EXTRA-STRENGTH TYLENOL®

acetaminophen **CAPSULES**

extra pain relief... contains no aspirin

100 Capsules—500 mg. each

Extra-Strength TYLENOL® Capsules are for the temporary relief of minor aches, pains, headaches, and fever.

USUAL DOSAGE:

Adults: Two capsules three or four times daily. No more than a total of eight capsules in any 24-hour period.

Severe or recurrent pain or high or continued fever may be indicative of serious illness. Under these conditions, consult a physician.

See end panel for expiration date. Store at room temperature.

How TYLENOL acetaminophen products are different

- Contain no aspirin and are unlikely to cause the gastric irritation often associated with aspirin or aspirin-containing products.
- May be used safely and comfortably by most persons with peptic ulcer when taken as directed for recommended conditions.
- Are not likely to cause a reaction in those who are allergic to aspirin, and are especially well suited for such persons.

WARNING: Keep this and all medication out of the reach of children. In case of accidental overdosage contact a physician immediately.

If you are a local dedicated Tylenol user, you may hurt a little. Local dealers have taken the product from their shelves but anyone of them can assist with another nostrum until the tragic mystery is resolved.

While one "batch" produced in Texas but distributed in the greater Chicago area, was found to have a contaminated bottle bearing its production number, no one who has taken the pain reliever in Texas has been stricken and none of the bottles turned in by dealers or purchasers in Texas was found to be contaminated.

Federal authorities, however, have ordered it withdrawn from sale everywhere . . .

--And Spearman retailers have complied.

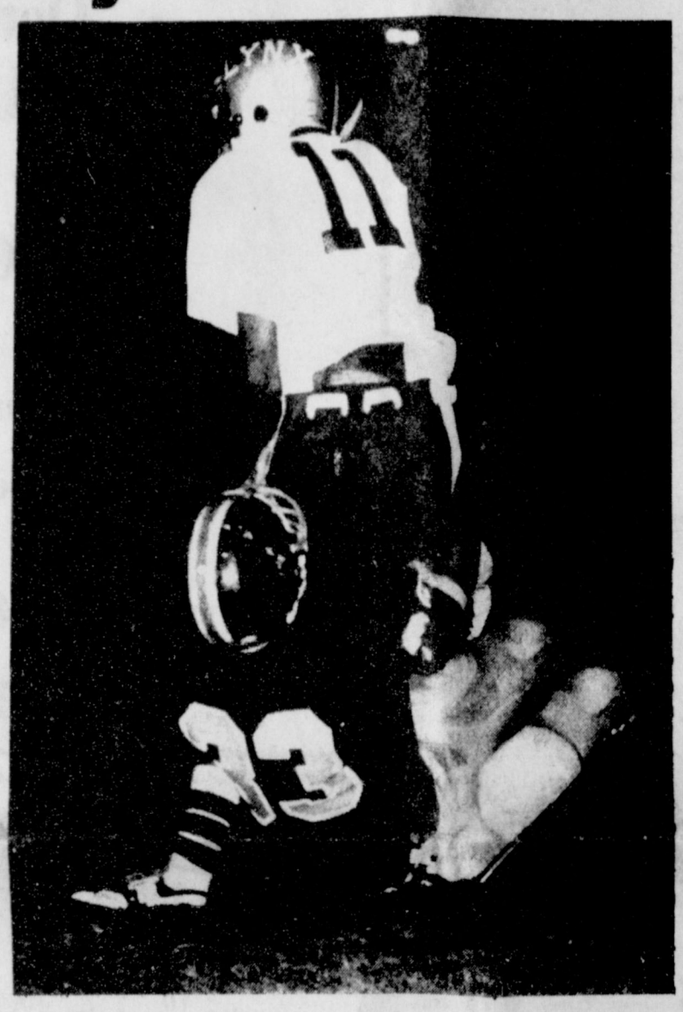

Public and official opinion had pretty well settled down to the theory that a deranged person took random bottles from retail shelves in the Chicago area and opened the capsules to place the cyanide instead of the production chemical inside.

Tuesday, however, word has come of regular-strength Tylenol caps found in California to be laced with strychnine instead of cyanide. The pattern is the same, however, with only a few random contaminated bottles discovered thus far.

Authorities are loud in their praise of Johnson & Johnson and its Tylenol subsidiary, McNeill, for the way they have cooperated without regard to profit or injured reputation and many officials working in the discovery and examination operation have urged the public to give the company the benefit of the doubt and its gratitude.

During National 4-H Week, Oct. 3-9, nearly five million 4-H members will rededicate their *heads* to clearer thinking, their *hearts* to greater loyalty, their *hands* to larger service and their *health* to better living.

Lynx meet Ranchers there at 7:30

ROSS GETS CAUGHT IN ENDZONE, TRIES TO GET RID OF BALL, SUNRAY GETS 2-POINTS--This is just one of a very few times that the Spearman Lynx Offensive Line failed to protect their quarterback. Ross Donahue was caught in the endzone, he threw a pass which was called by officials as grounding from the endzone, which gave the Sunray Bobcats a 2-point Safety. By the way, this is the first time that Sunray has scored so far this season. Lynx Defense protected Ross better after this Safety by Sunray Defenders.

The Lynx and their fans are "Eye-ing" the chance for the District Title for 1982. The Lynx have surprised all the predicting folks, they have won 4 of their first 5 games of the season. They probably would have won all five, but Stratford lucked out somehow. Now it is District Season, meaning that all these games played before District are good experience and have "matured" the Lynx into great ball players. Their first District foes are the always tough Boys Ranch Rough Riders. The Riders have always had a tough team. The Lynx, if they play with the intensity they have played with so far in the season, will turn Boys Ranch into "Smooth" riders. This will be a very good ballgame. It is the beginning of the District 1-AAA Season. Picked to finish ing will see that the Lynx are the team to beat. They have more confidence than the other teams in District do, because they have won 4 in a row, with no problem. Boys Ranch has a record of 2-3, losing last week's game to the Dimmitt Bobcats with the score of **33 - 0**. Now, that could keep Boys Ranch down awhile.

The Lynx have plenty of fellows that can "take it". The Roughriders will have to look out for the runningbacks, Dennis Randall, Darren Goodheart, Ricky Torres, Jay Pack, Dell Brandt--all Seniors, Julio Vasquez a Junior and maybe even Karl Bynum. All these backs have special qualities. The Quarterback they will have to stop is Sophomore Ross Donahue and Senior Billy Pat Underwood--who also does the place kicking. Jeff Pool, Gary Thomas, Steven Francis and Steve Burke all are Ends. Gary, Jeff and Steven are all Seniors, and Steve is a Sophomore. All do a fine job catching the ball. The Riders must contain all these men, but...

...First they will have to go **thru** the Lynx Offensive Line, that will be the toughest chore the boys from Boys Ranch will ever have to do. They will have to get to the Center, Charlie Salgado--Senior, or Israel "Kimo" De La Rosa or Billy Ray Haden--both Juniors; they will have to go **thru** the big Lynx Tackles--Mark Guthrie, Joe Gomez--both Juniors, James Potter--a Senior and Kevin Slaten--a Sophomore. **NOTE FROM SPORTS DESK: Jan Hartsell was hurt in the Sunray game will not see action in the Boys Ranch game. Jan is a Tackle also, and a good one at that.** The other linemen are the Guards. Clint Graves--a Senior, Darl Farris, Byron Sutterfield and David Turner--all Juniors. So it seems like the Boys Ranch Roughriders are gonna have to try and "lasso" the Lynx early, because the Lynx are ready for the first "Ambush and Massacre" of 1-AAA Teams.

The game begins at **7:30** p.m. **NOTE FROM SPORTS DESK: All the District games begin at 7:30 p.m. No questions asked.** The game will be played at Boys Ranch this Friday, October 8. Don't y'all miss now.

Sarpalius-Buchanan meet with constituents

State Senator Sarpalius and J.W. "Buck" Buchanan, State Representative 88th District, both seeking a second term, were in Spearman Monday visiting with supporters and constituents. There was a coffee at 9 a.m. at the HD Clubroom and then the campaigners were seen visiting around town.

Sarpalius is seeking a second term as State Senator for the 31st Senatorial District. He has been very effective in his first term of office in Austin, having one of the most impressive records as a freshman legislator-introduced 30 bills, 21 of them passed into legislation.

He was the only freshman in the 67th Legislature to be chosen chairman of a committee--the Agriculture Subcommittee.

He authored and passed into law the bill to raise the legal drinking age from 18 to 19 years, and also authored and passed into law the bill to establish the gasohol industry in Texas.

He has fulfilled his promise to be available in hometowns on a regular basis by the use of his mobile office.

He was chosen as one of the top five legislators for agriculture interests by the Farmers Union.

Sarpalius has proven in this first term that he is willing to work hard for the interests of the people of the 31st District.

Sarpalius, Mrs. Kemper, Buchanan

J.W. "Buck" Buchanan, Democratic Candidate for State Representative 88th District, is a native of Hansford County, and is experienced in farming, ranching, management and legislation.

He served the North Plains Water District for 25 years. He retired in 1980 and was elected State Representative for this district.

He served on the Natural Resources and Redistricting Committees and was appointed by the Speaker to serve as Texas' member on the Water Resources Committee of the National Conference of State Legislatures as well as Vice Chairman of two other Interim Water Committees.

Buchanan has been active in all water organizations on the local, regional, state and national levels. All of these associations have honored him for his leadership. He has been an active member of the Chamber of Commerce, Lions Club, YMCA, Community Chest,-4-H Fair Association and numerous others.

Buchanan, as a conservative, believes you, the taxpayer should get full value for every tax dollar spent. By being practical, he was able to return to the State $25,000 from his allocated Legislative expense account in 1981.

In his re-election bid Buchanan stated "My past Legislative experience has made me aware of the State's responsibility in education of our youth and assistance to the elderly, crime control, caring for the mentally ill, maintenance of our highways, and supplying adequate energy and water. This experience has helped me in separating the need from the greed, so that I can put your tax dollars to their best use. This is a responsibility that I do not take lightly and am fully aware that my obligation is to this district and to the people that elect me."

"Wheels for life" Bike-a-thon Saturday

The St. Jude Children's Research Hospital Bike-a-thon will be Saturday, October 9, from 10:00 a.m. to 2:00 p.m. The Bike-a-thon will start at the East end of the High School and the route will be a mile long. This route will be ridden as many times as each rider wants to until 2:00. Sponsor forms are available at the Junior High School office, the High School office, at Gordon's and Kid's Stuff. There will be prizes for those that ride the longest distance and other prizes will be given away. Rider's who raise $25 will receive a St. Jude t-shirt, and those raising $75 will receive a barrel tote bag. There will be refreshments and sandwiches will be served at lunch time.

The Bike-a-thon is being dedicated to Terry, a leukemia patient at St. Jude. St. Jude Hospital was founded by entertainer Danny Thomas, and operates primarily from public contributions. The Hospital is a research hospital and has never turned down a patient for their inability to pay. Please help support the "Wheels for Life" Bike-a-thon. If you can't ride and would be interested in helping, call 659-2137 (after five).

4-H Week

Nearly 150 4-H members and 25 volunteer leaders in Hansford County are taking part in special activities for National 4-H Week October 3-9.

This year's theme, "4-H Pathways To The Future," challenges members to become self-directing, productive and contributing members of society, points out Karen Harruff and Jim Smith, county agents with the Texas Agricultural Extension Service, Texas A&M University System.

Through practical hands-on learning experiences, 4-H members select and follow pathways that lead to success in personal and career development.

4-H, America's largest out-of-school program for boys and girls between the agest of 9 to 19, is the youth program of the Cooperative Extension Service of the state land-grant universities and the U.S. Department of Agriculture. Some five million youth are involved in 4-H across the nation, with 140,000 of these in Texas.

The overall mission of the Extension Service in conducting 4-H programs is the development of youth individually as responsibile, productive citizens, says Karen Harruff.

4-H members learn specific skills in programs such as nutrition, animal science, forestry or gardening. They also learn to keep accurate records, make oral presentations, and develop life-long management, consumer and communications skills, explains Jim Smith.

Reading

In this age of television, with movies and automobiles and other pleasant diversions, one is often left insufficient time for reading. And yet this has been the making of most of the learned men and women of history.

Reading still is the only road to a complete education. You cannot educate yourself watching television or going to the movies.

One must take the time to read subjects which interest him to be informed.

One should also read unpleasant subjects to give intelligent opinion. After this, read about things which interest you.

Hightower more optimistic about passage of balanced budget amendment

Congressman Jack Hightower said this week he was "more optimistic" about the chances of eventual passage of a constitutional amendment requiring a balanced federal budget in view of progress in recent days.

"I will be working with other members to make some final improvements in this version I am co-sponsoring, H.J.R. 350, so that we can submit a tough, well-written amendment to the states for consideration," Hightower said. "It is still early in the game, but the momentum is definitely with us."

Last week, one of the versions Hightower is supporting was discharged from committee and under House rules will be taken up for consideration during the special session of Congress starting Nov. 29.

"I'm co-sponsoring both the version that was discharged and a stronger, better-written version, H.J.R. 560. We still need to improve 350 next month because it has some problems that must be ironed out," Hightower said.

Hightower was critical of recent newspaper and radio ads in the district which demanded he sign a special discharge petition for H.J.R. 350, ads which he described as "misleading and unhelpful." The ads, while admitting Hightower was working for a balanced budget and had co-sponsored such legislation, demanded that he sign a petition that would prevent H.J.R. 350 from being amended.

Hightower said the ads failed to point out that many constitutional experts fear that the present language of H.J.R. 350, if not corrected, would result in federal court intervention in federal spending issues.

"If you liked the mess the courts have made of school prayer, busing, criminal rights issues and abortion, just wait until they get into federal spending issues," Hightower explained.

"My record of support and votes in the past for responsible balanced budget proposals is well-known, but there's a right way and a wrong way to amend the U.S. Constitution," Hightower said. "The people who ran these ads advocated ramming through Congress a flawed bill without corrections.

"That's irresponsible, and I won't be a part of cheapening the Constitution with slick parliamentary tricks to pass an amendment that needs correction first," Hightower said. "Part of my job is to protect the integrity of the Constitution, and I intend to do that."

Until the last few days, one of the most vocal Republican advocates of a balanced budget amendment, Rep. Jack Kemp, had also refused to sign this particular discharge petition. Kemp was described last week in a national political news column by Evans and Novak as refusing to sign the petition because he believed the present wording might result in higher taxes if not corrected.

"I want to get a strong, well-written amendment passed in the House, passed in the Senate, and sent to the states for ratification," Hightower said. "We'll be trying to make sensible improvements where we can, but this discharge petition business these well-financed special interest groups from outside the district were pushing was a very poor way to legislate on an issue as crucial and sensitive as amending the American Constitution. They should have known better."

Ice Cream

Old-time ice cream was made with real cream, perhaps fresh fruit and other natural ingredients and often churned. It didn't take the smart producer long to learn he could turn out an imitation which tasted good too, and spew it out of machines, almost endlessly.

Today, few of us eat anything like old-time ice cream. That's good for those who don't want the calories but some phony ice cream today isn't even made with low-fat milk.

JV Lynx to Host Boys Ranch

The JV Lynx have been having a great "home-stand". They have played two games away and two games at home. Their record is 1-2-1. The JV Lynx did an excellent job last week when they tied the undefeated JV Lobos of Dalhart. **NOTE FROM SPORTS DESK: Lobos is a Spanish word that means Wolves, only in different lingo.** So the JV Lynx enjoyed the taste of the "Lobo" Chili.

Now, the JV Lynx, under the direction of Coach John Roller, are planning to defeat the tough ole Boys Ranch JV Roughriders. The Riders are always tough, and this game should be no exception. But, the JV Lynx will be playing at Home at Lynx Stadium beginning at 6:30 p.m. this Thursday, October 7. This will be a good game. Now, the JV Lynx have many Offensive weapons as well as Defensive weapons. Last week, the Dalhart runningbacks could not **penetrate** thru the tough JV Lynx Middle of the line on Defense. They could not get a yard out of them. Boys Ranch is a powerhouse, usually going up the middle. If they can't pop it thru the middle, they are going to want to go home early, and they just might.

Remember the JV Lynx have been improving. They are the future Lynx Varsity, and they have shown their fans, that they can defeat tough teams like Guymon, tie teams like Dalhart, and they will try and defeat Boys Ranch. Don't y'all miss this game, it will be a "dooozzy".

Fashion Showcase set for 1982

A 1982 Fashion Showcase will be presented by the Spearman Merchants and the Spearman High School Cheerleaders Sunday, November 14th at 2:30 p.m. in the high school cafeteria.

In the Fashion Showcase, women's, men's, teen's and children's fashions from local clothing stores will be modeled.

Tickets to the 1982 Fashion Showcase are $5.00 with children under 12-admitted for $3.00. Refreshments will be served.

7th & 8th Lynx to Travel to Boys Ranch

The 7th & 8th grade Lynx will travel to Boys Ranch to meet up with the 7th & 8th graders there. Neither the 7th or 8th graders have won a game this season, but they could defeat Boys Ranch.

Now, the 7th graders have scored a couple of touchdowns during the year. They know how it feels to pass the goal line and score a touchdown. Now, I'm sure that they would love to win. Winning is nice, but the way the 7th Lynx have been playing sometimes it seems like they have won a few of those games without the scoreboard. They will face the Boys Ranch 7th graders beginning at 5:00 p.m.

The 8th graders, unlike the 7th graders, have not scored any kinds of points. They have played fine against their opponents, they would love to defeat this team from Boys Ranch. Why? Well, Boys Ranch is always tough, and if the 8th Lynx can defeat them, that will give them lots of confidence. The 8th grade game will begin at 6:30 p.m. By the way, the 7th & 8th Lynx will play this Thursday, October 7.

Y'all go on over toBoys Ranch and cheer on the 7th & 8th Lynx.

October Calendar of Events

The Spearman High School have their calendar for October just about filled. There is at least something to do each week, mainly on Friday's, since District football games will begin. First of all two days have passed. On **Friday, October 1,** the Lynx played the Sunray Bobcats at Sunray and won, 12 to 2. The Driver's Ed. Vision Test were taken at 9:00 a.m. The high school were on the Alternate Bell Plan Friday with the Pep Rally being at 2:50. Then on **Saturday, October 2,** the All-Region Choir traveled to Amarillo. The Cross Country Team had a Meet at Pampa. Coach Ralph Newton or one of the Lynxettes' coach will bring something in about the Cross Country and Mr. Travis Angel will probably bring something in about the All-Region Choir. Following are the rest of the events that the high school will be engaged in.

OCTOBER 7--The JV Lynx will host the Boys Ranch JV Roughriders at Lynx Stadium beginning at 6:30.

OCTOBER 8--This is the last day of the 1st 6-weeks. The Varsity Lynx will travel to Boys Ranch to open the 1982 District 1-AAA Season. The game will begin at 7:30. The high school will be on the Alternate Bell-Plan. The Pep Rally will begin at 1:35 and the **buses will run at 2:00 p.m.**

OCTOBER 11--This is the beginning of the 2nd-6 weeks.

OCTOBER 14--The JV Lynx will host the tough Canadian Wildcats at Lynx Stadium beginning at 6:30 p.m. Also the Steering Committee will meet in the Sewing Room at 1:36. Josten's will be at the high school for ring orders during the lunch break.

OCTOBER 15--The Lynx will travel to Canadian to meet the Wildcats for the 2nd 1982 District game. The game will begin at 7:30. The Drivers Ed Test will be taken at 9:00. The high school will again be on the Alternate Bell Plan with the Pep Rally at 2:30.

OCTOBER 18--The 1-Act Play Directors will have a meeting.

OCTOBER 19--The PSAT Test will be taken in the morning.

OCTOBER 20--Balfour will take ring orders. PSLA at Amarillo.

OCTOBER 21--The JV Lynx will travel to Dalhart to meet the Lobos beginning at 6:30.

OCTOBER 22--The Lynx will host the Dalhart "Golden" Wolves in a tough game at Lynx Stadium beginning at 7:30 p.m. The high school will be on the Alternate Bell Plan with the Pep Rally at 2:50.

OCTOBER 23--There will be a Cross Country Meet at Dumas.

OCTOBER 26--This will be a College Day at WTSU--West Texas State University in Canyon.

OCTOBER 27--This will be Frank Phillips College Day at Borger.

OCTOBER 28--The JV Lynx will travel to River Road and meet up with the Wildcats for the first time this year. The game will begin at 6:30 p.m. Jostens will be at the high school for invitation orders at 8:10.

OCTOBER 29--The Lynx will host the River Road Wildcats for the 4th game of the District Season beginning at 7:30 p.m. The high school will be on the Alternate Bell Plan with the Pep Rally at 2:50.

OCTOBER 30--The Lynx Band will go to Amarillo to compete in a Marching Contest. The high school will have their annual Halloween Carnival. More details and information will be provided by the high school.

As you can see, the high school has plenty of events to accomplish. Be looking for more details on the Halloween Carnival. The Student Council will bring some in.

Soccer

Just twenty years ago soccer was a minor sport in this country. Today world football--which soccer is--ranks as the fastest growing sport in America.

Foreign pro stars are being hired by American teams and the number of U.S. teams and crowds is steadily increasing.

In amateur sports, more and more schools are inaugurating soccer programs; at some, believe it or not, so many try out for soccer, there's a scarcity of football candidates.

This change in the past twenty years reflects the disenchantment of many with the physical violence and brutality of American football, responsible for so many serious and permanent injuries each year, and a few deaths.

U.S. football, of course, is tremendously exciting, and is in no danger of eclipse. But it is for a distinct minority. Soccer can be played by many who wouldn't be suitable, statistically or mentally, for football.

Constitutional Amendments explained

Secretary of State David A. Dean said that an election analysis prepared by his office after the November, 1981 Constitutional Amendment Election indicated the low voter turnout in that election was due in large part to lack of education on the part of the voters as to the intent of the amendments. Because of the importance of constitutional amendments, it is essential that Texas voters be educated to the fullest extent possible.

In addition to the numerous candidates on the November General Election there will also be six proposed amendments to the Texas Constitution. Because of the limited space on the ballot, only summaries of each amendment will actually be printed on the ballot.

So, to inform you, the voters, of these amendments: Proposition No. 1 proposes a constitutional amendment that prohibits any state ad valorem tax. Receipts from previously authorized state ad valorem taxes that are collected after the proposed amendment shall be deposited to the credit of the general fund of the county collecting the taxes and may be expended for county purposes. Taxes collected before that date shall be distributed by the legislature among educational institutions eligible to receive those funds under prior law. The proposed amendment also repeals a section of the Constitution levying an ad valorem tax for a construction fund for 17 state colleges and universities.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment repealing the state property tax."

Proposition No. 2 on the ballot proposes a constitutional amendment that would eliminate the $80,000,000 ceiling on state welfare aid during any fiscal year.

The amendment would set the state welfare spending limit at $160,000,000 for the 1982-83 biennium.

The amendment further provides that, for each subsequent biennium, the maximum amount spent for state welfare shall not exceed one percent of the state budget.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize the legislature to provide assistance through the appropriations process to needy persons and to place a ceiling on payments for needy dependent children at one percent of the state budget."

Proposition No. 3 on the ballot proposes a constitutional amendment that would exempt machinery and equipment used in the production of farm and ranch products from taxation. No dollar limits would be imposed and the exemption would apply to corporations and partnerships as well as to families and individuals.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment exempting implements of husbandry (agricultural machinery and equipment) from ad valorem taxation."

Proposition No. 4 proposes a constitutional amendment that would authorize the Legislature to set a four year maximum term of office for board members of certain water districts and conservation and reclamation districts.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the Legislature to provide terms not to exceed four years for members of governing boards of certain water districts and conservation and reclamation districts."

Propostion No. 5 on the ballot proposes a constitutional amendment that would authorize Tarrnat and Bee counties to hold county-wide elections to abolish the county treasurer's office by majority vote.

Should the county treasurer's office be abolished, the duties, powers, and functions of that office would be transferred to the county auditor or the seccessor to the auditor's functions.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment increasing the maximum interest rate allowed on state general obligation bonds to a weighted average annual interest rate of 12%."

Proposistion No. 6 proposes a constitutional amendment that would raise the constitutional interest rate limit on state general obligation bonds from 6% to 12%. The new 12% ceiling does not, however, apply to bonds issued by the Veterans' Land Board.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment increasing the maximum interest rate allowed on state general obligation bonds to a weighted average annual interest rate of 12%."

Whatever your choice of candidates, and however you feel about the proposed amendments on the ballot, do vote. This is a privilege that we have, and it must be preserved.

October is National Stamp Collecting Month

October has been designated as National Stamp Collecting Month by the U.S. Postal Service. The Postmaster announced today.

Centering around the theme, "Discover Stamp Collecting--The Hobby of a Lifetime," the month-long observance is being sponsored in cooperation with the Council of Philatelic Organizations (COPA). The Council's membership includes national, regional and local organizations involved in various aspects of stamp collecting.

Throughout October, post offices and local COPA organizations across the country will sponsor various activities calling attention to stamp collecting, the world's most popular hobby.

"Millions of Americans recognized that stamp collecting can increase one's knowledge of geography, biography, history and science," the Postmaster

"For example," the Postmaster noted, "Students who engage in this hobby have a good time acquiring new or used stamps, and the hobby stimulates their intellectual growth. Any adult who introduces a youngster to the hobby of stamp collecting is giving that child a leisure avocation for a lifetime."

As a special event for Stamp Collecting Month, the Golden Spread Stamp Club of Amarillo is sponsoring a Stamp Show, AM-PEX 1982-83, at the Quality Inn, Amarillo, October 2nd and 3rd. The Show will be open to the public from 9 a.m. to 6 p.m. both days.

Bentsen Reports

U.S. Senator Lloyd Bentsen said recently that the Treasury Department study on flat rate tax alternatives should help Congress revise the present income tax system.

"This Committee and the Congress realizes that reform is long overdue. Indeed, that may be the major tax item in the new Congress' agenda", Bentsen said to the Senate Finance Committee, which began hearings recently on the flat rate tax structure.

"Until today, the biggest hurdle in crafting tax reform has been a lack of good data on how different proposals would affect taxpayers. I hope that deficiency will be remedied by the Treasury study," the Senator said.

Bentsen had introduced legislation in June requesting the Treasury Department to conduct a comprehensive review of alternatives to the current income tax system and propse alternatives featuring a flat rate tax structure. This study, which has not yet been formally released, is a response to that request.

"Our country's self-assessment tax system is the envy of the world, yet it is the single most disliked feature of our Federal system by our own citizens. There is the perception that equally situated citizens are not treated equally by the tax code, and that perception is correct," Bentsen said.

"The last 35 Congresses have turned to the tax code to achieve a bewildering variety of social and economic objectives. Taken singly, many of them are worthwhile--including the stimulation of greater savings and investment, charitable contributions and home ownership."

"Yet, piling these objectives one on top of another has overloaded the tax system to the point where it no longer fairly and efficiently can raise the revenues needed by the Federal Government."

"The challenge before the next Congress will be to preserve the good aspects of the present system while improving the equity of the entire tax code. It is a challenge worthy of Solomon and one which will not be overcome quickly. It may be that worthwhile objectives in the tax code can be met in the other ways not involving the tax system," Bentsen said.

"I hope this study contains enough data to permit Congress to tackle that long overdue job. Without data on how this return will affect taxpayers, this Committee would be little better off than a boxer trying for a knockout in a dark arena--a boxer who doesn't even know what his opponent looks like," Senator Bentsen said.

T-Bird Is On View

The Ford Thunderbird to be won at the annual T-Bird Ball is on view at Johnnie Crawford Ford on Main Street in Spearman until the ball on Saturday, November 6, 1982.

The T-Bird Ball is an annual fund raising event for the Hansford County YMCA, sponsored in '81 & '82 by the Sports and Recreation Committee of the Spearman Chamber of Commerce. The proceeds from the ball go to the local YMCA to help defray expenses of operation, pay the mortgage on construction during the first year of operation, which provided for the fitness center, second floor aerobics and meeting rooms, office renovation and equipment purchases. The funds also help subsidize the costs incurred in youth sports programs, like baseball, soccer, flag football, basketball and recreational programs at the YMCA building.

T-Bird Ball committee members are in the process of contacting previous ticket holders. Deadline for purchase of tickets is October 10, 1982.

The ball will be held at North Plains International for the second year, with food being cater by the Perryton Shriners and music provided for entertainment and dance by a group called the Nickle.

Mona Beth Windom is general chairman of the ball and if you have questions you may direct them to her. Mike Cudd is chairman of the Sports and Recreation Committee of the Spearman Chamber of Commerce.

TREAT YOURSELF TO A POWER TOOL--SAVE HUMAN ENERGY, TIME, MONEY

Wish you had a power tool for those do-it-yourself projects but wonder if they're worth the money?

They are--and so is your time, so treat yourself to a power tool.

Power tools, in fact, save money because they encourage you to do jobs that otherwise might be discouraging, so you save labor money.

Actually, if you have any real use for a certain power tool, you can hardly afford not to have it. Using such tools for jobs that would take many hours by hand let portable power tools prove their worth quickly. Some pay for themselves the first or second time you use them. A good tool last for years, saving more and more money.

These carpenter's or mechanic's helpers speed up everything you do, accomplishing jobs in seconds without strain. And they boost your ability--you drill cleaner holes and make smoother, straighter cuts than you can do by hand.

A bonus feature of power tools is the time they save, leaving free time for other jobs or leisure.

In some cases, power tools so much drudgery out of tasks that they become a form of leisure. They offer the do-it-yourselfer a welcome change of pace--a time of constructive relaxation with a life from self-satisfaction.

If you're buying power tools for the first time, consider some basics to start with--an electric drill, jigsaw, portable saw and belt sander.

An electric drill and jigsaw take the hard labor out of working metal.

Such tools will cut, shape, drill and smooth wood, metal-composition boards, plastic tile, formica sinks and cabinet tops and plaster board.

With proper masonry bits, you can make holes in cement, brick or cinder blocks.

A portable saw will quickly cut a 4x8-feet plywood panel to the size you need, or if you need a board in some odd width, a portable saw will easily rip a slightly wider one exactly the size needed and save you a trip to the lumber yard.

Abrasive disks in a portable circular saw will cut slate, marble and ceramic tile.

Consider a belt sander, too. With this tool, you can bring even box lumber to a good surface, making this free material into useful and attractive items. Also, you can buy a less expensive grade of plywood paneling with small surface defects, fill them with spackle and power sand to a paint or enamel-ready surface.

Obituary

Bert Zellner of Gage, Okla., passed away Sept. 20, 1982 in Shattuck, Okla.

He was born July 26, 1901 near Ardmore in Oklahoma Territory to Charley and Almeda Zellner. He was united in marriage to Bessie Buckholts on June 5, 1921 in Ardmore and to this union of 61 years were born twelve children.

Bert worked as a carpenter most of his life, and was an ardent vegetable gardner his retirement years. He had made his home in Gage, Okla. for the past 3½ years.

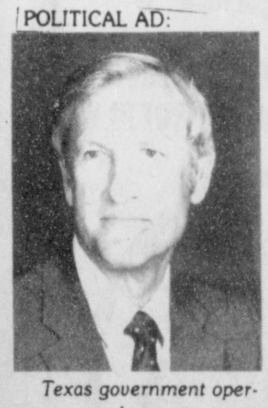

He was preceded in death by his parents, a sister, a brother and a son and daughter.

He is survived by his wife Bessie Zellner and ten children; Eula Keesee, Tecumseh, Okla.; Herman Zellner, Gage, Okla.; William Arnold, Owassa, Okla.; Joyce Reeves, Tuttle, Okla.; Donald Wayne, Rimrock, Ariz.; Raymond Earl, Albuquerque, N.M.; Bobby Zellner, Garland, Gerald Zellner, Farmington, N.M.; Shirley Fall, Stockton, Calif.; Ruth Wallis, Gage, Okla. and five sisters, Verdie Blood, Cloe Kieth, Eva Lee Perser, Audry Rienert and Willie Oliver.

POLITICAL AD:

Texas government operates -- and operates very well -- under a Constitutional requirement for a balanced budget, as do almost half of the other states.

This would be an excellent requirement on the national level. Those who oppose it there say that a pay-as-you-go program would hamstring the Federal Government.

Fifty years with deficit spending certainly should be proof enough that a balanced budget is just what the Feds need, worse than anything.

If I am your State Representative, be assured that I will work seriously to limit needless spending, to guarantee that the Texas budget stays balanced and healthy. You elect a Representative for this purpose, not to arrange for a **personal pension** *at the expense of the budget and taxpayer.*

Cindy Virden entered in Miss Aggie Princess Pageant

Cindy Virden of Gruver High School has entered the Miss Aggie Princess Pageant to be held at Panhandle State University in Goodwell, Oklahoma on October 23, 1982. Miss Virden has participated in basketball and snow skiing. She is in choir, Student Council, FHA, and band. The 5'6", brunette, will sing "I Honestly Love You" as her talent presentation. Cindy is the 17 year old daughter of Mr. and Mrs. Jerry Virden of Gruver.

The Miss Aggie Princess Pageant has been presented as part of the homecoming festivities at Panhandle State University during the previous 10 years. The contest is for high school senior girls. It gives them the opportunity to represent their school and town, compete with other girls in talent and evening gown categories and to vie for $600.00 worth of scholarships to Panhandle State University.

The 1982 Miss Aggie Princess Pageant is sponsored by the Panhandle State University Student Senate and coordinated by Candi Kelly, Coordinator of School and University Relations, and Virginia Schlitt, Admissions Counselor at PSU. Candi is a former Miss Freshman Queen and Miss Panhandle State University and has competed in the Miss Oklahoma Pageant. Virginia is a former pageant winner at Southeast Missouri State University. The 24 contestants in this, the 11th Annual Miss Aggie Princess Pageant, will report for practice on Friday, October 22 at 7:30 p.m. A continental style breakfast will be served to all contestants Saturday morning. All of the contestants will participate in the PSU homecoming parade at 11:00 a.m. and the Pageant at 1:30 p.m. in Hughes-Strong Auditorium. The winner and two runners up will be a part of the half-time homecoming activities at the football game between PSU and New Mexico Highlands University. The winner will receive $300.00 scholarship, the first runner up will receive a $200.00 scholarship and the second runner up will receive a $100.00 scholarship.

The contest will be judged by area residents. They will use interviews, talent and poise in evening gowns as the criteria for their selection.

The pageant is open to the public as part of the 1982 homecoming festivities at Panhandle State and will begin at 1:30 p.m. at Hughes-Strong Auditorium. Admission prices for the Miss Aggie Princess Pageant are $3.00, Adults; and $1.50 Students age 10 through high school. Children 9 and under will be admitted free.

Levine to conduct Young People's Programs at PSU

Having served as co-principal guest conductor for the Oklahoma Symphony Orchestra during the 1970-80 season and assistant conductor for the 1980-81 season, Joel Levine was named associate conductor for 1981-82.

Known to Oklahoma City audiences as music director of Lyric Theatre, a post he has held for the past six seasons, Levine is a dynamic young conductor with a flair for showmanship.

He will conduct two Young People's programs in Goodwell at Hughes-Strong Auditorium on the campus of Panhandle State University, October 7 at 10:00 and 11:05 a.m.

Levine's career spans the symphonic, dance, and theatre worlds. In addition to the POPS series, concerts throughout the state and scores of Young People's programs, with the orchestra including "The Nutcracker" and last season's guest appearance by New York City Ballet stars Peter Martins and Heather Watts.

He has also served as Music Director for the Maryland Ballet and guest conducted the Baltimore Symphony and the orchestras of Chatanooga and Roanoke.

Mr. Levine has conducted for such popular recording artists as Doc Severinsen, Celeste Holm, Ramsey Lewis, Marian McPartland and Don Williams. As Music Director for the National Touring Company of the hit Broadway musical "The Wiz", he conducted the show in 125 North American theatres from Portland, Oregon to Portland, Maine including Nashville's Grand Ol 'Opry, the National Arts Center in Ottawa, Canada, and our own Civic Center.

His stock credits include more than fifty musicals. A former resident of New York City, Mr. Levine is an Honors graduate of the Eastman School of Music.

The Oklahoma Symphony Orchestra's appearance in Goodwell receives assistance from the Oklahoma Arts Council, the National Endowment for the Arts, the Texas County Arts and Humanities Council, and from the following area businesses: In Guymon, SIPCO, the Guymon Daily Herald, Radio Station KGYN, the First National Bank and Trust Company, Perkins Petroleum, Stanfield Printing, Homestead Savings and Loan, Adams Hardfacing and McDonalds Restaurant. Texhoma co-sponsors include the Argus and The First National Bank of Texhoma. Also helping with the sponsorship are The First State Bank of Stratford, Texas; The First State Bank of Elkhart, Kansas; The First National Bank of Keyes; Brier and Hand Music Company of Liberal, Kansas; the First National Bank of Perryton, Texas; and the First National Bank of Beaver. Addtionally Panhandle State University and the PSU Student Senate have helped provide funding.

There will be two performances for the young people of the area. The symphony will play at 10:00 and 11:05 A.M. Admission price for the Young People's Concert is $1.00. Tickets for the formal evening concert will be $4.00 advance and $4.50 at the door. Ticket information may be obtained by calling Panhandle State University (405) 349-2611 EXT 260.

Veteran News

Veterans pursuing full-time training on the GI Bill or Vocational Rehabilitation Program may apply for the VA's work-study program, advised the Director, Waco VA Ragional Office.

The work-study program offers an additional allowance to vetern students in return for their employment in VA-related activities.

Congress authorized the program to give needy veterns an opportunity to earn additional money to assist them in paying their own way during their school attendance and to accomplish necessary work for the VA.

Work-study program veterns can earn $3.35 per hour (minimum wage) tax-free for work performed.

Interested persons wanting more information should telephone the Waco VA Regional Office toll-free number listed in your telephone directory.
