Bailey Co. Electric Receives Large Loan For Area Expansion

W. W. Branscum, president of the Bailey County Electric Cooperative Association, has just received word that a loan in the amount of \$1,500,000 has been approved for the Bailey County Electric Cooperative under the provisions of the Rural Electrification Act of 1936 and as amended.

The loan will provide funds for the financing of the construction of 114 miles of distribution lines to serve 334 irrigation wells. In order to serve these wells, the Cooperative will build 25 miles of 69 KV transmission lines and two sub-stations.

Mr. Branscum announced that the loan papers would be executed in a very short time and that construction would proceed as rapidly as possible. He indicated that the Cooperative had already prepared specifications for sub-stations and transmission line and was asking for material prices and would proceed on construction just as soon as the materials could be purchased.

The Bailey County Electric Cooperative has received loans, including this loan, in the total amount of \$4,112,000 for the construction of 1,585 miles of distribution lines to serve 3,334 consumers. Part of this has been for the construction of transmission lines and sub-stations.

The money is loaned for a period of 35 years with 2% interest on the unpaid balance. Revenue paid by farmers for the use of electric service is used for maintenance and operating the Cooperative. These funds are also used for the repayment of the loan with the interest.

At the present time, the Cooperative is in sound financial condition and has met all interest and principal payments. Some of the principal payments have been paid ahead of time.

The Cooperative received a severe setback in January of this year due to an ice storm.

Formal Opening Of Fielder's Jewelry Sat., Sept. 12

The Fielder Jewelry Store, a newcomer to the businesses of Muleshoe, is having its formal opening Saturday, September 12. The store on its opening day will give away a pair of wrist watches, one for a man and one for a lady, besides a number of fine get acquainted specials.

Coy and Helen Fielder came to Muleshoe from Tahoka, Texas, where they have been engaged in the jewelry business for the past five years, however, Coy has several more years of jewelry experience.

It is unusual to find a woman watchmaker, but Helen Fielder has been to school and has served her apprenticeship with her husband, and today qualifies as a competent watchmaker.

The Fielders have one daughter, Phyllis, a sophomore in Muleshoe High School.

Helen was born in Tahoka while Coy is a native of Comanche, Texas.

The store is located next to Blackburn's Food Market.

This ice storm cost the Cooperative about \$80,000. Up to the present time, the Cooperative has not had to dispose of any of its bonds or temporary investments for the purpose of taking care of the cost of the ice storm. The Cooperative was in a financial condition to absorb this loss without disposing of any of its temporary investments.

The loan that has just been received provides for a sub-station north of Earth, and one near Lazbuddie. These sub-stations will take care of the irrigation in that area.

Farmers that are planning to install electric motors for irrigation for 1954 are urged to contact the Cooperative Office and start making arrangements for the installation of the electric service.

Lazbuddie Plays First Game At Home Friday

Lazbuddie opens its football season with Sunray Friday, September 11, at 2:30 p. m. Coach Dukes has 18 boys out for football and he says they are looking good, however, the team will be small.

The Longhorns will play Sunray High School here Friday, September 11 at 2:30 p. m. Leading the attack will be three senior boys: Jerry Gleason, back; Frank Spitzer, end; and Leonard Smith, center.

The following boys are out for football:

Jerry Gleason, Frank Spitzer, Leonard Smith, David White, Joe Briggs, Sammie Cox, Jim Gordon, Robert Ivy, Jimmie Ivy, Weldon Crim, Jimmie Oliver, Leon Smith, Olen Ivy, Jim Roy Daniel, Glen Watkins, Jerry Hall, Johnny Gammon, and Durwood Teague.

The Longhorns will play nine games this year which include five home games and four away. The schedule is as follows:

Sept. 11 — Sunray	Here.
Sept. 18 — Smyer	Here.
Sept. 25 — Cotton Center	There.
Oct. 2 — Pettit	Here.
Oct. 9 — Bula	There.
Oct. 15 — Spade	Here.
Oct. 23 — Southland	Here.
Oct. 28 — New Home	There.
Nov. 6 — Three Way	There.

Printed schedules were printed during the summer and two changes have been made. Spade will play here Oct. 15, rather than Oct. 16, and the Lazbuddie-New Home game at New Home has been changed to Oct. 29.

All Lazbuddie home games will be played at 2:30 p. m., and all games away from home will be played at 7:30 p. m. The Cotton Center game will be played at Spade.

Come One Come All

There will be a pep rally and a bon fire, Thursday night at seven o'clock. There will be a snake dance down town, then everyone meet at the lot across from Jr. High for the bon fire. Come on everyone, let's back the "Mules."

Explorer Scouts Win Rifle Match

Sunday, August 30, the Explorer Post 20 Rifle Team went to Camp Post to compete in a Council Wide shooting match.

There were eleven teams competing for the trophy, which Muleshoe won with an average of fifty-seven.

Explorers attending were: Jim Pat Patterson, Ralph Ware, Gaylord Tate, Jimmy Wilkerson, Butch Lenau, Johnny Baker, and advisors, Vernon Baker, Troy Wilkerson and Roger Pool. Others attending from Muleshoe were committeemen Cecil Tate, Mrs. Troy Wilkerson, Misses Linda Lou Lancaster, Barbara Autrey, Jackie Carey, Velta Gillis, and Jean Montgomery.

First Baptist Church To Hold Revival

The First Baptist Church of Muleshoe will hold its first revival of the Fall Season, starting Sept. 16 and ending Sept. 27. L. A. Sartain will be the evangelist for the Revival. Rev. Sartain is the pastor of the First Baptist Church in Sundown. There will be services in the morning and evening.

Gayle Bowen, director of music at the First Baptist Church in Muleshoe will be in charge of the singing at the Revival services.

Quarterback Club Met Last Friday

The newly organized Quarterback Club met last Friday, Sept. 4, at noon in Gerald's Cafe.

Plans were laid for the programs that will be presented at each meeting, and prospects are bright for some very interesting programs.

President Lloyd Alsop said that the membership drive would begin in earnest this week.

Several motions were made and passed at the meeting, one of them being that the quarterback club would take over the sale of the programs at the games this year.

Coaches Scott and Johnson made a few remarks to the group about the Muleshoe team.

Paul Gardner and Sam Dameron told the club about the new rule changes and how they would effect the game from the spectators standpoint.

A film of last year's Texas schoolboy championship game between Lubbock and Baytown is promised for the Quarterbacks at their meeting Friday, Sept. 11.

Project Show Dates Set

Shetland Pony, Auto To Head List Of Articles For Park Auction Sale

A Shetland pony and an automobile head the list of things consigned by local people to the auction sale Saturday, Sept. 26 for benefit of the city park fund. Muleshoe Motor Co., gave the pony, and Morrison Motor Co. is shining up a used automobile to sold in the auction event, set for city park at 4 o'clock.

Tom Morgan and Ray Franz, working up a list of things to be auctioned, said not all of the business people have been seen, but that they have yet to experience anyone failing to give something.

And rural people around the city have come in on this deal, giving hay, feed, etc., to be auctioned. This indicated to the park committee that the people of the city and vicinity are indeed anxious to build a park here.

Some of the articles given for the auction and the givers are as follows, and watch the list grow:

Muleshoe Motor Co., Shetland Pony.

Muleshoe Jewelry, 17 jewel wrist watch.

Morrison Motor, car.

Jones Farm Store, Hog feeder.

Fry & Cox, case Prestone.

Furniture Mart, Clovis, Floor lamp.

Cashway, \$25 certificate.

Piggly Wiggly, case peaches.

National Alfalfa, 6 sacks meal, \$2.50 per sack.

Johnson-Pool, Kiddle Tractor.

Harvey Bass, Wend Bend Perculator.

Dyer Hardware, Table lamp.

Arnold Morris, Battery.

Wellborn Beauty Shop, \$10 permanent.

Western Auto, Arvin Radio, (table model).

Higginbotham-Bartlett, Gloss white paint (enough for 4 room house).

Hart's, Power tool, 1/2 inch Blue grass drill.

Cobb's Dept. Store, \$21 Ladies Wardrobe Case.

Willson-Sanders Lbr., Two 9x12 Linoleum rugs.

Remund-Wilson, Foot Locker.

Cayle Reed, Tire.

Woody Lambert, \$5 cleaning certificate.

Johnson Furniture, Lamp Table, \$12.50.

Muleshoe Journal, File cabinet (1 drawer, steel).

Mack's Barber Shop, Bottle of tonic.

Russell Supply, Set socket wrenches.

The following have consigned hay and feed to the auction:

H. E. Shafer, A. Z. Morris, Joe Metcalfe, Odell Logan, Sam Shelley, Ira Martin, Edgar Broyles, Dave Aylesworth, Prof. Shelby, Ed Morris, A. A. Young, Tye Young, Henry Druessow, Herbert Peugh, Burl Black.

H. D. Holley, Billy D. Beil, S. C. Caldwell, A. F. Robertson, and Harbin Bros.

Articles to be sold in the auction will be on display in the office of the West Texas Gas Co.

Visits Here

A visitor in the home of Judge and Mrs. Cecil Tate is his father, J. U. Tate of Giddings.

Muleshoe "Mules" Open '53 Season Against Hereford "Whitefaces"

Head Coach Leroy Scott and Assistant Coach Elbert Johnson today announced a list of "probable starters" for the opening football game of the season, to be unreeled in Benny Douglass Stadium here in Muleshoe Friday night, Sept. 11, at 8 o'clock, with the Muleshoe Mules opposing the Hereford Whitefaces.

The squad began practice on September 1. They met and elected three co-captains: Bill Willis, Kenneth Henry, and Benny Bickel.

Probably Will Start

The coaches listed the following "probable starters" for the first game:

Left end: Jimmy Holt, a senior, weighing 155 pounds.

Left tackle: Jimmy Black, senior, 150.

Left guard: Kenneth Henry, senior, 145.

Center: Sammy Donaldson, senior, 255.

Right guard: R. L. Gabbert, junior, 135.

Right tackle: D. L. Morrison, senior, 160.

Right end: Jackie Tidwell, soph., 150.

Quarterback: Bill Willis, senior, 170.

Left halfback: Charles Waggoner, soph., 160.

Fullback: Benny Bickel, senior, 175.

Right halfback: Wayne Moore, senior, 180.

Eleven More Listed

Besides the eleven listed, the Muleshoe squad has 11 more boys, making a total squad of 22, one of the smallest in recent Mules history. The following boys, their positions and weight were listed by the coaches as ready for action in one or more positions during the game:

Len Martin, tackle, a senior, 160; Don Moore, guard, junior, 160; Doyle Rush, back, soph., 155; Ernest Martin, guard, junior, 155; Gaylord Tate, end, junior, 145; Bobby Black, center, soph., 140; Buddy Pool, back, soph., 130; Keith Buhrman, end, junior, 150; Bob Wingo, end, 115; Duane Morrison, guard, soph., 110; Doyle Henry, tackle, soph., 140.

Head Coach Scott comes to Muleshoe from Estelline, where he made a good record in his three years with the high school team as coach. Previous to that he had coached at Lakeview in the same district.

First Coaching Job

Coach Johnson said since this is his first coaching job, he thought it would be appropriate for the Mules to win their district. After starting at Texas Tech at end, he wound up his eligibility there in 1950, played with the Chicago Cardinals in 1951 and with the Regina, Canada, Saskatchewan Rough Riders, in the Canadian pro league in 1952.

As a gesture to induce pre-game enthusiasm, the P. T. A. is serving a chuck wagon supper in the evening prior to the game in the high school auditorium. Considerable cleaning up has been done around the stadium in preparation for the season's opening.

The band, under direction of Tom W. Shirley this year, is ready to make music and the pep squad will be on hand to create additional enthusiasm.

Arrangements are being perfected for the annual 4-H and F. F. A. Project Fair, to be held here in Muleshoe on Sept. 22. The fair is open to all club members affiliated through schools in Bailey County.

Livestock classes will be confined to breeding sheep, swine, dairy cattle and beef cattle.

SHEEP

Class 1: Mutton type ewes.

First Bale To Be Auctioned Here Saturday

Bailey County's first bale of cotton for the 1953 season will be auctioned to the highest bidder the coming Saturday morning, September 12, at 10 o'clock, under auspices of the Muleshoe Chamber of Commerce. A. S. Stovall of the C of C is making arrangements.

The auction will be held on the used car lot of the C. & H. Chevrolet Co., Main Street and Avenue B.

R. L. Fields, who resides 7 miles south of Muleshoe, produced the first bale ginned. He said he and his helpers went over about fifty acres to find the 2200 pounds of seed cotton he brought in.

The ginned bale weighed 505 pounds. Mr. Fields said the cotton was planted about the middle of April. Some of the cotton had been irrigated. He expects a fair yield.

The Edwards Gin in Muleshoe ginned the bale free. It is expected that the auction will produce an appropriate first bale premium for Mr. Fields. General pulling of cotton in this territory is not expected to be underway for some time, since much of it will be machine harvested, usually done later in the season.

Methodist Men To Receive Charter

The Methodist Mens Club will meet Monday night, Sept. 14, in the Fellowship Hall for a covered dish supper and program.

The guest speaker for the occasion will be Paul Cates of Lubbock, a Methodist layman. He will present the club with a charter to round out the evenings activities.

RESERVE SEATS ARE ON SALE NOW

Season tickets for reserve seats in the Benny Douglass Stadium for the coming football campaign are now on sale at the Western Drug Store, Jerry Kirk, superintendent announces.

This year the tickets for the five at home games will sell for \$7.50, and this price will be uniform over this district by agreement of authorities of member schools.

Use Of Automobiles By Students Regulated By Order Of Trustees

By JERRY KIRK
Supt. of Schools

On September 7, 1953, at a regular meeting of the Muleshoe Board of Education, a regulation was passed to govern the activity of cars around our schools. This regulation is as follows: "Students driving cars to school must park them on the school parking lot and the cars must remain on the parking lot until school is out at 3:45." This simply means that the cars are not to be moved during the noon hour.

We are not trying to make it inconvenient for any student or parent. This regulation was passed for the protection of the students in this school and community. We have had a

Class 2: Fine wool ewes.
Class 3: Mutton type buck.
Class 4: Fine wool bucks.

SWINE

Limited to swine born in 1952.
Class 5: Poland China Gilts.
Class 6: P. C. Males.
Class 7: Duroc gilts.
Class 8: Chester White Males.
Class 9: Chester White Gilts.
Class 10: Chester White Males.
Class 11: Other breeds gilts.
Class 12: Other breeds males.

DAIRY CATTLE

Class 13: Mature Cows.
Class 14: Heifers (not fresh).
Class 15: Bulls over 2.
Class 16: Bulls under 2.

BEEF CATTLE

Class 17: Mature cows.
Class 18: Heifers.
Class 19: Bulls over 2.
Class 20: Bulls under 2.

FIELD CROPS

Exhibits may be gathered or grown by the club boy.
2 Stalks (best fruited and most mature cotton).
20 bolls open cotton.

Grain Sorghum heads: 10 heads combine type milo red and white.
Other Milo.

Kaffir heads, hegari heads.
Threshed grain, half gallons of wheat milo, vetch, oats, alfalfa, barley hegari, clover, cane, rye.

Shelled beans and peas, half gallons: blackeye peas, butterbeans, pinto beans, cowpeas, soybeans, other.

Bundles: 3 to 5 inch diameter.
Wheat, sudan, millet, oats, sweet sorghum, barley alfalfa, sweet clover.

Entries must be in place not later than 9 a. m., Sept. 22.

Enrollment Is 1381 In Muleshoe

Enrollment in Muleshoe's three schools had reached 1381 late yesterday, Supt. Jerry Kirk reports. There are 72 seniors listed so far, while the first grade numbers 150.

By grades the enrollment is: First 150; second 135; third 122; fourth 143; fifth 112 sixth 122; seventh 132; eighth 124; ninth 114; tenth 98; eleventh 76; and twelfth 72.

P. T. A. To Serve Supper Friday

A chuck wagon supper will be served by the high school P. T. A. the evening of the first football game, to be played here Friday night, Sept. 11. Muleshoe's Mules will square off against Hereford's Whitefaces in the season opener.

Tickets may be purchased from Mrs. Troy Perkins or from any member of the P. T. A. They will be \$1 for adults and 50c for children.

The meal will be served in the high school cafeteria and the ladies will begin serving at 5:30. Everyone is asked to come early as they will stop serving at 7:30. The game begins at 8:00 p. m.

Soil Conservation Tour Monday

\$1.55 For Bracero Pulling Is Set

A price of \$1.55 per hundred for pulling cotton on the South Plains has been set for Mexican nationals this fall, according to announcement from Lubbock.

Congressman Mahon, according to The Avalanche, went to bat and obtained a reduction in the minimum figure from \$1.75 to \$1.55.

It was said the Mexican government had demanded that the higher figure be agreed upon. Mexican officials later agreed to the lower figure for pulling in this area.

Soil District, Bank And C of C Sponsor Event

The soil conservation tour sponsored by the Blackwater Valley Soil Conservation District, Muleshoe State Bank, and the Chamber of Commerce, is going to be one of the highlights of this year's agricultural activities.

The tour will begin promptly at 9:00 at the County Courthouse in Muleshoe and cover ten farms in Bailey County. From an educational standpoint and practical use of soil conservation ad-

vice, this tour will point out many of the basic fundamentals in soil conservation.

The following practices in soil conservation will be seen and commentaries on the individual farms will be made by J. K. Adams, the County Agent, Ben Chapman, work unit conservationist, and the farmer practicing a particular phase.

The tour will cover everything from sheep to cattle on irrigated pastures, new era cowpeas in combine maize, castor beans following alfalfa, combine maize following hairy vetch, and cotton with commercial fertilizer on alfalfa land. Another attraction will be the showing of underground irrigation tile.

Following this tour of farms will be the big barbecue served

by the Rotary Club of Muleshoe at the Verney Towns farm, 12 noon.

The soil conservation district will then provide an interesting and educational program headed by "Cotton John" Smith of KGCN Amarillo, and featuring Sid Payne, Chairman of the State Conservation Board, and Paul H. Walser, State Conservationist, Soil Conservation Service.

Philathea Circle Entertained At Allison Home

Mrs. Gene Allison was hostess of the Philathea Circle Thursday afternoon September 3, as they had their regular meeting.

The meeting was called to order by Ida Mae Shofner, and the group, accompanied by Mrs. Sam McKinstry, sang "This Is My Father's World." Dorothy Wyer gave the devotional.

Mrs. Allison had a very interesting program for the afternoon. Four of the Mexican Nationalists, who are employed on

the Allison farm, played and sang several songs which everyone found very enjoyable.

Refreshments were served to Mmes. Ruby Fowler, Ida Mae Shofner, Gladys Black, Sammie Allison, Margaret Adams, Thresa Edwards, Dorothy Wyer, Della Mitchell, Fern Autrey, Mildred McReynolds, Charlene Bickel, the hostess, Jean Allison, and visitors, Mmes. George Peno, and Sam McKinstry.

The next meeting will be a social, and will be held in the home of Mrs. Deon Autrey September 17.

VISITED PARENTS

Mr. and Mrs. W. R. Carter spent the weekend in Quitaque, with his parents, Mr. and Mrs. W. J. Carter.

Mr. and Mrs. Edd Hulse Celebrate 50th Wedding Anniversary

MR. AND MRS. EDD HULSE

Mr. and Mrs. Edd Hulse of Baileyboro, Texas, celebrated their Golden Wedding Anniversary in their home Sunday afternoon, August 30.

From the hours of two to five, about 100 guests registered in the guest book.

The refreshment table was covered with a white lace cloth over gold. The beautiful three tiered cake, trimmed in white wedding bells, yellow roses and love birds was prominently displayed. Yellow flowers were used for the centerpiece of the table. Misses Fay and Margie Southard, only granddaughters of Mr. and Mrs. Hulse, served the cake and punch during the afternoon.

Mr. and Mrs. Hulse were married in Fort Worth, Texas, on

September 3, 1903, and made their home in Dallas. They moved to Bailey County, Texas, in 1923 and have made their home here since.

They have only one child, Mrs. Tom Southard of Elida, New Mexico.

CELEBRATED BIRTHDAY

Grandmother Bracken celebrated her 91st birthday August 20, at home quietly. She is still enjoying fairly good health although she can't stay up all the time now. She lives with her daughter, Milpha Zimmer of this city.

Rainbow Girls Will Have Friendship Night

The Rainbow girls had their regular meeting Thursday night, September 3.

Several matters of business were discussed, and plans were made for their Friendship Night, which is to be held September 17, their next meeting night. A nice and interesting program has been planned for this night, for everyone who attends.

Lawn Party Honors Sandra Briscoe

Sandra Briscoe celebrated her fourteenth birthday with a lawn party at her home Friday night, September 4.

A wiener roast and games were enjoyed by the following guests: Stanley Myers, Royce and Doyce Turner, Dick Johnson, Whip Wilson, Joe Don Jackson, Mary Jo Holt, Mary Janice Puckett, Ginger Roberts, Billy D. Black, Leon Atchison, Bud Peeler, Joan Green, Doris Childers, Nan Allison, and Sandra and Polly Briscoe.

Among the many attractive gifts was one especially large package, which when unwrapped, contained a watch from several of her friends. She is very proud of this, and the fact that it comes from the 10c store

VISITED IN TURKEY

Mr. and Mrs. Ashby Askew visited with her parents, Mr. and Mrs. W. T. Brewer and other relatives in Turkey this last weekend. After church Sunday, they went to a surprise dinner for Mr. M. M. (Uncle Doc) Richardson on his 82nd birthday. They met many old friends and relatives

and doesn't even run, doesn't seem to matter at all.

there, as there were 72 gathered for the occasion. Everyone had a good time and plenty to eat.

LEFT SUNDAY

Mr. and Mrs. Bob Hardy and small daughters Linda and Kathy left Sunday evening for a two weeks vacation in Arizona and California.

FORD DEALER
USED CARS and TRUCKS
ARE
ALWAYS SPECIAL

Before an A-1 used car or truck is offered to the public, it gets a complete inspection by Ford-trained mechanics, men who really know their business. They go all over, in and around, every unit that comes to us! They inspect the engine, the brakes, shock absorbers, see if the wheels are in alignment, and make a host of other detailed checks. All this means just one thing to you. When you buy from your Ford Dealer, you're sure of getting a used car or truck that is an extra good value and the price will be right, too.

Pay More!
What For?

YOUR FORD DEALER
CAN GIVE YOU THE BEST
USED CAR OR TRUCK
DEAL IN TOWN!

One of the really BIG reasons we can give you the most for your money, is that more and more owners are swinging to Ford. We're loaded with all makes and models of cars and trucks taken in trade for the '53 Ford. Another reason you get your dollar's worth, is our reputation. We've a record of years of fair dealing . . . the kind of dealing that brings the same people back year after year. And don't forget, we don't rely on our used car and truck profits to stay in business. First and foremost our job is selling new Fords. Add this up and it's easy to see why it's just good sense to buy from a Ford Dealer. When you buy a used car or truck, be sure! Be A-1 sure!

BABSON CRITICIZES—

Protecting Your Family

Gloucester, Mass., Sept. 10 — I have been rather disturbed to meet some old friends here who have lost their husbands and are disappointed with the way his estate has been divided. The husband left no Will, and the needy heirs did not get the money. It didn't seem quite fair to leave the same amount to a son who is in good financial condition as was left to a daughter who had had polio. I have already urged the necessity of everyone making a Will under proper legal advice; but I now also urge the use of a local bank for Trust Funds.

to borrow. Some of these may be relatives and friends who would be hard to turn down if the money is left outright. If, however, the money is left in Trust, she can honestly say to these people: "I am sorry; but all my money is in Trust, and I cannot do what you want." This may be a Godsend to all the relatives, as well as to her. If the relatives or friend is really entitled to the money, there are other places to borrow.

PROTECTING YOUR DAUGHTER

Another reason for leaving property in Trust, especially for a married daughter, is to make sure that at her death, or in case of re-marriage, your grandchildren will someday receive the property. It is very hard for a young wife to refuse her husband if she has money in her own right; but if it is in Trust, her husband cannot lose it and yet would not be offended. Then you can be assured that your grandchildren will receive the property eventually, instead of, perhaps, some person you have never known.

Your Will could direct that your daughter receive certain income for life, and at the daughter's death, after the children reach a certain age, the property be divided among your daughter's children. Or you may be the owner of a business

which you would like to leave to a young son. If so, why don't you leave the business in Trust jointly with a bank and your son? The income could be payable to your wife for life, after paying a fair salary to your son; and at her death, the business go to the son at a certain age. You, of course, would give the two Trustees ample power to meet all unforeseen changes that may arise.

REMEMBER ESTATE TAXES

The Federal estate tax can often be lessened by leaving property in Trust and eliminating a "second" tax. For instance, if you leave your entire estate outright to your wife or daughter, the Federal estate tax at your death would be considerable and, if she dies more than five years later, leaving to a child all your property, her estate must pay a second Federal tax. This second tax could be avoided by leaving your property in Trust, without a "general power of appointment" with the income payable to your wife and/or daughter for life and then going to the grandchildren.

The above tax savings can also be accomplished by "splitting" your entire estate while living, or by leaving it so that only half would be taxed at your death, and the other half at your wife's or daughter's death. Then the Federal estate tax would be very much less. In this case, instead of one Trust for your wife, there would be two. For one of these your wife could hold a "general power of appointment." Then only one of those Trusts would be taxed at her death — namely, the one as to which she held a "general power of appointment." The other Trust, though the property in it would be taxed at her husband's death, would escape tax at her death. In closing, let me say I am not a lawyer. I got these general ideas from George L. White, Attorney for and Trust Officer of the Newton-Waltham Bank of Newton, Massachusetts, with which bank I have formed Trusts for my wife, daughter and grandchildren.

CHRISTIAN SCIENCE SERVICES

The subject of the Lesson-Sermon to be read in Christian Science churches this Sunday is "Substance". The Lesson emphasizes that real substance is Spirit, not matter. Among the Bible passages to be read is one from Matthew: "Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal; but lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal" (6:19-20).

The Lesson further points out that spiritual understanding dispels the false material thinking which hinders mankind's progress. Mary Baker Eddy, the Discoverer and Founder of Christian Science says in one of the selections to be read from the Christian Science textbook: "That which material sense calls intangible, is found to be substance, what to material sense seems substance, becomes nothingness, as the sense-dream vanishes and reality appears" (Science and Health with Key to the Scriptures, p. 312). The Golden Text is from Psalms 119:89, 90: "Forever O

SAND HILLS PHILOSOPHER—

In Favor Of Raising National Debt Limit If It'll Raise The Private Limit Too

Editor's note: The Sand Hills Philosopher on his Johnson grass farm is confused, his letter this week reveals.

Dear editor: I have been reading in the papers lately where President Eisenhower has been thinking about maybe havin' to call Congress back into a special session to raise the debt limit.

This ain't the first time a man has taken over an outfit and discovered it was in worse shape than he'd realized and all my sympathies are with the President as he struggles to make ends meet, balance the budget, keep up our defense, lower his golf score, pave all the roads everybody wants, build all the dams the cities want, increase Social Security, contend with Congress and cut taxes at the same time.

Understand, I don't want him to call a special Congress on my account, but if he does call em back and they raise the government's debt limit, how about puttin a rider on the bill to increase mine?

One of the greatest bars to expandin business in this country is the debt limit some merchants put on their customers, and what I would like to know is why don't they take on a more international viewpoint and open the floodgates? There are literally thousands of people in this country ready and willin to buy, and all that's stoppin em is these privately imposed debt limits.

On my place out here, I can sit down, or could if I wasn't already sittin down, and enumerate dozens of improvements

Lord, thy word is settled in heaven. Thy faithfulness is unto all generations: thou hast established the earth, and it abideth."

Survey Shows Texans Are Becoming More Soil Conservation Conscious

FT. WORTH, Sept. 8 — The Soil Conservation Service today reported greatly improving soil moisture conditions in some drouth-ridden areas of Texas and Oklahoma with marked lessened prospects of

PAT R. BOBO

Attorney-At-Law
Muleshoe, Texas
Office In Bank Building

COMPOSTED GIN BURRS ARE WORTH MILLIONS TO WEST TEXAS

60-60-60 per acre
Over 5000 lbs. humus per acre
Long lasting fertilization
Beneficial soil bacteria
Retain 3000 extra gallons of water per acre
Replace minor soil elements
Improve soil texture
Release "locked-up" soil elements
Greatly increase crop yields

All of this for only \$15. per acre including the distribution on your land

You could never get a fertilization value like this from the regular kinds of fertilizers. The chemical analysis value alone is worth the total cost.

Believe it or not... Composted Gin Waste and Burrs is worth all this, and even more. The values listed above show the minimums which are based on laboratory reports, filed tests, and previous results.

Why burn such a valuable... and greatly needed... material? Instead of watching the smoke,

why not return to the cotton land all that was taken out except for the seed and bloom? It can only be done by utilizing the gin waste and burrs in composted form.

CONSULT YOUR GINNER! IF HE IS NOT ALREADY PLANNING TO COMPOST, HAVE HIM CHECK INTO THE SOIL BIOTICS COMPANY PROCESS. COMPLETE LITERATURE AND INFORMATION IS AVAILABLE IN LUBBOCK.

Missing Chapters in the Schoolbooks

A high-school teacher writes us: "Please send me 50 copies of your booklet, *Adventures Inside the Atom*, for use with my students." Another wants material on new inventions. Or booklets on jet planes.

New things happen in science faster than textbooks can be revised.

New words puzzle our ears and eyes before these words are in dictionaries... atomic-pile reactors, silicones, jet engines with "afterburners," UHF television. Some problem for teachers, that.

Last year over 100,000 letters from schools hit our desks at General Electric asking for things in print on "what's new."

Just to give you an idea of how this adds up, one booklet, *Adventures Inside the Atom*, has been requested to the tune of five million copies since 1948.

Adventures in Jet Power, also handled in comic-book treatment, has since 1946 gone into eight printings.

This may surprise you: a new booklet, *Why Study Math?*, will run over a million copies this year. (It answers that question Junior is always raising.)

Nobody is happier than we are to know teen-agers have a lively appetite for what's buzzing in the world around them.

After all, whether they know it or not, our young people in school today will be the scientists and engineers of tomorrow. They can't know too much.

You can put your confidence in
GENERAL ELECTRIC

Plains and the rain-blessed Panhandle sections of Texas have gone into grain sorghums, sweet sorghums, sudan grass and other cover producing crops, SCS field men have reported to Merrill. In the Panhandle of Texas and in northwestern Oklahoma sizable areas have accumulated moisture for wheat planting next fall but too many farmers are turning under an effective stubble mulch before sufficient moisture has been trapped to sustain a stand of wheat.

Eighty-six counties in the less fortunate areas of southwestern and southern Texas still have received no effective moisture or not enough to relieve the record drought conditions.

Range grasses are growing rapidly in areas which have received moisture in the last five weeks, Merrill reported. Returning from a trip into the Tigh Plains and Rolling Plains this week Merrill observed that on short range in poor to fair condition there is the temptation to keep too many stock where numbers have not been materially reduced, as in the Panhandle counties.

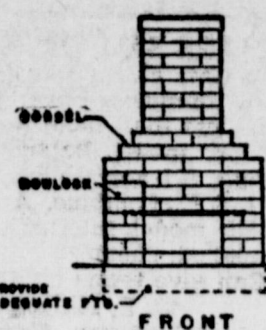

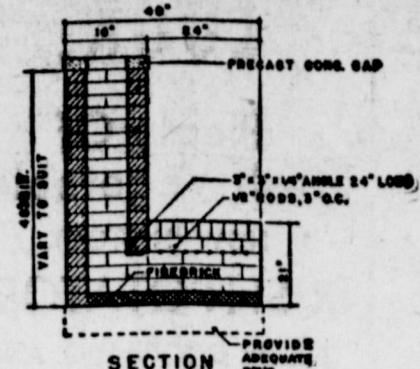

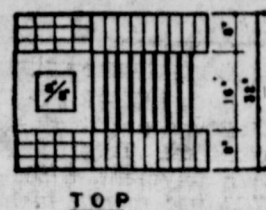

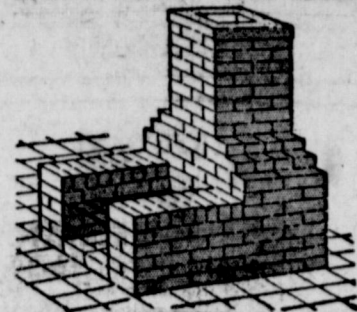

Where numbers have been reduced there may be a tendency to re-stock. He says it should be remembered that grass gets about 95 per cent of its food and energy from the air and sun, 5 per cent from the soil. The leaves must feed the roots. The food reserve of living plants in drouth areas has been exhausted and most of the needed vigor must come from new growth. The amount of growth required about equals what can be expected between now and frost. The rancher who waits until late spring to re-stock and who saves a feed bill this winter will be ahead of the one who doesn't. Heavy range use now is like putting a sick man to work.

Merrill said one of the most encouraging signs has been the new attitude of people in the drouth-hurt areas. Farmers and city residents alike have seemed to realize the threat that drouth, with wind erosion, has brought to their communities and are determined to get protective and soil improving cover on their lands.

In the South Plains a drive to get plant cover on exposed lands is being spear-headed by a committee of business men, soil conservation districts and agricultural leaders. Charles Maedgen, president of the Lubbock National Bank, heads the advisory group. With "For Lands Sake, Cover" as a slogan, the group is sponsoring a week-long pub-

How to Build Outdoor Grill With Chimney

This brick outdoor grill, with a chimney and precast concrete cap, is of simple design. It's easy to build with the guidance of the detailed sketches from Small Homes Guide.

licity crusade urging the use of soil conservation practices to produce cover for insufficiently protected lands.

In Brownfield, center of one of the most troublesome areas in the wind erosion season, J. O. Gilliam, president of the State National Bank and Trust Company, has launched a drive against the single-crop system of farming which leaves land exposed to winter winds.

The SCS report this week contained news regarding adequate moisture and cover conditions for the entire area of Louisiana, 30 counties in eastern Texas and the eastern half of Oklahoma. About 35 counties in Arkansas, comprising northwest and southeast areas, are in very dry condition still, with severely damaged pastures. Approximately 30 counties in central Texas and about the same number of counties in central and western Oklahoma are in very dry condition but have effective cover.

Merrill recently said that in his opinion there should not be a return to wind erosion conditions of the 1930's. He gave the following reasons:

(1) farmers and ranchers have the "know how" to prevent widespread erosion; (2) owners co-operating with soil conservation districts are using sound erosion control practices on hundreds of thousands of acres of farm and ranch lands; (3) owners have more and better machines with which they control erosion; (4) larger areas have irrigation facilities available for growing

plant cover, and (5) farmers and ranchers have too much "horse sense" to let the conditions return.

Muleshoe Students To Enter College

Among students from Muleshoe who will be going back to college this fall, or entering their freshman year, are the following:

Marilyn Gupton, Texas University; Jeanette Kirk, Baylor; Sammie Carol, Baylor; Charles Lewis, Baylor; David Taylor, A. & M.; Joe Upton, Tech; Howard Hale, Baylor; Joan Montgomery, Tech; Mona Smith, Canyon; Buddy Lane, Baylor; Allan Turner, Baylor; Bob King, Texas University; Joann Schuster, Tech; Jim Green will enter Tech for his pre med, while Bill Green will enter South Western Medical, in Dallas. Bruce Sinnacher, Tech; Willard Dement, Tech; Mary Ellen Wingo, E. N. M. U.; Myra Hogan, E. N. M. U.; Johnny Ladd, Oklahoma University; Ernest Ware, Texas University; Earl Jennings, Texas University; and Roald Johnson, Tech.

VISITED IN LUBBOCK

Mrs. Roy Carney and children visited in Lubbock Sunday.

WERE IN LUBBOCK

Mrs. Marie Lenau and Mrs. Sam Fox visited in Lubbock Friday.

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

And it's the lowest-priced line

A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response—right now! Chevrolet's improved brakes are the largest in the low-price field.

I figure this demonstration saved me many hundreds of dollars!

I expected to pay that much more for a new car until I discovered I was better off in every way with this new Chevrolet!

Let us demonstrate all the advantages of buying a Chevrolet now!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

C. & H. CHEVROLET CO.
MULESHOE, TEXAS

You get greater getaway with the new Powerglide*

A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

You get more power on less gas

That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide* models, you get the most powerful engine in Chevrolet's field—the new 115-h.p. "Blue-Flame." Gear-shift models offer the advanced 108-h.p. "Thrifty-King" engine.

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

LEGAL NOTICE

THE STATE OF TEXAS
To any Sheriff or any Constable
within the State of Texas —

GREETINGS:
You are hereby commanded to
cause to be published once each
week for four consecutive weeks,
the first publication to be at
least twenty-eight days before
the return day thereof in a news-
paper printed in Bailey County,
Texas, the accompanying cita-
tion, of which the herein below
following is a true copy.

**CITATION BY
PUBLICATION**

THE STATE OF TEXAS

TO: D. M. Miller, Defendant,

Greeting:

**YOU ARE HEREBY COMMAND-
ED** to appear before the Honora-
ble District Court of Bailey
County at the Courthouse there-
of, in Muleshoe, Texas, by filing
a written answer at or before
10 o'clock A. M. of the first Mon-
day next after the expiration of
forty-two days from the date of
the issuance of this citation,
same being the 19th day of Oc-
tober A. D. 1953, to Plaintiff's
Petition filed in said court, on
the 31st day of August A. D. 1953,
in this cause, numbered 1806 on
the docket of said court and
styled Bithia Miller, Plaintiff,
vs. D. M. Miller, Defendant.

A brief statement of the na-
ture of this suit is as follows,
to-wit:
Suit for divorce for voluntary
abandonment continuing for
more than three years; partition
of community property consist-
ing of Lots Nos. Eight (8) and
Nine (9), Block No. Two (2),
Northwest Addition to the town
of Muleshoe, Bailey County, Tex-
as, as is more fully shown by
Plaintiff's Petition on file in this
suit.

If this citation is not served
within ninety days after the date
of its issuance, it shall be re-
turned unserved.

The officer executing this writ
shall promptly serve the same
according to requirements of
law, and the mandates hereof,
and make due return as the law
directs.
Issued and given under my
hand and the seal of said court
at Muleshoe, Texas this the 1st
day of September A. D. 1953.

Lazbuddie Schools List New Teachers

Lazbuddie school opened its
doors Monday, August 31 with
270 enrolled. The elementary
school has 193 enrolled while the
high school has 78. The faculty
was filled for the first day and
the first week was a successful
one.

The teachers are as follows:
Mrs. Jane Barton, 1st.; Mrs.
Millie Slaton, 1st.; Mrs. Doda-
vah Lawrence, 2nd.; Mrs. Virgil
Wilbanks, 3rd.; Mrs. Peggy
Haynes, 4th.; Mrs. Wilbanks and
Mrs. Haynes, 5th.; Mrs. Fred Wil-
banks, 6th., principal of the el-
ementary grades;

Mrs. Stella Gressett, 7th, Eng-
lish; Mrs. Paul Jones, 8th, So-
cial Studies; Mr. James Haynes,
9th, Math; Mr. W. D. Revel, 10th,
Voc. Ag.; Mrs. Teresa Revel,
11th, Home Ec.; Mr. C. W. Dukes,
12th, Coach and Principal; and
Mr. J. G. Ward, Supt.

Lazbuddie will serve hot lunch-
es this year in the lunch room.
Lunch room cooks are: Mrs.
Treider, Mrs. McCurdy, and Mrs.
Howard.

Mr. R. G. Treider is the school
bus mechanic and Melvin How-
ard the school custodian.

The P. T. A. will meet the first
Monday night of each month.
The F. H. A. and the F. F. A. will
meet the second Monday of each
month.

Mrs. Katherine Lockhart, the
school nurse, will be in the Laz-
buddie School each Tuesday and
every other Friday.

BACK FROM TENNESSEE

Mrs. John Benson returned

CARD OF THANKS

We are deeply grateful to the
people of Muleshoe community
for their generous assistance
after we lost everything in the
fire last week. We thank the
business people and all indi-
viduals who assisted, and es-
pecially desire to mention Mrs.
Theron West, Mrs. Ebb Sterling,
the Muleshoe Chamber of Com-
merce and the W. S. C. S.
MRS. WILLIE LAMMERS
And Susie.

Attest: M. G. Bass, Clerk,
District Court,
Bailey County, Texas

SEAL

36-ttc.

Sunday from Tennessee, where
she had spent the past seven
weeks visiting with her daugh-
ters and grand daughters. She
also visited her five sisters, one
who came from Illinois for the
reunion.

She visited in Gladsden, Ala.,
with one of the sisters, whom
she had not seen for thirty-one
years.

Scenic points of interest she
visited included parts of Georgia
and North Carolina, Lookout
Mountain, Ruby Falls, and the
entire distance across the Great
Smoky Mountains.

Mrs. Benson reports having a
wonderful summer vacation.

BEAVERS HAD GUESTS

Mr. and Mrs. Clay Beavers
scarcely had gotten settled Sat-

urday in the home they re-
cently purchased from Eddie La-
zabuddie before company began to ar-
rive. Over the weekend they had
guests their son and wife, re-
turned from the University of
Tennessee, and Mrs. Billy Beavers,
Worth; their daughter and her
band, Mr. and Mrs. Glen Roc Lowery
ey, of Baird; and some friend Har-
ley, Mr. and Mrs. "Fibber" McGee,
Forth Worth.

For Modern Living

All of the light, utility, cross-ventilation, convenience, and comfort that can be offered in a small five-room home is shown in this house plan.

The kitchen-workroom combination is especially convenient. The closet and lavatory in the workroom will provide a place in which the field hands can wash up and leave their outside wraps. If modern equipment is used, the laundry can be done and the family meals prepared

at the same time. The four windows offer an unusual amount of window space making the kitchen very light and cool. There is 16 feet of counter space in addition to the table. The table arranged by the two large corner windows will provide an especially nice place to serve the family meals.

The bedrooms are very conveniently located — each with corner windows, thus leaving plenty of wall space for attractive furniture arrangement. Two large closets in each bedroom provide ample storage space;

also the linen closet in the hall. By arranging the living and dining area together, the effect of a very large room has been achieved and the space permits an attractive arrangement with the least amount of furniture. The large fixed window, which opens onto the entrance, could be replaced by ordinary window units or by use of glass brick — either is very attractive.

The screened porch on the back has an outside door and gives easy access to the living room; yet it is away from the entrance drive and barns. Hence the greatest possible amount of comfort and privacy is provided. A door opening into the adjoining bedroom could be easily arranged if it is desired.

The plans on this house show a hip roof; however, the house would be equally attractive with a gable roof if the pitch on the rafters were not steeper than 5 inches rise per foot of run.

You can obtain blueprints for this The Muleshoe Journal Farm & Ranch House Plan No. 4914 and a handy list of materials by which you can figure your construction cost accurately. Send \$1 to Building Editor, Farm & Ranch, Dept. L-36, Nashville 10, Tenn. Order by number, plan No. 4914. Blueprints are adequate for any farm carpenter or for any farmer handy with tools.

Conoco Launches Advertising Drive On New Gasoline

HOUSTON, Sept. 10 — A million-dollar advertising campaign to introduce Continental Oil Company's new Conoco Super gasoline with TCP, described as "the biggest improvement in gasoline in 31 years", is being launched this week as Conoco's new premium fuel goes on sale at 8,500 Conoco service stations and other outlets in 23 states. TCP, the additive that gives car engines more power and greater fuel mileage is being added to Conoco's new gasoline by special arrangement with Shell Oil Company, it was revealed by Harry J. Kennedy, vice-president in charge of marketing.

TCP, the trademark for the power-boosting additive used in the new Conoco Super gasoline, is a special chemical compound originally developed to prevent spark plug failure in the Air Force's giant B-36 bombers, said

coming in with fair regularity around the middle of this month. The harvest is expected to get into stride the late part of October.

A bale was ginned at Petersburg about a week ago.

First Bale Of Cotton Ginned In Plainview

PLAINVIEW, Sept. 5 — Jack Patton, a farmer 12 miles southeast of here today brought in the first bale of 1953 cotton ginned at Plainview.

The 2,260 pounds of seed cotton yielded 608 pounds of lint and 960 pounds of seed. The bale graded 15/16th strict middling. Patton expects to sell the bale Monday.

The bale was ginned at 1 p. m., Saturday at the Eeds G.I.

Ginners here expect cotton from dry land farms to start

Mr. Kennedy. He explained that TCP provides better engine performance in two ways. First, it neutralizes spark plug deposits that cause short-circuiting and misfiring. Second, it changes chemically the deposits in combustion chambers that cause "wild-ping" and pre-ignition with resultant power loss. Both conditions are common in both new and old cars.

"As usual, newspapers are

carrying the heaviest load in Continental's intensified advertising campaign to help launch our new Conoco Super gasoline," Mr. Kennedy said. Conoco is using ads in more than 1,000 weekly and daily newspapers with a combined circulation of 11,500,000 in addition to spot radio announcements on 98 stations in 56 cities; television commercials on 21 TV stations in 14 cities, and 5,350 outdoor posters

in 1,217 community records. **GARNER FARM RE** arrived on sale at The Journal, va- they very **LUZIER'S** Fine Cosmetics & Perfumes. **MRS. E. E. HOLLAND** 1101 East 2nd St. PHONE 5449

Sentence 5½ years

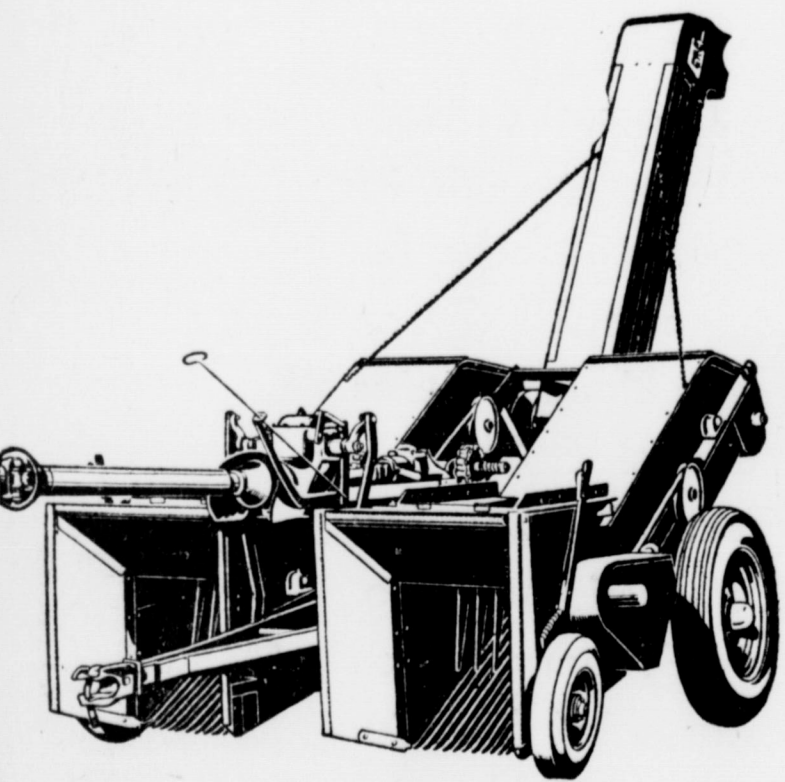

And it is true! You ladies average a married life span from age 18 to 58-40 years. In that time you iron the equivalent of 5½ straight years, 8 hours a day, Saturdays, Sundays and Holidays included. Why not make your "sentence" easy. Iron with an automatic electric ironer. Let it do the "lifting". All you do is sit in comfort, feeding the clothes through the ironer.

ROADMASTER
CUSTOM BUILT BY BUICK

To you who have yet to drive a 1953 Buick ROADMASTER, we have this to say:

There is waiting for you at the wheel of this car a tremendously satisfying experience—the most magnificent Buick motor-ing experience of the past half century. We say this as a matter of straight and simple fact.

For in this automobile—the smoothest-riding, the most maneuverable, and the most instantly responsive ROADMASTER in history—is an engine unlike any other in the world, plus an automatic transmission of similar uniqueness.

Here, you command the first Fireball V8 Engine—the world's first V8 with vertical valves—the modern and advanced V8 with the highest horsepower ever placed in a Buick, and the highest compression on the American scene today.

Here, you command distance through the liquid grace of Twin-Turbine Dynaflo —where getaway response is instant and quiet, and power build-up is infinitely, utterly smooth.

Here too, you take a new step forward in fine-car motoring—in the luxury of your ride, the luxury of your surroundings, the luxury of your control, with Power Steering standard equipment at no extra cost.

We can give you the details, the reasons, the facts.

But—wouldn't you rather learn the sum total of such things in a road sampling of the greatest ROADMASTER yet built?

We'll be happy to arrange matters. Why not visit us soon?

*Available at additional cost on Roadmaster and Super models only. **Optional at extra cost in Super and Roadmaster Sedan and Riviera models.

HIGHWAY 70 & N. AVE. B

MULESHOE, TEXAS

THIRD LARGEST SOUTH PLAINS CROP SE N

1,269,631-Bale Estimate

Made By Wells And Stanton

Confidence in a good crop year remained high among South Plains farmers at weekend when it was revealed that the third of three veteran crop reporting agencies estimates the 1953 cotton crop at more than one million bales.

The estimate of Wells and Stanton, cotton brokers, was released Friday by Fred Parham, agent in charge of the Lubbock branch at 1,269,632 bales.

This compares favorably with reports by O. V. Jennings and K. N. Clapp, veteran Lubbock observers. Jennings listed the forecast at 1,335,000 bales in an estimate released last week. Clapp's estimate released earlier was 1,236,500 bales.

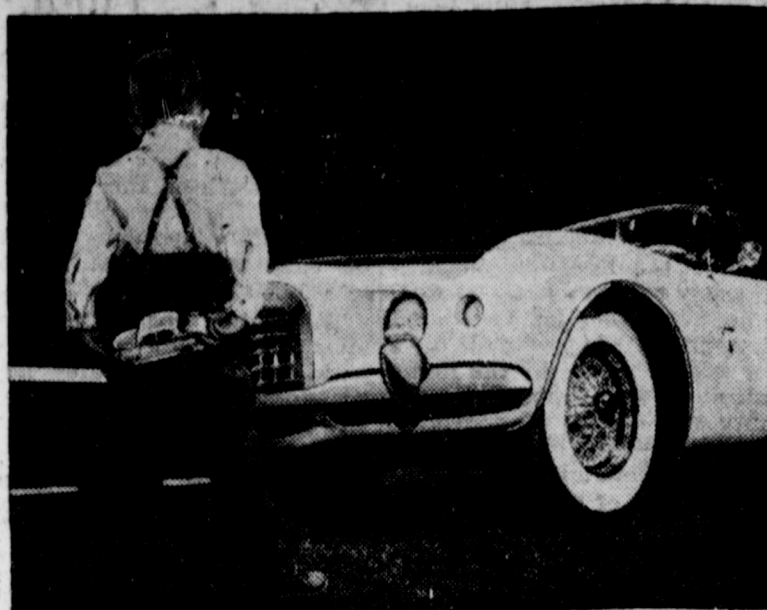

Outlook Favorable

With the continuance of favorable weather, the insect problem has been at a minimum and chances are that this crop will be the third largest in South Plains history.

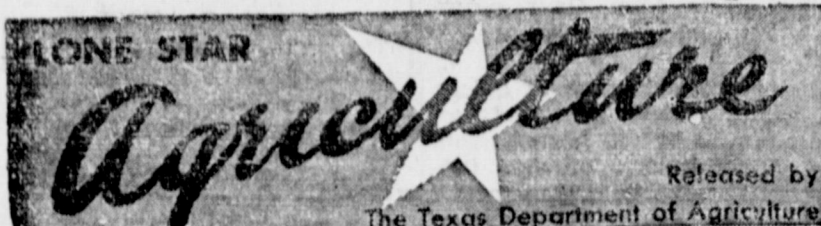

Cool, humid weather the last 10 days has been conducive to insect infestation. Insects have been noticed in all fields, the Wells and Stanton report says. It is a light infestation in most counties, however, and poisoning is rapidly taking care of the problem.

Farmers throughout the entire area are happy over the promising picture. Many will be able to pay off debts and many will

BOY! WAIT 'TIL I GROW UP!

Five-year-old John Dwight Cerin gazes rapturously at Chrysler Corporation's advanced design "idea car", the C-200, and gets some ideas of what he will be able to do when he is eligible for a driver's license. The hand-built car is a feature of Chrysler's touring automobile show, "New Worlds in Motion", which has visited 31 cities in the past two years. A million-dollar styling and engineering exhibition, the show is composed of over 100 separate displays which demonstrate the principles that make a modern car tick.

By John C. White, Commissioner

SAVING THE TAXPAYER'S DOLLARS

The first definite step toward putting the Texas Department of Agriculture on a self-supporting basis became effective this month.

Through a process of collecting fees for services rendered, the department is financing many of its operations which formerly had to depend upon allotments from the state general revenue fund.

Foremost of these fees are those collected for the inspection of nurseries, and warehouses and the nominal charges made for the examination of seeds offered for sale. The nursery and warehouse fee programs have been in operation for several years but the seed testing charge is new.

be able to "put some money back" if the outlook remains the same as it is now.

Third Biggest Crop?

Crops this year seems ready to challenge every crop year except the "Cinderella" crops of 1949 and 1952. The record 1949 crop of 1,699,638 bales came in an ideal season and under pressure of renewed acreage controls that prompted maximum plantings. The 1952 crop hit 1,430,491 bales.

The Bailey County crop is estimated at 60,000 bales.

—Lubbock Avalanche Journal

formerly, it means the Department of Agriculture is over the hump in maximum tax money spending and subsequently requests are now expected to decrease with no loss of services to Texas farmers and ranchers.

Since the seed testing fee is new, farmers and seedmen are reminded they may obtain a complete test of all seed except chaffy grasses, native grasses, mixtures and trashy seed for \$2.50. This fee can be broken down to \$1.50 for purity analysis, only, or \$1 for germination tests.

The charge for tests on the four exceptions is \$5. Trashy seed may be rejected for testing when the laboratories at Lubbock and Austin are experiencing a rush season.

Noxious weed seed is examined for \$1 per sample. These tests are required by law before offering the seed for sale in Texas.

VISITED DAUGHTER

Mr. and Mrs. C. A. Watson and daughter, Mrs. Preston Cargile, visited over the weekend with another daughter and son-in-law, Mr. and Mrs. O. R. Chandler, of Littlefield, over the weekend.

Watermelon Feast Enjoyed By Rainbow Girls

The following Rainbow Girls enjoyed a watermelon feast in the city park Monday evening, September 7, at 7:00 o'clock.

Darla Myers, Elizabeth Farley, Jan Gammon, Paula Provencher, Barbara Hinkson, Charlene Raef, Mary Jean Carpenter, Ilma Jennings, Jimmie Carpenter, Betty Collins, Helen Stovall, Ginger Gaede, Lou Ann Logan, Shirley Matthiesen, Doris Fields, Barbara Douglass, Mary Jo Holt, Mary Janice Puckett, Doris Jean Childers, and Holly Ann Cox.

Sponsors for the feast were: Mr. and Mrs. Willie Strong, Mrs. Frank Hinkson, and Mrs. John Raef.

The Rainbow Girls will have a public installation September 14, at 7:30 o'clock in the Mahonic Hall.

Mrs. W. D. Moore Brings Devotional To W. S. C. S.

When the Woman's Society of Christian Service of the Muleshoe Methodist Church met at the church Monday afternoon, September 7, at 2:30, Mrs. W. D. Moore gave the devotional program from the new W. S. C. S. Worship booklet, "A Sower Went Forth."

Those assisting in the dramatization were: Mmes. Jennings, Childers, Barbour, and Morris.

Thirteen members heard Mrs. H. C. Holt and J. J. Gross discuss Jesus Ministry to Village People.

Mrs. Moore presided over a business session.

The W. S. C. S. quarterly luncheon date was set for Wednesday, September 16, with the program beginning at 10:30 a. m. The Wesleyan Service Guild of the Methodist Church will be guests for the luncheon.

The next meeting will be Monday, September 21, at the church. The first chapter of the first book of the study course for the year, "That The World May Know," will be given by Mrs. H. Jay Wyer, who will supervise this course.

OKLAHOMANS VISITED

Mr. and Mrs. Gerald Black and sons of Laverne, Okla., visited in the home of Mr. and Mrs. Leroy Hicks over the weekend.

Exec. Committee Of School PTA Met Monday Night

The Executive Committee of the Muleshoe P. T. A. met Monday night for a short business session.

Plans were made for the Elementary P. T. A. and the High School P. T. A. to have a joint meeting the night of September 21, in the High School Auditorium. All parents are urged to attend this first meeting, and meet the teachers.

Husbands Are Guests Of Los Planos Club

24 Husbands are : Members of the Los Planos Study Club entertained their husbands with a back yard supper Tuesday, September 8, in the yard of Mr. and Mrs. F. W. Jones. Those present for the occasion were: Mr. and Mrs. Willis Farrell, Mr. and Mrs. Russell Haberer, Mr. and Mrs. Earl Schmitz, Mr. and Mrs. Deon Antrey, Mr. and Mrs. Claude Riley, Mr. and Mrs. Kenneth Grissom, Mr. and Mrs. Paul Gardner, Mr. and Mrs. Irvin St. Clair, Mr. and Mrs. Bennie Chapman.

Mr. and Mrs. Richard Smith, Mr. and Mrs. Arch Fowler, Mr. and Mrs. Ett Evans, Mr. and Mrs. L. S. Barron, Mr. and Mrs. Elmo Evans, Mr. and Mrs. Bernard Phelps, Mr. and Mrs. Raleigh Mason, Mr. and Mrs. John Smith, Mrs. Elaine Dameron, Mr. and Mrs. F. W. Jones, Mr. and Mrs. Sam Hopper, and Mr. and Mrs. Buddy Blackman.

Mrs. Gulley Hosts Progress H. D. Club

Mrs. David Gulley was hostess to the Progress Home Demonstration club in her lovely home north of Progress on Tuesday, September 1. Besides the hostess the eight members present were Mesdames Manuel Self, T. Haley, Sherman Sweatmon, Joe Simma-

cher, Wilbur Thomas, Ray Queberry, Albert Davis, and G. T. Maltby.

After the hostess read the opening inspirational thought, roll call was answered by giving "Better Table Manners We Should Practice." Council Chairman, Mrs. Albert Davis, gave a report of business at the August meeting of the Council Meeting of all the county Clubs. Bailey County will send three delegates to the Texas Home Demonstration Association meeting at Galveston September 30, October 1 and 2. These delegates will have their expenses paid by the Home Demonstration Clubs in the county and will go by chartered buses from Lubbock September 28, returning October 3.

An account of the state meeting of the Extension Clubs of New Mexico held recently in Portales was given by Mrs. G. T. Maltby who attended one afternoon. She reported that the pictures and talk by David Kidd of Roy, N. M., who was New Mexico's International Farm Youth Exchange delegate to Iran in 1952, well paid her for the trip. The IFYE is sponsored by the 4-H Clubs of the United States.

Mrs. Thomas and Mrs. Self received gifts from their secret pals. Mrs. Self drew the hostess gift.

Dainty refreshments of chicken salad, wafers and iced tea were served by the hostess from the appointments on her tea-

Senior Class Is Entertained With Lawn Party

Mr. and Mrs. Noel Woodley and Ann entertained the seniors of Muleshoe High School and their dates, with a lawn party September 8, between the hours of 6:30 and 10:30 p. m.

The weiner roast and watermelon feast took place on the patio of the Woodley home. Watermelons were donated by Mr. C. S. Otto.

Approximately sixty three, including senior sponsors; Coach Eldon Johnson, Miss Barbara Gaither, and Miss Dorothy McCasland, were present.

Games were played through the evening, and musical entertainment was furnished by Jackie Henderson and Dickey Fudge.

The next meeting will be at 2:30 Tuesday, September 15, in the home of Mrs. Albert Davis on the Clovis Highway. All members are urged to attend.

Muleshoe Motor Company

PHONE 4930

AMERICAN BLVD. AT FIRST ST. MULESHOE, TEXAS

Sept. 10, 1953

Dear Reader,

Our efforts to continue to bring you an ever increasing amount of service have been rewarded with our being able to secure for you new 1953 LINCOLN & MERCURY AUTOMOBILES. Many of our present customers have indicated that they would prefer to drive a bigger car, and one that is built by the Ford Motor Company, if they were able to buy it here and be sure of adequate servicing.

We want to thank everyone who has been so cordial and pleasant to us since we became the Authorized Ford Dealer in Muleshoe.

Sincerely,

Landrum H. Jones, owner

P. S. We are in need of a number of good, clean late model used cars.

Idalou Girl Is Bureau Queen

Fifteen local people attended a district meeting of the Farm Bureau, held in Lubbock last Thursday. Patsy Boyd, of Idalou, Lubbock County, was selected as the district's candidate for queen of the Texas Farm Bureau.

She received a wrist watch and her expenses to the state con-

test will be paid by the Farm Bureau.

Attending from Muleshoe were: Mr. and Mrs. D. O. Burelsmith, Mr. and Mrs. Ralph Ethridge, Mr. and Mrs. Buford Hunt, Mr. and Mrs. W. T. Millen, Mrs. Frank Mooney and Selita, Mrs. W. U. Lowery, Dorothy Lowery, Bailey County's queen candidate, O. C. Thomson, Joe Sooter, and J. K. Adams.

Local Talent Present Program At Rotary Club

A talk by Rotarian Onard Upton, manager of the National Alfalfa Milling & Dehydrating Company Muleshoe plant, and subsequent discussion took up so much time at the Rotary Club meeting Tuesday that other parts of the program scheduled by Bob Gregory as chairman, had to be postponed for a later day.

Upton discussed the apparent trend in national affairs towards a form of socialism, and the political and economical aspects of that trend. He suggested that when government comes into private business, freedom and individual initiative invariably suffer.

When he threw open the discussion for questions many members quickly gave voice to their opinions. Gregory said at a later time he would like to have other phases of the many economic and political questions of the times discussed so that all could hear all sides.

Guests for the day included Lindal Murray, Anthony store manager, and Billy Morrison, a guest of his Rotarian father, D. L. Morrison.

The club will not meet on Tuesday next week but instead will meet at the Verney Towns farm northwest of Muleshoe to serve as waiters for the luncheon that will be served there to those attending the soil conservation day program.

About People You Know

LEFT FOR UTAH

Mrs. C. A. Myers left Saturday for Salt Lake City, Utah, for a short stay, before going to Granite, for an extended visit with her sons and their families.

VISITED HERE TUESDAY

Mr. and Mrs. Rochelle Christian of Farwell, visited Tuesday evening in the home of Mr. and Mrs. Leroy Hicks.

WERE IN NEW MEXICO

Mr. and Mrs. Jarvis Angeley and family, and Mr. and Mrs. Oliver Tunnell and family spent the weekend in Las Vegas, N. M.

FORMER TEACHER VISITS

Miss Lorane Davidson of Dallas, was a recent visitor in the home of Mr. and Mrs. R. T. Tibbets. Miss Davidson is a former Home Economics teacher in the Muleshoe High School. She will teach this year in the Louisiana State University.

VISITED MOTHER

Mrs. R. C. Giles, Dorothy and Robert, spent the weekend in Benjamin, with her mother, Mrs. J. H. Redwine, and her brother, J. D. Redwine and family.

WERE IN FLOYDADA

Mr. and Mrs. M. G. Bass spent the Labor Day Weekend in Floydada, in the home of their son and daughter-in-law, Mr. and Mrs. Raymond Bass.

VISITORS HERE

Visitors in the C. D. Hoover home recently were Mrs. Laura B. Cox and daughters and family, Mr. and Mrs. Bob Crowe, Barbara, Nancy and Bobbie, of Excelsior Springs, Mo., and J. D. Cox and wife of San Angelo.

Mr. and Mrs. Crowe and children visited in Carlsbad, N. M., San Angelo, and other parts of New Mexico while here.

IN SAN ANTONIO

Walter Seales, who has spent the summer with his parents, Mr. and Mrs. Bert Seales, is now in the Air Force, stationed at Lackland AFB in San Antonio, where he will take his basic training.

Well Data Still Not Furnished In Every Case

A meeting of members of the Bailey County committee of the Hi-Plains Underground Water Conservation District will be held tonight in Muleshoe, to discuss ways and means of impressing upon all concerned the necessity for furnishing complete water well information when one is drilled.

Members of the committee said that in some cases logs and well registrations have not been sent in and that it is necessary that this regulation of the district be complied with.

A meeting of all county directors of the district will be held in Olton Thursday, to discuss this and other matters. W. L. Broadhurst, hydrologist for the district, is to attend.

THE MULESHOE JOURNAL, Thursday, September 10, 1953

WERE IN DALLAS

Mrs. Leroy Hicks and Mrs. Rob-

ert O'Hair spent part of last week in Dallas and Ft. Worth.

Muleshoe H. D. Club Meets With Mrs. Robinson

The Muleshoe Home Demonstration Club met in the home of Mrs. S. L. Robinson Tuesday, September 8, with fourteen members and two visitors present. Roll call was answered with a suggestion for better table manners. The Good Will Supper was discussed and further plans were made. Mrs. Day drew the hostess gift, and basket weaving was discussed. The club will have an all day meeting September 22, in the home of Mrs. R. F. Wright to weave baskets. A covered dish luncheon will be served. Refreshments were served to those present, and the club was adjourned.

Wedding Shower Honors Mr. and Mrs. Bill Barnett

Thursday night, September 3, Miss Winona Glenn gave a wedding shower for Mr. and Mrs. Billy Barnett. Mrs. Barnett is the former Mary Seales of the Longview community, and is the daughter of Mr. and Mrs. Bert Seales. Mr. Barnett is the son of Mr. and Mrs. Pat Barnett of Baileyboro. The shower took place in Miss Glenn's home in Muleshoe. Twenty-eight guests were registered, and many lovely and useful gifts were received by the young couple, who will make their home in the Baileyboro community. Mrs. E. A. Glenn and Miss Edie Ray Glenn served refreshments.

Mrs. Oscar Allison Hosts P. V. S. Club

The Pleasant Valley Social Club met in the home of Mrs. Oscar Allison Wednesday, September 2. The meeting was called to order by the president and roll call was answered. Several matters of business were discussed. The club won third place in the float contest recently, and all members are very happy over this. There was some discussion as to whether the club would sponsor a booth at the Littlefield Fair this year. Delicious refreshments were served to the following members: Mmes. Mary Andreas, Ethel Allison, Jean Allison, Alice Angley, Leona Hicks, Hattie Prather, Katie Roubinek, Gladys Shaw, Hazel West, June Free, Doris Hammett, Verona Grizzle, Hazel Reeder, and the hostess, Sammie Allison. The next meeting will be held in the home of Mrs. Harold Allison September 16.

TOOK SIGHTSEEING TRIP

Mr. and Mrs. W. R. Bowers and daughters, Louise and Virginia, took a five day sightseeing trip last week through Colorado and New Mexico. In Durango they visited some former Muleshoe residents, Mr. and Mrs. Bits Holt. They reported "a very nice trip".

RETURNED RECENTLY

Minister and Mrs. J. E. Randol, returned recently from an eleven day tour of Colorado. They visited in Grand Junction with Mr. and Mrs. Lee, in Glenwood Springs, where they spent five days, they visited with Mr. and Mrs. Bostick, and in Denver, with Mr. and Mrs. Perkins, and Mr. and Mrs. Harley Stone. They reported a very enjoyable trip.
