School Starts Wednesday

Registrations Scheduled Monday, Tuesday

An estimated 1,650 Colorado City students will go to class Wednesday for the first time in the 1972-73 school year.

Many school activities are already underway with band and football practice sessions already in their second week.

Seniors registered Wednesday and had their pictures taken Thursday.

Here is the registeration schedule for the rest of the grades in the Colorado City school system.

--Kindergarten thru second grade at Kelley Elementary, 9 a.m to noon Monday.

--Grades 3-4-5- 9 a.m. to noon Monday.

--Wallace School for 6th graders. 9 a.m. to noon Monday.

--Junior High, 9 a.m. to to noon and 1 p.m. to 4 p.m. Monday and Tuesday.

--Ninth graders, beginning at 9 a.m. Tuesday.

--Sophomores, beginning at 1 p.m. Monday.

--Juniors, 1 p.m. Monday.

Teachers are already in school as teacher in-service training got underway Wednesday.

Superintendent Lloyd McKee said he expects about 1, 650 youngsters to start classes the first day of school this coming Wednesday.

This is compared to 1,679 present for the first day of classes last year. There is expected to be a drop in number of students in kindergarten and first few grades plus there will be 11 fewers seniors this year,

McKee said he anticipates that the highest enrollment for this coming school year will be about 1,700 compare to 1,750 plus last year.

At the end of last year, there were 1,679 the same number as at the first of school.

There is a major change in store for the schools this year as the third grade will be shifted from Kelley to Hutchinson Elementary in order to accomodate Plan A.

Plan A is a comphrehensive program designed to help students at any grade level with any degree of learning difficulties. It is 100 per cent funded by the state and allowed the schools here to hire extra teachers.

The shifting of the third grade from Kelley to Hutchinson made necessary the construction of a new combination gym-band hall at Hutchinson.

During the summer an extensive maintenance program has been conducted at each of the school districts's five buildings, McKee pointed out.

School Budget Is Approved

The Colorado Independent School District board of trustees has given its approval to a budget that calls for an increase in spending and decrease taxes.

The decrease is by 1¢ per $1.00 valuation, dropping the tax rate from $1.70 per valuation on 55 per cent to $1.69.

Of that $1.69, $1.50 will go for maintenance and operations and 19 cents will go for debt retirement.

Last year,22 cents of the $1.70 was used for debt retirement, However, that much money is no longer needed for the debt retirement.

The total budget for the new school year is $1.478, 088.13, which is $46, 940. 34 more than for the current year.

The increase is primarily due to the gymnasium-music education building which is due to be erected at Hutchinson Elementary at a cost of about $37,000.

Under the new budget, the cost for educating each student per year will be $784.19 which is $32.90 more than it cost this past year and $62.59 more than it cost in the 1970-71 school year.

The new budget contains provisions for buying a new bus new stage drapes, for the high school auditorium and funds to improve lighting at both Hutchinson Elementary and junior high.

A recent study of school facilities was critical of lighting at those two schools.

TOWN TALK

By MAC McKINNON

The U.S.Department of Agriculture has sounded a promising note.

In a recnt report from the Agriculture Department it was noted that the move from farm to city may be coming to a halt and new era of economic and social growth for rural America may already be launched.

The report cited several signs of recharged energies within rural areas.:

--More jobs; during the 1960's nonfarm jobs increased by 39 per cent in the countryside, a slightly better rate than 34 percent increase in metropolitan areas. The growth rate has ben high in completely rural counties as will as in those with cities of up to 50,000 population.

--Farm exodus ending the farm population has dropped to fewer that 9.5 million persons. With so few people remaining on the nation's farms, little further decline in the population is possible. As the farm-to-city migration windles to a negligible level, continued gains in nonagricultural jobs will have a more visible impact on the overall economy and population of rural areas.

--Greater Federal commitment to rural areas; the government is stepping up its investment in rural America manyfold.

For example, funds earmarked housing in rural areas amount to$2.2.billion this year. four times the 1969 level; sewer and water programs are allocated $342 million this year, nearly twice the 1969 level.

Construction

There's a lot of construction going on in Mitchell County now. Part if that construction includes a new gym (top picture) for Hutchinson Elementary in Colorado City, a new 13,440 square-foot warehouse for Custom Ag in Loraine and a $300,000-plus 134 bed nursing home to be known as Claxton Lodge in Colorado City.

Big Gap In Cotton Guesses

37,242 Bales Is Average Estimate

Good crop conditions apparently do not make guessing the county's cotton production any easier.

Predictions may come a little quicker but the spread between the high and the low is even more that when conditions are spotty and questionable.

Guesses on the 1972 Mitchell County cotton crop came Thursday noon as persons participating in the annual farm tour feasted their eyes on a bumper crop of calaries at their barbecue lunch.

This is the fourth annual guessing contest which the tour and barbecue participants jot down their estimates for the number of bales that will be harvested from the county's cotton acres.

Previous winners have been Mrs. Harry Dockrey, the "71 champ; Dewey Turner and the late Montie Hardegree. This year's winner will receive a gift certificate from Wood's Boots.

Turner was near the middle of the 86 guesses recorded for the contest. The ex-champ predicted 37,775 bales when the harvest is ended.

His guess was 533 bales more than the 37,242 bale average computed form all the guesses.

Last year's winner Mrs. Dockrey, was a bit more conservative. She guessed 34, 893 bales.

Most conservative or least optomistic for the 1972 crop was Mrs. Weldon McCollum, staff worker in the Agricultural Stabilization & Conservation Office. Her guess was 26,106 bales -- lowest of all 86 predictions.

More than 27,000 bales more optomistic was Randy Davis, little grandson of J.W. (Bill) Randle. He wrote the high of 53,428 bales. But don't write him off as a wild guesser. Right close by, and 23, 694 bales higher than Mrs. McCollum's low 26,106 was John Kazda, Soil Conservation Service staffer. Kazda guessed 49,800 bales.

All in the 40,000-plus bracket were Robert Chambers (40,105 bales), Mrs. Philip Berman (40, 159); veteran predictor and banker Gus Chesney (40,150) J.C. Thomason (41,200). Betty Bowlin (40,439), new Record Publisher Mac McKinnon (42,000) Jack Strain (42,000) Rev, Caddo Matthews (42,164), Philip Berman (42,310), J. W. Randle (42,984) and J. Ralph Lee (45, 982).

If you are one of those who figure guessing know-how is helped by experience in farming and farm program administration, you will be interested in the guess of Curtis Latimer, County Agent Bobby Lemons, Kenneth Deirschke, Robert B. Metzer, Jimmy Harrison, George M. Doramn, and Don Stewart.

Latimer, a farmer who heads up the county ASCS Committee, guesses 37,499 bales -- just slightly more than County Agent Lemons, who predicted 37,255.

Ten thousand bales more conservative was Dierschke of Custom Ag Services in Loraine, who guesses 27,945 bales. Robert B. Metzer, Extension Service cotton specialist from Lubbock, pegged his guess at 32, 280 bales.

Harrison, who has been at the helm of Mitchell Soil Conservation District committed guessed 38,246 whil Dorman Farmers Home Administratof here, predicted 39,600. Slightly higher was Stewart, officer manager for ASCS with 39,716.

Vocational agriculture teacher Frank Brownfield's guess was 39,400; Custom Ag Royce Beights guessed 39,872 and J. F. Bodine, an old-timer in Mit-

Farm Tour

Seventy-eight Mitchell County residnets were registered Thursday for the Mitchell County farm tour. It was the largest turnout for a farm tour in several years and three busses full of people saw some of Mitchell County's best crops in years. Plans for a ranch tour this fall are now being considered.

Free Lunch Program

Families Urged To Apply

A free lunch program will be effect again this year in Colorado City schools.

The free lunches are being offered in cooperation with the national school lunch program, to children whose families are unable to pay.

Students eligible for a free lunch will be eligible for a free breakfast in those schools which participate in the school breakfast program.

Here is the anual income brackets compared to family size that will make children eligible for the free lunches and breakfasts in Colorado City schools.

Free Lunch Eligibility Scale

Family size	Family Annual Income
1	$0-2130
2	0-2790
3	0-3450

School officials here have urged that families falling within these scales or those suffering from unusual circumstances or hardships, apply for free lunches for their children.

They may do so by filling in application forms sent home in a letter to parents. Additional copies are available at the Principal's office in each school.

Clean-Up Scheduled

Sunday, Aug. 27 has been set as a workday by the Mitchell County Boy's Club Board of Directors.

Plans have been made to paint the trim of the building, replace broken windows, board-and-battered windows on both ends of the building similar to what has been done to several buildings downtown.

A general clean-up of the area also conducted and it is hoped that work on a new roof can be started.

The work will be done by the board of directors and the general public has been invited by the board president Joe Edd Coleway to join in and help develop the club building into a community asset.

Letter Of Thanks

A letter of appreciation addressed to all of Colorado City has been received by the Colorado City Record from Mr. and Mrs. Wann Sparks.

Sparks is now undergoing treatment at the Wadley Institute in Dallas for Lukemia.

A fund to help defray medical expenses has been started at City National Bank and donations of blood are being taken at the hospital every Wednesday morning to replace blood that Sparks has received.

Here is the letter from Mr. and Mrs. Sparks:

"To All of Colorado City:

"With the help of your prayers, cards and letters of encouragement, visits, phone calls financial help and blood donations and other expressions of concern our burdens has been made much lighter.

"Words fail in trying to thank friends like you so we will just say we love all of you!

"Wann & Flo"
Sparks

A 24-hour period has been established Sept 6, to take blood for Sparks at Cosden in Big Spring where he was employed.

Retirement

Mitzi Jackson, grandaughter of Virgil Eaton, was one of many wellwishers on hand Friday afternoon to wish good luck to Eaton on his retirement form the city fire department after 15 years of service. He was presented a watch which he is pictured showing it to his granddaughter.

The spouse and children of any member of the United States Armed Forces who loses his life while on active duty will be granted an exemption from taxation for property valued at up to $2,500. A deceased disabled veteran's surviving spouse and children may be granted an exemption which in the aggregate is equal to the exemption to which the decedent was entitled at the time he died."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1972, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment allowing certain tax exemptions to disabled veterans, their surviving spouses and surviving minor children, and the surviving spouses and surviving minor children of members of the armed forces who lose their life while on active duty."

"Section 1-b. (a) Three Thousand Dollars ($3,000) of the assessed taxable value of all residence homesteads as now defined by law shall be exempt from all taxation for all State purposes.

"(b) From and after January 1, 1973, the governing body of any county, city, town, school district, or other political subdivision of the State may exempt by its own action not less than Three Thousand Dollars ($3,000) of the assessed value of residence homesteads of persons sixty-five (65) years of age or older from all ad valorem taxes thereafter levied by the political subdivision. As an alternative, upon receipt of a petition signed by twenty percent (20%) of the voters who voted in the last preceding election held by the political subdivision, the governing body of the subdivision shall call an election to determine by majority vote whether an amount not less than Three Thousand Dollars ($3,000) as provided in the petition, of the assessed value of residence homesteads of persons sixty-five (65) years of age or over shall be exempt from ad valorem taxes thereafter levied by the political subdivision. Where any ad valorem tax has theretofore been pledged for the payment of any debt, the taxing officers of the political subdivision shall have authority to continue to levy and collect the tax against the homestead property at the same rate as the tax so pledged until the debt is discharged, if the cessation of the levy would impair the obligation of the contract by which the debt was created."

others are clenched in pain and despair. We all ask
"Why?" to the cruel contrasts of our life.
Why poverty in a land of plenty? Why loneliness
in a world that would join hands? Why war when
the impulse of the heart is to love?
The aching chasm between the real and the ideal
everywhere provokes the question . . .

WHY?

Mrs. Lester Biggs, organist, accompanied Sandy Young of Universal City and Robert Jones of San Marcos as they sang "A Time For Us", "First Time I Ever Saw Your Face" and "Whither Thou Goest".

Bridal couple stood under an arch of emerald and lemon leaves and knelt on a white prayer bench. White wicker baskets of yellow gladiolus, mint green carnations and white daisies and white wrought iron seven-branch candelabras holding yellow tapers flanked either side of the arch.

Altar rail was outlined with emerald leaves and votive candles. Family pews were marked by green and yellow satin bows.

Given in marriage by her father, the bride wore a formal gown of organza and Alencon lace, featuring a high neckline, full bishop sleeves, and lace cuffs. The lace yoked bodice was accented by an empire waistline which flowed into a chapel-length train.

Camelot cap highlighted by seed pearl bases held a chapel-length veil edged by lace. She carried a Colonial arrangement of daisies in shades of yellow, mint green and white.

For something old the bride wore an initial ring belonging to her grandmother; something new was a white Bible given to the bride by Mrs. Mack Ritchey and she wore a six pence in her shoe.

Calvary Baptist To Show Film

"For Pete's Sake", a film as "unique in its capacity to reach out to meet the problems of people", will be shown Sunday (today) at 7 p.m. at the Calvary Baptist Church, 1025 Eastover.

The full-length comedy- drama will be shown once and is open to the public at no admission charge.

Filmed entirely on location in Denver at the Colorado Rockies, the film is the story of Pete Harper, a family man and service station owner, who is knocked flat by inexpected problems" but finds the strength to stand up again to face life anew.

"For Pete's Sake!" has been seen nationwide by over three million persons in theatre premieres, and has been cited by one film critic as "the perfect mixture--its drama at its boldest, comedy at its lightest, and action at its livliest". It is a family film, not only because it is good family entertainment, but because "through its storyline, families can see and feel exactly what is needed to develop deeper understanding and build stronger ties.

A cordial invitation is extended to all families of the community by R.B. Golden Jr. admimistrator, and Mrs. Edward B. Roach, church secretary.
