Girard Turned Over To Japan For Trial

WASHINGTON (AP) — The Supreme Court today upheld 8-0 the U. S. government's decision to turn over GI William S. Girard to Japan for trial in the killing of a Japanese woman.

The court, in an unsigned opinion, ruled:

1. Delivery of Girard is not prohibited by the Constitution; and

2. In the absence of a constitutional bar, the judgment of the executive branch "on what should be done."

Girard is to be turned over to the Japanese under a status-of-forces agreement, similar to pacts the United States has with some 50 friendly nations.

The Supreme Court held that in the absence of a constitutional violation the "wisdom of the arrangement is exclusively for the determination of the executive and legislative branches of government."

And, the court said: "We find no constitutional or statutory barrier to the provision as applied here."

Chief Justice Warren read the opinion for the court in a specially called session.

The case had been under consideration by the justices since Monday when they held another special session to hear four hours of argument on it.

Justice Douglas did not participate. He had left on vacation before the court agreed to pass on an order by U.S. Dist. Judge Joseph C. McGarraghy barring Girard's delivery to the Japanese for trial.

Japanese Ambassador Koichiro Asakai was quick to hail the decision as "good news."

Dayton M. Harrington, Washington attorney, was the only lawyer connected with the Girard appeal who was present for today's session.

Solicitor General J. Lee Rankin and a battery of government lawyers were present in the court room.

The decision was a major victory for the administration, which has contended that refusal to turn Girard over to the Japanese would be a grave threat to America's security. The administration argument was that if the agreements under which Americans overseas may be tried by foreign courts for off-duty acts were cancelled, U.S. forces would have to come home.

The decision was a setback for forces in Congress which contend the U.S. Constitution goes with GIs wherever they may be and they must have its full protection.

Girard is accused of the Japanese equivalent of a manslaughter in the death of a woman on a firing range.

The woman, Mrs. Naka Sakai, was shot in the back last Jan. 30 on a firing range used by both U. S. and Japanese soldiers. Japanese civilians in the area salvaged scrap metal and were allowed to farm on parts of the range when it was not in use.

Japanese authorities charged that Girard enticed the woman to come forward and that he shot her with an empty cartridge case fired from the grenade launcher of his rifle.

Girard denied entitlement and contended the shooting was an accident.

A sworn statement by Robert Dechert, general counsel for the Defense Department, entitled "affidavit with respect to facts," figured in the proceedings in both the U. S. District and Supreme courts.

It included a statement by Specialist 3.C. Victor M. Nickel, Girard's companion on guard duty at the time of the incident. In the hearing before Judge Joseph C. McGarraghy, in U. S. District Court here, U. S. Atty. Oliver Gasch handed the paper to the judge with the suggestion that it be sealed and not made a part of the public record. Gasch suggested this on the ground the document would be prejudicial to Girard in a trial, whether before a Japanese court or in an Army court-martial.

In arguing the case before the Supreme Court, Solicitor General J. Lee Rankin spoke of "enticement" and "inducement" as among the considerations which led to the U. S. decision to yield Girard to Japan for trial.

Chief Justice Warren asked if there was any legal reason why the affidavit should not be considered by the Supreme Court. Rankin replied that he knew of no legal reason why the court should not take the affidavit into account and repeated the only reason for secrecy had been to avoid prejudicing Girard. Warren commented that the court would consider the affidavit if that became necessary in reaching its decision.

Supreme Court justices gave much attention to the matter of inducement in their questions to opposing attorneys.

Rep. Burleson (D-Tex) said recently that a House Foreign Affairs subcommittee had been informed that Girard "coaxed" Mrs. Sakai to approach. Nevertheless, Burleson said, the soldier was on official duty and should be tried by U.S. court-martial.

The decision to turn Girard over to Japan, and McGarraghy's order blocking this, set off international furore.

It led to congressional demands for renegotiation or revocation of status-of-forces agreements with some 50 friendly nations.

Johnson Criticizes Talk Of Compromise On Civil Rights

WASHINGTON (AP)—Democratic Leader Lyndon B. Johnson of Texas said today talk of a possible compromise in the Senate on the civil rights controversy is "both premature and inaccurate."

Republican sponsors, however, moved toward narrowing the enforcement provisions of the bill—backed by the Eisenhower administration and already passed by the House—to the single field of protecting Negro and minority voting rights.

Such a move would be designed to meet the objections of Southerners that the current bill would permit the attorney general to use troops if he thought it necessary to enforce racial integration in schools and other public places.

Sen. Francis Case (R-SD) said he is drafting an amendment to limit the enforcement provisions to the protection of voting rights. Sens. Clifford Case (R-NJ) and Kuchel (R-Calif) said in separate interviews they support that idea in principle.

"The Senate convened an hour and a half ahead of its usual starting time in this fourth day of debate on a Republican move to call the bill formally before the Senate.

Johnson did not rule out the possibility of compromise, although he told the Senate he knows of no current efforts in that direction "nor do I consider the study of this bill as being intended for compromise purposes."

"This discussion arises, in my opinion, because the debate has been conducted on a high plane, free of rancor and bitterness," Johnson said. "Senators are debating the issues—and the debate should be studied carefully.

"There is no way to predict the outcome at the present time. There is quite some distance to go before the end result even begins to take shape.

"But that is not surprising. The issue is deeply emotional and cannot be settled in a few hours or even a few days."

Sen. McNamara (D-Mich), supporting the bill, told the Senate he had sent President Eisenhower a telegram expressing alarm at reports that Eisenhower might consider amendments to the House-passed bill.

LATE BULLETIN

WASHINGTON (AP)—The White House, hitting back at Nikita Khrushchev, said today the United States intends to continue its efforts to avoid "mass human destruction" by atomic weapons.

The statement, issued with "the full knowledge" of President Eisenhower and Secretary of State Dulles, was put out after Khrushchev had labeled Eisenhower's talk about a "clean" hydrogen bomb a "stupid thing."

The White House at first declined comment but press secretary James C. Hagerty later called newsmen to his office and dictated a statement.

"It is rather amazing that Mr. Khrushchev would think efforts by American scientists to eliminate dangerous fallout from atomic explosions is 'a stupid thing,'" the statement said.

"The avoidance of mass human destruction in an atomic war is and has been a prime objective of President Eisenhower and his administration, no less than the aim of eliminating the possibility of war itself.

"Such efforts to which the United States is dedicated are and will be continued."

Two Negroes Are Reported Kidnaped

BIRMINGHAM, Ala. (AP)—Two young Negro men who reportedly were kidnaped by a group of armed white men returned home eary today. One said they were taken into the woods and beaten with rubber hoses.

Harold Cunningham, 19, said he and Henry Silent, 21, were driven to a wooded area and beaten after being questioned about where they were "two Saturdays ago."

"I don't know what they were talking about," Cunningham said. "Henry and I were working together for a paper company two Saturdays ago."

Two girls who dated the men last night said they were stopped by the white men after the Negro couples had driven into a white drive-in ice cream stand, and then left because it was too crowded.

The two girls, Loretta Washington, 17, and Ailene Brown, 23, were questioned extensively by police last night. They reported the alleged kidnaping occurred shortly after 9 p. m.

Two automobiles followed them as they left, the two related, and as they drove through north Birmingham one car pulled in front of them and forced them to stop. The other auto pulled up behind them.

"There were "some pistols" among the four men who got out of each car, the women related.

"They made us stand next to this fence. They waved the pistols at us and told us not to move.

"While we were standing by the fence, the boys were taken away in separate cars. The cars raced down the street and we ran to a phone and called police headquarters," the girls said.

Police Sgt. M. H. House said officers had considered the possibility of a hoax, but added: "We feel that this is a bonafide situation. The two girls are sober, and I have no reason to believe that they would lie about a thing as serious as this."

House said both the women were nearly hysterical when police reached the scene.

Officers J. O. Kelly, J. D. Lewis and Lt. Jack Warren agreed that the Negroes apparently were unknown to their assailants.

Two Fires Reported

Firemen were called to two oil field fires late yesterday, neither of which did any damage.

First of the two fires was at a slush pit which threatened to get out of control and set fire to a tank battery seven miles west of Ira about 5 o'clock yesterday afternoon. A pumper at the scene prevented the fire from spreading to the tank battery by throwing dirt in its path until firemen arrived and confined the fire to the slush pit.

The second oil field fire was apparently a false alarm turned in through error in misidentifying it. A woman near the Lion Oil Camp 15 miles southwest of Snyder reported the first as an oil-well fire, but later called back and said that the fire was apparently a slush pit fire also. The fire truck dispatched to the scene was recalled by two-way radio. There was no damage.

Mrs. C. Earl Fish Dies At Ruidoso

Mrs. C. Earl Fish, 2901 Avenue W, died sometime this morning in a hospital in Ruidoso, N. M.

Cause of death of Mrs. Fish, 66, was apparently a heart attack.

Mr. and Mrs. Fish have been spending summers at Ruidoso annually. He is operator of Snyder Tailoring Co. here. They had been residents here about 35 years.

Funeral arrangements are pending.

Survivors include her husband, one daughter, Mrs. John T. Lynch, Jr., of Snyder; one son, Creston Fish of Lubbock; and one brother, Bob Wood of Paducah.

Grand Jury Probe Set

DALLAS (AP)—Two former Texas Insurance Commission chairmen were subpoenaed to appear tomorrow before the Dallas County grand jury checking insurance and investment companies.

Subpoenas were issued for Byron Saunders of Dallas, Garland Smith of Austin, and Smith's son-in-law, Max Rychlik.

All three have testified before legislative committees probing the collapse of the ICT Insurance Co. of Dallas. They have appeared before the Travis County grand jury.

Asst. Dist. Atty. Bill Alexander said they would be asked about dealings with ICT, which was headed by BenJack Cage, who is indicted on charges of embezzling $600,000 of company funds.

Elected Trustee

PORTLAND, Ore. (AP)—Carolyn Arnold of Dallas was elected a trustee yesterday of the Youth Assembly of the International Society of Christian Endeavor.

DRIVER SLIGHTLY INJURED—Johnny Crane, 607 Nineteenth Street, was slightly injured about 10:40 o'clock last night when the car above he was driving overturned about a quarter mile south of Ira on state highway 350. He was alone in the car. Crane, an employee of John's Drilling Co., was taken to Cogdell Memorial Hospital by Bell ambulance where he was given first aid treatment for scratches and bruises and released. Highway patrolman Arthur Dyson is shown above investigating the accident car. (Lee Watson photograph)

The new building will not only provide the school with its much-needed lunchroom and seperate facilities for homemaking instruction, but it will free a room inside the main plant formerly used for a combination of the two. The room was needed for a regular classroom.

IN CASE YOU are wondering what happened to it, no action has been taken on the application of Continental Air Lines to suspend service here. The air line asked the CAB for authority to suspend operations in Snyder, Sweetwater, Breckenridge and Mineral Wells, effective July 1. Protests were made by interests in various cities, including a vigorous one from Dallas. Now it is believed that no action will be taken by the CAB without a formal hearing, which was what most of the protests requested. Meanwhile, Continental planes are still serving Snyder.

IN CASE any of you were wondering, the group of Snyder boys who went to the National Scout Jamboree at Valley Forge, Pa. were not on the train which was stalled by a flood on the way. The Snyder boys were on train 904, the Texas boys stalled on train 902.

Group From Boys Club Visits Base

A total of 114 Scurry County boys, under the sponsorship of the Scurry County Boys Club, yesterday participated in an all-day event at Dyess Air Force Base, Abilene.

The boys were accompanied on the trip by Mickie Brous, executive director of the club, Bill McLaughlin, Mrs. McLaughlin, Mrs. Marvin Mayfield, and Fred Beard.

Spending the entire day at the base, the boys were conducted on the tour by Maj. W. H. Pennebaker, information services officer for the base.

The tour opened at the training building, where the boys were shown such things as a flight simulator; ejection seat, cut-a-ways, panel board, and others. They then went to the flight line and were shown the B-47 Stratojet and KC-97 aircraft.

Afterward the boys at picnic lunches they carried. After lunch they were given a demonstration of the use of sentry dogs to guard ammunition dumps.

They visited service club facilities and the base chapel, followed by a visit to the base parachute shop.

Going to the base swimming pool, the boys had a one-hour swim. Later, they went to the base theater for a welcome address by a representatives of the base commander and 45 minutes of cartoons.

Aga Khan Dies In Switzerland

GENEVA, Switzerland (AP)—The Aga Khan III, a wealthy potentate to whom 20 million Ismaili Moslems paid spiritual homage, died today. He was 79.

A glamorous figure on the international scene for many years, the Aga Khan succumbed to a sudden weakening of the heart during the night. He had been suffering from heart disease since 1952.

He was known as a sportsman with an ardent interest in race horses, a devotee of luxurious living, and a man with an eye for a beautiful woman. But he was also interested in affairs of state—and once served as president of the League of Nations.

He once expressed his love of material pleasures in these words: "Have fun, it's later than you think."

But of his devotion to his Moslem faith: "Each Friday, like every good Moslem, I spend an hour in meditation and prayer. That is my most beautiful hours."

Prince Aly Khan, 46, has generally been regarded as the heir-apparent, but some doubt recently was expressed as to whether he or Prince Sadruddin, 24, the Aga's Harvard-educated younger son, would be named. The Aga was said to have been disturbed about Aly's playboy activities. Aly is the former husband of Hollywood actress Rita Haywörth.

Present at the bedside when death came was the Aga Khan's wife—his fourth—and both sons. Sadruddin is planning to marry Nina Dyer, a London model. The wedding had been set for Monday.

The Aga Khan was flown to Geneva from Paris on June 18 to escape a heat spell which contributed to his deteriorating condition. His weight had dropped to 132 pounds—half of that in the days when he was weighed by his subjects against gold, platinum or diamonds on his various anniversaries. The money value went to the Aga Khan's many charities.

His Moslem followers are scattered everywhere in the world but live chiefly in Asia and Africa—Pakistan, India, Afghanistan, Iran Arabia, Syria, Morocco and Zanzibar.

He deprecated reports of his great wealth in his autobiography, published in 1954.

"There must be hundreds of people in the United States with a larger capital wealth than mine," he said.

He explained that although he had control over a huge income from his followers, this control carried with it an "unwritten law" that it should be used for the upkeep of a great number of communal, social and religious institutions so that very little was left.

His followers presented him with annual tithes and on great jubilee occasions conducted elaborate weighing ceremonies matching his weight of around 240 pounds, in gold to mark the 50th year of his religious leadership, in diamonds on the 60th year and in platinum on the 70th.

Crime Ring Broken Up

SHERMAN (AP)—Sheriff Woody Blanton said yesterday the arrest of a 10th unidentified man would stamp out a burglary ring which has been operating in several Texas cities.

Blanton said nine persons were being held on charges of burglary and armed robbery.

They are: Bobby Anderson, 23, his wife Jacqueline, 25, and his brother, Carl, 19; Floyd Godbey, 23, Sammie Grooms, 23, Alfred Bradshaw, 23, and his wife, Darlene, 19; Jack Cummings, 25, and Bill Brown. Blanton said all were Denison residents except Cummings, of Sherman, and Brown, from California.

He said the ring had operated in Denison, Sherman, Del Rio, San Angelo, Gainesville, Greenville and Paris. He also blamed the group for an armed robbery in San Antonio.

Godbey and Grooms were accused of the June 6 burglary of the Texoma Bowl in Denison. Their arrest June 23 set off the general pickup.

Defense Is Given Statement To FBI

KNOXVILLE, Tenn. (AP)—Federal Judge Robert L. Taylor handed to defense counsel the copy of the oral statement made by R. G. Crossno, Clinton school board official, to the FBI.

Taylor said, however, that this ruling did not mean that the defense would get all the FBI documents in the Clinton segregation cases.

The defense demanded the oral statement summary, having obtained yesterday Crossno's signed statement which was in FBI files. At that time, the oral summary given to FBI was kept by Taylor.

Chief defense spokesman Robert L. Dobbs, Memphis, demanded at the outset of the session the oral summary.

U. S. Dist. Atty. John C. Crawford Jr. fought to prevent the document from reaching the defense.

Taylor's decision came as defense attorneys in the Clinton segregation trial renewed their requests for complete access to the formerly secret files of the FBI. The lawyers said they want to know exactly what the files contain regarding the 16 accused men and women.

The request was based on a recent Supreme Court ruling in the Jencks case, allowing defendants in criminal cases, under certain cricumstances, to see FBI files which heretofore had been secret.

Furr's Prize Winner Named

It was announced in Lubbock today that Miss Grace Gilson, 2811 56th Street, Lubbock, was chosen the winner in the recent contest held by the Furr's Super Markets of West Texas and New Mexico.

Miss Gilson, is secretary to Col. Travis Hoover, Commanding Officer of the 3500th Pilot Training Group at Reese Air Force Base, and has lived in Lubbock since 1940. Miss Gilson was born in Oklahoma.

Having been chosen the winner, Miss Gilson was overjoyed with the new RCA Whirlpool Combination Washer-dryer; and was anxious for it to be installed quickly.

Entries were received from the entire area served by Furr's Super Markets. Miss Gilson's entry was chosen by an impartial committee of judges.

In describing why she liked Topco Detergent, Miss Gilson stated:

"I like TOPCO DETERGENT because no 'snoopervisor' needed with Topco in command.

Its powerful undercover suds dislodge grime, grease and sand.

Deportation Is Ordered

WASHINGTON (AP) — The Army today ordered the release and deportation of a British mother serving a life sentence for the murder of three of her children while stationed abroad with her American soldier husband.

She is Mrs. Eunice M. Brillhart of Rochdale, England. Her husband, Sgt. Robert W. Brillhart, now is serving with the Army at Sandia Base in New Mexico.

The Army announced that the remaining portion of her life sentence, which she is serving at the Federal Reformatory for Women at Alderson, W. Va., will be remitted so that she can be released on July 22 and turned over to the Immigration Service for deportation to Great Britain.

The Army reviewed the case following a Supreme Court decision on June 10 which forbade military courts from trying civilians for capital crimes committed abroad.

Temporary Work

MEXICO CITY (AP)—The Syndicate of Sugar Cane Workers yesterday opened negotiations with the Interior Ministry to obtain temporary work in the United States for thousands of unemployed sugar cane workers.

Rendering Of Mineral Claim Is Authorized

WASHINGTON (AP) — President Eisenhower signed yesterday a bill authorizing the Federal Court for East Texas to render mineral claims of George Edwards Jr., of Marshall, Tex., against the United States.

The claims relate to the title of oil, gas, coal and other mineral rights under two tracts of land conveyed to Edwards Sept. 16, 1949, by Andres Jackson.

Edwards did not obtain title to the mineral rights because a conveyance by the United States to a previous owner had been subject to a reservation of mineral rights in favor of the federal government. Edwards is contesting those reservations.

Malenkov Given Minor Post

LONDON (AP) — Moscow radio says none of the deposed Kremlin leaders is being persecuted.

It made that declaration in announcing that Georgi Malenkov is being hustled off to run a power plant 1,800 miles from Moscow and the other ousted leaders are getting other unspecified jobs.

The broadcast last night also asserted that the appointment of the former Premier as manager of the hydroelectric station at Ust Kamenogorsk is proof that the Soviet system is democratic.

But observers pointed out that Malenkov—target of the most serious accusations of the top four purged leaders—would be unable to offer much opposition to Comcast said, "makes it clear that

The broadcast did not give the nature of the new assignments for V. M. Molotov, Lazar Kaganovich and Dmitri Shepilov, who were ousted from their Kremlin posts along with Malenkov for "antiparty activities." It said only that they had been given other work.

Malenkov's new job, the broadcast myths being spread by some of the western journalists about the persecution of the members of the antiparty group are merely intended to defame the democratic Soviet system and the Central Committee of the Communist party."

Khrushchev and Soviet Premier Bulganin, meanwhile, continued their talks with Communist leaders in Czechoslovakia. Although there have been reports that Bulganin at one point sided with Malenkov and the others against Khrushchev in the struggle for power within the Kremlin, the Premier gave Khrushchev full credit yesterday for successfully and destroying the antiparty faction.

Building Permits

The city planning and zoning commission during the first 10 days of July has issued a total of seven building permits for projects totaling $26,000 in value.

They include one building to be moved in by a church, two new residences, and several additions or conversions of residences.

They are:

Ross Blanchard, residence, 1809 Thirty-eighth Street, $9,500, July 1.

President Installed By Furniture Group

DALLAS (AP)—The Retail Furniture Assn. of Texas installed Will Kemble of Fort Worth as president last night.

Other new officers included these regional vice presidents: Herbert Ordway, Paris; Erle White, Wichita Falls; Allan Kraft, Bryan; and John Shepperson, San Angelo.

Eddie Schreiber of Galveston was named outstanding wholesale furniture salesman in the Southwest.

Directors installed included A. S. Waldrop, Abilene; Neal Miller Jr., Orange; A. S. Hamilton, Waco; Sam Phillips, Odessa; and Jack Pond, Port Arthur.

Slaying Suspect To Sell Story Of Life

LOS ANGELES (AP)—He'll go on trial for murder Sept. 16, but right now Ewing Scott is more concerned about finding someone to make a movie of his life.

The former stockbroker, 41, charged with murdering his wife, said yesterday in jail he's willing to sell the story of his life to some film studio for $200,000.

Army's Top Brass Arrives At Hood

NORTH FT. HOOD (AP)— Some of the Army's top brass arrived today to see how well the Texas National Guard does in summer field training.

T-patchers of the 36th Division have settled down to hard work on the rifle ranges and firing practice with other weapons, including shooting the big howitzers.

The divion, which breaks camp July 21, will go on tactical maneuvers next week.

Arriving today were Gen. W. G. Wyman, commander of the Continental Army Command and his staff; Maj. Gen. Mark McClure, deputy commanding general of the 4th Army; and Maj. Gen. William Gillmore, commander of the 3rd Corps.

Duffy Only Wanted To Be Like His Dad

MELBOURNE, Australia (AP)— "It was too wet to walk and too late to take a taxi," said Frank Duffy, "so I took a tram home."

The only trouble was, Duffy drove the streetcar.

After two years as a conductor on the city's transit system, the 22-year-old Duffy was fired today. The Melbourne Tramways Board charged that Duffy, who had never driven a tram before, took one on a 30-mile ride through the city's suburbs this morning.

Duffy, whose father is a Melbourne tram driver, said: "I just wanted to be like dad."

Heat Barrier Keeps Jet From Top Speed

FORT WORTH (AP)—The so-called heat barrier has kept the new B58 Hustler jet bomber from flying at its top potential speed, the Air Force said yesterday.

The jet, unveiled here, has flown as fast as 1,200 miles an hour, Air Force officials indicated. Frank Davis, chief engineer at Convair, said the plane is limited in speed by temperature rather than by the thrust of its engines.

Snyder Men Take Special Training

Five Snyder men are now taking their six-months active duty Army training under a special program the Army has in connection with the National Guard.

The men all enlisted through Co. D, 112th Armored Cavalry Regiment, the local Natonal Guard unit. Under the program, they will complete basic and some advanced training in six months and then return here, completing their military obligation with the National Guard. The program is offered in lieu of the two years or more of active duty in the Army.

The five from Snyder now on active duty are Pvt. Larry A. Dodson, and Pvt. Delton R. Eaton, both now at Fort Knox, Ky., and Pvt. E. L. Green, Pvt. Clarence B. Wright, and Pvt. James H. Stewart, all at Camp Chaffee, Ark.

Those at Camp Chaffee are now taking basic training, while the two at Fort Knox are in advanced armored training.

Three Snyder guardsmen have already completed similar duty. Sp.-2 Donald R. Burns was one of the first company of such trainees at Fort Knox. The other two are Pvt. Travis Sawyer and Pvt. Elvis Pinkerton.

Two Snyder guardsmen took special schooling this year under a voluntary program, both in May. They were Sfc. Darrell Black, who spent two weeks at Fort Benning, Ga., in a rifle marksmanship course, and Sfc. Barney Greenfield, who attended a non-commissioned officers school at Fort Hood.

Prices Cut Back On Payment For Crude

HOUSTON (AP)—Humble and Republic Oil cut back yesterday the prices they pay for Southwest Texas crude.

Humble's posted price for Refugio light crude was reduced 10 cents a barrel. Refugio heavy was cut 15 cents a barrel. Republic cut back five cents a barrel in each case.

Humble now pays from $3.13 to $3.85 for light grade crude.

Daily Reduction In Crude Made For July

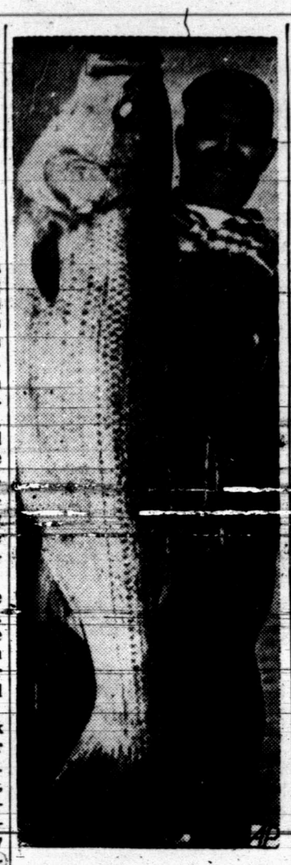
AUSTIN (AP) — A 175,000-barrel daily reduction for the July forecast was made in the demand of Texas crude for next month by the Bureau of Mines.

Railroad Commission Chairman Olin Culberson said yesterday the August forecast is 2,700,000 barrels daily as compared to 2,875,000 for July.

The forecast is used in setting daily oil allowables.

Outbreak Of Flu

ADEN (AP)—Medical authorities said today that two-thirds of Aden's 86,000 people are suffering from influenza, but that few deaths have been reported.



GIANT FISH—Manny Lima Jr., of Raynham, Mass., holds the 60-pound striped bass he caught surf casting with an atom plug. It is the largest striper reported caught from casting this season and one of only three of four this size caught from shore in recent years in New England. This one was pulled in at Provincetown, Mass.

Rig Falls On Workers

GAINESVILLE (AP) — A truck loaded with oilfield equipment toppled over near here yesterday, killing one worker and injuring two.

The victim was Floyd White, 62, production superintendent here for the Murray Investment Co. of Dallas. He was standing beside a truck rig which was pulling tubing from a well. The tubing apparently caught and wrenched the vehicle over, crushing him beneath it.

Jessie Atteberry, 30, and John Williams, 25, both of Gainesville, were slightly hurt. The accident occurred in the Anderson-Kerr oil field five miles east of here.

Pilot Bails Out

SHREVEPORT, La. (AP) — First Lt. John McMichael, 25, of Perrin AFB, bailed out of his F86D jet plane yesterday before it crashed north of here.

Recovery Of Relief Aid To Be Requested

WASHINGTON (AP) — Sen. Williams (R-Del) said today he will insist that Agriculture Department officials recover some $4,500 of drought relief granted last year to the big Robbins Ranches in Kansas.

Kenneth Scott, director of the Agricultural Stabilization Service, told a Senate Agriculture Committee this week the special aid never should have been granted and that department officials have been trying to recover the special subsidy.

Sen. Symington (D-Mo) said facts about relief [illegible] to the Robbins Ranch in Kansas and the $32,585 drought aid to the huge King Ranch in Texas in 1954 show a need for tightening up administration of these programs.

A King Ranch spokesman, Robert Kleberg, denied the ranch has received aid.

"We will continue to have these unfortunate cases where the head of the program knows nothing about the misapplication of public funds until he reads it in the paper," Symington said, unless regulations are revised.

Scott told senators he did not know of the drought aid to the Robbins Ranches until he read about it in a newspaper late in the fall. Since then, he said, he has been trying without success to recover the amount.

Williams has suspended hearings by the Senate Agriculture Committee until Scott supplies facts and corrective actions taken on "3 to 15 cases."

Scott said Richard Robbins of Pratt, Kan., director of airlines and a railroad, and Ed Robbins, his brother, own 59,220 acres of land that is assessed at $119,735 for taxes.

He said the Robbins ranches made five applications for drought aid in three different Kansas counties.

Scott said a subsidy of $1.50 a hundredweight was granted for 232,200 pounds of feed grain in Comanche County, 64,400 pounds in Chase County, and none in Kiowa County.

Scott said most drought aid abuse cases have been settled without formal court actions. He said the department often can recover funds by holding back federal soil conservation payments on price support loans due under other programs.

Meanwhile Fred Kessler, Irion County commissioner, said yesterday no horse or dog feed had ever been charged to his drought feed account to the best of his knowledge.

Texas To Get More Wheat On Fewer Acres This Year

WASHINGTON (AP)—The Agriculture Department predicted Texas will produce more wheat on fewer acres this year.

The forecast yesterday was for 33,885,000 bushels, the same as a month ago.

Estimated production of 15 bushels an acre average this year will be well above the 10.8 bushel average for the 10-year period of 1946-55.

If the forecast is right, the 1957 production of 36,288,000 bushels a drought year.

The department estimates this year's harvest will come from only 2,559,000 acres compared to the 10-year average of 4,022,000 acres.

The 1957 crop, however, was expected to fall below the 1946-55 average production of 47,339,000 bushels.

Corn production was expected to reach 39,169,000 bushels, up more than 10 million bushels.

The production forecast of other crops in Texas compared with 1956 follows:

Oats 3,145,000 and 19,170,000 bushels.

Rice 10,440,000 bags of 100 pounds, 11,000,000.

Oranges 1,700,000, 2,000,000.

A teamup of bad weather, crop control measures and the soil bank land retirement program prevented a national crop production this year possibly as much as six per cent below last year's record, the department asserted.

They could reduce surpluses which have been serving to depress farm prices and to hold down agricultural income.

The report said main crops had started slowly because of excessive rainfall and floods in many important farming areas.

Smaller crops than last year were indicated for corn, wheat, and rice. Somewhat larger crops were forecast for oats and hay.

The department emphasized that some improvement in prospects is possible if favorable weather conditions predominate during the rest of the growing season. What happens from now on will largely determine the extent to which present surpluses may be reduced.

The report showed the soil bank program has been only partially effective in reducing acreages. Farmers had agreed to take about 28 million acres out of crops. But the indicated acreage in use is only about 13 million less than last year.

The prospective corn crop is 13 per cent smaller than last year's near record harvest. This reduction in corn might well be offset by increases in other livestock feeds and sorghum grain.

PREVAILING WAGE ANNOUNCED HERE

The Texas Employment Commission has announced that effective July 9, the findof the prevailing wage for hoeing cotton and grain surghum in Scurry County is 60 to 65 cents per hour for mixed crews.

Ed McDonald, regional director for the Bureau of Employment Security, announced the rate for the information of Scurry farmers.

Apparently Suffocates

DALLAS (AP)—Lisa Otto, 2, apparently suffocated yesterday when she was trapped between a mattress and a crib wall, police said.

Oil Rig Is Set Up In Three Days

ODESSA (AP)—An oil rig requiring less than three days to set up was boring deep into the earth today.

Great Western Drilling Co. set the rig up in a speed test aimed at determining the flexibility of new equipment with a diesel-electric drive.

It usually takes 6 or 7 days to set up a rig. A contractor can lose $1,500 a day while equipment is not operating.

The test started Sunday when workers started loading the rig onto 25 trailer trucks. Drilling started yesterday with the rig in place near Fort Stockton, 125 miles south of here.

The General Electric electrical transmission is made up of three drilling generators which supply power to four shunt-wound drilling motors rated at 625 horsepower continuously and 1,000 horsepower intermittently.

Two motors are connected directly to the drawworks. Two mud pumps are each driven by a drilling motor.

The well, being drilled for Phillips Petroleum Co., is expected to be one of the world's deepest.

Safeway Has Biggest Mid Year Earnings

The highest mid-year net earnings in its history were reported today by Safeway Stores, a record derived from less than one-and-a-half cents out of each dollar of customer purchases.

Consolidated net earnings after taxes at mid-year amounted to $3.41 per common share for more than 45,000 stock-holder investors, Safeway President Robert A. Magowan announced today. The average number of shares of common stock outstanding during the first 24 weeks ended June 15, 1957, was 3,896,758—almost 10 percent more than the 3,566,451 average outstanding during the same period of 1956 when net earnings per share

"Our improved profits largely resulted from increased sales coupled with effective control of operating expenses despite the fact that costs of merchandise to us continued to rise," Magowan said. "Important, also, was the marked improvement of inventory turnover throughout our operations. Increased sales, of course, partly resulted from our successful program for store replacement and new construction which got off to a good start this year."

Comparing results for the first 24 weeks of 1957 with those for the same period of last year, net income after taxes was $13,978,010—over 40 percent larger than the $9,925,271 of 1956. Safeway's total sales for the same 24-week period of 1957 amounted to $950,518,879, and increased 6.65 percent over 1956 when mid-year sales totaled $891,252,363.

Income taxes for the first 24 weeks exceeded the Company's record earnings and amounted to more than one-and-two-thirds cents of each dollar of sales. For this period ended June 15 they totaled $15,859,166 for the U. S., Canadian and state governments as compared with $11,127,666 for the same period of 1956.

Since the first of the year, Safeway has opened 94 new and closed 63 old retail stores as compared with 93 openings during all of last year. In addition, another 89 stores are now under construction and are expected to open before year end. As a result of the replacement program, the Company had 2,012 retail stores open for business as of July 15 this year, compared with 1,984 in 1956.

Dividends paid preferred stockholders during the first 24 weeks of 1957 totaled $690,065 as compared with $972,549 as of June 16, 1956.

Net earnings after taxes for Safeway's second twelve-week period of 1957, also ended June 15, were $7,390,269 or $1.80 per common share based on the average number outstanding as compared with $1.41 last year.

FROM TEXAS

Czechs Going Home

PRAGUE, Czechoslovakia (AP)—The Czech News Agency claimed today that some Czechs who moved to Texas are returning here for visits and are finding this Communist-ruled country so attractive they plan to come back here to live.

The agency quoted a man it identified as Jos Zvolanek of Temple, Tex., as saying: "I like it here so much that I shall only settle my affairs in America and return in the spring for good." It said he left the old country 49 years ago.

The agency also quoted Frantisek Randuch, whom it identified as a Czech who went to the United States in 1909, as saying, "No trace remains of the poverty which once existed here. I intend to return and remain forever in my native land." His home town in Texas was not given.

A third tourist, returning to Czechoslovakia for a visit, was identified as Mrs. Puzena Prochazkova of Crosby, Tex. She was quoted as saying she had an appendicitis operation in Bratislava which cost her 480 crowns in a week's stay in the hospital. The agency said she asserted: "This is unbelievably little, in America it would have cost at least one

The Czech crown is officially valued at 7.2 to an American dollar.

Scouts Here To Leave For Camp

Five Snyder Explorer Scouts are to leave here Monday morning for a two-weeks encampment at Philmont Scout Ranch in northern New Mexico.

Prentis Smith, advisor for Explorer Post 27, sponsored by the First Methodist Church, will also go to the camp as leader for the entire group of boys from the Buffalo Trail Council.

His assistant will be Chester Abernathy of Big Spring.

Boys from Snyder who will go to the camp are Lynn Mayo, Raymond Hicks, Johnny Proctor, David Smith, and Darvin Baze.

Scout officials said, Explorer Scouts, those 14 or over, who have to go to camp may do so. Registration must be done right away, however. The fee for reserving a place is $21.50, and the boys will pay the balance of the camp fee, $16.50, when they arrive at Philmont. Boys attending the camp must have a physical examination before leaving.

There will be about 21 boys from the Buffalo Trail Council going to the camp. Smith and the local boys will leave here at 6 a.m. Monday, going by Big Spring, Midland, and Andrews to pick up boys. Transportation will be a bus furnished by the Snyder Schools.

Somewhere in New Mexico, the group will stop and spend the night in a park, arriving sometime Tuesday at Philmont which is located near Cimarron, N.M.

The boys will be gone 14 days, 12 of which they will spend at the camp.

During the campth, ewrellieb

During the camp, there will be all kinds of activities, including hiking, trout fishing, competition in scouting skills, handicraft, and others.

Farm Bureau To Hold Annual Family Picnic

The Scurry County Farm Bureau will hold its annual family picnic gathering for members and their families at 7 o'clock tonight in the picnic pavilion at Towle Memorial Park.

Joe Sullivan of Brownfield, district representative for the Texas Farm Bureau, will be main speaker at the event. Coming with him will be Oliver Grote of Brownfield, a state officer. Also scheduled to be here will be C. H. Devaney of Coahoma, a state director.

The Farm Bureau here has about 500 members.

Members will take their own picnic baskets.

A pinch of savory or sage is a good seasoning for pork chops.

Annual Girl Scout Day Camp Is Slated To Start Monday

Girl Scout officials have scheduled the annual Girl Scout Day Camp to be held next Monday through Friday.

The camp will be open from 3 p.m. to 8 p.m. each day, with overnight camping scheduled for Friday night for those who wish to stay.

Children and adult workers who do not have transportation may ride buses from the junior high school at 3 p.m. each day and return each day.

Mrs. O. C. Stanley, one of the Girl Scout officials, said today that a successful camp depends on an efficient adult staff and urged women to volunteer their help. "We are still short-handed, so any ladies who like fun in the out-of-doors are needed," she said.

Those who would like to work with the girls are asked to call Mrs. Stanley at 3-3078. No experience is necessary. There is need for one person who would qualify as a nurse or first aid person, she said.

Visitors will be welcome at the camp on Friday from 6 to 8 p.m.

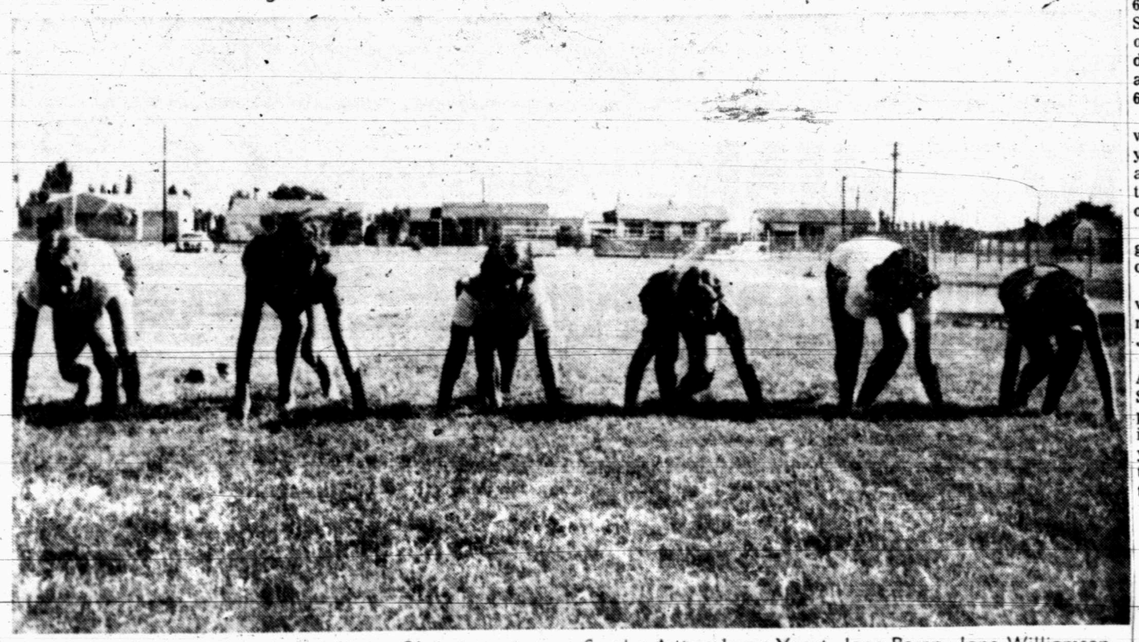
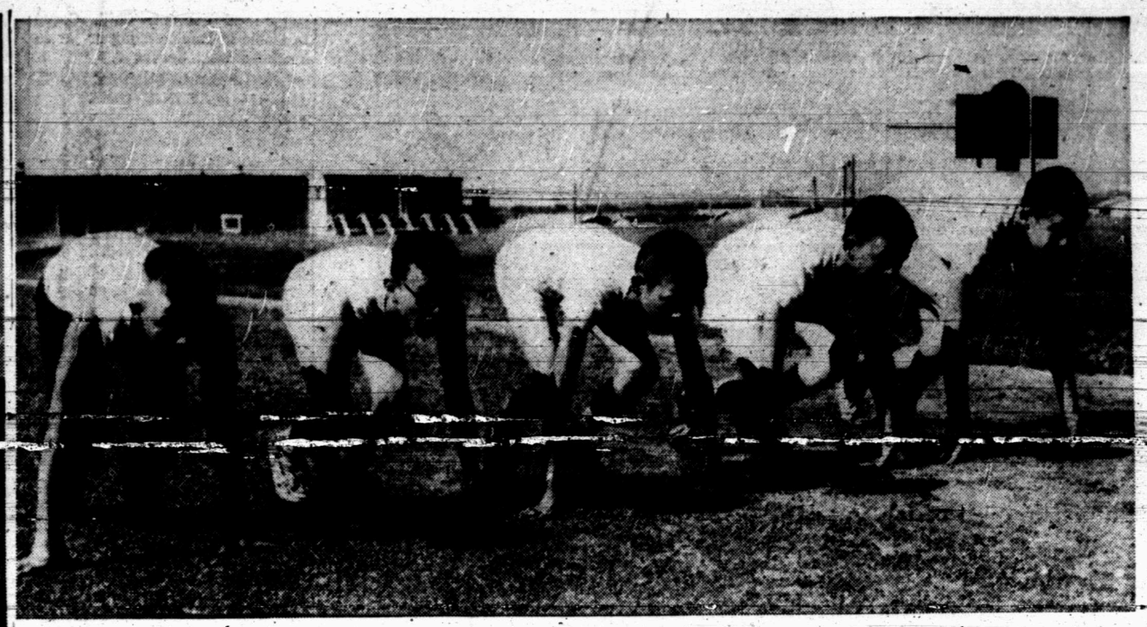
SEVERAL GIRLS will be among those entering Junior Olympics competition from Snyder this year. They will be in events tomorrow night in the junior division in Abilene. Some of the girls, shown being started on relays by Guy Sullivan here, are from left, Gail Mullins, Carol Young, Sharron Watner, and Cheryl Craven.



GIRLS OF 12 and older entering Junior Olympics events in Abilene tomorrow night, include these, starting on dashes during workouts here. Left to right, they are Sandra Autry, Joyce Yoast, Jane Boren, Jane Williamson, Sandra Brinner, and Deborah Short.



12-YEAR-OLD boys who will enter the junior division of the Junior Olympics meet in Abilene tomorrow night from Snyder are shown during workouts at starting stance for dashes. Left to right, they are Darrell Aldridge, Wayne Key, Stuart Long, Jimmy Taylor, and Steve Perine. (Lee Watson photographs)

Youths Get Ready For Meet

More than 40 Snyder youths will go to Abilene this weekend to compete in the annual Junior Olympics meet.

Most of the youths will be in the junior division of the meet, which will be held starting at 6:30 p.m. tomorrow in Fair Park Stadium. Five will be in the senior division, scheduled for Saturday night in the Indian Stadium at McMurry College, starting at 6 p.m.

Two coaches, who have been working for several days with the youths, will accompany them. They are Jim Stehley, who works with the seniors, and Guy Sullivan, junior coach.

The Junior Olympics group will go to the meet under sponsorship of the Scurry County Boys Club.

Winners at the Abilene meet will have a chance to compete next month in the Southern AAU Junior Olympics in Odessa.

Included in the group going to Abilene tomorrow is one boy from Snyder who last year took a third place in the Southern meet. He is Stuart Long, who ran the 50-yard dash with a time of 6.3 in that meet last year, just behind the boy who set the new national Junior Olympics record with a time of 6.2. Snyder also got one other place in the Southern meet last year, a fifth place in the broad jump by Jesse Crawford.

Stehley said it is possible there will be more than the five boys he has scheduled for the senior division. Those now scheduled are Bud Morgan, Rex Wilson, Light, and Vincent will run in the 880-yard relay. Light and Wilson will be in the high hurdles, while Morgan will enter the low hurdles. Entering the broad jump event will be Morgan and Vincent. Cox and Wilson are scheduled for the high jump. Vincent is scheduled to enter the 100-yard dash.

The junior divison is divided into several groups. They include those 11 and under and those 12 and over.

All the boys in the 11-and-under group from Snyder will be entered in the 50-yard dash, 200-yard relay, or one field event, such as the broad jump, high jump, or softball throw. They include Drew Bullard, Tommy Bullard, Rob Hall, Rick Hall, Roy Taylor, Bill Taylor, Linden Terry, Billy West, Bubba Myers, Jay Williamson, Craig Stokes, Gordon Stokes, Benny Minor, Jay Wyatt, Jerry Beard, Danny Ledbetter, Nahum Tate, Charlie Parks, Bob Hart, and Lee McKinley.

Boys in the 12 and older group are Stuart Long, Wayne Key, Darrell Alldridge, Tim Hardin, Steve Perine, and Jimmie Taylor. Long, Key, Alldridge, and Taylor will be in the broad jump. Key, Alldrdige, Hardin, and Taylor will enter the 50-yard dash. Taylor will also enter the high jump.

Girls 11 and under are Carol Young, Joyce Yoast, Jane Boren, and Gail Mullins, who will enter the 50-yard dash, 200-yard relay, and broad jump.

Girls 12 and older are Sandra Autry, who will enter the 75-yard dash and broad jump; Sandra Brinner, softball throw and 50-yard dash; Cheryl Wattner, 75-yard dash and broad jump; Jane Williamson, broad jump and 50-yard dash; Deborah Short, broad jump and 50-yard dash; and Susan Craven, broad jump and 50-yard dash.

SPORTS

BUCKIN' THE LINE

By BUCK FRANCIS
News Sports Editor

(Ed. note— Carl Herod, Conoco dealer and former coach, is substituting for Buck Frances, who is on vacation, for today's column.)

To be asked to write a sports column for Buck Francis is quite an honor, but to assume that responsibility is another thing. In all my years of sports, I can truthfully say I have appreciated every sports writer I have been associated with, and as a whole I think the men of that profession are truly great sports.

Writing this column for Buck gives me the opportunity to say some things I have been wanting to say for sometime. I want to pay my respects to Buck Francis as a sports writer. In the many years I have been connected with sports directly and indirectly I have never seen a man as understanding and as thoughtful as he has been the years he has been at Snyder. He has never tried to second guess the coaching staff or question the strategy used by players. He has always been on the side of coaches and players. At times offering reasoning thinking, as to why their choices that did not work, were in reality the things that should have worked. His thinking has been on the positive side all of the time, always words of encouragement. To me Buck Francis is "All American" in his profession.

Baseball Programs Well-Handled

There is a group of men in this community I want to thank who has so wonderfully handled the baseball programs for our boys. From the park superintendent and his men who keep such wonderful places for the game to be played, to every one that gives any time to the program. It takes sacrifice, and loyalty to carry on such a wonderful work. I wish I had the space to name each one who has given so much of their time, labor and money to the program. It is so wonderful to have such a large group of men in our community, who realize that "Every Boy Needs A Man's Helping Hand".

Grid Team Should Be Better

As football season is drawing near, I am asked rather often what I think of our prospects of a winning team for this year. I try to answer that question by saying "I think we will have a better team as a whole this year, than any of the past". I have been amused at the response I get from that statement. It is true we may not win as many games this year as we did last, but there are so many factors that have to be taken into consideration when you say "win." One of the chief factors in the opposition.

I base my conclusions on the fact that we have for the first time, a well balanced squad. Depth in most all positions. There is no healthier situation for a football team than to have just as good a man on the bench as you have on the field. I readily agree with so much of the reasoning that we lost some very valuable boys this past season, but they left for future teams a great competitive spirit; that can't be overlooked, and who am I to say that this 1957 team will not rise up to the occasion and carry on in the great tradition left by some great boys.

Bad Season For Pitchers

NEW YORK (AP)—There may be more 20-game losers than 20-game winners among major league pitchers this season.

Only seven pitchers had 10 or more victories as the campaign entered its second half. They are Billy Pierce of the Chicago White Sox (12-6), Early Wynn of Cleveland (11-10), Jim Bunning of Detroit (10-2) in the American League and Larry Jackson of St. Louis (10-4), Jack Sanford of Philadelphia (10-2), and Ruben Gomez of the New York Giants 10-7) in the National.

Only Pierce and Wynn from among this group were 20-game winners in 1956. Seven others in last year's select category are unlikely to make the grade.

Don Newcombe of Brooklyn, a 27-game winner in '56, and Warren Spahn of Milwaukee have won only eight. Johnny Antonelli of the Giants has seven, Bob Lemon of Cleveland five, Frank Lary of Detroit four and Detroit's Billy Hoeft one. Herb Score of Cleveland, another 20-game victor, had a 2-1 record before he was sidelined with an eye injury.

Pirate Ace Stops Braves In 6-Hitter

By ED WILKS
The Associated Press

Young Bob Purkey, Pittsburgh's chubby-faced right-hander, looks as though he may be following in the footsteps of teammate Bob Friend, the Pirate ace who gave the pennant contenders all sorts of troubles two years ago while leading the National League in earned run averages.

Friend, a bit battered these days, was the guy who almost ruined Brooklyn's chances of [illegible]. He was 14-9 that season for the last-place Bucs, with a 9-5 mark against the first division, while finishing with a 2.84 ERA.

At the moment, Purkey is 9-7 and leads the league with a 2.70 ERA, gaining his second victory over Milwaukee 5-2 last night. It was the only game scheduled in either league.

Purkey stopped the Braves with a six-hitter, striking out seven and walking two. A single by Red Schoendienst came ahead of Ed Mathews' 18th home run in the first inning, but Purkey then kept the Braves in check while the Pirates battled back against Bob Buhl. Bob Skinner hit a two-run homer and Gene Baker bagged it with a three-run single.

Purkey, a Pittsburgh kid who spent most of last season in the minors after wrenching a knee in spring training, has picked up seven of his 1957 victories against the NL's five-team first division. He's beaten Brooklyn three times, Cincinnati twice. Only St. Louis has given him trouble, beating him twice in two decisions.

The Pirates handed Buhl his fifth defeat in 14 decision when a walk, Dick Groat's single and an error by Frank Torre loaded the bases with two out in the sixth. With the runners on the move, Baker then lined a 3-2 pitch through short to junk a 2-2 tie.

League Record Set

KEARNEY, Neb. (AP)—Len Biles of the Kearney Nebraska State League baseball club, set a league record last night when he struck out 21 batters and took part in 24 of the 27 putouts his team made in a 9-4 win over North Platte.

Dartmouth's oldest football rivalry is with Harvard. The series began in 1882.

Boys Club Nines Go To San Antonio

Two baseball teams representing the Scurry County Boys Club were to leave at noon today for San Antonio, where they will participate in a Boys Club invitational baseball tournament.

The tourney will be held tomorrow and Saturday under sponsorship of the San Antonio Boys Club.

Bill McLaughlin is coach of the two teams, which are scheduled to meet teams from the Panther Boys Club of Fort Worth tomorrow. The junior game will be at noon tomorrow, the senior game at 2 p.m. Aiding McLaughlin will be Wayland Gladson.

While in San Antonio the group will stay at the Boys Club. This is the first year the teams have attended such a tournament.

Members of the junior team, which includes boys 10 to 12 and some 13, are Dalton Walton, Pat LaFountain, Keith Moreland, Howard Davis, Charles Gladson, Bubba Fleming, Kenny Roach, David Key, Larry Patterson, Weldon Ware, and Butch Neidecken.

Those on the senior team, which includes boys 13 to 15 years old, are Jimmy Don Robinson, Ronnie Wylie, John Weaver, Franklin Moore, Jerry House, Roland Key, Tommy Minton, Jerry Guthrie, Jerry Fleming, Norman Gladson, Spencer Dyer, Barry Walker, Stanley Kruse, Johnny Griggs, and Roger Steinhamm.

Manager for both teams will be David Hale, and bat boy will be Potter Mayfield.

Conference On Football Is Slated

AUSTIN, Texas.—The University of Texas will conduct a two-week work-conference on interscholastic football officiating and coaching problems, July 22-Aug. 2.

"The conferences have been scheduled so as not to interfere with the coaching school in Dallas," Dr. C. J. Alderson, coordinator, emphasized. "Here is an opportunity for coaches to get a running start for the 1957 football season."

Persons may attend on a credit or non-credit basis. However, if credit is desired, both weeks' work is reguired. The work-conference carries two semester hours' graduate credit.

Dr. Alderson will teach "Problems in Athletic Officiating," July 22-26.

A series of lecturers will discuss "Problems in Coaching Football," July 29-Aug. 2. The schedule of speakers and topics follows:

July 29—Charles H. Moser, Abilene High School, "The Practice Period — Drills and Fundamentals."

July 30—Darrell Royal, University of Texas head football coach, "Generalship and the Split-T."

July 31—C. R. Gilstrap, Arlington State College, "Defensive Football."

Aug. 1—William Stages, W. B. Ray High School, Corpus Christi, "Multiple Offense in High School Football."

Aug. 2—Charlie Shira, University of Texas, assistant football coach, "Offensive and Defensive Line Play in Football."

General questions and discussion will feature each session of the world-conference. Rule changes for 1957 will be explained and their implications for coaching discussed.

Registration will be held at the first session.

Refrigerated Picnic Fare Is Possible With Ice Cans

Picnics can be elegant!

A dry cold refreezant that comes in handy six-ounce cans helps the outdoors-living family plan picnic lunches to include delicate puddings, ice cream cakes and bottled beverages. Freshness and chilled quality will last hours after reaching the picnic grounds.

Four cans of the refreezant are the equivalent of 36 ice cubes, and when the contents melt there is no messy residue of water. The cans are frozen in the refrigerator the night before.

An interesting, off-beat lunch might include, besides sandwiches and fresh fruit, a tempting appetizer, a fancy dessert, even a bottle of cool wine.

Start with shrimp cocktail in a plastic dish, tuck the wine bottle carefully into the bag, add crisp fresh watercress or parsley around the sandwiches and top the whole thing off with mousse al fresco, prepared the night before. The cream is also whipped beforehand and stowed in a plastic container.

MOUSSE AL FRESCO ADDS FLAIR TO PICNIC

8 ounces semisweet or bit chocolate
3 tablespoons hot water
4 tablespoons butter
6 eggs, separated
½ cup heavy cream
5 tablespoons sugar

Melt chocolate over slow flame. Add hot water slowly. Then add butter. Remove from stove and beat in egg yolk while chocolate mixture is hot. Allow mixture to cool. Whip cream; add sugar.

Beat egg whites until stiff. Fold cream and egg whites into chocolate mixture. Chill until firm.

BEEF KEBABS HAVE MANY VARIATIONS

2 pounds beef sirloin steak, cut 1-inch thick
1 large green pepper, cut into 1-inch squares
4 firm ripe tomatoes, quartered
8 small onions, parboiled
¼ cup salad oil
1 clove garlic, minced

Cut steak into 1-inch cubes. Place on long wire skewers alternately with vegetables and brush with salad oil to which garlic has been added. Allow oil containing garlic to stand at room temperature for an hour or so before using.

Broil kabobs 8 to 10 minutes, turning to brown evenly. Brush with oil once or twice again during the broiling period. Makes 4 kabobs.

Kabobs may be varied by using mushroom caps, half-slices of bacon and chunks of sharp cheddar cheese.

SAVORY BEEF-A-RONI IS CAMPERS CHOICE

¾ cup chopped onion
¼ cup butter or margarine
1 pound beef chuck
1 No. 2½ can (3½ cups) tomatoes
2 teaspoons salt
1 tablespoon Worcestershire sauce
Dash of tabasco
1 cup uncooked macaroni

Cook onion in butter until onion is clear. Add meat and brown lightly. Add tomatoes, salt, Worcestershire sauce and tabasco and bring to boiling point. Add macaroni and cover and simmer gently 15 to 20 minutes until macaroni is tender.

Remove cover and continue cooking for a few minutes, until mixture is thickened.

HAWAIIAN TOUCH GIVEN TO SANDWICH

1 can (12-ounce) boned chicken, cut in chunks
1 cup thinly sliced celery
1 can (9-ounce) crushed pineapple, well drained
¼ cup canned chopped toasted almonds
½ cup mayonnaise or salad dressing
½ teaspoon salt

Combine all ingredients; chill thoroughly. Makes 3 cups of filling.

DEEP-SEA SANDWICH IS OUTDOOR TREAT

2 cans (7 ounces each) tuna, drained, and flaked
1½ cups thinly sliced celery
3 hard-cooked eggs, chopped
½ cup mayonnaise or salad dressing.
½ cup sliced olives
½ teaspoon lemon juice

Combine all ingredients, season to taste with salt and pepper; chill thoroughly.

CHILLED FRUIT ADDS FRESHNESS TO MEAL

1 cup diced fresh pineapple or canned chunks
2 cups diced orange sections
1 cup Malaga grapes, halves and seeded
2 tablespoons lemon juice
3 tablespoons sugar
¾ cup flaked coconut

Combine fruits, lemon juice, sugar and coconut. Chill. Carry to picnic in insulated jug or jar in insulated bag. Serves 8.

SNOWBALL SUNDAE IS QUICKNIC IDEA

1 pint vanilla ice cream
½ cup flaked coconut
Quick-frozen fruit or favorite sauce

Several days ahead of picnic: Scoop ice cream into balls, then roll in coconut. Open package of fruit and place, unthawed, in plastic bowl (or use favorite sauce). Arrange ice cream balls on top of fruit. Freeze.

Take to picnic wrapped in aluminum foil and newspapers, or in insulated bag. Dessert will be thawed just enough in 2 or 3 hours.

PIG-IN-POKE DINNER

Pork chops
Sweet potatoes
Seasonings
Tart apples
Onion slices

Tear off large squares of heavy duty aluminum foil, one for each person. In center of each place a pork chop which has been lightly browned in a skillet. Add two or more thick slices of apple, sweet potatoe and onion to each. Season each dinner well with salt, pepper, and a little thyme.

Bring foil up over food and seal into tight packages by double folding edges together. Place on grill over medium heat and cook about 1 hour.

VEGETABLES COOK IN FOIL PACKAGE

Thaw vegetables just until they can be broken apart. Place in center of large square of heavy duty aluminum foil. Add generous pat of butter, salt and pepper and seal tightly. Cook about 40 minutes over medium heat.

French bread, slices, buttered and wrapped in foil, can heat during the last 15 minutes.

44 Persons Hit By Polio-Like Illness

NASHVILLE, Ten. (AP)—An outbreak which hospitalized 44 persons at Johnson City with polio-like symptoms is not polio, state health officials said yesterday.

No evidence of any known type of polio was found in laboratory tests, said Dr. C. B. Tucker, head of the Health Department's Preventabe Diseases Division.

He said the disease apparently was caused by a "coxsacki or echo virus," which produce non-paralytic types of infections similar to polio. None of the Johnson City patients were paralyzed.

MEASLES, STREP THROAT

Diseases Run Race Here

Measles and streptococcal sore throat are running a race here as leaders among communicable diseases.

According to reports sent by Snyder physicians to the Snyder-Scurry County Health Unit, there had been a total of 445 cases of measles by the end of June here and a total of 443 of strep throat, which includes scarlet fever on the reports.

The two diseases were still running neck-in-neck by the end of the first week in July, with 12 cases of measles reported to bring the total of 457, and 13 cases of strep throat to bring that up to 456.

Those two were the only communicable diseases reported last week here.

By the end of June, the rate on other reportable communicable diseases included 13 gonorrhea, three tuberculosis, 16 whooping cough, and four infectious hepatitus.

Unhappy Husbands Not Needed Here

By PATRICIA SMITH
The Arizona Republic

PHOENIX, Ariz. (AP) — Wanted: fifteen policemen. Henpecked husbands need not apply.

So says Capt. Dan Warren, administrative assistant to the Phoenix police chief. Warren interviews prospective cops in the city's recruiting drive to beef up the force.

He wants to make sure that a man's wedding ring is on his hand and not through his nose.

"For example," Warren explained, "We'll ask him why he came to Arizona. Maybe he'll say, 'Because my wife wanted to move here.'

"We'll ask him why he left his last job. Maybe he'll say, 'Because my wife wanted me to quit.' We try a few more times before we come to the conclusion the guy won't do a thing without his wife's permission, so we reject him."

The little woman can turn into a monster, Capt. Warren said, when it comes to complaining about work shifts. "That's why shifts and days off are rotated," he said. "A discontented wife means an unhappy husband."

"If we only had the time and the manpower," he said, "we would interview the applicant's wife to see for ourselves if she objects to the duties and hours her husband would assume as a police officer. Our best men are those with understanding wives."

What about Mrs. Warren?

"She is secretary to the police chief," admitted Warren sheepishly. "We work in the same office."

Dog Bite Rate Down

DALLAS (AP)—Postal officials say the city's leash law has really helped muzzle unfriendly pooches. Postmen reported eight dog bites in June, compared with 24 in the same month last year.

Lost Only One Leg

MEXICO CITY (AP) — Witnesses said a 27-year-old workman tried to commit suicide twice yesterday, leaping first in front of a bus and seconds later in the path of a streetcar. Both efforts failed but the man lost a leg.

Kiwanis Has Report From Boys State

Snyder Kiwanis Club members heard a first-hand report Wednesday on the Lone Star Boys State, which had its annual session recently in Austin.

Speakers at the club's weekly luncheon session in the Hilander were Arlon Groves of Hermleigh, Tommy Echols of Ira, Gene Smith of Fluvanna, Larry Page and Jimmy Cloud, both of Snyder. They attended the Boys State program under sponsorship of the local American Legion post. The Boys State program in conducted by the American Legion Department of Texas. Joining the Legion post here in sponsoring the Scurry County youths were the Kiwanis Club, Rotary Club, VFW and the Junior Chamber of Commerce. Bill Jennings, another Snyder youth who attended, was unable to appear at the Wednesday meeting.

The five youths described their activities at Boys State, from their initial registration to the closing event, which was the annual governor's ball. They heard several noted speakers, including Gov. Price Daniel, Atty-Gen. Will Wilson, Justice Meade F. Griffin and other state officials and administrators of the University of Texas and the state department of the American Legion.

The youths were introduced to the Kiwanis Club by Frank Stephenson, commander of the local American Legion post. Arlon Groves was master of ceremonies for the report session.

Disability Insurance

SACRAMENTO, Calif. (AP)—Gov. Goodwin Knight yesterday signed a disability insurance measure that raises the top weekly payments for workers injured off the job from $40 to $50.

A Portrait Of Old True Blue

By INEZ ROBB

Over the years, a columnist acquires several bales of mail from indignant citizens who sign themselves "True Blue American", "Red-Blooded American", "Old-Fashioned Patriot", "Pro Patria" and "All American".

And over the years, I have gotten a kind of composite portrait of old True Blue. He is, for example, a firm advocate of the brotherhood of man for everyone—except Catholics, Jews, Negroes and "lousy foreigners." In his lexicon the words "lousy foreigners" are one, and he would close the door of this country now and forever to all immigration.

He is the son, grandson or great-grandson of an immigrant pioneer, of whom he is very proud. But, in one of his favorite phrases, "that's different". Today, all immigrants are subversive.

True Blue has even discovered that Hungarian Freedom Fighters were just lousy opportunists who were probably put up to it by the Commies, in hope the Hungarians would be admitted to the U.S.A., the quicker to undermine it.

He thinks the United Nations is composed of dirty foreign rats and his letters are always sealed with a sticker that reads "Get the U.S. out of the U.N.; Get the U.N. out of the U.S."

He knows beyond cavil that every department of government is honeycombed if not dominated by Communists. He is convinced that although the Communist party may be small in actual numbers, there are "millions and millions" of sympathizers and fellow travelers ready to betray this country the moment the Kremlin gives the signal.

He voted for President Eisenhower in '52 and '56 because he had no alternative. He is disappointed in Ike, believes he is going "pink" or else is under the dangerous influence of all the Commies who run the White House.

He believes in freedom of speech for everyone who agrees with him; the others are subversives.

He believes in freedom of worship for everyone—except Jews and Catholics who owe their real allegiance to dark powers overseas.

He believes in freedom of the press—for publications that mirrow his views; the others are Communist.

He believes in freedom of assembly for everyone—except conspiratorial elements that hold views other than True Blue's.

He believes in fair play—for himself and his cronies.

He believes in justice for everyone—except crackpots whose ideas aren't identical with his.

He is suspicious of all ideas except his own.

He never refers to the Supreme Court except as "this concourse of traitors," "this Commie Court," "these treasonous betrayers," etc., etc.

He firmly believes the American taxpayer is supporting every other nation in the world and enabling "lousy foreigners" to live in idleness and luxury at the expense of True Blue and his kind.

True Blue is against dictatorship but believes it would be a good idea if some strong guy, preferably J. Edgar Hoover (the only American he really trusts besides himself) were commissioned to crack dissident heads and toss into concentration camps all dangerous thinkers — i.e., people who don't agree with True Blue.

There is one more prominent characteristic of True Blue. He belongs to a large clan whose surname is Anonymous.

WHO INHERITS PROPERTY?

What will happen if you sould die without executing a legal and proper will? Who will inherit your property? Your husband, wife, mother, father, children, your pastor, or who will have it is to go the a will which will protect your rightful beneficiaries and dispose of your property in accordance with your wishes.

When a deceased has no will, or dies "intestate" as the law calls it, the property of that person is distributed according to a detailed formula fixed by law. In some cases this may be the way you yourself would divide it—but in many cases it is not.

The provisions of the law concerning the distribution of the property of a person who died without a will are rather complicated, and all of the possibilities cannot be covered by a general statement.

There are different rules for real estate and for personal property, for community property and for separate property, for homestead property, and for all of the many possible combinations of surviving relatives. Each situation must be carefully studied to determine the correct distribution of the property.

For example, here is a general idea of how the community property which you and your spouse have accumulated will be divided if you do not make a will prior to your death.

If your husband or wife survives and there are no children, the surviving spouse receives all of the property.

If, in addition, there are surviving children or descendants of deceased children, they would divide one-half of the property, while the surviving spouse would receive the other one-half.

Of course, grandchildren do not share in the estate unless their parent who would inherit is deceased. And when descendants of previously deceased children do inherit, they receive only the portion that the child would have received, regardless of the number of such descendants.

An odd note, perhaps, is that the surviving spouse already owns one-half of the community estate prior to your death, and the law adds nothing to this share where there are children surviving.

When there are only children and their descendants surviving, they divide the entire community estate between them.

(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

New Woman Sheriff

You Figure This Out

LUMBERTON, N.C. (AP) — Wakefield Wilkerson took his automobile (Car No. 1) to a company for repairs. The company loaned him another vehicle (Car No. 2) to drive in the meantime.

Then Wilkerson, in Car 2, stopped at another place of business and left the key in the ignition. When he came out Car 2 was gone but across the street sat another car (No. 3) of similar appearance, it too with key in ignition.

Seems a complete motor overhaul had been ordered for Car 3 but a mechanic picked up Car 2. When the mixup was unmixed, Car 4 was getting its repairs, Car 2's motor was out and torn down, and Car 3 still needed a motor overhaul.

Now At Chieftain Pontiac
Guaranteed 30,000 Miles

We are now prepared to offer a written warranty for 30,000 miles or 30 months on every new Pontiac sold and serviced by us!

Pontiac's record of dependability and long life—consistantly giving up to and over 100,000 miles of service with no major maintainance—makes this offer possible. With todays prices you can't afford to buy a new car and then have to spend hundreds of dollars for major repairs after a few thousand miles of driving. With our 30,000 mile warranty, you can own and drive America's Number One Road Car with all it's beauty, performance and dependability and not have to worry about a large repair bill.

Don't settle for anything less. Come in now and investigate this wondeerful plan. Remember—5 out of 10 small cars wear a Pontiac price tag but give you none of Pontiac's advantages—So Don't Second Guess Yourself Out Of A Pontiac!

IN TOWLE PARK

Annual Scoutnic Slated Aug. 10

The annual Scoutnic of the Lone Buffalo Boy Scout District has been scheduled for Aug. 10, Wayland Holt, district chairman, has announced.

Included in the annual event will be four divisions, including a swim meet, Cub field meet, Scout and Explorer district rally and a picnic. All the events will be in Towle Memorial Park here.

The swim meet will be at 10 a.m. for scouts and Explorers. It will be conducted by the district's health and safety committee, headed by Bill Zimmerman. Scouts will compete against Scouts, Explorers against Explorers. Ribbons will be awarded for four places in each event. No person can compete in more than four events. Events will be breast stroke, back stroke, medley relay, free style relay, diving, cross chest carry, **and free** style swim.

* * *

The Cub field meet rally will be at 5 p.m. It will include three-legged race, obstacle race, discus throw, (paper plates), hammer throw (paper sack with rags), shoe scramble, nail driving and ball throwing contests for mothers only, clothes pinning and football kicks for dads only, cracker eating relay, and horse and rider contest.

* * *

The Scout and Explorer district rally will also be at 5 p.m., with events to include water boiling, height judging, tug-o-war, blanket roll, chariot race, fire by flint and steel, knot relay, and tenderfoot race. Both the Cub and Scout-Explorer events will be under direction of the camping and activities committee.

At the picnic, which will be held at 7 p.m. in the park's picnic pavilion, there will be several things on the agenda. Included will be swim meet awards by Zimmerman, recognition of winners of the rally events by Ray Devers, chairman of the camping and activities committee, a Jamboree report, report on the fall roundup, community singing, Philmont report, camp report, and a report by Nolan von Roeder on development of Camp Ed Murphy at Lake J. B. Thomas.

Table reservations for the picnic should be made by units. Those participating are invited to take their families along. They should take all their picnic dinner and plates, etc., according to Harold Lacik, district commissioner.

IS THIS INFLATION?

Many Hit By Price Spiral

By SAM DAWSON

NEW YORK (AP) — A Boston homemaker finds that on average beef costs 5 cents more a pound today than last year. A Seattle man spends more for cigarettes. If you ride the Chicago subway it costs you a quarter today. A month ago you could do it for two dimes.

Most people call that inflation and ask why it came about:

A Kansas City couple who have been saving to put their son through college find that this fall it will cost them more in many schools — maybe more than the sum they saved.

A Richmond doctor may send you a bigger bill today than he said last year for the same service. He explains his expenses are up.

Politicians are exchanging angry words about who is doing what to whom. Labor and management are accusing each other.

Bankers say the disease started when money was cheap—that present high interest rates are just what the doctor ordered.

Economists differ as to whether today's rising spiral of wages and prices is breeding new inflation, or is just the after effect of earlier inflation.

A prominent insurance official says the current spiral isn't the cause of inflation but one of the consequences of the inflation born during World War II and the Korean War. In those years the supply of money and credit was increased sharply, and in between the wars the policy of full employment means keeping money easy and credit abundant.

Failure to deflate this supply has generated the wage-price spiral that today pinches everyone in many little ways and adds up to a big bite on the pocketbook.

Grant that the wartime credit inflation trend has never been seriously reversed, while the demand for new plants and equipment and for skilled labor is at a record high, with many of these capital goods and skills in short or tight supply—and you have two of the aspects of "classic inflation."

But other things are also blamed. There is the endless circle, wages pushing up prices and prices pushing wages, which neither management nor labor seem eager to break so long as boom times and almost full employment continue.

High taxes at the federal level and rising taxes at the state and local levels raise the cost of doing business and put pressure on prices.

Some say that everyone is to blame for this "new type of inflation."

All too many, including the government, have been living beyond their means for several years now, living on debt and credit—counting on tomorrow's good times to bail them out. High prices flower when they count for less than one's own desires.

Tomorrow: How can this inflation be stopped—or can it be?

Baby Drowns In Tub

SOQUEL, Calif. (AP) — An 18-month-old baby drowned in 2½ inches of water. Mrs. Virginia Brown told firemen she left her daughter an ice in a highchair, daughter Janice in a high chair while she checked a washing machine. When she returned the baby was face down in the bathtub.

Busy Six Months

SAN FRANCISCO (AP)—Director Charles Tait of the Port of San Francisco reported yesterday, the first six months of this year were the busiest since 1940. Tonnage totaled 3,302,816, an increase of 30 per cent over last year's January-July figure.

Pistol Packing Contest

SANTA FE, N.M. (AP) — There's gonna be a gun fight in Santa Fe Sunday.

The sheriff will be there with a posse, but he won't lift a trigger finger to stop it.

No one will.

The site of the fight will be the rodeo arena in Santa Fe — in the heart of Billy the Kid's old stomping grounds.

There won't be real bullets in the six-guns. The participants will all be under 12, and they won't really be shooting at each other, just against each other.

It started when two California youngsters, Eric and Lars Henderson, 11 and 9, appeared on a television show demonstrating some new cap pistols.

They were touted as among the fastest on the draw, and the Santa Fe youngsters — naturally feeling that their and Billy the Kid's reputations were attacked — challenged Eric and Lars to prove their fast draws.

Twenty Santa Fe gunslingers vied for the right to battle it out with the Henderson boys, with Janice Nicholson, 12, and Bill Reust, 10, emerging on top.

Two finalists from here and Eric and Lars will compete against the stop watch in four categories — fast draw, fast draw and fan one, fast draw and fan five and twirling and gun tricks.

The contest will come on the last day of the four-day Santa Fe Rodeo.

Janice and Bill each can draw in two tenths of a second — almost too fast to see. They can draw and fan one shot in three tenths of a second, and raw and fan five in one second flat.
