposed constitutional amendments but also because of the effect of the turnout on the next presidential race.

Gov. Allan Shivers voiced the appeal in connection with the amendments. George W. Sandlin, chairman of the state Democratic executive committee, pinpointed the presidential race significance.

Shivers said the proposed amendments "will affect the lives of all Texans and the lives of future generations as well."

"Every qualified voter should go to the polls and express his opinion on them," he declared, adding:

"Too often, Americans are willing to sacrifice their lives, if necessary, for the right to vote, but are unwilling otherwise to give a few minutes of their time to exercising that privilege."

Sandlin said Tuesday's election is actually the first step in the process of selecting a 1956 presidential nominee.

"The number of votes cast by Democrats in the general election will determine the precinct, county and state convention strength for the presidential nominating conventions in 1956," he said.

Texas law authorizes one precinct delegate to the county convention for each 25 precinct votes in the general election and one county delegate to the state convention for each 300 county votes.

Sandlin said a large turnout also would serve to strengthen Texas' position in the national picture and help to give it a greater voice in national affairs.

Man Charged In Fatal Shooting Of Postman

HOUSTON, Oct. 30 (AP)—A cab driver has been charged with murder in the fatal shooting of a postman.

The charge against Clyde Fitch, 27, was filed in the death of Marion Beamon, 29.

Fitch's estranged wife, Mrs. Jeanette Fitch, 27, saw the shooting at the cab driver's apartment. Mrs. Fitch said she and her husband had been separated since January.

The mother of the first wife of Columbus owned a sugar plantation.

Enumerators Set To Start Farm Census

Fifteen census enumerators from three counties will start tomorrow on an agricultural census of this area.

The enumerators, taking the census for the U. S. Department of Agriculture, will be seeking information as to the number of farms in each county, how many livestock and poultry each have, the number of acres of land under cultivation, amount of harvest, and data on farm facilities such as electricity, running water, telephones, television sets, milking machines, and other conveniences.

Ernest Sears, crew chief for the three-county area, urged farmers and ranchers to cooperate with the enumerators. The information is not being gathered to single out any one farmer or rancher, he said, rather it is mainly to arrive at totals and averages in each county. The workers, he said, took an oath not to give out information on any farm. "This information is confidential, and it is not to pinpoint any certain man," Sears said. It is actually being gathered as a convenience to farmers, since the Department of Agriculture will later make public the averages and totals so that agriculturists may see what the average farmer or rancher is doing.

Sometime during the next four weeks, Sears said, an enumerator will see each farmer and rancher. Questionnaires have already been mailed out, and Sears urges farmers and ranchers to fill them out as well as they can before the enumerator arrives.

The enumerators Friday finished a four-day course of instruction on taking the census, which has been held every five years since 1920 and is being taken for the 16th time since 1840.

FARM AND RANCH

Farmers in the Upper Colorado Soil Conservation District are showing much interest in winter cover crops, but many of them are waiting for rain before drilling the small grains and legumes, according to soil conservation technicians here.

Cover crops are important to cover the land and tie soil down and to furnish grazing for livestock. A good cover crop would keep the feed bill down in late winter and early spring.

For the sandy and mixed sandy soil, 28 pounds of Abruzzi rye and 15 pounds of hairy vetch will make a good cover and furnish good grazing. Rye has a characteristic of being able to stand plenty of wind and dry weather and still come back and make fast growth when rains begin. Its tremendous root system improves the condition of the soil and aids in maintaining the organic matter content. Both Abruzzi rye and hairy vetch can be drilled up to mid-December with good results.

Inoculation of hairy vetch with culture C inoculant before sowing with the rye is important, and the soil should be moist for the existance of the inoculant. Vetch stores nitrogen in the soil with the help of nitrogen fixing bacteria. The culture C inoculant may be purchased from local feed stores.

It is best to drill rye only where the farmer intends to combine the rye for market, conservationists say. Recommended seeding rate for harvest is a bushel to one and one-half bushels of rye per acre. Acre yelds of Abruzzi rye run from 10 to 30 bushels. Rye will graze one animal unit per two acres for three months during late winter and early spring.

The local Agriculture Stabilization and Conservation office will accept requests for government participation in winter cover crops seeded in the fall of this year until Nov. 1. This must be seeded by Nov. 15. Specifications call for a cost share rate of $2.30 per acre for barley, with one bushel the minimum seeding rate per acre; $2.05 per acre on rye, which has the same minimum seeding rate; $2.05 for oats, with a minimum seeding rate of two bushels; and $2.70 for rye, with a one-half bushel minimum rate, and for vetch, which has a minimum rate of 15 pounds per acre.

Under the cost share program, grazing consistent with good management is permitted. Harvest of the hay is permitted, but the crop or crop stubble must be left on the land until the time seeds are normally formed. The crop may not be harvested for grain or seed under the ASC practice.

• • •

Two barrows will be shown at the Sweetwater and Snyder livestock shows this year by a Hermleigh FFA member, E. J. Walton. He bought them from fellow members Robbie Robinson and Kenneth Lofton. He is also raising two gilts for development, according to Jake Greene, Hermleigh agriculture instructor.

Another Cool Front Moves Across State

By The Associated Press

Another cool front moved across the top half of Texas Saturday night.

It was like the one of the past few days, dry and not too cold. Skies were clear and temperatures in the front's path dropped slightly from the 60 and 70 degree weather that was general over the state.

Presidio had the high maximum Saturday, 81. Amarillo and Dalhart, which had freezing weather briefly Friday night, had the low maximums of 58.

More freezing temperatures were predicted late Saturday for the Panhandle, with lows in the 30s and 40s expected for most of the state.

Eaker Says A-Bomb Stores Keep Peace

HOUSTON, Oct. 30 (AP)—Retired Gen. Ira Eaker said today the thing that keeps the uneasy truce in the world is the American stockpile of atom bombs and a strategic air force to deliver them.

Eaker was the first person to pass through the main entrance of the new 5 million dollar passenger terminal building at the Houston International Airport.

The World War II commander of the 8th Air Force said communism is the "greatest hazard in the course of American history."

"The thing which keeps the uneasy truce in the world today is the American stockpile of atom bombs and our power to deliver them with our strategic air force," he said.

Woman Killed In Crash Of Truck And City Bus

DALLAS, Oct. 30 (AP)—A city bus and a heavily-loaded truck smashed together at an intersection and dragged each along the pavement in a tangle that killed one person and injured nine others here today.

A woman identified as Pauline Ellis was killed, hurled from the bus and under the wheels of the skidding vehicles.

Police said at least nine other passengers in the bus were hurt. No serious injuries were reported among the nine.

THROUGH HOLE

Holes like this were made throughout the game Friday night for Snyder backs, allowing them to score a 39-19 win over Plainview. Here, guard Steve Blair is shown on the ground blocking out a Plainview defended to allow room for Jack Spikes to get through. Spikes led rushing for the Tigers. (Lee Watson photograph)

Tiger Offense Sparkles In 39-19 Victory Over Bulldogs

The Snyder Tigers stayed true to form Friday night and ripped out a 39-19 victory over the Plainview Bulldogs in a District 3A-1 game on the Snyder field.

Numerous team members continued the good performances they have turned in during recent games. Coach John Conley used the advantage of a good scoring lead to give his reserves needed experience and to try out various defensive patterns. The defense stood up well, with Steve Blair, Don McNew, Doug James, Frankie Minton, and Joe Baxter putting up their usual good stand and sophomore Milton Ham still showing that he will be a defensive leader.

Pass defense was also in good shape against Plainview's top-ranked passer. Helping the Tigers in that line was the Bulldogs' lack of good receivers. Holland's passes are all thrown true and were that way Friday night. The Tigers stopped him before he could get some of them away, and they knocked down some which could have meant some of the difference in the game. Powell Berry led pass defenders, along with James, Alan Snead, James Parker, and Shorty Grimmett.

The Snyder offense, headed up by Jack Spikes, worked almost perfectly throughout the game. The Tigers, making good gains on the ground, did not have to resort to passing. Only one pass was thrown by the team, that one complete for 12 yards from Bernie Hagins to Snead. Blocking continued to improve, with Minton and Blair, Parker and Grimmett, Ham, James, and Wiley Denson clearing out holes as they had never done before.

Plainview did not go without respect. Holland, halfback Jack Williams, and fullback Penny Culp were making good gains and several times had fine blocking, headed up by center Moody Conner, who was also a defensive standout as a linebacker. Culp made good gains on the ground, while Holland got 93 yards on passes to four receivers.

In the first half of the game, the Tigers held the ball five times and scored four touchdowns. Even with extensive use of reserves during the second half, they had the ball four times and tallied twice. Plainview, cut down to practically nothing in the way of offense in the first half, picked up after the intermission and scored two of the four times it had the ball. The night, one 63 yards long made up Bulldogs got one touchdown before the half.

Snyder opened scoring with just over two minutes gone in the game. Taking the first kickoff back to the 50, the Tigers punched down to the Plainview 16, where Spikes crossed tackle with blocks by Parker and Grimmett and got a TD. Blair missed his point kick. Plainview, after the kickoff, drove back down to the Snyder 14 on a campaign highlighted by a 14-yard run by Culp and a 20-yard pass from Holland to David Kendall, but Holland was caught there by Baxter for a loss of 11 yards on a fourth down. The Tigers then drove from their own 25 to the Plainview seven, with the drive including runs of 19 and 18 yards by Baxter, and Gerald Crawford went through the middle for the final seven yards. Blair again missed the kick, and the Tigers led 12-0.

Plainview had to punt out from its own 32 soon afterward, and the Tigers returned to the Plainview 27. Spikes crossed tackle for 11 yards, and he and Baxter bucked the line to the nine, then Spikes went through the left side of the line for the third score. Frankie Minton tried the kick this time and missed. Plainview, starting a drive from its own 36, got back to the Snyder 48, and Holland tried a pass. Berry, who had already intercepted three passes this season, picked that one out of the air and was downed on the Snyder 37. Spikes went across tackle, had a good block by Minton, and went 63 yards to score. Following that touchdown, the Tigers found they had a new extra pointer in Joe Reaves, who kicked three of three during the night.

After the Tigers kicked off, Plainview got its first score of the night, driving from its own 34 to the Snyder three. Holland passed to Don Staggs for 21 yards of the drive, while the quarterback got 37 yards himself on a right end sweep with about four good blocks. Williams plunged the last three and then kicked the extra point to make it 25-7. The ball exchanged hands twice on fumbles in rapid-fire action just before the half.

Plainview had the ball briefly after halftime but had to punt, and the Tigers started again from their own 39, made 27 yards on a left end run by Spikes and 12 on the one pass in the game, finally getting to the Plainview 17. Baxter went through the middle for that score. After Reaves' point kick, the score was 32-7. Plainview then made its best drive of the game, moving from its own 20 to the Snyder five after the kickoff, mainly because of 20 and 17-yard passes by Holland, but Williams fumbled there and Blair recovered. Conley then sent in a new team, which could not work its way out of the hole and had to punt. Starting again from the Snyder 28, Plainview drove to the one, and Holland sneaked across for his team's final score. Williams' kick was blocked by Baxter. The Tigers were on the Plainview 28 at the final gun.

There were few fumbles in the game by either team. The Tigers lost the ball twice on fumbles by Baxter and Jimmy Bennett and gained twice on Plainview fumbles, recovered by Blair and Ham.

Spikes racked up 189 yards in 15 carries on the ground, while Crawford had 75 in 12 and Baxter 70 in nine. Culp got 90 in 19 carries for the Bulldogs, while Holland had 54 in 15 and Williams 37 in eight.

The Tigers will be idle next week and will host Breckenridge here Nov. 12.

Gail, Ackerly In Deadlock For Loop Lead

The Gail Coyotes are still storming over their district opponents in six-man football, but the big game is yet to come.

Friday night the Coyotes will host Knott, which up to this weekend, was leading the district but now has given it up. Gail and Ackerly are tied for the leadership.

Last Friday night the Coyotes downed Flower Grove to stay in the win column. The score was 27-12. Thursday night Ackerly had beat Knott 38-24.

This presents quite a problem for coach Eddie James and his Coyotes. Say they beat Knott this week and continue to win until the end of the season. Ackerly is also likely to win the rest of its games. If both teams continue without losing games, that will put them in a tie for the district lead. When Gail and Ackerly played, they tied up 14-14. If they tie for first place, however, Ackerly will get the right to enter the playoffs because it edged Gail on penetrations 5-4 in their game.

Somebody, Gail hopes, will beat Ackerly, which will host Flower Grove next week and then must meet Loop and Dawson. Loop is the only team likely to have a chance.

E. L. Franklin, who has led the Gail team all season, paced the Coyotes in their win over Flower Grove. The game was close through three quarters.

Franklin scored first for Gail after a long drive in the first half. The halftime score was 6-0. Flower Grove tied it up right after halftime, but Gail got ahead 14-6 when Franklin scored on a short run after a long drive and Donald Reddell kicked for a two-point conversion.

Flower Grove brought it closer with a TD later but failed to make the conversion, so Gail still led 14-12. In the fourth period, Gail got drives underway for two more scores. Franklin made both of those touchdowns, which were set up on passes from Franklin to Lonnie Doyle. Alvin Bradshaw caught a pass thrown by Glen Kingston for one extra point.

Franklin and Doyle were offensive leaders in the game, while 120-pound halfback Mike Smith topped defense.

Gail's game with Knott will be at 8 o'clock Friday night.

College Cage Teams Open Drills Monday

DALLAS, Oct. 30 (AP) — Football has a month to go but basketball will break out all over the Southwest Conference Monday.

One hundred and sixteen candidates, including 38 lettermen, report to the seven schools as the league prepares for its most ambitious intersectional schedule.

The first game will be Nov. 29 when Arkansas tackles Northwestern Louisiana State at Fayetteville. All other league members swing into action Dec. 1.

The finger already points to Southern Methodist as the championship favorite but with Texas Christian and Baylor getting almost as much support.

SMU has six lettermen plus its first good tall man—Jim Krebs, 6-feet-8 from Groves, Mo.

Texas Christian is formidable enough with eight lettermen, including Bryan Kilpatrick, a star of the 1951 team who has been in the service. Coach Buster Brannon also has the most promising sophomore in the school's history—Richard O'Neal, 6-7, who was a sensation as a freshman, scoring 313 points in 12 games.

Baylor has seven lettermen headed by its brilliant star of last season, Murray Bailey, and with one of the tallest centers in the league in Don Dickson, 6-8. Baylor also has Jerry Mallett, the former Beaumont schoolboy great, to add height and scoring punch.

Rice has six lettermen but appears to lack height and without anybody capable of replacing the great Gene Schwinger, who led the Owls to a tie with Texas for the championship last season. Rice beat Texas in a playoff for the NCAA tournament spot.

Arkansas has five lettermen and may be improved over last season but Texas has only four lettermen and has lost much of the height that featured the team last winter. Texas has picked up Ellis Olmstead to partially make up for the loss of height. Sophomore Olmstead is 6-11.

Texas A&M isn't very promising with just two lettermen—forward John Fortenberry and guard Pat McCrory.

Snyder Hunters Bring Back Deer From Utah

Four Snyder men were back Friday storing deer at Jones Locker Plant following a successful hunting trip to Utah.

In the party were Zay Hudman, Bob Elder, Leroy Hessler and W. A. Bates. Hudman knocked off an eight-point buck which was the largest of the eight animals they brought home.

He described hunting conditions as ideal, with snow on the ground making it easy to track the deer. They hunted at Davis Pocket near Monticello, Utah, and found the deer plentiful there.

Oklahomans Fight Back For Victory

BOULDER, Colo., Oct. 30 (AP)—Trailing for three quarters, Oklahoma's No. 2 ranked Sooners struck for two touchdowns behind savage line play today to win their 15th straight victory by jarring Colorado 13-6.

Left halfback Buddy Leake ran 11 yards for Oklahoma's tying touchdown and kicked the extra point to put the Sooners in front with 18 minutes to play. The Sooners added an insurance touchdown on a 51-yard drive in six plays featured by fullback Bob Burris' 39-yard run to the one after taking a pass from halfback Tommy McDonald.

Colorado, a two-touchdown underdog, rolled to a 6-0 lead with 6:35 minutes to play in the second quarter on tailback Carroll Hardy's screen pass to wingback Frank Bernardi on a 19-yard scoring play. Colorado got its chance when Oklahoma lost the ball on its 42 because they had 12 players on the field on a fourth down running play with two yards to go.

Oklahoma struck back with the ensuing kickoff on a 4-play drive down to Colorado's two where the half ended. Leake was stopped on the scrimmage line on the final play of the period.

The teams fought savagely through a scoreless third quarter with Colorado driving to Oklahoma's 12 for the deepest penetration by either team.

The Sooners moved ahead 7-6 early in the fourth on Leake's placement kick after Oklahoma drove 88 yards in 14 ground plays for a touchdown on Leake's 11-yard right end run.

Oklahoma ran the margin to 13-6 on a 51-yard march in six plays, featured by a 39-yard pass and run play from McDonald to Burris to the one. Quarterback Pat O'Neal sneaked over with 4:06 minutes of play left.

Billy Pricer's try for the extra point was wide.

Oklahoma	0	0	13	0—13
Colorado	0	6	0	0— 6

Hobbs Edges Trent, 13-6

The Hobbs Panthers, who had upset Robert Lee earlier this season in a District 6-B game, surprised Trent Friday night 13-6.

Hobbs controlled the offensive game most of the way. Except for the one time Trent scored, it did not get inside the 30-yard line.

Durwood Hopper went around end 12 yards to get the first Hobbs touchdown. Bynum Miers missed the extra point kick to leave the score 6-0 at halftime. In the third period Ralph Hardin went over tackle, cut back, and split the middle of the field for 65 yards and another Hobbs score. Hopper kicked the point to make it 13-6.

With two minutes to go in the game, Trent scored on a 20-yard dash by Jimmy Hobbs. The team missed the extra point try. The TD was set up when Hobbs missed a punt and a Trent player bounced onto it.

Friday night the Hobbs team will meet South Taylor at Tuscola in a non-district game.

Princeton, Colgate Tie

PRINCETON, N.J., Oct. 30 (AP)—Princeton, a two-touchdown underdog, battled unbeaten Colgate to a 6-6 tie today before 23,000 chilled spectators. Princeton dominated play for most of the game but Colgate rallied in the final period to tie the score on a 29-yard touchdown pass, Guy Martin to John Williams.

District 3A-1 Play Tightens As Season Heads For Stretch

District 3A-1 gets into a bigger muddle each week, and it may even get in deeper after one more week's play.

There is not an undefeated and untied team left in the district, although two teams, Big Spring and Breckenridge, are tied but not beaten. The two powers, which tied up for first in the district last year, could possibly be headed in that direction again.

What is different from last year's situation is that four more teams are in striking distance. While Big Spring has a 3-0-1 record and Breck a 2-0-1 mark, Sweetwater is running in third place with two wins and a loss, Levelland and Vernon next with 2-1-1, and Snyder next with 2-2. Lamesa and Plainview have lost four each.

While Snyder was running over Plainview 39-19 Friday night, Big Spring upset Levelland 20-0 and Vernon knocked off the district leader, Sweetwater, 12-7. That complicated things, Breckenridge, as expected, took Lamesa 35-0.

Big Spring's line was breaking through into Levelland's backfield and taking it for losses to stop the Lobo attack. John Birdwell headed up that defense, breaking through many times and recovering two fumbles. Frosty Robison got the first score in the initial quarter on a 16-yard run across four Levelland defenders. Glenn Jenkins kicked the point to make the lead 7-0. Each team stopped the other's drives during the next two periods. Birdwell got on top of a Levelland fumble at midfield in the last quarter, and the Steers got another drive underway.

Robison got in one 42-yard run. Tommy McAdams finally sneaked across from the one for the next score. Jenkins again got his extra point. There was less than a minute to go when Big Spring started its final drive. All but eight seconds was gone when McAdams passed 46 yards to Robison on the eight and Robison went across. Levelland passing gain was cut to 28 yards, while the Steers made 99 in the air. On the ground, Big Spring led 271 to 126.

Vernon scored late in the third period against Sweetwater to move from behind and win. Vernon got a 6-0 lead while controlling the ball most of the first half. The TD was scored in the second quarter on a pass from Jerry Pearson passed to Gene Miller for eight yards.

With Sweetwater leading 7-6 going into the fourth quarter, the Lions started a drive on the Mustang 25 after Bobby Bryant had made a 25-yard punt return to that point. Bill Lovelace carried to the four, and Pearson passed to Miller for the TD. Sweetwater's Harold Hobbs, offensive leader from his halfback position all season, was injured in the third period and did not go back into the game.

Breckenridge scored in all quarters in the win over Lamesa. Clyde Harris punched over from the seven-yard line for the first score and kicked one of his four extra points of the night. In the second period, the Buckies started from their own 40, moved to the Lamesa nine, and Jake Sandefer crossed over for the next score. Breck scored again before the half when Dick Carpenter went over tackle and raced 64 yards to the goal line. As the third period opened, Sandefer took a Lamesa punt and returned it 64 yards down the sideline for another score. Less than a minute was left in the game when Breck got the final count, with Carpenter setting it up on a pass interception, which he ran back 20 yards to the Lamesa 15. Edwin Robertson, a reserve halfback, took a pitchout from Mike Kingston and took it for the score. John Henry Cotton kicked the extra point.

SPORTS

ABOVE THE BLEACHERS

By DALE WALTON

We don't know what will happen as the result of the Levelland rhubarb Friday night, but the Lobo fans should at least be reprimanded by District 3A-1.

After the Lobos, who had a week before tied mighty Breckenridge 13-13, lost to Big Spring 20-0 Friday night a large mob of fans hit the field and started a fight, with even some players included. Some Big Spring gridders got bruises in the game and later found that part of their belongings had been stolen from the locker room.

We'll grant that Levelland has a whale of a team this season, but when it gets beat . . . well, it's just beat. Snyder had a closer game than that with Levelland, but at least the fans didn't show indignation toward the Levelland team about it. Fans are to watch football, not to try to see who can win in a brawl after the game has ended.

• • •

Lacy Turner, bigtime high school coach in Texas of the 1930s and more recently a former Fluvanna High School teacher, is now working with Odessa's elementary school athletic program. He is also scouting games for the high school. Turner returned to athletics this year after a long layout.

• • •

Fluvanna coach Grover Watkins is now working out his boys and girls basketball teams in preparation for the coming season. He has about 13 boys out and may have five more eligible by midterm. The girls team, which now numbers seven, is getting new suits this season.

Last year, Fluvanna had a basketball team for the first time in quite a while. The team this year will use the school's new gymnasium for the second year. The schedule will open late in November.

Fluvanna will again have a high school basketball tourney this year. Six to seven teams of boys and girls are expected for the event, which will be held Dec. 9-11. It was held for the first time last year. The Ira girls and Gail boys are defending champions.

• • •

The Snyder Tigers have two weeks to get ready before Breckenridge comes here for a grid game Nov. 12. They believe they could have beaten Levelland, and Levelland tied Breckenridge, so who says Snyder doesn't have a chance against the Buckaroos. They're going to try for it Friday night Big Spring will go to Breckenridge.

• • •

Hermleigh will want to know about homecoming at that school. It will be held Friday, highlighted by a game with Bronte at 8 o'clock.

BOWLING

CITY LEAGUE

Last week's results — Chuck Wagon 2,555, 4 points, Goss Car Lot 2,443, Bull's Service 2,571, 3 points, Weber Insurance 2,531, 1 point; Blakely Service 2,623, 3 points, Williams Jewelry 2,589, 1 point, Snyder Wholesale 2,696, 4 points, Ford employes 2,514.

High individual series — Pat Huddleston, 439.

This week's schedule — (6th week) Wednesday night, Bell's vs. City Floral, George's vs. Jo-Zim, Hilander vs. Jimbo.

League standings — Jimbo 16, Bell's 15, Hilander 10, Jo-Zim 8, City 6, George's 6.

Georgia Holds Tide To Scoreless Draw

BIRMINGHAM, Oct. 20 (AP)—Georgia fullback Bobby Garrard intercepted a fourth quarter Alabama pass in the end zone here today to give the Georgians an upset 0-0 tie with the heavily favored Crimson Tide.

Garrard took the pass out of the hands of 'Bama's Corky Tharp, and raced back up the field to the 11. That ended the last of several Alabama threats, mostly engineered on the sharp passing of Bart Starr.

Starr, injured all season, was Alabama's chief threat. He had run and passed for most of the yardage to get 'Bama down to the Georgia 7 before the key pass interception.

Alabama had other scoring chances, getting to the Georgia 8 in the second quarter, but the alert Georgia defense stopped the Tide each time.

Georgia's best chance ended when Joe Graff tried a long-range field goal from the Alabama 40 in the third period. It was short.

Georgia	0	0	0	0—0
Alabama	0	0	0	0—0

Mundy Clips Roby, 52-0

The Roby Lions fell under the Munday steamroller Friday night in a 52-0 game.

This brought Roby's season record to 2-6 and district record to 0-4. Munday has won five of seven district games and now has a 2-1 district record to tie for third in loop 8-A with Merkel, which Friday night ran over Roscoe 32-0.

Leading the district with 3-0 records are Albany and Haskell. Albany was idle Friday, while Haskell was winner over Throckmorton 13-7. Throckmorton is now fifth in the district, while Roby and Roscoe bring up the rear.

Glenn Amerson tallied three touchdowns to lead the Munday offense over Roby, while Gary Cure led linemen. He made one score and got four extra points. Jimmy Ledbetter was also a top offensive player.

Roby was playing without five of its original first string, all out with injuries.

GAME IN FIGURES

	Roby	Munday
First Downs	7	12
Net Yards Rushing	116	213
Net Yards Passing	81	126
Pass Completed	5 of 15	4 of 9

CLEARING OUT PACK OF BULLDOGS

Shorty Grimmett, Snyder tackle, No. 78, crashes across from his position on the left side of the line to help clear a hole on the other side for Joe Baxter, halfback who was among leading ground gainers of Friday night. Baxter ran second on ground gains to Jack Spikes, who averaged more than 12 yards per carry and scored three times. Baxter scored once. Grimmett was, one of the defensive leaders of the night. The victory gave the Tigers a 2-2 district record. (Lee Watson photograph.)

Shofner's Sprint With Fumble Wins For Bears

By HAROLD V. RATLIFF

FORT WORTH, Oct. 30 (AP)—Del Shofner plucked a fumble out of the air and pounded 38 yards to the touchdown that gave Baylor a 12-7 victory over Texas Christian and kept it in the Southwest Conference race today.

The Horned Frogs successfully put a halter on the dreaded passing of Baylor's Billy Hooper but couldn't control the breaks.

The Frogs were leading 7-6 in the third period when fullback Harold Pollard, whose point after touchdown had put TCU ahead, smashed through tackle for a good gain only to have the ball squirt out of his hands and into the arms of a surprised but delightened Shofner.

Shofner hot-footed it across the goal line with a couple of Frogs sliding off him.

Then Baylor sat back and repeatedly fought the Frogs away from their goal. Midway of the final period the Frogs stormed to the Golden Bears' seven only to be thwarted by the play of the massive, bruitish Baylor line.

	Baylor	TCU
First downs	14	11
Rushing yardage	198	130
Passing yardage	59	127
Passes attempted	10	16
Passes completed	2	3
Passes intercepted by	1	3
Punts	6	5
Fumbles lost	0	2
Yards penalized	36	25

Baylor scored first in the second period —after an offside penalty moved the ball to the TCU one at the end of a 47-yard Baylor drive. Hooper, who was bottled up to the extent that he completed only two passes out of 10 thrown and had three intercepted for the day. He rammed center for the touchdown. James Smith's try for point didn't even get off the ground.

TCU came back to move ahead shortly afterward when Pollard intercepted a Hooper pass on the 41. TCU rolled to the Baylor 13 on Jim Swink's running and passcatching and the Bears were penalized to the one for roughing. Then quarterback Chuck Curtis, who had relieved the injured Ronnie Clinkscale of the Frogs, converted.

A crowd of 28,000 turned out for the game played on TCU's homecoming and until the last minute it appeared TCU might win the game and send the old grads home happy.

The Frogs had given Hooper his worst day at passing in his career. The Baylor quarterback who threw for three touchdowns in two consecutive games, had a miserable afternoon along this line today. He had his passes intercepted and blocked and was thrown for losses when trapped trying to get them off.

But Hooper ran the Baylor team well, returned punts skillfully and intercepted a pass at a time when the Frogs were pushing up the field in determined fashion.

Statistically the game was even-stephen although Baylor had a much stronger ground attack — surprisingly — than the Frogs, who had been noted primarily for their running. Each team had 257 yards total offense but 127 of TCU's came in the air to 59 for Baylor.

Allen Jones sparked the Bear ground attack with 75 yards on 11 carries, which also was high for the game. Shofner was second with 61. Him Swink topped TCU with 45 yards.

Curtis passed for all of TCU's 12 7yards.

Baylor	0	6	6	0—12
TCU	0	7	0	0— 7

Baylor scoring: Touchdowns, Hooper, Shofner.

TCU scoring: Touchdown, Curtis. Conversion, Pollard.

Irish Nudge Tough Navy Middies, 6-0

BALTIMORE, Oct. 30 (AP) — A penalty-plagued Notre Dame team cashed in on a perfect pass play and the traditional luck of the Irish to bury determined Navy 6-0 in the mud of Baltimore Memorial Stadium today.

The payoff pass, a 46-yard toss from Ralph Guglielmi to speedster Jim Morse came after five minutes of play in the second quarter. The luck which had been going against Notre Dame's Irish, turned in their favor at a crucial moment in the third period and prevented a Navy score.

The Midshipmen, refusing to waver although they took somewhat of a manhandling in the first half, came back with a brilliant passing attack with George Welsh throwing the muddy ball. Eventually, after a series of mishaps and fumbles, that gave Navy a first down on the Notre Dame one.

On the second play Bob Craig pounded across the goal line but he fumbled as a horde of Notre Dame tacklers hit him and Guglielmi came up with the ball for a touchback. Navy never got another real chance.

Although Notre Dame had been favored the victory didn't do much to enhance the prestige of the Irish, voted the sixth-ranking team in the nation in this week's Associated Press poll. They suffered horribly from fumbles and penalties while underdog Navy fought them almost to a standstill in the line.

A crowd of 60,000 which filled the big double-decked Baltimore Memorial Stadium to capacity, saw the Midshipmen take charge at the start of the second half. It wasn't until midway through the final period that Notre Dame's superior power pushed Navy down into the mud again to clinch the victory.

After the Notre Dame score, three fumbles slowed the teams, while keeping excitement at a high pitch, and the half ended with the score still 6-0.

Notre Dame	0	6	0	0—6
Navy	0	0	0	0—0

Harvard's Crimson Decisions Ohio U.

CAMBRIDGE, Mass., Oct. 30 (AP) —Harvard put together two second-half drives and a timely pass defense play by sophomore Jim Joslin, at tailback for injured Matt Botsford, today as the Crimson fought off Ohio University's ever-dangerous attack for a mud-splattered 27-13 victory.

Joslin's 14-yard running pass to senior wingback Bob Cowles capped a 68-yard march in the third period to give Harvard a 20-7 lead. Sophomore fullback Tony Gianelly bucked 3 yards for the insurance TD midway in the fourth at the end of a 76-yard strike on 12 plays through the tiring Ohioans.

Pitt Upsets Mountaineers

MORGANTOWN, W.Va., Oct. 30 (AP)—Two arrow-straight passes by sophomore Corny Salvaterra in the final half punctured West Virginia's perfect season and bowl hopes today as resurging Pittsburgh scored a 13-10 upset victory at Mountaineer field.

The 190-pound sharpshooter hit his sophomore battery mate, Ambrose Bagamery, from 9 yards out late in the third period and then connected with towering end Fred Glatz on a 4-yard bullet pass into the end zone to clinch the game with 2 minutes and 22 seconds to play.

Both touchdown strokes wiped out leads by the West Virginians, who scored a 19-yard field goal by center Chick Donaldson with a second to play in the opening half and who added a touchdown midway in the fourth period on a 4-yard sweep by fullback Joe Marconi.

The Mountaineers had a 10-7 lead until Salvaterra, a brilliant field general who is a double threat as passer and runner, marshalled the winning 65-yard drive from the kickoff.

It was the third straight victory for the Panthers, rallying to a fine season under interim Coach Tom Hamilton after losing the first three games.

Hamilton, robust retired Navy admiral, took over the reins when Red Dawson became ill. Hamilton led the Panthers to triumphs over Navy and Northwestern before today.

Xavier Slaps Down Boston College Team

BOSTON, Oct. 30 (AP)—Xavier of Cincinnati ended a 12-game winless streak extending over two seasons by knocking Boston College's Eagles out of the unbeaten class today with a 19-14 upset in rainswept Fenway Park.

The Musketeers, who had lost all six games this year and were at least three-touchdowns underdogs, came back from a 14-0 deficit and moved 70 yards on a winning touchdown march. Big fullback Don St.John bulled across from one foot out for the clinch with less than three minutes left.

The other two Xavier touchdowns came on a 64-yard run by halfback Bob Konkoly and an 82-yard drive following Lenny Frey's pass interception at the Xavier 10. Fritz Bolte scored that tally on a 29-yard jaunt around left end.

Boston College — with its eye on a possible post season bowl bid — failed to present its customary rugged defense, which was ranked No. 1 in the nation going into the game.

Duke Rallies To Win, 21-20

DURHAM, N.C., Oct. 30 (AP) — Duke, behind 19 points in the third period, climaxed a whirlwind rally by scoring in the last 30 seconds to defeat Georgia Tech, 21-20, today before a cheering crowd of 33,000.

Guard Jimmy Nelson's three conversions proved the difference.

The Blue Devils, on the defensive most of the first half, saw Georgia Tech score twice in the second period after the Yellow Jackets had twice been stopped inches short of the Duke goal.

Georgia Tech scored with four minutes remaining in the second period when reserve quarterback Bill Brigman passed 43 yards to halfback Paul Rotenberry.

In the last minute of the second period Georgia Tech scored again when Dickie Mattison went over from the one. An 18-yard pass play from quarterback Wade Mitchell to end Bill Sennett accounted for the last Tech touchdown in the third quarter.

Duke roared to life by taking the next kickoff and rolled 66 yards with quarterback Jerry Barger passing to Jerry Kocourek from the 11 for the tally.

Mitchell fumbled a few minutes later and Duke reserve fullback Sam Ebert recovered on the Tech 35. Aided by a 15-yard penalty for roughing the kicker, Duke rolled to the Tech three from where fullback Bryant Aldridge crashed over.

In the closing minutes Duke launched another drive from its own 13 to the Tech 4 from where halfback Ed Post whirled around left end to score. Nelson calmly kicked the winning point.

Georgia Tech	0	14	6	0—20
Duke	0	0	7	14—21

Florida Clips Maroons, 7-0

GAINESVILLE, Fla., Oct. 30 (AP) — Sophomore tackle Buster Hill grabbed a teammate's fumble in the end zone for a touchdown and a 7-0 Florida victory over Mississippi State today that kept Florida in the running for the Southeastern Conference football title.

Florida's Gators have won four SEC games—the first season they ever have done so well—and lost one.

The scoring fumble started with a wide sweep by halfback Jackie Simpson from the State 9 just before halftime. Simpson dropped the ball just as he was about to cross the goal, and Hill—who was down to help block—was in position to snuggle it in his arms.

Ed Bass kicked the conversion, and that was all the scoring, but the Gators had to make two goal line stands inside their 10 in the late minutes to keep Mississippi State from making the same kind of comeback it did in upsetting Alabama a week ago.

Mississippi State	0	0	0	0—0
Florida	0	7	0	0—7

Iowa Shakes Badgers, 13-7

IOWA CITY, Iowa, Oct. 30 (AP)—Iowa shook Wisconsin in a 13-7 Big Ten football surprise today to deal a fatal blow to the Badgers' Rose Bowl hopes.

Iowa rapped the Badgers with two first half touchdowns and then fought off a powerful challenge to get its first victory over Wisconsin in six years.

Alan (The Horse) Ameche, plus some dazzling passing by Jim Haluska, almost hauled Wisconsin to at least a tie but a fumbled handoff-play by the Badger pair dashed their hopes when it seemed a second touchdown was a certainty.

The misplay came on Iowa's five-yard line and Earl Smith snapped up the ball for the Hawks and that was the dismal end for Wisconsin. Iowa kept possession in the final frantic five minutes as a Dad's Day crowd of 52,185 saluted its favorite sons.

Coming only a week after a 31-14 loss to Ohio State, the setback left Wisconsin with a 2-2 conference record. Iowa now has a 3-2 mark in the conference.

Wisconsin	0	0	7	0— 7
Iowa	7	6	9	9—13

ACC Wildcats Trim Lamar Tech, 33-14

ABILENE, Oct. 30 (AP)—The powerful ground attack of Abilene Christian College gave the Wildcats a 33-14 homecoming victory over Lamar Tech today.

ACC held a 6-0 halftime lead, made it 12-0 in the third quarter and finished with a flourish, scoring three touchdowns in the fourth period to bury the visiting Cardinals with the power of over 400 yards rushing.

Galveston In Spotlight Of 4A Grid Show

By The Associated Press

Galveston's Tors are in a position to win their greatest glory in Texas schoolboy football.

The unheralded Tornadoes, who whipped the best in the state on consecutive weekends, are looking toward a No. 1 rating and a quick clinching of the District 8 title in the Class AAAA division. Then they can go into state competition the most respected team of all.

Galveston did the totally unexpected last week as it beat Port Arthur, considered the top team in the state, 13-12. It skyrocketed the Tors, who had licked Baytown the week before, to their highest pinnacle in history.

This week Galveston plays one of the weakest teams in the state —Orange—and by winning that can take a stranglehold on the district title.

Not many undefeated teams are left in the top classes—AAAA and AAA—and in only one instance will two of them meet this week. That comes in District 1 of Class AAA where Big Spring and Breckenridge, both unbeaten but once tied, clash in a game that might well decide the title.

Big Spring showed power last week in whipping Levelland, a team that tied Breckenridge, 20-0. So the Broncs might repeat as district champions after all.

Another highly important game sends Waco against Highland Park of Dallas in Class AAAA. They are tied for the District 5 lead. Wichita Falls is the only member of the district not having played a conference game but that will be fixed this week as the Coyotes meet Stephen F. Austin of Austin.

Waco removed one of the unbeaten teams from the list last week in strapping Tyler 7-0.

Galveston should become the championship favorite in Class AAAA. Lufkin still is the top outfit in Class AAA. The Panthers whipped Mt. Pleasant 41-0 last week to remain undefeated, untied and virtually unworried.

The schedule is crowded with conference games this week. The schedule by districts (all games conference unless indicated otherwise):

CLASS AAAA

1. No games.
2. Thursday: El Paso Jefferson vs El Paso High; Friday: El Paso Austin vs El Paso Bowie, El Paso Cathedral vs Ysleta (nonconference).
3. Thursday: Fort Worth Arlington Heights vs Fort Worth Amon Carter-Riverside; Friday: Fort Worth Paschal vs Fort Worth Poly.
4. Thursday: North Dallas vs Dallas Crozier Tech; Friday: Dallas Sunset vs South Oak Cliff; Saturday: Dallas Woodrow Wilson vs Dallas Hillcrest.
5. Friday: Austin Stephen F. Austin at Wichita Falls, Waco at Dallas Highland Park.
6. Thursday: San Antonio Brackenridge vs San Antonio Tech (nonconference); Friday: San Antonio Jefferson at Corpus Christi Ray, Corpus Chrsiti Miller at Brownsville, San Antonio Lanier at Laredo (nonconference).
8. Thursday: Houston San Jacinto vs Houston Lamar; Friday: Houston Jeff Davis vs Houston Austin; Saturday: Houston Milby vs Houston Reagan.
8. Friday: Orange at Galveston, Beaumont at Baytown, Port Arthur at Pasadena, Freeport at Galena Park.

CLASS AAA

1. Friday: Lamesa at Vernon, Plainview at Sweetwater, Big Spring at Breckenridge.
2. Friday: Pleasant Grove at Garland, Arlington at Cleburne, Brownwood at Irving.
3. Friday: Kilgore at Sherman (nonconference), Gainesville at McKinney, Denison at Greenville, Denton at Paris.
4. Friday: Texarkana at Marshall, Nacogdoches at Mt. Pleasant, Lufkin at Longview.
5. Bryan at Austin Travis, Austin McCallum at Corsicana, Temple at Palestine.
6. Beaumont French vs Beaumont South Park, Aldine at Port Neches, Conroe at Texas City.
7. Friday: New Braunfels at San Antonio Alamo Heights, San Antonio Harlandale vs San Antonio Edison, Seguin at Victoria, Kerrville at San Antonio Burbank.
8. Friday: McAllen at Kingsville, Harlingen at Pharr-San Juan-Alamo, Alice at San Benito.

Oklahoma Aggies Whip Tulsa Hurricane, 21-0

TULSA, Okla., Oct. 30 (AP)—Oklahoma A&M's Cowboys, taking full advantage of Tulsa errors, fashioned touchdown drives of 41 and 14 yards today to whip their old state rivals in a Missouri Valley Conference game 12-0.

Both A&M scores, the first by quarterback Fred Duval and the second by fullback Earl Lunsford after short yardage, followed timely opposition fumbles. Duval's was set up by halfback Billy Whitt's 23-yard dash to the Tulsa 7, the longest gain of the day for either team.

Wichita Nips Cougars, 9-7

WICHITA, Kan., Oct. 30 (AP)—Wichita University remained undefeated in the Missouri Valley Conference football race by defeating Houston University 9 to 7 today.

A safety, scored by Wichita when Houston was backed up on its own goal line in the third, proved the winning margin. Wichita had fumbled away a touchdown chance, on the two yard line, with three downs to put the ball across.

Each team scored a touchdown in the first half in a hard defensive game before 16,116 fans on a raw day with a strong north wind.

Houston scored in the first period in 4:58 minutes of play. Leroy Hinman, Wichita fullback fumbled on his own 34 and Jack Patterson of Houston recovered.

The Cougars rammed down to score in seven plays with Donn Hargrove going seven at left end for the touchdown and Don Flynn booting the extra point.

Houston	7	0	0	0—7
Wichita	0	7	2	0—9

Vols Outlast North Carolina

KNOXVILLE, Tenn., Oct. 30 (AP)—Fullback Tom (The Bomb) Tracy broke repeatedly through and around North Carolina's line today to lead Tennessee to a free-scoring 26-20 football victory.

Tracy, 180-pounder from Birmingham, Mich., dashed 43 yards for the Vols' first score and put on the clincher with a beautiful 71-yard touchdown sprint midway the fourth period. In between he raced 82 yards for another which was nullified by a penalty.

In by far his best performance of the season, Tracy netted 192 yards on 14 carries. He also made two conversions and turned in a fine defensive performance.

The Vols, looking sharper than they had in three previous home appearances, grabbed a 19-7 first half lead on Tracy's 43-yarder, an 80-yard punt return by tailback Bobby Brengle and Tom Cloar's 16-yard pass to halfback Terry Sweeney.

The Tar Heels, who picked up their first six-pointer in the second period on quarterback Albert Long's 39-yard pass to halfback Ken Keller, came back strong after the intermission and threatened to overtake the Vols.

North Carolina	0	7	6	7—20
Tennessee	7	12	0	7—26

Cadets Have Close Shave

WEST POINT, N.Y., Oct. 30 (AP)—Army's reputation as a national football power suffered a rude shock today when the Cadets had to fight for their very lives to a come-from-behind 21-20 victory over an inspired Virginia team that wasn't supposed to come close.

Virginia rocked Army back on its heels with Herbie Hartwell, a workhorse back, leading the surge, but the gallant Southerners didn't have quite enough to win. As the game ended, Lefty Whitey Clarke's 25-yard pass fell in the end zone in a tingling last-gasp effort.

It was a close, hard-fought struggle all the way, with a missed conversion try by Stan Knowles after the first Virginia touchdown in the second period proving to be the margin of defeat. Ralph Chesnauskas' three perfect conversions saved the day for the Cadets who had been fifth ranked in the nation in last week's Associated Press poll.

Virginia	0	6	14	0—20
Army	7	0	14	0—21

'B' Team Is Winner, 21-12

The Snyder High School B team showed much improvement yesterday afternoon in downing the Big Spring B 21-12 in a grid game at Snyder. In a previous meeting, the team lost to the Big Spring squad 22-0.

Big Spring scored first and held a 6-0 lead for a while. The Snyder team, however, tallied three times to bring its lead to 21-6. Big Spring scored again late in the last quarter.

Jerry Taylor got one Snyder touchdown, while Bill Fowler had two. All were on long runs. Fowler ran across all three Snyder extra points.

This gives the team, coached by Jack Dillon, a 2-4 record for the season. Next Saturday night, the B team will host the Colorado City B.

Cards Overtake Loraine, 20-19

The Hermleigh Carinals got a win by the skin of their teeth Friday night and took over the lead in District 6-B alone.

They edged out a 20-19 victory over Loraine, after going into the fourth quarter two touchdowns behind, and broke the tie the two teams had created for leadership in the loop.

Loraine led off in the second quarter of the game on a two-yard plunge by Eddie Galvan. Roy Johnson tried to carry for the extra point, but he was stopped. Before the period ended, Hermleigh scored on a three-yard run by Billy Mac Davidson after the TD have been set up by a 60-yard pass from Robbie Robinson to Neal Wilcox. Robinson sneaked through the middle for the extra point, putting the Cards ahead.

The Loraine team stormed through the third period, scoring two touchdowns. Johnson went 60 yards on the team's first play for a score. He carried for the extra point. Jimmy Hall passed 20 yards for the other tally, with Ken Harris doing the catching. Johnson failed again on the extra point try, and Loraine was leading 19-7 as the third period ended.

Hermleigh drove 40 yards to the goal line, with Davidson carrying the ball across for another score in the fourth period. Then, with four minutes to go in the game, Wilcox dashed 15 yards for the tying touchdown, ending a 50-yard drive led by himself and Davidson. It was Davidson who then broke the tie by kicking the extra point.

Loraine started another good drive, working down to the Hermleigh 25 before the game ended. The Loraine team had failed to make a first on a fourth down attempt as time ran out.

The Cards will play at home again this week, hosting Bronte in a homecoming game which will start at 8 o'clock Friday night.

Yale Takes Lead In Ivy

NEW HAVEN, Conn., Oct. 30 (AP) —Unbeaten but once-tied Yale, coming from behind, tallied twice in the second quarter, once on a 70-yard run by sophomore Al Ward on the Statue of Liberty play, to down Dartmouth 13-7 today and gain undisputed lead of the Ivy League.

The torrid battle in which the outcome was in doubt until the last moment was filled with exciting plays and in the end, it was Yale's strong line play that brought the victory. The losers were handicapped by the loss of ace passer Bill Beagle during most of the second half due to a bruised hip.

A crowd of 32,000, which sat through intermittent rain in the Yale bowl, saw Dartmouth go in front early in the opening period. The score, set up by a 47-yard Beagle to Dick Flagg pass, was registered from the 1 by sophomore Dick Smith. Beagle added the extra point.

Yale rallied for two touchdowns in the second period. Ward made his run at 5:09 of the period. About six minutes later, after an exchange of fumbles near the Dartmouth goal line, Dean Loucks scored from the 2 on a quarterback sneak. Vernon Loucks converted after the first TD, but missed the second.

Dartmouth	0	7	0	0	—7
Yale	0	13	0	0	—13

East Texas State Nips Sam Houston By 20-14

COMMERCE, Tex., Oct. 30 (AP)— Recovery of a Bearkat fumble on their own 4-yard line with one minute left secured East Texas State a 20-14 victory over Sam Houston State today.

A homecoming crowd of 8,000 saw the Lions slip by their Lone Star Conference rivals.

Bruins Tame Cal By 27-6

BERKELEY, Calif., Oct. 30 (AP)— Primo Villanueva, shifty left halfback, raced to two touchdowns and engineered two more to give the UCLA Bruins a 27-6 victory over the California Bears today in their annual coast conference football clash.

While 64,000 fans looked on, Villanueva galloped 40 yards and then went over from the 3 for UCLA's first-period touchdown.

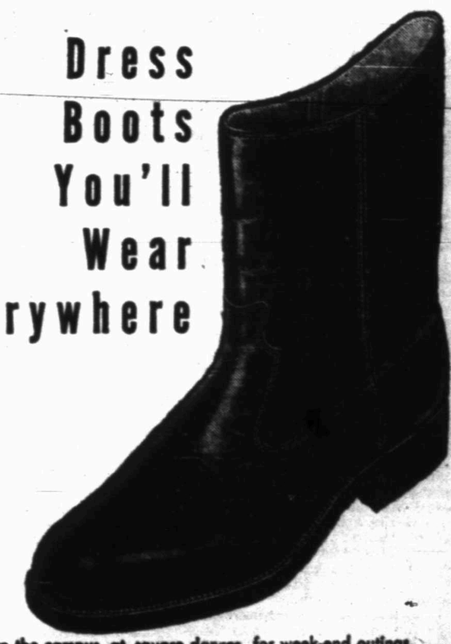

In the second quarter, Villanueva thrilled the crowd with a 26-yard broken field run for the Bruins' next score.

Fullback Bob Davenport dived over center for a fourth-period score, ending a 64-yard thrust in 7 plays. Villanueva completed two long passes in the march.

The quick-footed Bruin left half threw 8 yards to right half John Hermann in the end zone later in the final quarter to climax a 50-yard advance.

UCLA	7	7	0	13	—27
California	0	6	0	0	—6

Dress Boots You'll Wear Everywhere

CRAWFORD STEPS OUT

Gerald Crawford, one of the top ground gainers for the Snyder Tigers in their 39-19 win over Plainview in a district game here Friday night, sweeps right end for one of his sizeable gains of the night as a Plainview defender closes in. Crawford made two touchdowns in the game. He made several gains of seven to 15 yards. The Tigers will be idle next week and will host Breckenridge two weeks from now. (Lee Watson photograph.)

Alert Razorbacks Top Aggies, 14-7

By ROBERT FORD

COLLEGE STATION, Oct. 30 (AP)—The Arkansas Razorbacks, brilliantly alert for every break and stubborn on the goal line, defeated a fired-up, upset-minded Texas A&M 14-7 tonight to remain one of the nation's football powers and support king of the Southwest Conference.

The Aggies never surrendered. The gallant, thin Texas crew provided one of the thrills in the fading minutes when Don Watson took an Arkansas punt on his 18, faked a handoff and skirted down the right sideline, eluded the final desperation tacklers and went over the goal. But as the crowd roared, officials called it back for a clipping penalty.

The Razorbacks capitalized alertly on two breaks to set up their two touchdowns.

Waler Matthews made the first one on a 38-yard pass from George Walker in the second one on a 2-yard drive following a fumble recovery on the Arkansas 42. George Walker converted after the first score.

The battling Aggies scored first as they bucked and drove for 85 yards in 18 plays — all on the ground — with the sparkling Elwood Kettler going over center for two and a half yards and the tally. He also converted.

The Aggies never knew they were beat. At the finish, they were desperately passing and fighting so hard they suffered badly from penalities.

In the fourth, facing a 7-14 deficit, they took the ball on their 39 and plugged away for short yardage — never as much as 10 yards — to the Arkansas five. A desperation pass by B. P. Huddleston as he was slammed in the back by a tackler caused the pass attempt to fail and that was the ball game except for Watson's kickoff return that the penalty erased.

The Razorbacks made their second quarter score on a break and a perfect pass play after both teams had gotten nowhere much in that period.

Arkansas end Jerry McFadden fell on a loose ball dropped by Kettler on the Aggie 38. Only 45 seconds remained, officially, in the half. Walker drew back, faked a handoff, then tossed to Matthews, who had shaken loose from his defenders on his 14. Three tacklers made passed at him, but he shook them off, staggered, straightened up, and made the last eight yards standing up.

The second Arkansas touchdown also was made late in a period—the third.

Kettler attempted to pitch out to Joe Schero. Kettler was hit as the ball was leaving his hands and it went awry and fell clear. Arkansas, always alert for the breaks, recovered it, with end Ted Souter cuddling it on the Arkansas 42. Moore and Walker chipped away at the line with Moore cutting left and picking up 27 yards for the best drive. On the two, Moore dived over with a minute and 17 seconds remaining in the quarter.

Arkansas	0	7	7	0—14
Texas A&M	7	0	0	0—7

Arkansas scoring: Touchdowns, Matthews, Moore. Conversions, Walker, Carpenter.

Texas A&M scoring: Touchdown, Kettler. Conversion, Kettler.

Ole Miss Tips Tigers, 21-7

BATON ROUGE, La., Oct. 30 (AP)—Mississippi shook off first quarter fumbleitis tonight and made a bid to return to national recognition with an impressive 21-6 victory over a determined Louisiana State University team tonight.

Mississippi, cashing in on the passing of quarterback Eagle Day and some mighty alert pass defense, cast a gloom over LSU's Homecoming festivities by scoring in the second, third and final quarters.

LSU saved itself from a shutout in the last 41 seconds when substitute quarterback Matthew Bruns heaved a 16-yard scoring pass to left end Sammy Murphy.

Spoilers two weeks in a row, with upsets over Texas Tech and Florida, LSU's plans of staging another team on a rebound from a 6-0 loss to Arkansas last week.

A crowd of 46,000 watched Mississippi quarterbacks Day and Houston Patton operate their separate squads with a dizzy selection of line bucks, pitchouts and plain old fashioned power plays through the LSU line.

Wash. State Halts Indians

PALO ALTO, Calif., Oct. 30 (AP)—The Washington State Cougars, blanked by Idaho last week, rode back with a vengeance today and squelched Stanford's Rose Bowl hopes under a shower of four touchdowns and a field goal, good for a 30-26 Pacific Coast Conference victory.

All the scoring was packed into the first three periods with the lead tied or changing hands nine times.

Stanford scored two of its touchdowns on quarterback bootlegs and two on passes. The Cougars scored twice on passes, once on the runback of an intercepted pass, and one on a quarterback sneak. Frank Sarno's field goal and three out of four Cougar conversions gave the Northerners their winning margin.

Wash. State	13	10	7	0—30
Stanford	13	6	7	0—26

SPORTS

Moegle Leads Owls Over Commodores

By MAX B. SKELTON

Houston, Oct. 30 (AP)—Dick Moegle carried the ball only 12 times but scored three touchdowns and had another nullified by a penalty today as the Rice Owls rolled to an easy 34-13 homecoming victory over Vanderbilt.

Rice's first team sat on the bench most of the afternoon as a crowd of only 28,000 saw the Owls wrap up the intersectional victory by capitalizing on Vanderbilt mistakes.

A fumble and an intercepted pass were turned into first half touchdowns, and two more recoveries and another interception launched three more scoring drives in the third period.

Vanderbilt, taking its fifth straight defeat, saw a fumble wreck a golden opportunity in the game's opening seconds. The Commodores then had to settle for two long scoring drives against Owl reserves in the final period.

Moegle plowed over from the one for the first Rice touchdown in the opening period, sped around right end from the 7 in the second and scampered 22 yards for another in the third.

Two other third quarter Owl scores saw quarterback Pinky Nisbet plunge over from the one and halfback Page Rogers ram over from the 7.

Quarterback Jim Looney hit center from the one for Vanderbilt's first score and then passed 4 yards to end Earl Jalufka for the second.

Jack Throckmorton added three extra points for Rice, while Phil Harris broke even on two attempts. Bobby Goodall kicked Vanderbilt's first extra point but missed the second.

Vanderbilt	0	0	0	13	—13
Rice	7	6	21	0	—34

Vanderbilt scoring: Touchdowns, Looney, Jalufka. Conversions, Throckmorton 3, Harris.

	Rice	Vanderbilt
First downs	17	11

Yards penalized	109	42

Cornell's Passes Sink Columbia, 26-0

NEW YORK, Oct. 30 (AP)—Bill DeGraaf, playing less than half the game, pitched three touchdown passes to lead the improved Cornell eleven to a 26-0 rout of Columbia's injury-riddled Lions today.

Sun Devils Nudge HSU Cowboys, 14-13

ABILENE, Oct. 30 (AP)—Robert Sedler scored two touchdowns and Jack Stovall kicked both extra points tonight as Arizona State of Tempe won its third straight Border Conference game by edging Hardin-Simmons 14-13.

It was Hardin-Simmons first defeat in conference play.

Longhorns Battle Ponies To Deadlock

By DAVE CHEAVENS

AUSTIN, Oct. 30 (AP)—A fiery fighting Texas University football team—fresh from a spanking by its coaches—came from behind to tie favored Southern Methodist 13 to 13 before a dads' day crowd of 52,000 at Memorial Stadium here today.

Twice Texas had the ball so deep in Mustang territory that a winning score seemed certain. One a 78-yard touchdown gallop by halfback Billy Quinn was called back and in the final seconds Texas was once again threatening the Mustangs with their first defeat of the season in conference play.

The old saying about a moral victory might be applied to the efforts of the Texas team, nine of whose members were booted out of the athletic dormitory this week for breaking training rules. The team as a whole had been labelled as sluggish.

But today they hustled and played SMU off their feet for half of the game—the second half. The Longhorns were unable to muster a first down until deep in the second period, but they were working hard.

	SMU	Texas
First Downs	19	13
Rushing yardage	134	103
Passing yardage	185	161
Passes attempted	22	26
Passes completed	16	11
Passes intercepted by	3	2
Punts	4	5
Punting average	36.5	38
Fumbles lost	3	1

Frank Eidom scored SMU's first touchdown on a pitchout from Duane Nutt, whose passing game in the first half was tops. The Methodists scored again in the second period when Don McIlhenny went over from the one. Kicking specialist Ed Bernet's first try for the extra point was good, the second missed.

Texas scored in the third on a fine pass interception and run by Johnny Tatum, with Buck Lansford adding the extra point. The fired-up Longhorns tied it up in the fourth after getting the ball on another interception. Delano Womack passed across the goal line to Quinn who made a shoestring catch. Lansford's point try was blocked.

SMU	7	6	0	0	—13
Texas	0	0	7	6	—13

SMU scoring: Touchdowns, Eidom, McIlhenny. Conversions, Burnet.

Texas scoring: Touchdowns, Tatum, Quinn. Conversion, Lansford.

Buckeyes Hit Late For Win

EVANSTON, Ill., Oct. 30 (AP)—Northwestern's pass defense, suddenly collapsed in the fourth period today, and Dave Leggett lofted a 24-yard touchdown pitch to Bob Watkins to give Ohio State a hard pressed 14-7 triumph.

Ohio State thus took undisputed lead in the Big Ten race.

The Wildcats, playing before 41,650 homecoming patrons, threw a scare into 14-point favored Ohio State by holding the Associated Press' top-rated team to a 7-7 standstill until the decisive Leggett pass.

The toss kept the Buckeyes unbeaten in six games this season and pinned a five-game losing streak on Northwestern. The Wildcats have beaten Ohio State only once in 10 years and have failed to win a Big Ten game since 1952.

Northwestern sophomore quarterback Jack Ellis stole individual honors in his first collegiate appearance. Ellis' three successive pass completions in the second period touched off a 54-yard Northwestern surge in six plays that fullback Bob Lauter capped with an 8-yard scoring smash.

Ohio State	0	7	0	7	—14
Northwestern	0	7	0	0	—7

Abilene Eagles Swamp Amarillo Team, 47-0

AMARILLO, Oct. 30 (AP)—H. P. Hawkins passed for two touchdowns and kicked five extra points today as Abilene smothered Amarillo 47-0 in a Distrct 1-AAAA high school football game.

Phil Bailey and Henry Caldwell scored two touchdowns and Jim Briggs, Hollis Swofford and Jim Carpenter one each.

Hawkins passed 54 yards to Caldwell for one score and 32 to Swofford for another.

The once-beaten Eagles rolled up 389 yards rushing to 112 for Amarillo and gained 97 yards passing to 16 for the Sandies.

In 1906, four-fifths of New York taxicabs were French cars.

The first aniline dye was produced in 1856.

Indiana Tops Wolverines

ANN ARBOR, Mich., Oct. 30 (AP)—Helinski's flying circus today, Indiana, zooming from the Big Ten cellar with quarterback Florian Helsinki's flying circus today, handed favored Michigan its first conference loss, 13-9.

Helinski, playing brilliantly, also set a new Big Ten record by passing 118 times without an interception, 20 of them coming in today's game. The Hoosiers scored after a Michigan fumble and after an interception.

Helinski scored the first Indiana touchdown, going over from the 6 on fourth down. He passed 20 yards to decathlon champion Milt Campbell in the end one for the second Indiana score.

Fullback Fred Baer scored Michigan's only touchdown, going over from the 4. It climaxed a 16-play, 66-yard drive. But 48,502 astonished fans saw a fighting Indiana team contain Michigan through the last half.

Michigan threatened several times but Indiana stopped the Wolverine drives with interceptions, even in the waning minutes.

Indiana	0	13	0	0	—13
Michigan	7	0	2	0	—9

Spartans Fall To Minnesota

MINNEAPOLIS, Oct. 30 (AP)—Bolting Bob McNamara gouged Michigan State's tormented Rose Bowl champions from two backfield positions today and steered Minnesota to a 19-13 victory before 63,575 chilled homecoming fans.

McNamara, shifted from right halfback to fullback at the start of the game to plug the Gophers' injury-stricken fullback corps, scored two touchdowns and contributed decisively to a third.

The churning 190-pounder nailed down Minnesota's fifth victory in six starts under yearling Coach Murray Warmath grabbing a Pat Wilson fumble before it touched the ground to race 40 yards to a touchdown in the third period.

It was Michigan State's fifth defeat against one victory in its most dismal season since its rise to a national power.

Michigan State	6	0	0	7	—13
Minnesota	0	7	12	0	—19

Purdue Rolls Over Illinois

LAFAYETTE, Ind., Oct. 30 (AP)—Big Bill Murakowski, who didn't start because of a leg injury, smashed through Illinois for two touchdowns today and Purdue kept its fruitless attempt to win its first western conference victory of the season and gave away two first-half touchdowns with fumbles deep in its own territory.

Lenny Dawson, sophomore quarterback sensation, threw his 13th touchdown pass of the season to 6-foot-7 end Lamar Lundy. It covered 8 yards.

The Boilermakers rolled four sevens, a touchdown a period, against the luckless Illini, with Dawson kicking the extra points. Little Rex Brock scored one Purdue touchdown on a four-yard plunge.

Illinois matched Purdue's first-quarter touchdown with Abe Woodson's 14-yard run in the second quarter. Halfback Ken Swienton, responsible for one of Illinois' lost-ball fumbles, made up for it with a 26-yard end run for a touchdown in the fourth quarter.

Illinois	0	7	0	7	—14
Purdue	7	7	7	7	—28

San Jose Fights Off North Texas, 27-20

DENTON, Oct. 30 (AP)—San Jose State of California fought off a fourth period rally by North Texas State tonight to squeeze out a 27-20 intersectional victory before 3,000.

The hard driving Spartans rallied behind second string quarterback Tony Teresa to build up a 20-7 halftime lead. Then after the Eagles tied it up at 20-20 in the final quarter Teresa ran 52 yards on a keeper for the winning touchdown.

Arizona Wins, 48-12

TUCSON, Ariz., Oct. 30 (AP)—Arizona slashed West Texas State 48-12 tonight in a Border Conference football game. The Wildcats had things easy in trimming the cellar team of the league.

The U.S. Navy Band, known over the globe as "The World's Finest" is a product of the U.S. Naval School of Music in Washington, D.C. The School is now in its 20th year of existence. The famous Navy Band will appear in Snyder next Sunday under sponsorship of the Snyder Shrine Club. Tickets for the three performances here, two matinees and one evening show, are now on sale.

Navy Takes Pride In Its Own Music School At Washington

The U. S. Navy Band, which makes an appearance here next Sunday under sponsorship of the Snyder Shrine Club, is part of a music organization which is considered highly important by the Navy.

Music in the Navy, on land and sea, is a familiar sound and sight all over the world, whether it is ceremonial honors rendered in a foreign port-of-call or a USO dance or concert presented in a midwestern city of the United States.

Navy bands are the product of a music program under supervision of the famous U.S. Naval School of Music in Washington, D. C., now in its 20th year of existence. With graduates assigned as bandsmen on ships, at overseas bases, and shore stations in the United States, the Navy music school is training its musicians for performances in Navy bands throughout the world.

The sailor musicians, recruited from schools and bands over the nation, are given opportunities for a musical tour of duty in any section of the world. It may be a serviceman's dance in Hawaii, a parade in Tokyo, or a concert in Naples. At the major school for Armed Forces musicians, men are prepared for performances at all types of military and recreational activities.

Bluejacket bandsmen are required to complete a course of study at the Naval School of Music, lasting six months, prior to assignment to one of 65 Navy unit bands. While in training at the music school, each musician follows a daily schedule of instruction in concert, clinic, and dance bands. Ensemble rehearsals, harmony class, and instrumental lessons are the primary accents of the music school routine, plus a host of official Navy functions which call for Navy musicians at parades, dances, radio and television shows in the nation's capital.

Concert bands, dance orchestras, jazz combos, and instrumental solos resound through the Navy music school's hallways each day, and adequate facilities to support these musical activities are always maintained. The school has its own instrument repair shop, a band library stocked with over 10,000 arrangements of all types of music, and a reference library comparable to those of nationally-known music conservatories. This library contains several thousand music texts and scores, as well as over 2000 LP and 700 standard-speed recordings of all types of bands, orchestras, and ensembles. Students are supplied with government instruments and instruction books during their training at the music school, and a well-equipped recording laboratory is available for the Navy bands' recording sessions.

Dance bands, an integral part of the Navy Music Program, are organized from personnel of the music school concert bands, and 16-piece dance bands rehearse daily on Navy "specials" and stock arrangements. Combos are also scheduled and a "jam session" is liable to pop up at any time in any room of the conservatory-type music building. One of the really all-around Navy musicians in the Dance Band Division of the Naval School of Music is Musician 2-c Pat Orres of Fort Dodge, Iowa, who can play 12 different musical instruments with an adeptness difficult to match.

Outstanding Navy musicians may request an audition for the United States Navy Band in Washington, D. C., when openings occur in this famous organization, called "the World's Finest." The US. Navy Band is the top peak of musical achievement for bandsmen in the Navy Music Program.

The archives of the Naval School of Music contain a wealth of history in music and musicians who were yesterday or are today in the national spotlight. One of the most famous of Navy bands was Artie Shaw's Ranger Band (Navy Unit Band 501) which carried music into the battle areas of the South Pacific early in World War II. Other "names" in the Navy Music Program were Sam Donahue, tenor sax star now leading the Billy May Band, who took "501" over to the other side of the world for a two-year tour of Europe in 1943-44; Ray Anthony, leader of "the hottest band in the Pacific" in 1945; Claude Thornhill and his All-Navy Show at Pearl Harbor; Ralph Marterie, Alvino Rey, Tex Beneke, and many more.

Officer-in-Charge of the Naval School of Music is Lieutenant Commander John D. McDonald, USNR, a native of Pine Bluff, Arkansas, and Nashville, Tennessee, who has had wide experience as band director and music educator at several colleges and high schools in the South and Mid-west. He is also a member of the American Bandmaster's Association.

At present, instrumentalists of all standard band categories are needed to augment the music program throughout the Navy. The civilian musician has the opportunity of enlisting directly into the Navy Music Program by auditioning while still in civilian status, and determining their musical qualifications. All applications are handled through local Navy Recruiting Stations.

Musical requirements stress basic fundamentals and reasonable sight-reading ability. Previous instruction in music harmony is not required for entrance and only in certain cases are men required to study a secondary instrument while under instruction at the Naval School of Music.

Particulars concerning the Navy Music Program may be obtained by wiriting to: Officer-in-Charge, U.S. Naval School of Music, U. S. Naval Receiving Station, Washington, 25, D.C.

Snyder Shringers reported Saturday that tickets for the concerts here were still moving rapidly. The Navy Band will appear at 2 p.m., 4 p.m. and 8:30 p.m. in the high school auditorium.

Student tickets for the matinee performances sell for $1.20 each, while adult tickets are $2.40, except for a limited number of reserved seats for the evening performance which are being sold for $3.60 each.

Tickets are on sale at the Lad and Lassie Shop, at the office of Forrest Beavers in the courthouse, Hall Drug Store and at the Chamber of Commerce. All of the reserved seats are being sold at the Chamber of Commerce office, where a chart of the auditorium is located.

In 1950-51 there were 24.1 pupils per teacher in U.S. elementary and high schools.

Continued Decline Is Noted In West Texas Drilling Pace

West Texas applications to drill the 41st week were fewer than they had been the 40th, but applications for wildcats increased.

Only 77 applications to drill were filed in Railroad Commission Districts 7-C and 8, down from 90 the 40th week and 94 the 39th week. But 19 applications were for wildcats, compared with 15 the 40th week.

The yearly grand total now is 3,679 applications. Of those, 789 are for wildcats, 2,890 for field tests. The weekly average dropped to 89.7 with the recent decrease in applications.

Eight counties in District 7-C shared 29 tests, 12 of them wildcats. In District 8, sixteen counties shared 48 tests, 7 of them wildcats.

District 7-C wildcats were in: Runnels, seven; and Coke, Irion, Schleicher, Sutton, and Upton, one each.

District 7-C field tests were in: Runnels, six; Coke, four; Regan, three; Upton, two; and McCulloch and Schleicher, one each.

District 8 wildcats were in: Andrews, Garza, Howard, Pecos, Scurry, Sterling, and Ward, one each.

District 8 field tests were in: Howard, 11; Andrews, 8; Midland, 4; Ector, 3; Gaines, Garza, Pecos, Scurry, and Winkler, 2 each; and Crane, Kent, Loving, Mitchell, and Terry, 1 each.

Stepout Due In Kent Field

A 7,500-foot wildcat and a stepout to the Salt Creek-South Lower Pennsylvanian field have been announced for Kent County.

Robert S. Lytle of Los Angeles No. 1 S. M. Swenson and others will be the wildcat. Drillsite for it has been set 660 feet from south and east lines of section 3-1-H&GN. That is seven miles north of Clairemont. Operations are to start immediately.

General Crude Oil Co. will drill the field stepout as the No. 2-134-6-B Percy Jones. Location is 660 section 134-G-W&NW, four and one-feet from south and west lines of half miles west of Clairemont. It is 1,867 feet northwest of the nearest completed well in the field. Projected depth is 7,000 feet for a test of the Pennsylvanian lime.

Garza's PHD Field Gains Two Producers

Two new oilers have been reported in the PHD field of Garza County.

Western Drilling Co., Inc., No. 2 Elmer Hitt pumped 24 hours on the potential to make 102.12 barrels of 33.1-gravity oil plus 20 per cent water. Production is from open hole at 3,552-570 feet. Drillsite is in the northeast corner of section 2-1-HE&WT.

La Gorce Oil Co .No. 1 O. B. Franklin pumped 108 barrels of 38-gravity oil plus 20 per cent water on a 24-hour potential gauge. Production is through perforations which were acidized with 1,500 gallons. Drillsite is 467 feet from north and 1,650 feet from east lines of section 1246-AB&M.

Heads Dads' Association

AUSTIN, Oct. 30 (AP)—Dixon J. Holman, Fort Worth, today was elected president of the University of Texas Dads' Assn.

Vice presidents elected included Ray C. Arnhold, Wichita Falls; Richard M. Bialock, Marshall; and Stanley Erskine, Midland.

Museum Founder Dies

HOUSTON, Oct. 30 (AP)— Mrs. E. Richardson Cherry, one of the founders of the Houston Museum of Fine Arts, died at her home last night at the age of 93. She continued her painting, with the help of a magnifying glass, until three weeks ago.

College Gets Donation

DENTON, Oct. 30 (AP)—A cash donation of $2,500 to Texas State College for Women for the purchase of research equipment has been made by Mr. and Mrs. H. J. Lutcher Stark of Orange.

Suffers Heart Attack

CORSICANA Oct. 30 (AP)—John C. Calhoun, 71, prominent State Democratic leader, suffered a heart attack early today and was reported slightly improved but still in critical condition later.

Calhoun was taken to the Corsicana Hospital and Clinic.

Deep Wildcats Scheduled In Five Counties

Plans to drill deep wildcats in Borden, Andrews, Crane, Pecos and Sutton Counties have been announced.

An 8,500-foot wildcat is to be drilled in Southwest Borden County by Texas Crude and B. L. McFarland as the No. 1-9 Jeff Good. Location has been set 330 feet from north and 660 feet from east lines of section 9-32-t3n-T&P, four miles northeast of Vealmoor. The drillsite is on an 80-acre lease.

Humble Oil & Refining Co. No. 1-B H. O. Sims is to be drilled in extreme Northeast Andrews County Location is 1,980 feet from west and 660 feet from south lines of section 17-A29-psl. Contract depth is 4,500 feet for a test of the San Andres.

Gulf Oil Corp. is to drill the No. 229 Waddell in Southwest Crane County. Drillsite is 660 feet from the northwest and southwest lines of section 15-4-H&TC. Rotary tools are being moved in to start drilling to the projected depth of 8,500 feet.

Humble Oil No. 1-AG University will be drilled seven miles west of Bakersfield in East Pecos County. Location has been staked 1,980 feet from south and 660 feet from west lines of section 18-18-University survey. Contract depth is 7,500 feet, calculated to allow a test of the Ellenburger.

Sinclair Oil & Gas No. 1 Belle Glasscock will be drilled to 8,700 feet to test the Ellenburger in Northwest Sutton County. Location is 660 feet from south and 1,980 feet from east lines of section 31-IJ-TTRR, 15 miles northwest of Sonora.

Completion Is Logged In Sharon Ridge Field

R. F. Townsend of Big Spring No. 2-B O. H. Holladay has been completed in the Scurry County portion of the Sharon Ridge 1700 field.

On the potential test, the well was pumped 24 hours to make 81.34 barrels of 28-gravity oil with no water. Gas-oil ratio was too small to measure. Production is through perforations at 1,796-816 feet which had been acidized with 8,000 gallons. Top of the pay was at 1,781 feet, with total depth 1,839 feet.

The No. 2-B Holladay is in section 120-97-H&TC.

Test Is Scheduled Northwest Of Post

Continental Oil Co. of Midland has filed application to drill the No. 8-A Ted Shults in the Huntley 3400 field four miles northwest of Post.

Location for the test is 330 feet from west and 833 feet from north lines of the lease in section 2. The location is also described as 360 feet from east and 863 feet south of the northeast corner of section 1402 but in section 2, scrap file 8369, Horace Brannon survey. Projected depth is 3,750 feet.

DRILLING REPORT

In Northeast Scurry County, Union Oil of California No. 1 M. L. Simmons is drilling in lime below 6,898 feet.

Taylor Oil & Gas No. 4-A Winston Brothers, Central Scurry tester, is at total depth of 7,615 feet in lime and cementing five and one-half-inch casing at 7,565 feet. It understood that tests will be run on the open hole.

Taylor Oil No. 1-B Winston is drilling in lime and shale below 3,940 feet.

• • •

The New Seven Falls Co. No. 1 Ellison, Stonewall wildcat, is drilling in lime below 6,087 feet after a one-hour drillstem test from 6,026-ots feet. Recovery was 13 feet of slightly oil and gas-cut mud with 30 feet of free gas.

Also in Stonewall County, Sinclair No. 1 Webb is drilling deeper after a drillstem test in the conglomerate from 5,827 - 832 feet. With the tool open 30 minutes, recovery was 34 feet of mud with no shows.

• • •

General Crude Oil No. 2 Diedrich Wolff, Jr., Northeast Fisher offset, has reached 4,486 feet in lime and shale and is drilling ahead.

Sid Katz No. 1-B Nina Wheeler is building tanks and is then to try for completion. Katz No. 1-C Wheeler is drilling in lime and shale below 3,737 feet.

Garza Logs New Location

Operators have reported a new wildcat location and a wildcat completion in Garza County.

Western Drilling Co. of Lubbock will drill the new prospector as the No. 1 G. D. Ellis. Location is 330 feet from south and west lines of section 1304, Jasper Hayes survey. That is six miles southeast of Southland and on a lease of 320.07 acres. Rotary tools are to be used to drill to 4,300 feet starting at once.

The new producer is Western Drilling Co. No. 1 J. S. Boren, drilled eight miles northeast of Justiceburg. It was completed for 15.12 barrels of 34.1-gravity oil plus 75 per cent water, made on a 24-hour pumping gauge. Production is through perforations at 2,536-555 feet which had been acidized with 3,000 gallons. Top of the pay was at 2,536 feet, with total depth 2,774 feet.

Drillsite for the No. 1 Boren is 2,910 feet from south and 330 feet from west lines of the lease in section 104-5-H&GN.

Well Is Completed In Mitchell Field

Lawless Drilling Co., Inc., has reported completion of the No. 2 J. W. Bird in the Westbrook field of Mitchell County.

The well pumped 74 barrels of oil with no water in 24 hours. Gravity was 26 degrees. Gas-oil ratio was too small to measure. The open hole section from 2,956 to 2,963 feet was treated with sand oil.

Location was in the northeast corner of section 40-28-T&P.

New Plan Tried To Dispense Gasoline

By BILL SANSING

TULSA, Okla., Oct. 30 (AP)—Petroleum potpourri:

A method of dispensing gasoline that could possibly reduce sharply the number of retail service stations has been reported.

It's a gasoline sales outlet in conjunction with grocery supermarkets. The Oil and Gas Journal described it as Deep Rock Oil Corp.'s idea called "Shop 'N Gas."

When the housewife drives into the store's parking lot, an attendant rolls up on a scooter and, if she wants gas or oil, services the auto while the driver shops.

The scooter carries a fuel line which attaches to scattered underground storage connections. Gas going into the fuel tank is automatically metered.

Carter Oil Co., Tulsa, for what is believed the first time in the history of the petroleum industry, is getting substantial crude oil through directional drilling from under a large river.

Carter has seven wells producing 250 to 300 barrels of oil daily from beneath the bed of the Ohio River about 15 miles southwest of Evansville, Ind.

Four of the wells are on the river's Diamond Island between Kentucky and Indiana and the others are on the Kentucky shore. The 37.9 to 36 gravity oil is from the Cypress Sand at about 2,500 feet.

Carter estimated the directional well on the Kentucky shore cost $16,000 more to drill than the straight hole well adjacent to it. A total of 14 whipstocks—a metal shoe placed inside the hole at intervals to force the drill to cut at an angle—were used and a whipstocking expert was on duty 24 hours a day during operations.

A simple tool has been added to the most modern equipment in Carter Oil Co.'s refinery at Billings, Mont.

In the past when refinery workers wanted to check steam traps or lines for live steam they did either of two things—they touched the pipes and got burnt or they spit on them.

Now, however, they use an up-to-date gadget—a water pistol.

247 New Oil Wells Completed In State

AUSTIN, Oct. 30 (AP)—Texas oil and gas explorations this week resulted in 247 new oil wells, 4 new gas wells and 124 dry holes.

The Railroad Commission said the oil well completions brought the year's total to 10,008, compared to 8,576 for the comparable period in 1953. Gas well completions were ahead also, 1,065 to 901.

Wildcat explorations accounted for 11 of the oil wells, no gas wells and 53 of the dry holes.

Total average calendar day crude allowable as of today was 2,824,348, up 11,832 barrels a day from last week.

The chances that a U.S. child will have poliomyelities before he is 20 years old are about 1 in 500.

THE SNYDER DAILY NEWS

VOL. 5, No. 157 | SNYDER, TEXAS, SUNDAY, OCTOBER 31, 1954 | SECTION B

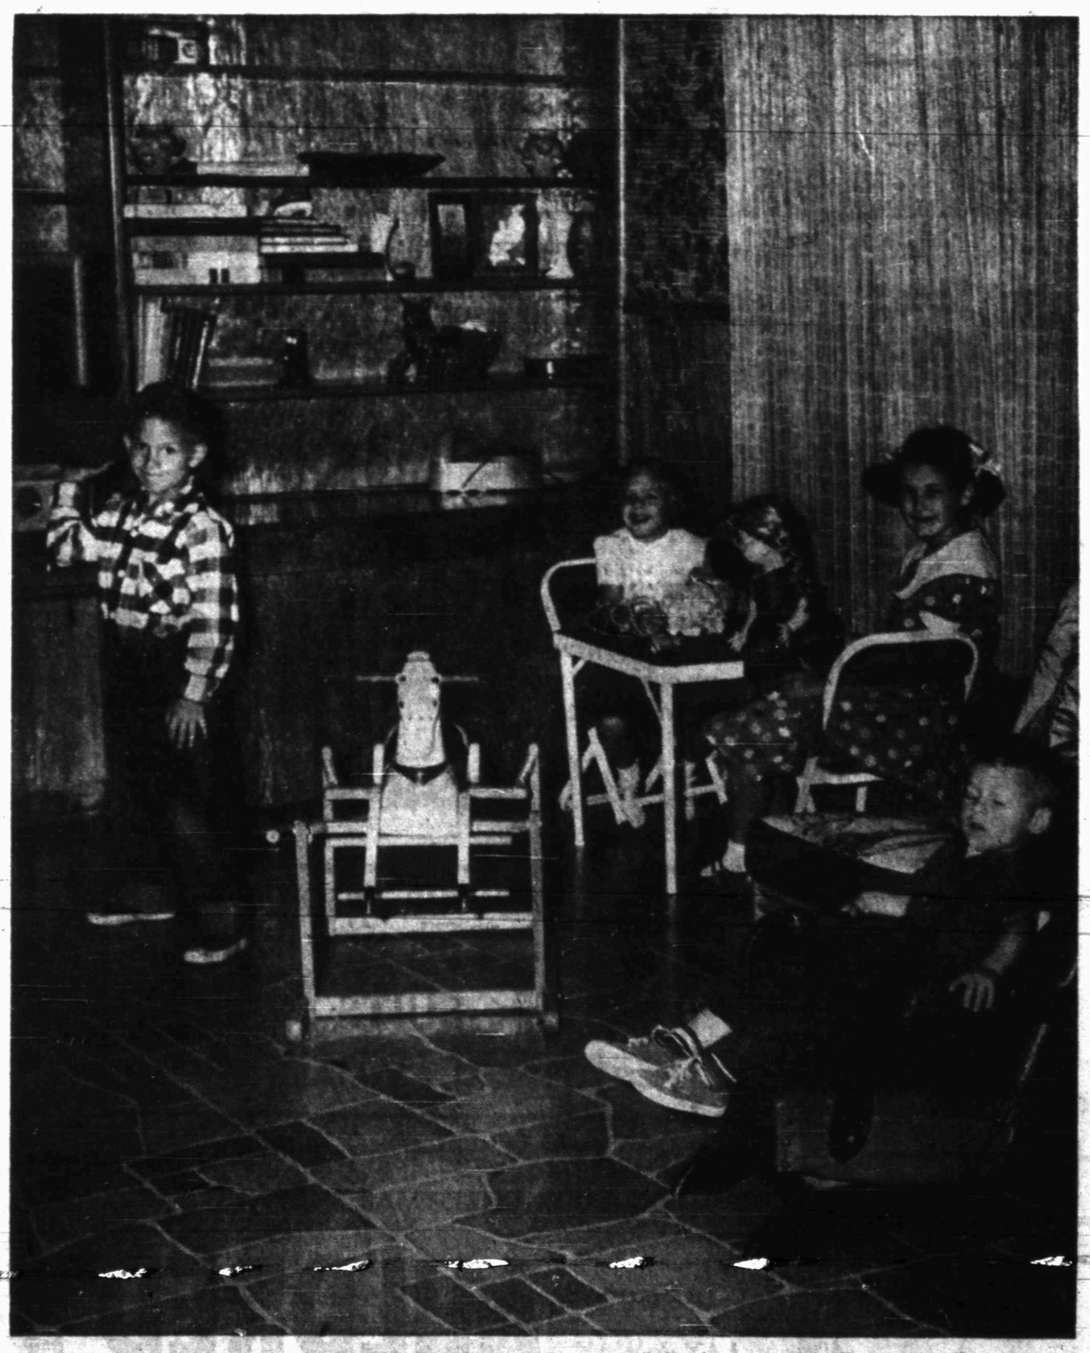

Playrooms for both children and adults are increasing in popularity with Snyder home builders. Most families still say that their children use every room in the house as a playroom, but Wayne and Roland Key, sons of Mr. and Mrs. Marvin Key, 2801 Westridge Drive, are shown above entertaining two guests at a game of dominoes in the Key's playroom. The circular table is the predominant piece of furniture in the trophy-decorated room which sports two mounted deer heads and a bear-skin rug nailed to one wall. Shown from left are: Donald Douglas Sanford, Wayne Key, Roland Key, and Garland Sanford. The Sanford boys are sons of Mr. and Mrs. D. Sanford, who live on Twenty-seventh Street in Westridge. (Lee Watson photographs)

Fred Boyd Kennedy, six-year-old son of Mr. and Mrs. Buford Kennedy, 2609 Thirty-seventh Street, holds the family parakeet while Fred's mother teaches the bird to talk. The parakeet, Benny, a television set, lounge, game table, and a planter box with greenery brought in from Houston make the Kennedy's playroom one of the most popular spots in their new house here.

FUN AT HOME

Entertaining their little guests from Odessa in their newly built playroom and family room are the son and daughter of Dr. and Mrs. Robert H. Hargrove, 3718 Avondale. Shown from left in the playroom above are: Tommy Hill, Jana Hill, Dianne Hargrove, and Kent Hargrove. Tommy and Jana are children of Mr. and Mrs. Tom Hill, Odessa, friends of the Hargroves. The new playroom was recently added to the Hargrove house to furnish television space, and toy and game space for the children. Split bamboo curtains cover a picture window which looks out on the back yard.

Lesa Bowden is shown at the controls of the electric railway installed in the Bowden playroom. Her brothers Murry, center, and Billy, also get a "bang" out of watching the train, and sometimes the train receives the bang from the boys, Mr. and Mrs. Jack Bowden, their parents, said. The railroad is mounted on a plywood board that folds up against the wall when not in use to leave the floor space open for other playroom activities. The Bowdens live at 2312 Thirty-first Street.

american designer's pattern

Toni Owen 1199

Fashion-aware girls and women all over the country are taking the jump—right into jumpers! Toni Owen, one of America's most popular designers for the young and for those who want to feel and look young, is the name behind this easy-to-make, easy-to-get-into version. Cut on princess lines with full-length, graduated gores, it has no side seam but instead has a waist defining dart. The two side gores are extended in one piece into the newly wide, more modest shoulder straps. This bodice has the important high square neckline which was the talk of the Paris fall collections. Make it in tweed or crisp wools, stiff silks or novelty cottons that have body. This pattern is cut to designer measurements, not standard pattern measurement.

BUST	WAIST	HIPS	SIZE
34	24	35	10
35	25	36	12
36½	26½	37½	14
38	28	39	16
40	30	41	18

Size 12 requires 3 yards of 54-inch material for jumper, and ⅝ yard of 35-inch material for interfacing. To order Pattern No. 1199, address Spadea Syndicate, Inc., Box 535, G.P.O., Dept. S-13, New York 1, N.Y. State size. Send $1.00. Airmail handling twenty-five cents extra. Pattern Booklet No. 11 now available for twenty-five cents. Add four cents, for handling, if paid by check or money order.

Club Elects Officers

Officers were elected at a meeting of the Hermleigh 4-H Club No. 2 Wednesday at the home of Ethel Hundsnurcher. They are Janelle Richter, president; Darlene Wemken, vice - president; Ethel Hundsnurcher, secretary; Sandra Leech, Violet Davis and Dolores Richter, reporters. Patricia Kubena is the song leader.

Refreshments were served to nine members and their director, Ruby Butts, home demonstration agent.

TFWC Will Hold 57th Convention

Mrs. L. E. Dudley, Abilene, president of the Texas Federation of Women's Clubs, has authorized Mrs. A. T. Carleton, Houston, program chairman, to announce the program for the 57th annual convention, which will take place in Mineral Wells, November 8-11.

The featured speakers at this year's convention are the Honorable Ivy Baker Priest, Treasurer of the United States, who will address the closing session with a speech, "You Are the Light of the World;" and Colonel Franklin M. Kreml, director of Northwestern University's Traffic Institute, will speak on "Safety - Everyone's Responsibility."

Other features will be a performance of the Denton Civic Boy Choir and a presentation of "When the Fire Dies," an original play by nineteen - year old Ramona Maher of Fort Worth, by students from the Drama Department of Texas Christian University. The Modern Dance Group of Texas State College for Women will also perform during the covention.

Having the bridge-club crowd for luncheon? Then serve avocado halves filled with shrimp. To serve 12, you'll need six avocados and three pounds of shrimp. Marinate the cooked and cleaned shrimp in a tangy French dressing; just before serving drain lightly and arrange shrimp in the cavities of the avocado halves. Top with a little mayonnaise and garnish as desired. Sliced hard-cooked egg and capers make a pretty garnish; so do small radish roses.

DO IT YOURSELF

You'll have a feeling of real pride when you move this modern buffet from your workshop into your dining room. The buffet is one of the most beautiful items imaginable, and its smoothly modern lines and elegant proportions make it something unusually handsome. A real advantage of this modern buffet is that it is surprisingly easy to build. As a matter of fact, this is a furniture item that even the novice woodworker can tackle without hesitation. You'll build the buffet with the help of Bill Baker's extra-simple pattern No. 131. The pattern will take you step by step through construction. To get your buffet pattern, simply send your name and address, clearly printed, together with $1.00 to Bill Baker, Snyder Daily News, Box 1111, Los Angeles 53, Calif. Remember to ask for pattern No. 131.

WOMEN'S CALENDAR

Service As AEC Chairman Has Sobering Effect On Rep. Cole

By SEM PRICE

WASHINGTON, Oct. 30 (AP)—For 18 years W. Sterling Cole was a hard-working Republican congressman from Bath, N.Y., struggling with the problems of his time and trying to keep his constituents happy.

Then came the hydrogen bomb.

Now Cole sometimes has trouble sleeping.

For in the spring of 1953 "Stub" Cole, once named by a Washington society columnist as the most handsome man in the House, became chairman of the Joint House-Senate Atomic Energy Committee. His wife says he no longer knows how to relax.

Carrying constantly with him the awful, intimate secrets of the hydrogen and atomic bombs, Cole was opposed to development of the H-bomb at the start. But now he's not one of those who thinks it will be outlawed in the next war.

"Hell," he says, "If we're never going to use them, then why are we building them at a cost of billions and billions?"

Almost every day Cole enters one of the most heavily guarded areas in Washington, Suite F-88 just off the main corridor of the Capitol. There he carries out his committee work. He is one of the few men in Washington presumed to know how many hydrogen and atomic weapons this country has stockpiled.

The mainstream of history caught up with this collector of early American antiques this year.

On Feb. 17 he made a speech that stunned the free world. He revealed for the first time the titanic powers of the superbomb. He said it would have been a sin to keep silent.

The speech sent a worried, frowning Winston Churchill, prime minister of Great Britain, off on a hurried trip to the United States.

In chancelleries around the globe there were rapid new assessments of foreign policies, for the world knew that Russia possessed the superbomb too.

Will the bomb be used in the next war?

"We have to proceed on the theory that they are going to be used. If we said we weren't it would encourage the damn Soviets to become more crude and demanding, so we must proceed on the assumption that of course they are to be used," says Cole.

As for releasing information to friendly nations, Cole observes that the struggle today is for the allegiance of men to an idea to a way of life.

"The worst thing that could happen," he says, "would be for the Russians to develop the atom for peaceful purposes and make it available to backward countries. We must do it first. It will demonstrate the sincerity of our foreign policy and disprove the charges of "imperialistic aggrandizement.' "

Cole was a chief author of the 1954 Atomic Energy Act permitting 12 billion dollars worth of secrets to be revealed in a limited way to friendly nations and private enterprise for peaceful purposes.

There was scant quarrel with the revelation of atomic secrets to friendly powers, but the grant of the secrets to private enterprise for private profit — secrets obtained at public expense — was assailed as a "giveaway" that would create new monopolies.

Cole fought the Senate and the administration to a standoff in this summer's debate on the atomic bill.

The Senate bill, accepted by the White House, proposed that any patents developed privately be made available on a lease basis to other firms for 10 years. The House bill provided that what private industry developed as industrial processes should be theirs exclusively from the start. Cole backed this bill.

The issue was finally compromised at five years, but Cole has said publicly he will reopen it in January. He gave in because his stand endangered passage of the measure during the last session.

Shower Is Given For Church Nursery

Three circles of the WMS of the Avenue D Baptist Church met Thursday morning in the fellowship hall for a shower for the nursery.

Mrs. Richard Hardin gave the devotional. Mrs. Cecil Reddin, nursery worker, opened the gifts. Community mission chairmen served refreshments to the 17 members attending.

Announce Officers

The Fidelis Sunday school class of the First Baptist Church held an installation of new officers recently. Those installed were Mrs. Edgar Taylor, president; Mrs. Forest Sears, vice-president; Mrs. Roy Stokes, secretary; Mrs. Ola B. Leath, treasurer and Mrs. J. L. Crow, reporter. Mrs. E. M. Inman is class teacher with Mrs. John E. Sentell as associate teacher.

Group leaders are Mrs. Guy Glenn, Mrs. M. E. Stanfield, Mrs. I. T. Westbrook and Mrs. Henry Kelly.

Former residents of Snyder who visited here this week are shown just before they left town to return to Austin. They are, left to right, Mrs. Fred A. Grayum, Mrs. Sam N. Wilborn, Mrs. C. R. Buchanan and her daughter, Doris Buchanan. (Lee Watson photograph)

SOCIETY SCRIBBLINGS

Former Residents Return To Visit In Home Town

By ANITA HALL

Four women who are Snyder oldtimers paid a visit to their home town this week. They are Mrs. C. R. BUCHANAN, Mrs. FRED A. GRAYUM and Mrs. SAM N. WILBORN of Austin and DORIS BUCHANAN of Boston, Mass.

Mrs. Buchanan came here 57 years ago as the bride of the late C. R. Buchanan. He was teaching school here at the time, she said. Later, he entered politics and served as county clerk, county judge and state senator. The county courthouse here was built while he was county judge. She served as her husband's secretary throughout his career and stated that, due to the fact that she had no typewriter for a long time, her work required an enormous amount of penmanship. She introduced the first typewriter in Scurry County.

Miss Buchanan accompanied her mother on the trip to Snyder. She was born and reared here as was her sister, Mrs. George D. Mc-Jimsey of Arlington, Va. Miss Buchanan is the home economics eidtor for D. C. Heath and Company, text book publishers of Boston, Mass. Her mother will return to Boston with her to spend the winter.

Mrs. Grayum came here as a bride in 1898 from Big Spring. Mr. Grayum was in the drug business here for years. They moved from Snyder 14 years ago and he is now connected with the state treasuer's department in Austin. Their son and daughter are Bill Grayum of Wichita, Kansas, and Mrs. Jake Claiborn of Wink. Mrs. Grayum stayed with her sister, Mrs. J. C. STINSON, 2907 Avenue U, during her visit here.

Mrs. Wilborn is a native of Scurry County and visited with her sisters, Mrs. A. M. McPHERSON, 1206 Twenty - eighth Street, and Mrs. T. A. FAVER, 2005 Avenue M, while she was here. Their father, the Rev. W. W. Werner, a Presbyterian minister, was instrumental in organizing the First Presbyterian Church here. Mr. Wilborn was a civil service employe at the post office here for years and the family moved to Austin to complete their children's educations. Their sons are Dr. Sam Werner Wilborn of Austin and Dr. Bill Wilborn of Houston. The daughters are Mrs. Merlin Wiemers of Corpus Christi and Mrs. Herb Hackett of Salt Lake City, Utah.

The visitors had nothing but praise for their home town and Miss Buchanan said that "it is marvelous to see the superb schools, hospitals, and county park."

LITTLE GIRL'S DRESS

Full-skirted dress with its own crisp petticoat to make it stand out — ideal fashion for the subteens.

No. 2195 is cut in sizes 6, 8, 10, 12, 14. Size 8: Dress, 3¼ yds. 35-in. Petticoat, 1⅛ yds. 35 or 39-in.

Patterns ready to fill orders immediately. For special handling of order via first class mail include an extra five cents per pattern.

Proposed Amendments Discussed By Jaycees

Three members of the Junior Chamber of Commerce, Fred Auforth, Bill Ballard, and John Boren, discussed various state constitutional amendments to be voted upon in the general election Nov. 2 at the weekly luncheon of the Jaycees Friday.

The three informed the group as to proposals to be on the ballot.

Ted McAlister, chairman of the organization's religious activity committee, presented plans for distribution of posters the Jaycees recently purchased on religion in American life and urging church attendance.

Several members and their wives plan to attend a banquet in Colorado City Nov. 3 in honor of the national Jaycee president, Lamar Buckner of Ogden, Utah, who is making a few stops in Texas during a tour.

R. S. Taylor Service Held In Breckenridge

Funeral services for R. S. Taylor, the father of Loyce Taylor, were held Thursday afternoon in the Church of Christ in Breckenridge.

Miss Taylor teaches at Central Primary School here. Those attending the services from Snyder were Mrs. Eupha Shield, Mrs. L. C. Winters, Mrs. Nellie Smith, Mrs. R. W. West, and Mr. and Mrs. John Langford of Union.

25 YEARS AGO

(Taken from the files of THE SCURRY COUNTY TIMES for Oct. 31, 1929.)

The Fluvanna News column contains an interesting message today that tells of the letting of a contract to build their new high school building. When the building is fully complete more than $50,000 will have been expended for the onward advancement of education in that thriving and alive section of Scurry County. The Rev. Jas. H. Tate, the Times-Signal representative at Fluvanna, tells the story in his column, and it is interesting.

• • •

A young Mr. Cary, 11, living near Dunn, killed one of the largest rattlesnakes which has been seen here in recent years. The huge rattler measured seven feet in length and 11 inches in circumference.

• • •

That Snyder and Scurry County will again become active in the operation of the American Red Cross was shown yesterday at the Lions Club luncheon. Unanimous approval was given a committee of Chairman Harvey Shuler, A. A. Bullock and Judge Holley to get in touch with the Federated Clubs and work with them in putting across the chapter organization as well as the annual roll call. The Red Cross treasury here now has $199.08 in it and Scurry County's quota is $350.

• • •

Will Lane Post No. 181, American Legion, officially got underway Sunday afternoon with the election of temporary officers until the national body grants a permanent charter which will be within the next 30 days.

A. C. Preuitt acted as temporary chairman, with Warren Dodson recorder and at the election of officers the following ex-servicemen were named:

Post commander— Harrie Winston
1st vice commander — Lee T. Stinson
2nd vice commander — Dr. J. M. Bannister
Post adjutant — A. C. Preuitt
Finance officer — John E. Sentell

When the name of the post was to be selected, those present unanimously voted to retain the former name, Will Lane Post No. 181. "Bill" Lane, as he was familiarly known to most ex-servicemen and who came from the Ira neighborhood, was the first Scurry County boy to lose his life in the World War.

• • •

Roscoe, age-old rivals of the Snyder Tigers, is sitting on top of the world and the western section of District 9, Class B, of the Interscholastic League, having defeated our Snyder Tigers last Friday 12 to 6 on the Roscoe gridiron. The game was generally regarded as having settled the title—yet there may be a slip, for it—IF—Rotan can defeat Roscoe and Snyder lick Colorado Armistice Day, there would be a tie between Roscoe and Snyder, which would mean a play-off.

• • •

Dewey Moore and Miss Eva Belle Fenton were united in marriage Sunday, October 20, at the home of Mr. and Mrs. B. F. Womack with Bro. T. L. Nipp, pastor of the Baptist Church of Dunn officiating. The wedding was witnessed by a few friends of the couple.

The bride is the daughter of Mr. and Mrs. Boyd Fenton of this city. The groom is the son of Mr. and Mrs. H. G. Moore. He is engaged in farming here.

The young couple left immediately after the ceremony for a visit in Dallas and Fort Worth.

Atheneum Clothing Center To Open

The Atheneum Study Club will open its clothing center Thursday afternoon from 2 to 5 o'clock in the first building north of the Aztec Theater on Avenue S.

The club has a large collection of good clothes for every member of a family, according to Mrs. Gene Richardson, and the club will donate any article selected by a needy person. The clothing center will be open every Thursday afternoon for several weeks.

NEWS FROM HERMLEIGH

By MRS. JESS SPYKES

Mr. and Mrs. W. B. Withers and daughter visited in Post Sunday with Mr. Withers' father and two sisters.

Mr. and Mrs. Joe Groves attended the McMurry-California football game Saturday in Abilene with their son, Joe Boyd, who is a student at McMurry.

Mr. and Mrs. D. Z. Hess are visiting their daughter, Mrs. Hollis Ward, and family in Arkansas.

Mr. and Mrs. Quest Withers and family spent the weekend visiting her parents in Slaton.

Mr. and Mrs. M. U. Vernon and their grandchildren, James, Joe and Sharon, visited a daughter, Mrs. Otis Jenkins, and family in Wink over the weekend.

Mrs. Joe Groves and Mrs. Herman Moore will leave Sunday to visit their son and daughter, Mr. and Mrs. Roy T. Groves, in Louisville, Ky. Mrs. Roy Groves is the former Nadine Moore.

Mrs. J. A. Bartels, a patient in Young Medical Center in Sweetwater, is expected to return home Monday.

Mrs. W. A. Voss and Mrs. G. C. Barns visited Mrs. Sallie Weaver in Snyder Wednesday.

A-3C Alvin Wimmer, the son of Mr. and Mrs. Alfonse Wimmer, has been stationed at Castle Air Force Base at Mereed, Calif., after completing basic training at Lackland Air Force Base.

News for this column may be submitted to Mrs. Jess Spykes by calling 28 in Hermleigh.

QUEEN CANDIDATES

Two candidates in the queen contest sponsored by the P-TA of Central Primary and Central Elementary schools are shown with their escorts. They are, left to right, George Crowder and Velma Wood first grade pupils: and Everlee Hooper and Larry Patterson, sixth grade students. Each vote costs a penny and the P-TA will use the funds in their welfare work for needy students. (Lee Watson photograph)

Scurry Native Buys Second Newspaper

A native of Scurry County who has been publisher of one of two Brownfield newspapers for four years has now purchased the other newspaper there.

He is Curtis Sterling, 30-year-old son of Mr. and Mrs. T. J. Sterling, 2511 Thirtieth Street. Sterling's newspaper, the Brownfield News, last week bought the Terry County Herald. Both were weekly newspapers. The Herald was the oldest business institution in Terry County and had been published for more than 50 years. The Brownfield News was established in 1938 and last week became the only newspaper in the county.

Sterling moved to Brownfield in January, 1950, and was employed by Mike Barrett, who was at that time publisher of the News. He bought the paper from Barrett in November of that year.

Born at Ira, Sterling graduated from high school there in 1941. He entered Texas Tech that fall and attended two years before entering the Maritime Service. He served as a warrant officer until early 1947. He then went back to Tech and graduated just before going to Brownfield. While in college, Sterling was president of his junior class, member of the Kemas Fraternity, and served as president of the student council during his last year.

Since he moved to Brownfield, Sterling has been president of the Junior Chamber of Commerce, president of the Country Club, and has served two years on the Chamber of Commerce board of directors.

Sterling is married and has two daughters.

Thomas Beard, a shoemaker, came to America on the second voyage of the Mayflower.

FUN AND FANTASY
. . . when you decorate candy apples

Club Women Tour Tech Museum

Twenty members of the Altrurian Daughter's Club met for a luncheon October 27 at the Student Union Building on the Texas Tech campus. Following the luncheon, the group went to the Tech Museum for a tour of it and a program on Indians of the Northwest. Mrs. William Curry Holden, wife of the director of the Museum, gave a lecture on Indians and showed a film, "The Loon's Necklace."

The film was made by using ancient wooden ceremonial masks of the Kwakuiti Indians. Through use of these masks the legend of the ring around the loon's neck and the spots on his back was explained. A number of wooden objects carved by members of this tribe were shown.

Following the Museum tour the group saw the art exhibit of the South Plains Art Guild. This was of special interest to the women since one of their club members, Mrs. Robert Wasson, had three paintings on exhibit there. An explanation was given of the recently completed mural by Peter Hurd in the rotunda of the Museum.

Helps For Homemakers

Send your questions to "Helps for Homemakers," Snyder Daily News, or call 3-5488.

Teen-age youngsters can make these Rosy Candy Apples themselves. Crisp red apples are best for candying. For the sticks, use the short wooden skewers meatmen usually have on hand. Or tongue depressors, bought at a drugstore, may be used.

ROSY CANDY APPLES
8 medium-sized red apples
8 wooden sticks
2 cups sugar
2-3 cup light corn syrup
1 cup water
red pure food coloring
2 long sticks cinnamon

Wash apples, dry; remove stems; insert wooden sticks firmly in stem ends. Stir sugar, corn syrup and water together in a medium-sized saucepan until sugar almost dissolves. Add enough red coloring to color syrup bright red; add cinnamon sticks. Cover; bring slowly to boiling. Remove cover; boil rapidly, without stirring, until 1 teaspoonful of the syrup separates into hard, brittle threads when dropped into cold water—300 degrees on a candy thermometer. During cooking, wipe inner sides of pan often with wet cheesecloth wrapped around a fork to remove any crystals that may form. Remove from heat. Tip saucepan; dip apples, twirling in syrup until covered. Let any extra syrup on apples drain back into saucepan. Work quickly, placing saucepan over low heat or boiling water, if necessary, to keep syrup thin enough to coat apples easily. Save extra syrup to help stick on decorations. Place coated apples, stick up, on lightly buttered cooky sheet to harden. Decorate. NOTE: For decorations, use some of the following: gumdrops, marshmallows, doughnut - shaped hard candies, licorice strips.

Here's a dessert that a New England restaurant has made famous: ice-cream balls rolled in fresh spong-cake crumbs and surrounded with chocolate fudge sauce. Another version of this dessert is to roll the ice-cream balls in gingersnap or chocolate-cookie crumbs.

THIS FALL, IT'S SMARTER TO BUY AT SAVINGS— SHOP PENNEY'S!

Shown above are Betty Koonce, substitute teacher, and Barbara Darlene Pylant, second grade student at Central Primary School where Betty taught Friday morning.

TEEN TALK

By MARGIE SMITH

Last week some of the high school students got a small sample of teaching school. Jimmy Green of the Silver-Burdette Publishing Company was here to demonstrate to elementary teachers how to teach music. While the teachers were at these demonstrations, several high school students substituted for one morning or one afternoon.

Those students included Doris Hataway, Eleanor Browning, Charlotte Chauncy, Mickey Gillean, Sandra Scott, Sandra Defore, Harriet Redwine, Perry Bolger, Morris Hataway, Ernestine Partain, Marjorie Smith, Wanda Lane, Faye Cronk, Juanez Teaff, Harilyn Ward, Mary Ann Doak, Jane Patterson, Carol McKinney, Lynda Smith, Lenda Norcross, Patsy Williams, Gay Birdsall, Kay Birdsall, Patsy Huffman, Margaret Trevey, Sara Jean Clark, Judy Miller, Carla Swan, Linda Milam, Emma Lee Duncan, Gealene Robinson, Rita Johnson, Janice Springer, Gay Smyers, Anne Porterfield, and Betty Koonce.

• • •

A Coke party was given Tuesday afternoon in the home of Peggy Black. Those present included Mary Lou Byrd, Bebe Cockrell, Karen Crooks, Emma Lee Duncan, Deloris Ellis, Patsy Harless, Cecile Hayes, Nancy Jordan, Connie Longbotham, Judy Noah, Janice Starr, Beth Storey, Carolyn Sturdivant, Carla Swan, Margaret Trevey, Sid Turner, Harilyn Ward, Janie Wright, and Peggy Black.

• • •

A flapper party was given Tuesday afternoon in Judy Miller's home. All the guests came dressed as flappers and Dana Scarborough won the prize for best-dressed flapper. Linda Miller received the prize in the Charleston contest.

Others attending were Dottie Dugas, Jane Joyce, Wanda Sue Crook, Molly Carroll, Deanne Devers, Toni Best, Jo Ann Miller, Louis Cate, Darla Gilbert, Carol McKinney, Linda Milam, Pat Bruton, Chiva Boss, Juanez Teaff, Rita Grimmett, Shelby Smith, Doris Lewis, Janell Moore, Connie Connell, Janice Springer, Carolyn Dudley, Pat Wade, Barbara Wade, Huana Birdwell, Clinta Blackard, Susie Clark, Mary Lou Cary, Deborah Smith, Joyce Blakely, Sittie Harrell, Ann Fish, Mary Ann Doak, Lynda Smith, Suzanne Houston, Judy Rohr, Pat Taylor, Betty Connell and Bata McPherson.

• • •

Clinta Blackard gave a party October 23 in honor of Carol Rogers, who moved to Big Spring. Among those present were Tommy McClatchy, Jane Joyce, Jimmy Bennett, Wanda Sue Crook, Don McNew, Sid Turner, Doug James, Beth Storey, Frankie Minton, Chiva Boss, P. W. Cloud, Freida Melton, Randall DeShan, Susie Clark, Kent Fields, Pat Wade, Elwynn Weathers, Brian Boss, Jimmy Joe Key, and Clinta Blackard.

Following the party, a slumber party was given at Jane Joyce's for the girls in honor of Carol also. Those present were Clinta Blackard, Susie Clark, Wanda Sue Crook, Pat Wade, and Jane and Carol.

• • •

Mrs. G. B. Clark and Mrs. Herman Doak were chief cooks for a come-as-you-are breakfast given yesterday morning by the Lucky 13 club. Starting at six o'clock the Lucky 13 members went after their guests, who were very surprised and confused. They all met at Susie Clark's home for breakfast and were then returned home.

Those attending were Dottie Dugas, Molly Carroll, Dana Scarborough, Linda Milam, Darla Gilbert, Louise Cate, Nell Crawford, Chiva Boss, Janice Joyce, Juanez Teaff, Rita Grimmett, Wanda Sue Crook, Linda Miller, Connie Connell, Janell Moore, Doris Lewis, Janice Springer, Toni Best, Jo Ann Miller, Carolyn Dudley, Margaret Spence, Pat Wade, Barbara Wade, Shelby Smith, Pat Bruton, Huana Birdwell, Deanne Devers, Clinta Blackard, Joyce Blakely, Mary Lou Cary, Susie Clark, Mary Ann Doak, Ann Fish, Jane DeWald, Sittie Harrell, Suzanne Houston, Gerry Ann Hughes, Bata McPherson, Judy Miller, Judy Rohr, Deborah Smith, Lynda Smith, and Pat Taylor.

• • •

Judy Broman gave a dinner in her home Friday night before the football game. Among the ones present were Deanne Devers, Doris Lewis, Dana Scarborough, Molly Carroll, Dottie Dugas, Paula Dupree, Darla Gilbert, Barbara Mahan, Louise Cate, Nell Crawford, Pat Busby, Viola Hinojos, Jo Ann Miller, Toni Best, Pearl Burleson, Carolyn Dudley, and Judy Broman.

• • •

Several girls and boys met at the Devenport residence for hamburgers and hot chocolate after the football game Friday night. The group included Mary Ann Doak, Betty Connell, Ray Courtney, Suzanne Houston, Judy Rohr, P. W. Cloud, Jr., Joe Devenport, and Mary Lou Devenport.

• • •

Quite a few college students are home this weekend. A few you might see around are Jane DeWald, Janeene Smith, Louise Crook, Mary Alice Richardson, Joe Devenport, and Camille Cloud.

High School P-TA To Meet On Monday Night

The high school Parent-Teacher Association will hold a meeting at 7:30 o'clock tomorrow night in the high school cafeteria, according to Mrs. B. V. Gillean, president.

Theme of the program will be "We The People, In Order to Form a More Perfect Union." The contribution of the home to the cause will be discussed by Mrs. Stanley Kerbow, and Virgil Joines will talk on the contribution of the school.

The organization's executive committee will hold a meeting at 10:30 o'clock tomorrow morning at the high school.

Henley Service Is Held Here Saturday

Funeral services for Thomas Luther (Tom) Henley, 51, of 1905 Fifteenth Street, were held yesterday afternoon in the First Methodist Church. Mr. Henley died Thursday morning at his residence.

Pallbearers included D. M. Pogue, Leamon Land, Claude McCormick, Fred Davis, Raymond Martin, Leverett Lewis and Vernon Minnick. Burial was in Snyder Cemetery under the direction of Bell Funeral Home.

Gains Indicated In Southwest Income

DALLAS, Oct. 30 (AP) — Income payments to individuals have increased at a faster rate in the Southwest in the postwar period than in any other region of the nation, the Federal Reserve Bank of Dallas reported today.

The Southwest showed a 75 per cent gain from 1946 to 1953. The next ranking region, the Central States, showed a gain of 63 per cent.

Moreover, the monthly business review of the reserve district said, the Southwest has led the nation in the postwar rate of expansion in per capita income payments.

In its monthly report of business, agricultural and financial conditions in the Southwest, the review said department store sales in September were 5 per cent above August and 1 per cent above September, 1953. However, the year's sales to the close of September were 3 per cent below a year ago.

Light to heavy rains in the first half of October brought an improvement in moisture conditions, the review said. Cotton harvest progressed rapidly and cotton production prospects improved. Marketing of cattle and calves was seasonally heavy. Price changes for major agricultural commodities were relatively small in October.

Daily average crude oil production for October in the district declined slightly from September.

Nonagricultural employment in the district states rose in August and September, partly because of seasonal factors, and manufacturing employment also increased.

The value of construction contracts awarded in the district in September was 55 per cent above August and 22 per cent above a year earlier. The sharpest gain was in residential awards.

Loans of the weekly reporting member banks rose seasonally by 2.5 per cent in the four weeks ended Oct. 20. During the same period deposits increased 1.9 per cent. Investments expanded considerably, primarily because of recent Treasury financing.

The review said income payments to individuals in the Southwest in 1953 totaled $21,258,000,000, representing about 8 per cent of the national total.

In the five states of the Southwest in the 11th Federal Reserve District, Texas accounted for 57.9 per cent of the income; Louisiana 16.9 per cent; Oklahoma 14 per cent; Arizona 6.4 per cent, and New Mexcio 4.8 per cent.

The 1953 per capita income payments in the Southwest amounted to $1,406—still under the average of $1,709 for the nation.

The review said income payments to individuals in the Southwest in 1954 are likely to be fairly close to the 1953 level. It said that the region apparently will experience a further decline in agricultural income—perhaps as much as 8 to 10 per cent.

Language No Barrier To Friendship

By DOROTHY ROE
AP Woman's Editor

If you like people, you can find friends, fun and adventure in any corner of the world, says Madeline Cuniff, a decorative blonde who has one of the world's most glamorous jobs.

As head of Pan American's passenger service division, she meets and aids travelers from every nation on earth as they pass through that international crossroads, Idlewild Airport. Also in connection with her job, she flies all over the world to exchange ideas and get acquainted with others doing the same job in the airline's foreign divisions. Says she:

"I just naturally like people of all kinds, shapes and sizes. I can get along with any of them, no matter whether we speak the same language or not. Whether they come from Hindustan or Kalamazoo, they have the same human problems and fears and friendliness. It's my job to get acquainted with them all, and see that they get where they're going."

In Madeline's division are 34 girls, working on three shifts around the clock. They come from Germany, France, Spain, Greece, Finland, Sweden and the Orient, so that a traveler from almost any country can be met by a pretty, friendly girl who speaks his language and probably knows his home town.

She helps him through customs, contacts relatives for him, makes connecting travel arrangements for him, sees that he is safely on his way to his destination before she lets him out of her sight.

Madeline is off soon for a trip around the world — a busman's holiday. She'll visit London, Istanbul, Beirut, Cairo, Jerusalem, New Delhi, Kashmir, Bangkok, Macao, Manila and Honolulu before heading back home.

"And I'll bet I make friends in every country," says she. "People are wonderful."

Fluvanna Carnival Nets Over $1,000

A total of $1,002.10 was raised by classes of the Fluvanna schools in connection with a Hallowe'en carnival held Friday night, according to Charles Chorn, superintendent.

The money, raised in a race for carnival king and queen, will be used to help finance the school's athletic program and to buy teaching materials.

Miss Syble Ann Bley was crowned queen of the carnival, and Donald Earl Browning was king. Both are members of the senior class, which raised $488.80. The juniors had $285.54, freshmen $71.96, and sophomores $40.60. Elementary classes also raised money.

Miss Wyvon Ramsey, social studies teacher, directed the coronation program, which was held at the end of the carnival. The carnival included sale of food in a lunchroom and at a hotdog and hamburger stand, along with several games.

Anthropology Tiff Stirred By Raft Trip

HONOLULU, Oct. 30 (AP)—William Willis' 6,500-mile drifting voyage alone on a raft from Peru to American Samoa has added new fuel to the fires of a controversy among anthropologists.

Dr. Kenneth P. Emory, Bishop Museum ethnologist, said this week that the 115-day trip on the tossing raft "didn't prove a thing" about the migration of the races.

Emory sides with a group of conservative anthropologists which contends the peoples of Polynesia came in giant, double-hulled canoes from Malaysia.

But another group, a newer school, maintains that the first settlers floated on prevailing currents from South America. The raft Kon-Tiki, manned by six Scandinavians, pushed off from Peru in 1947 to "prove" the new theory and drifted some 4,300 miles west to the Tuamotus.

Willis, 61-year-old New Yorker, drifted about 2,000 miles farther on his 35-foot balsa raft and ended up in Pago Pago.

Willis and the Kon-Tiki to the contrary, Dr. Emory argued:

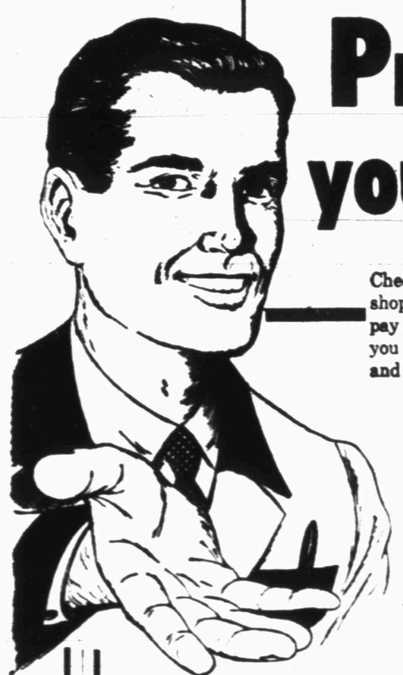

"The languages, religions and social and material cultures of Polynesia have been identified by anthropologists as belonging to the family of Malaysia, Iconesia and Melanesia to the west.

"Even the Polynesian outrigger and double-hulled canoe is based on Malaysian-type construction unknown in the Americas."

He said the only evidences of South American influence in Polynesia were the sweet potato and some stone work that appears to have a Peruvian influence "but this is inconclusive proof."

"The sweet potato could have been brought by travelers after Polynesia was settled and the stone work could be parallel masonry," he said.

Dr. Emory conceded that raftsmen from South America could have reached Polynesia after if was settled from the west "but if they had got in first, the racial and cultural pattern today would be South American, not Malaysian."

Prices like these prove you can save at SAFEWAY

Check in the lists below, a typical group of items you would buy on a weekend shopping trip. Add the prices. Then compare the *total* with what you would pay elsewhere. See how Safeway's policy of low prices on *all* items can save you money. Don't judge savings on "specials" alone. Compare all prices—and we believe you will agree you get more for your money at Safeway.

TEACHERS STUDY MUSIC CORRELATION

One-hour demonstrations were given for all elementary school teachers by classes in all Snyder elementary schools last week by Jimmy Green, right above, representative of the Silver Burdette Publishing Co., publisher of the music books used in Snyder elementary schools. A group of second grade teachers is shown above watching as the second grade class taught by Mrs. Ivan Gatlin at Central Primary School demonstrates the use of music as a teaching aid. Singing, rhythm, correlation with other subjects, reading, arithmetic, social studies, geography, and social science studies can be more effectively taught by use of music as a teaching aid, Green said. (Lee Watson photograph)

Traffic Fine Case Ousted

CORSICANA, Oct. 30 (AP) —The trial which grew out of the City of Corsicana's attempts to collect a one-dollar traffic fine from Dist. Judge A. P. Mays has been thrown out of court.

Corporation Court Judge Kenneth Douglas dismissed the case late yesterday after a defense motion for a mistrial.

The city sought to collect the fine for an alleged overparking violation.

The defense had contended there was discrimination against Judge Mays in calling him into court on the violation.

Before the case was dismissed on grounds of an improperly empaneled jury, Luther Johnson Jr., manager of radio station KAND, testified he had 19 tickets for alleged overparking violations in his possession. He said he had not paid the fines involved and had not been served with a warrant.

Guard Association Plans For Conference

CORPUS CHRISTI, Oct. 30 (AP)— The Texas State Guard Assn., its membership now approaching the 1,000 mark, is planning its biggest annual conference in recent years in Corpus Christi Nov. 12-14.

Between 400 and 500 persons are expected to attend the 11th annual conference which Col. Hobart Huson of Refugio, president of the TSGA, and his officers have been planning for months.

Among those attending are expected to be adjutant generals, state guard association delegates and former state guardsmen from some 20 states who will be here to organize a national association of state guardsmen.

Time Out For Voting

WASHINGTON (AP) — President Eisenhower today gave government employes permission to take "reasonable time" off to vote next Tuesday without loss of any of their annual leave.

Bridge Club Meets

Mrs. H. J. Brice won high score when the Thursday Bridge Club met this week with Mrs. Merle Williams, 2105 Twenty - seventh Street. Mrs. R. H. Curnutte won second high and the traveling prize went to Mrs. J. C. Dorward.

There were 10 members and three guests present. The guests were Mrs. Rev. Hicks, Mrs. L. D. Green and Miss Johnston.

Tibet is almost twice as large as Texas.

Magic Roosevelt Name Faces Political Test On Two Fronts

By CHARLES MERCER and GRAHAM BERRY

A salesman in Virginia could count himself fortunate to bear the surname Lee. Around Detroit anybody could do worse than be called Ford. And if a fellow wants to go into politics under a certain party standard he would appear lucky almost anywhere if his name were Roosevelt.

Two fellows by that name are trying it out on the voters next Tuesday. In the East Franklin D. Roosevelt, Jr., is running for attorney general of New York State. A continent away his brother, James, is running for Congress from the 26th California District.

Both are Democrats and both are confident. Naturally. Those are among the characteristics they inherited from their father, President of the United States from 1932 until his death in 1945.

Franklin D. Jr., 40, and James, 46, have many similarities besides their surname. Each is a strapping 6 feet 4. Both knew the hazards and helps of being born and raised in a wealthy family. Since 1932 neither has had much more privacy than the proverbial goldfish. Both served in World War II, Franklin in the Navy and James in the Marine Corps. Both have been divorced.

Now both are campaigning for office with the gusto and skill their father brought to politics.

Of the two, the late President's third son, Franklin, more closely resembles his father both in appearance and career. Groton, Harvard, Law School, law practice, politics—the steps were the same.

In 1911 Franklin D. Roosevelt entered politics by attacking Tammany Hall, the powerful Manhattan New York Democratic organization. In 1949 his namesake did the same thing, vowing to "bat those guys' ears in" when he ran for Congress from the 20th Manhattan District backed by the Liberal party and one called the Four Freedoms.

Although he'd said he'd never enter politics, the young Roosevelt put on a terrific campaign, shaking hands with thousands, speaking on street corners and ringing doorbells. His wife, the former Ethel Du Pont, filed suit for divorce in Nevada in the midst of the campaign. Friends say she was opposed to his entering politics. The divorce action had no political repercussions on Frank Roosevelt. He overwhelmed his Tammany opponent by almost 2-1.

His supporters immediately foresaw a bright political future for him. But Roosevelt himself said he was no crystal ball gazer—an attitude he still maintains today.

Opinion is mixed — largely along party lines—on the record Roosevelt established during five years in Congress as a Democrat-Liberal.

Roosevelt himself said in an interview that he feels his most successful legislative work was in public housing, in "the fight for civil rights," in "the fight to prevent private utilities from grabbing St. Lawrence and Niagara power, in "efforts to broaden social security" and other legislation of a like nature.

Should he and his ticket win over the GOP slate on which Rep. Jacob K. Javits is pitted against him, what kind of an attorney general would he be?

"It's a job that must be devoted to clean government," he said. "The attorney general must make sure the public is not being milked in any way." He also says he would "feel free to speak out on any and all major issues" without being restricted solely to the state's legal problems.

James, an insurance executive, learned more than his younger brother about politics at first-hand from his father. He served the late President as a White House aide for some time.

An experienced campaigner and politician, he ran unsuccessfully for governor of California against Earl Warren in 1950. He served as state Democratic chairman and as a nationall Democratic committeeman.

But experience, personality and name did not seem strong enough last spring to hurdle such politically formidable obstacles as charges of adultery and opposition from the chieftain of his own party to his running for Congress. Yet he piled up a better than 7-1 lead over his nearest rival in the primary last June to win the Democratic nomination from the 26th District.

His biggest handicap appeared to be his estranged wife's charges of adultery, which he denied. National Democratic Chairman Stephen Mitchell virtually ordered him out of the race until his troubles with his wife, Romelle, were untangled. But after his primary victory Roosevelt says he won the National Committee's full moral and financial support.

In campaigning he talks personally with groups of voters in their homes. It's a grueling pace of long question and answer sessions.

The 26th District is heavily Democratic with 165,000 registered Democrats against 74,000 registered Republicans. Its incumbent congressman is Rep. Sam Yorty, a Democrat who is running for the U. S. Senate against incumbent Thomas Kuchel.

Roosevelt is standing on a platform urging full employment, a federal unemployment program to be used if needed, "some kind of tax break" for small business, civil liberties and the Fifth Amendment, which "allows people not to convict themselves."

Thus it's apparent that James and Franklin Roosevelt are following closely the patterns of their father in both political ideals and methods. Where it will lead them no one can yet say.

BATTENFIELD-JONES

Admissions: Oscar A. Sewalt, route 2; C. A. Bretz, 2903 Avenue N; Jack Darby, Snyder; Harold Lewis Pitts, 1006 Twenty-ninth Street; Cynthia Ann Pittman, 309 Thirty-sixth Street; Mrs. Harold B. Burke, Snyder.

Dismissals: Mrs. J. C. Kerr, Snyder; Mrs. Lynn Akin, 2112 Twenty-eighth Street; Vargas Terez, Knapp; Francisco Altamirano, Justiceburg; Noe Altamirano, Justiceburg.

COGDELL MEMORIAL

Admissions: Michael Morris, 2904 Coleman; Mrs. A. O. Snelgrove, 2109 Avenue T; Richard Short, Lamesa highway; Paul Navickas, 508 Thirty-second Street; Charles Kaltenbach, Hobbs, N.M.; Anne Buell, Snyder.

Dismissals: Mrs. W. E. Raborn and baby girl, 3719 Avenue U; Mrs. M. A. Davis, 2511 Avenue M; Anne Buell, Snyder; Patsy Mebane, Snyder; Mrs. Ray Myers, Snyder; Harold Phillips, Andrews.

University Selects Top Boy And Girl

AUSTIN, Oct. 30 (AP)—Joe Paul Tupin of Comanche and Sidney Elizabeth Howell of Bryan today were awarded trophies as the "best all-around" boy and girl at the University of Texas.

The awards were made by the University Dads' Assn. Their selection was by a faculty committee from nominations by faculty members, student organizations and other groups or individuals at the university.

Tupin is a pharmacy major and Miss Howell a business administration major. Both have been active in student government, new-student orientation and counseling, religious activities, and numerous campus honorary and service organizations.

North Korean Congress Asks For Parley In '55

TOKYO (AP)—The North Korean congress has adopted an appeal to South Koreans for a meeting in either Seoul or Pyongyang in 1955 to discuss peaceful unification of Korea, Pyongyang radio said tonight.

South Korea rejected a somewhat similar bid earlier this week as "propaganda."

Irish Cancel Tour

UNITED NATIONS, N. Y. (AP)—Queen Mother Elizabeth's visit to the United Nations today clashed with a scheduled tour of the world organization by an Irish football team here for a series of games. U. N. sources said the Irish canceled their tour.

Practicing for the earnest packing to be done on Friday are, left to right, Mrs. C. J. Killgo, Mrs. Lloyd Weathers, Mrs. Troy Stephenson, Mrs. Dale Clemmer, Mrs. Ted Zeck and Mrs. Bill Starnes. The packages, Parcels for Peace, will contain relief items for needy families around the world. (Lee Watson photograph)

United Church Women To Pack 'Parcels For Peace'

United Church Women of Snyder will take the second step toward forwarding relief items to destitute peoples around the world Friday. The women will meet at the Union Methodist Church Friday morning to pack clothing and bedding for shipment to a central collection point to start their trip overseas.

The relief packages have been titled Parcels for Peace. They will go toward the Christian Women's Program for Lasting Peace as well as toward relief projects. This Friday is also World Community Day, which is sponsored by the United Church Women's department of the National Council of Churches of Christ in the U.S.A.

Packing the items to be shipped is described as the second step in the local program. The first step is the collection of the clothing and bedding, now being done through the churches which participate in the United Church Women's program. Receptacles have been placed in these churches so that persons who wish to contribute may do so at their convenience. Churches participating are the Union Methodist, First Methodist, Trinity Methodist, First Presbyterian, St. John's Episcopal and First Christian. Mrs. Dale Clemmer will direct the World Community Day program on Friday. Mrs. Charles Tyer is president of the United Church Women.

In addition to their material gifts, the United Church Women will present special offerings for relief. Part of the money given this year will go to the Church World Service fund, a department of the National Council of Churches of Christ, to help send U.S. government surplus food overseas. On the present world market, each American dollar can be exchanged for $20 worth of goods for the needy overseas, according to the National Council.

The World Community Day offering will also support the United Church Women's own official observer at the United Nations and the Christian Woman's Action Program for Peace.

Any kind of warm, serviceable clothing will be suitable for use in the Parcels for Peace boxes. The clothing should be in wearing condition as far as possible, with buttons or other fasteners intact, and reasonably clean. Clothing for babies and young children is especially needed. Material which can be made into clothing for these children can also be used. Household linens are also especially needed. These include blankets, sheets, and pillowcases which refugees have had to leave behind and cannot afford to replace.

Flood Victims Get Surplus

WASHINGTON (AP)—President Eisenhower today approved the shipment of $8,585,000 worth of surplus foodstuffs to eastern and central Europe for relief of last summer's flood victims.

The first shipment is leaving Baltimore today for the Soviet Zone of Germany. The USS Mormackport is carrying 2,000 tons of corn and 1,714 tons of barley to the port of Rostock.

Other shipments will go forward in the next few weeks. All told the shipments and their estimated value will be: $1,700,000 to Czechoslovakia; $2,800,000 to Hungary; $1,000,000 to the Federal Republic of Germany; $2,400,000 to Yugoslavia, and $685,000 to the East Zone of Germany.

BIRTHS

Mr. and Mrs. A. O. Snelgrove, 2109 Avenue T, are the parents of twins born Saturday morning in Cogdell Memorial Hospital. The first, a girl weighing four pounds, six ounces, was born at 7:09 a.m. A boy weighing five pounds, five and one-half ounces was born at 7:16 a.m.

Mr. and Mrs. LaVerne Allen of Snyder are the parents of a daughter born at 7:37 a.m. Thursday in Battenfield-Jones Clinic-Hospital. She weighed seven pounds, eight ounces.

President To Greet Applicants Personally

WASHINGTON (AP)—The White House said today President Eisenhower will greet personally a score of more "typical applicants" for naturalization here Nov. 9 to dramatize mass citizenship ceremonies throughout the nation two days later.

After the White House reception the typical representatives of the foreign races will be flown back to their home cities for the naturalization ceremonies two days later.

VENDING MACHINE 'AGE' ... MAKING HEADWAY HERE

By LaWAYNE HULSE

For the last few years, it has often been said that you could buy anything from vending machines in the big cities. But now, Snyder is either getting bigger or machines are growing weary of life only in the big towns.

You can now buy coffee, hot chocolate, chewing gum, candy, cigarettes, trinkets, bottled drinks, and music from machines in Snyder. That's about the limit for this town, but all of this wasn't possible until a few days ago.

An oilman here has placed about a dozen hot chocolate and hot coffee machines in various buildings. One is on the main floor of the courthouse. A dial on the machine can be set in any of five positions for selection of the drink you want the way you want it.

If you like black coffee with no sugar, set it at the first position. Drop in a dime, and a paper cup drops to a small shelf behind a window. Coffee pours into the cup, which you take from the window. If you like sugar in it but no cream, set the dial that way, and in pours a small amount of concentrated liquid sugar equal to about two teaspoons of granulated sugar. Likewise the cream, which you can have with or without the sugar. If you want hot chocolate, turn the dial to this indication, and the cup gets filled.

Hot water is piped through the machine for use in all drinks and is mixed with concentrations of the drink you want. The coffee concentrate is a brewed syrup which cannot be detected by taste from freshly brewed home coffee after it is mixed at the time you purchase it from the machine.

Not yet popular here but available in some cities are cigar vending machines, boxes which sell you sandwiches, carbonated drinks in paper cups, cookies, handkerchiefs, and even diapers.

In some places, cafeterias are equipped with vending machines which will dump servings of creamed potatoes, green beans, etc., onto the plates of those who push the selector buttons and drop in five or six quarters. You don't even have to tip the machines when you leave.

If the pace continues, it may some day become difficult to obtain employment as a waiter or sales clerk. Imagine backing your car to a huge wall on which are pictures of your favorite packaged groceries. Then push a score or so of buttons, deposit a credit card in the form of a key which you turn and watch the grub tumble into your trunk.

Jeanette Norman, 21-year-old Houston switchboard operator, pleaded guilty at Mansfield, La., to giving perjured testimony in the trial of a convicted slayer. She told the court she gave the testimony because she loved Jasper Self, Jr., on trial for the slaying of a deputy sheriff. Miss Norman was sentenced to five months in jail.

New Guatemala Regime Slated To Receive Aid

WASHINGTON (AP)—The United States announced today it is allocating $6,425,000 in technical and other aid to the new anti-Communist government of Guatemala.

The State Department disclosed this in making public a note which U. S. Ambassador Norman Armour delivered to President Carlos Castillo Armas, who led a revolt that overthrew a pro-Red regime several months ago. The funds are to be available to Guatemala during the current fiscal year which still has eight months to run.

33 Persons Take Out Absentee Ballots Here

Not more than 33 persons will have voted by absentee ballot in the general election of next Tuesday.

The deadline for obtaining absentee ballots was midnight Friday night. Of the 33 issued, 24 had been returned to the county clerk's office and boxed by noon yesterday for casting Tuesday.

The nine ballots still in the hands of voters may be marked and returned to the clerk's office and are to be cast Tuesday if returned by 1 o'clock that afternoon.

Maurice Travis, secretary-treasurer of the International Mine, Mill & Smelters Union (Ind.) is shown in Denver after his arrest on a six-count federal indictment charging him with false statements when he told the National Labor Relations Board he was not a Communist Party member.
