Law Honor For Judge

District Judge A. S. Mauzey, who retires from the judicial bench Jan. 1, was honored Wednesday at the Jaycee luncheon in Civic House marking Law Enforcement Appreciation Week. Here the veteran jurist, center, receives from Jaycee Drew Ballard, left, a citation in appreciation to his excellent service for law enforcement. At right is Police Chief Leon Yeager, who was cited for the honor last year.

AT DINNER AND SPEAKING

Nixon Rally Lambasts Demo Ticket, Record

Supporters for the Republican ticket of Nixon-Lodge whooped it up here Thursday night at a dinner in Civic House and a public program in Colorado High Auditorium.

They applauded and cheered their speakers, hustled to their feet for choruses of "The Eyes of Texas" and walked into the night 4 hours later with campaign placards in their hands.

Approximately 200 of them were at the $1.50 per plate dinner in Civic House. And the crowd swelled to more than 350 in the school auditorium.

Robert E. Stripling, former chief investigator of the Dies Un-American Activities Committee, lambasted Harry Truman, Eleanor Roosevelt, "Old Bald" Sam Rayburn, and urged 'em to scratch Lyndon B. Johnson "all the way," for Senator as well as vice president.

He called for the election of the Nixon-Lodge ticket for the "survival of the nation" because Stripling saw the Republican pair as best understanding the Communist mind.

And along the way, the Midland oil man described the Democratic Party of Kennedy and Johnson as made up of "leftiests, ultra liberals, egg-heads, bubble-heads, racketeers, socialists and what-have-you."

But it remained for a panel of local speakers to steal the fireworks in what they, themselves, described as "amateur night" in politics after the "professionals" had their say at last week's Democratic rally.

Directing the parade of "amateur" speakers was the city's major, Glenn, R. (Bob) Robinson, chairman of Nixon-Lodge forces in Mitchell County.

Robinson, emcee for the dinner and auditorium program, set the political tone for the speeches when he opened the dinner program when he said the Nixon-Lodge organization here was a move "throw off sprawling government control and bubbling bureaucrats."

"And because we believe the Nixon-Lodge methods for achieving a better America are far superior to methods of Jack Kennedy."

Joe Earnest, first in the line of local "amateurs" in politics, told the goup they "ought to get mad" about the political situation.

And he tuned to Stripling, who was investigating in the famed Communist hunts years ago, and declared:

"I don't see how you stood up those 10 years against Roosevelt, Harry Truman and the Press."

"I'm not a Republican," Earnest declared, "but if we can get Nixon-Lodge elected, I don't care what name they call us."

"The Nixon - Lodge crowd are our friends," Earnest continued "and, the others (Demos) are the money boys, the big steak boys, the unsocialized Socialists."

He referred to Adlai Stevenson as "starry-eyed" and Eleanor Roosevelt as "too old to be starry-eyed."

"And Jack Kennedy is lying instead of distorting," Earnest said.

H. I. Berman, retired merchant, drew heavy ovation when he referred to his 36 years of residency in Colorado City, the immigration of his family to America from Russia, and the rearing of his family sons in free America.

The question in this election, he said, is whether we choose the Republican ticket and platform or the "final plunge into Socialism" by way of the Democratic platform.

"I've been to Washington," Berman continued, "and I've seen no gold mines there, no money trees . . . seen no wealth in Washington except what is taken out of pay checks or extracted from us in taxes.

"Washington can give us only what they take away from us. And then only in deminished amounts . . . and telling us how, when and where to spend it."

Benny Franks, employe of Sun Oil Company, related the economical importance of oil to Mitchell County, Texas and the nation.

He said that Nixon was from an oil state and voted for

TESCO DINNER TO WELCOME '25' PAIR

Two new members will be welcomed into the ranks of Texas Electric Service Company's Quarter Century Club at the annual dinner Monday night in the Civic House at Colorado City.

They are L. L. Zeigler, district manager of the company and J. H. Birmingham, district accounting manager, both of Sweetwater, who recently have completed 2 years with the company.

Dr. Carl S. Winters of Oak Park, Ill., will be guest speaker at the dinner, taking as his subject, "Opportunity Unlimited." Also attending the dinner will be company executives and department heads from Fort Worth.

STABBED IN BACK

Club Woman Hurt In Fall on Shears

A Colorado City Garden Club member was severely injured Friday afternoon while working on entries in the annual Garden Club flower show. In Root Memorial Hospital with severe stab wounds is Mrs. R. B. Baker, 1045 Chestnut St.

Mrs. Baker was working from a ladder in her front yard when the ladder gave way, throwing her to the ground upon her pruning shears which pierced Mrs. Baker's back.

Immediately after her fall cries and coming to her aid were her next door neighbors, Mrs. Stellas Mize and Mr. and Mrs. Bill Worrell, who rushed her to the hospital.

Mrs. Baker entered the hospital following the accident which happened at 5:25 p.m.

R. B. Baker, the injured woman's husband, told the Record, at his wife's bedside that the shears wounded his wife in the back and that tests were being made to determine the extent of injury.

It was reported early today afternoon that Mrs. Baker's condition was improved and still conscious. Mrs. Baker called for help. Hearing her cry

UF To Seek $6,758 In 5-Day Clean-Up Effort

1,090 Cards In Unworked Group

Mitchell County United Fund — still more than $6,000 short of its goal—will pull the curtain this week on the 1961 finance campaign.

Final day of the drive, which furnishes the funds for 8 deserving agencies in 1 all-out effort, will be Friday.

And United Fund officials Saturday issued an urgent request for volunteer workers—who still have United Fund cards assigned to them — to turn in their cards whether these have been worked or not.

Turn-in of unworked cards will make way for a special United Fund "clean-up" effort during the first part of the week — a clean-up which is hoped will put the fund drive over the top with its goal of $23,988.

"These next few days, the cooperation of those volunteers who have unworked cards, and the spirit of the county citizens these next few days," declared Jeff Taylor, Mitchell County United Fund president, "will determine whether we meet our responsibilities to these 8 United Fund agencies . . . or whether we fall short and fail.

"And those persons who might not have been contacted for United Fund pledges and contributions should phone the United Fund headquarters RA 8-3818 or mail pledges to Mitchell County United Fund, P. O. Box 242, Colorado City."

Bob Reily, county campaign chairman, expressed optimism the goal of $23,988 still can be reached before Friday if all contact cards are worked and every citizen is given an opportunity to contribute.

"People know United Fund is a worthy program that saves time, money and effort with its one-for-all campaign," Reily said, "and they will make this campaign a success if afforded the opportunity."

The $17,230 already pledged and contributed to United Fund's 1961 financing has come from 2,016 card contacts made by volunteer workers.

"We still have 1,090 cards left in the hands of workers,"

Holiday Cake Sales Start For Band

Wolf Band Boosters Club of Colorado City is starting its annual fruit cake sale for the holiday seasons.

Salesmen — actually, members of the Band Boosters — will begin calling on local merchants and other individuals to take orders.

Funds from the sale, like other Band Boosters projects, are channeled directly into a program for a better and larger Colorado High Wolf Band.

Right now, the big project is aiming toward purchase of an auto carryall which can carry band instruments and uniforms on trips. The carryall will become the property of the public school system, thus providing a saving in tax dollars, according to John Russell, Band Boosters president.

Other projects of the Band Boosters include educational promotion, trips and purchase of equipment.

"We are asking that you hold your orders for us until the time when our salesman have an opportunity to call on you," Russell has written local merchants.

The fruit cakes can be ordered delivery at Thanksgiving and Christmas.

Those desiring to place orders can phone Mrs. John Russell, RA 8-4484.

Abilene Rites For Broaddus, Ex-Resident

Henry C. Broaddus, age 62, former resident of Colorado City and son of Mrs. Amedia Broaddus, Mitchell County pioneer, died Thursday evening in Hendrick Memorial Hospital in Abilene after suffering a stroke Tuesday night.

Funeral services for Broaddus, who was area collection manager of the Abilene division of the Bureau of Internal Revenue, were conducted Saturday morning at Kiker - Warren Funeral Home Chapel with Dr. John Donaho, pastor of St. Paul Methodist Church in Abilene, officiating assisted by Dr. C. A. Long, associate pastor. Burial was in Elmwood Memorial Park.

Broaddus is survived by his wife; his mother; a brother, B. W. of Midland and a sister, Miss Mary Broaddus of Bakersfield, Calif.

School Needs Reported to Teachers

Mitchell County Texas State Teachers Association had the first meeting of the school year in the Primary School Cafeteria of the Colorado City schools, Oct. 25, 1960.

Mrs. Richardson and staff served the dinner.

Following the dinner Mr. Curtis Baker presented a girls' trio composed of Janie Reed, Judy Ellis, and Martha Russell.

Mary Hooper, English teacher in Junior High School, sang two songs.

E. M. Findley, president of the association, introduced the speaker of the evening, John H. Lovelady, assistant director of field service for T.S.T.A. His talk on "The T.S.T.A. Legislative Program for 1961," stressing this theme, "The educational needs of Texas children will be met when Texas citizens become aware of the educational crisis now exisiting and act to meet this emergency."

Frank Wilson, superintendent of Colorado City schools, introduced State Rep. Max Carriker, who spoke and assured the teachers that he was for a constructive school program for the child and the teacher.

Short business meeting was conducted after the program. There were 109 present, 62 members and 47 guests.

Superintendent J. B. Cushing and 15 members were present from Loraine. Westbrook had two members present. Superintendent Wilson and 42 teachers from Colorado City schools attended the meeting. Roy Davis Coles, County School Superintendent, was present, making a total of 44 members from Colorado City.

A door prize was given to the school having the most percentage of its members present. Loraine won and Mrs. Coffee drew the name of Raymond Holt, who received a pen and pencil set.

The next meeting will be in Loraine, the date of which will be announced later.

One will be Queen

Westbrook students will elect and crown one of these four high school girls queen during their annual harvest festival Nov. 12 at the school. Queen nominees are, from left to right, Judy Ranne, junior candidate; Marge Douglas, sophomore candidate; Barbara Chambers, senior candidate, and Donna Henderson, freshman candidate.

3-AAA CONTEST

Snyder Stalls Ailing Wolf Offense, 36-21

Colorado City Wolves, knocked for a loop before game time by the virus bug, stumbled before Snyder Tiger, 36 to 21, Friday night in Snyder.

The defeat marred a young, but perfect record in this 3-AAA season who a week ago opened district play with a triumph over Lake View.

Snyder rebounded from an opening week loss from Sweetwater and walked off the field with a .500 average, the same as Colorado City.

Coach Sam Chrtisty's Wolves with key quarterback Jerry McKay in Root Memorial Hospital until game time, dropped behind in the second quarter, then revived to move into a 7 to 6 lead.

But then a devasting touchdown run on the kickoff, plus a mix-up on downs, shot Snyder into a commanding 22 to 7 lead at halftime and turned the tide against the crippled Wolves.

Colorado City scored only in the sparse moments McKay was in the game.

The senior quarterback, who adds triple-threat ability to the Wolves offensive, was hospitalized Thursday with virus and was carried to the stadium in his parents car just a few minutes before kickoff time.

He was held out of pregame warm-up and was allowed to go into the game for a few minutes in the second quarter — just enough to lead the scoring drive that pushed C-City into a 7 to 6 lead.

And he was used again on offense in the second half on scoring drives in the third and fourth quarters. But that's about all.

Adding to Colorado City's woes was the condition of

8th Graders Stun Loraine by 46-0

Colorado City's 8th grade Wolves stunned Loraine, 46-0, Thursday evening in Wolf Stadium.

Everyone got into the scoring act for Colorado City, including a couple of previously unheralded players.

Two touchdowns, both made by Perry Millsap on long runs of about 60 yards each time, were called back because of penalties.

Paul Yeager chalked up the first Wolf tally in the first quarter on a 5 yard line plunge the second time Colorado City had possession of the ball. The conversion try failed.

A few minutes later, Stanley Hardcastle took a handoff around right end and sprinted 35 yardss to paydirt. David McKay ran for the extra points, making it 14-0 for Colorado City.

In the second period of play, Wolf Kenneth Feaster took a handoff and raced 55 yards to almost crosss the goal line. So they gave him the ball again, and he plunged across from the 2 yard marker. Tom Allen Mann ran the extra points on a line counter play.

Next, McKay grabbed the ball on a handoff and dashed 30 yards for a touchdown. Twice the Wolves completed a play for extra points and twice it was called back for penalties. On the third try, Ronnie Preston snagged a pass, good for the two points. At the half the score stood 30-0.

Colorado City scored once in each of the last two quarters. First, Mike Munday took the ball on a reverse play on the 50 and never stopped until he crossed the goal line. The two extra points were scored by Reggie Noble on a quarterback sneak.

In the last quarter Kenneth Feaster scored again on a pass-out play from 25 yards out. Perry Millsap sneaked across for the extra points, making the final score read 46-0.

Young Farmers to Organize Tuesday

A meeting is set Tuesday night for purpose of organizing a Mitchell County Young Farmer organization.

The session is scheduled for 8 o'clock in Lone Wolf Electric Cooperative Inc. building.

Traveling here for the organizational meeting will be E. L. Tiner of Austin, consultant for Young Farmers Education.

The Mitchell County Young Farmer organization is being sponsored by public school systems of the county, vocational agriculture departments and Texas Education Agency.

Similar groups have been organized in adjoining counties and worthwhile benefits have been reported by those

For example, the Sweetwater Young Farmers Chapter has programs planned for livestock feeding, market trends, farm income tax, farm labor problems and farm electrification. These programs will be instructed by specialists in their particular fields.

Similar programs may be scheduled for Mitchell County is sufficient interest it evidenced in the organizational meeting Tuesday night, it was emphasized.

In addition to the business and organizational session, the meeting will include free refreshments.

Tiner, the Young Farmers Education consultant will answer questions for the group.

Don Vest, the high scoring fullback, who was ill 3 days during the week; rugged lineman Joe Weaver, who was knocked down Thursday and Friday by illness, and end Bill Newell, also ailing.

Snyder opened scoring with 9 minutes remaining in the second quarter. They drove from the C-City 43 in 10 plays with Fullback Bob Pena scoring.

But with McKay in the lineup, the Wolves rushed back. McKay hurled a long pass to Buddy Compton, who caught it on the Snyder 20 and raced across the goal untouched. Vest extra point kick was good and the Wolves led, 7 to 6.

Colorado City strategy was mapped to hold that lead into the second half, then use McKay in brief spurts in attempt to increase the advantage.

But the touchdown kickoff backfired with Snyder's Jesse Crawford taking the kick on Snyder's 13, then racing 87 yards down the sideline. The advantage climbed to 14-7 with Halfback Mike Morris scoring 2 extra points through left tackle.

An 89-yard scamper around end in the third quarter by Crawford, added another Snyder touchdown. Eddie Ply's plungs was worth 2 points more for a 30 to 7 lead.

Colorado City piled up its own misfortune a few moments later when a direct snapback from center hit Vest's helmet, then bounced into the arms of Tiger guard Bill Weaver. All Weaver had to do was lurch 23 yards across the goal and the score was 36 to 7.

With McKay returning to the field, Colorado City marched 77 yards for a score. The sick quarterback ran the last 6 yards himself around end. A running try for 2 points was stopped and the Wolves trailed 36 to 13.

Taking over on their own 26 in the fourth quarter, Wolves again cranked up with McKay at the helm and journeyed 74 yards in 12 plays. Vest hit left guard for the last 2 yards.

Then Vest faked an extra point kick and passed to McKay to make it 36 to 21 with 1:30 minutes left in the game.

measures beneficial to the oil industry when Kennedy did not.

"A vote for Kennedy will jeopardize Texas' future income," Franks declared, "and will result in reduction of Texas oil reserves."

Curtis Latimer, farmer-ranche and ex-school principal, discussed farm and educational aspects of the campaign.

He said increased exports had placed cotton "in the most favorable position" in a long time. A trend of reduced farm population is a natural process of marginal farms and farmers moving into other business, of adjustment to new techniques and mechanization.

And he said that in the first 6 years of the Eisenhower Administration, less people were leaving the farms than during the Truman Administration.

Frank Kelley, Mobil Oil landman, praised Texas Congressman and said "if we had not had 'em we would not have 27½ per cent oil depletion allowance."

"But now, "we have got to save them," he said in support of the Nixon-Lodge ticket.

SATURDAY MORNING

Chapter Meets in Hotel for Annual Fall Rushee Party

Texas Mu Pi Chapter of Beta Sigma Phi met Saturday for its annual fall rush party in the Colorado Room of the Baker Hotel. Hosting the breakfast was Mrs. Bennie Franks.

Mrs. Earl Keaton, vice president, welcomed each rushee.

Mrs. James Trammell, president, presented a short introduction on Beta Sigma Phi.

The purposes of the Beta Sigma Phi which she stated in speech are as follows:

To provide an organization for the women of today — a sorority which unites culture and social events, which combines an opportunity of increasing friendships and doing something worthwhile and which creates an atmosphere for doing things together that one would not do alone.

To explore the many mansions of the philosopher, the artist, the historian, the architect, the musician, the sculptor, the writer and the poet, through a cumulaive study program.

To view ourselves and those around us, in the light of the cultures of the past and present, with an eye to the future.

To create a climate in which the woman of today can grow in graceful accompaniment with her male counterpart.

To build many bridges between the nations of the world through the exploration of the universality of the arts and the intellects of these nations by our International membership.

To open the door and serve as a guide to the interesting adventures of modern woman as she expands her horizons.

Members present were Mrs. Bob Barman, Mrs. John Brand, Mrs. C. C. Burt, Mrs. Bennie Franks, Mrs. R. E. Gregory Jr. and Miss Mary Hickman.

Mrs. Earl Keaton, Mrs. Bobby Kimmel, Mrs. W. B. McClure, Mrs. Bo Merket, Miss Jane Merrill, Mrs. Bob Ratliff, Mrs. George Smith and Mrs. O. B. Trulock Jr.

Also, Mrs. Leonard Ward, Mrs. Raymond Watlington and Mrs. James Trammell.

Rushees present were Mrs. Sam Christy, Mrs. George Gray, Mrs. Donald Rhodes, Mrs. Lindy Merket and Mrs. Art Dibble.

Lubbock Guests

Guests in the home of Mrs. J. C. Hooker and Miss Claudia Longley last weekend were Mr. and Mrs. H.J. Longley from Lubbock.

EXPERIENCE COUNTS!

RICHARD NIXON

Eight years' experience in the President's Cabinet...in the National Security Council ...in the U. S. Senate

No other man in our history has been as well prepared for the Presidency as Richard Nixon. Working closely with President Eisenhower, he has learned first-hand the intricate duties of the Nation's highest office. As the most active Vice President ever, he has proven time after time, at home and abroad, that he has the skill and the courage to solve any challenge that may arise.

Richard Nixon does not have to grow up to the job. He has lived with it for eight years. And because experience counts, Richard Nixon is America's chief hope in the critical years ahead.

HENRY CABOT LODGE

Seven years' experience as United States Ambassador to the United Nations... "America's Voice to the World"

There is hardly a man alive with a better working knowledge of Communism and its threats than Henry Cabot Lodge. As America's highly respected spokesman at the U. N. for the past seven years, the Communist challenge has been his primary concern. And time after time, in his forceful and articulate manner he has thwarted Communist attempts at world domination.

There can be no more important issue than world peace. And once again, because experience counts, Henry Cabot Lodge is Richard Nixon's perfect partner for peace.

Quill and Scroll Honor Society Adds Three New Junior Members

Three new members have been added to Quill and Scroll International Honor Society for High School Journalists at Colorado City High School. Pledges are Judy McGuire, Susan Hughes and Jimmy Costin, all junior students.

A charter was granted to Colorado High Chapter of Quill and Scroll in 1937 and after an inaction period of 11 years the charter was renewed in 1948.

Purpose of the organization is to recognized outstanding work in publications. Membership is based on the following requirements:

The candidate must be of junior or senior classification.

They must be in the upper third of their class in general scholarship.

They must have done superior work in some phase of journalism or school publications work.

They must be recommended by the supervisor or by the committee governing publications and finally they must be approved by the secretary-treasurer of the Society.

Members of the local honor society have made outstanding grades in college. Several members have majored in journalism and many state IIPC contestants and a state champion in 3AAA ILPC have been members of the society.

Old members are Jerry McKay, president; Linda Farrar, vice president; Betty Gilbert, secretary; Mary Louise Cox and Mary Ann Merritt.

New members will be honored with a traditional Mexican supper in the home of McKay Nov. 12. Little brothers and sisters will be pledged until Thanksgiving.

Several other parties will compliment new pledges throughout the season. Miss Farrar will be hostess Nov. 19.

Mrs. Gerald Gordon, sponsor, will honor the society with a Christmas dinner in her home.

Student Visits

Charles Rothwell, who is attending the University of Oklahoma in Norman, Okla., is visiting in the home of his parents this weekend.

New Honor Society Members

Three new members of the Quill and Scroll International Honor Society for High School Journalists at Colorado High are, seated, Judy McQuire and standing, Susan Hughes and Jimmy Costin. Jerry McKay, seated, is president of the society.

FRIDAY AFTERNOON

Mrs. Bill Rees Presents Program To Home Demonstration Club

Mrs. Bill Rees presented the program "Home Fire Prevention and Fire Fighting" Friday afternoon at the meeting of the Carr Home Demonstration Club in the home of Mrs. T. L. McKenney.

"Did you know that each year the President sets aside the week in which Oct. 9 falls as "Fire Prevention Week" because it is the anniversary of the 1871 great destructive Chicago Fire?" she asked members.

She pointed out that each year about 65 per cent of the fires within buildings occur in the home — two thirds of the people who die as a result of fire, lose their lives in these home.

"Everyone wants a safe home — many persons are uninformed about fire hazards. If they only knew what hazards were in their homes, they undoubtedly would take steps to remove them. How, then, do farmers or rural people know what they are going to seek in the way of fire hazards in their own home?" she said.

Following are a list of the major fire hazards in the home mentioned by Mrs. Rees.

Rubbish and trash, even in the cleanest home will accumulate at time — it is a natural result of living. Since they are flammable, they should never be piled too close to a heated device such as a water heater or furnace. Fuel, air and heat are the three things needed to start a fire. Remove any one of them and no fire can ever occur.

Flammable liquids as gasoline, naphtha and certain cleaning solvents will evaporate and make a flammable vapor unless they are kept in proper type containers. When these vapors are mixed with the right amount of air they can be ignited by a match, a spark in an electric switch or a pilot light and result in a bad explosion. Or, as these flammable vapors are heavier than air, they flow near the floor and can be ignited by your gas water heater or furnace.

These are the chief reasons never to use them inside the home.

Keep gasoline or naphtha in an approved heavy metal can. Be sure it has the UL or FM label on it. Keep it in the garage and never put the liquids in glass jars or jugs.

Painting materials with an oil or rubber base, paint thinners or solvents should have lids airtight.

Storage or work areas should have a good thorough house cleaning once a year. Keep all oily rags and flammable liquids outside and clean paint brushes outside. Storage areas should have everything boxed and stored away from bare electric light bulbs.

Keep all the home heating equipment away from combustible material.

Never hunt for a gas leak with a match. Know where the main shut-off valve is and shut it off. Open all windows. Smoking should be stopped and no lights turned on or off. Call the gas company and if you should hunt for the leak, coat the pipe joint with thick soap suds. If a leak is present, it will show itself by creating large soap bubbles.

More fires start from electrical misuse than any other known cause. Do not overload the electrical circuits. Replace frayed cords. Cords should not be placed under rugs, behind radiators or any other heated surface, hung on nails or over piping. Keep all electric motors cleaned and oiled. Do not push the radio or television sets back against draperies or upholstered furniture as this may block the heat vent and cause a fire.

Out buildings and yards can start fires unless kept spotlessly clean.

A good fire extinguisher might do a lot of good when the fire is small.

The opening recreation was led by Mrs. F. A. Langley.

Roll call was answered with "What I do, when I do as I please."

Mrs. Tom Jackson, secretary and treasurer, read a letter from Miss Pat Mitchell thanking each club member for their part in her college scholarship.

The members voted to sponsor a halloween party in the Carr Community Center at 7:00 p. m., Oct. 29. Games will be directed by Mrs. J.L. (Bill) Rees, recreation chairman. Cookies, cocoa and coffee will be served. The club members will meet Friday at 1:00 p.m. to decorate the building.

Mrs. Rees, council delegate, gave the council report.

Refreshments were served to one guest, Mrs. D. R. Thornton, and the following members:

Mrs. D. G. Rollins, Mrs. C. C. Buchanan, Mrs. Ruth Airhart, Mrs. Bill Rees, Mrs. C. N. Adams and Mrs. Louise Rees.

Also, Mrs. Tom Jackson, Mrs. T. A. Rees, Mrs. Langley and the hostess.

Next meeting has been scheduled for Nov. 4 at 2:00 p.m. in the home of Mrs. Louis Rees.

Visits Parents

Phillip Bates, son of Mr. and Mrs. R. P. Bates, is visiting in Colorado City over the weekend.

Phillip is a student at Texas A&M College at College Station.

Local Church To Conduct Annual Meet

"Christian Action for Freedom" will be the theme for World Community Day which is to be conducted Oct 31 at the First Methodist Church.

Mrs. Weldon Reese will present the program.

Members attending the event are asked to bring a gown for a child from 2 to 10 years of age or a small article for a medical kit to be sent for foreign aid.

Mrs. Eldon Mahon is in charge of the CROP campaign this year and teenagers will head the donation drive this year.

30 TO 14 MARGIN

Freshmen Wallop Big Spring Team

The Freshmen Wolves of Colorado City defeated Goliad of Big Spring 30-14, Thursday evening in Wolf Stadium.

Wolf quarterback, Dale Walker, began the game right by returning the opening kickoff from his own 20 yard line to the opponents' 30.

Walker also accounted for two Wolf touchdowns and ran a successful play for two extra points once. Others scoring Wolf tallies or making extra points or both were Denzil Pendergrass, Ronnie Lightfoot, and Bill Boren.

Colorado City scored the first two times they had the ball, but were not able to really relax until the final movement of the game. Goliad also scored the first half, making the halftime score 16-6.

During the third period of play, both teams traded the ball back and forth. Colorado City scored first again; then Goliad added another tally.

The final Wolf touchdown was made with only four minutes of playing time remaining.

Wolf fullback Ronnie Lightfoot seemed to be the main offensive powerhouse. Time and again, he was able to grind out first downs for the Wolves, making it possible for them to keep going on the ground and score.

Both teams had touchdowns called back for penalties, or the score might have been higher and different.

Goliad, a good ball club with good size and speed, broke through the Colorado City defense for long gains several times during the first half. Then the entire Wolf unit decided to hold. Some of the outstanding defensive players were Bill McGuire, Melvin Morgan, Denzil Pendergrass, Larry Damborsky, Danny Kennemur, and Dale Walker.

Next, the Freshmen meet Ballinger again at 8 Thursday, Nov. 3, in Wolf Stadium.

Who's Putting The Squeeze On

OIL?

NOBODY . . . BUT THE

REPUBLICANS!

The oil industry . . . so important to this Great West Texas area . . . is sick. Oil imports are at record highs . . . Texas oil allowable days have been cut from 20 (1952) to 8 (1960 . . . and the pinch reaches all through West Texas from oil rig to refinery to business man to farmer.

$100,000 MITCHELL COUNTY LOSS!

Outsiders don't have to tell us about it here at home. We know that oil's sick. We feel the squeeze. Mitchell County taxable valuations on oil properties dropped $99,380 this year. That's tax money lost to Mitchell County.

OIL IMPORTS DO IT!

As Mitchell County and all West Texas oil wells are shut down more days every month . . . our nation's oil imports are at an all-time high. These oil imports are REPUBLICAN ADMINISTRATION policy in Washington. And they hurt you every day.

WEST TEXAS COMPLAINS!

Sam L. Robertson of Abilene, president of West Central Texas Oil & Gas Association, Friday (Oct. 28, 1960) protested that the REPUBLICAN OIL IMPORT POLICY "fails to assert the basic principal . . . that imports are to supplement, rather than supplant, domestic production." "During the last 5 years," The WCTO&G president reported, "when the national oil market has increased about 10 per cent and imports have increased over 45 per cent, the Texas output has decreased more than 11 per cent."

REPUBLICAN FIGHTS DEPLETION!

Some Republican supporters use double-talk in an effort to create a false issue on oil's 27½ per cent depletion allowance. But the fact is that the person doing the most to reduce depletion is Sen. Williams, Republican from Delaware. Senator Williams, would become chairman of the Senate Finance Committee (the committee through which any depletion bill must pass) if Republicans gain control of the Senate, and Republican Williams offers an amendment in Washington almost each year to reduce oil depletion from 27½ to 15 per cent. And he is overwhelmingly voted down 2 to 1, chiefly with Texas Democratic opposition.

Oil Depletion

Definitely Is

'Democratic'

The Democratic Party, led by Texas' Democratic delegation in Congress, has consistently voted for . . . and maintained . . . the 27½ oil depletion allowance for 34 years. Democratic Presidential Candidate Jack Kennedy has never advocated elimination of the oil depletion allowance and has consistently VOTED AGAINST across the board reduction of this allowance. No amount of Republican double-talk, tongue-twisting, ballyhoo, and misrepresentation can deny this Democratic Record for Oil Depletion.
