Volume 3 Number 38

CLARENDON, DONLEY COUNTY, TEXAS, NOVEMBER 26, 1931

A Common Paper For Common People

SELF PROTECTION.

Farmers who expect to plant a crop next year had better do so now before the Legislature passes a law "agin" it.

Little Home Reward for Death Clue

A little four-room house—a home that has seen laughter, sadness and death, has been offered up as a reward to discover and convict the killer of Juanita Criswell, found stabbed to death recently at Dalhart, Texas, after an apartment party. Pictured top is the modest home of Mrs. Cora Criswell, the only thing the girl's mother has left to offer in an attempt to find her slayer. Mrs. Criswell is lower right, and Juanita, left, is shown with Lucille Roberts, who was also on the party. J. H. Hogan and Carl Ashlock, two young men who had dates with the girls in Hogan's apartment, are charged with the murder.

MEXICAN KILLED MONDAY NIGHT ON FARM AT ASHTOLA

Three Mexicans Are Jailed Here Charged With Being Implicated in Killing

One Mexican is at the mortuary and three are in jail here as a result of a misunderstanding in a cotton picker shack on the Loyd Shelton farm near Ashtola about midnight Monday.

The weapons used are said to have been a large butcher knife and a pistol of small calibre, though the wounds from the knife are said to have produced the fatal results.

The body bears a wound in the lower front of the body, one in the back and one at the corner of the mouth, all said to have been made with a knife.

Sheriff Guy S. Pierce was called about three a. m. Tuesday morning and brought the men to jail where J. B. Marques and Angel Losa were charged with the killing, and Bernardo Flores is charged with aggravated assault. A preliminary hearing will likely be held next Saturday. Deputy Sheriff Cleo Emerson assisted in the arrests.

The dead man is said to be Jose S. Medes. The trouble, according to the women at the shack, is said to have arisen when a girl resented the actions of one of the men. A man challenged the actions of the other producing the fight with

Homer Gorman is Confined To Hillsboro Hospital

In an effort to avoid a collision with a lady in a car, Homer Gorman drove a Sims-Bennett truck loaded with cotton off a bridge near Itasca some two weeks ago.

In the fall he received a broken shoulder and a broken hip and other injuries of a serious nature and has since been confined to a hospital at Hillsboro where he is slowly recovering.

His mother, who resides in Michigan, was promptly notified and has been with him since that time. It is stated that he will be unable to return home for some two months.

Donley County is Included In White Spot Again

According to the Panhandle white spot on the business map as printed in this issue, Donley county continues to remain in the largest white spot in the nation where it has remained for over two years.

While the spot has "swunk up" to some extent, Donley, Wheeler, Gray, Armstrong, Randall, Oldham, Carson and Deaf Smith counties are included in the "good" area. This is especially noticeable when in looking at the map we find only five spots in the whole United States, and we are located in the largest of them. Look at the map in this issue.

fatal results. All of the parties are Mexicans and practically strangers in this section.

HIGHWAY SURVEYS MAY BE ORDERED IN NEAR FUTURE

County Commissioners Seek Conference With VanLondon As To Cost

At a meeting of the County Commissioners this week, the matter of providing a right-of-way on Highways 5 and 66 came in for a goodly share of consideration. A. L. Chase and Sam Braswell Sr. appeared before the Board and urged action of highway matters, and that surveys be made and location secured that the state might bear the cost of grade and drainage.

The Board instructed the Clerk to request of the state authorities that contact be made with a surveyor at once to determine the expense of a temporary survey made at county expense on Highway 5 across the county following the Denver road, and on Highway 66 along the Rock Island on the north end of the county.

The right-of-way along the Denver across the county is estimated to cost the county some \$25,000 and the right-of-way on 66 about \$1,000. The exact location will be determined when survey is made.

If the county is permitted to buy the right-of-way, warrants will be issued. If objections are made to the issuance of warrants, a county-wide vote will be necessary under the new law governing such matters.

Those favoring the highway building, state that outside money will be spent in the county and employment given a large number at this time which they state is a valuable consideration in road construction in Donley that has hung fire over many years.

Former Pastor Remembers Friends With Sermon

Unable to be with his many friends in Clarendon for Thanksgiving this week, that popular pastor and prince of good fellows, Rev. W. E. Ferrell of Bridgeton, North Carolina, sends his greetings just the same in the form of an excellent Thanksgiving sermon which we are publishing in the Leader this week.

In a personal letter to the Editor, Rev. Ferrell speaks of the "live at home" policy being pursued by the Tar Heels, and incidentally remarks that "he has some fine porkers ready for harvest" and an abundant supply of turnips, greens and both kinds of "taters."

Those who learned to love him and his good family here will no doubt appreciate this pastoral message and continue to hope for their return to the West at an early date.

LOCAL TALENT IS SOURCE OF ROTARY PROGRAM FRIDAY

Entire Membership Contribute To An Interesting Program Feature That is New

Never having been tried before, an entirely new plan of program procedure was carried out by members of the Rotary club at their weekly luncheon in the Clarendon hotel Friday noon.

Each member present was requested to explain his or her "hobby" in a talk limited to five minutes.

Many surprises were in store as flowers, books, music, fashions and numbers of other subjects were discussed. One member stuck by his profession as a hobby while fishing came in for a share of attention.

Rotarian Frank Houston of Childress was a guest and "testified" to having a hobby along with the regular members.

The program proved an innovation and while amusing to the point of creating laughter at times, it enabled the members to become better acquainted with the inner man.

R. E. Drennon had charge of the music with Rotary Ann Wiedman at the piano.

CITY EXPLAINS REASON FOR RIGID ECONOMY ACTIONS

Only Following Action Taken By Other Towns States Mayor Cagle

In an interview with Mayor Cagle and City Secretary Mrs. Mae Shaver recently relative to the discontinuance of street lights in the residential section, the Mayor stated that taxes were coming in very slowly, and that the City was facing a big interest payment that he felt could only be raised by economizing at every possible opportunity.

Mrs. Shaver stated that the interest payment soon to become due on the City's outstanding indebtedness amounted to \$17,257.25. At the same time, the delinquent tax payments up to Nov. 1st amounted to \$19,164.00.

The indebtedness referred to above is said to have resulted from investments in paving, the installation of the present sewer system, the purchase of the City Hall and the Grammar School building, etc.

The Mayor further stated that he and the Commissioners were not "sore" at any individual or corporation, but were acting in the best interests of the citizens of the town according to their best judgment, in adopting a plan of rigid economy which included the curtailment of the street lighting service in the resident district temporarily.

According to the records kept by Mrs. Shaver, the street lights had been costing the City \$208.75 until the Utility company granted a reduction of \$60 per month in April of this year. It is said that the monthly bill under the present arrangement should not run over a hundred dollars.

Mayor Cagle stated that Shamrock, Wellington, Childress and possibly other towns, had been forced to assume the same attitude on street lights and other matters affecting the towns due to a lack of tax money.

(continued to back page)

Odd Fellow-Rebekah 42 Party Friday Night

Members of both orders are requested to be present at the Hall Friday evening when a social "42" party will be held as a matter of entertainment.

SPECIAL TRAIN TO DALHART GAME LEAVES 8 A. M.

Estimated That Over Three Hundred Football Fans Will Make The Trip

All aboard for Dalhart! Bronchos begin battle with Wolves at 2:30 tomorrow. Clarendon Bronchos in their last battle for District championship.

Dopesters have it that the teams are about evenly matched. Players in both teams are heavier than is commonly found in Class B teams.

The Bronchos lack weight but outclass in grit and determination. All players will be in first-class shape and at least two players for each position will be taken on the trip.

A hard battle is expected and nothing will be overlooked by coaches Stocking and Hutton to insure success. In fact Clarendon expects the Bronchos to do the impossible if it becomes necessary.

Twenty-five girls will compose the Pep Squad aboard the special. The crack Clarendon band will also be aboard. Some two hundred feverish fans with C. L. Benson as yell leader will make Dalhart shiver more than the snowstorm that has carpeted the field.

The fare will be \$2.80 and admittance for adults \$1 and 50 cents for children from the 5th grade up. The lower grades will get in for two-bits.

The special leaves here at 8 a. m. and will leave Dalhart at 6:45 on the return trip.

BEEF CANNING IS DEMONSTRATED IN EANES HOME MON.

Forty Men and Women Learn More About Canning In All-Day Session

An all-day club and community meeting was held Monday the 16th in the home of Mr. and Mrs. T. W. Eanes of the Naylor community for the purpose of demonstrating the best methods of preparing beef for future use.

The butchering on Saturday before was done under the guidance of county agent T. R. Broun, who again returned Monday morning to demonstrate the best methods of cutting up the carcass. Nine men were present to learn more about this part of the work.

The canning was supervised by Miss Martha Buttrill, county H. D. agent. Sixty-five containers of the No. 2 size and twenty-five of the No. 3 cans were required for the process, or a total of ninety cans. Some forty persons were present to see this part of the work done.

A bounteous lunch was served at the noon hour, each lady contributing a dish. This gathering was truly a community affair in which neighbors met for mutual pleasure and profit.

The gathering this week will be in the home of Mr. and Mrs. T. L. Naylor Thursday evening, partaking of the nature of a Thanksgiving supper. This gathering of neighbors will be one of those neighborhood affairs that produces a better understanding and a more sympathetic interest in which each receives mutual benefit.

Improvements For Thompson Farm to Start Soon

Having purchased a number of old resident buildings in Clarendon which they are moving to their farm east of town, Mr. and Mrs. J. A. Thompson propose the erection of a nice home soon to replace the one burned some weeks back.

They are also to enter into the hog business on an extensive scale and much of the material being purchased will be used in equipping the place to care for hogs in the way of sheds and fences.

These farmer folks are industrious citizens and plan to live at home by practicing a diversified program. A general variety of crops was grown this year and several hundred gallons of syrup made from cane as a side line. Mrs. Thompson is a leader in club work and has canned several hundred containers for the family this season.

Geo. T. Cook of Seattle is visiting relatives in Clarendon, he being a brother in law of Wesley Knorpp.

REV. BOWEN WILL PREACH AT UNION SERVICE TONIGHT

Annual Thanksgiving Services Will be Held at Presbyterian Church

Rev. Robt. S. McKee, pastor of the Presbyterian church, announces that a union Thanksgiving service will be held at his church tonight beginning at 7:15.

Rev. E. B. Bowen, pastor of the Methodist church will deliver the sermon. Rev. B. N. Shepherd, pastor of the Baptist church, is in charge of arrangements. Special music has been arranged for on this occasion, a custom in Clarendon over many years.

This service is being held on Wednesday evening for the benefit of the members and friends of all the churches of the city, and that it may not interfere with any other special service on Thanksgiving Day.

Rev. L. L. Swan, rector of the Episcopal church, announces special services at his church beginning with Holy Communion at 10 a. m. tomorrow, (Thursday).

Mrs. J. E. Teer spent the week end in Memphis visiting her parents, Judge and Mrs. J. M. Elliott.

Radiator Alcohol Kills Five at Berger

In the hand of Officer Charles Payton, center, is the can which contained the radiator alcohol drunk by George Thomas, 42; Arthur Whitaker, 39; Albert Ward, 45; John Mackey, 51; and Sylvon Badgley, 48; resulting in their deaths at Berger, Texas last week. Justice J. D. Miller, left, conducted the inquest; Dr. R. E. Minter, right, diagnosed the cause of the deaths. The photo was taken in front of the apartment home of four of the five men.

Mail Christmas Packages Early Before Rush

Again Uncle Sam is requesting that Christmas packages be mailed early to avoid the rush, and asking the folks with his big posters that are now being placed at each of his thousands of postoffices.

These posters state that the wording "not to be opened until Christmas" may be written on the package without making it first class mail and taking the higher rate. The principal thing is to write your address and the address of the one to whom you are sending the article, plainly as possible—and mail it early.

Ed Wheeler Grows Two Large Sugar Beets at Brice

As a producer of novelties, Ed Wheeler, top-notch farmer of the Brice valley, apparently has all West Texas skinned.

Two beets of the sugar variety brought to the Leader office Tuesday looked more like some monster prehistoric animal than an innocent agricultural product of first class cow feed reputation.

One beet tipped the scales at fifteen and a half pounds, regular in form and well balanced enough to become a prize winner at a fair exhibit. The other beet was slightly smaller and had grown in the form of the letter "S" which significance Ed was unable to explain unless it meant that the "South" was "Sure" to win with "Smith" in the presidential election next year.

BRONCOS WALLOP MIAMI WARRIORS TO TUNE OF 19-0

Will Scramble Dalhart On Way to Championship Of First District

Beginning to click in the second half, the powerful Bronchos overwhelmed the Miami Warriors 19-0 to win the bi-sectional championship and the right to meet Dalhart for the championship of Class B, District 1.

Receiving the first kickoff, the Bronchos started a march that ended on the Warrior's 15 yard line, but here they were held. The remainder of the first period was mostly a game of penalties with both sides receiving their share.

The second period looked dark for the Clarendon players as Miami advanced up the field, making four first downs, to the Broncho's 18 yard line. Here they met a defense that they could not penetrate. The ball went over to the Bronchos on downs and Miami's only real threat of the game was stopped. The half ended with the score 0 to 0; Clarendon, five first downs and Miami, four first downs.

Clarendon received the ball with the wind to their backs as the second half started. On the first play, Reid ripped off 30 yards but the Bronchos were forced to punt. Andis punted deep into Warrior territory and the Miami team was forced to punt on the fourth down. The punt

THANKSGIVING

We thank Thee, O Father, for all that is bright—
The gleam of the day and the stars of the night,
The flowers of our youth and the fruits of our prime,
And the blessings that march down the pathway of time.

We thank Thee, O Father, for all that is drear—
The sob of the tempest, the flow of the tear;
For never in blindness, and never in vain,
Thy mercy permitted a sorrow or pain.

We thank Thee, O Father of all, for the power
Of aiding each other in life's darkest hour;
The generous-heart and the bountiful hand
And all the soul-help that sad souls understand.

We thank Thee, O Father, for days yet to be;
For hopes that our future will call us to Thee.
Let all our eternity form, through Thy love,
One Thanksgiving Day in the mansions above.

—Will Carleton.

WE GIVE THANKS

At this Thanksgiving period we are grateful that the people of this county are in better condition than last year, and that prices are better and going higher.

We are thankful for good crops and for the skill and opportunity of preparing for the future by storing up foods grown this season.

We are thankful for the neighborly spirit that dwells with us, the christian spirit of helpfulness and the inclination to be charitable to the more unfortunate.

We are thankful for good health and the opportunity and will to work with our neighbors and friends.

We are indeed thankful for the friends of former years, and the new friendships formed this year.

We are thankful that we can serve the people of this county, work with them and for them to our mutual advantage and for the betterment of our country.

Texans today face the future with brighter prospects in a land of plenty where folks are a bit more neighborly than any where else. We are proud of Texas and her people.

THE DONLEY COUNTY LEADER

Perfection.

The only man that we ever knew who pleased everyone, had a glass over his face and a lily in his hand.

Inquisitive.

Could it be possible that in dogging bricks and accepting bouquets all these years we could have been passing up an occasional wine brick?

Perplexity.

As another evidence that the depression has passed, editor Cyrus Coleman of the Henrietta Independent finds nothing to worry about except that biscuits have gone out of style, and that chickens continue to wash their feet in the drinking pan.

Tut! Tut!

A drunken driver near Bonham ran into a car and killed a young lady and crippled a young man. Just for that the driver has been charged with murder, carrying a pistol, transporting liquor and driving while drunk.

The Bonham News is of the opinion that one of these charges should bring the driver a reprimand or a suspended sentence since similar incidents have merited such severe punishment.

Editor—Bootlegger.

A minister of Dalhart, according to Editor John McCarty, classified him as having thrown in with criminals, bootleggers and gamblers. Otherwise he thinks pretty well of Mack.

Without knowing the accuser personally, we can only say that if he is as much of a gentleman as John L. McCarty, he is a pretty good man. His criticism is without foundation of fact and wholly unjust.

Prohibition.

We hear much about prohibition going to be an issue in the next presidential campaign. There is no one more bitterly opposed to the 18th Amendment than Clarence Darrow, the noted Chicago attorney. When asked his opinion, he said:

"Repeal of the 18th Amendment

is pure nonsense. Thirteen dry states with a population less than that of New York state alone can prevent repeal until Halley's Comet returns. One might as well talk about taking his summer vacation on Mars."

Human Freak.

A farmer down at Goodlet who received assistance from the Red Cross last winter, hunted up Red Cross headquarters last week and plunked down four dollars as an expression of his appreciation of the timely help received from that organization last winter when there was no other source of help.

Every man who is not a charitable subject by nature will do the same thing when he gets on his feet. It is incidents of this nature that helps others to maintain their faith in mankind, and to continue doing good deeds.

Oh, Darn It.

With the depression slipping away and matters in general brightening the world, now what happens? This Glenn Wilbur Volivvia, propounder of the theory that the earth is flat and that it is a crime to get a haircut, announces that the world is coming to an end in 1936.

It could have happened last year or the fore part of this and met with universal approval. But why not be more explicit? Let's say 12 o'clock sharp. It makes no difference whether mama earth flops upside down or turns wrong side out ah-la-Volivvia, we want it done on schedule.

County Audits.

Every county can easily afford the expense of a thorough audit of the county records every two years. Were this done, there would be far less discontent, fewer unjust accusations, and less money spent in the prosecution of officials on charges of misconduct.

Grand Juries from time to time have suggested an audit of the county records of Donley county. The last one included that recommendation in the final report last week. Some ten thousand people are partners in county affairs. The

people have a right to know what is being done with the funds in which they have an interest. Honest officials should not be subjected to criticism. A thorough audit of the records will leave no room to criticize an honest official. Let's have an audit.

K G R S Recognized.

It is a source of pleasure to thousands of radio fans of the Panhandle to learn that broadcasting station K G R S of Amarillo has been recognized by a national broadcasting system which means more business for the station and consequently a better service to the people of the Panhandle.

This station has had a hectic career in a battle for the right and a square deal the past few years, and Mr. Gish and his friends are proud to know that right has finally triumphed.

This is one station that will not broadcast fake medicine and fortune telling schemes to the detriment of the innocent public. We congratulate Mr. Gish and station K G R S and predict a brilliant future of usefulness and financial success to the man who has stood four-square for honest treatment of himself and the people he serves.

David And Goliath.

Attorney General Jimmy Allred is filing suit against a number of the major oil companies of Texas in obedience to the wishes of the Legislature and in harmony with his oath of office and the information he has gathered. These oil companies are charged with nullifying the state's anti-trust laws.

We are not in a position to say what the big oil companies are doing owing to a limited knowledge of their affairs, but we do believe that thousands of Texas farmers have been swindled out of thousands of dollars each year for several years by chain gins operated in violation of Texas anti-trust laws.

If a cotton oil company, for instance, located in another state can operate a string of gins in Texas, set an agreed price on ginning and the price to be paid after

ginning, and not violate our anti-trust laws, then we don't know a thing about Texas.

Sackcloth And Ashes.

Just when Texas was delving into the past history of Congressman Garner and extolling his virtues something akin to a soldier back in '18 all because he was to become a sure shot candidate for the speakership, Congressman John Garendines with the chief "bear cat" of the Tammany gang.

It looked suspicious when John began eating with the Tigers. Not knowing what they ate or drank, we would like to know what they rubbed on John to induce him to forfeit claims to the speakership.

Late dispatches state that John is no longer a contender, but that Congressman Henry T. Rainey, of Illinois, who has the backing of Tammany, will be the Democratic candidate. This change is said to have been made to "preserve" party harmony. In reality it amounts to the election of a Republican president next year. Southern dry Democrats ceased to follow the dictates of Tammany several years ago.

Leaky Pomes.

Editor Jack Stricklin of the Brownfield Herald took a 'sour-castic' dig at us last week when he wasted time on the following:

"Say, listen, Bro. Estlack, what had YOU been trying to make last week? When the Leader reached us, there was either honey or lasses all over it. Better watch out for the revenue men will get you. However, the local postoffice force is trying to shield you, claiming that the lid of a bucket of honey came off in the mail sack. Anyway, the Leader was the sweetest and stickiest paper we got last week, but we read it anyway."

Without intent of casting reflections on the judgment of the Postal Empire, or the extremely innocence of the King Pin of one of the best weeklies in the state, we meekly suggest that home spun 'pomes' are much given to oozing out on occasion without apparent cause, so far as a Hoover investi-

gating commission has been able to ascertain. This must have been one of those occasions, Jack.

Soldier Pay Again.

In this issue of the Leader appears an article by J. J. Hawley, director of Public Relations, 502 Binz Building, Houston, Texas in which an appeal is made for each veteran to be paid his face value on his Adjusted Compensation Certificate without interest deductions.

Accompanying the appeal is a sheet on which are to be written the names of those in sympathy with the movement, asking that each contribute a dollar for the purpose of prosecuting the claim before the next Congress.

It is a far cry from the spirit of '18 when we often heard the phrase that "nothing is too good for our boys" to the pitiful plea now being made for donations to prosecute a claim against our government that is just and humane.

This payment is being asked when the National Debt is ten billions less as compared to the date when railroads were paid their Adjusted Compensation of five billion dollars at the close of the war.

The Fifth Victory Loan paid the railroads and it also paid regular government employees Adjusted Compensation at the rate of \$20 per month for five years, all in cash. We paid that without batting an eye, but when the human derelicts of the World War ask for the same consideration, they are forced to "chip in" and prosecute their claims, not for a "gift", but for a square deal.

We many have come to the conclusion that we don't know what caused the war; we think it all unnecessary at this late day; we may think that this money is ill spent in paying the veterans since we got nothing for it, but these boys were forced into the fray, thousands of them earned the amount asked for while in government service wading through mud and blood facing shot and shell and it is a disgrace to the Nation to further refuse

payment of the full face value of their Adjusted Compensation Certificates.

The Jap Menace.

The Jap menace in Manchuria does not concern us much, but the Jap menace right here within our own state is getting to be quite a problem.

Did you know that Japs control the cotton buying situation in the southern part of the state?

Did you know that Japs control the fig preserving and other manufacturing plants in Texas?

Did you know that several of these Japs are American citizens?

Did you know that the Jap population is constantly on the increase and that they would have been in control of the Rio Grande valley at this time if the first "shipment" of Japs had not been run out of there at their first landing some years ago?

Did you know that the Goshu Company, Southern Cotton Com-

pany, Japan Cotton Trading Company are each owned by Japs?

Do you know that one of the leading dailies of the state is running articles in serial form exonerating Japan's attitude in Manchuria, and that these articles are being written by a Japanese cotton merchant?

Did you know that Mexico is shipping out Japs and Chinese by the carload to rid the nation of a menace?

Did you know that New York City alone has thirty thousand Jap and Chinese who are classified as American citizens, and that almost every large city has a proportionate number?

We who believe in "America for Americans" should protest to Congress against admittance of any races with which we cannot and will not amalgamate. We should send these nationals back home where most of them rightly have a law forbidding the naturalization of Americans.

The Magnet . . .

No city, no town, can long exist industrially unless it can retain its home industries and, perhaps, attract other industries.

What influences an industry to locate in a particular community? Quality and cost of labor; quality, cost, extent and availability of raw material; a market for its product, and last, but far from least, the availability, dependability and cost of electric power.

Electric power is the motive power of industry because it makes possible the most efficient use of machinery, and because its cost is almost negligible.

The modern transmission line electric system, therefore, is not merely a company furnishing dependable electric service, it is a magnet attracting and keeping industries . . . and jobs . . . in the territory it serves!

To West Texas' unexcelled advantages from the standpoints of natural resources, raw materials, intelligent labor, low production costs, an enthusiastic market and a policy of genuine cooperation with new industries, the West Texas Utilities Company—serving 125 prosperous cities and towns in West Texas, the "Land of Opportunity"—adds the provision of the dependable and inexpensive electric power supply demanded by modern industries.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

West Texas Utilities Company

TEMPLE OF TRUTH
 By the Apostle

Well dog our cats! Here is a letter from an old maid in Jack county wanting us to advertise for her a running mate the balance of the race through life. We refuse to conduct a matrimonial bureau for one reason and only one—we ain't mad at anybody.

Beever used to cost us fifteen cents a pint or two for a quarter. Since 1918 we have learned to make it for a cent a pint which is one way the government has of teaching us economy. The next lesson was in teaching the boys how to "roll their own."

If you think that depressions are a late thing, read Amos 8:4-11. You will find it in the family Bible if you fail to recognize Amos on first thought. History repeats its self and old human nature never has changed a whit.

We've been called down by a doctor and right when we need a "hypo" he left us flat weeping in sackcloth and ashes. When we think of doctors we think of the little boy's essay, which reads:

"If the editor makes a mistake, folks say he ought to be hung; but if the doctor makes a mistake, the people buries them and don't know any better because they can't read latin. When the editor makes a bad mistake, there is a big lawsuit and swearing and a lot of fuss; but if the doctor makes one, there is a funeral with lots of flowers and everybody is solemn. A doctor can use a word a foot long without him or anyone else knowing what it means; but if the editor uses one, he has to spell it. If the doctor goes to see another man's wife, he charges for the visit; but if the editor goes, he gets a charge of buckshot. Any college can make doctors but editors have to be 'born. I'd rather be a doctor."

Bulls has been down in Jack county again. We got a two page letter in which he denies that we had anything to do with the capture of the "cat" and winds up by inviting us to make a trip with him to Gilbreath where we "can hear the voices of the spirits" all of which got us up in the air until we learn that he has been down in Jack county visiting uncles Jake Zuber and Guss Jolly, two jolly Germans who kn w how to "zuber" the juice of the grape, of which they grow a plenty. Ed Bulls, referred to as the "Bard of Newport" since seceding from Jack county, relates his visit and attests the wonderful quality of the juice that was "zubered" for the "stomach's sake" which accounts for the two page letter received from Ed F. Bulls two days before his wine report was made to the Bowie Enterprise.

Ed, frankly speaking, we care a darn sight less for hunting ghosts than we do a visit to the Zuber and Jolly farms. If you will change up the schedule, we're coming as sure

as Crooked Creek and Rocky Point are located in Jack county. Our mouth waters at the report of wine squirrels, quail and possum, but why did you move out of Jack into the Jack end of Clay that has always been dry and the hunting as slim as crops on Brushy Mound? They've got to take you back, they've got to take you back!

Speaking of Ed Bulls reminds us of bawling hounds. When we moved to Mexico we got a start from Ed. He's so darn liberal that he will give you a start of any thing, and some things you don't need. Our favorite horse got so that he wanted to hunt as much as the dogs. When the pack of hounds had increased to several, we would run wolves on the level prairie where a horse was discarded for the family flivver. After a few races, the flivver was just as anxious to run with the hounds as the horse. When the bawling hounds would begin to bawl, that old flivver would snort a few times and start out. After several races to capture the blamed thing, we had to keep it chained to the windmill tower to keep it from taking the hounds on a hunt by its self. An intelligent jitney running loose with a gas saver on, it would chase a coyote across the continent before stopping. That's the way we had this one rigged up, and one day it got loose, chased eighty miles across the Pecos valley and took up a canyon. After going a few miles, it upset and while on its back it caved down enough rocks to dam the canyon and form a fish pond that has been used as a fishing and boat resort for fifteen years.

A small boy came in today and said he killed three male flies and three female flies. We asked him how he knew which was which, and he said the male flies were killed in the sugar bowl and the female flies on the mirror.

Well, well. The Good Woman and the daughters-in law and some neighbor women and the county H. D. agent are canning a whole beef at the house today (Monday) and it looks like the women are bound to pull us through. There's a lot of patriotic women over the county this season.

Speaking of eats, the Apostle has dined in fine hotels where they served quail on toast. He has eaten about all kinds of tame and wild meat but the very best meat there is can be had right here. It is a sucking calf about nine months or so old. Drop the meat in hot grease in a Dutch oven and cook it cow-puncher fashion. The side dishes are black coffee, onions and sour dough bread—nothing else. That's the best meal ever served up by any cook chef or anything or anybody. A cow chip fire helps out a lot. Ask any old timer—he knows.

It is said that if all the chocolate bars made in this country in a year were placed end to end, they would reach around the earth five times. We know one thing, it would be an awful mess when it rained.

Homer Parsons is awarded the free wash, grease and polish job at the Clarendon Motor company this week. Homer is not accustomed to getting anything free, consequently he will likely show up promptly for the gift jobs.

We read an advertisement in a daily paper Sunday that read like this:

FOR RENT—My beautifully furnished apartment with that "atmospheric touch" that makes you feel "vibrations" and "comfy" and "cozy", do you get the idea? You darn tootin', what's your price?

Pay Bonus Now Organization

J. J. Hawley, Houston Texas
 At this coming session of Congress, a bill will be presented by Congressman Wright Patman, asking for the immediate payment of the Adjusted Compensation Certificate, without interest deductions for loans previously made.

Congressman Wright Patman, charges the Secretary of the Treasury with willfully creating a deficit to avoid payment of the World War Veterans, Adjusted Compensation Certificates by overpaying on the war debt \$3,500,000,000 more than the law required.

If Secretary Mellon, knew that during those prosperous years such payments were possible, why was not the Adjusted Compensation Certificates which is in reality a part of the war debt, paid out of that surplus? Why were we led to believe that such payments were not practical or wise when this surplus existed? Why is it unwise to pay the debt now? The answer is Secretary Mellon's selfish refusal to make such payments during prosperity or depression, but only at the expiration date 1945, when the boys can then be paid off at about \$75.00 for each \$500.00 face value of certificate, after the interest on loans previously made

has worked at compound during those years.

Opponents of the bill fail to inform the nation that the ex-service man, out of their dollar a day pay paid the premiums on their compulsory War Risk Insurance they carried, and that out of the premiums so collected the Government paid all claims as a result of battle or war service during the duration of the war and still had hundreds of millions left on hand.

Further, the opponents of the bill while belittling the ability of the U. S. Government to pay the just and long over-due bonus debt to the Veterans, neglect to mention the ability of the United States to loan billions to foreign nations; also neglect to state that if these foreign nations paid the eleven billions they owe the United States the Government could pay the bonus and still have about nine billions on hand. We believe the first duty of the government of the United States, especially in times of stress, should be to its own citizens rather than to foreign nations.

The railroads were awarded Adjusted Compensation amounting to about \$5,000,000,000.00 and it was paid through the floating of the Fifth Victory Loan, at a time when the National Debt was \$10,000,000,000.00 greater than it is today. Government employees were award-

ed Adjusted Compensation at the rate of \$20.00 per month for five years and it was paid in cash.

Payment of the debt now would release some \$2,000,000,000 and mean a tremendous impetus to business, create employment, relieve suffering of the Veteran and his family, save his self respect, yes, even save his life, that same life he offered that others might live.

MARTIN

The pie auction netted the school ground \$32.40 Friday night. Miss Ola Bell Cash was awarded the prize of a "permanent" for being adjudged the prettiest girl.

The young folks enjoyed a dance at the Tolbert home Saturday nite.

At a call meeting of the Martin H. D. club Thursday, officers for the coming year were elected. Those present were Mesdames J. E. Baker, Dave Patterson, J. D. Wood Helton, Sibley, Virgil Jordan, Claude Easterling, Lee Wood, J. B. Turnbow. Visitors were Mesdames Horace Wood, A Pittman, Jim Baker.

Harry Hartzog of Canyon spent the week end with home folks. Those enjoying the 42 party at John Endsley's Monday night were Johnnie, Bud and James Tolbert

Stanley, Clyde and Dud Endsley, Jim Cannon, Dee Buttrill, Bill and Polly Sowell, Tina and Ina Fay Pittman, Clovd and Maurine Feabody and Henry Davis.

GOLDSTON

Bad weather prevented Sunday school being held.

Mrs. M. W. Hatley visited with Mr. and Mrs. Bill Broom of Amarillo over the week.

Mr. and Mrs. Leonard Goldston and children visited her parents at Amarillo Saturday.

Mrs. Neely Hudson and son of Chamberlain visited in the H. M Stewart home over the week end. Mr. and Mrs. Audley Rhodes and little son Larry Neil of Woodward,

Oklahoma visited relatives here Wednesday.

Mrs. A. L. Mitsap of Chamberlain spent the week end with her daughter, Mrs. H. B. Rhodes and family.

Miss Martha Buttrill, county H. D. agent, visited with the girls club Friday.

Mrs. Scaff canned a beef Wed. J. A. Stewart and sons have returned from Kres3 where they have been employed.

The young folks enjoyed a dance at Chas. Hill's Saturday night.

Mrs. E. B. Brooks of Ft. Worth who has been visiting her sister, Mrs. Park Chamberlain, returned to her home Sunday accompanied by Mrs. Matt Bennett as far as Quanh

FRESHNESS
 — that's the thing!
CAMELS are never parched or toasted

HAVE you noticed the new trend in cigarettes?—*freshness* is the popular thing.

That's because a *fresh* cigarette, as demonstrated by Camels, is something smokers have discovered as better than anything they ever tried before.

Camels are fresh in the Camel Humidor Pack because they're *made* fresh to start with — blended of choice, delicately mild, sun-ripened tobaccos in which the natural moisture and fragrant flavors are vigilantly safeguarded.

The tobaccos in Camels are never parched or toasted — the Reynolds method of scientifically applying heat guarantees against that.

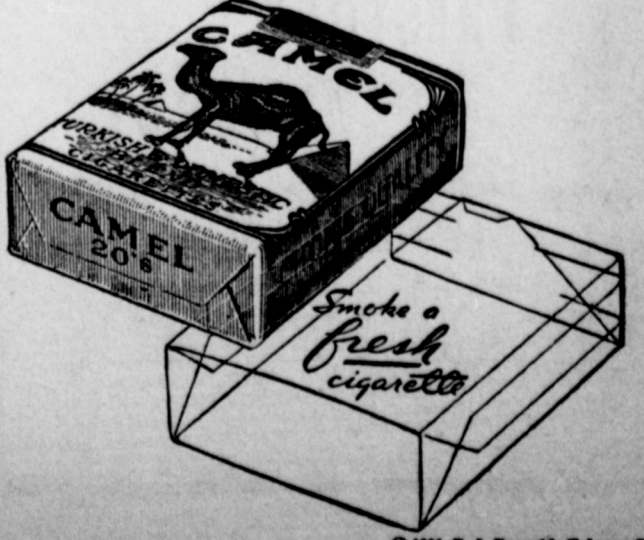

That's why we say with so much assurance that Camels are truly fresh. They're *made* fresh — not parched or toasted — and then they're *kept* fresh in the Camel Humidor Pack.

Try Camels' freshness for a change. Switch over for just one day, then change back — if you can.

R. J. REYNOLDS TOBACCO COMPANY, Winston-Salem, N. C.

R. J. Reynolds Tobacco Company's Coast-to-Coast Radio Programs
 CAMEL QUARTER HOUR, Morton Downey, Tony Wons, and Camel Orchestra, direction Jacques Renard, every night except Sunday, Columbia Broadcasting System
 PRINCE ALBERT QUARTER HOUR, Alice Joy, "Old Hunch," and Prince Albert Orchestra, direction Paul Van Loan, every night except Sunday, N. B. C. Red Network
 See radio page of local newspaper for time

CAMELS
 Made FRESH — Kept FRESH

● Don't remove the moisture-proof wrapping from your package of Camels after you open it. The Camel Humidor Pack is protection against perfume and powder odors, dust and germs. In offices and homes, even in the dry atmosphere of artificial heat, the Camel Humidor Pack delivers fresh Camels and keeps them right until the last one has been smoked

THINK THIS OVER.....

There is really no established limit to the service a bank may render to a depositor. Requirements of each account are different. This bank makes it a point to be familiar with the needs of each account, thereby making it possible to produce maximum benefits to the depositor by application of experience to fit each new situation.

SOCIETY
Mrs. J. C. Estlack, Editor
Phone 455

B & P WOMEN'S CLUB
The Business and Professional Women's Club met at the Clarendon Hotel Monday night, with Misses Lottie Lane and Etta Harned as hostesses.
Roll call was answered by giving the name of a new artist in the cultured world. Following this Miss Stroder gave a beautiful piano solo.
Mrs. C. A. Burton made a very interesting talk on "Books". Books are our means of escaping into other worlds, and help mould characters. A good book lives in the lives of people for generations.
After a short business session the club adjourned.

MRS. H. C. KERBOW COMPLIMENTED
Mrs. Don Grady honored her mother, Mrs. H. C. Kerbow, with a surprise birthday party Friday. Lovely autumn flowers were used for decoration. A sumptuous luncheon was served at the noon hour.
Each of the guests presented the honoree with a lovely gift. The afternoon was spent very pleasantly in doing needle work and visiting.
Those present were the honoree, Mrs. H. C. Kerbow, and Mesdames W. H. Martin, John H. Clark, C. E. Killough, C. W. Taylor, J. T. Patman, Sella Gentry, W. T. Clifford

YOUNG MATRON'S BRIDGE
Mrs. T. G. Stargel charmingly entertained the members of the Young Matron's bridge club at her home, three tables being used.
A beautiful color scheme of orange was carried out in decorations with an artistic arrangement of 'mums and autumn leaves.
Mrs. B. F. Kirtley received high score prize.
A dainty refreshment plate was served at the close of the games.

Those present, Mesdames B. F. Kirtley, J. E. Teer, Earl Alexander, Carl Bennett, Keith Steagall, T. G. Norwood, Roy Ingram, Harrison Simpson, B. C. Antrobus, Lillian Brady, Rex Reeves, and Miss Lotta Bourland.

FRIDAY AFTERNOON BRIDGE CLUB
Mrs. Park Chamberlain was hostess to the Friday Afternoon Bridge Club Friday.
Thanksgiving talley cards were used in the games.
Lovely refreshments were served after the games to guests; Mesdames Frank Stocking, Jim Morris, C. E. Miller, Floyd Lumpkin, Forest Taylor, Chas. Trent, B. B. Brooks of Ft. Worth, and Miss Helen Martin.

MOTHERS CLUB
The Mother's Club met in the Club Room Friday afternoon with Mrs. Fred Buntin as hostess.
Mrs. W. M. Patman was leader of program assisted by Mrs. T. H. Ellis and Mrs. Richard Wilkerson.
Two new members were voted into the club and accepted. They were Mrs. Harlan B. Naylor and Mrs. Frank Heath.
During the social hour, a dainty salad course was served by the hostess.
Members present were Mesdames John Bass, U. J. Boston, Clyde Douglas, Eva Draffin, T. H. Ellis, Will Johnson, C. B. Morris, T. D. Nored, Ralph Porter, R. E. Paxson, J. D. Swift, Richard Wilkerson, W. W. Taylor, W. M. Patman, Harlan

B. Naylor, Frank Heath and the Hostess Mrs. Fred Buntin.
MRS. S. M. BRASWELL ENTERTAINS
Mrs. S. M. Braswell entertains with a Thanksgiving dinner Friday night.
All guests were seated at one table. The center piece was a pumpkin filled with carrot tops surrounded with cranberries, carrots and corn. The talley and place cards carried out the Thanksgiving scheme.
Between courses each guest was given a candy corn kernel with a numbered feather in it. After trading numbers, the one with the lucky feather got a prize of an Indian doll.
After dinner, games of 42 were played.
Guests were Messers and Mesdames H. T. Burton, G. L. Boykin, C. C. Powell, Fred Rathjen, Richard Wilkerson, T. D. Nored.

THANKSGIVING PARTY
Misses Elizabeth Kemp and Carol Holder were hostess to a number of their friends Saturday night at the G. G. Kemp Home.
The house was decorated in Thanksgiving colors and autumn flowers.
Games of bridge and dancing supplied the evening's entertainment. Punch was served throughout the evening.
Guests were Misses Johnny Dee Latson, Latrice Quattlebaum, Jean Bourland, Pauline Shelton, Pauline Sanford, Dorothy Jo Taylor, Eunice Johnson, Joyce Link, Melba Del Warner, Roberta LaFon.
Messers Dick Nichols, Robert Green, Roy Stargel, Fred Bourland, Carol Hudson, Glen Allison, Joe Nobles, Silas Franklin, Lee McKinney, Samie Cauthen, Billy Word, Latona Watson, and Mike Stricklin.

CLARENDON H. D. CLUB
Mrs. W. D. Van Eaton entertained the Club at her home Friday afternoon. The rooms were a bower of beautiful flowers, 'mums in a wide range of colors being used most extensively.
Mrs. C. D. McDowell presided over the business session. Mrs. Lawler was received into membership at this time.
Mrs. Van Eaton led in a patriotic lesson on Texas History, being assisted by Mesdames McDowell, Benson and Hudson.
A report of the Club for the 1930 year's work was read by the secretary, Mrs. T. R. Broun.
Guests were Mrs. T. H. Peebles and Mrs. Joe McMurtry.
The members were especially glad to again have with them Mrs. Wm. Spitzer, affectionately known as "Mother" of the club for many years, and who has been absent from the state on a visit in Iowa for more than a year.
A delicious plate refreshment was served to Mesdames Peebles, McMurtry, Lawler, Meaders, Williams, Reavis, Anderson, Morris, Baker, Estlack, McDowell, Hudson, Grady, Benson, Spitzer, Toomb, Crabtree, Stocking, Broun, and Miss Katie Meaders and the hostess, Mrs. Van Eaton.
Mrs. Chas. Ray of Melrose spent the week end in the home of Mr. and Mrs. J. D. McAdam.
Mr. and Mrs. P. A. Buntin returned home Monday after a two weeks visit with relatives at Ft. Worth.

Here are some of the educators who will play prominent parts when 5,000 teachers gather at Amarillo November 26 for the annual convention of the Texas State Teachers' association. Pictured, top row, left to right, are: J. A. Hill, president West Texas S. T. C., Canyon, a candidate for association president; J. C. Cochran, now president of the association; Mrs. J. E. King, president of San Antonio board of education; bottom row, H. W. Morelock, president of Sul Ross S. T. C., Alpine; B. E. Masters, president of Amarillo college, who will greet the teachers; Senator W. E. Thomason, Nacogdoches, who will address the assembly.

FRIENDSHIP CLUB
Friendship club met in home of Mrs. J. E. Mongole Tuesday afternoon. The Thanksgiving motif was used for decorations. Fancy needle work and conversation was enjoyed by all. In the late afternoon a delicious salad plate was served to guests, Mrs. W. A. Massie and

Miss Iva Prochter. Members, Mrs. C. R. Skinner, J. A. Meaders, Toombs Teal, Tvee, J. D. Stocking, C. M. Thornton, Harris, L. Ballew and Miss Katie Meaders.
Mrs. Otis Barnes and daughter, Mrs. Cameron of Spearman visited Mrs. Clarence Whitlock the latter part of last week.

Weekly Poem

FROM DEATH TO LIFE
When we have closed the sad, world-tired eyes,
And laid the hands above the pulseless breast,
And stand in stricken silence crossed with sighs,
In the dim chamber of untroubled rest—
This is not Death whose mystic lines invest
The white-robed form with strang and stately grace,
But the glad passing of our sometime guest,
To higher planes and realms of wider space
It is not Death's chill fingers that endow
With unaccustomed beauty the still face,
And crown with starry majesty the brow
Late seamed with shadows of our mortal race;
Not Death but Life that, parting leaves the trace
Of new found glory on its prison-place.
—P. F. Slater.

Wm. H. Ranes, last survivor of the Mexican war, died at Stockton, California Friday at the age of 101. He was with Gen. Scott in the capture of Mexico city and later served in the Civil War.

J. L. Tims, the busy Ashtola grocer, was in late Tuesday evening reporting that business was good and getting better. He lands with some more red hot prices this week and finds that it pays to tell the folks about it through the Leader.

Local Pastor Returns From Spearman Monday

Rev. Robt. S. McKee returned from Spearman Monday night where he has been assisting Rev. B. W. Baker, pastor of the Presbyterian church in a revival.
Rev. McKee found the weather man willing to dish out all varieties during his stay there with rain, sleet, snow and a 10 above zero temperature Sunday. He reports the attendance good despite the weather.

Information supplied by the lad's father this week is to the effect that Orbie Mayo pulled 1103 pounds of cotton in nine and a half hours. According to this statement, Orbie is a strong contender for Donley county championship honors.

Do your Christmas shopping early.

Grand Sire of Odd Fellows To Visit Texas

Deputy Grand Sire Wm. F. Jackson of Kansas will visit Texas Dec. 1st meeting with executive officers, past officers and past representatives at 309 S. Pearl Street, Dallas on Dec. 1st at 9:30 a. m.

Every member in Texas in all its branches is urged to attend this meeting according to a letter received by Past Grand Roy L. Clayton this week.

Farmer is Killed Friday By Bale of Cotton

While walking under the loading at a gin in Quail Friday, J. W. Stepens was crushed by a bale of cotton falling on him. He was rushed to a Wellington hospital and died within a few hours.

This map represents business conditions in every state in the December number of Nation's Business, official publication of the Chamber of Commerce of the United States

Father of W. T. Hayter Dies At Home Near Megargel

News was received here Friday of the death of James M. Hayter at his home near Megargel early Friday morning following a lengthy illness.

Mr. Hayter, born in Wise county, settled near where Megargel now stands more than 44 years ago where he has been identified with ranching interests till his death.

He is survived by his widow, two daughters, Mrs. Lanham Logan of Lubbock and Mrs. Ernest Brown of Megargel. Also two sons, Cleveland Hayter of Long Beach, Calif. and our esteemed fellow townsman, W. T. Hayter.

PLEASANT VALLEY

Miss Helen Goldston most charmingly entertained a number of her friends with a progressive 42 party in the country home of her parents Thursday evening. Fortune telling with birthday candles in walnut shells proved a hilarious event. Delicious refreshments were served to Misses Hazel Gilbert, Lopez Whitt, Lorene Hayes, Frances Choate, Mr. and Mrs. Clifford Ray, Mr. and Mrs. Jack Whitt, J. T. Lamberson, John F. Harlan, Jack Hayes, Gene Chamberlain and the hostesses, Laverne and Helen Goldston.

Miss Frances Choate was a guest in the John Goldston home Thursday.
 Harold Lonfian is again at home after a year spent in Colorado.
 Mrs. Hugh Riley visited with Mrs. M. W. Mosley at Clarendon Tuesday.
 Ernest Davis visited home folks from the south plains Tuesday.
 Several are taking advantage of the cold weather and butchering this week.

Chas. McClaren is Buried At Claude Tuesday

Another pioneer citizen of the Panhandle passed away at his home near Claude Monday and funeral services were conducted there Tuesday.
 Mr. McClaren was a half brother of Mrs. H. W. Taylor of Clarendon and a brother of Walter McClaren of Claude and had resided in the Panhandle for more than forty years.

School Paper Convention Planned

Our editorial department is in receipt of a letter from C. R. Kinard, Editor-in-chief of "The Whirlwind"—the Memphis school paper. In this letter he suggested that the editorial staffs of all school papers have a meeting and discuss their papers so that we might all gain more information about school papers.

Our staff is planning to meet with them at Memphis, December 5. By doing this we feel sure that we will gain more knowledge and get new ideas how to handle our own paper so that we can make it the best possible.

Our 1931 Thanksgiving

We remember that in a few days Thanksgiving will be here. As a whole, we have many things for which to be thankful for. In the first place while the whole world has talked depression we are really in the midst of prosperity. We are not all depending on what we get out of cotton for obtaining our food. Our community is noted throughout the Panhandle as a produce center, so we have plenty to eat. Our cellars are filled with canned goods as never before.

The second thing we can be thankful for is our school system. We are not in debt as are many other schools and we have not had to cut our teacher force. We hope to have our regular school.

Another of our great blessings is that we live in a healthful community. No epidemics and serious diseases have taken toll from our citizens.

The greatest thing we have to be thankful for it peace. In some of the other countries, they are now having war. Some of the wars are between the countries and some are just between the people, while we have peace both as a nation and as individuals in Lelia Lake.

—Lorene Howard.

Basketball Report

The Lelia Lake girls played with the Clarendon girls for the second time last Wednesday afternoon. We again were defeated, but the score of 32-18 in favor of Clarendon showed we have improved since the first time we played with them. Our team was composed of Ruth Davis and Effie Dean Bullard as forwards; Oleta Camp and Othel Walling as centers; and Lorene Howard, Mildred Tunnel and Margetta Cruse as guards. Mr. Weatherly acted as referee.

The town girls challenged us to play a game with them Thursday. This was only a practice game, but we worked for our triumph. Our captain was unable to play, but there were plenty of the girls ready to play in her place. Our team consisted of Futh Davis and Effie Dean Bullard as forwards; Oleta Camp and Othel Walling as centers and Lorene Howard and Margetta Cruse as guards. The town team was made up of Mrs. Bert Smith and Mrs. Quinn Aten as forwards; Mrs. Loman and Louise Howard as centers; and Mrs. Lonnie Bullard and Mrs. Claude Morton as guards. The score was 17-10 in favor of the High school girls.

All the girls are enjoying their work this year. Mrs. Thomasson says we have improved greatly on our team work, but are still weak on shooting for goals. We hope to have a great improvement in goal shooting before long.

—Cynthia Mae Eller

Basketball Dope

The basketball boys are making a great work in their field of work. They are suiting out each day at noon and after school. They have most of the boys in line now.

They played the Ex-Zebras Monday afternoon and won by a small score of 14-13. It was a very fine game. The boys are all friendly with us, so we will play them quite often.

The Clarendon Junior College

boys motored to our home court Wednesday afternoon. We played good ball, but we were outclassed and they beat us 26-10. We took the defeat as sports as we promised to do. If we win we will be glad of course, but if we lose, we will lose as sports.

Wonder Why

Wonder why Harold Mc Daniel prefers blonds.

Wonder why Leroy Leathers doesn't like to drive on muddy roads.

Wonder why Pauline Darnell doesn't get here for English class.

Wonder why C. A. Thomasson waits at the study hall door until the 9th grade passes out.

Wonder why Oleta Camp's interest isn't at school.

Wonder why Isabell Knox hardly ever has to walk home from school.

Wonder why Rubye Jones always wants to have their parties with the 9th grade.

Wonder why Inez Woods likes to sit with Lorene Howard.

Wonder why Athlee Dodson doesn't reduce.

Wonder why Marie Underwood goes to town everyday.

Wonder why Adelaide Carroll

prefers cars with the cut-out open. Wonder why Miss Hill gets so vexed with the seniors.

How to Make Lelia Lake a More Attractive Place to Live

In order for any town to be attractive it must be clean looking. By this I mean that the streets and alleys should be kept free of rubbish. This can be done easily if the citizens will do their part.

Lelia Lake could be made more attractive if flowers were planted around the school building and the houses in town. The lawns should be better cared for. Grassy lawns with flowers help more than anything toward making a town attractive.

More shade trees would help to make Lelia Lake an attractive place to live. Shade trees would not cost much and they could be set out by the citizens of the town. The school ground has enough shade trees. They should be cared for properly.

Not only can Lelia be made more attractive in a physical way, but it can be made a more interesting place to live. If there were more social organizations to bring the people together, they would know each other better and enjoy the comradeship.

Some kind of business organization is needed in our town. This would be a help in many ways.

A greater number of parents should join the Parent-Teacher Association in order to make it a success. This organization would not only be beneficial in educational ways, but it could be made a social center as well. The women have different club organizations that are good, but there are still some who do not belong.

Our town is already one of the finest in the Panhandle. But with the cooperation of all the people, it could easily be made "the" finest in all Texas.

—Gladys Humberd

THE BEST TODAY COSTS NO MORE THAN THE CHEAPEST

The famous Purina Chows tried and tested by their makers on their experimental farm for years before they are given to the public—also every ingredient accepted only after rigid laboratory tests

Now actually costs less than some brands of feeds that are built by guess and not tested.

Before you punish your flocks and herds with these untested feeds, demand of that dealer or manufacturer that he tell you how many eggs in the bag you are buying or what it costs to produce a pound of butter fat or a pound of pork with his feed. If he can't tell you, come to our store and we will show you what Two Millions hens and thousands of dairy cows say Purina Chows will do.

Come by and get a bag of eggs at our store. They cost you about eight cents per dozen and you sell them for twenty-five cents—that's five dollars a case profit. Do you need the money?

The Battle of Gonzales

The first shot of the Texas revolution was fired at Gonzales in 1835. The Mexicans tried to get a cannon which they had given the people several years before to protect them from the Indians. They first tried to get it by sending an officer and five soldiers with an ox cart to receive it, but the Americans refused to give it up. They then sent a captain and a hundred dragoons to get it. At his arrival the captain did not feel strong enough to attack, so he marched up the river and went into camp to await reinforcements.

That night his men had a pleasant time robbing a farmer's watermelon patch.

Next morning they awoke to find the desired cannon mounted on heavy wagon wheels pointed at them by the Americans. It was loaded with chains, scrap iron and other such things. At the first shot the Mexicans fled in terror. They left one dead upon the field. This was called the "Battle of Gonzales," and was fought on October 2, 1835.

Pearl Boston is Champion Collector of Cash

Some time ago a stranger staged a "country store" in a Shamrock theatre and left town indebted to Pearl T. Boston. Recently while in Mineral Wells, Boston noticed that a country store was in progress and upon investigation, located his man who had given him the slip at Shamrock.

He informed the 'slicker' that he would have to pay him that \$10 due him or else the fur would fly. The man protested that he had skinned him out of only \$5 but Boston insisted on the ten and got it. When he got home and looked up the account, he found that he had double charged the slicker who was right in saying it was only \$5. Now others skinned in Shamrock want Boston to fork over a five spot to them.

Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning Rin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine. For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. 25c at all stores. © 1931, C. M. Co.

"JOYFUL THANKSGIVING"

Rev. W. E. Ferrell
 TEXT: "It is a good thing to give thanks unto the Lord." Psa. 92:1.
 If there is one thing lacking today more than any other in the realm of religion it is the spirit of gratitude. On every hand we hear people say that they have nothing to be thankful for. There must be something radically wrong with them; for if the truth were only known there are few, if any, who could not find something to be thankful for if they would stop and think. I am of the opinion that the beautiful note of thanksgiving is too often silent in many of our religious services. We accept the manifold gifts of God, but how many times do we recognize the Giver? Many people eat and drink, enjoy good health, much wealth and pleasure; they boast of their possessions; they revel in their liberty, glory in their land, but never stop a moment to render thanks to the Giver of all these good and perfect gifts.

"It is a good thing to give thanks unto the Lord." I like Dr. Moffat's new translation of the text, because it is sweet and heartening. "It is a joy to give thanks to the Eternal." How exquisite is this sentence. It reminds us that the greatest joy is found in the thankful heart. Dr. Campbell Morgan tells of a poverty stricken woman, who was found on Christmas Day eating a Christmas dinner which consisted of a piece of bread and a toasted herring. Her visitor said something to her about the poverty of her fare, and the dear old woman, with face aglow, replied: "Poor fare! Dear heart, don't you see that the Lord has laid tribute on land and sea to feed me this blessed Christmas Day?" "It's a good thing to give thanks unto the Lord."

Thankfulness has been termed the poor man's payment. It is a virtue all can possess. Paul tells the Ephesian disciples to give "thanks always for all things in the name of our Lord Jesus Christ to God, even the Father" (Eph. 5:20). He exhorts the Philippians: "In nothing be anxious; but in everything by prayer and supplication with thanksgiving let your requests be made known unto God" (Phil. 4:6). To the Thessalonians he writes: "In everything give thanks: for this is the will of God in Christ Jesus to you-ward" (1 Thess. 5:18).

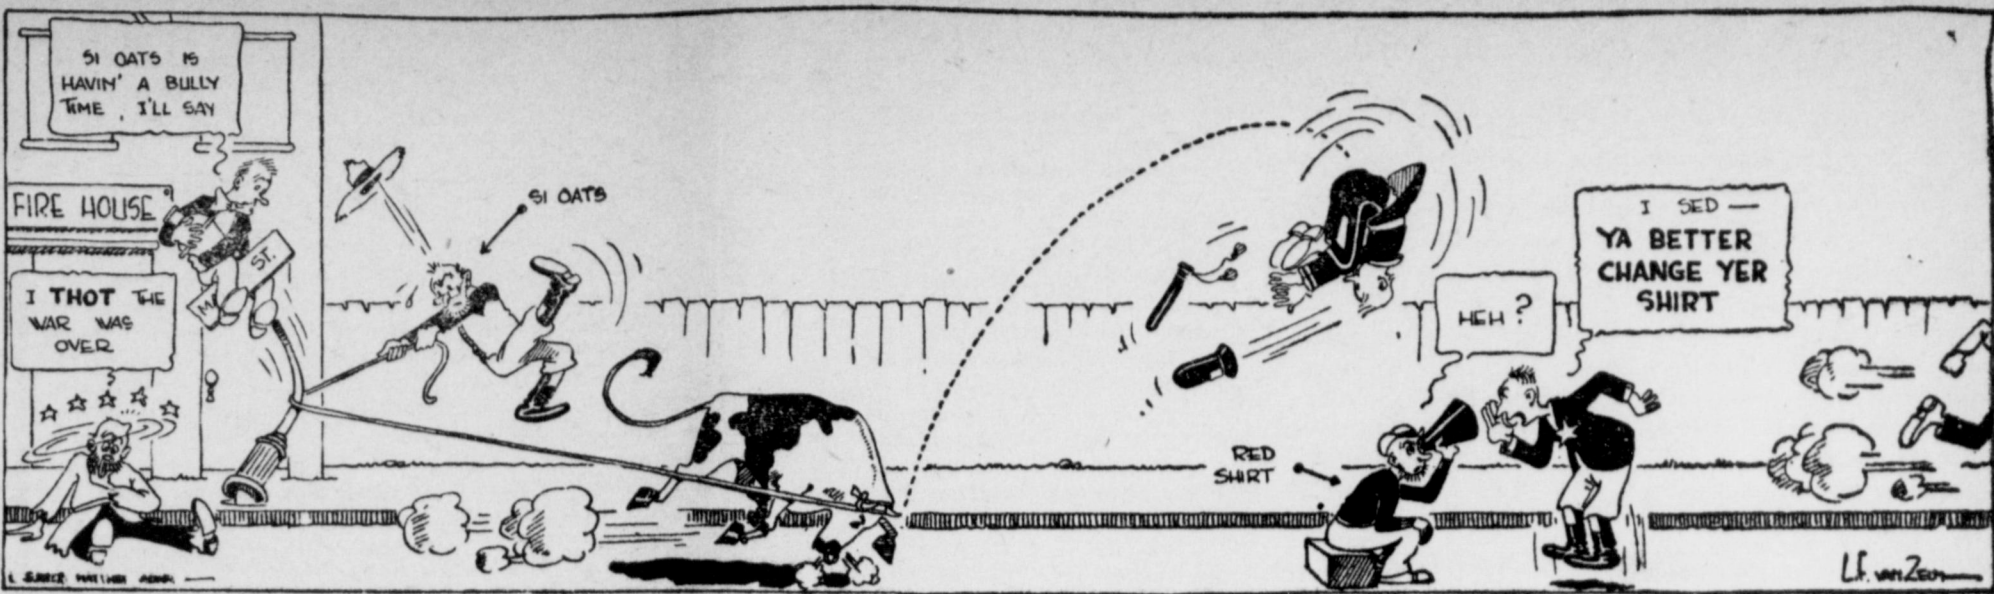

In "EVERYTHING"! This comes as a surprise when one considers the vicissitudes of human life; sickness and health, poverty and wealth, joy and sorrow, are all ingredients of the cup placed to human lips; so all must come within the scope of thanksgiving. Why be thankful for everything? Because everything is for good to those who love God, (Rom. 8:28).

It must be remembered that nothing is more acceptable to God than thanksgiving. He longs for an acknowledgement of His lovingkindness. At a glance, He can see whether the heart is thankful or unthankful.

The continual exercise of thankfulness is advantageous. God has countless blessings in store for the thankful souls, and has designed that by this holy exercise preparation be made for the eternal chorus of praise by angelic hosts, when thankfulness shall be perfected, and heaven's arches shall ring with

the ascription of praise. "Blessing and glory, and wisdom, and thanksgiving, and honor, and power, and might, be unto our God for ever and ever. Amen. (Rev. 7:12). It is a good thing to give thanks unto the Lord. It is a joy to give thanks to the Eternal.

Our Thanksgiving Prayer
 O Eternal God, our Gracious Father, whose throne is established in righteousness and whose dwelling is in peace, the God who made and preserved us, the Great Giver of all that we enjoy, give to us that which we have grown to expect in thy service—a sense of Thy Greatness, repose of spirit, and the deep, satisfying nourishment of soul.
 We thank Thee for everything that crowns our life, the coming and the going of the day, and night the march of the seasons, the repeated miracle of growth by which all creatures are fed.

We praise Thee for the countless common benefits and comforts of every hour; for the flower of human kindness which springs along the path, for the law and commandments which keeps us in the way of rectitude, and for the gospel of love that calls us not only servants, but Sons of God. Amen.

Chevrolet Car Carries 400 Pound Mailer Man

Decorah, Iowa, Nov. 14.—This community claims the unusual distinction of being served by the largest rural mail carrier in the world, John L. Moore, who tips the scales around the 460 mark.

Despite his impressive girth, Postman Moore has used for years, and is still driving a 1925 Chevrolet coach to cover his extensive route in and around Decorah. Commenting recently on the service given him by his faithful car, Mr. Moore said:

"My Chevrolet has traveled 106,000 miles up to September 1st. It has stopped 399,960 times for deliveries, and has never refused to start. The operating expense and upkeep has been very small, and in spite of its age, I feel I can secure more miles on a gallon of gas than any other rural mail hauler in this territory, regardless of age or make of his car."

Mr. Moore says the combined weight of himself and his Chevrolet is 2, 417 pounds.

Bryon Todd and family of Deep Lake visited his parents here this week.

Mr. and Mrs. Willie Tetter announce the arrival of a son.

Julia Shaffer entertained with a party Monday night.

Restless CHILDREN

CHILDREN will fret, often for no apparent reason. But there's always Castoria! Harmless as the recipe on the wrapper; mild and bland as its taste. But its gentle action soothes a youngster more surely than a more powerful medicine.

That's the beauty of this special children's remedy! It may be given the tiniest infant—as often as there is need. In cases of colic, diarrhea or similar disturbance, it is invaluable. A coated tongue calls for just a few drops to ward off constipation; so does any suggestion of bad breath. Whenever children don't eat well, don't rest well, or have any well upset—this pure vegetable preparation is usually all that's needed.

Alma Bee Cole of Hickman visited in the Isham home Friday night.

Lola Bess Todd spent Friday night at Salisbury with Ruth Adcock.

Bad weather has hampered cotton picking for the past three weeks. Crops in general are good and a lot of canning has been done the past summer.

FOOTBALL CHIEF TOPIC AT LIONS LUNCHEON TUES.

Trip to Dalhart Discussed
By Coaches And Members
Of Broncho Team

Lion Burton introduced the following members of the high school football team: Snooks Andis, Lloyd Benson, Fred Reid, Dick Nichols, and Tony Watson. He also introduced the coaches of the Clarendon football squad, Frank Stocking and John G. Hutton. Each of the players expressed themselves as being confident that they would come out victorious in the game with Dalhart on November 26th. Coach Stocking said that he felt that Clarendon had a fighting chance that was all that the boys expected and wanted. He also stated that if the boys had an easy victory they would not feel that they had accomplished anything but if they went into the game with only a fighting chance and won they would feel that they had accomplished something really worth while. Coach Hutton expressed himself as being confident the Clarendon boys would be able to take care of themselves and win the battle.

Lion Fred Rathjen introduced his guest, Mr. R. A. Hearne of Fort Worth, Texas. Mr. Hearne told the club that he felt he would have to say something about the depression as it was about the only subject being discussed at this time. He remarked that the depression could stop the manufacturers from operating and close shops but it could not stop the wear of merchandise on the shelves. This merchandise would be exhausted from the merchant's stocks some day and when this day comes there would be one of the greatest shortages of merchandise ever known.

Lion Ira Merchant brought up the matter of running a special train to Dalhart for the Thanksgiving game. The members in charge of the sale of tickets for this trip stated that there had been something like 125 tickets sold.

Lion Sam Braswell Sr. asked if it would be possible for the Athletic Council to bear the expense of the band to the Dalhart game, as the band had furnished music at each game of any importance this year. Coach Stocking stated that the Athletic Council was a little short on funds and that their guarantee for the Dalhart game was only \$200.00, they did not feel that the Athletic Council could pay the entire expense of the band, but would buy tickets to Dalhart for something like six of the members.

CITY EXPLAINS—

(continued from front page)

In looking over the tax records it was noted that delinquents ran as far back as 1921. Thousands of dollars will be lost in assessments against firms and individuals who have either left or who have no property against which an enforced payment can be had.

"I can readily understand why taxes are slow for the past two years, but when people own property and ride in fine cars and failed to pay taxes due from 1922 to 1929, I can't understand how they expected the City to pay its bills," was the statement of the Mayor in discussing back tax problems.

"During the years referred to above, many were unable to pay any tax because of personal misfortune, but a number were able to pay and simply did not" is the way one small tax-paying property owner expressed himself after looking over the books.

Quite a number of citizens have gone to the City Hall to take a look at the tax situation the past week. Just why some of the wealthiest taxpayers failed to pay during the years 1922 and up to 1929 appears to be the biggest puzzle, according to Mrs. Shaver who is kept busy explaining the records to the uninitiated.

Rev. L. L. Swan was called Friday to his former parish at Gainesville to conduct the burial services for Mrs. D. L. Painter, an old-time friend and one of the pioneer citizens of Gainesville.

Broken Neck

This is a picture of a neck that was broken for five months without its owner knowing what was the matter. G. W. Garner of Snyder, Texas, was in a car accident five months ago. He had burning sensations in his neck often after that, and finally had it examined at Lubbock. Doctors discovered a broken vertebra.

BRONCHOS WALLOP—

(continued from front page)

was blocked and E. Watson recovered for Clarendon. Clarendon's prospects looked brighter as the ball was advanced to the four yard line, but here they received a 15 yard penalty. Andis flipped a neat pass to Reid who took it 19 yards to score the first touchdown. Captain Nichols' mighty dive was good for the extra point making the score 7 to 0.

Reid drew a mighty cheer from the fans with a sweet 40 yard run that ended with the score 13 to 0. Nichols' pass to Martin was no good for the extra point. On the kick-off Miami fumbled on their 33 yard line and Nichols recovered. The Bronchos advanced the ball to the one yard line where a stubborn Warrior line held them, but on the punt Clarendon gained possession of the ball on Miami's 25 yard line. They advanced the ball to the three yard line for a first and goal. Reid took the ball over, but both teams were off-side. Nichols put his famous swan dive into effect to go over the goal line for the third and last touchdown. Reid failed to kick from placement for the extra point.

The time has passed when one or two players on the Broncho squad have been singled out for honors. The stars and the most valuable players in Saturday's game were Captain Nichols, Behrens, E. Watson, Benson, Greene, Morris, Martin, McMahan, Andis, Reid, T. Watson. Miami was a gracious host with signs to the effect that everything was the visitors' except the ball game.

The Band was transported to the scene of action through the courtesy of Chas. G. Speed who furnished a truck for the purpose. The Band is said to have played an important part in spurring the boys to action enabling them to bring home the bacon.

Escaped Lunatic is Returned To Wichita Asylum

Menaced by a man brandishing a stick which he termed his "sword", some parties near Hedley called constable J. B. Reed who took the man in custody and brought him to Clarendon where he was held in jail until Tuesday.

An investigation disclosed that his name was James P. Shaw, formerly a resident of Iowa Park, and who had been an inmate of the State Hospital for the insane at Wichita and had escaped a few days previously. He was returned to the asylum by guards of the institution who came for him Tuesday.

Noel Harvey of the Martin community has traded his farm for wheat harvesting machinery.

Ten Children Help Parents Celebrate Anniversary

Fifty-five relatives and friends gathered at the Cannon home in the northeast part of town Saturday to observe the 50th wedding anniversary of Mr. and Mrs. J. F. Cannon, he being 77 and she 68 years of age.

Ten living children were present. Mr. and Mrs. Melton Cannon and three daughters of Ralls; Mrs. Linnie Cauthen and four daughters of Clarendon; Sam Cannon of Vernon, Mrs. W. Wilson of Memphis; Mrs. Geo. Bullman and four children of Clarendon; Mr. and Mrs. Richard Cannon of Clarendon; Jim Cannon and six children and Mr. and Mrs. Loyd Moreland and three children and Mrs. Carl Peabody of Clarendon; Mr. and Mrs. Joe Cannon and babe of Vernon.

Brothers and sisters attending were John C. Cannon and daughter of Lubbock; Mrs. Hulda Crone of Smith county; Mrs. Liza Lechnor and Mr. and Mrs. Walter Buttrell of Ashtola; Mr. and Mrs. C. A. Stevens and Mrs. Ed Popejoy and two children of Rotan, N. M.; Gaston Crone of Silver Lake.

Friends attending were Mrs. Geo. Beavers and son of Vernon; Mr. and Mrs. J. A. Pool of Martin; Mr. and Mrs. R. E. Harold and daughter.

Former Hedley Man Married In Los Angeles

Murray Wolfe, formerly an employee of the bank at Hedley and a nephew of F. A. White of this city, was recently married to Miss Isabella Brown at Los Angeles, Calif.

Mr. Wolfe has been in the employ of the Citizen's National Trust & Savings Bank as teller since 1923. They are making their home in Los Angeles.

Careful Buyers Read Leader Ads to Find Bargains

More and more as time goes on, those who try to make their dollars go farthest have found the Donley County Leader a safe buyer's guide. No questionable advertising is accepted.

Again in this issue our readers will find some real bargains offered. Necessities that you can afford to buy. Prices are lower than they will likely be again for years. There is a general tendency for wholesalers and manufacturers to raise prices as financial conditions improve. This is being done now. Merchants who care to invite customers from all over the trade territory find the Leader a medium to carry that message.

The constant increase in the number of subscribers, and more especially over the past three months, has made it possible for merchants to reach all the trade territory without a "special" edition being gotten out.

Rural School Teachers Are Requested to Report

The Donley County Leader will print items from any school in the county without favors being shown any special school.

If you want to see items from your school in our columns, send them in on Monday. Saturday would be better when you have rounded up the week's work.

If you are a pupil and want to see your school represented, speak to your teacher about the matter.

School news should be a matter of pride on the part of both teachers and pupils. It will please the patrons and encourage your community to make greater effort to have the best school in the county of its size. Come in and let's talk

George Bugbee returned to California Tuesday after spending the fall in this section looking after his extensive landed interests.

Miss Elsie Terry of Quanah, who has been a house guest of Mr. and Mrs. Robert G. Dillard, returned home Monday.
