AMERICAN ARMOR AND AN ABANDONED CAR IN CAMBODIA — A U.S. Army tank drives across car found earlier during search of Mimot plantation area in Cambodia. The abandoned auto had a Cambodian license plate and may have belonged to a plantation employee or an arrested traveler.

American Fighters Map New Offensive

Commie Attacks Increase In Viet

SAIGON (AP) — American and South Vietnamese troops will soon launch new offensives into Cambodia to smash more North Vietnamese and Viet Cong base camps, high officials said today.

The disclosure followed Secretary of Defense Melvin R. Laird's statement Saturday that all North Vietnamese and Viet Cong sanctuaries along the South Vietnamese-Cambodian border will be attacked.

'BLOWN AWAY'

Despite two massive allied thrusts now under way inside Cambodia, there are still at least half a dozen untouched enemy base camp areas along a 350-mile stretch of the border, from the western Mekong Delta to the region north of Saigon.

Scores of American tanks and armored personnel carriers continued the first U.S. drive into Cambodia today, uprooting trees on the biggest rubber plantation in Indochina and destroying villages to deny them to the Viet Cong and North Vietnamese.

U.S. planes bombed the town of Mimot Sunday after an American helicopter was fired on. An officer who flew over after the raid said the town was "pretty well blown away."

NO WAY TO TELL

There was no way to tell how many civilian casualties there have been, but nearly 1,000

Cambodian refugees have fled into South Vietnam.

Associated Press photographer Charles Ryan reported that the area through which the U.S. 11th Armored Cavalry Regiment is driving apparently was bombed months ago despite previous insistence by the U.S. Command in Saigon that American bombers had never made offensive attacks in Cambodia until last week.

Spokesmen for the U.S. 1st Air Cavalry Division said today that 109 North Vietnamese troops were killed in Operation Fishhook during the past 24 hours, 104 of them by bombers and rocket-firing helicopter gunships.

BODY COUNTS

A spokesman said this raised the toll of enemy dead since last Friday to 675, although this appeared inflated. Most of the enemy dead have been credited to air strikes, and most of the body counts are estimates by aerial observers. There has been no major ground action.

Ten Americans were reported killed and 38 wounded. The American troops continued to uncover large caches. Spokesmen said air cavalrymen on Sunday found 5,000 new SKS and AK47 rifles, 750 gallons of gasoline in drums, 121,000 pounds of rice, 23 supply trucks, 200 bicycle tires, 150 truck tires and 450 gallons of oil.

A GI FIND IN CAMBODIA — American soldiers hold a large portrait on cloth of the late President Ho Chi Minh of North Vietnam found during search of a rubber plantation at Mimot, about eight miles inside Cambodia.

Bentsen Retires Ralph, Looks For Fresh Issues

Lloyd Bentsen Jr. looked for new issues today after a march nearer the Potomac with his upset victory over Sen. Ralph Yarborough in Saturday's Democratic primary.

All that remained for Bentsen's return to Washington was a victory over Rep. George Bush, R-Tex., in the November general election. It could be the hardest part of the return trip.

'SILENT MAJORITY'

During the campaign, however, Bentsen borrowed the phrase "silent majority" from Nixon and used it effectively in

saying it was the base of his support.

Bentsen retired from the House of Representatives in 1955 after three terms as a congressman from the Lower Rio Grande Valley where he was born. Never poor, he reputedly made another million or so in insurance in Houston, then turned again to politics.

Bush, who won easily over Robert Morris, president of the Plano University near Dallas, is a fellow townsman, mixes in the same social circles and even plays tennis at the same plush River Oaks Country Club.

Both are a far cry from Yarborough, who grew up in rural East Texas, strove for the image of the "people's senator" and took his vote largely from the Negro, the Mexican-American organized labor and the social security recipients he championed.

Yarborough's "people" did not show up in large enough numbers Saturday. Throughout the campaign, and even before, the senator said he feared an apathetic electorate. He was right as little more than 1.5 million of Texas 4.1 million voter potential turned out.

The biggest vote in the primary went to Railroad Commissioner Ben Ramsey who raked in more than a million ballots. Ramsey is a solid conservative and most of his supporters voted for Bentsen.

In the primary campaign, both Bentsen and Bush proclaimed Yarborough the "big spender" who knew nothing but "spend, spend, spend" to cure any problem.

Yarborough was pictured by Bentsen as supporting the war moratorium and student riots and being against prayer in public schools. Yarborough denied it all, but found himself on the defensive.

Bentsen and the conservative surge also swept veteran Land Commissioner Jerry Sadler, another East Texas farm boy, from office as newcomer to politics Bob Armstrong won easily over Sadler and third man Fred Williams.

Attorney General Crawford Martin won an easy victory over District Judge David Brown of Gainesville, and Truman Roberts decided Earl Smith for the court of criminal appeals.

Democratic: U.S. Senator: Lloyd Bentsen 803,441, Ralph Yarborough 714,692.

Attorney General: David Brown 322,869, Crawford Martin 961,061.

Land Commissioner: Bob Armstrong 689,675, Jerry Sadler 428,368, Fred Williams 194,224.

Railroad Commissioner: Connie Lawson 244,803, Ben Ramsey, 1,000,066.

Supreme Court Place 3: Matt Davis 284,393, James Denton 569,525, Hawthorne Phillips 288,487.

Criminal Appeals: Truman Roberts 571,179, Earl Smith 538,306.

Republican: U.S. Senator: George Bush 84,162, Robert Morris 12,100.

Governor: Paul Eggers 85,281, Roger Martin 6,266.

Yarborough Concedes Defeat, Hits 'Big Lie'

AUSTIN (AP) — Sen. Ralph Yarborough, D-Tex., sad and fatigued by his unsuccessful re-election campaign, finally admitted defeat today.

"I send my best wishes to you as the nominee of the Democratic party," Yarborough said, reading from a telegram he sent the winner, Lloyd Bentsen of Houston, this morning.

Yarborough, 66, spokesman for Texas liberal Democrats and a Texas senator since 1957, added that "As always I will support the straight Democratic ticket in November."

Yarborough appeared almost haggard as he sat in the bright photographer's lights to read the brief message of concession.

For about 15 minutes he postponed reading the handwritten message of defeat as he went over his record in Congress and thanked his supporters for their volunteer help in the campaign. At times his voice sank to a hoarse whisper, several times trembling as if about to break.

Mrs. Yarborough sat at his side, her reddened eyes hidden behind dark glasses.

A large number of Yarborough supporters, many of them of college age, crowded the state Capitol committee room where he had called the news conference. They applauded him when he arrived and there was applause any time he criticized Bentsen's campaign.

In answering questions, Yarborough credited his defeat to —What he called the "big lie technique" that accused him of voting against prayer in public schools, of spawning violence in the streets by support of the anti-war moratorium and of

ducking out on a school busing vote. "A check Sunday showed these were widely believed," he said.

—Voter apathy that sent less than 1.6 million to the polls instead of the 2 million Yarborough said was necessary for him to win. "We thought at first we could win with a turnout of 1.8 million but I think now it might have taken at least 2 million," he said.

—Widespread "crossovers" of Republicans to vote against him in the Democratic primaries in hopes of helping the Republican nominee, Rep. George Bush, R-Tex. "This had a very strong effect," he said, "plus the dropoff in expected votes from precincts that we had counted on in other elections."

—And my own campaign was not up to par of the last ones. . . As chairman of the Senate Public Welfare and Labor Committee and a member of the Appropriations Committee, I was not able to devote as much time as I wanted to my campaign which really started when I came 18 days ago. . . I have been told it would have taken at least 60 days to ward off the blitz. . . This was very bad judgment as far as my own campaign was concerned."

Yarborough thanked the counties of Henderson (Austin), El Paso and Travis (Austin), where he has lived at various times, for supporting him. "And it is some satisfaction, although not much at this time, that the counties of Hidalgo (Edinburg) and Harris (Houston) where my opponent has lived gave me majorities," he said.

Nixon's Order Triggers Warning From Kosygin

MOSCOW (AP) — Premier Alexei N. Kosygin today condemned the U.S. military operations in Cambodia and warned that the Soviet Union "will draw the appropriate conclusions from such a line of action."

The Soviet leader, in an unusual conference to present the Soviet Union's reaction to events in Indochina.

"To the heavy responsibility borne by the United States for the war against the Vietnamese people is added a responsibility for the aggression it committed against the people of Cambodia," Kosygin's formal statement said.

"It goes without saying that the Soviet government will draw appropriate conclusions for its policy from such a line of action by the United States in Southeast Asia."

Kosygin appeared to attempt to rally the Communist world against the American campaign in Southeast Asia when he said that "all states which hold dear the interests of peace and freedom . . . must display a high sense of responsibility for the further course of events and a determination to contribute to

ward repelling the aggressor."

The Soviet government chief indicated that it would be impossible to have a Geneva conference on the Indochina situation in circumstances such as now exist. The Soviet Union and Britain are cochairmen of the Geneva conferences of 1954 and 1962 and would have to agree if a new one were to be called.

"Is it possible to talk seriously of the desire of the U.S. President to have fruitful negotiations to solve ripe international problems at a time when the United States is grossly trampling underfoot the Geneva agreements of 1954 and 1962, to which it is a party, and takes ever new actions undermining the mainstays of international security?"

"What is the worth of international agreements in which the United States is taking part or is going to take part, if it violates so unceremoniously the commitments it has assumed?"

Kosygin's statement contained a suggestion that the Cambodian events and the new bombing of North Vietnam by U.S. planes might have a serious effect on the Vietnam peace talks in Paris.

Terry Henderson Killed Saturday In Auto Mishap

Terry Henderson, 25, was killed early Saturday in an automobile accident near Tucson, Ariz., where he was stationed in the U.S. Army.

A native of Big Spring, he had spent all his life here and was a product of the local school system. He entered the Army in September, 1969, and he and his wife were married at Stanton, Nov. 12, 1968.

Young Henderson was born April 25, 1945, in Big Spring. He was a member of the Church of Christ.

Funeral is pending at the River-Welch Funeral Home.

Survivors include his wife, Ann, of Hickory, N.C.; one daughter, Amanda, of the home; his mother, Mrs. Orena Henderson, Big Spring; one brother, Jack Henderson, Big Spring; four sisters, all of Big Spring, Mrs. James J. Smith, Mrs. Robert L. Gilbert, Mrs. C. A. McClrath, and Miss Delores Jo Henderson.

Marine Died After Exercises

LAKE WORTH, Fla. (AP) — For four years George Girot was 4-F in the draft with a rheumatic heart and a crippled hand. Twelve days after he received a 1-A rating in a new physical examination he dropped dead of a heart attack at a Marine Corps boot camp.

Girot, a Marine for six days, was to be buried today.

The handsome 22-year-old youth joined the Marines after he voluntarily took the new physical, passed it and became eligible for the draft.

He Wanted To Learn A Trade

His mother, Elizabeth Girot, said he took the examination after four years of being unfit for military service. He wanted to learn a trade and figured the Marines would give him the best chance.

He did not detail his medical history on Marine forms at the Parris Island, S.C., training camp, authorities said.

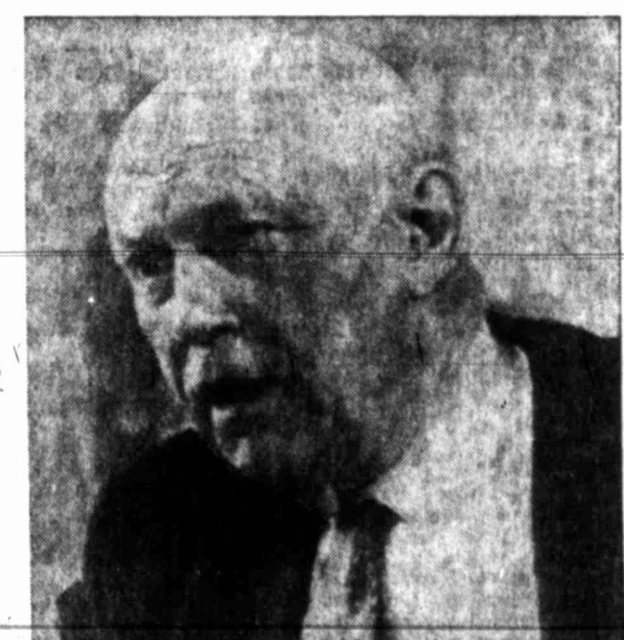

His death has sparked an investigation by Rep. Paul G. Rogers, D-Fla.

"Something like this should not happen again," Rogers said.

Girot became 1-A April 17. He then enlisted, and shipped out for boot camp April 24.

"He told me he wanted to go into the Marine Corps rather than be drafted," his widowed mother said. "He couldn't do many push-ups, he couldn't even jog around the block without getting out of breath."

The young soldier spent his first three days at Parris Island in routine processing. Last Wednesday was his first day of basic training, and he did pushups and sit-ups with the rest of his training company.

Three Killed At Kent State

KENT, Ohio (AP) — Three persons were killed and at least 12 others wounded by gunfire as Ohio National Guardsmen broke up an unauthorized rally on the Kent State University campus Monday.

The wounded were taken to Robinson Memorial Hospital in Ravenna. The hospital reported it had three persons confirmed dead.

Doug Moore, a student photographer, said he saw guardsmen shooting into the air.

It will take two more elections to decide the ideological makeup of the 1971 Texas Senate after Saturday's Democratic Primary left the situation unsettled.

Liberal Sens. Oscar Mauzy, Dallas; Roy Harrington, Port Arthur; and Joe Bernal, San Antonio, won clear-cut primary victories, as did conservative Sens. Tom Creighton of Mineral Wells and Wayne Connally, Floresville.

Harrington, Bernal, Creighton and Connally are unopposed in November.

But Mauzy, leader of the Senate liberals, has a Republican opponent, publisher Ray Zaubner of Dallas, as do the winners of three of the four June 6 Democratic run-offs for state Senate seats.

Sen. Don Kennard, veteran Fort Worth liberal, will be in

the run-off against conservative Rep. Joe Shannon Jr., who outpolled Kennard by nearly 5,000 votes Saturday. There is no Republican candidate for the seat.

In the other three Democratic senatorial run-offs, no incumbent sought re-election. Republican candidates await the winner of each contest.

Liberal Rep. Glenn Kothmann, member of a San Antonio pioneer family, will square off against conservative Rep. Lamorne Holland, also of San Antonio, in a run-off to succeed the late Sen. V. E. "Red" Berry. Don Hand, a former representative, ran third. Rep. James Nowlin of San Antonio, who switched parties this year, is the Republican nominee.

Labor-backed James P. Wallace led a field of three and will meet former Rep. Donald K. Shipley in a run-off for the seat

vacated by the retirement of Sen. Criss Cole of Houston. The winner will meet GOP political unknown Abraham Farrior in November.

In the Panhandle, Jack Hazlewood and Max Sherman, both Amarillo lawyers, will meet in the run-off for the right to challenge GOP Rep. Malouf Abraham of Canadian for the Senate seat vacated by the retirement of Hazlewood's cousin, Sen. Grady Hazlewood of Canyon.

Former U.S. Rep. Lindley Beckworth, Longview, was unopposed in the primary but has a Republican opponent, John F. Warren of Tyler, in November.

Ten Democratic senators and 88 representatives were elected in the primary, since they have no opponents in November. Included was Republican Rep. Tom Christian of Claude, in the Panhandle.

MAY SWEEP IN ON KILLER WHEELS

Shootings Kill Unlucky Seven

By The Associated Press

The first weekend in May swept in on killer wheels with auto accidents running as the leader in the state's violent death toll.

The Associated Press began counting at 6 p.m. Friday until midnight Sunday. By late Sunday, the violent death number had reached 21 with 12 of the victims killed in motor vehicle accidents, and seven dying in shooting incidents.

Theodore Price, 29, of Houston was shot late Saturday night in an argument at a cafe on Houston's east side. Police held a 22-year-old woman for questioning.

Angel Molina Santoya, 27, of Corpus Christi was killed Sunday in a hit-and-run accident near downtown Corpus Christi. The driver of the pickup truck fled the scene but police arrested a suspect.

CAR HITS BRIDGE

Mrs. Joyce Deets, 42, of Crawford died Saturday night as a car hit a bridge on U.S. 175 in Seagoville, southeast of Dallas. A companion was injured.

Rhonda R. Ford, 14, of Sanger was shot to death Saturday when a shotgun accidentally discharged as she and a group of young people prepared to go on a camping trip. She was struck in the head by a charge from a 410 shotgun.

Jim Mikulik, 22, of Taylor was killed and three other persons injured in a two-car crash 13 miles northwest of Georgetown Saturday night. The mishap occurred on Farm Road 2338.

Allos Spacek, 37, of Jourdan and his 7-year-old son, Vernon, were killed Sunday in a collision at the intersection of Farm Roads 494 and 676. His wife, Ann, 33, and their daughter, Joan, 7, were injured, the mother critically. Four persons in the second car escaped serious injury, police said.

CYCLE CRASH

Billy Joe Prichitt, 26, of Corsicana was killed Sunday when his motorcycle ran off Texas 287 in the Navarro County city. Prichitt was dead on arrival at a Corsicana hospital.

Thomas Crumpler, 13, of Tyler was killed Saturday in a collision of his motorcycle and a car. The accident happened on FM 345 about 14 miles southeast of Tyler.

Ronnie Tucker, 12, drowned Saturday after stepping into an eight-foot deep swimming pool at a Dallas apartment complex. He was the son of Mrs. Eula Tucker.

BODY FOUND

A shotgun blast killed Floyd L. Norris, 50, in a Houston tavern early Saturday. Norris lived in a trailer house next door and his body was found by the tavern's owner. Police said Norris apparently surprised a burglar. Willie Lathan, 54, and his wife Grace, 52, of Deport died Saturday.

day as their pickup truck plunged into Cypress Creek 12 miles south of Mount Pleasant. Officers said the vehicle apparently hit a bridge abutment before landing upside down in four feet of water.

A security guard watching

through a oneway mirror shot and killed a suspected robber during a holdup at a Houston food store Saturday. Officers identified the dead man as John Edward Johnson, 21. They reported a second man escaped with \$168.

Aubrey D. Faries Jr., 61, was killed in a three-car collision Saturday in Dallas. Four other persons suffered injuries.

A car struck and killed Merritt Wilkinson, 1, on a farm road outside her farm home near Vernon Saturday. She was the

daughter of Mr. and Mrs. Jerry B. Wilkinson.

FATAL FUSS

An argument in a Dallas lounge ended in the death early Saturday of Oscar Dyne, 63. Witnesses told police a man broke a pool cue and used it to stab Dyne in the chest.

Rufus Edwards, 45, was killed by gunfire Saturday while he sat in a car with a woman before a Dallas residence. Officers said the fatal shot was fired from a passing car.

A car struck and killed Bobby Gene White, 33, at a Houston intersection late Friday night. Authorities were told the driver alighted, took a quick look at the body and drove away at a high speed.

Charles LaRoche, 19, died in a shooting early Saturday at a Dallas lounge. Police arrested the lounge owner.

Police said a cafe manager shot and killed Walter Bennett, 33, outside a Houston cafe Friday night. Bennett was thrown out of the place and came back brandishing a gun, officers were told.

Teddy Sticking To His Statement

WASHINGTON (AP) — Sen. Edward M. Kennedy is sticking to his statement that he will not seek the Democratic nomination for president in 1972. And, the senator says, the vice presidency is out, too.

But Kennedy left the door open to a possible national political campaign after 1972.

Pressed as to why he would not seek an office higher than senator Sunday, Kennedy replied, "There are a variety of different reasons which would certainly cause me a hesitancy. Many of them are personal and don't need, I feel, further explanation." He said he would not accept a draft.

Beyond 1972, he said, "I have thought very little about any future political activity."

Pack Has 50 Cars In Derby

Nearly 50 cars competed in the annual Cub Scout Pack 179's Pinewood Derby Thursday, with the first place winner's trophy going to Brian Rosson. Second place trophy for the fastest racer was won by Rusty Touchstone, and third place trophy was awarded to Greg Sinder.

A trophy for the prettiest car (cars are constructed as a father-son project) was won by Jody Jones.

Preliminary winners who received ribbons were Jody Jones, Mark Eastland, Alan Nunnally, Rusty Braun, Keith McGuire, Barry Rosson, Craig Harwood, Kelly Overton, and Ricky Touchstone.

The race and pack meeting were held at Kentwood United Methodist Church. Cubmaster Leon Miller presented Wolf badges to Mark Eastland and Scott Calhoun, and Bear badges to Jack Odom and Bobby Knight.

Arrow points were awarded to Scott Calhoun, 3; Mark Knight, 2; and Bobby Knight, 2. A one-year service star was given to Mark Gomez.

Webelos awards were Keith McGuire, athlete, aquanaut; Jay Freeze, artist, athlete; Bob Goodwin, naturalist; Lee Alexander, naturalist, citizen-ship; Bill Downing, artist, outdoorsman; Rusty Braun, athlete, outdoorsman; Chris Shortes, Kyle Choate, and Tim Miller, each receiving outdoorsman; and Benny Black, athlete.

Denner bars went to Jim Wilmes, Kelly Overton, Lester Pruitt, and Gary Shanks. Assistant denner bars were given to Jesse Curry, Mike Evans, Mark Hunsucker, and Barry Rosson.

Next meeting will be a picnic program May 21 at Comanche Trail Park.

Hope Says Stand Behind President

NEW YORK (AP) — Comedian Bob Hope says the American people should give President Nixon their backing on his Vietnam policies.

Speaking to 3,500 police officers at a communion breakfast of the Police Department's St. George Association Sunday, Hope declared:

"We are winning in Vietnam." "If we don't stand behind the President," he asked, "who are we going to stand behind?"

What Do Many Doctors Use When They, Themselves, Suffer From Hemorrhoids?

A survey among doctors showed 58% of the doctors reporting either use Preparation H® themselves or recommend it for their families.

Preparation H gives prompt, temporary relief in many cases from pain, itching of tissues and actually helps shrink swollen

tissues of hemorrhoids caused by inflammation and infection. It also lubricates to help protect the inflamed, irritated surface area and helps make bowel movements less painful. There's no other formula for hemorrhoids like Preparation H. Ointment or suppositories.

Campus Papers Calling For Nationwide Strike

By The Associated Press

Campus newspapers across the country planned to call today for a nationwide student strike to protest American military actions in Cambodia and the recent bombing of North Vietnam.

Strikes already have been declared at Princeton, the University of Pennsylvania, Sarah Lawrence and Bryn Mawr, and strike plans were reported under way at Notre Dame, Brandeis University and Stanford.

A national strike committee of delegates from the campuses was being convened for a meeting at George Washington University tonight to coordinate policy.

The New Mobilization Committee to End the War in Vietnam, also working toward a national student strike, called for a massive rally in Washington Saturday to demand immediate withdrawal of U.S. troops from Southeast Asia.

The common strike editorial scheduled for publication today in student newspapers was drawn up Sunday at Columbia University by editors of 11 major Eastern colleges. Six were present and others participated by telephone.

The editorial accuses President Nixon of ignoring "the constitutional prerogatives of Congress" by sending troops into Cambodia. Nixon, the editors wrote, "has revealed the sham of his policy of Vietnamization."

The editorial says "a massive, unprecedented display of dissent is required."

Drafting the editorial were editors from Columbia, Cornell, Rutgers, Bryn Mawr, Sarah Lawrence and the University of Pennsylvania. Endorsements quickly came from Harvard, Princeton, Dartmouth, Brown and Haverford.

Editors at Stanford and the University of California at Berkeley said they planned to print it as well.

Students from the Atlanta area, meeting at Emory University Sunday night, decided to march in Atlanta next Saturday while Nixon is in Georgia for the dedication of the Stone Mountain Confederate Memorial.

At Kent State University, National Guardsmen with bayonets on their rifles herded 1,200 students back to the campus Sunday night after they staged a sit-in at a downtown Kent, Ohio, intersection.

It was the third straight night of antiwar protests at Kent. A student was injured in the back by a bayonet and at least one Guardsman was hurt by a thrown rock.

Guardsmen were ordered into the city Saturday night after a demonstration by 1,000 students during which the Army ROTC building was burned and demonstrators took away firemen's hoses. About 50 persons were arrested Sunday night, raising the approximate total of arrested persons to 100.

Meanwhile, federal troops were being withdrawn from New England where they had been standing by in case of violence at a New Haven rally in support of Black Panthers on trial there.

Yale University President Kingman Brewster Jr., called for a resumption of classes on Tuesday. Yale has been shut down for 2½ weeks and has just completed a weekend of rallies in support of the Panthers. A continued strike appeared likely as the student objections widened to include the move into Cambodia.

ANSWERS TO BRIDGE QUIZ

Q. 1—As South, vulnerable,

you hold:

♠J1043 ♥K98 ♠A97 ♣Q76

Your partner opens with one spade. What is your response?

A.—Two spades. This hand is worth 10 points in support of partner's suit, which brings it barely within the limits of a single raise.

Q. 2—Neither vulnerable, as South you hold:

♠A3 ♥K104 ♦K32 ♣Q10964

The bidding has proceeded:

West North East South

Pass Pass Pass 1♣

Pass 1♥ Pass ?

What do you bid now?

A.—You made a slightly shaded opening bid in the fourth seat and, having adequate heart support, should pass at this point. Since partner failed to jump, it seems safe to assume that game is out of the question.

Q. 3—Neither vulnerable, as South you hold:

♠A9 ♥A63 ♦Q432 ♠1085

The bidding has proceeded:

North East South West

1♣ Pass 1♦ Pass

2NT Pass ?

What do you bid now?

A.—Three no trump. The points just don't add up to a slam. Partner has at most 20 points which with your 11 total just 31.

Q. 4—Neither vulnerable, as South you hold:

♠Q4 ♥A5 ♦Q1063 ♠1096

The bidding has proceeded:

West North East South

Pass Pass Pass 1♥

1♥ Pass Dbie. 1♥

Pass ?

What do you bid now?

A.—One no trump. While you have a satisfactory holding with which to offer partner a raise, there will be opportunity for that action later on should the auction become competitive. But since there is no trump appears your best for a game contract is an immediate effort should be made to tell partner that your hand is primarily a balanced one with fairly scattered values.

Q. 5—Both vulnerable, as South you hold:

♠K98653 ♥5 ♦K4 ♠K102

The bidding has proceeded:

West North East South

Pass 1♦ 1♥ 1♠

2♥ 3♦ 3♥ ?

What do you bid now?

A.—Four spades. If you bid just three, partner with some weak spade holding may be forced to pass. His ability to bid freely guarantees enough over-all strength to make game a reasonable undertaking and your spade suit is practically self-sufficient.

Q. 6—East-West vulnerable, as South you hold:

♠AQ4 ♥AQ3 ♦J862 ♠A73

Your right hand opponent opens with one diamond.

What do you bid?

A.—Double. The decision is close between the take-out double and an overall of one no trump. The we intend to choose the latter for a rebid on the next round, we wish to double first to offer partner an inducement to bid in the majors if he has sufficient length.

Q. 7—Neither vulnerable, as South you hold:

♠432 ♥A ♦AKQ87 ♠AQ107

The bidding has proceeded:

West North East South

Pass Pass 1♥ Dbie.

Pass 1♠ Pass ?

What do you bid now?

A.—Two hearts. This hand very nearly measures up to the requirements for an immediate cue bid. Strong action is therefore recommended. If partner rebids spades, you may raise him. If he has a secondary minor suit he will be induced to show it and, if he bids no trump, you are prepared to support that contract.

Q. 8—As South, vulnerable, you hold:

♠J109864 ♥98 ♦Q108 ♠K6

The bidding has proceeded:

North East South West

2♣ Pass 2NT Pass

3♦ Pass ?

What do you bid now?

A.—Three spades. This hand was close to being a positive response initially and something must be done now to correct the negative impression that has been created. Showing the spade suit is just the first step. If partner raises spades you can next show the king of clubs. If his rebid is four clubs your fitting cards in his suits are enough to make a club slam a reasonable undertaking.

MRS. RANDY WHITE HAMBRICK

Couple United In Marriage

Miss Brenda Gale Ingram, daughter of Mr. and Mrs. J. C. Ingram, Ackerly, and Randy White Hambrick, Lubbock, were married at 8 p.m. Sunday in Ackerly Baptist Church. Hambrick is the son of Mr. and Mrs. Billy R. Hambrick, Ackerly.

The ceremony was performed by the Rev. Bob Cheek, Centre Avenue Baptist Church, Artesia, N.M. Vows were exchanged before an altar decorated with a sunburst of white gladioli flanked by candelabra holding cathedral tapers interspersed with palms and emerald ferns.

Mrs. Donald Richardson, Big Spring, played the organ. Mrs. Jerry Hall, Ackerly, sang "The Twelfth of Never" and "Whither Thou Goest" accompanied by Chris Boyd, Waco, on the piano.

The bride wore a peau-de-soie A-line gown with Empire waistline. The wedding ring necklace extended in the back to a "Y" where a Watteau train was attached with a bow and streamers. The bodice and elbow-length sleeves were of peau-d'ange lace. Seed pearls accented the bodice and lace appliques accented the skirt and train. The bride's veil of illusion was held by a profile headpiece of organza and lace petals edged in pearl and crystal sprays. She carried a cascade of white feathered carnations centered with a white orchid.

Miss Lanelle Etchison, Waco, was the maid of honor. Bridesmaids were Miss Shara Dee Hambrick, Ackerly, sister of the bridegroom; Miss Beverly Snell Canyon, and Miss Sheila Manavanti gowns designed with volcano necklines and accented at the waist with triangular insets. They carried nosegays of daisies tied with orange ribbons and wore leis in their hair.

Marion Lea Snell served as best man. Groomsmen were Reggie Hambrick, brother of

the bridegroom; and Royal Anspach, Waco. Ushers were Brad Ingram, brother of the bride; Steve Wilkes, Lamesa; and Larry Newcomer, Stephenville.

The flower girl was D'Ann Hall. Altar taper lighters were Devon Woods and Kelley Clement, both of Lamesa. The girls wore formal gowns of orange avanti similar to the bridesmaids.

The wedding reception followed the ceremony in the church fellowship hall. The refreshment table was covered with a floor-length dotted Swiss cloth and centered with an arrangement of orange and yellow flowers. The three-tiered wedding cake was enhanced with orange roses, wedding bells and topped with a miniature bride and groom.

Miss Terry Hambrick, Brownwood, sister of the bridegroom, was in charge of the guest register. Members of the house party were Mrs. Earl Newcomer, Mrs. Ronnie Gandy, Mrs. James Blake, Mrs. J. R. Clemens, Mrs. A. V. Graham, Mrs. Jerry Hall and Mrs. Hollis Kenner.

The bride and groom will reside in Lubbock until Hambrick enters National Guard training. The bride wore a two-piece traveling outfit of red, white and blue linen fashioned with long sleeves and white, belted jacket. She wore the orchid corsage from her bouquet.

The bride is a 1969 graduate of Sands High School and is attending Howard County Junior College. She is president of Future Secretaries Association and reporter for the Women's Recreation Association.

The bridegroom is a 1967 graduate of Sands High School and attended Baylor University for two years. He is attending Texas Tech where he was named to the dean's list. He is employed by Southwestern Drug Company.

Reservations Due For Hi-Y Banquet

The annual Big Spring Hi-Y Club's annual banquet will be at 7 p.m. May 12 at the Downtown Tea Room. To climax the year's activities, the boy and girl of the year awards will be presented. Also, the Jane Thomas award for the youth selected by counselors as having contributed the greatest in service, will be given.

Sammy Chapell will be the master of ceremonies and the Rev. Leo Gee will be the speaker. Members and parents are invited to attend. Reservations may be made for \$1.25 a person before May 5 at the YMCA.

Eager Beavers Sew On Handwork

Mrs. Denver Yates was hostess for the Eager Beaver Sewing Club meeting Friday. Members worked on hand-sewn items. The next meeting will be Friday in the home of Mrs. W. O. Washington, 2300 Alameda.

Mrs. Glenn Person Named President Of Stokes-Parker

Mrs. Glenn L. Person of Big Spring was named president of the Stokes-Parker District, Texas Association of Women's Clubs during its 20th annual convention Friday through Sunday at the Town House Motor Hotel in San Angelo.

Mrs. Person, who has served as first vice president for the past four years, will be delegate to the state convention at Wichita Falls, July 6-8, and to the national convention at Atlantic City, N.J., July 27-Aug. 2.

At the banquet on Saturday evening in the hotel's Cottillion Room, Mrs. Person received a certificate of award, presented by Mrs. Hertha Glenn, for outstanding club work. Also, the Ever Ready Civic Art Club of Big Spring, which Miss Rosetta Brown serves as president, received an art trophy and second place in the yearbook competition. Two Big Spring girls, Miss Billie Jean Crook and Miss Izell Johnson, represented the Ever Ready Civic Art Club and the Ada Belle Dement clubs as debutantes. The group named Miss Linda Edwards of Midland as "Miss Stokes-Parker." This year the district is giving two scholarships to senior girls, one from Odessa and the other from San Angelo.

The convention events were held at the motor hotel and Mt. Zion Baptist Church with the San Angelo clubs as hosts.

Mrs. A. L. Beverly presided Friday evening and the Rev. M. E. Robinson gave the invocation. Mayor-elect Wylie Webb welcomed the women to San Angelo, and Mrs. Gladys Penny of Big Spring conducted the introductions.

On Saturday, Mrs. Faye Jones was the presiding officer, and Mrs. Vernon Stokes introduced the speaker, Mrs. Glenn.

Past Matrons Hold Spring Breakfast

Mrs. Ernest Garrett, president of Coahoma Past Matrons Club, presided for the last time at the Saturday breakfast at Coker's Restaurant. She is outgoing officer and will be replaced June 6 by the new president, Mrs. D. S. Phillips.

Mrs. John A. Westmoreland and Mrs. Joe Miller were hostesses. The head table was decorated with a colorful maypole and place settings were marked with tiny bows filled with fresh spring flowers. Mrs. Melvin Tindol gave the benediction. The next meeting will be June 6.

Funeral Attended By Hudgins Family

WESTBROOK (SC) — Mrs. Jodelle Hudgins and family, and her parents, the Burt Smiths, Lake Colorado City, attended the funeral of Mrs. D. B. Smith, Mrs. Hudgins' grandmother, in Brownfield. Mrs. Smith died Thursday.

Mrs. Altis Clemmers and Mrs. Curtis Clemmers spent Wednesday and Thursday in Cisco and Putnam.

Pedicure Methods Shown To TOPS

How to give a pedicure was demonstrated by Miss Polly McCracken Friday at the TOPS Plate Pushers meeting in the Salvation Army Activity Room. The bowl of fruit was shared by Mrs. Robert Doe, Mrs. Garland Irons and Miss McCracken. Anyone interested in attending club meetings may call Mrs. K. C. Webb, 3-2570.

Mrs. Glenn centered her address on the convention theme, "Greater Unity and Responsibility in Society," stressing that "we find ourselves faced with fear, doubts, problems and conflicts. We must have faith similar to our forefathers, faith in God and faith in our fellowman and ourselves. In searching our minds and hearts for the answer to

Forsan Families Exchange Visits

FORAN (SC) — Mrs. Al White, Austin, has been visiting her parents, the L. B. McElraths, this week. Her father is a patient in Hall-Bennett Memorial Hospital.

The Danny Washes, Odessa, visited his parents, the C. V. Washes. They also visited the Paul Gordons in Big Spring.

Mrs. L. D. Parker recently visited the Bob Wash family. The J. H. Cardwells were visited by their son-in-law and daughter, Mr. and Mrs. T. D. Breithaupt, Odessa.

Visitors in the A. P. Oglesby home were the Albert Oglesbys, Odessa. Guests of the B. R. Wilsons and A. D. Bartons were the Willford Browns, and Mrs. Ruth Minor, Fort Worth; and the M. R. Wilsons, Alamogordo, N.M.

Mrs. J. F. Poynor is convalescing in her home after minor surgery.

Mrs. H. H. Story accompanied her son-in-law and daughter, Mr. and Mrs. Jeff Barber, Midland, to Dallas.

Guests of the J. P. Kubeckas were Mrs. W. B. Dunn, and Mr. and Mrs. Phil Moore, all of Odessa; and Mr. and Mrs. H. B. Dunn, San Angelo. The Moores also visited with her parents, the Roy C. Klahrs.

Mrs. J. W. Griffith is staying a week with her father, Jeff Frazer, De Leon.

the problems, remember that, through the ages, God has been an all-powerful force."

In conclusion, she said, "We cannot think in terms of weakness and then be strong; we cannot think in terms of failure and then succeed; in terms of fear, and then be courageous; in terms of doubt, and then have faith. We should pledge to each other our lives, our fortunes and our sacred honor."

Mrs. Jones appointed committees.

In the afternoon, the presiding officer was Mrs. Person, and Mrs. Jones reported on the state and national meetings.

Mrs. Penny, district chairman and assistant secretary of the Southwest Region, introduced the speaker, Mrs. Verda Gratts, state president, who spoke on "Lifting As We Climb." Mrs. Gratts said women are no longer expected to devote all their time to home and children. Instead, they are expected to become leaders and builders in their communities and society.

The district workshop chairmen gave brief reports on work accomplished during the past year. They were Mrs. Anna Perry, Big Spring, Health and Hygiene; Mrs. Viola Merritt, Big Spring, Social Service and

Family; Mrs. M. A. Hunter, Odessa, Negro Authors; and Mrs. Beatrice Walker, Abilene, Legislation and Women's Rights.

The awards banquet and presentation of debutantes was held Saturday evening with Mrs. Ruby Morrison as chairman and Mrs. Person as announcer. The Socialite Club of Midland received a trophy for community service, and Mrs. Person was named clubwoman of the year. In the yearbook judging, first place went to the Odessa Social Civic Art Club and second place to Ever Ready Civic Art Club of Big Spring headed by Miss Rosetta Brown. The latter club also won first place in the art contest, with second place going to the Silver Leaf Club of Odessa and third to the Rosary Reading Art Club, San Angelo.

After a farewell address from Mrs. Jones, new officers were installed by Mrs. Vernon Stokes. They are Mrs. Person, president; Mrs. O. L. Benson, first vice president; Mrs. Ruby Morris, second vice president; Mrs. Mary Ivery, Big Spring, corresponding secretary; Mrs. Helen Smith, financial secretary; and Mrs. Jessie K. Johnson, treasurer.

Local Project Endorsed By Legionnaires

The local American Legion Post's "I Am An American" project got an enthusiastic endorsement from the 200 delegates here last weekend for the legion's Division Four Convention.

In a Sunday morning business session at the post headquarters, the delegates voted overwhelmingly to recommend that the state and national legion adopt the patriotic project initiated by Howard County Post 355.

Before adjournment at noon Sunday, the convention also elected William E. Brady Jr., 118th District Commander and a resident of Claude, to the Division Commanders' post and named several delegates to the state convention in Fort Worth and the national meet in Portland, Ore., this summer.

Among the delegates, local Adjutant Larry Phillips was asked to attend both conventions and to present the "I Am An American" project for the support of the state and national legion.

In other business the Legionnaires passed a resolution against the violence in the nation's schools and urged elected officials to take a stronger stand against lawlessness or leave office.

The convention also officially resolved to thank city officials, residents, and the news media for their cooperation in making the meet a success.

Deputy Added To Sheriff's Office

County Commissioners spent \$6,600 not included in the budget this morning when they authorized Sheriff A. N. Standard to add a night deputy to his force.

The additional deputy was at the request of a group of Silver Heels residents who have had a part-time deputy patrolling their section at night after several affrays were reported in the area about two months ago. Since the part-time deputy began work about that time, the residents said, "things have calmed down." However, County Judge Lee Porter said he has received complaints from Jonesboro Road and Sand Springs residents.

"We have about 50 city policemen, not counting reserve officers, driving them out in the country, and only about seven deputies driving them back," M. H. Boatler said, in suggesting the added deputy.

All commissioners agreed the part-time deputy should be extended to full-time status and put on countywide patrol making unscheduled spot checks of areas where trouble has been reported.

"The trouble out there (Silver Heels) has slowed down and now it's shifting to the northeast section of the county," Commissioner Bill Tice said.

"I think we're faced with a problem caused by increasing city forces during the last decade without increasing sheriff's office," Boatler said.

Tune questioned whether a reserve sheriff's organization might be formed and Judge Porter said this is prohibited by state statute.

"An authorized deputy has to be paid a certain amount per month," he said.

"It might help our dope problem if they know we have a deputy out in the county at night and they don't know where he is," one resident said. "If we could secure the cooperation of private property owners, we might slow some of this down with precautions," Commissioner Bill Crocker said, suggesting fences be placed around property.

"Another deputy would help," Sheriff Standard told the court, but reminded the commissioners and residents that the county has 600 to 700 miles of road to patrol. "If a deputy is on patrol in Jonesboro and receives a call in Silver Heels, it could take as long as 10 minutes to get there," he said.

Currently the deputy operates one or two deputies at night in addition to the part-time deputy in Silver Heels. "The suburbs just outside the city limits have grown in the past 10 years, but the sheriff's office has not increased," Standard said. "We've got to pick up prisoners from other counties as well as act as bailiffs when court is in session. Then when you look around for somebody to patrol there's just not anyone left," he said.

Commissioners postponed approval, although they did indicate approval would be up-coming, for a microfilm reader-printer for the Howard County Library.

Mrs. Edna Nichols appeared before commissioners court this morning to request the reader-printer and discuss furniture for the new library.

The reader-printer costs \$1,290 or can be bought under a lease-purchase plan for \$45 per month for three years. Judge Porter indicated he would favor the lease-purchase agreement once the library has been moved into its new quarters.

"But I think we better wait until around Aug. 1 before we make any plans," Judge Porter said.

Mrs. Nichols said she had spoken with one manufacturer concerning new furniture, and the price quoted to her was \$4,500 without the lounge furniture. Commissioners are expected to advertise for bids for the new furniture, although no definite decision had been made shortly before noon.

Also on the agenda, but not discussed shortly before noon, was a recommendation by Lifetime Sprinkler Co. to replace half circle and fourth circle sprinkler heads on the courthouse lawn watering system. Approximately 90 would need to be replaced at \$1.60 each.

Horsemen Win Sunday Event

Ten members of Howard County Youth Horseman Club participated in the District 5 meeting of Sheriff Poses and Riding Clubs of America in San Angelo Sunday. They won three place honors for the club, together with some outstanding individual performances.

First place went to Scott Burt and Kent Shaw in the ribbon race, the second time they won this spot, and they are headed for the finals, which will be held later in the year at Fort Worth. Dawn Burt and Wanda Sandridge turned in a 10:55 second time in the ribbon race, and this was the best time ever made in the San Angelo arena, according to officials. Dawn and Wanda also won a first in this same event at the District Play-day held recently in Big Spring. Wanda Sandridge galloped to a first place in the rings and Scott Burt placed second in the same event.

Mark Sanders picked up a second place ribbon in the potato race and in the flags, and Scott Burt collected a second place in the barrels. Ann Sanders paraded Blue Magic through the key hole event for a number two place, and the potato race for a third place.

Leon Langley picked up a fifth place ribbon for the poles, and Mike Hull picked up two first places; one in barrels, and one in rings. Randy Sanders worked the arena.

Howard County Youth Horseman Club will hold an open playday Saturday in the arena on the Garden City Highway. Registration will begin at noon, and the events will begin at 1 p.m. All horsemen in the area are invited.

Primary Vote Canvass Tuesday

Members of the Howard County Democratic Executive committee will meet at 10 a.m. Tuesday in the county court-room to canvass returns from the first primary last Saturday. Cecil Rioridan, county chairman, announced today.

The canvassing will be done in the presence of county officials, he said. Rioridan invited any interested person to attend the session, and especially candidates involved in the runoff because positions on the June 6 runoff primary ballot will be determined.

Car Damaged

A police patrol car was damaged slightly around 9 p.m. Saturday while parked near Sam's Place, 2605 US 80 West. Officers said officer Roger Hammack had parked the car while on call at that address and that a car driven by Jose Salazar, Lamesa, struck it, causing about \$25 in damage.

Col. Brooks To Speak Friday To Class 70-07

A former member of the Thunderbirds, Lt. Col. Ralph L. Brooks will be class 70-07's dining-in speaker, Friday at 7 p.m. The class, third to graduate in 1970, has 44 Air Force officers, two Marine officers, three Air National Guardsmen and four officers under the Military Assistance Program.

Col. Brooks enlisted in the Air Force in 1951. Following primary and advanced pilot training at Laredo AFB, and Moody AFB, Ga., he was commissioned a second lieutenant and assigned to advanced fighter training school at Tyndall AFB, Fla.

From 1953 to 1956 he was assigned to the 50th Fighter Bomber Wing at Hahn AB, Germany, flying F-86 Sabre Jets. From Germany he was assigned to George AFB, Calif., as a flight commander. Before leaving George, Col. Brooks was appointed to the post of assistant chief of standardization for F-100 Super Sabre aircraft.

From 1960 to 1961 he was supervisor of the academic section of the Air Force Fighter Weapons School, Nellis AFB, Nev., followed by two years as right wing pilot for the 4250th

Aerial Demonstration Squadron (Thunderbirds), also at Nellis. Following three years as a tactical fighter air staff operation officer with United States Air Force in Europe (USAFE), Lindsey AS, Germany, he was assigned as commander of the 16 Tactical Fighter Squadron at Eglin AFB, Fla. His next duty was commander of the 421st Tactical Fighter Squadron, Da Nang AB, Vietnam. While at Da Nang he flew 135 combat missions in the F-4E Phantom. He is now serving as the assistant director of operations for the 15th Tactical Fighter Wing, MacDill AFB, Fla.

Col. Brooks holds a bachelor's degree in general education from the University of Omaha and a master's degree in business administration from George Washington University. Military schools attended by the colonel include the Air Force Fighter Weapons School, Air Command and Staff College, and the Industrial College of the Armed Forces.

His decorations include the Distinguished Flying Cross, the Air Medal with 11 oak leaf clusters, and the Air Force Commendation Medal with one oak leaf cluster.

Jessie McLarry, Sulphur Springs; one brother, Edgar Carpenter, Blue Ridge, Tex.; 25 grandchildren and 25 great-grandchildren.

Michael Akin, Dies Sunday

Michael Lynn Akin, one-month-old son of Mr. and Mrs. Edward Akin, died unexpectedly Sunday morning.

Services were to be held at 2 p.m. Monday at the Nailey-Pickle Rosewood Chapel with the Rev. Caleb Hildebrand, minister of the Wesley United Methodist Church officiating. Burial was to be in Trinity Memorial Park.

Michael was born here March 24, 1970. He leaves his parents; his paternal grandparents, Mr. and Mrs. W. E. Akin, Lamesa, and Mr. and Mrs. T. C. Richardson, 702 Birdwell, Big Spring.

Mrs. H. L. Wren, Dies In Snyder

SNYDER — Mrs. H. L. Wren, 78, a member here of the First Baptist Church since 1915, died at her home Friday, apparently of a heart attack. Funeral was held Sunday at Bolger Funeral Home and burial was in the Snyder Cemetery.

Her husband preceded her in death. Survivors include a daughter, two brothers, two grandchildren, a sister-in-law, Mrs. Bob Wren, Big Spring, and a niece, Mrs. Fred Overton, Big Spring.

Truck Strikes

A truck driven by Doyle Lee Thompson, Midland, knocked concrete loose on the IS 20 West overpass near Stuckey's Sunday afternoon when his load failed to clear the structure.

The tractor had a front and back loader and was carrying a welding truck. According to Texas Highway Patrolman Bill Robinson, the back loader struck the overpass and fell on the welding truck, crushing that truck. The driver was unharmed. Deputy Sheriff Eddie Owen assisted in the investigation.

1,100 Attend Youth Crusade

More than 1,100 people attended the opening services of the "Now, Live Life" Youth Evangelistic Crusade in the Comanche Trail Park Amphitheatre Sunday evening.

The services will continue nightly through Friday, at 7:30 p.m. Beginning tonight, there will be a pre-crucade choral concert under the direction of Crusade Music Director, Jerry Wayne Bernard and featuring local young people each evening at 7:15 p.m.

Evangelist David Bailey's message was given over largely to a recounting of the sacrifices and martyrdom of the members of the underground church behind the Bamboo Curtain and a call for Big Spring Christians to make the same kind of commitment of their lives.

Action Pends

Action is pending on two 16-year-old boys reported to Juvenile Officer Keith Jones over the weekend for disorderly conduct. Jones referred a boy, 16, charged with shoplifting, to out-of-county officials.

Texans Support All U. S. House Vets

Texans have returned to the fold all of those U. S. House members who sought party renomination in Saturday's statewide primaries.

The campaigns rose to a crescendo Saturday but sufficient in some races to grant the winners near runaway victories.

U. S. Rep. Wright Patman of Texas won a substantial victory over Democratic challenger Bill Russell of Pittsburg. Latest figures showed Patman with 44,741 votes to 13,219 for Russell.

Minor Injuries In Car Mishaps

Two men sustained minor injuries in two separate one-vehicle accidents in the city Sunday night.

James Richard Perdue, 24, was treated and released from Cowper Hospital after an accident in which officers said he apparently lost control of his motorcycle and hit a house at the intersection of Seventeenth and Lexington.

Leslie Jay Woods, 18, Route 1, was also treated and released from Cowper Hospital after his car ran into a fence at 1612 Indian Hills. None of the three passengers in the car was injured.

City Given 45 Days To Report On Plant Study

After lengthy and "helpful" discussions with representatives of the State Water Quality Control Board in Austin Friday, local officials were given 45 days to work up a preliminary report on ways to raise the city's sewage effluent to the new standards set by the board last year.

City Manager Larry Crow said this morning, the meeting with the state officials was cordial and that "we discussed the problem on a technical level at great length and the board people were helpful and understanding." Crow was accompanied to Austin by Acting Public Works Director Bo Anderson and Water and Sewerage Treatment Plants Superintendent Bill Brown.

The board set new effluent standards last year and local officials found that the city's sewage treatment plant could not meet at least one of the new requirements.

Crow said the meeting Friday emphasized to the parties concerned that Big Spring is not the only city having sewage treatment problems. "We tend to think it applies only to us," he said, "but the same thing is happening all over the state."

He said the 45-day study period will "give us additional time to work out a program to determine what our problems are. Once we determine where the problem lies, we can set up a system to correct it."

Under the board officials were warning toward the problem, Crow said they gave every indication that they will stand firm on the new requirements.

New Altitude Chamber Arrives For Webb Use

Webb Air Force Base Saturday received the newest high altitude and pressure chamber in production, to be installed in the aviation physiology building and ready for use by June.

The unit, one of five contracted to the General Scientific Corporation of Philadelphia by the Air Force, replaced the old altitude chamber which was dismantled in March and sent to the University of California at Santa Barbara. Like the old one, the new pressure chamber is capable of simulating high altitude and oxygen pressure changes.

The altitude chamber is used by the Air Force to train all flying personnel qualifying for high altitude jet flying.

Prior to the unit's arrival, the crews or flights used the facilities at Reese AFB, at Lubbock.

The new chamber can accommodate 20 "passengers." It is divided into two sections: the main chamber and a smaller lock chamber which simulates rapid decompression. The old chamber had less room.

According to the personnel who run the aviation physiology program, the altitude chamber is both a training and a precautionary step prior to taking an actual jet aircraft flight. It simulates everything the pilot or crewsmen may experience while flying. Also by simulating accidents, the crews learn how to control such occurrences.

SOMETHING NEW — Webb AFB has received a new high altitude and pressure chamber for the aviation physiology laboratory. It is capable of simulating altitudes from zero to 100,000 feet, enabling the pilots and crews to train without leaving the ground.

Response Good To Cleanup

Good response has greeted appeals to owners of property along Third and Fourth Streets and Gregg Street and Lamesa Highway to permit volunteers to tidy up places and clean vacant lots.

Mrs. Anna Boullion, chairman of the Pride People's Task Force, said that several owners had called to give permission for their places to be cleaned. It will be appreciated if others will grant this permission along the two highways which traverse the city.

She also appealed for clubs to volunteer to help in the cleanup operations. The Civitans were to tackle an unsightly spot at Northwest Fourth and North Gregg at 5 p.m. today. Tuesday HCJC students will work in the 1200 block of West Third; Wednesday the Kiwanis in the 600 block of East Third; Thursday the Morning Optimists, the Junior Officers Club, and the Boy Scouts at Lamesa highway and Northwest Eleventh; Friday the NCOA Club and United Youth in the 1300 and the 1900 blocks of East Third.

The Men's Garden Club has volunteered to help, but more organizations will be needed desperately if property owners continue to respond. Mrs. Boullion stressed that this is a cleanup — no property will be altered or physically changed.

Rehab Center To Stage Crippled Children's Clinic

The Dora Roberts Rehabilitation Center, in cooperation with the Howard County Easter Seal Society, will conduct its next crippled children's clinic Saturday beginning at 9 a.m.

Parents of crippled children may pre-register their children by calling the center (phone 267-6387), or register the day of the clinic until noon.

The clinic will be under the supervision of the center's medical advisory committee.

This committee is composed of Dr. B. Broadrick, Dr. M. W. Talbot Jr., Dr. Nell W. Sanders, Dr. Louise Worthy, Lt. Col. Edward C. Parker, Dr. Pete Rhymes and Dr. Jim Roberts. The medical director of the clinic will be Dr. Rhymes and the pediatrician will be Dr. Talbot.

Persons under 21 are eligible to attend the clinic. Children from Lamesa, Colorado City, Snyder, Lorraine, Stanton,

Sterling City, Garden City as well as Big Spring and Howard County are invited. No charge is made for services.

The purpose of the clinic is to offer a diagnostic and evaluation service to crippled children through the team approach. The team will consist of an orthopedic surgeon, pediatrician, physical therapist, public health nurse and brace man.

"We feel the team approach gives a better evaluation of the child's treatment program," Jim Thompson, director of the center, said.

"It is essential that children who are eligible for the state crippled children's program be seen by a physician who is a

member of the board of physicians approved by the state before they can be placed under this program. Attendance at this clinic will qualify children to apply for the state program," Thompson said.

Impeachment Study Starts

LOS ANGELES (AP) — Rep. George Brown, D-Calif., said Sunday he has instructed his staff to examine the legal grounds for possible impeachment proceedings against President Nixon.

'Nature Lover' Judy Carne Weds

NEW YORK (AP) — British-born Judy Carne, former star of television's "Laugh-In," and producer Robert Bergmann chose Central Park as the venue for their wedding.

Miss Carne, 31, now in the musical "The Boy Friend" on Broadway, and Bergmann, 23, took their vows at 5:30 a.m. in a light Sunday fog. About 100 of her fans, many in hippie garb, attended the ceremony. Miss Carne said she chose Central Park because she wanted "to be close to nature" for the occasion.

Near Perfect Day Over Entire Lone Star State

By The Associated Press

Texas was cloudless and cool today following a night of starlight and temperatures which ranged from 45 degrees at Lubbock to 58 at Dallas. The overnight weather picture followed a near perfect day over the entire Lone Star State which had Sunday afternoon highs in the 60s and 70s and mostly clear skies.

Moderate flooding continued Sunday on the upper reaches of the Trinity River, leftover spill from last week's heavy rains, although the stream was falling. At dawn today, every point reported clear skies and the outlook calls for more good weather with light southerly winds and afternoon temperatures in the 70s and 80s across the state.

Horatio Alger Award Winners

NEW YORK (AP) — Ten Americans who achieved outstanding success in their chosen fields will receive Horatio Alger Awards here next Wednesday, it was announced.

One is Sam Wyoy of Dallas, founder, former president and now chairman of University Computing Co.

The name of the 24th annual award stems from the "Rags to Riches" success stories of the fictional Horatio Alger novels.

Big Spring Herald Readers: This INTRODUCTORY OFFER brings you

\$400.00-A-MONTH EXTRA CASH WHENEVER YOU GO TO THE HOSPITAL

Your entire family protected for a full month FREE!

No obligation on your part—continue after first month, only if you wish, at low rates shown below.

- ★ Pays you extra cash at the rate of \$400.00 a month for each hospital stay—even for life, if necessary!
- ★ Pays in addition to any other companies' coverage you have—including Medicare

- ★ Pays all cash direct to you (not to the doctor or hospital)
- ★ Guaranteed Renewable for Life. At last—a hospital plan that guarantees never to cancel your protection no matter how old you get or how many claims you have

No age limit. No medical examination required. No salesman will call.

SEND NO MONEY—BUT MAIL YOUR ENROLLMENT FORM BY MIDNIGHT, THURS., MAY 7, OR IT CANNOT BE ACCEPTED

One out of two families will have someone in the hospital this year! It could be you—or some beloved member of your family—tomorrow...next week...next month. Sad to say, very few families have anywhere near enough coverage to meet today's soaring hospital costs. These costs have doubled in just a few short years. They are expected to double again in the few years ahead.

Stop for a moment. Think how much a long stay in the hospital will cost you or a loved one. How would you ever pay for costly, but necessary, X-rays, doctor bills, drugs and medicines? What would you do if your pay check stopped, but living expenses kept going on the same as ever? The same rent, phone, food, all the day-to-day expenses that never stop.

What is the average breadwinner to do? We believe we have the answer in the famous Extra Cash Plan that...

Pays you \$400.00-a-month tax-free

What a blessing! You receive an extra \$400.00 cash coming in every month—beginning the very first day you enter the hospital.

Now, this low-cost Plan, from National Home, enables you to enjoy this protection at once, FREE. Yes, we will provide the first month's coverage for your entire family without cost...to prove the value of this wonderful extra-cash protection for you and your loved ones. Then, if you wish, you may continue at the low rates shown below.

The added protection you NEED!

All benefits of this \$400.00-a-month National Health Plan are paid directly to you, in tax-free cash, in addition to whatever you may receive from your insurance with any other company! Spend the money as you see fit—for hospital or doctor bills, mortgage payments, to replace savings—or any necessary but costly extras not covered fully by usual hospital policies.

Everything costs more these days (need we tell you?) and hospital care is certainly no exception! While 7 out of 8 Americans have some hospital insurance, most have found it does not cover all bills that pile up when sickness or accident strikes. That's why National Home developed low-cost Extra-Cash Protection that helps you pay hospital costs or other expenses.

You get your \$400.00 per month cash TAX-FREE from your first day in the hospital, and as long as you are confined there, even for life, if necessary. And, when you and your insured spouse are hospitalized at the same time for an accidental injury, this National Health Plan pays you an EXTRAORDINARY DOUBLE-CASH BENEFIT. You receive not \$400.00 but \$800.00 a month. That's \$1,600.00 in all, in cash payments to you (when under age 65) every month starting the day you go to the hospital for as long as you both remain there.

65 OR OVER? YOU COLLECT IN ADDITION TO MEDICARE BENEFITS.

We have designed this Plan as the important addition to whatever is paid by Medicare—or health insurance you may have with any other company. Remember, all checks will be sent directly to you (not to the doctor or hospital) to give you that "extra" help just when you need it most. Use the tax-free cash any way you see fit. In addition to any benefits you may receive from Medicare, this National Health Plan pays you \$200.00 a month for the first 3 months, and a full \$400.00 monthly while hospitalized thereafter...even for life, if necessary!

You can count on never losing your Policy. After how old you get or how many times you collect from us. Your Policy guarantees that we cannot cancel your protection after you've made a lot of claims or become old—or for any other reason whatsoever. It is GUARANTEED RENEWABLE FOR LIFE! And that's not all. Suppose you have a growing family, this Plan (NH-10-669)...

Pays you \$400.00-a-month cash

Ordinary hospital insurance is part of your expenses when you go to the hospital to have a baby. But what policy can you think of that gives you cash to help buy all the things you need for the new baby? When both parents along with their dependent children are covered by this Plan, a Maternity Benefit can be added to your basic Policy. Now, if both husband and wife are insured, you get extra cash to use any way you wish. If a pregnancy, childbirth or even miscarriage puts you in the hospital for one day, five days, 10 days—as long as necessary—you are paid for every day of your confinement at the rate of \$400.00 a month.

Added cash benefit: If you suffer an accidental loss of limbs or eyesight, when the loss occurs any time within 90 days of the accident. The loss of a limb or eyesight is terrible. Nothing can replace the loss, but a \$1,000.00 or \$2,000.00 check helps bring peace of mind during the period of adjustment.

Added cash benefit: Choose Coverage for Children (with or without Maternity Benefits) and all your dependent, unmarried children from age one month through 18 years will be covered, too! This National Health Plan pays at the rate of \$240.00 a month cash, when your youngster is hospitalized...for removal of tonsils, appendix or any other illness or injury. Yes, you will receive \$240.00-a-month cash, month after month, while the child is in the hospital.

Added cash benefit: If your doctor says you need a Registered Nurse full-time within five days after you come home and such a nurse is actually employed, we'll pay you benefits of \$400.00 a month. These extra benefits continue for the same number of days that you were in the hospital—even up to 12 full months and total payments of \$4,800.00!

We pay your premiums when you are not able. Should you—the person to whom the basic Policy is issued—be hospitalized for 8 consecutive weeks or more, this National Health Plan WILL PAY ALL PREMIUMS THAT COME DUE FOR YOU AND ALL COVERED MEMBERS OF YOUR FAMILY WHILE YOU ARE CONFINED TO THE HOSPITAL BEYOND THE INITIAL 8-WEEK PERIOD. Then, if you leave the hospital and must return for the same condition before you have resumed full normal activities for 90 days, we will again PAY ANY PREMIUMS WHILE YOU ARE IN THE HOSPITAL—for the total confinement! This means you pay no premiums, yet your full protection remains in force.

Your National Health Plan is the ONLY kind of sickness or accident except conditions caused by: act of war; any mental disease or disorder; pregnancy, except as provided under the Maternity Benefit provision; and expenses resulting from any sickness or injury you had before the Effective Date of your Policy...during the first 2 years only.

This is the **most famous and respected** read about in *Reader's Digest*, *Parents*, *National Geographic* and other leading publications. The special plans offered by the National Liberty Corporation group of companies are today helping policyowners in all 50 states—and many foreign countries—paying benefits at the rate of more than \$1,000,000.00 a month.

Outstanding Americans like these

JEROME HINES, leading bass with the Metropolitan Opera Company: "It seems to me that the concept of health insurance by mail is a very sensible one. It's quick, easy and economical. Nobody makes surprise visits to your home to ask personal questions. There's no medical examination. And costly processing charges are eliminated. The U.S. mail does the work for you. This means more protection at less cost. I congratulate National Home Life Assurance Company for meeting a real need."

DR. E. STANLEY JONES, internationally known evangelist, author, missionary, statesman: "In offering low-cost health insurance by mail, you are rendering a valuable service to thousands of people who have no other opportunity to avail themselves of such protection. It's reassuring to know that policyowners insured by the National Liberty group are receiving more than one million dollars a month in benefits."

"Received your check for \$555.00. I'm very pleased. It paid real well."

Why you must act before the date shown on your

Enrollment Form. Because this is a limited Enrollment Period—and we must receive your Enrollment Form at the same time as all the others in order to pass on to you the savings that come from processing many policies at one time. This highly efficient "mass enrollment" method enables us to give you the broadest coverage at the lowest cost.

We mail you the Policy as soon as we receive your Enrollment Form. When the Policy arrives, examine it in the privacy of your own home. Take all the time you need. It's a very short document, and you'll be pleasantly surprised to discover there is NO FINE PRINT. Then—show it, if you wish, to someone you trust. Perhaps your lawyer, accountant or doctor. Better still—show it to your own insurance man...even though he may be working for another company! If he is a personal friend, he has your best interests in mind. So you can believe him when he tells you there is no better bargain available anywhere—at any price!

Medical care costs rose in September, 1969, to 157.4% of the 1957-59 average, from 156.8% a month earlier. These costs are components of the Government consumer price index.

Age at Enrollment	Monthly Premium per Adult
16-44	only \$3.45
45-49	only \$3.95
50-54	only \$4.45
55-59	only \$4.95
60-64	only \$5.45
65-69	only \$5.95
70 and over	only \$6.95

Only \$1.90 more per month covers all your dependents from the age of one month through 18 years. And then if you wish, just add 95¢ monthly to that, and you're covered for Maternity Benefits, too! Newborn children are covered automatically at the age of one month—at no additional cost!

NOTE: The regular monthly premium shown here (for age at time of enrollment) is the same low premium you will continue to pay; it will not automatically increase as you pass from one age bracket to the next. Once you have enrolled in this National Health Plan, your rate can never be changed because of how much or how often you collect from us—or because of advanced age—but only if there is a general rate adjustment up or down on all policies of this type in your entire state!

Your family NOW has the **FREE** TIME IS PRECIOUS! Act quickly. (No salesman will call.) Get your Enrollment Form into the mail today—because once you suffer an accident or sickness, it's TOO LATE to buy protection at any cost. That's why we urge you to act today—before anything unexpected happens.

National Liberty Corporation brings you the Washington Report daily over more than 300 stations coast-to-coast.

THESE IMPORTANT QUESTIONS AND ANSWERS

Tell us how National Home's EXTRA CASH HOSPITAL PLAN gives you the protection you need—at amazingly low cost!

- How much will my Policy pay me when I go to the hospital? \$400.00 per month. If you're 65 or over, you collect cash benefits on top of any Medicare benefits. \$200.00 a month for the first 3 months, and \$400.00 monthly while you remain continuously hospitalized afterwards. You collect cash not just for yourself, but for all Covered Members of your family when they are hospitalized!
- May I enroll if I am 65 or over? Yes, you may. Folks any age are welcome to enroll—there is no age limit! Members 65 or over—even over 100—are paid \$200.00 a month for the first three months, and a full \$400.00 a month thereafter. Naturally, it's in addition to Medicare.
- Do you pay me cash when my children go to the hospital? Will all children we have in the future be protected, too? You collect \$240.00-a-month cash any time your child goes to the hospital, when Coverage for Children is added to the basic Plan...each time any dependent, unmarried child (age 1 month through 18 years) is in the hospital for sickness or injury. And if you have a growing family—as soon as your newborn child is one month old, he, too, is covered—automatically...at no additional cost to you.
- Will you pay \$400.00-a-month cash—even for maternity care? Yes! Some health plans don't cover pregnancy. But we do, when both parents are enrolled and have added Coverage for Children and Maternity Benefits to the basic Plan. You collect cash benefits at the rate of \$400.00 a month for any pregnancy, childbirth or miscarriage that results in a hospital stay.
- When do I collect \$2,000.00 extra cash for accidents? We pay you \$1,000.00 extra cash for complete accidental loss of one hand or one foot or sight of one eye, and \$2,000.00 extra cash for loss of both hands or both feet or sight of both eyes—even if the loss occurs as long as 3 months after the accident.
- Suppose I am paid benefits for any sickness or accident. What happens if I am again hospitalized for the same condition? Don't worry! You still collect the regular cash benefits provided by your Policy for as long as your confinement lasts.
- If I'm hospitalized less than a month—do you still pay cash benefits? Yes! We pay you for every day you're in the hospital. And there's no "waiting period" before you start collecting.
- Am I ever allowed to stop paying premiums during a long stay in the hospital—yet still remain fully covered? Yes, you are! Should you—the person to whom the basic Policy is issued—be hospitalized for 8 consecutive weeks or more, this National Health Plan will pay all premiums that come due for you and all Covered Members of your family while you are confined to the hospital beyond the initial 8-week period. You aren't expected to pay us back, either.
- How do I go about submitting a claim? We invite you to contact Cash Benefits Headquarters direct. Whether you want to submit a claim or just ask us a question, don't hesitate to contact us. As a National Health Plan member, you are entitled to prompt, courteous and direct attention at all times...and you will get it.
- Does this Plan pay in any hospital? You will be covered in the hospital of your choice except a U.S. Government hospital or a nursing or convalescent facility.
- Now tell me what's the "catch"—what doesn't my Policy cover? Get ready for a welcome surprise. Your Policy covers everything except conditions caused by: act of war; any mental disease or disorder; pregnancy, except as provided under the Maternity Benefit provision; and any sickness or injury you had before the Effective Date of your Policy—but even this last "exclusion" is done away with after you've been a policyowner for only two years. Everything else is definitely covered.
- What are the requirements to enroll in this Extra Cash Hospital Plan? You must not have been refused or had cancelled any health, hospital or life insurance due to reasons of health; and, to qualify during this Enrollment Period—you must enroll before midnight of the date shown on the Enrollment Form.
- Besides saving money—are there any other advantages of joining this National Health Plan during this Enrollment Period? Yes. A very important one is that you don't need to complete a lengthy, detailed application—just the brief Enrollment Form in the corner of this page. Also, during this Enrollment Period there are no extra requirements for eligibility, and no "waivers" or restrictive endorsements can be put on your Policy!
- How do I enroll? Send no money. The first month's protection for your entire family is FREE! Simply complete and mail the brief Enrollment Form to: National Health Plan, Valley Forge, Pa. 19481.

NO-RISK OFFER

We will send your National Home Policy by mail. Examine it carefully in the privacy of your own home. Show it, if you wish, to your own insurance agent, doctor, lawyer or other trusted adviser. If you decide, for any reason, that you don't want to continue as a member of this Plan, return the Policy within 15 days after receiving it, and you will be under no obligation of any kind. Meanwhile, you will be fully protected while making your decision.

A Devotion For Today . . .

Thy word is a lamp unto my feet, and a light unto my path. (Psalm 119:105)

PRAYER: O God, save us from having either a dusty Bible or an over-clean one. We pray for the power of will to open it and read, that it may speak to us. Guide us in knowledge and understanding that our lives may speak to others of Thy saving love. In the name of Jesus, who taught us to pray, "Our Father who art in heaven . . . Amen."

Vital Issue

The role of non-public schools in a pluralistic society is generally recognized as an important one in the over-all picture of education. Yet many of these schools at almost every level, from grade school to universities, are faced with financial crises which threaten to close them.

State aid to non-public schools has been debated at the local and national level for many years. It has been an intellectual exercise mostly, though, since sectarian schools would be the chief beneficiaries and the separation of church and state is firmly embedded in the Constitution.

But a new argument is now being heard, one that will be carried to the Legislature next year. It is a proposal that the state pay non-public school teachers approximately \$100 a year for teaching non-sectarian subjects — no money would be paid to teachers of religious subjects.

It is an interesting approach, one that deserves full and candid debate.

If non-public schools are forced to close, their pupils would have to be absorbed by the public school system, at an estimated cost of \$500 a year in state and local taxes for each pupil. If the non-public schools can remain open with a contribution by the state of \$100 a year for each teacher of non-sectarian subjects, the over-all saving would obviously be great. So much for the financial angle from the public point of view.

But there is a financial matter from the non-public side, for as a matter of realism, non-public colleges and universities cannot long endure without some additional source of revenue. Even the leaders in most church-supported schools have been active in efforts to devise some means of aid without compromising positions on church-state separation.

This is a serious matter and it deserves full and candid debate without clouding of emotional issues. The tradition of pluralistic education is in the balance.

Sobering Development

While United States and Soviet delegates were in Vienna discussing arms limitation April 24, Russia launched its first space satellite, a 331-pound payload whose purpose still is somewhat of a mystery.

Government authorities in this nation say the launching came as no surprise, pointing to a statement made in February by Secretary of Defense Melvin Laird that China was expected to test a powerful rocket soon.

But regardless of the surprise factor — or lack thereof — China's entry into the space age puts the international arms race in a considerably different light. It is not that the tiny orbiting satellite, reportedly emitting a tune in honor of Chairman Mao, is of any particular importance (though one cannot help wondering about its route over San Francisco,

Chicago and New York City). But the rocket which hurled it into space is of major importance.

Though our government and the Soviets have long anticipated China's progress in rocketry, this is her first launching of what apparently could be used as an intercontinental ballistic missile.

Undoubtedly China has far to go before matching the sophistication of Russian and U.S. missile systems. But she has taken a giant step.

This achievement is bound to have a profound effect on arms limitations talks between the United States and the Soviet Union. The inevitable threat of China as an intercontinental missile power has begun to materialize. We must deal now not only with a potential threat, but with an all-too-real capability.

Come On Women, Protest!

WASHINGTON — What in the world has happened to the Women's Liberation Movement? The question is put after an unwanted delay in issuing a communiqué in this space on the sacking of a news editor by the Washington education station, WETA, because his wife took a job as Martha Mitchell's press agent.

For crying out loud, Women's Lib has taken a stand on everything from manners in the conjugal bed to porriasis, but to date has uttered not so much as a peep about WETA's roundabout discrimination against Mrs. Kay Woestendiek.

MRS. MITCHELL, for the benefit of those who have been picnicking

in Portugal, is the exuberant and vocal wife of Atty. Gen. Big John. When she took over as Mrs. Mitchell's flack, the WETA management summarily fired Martha Woestendiek on the grounds that his wife's job endangered the "credibility" of the news show Woestendiek directed.

William J. McCarter, general manager of WETA, explained that "Every time there would be a story from that part of the administration people would make the connection over and over. It would eat away at us."

SOMEBODY, or something, should eat away at WETA if the station is that fragile. It is a pretty strong independence that can be endangered by the fact a news editor's wife works for a politician's wife. But never mind that. The case was made to order for Women's Lib.

That is to say, Woestendiek was told that unless his wife quit her job he would lose his. Quite properly, Woestendiek told WETA to go soak its high-domed head, thus taking a position which was just what Women's Lib would have ordered had Woestendiek trouble to consult its leadership.

IT IS Women's Lib announced stand that no mere man anywhere should be permitted to interfere with woman's pursuit of life, liberty and the pursuit of happiness and a fat paycheck. WETA attempted to get away with just that kind of meddling. Yet no picketing balls of feminine fluff marched on the station, no tumblers rolled, no briefs were filed with the Supreme Court or even with the Civil Liberties Union.

I'M AFRAID I smell an overripe mackerel in this one. Most members of Women's Lib are liberals and Martha Mitchell and her husband are proclaimed, indeed trumpeting, conservatives. They are not members of the "in" community. Therefore, there is a suspicion Women's Lib decided that any girl who would go to work for Martha Mitchell would have to take care of herself, and good enough for her.

Come now, Women's Liberation Movement, let's hear it for equal rights around here.

Employe Suggestions Bring Economies

NEW YORK (AP) — Here's a suggestion for companies besieged with consumer complaints about poor quality and service: set up an employee suggestion system.

Not only might this device afford you the brain power and imagination of your workers — at a low cost, incidentally — but quite likely it could improve worker morale by giving employees a sense of participation.

That is the formula suggested by the National Association of Suggestion Systems, which now numbers 1,400 member corporations compared with 1,100 in 1960 and one in 1895.

Most systems have come a long way from the old suggestion box, which as likely as not became stuffed with ludicrous and sometimes insulting proposals. Most systems today are highly structured, sophisticated and profitable.

At International Business Machines last year, Robert Wood and John O'Donnell, tool and die makers at a Kingston, N.Y., plant, won a total of \$64,776 for just one suggestion.

They proposed and developed a simplified jig that enabled workers to more quickly and efficiently thread with wire the tiny magnetic memory cores for computers.

The payment, computed to equal 20 per cent of the first year's net savings on labor and materials, was last year's record high payment by any NASS member. Worldwide, IBM paid \$6.7 million for suggestions in 1969.

It was 75 years ago, NASS says, that National Cash Register set up what is claimed to be this country's first system. The idea really never took hold in a big way, however, until World War II, when boxes sprouted in defense plants.

Following the war, the con-

cept again seemed to fall from favor, but Bill Englehardt, executive director of the Chicago-based NASS, claims that suggestion systems again are growing in number and popularity.

He lists among the reasons: the need to cut costs as inflation erodes profits; the rising level of customer complaints; the desire of companies to devise methods for dealing with service problems; the relatively new problems of environmental pollution.

Englehardt claims that hospitals are among the most recent of institutions to benefit from suggestion systems, partially due to three NASS seminars for hospital administrators held this year in Atlanta, San Francisco and Chicago.

Hospitals, of course, are having serious problems of cost control. Medical costs are perhaps the fastest rising of any cost of living category and some administrators have frantically and unsuccessfully sought solutions.

You're A Big Water User

NEW YORK (AP) — Things a columnist might never know if he didn't open his mail:

The average American uses about 26 million gallons of water, directly and indirectly, in his lifetime. Perhaps even more — if he spends it on the water wagon.

Guess who's credited now with making the first swim fins? Benjamin Franklin, that Jack-of-all-trades and master of many. Ben, a powerful swimmer even at an advanced age, constructed his pioneering fins of wood and they were worn on both hands and feet.

Rich beyond the dreams of Midas are the world's oceans. They contain nearly 27.5 million tons of gold, an amount beside which the total gold hoard mined by man through the centuries is but a fleck.

If federal taxes were apportioned equally among U.S. households, each family would pay \$2,920 for the fiscal year beginning July 1. Of this amount \$1,073 would go for defense, \$950 for health and welfare, \$118 for

education, and \$50 for space research and technology.

What's in a name? The Pilgrims called cranberries "devil's food," because they puckered the mouth when eaten raw. After the Indians showed them how to make cranberry sauce, however, the Pilgrims quickly became fond of the berries.

Many parents still fear to have their children vaccinated against smallpox. A recent medical tabulation of primary vaccinations, however, found that only one in a hundred resulted in death.

Do car fumes affect the weather? This possibility is being investigated by scientists. One theory is that the lead in automobile exhaust combines with iodine in the air to form lead iodide, the nuclei of which have been found to speed the formation of snowflakes.

It was Samuel Butler who observed, "He has spent his life best who has enjoyed it most. God will take care that we do not enjoy it any more than is good for us."

TV's Big-Money Cigarette Advertising

One thing and another:

Shed a tear for the television industry. It appears TV is going to have to do without cigarette advertising next year and that is quite a plum to lose.

One company alone spent \$38 million of its \$47 million outlay in advertising in television last year. The video industry has been realizing \$250 million a year in advertising revenue from the cigarette manufacturers.

IF THE CUTBACK cuts down on some of those situation comedies which have been on the air for years, however, I'm all for it.

Now if someone can find something wrong with the toothpaste and soap Arthur Godfrey hawks, and retire him permanently, I'd be willing to rewrite my truce with TV.

I THINK we're the most over-organized people in the civilized world. We meet, form committees, have our speakers and talk in grandiose terms, then go home and do nothing.

Of course, we're being set a pretty good example in the halls of Congress and at a Pennsylvania Avenue ad-

dress in Washington, D.C.

MANY MORE PEOPLE choke to death on food than one would imagine. And death can come so hurriedly under such circumstances. One minute you're sitting there laughing, drinking and eating. The next minute you can be very, very dead.

People who gobble their food are more prone to suffer such a fate. Some eat to live but other eat to die — there are so many ways one can perish with bad eating habits.

One of the better known persons who died by choking on food was Tommy Dorsey, the band leader.

I LIKE that story about the Chinese laundryman who decided he'd rather be in the restaurant business.

A fellow came in and ordered food to go.

The Chinese asked him:

"You want that on a hanger?"

A JAPANESE toymaker says interest has diminished in space toys. Those rocks the astronauts brought back from the moon may have impressed some of the adults who still reason we're going to find Paradise out there but they left the kids cold.

Cambodia; The Big Picture

WASHINGTON — President Nixon, as the commander-in-chief of the armed forces of the United States, has exercised his constitutional power to protect the security of the American military units in South Vietnam, comprising more than 425,000 men.

The Department of Defense, acting under instructions of the President, has the right to order supplies as well as troops to be sent into Cambodia or Laos or any other territory from which the enemy may be carrying on intensive military operations designed to break down the "Vietnamization" of the war in South Vietnam. For this would threaten the safety of thousands of American troops.

SOME MEMBERS of Congress are talking about passing resolutions limiting the President's power, but they have no authority to do so under the Constitution. For, as commander-in-chief, the President is obliged to do whatever is necessary in a military way to protect American armed forces wherever they are located.

For Congress, in the middle of a war, to adopt a resolution tying the hands of a military commander seeking to defend his own troops against attack and possible loss of life is unthinkable. No such measure is likely to be passed, although some members will sponsor proposals of this kind because they think it will be popular in their own home districts.

THE UNITED STATES is involved in the Vietnam war, and it will be at least two years before its armies are completely withdrawn. Meanwhile, it must protect itself against enemy attacks.

The simple fact, however, is that the United States is engaged in a

military operation, and the security of its troops is of paramount importance. The attacks in Cambodia against not only the South Vietnamese but the battalions of the United States cannot be ignored. Under such circumstances, the Department of Defense, on orders of the President of the United States, will take whatever measures are necessary to defend American lives and property.

MEANWHILE, attempts to develop some kind of a peace movement are being made on many sides. The Indonesian government, for instance, has issued invitations to 20 nations for an Asian and Pacific conference on Cambodia. The Soviet Union is still considering whether it should join in reconvening a meeting of the signatories of the Geneva Accords on Indo-China.

General Jesus M. Vargas, secretary-general of the Southeast Asia Treaty Organization, said in Thailand that North Vietnamese aggression has long been aimed at all of Indo-China and not just South Vietnam. He declared that if Cambodia succeeds in its present campaign against Communist insurgents, it could mean "the beginning of the end of North Vietnam's whole strategy in the embattled peninsula." He emphasized the need for collective defense and regional security arrangements in Southeast Asia.

AS THE SITUATION in Cambodia becomes of grave concern to other Asian nations, it is possible that some method of bringing about a peace conference will be devised. But the big question is whether Red China will be willing to withhold its support from North Vietnam and let peace be negotiated.

Burleson Reports

Where Is Our Loyalty?

WASHINGTON — "Loyalty Day," was like any other day — the sun came up, the birds sang, it's spring — we went to work and returned — the sun went down. There was nothing outwardly different.

It was a day, however, for some extra thoughts about loyalty to country and a rededication to it.

SURE — every day should be loyalty day — like every day is one for prayer, for goodness, or just to be a good loyal American.

LOYALTY DAY was inaugurated by the Veterans of Foreign Wars as a sort of special occasion to express our love of country in special ways. The form and method of demonstration doesn't particularly matter. Parades and marching bands are not particularly necessary but it does show that there remain those willing and eager to be identified in patriotic action.

Apathy and indifference to our nation's spirit play into the hands of those who would destroy us from within. It has been true with other nations who thought themselves secure — a modern example was Germany and Italy. The busy citizens of those countries got up in the morning — went to their jobs and stayed above and beyond the political happenings of the time. They awoke another morning to find that a few mad and irrational men had taken over their government.

THE RELATIVELY few are the ones who make the noise — who organize the militant demonstrations — who work at it 24 hours every day — while the complacent take the blessings of liberty for granted — "It can't happen here," we are apt to think — and it won't — not right away — or ever — if we show the

determination to see that it doesn't.

There are a lot of people "fed up" with the nauseous actions of the revolutionaries in our midst. But while the radicals and the kooks paralyze many of our schools, burn and bomb, fine Americans, enjoying the "good life" are not inclined to become involved on the other side.

HOW DO WE involve ourselves? As an individual, what can I do, is a question often asked. It's a good and proper one.

Evidently there are places in the nation where the patriotic citizen is tabbed as naive — as a square — outmoded — a flag-waver. This attitude is found in the Congress — in some of our largest and best known universities — and these educational institutions are not all in New York, Chicago and Berkeley either.

PERHAPS, SOMEWHERE they missed knowing about Patrick Henry's speech in the House of Burgesses, Commonwealth of Virginia in 1775. In opposition to those who were willing to bow to the demands of King George III of England and in support of a declaration of independence, he said, "It is natural to man to indulge in the illusions of hope. We are apt to shut our eyes against a painful truth, and listen to the song of that siren till she transforms us into beasts. Is this the part of wise men, engaged in a great and arduous struggle for liberty? Are we disposed to be of the number of those who, having eyes, see not, and having ears, hear not, the things which so nearly concern their temporal salvation? For my part, whatever anguish of spirit it may cost, I am willing to know the whole truth to know the worst and to provide for it."

Twins Stop AL Champs

By The Associated Press
The Baltimore Orioles just aren't believers. They couldn't believe it when they lost the World Series to the New York Mets last year and they couldn't believe Sunday's 4-3 ninth-inning loss to the Minnesota Twins.

Hogan Files For Houston Play

HOUSTON, (AP)—Ben Hogan, who last played tournament golf in 1967, has signed to play in the Houston Champions International Golf Tournament starting Thursday.

The four-time U.S. Open champion, who said a few weeks ago that he would probably never play golf again, filed Saturday.

He last played in the 1967 Open at Baltusrol. In that same year, Hogan came in third in the Champions held here.

Hogan has been practicing at the Champions for a week and onlookers say he has been playing well.

Spill, Thrills At Cycle Races

Although the weather was perfect, only a small crowd turned out Sunday for the Big Spring Raceways Motorcycle races on 15 20 West. In failing to show up, fans missed some sizzling races.

There were a couple of breath-taking spills, but luckily no injuries resulted. One of the most exciting races was the finals in the 175 cc event with Jimmy Foster and George Johnson, both of Midland, finishing in a tie. The top four finishers battled nip and tuck all the way.

Max Bair, battling to edge Foster in the 250 cc finals, took a hump extremely fast, landed slightly askew and went rolling.

The Raceways will not operate next Sunday, May 10, in deference to Mother's Day, but the schedule will be resumed May 17.

This is the way the events finished (all winners from Big Spring unless otherwise designated).

MINI — 1. David Guinn; 2. Roger Paige; 3. Walter Robertson.

lose to anyone when we come to the park," said Manager Earl Weaver after Harmon Killebrew's two-run homer lifted the Twins to victory and gave them the weekend series two games to one. "When something like this happens, we can't understand it."

Elsewhere in the AL, Detroit shaded the Chicago White Sox 6-5, the New York Yankees rallied twice to sweep Milwaukee 8-7 and 4-2, Oakland beat Washington 3-1 before losing 6-4 and Cleveland downed Kansas City 6-3. California at Boston was rained out.

The victorious Twins whooped it up in their clubhouse and skipper Bill Rigney observed: "That's a happy group. They tell me we've won half as many games against Baltimore as all last year."

"With Oliva (who singled before Killebrew's homer) and Killebrew on the same club, you never say the game is over until it reaches the locker room."

Home runs by Willie Horton and Al Kaline powered the Tigers past the White Sox in a sloppy game with the teams committing seven errors. Detroit fumbled away three runs and the Sox two before Fred Lasher, the third Tiger pitcher in the ninth, closed out the game with the bases loaded and one run in.

Roy White's two-run double brought the Yankees from behind in the seventh inning of their nightcap after Gerry McNertney's pinch two-run homer gave Milwaukee a 2-1 lead in the top of the inning.

Ed Stroud and Mike Epstein crashed two-run homers in the Senators' nightcap triumph with Epstein's snapping a 4-4 tie in the seventh. Reggie Jackson's homer and run-scoring doubles by Don Mincher and Felipe Alou accounted for the A's runs in the first game.

Oakland starter Blue Moon Odom reinjured his ailing right elbow while warming up before the first inning of the opener but the umpires made him pitch to one batter. Odom retired Ed Brinkman on a grounder, then Roland Fingers took over and hurled five-hit ball the rest of the way.

Graig Nettles, batting a meager .125 at game time, slammed a three-run homer in the sixth inning to wipe out a 3-2 Kansas City lead and spark the Indians' victory. Lou Piniella hit a two-run shot for the Royals.

There were a couple of breath-taking spills, but luckily no injuries resulted. One of the most exciting races was the finals in the 175 cc event with Jimmy Foster and George Johnson, both of Midland, finishing in a tie. The top four finishers battled nip and tuck all the way.

Max Bair, battling to edge Foster in the 250 cc finals, took a hump extremely fast, landed slightly askew and went rolling.

The Raceways will not operate next Sunday, May 10, in deference to Mother's Day, but the schedule will be resumed May 17.

This is the way the events finished (all winners from Big Spring unless otherwise designated).

MINI — 1. David Guinn; 2. Roger Paige; 3. Walter Robertson.

100 CC — 1. Troy Stevens; 2. Kelly Guinn; 3. Bob Currie.

125 CC — 1. Tommy Ervin (Odessa); 2. George Johnson (Midland); 3. Danny Wier.

175 CC — 1. Jimmy Foster and George Johnson (both of Midland) tied; 2. Freddy Haltom (Midland); 3. Scott Carlisle.

FLIGHT WINNER WITH FELLOW PLAYERS—Royce Cox, standing at the left, won First Flight honors in the third annual Big Spring Munny Invitational Golf tournament here Sunday with a 36-hole score of 150. With him here, kneeling, are Larry Redman (left) and Danny Clendenin. Standing with Cox is Bill Patton.

Paul Burleson Wins Munny Tourney By Four Strokes

Paul Burleson, a native of Sweetwater and a student at Texas Tech, captured championship honors in the 45-hole Big Spring Munny Invitational Golf Tournament here Sunday with a three-under par 179.

Burleson shot a 27-hole score of 73-106 to win the tournament. He was followed by Royce Cox, who shot 74-108, and Tommie Wilkerson, who shot 75-109.

Wright and Hamilton deadlocked for the spot with 184's, Wright ran down a 30-foot birdie putt on No. 3 to close out the match after the two had birdied one and parred two.

Burleson followed up a championship he won last week at Merkel.

Don Lovelady and Ted Gross, who do most of their golfing at the Big Spring Country Club, finished just out of the money tied for fifth with 187's. Gross made up four strokes on Lovelady on the final hole.

Royce Cox, a Big Spring High School coach, won First Flight honors. Don Harvey, Lubbock, proved to be the best in the Second Flight. Wesley Hudgens was No. One in the Third Flight while Frank Jones prevailed in the Fourth Flight.

Flight winners got sets of First Flight Irons, the runners-up sets of woods and the third place winner golf bags.

Wilkerson trailed Burleson by five strokes after the opening round of play but Wilkerson moved into contention with a 71 while Burleson settled for a 73. On the final nine, however, Burleson clinched matter with a 35 while Wilkerson settled for a 36.

Marvin Williams, defending champion in the tournament, tied for seventh place with Bernard Rains. Each had a 188.

Arnie Loses Dallas Classic In Playoff

DALLAS, Tex. (AP) — Jack Nicklaus lost the popularity contest and the call from Washington was a wrong number, but he pocketed the \$9,000 difference Sunday in a dramatic, sudden-death Byron Nelson Golf Classic victory over athlete of the decade, Arnold Palmer.

"When I found out they wanted Arnie," said Nicklaus who answered the Washington call first, "I just went back out to the green and picked up the championship trophy."

Nicklaus got a \$20,000 first prize check and the trophy from golf great Nelson himself after a classic 37-hole head-to-head confrontation with Palmer, 10 years his senior.

A tap-in birdie putt on the first extra hole gave Jack the Bomber his first ever sudden-death win over old nemesis and good friend, Palmer, who won \$11,000.

Then came the call from Washington. It was Vice President Spiro Agnew on the line. Agnew wanted to speak to golfing buddy Palmer.

The mid-mannered Nicklaus wasn't miffed. He had played all day with a crowd of some 15,000 following his threesome, most yelling and applauding for Palmer.

"It was like Texas and Ohio State playing (football) in Texas," Nicklaus laughed. "There are damn few Buckeyes down here."

The crowd was estimated at more than 40,000 and about a third dogged the heels of golf's biggest names. They jostled, shoved and yelled.

Nicklaus bogied the last hole, missing a 21-footer by inches as Palmer knotted it with par.

But Nicklaus made up for it on the Par 5, 555-yard No. 15 with a prime-time national television-audience looking on.

He blasted a tremendous drive over the corner of a lake. And he whistled a brassie 267-yards pin high in the right frog hair. Nicklaus got down in two, Palmer took par and it was over.

Palmer and Nicklaus had met in playoffs twice previously but never head-up in sudden death. Nicklaus won the 1962 U.S. Open in a playoff with Palmer. In 1963, Palmer beat Nicklaus and Julius Boros in another 18-hole playoff for the Western Open.

Nicklaus and Palmer finished the Nelson with six-under par 274's. Both had morning rounds of two-under par 68 and Palmer caught Nicklaus with an afternoon 69 to the Columbus, Ohio, better's 71.

ASTROS TAKE Series, 3-1
ST. LOUIS (AP) — St. Louis split a doubleheader with the Houston Astros Sunday but dropped the series three games to one.

Dennis Menke, a Houston shortstop, killed the Cards with a 9-for-15 hitting spree. He drove in five runs, scored four and boosted his batting average to .340.

"I like that turf," Menke said in the clubhouse.

He Expects Less Trouble From Bush

HOUSTON (AP) — Houston businessman Lloyd Bentsen Jr., fresh from his giant-killing role of knocking off U.S. Sen. Ralph Yarborough, in the Democratic primary said Sunday he expects less trouble from George Bush in November.

Bentsen said he plans to get off the campaign trail until Labor Day.

Bentsen confounded the experts by whipping Yarborough, a 13-year incumbent, in the Democratic primary. At the same time Bush, a Houston member of the U.S. House of Representatives, was easily defeating Robert Morris of Dallas for the U.S. Senate.

Talking Sunday at his plush home in the River Oaks section of Houston, the millionaire Bentsen said he expects less trouble with Bush than with Yarborough because of the cloud the Democratic nomination usually carries in Texas.

All the Loving Couples

DEAR ABBY: Last night my husband, who usually comes home between 6 and 6:30 p.m., came home at 10:45. I was nearly out of my mind worrying that maybe he was lying in a ditch, in a hospital, or even in jail. It so happened he was tied up with his boss, but he certainly could have called me.

I told him I thought he was selfish and inconsiderate not to have called me. He said, "You are not my mother!"

Abby, if I'm wrong tell me. But shouldn't a man call his wife if he can, and let her know he's going to be home later than usual?

NADINE
DEAR NADINE: YES. And he should let her know if he's going to be earlier than usual, too.

DEAR ABBY: I have a 13-year-old son I am rearing alone as his father was killed in an accident two years ago. Dick (I'll call him) has always been a shy, but well-behaved boy.

I don't believe in physical punishment, but my husband used to spank him if he did something wrong. Lately all Dick talks about is "punishment." I overheard him telling a friend that if he got bad grades in school I would take a razor strap to him — which is certainly not true. Yesterday he asked me to "time" him as he ran around the block, and if he didn't make it in a certain number of minutes, I could "beat" him. He failed, but I told him he made it.

He has written papers for school saying you shouldn't "spare the rod." What should I do? Punish him? I'd take him to a doctor, but he is normal in every other way.

MOTHER
DEAR MOTHER: Your son is asking for punishment. Discuss this with your family doctor (or school psychologist, if one is available). Children sometimes feel the need for punishment and provoke it by antisocial behavior. (Or he could be a "normal" boy who desperately misses his father—spankings and all.)

DEAR ABBY: You have uncorked a question which now must be correctly answered because it is of real import to aviation history. Was Wilbur Wright, at some time of his life, married? If so, it was a deep dark secret.

The urgency to me is that I have a new book soon going into publication which is concerned with a phase of aviation history in which I state anew

that neither Orville nor Wilbur ever married. If there is any evidence to the contrary, I wish to make a correction in time.

You may not be aware that it is aviation gospel that Wilbur and Orville had an agreement (at least tacit) that neither would marry, so they could retain a close-knit brother team in their experimenting.

C.R.R.: ALBANY, N.Y.

DEAR ABBY: Noble try, Abby. Trying to speak out for little Sweden and sex education in our public schools, but it won't work.

I predict that the John Birchers will advise you that statistics from the World Health Organization are "not reliable" since it is controlled by the United Nations, and the U.N. is controlled by the Communists, and the Communists are trying to destroy us by pretending that sex is enjoyable and desirable.

Perhaps my sarcasm is not quite sharp enough for the knot-heads, so I had better explain that as far as I know, storks are responsible only for baby storks. Signed,

A MIDDLE-AGED PROFESSIONAL MAN

DEAR ABBY: You recently compared the unpleasant odor of an unwashed man to that of a "mountain goat!" You surely must have meant a "barnyard billy goat." Mountain goats do not smell bad, but barnyard billy goats do.

The mountain goat is one of our finest and cleanest big game animals.

I think you owe the mountain goats an apology.

Guitar Class Slated At YMCA

The Big Spring YMCA announces the beginning of an informal education class in beginning guitar starting May 14.

Curt Mullins, "Y" Executive Director, said, "the guitar classes will meet on Thursday evenings, 6:30-8 p.m. at the Y." Minimum age for the class is fifth grade in elementary school. Students furnish their own guitars or may rent one for use. The fee for Y members is \$11.50 and non-member \$15.50 for the eight week course. Don Tolle will be the instructor. Registrations are now being taken at the Y. More information may be had by phoning 267-8234.

Houston Demos Elect Liberal

HOUSTON, Tex. (AP) — Democratic voters here Saturday turned out an incumbent Democratic county chairman while Republicans re-elected their chairman.

Democrats elected Bill V. Williams who was backed by the liberal wing of the party. He defeated incumbent Robert N. Gay.

In the Republican Primary, Mrs. Nancy Palm was easily re-elected. She was challenged by

Paul Robinson, a Houston businessman.

Robinson had campaigned on the claim that Mrs. Palm favored the more conservative GOP candidates with full party support but withheld support for moderate Republicans.

Elbow Schedules Pre-School Signup

Elbow Elementary will hold pre-school registration from 9 to 11:30 a.m. Wednesday in the school cafeteria, according to W. R. Creager, principal. Each child should have a birth certificate or photostated copy and health records, Creager said. The registration is for all children who will be 6 on or before Sept. 1.
