"Association" is a gimmick used by memory experts, but it also can get you on the wrong track. An early - morning telephone caller dialed the Daily News office the other day and asked to speak to "Mrs. Frazer."

The person who answered the phone did not recognize the "association" and advised that the newspaper didn't have a Mrs. Frazer working here.

There was a pause, and then the caller reckoned it wasn't Mrs. Frazer, but Mrs. Kizer that was sought. This was readily associated with Bobbie Jean Kizer (Mrs. Fred) who rides herd on the classified ads, etc., etc., etc.

Then it hit like the proverbial ton of bricks. The caller was one who recalled the automobile manufacturing venture of Henry J. Kaiser shortly after World War II, those robust days of the Kaiser - Frazer cars. Only trouble was, the cart was before the horse in the name association.

Coaches of major college football teams accept as a matter of routine nowadays their appearance on post-mortem television shows, usually bearing their own name, or the nickname of their school's football team. These shows probably require about as much courage as anything a coach does because there are going to be some losses to explain somewhere down the line, and more often than not a coach whose team has just lost a game would rather spend that time working on plans for next week's game.

Our nomination for the best of these shows is the Darrell Royal Show. The University of Texas head coach uses about two thirds of his half hour on the tube showing motion pictures of scoring drives in his team's last game. Moreover, he shows the successful offensive operations of his opponents as well as those of the Longhorns. And he gives the full names of boys on both sides who figure in each play.

Royal also has the knack of handing out accolades to an opponent without downgrading his own players. Also, it was he who said, "Without some losses, you can't justify intercollegiate athletics."

I noticed in the paper yesterday that the pacifist yacht Phoenix had been spurned a second time. This private ship, which defied the U.S. State Department and tried to take some medical supplies to North Vietnam, was not allowed to dock in the communist country. Then, an effort was made to deliver the materials to South Vietnam (not to the South Vietnamese people in general, but to Buddhist agitators there) but they got the cold shoulder again. There is a message there, if they will take a moment to decipher it. —

Frigid Air Heading For Texas

BY THE ASSOCIATED PRESS

Moist air billowing warmly over Texas from the Gulf of Mexico held back a mild cool front today, but another and stronger surge of refrigerated air was on the way.

Snow flurries and temperatures down to 30 degrees were predicted by tonight in the Texas Panhandle.

A Pacific front pushed into the state Monday and was shoved backward by the inflowing warmth. By this morning its forward edge was at a standstill along the Red River and angling northward from near Wichita Falls into the west edge of the Oklahoma Panhandle.

Temperatures remained mild for this time of year in most areas.

Readings before dawn ran as low as 27 degrees behind the stalled front at Perryton in the upper Panhandle. Ahead of that front the overnight lows were 40 at Alpine, Dalhart and Dumas.

Downstate the low marks ranged as high as 67 at Corpus Christi, Galveston, Lufkin and Victoria, and 69 at Palacios.

Weather Bureau observers looked for more noticeable cooling over much of the northern half of the state tonight, however, with the arrival of cold Canadian air, still shoving southward in Colorado this morning.

Forecasts called for much lower temperatures by Wednesday in northern sections of the state and less severe chilling in the south with widely scattered showers in some areas.

Gusty winds kicked up a little dust in places Monday across West Texas while light showers played out in the central and southern parts of the state.

Israeli Planes Attack Jordan

By ED BLANCHE
Associated Press Writer

TEL AVIV (AP) — Israeli jet fighter-bombers attacked Jordanian positions on the east bank of the Jordan River today for the first time since the Arab-Israeli war in June.

Jordan claimed two Israeli planes were shot down and said the pilot of the first one bailed out and was killed. It did not say how.

Israel admitted the loss of one of its French Mysteres and said the pilot bailed out over Jordanian territory.

The Israeli Army also announced that one Israeli was killed and one wounded by Jordanian shelling. It claimed six Jordanian tanks and one armored car destroyed.

Amman Radio said the Jordanians lost only one military vehicle and there were no casualties to Jordanian personnel. It claimed Israeli tanks and other equipment were set ablaze, two Israeli gun positions were destroyed and most of their personnel were killed.

Amman said King Hussein, now in London, was in constant telephone contact with his brother, Crown Prince Hassan, until the fighting stopped, and that Jordan's delegate to the United Nations had been instructed to inform U.N. members of the battle.

The Israelis said their air force went into action after the Jordanians moved tanks up to the cease-fire line and opened up across the river on a wide front.

The Jordanians charged that the Israelis began the attack with artillery and tank fire, then called in their planes when Jordanian positions returned the fire.

It was the fourth consecutive day of firing across the river.

64 BELIEVED DEAD

Board Studies Site Of Tragic Crash

By JAAN KANGILASKI
Associated Press Writer

CINCINNATI, Ohio (AP) — A team of federal investigators went to work today trying to determine why a TWA jet passenger plane crashed while approaching the Greater Cincinnati Airport Monday night, apparently killing 64 of 82 persons aboard.

"We counted up all our passengers again, and now find there were 75 passengers and seven crew members," said TWA District Manager A. B. Krueger. "There are 18 survivors."

"That leaves 64 persons not accounted for. I don't want to say they are all dead, but I don't have much hope for finding any more survivors," Krueger added.

Six of the survivors were reported in serious or critical condition in various area hospitals.

Most of the injured were rushed to St. Elizabeth Hospital in Covington, Ky. Two-thirds of the nurses at the hospital resigned last week in a dispute with the management—but most of them reported back to work Monday night to care for the injured.

The debris-strewn crash scene is in an orchard about 1.5 miles north of the airport and not far from the spot where an American Airlines passenger plane crashed in 1965 killing 58 of 62 persons aboard.

Greater Cincinnati Airport is built south of the edge of a plateau above the Ohio River. The American Airlines plane smashed against the hillside 50 feet below the edge of the plateau. The TWA plane that crashed Monday night came down a few hundred yards past the edge, in plain sight of the runway lights.

Members of the National Transport Safety Board team arrived during the night. Several of them visited the crash site in the dark, but one of them, Oscar Laurel, said nothing significant was found. He said the team would be fully organized today.

Woodrow McKay, chief tower controller at the airport, said 'a pretty good fire broke out" after the plane hit.

More than a score of persons were waiting inside the airport restaurant for the arrival of friends and relatives.

Mrs. Maude Cuneo of Helron, Ky., said she saw a "great ball of fire," that it looked to her as though the plane had "exploded in the air."

The airplane was Trans World Air lines Convair 880 bound from Los Angeles to Cincinnati, Pittsburgh and Boston. It was about two hours late, TWA said, because a faulty door of another plane caused passengers to be shifted in Los Angeles to the one that crashed.

Community Thanksgiving Service Set

The annual community Thanksgiving Service will be held at 7:30 p.m. Wednesday at Trinity Methodist Church.

The service is sponsored jointly each year by the Snyder Ministerial Alliance and the Snyder Jaycees and is held each year the night before Thanksgiving Day.

The Rev. Vernon Hagar, pastor of Bethel Assemply of God Church, will bring the message of the evening. The Rev. R. Virgil Mott, pastor of Bethel Baptist Church and president of the Ministerial Alliance, will preside. Other ministers who will participate actively in the service are Dr. John English, pastor of First Methodist Church, and the Rev. Bobby McMillan, pastor of the host Trinity Methodist Church.

Laymen who will participate are Jimmie Johns and Max von Roeder, while Jaycees who will serve as ushers are Derwin Thompson, Wendell Rehm, Gerald Pullig, Thomas Boyd. The Trinity Methodist Choir will present special music.

Guns, Planes Pound Reds

By GEORGE ESPER
Associated Press Writer

SAIGON (AP) — U.S. artillery and planes today pounded dug-in North Vietnamese gunners delaying the evacuation of scores of wounded U.S. paratroopers trapped on a hillside near Dak To.

U.S. casualties mounted to at least 239 dead and 822 wounded in the 19th day of fighting around the Dak To valley, the second most costly battle of the Vietnam war for the Americans.

It rivaled in intensity the 1965 fighting in the Ia Drang valley —also in the central highlands and also just before Thanksgiving—in which 310 Americans were killed.

Brig. Gen. L. H. Schweiter, commander of the 173rd Airborne Brigade, said the North Vietnamese were dug in so well on Hill 875 the U.S. guns and bombs couldn't hit their bunkers.

WAYNE JONES WINS AWARD

Firemen At Annual Dinner

Some 300 Firemen and guests were present to see Wayne Jones, a volunteer fireman for the past 6½ years, receive the "Fireman of the Year" award at the annual Thanksgiving Dinner, held Monday night at Central Elementary School.

Presentation was made by Roy Meador on behalf of Radio Station KSNY. In presenting the award, Meador said, although the space age has brought many changes, devotion and sacrifice for their fellow men remain guiding principles of the Snyder Fire Department.

Jones, the recipient of the top award this year, is a second assistant chief. An employe of Lone Star Gas Co., he is married and the father of two children. He was 100 per cent in attendance at fire drills during the past year.

Other firemen who were recognized for having attended all of the drills were Lenard Keller, G. L. Autry, Kenneth Wood, Bill Engler, Odell Cox, Bill McCright, T. L. Guynes, T. V. Early, Darby Scott and Travis Withers.

Alfred Kohl, fire chief, presented service pins to a number of firemen. Doug McGlaun received a 15-year service pin, and David McIntosh received a 10-year service pin. Five-year pins went to T. L. Guynes, Ralph Yielding, W. J. Martin, Mickey Nunley and Tommy Johnston.

Kohl announced that City Firemen answered 491 calls from the period Sept. 1, 1966 to Oct. 31, 1967.

Presentation of the Fireman of the Year award and service pins followed a program of entertainment in the school auditorium. Featured was the Snyder High School A Cappella Choir, under the direction of J. D. Smith.

Dinner, consisting of turkey and dressing and all the trimmings, was served in the school cafeteria. Master of ceremonies was Chief of Police Stephen Clark.

Doug McGlaun gave the welcome, and Wayland Holt, district attorney, gave the response to the welcome. Guests, including many city and county officials, were introduced by Rev. John Bollinger. Floyd Allmand introduced the master of ceremonies, and invocation was given by Rev. Bollinger.

ATTEND DINNER — Present for the annual Thanksgiving Dinner of the Snyder Fire Department are, from left to right, Wayne Jones, Alfred Kohl, fire chief; and, Roy Meador; and, Back Row, Stephen Clark, police chief; and, Wayland Holt, district attorney. Meador presented Jones with the "Fireman of the Year" award. Clark served as master of ceremonies, and Holt gave the response to the welcome. The dinner was held at Central Elementary Monday night.

MOON FLIGHT REHEARSAL

Saturn 5 Spacemen Named

By LAWRENCE LEE
AP Aerospace Writer

SPACE CENTER, HOUSTON, Tex. (AP) — Six astronauts, including two who never have ridden a rocket, today held key roles in two forthcoming space rehearsals for America's flight to the moon.

The space agency Monday named three-man crews for the first manned flights atop the Saturn 5 rocket, whose triumphant test journey Nov. 9 gave the moon program the impetus it needed.

Air Force Lt. Col. James A. McDivitt, 38, commander of the 1965 Gemini 5 flight, is in charge of the first manned Saturn 5 flight planned for late next year.

Traveling with him will be Air Force Lt. Col. David R. Scott, 35, veteran of the Gemini 8 flight in 1966 and civilian astronaut Russell L. Schweickart, 32, venturing into space for the first time.

Early in 1969 Air Force Col. Frank Borman, 39, will command the second manned trip aboard a Saturn 5, joined by Air Force Lt. Col. Michael Collins, 37, and Air Force Maj. William A. Anders, 34. Borman commanded Gemini 7 in 1965. Collins rode Gemini 10 in 1966. Anders is a space rookie.

Once in space the men are to act out vital steps in the moon-flight scenario. McDivitt's team is to carry out first manned space testing of the Apollo command craft, its service section and the moonlanding lunar module.

Borman and his colleagues will fly with orders to carry out lunar mission steps the way they would go during an actual flight to the moon.

Their big job will be for the lunar ferry and the command ship to start hundreds of miles apart, find each other and link up in a run-through of the rendezvous required to bring home safely the first Americans who will walk the moon.

The crews named Monday were for the second and third manned flights of the Apollo lunar landing program. The first flight is to go next summer using a more powerful version of the Saturn 1 vehicle.

Navy Capt. Walter M. Schirra Jr., 44, will command that flight, joined by civilian astronaut Walter Cunningham, 35, and Air Force Maj. Donn F. Eisele, 37. They are to check the spaceworthiness of the command craft and its ability to protect spacemen during its fiery skip back into earth's atmosphere.

By ABIGAIL VAN BUREN

DEAR ABBY: Last January my son went north to get a job. While he was there he phoned to say he had met a "wonderful" girl and they had been married. Naturally we were surprised, but he seemed happy, so we were happy, too.

A couple of months later he called to say that he and his wife were splitting up and he was going to join the army, his reason being that his wife was going to have a baby that wasn't his. He said that he knew nothing about her condition when he married her, but she admitted to having known it all along.

Well, this poor girl called us and said she had no money and nowhere to go and she couldn't go home, so we sent her money and told her to come stay with us until her baby is born.

She's here now, and, Abby, she is really a sweet girl. She plans to give the baby away when it comes. We wrote our son about what we had done, and he was very angry at us and wrote back saying we shouldn't have had anything to do with her.

We keep writing, trying to explain, but he won't answer our letters. Even if it's not our son's baby, it's an innocent child. What is your advice? We can't turn this poor girl out. But will our son ever speak to us again?

A MOTHER

DEAR MOTHER: If he doesn't, shame on him. HE found this girl, you didn't, and even tho I do not condone her actions, she is a human being. She is also his wife, until they are legally divorced. I think you did the decent and admirable thing. And hopefully so will your son after he cools off and thinks about it for a while.

DEAR REDHEAD: Could it be that they're easier to find in the dark?

DEAR ABBY: What do you think is going on when a husband suddenly starts signing off his letters with "Regards" after so many years of "Love and Kisses?"

My husband is an air force sergeant and was transferred to the Philippines a few months ago. We have five children and are looking forward to his service retirement so we can have a normal family life.

He doesn't even wish me "Best Regards." Just "Regards."

SINCERELY YOURS, WORRIED

DEAR WORRIED: The next time you write to your husband, tell him that you noticed the change in his "signing off" and ask if there is a reason for it. Let him know that you are delighted with his "Regards," but you'd like to know what happened to his "Love and Kisses."

* * *

DEAR ABBY: Am I engaged or not? This whole situation is very confusing. Here is what happened: Axel left for Viet Nam in June. We talked about getting married when he gets home next year. First of September he wrote saying he had bought a set of rings before he left, and if I wanted to become engaged I should write and tell him and he would ask his brother Olaf to drop the rings off at my house. I wrote back, "Yes have Olaf drop the rings off," so that's what happened.

O. K., so now I have the rings, right? My mother says this is like no engagement she ever heard of before, and I should have waited for Axel to get back and give me the rings himself. I say I don't care who gave me the rings, I am engaged. What do you say?

ENGAGED.

DEAR ENGAGED: I say, you're engaged. And congratulations.

Panel OKs Funds Bill

WASHINGTON (AP) — A Senate-House conference committee has agreed on a $2,093,362,000 appropriation for construction work at military bases in the United States and abroad.

The compromise bill, subject to final votes in the House and Senate, is $844 million under the amount budgeted by President Johnson, $39 million under the total approved by the House in October and $6 million under the Senate version adopted earlier this month.

Appropriations Committee members said the final total reflects deferment of projects not considered absolutely essential to maintenance of the efficiency of the armed forces.

The conferees agreed to funds for the construction of 6,750 units of new family housing during the year which began last July 1.

Crude Production Higher Last Week

TULSA, Okla. (AP) — U. S. production of crude and lease condensate edged higher last week, reversing a drop from the week before, the Oil and Gas Journal reported today.

The average was 8,939,475 barrels per day, up 32,410.

Alaska's climb continued with production of 141,600 barrels per day, compared with 135,700 the previous week and almost triple the level earlier in the year.

Oklahoma climbed 18,810 a day to 624,120.

Output was unchanged in Louisiana at 2,152,000, New Mexico at 348,575 and Texas at 3,086,450.

Harvesting Moves Ahead

AUSTIN (AP) —Harvesting made good progress in Texas last week due to good weather, the U.S. Department of Agriculture reported Monday.

Cotton harvest is 54 per cent complete, the department said. Last year at this time it was 67 per cent complete.

Sorghum combining is 97 per cent complete, compared with 99 per cent last year.

The corn harvest is complete, trailing last year's finish by only a week.

The peanut harvest is about 75 per cent complete, compared with 89 per cent a year ago. Sugar beet harvest is 47 per cent complete. Last year at this time it was 70 per cent complete.

Wheat seeding is 96 per cent complete, compared with 98 per cent last year. Oat seeding is 94 per cent complete, compared with 95 per cent in 1966.

Planting of spring onions and winter vegetables in the Lower Rio Grande Valley was near standstill because of wet fields from Nov. 11 and 12 rains.

Pecan harvest was nearly three-fifths complete for the state last week, compared to only 50 per cent at this time in 1966.

Weaver To Visit Waco

WASHINGTON (AP) — The Department of Housing and Urban Development will make a stop in Waco, Tex., Dec. 7 on a tour of seven model-cities neighborhoods.

HUD Secretary Robert C. Weaver announced the planned tour Monday. He said it is for newsmen and specialists in urban affairs. Mayors will serve as hosts in each city.

The neighborhoods are in cities among the 63 named last week for participation in the model cities program. The tour begins Dec. 4 at Rochester, N.Y., and ends Dec. 9 at Oakland and Richmond, Calif.

Weaver said Waco and the other cities were selected on the basis of their analysis of problems involved, new approaches, capacity to carry out the program, commitment of city governments and private groups and through reasons of geography and population.

Ira 4-H Club Study Colors

The Ira 4-H Club met recently at the community center with Leigh Ann Sterling, president, presiding. The 4-H motto, pledge and prayer was repeated.

The club made color wheels to give them ideas of which colors should go together.

Those present were Beverly House, Connie Byars, Nancy Sterling, Doris Wiggins, Adella Gutierrez, Leigh Ann Sterling, Danita Layne and Debbie Clements. Refreshments were served by Mrs. Harvey Clements. One leader and three visitors, Mrs. Jimmy Layne, Paula Clements, Donna and Kim Layne, were present.

DISCARDS DEFENSIVE ROLE

Johnson Seeks Fresh Image

By JAMES MARLOW
AP News Analyst

WASHINGTON (AP) — President Johnson will have been in the White House four years as of Wednesday. If he had to leave right now he would probably feel terribly frustrated, disappointed and ineffectual.

Much he could have done or tried to do about problems at home he couldn't do because of the Vietnamese war which has engulfed his time, thought and energy. If his problems had stayed home, he might now have one of the greatest records.

But now suddenly, instead of succumbing to gloom or despair, he is trying to be a new Johnson by creating a fresh image of himself in the public eye.

He has been on the defensive these past two years because of antiwar criticism. Yet, if any president ever yearned to be approved, it was Johnson. It showed repeatedly in his tone, words, face and gestures.

Still, he will not bend to the critics. The result: He is a man in a straightjacket.

He has refused to abandon or tone down the war; to make concessions without reciprocal concessions from North Vietnam; or to intensify it so much Red China might feel compelled to get in, which might mean World War III.

Since he wants so much to be a successful president, and a popular one, why hasn't he yielded to his critics? He has given an answer which probably satisfies none of them: He will fulfill his obligations as he sees them.

His first White House year, 1964, was taken mostly with trying to win election to the presidency on his own and preparing domestic programs for 1965 if elected. Vietnam was a growing major problem then, but not all-consuming.

In 1965 Congress, under his leadership which meant political mastery, produced the most fruitful legislation in American history. But by the end of 1965 this country was up to its neck in the war.

This showed vividly in 1966 when Johnson no longer could pay all his attention to domestic problems. That year Congress did a half-baked job. It's doing the same this year. Diverted by the war, Johnson has lost his political mastery.

Now he is like a man alone. Members of his own party have turned against him. One is threatening to run against him for the nomination in 1968. And public confidence as measured by the Harris poll shows him at an all-time low of 23 per cent.

It seems certain Johnson will try for re-election. It also seems certain he has realized his defensiveness is dumping him towards disaster. And it seems certain he has decided to change his ways and become aggressive.

That's his natural condition anyway. He's out of place playing meek and mild. In the usual sense he is a poor speaker, especially when reading from prepared speeches or glued to the presidential rostrum at news conferences. He has changed all that.

He got himself wired for sound with a microphone around his neck, enabling him to roam free of the rostrum, and at last week's news conference put on his most impressive performance, talking off the cuff and gesturing earnestly instead of mechanically.

A week ago he visited military camps from coast to coast, defending the war, attacking his critics. On Sept. 29 in a talk broadcast nationwide he explained the war and the reasons for being in it. There was nothing defensive about it.

He has overdone other things in the past and may overdo the aggressive bit. Last week he brought back the two top American officials in Vietnam: Ambassador Ellsworth Bunker and Gen. William C. Westmoreland, the U.S. commander.

Johnson's desire to confer with them was the reason given for their return. There may have been another one, too: To spread good cheer about Vietnam. The two men made repeated public statements and appearances.

Despite all their statements, all they really said was they're optimistic about the war. They could have stayed in Vietnam and said all that in a letter.

William and Mary's 27-16 upset victory over Navy's football team was its first over the Middies in 25 years.

Barbie Is Headed For Vietnam

By SALLY RYAN
Associated Press Writer

NEW YORK (AP) — Barbie is off for Vietnam, along with Batman, Little Snoopy and a host of other toys American children will find under the Christmas tree.

A toy salesman on a one-man campaign, individual toy companies, charity organizations and GIs in Vietnam already have helped get toys to thousands of Vietnamese youngster for Tet Tan Sun, the Vietnamese new year. More are on the way.

"Last year we donated a few toys to two orphanages in Vietnam, and from the letters of gratitude and the pictures of the children receiving the toys, we know how much good it can do, not only for these needy tots, but for the American image abroad," said H. H. Coords, president of Fisher-Price Toys, Inc., the preschool toy manufacturer in East Aurora, N.Y.

This fall, 100,000 wagons and balls, wheelbarrows and balloons, dolls and games, have been donated to be distributed by the Marines as part of their civic action program.

"I'm not a crusader or anything, but I thought it was right," said Jay Krotman, 31, the New York toy salesman who organized drive. "My next-door neighbor is a retired Marine major, and he told me about this civic action program to help the Vietnamese.

"I sent out 325 letters, and 60 per cent responded. They were great. One manufacturer in New Jersey sent 96 cartons."

Krotman asked for—and got—art supplies, baby toys, gym sets, plastic toys, puzzles, models and plush animals.

"Please don't send any guns and war toys," he asked. He said Marines suggested no guns.

Some toy guns have been shipped to Vietnam under other programs, however.

Daisy-Heddon division of Victor Comptometer Corp., Rogers, Ark., has sent cap pistols, toy rifles and gun holster sets to individual servicemen to give to children in their areas "almost since the first Christmas U.S. servicemen spent in Vietnam." This year it increased its contribution to 1,000 items, 200 more than in 1966.

Catholic Relief Services will distribute nearly 2,000 abandoned Barbie dolls traded in by their young American owners on a newer, twistier model.

Hundreds of other toys will be distributed by servicemen.

Pfc. Mike Voorhees saw the children in the village of Xuam Ho and wrote home to Tonka Corp. at Mound, Minn., which sent off 125 steel trucks.

"What you have done has brought smiles and happiness over the faces of 125 children," Voorhees wrote back.

A&M's Payroll Continues To Grow

COLLEGE STATION, Tex. (AP) — Texas A&M University's economic impact on the Bryan-College Station community now excees $57 million, a university survey indicates. The University Fiscal Office revealed a $34 million payroll for 4,941 university system employes living in the Bryan-College Station area.

An increase of 1,353 students and 100 faculty members over last fall is comparable to a giant industry moving into the community, officials noted.

Junior Editors Quiz on FARM ANIMALS

QUESTION: *What is the difference between a pig and a hog?*

* * * *

ANSWER: People often use *pig* and *hog* interchangeably. Pigs, hogs or swine are descended from the European wild hog and belong to an animal group known by the Latin name of suidae; they are the genus *Sus* and the species *scrofa*. Hogs (generally the preferred name) are very important farm animals, giving us ham, bacon, sausage, pork chops and other by-products. Hogs are cleaner and smarter than most people realize— they rank as the ninth most intelligent animal. The word hog, although a general term for these animals, usually refers to an adult, one which is ready for the market. Pig is the word generally used for a hog less than ten weeks old. A male hog is called a boar, a female a sow. The sow farrows when she gives birth to a litter of little pigs. After a little pig has been weaned from taking his mother's milk, he is called a shote.

San Diego State will put its No. 1 Associated Press small college ranking on the line Dec. 9 in the Camellia Bowl at Sacramento, Calif., when the Aztecs take on high-powered San Francisco State.

Quarterback Bob "Holy" Toledo, whose credentials show 45 touchdown passes this season and more than 3,500 yards gained in the air, leads San Francisco State. The Gators are tops in the nation in total offense and passing and second in scoring.

The nation's individual scoring leader, halfback Bert Nye, will be in the Tangerine Bowl Dec. 16 at Orlando, Fla., where his West Chester State, Pa., team will probably meet tenth-ranked Morgan State.

West Chester has a 10-0 record and the Lambert Cup, symbolic of the best college division team in the East.

Morgan State is 8-0 this season and has won 26 games in a row.

Also in the running for the Tangerine Bowl are Temple, Pa., 7-2, and Northeastern, Mass., 7-1.

Second-rated North Dakota State already has a bid to the Pecan Bowl Dec. 16 at Abilene, Tex. The Associated Press was told by a reliable source that the other spot will go to Texas-Arlington, ranked sixth with a 9-1 record.

The Grantland Rice Bowl, set for Dec. 9 in Murfreesboro, Tenn., won't be completed until Friday. However, Eastern Kentucky, No. 3, has been chosen with a 7-1-2 record. Eastern's only loss was in the season opener to Dayton, a major opponent. Split end Aaron Marsh has caught 70 passes for nine touchdowns, including 19 passes in one game for 316 yards.

If Tennessee-Martin wins Thanksgiving, it more than likely will be chosen for the Grantland game. Ball State of Indiana, 7-2, also is in contention.

All four bowl games are sponsored by the National Collegiate Athletic Association.

Semifinalists in the National Association of Intercollegiate Athletics Champion Bowl include four undefeated clubs: Northern Michigan at Fairmont State of West Virginia and Eastern Washington State at New Mexico Highlands.

Both games are scheduled for Saturday with the winners meeting on the home field of one of the finalists Dec. 9 in the Champion Bowl.

William Jewell of Liberty, Mo., meets Doane, Neb., Saturday in the Mineral Water Bowl at Excelsior Springs, Mo. Doane, 9-0, will put its 18-game victory string on the line against Jewell's 10-0 mark.

In a revised format on the West Coast, West Texas State, 7-3, plays San Fernando Valley State College, 6-3, in the Junior Rose Bowl Dec. 2 in Pasadena's famed stadium.

Previously the Junior Rose Bowl had been a postseason game between the best junior college in the West and an Eastern representative.

Pistons Pop Seattle

BY THE ASSOCIATED PRESS

Two former University of Seattle stars teamed up in the closing seconds, and the chances of the Seattle SuperSonics for a second straight National Basketball Association victory over Detroit went boom.

John Tresvant took a pass from Eddie Miles and scored with 34 seconds left Monday night to give Detroit a 118-114 lead. Miles, who finished with 38 points, than sank two free throws with seven seconds remaining and the Pistons won the game 120-118. Bob Weiss led Seattle with 27.

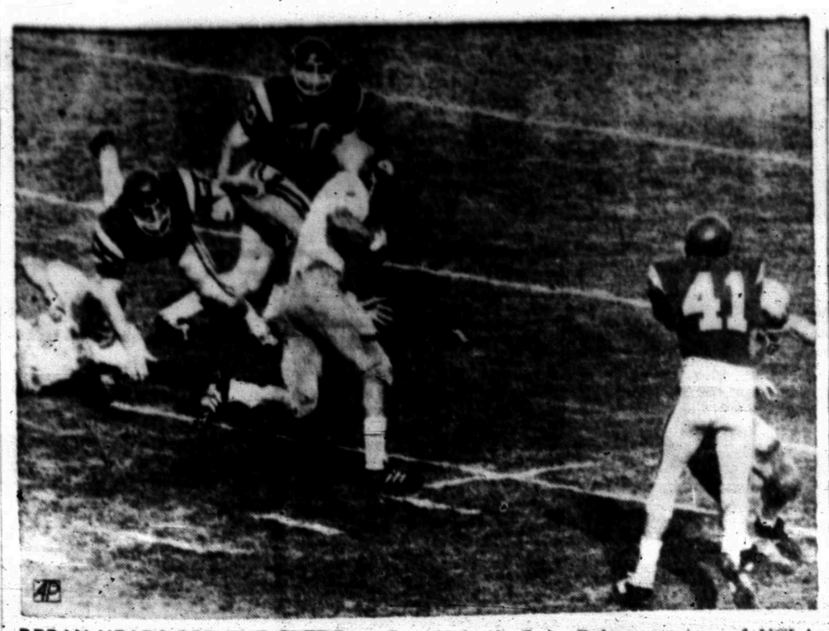
There was no other NBA action.

In the only American Basketball Association games, Houston beat Kentucky 102-90 and Oakland topped Minnesota 116-110.

Art Becker scored 25 points to lead Houston, which drew away after Kentucky had rallied to within four points early in the fourth quarter. Darrell Carrier paced Kentucky with 21.

LaVern Tart scored 23 of his 25 points in the second half and sparked Oakland past Minnesota. Minnesota was led by Les Hunter with 25.

Through the first nine months of 1967, Kathy Whitworth was the only gal pro golfer to win more than three tournaments. She won seven and $28,117 in purses.



BEBAN HEADS FOR THE CLEAR — Quarterback Gary Beban, center, of UCLA breaks into running room against Southern California in game at Los Angeles. Play went for 11 yards in first quarter. Trojans Edge Vols In Next To Last Poll

By BEN OLAN
Associated Press Sports Writer

Tennessee gets a last chance to dislodge Southern California from first place in The Associated Press' major-college football poll Saturday and an overwhelming victory by the Volunteers probably couldn't come at a more opportune time.

A decisive triumph by the Volunteers over a relatively weak Kentucky Wildcat team could play a large part in the final balloting for the national championship.

Southern Cal completed its regular campaign by defeating UCLA 21-20 last Saturday. Tennessee has two games remaining, against Kentucky (2-7) Saturday and against Vanderbilt (2-5-1) the following week.

The final poll will be taken after this Saturday's games and announced next Tuesday.

In the latest vote by a national panel of 47 sports writers and broadcasters, USC collected 21 votes for first-place and 432 points. Tennessee received 15 votes for the top position and 410 points on a basis of 10 points for a first-place vote, 9 for second etc.

Kentucky lost its first six games, then beat West Virginia 22-7 and Vanderbilt 12-7 before bowing to Florida 28-12 last Saturday.

Tennessee boosted its record to 7-1 the past weekend by downing Mississippi, 20-7. The Vols lost only to UCLA in the season opener for both teams.

Purdue remained a solid third in the latest poll, drawing 380 points, including 90 for nine first-place votes. The Boilermakers (8-1) beat Michigan State 21-7 last weekend.

UCLA, the leader a week ago, changed positions with Southern Cal in slipping to the No. 4 spot. Oklahoma, a 14-10 winner over Kansas, advanced two places to fifth.

Notre Dame, the defending national titleholder, climbed from ninth to sixth after routing Georgia Tech, 36-3. Wyoming is seventh followed in order by Oregon State, Alabama and Houston, the latter two teams replacing Indiana and North Carolina State in the rankings.

The Hoosiers were beaten by Minnesota 33-7 while North Carolina State lost to Clemson, 14-6.

In addition to Southern California, Wyoming and Oregon State also have completed their regular campaigns.

Purdue, UCLA, Notre Dame and Houston close out their seasons this weekend. The Boilermakers oppose Indiana, the Bruins take on Syracuse, the Irish meet Miami, Fla. and Houston plays Tulsa.

Oklahoma meets Nebraska this Saturday and ends it Dec. 2 against Oklahoma State. Alabama is idle this Saturday and concludes against Auburn on Dec. 2.

The Top Ten, with first place votes in parentheses and points on a 10-9-8-etc. basis:

1.	Sou California (21)	432
2.	Tennessee (15)	410
3.	Purdue (9)	380
4.	UCLA	329
5.	Oklahoma (1)	218
6.	Notre Dame	181
7.	Wyoming (1)	179
8.	Oregon State	141
9.	Alabama	85
10.	Houston	46

Crimson Tide In Cotton Classic

By RON RAPOPORT
Associated Press Sports Writer

"It is mighty nice," said Tennessee Coach Doug Dickey, "to be wanted at a time like this."

The top postseason college football bowl games began taking shape Monday, the first day bids could be extended under NCAA rules.

Dickey's once-beaten Volunteers, rated second in the country, will meet Oklahoma, No. 5, in the Orange Bowl in Miami, Fla., the night of January 1.

"We're looking forward to the game," said Sooner Coach Chuck Fairbanks. "It's the one my boys wanted. But we've still got two tough games left."

Oklahoma can clinch the Big Eight title by beating Nebraska Thanksgiving Day and then Oklahoma State. Tennessee can wrap up the Southeastern Conference title with victories over Kentucky and Vanderbilt.

Alabama accepted a bid to meet the Southwest Conference champion in the Cotton Bowl Jan. 1 in Dallas. Bear Bryant's ninth-rated Crimson Tide is 7-1-1. If Texas A&M wins its traditional contest with Texas Thursday, the Aggies would be the host club.

Texas, Texas Tech and Texas Christian also still have a chance to go to the bowl. It will be the third appearance in the Dallas game for Alabama, which beat A&M 29-21 in 1942 and lost to Rice 28-6 in 1954.

Wyoming, the last of the major unbeaten college teams, will meet Louisiana State in the Sugar Bowl in New Orleans, La. The Cowboys, 10-0, are rated seventh in the latest poll. LSU is 5-3-1.

The news of the bid was warmly received in Laramie, Wyo., where students, players, the university president and even the governor showed their excitement. Some 10,000 residents of the state are expected to make the trip.

Southern California, of course, will be the host team in the Rose Bowl. The Trojans assured themselves of the Pacific 8 title with its 21-20 victory over UCLA. Indiana and Minnesota still are in contention for the Big Ten spot.

Indiana can go to the bowl if it beats Purdue or if it ties Purdue and Minnesota loses to winless Wisconsin. If both lost Indiana goes. The Hoosiers have never been to the Rose Bowl.

Colorado accepted a Bluebonnet Bowl bid for Houston on Dec. 23. The runner-up in the Southwest Conference could be the opposing team as could Georgia, which has also been sounded out by the Liberty Bowl, to be played in Memphis, Tenn., Dec. 16.

Buffs In Bowl Game

BY THE ASSOCIATED PRESS

Texas already has three teams in bowl games and another may make it Thursday.

West Texas State Monday was picked to play San Fernando Valley State College in the Junior Rose Bowl at Pasadena Dec. 2. West Texas wound up the season last week and is 7-3 for this year.

Thursday Texas A&M can win its way into the Cotton Bowl if it beats or ties Texas at College Station. Alabama is the visiting team in the Cotton Bowl.

Two Texas junior college teams are in bowls. Henderson County, champion of the Texas Junior College Federation, will appear in the National Junior College Bowl at Las Vegas, Nev., Dec. 9. An opponent has not yet been named.

Cisco, which finished second in the Federation race, goes to Roswell, N.M., the same day to play New Mexico Military Institute in the Junior College Wool Bowl.

'Horn Runners Finish First

AUSTIN, Tex. (AP) — Brian Woolsey led Texas to the Southwest Conference cross-country championship Monday.

Woolsey's time was 14:23 as he came in first, beating out Walter Reyna of Baylor by eight seconds.

Freddy Cooper of Texas was third, Jim Morrison of Arkansas fourth and George Coon of Texas Tech fifth.

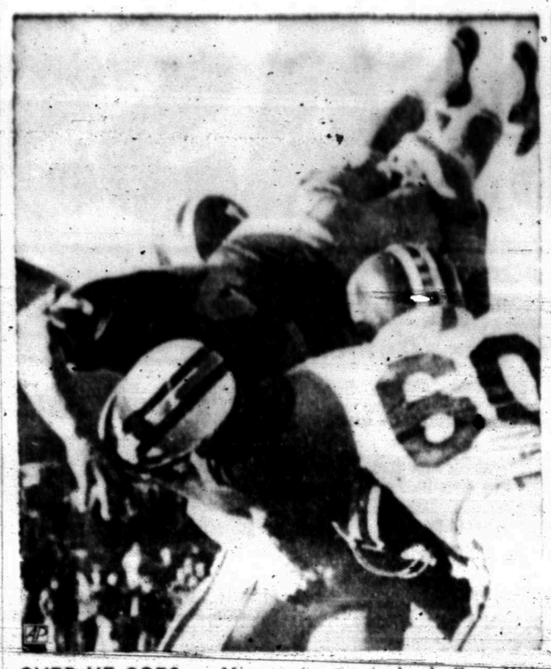
Texas got 44 points. Texas Tech was second with 61, defending champion Arkansas next with 67, Texas A&M fourth with 97, Baylor fifth with 106 and Southern Methodist sixth with 185.

Angel Joins Astros

HOUSTON (AP) — The Houston Astros announced Monday night they have acquired shortstop Hector Torres from the California Angels.

Torres, 22, was acquired to complete a deal that sent pitcher Jim Weaver from the Astros' Oklahoma City farm club to the Angels last summer.

Torres, a native of Monterrey, Mexico, played with Seattle in the Pacific Coast League the past two seasons and was among the top three in fielding both years. He batted .214 in 1967 and .249 in 1966. He collected 14 doubles, seven triples, four home runs and knocked in 39 runs in 139 games last year.



OVER HE GOES — Minnesota quarterback Curt Wilson leaps over the shoulders of Indiana's Jerry Grecco (60) and Brown Marks, rear, for Minnesota's go-ahead touchdown in third quarter in Minneapolis. Wilson scored from the one-yard line. Minnesota downed previously unbeaten Indiana, 33-7. (AP Wirephoto)

Dunbar Champs, Tigers Share 3rd

Snyder's Tigers share third place in the District 3-AAA race this season with Brownfield. Both teams finished the loop with identical 4-3 records.

Lubbock Dunbar replaces Littlefield as reigning champions, and the Panthers will tangle with Brownwood, winners of District 4-AAA, at 2 p.m. Thursday in Sweetwater in bi-district. The Panthers won the crown in their first year in 3-AAA competition. They didn't have a single loss in district tussles and finished the campaign with an 8-2 mark.

Runnerup in the district race is the tough Sweetwater Mustangs. With eight offensive starters returning off a 7-3 squad (6-1 in district), Sweetwater will be a team to be reckoned with next season.

Lamesa, Littlefield and Levelland share fifth place with 2-5 records while Lake View, one of the pre-season choices to win the crown, came in last with a 1-6 record.

Next season, there will be 11 teams in District 3-AAA with each team playing a 10-game district schedule. New members joining the loop are Colorado City, Lubbock Estacado and Slaton.

Final standings:

LAST WEEK'S RESULTS — Snyder 7, Dunbar 14; Sweetwater 22, Lamesa 7; Levelland 23, Brownfield 6; Lake View 33, Littlefield 27.

THIS WEEK'S SCHEDULE — Dunbar vs. Brownwood at 2 p.m. Thursday in Sweetwater. (bi-district).

"Football may be a game of inches, but soccer still is a game of feet," says Michigan State soccer coach Gene Kenney.

Panthers Overlooked?

DALLAS (AP) — The Dallas News poll of Texas schoolboy football has labeled Abilene Cooper, Odessa Ector, Daingerfield and Seagraves the championship teams of the year.

Daingerfield, No. 1 in Class AA, and Seagraves, with a similar rating in Class A, already are mixed in the state race. Each won its opening round game last week.

The Dallas News carried the final poll on Classes AAAA and AAA Monday with Cooper getting unanimous support for No. 1 in AAAA and Ector lacking only two votes in AAA. Seguin and El Campo each got one.

The final poll

Class AAAA—Abilene Cooper, Longview, Dallas Adams, Alice, Austin Reagan, Houston Bellaire, Richardson, Odessa Permian, San Antonio Brackenridge, Texas City.

Class AAA—Odessa Ector, Seguin, Brownwood, Dumas, McKinney, El Campo, Wichita Falls Hirschi, Galveston Central, Athens, Palestine.

The Iceman Returneth?

TORONTO (AP) — Frank Mahovlich returned to Maple Leaf Gardens Monday for the first time since he was admitted to a hospital Nov. 2 and Dr. Hugh Smythe said the right winger may be skating again with the Toronto Maple Leafs next week.

The National Hockey League star was hospitalized with what doctors termed acute depression and tension, but for the last week has been skating in secret at a private club.

America's Largest Selling Cigar

We're going to sell 12 months' worth of Fords in 10 months ...and here are 4 ways we're going to do it!

1. LTD and XL priced lower than last year! We did it by changing what comes as standard equipment . . . and made it even easier to get what you want. Now LTD comes with a bigger V-8-302 cu. in.; XL has a 240-cu. in. Six and a choice of 5 V-8's. Last year you could choose V-8's only. On LTD and XL, 3-speed manual transmission is standard, instead of SelectShift Cruise-O-Matic—now optional. Vinyl roof on 2-door LTD's and Comfort-Stream Ventilation are optional this year. Choose them now only if you want them. And hidden headlamps, strong die-cast grille are all standard for '68.

2. Fastbacks priced the same as hardtops! Take your choice of full-sized or intermediate models, with no extra charge for fastback styling. See the handsome Torino GT Fastback with the luxury ride of a 116-in. wheelbase (longer than 38 competing intermediate models). Choice of bucket seats or full-width seats for six.

3. Wagons in three sizes—all available with Ford's two-way Magic Doorgate! Only Ford offers so wide a choice—and only Ford offers its Magic Doorgate with every model. It opens down for cargo—opens out for passengers—and it's only one of the many better ideas that make Ford first in wagon sales.

4. Mustang—the one car on the road you can't mistake for any other! The only one to offer you wall-to-wall carpeting, bucket seats, floor-mounted stick shift, functional hood louvers with turn indicators, and sport steering wheel—all standard. And only Mustang makes it happen at such an economical price! No wonder it's America's favorite sporty car.

FORD ...has a better idea.

$250 MILLION FOR CARE OF AGED

Funds Voted For Hospitals

By JOE HALL
Associated Press Writer

WASHINGTON (AP) — The Senate has voted to provide an extra $250 million a year in federal funds to hospitals in payments for their elderly medicare patients and to require states to provide welfare for families with unemployed fathers.

The two provisions were tacked on to the omnibus Social Security bill Monday during the fourth day of Senate floor debate.

The measure remained before senators today as Democratic Leader Mike Mansfield pressed for final Senate action by Wednesday.

Many important amendments remain to be considered.

Republican leaders announced they would make a major effort today to substitute the House version of Social Security cash benefits and taxes for the Senate Finance Committee's proposed schedules.

The committee voted for substantially larger monthly payments than the House as well as for bigger payroll taxes.

A bipartisan group of 15 senators said they plan to push amendments to the welfare sections of the bill designed to remove what they term coercive provisions which might force mothers on welfare to work.

The amendment to boost medicare payments to hospitals, sponsored by Sen. Jack Miller, R-Iowa, and adopted by voice vote, would make it possible to reimburse them on a per diem costs basis.

Social Security administration experts said this would boost payments by $250 million a year since it would mean averaging of costs over all classes of patients.

Elderly patients generally cost less than younger ones, they said, and up to now the administration has insisted on limiting reimbursement closely to the costs for the specific old persons involved.

Sen. Fred R. Harris, D-Okla., offered the amendment to require all states to put into effect by mid-1969 programs to provide welfare aid to families with dependent children and jobless fathers. It was adopted 39 to 36.

Under present law states are not required to include unemployed fathers in welfare assistance programs and only 22 do so.

Harris said this meant many fathers were leaving their families just to make them eligible for the Aid to Dependent Children program.

The cost of Harris' amendment was estimated at $60 million in federal funds plus $30 million to $35 million in state money.

Three senators from the two largest states, Sens. Thomas H. Kuchel, R-Calif., Jacob K. Javits, R-N.Y., and Robert F. Kennedy, D-N.Y., failed in a bid to soften a cutback in federal medicaid funds written into both the House and Senate Finance Committee bills.

Medicaid covers health care for medically indigent persons who are not on welfare but have incomes too low to cover their medical costs. It is separate from medicare.

The three senators said the proposed new restrictions would force either vast new expenditures or sharp program cutbacks in states which have tried to help many low-income families through medicaid. But their amendment to loosen the curbs failed 47 to 25.

Attack Fatal To Wife Of Kefauver

WASHINGTON (AP) — Nancy Kefauver, 56, widow of Tennessee Sen. Estes Kefauver and a State Department art adviser, collapsed at a formal Washington dinner and died in a hotel room Monday night.

She had been carried from the Mayflower Hotel's grand ballroom only a short time before President Johnson, a longtime friend of the Kefauvers, arrived to make a dinner speech. A police coroner said her death was due to "heart failure."

Johnson apparently was unaware Mrs. Kefauver had died in a seventh floor room as he paid tribute to the dinner's guest of honor, Senate Republican Leader Everett M. Dirksen.

The dinner, attended by more than 500, was an annual award event of the Veterans of the Office of Strategic Services (OSS). Mrs. Kefauver attended with a cousin of her late husband, Malcolm Fooshee, a New York attorney.

Fooshee said Mrs. Kefauver "didn't seem to be herself" at the dinner.

Fooshee and friends carried Mrs. Kefauver to his hotel room after she slumped forward at the banquet table. An ambulance with oxygen and two doctors were summoned, but resuscitation efforts failed.

Mrs. Kefauver, vivacious and red-haired, was once a familiar figure in politics, campaigning for years with her tall Tennessee husband, who won five terms in the House, three in the Senate and ran in 1956 as vice presidential candidate on the unsuccessful Democratic ticket with Adlai Stevenson.

Kefauver called her "my secret weapon."

When Kefauver died in 1963 at the age of 60, friends and constituents urged Mrs. Kefauver to run for her husband's unexpired Senate term. She declined.

Drilco Merges With Smith Industries

MIDLAND, Tex. (AP) — A merger of Smith Industries International, Inc. of Whittier, Calif., and Drilco Oil Tools, Inc., of Midland was approved Monday by shareholders of both firms.

Smith Industries will be the surviving company in the merger, effective Dec. 31. Drilco shareholders will exchange their shares on a one for one basis for Smith common stock. Smith shareholders also approved a 2 for 1 stock split effective one day before the merger.

Win Race For Life Of Child

JASPER, Tex. (AP) — Sheriff's deputies and state patrolmen, driving at speeds topping 100 miles per hour, won a 145-mile race with death today by shuttling diphtheria to a gravely ill child.

Dr. Lee Popejoy requested the serum Monday night, and ace officers relayed it from Galveston's John Sealy Hospital to Jasper in Southeast Texas in one hour and 45 minutes.

A nurse at Dickerson Memorial Hospital here said the antitoxin was administered quickly and "we believe the little girl is going to be all right."

The patient is a 3-year-old girl from the Weirgate community near Jasper. The hospital withheld her name.

Traveling on roads slick from drizzling rain, Deputy Sheriff L. E. Hubbard of Jasper drove the last 75 miles from Beaumont in 45 minutes, arriving at 1:45 a.m.

Dr. Tim Covington, pharmacy resident at the Galveston hospital, packed two vials of the diptheria serum in ice at the telephoned request of Dr. Popejoy in Jasper.

City police hustled the lifesaving antitoxin aboard a midnight ferry from the east end of Galveston Island to Port Bolivar on the mainland.

Then, in succession, Galveston sheriff's officers relayed it to the county line at the Texas 124 bridge north of High Island, Chambers County deputies hurried the serum to Winnie and state patrolmen dashed to meet Hubbard in Beaumont. On the final run to Jasper, Hubbard was accompanied by Mike Hubbard, a college student.

Seven Reservoirs Now Are Full

AUSTIN (AP) — Two Texas test wells recorded all-time low water levels in October, but seven of the state's reservoirs reached 100 per cent conservation storage capacity.

The water development board reported Monday that Lake Corpus Christi, Tawakoni, Palestine, Lavon, Navarro Mills, Texarkana and Falcon Reservoir made the 100 per cent mark.

Test wells at El Paso and Plainview hit all-time lows, and a new October low was reached in the test well near Alief, Harris County.

Plane Owner Just Wants Boys Back

HOLLYWOOD, Fla. (AP) — The owner of a plane which was hijacked at gunpoint and flown to Havana says, "The Cubans can have the plane...as long as I get my two boys back."

The pilot, J.V. Raymond, 35, of Pompano Beach radioed that a passenger pulled a gun on him Monday over South Florida.

"There is a man aboard with a gun and he intends to take this plane to Havana...and that's exactly what he's going to do," Raymond told the Federal Aviation Agency in Miami.

He described the hijacker as Russian but George Nesmith, owner of the Crescent Air Ta... Service plane, said the man's nationality was not determined.

Monday night a spokesman for the Swiss Embassy in Havana said Raymond and the copilot, Jeff White, 22, of Miami, were unharmed and probably would return to the United States today. Earlier Havana Radio had announced that White, who got out of the U.S. Coast Guard three weeks ago, and Raymond would be released as soon as the necessary paper work was completed.

The newscast, monitored in Miami, made no mention of the incident until almost six hours after the plane touched down in Cuba.

Cuban security cars and a van came on the runway as the Piper Apache 23 landed after the two-hour flight.

"We probably shake the boys and the plane down real good," said Nesmith.

Two fighter jets armed with air-to-air missiles flew from Homestead Air Force Base and caught up with the plane when the hijack message was received but backed off when the hijacker took the radio and warned he would kill White and Raymond if the F104 interceptors were not called off.

The thin blond passenger, between 25 and 30 years old, gave his name as Felix S. Mariasy when he rented the plane. He was picked up in a helicopter in Miami, flown to Hollywood and was supposedly debarking on a trip to Bimini when he pulled the gun. He had told Nesmith he wanted to go to Bimini to pick up his wife.

Sleek Soviet Liner Makes US Debut

By VERN HAUGLAND
AP Aviation Writer

WASHINGTON (AP) — A sleek Soviet jet liner has star billing at Dulles International Airport as it undergoes a series of tests aimed at clearing the way for nonstop Moscow to New York air service.

The Aeroflot IL62 touched down at Dulles Monday night and in the floodlit, televised confusion, four newsmen got a sneak preview of the inside of the craft from six pretty Soviet stewardesses.

They said they found the air stale—apparently due to a non-operating ventilating system — but otherwise the interior of the plane appeared to measure up to standards of most American passenger jets.

In the terminal, Dimitry I. Petrov, inspector general of Soviet civil aviation, described the visit as "the first step for the beginning of direct communicaton between Moscow and New York."

The flight, Petrov said, brings the Soviet and American capitals to within 11 hours of each other.

Aeroflot and Pan American Airways have applied to the two governments for clearance to begin the direct air service. The two governments have completed negotiations for opening the two routes except for final operating details.

Pan American is sending a team of technicians to Moscow in December to obtain Soviet clearance on the 707-321B which it plans to use on the route.

No visitors were to have boarded the plane until today but in the confusion of arrival the reporters found their way unbarred and their welcome friendly.

The IL62 is designed to carry up to 186 passengers in all-economy class seating. On Monday's flight it was set up with 90 seats in the rear tourist section and 32 first-class seats forward. The sections were separated by a large galley.

Petrov said the plane was 175 feet long and cruises at 560 miles an hour. It has four fan jet engines beneath its tall tail, far to the rear of its swept-back wings. Its take-off weight is reported to be 347,225 pounds and it is capable of ranging up to 5,700 miles with a 50,700-pound payload while flying at altitudes up to 42,600 feet.

Outlook Gloomy For Automakers

By KIT KINCADE
Associated Press Writer

DETROIT (AP) — Britain's devaluation of the pound has further clouded the already hazy profit picture for the British subsidiaries of American automakers.

With tighter consumer credit in Britain already threatening auto sales there, automakers will now have to increase their export sales of British - made cars to make up for the money that will be lost in converting ths devalued pound to the American dollar, an industry source said.

"The over-all outlook isn't that rosy," the source said.

All the Big Three firms have subsidiaries in Britain and other countries. General Motors makes Vauxhall's in Britain. Ford of Britain makes Anglias Cortinas, Zephyrs and Zephyr Zodiacs. Chrysler owns 77 per cent of Rootes Motor Co. in England.

The immediate effect of the pound devaluation, making it worth $2.40 rather than $2.80, is to cut the price of all British export goods by about 14 per cent.

This will give the Big Three's British subsidiaries an edge in competing on the world market.

A source indicated the cut could put British subsidiaries in a better position against Germany's Volkswagen, the No. 1 foreign seller in the United States.

He said the four-door Ford Cortina, a "middle- of-the-line English car," sold for $1,943 in New York before the currency cut. The car will now sell for about $1,666 in New York. "This is now cheaper than the Volkswagen," he added.

The problem is how many more cars can the British firms sell now that they are cheaper than non-British competitors on the world market.

Can they sell enough to make up for the loss they will take in transferring pounds to U.S. dollars and for the sales they may lose in Britain?

"Profits may well be down," the source said.

Creditors To Divide Estes Estate

EL PASO (AP) — Bankruptcy referee Malcolm McGregor Monday gave approval to an agreement splitting $775,000 between the federal government and creditors of Billie Sol Estes bankrupt estate.

The agreement will see $635,000 from the Commodity Credit Corp. and another $140,000 from Stuyvesant Insurance Co., go in half to the goverment. The rest was earmarked for Commercial Solvents Corp. in connection with West Texas grain storage operations.

McGregor said he hopes to bring an end to administrative expenses in the case by the last of the year.

U. S. Dist. Court Judge Ernest Guinn approved last week a government claim for $19 million in back taxes against Estes. He made no ruling on another $3 million IRS claim.

The estate will not be closed until final settlement is made of a $5 million note to trustee Harry Moore by American Grain Corp. which purchased the Estes assets.

Estes is in Sandstone, Minn., prison where he is serving a 15-year federal sentence.
