Debate Launched On Spending Bill

By GARTH JONES

AUSTIN (AP)—Debate on the spending bill opened in the House today with members apparently in the mood for quick action.

The 2½ billion dollar appropriations measure — largest in history [illegible] a week after lawmakers got their first look at it. A section-by-section study of the huge measure was expected to take up most of today and possibly tomorrow.

A joint session with the Senate at 11 a.m. to hear Sen. Lyndon Johnson (D-Tex) will interrupt consideration of the spending bill for about half an hour.

Big as the bill is, cries have already been heard that it doesn't give enough money to certain departments. So far, no one has complained that his agency would get too much.

Two representatives announced March 24 when the bill came out of committee that they would attempt to amend it on the floor.

Rep. Don Kennard called the section dealing with the Texas Youth Council training schools and [illegible] inadequate and promised to fight for more money.

And Rep. Obie Jones of Austin said he would seek more money for state employes salaries.

Backers of the Texas A&M Extension Service were said to be ready for a campaign for additional money for that agency. The committee recommended more than a million dollars per year less than the service requested.

Since the money needs outlined in the general appropriations bill are the major factor in determining the size of the tax measures, today's action was the first step in charting the course of state government for the next two years.

The Constitution prohibits the governor from signing an appropriation bill until the comptroller [illegible] pay for it. That means in effect that the Legislature has to follow the general spending bill with a tax bill quickly in order to finish work by the May 12 adjournment deadline.

The Senate version of the appropriations measure is expected from the Finance Committee about Wednesday.

Senators, traditionally less enthusiastic about spending than House members, are reported planning to authorize about 12 million dollars less than appropriations called for in the House measure.

The bill reported out by Rep. William Heatly's House Appropriations Committee would set up a state budget for 196[illegible]-61 of $2,400,197,895, compared with $2,161,841,841 authorized for the present biennium.

The general revenue fund—deep in the red and expected to have a deficit of at least 65 million dollars by Sept. 1—would be tapped for 42 million dollars more than was appropriated for 1958-59.

Major items reportedly due for trimming by the Senate include the $800,950 per year college teachers pay raise and the longevity pay raises for state employes. Some senators say privately they feel an across-the-board raise for state employes would be more helpful than pay based on length of employment.

Hunt Young Fugitives In Mass Prison Break

JESSUPS, Md. (AP)—Hundreds of state police, National Guardsmen, county police and Marines captured more fugitives today from a mass prison break at the Patuxent Institution.

Fourteen of the 34 young inmates who overpowered guards and broke out of the Institution for Defective Delinquents Sunday night were still at large.

Two others who might be from Patuxent were picked up in southern Maryland's Calvert County and could reduce the number to 12.

State Police Lt. [illegible] W. Corbin said two airplanes flying low over the area had accounted for the capture of six prisoners early today.

"The planes found four of them hidden under the trees," he said. "A short time later they located two more going into the woods."

Police also quelled what Corbin said could have developed into a riot this morning when four prisoners refused to return to their cells, threatened guards, and otherwise caused trouble.

Inmates made their break about 7 p.m. Sunday by seizing keys from two unarmed guards and unlocking six doors between them and freedom. State Supt. of Prisons James W. Curran said it was the largest break in the history of Maryland prisons.

Corbin estimated at least 300 men were taking part in the search today for fugitives from the institution of 331 inmates 15 miles southwest of Baltimore.

Harold M. Boslo[illegible], superintendent of the institution, said "some can be considered dangerous. But it's a blessed fact that two who have been caught are the most dangerous."

The institution, a kind of model reform school, aims at rehabilitating young lawbreakers who have unusual mental and emotional problems. Those who escaped were convicted of robbery, larceny or burglary. Most were in their 20s.

About 80 troopers were called to the scene from barracks all over the state. Three companies of the National Guard totaling 180 men were summoned. County police, Civil Defense members and volunteer firemen also joined the search.

The escape plot boiled into action suddenly Sunday night as 64 prisoners were lolling in two recreation rooms on the first floor. A group of inmates grabbed guard John Wilson, 44, threw him to the floor and seized his keys.

They unlocked two doors, overpowered John's twin brother Hugh, grabbed his keys and opened four more doors.

Thirty-four inmates bolted into the gathering dusk. There is no outside wall.

DESPITE ABSENCE OF DEBBIE

Hollywood Fully Prepared For 'Colossal' Oscar Show

By JAMES BACON
AP Motion Picture Writer

HOLLYWOOD (AP) — Debbie Reynolds won't be there to face Eddie Fisher and Elizabeth, but Hollywood may still have to find a better adjective than colossal to properly describe tonight's big Academy Awards show.

A two-hour telecast, without commercials, will begin at 10:30 p.m. EST, over NBC-TV. More than 100 of the biggest names in moviedom will be seen.

They range all the way from Millie Perkins, Hollywood's newest star, to Ingrid Bergman, making a sentimental return to Hollywood — her first in 10 years.

For a while it looked as if Hollywood's most famous triangle might give the show a backstage suspense no script could hope to match.

But Miss Reynolds removed herself from the show Saturday. She said she will watch it at home on TV.

Producer Jerry Wald had scheduled Debbie and Liz an hour apart, with Fisher somewhere in between.

Debbie insisted Liz had nothing to do with her pulling out of the show.

She was to have presented an Oscar to one of the winners, the same chore Miss Taylor will perform.

Fisher, taking a night off from a hotel engagement in Las Vegas, will sing one of the nominated songs — "to love and be loved."

Composer Sammy Cahn said he personally picked Fisher because "There is no other singer who better fits that title."

With the triangle only two-thirds present, it looks as if the Oscar winners themselves will star in the big show. Hollywoodites can't remember a closer race for the prize Oscars than this year's.

It is especially close among the five nominated for best actress. Rosalind Russell, Shirley MacLaine, Susan Hayward, Deborah Kerr and Miss Taylor all could win without stirring a ripple of surprise.

Among the men, most experts figure David Niven to take the top male Oscar, although Sidney Poitier, the brilliant Negro actor, has come up strong in recent weeks. The other three nominated are Tony Curtis, Spencer Tracy and Paul Newman.

"Gigi" still is the favorite for best picture, but is being pressed by "Auntie Mame," one of the screen's funniest comedies. The others, and all rate a chance, are "Cat on a Hot Tin Roof," "The Defiant Ones," and "Separate Tables."

Among the supporting actors and actresses, Burl Ives and Lee J. Cobb are favorites among the men and Martha Hyer and Wendy Hiller favored among the ladies.

Two City Council Posts Contested

A light turnout of voters in the city general election tomorrow is anticipated by city officials, although there are two contests for seats on the city council.

Three council posts will be filled in the election.

Contests are for place No. 3, being sought by Bill Eiland, automobile dealer, and W. A. McGlaun, Texaco consignee, and Place No. 5, for which Jim Mixon, appliance store owner, and Stanford L. Land, agent here for the Roscoe, Snyder & Pacific Railroad, are candidates.

Russell Yorgesen, accountant, is the only candidate for place No. 1.

Mixon is the only incumbent on the ballot. [illegible] Fields and place No. 1, G. W. Parks [illegible] seeking reelection.

During the 17-day absentee voting period which ended Friday only eight persons voted, K. O. P[illegible]ner, city secretary, said.

Other members of the council are: Harold Bennett, mayor, Rex Fields, Steve Birdwell and Stanley Noah, councilmen.

The polls, located in the central fire station at the city hall, will open at 8 o'clock tomorrow morning and will close at 7 o'clock tomorrow night.

The city council will meet at 7:30 o'clock tomorrow night in special session to canvass the election.

Election officials will be William [illegible] judge [illegible] assistant judge, Darrell Black, J. D. [illegible] and Mrs. B. J. Brown, clerks.

Boy Is Killed When Small Car Overturns

FORT LAUDERDALE, Fla. (AP) — Twelve-year-old Richard Allen Wilson had something any boy would give his eye teeth to own—a home-made, lawn-mower-powered midget car and a private circular track in a vacant lot to race it on.

Sunday, as his father watched, [illegible] track at 25 miles an hour and hit the Wilsons' parked truck.

Richard was killed.

Eisenhower Hints Hike In Employment

WASHINGTON (AP)—President Eisenhower hinted today that unemployment in the month ending March 15 showed a gratifying decline.

The hint came after Eisenhower had conferred for about 35 minutes at the White House with Secretary of Labor Mitchell.

Press Secretary James C. Hagerty volunteered at a news conference that the President called Mitchell in to get a report on the government's latest figures on joblessness.

The statistics will be made public Tuesday by the Labor and Commerce departments.

Hagerty, after talking with Eisenhower, said the President believes that the figures for the month ending in mid-March "will be gratifying and of great interest to all Americans."

Asked whether that means that the government will report an improvement in the reduction of unemployment, Hagerty replied only that the new statistics are "pretty good."

The last official government count of the unemployment was 4,749,000 for February. This was an increase of 25,000 over January.

There is a normal decline of unemployment between February [illegible] hood of 250,000 to 300,000.

HIGH OF 97 LOGGED

New Cool Front Headed For Area

Spring suddenly turned to summer in the Snyder area Sunday, as the thermometer soared to a high of 97 degrees.

The hot weather followed a mild Saturday which produced a high of 81 degrees. The mercury dipped to a pleasant 60 degrees Sunday night, but was expected to rise again during the day as a weak cool front which had been headed for the area stalled on the High Plains.

A cool mass of air tumbling down toward Texas Monday promised another round of turbulent weather for some sections Tuesday.

Scattered thundershowers are forecast across West and North Central Texas.

The [illegible] from Idaho to California. The Weather Bureau said it will reinforce a weaker cool front that was stationary Monday in West Texas.

Southerly winds were building up considerable moisture in Texas with the cloud cover spreading northward as far as Central Oklahoma.

An early morning fog dropped visibility in the Houston area to around one mile.

Low temperatures Monday morning ranged from 41 at Dalhart to 69 at Brownsville.

Summery heat hit the state Sunday and a severe weather warning first posted for 4 p.m. to 10 p.m. in North Central Texas was lifted at 6 p.m. with no storms reported.

Presidio in the Big Bend country reported Sunday's highest maximum, a hot 98, while Galveston's balmy 74 was the lowest maximum.

Shortly before dawn Monday, the temperature range was from Brownsville's 70 to Dalhart's 41. Most temperatures were in the 50s.

Dalai Lama Continuing Slow Journey

NEW DELHI, India (AP)—As the fugitive Dalai Lama continued his slow journey into India on foot, Prime Minister Nehru cautioned that India must steer a careful course between treaty obligations to Red China and sympathy for the Tibetan rebels.

The young god-king of Tibet and his party of 80 reached Towang, near India's isolated northeast frontier, Sunday at about the same time the Red Chinese were installing the rival Panchen Lama in the Tibetan capital of Lhasa.

As the exiled ruler neared the approaches to Towang Monastery, hundreds of tribesmen adorned with colorful sash-decorated hats and silver swords sent up a cheer.

Aromatic leaves were burned to purify the air as Tibet's spiritual and political leader set foot in the monastery precincts. Villagers on the lofty plateau 10,000 feet above sea level, had sounded trumpets and beaten drums since dawn to herald the Dalai Lama's coming.

It was believed the next stage of the journey, to Tazpur on the Bramaputra River in Assam state, would take another six days. Much of the route must be covered on foot, since it lies through more of the rugged Himalayan country over which the Tibetans fled from the Communists after the failure of the revolt in Lhasa.

After five days of marching, they can switch to Indian army jeeps at Bamdilla, in the foothills 68 miles from Towang, and farther along to an Indian air force plane which could take the fugitive ruler and his top aides to New Delhi or wherever the Indian government wants them.

Nehru told a news conference Sunday that the Dalai Lama probably would not stay near the frontier. There were persistent reports he eventually would be taken to the south Indian hill station of Ootacamund.

P. N. Menon, a senior official of India's Foreign Ministry, is en route to Bamdilla to find out the Dalai Lama's desires and explain the Indian government's position.

Nehru has said the Tibetan spiritual and political leader will be treated as an "honored guest." He made clear the Indian government will recognize him as spiritual leader of the Tibetan Buddhists but will not let him form a government in exile.

Patterson Rites Set

Funeral services will be held at 2 p.m. tomorrow at the Northside Baptist Church for Mrs. Annie Patterson, 75, who died at 7 p.m. Saturday in Cogdell Memorial Hospital.

Mrs. Patterson, who lived at 1902 Avenue I, had been a Snyder resident most of her life. She was born Nov. 2, 1883, in Blunt County, Ala. She was a member of the Central Baptist Church of Hermleigh. She married O. E. Patterson in 1942.

The Rev. Jack Dean, pastor of the Northside Baptist Church, will officiate in services. Burial will be in the Snyder Cemetery under direction of Bell Funeral Home.

Survivors include the husband; three daughters, Emmie Adams of Fort Worth, Ruby Rhodes of Stockton, Cal., and Fannie May Lucas of Lubbock; five sons, John Purdy of Muleshoe, George Purdy of Tyler, Guy Purdy of Oklahoma City, Will Purdy of Fort Worth, and Travis Purdy of Climax, Colo.; three sisters, Effie McConnell of New Orleans, Ida Bell Horton of Atlanta, and Katy Cole of Plainview; one brother, John Purdy of Pickton; 15 grandchildren, and nine great-grandchildren.

Officer, Two Bandits Slain In Gun Battle

LOS ANGELES (AP)—A police officer was fatally wounded and two bandits were slain Sunday night in a gun battle at a Los Angeles supermarket.

Officer Charles Bogardus, 40, was shot in the temple. Killed by police guns were two men identified by papers found in a nearby car as Napoleon Banks and Jones Calvin.

Perrow Commission Plan Is Urged By Virginia Governor

By JOHN E. DAFFRON

RICHMOND, Va. (AP) — Gov. J. Lindsay Almond Jr. today commended the Perrow commission plan to the General Assembly as the best available way to deal with forced integration without wrecking public education in Virginia.

He [illegible] backing for [illegible] would leave to localities the choice between racially mixed classrooms or no public schools.

In a personal appearance before a joint Assembly session Almond defended the commission plan and himself against the accusations of some ardent segregationists that the state is throwing in the sponge in the school battle with the federal courts. He made a Civil War comparison.

The program recommended by the commission is not one of "treatment of surrender," Almond said. "It may be that we have witnessed [illegible] but if we unite and work together for the best interests of Virginia there will be no Appomattox."

The school plan approved by 31 of the 40 members of a commission headed by State Sen. Mosby [illegible] is designed to contain school integration to a minimum. It would supplant the court-killed massive resistance program whose demise resulted in the admission of 30 Negro pupils into white schools of Arlington, Norfolk and Alexandria this year.

It gives localities the option of continuing public schools with integration or permitting public schools to wither away by withholding local tax support. Absence of local support would cut state school financial aid to a constitutional minimum under which schools could not be effectively operated.

This part of the plan is keyed to state aid for scholarships of up to $250 per pupil in private schools not affiliated with any church.

Violence In State Claims 21 Persons

By The Associated Press

At least 21 persons died violent deaths in Texas over the weekend with traffic claiming only a rare minor share of the death toll.

By early Monday, only 9 persons had been reported killed in Texas traffic. The count started at 6 p.m. Friday and continued through midnight Sunday.

Two persons died in the crash of a private plane at Dallas and another died in a parachute jump there. Home accidents, drownings, fires, shootings and knifings all contributed to the carnage.

Cecil N. Britton, about 48, of Levelland, Tex., was killed Sunday night when he missed a detour at a bridge construction site about 8 miles north of Dawn in the Hereford vicinity.

A. B. Allen, 30, Mineral Wells Negro, died of burns suffered Sunday when fire destroyed his home.

James Howard, 5[illegible], died Sunday in Houston of knife wounds suffered following an argument.

Robert Nolan Wooldridge, 21, of Irving, was killed in a parachute jump Sunday at Dallas' Park Cities airport.

Luther O. Hale, 22, of Andrews, was fatally injured in a collision of his car and a truck near Kermit Sunday.

Mr. and Mrs. Ivan Foster were electrocuted Saturday when a television antenna they were installing brushed a high voltage power line at their home 30 miles west of Marshall.

Ernest Myers, 27, member of a Negro band from Odessa, was stabbed to death early Saturday behind a Big Spring cafe.

A Negro, Henry Lowe, was killed and three other Negroes injured Saturday in a shooting that followed a fight in a Houston tavern.

Darrell Pickerton of Thorndale was killed Saturday in a one-car accident 3 miles south of Elgin.

Advertising Man Dies In Houston

The Jaycees sponsor the show here. (Lee Watson photograph).

BIRTHS

Born during the weekend in Cogdell Memorial Hospital:

An eight-pound, two-ounce son to Mr. and Mrs. A. C. Romero, Clairemont Road, at 8:46 p.m. Sunday.

A daughter weighing six pounds, two and one-half ounces to Mr. and Mrs. Richard Callaway, 1109 Fourteenth Street, at 11:03 p.m. Saturday.

A daughter at 4:30 p.m. Saturday, six pounds, 10½ ounces, to Mr. and Mrs. Henry Branton, Gen. Del.

A son, seven pounds, 10½ ounces, at 7:09 p.m. Sunday to Mr. and Mrs. Tommy W. Tucker, 1912 Coleman.

A daughter at 10:14 p.m. Sunday to Mr. and Mrs. Edgar Bullard, Chevron Camp, El Campo, weight six pounds, 11½ ounces.

Model Contest Is Held At Boys Club

The third annual model contest for the Scurry County Boys Club is being held this week, according to Michie Brous, executive director.

Models built by boys may be entered in the contest. The models may be made of wood, plastic, paper or any combination of materials. Suggested models include airplanes, trains, ships, cars, army equipment, etc.

The contest will be divided into age divisions for midgets, juniors, intermediates and seniors. Awards will be presented to winners in each division and class.

Models are to be taken to the club as soon as possible. Brous said. Judging will be on Thursday.

Woman Strikes It Rich In Supermarket

ALLEN PARK, Mich. (AP) — Mrs. Irne Manke, an Allen Park housewife, struck it rich at the supermarket Sunday.

When she got home and began putting her groceries away, she found a paper bag containing hundreds of dollars in cash plus a lot of checks. She said she didn't count it but called the store manager, who rushed over to retrieve the day's receipts.

"He didn't even thank me," she said.

Prosecution Near Case Completion

INDIANAPOLIS (AP) — The prosecution will call three more witnesses today and conclude its case in the first-degree murder trial of Minnie B. (Connie) Nicholas.

An Indianapolis neurosurgeon, Dr. John A. Hetherington, will be one of today's witnesses. The state probably will ask him to tell what could have caused nerve injuries to Mrs. Nicholas' arms.

[illegible] is charged with the fatal shooting of her wealthy lover, Forrest Teel, 54. The shooting occurred in Teel's parked car near the apartment of his new girl friend.

The defense contends the shooting was accidental and happened during a struggle. Mrs. Nicholas said a struggle with Teel caused the nerve injuries to her arms.

The state charges the shooting was deliberate and any paralysis was caused by the defendant's cramped position in her car when she tried to commit suicide by taking an overdose of sleeping pills.

Other state witnesses scheduled to testify were R. K. Shull, reporter for the Indianapolis Times, and Detective Sgt. Philip Sandersand.

Frank Symmes, chief defense counsel, said he will call 10 witnesses, but refused to name any of them except Mrs. Nicholas. He said she probably would take the stand Wednesday.

The defendant's story, which probably will take a full day, will deal with her 15-year love affair with the married Teel, a pharmaceutical firm executive.

"I know I'll be nervous up there on the stand," Mrs. Nicholas said, "but it will be my first chance to tell my side of the story."

Both sides were confident as the trial entered its fourth week.

Spotlight On Crime Fight

WASHINGTON (AP) — The Justice Department's nationwide drive on organized crime and racketeering will come in for special attention during a two-day meeting of U.S. attorneys starting today.

For more than a year the department has spearheaded a drive to pool information about activities of top hoodlums and has worked with other government agencies to prosecute those against whom sufficient information was found.

In addition to direct criminal charges, some have been convicted of income tax evasion and others have been denaturalized or deported.

Atty. Gen. William P. Rogers, announcing the meeting of 94 U.S. attorneys from as many districts in the states and territories, said they would discuss various problems connected with the campaign.

Britain's first medicinal patent was granted in 1698 to Dr. Nehemiah Grew for Epsom salts.

HERMLEIGH NEWS FROM

By MRS. OCIE VEST

Mr. and Mrs. Johnny Schulze of Fort Stockton visited a few days last week with his parents, Mr. and Mrs. A. Schulze.

Mr. and Mrs. Buell Lewis and Roy visited Sunday in the home of Mr. and Mrs. Joe Drennan and Mr. and Mrs. Charlie Drennan in Robert Lee.

Bill Voss and Charline Smith of Hardin Simmons, Abilene, spent the weekend with his parents, Mr. and Mrs. W. A. Voss.

Mr. and Mrs. T. D. Craft and Connie returned home Monday after spending the Easter holidays with their children in San Antonio.

Those visiting Sunday in the home of Mr. and Mrs. Ocie Vest were Mr. and Mrs. Claud Green of Blackwell, Mr. and Mrs. Jimmy Don Williamson of Big Spring and Mr. and Mrs. Clark Sturdivant, of Lubbock.

Alfred Hale of Roscoe visited Sunday in the L. L. Bruce home.

Clinton Lewis and Jimmy Neblett spent the weekend in the Joe and Charlie Drennan homes in Robert Lee.

Mrs. Tommy Murdock of Odessa visited the Easter weekend with her sister, Mr. and Mrs. Grover Barns and brother, Mr. and Mrs. W. A. Voss.

Mr. and Mrs. Jimmy Cooper and baby visited over the Easter holidays with her parents, Mr. and Mrs. W. G. Mayo.

Mrs. S. T. Henkell was discharged from the hospital in Odessa Tuesday.

Mr. and Mrs. Roy Williamson of Snyder and Mr. and Mrs. Jimmy Don Williamson of Big Spring visited Sunday in the home of Mr. and Mrs. Max Peterson.

Linnie Thomason visited over the weekend with Jackie Crawley in Snyder.

Mr. and Mrs. Grant Groves and children returned home Monday after spending the Easter weekend with her parents in Corpus Christi.

Rev. Clesby Patterson returned home Thursday after attending the funeral of his mother in Merkel.

D. P. Ammons Jr. of McMurry, Abilene, spent the Easter weekend with his parents, Mr. and Mrs. D. P. Ammons Sr.

Butch Nachlinger who is attending Texas Tech, Lubbock, spent the Easter weekend with his parents, Mr. and Mrs. Frank Nachlinger.

Mr. and Mrs. R. W. West have their daughters from California and Brownsville, and a son from California here to be at the bedside of Mrs. West who is seriously ill in Youngs Medical Center, Sweetwater.

Judy Vaughn of Idalou visited over the weekend here with grandparents and other relatives.

Linda and Debbie Robison of Slaton visited Monday and Tuesday with their aunt, Mr. and Mrs. Quest Withers.

Mr. and Mrs. Quest Withers spent Sunday with her parents in Slaton and returning home with them for a visit was her grandmother, Mrs. W. N. Robison.

Decor Note

Add a few drops of blue food coloring to the water in a crystal vase in which you are putting pink flowers if you want them to appear as if in a blue vase. Red food coloring in the water will change a crystal vase into a red one and green food coloring will make the crystal vase appear as a green one.

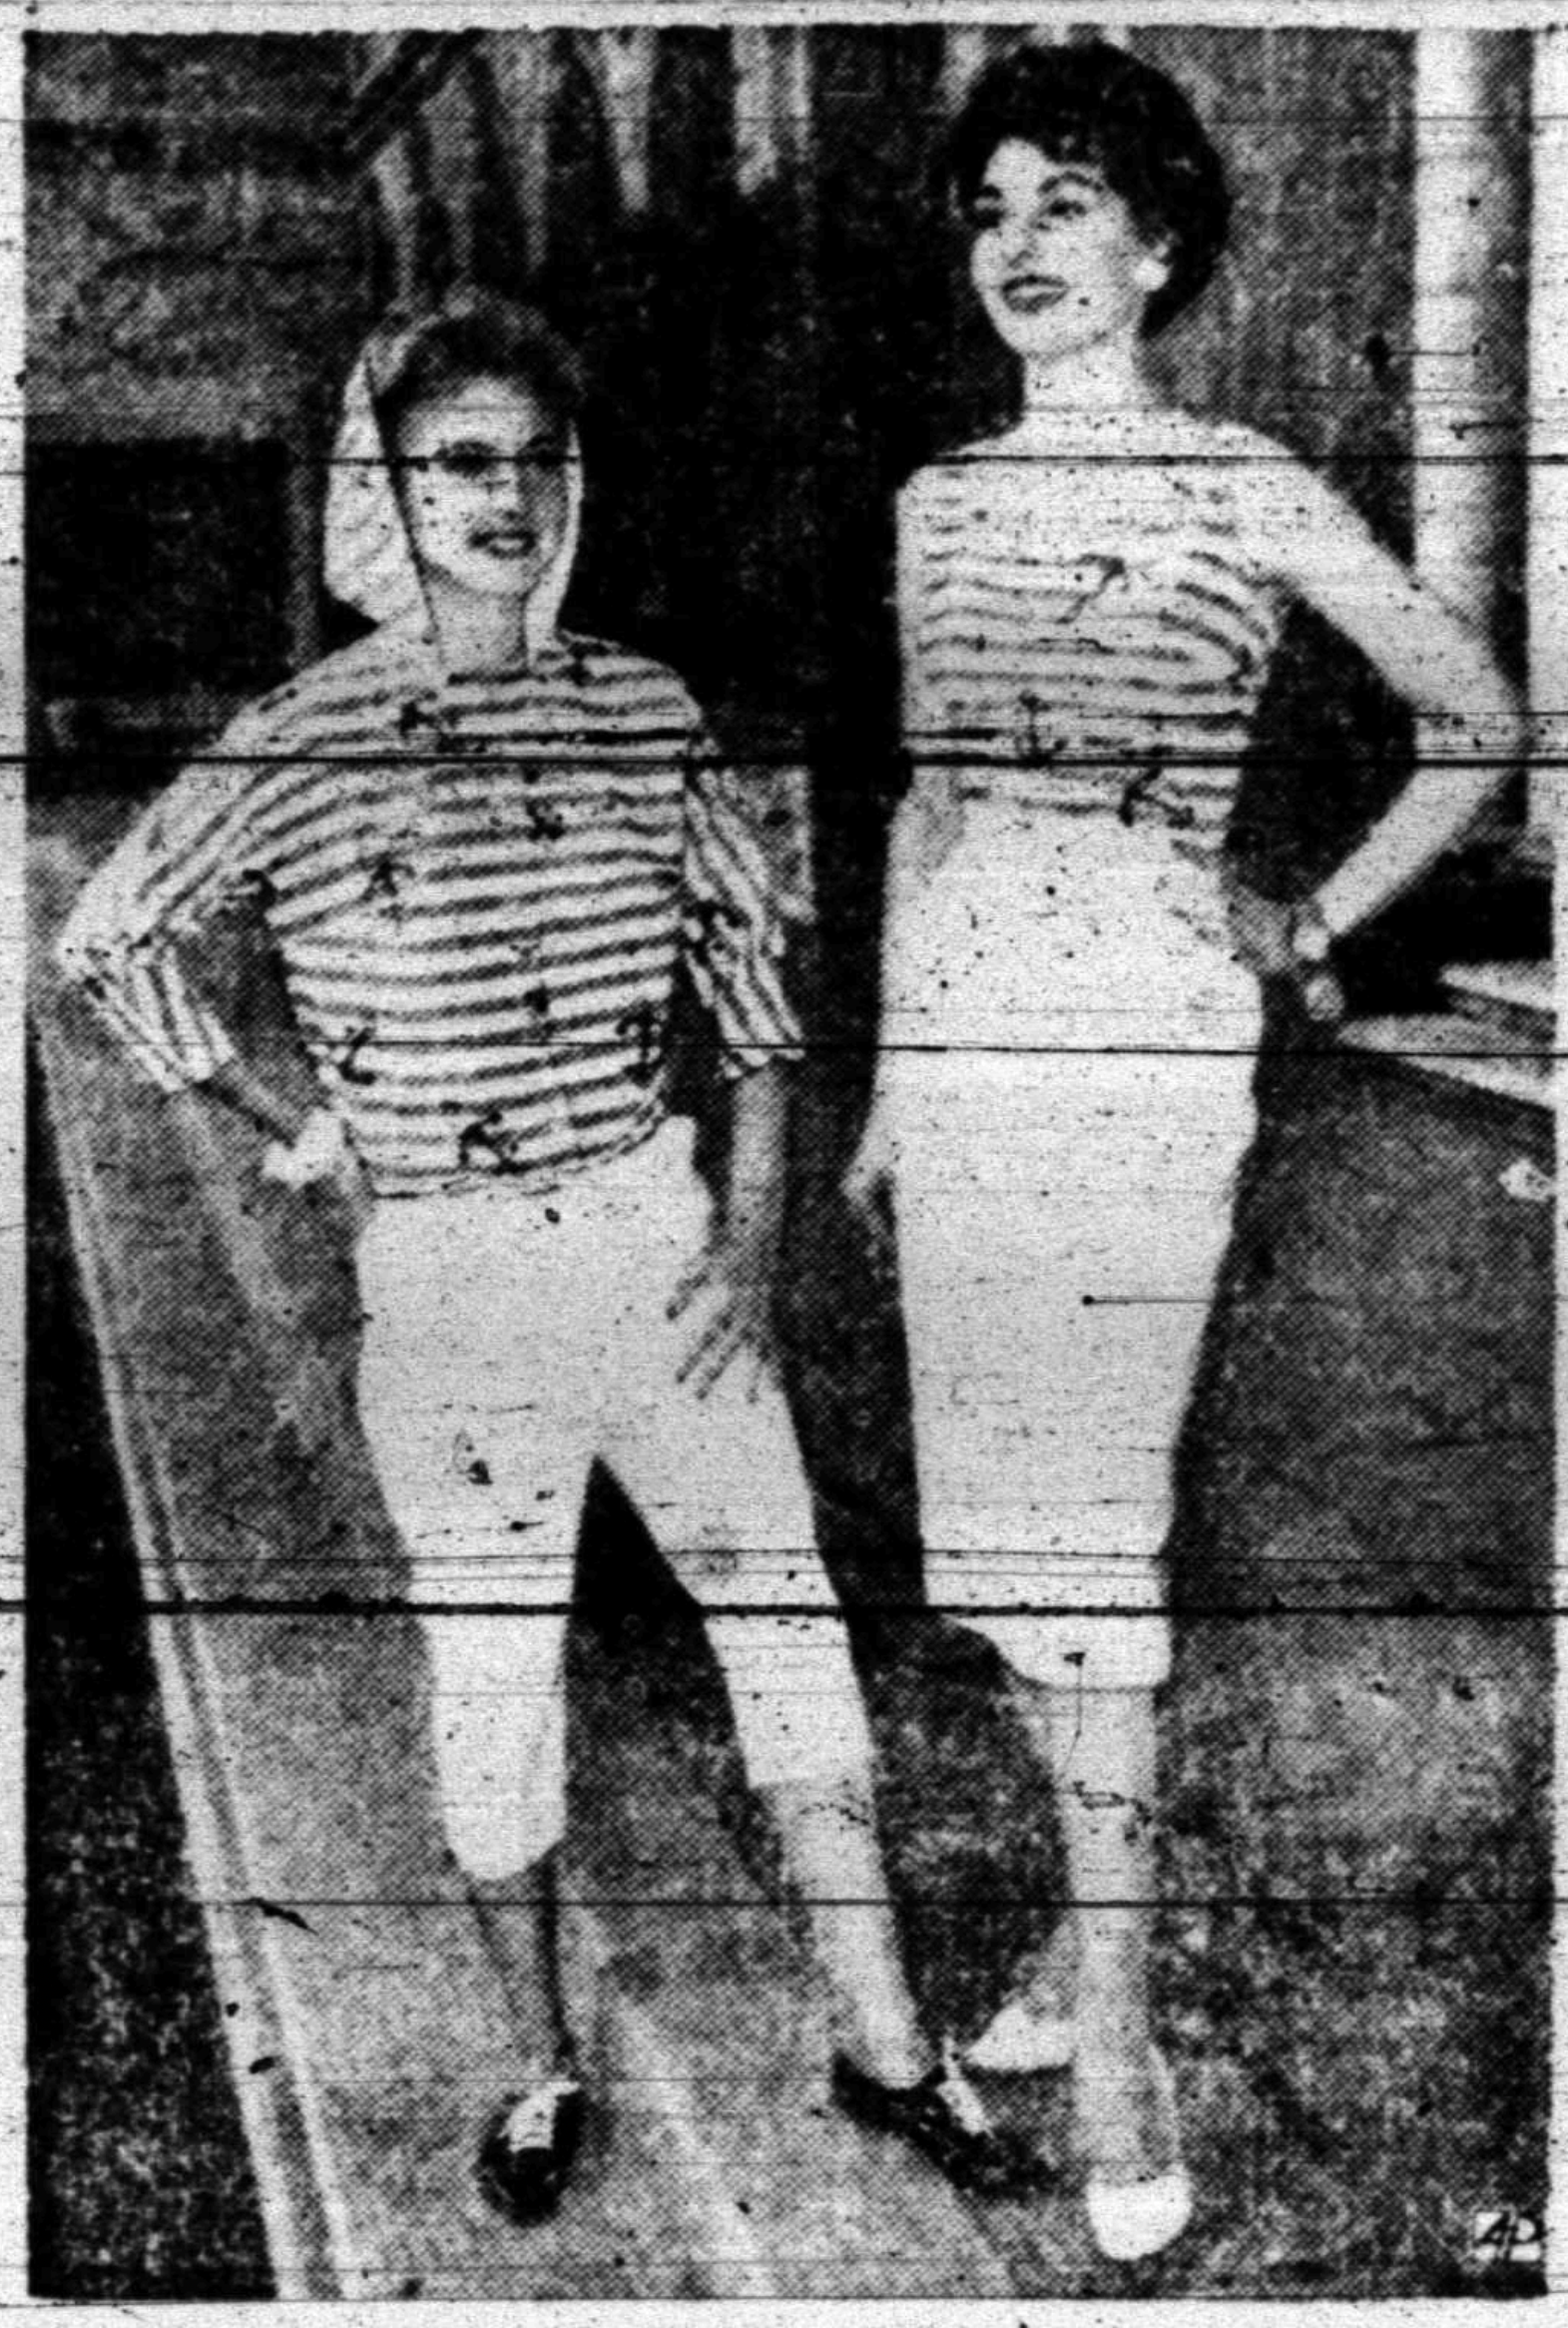
Make Your New Hat From A Mop

This is the year of the wig.

It comes in all versions, newest and simplest of which is the wig hat, which can be made at home with a couple of dust mops—believe it or not.

Mr. John, high fashion milliner of New York, has designed two mop hats, just to prove it can be done. He says any woman can make one of these hats in an hour's time if she knows how to use a needle and thread.

One wig-like hat is made from two dacron mops in brilliant geranium red. The two mops are sewn together, end to end, to fit the head size and circled with a black grosgrain ribbon. The other, in a somewhat Empress Eugenie style, is made from a pale yellow "every which way" nylon mop in long mitt shape, worn with a point of mop forward. It is fastened to a ribbon-covered bicycle clip.



FOR THE SAILING CROWD—This coordinate four-piece outfit is for girls who plan to hit the deck this summer. At left are clam digger pants and hooded jacket in striped and plain navy and white arnel sharkskin. At right, a white skirt with brass button trim, worn with a sleeveless strip, too.

Mrs. Bettie Smith Hostess To Canasta Club

DUNN (Spl) — Mrs. Bettie Smith was hostess for the community Canasta Club in her home Thursday afternoon. She was assisted by Mrs. L. A. Scott.

After games were played refreshments of punch and cup cakes were served to one guest, Mrs. George Cochran of Lamesa, and members, Mrs. Owen Nail, Mrs. Pete White, Mrs. Nolan Bolding, Mrs. Arlie Taylor, Mrs. Walter Brown, Mrs. Fred Bowers, Mrs. Houston Cotton, Mrs. L. E. Russell, Mrs. Jackson Ellis, Mrs. Nat Billingsley, and Mrs. D. D. Smith.

Easy As Pie

Which do you like best, a shiny topped pie or one with a glaze? Well, you can have either. For the shiny top brush the top crust with milk before baking. For a glaze, brush the crust with egg yolk mixed with a little water.

NEWS FROM DUNN

By Elwanda Stewart

Mrs. Houston Cotton visited Miss Nellie Cotton in Snyder Tuesday.

Mrs. Walter Brown has returned home from Midland where she visited Mr. and Mrs. William Johnson and Jerry.

Mrs. Johnnie Castleberry of Snyder visited Mr. and Mrs. J. R. Cantrell this week.

Mr. Tom Wise and his mother Mrs. M. J. Wise have moved back to Dunn after living in Colorado City for several months.

Elwanda Stewart and girls visited Ava Moran in Ira Thursday.

Mr. and Mrs. Howard May of Midland visited Mr. and Mrs. Arvin Townsend and Mr. and Mrs. Maynard Gray last weekend.

NEWS FROM CUTHBERT

By Julia Gunn

Jimmie Cowthron spent the Easter Holidays here with his parents and sister Mr. and Mrs. D. W. Cawthron and Glenda. Jimmie is a Junior student at Sul Ross College, Alpine.

Mrs. Raymond Uzzles and children, Mona, Kevin and Lucretia Ann spent their Easter vacation in Stephenville with Mrs. Uzzles' parents, Mr. and Mrs. J. B. English and a sister, Doris English.

Mr. and Mrs. Roger Hines and daughter, [illegible] of Abilene were guests of Mrs. J. M. Strain and family, Mr. and Mrs. D. W. Cawthron and Glenda last weekend.

Mrs. Victoria Smith [illegible] has returned home after a lengthy visit with her daughter Mrs. Fred Goswick and family.

High School P-TA Tonight

The High School P-TA will meet tonight at 7:30 at the high school for their regular meeting.

Highlighting the business session will be election of new officers. The roster to be presented by the nominating committee includes Mrs. John Hazel, president; Mrs. Newt Morton, vice president; secretary, Mrs. David Harlin, and Mrs. L. N. McClanahan, treasurer.

All members are urged to attend.

Watch Soap

Don't oversoap when doing the family laundry. It is almost impossible to rinse clothes properly when an overdose of washing compounds have been used. This poor rinsing causes a build up of grey or yellow residue on garments.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all — results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance [illegible] — discovery of a world-famous research institute.

This substance is now available in suppository or ointment form under the name Preparation H.* At your druggist. Money back guarantee.

BUCKIN' THE LINE

By BUCK FRANCIS
News Sports Editor

SATURDAY WAS A PRETTY good day in local sports circles. The Tiger baseballers continued their comeback by sweeping a doubleheader from the Big Spring Steers at Big Spring Saturday while local track teams were making fine showings in various district and invitational meets.

Lincoln's Trojans swept to their second district title of the current school year in winning the track meet at Floydada Saturday. The Trojans had previously won the district basketball title.

The Tiger trackmen made their final pre-district showing a good one by finishing second to the defending state champion Andrews team in the Permian Basin Relays at Kermit.

Frosh In Near Miss

And the underclassmen, the Tiger Freshmen, finished second and "by rights" should have finished first in the Sweetwater Invitational meet Saturday. Stamford was awarded the championship trophy with 34 2-3 points to 32 1-3 for Snyder but for a mixup in the sprint relay staggers, the future Tigers would have won the race and the meet.

The Tiger Yearlings had to run some 16 yards farther than the Stamford team yet finished only a step or two back of Stamford who won the race.

Sweetwater officials admitted the mistake but didn't make any changes in the finish except they erased the time from the record books as it was some two seconds under the old record.

Both teams at junior high placed third in the Sweetwater meet.

In other words, Snyder's five track teams, the Tigers, Tiger freshmen, the 7th and 8th grades at Junior High and Lincoln all brought home trophies from track meet warfare Saturday.

Thinlies Start 'Play For Keeps'

The remaining action for the Tiger tracksters will be for keeps. Coach Jim Stehley's lads will attempt to make it three straight district titles Friday in the District 3-AAA meet at Sweetwater.

After the district meet comes the regional and then the state meet. The Red Raider Relays will come in between the regional and state meets.

sports add Buckin the Line Wylma

The Tiger baseballers are taking up where they left off last year—winning the road games but losing 'em at home.

Five of the Tiger's six wins to date have been registered on the road. The only win the Tigers have at home was the 5-4 decision over Monterey in a game cut short by the weather. The Bengals, thus, are 1-3 at home and 5-3 on the road.

It was virtually the same last year for the Tigers. Eight of the first 10 Tiger wins last season were recorded on foreign soil. Through the month of April last year, the Tiger road record was 8-4 and the home record 2-7.

A win is a win regardless where it is recorded but it's sort of a mystery why the Tigers can play such good ball on the road and then fall to pieces at home.

Wall's Final 66 Good For Title

By WILL GRIMSLEY
Associated Press Sports Writer

AUGUSTA, Ga. (AP) — An unorthodox baseball grip and a glass-shafted mallet putter are the trademarks of the new Masters golf champion — quiet, modest Art Wall, Jr. of Pocono Manor, Pa.

"When I first started playing I never knew there was another way to hold the club," Wall said today of his Mickey Mantle style of whacking a ball. The putter is a recent addition to his bag—replacing old wooden - shafted blade he had carried for 10 years.

The putter—with three dots on its head to warn against three putts — played a major part in the most dramatic last day comeback in all the 25 years of Masters Tournament play.

Starting six strokes back and in a tie for 13th place, Wall fashioned a brilliant six-under-par 66 Sunday for a total of 284—which left the pace-setters scrambling for runnerup money.

Cary Middlecoff finished in second place at 285. Defending champion Arnold Palmer took a triple bogey six at the 12th hole, the key hole of his success in 1958, and wound up with a 74 for third place at 286.

The old Canadian war horse, Stan Leonard, faltered with a 75 for 287, tie with Dick Mayer. Amateur champion Charlie Coe, three-putting five greens, fell back to 73 for 288.

The Masters never has seen a rally such as Wall's. In 1956 when Jack Burke packed in after being eight shots behind he only had to hurdle three players. In 1957 when Doug Ford won with a last round 66 he also only had to push ahead of three rivals. Wall leaped over 12 players in his spectacular surge to the front.

He sank one putt of 20 feet, three of 15 feet and finished with a 12-foot birdie putt on the last hole.

"I never doubted I could make it," he said.

He had five birdies on the last six holes.

Wall's victory earned him $15,000 and pushed his year's money winnings past $30,000, giving him the thickest wallet on the tour.

Wall is 35 years old, son of a state representative from Honesdale, Pa., and a pro for 10 years. But until this year, he never made a serious threat for the golf pinnacles which have been occupied by such stars as Ben Hogan and [illegible]. Hogan finished at 295 and got a consolation check of $300. Snead had 293 and banked $1,275.

Palmer and the balding, 44-year-old Leonard started the final day tied for the lead at 212, one shot better than Middlecoff and three better than amateur Coe.

Wall began his great birdie surge almost unnoticed, sandwiched between the Palmer-Coe twosome and the Middlecoff-Leonard duo.

Palmer appeared a cinch, even after his nightmarish triple bogey six at the 12th, until he missed a three-foot putt on the 17th and a five-footer at the 18th.

Then Wall made his driving finish — going birdie-birdie-birdie-par-birdie-birdie on one of the great rallies of all-time.

The Masters drew more than 100,000 spectators during the four days—close to 50,000 on Saturday alone—and proved itself one of the big spectacles of sports.

No Change Due For Base

WELLINGTON, New Zealand (AP) — Britain's base in Singapore is the pivot of Britain's [illegible] position in the Far East and [illegible] that position, British Defense Minister Duncan Sandys said today.

Sandys, here for the annual meeting of the Southeast Asia Treaty Organization, [illegible]

[illegible]

LOCAL FISHERMEN IN BIG WEEKEND— Noel Banks, left and Lon Faver, both Snyderites, are shown with a string of catfish, crappie and bass they caught at a tank near Lake J. B. Thomas Saturday afternoon, night and Sunday. The string of fish weighed about 60 pounds, with the bass ranging from one and one-half pounds up to 4½ pounds, with eight bass weighing four pounds or more. The crappie averaged about 2 pounds each. The large catfish, weighing about 12 pounds, was caught on trot line, rest on poles and lines from the bank. (Lee Watson photograph)

Tiger Nine To Play Broncs Here Tuesday

The Tiger diamonders, the pace setters in District 3-AAA in non-loop play to date, resumes action tomorrow afternoon when they host the tough Odessa Broncs at Towle Park.

Coach Speedy Moffett's Bengals reached the .500 mark for the first time Saturday afternoon when they swept a doubleheader from the Big Spring Steers to even their record at 6-6, best in 3-AAA.

Lamesa is second with a 1-5 mark and Colorado City is winless in four outings to date. Sweetwater and Lake View, the other two schools in 3-AAA, are not participating in baseball.

The Tigers play three times this week. After tomorrow's game, the Bengals go to San Angelo Saturday for a doubleheader.

The Tiger freshmen and sophomores will meet the Colorado City sophomores in a return game here Thursday. The local yearlings won the first game at Colorado City last week, 18-4.

The varsity Tigers, after losing their first four starts, have come back to win six of their last eight decisions to level their record at 6-6.

Odessa, tomorrow's Tiger foe, swept a three-game series from the Amarillo Sandies last weekend and now stand 8-4 for the season.

Odessa coach is expected to go with either James Ingram (4-2) or Jerry Tylson (2-2) in tomorrow's game. Both recorded decisions in the Amarillo series. Ingram pitched a 5-hitter to lead the Broncs past the Sandies Friday, 5-3, and Tyson, also tossing a 5-hitter, won 3-2 in the first game of a doubleheader Saturday.

Ingram then saved the second game of the doubleheader Saturday which the Broncs won 2-1 in a five-inning affair.

While the Broncs were sweeping a pair from Amarillo Saturday, the Tigers were likewise winning a twinbill, 5-4 and 6-5 over the Big Spring Steers.

Norman Gladson and Tim Roberts, the co-aces of the Tiger staff, each recorded a victory Saturday in the twinbill. Gladson, in winning, evened his record at 3-3 while Roberts was winning his third decision in four decisions.

One of the two Tiger aces will likely get the starting call for tomorrow's game, slated for 4 p. m.

'Chest Expansion' Is Ira's Drawback

AUSTIN, Tex. (AP)—Little Ira Murchison agrees that what he needs most is to add two inches to his chest expansion. Then he might beat Bobby Morrow, the Olympic sprint champion.

Three times Murchison has lost to Morrow by inches. Last week in the special 100-meter race of the Texas Relays is was only because Morrow stuck his chest out further after catching the little man from Chicago in the last five yards.

For the record Murchison is 5 feet 4 and weighs 135 pounds. Morrow is 6-1 and weighs 180.

[illegible] NCAA 100-yard dash of 1957 here when he was so close to Morrow both got a time of 9.3, equalling the world's record.

And that 100-yard dash in the National AAU last year was almost as close, said Murchison. Morrow won in 9.4 with Ira inches behind.

It seems the only decisive victory Morrow ever scored over Murchison was in the 1956 Olympic Games when Murchison finished fourth but was only three yards back of the champion in the 100 meters.

The Morrow-Murchison duel was a highlight of the Texas Relays last weekend as the two speed kings ran the 100 meters in 10.3—just a tenth of a second over the world's record Morrow shares with Willie Williams and Leamon King.

The outstanding mark, however, was a javelin throw of 270 feet 1½ inches by big Bill Alley of Kansas which smashed the American and National Collegiate records.

It was one of six new marks posted in the 32nd relays that drew an all-time record 1,265 athletes from 116 schools in four divisions.

Other outstanding performances were a pole vault of 14 feet 8½ inches by Jim Graham of Oklahoma and a mile relay in 3:10.3 by Texas. Eddie Southern, the sprint and relay star of Texas, turned in a [illegible] quarter mile on the anchor lap. This equalled the world record time.

A top individual was Cliff Cushman of Kansas. He won the 400-meter hurdles in 52.2, did a 1:50.3 half mile on the winning sprint medley relay team, ran a 4:19.5 mile on the winning 4-mile relay team and did a blazing 880 leg on the second place distance medley relay.

VICTORY DANCE—Joyce Kite, left, and Pat Head of Wayland College Flying Queens hug each other and dance [illegible] as the final buzzer sounded [illegible] Women's National A.A.U. basketball tournament [illegible]

7 Collegians Selected On All-Pan-Am

LOUISVILLE, Ky. (AP) — The College All-Stars, surprise winners of the Pan-American basketball trials placed seven men on the U.S. team for the Pan-Am games at Chicago in August.

Another seven were chosen from the other three teams in the round-robin event which ended Saturday night. Six alternates also were named.

The collegians, who had only three days of practice before the start of the tournament Thursday, were given only an outside chance. Wichita was the favorite on the basis of its National AAU championship.

But the All - Stars breezed through with a 3-0 record. The Bartlesville Oilers were second with 2-1. Wichita was third with 1-2 and the Armed Forces wound up last with 0-3.

The seven All-Stars chosen were Jerry West, West Virginia; Oscar Robertson, Cincinnati; Bob Boozer, Kansas State; Johnny Green, Michigan State; Don Goldstein, Louisville; Leo Byrd, Marshall, and Walt Torrence, UCLA.

The other seven were Jack Adams (Eastern Kentucky) Armed Forces; Dick Boushka (St. Louis) Wichita; Dan Swartz (Morehead) Wichita; George Bon Salle (Illinois) Bartlesville; Burdette Haldorson (Colorado) Bartlesville; William Evans (Kentucky) Bartlesville, and Robert Jeangerard (Colorado) Armed Forces.

The U.S. Olympic Committee also named Fred Schaus of West Virginia head coach and Olmar Browning of Bartlesville assistant coach at its Sunday meeting.

Heavies In Ring Features

By MURRAY ROSE
Associated Press Sports Writer

This is heavyweight night in boxing. Alex Miteff and Harold Carter are among the huskies scheduled to toss leather tonight.

Miteff, 24-year-old Argentine, and Carter, 24, of Linden, N.J., both are on the comeback path after being demoted from the list of contenders. They clash in a ten-rounder at New York's St. Nicholas Arena.

Two young unbeaten heavyweight prospects, Bob Cleroux of Montreal, and Chuck Hood of Washington, meet in an eight-rounder at Montreal.

Zora Folley, ranked third by the NBA and second by Ring, takes on Willi Besmanoff, the German heavyweight now fighting out of Milwaukee, at Denver Tuesday night.

Two young lightweights, Paulie Armstead of Los Angeles and Eddie Perkins of Chicago, are matched in the Wednesday night television (ABC) ten-rounder at the Chicago Stadium. Armstead is ranked seventh by Ring.

Veteran lightweights Paolo Rosi, an Italian now living in New York, and Frankie Ryff, also of New York, collide in the Friday night TV (NBC) ten-rounder at Syracuse, N.Y. Rosi is the No. 4 contender. Ryff, on a comeback, hopes to regain a place in the elite top ten.

Yankees Release 40-Year-Old Trucks

ST. PETERSBURG, Fla. (AP) — Virgil Trucks, 40-year-old right-hander, was unconditionally released today by the New York Yankees.

The Yankees obtained him last June in a deal with Kansas City. Trucks broke in with Detroit in 1941 and has a lifetime record of 177-135 for a .567 percentage in [illegible] for 19 seasons is 3.35.

Trucks said he would shop for a job with a National League team.

AFTER FINE SPRING CAMPAIGN

Anderson To Hurl Chicub Opener

By ED CORRIGAN
Associated Press Sports Writer

Bobby Anderson, a towering 23-year-old right-hander who was something less than sensational last year, has developed into the key man in the Chicago Cubs' pitching staff — so much so that Manager Bob Scheffing today de[illegible] starting assignment.

At such an age, the supposition would be that Anderson is pretty much of a novice in the pitching trade.

Guess again.

He has toiled for no fewer than five minor league clubs and now is going into his fourth hitch with the Cubs.

Anderson, all 6-4 of him, spent most of last season with Fort Worth in the Texas League where he compiled a 17-9 record. He hung on with the Cubs for a while and posted a 3-3 mark and a 3.95 ERA.

But Sunday, he capped a fine exhibition campaign, holding the Boston Red Sox to three singles during a seven-inning stint in Fort Worth. The Cubs won the ball game, 5-0, and Anderson got Friday's starting assignment against Los Angeles.

During the spring, Anderson pitched 38 innings and allowed 12 earned runs.

Three top veterans oiled their arms for their opening day appearances.

Warren Spahn shut out the Detroit Tigers, 5-0, on six hits for the Milwaukee Braves in Bradenton; Billy Pierce whitewashed the Washington Senators, 3-0, for the Chicago White Sox in Charleston, S.C., and Bob Friend, ace of the Pittsburgh Pirates staff, cut down the Philadelphia Phillies, 5-1, in Fort Myers, Fla.

Elsewhere, the San Francisco Giants edged the Cleveland Indians, 7-6, in Denver, the Los Angeles Dodgers downed the Kansas City A's, 3-1, in West Palm Beach; the Cincinnati Reds outlasted the New York Yankees in 10 innings, 7-6, in Tampa, and the Baltimore Orioles turned back the St. Louis Cardinals, 5-4, in Miami.

If his Braves' teammates are overconfident, Spahn certainly is not. It marked the veteran left-hander's second shutout in three starts. The Tigers collected six hits and just two of them got as far as third base.

For Pierce, the triumph was his first nine-inning job of the spring. But in this case the silver lining had a dark cloud. The Sox collected just six singles. They've been having trouble all spring getting anything more than a single.

Friend outpitched another veteran, Robin Roberts. The Pirate righty gave up only six hits. Roberts was touched for 13, including homers by Bill Virdon and Dick Stuart.

Home runs were the big factor in the victories of the Giants, Dodgers and Reds.

Jackie Brandt lined a three-run job in the eighth to earn the Giants their come-from-behind struggle over the Tribe. Charlie Neal sent the Dodgers ahead with a homer in the third, and John Powers came up as a pinch hitter for Cincinnati in the tenth with Pet Whisenant on base and blasted one of Jim Bronstad's pitches over the right field wall and the Yanks were dead.

Roy Harris Child Dies

HOUSTON (AP)—Texas heavyweight boxing champion Roy Harris and his wife, Jean, lost their first and only child yesterday, apparently the victim of a lung condition.

Infant Roy Robin Harris died less than 22 hours after his birth Saturday.

Mrs. Harris entered the Houston hospital after accompanying her husband to Dallas last Wednesday where he successfully defended his title in a 12-round fight with Donnie Fleeman.

A physician said a preliminary autopsy blamed atelectasis as the cause of death. He described that as failure of the lungs to expand at birth.

Harris said he had viewed his son through a nursery window early Saturday. "I had no idea there was anything wrong," he said. "He cried and was breathing fine for the first three or four hours.

"After while I went downstairs for breakfast and when I came back the doctors and nurses were working with the baby. He had turned blue."

Funeral services were to be held at 2 p.m. today in the Dry Creek Cemetery near the family home at Cut and Shoot, Tex. The Rev. Kenneth Walker was to officiate.

SWC Grid Telecasts To Be Set Next Fall

AUSTIN (AP)—Regional telecasts of football in the Southwest Conference next fall will be designated the week of the games.

Dates have been set by the NCAA as Oct. 10, Oct. 31 and Nov. 14 but Howard Grubbs, conference secretary, said after a meeting of the television committee here yesterday that the games would not be decided this far in advance. Rather, they will be set on the Monday preceding the games.

Grubbs said picking each game a week ahead of the telecast would insure topflight football for television fans.

He also said there would be some blackouts in the area where the games are televised so as not to hurt attendance in the television area.

Athletic directors of the schools in the Southwest Conference make up the television committee.

Tommy Ivan took over as general manager of the Chicago Black Hawks in 1954. The players he had that year have since departed.

Ground Water Resources

THE CORPUS CHRISTI CALLER

Another warning has been issued against the depletion of ground-water for irrigation, particularly in the High Plains of Texas. It comes from Dr. Lorrin G. Kennamer, University of Texas geographer.

"In the High Plains, ground-water is probably over exploited already," Dr. Kennamer said. "Some of the major regions have expanded their irrigated acreages to such an extent that water shortages have already been suffered. . . the state must base its plans upon the reality that Texas water resources are limited and subject to [illegible] or depletion. The water frontier has been exploited and now must join the company of other famous frontiers of the past."

The reservoirs of water being drawn upon in the High Plains apparently have no natural aquifers, geologists report. Irrigators in that region therefore are "mining" water that may never be replenished.

Approximately six of the seven million irrigated acres in Texas currently are supplied by ground water. In some regions the supply appears to be almost limitless —The Edwards Plateau is a classic example. Others are definitely subject to depletion.

There may be no way of preventing exhaustion of some ground water resources. But users cannot complain that they were not warned of the potential consequences of the practice.

Critics Begin To Pick At Johnson

By JAMES MARLOW

Associated Press News Analyst

WASHINGTON (AP) — At the start it looked like such a comfortable year for Sen. Lyndon Johnson. As leader of the Senate Democrats the tall Texan had everything he could wish for, including peace and quiet.

It was like being the skipper of a ship on a windless sea. Then suddenly out of nowhere the wind came up. It didn't capsize him but it rocked his boat.

Loyalty? He had it. Probably every Democratic senator is beholden to him for some favor or other. He's a great one for doing favors, knowing the importance of having senators feel favorable to him when he wants something done.

Prestige? He had it in abundance. Wasn't everyone saying he was a positively brilliant maestro in a place which has more prima donnas than an opera house? He had a genius for getting them to say yes or no as he wanted.

And best of all for him, he had an overwhelming majority of Democrats to work with. Thanks to last November's elections, his party's majority was the greatest since early New Deal days.

What more could a Senate leader ask? If he were asked, he'd probably have said more of the same, as anyone would. He was even being prominently mentioned as a likely Democratic presidential candidate in 1960.

Then a comparative newcomer, Sen. William Proxmire, Wisconsin Democrat, strode up to the bridge and pulled the skipper's cap down around his ears. This was a few weeks ago.

In brief, this was Proxmire's complaint: Senate Democrats were being treated to too much of the daddy-knows-best stuff with Lyndon the Daddy. Proxmire wanted less of a one-man show and more say-so from everybody.

He wanted Johnson to hold more pow-wows with other Democrats so they could have a voice in what legislation should be pushed, changed or shoved aside.

Last week Johnson encountered criticism of his leadership from another Democrat, Sen. Pat McNamara of Michigan. He didn't like the way Johnson acted—failed to act was the way he put it—on the jobless pay bill.

This bill, as approved by Congress, was much less than McNamara wanted. He accused Johnson not only of failing to provide leadership but of failing to take a stand at all.

Sen. Wayne Morse (D-Ore.) came up with still more criticism during the weekend. He didn't mention the 51-year-old Johnson by name, nor did he name Johnson's fellow Texan, 77-year-old Sam Rayburn, speaker of the House. The two Texans have been the undisputed Democratic bosses in the Capitol.

But Morse blasted the "Democratic leadership on Capitol Hill" which he said has been the "Charlie McCarthy in a political ventriloquist act" with President Eisenhower and his administration on the Edgar Bergen end of the act.

"Could it be," asked Morse, "that we are witnessing a tragic political spectacle of both of our political parties in the control of old, tired, sick, reactionary men?"

He said in effect the Democratic leadership in Congress, instead of leading and pushing through Democratic programs, has been playing footsie with the Eisenhower administration.

On top of all this the 27-man Democratic party advisory council tried to light a fire under Johnson and Rayburn Sunday with an appeal to them to ignore Eisenhower's spending holddown and to start a program to bolster the economy.

Public Relations Director Is Named

ABILENE, Tex. (AP) — Appointment of The Rev. Byron Bryant, pastor of the First Baptist Church in Breckenridge, as public relations director of Hardin-Simmons University was announced yesterday.

Bryant and Dr. Lee Hemphill of Littlefield, named last week as the school's vice president for development, will assume their new duties May 1. Both are Hardin-Simmons graduates.

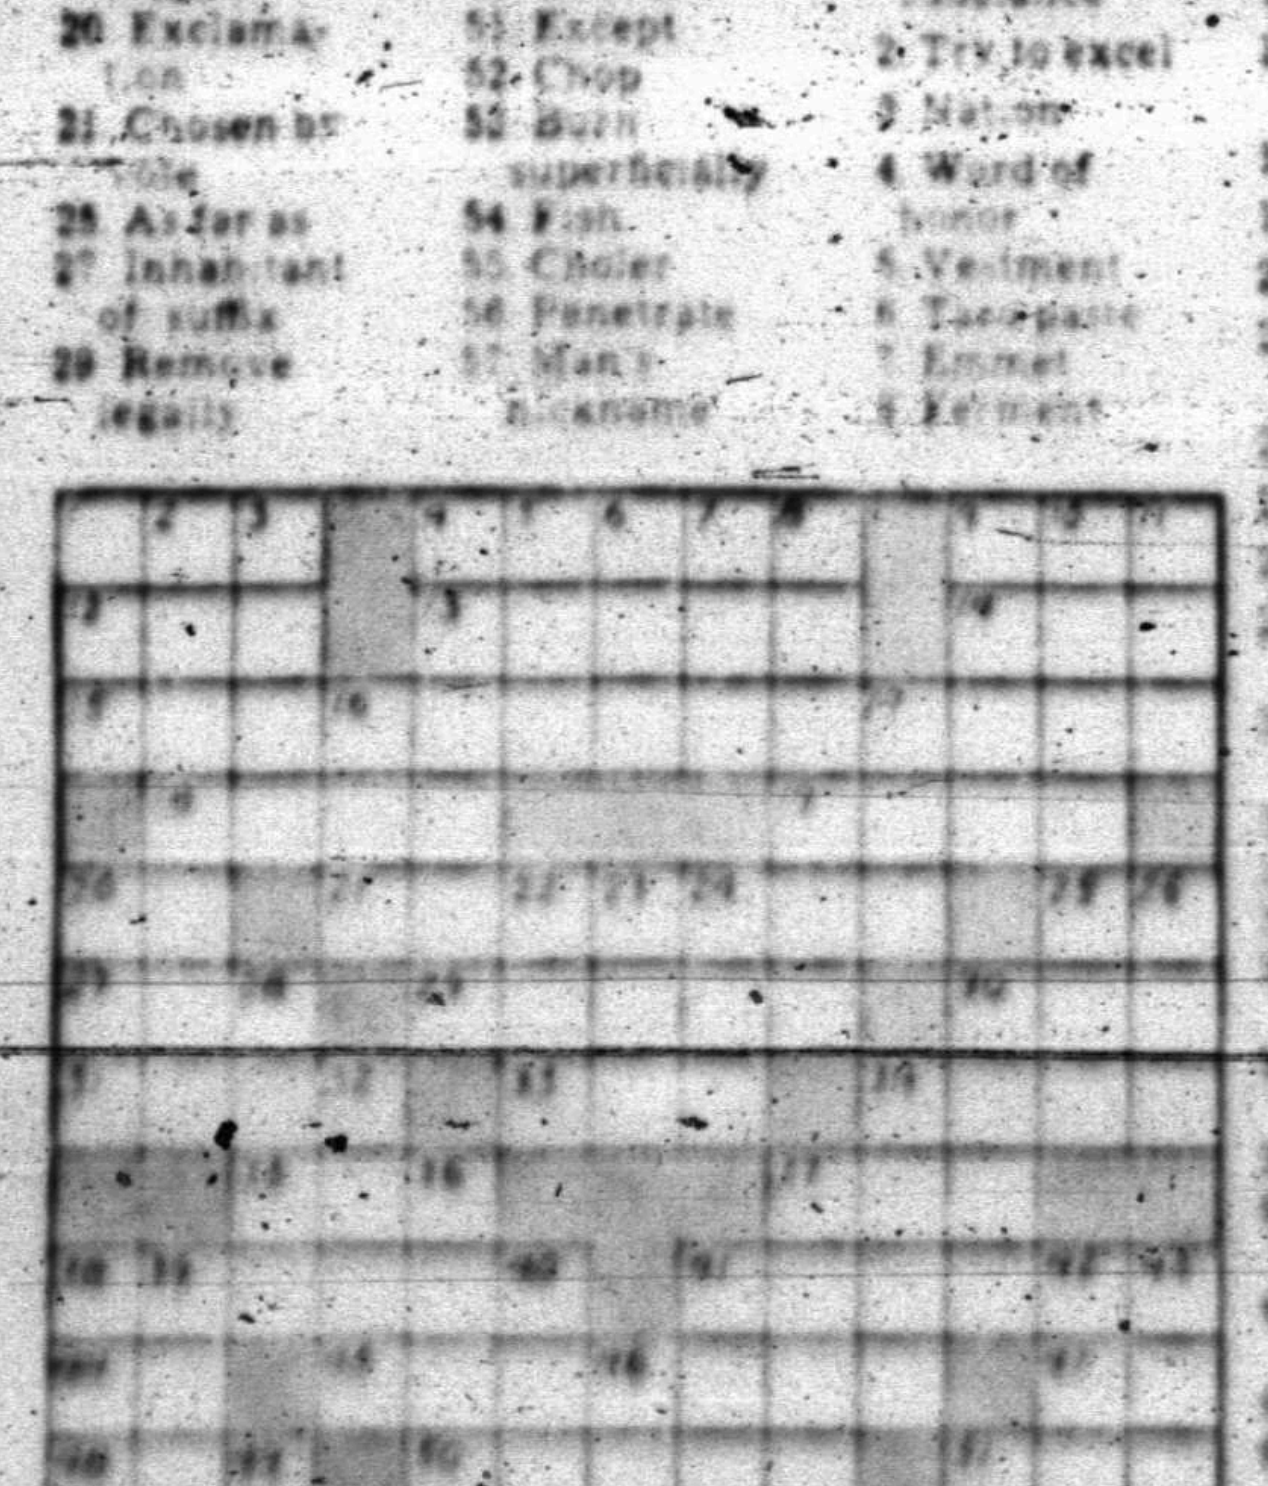
Solution of Saturday's Puzzle



Columnist's Mail Is Enlightening

By HAL BOYLE

NEW YORK (AP) — Things a columnist might never know if he didn't open his mail:

Lord Nelson, Britain's greatest naval hero, had an unusual occupational ailment—seasickness. He suffered from the malady throughout his extraordinary career.

"Crime never pays, but it always costs. It exacts a 20-billion-dollar annual toll in the United States, or between $[illegible] and $300 for every family."

Dieters, take a tip from the sloth. This slow-motion animal takes so long to eat that before it has finished a meal, it is late for the next one.

"This is no justification for speed demons, but did you know that in most car accidents the vehicles are traveling at less than 50 m.p.h.?"

Presidential candidates in the 1960 campaign will have to take extra care to please the ladies. Experts figure up to three million more women than men will vote.

Old but always good, actor Walter Slezak's favorite joke is the one about the scientist who invented a chemical that dissolved anything. Then he went crazy trying to invent something to keep it in.

How long do you keep a car? The average automobile in this country is now traded in after 27 months.

A recent study indicated 62 per cent of American households do their laundry once a week, 28 per cent more than once a week, and 6 per cent every two weeks. Guess the remaining 4 per cent just enjoy being dirty.

"The right to know: the world now has 7,520 daily newspapers and should be better informed than at any time in its history. Unfortunately, the newspapers in some countries still aren't free to print the truth."

The United States now has more than 50,500 motels, or enough, if filled, to sleep the entire population of Vermont.

Signs of the times: This one is over the bar at the Diplomat Restaurant: "Don't be nasty to the bartender. His wife is a werewolf."

Our quotable notables: "Obesity," says critic Cyril Connolly, "is a mental state, a disease brought on by boredom and disappointment."

Some scientists believe that everyone, if he lives long enough, eventually would get cataracts. But only about 15 per cent of Americans reach an age where their vision is seriously impaired.

Can you name seven animals that chew their cuds? Answer: an antelope, a deer, a sheep, a goat, a giraffe—and two cows!

Parental problem: "A daughter," says Arthur Murray, "is someone you can't wait to talk when she's an infant and can't wait to stop when she's a teenager."

Our Hollywood spy informs us that the original Lassie is now 18 years old. The original John Wayne is 52.

Author Edgar Wallace was famous for his writing speed. Once a friend who had called him was told that Wallace couldn't come to the phone because he had just started a book. "That's all right," said the friend. "I'll hold the wire."

Have the cigarette taxes got you worried? In Scotland, a pack of smokes cost you 60 cents up. In England the price of two ounces of pipe tobacco is $1.25.

Consoling note: Don't fret if you aren't real brainy. The big blue whale has a [illegible]0-pound brain, and what did it ever get him, except wet?

It was poet John Masefield who observed: "The days that make us happy make us wise."

Scientist Urges 'Hell Fire' Plan

By ALTON BLAKESLEE

Associated Press Science Writer

BOSTON (AP) —A scientist today declared we ought to create "hell fires" on earth, just to see what happens.

He warned the Soviet Union is probably trying to do it — first.

The hell fires would be laboratory temperatures of 10,000 to 60,000 degrees — 2 to 12 times hotter than those usually produced on earth.

Out of research with them come an entirely new chemistry — perhaps vastly more powerful rocket fuels, strong new materials, strange new chemicals.

A research jump into these "hell fires" was urged by Dr. Aristid V. Grosse, president of the Research Institute of Temple University, at opening sessions of the American Chemical Society's 135th national meeting.

"We simply don't know much about what happens in chemical and physical reactions above about 5,000 degrees," he said. "But temperatures above 10,000 degrees might lead to new fuels, rocket propellents, and materials able to resist tremendous heat."

"Our national security could be involved if these high temperatures do hold secrets to new fuels and new chemicals.

"The Soviet Union is trying to leapfrog us in the missile race, and probably is working hard on facilities to create ultra-high temperatures."

Really high temperatures can be created by furnaces focusing the sun's rays, by some rocket motors, and by plasma jets, or streams of gases created by electric arcs.

Dr. Grosse urges more such facilities for research into the hell fire range.

He described two new steps into this higher temperature range made at the research institute.

One is creating hot flames through plasma jets using oxygen, ozone, and other materials, that can produce continuous temperatures up to 60,000 degrees F.

Various chemicals and materials will be exposed to these temperatures to see how they react. New types of chemical reactions might occur.

A second step is discovery of a method of storing pure ozone in laboratory tanks, and then using it in controlled amounts, with no danger of explosions. Ozone, the single-atom form of oxygen, makes anything burn at higher temperature and faster than it does with ordinary oxygen.

AA 12th Step House Sobers 1,300 Drunks

By JUNETTA WATSON
Houston Post Staff
Written for The Associated Press

HOUSTON (AP)—The House on McKinney Avenue looks ramshackled and run down on the outside.

Inside it has been cleaned and put in order. And the people in it are busily doing the same thing with their own lives and those of others.

It is the 12th Step House of Alcoholics Anonymous, which in the last three years has sobered up about 1,300 drunks. It is run by alcoholics for alcoholics.

Every drunk who approaches the front door is not admitted. He must be sick with alcoholism, admit it and want to do something about it. Those who enter come from a cross section of Houston and represent almost every professional and social class.

One graduate who entered as a transient almost three years ago said, "I now call Houston my home, for it was here that I began to live."

The alcoholic is often treated with alcohol initially. "We give him a drink if he is about to go into DT's (delirium tremens) or convulsions, but we control the bottle," one of the leaders said.

Then the alcoholic is gradually weaned. Sudden withdrawal is quite painful and sometimes dangerous.

Next, to give him nourishment, the alcoholic is given a concoction of wine, milk and a raw egg. "It tastes terrible," one graduate said, "but an alcoholic will drink it just to get the alcohol."

In a day or two he is given soft foods. In five or six days he will begin to eat, retain his food and sleep at night. During this time a concerted attempt is made to indoctrinate him into the AA program.

The alcoholic is allowed to stay on until he can find a job, go home to his family, or find another place to stay. For those who have no place to go, the house has an extension group for those who are not ready emotionally to face a life of sobriety.

Both groups are supported exclusively by contributions from AA members. "I go there just to associate with non-drinkers," a lawyer said.

An advertising executive with almost three years of sobriety said he hit jails from Honolulu to New York. "I had been on a 4-year drunk and traveled 25,000 miles," he said. He had lost some good jobs and had borrowed $5,000 which he is now paying back.

"There have been a whole series of miracles which have come about, I believe, from trying to live the AA program," he said. He now has a good job, a wife, a new home, nice furniture, two cars and good clothes.

A lawyer told of sobering up on his own but staying sober with the AA. "You can't do it by yourself," he said. "I got the point where I had to have a half pint of vodka before I could tie my shoes in the morning.

"I almost went crazy the first six months I was dry. But after six months I had my business and my problem of drink was partially solved. Then it was easier."

Fifty per cent of those who take the AA program never drink again. Some 25 per cent fall off the wagon once and climb back on. Another 12.5 per cent need several tries and the remainder never make the grade.

"By helping another alcoholic," said one man of seven years of sobriety, "you are constantly reminded of how bad it is at the bottom and you never want to go back.

"You look at the guy with the shakes, and you say, 'This was me seven years ago,' and it makes you cringe."

Council Of Cyprus Meets

NICOSIA, Cyprus (AP)—Britain today joined Greek and Turkish Cypriot leaders in opening the inaugural meeting of the Cyprus Ministerial Council with bright predictions for the future of this island soon to become a republic.

Gov. Sir Hugh Foot, Archbishop Makarios, leader of the Greek Cypriots, and Dr. Fazil Kutchuk, the Turkish Cypriot leader, hailed the future of the Mediterranean island.

The Union Jack, Greek and Turkish flags fluttered above the former public information building which now is the home of the new council. The group will be the local government of Cyprus until the republic is formed.

HST In Los Angeles For Two Appearances

LOS ANGELES (AP)—After a flying trip to a desert resort, Harry Truman is back in Los Angeles for two talks and a touch of prognostication.

The former president is expected to outline the qualifications he thinks the Democrats' 1960 presidential candidate will have to have to win at a meeting of a Democratic group today. He will speak at a Town Hall meeting Tuesday and at UCLA Wednesday.

Truman was flown to Palm Springs and back Sunday in the private airliner of oilman Ed Pauley. He visited the ranch of actor Phil Regan.

Ignore Ike's Budget Drive, Demos Urge

WASHINGTON (AP) — The Democratic Advisory Council proposes that Democratic leaders in Congress ignore President Eisenhower's economy drive and get busy with a spending program to boost the nation's economy.

"The Democratic party does not believe in spending for its own sake but we know that a nation which is doing too little is not spending too much," the council said Sunday.

Among other things the advisory group advocated more aid to the unemployed and more aid to housing, slum clearance, school construction and economically distressed areas.

"Once more we are witnessing callous Republican indifference to the suffering and needs of people who, through no fault of their own, are unable to obtain jobs," the council said.

The 27-member group includes former President Truman, Adlai Stevenson and Democratic National Chairman Paul Butler.

Although the council statement didn't mention names, it clearly was an appeal to the party's congressional leaders, Sen. Lyndon B. Johnson and House Speaker Sam Rayburn, both Texas Democrats, to speed action on economic aid legislation when Congress returns from its Easter recess.

Meanwhile, a private study of federal budget prospects indicated that it may be five years before the government has a surplus large enough to permit a significant tax cut.

Even if rigid economy is enforced, the report suggested, government costs will climb steadily from 1960 through 1968. However, it said that federal revenues may begin to exceed spending by 1962 if full employment is achieved and maintained.

The report was prepared by Dr. Otto Eckstein, a Harvard economist, for the Committee for Economic Development, a privately supported research organization of businessmen and educators.

Non-Smokers Fare Best In Smog City

By JOHN BARBOUR
Associated Press Science Writer

EXCELSIOR SPRINGS, Mo. (AP)—A group of non-smokers living in the smog-prone city of Los Angeles has a remarkably low record of lung cancer, a scientist reports.

They are Seventh Day Adventists whose religious principles forbid smoking. Dr. Ernest L. Wynder of the Sloan-Kettering Institute told the final session of the American Cancer Society.

Statistically their group should have yielded 13 cases of lung cancer.

But only two of them came down with lung cancer — and both of these had been heavy smokers before joining the church.

Dr. Wynder was one of an eight-man panel that discussed [illegible] studies of cancer as a disease affecting many parts of the body.

Dr. Wynder said evidence suggests that smoking contributes to 80 per cent of the lung cancer in American men. The lung cancer death rate for American men has multiplied at least ten-fold since 1930.

Higher lung cancer rates in cities is due to greater cigarette consumption there, he said.

The low lung cancer record of the Los Angeles church group suggests that air pollution by itself plays a rather small role.

SNYDER BUSINESS NEWS

RELATIVES
BIRTHDAY
BIRTHDAY FOR RELATIVES

THE ADDITION of 16 feet of display space for the complete Hallmark line of greeting cards has meant many more cards for all occasions at Bennett Office Supply, as is shown here by Thelma Brinkley, employe of the firm, to a customer, C. R. Thornbough of Abilene. Bennett's is also new franchise dealer for Victor printing calculators and adding machines, Victor-McCaskey cash registers, and Smith-Corona typewriters. (Lee Watson photograph)

Bennett's Office Supply Adds New Lines

Snyder's largest office supply firm, Bennett Office Supply, 1819 Twenty-fifth Street, recently became franchise dealer for the Snyder area for the full line of Victor printing calculators and adding machines, Victor-McCaskey cash registers, and Smith-Corona electric, standard and portable typewriters.

The new franchise dealerships are among a number of improvements made as the Bennett firm expanded its merchandise after moving to its new location on the courthouse square.

The firm, since moving to the new location, has added 16 feet more space for its line of Hallmark cards for all occasions.

The Hallmark line of cards is the most complete in Snyder and includes any kind of card a person desires to send, including those for Mother's Day and all special days and occasions, birthday cards, get-well cards, friendship cards, anniversary cards, every-day cards, shower announcements, baby announcements, thank-you cards, notes and invitations, and more than 100 different slections of the popular Hallmark contemporary cartoon cards.

Bennett's, which has a complete line of every kind of office supply needed, has a new complete stock of Eaton and Montague fine stationery and notes, as well as a complete line of scrapbooks, photograph albums, diaries, autograph books, writing cases, and numerous other gift items.

In connection with its complete office supply line, including desk, furniture, duplicating machines, and other office machines, the firm's mechanical department is well-trained and equipped for maintenance and repair on all types of adding machines and other machines. Besides being franchise dealer for the Smith-Corona products here, Bennett's also has Royal, Remington, and Hermes portables, all popular at this time of year as graduation gifts.

Because of Bennett's new Victor and Victor-McCaskey franchises, Eloy Ortiz, repairman at the firm, left yesterday for Fort Worth, where he will spend the remainder of April at a training school on adding machine and cash register maintenance and repair.

Bennett's is the only franchise cash register dealer in Snyder. The Victor-McCaskey line is complete for all types of business, including both hand-operated and electrically-operated registers. There are special service station cash registers and special department store registers included in the line. Complete accounting systems are sold with the cash registers if desired.

Most residents here have been in the Bennett store since its move to the square. While Bennett's stock was complete in the former location, Harold Bennett, owner has added much stock in the more ample room of the new store building. Bennett and his employes invited residents of the Snyder area to drop in and look over the more complete stock of greeting cards, gift items, and office supplies.

SOFT WATER SHAMPOO—Mrs. Jessie Hampton, left, owner of Modern Beauty Salon, 1903 Fortieth Street, is pictured above giving the final brushing to the hair of Pat Watson. "Culligan Soft Water service is a big help in our beauty work, especially in shampooing," Mrs. Hampton said. (Lee Watson photograph)

Soft Water Helps Electrical Appliances Do Better Work

Moderate Quake Hits Northern California

BERKELEY, Calif. (AP) — A moderate earthquake jarred a section of coastal northern California for two minutes Sunday night. No damage was reported.

The University of California seismograph registered the tremor starting at 10:08:56 p.m. and placed its epicenter 155 miles northwest of the San Francisco Bay area.

This corresponded to the Redwood Valley in Mendocino County from where most calls came from residents. Police at Ukiah, county seat, got most of the calls. It was felt slightly in Ukiah.

Red Guards Fail To Halt German Family

BRUNSWICK, Germany (AP)—Taken by surprise, Communist border guards failed to stop an East German family of ten from crashing through the Iron Curtain in a seven-ton truck.

Friedrich Graefe, 47, said he, his wife and eight children, aged 2 to 13, left East Germany for political and economic reasons.

Graefe was not halted when he approached the frontier as his truck had a special permit for the area. The guards were caught off balance when the vehicle crashed through the barbed wire fence separating the two halves of Germany.

Quote from Dr. Albert Einstein: "Science without religion is lame, religion without science is blind."

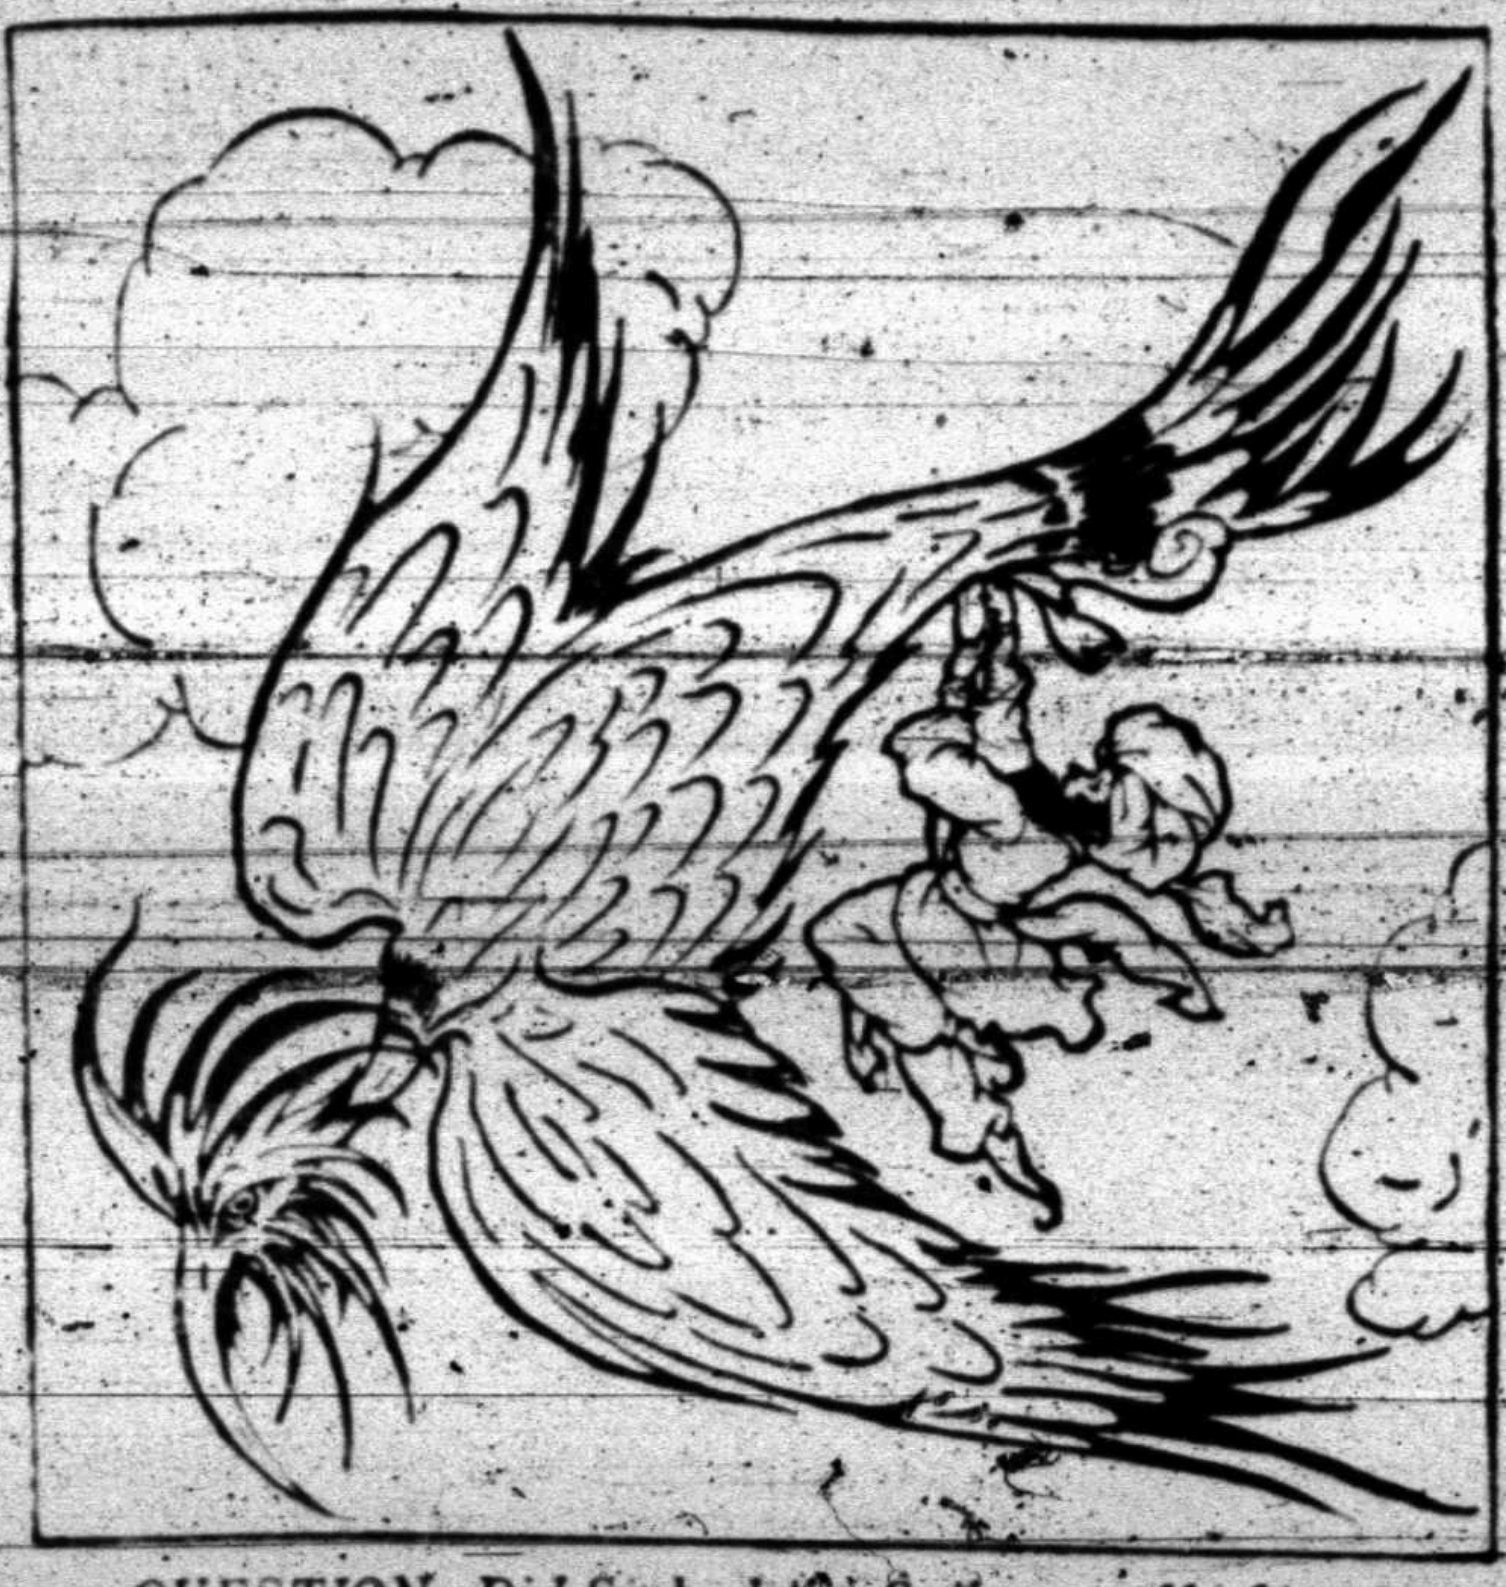
Junior Editors Quiz on LITERATURE



QUESTION: Did Sinbad the Sailor really live?

* * *

ANSWER: Only in the world of fiction where indeed it seems that he will live forever.

Sinbad is a character in "The Arabian Nights," a world famous collection of tales first written in Arabic. But scholars believe that the Arabians may have got the stories from the Persians, and they in turn from India.

A Frenchman named Galland translated them in the Eighteenth Century and introduced them to Europe. They have since been translated into more languages than any book with the exception of the Bible.

In the "Arabian Nights," Sinbad made seven adventure-packed journeys. He is shown here escaping from the Valley of Diamonds, where he was hopelessly trapped until a huge bird came and settled on a giant egg. Sinbad managed to leave his diamond studded prison by tying himself to the bird's legs and being carried along when it left the egg.

* * *

FOR YOU TO DO: Ask the librarian to show you where other adventures of Sinbad can be found. If you enjoy reading them, you might also want to learn about Ali Baba and the 40 Thieves, and Aladdin and his lamp.

* * *

(Today's $10 award goes to Ronald Wendle, Jerseyville, Ill., for this question. Send yours on a postcard to Violet Moore Higgins, AP Newsfeatures, in care of this newspaper. Tomorrow: Where was the first oil well in the world?) 4-6

Showers Due For Wedding Of Prince

TOKYO (AP) — The weatherman came up with some bad news today for Crown Prince Akihito.

"Cloudy and occasional rain" is the forecast for April 10, the date of the prince's wedding to Michiko Shoda.

Even showers aren't expected to dampen the public gaiety for the biggest social event in Japan since Akihito's parents were wed 33 years ago. More than a million persons probably will jam the five-mile route along which the couple will be driven after the ceremony.

Police issued special rules for the giant crowd in an attempt to preserve some sort of decorum.

Firecrackers are banned and so are loud music, throwing of streamers, ballons and bouquets, flash bulbs for pictures and jumping into the street.

With a campaign under way now for election of a governor of Tokyo, distribution of pamphlets and speechmaking along the royal route are prohibited.

Police also warned against drinking liquor and said old people and children should be accompanied by escorts or guardians.

Police estimated that only about 300,000 would be able to see the young couple drive by. To help out, 115 television sets will be installed at various spots, nearly 9,000 policemen will patrol the route.

Kathy Crosby Is Expecting

ISHPEMING, Mich. (AP) — Bing Crosby's wife has confirmed she is an expectant mother again.

The crooner's wife — Kathy Grant — made the announcement Sunday after she arrived to begin work on a picture, "The Anatomy of a Murder." She said the baby is expected in September or October.

Crosby's marriage to the pretty brown-eyed actress Oct. 24, 1957, surprised friends and relatives although they had been dating four years. He was 53 and she was 23.

The singer's first wife, Dixie Lee, died in 1952 after a long illness.

Kathy gave birth to a son last August. He was named Harry Lillis Crosby III, but Bing nicknamed him "Tex" in honor of Kathy's home state.

Crosby has four other sons by his first wife. They are Gary, 26, twins Dennis and Phillip, 24, and Lindsay, 23.

Ingrid Happy To Be Back

HOLLYWOOD (AP) — "It seems that I have never been away."

So said Ingrid Bergman, beaming as the top stars of Hollywood gathered to honor her on her first visit to the film capital in a decade.

The occasion was a dinner dance at the home of film executive Buddy Adler and his wife, actress Anita Louise. Ingrid personally greeted each of the 300 guests.

The Saturday night affair lasted well into Sunday morning. A feature of the late hours: Sir Laurence Olivier doing a jitterbug routine to "Turkey in the Straw."

Among those present were Jenny Ann Lindstrom, Ingrid's 19-year-old daughter by her first marriage, and her third husband, Swedish theatrical producer Lars Schmidt.

Miss Bergman is in Hollywood to present one of the Oscars at tonight's Academy Awards presentation.

Actor Loses Match With Husky Intruder

HOLLYWOOD (AP) — Actor Jay Robinson had a role in a wrestling [illegible] a [illegible] wearing a silk stocking mask.

The actor said Robinson contained $1,200 the [illegible] withdrawn from a bank [illegible] on a trip to New York.

[illegible] at a Hollywood Motel Saturday [illegible] him [illegible] the [illegible] of the [illegible]. Robinson weighs 135 pounds. He said the robber outweighed him [illegible] pounds.

The actor played Emperor Caligula in the film "The Robe."

Oklahomans To Vote On Repeal Tuesday

OKLAHOMA CITY (AP) — Oklahomans wind up a short but hard campaign Tuesday by deciding whether to swap 51 years of prohibition for legal liquor.

Observers predict up to 700,000 voters will have their say.

One question determines whether to repeal constitutional prohibition, in effect since statehood, and substitute legal liquor. The amendment provides for private package stores, with sales by the drink banned.

One question determines if county option will be adopted if repeal passes. If both are approved, counties will vote May 12 on whether to go wet or stay dry.

The election follows by two days a huge effort by state law officers to dry up Oklahoma. Led by 33-year-old Safety Commissioner Joe Cannon, city, county and state officers raided 13 Tulsa bootleggers and 14 Tulsa nightclubs Saturday night.

Then at midnight a vast network of roadblocks was set up over most of the state for six hours.

Neither raids nor roadblocks netted much—50 bottles of liquor and 22 persons arrested on liquor charges—but Cannon termed it a success.

He has headed the three-month crackdown which Gov. J. Howard Edmondson promised voters in his campaign last summer.

The crackdown had the announced aim of giving voters a clear choice between repeal and enforced prohibition.

It also was seen as an effort to stir up thousands of wet voters who in past years have either voted dry or stayed home Election Day. Registrations, especially in wet Tulsa and Oklahoma City, are up considerably.

The United Dry Assn., financed mostly by churches, pitched the prohibition campaign to the evils of alcohol and weaknesses in the amendment.

Dry hopes for victory in the state's sixth repeal election rest on a far superior organization through a majority of the state's churches.

However, not all faiths or even all churches of some faiths have supported prohibition. A few are actively working for repeal.

Wet optimism stems from several factors. Repealists contend there are several thousand young adults favoring repeal who could not vote in the last election in 1949.

They point to the 1957 defeat of a dry sponsored amendment for county option on 3.2 beer.

Wets say voters no longer fear buying a "pig in a poke" since for the first time the repeal bill has been authored by the Legislature and spells out certain sales controls and revenue division.

Finally wets cite the overwhelming victory by Edmondson in last summer's Democratic primary. promised the election and generally was regarded as a wet although he did not take a public stand during the repeal campaign.

10,000 Hear Billy Graham

WELLINGTON, New Zealand (AP) — Prime Minister Walter Nash and 40,000 other New Zealanders braved a biting autumn wind Sunday to hear Billy Graham.

The American evangelist opened a Wellington crusade after drawing record crowds in Auckland.

Graham, visiting New Zealand for a week between crusade in Australia, accepted an invitation to return in 1962-63 for an extended crusade.

The evangelist told his audience the SEATO conference being held in Wellington is a symptom of the sickness of the world. He said efforts for a cure are in vain unless mankind returns to Christ.

More than 2,000 persons came forward to make "decisions for Christ," bringing the total so far in the New Zealand campaign to nearly 10,000. Among the group Sunday were 13 of 120 prisoners in a Christchurch jail who heard Graham by a telephone hookup.

Coal Miners End Strike In Japan

TOKYO (AP) — A two-week strike by 165,000 coal miners ended Monday.

The miners demanded a monthly raise of $5.55 but settled for $1.67. Wages before the strike averaged $66.66 a month.

The strike cut production 70 per cent, or 1,610,000 tons during the two-week period.

Urges Use Of Aged Talents

WASHINGTON (AP) — A call for the nation to use the talents and abilities of its increasing number of aged persons came from Sen. Lyndon Johnson (D-Tex) yesterday.

"There are now in this country more than 14 million men and women 65 years of age or older," the Senate Majority Leader said in his weekly broadcast over Texas radio stations: "And this number is increasing at the rate of 400,000 a year."

Johnson said many of these persons are willing, able and wanting to work but have been thrown into discard at a predetermined age. The Senator added:

"As a nation, we recognize the necessity of conserving our natural resources. But at the same time, we indulge in this costly luxury of abandoning priceless human resources."

Mobilgas Run Is Underway

CEDAR CITY, Utah (AP) — After a hectic start, 47 autos in the 1959 Mobilgas economy run arrived here without mishap.

There was plenty of Sunday traffic between here and the starting point, Los Angeles, 462 miles away. The biggest trouble came before the start.

An official of the United States Auto Club ordered photographers from the path of the autos, and the photogs scuffled with special guards. One news photographer was spilled to the pavement, and another said his camera was damaged.

The cavalcade is en route to Kansas City. The cars are expected there after noon Thursday. Other overnight stops are planned at Grand Junction, Colo., Denver, and Lincoln, Neb. The route covers 1,898.4 miles.

[illegible] this year on a mile-per-gallon basis, with judging in six classes of competition. The complicated ton-miles formula used previously has been dropped.

MOTHER OF THE YEAR—This is Mrs. DeWitt Bowmer of Temple, who has been selected as the Texas "Mother of the Year." Mrs. Bowmer is a widow with three children whose ages range from 37-41. A committee announced her selection in Fort Worth. She will be honored with other state winners at a dinner in New York City. (AP Wirephoto)

20 Die As Pakistan Bus Goe Into Ravine

KARACHI, Pakistan (AP) — Twenty persons were killed and 11 seriously injured when a bus plunged down a 400-foot ravine in mountainous West Pakistan Sunday.

The driver said he lost control of the bus while rounding a cuve.

Water In Demand For Past Month

Water consumption continued to push upwards for the first quarter of the year with March showing a one-third gain, the Colorado River Municipal Water District reported Saturday.

O. H. Ivie, production engineer, said that the sales in March amounted to 686,505,000 gallons as compared with 506,174,000 in March a year ago, or an increase of 35.6 per cent. The output also was well above the 542,179,000 gallons in February of this year and the 578,503,000 in January. For the first quarter, sales have aggregated 1,807,187,000 gallons.

Sales to Odessa amounted to 255,914,000 gallons, or 73 per cent over the 148,070,000 gallons in March of 1948. Big Spring sales were 54,789,000, or 46.2 more than the 105,911,000 for the same month last year. Snyder took 47,292,000 or 13.6 more than the 42,020,000 a year ago.

Although SACROC dropped its requirements by 9.6 per cent, the total sales for oil repressuring were up 5.3 per cent. For March of this year the repressuring units took 225,848,000 gallons as against 214,439,000 a year ago. By customers the picture was as follows: SACROC 144,728,000, down from 160,809,000 in March 1958; Sharon Ridge 52,362,000, up from the 31,608,000 for March last year; and Lion Oil 28,758,000, up from 22,022,000 for the same month a year ago.

The only other substantial customer of the district, Texas Gulf Producing refinery at Odessa showed 2,662,000 gallons consumed as against 4,050,000 for March of 1958.

March sales set an all time high for the month for the CRMWD, said Ivie.

No Rackets Wilson's Goal

AUSTIN (AP)—Atty. Gen. Will Wilson said today that one of the best advertisements for Texas would be the circulation of news that Texas is free of organized rackets.

Wilson welcomed about 200 state law officials for the annual attorney general's law enforcement conference.

"Texas is preparing to advertise for industry," Wilson said. "It would be a wonderful thing if we could run a series of ads saying that Texas was free of organized rackets and especially the exploitive rackets which prey on working people.

"We are asking all of you to redouble your efforts to eliminate organized crime and organized rackets wherever possible. We are of our cities are free of organized almost at this condition now.

BLADDER WEAKNESS
If worried by "Bladder Weakness" (Getting Up Nights or Bed Wetting, too frequent, burning or itching urination), Secondary Backache and Nervousness, or Strong Smelling, Cloudy Urine, due to common Kidney and Bladder Irritations, try CYSTEX for quick help. Safe for young and old. Ask druggist for CYSTEX. See how fast you improve.

"It's a must...
Golden
Esso Extra
0.00
00

...for cars with power brakes, power steering and air-conditioning."

If your car has power steering or air conditioning or other power accessories, you know how these conveniences load the engine of your car.

Only Golden Esso Extra gasoline has the added power that absorbs this extra load and still delivers maximum performance from your engine.

Golden Esso Extra is a *must* for cars with power accessories, and it will improve the performance of *any* car in *any* price class.

It is the world's finest gasoline. It has *highest octane rating*. It *eliminates "bucking"* as you start and "*rumble*" as you run. It gives you *superior mileage*. It *burns cleaner* than any other gasoline. And it adds the *power and response* that make driving safer—and yes, more fun!

The cost is only pennies more than the cost of gasoline in the middle-price range (about a nickel a day on the average), and you get a dividend of improved performance on every mile you travel.

Golden Esso Extra will improve the performance of *any* car in *any* price class. Use it in yours. Fill up under your neighbor's Humble sign—*every time*.
