Kitty's Korner

By Kitty Montgomery

I enjoyed the flower show last week and while the ladies were distressed that some flowers had already bloomed and some had yet to bloom, they were lucky all in all. It hailed that night and while it didn't do a lot of damage, it tore through the petals of blooming flowers. At least it did at my house.

I was so distressed by the hail, I guess I didn't notice the rain, but according to the official gauge at the Water District Office .30 of an inch fell during the brief storm. I believe that's the first bit of moisture we have had this year, but my memory is not what it used to be.

kk
I came across a cute article the other day as I was rearranging the mess on my desk. Don't even remember where it came from at the moment, but thought you might enjoy it. It's entitled "Fifteen Things You Need To Be A Successful Rancher and Cowboy"

1. Wide brim hat, pair of \$20 boots (from the discount store) and tight Levi's.

2. Two head of cattle (preferably one male and one female).

3. New pickup with automatic transmission, power brakes, power steering, air conditioning, radio and stereo tape deck for listening to western music.

4. One gun rack for pickup, big enough to hold rope and whip.

5. Two registered Leopard dogs to carry in back of pickup.

6. A \$40 horse and a \$250 saddle.

7. Gooseneck trailer, small enough to park in front of cafe.

8. Land for pasturing cattle.

9. Three cedar posts, one roll barbed wire and bale of hay to haul in new pickup.

10. Credit at local bank, credit at feed store and a gasoline credit card.

11. Spurs to wear at ball-games.

12. Soft cushion to sit on at the auction.

13. Large knife to whittle with at the auction.

14. Good friends to feed dogs and livestock while you are in Colorado deer hunting.

15. Wife with good job. Don't know who sits around and makes these things up, evidently this one came from the brain of someone who knew quite a little bit about modern day ranching.

kk
Time flies and the Little League season is almost upon us. As usual, they are finding adult helpers hard to come by. I have never really understood this problem. Each team carries a roster of fifteen players, which makes a total of 45 boys on the four teams. I imagine most of the boys have fathers, but if only half of them had fathers and only half of the fathers were willing to help out, it would furnish the four teams with plenty of adult coaches.

Guess they all prefer grandstand coaching. That way they can get in a lot of practice before football season starts and they go at it in a big way.

kk
Our congratulations to the winning Lion Track Team. May they do every bit as well or better at the State Meet in Austin next week.

Both relay teams have run faster in each meet through the year, and the boys going to state in individual events have consistently improved, so maybe we'll come up with a state winner.

If not there is always next year. There are very few graduating tracksters this year.

kk
Thought for the week (for anyone who might need it):

"The best way to forget about your own problem is to help someone else with his."

THE BUILDING OF A SUPER HIGHWAY - The cameraman caught this blast in a spectacular photo as work progresses on the section of IS 10 which will bring the coast-to-coast highway nearer the city of Ozona. The clearing of the right-of-way began in late March for approximately five more miles of the highway in Crockett County. A section east of town from Taylor Box

Road to the Sutton County line has been finished and in use for two years. The above work is being done west of Ozona and when completed the finished edge will be .8 of a mile west of State Highway 163, and south of downtown Ozona by about three city blocks. The clearing and fencing of the right of way has progressed rapidly. (Jesse Segars Photo)

Crockett County To Get HD Agent July 1

County Judge Troy Williams and Mrs. Roberta Johnson, District Agent with the Texas Agricultural Extension Service, jointly announce the appointment of Miss Debra Gentry as Crockett County Home Demonstration Agent with the Texas Agricultural Extension Service, jointly announce the appointment of Miss Debra Gentry as Crockett County Home Demonstration Agent, effective July 1, 1972. Miss Gentry will report to Fort Stockton as Extension Assistant May 1 for two months of intensified work prior to her appointment in Ozona.

A native of Brown County, Miss Gentry is the daughter of Mr. and Mrs. D. S. Gentry of Brownwood. She graduated from Brownwood High School, attended Tarleton State College and received a B.S. degree in home economics education from Texas Tech in 1970. She has most recently been employed by the Nevada Extension Service as an associate agent with the Expanded Nutrition Program in Las Vegas.

Miss Gentry was a 5-year 4-H member in Brown County and an outstanding FHA member, holding all offices in her FHA Chapter and completing her state degree.

MISS DEBRA GENTRY
...New HD Agent...

Absentee Voting To End May 2nd

May 2 is the final day to cast an absentee ballot for the May 6 primary. Eligible voters are urged to vote absentee if they plan to be out of town on election day.

Registered voters may cast absentee ballots any week day at the county clerk's office.

Trail Marker Dedication Highlights History Week

Crockett County History Appreciation Week closed with a program at the civic center Friday night to dedicate the Ozona-Comstock Stage historical marker.

Mrs. R. A. Harrell, chairman of the Crockett County Historical Survey Committee, introduced the program.

Mrs. Joe Clayton, marker chairman, interviewed Mrs. Steve Coose and Mrs. Rufe Everett, who were both closely related to the early stage line.

Mrs. Everett's husband drove the stage at one time. Both her husband's family, the Everetts, and her family, the Patricks, were pioneers in the county and both families were connected with the stage line.

Mrs. Coose, the former Medina Taylor, daughter of G. F. Taylor, grew up in the then thriving town of Juno and remembered well seeing the stage in operation. She said the hacks were two-seated with side curtains which could be let down when cold or raining.

Mrs. Marshall Montgomery gave some interesting facts about the stage told by her mother, Mrs. Paul Pernier, the former Elizabeth Odum. Mrs. Pernier rode the stage back and forth between Ozona and San Antonio four times a year to continue school after she finished the 10 grades offered in

the Ozona school.

R. A. Harrell dedicated the marker which will be placed on the Ozona-Comstock highway, about 20 miles south of Ozona on Highway 163. The remains of the old stage stand will be east a short distance from the marker on the Harrell ranch.

The inscription on the marker is as follows:

Funeral Service Here Tuesday For Mrs. McMullan

Funeral services for Mrs. Ashby (Alice Henderson) McMullan were held Tuesday afternoon from the Ozona United Methodist Church with Rev. John Berkley, pastor, officiating. Burial was in Cedar Hill Cemetery under the direction of Jones Funeral Home.

Mrs. McMullan, 61, died early Monday morning in Morningside Manor in San Antonio after a lengthy illness. She was born in Ozona November 22, 1910, the daughter of Crockett County ranching pioneers Mr. and Mrs. Lee Henderson. She was married to Ashby McMullan in San Angelo November 25, 1929.

Mrs. McMullan graduated from Westmoreland High School in San Antonio and attended Penn Hall College in Chambers, Pa., before enrolling in Southern Methodist University in Dallas.

Following her marriage, she and her husband moved to their ranch near Big Lake where they lived until 1946 when they moved to Ozona. She was active in school affairs during the years her sons were in school and was a past president of the Ozona PTA. She was also a past president of the Ozona Golf Association. Following the death of her husband in 1957, she operated the ranch holdings in Crockett and Reagan counties. She was active in the ranching business until her final illness.

Survivors include three sons, Dr. James A. McMullan and Ronnie McMullan, both of San Antonio, and Joe McMullan of Corpus Christi; two sisters, Mrs. Jack Wilkins of Ozona and Mrs. Jean Scheuber of San Angelo, and six grandchildren.

Lions Win Regional Track Meet; Eight Contestants Go To State

The Ozona Lions won the Regional Class AA Track championship Saturday in Odessa in a one-point victory over second place Floydada.

Led to victory by their two first place relay teams, the Lions scored 56 points for the win. Floydada was second with 55. Hamlin came in third with 44, and Tahoka had 42 for the fourth place.

Eight Lion qualifiers and

two alternates will be in Austin for the State track meet May 5 and 6. The 440-relay team of Cheo Vargas, Timmy Evans, David Sewell and Gerald Huff with alternate Pete Maldonado, plus David Sewell for the 120 high hurdles, Mike Wellman for the 330 intermediate hurdles and the mile relay team of Ricky Crawford, Oliver Payne, Timmy Evans, Gerald Huff and Rick Hunnicutt as alternate.

The Lion 440 relay team took first place at regional, tying the regional record set by Stamford in 1971, with a time of 42.9, and breaking the Ozona school record. The 42.9 is among the top 20 times in the state for all classes.

In the 880 run, Randy Crawford ran fifth in his heat in the preliminaries Friday with a time of 2:06.1, but only the fastest four in each heat went on to the finals.

David Sewell placed second in the 120 high hurdles with a time of 15 flat, his fastest of the year.

Mike Wellman came in second in the intermediate hurdles with a time of 40.4 and ran a good race in spite of the handicap of drawing the outside lane.

Rick Hunnicutt had the fourth best time of the meet in the intermediate hurdles, but did not qualify for the finals since only the first two in each heat qualify.

The mile relay team took first place with a 3:24.5, only 1.5 seconds off the regional record, and set a school record. They broke the old

(continued on last page)

Special Sermon Series At First Baptist Church

Rev. Gene Welch, pastor of the First Baptist Church, has extended a welcome to the public to attend the sermons on Bible prophecy, both morning and evening for the next four Sundays.

Rev. Welch will be discussing the various events described in the Bible as the last days. Each sermon will be on a different section of the prophecy. Those attending will be given an outline of the sermon with scripture at each service.

Annual Lions Club Broom Sale Saturday

The Ozona Lions Club will conduct their annual broom sale Saturday, April 29. The Lions will conduct an all-out drive to sell quality items made by the blind to local residents and businesses. Abe Morris, chairman of the sale, announced the date early this week.

All articles for sale are manufactured by blind workers in the Lighthouses for the Blind which are located throughout Texas. The local club's proceeds from the sale will be used for their many worthwhile community betterment projects.

The entire membership of

the club has been organized to supply friends and neighbors with quality merchandise delivered to their homes. Every household can use some type of cleaning aid and every item sold helps some blind person to help himself. Morris reminded Ozonans,

The Caravan Truck and all products will be on display at the shopping center Saturday.

Sales of blind-made products held by the Ozona Lions Club in previous years have been most successful and Lion Morris expressed his confidence in another successful sale this year.

ARTISTIC DIVISION - First Award goes to Celia West for her arrangement of dried zinnias and driftwood. Little Amy Jones, daughter of Mr. and Mrs. Johnny Jones, seems a little puzzled by the whole thing. Amy and her mother were among the viewing public when the show opened at 4 p.m. to admit guests. The occasion was the 14th Annual Flower Show, sponsored by the Ozona Garden Club at the Civic Center Thursday.

HORTICULTURE ABUNDANCE at the Annual Ozona Garden Club Flower show held Thursday at the Civic Center. Mrs. Bob Childress and Mrs. Jeffery Sutton and son view some of the specimens during the hours the show was open to the public. The display above holds specimens of peonies, lilies, amaryllis and tulips off with the old familiar larkspur.

FULBRIGHT HOLDS ENEMY WILL WIN

Senator J. William Fulbright was quoted by The New York Times' radio station, WOXR, on April 9 as saying that he disagreed with Gen. Creighton W. Abrams that the North Vietnamese offensive in South Vietnam would prove "disastrous" to the enemy. The chairman of the Senate Foreign Relations Committee must, therefore, believe that the Communist foes of the South Vietnamese and the United States will succeed in overrunning the Saigon Government and blotting out freedom in South Vietnam.

This position of Mr. Fulbright is hardly different from many another he has taken on matters involving the Communists. His view that the United States' effort to help halt the Communist drive is a "re-escalation" of the Vietnam War happens to be precisely the same as that of an editorial in The New York Times of April 9. The re-escalation of the war is exactly what the Communist North Vietnamese are doing, but in the strange upside-down language of Senator Fulbright and The Times it is the United States, not the Communists, who are guilty.

This is pretty sticky, even from sources so well established as Leftists as these. We believe the country as a whole is satisfied with the effort of President Nixon to wind down the war without disaster to South Vietnam or the foreign policy structure of the United States. The left-wing views presented here, however, suggest that nothing less than a disaster both for South Vietnam and the United States will be accepted by the defeatists.

CONGRESS SHOULD KILL THIS ONE!

No matter how much power is concentrated in the Federal Government in Washington, there are always those who want to give it even more power. This time a small but very vocal "super-consumer" lobby in the nation's capital is pressuring Congress to establish a "Consumer Protection Agency." The legislation is now in the Senate Government Operations Committee. The measure would establish a new government bureau (yes, another one!) with sweeping authority that makes the powers of the FBI, the CIA, the IRS and the Treasury Department seem pale by comparison—in a country that has, up to now, avoided becoming a police state.

If this seems an exaggeration, hear this: under the proposed "Consumer Protection Agency" measure, the head of the new bureau (with the innocuous title of "Consumer Advocate") would be granted:

—authority to intervene as a full-fledged party in all formal proceedings of existing government regulatory agencies;

—sweeping subpoena powers that would enable him to force other government agencies to turn confidential files over to him;

—similar power to force information from private individuals and companies;

—unlimited authority to release such information (whether true, or proven, or not) at his whim and will;

—authority to take any existing agency to court as a full party to a case, whether or not he had participated in previous proceedings;

—and much more.

Great pressure is being brought upon members of the Congress and Senate by aggressive lobbyists for the "super-consumer" movement. Representatives are being told that to vote for a strong bill will count them as "pro-consumer"; to vote against it, or to vote to limit the Consumer Advocate's authority, will mark him as "anti-consumer." And members of Congress, faced with the prospect of having to vote on the "protection agency" bill on the eve of the election, when millions of consumers will go to the polls to elect a new Congress, could very well be panicked into passing the measure.

Passage of the proposed "Consumer Protection Agency" bill would constitute a dangerous breakdown of the American idea of limited, restricted government. Consumer "protection" is fine — but as for a Super Spy agency, this we can do without.

MYRIAD BENEFITS

SPACE IN OUR FUTURE

The proposed U.S. space station provides the key to myriad benefits to mankind, his earth and his environment.

Vast areas of the world can be mapped precisely and efficiently for the first time. Space photography will evaluate the distribution, health and vigor of vegetation, the extent and relative depth of snow cover, and the relative moisture content of the soil.

This provides the land manager with an immediate reading on the effects of his management practices on the farm, range or resort. It will help the forest rangers in the maintenance and preservation of our national parks.

The space station will unfold the mysteries of the 70 percent of the earth's surface covered by water. From space, marine biology, mineralization and coastal disturbances are readily identifiable. Changes in current patterns and water temperature will be recorded.

Natural disasters such as landslides, earthquakes and volcanic eruptions might be determined in time for the triggering of safety measures.

The space shuttle program will also revitalize employment within space-related industries, and will generate new discoveries of benefit to all mankind.

Notes From a Newcomer

This is the second in a series of letters to The Stockman from a newcomer of Ozona who appreciates the good things he sees in the town and is burning with a desire to point them out to those who have lived here longer. He has asked that we withhold his name. May his tribe increase.

OZONA, CITY OF BEAUTIFUL CHURCHES

What's your Denomination?

Baptist? We have two Baptist Churches. First Baptist, Historic location where Ozona was born with the drilling of the first water well in 1891. Melodious bells chime from four-square tower. Spacious colonial brick building with character and simplicity. Calvary Baptist. Spanking clean, spanking neat white and grey masonry building on manicured grounds. Lovely colorful stained glass windows.

Lutheran? An elegant modern building. Steeply gabled roof, stone front with massive mounted cross, illuminated at night. An architectural gem.

Methodist. Traditional architecture in tan brick. Tall graceful steeple surmounted by a simple cross. Massive buttresses, the only buttresses in Ozona, I believe. Lofty cathedral windows.

Church of Christ? Perfectly maintained gray stone building with the look of permanence. Massive, spectacular, hospitable main entrance. Handsome wrought iron columns and hand rails.

Catholic? Architecture is traditional Spanish. Two louvered towers, luxuriant shrubbery growing clear to the eaves. Magnificent, hand carved double entrance doors. "Our Lady of Perpetual Help."

Beautiful churches. Devout people. There's nowhere to go but to church on Sunday. We like it that way. For ourselves and our young people.

Ozona, City of Beautiful Churches.

My kind of town. What's your kind of town?

LETTERS to The Editor

Voice of another Newcomer:

I, being a newcomer to Ozona since last November, was impressed by the Notes from a Newcomer in the April 20 Stockman, and I heartily agree with him. The weather here in Ozona is wonderful, but the reason I chose to retire here is the friendliness of the Ozona people.

I have lived in many places and for many years. Even at the beginning of my residence here I was "Not as a stranger," rather as one of long standing in the community.

The Newcomer

In the brief time I have lived here I have made many acquaintances and several solid friends as well.

Some of which I have recently been obligated to call upon as such, and it is a fact that their friendship to me means everything, so to the wonderful weather and the beauty of the city, I would like to add the most friendly people I have even been privileged to know. I say to anyone, it is a wonderful place in which to live.

Another Newcomer, W. Guy Pipes

Several members of the Ozona Woman's League were in San Antonio over the weekend for the club's annual trip.

Washington News Letter

By Congressman O. C. Fisher

Signs of pro-communist, anti-U.S., sentiment surfaced in the Washington area recently, following American resistance to the brutal North Vietnamese mass invasion of the Republic of South Vietnam.

More than 20 pro-commie youths visited the Soviet Embassy here, brazenly called on the Russians to "Avenge Hanoi and Haiphong" and "Send more missiles to shoot down more U.S. Planes."

In suburban College Park, home of Maryland University, 300 demonstrators screamed anti-American slogans, burned an American flag, and forced the Maryland Governor to call out the National Guard to restore order.

About the same time, a resolution was adopted by a caucus of House Democrats which condemned U.S. bomber interference with movement of supplies to support the advancing Communist invasion.

Meanwhile, the warlords of Hanoi and Moscow assessed the vast damage wrought by the surprise B-52 bombing of large supply dumps around Haiphong, which has been unloaded by Soviet freighters. And they had to reckon with reports, believed fairly accurate, of some 7,000 invaders killed, with only 85,000 U.S.

forces remaining in Vietnam (including only 8,000 combat troops), and in view of anti-military sentiment being heard from presidential candidates and others, the enemy evidently concluded it was time to strike.

To protect American lives and protect the Vietnamization program, and in retaliation against the illegal invasion across the neutral DMZ, President Nixon wisely called for the bombing of enemy troop concentrations and vast supply lines. It follows that if the invasion is defeated, U.S. lives will be saved and chances for meaningful negotiations for a settlement including release of American prisoners, will be greatly enhanced.

My Neighbors

"Why, Jerry, the way you act in class I had no idea your parents were normal human beings."

Mrs. James Dockery was in Odessa for the regional tennis tournament Friday.

"I'll Veto Any Bill that Does Not Have a Public Hearing"

"The practice of passing legislation without public hearing is purely undemocratic. We've got to put an end to it. When I am governor, no bill will get my signature on it until it has been fully considered in a regular public hearing." People are not likely to participate in government, as they should, as long as there is a government that doesn't have their confidence and trust. I'm concerned about a restoration of confidence in government, so that we can have good public participation."

Annual Ozona FFA Parent-Son Banquet Tonight

The Ozona FFA annual parent and son banquet will be held tonight, April 27, at the Civic Center. Parents, high school teachers, board members and others will be special guests of the Ozona Chapter.

Presentation of Chapter Furrmen and Greenhand Award will highlight the evening's activities. The leadership and judging teams will be presented as well as several special awards. Vocational Ag. instructor Jim Leach will make the presentations.

The Junior Chapter Conducting Team will present two honorary memberships to local citizens who have contributed their time and effort to the work of the organization.

Chapter officers who will be in charge of the banquet are Chuck Watson, president; Joe Jenkins, vice-president; Rocky Crawford, secretary; Gary Mitchell, treasurer; Dan Davidson, reporter; and Rick Webster, sentinel.

OZONA TENNIS TEAM, 1972 - These youngsters hosted the first Ozona Invitational Tennis Tournament in many years and had a very successful season for themselves, participating in and winning several tournaments during the season, plus sending the girls doubles team of Christy Davidson and Stacy Dockery to the

Regional finals. They are, front row, l. to r., Pat Sanker, Kay McMillan, Christy Davidson, Stacy Dockery, Debbie Deaton, Lida Tillman, Mary Jo Hayes. Boys are, l. to r., Jeff Stuart, Allen Wright, Forest Henderson, Billy Turland, Bill Gilke, Gerald Olson, and Coach Ted Cotton. (Don Ingram Photo)

Sorority News

The annual Founder's Day Banquet for Beta Sigma Phi was held here by the Alpha Alpha Mu Chapter Monday night at the El Sombrero Cafe.

Hostesses for the annual affair were Mrs. Jim Williams and Mrs. John Richey. A brief history of the founding of the sorority which celebrated its 40th anniversary this year was read by Mrs. Jim Williams. Mrs. Jimmie Lott read highlights of activities of the local chapter during the year.

New officers were installed by out-going president Mrs. Jay Berry. Officers are as follows: Mrs. Jim Williams, president; Mrs. Jimmie Lott, vice president; Mrs. Tony Allen, recording secretary; Mrs. Berry, extension officer; Mrs. Bob Wallace, corresponding secretary; Mrs. John Richey, treasurer.

Perfect attendance awards were presented to Mrs. Berry, Mrs. Tom Sanders, Mrs. Al Schmidt, Mrs. Jimmie Lott, Mrs. John Richey and Mrs. Robin Ponder. Awards went to Mrs. Charles Spicker for Progress of the Year, and Mrs. Charles Huffman for Pledge of the Year.

The most outstanding award of the evening was presented to Mrs. Jimmie Lott, that of Girl of the Year.

Following the program a surprise bridal shower was given for Miss Linda Rader. Others present were Mrs. R. B. Babbitt, Mrs. Lloyd Beard, Mrs. Jack Bentley, Mrs. Joe Boy Chapman, Mrs. Eddie Hale, Mrs. Floyd Hoke, Mrs. Sonny Killion, Mrs. Jim Leach, Mrs. Terry McPherson, Mrs. Drex Vincent, Mrs. Jimmy Weant, and Mrs. Tommy Wilson.

Tripoli Field Gains Extension

Crockett County gained a confiner and location for an outpost.

The Tripoli multipay field of Crockett County gained its fourth Ellenburger producer and a 2,000-foot south extension to that pay with completion of Humble Oil & Refining Co. No. 2 L.S. Weathered.

seven miles southeast of McCamey, for a daily pumping potential of 180 barrels of 40.8 gravity oil, plus 182 barrels of water, with gas-oil ratio of 200-1.

Production was through perforations at 8,098-492 feet, which had been acidized with 23,000 gallons.

Location is 1,980 feet from the southwest and 660 feet from the southeast lines of 20-36-34-T1C.

The field has one Pennsylvanian well.

Texasco Inc., Midland will drill the No. 4-B.C. E. Davidson, Jr. as a 1,550-foot southwest outpost to 7,890 Pennsylvanian production in the Davidson Ranch multipay field of Crockett County, seven miles southeast of Ozona.

Location is 850 feet from the south and 990 feet from the west lines of 11-K1-GCASF. Contract depth is 4,650 feet.

Contract depth is 4,650 feet. --(P)

NOTICE OF INTENTION TO ENGAGE IN WEATHER MODIFICATION ACTIVITIES

NOTICE IS HEREBY GIVEN, THAT METEOROLOGY RESEARCH, INC., OF 464 WEST WOODBURY ROAD, ALTADENA, CALIF. 91001 (State of Texas Weather Modification License #72-3), intends to engage in an operation to change or attempt to change

by artificial methods the natural development of any and all atmospheric cloud forms or precipitation forms which occur in the troposphere, for and on behalf of Texas Water Development Board located at P. O. Box 13087, Austin, Texas 78711, and will conduct a program of weather modification involving research, development, and associated investigations in atmospheric water resources

leading to application of practical procedures for beneficially managing precipitation in Texas and other Southern Plains and Gulf States areas as follows:

1. Area in which equipment will be operated: In the vicinity of San Angelo, Texas, within the area bounded by Ballinger westward along State Highway 158 to the west boundary of Glasscock County; thence southward to the southwest corner of Reagan County; thence southeastward to the southeast corner of Crockett County; thence eastward to the southeast corner of Sutton County; thence northeast to Brady, and along Highway 283 to the Colorado River; thence northwest along the river to Ballinger. The area includes portions of the counties of Runnels, Coke, Sterling, Glasscock, Reagan, Irion, Tom Green, Concho, McCulloch, Menard, Schleicher, Crockett and Sutton.

2. The primary target area will be: Concho River Drainage.

3. The areas adjacent to target area which may be subject to effects of the operation are: Those lying within 25 miles of the operating area described above.

4. The materials and methods to be used in conducting the operation are: A ground network consisting of rain-gauges, a weather radar, and a radioonde set for taking upper-level atmospheric measurements; a cloud seeding aircraft equipped with pyrotechnic racks and silver iodide flares for below-cloud seeding, and a dispenser for seeding small quantities of hygroscopic materials below smaller clouds; and additional instrumented research

aircraft for making meteorological measurements in clouds. The operation will extend during the period beginning about 1 June 1972 and ending about 1 August 1972.

Individuals who consider that their interests will be adversely affected by the operation proposed in this Notice of Intention may communicate their objections for consideration to:

Governor Preston Smith serves.

For you,

- Preston Smith stopped the Sales Tax on food, medicine, and farm equipment.
- Preston Smith stopped an increase in the gasoline tax.
- Preston Smith rejected an unnecessary personal income tax.

For Texas,

- Preston Smith helped provide more funds for industrial development than any two governors before him.
- Preston Smith helped establish more new state colleges and universities than all previous governors combined.
- Preston Smith initiated the first comprehensive program to fight drug abuse in Texas.
- Preston Smith helped develop the most progressive salary schedule for teachers in the nation.

Re-elect

Governor

Preston Smith

and help him keep your taxes down.

(Pol. Adv. Pd. By--Committee to Re-elect Preston Smith, Mackey Smith, Chairman.)

PLEASE

Return Your Rendition Blank

To This Office Not Later Than

April 30th

You should have received your rendition blanks through the mail. You need to list property not listed, sign and return. Please do so as soon as possible.

If you have made any improvements or additions to your property please list such improvements or additions with the cost of same so that we can figure your taxes correctly.

Tips For Gardeners

From the
Ozona Garden Club
By
Mrs. Bailey Post

After another year of untimely weather disturbances, and a hair-line miss of a hail storm only hours after the close of our fourteenth annual flower show. We feel it was worth the effort and work involved.

As always, the best horticulture available at the time is shown, and there is fun and plenty of conversation over the many arrangements in the various classes in the design division. Both traditional and new modern trends were presented to please all likes and dislikes, which makes it more interesting to all.

During the fourteen years of our shows, my husband says we have really guessed the best date only once. I'm not sure of the correct date, but it was one of the first, when we were having the show in the Methodist Church Fellowship Hall, and there were so many roses, peonies and irises, we hardly had room to place them.

Of course, these three plants give an almost perfect show if at their peak of bloom, but the last few years it has either been too late or too early for one or the other or the hail and freezes damage them.

The challenge is to show the best we have at the time set, for it would be impossible to guess that date nearly a year in advance when the program and yearbook is set up.

We do want to thank all who helped or participated in any way in presenting the show. Now we will be hoping for a perfect date next year. After the hail you may need to do more pruning of broken and damaged branches, leaves and stalks of plants. Too, many plants may have to be replaced.

CARD OF THANKS

We wish to express our sincere gratitude to all those friends who were so helpful and so kind on the occasion of the death of our loved one. We do appreciate all the food, the flowers and the expressions of sympathy. We shall always remember your kindness.

THE NEWS REEL

A re-run of
"The Ozona Story"

as gleaned from the files of
"THE OZONA STOCKMAN"

Thursday, April 29, 1943

29 years ago
A. O. Fields, deputy sheriff in charge of assessment and collection of taxes, warned property owners this week that Friday, April 30, is the deadline for rendering taxes for 1943. Property not rendered for taxation by that date will be placed on the unrendered rolls.

29 years ago
Ozona Cemetery Association will hold its annual meeting for the election of officers Thursday afternoon at the courthouse, Mrs. J. C. Montgomery announced this week.

29 years ago
With one day to go before the deadline, Crockett county yesterday stood approximately \$79,000 short of attaining its designated quota in the Second War Loan drive.

29 years ago
Lee Wilson gave a report on the 129th district Rotary Conference held last week in San Antonio, at the local club's meeting Tuesday.

29 years ago
Cpl. Martin Harvick, who has been stationed at Nichols general hospital at Louisville, Ky., as chief laboratory technician, has been transferred to Fort Bragg, N. C.

29 years ago
Members of the Junior class entertained the 1943 graduating seniors with the annual junior-senior prom Tuesday evening in the "Rose Room" of the Hotel Ozona.

29 years ago
Mrs. Jake Short of Vanderpool spent the weekend here visiting her sisters, Mrs. Scott

Peters and Mrs. Floyd Henderson.

29 years ago
Louise Bean and Barbara White spent the Easter weekend in Waco where they visited Mary Frances Bean, a student at Baylor University.

29 years ago
Jim Dudley, University of Texas student, has returned to his home here to await a call to the U. S. Army.

29 years ago
Miss Catherine Childress was hostess to the Ace Bridge Club Saturday afternoon at her home. Mrs. Larry Albers won high score prize.

Gift Tea For Shirley Stirl

A gift tea honoring Miss Shirley Stirl, bride-elect of Dennis Douglas was held Sunday afternoon at the home of Mrs. R. A. Barfield.

Other hostesses were Mrs. Chester Wilson, Mrs. Raymond Adcock, Mrs. Bud Lou-damy, Mrs. Larry Arledge, Mrs. J. C. Schroeder, Mrs. Charles Farris, Mrs. Anceel Reed, Mrs. Lonnie Van Ness, Mrs. Jeff Owens and Mrs. Roy Coates.

The serving table was laid with a yellow and white lace cloth, centered with an arrangement of yellow and white ranunculus.

Patty Schroeder registered guests.
Out-of-town guests were Mrs. Gary Douglas, Mrs. Walter Stirl and Miss Wilma Stirl.

CARD OF THANKS

I wish to express my deepest thanks to all our wonderful friends for their many acts of kindness during the illness and recent loss of our loved one, Tom J. Cook, Jr. I am very grateful to each one for making our loss more bearable.

Sincerely,
Mrs. Grady Davis

Is now
the time to
buy land?

Acquiring that farm might seem more practical with financing through the Federal Land Bank. Land is easier to pay off when costs are amortized over extra years with a long-term Land Bank Loan. Your total cost of borrowing, too, can be less. Ask us for help: We know land values; we will inspect the property. We will then try to make a loan that meets your exact needs.

OZONA OIL COMPANY

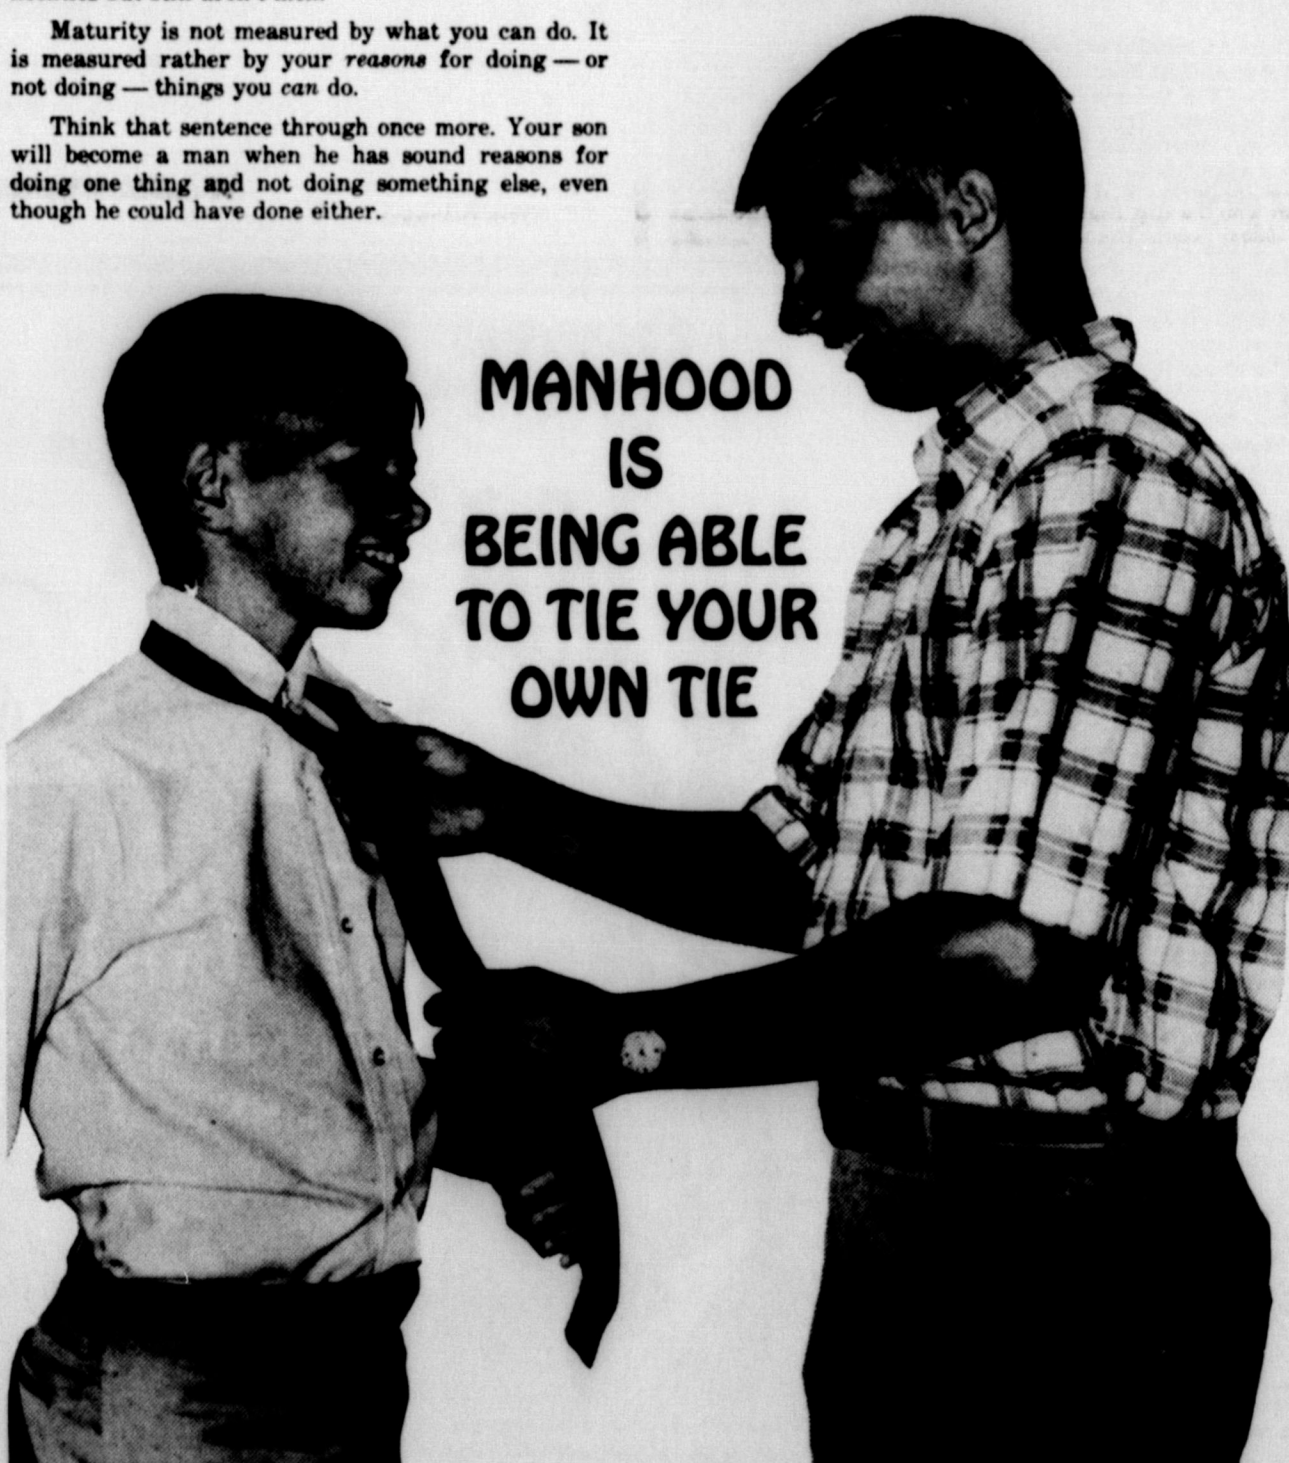

Here is one of those great epigrams of my favorite philosopher — Dad! Or was it Mother? It's hard to remember for sure.

But, anyway, it isn't true. The older I get the more I realize that there are some who can tie their own neckties but still aren't men.

Maturity is not measured by what you can do. It is measured rather by your reasons for doing — or not doing — things you can do.

Think that sentence through once more. Your son will become a man when he has sound reasons for doing one thing and not doing something else, even though he could have done either.

It is in the character-molding and spiritual growth which the Church provides that both youth and adults discover the soundest motivation of life. In worship and religious training we embrace the reasons that will prompt our courageous decisions as Christian men and women.

When's An Issue Not An Issue?

A lot of innuendos, rumors, gossip and perhaps some plain misstatements of facts should be cleared up with the letter from Hospital Board Chairman Joe Couch in this week's letters to the editor column.

The statement has been made, in the manner of a great discovery, that Dr. Carlisle has made application to practice in the Crockett County Hospital--and that he is still not practicing therein. Mr. Couch goes into details of the requirements of the Hospital by-laws for the proper procedure for making such application, making it clear that the hospital administration has done its part and that the matter is still in process and nobody has insulted anybody and nobody has shut the door on anybody else.

If wolf-wolfing the hospital got one man elected to public office, the tired issue is not one today and for the good of the community and the future possibility of adequate medical care for its people, it is to be hoped that those who are charged with responsibility for administering the facility will be left to their task. If the hospital service seems expensive, it is to the credit of an adequately provided tax base and a county administration conscious of the public need in maintaining the service in the face of extreme difficulties.

Mr. Couch points to the fallacy of much of the criticisms being launched in this political year--much should have been pointed out in previous years--and hopefully this issue, such as it is, will be dropped for more fruitful thinking in the public interest. In the final analysis, the hospital, one of the finest small hospitals anywhere in Texas, will serve this community adequately and at an economical rate of administrative cost when adequate and competent medical service is available locally. Mr. Couch has promised adequate screening of doctors seeking to serve here and that will be a main step in launching the search for that service.

Board Chairman Would Clarify Hospital Status

Dear Editor:

I do not especially like to write letters to the newspaper. However, I feel it my duty to do so now.

There have been too many false rumors and false information circulated in our town about the Crockett County Hospital and our doctor situation.

The hospital board has worked hard to provide good facilities for medical attention, yet keep the hospital from being an overbearing financial drag on our community. As for securing doctors, it has been and still is, a never-ending task. We do not intend, however, to take

any doctor into our hospital until he has been investigated and found to practice ethical medicine, and comply with the by-laws of our hospital. I do not believe that the citizens of Ozona would want us to do otherwise.

I have before me a circular with Armando Reina's name at the bottom which states, "I knew on Friday, April 7th, that Dr. Carlisle had submitted his application to the Commissioners Court. On Monday, April 10th, the commissioners had their meeting for the month. They didn't consider his application."

Let me explain this to you. A doctor does not apply to the

HAUNTED HOUSE

Commissioners Court, he applies to the hospital administrator, and from there his application goes through a prescribed procedure. These are not secret rituals, but plain cold facts written out in the by-laws of the Crockett County Hospital. The by-laws, as well as the board meetings, are open to anyone who desires to read them or attend a board meeting. I have before me a letter entitled "A letter to the people of Crockett County" with Armando Reina's name printed at the bottom. In this letter he states "I believe Dr. Carlisle has submitted his application to the medical staff and hospital board as of 4/7/72."

In reply to this I would like the people to know that I received a letter from Dr. Carlisle written to me personally and dated 4/6/72 in which he indicated his desire to become a staff member. I delivered this letter to our hospital administrator, Mr. Edwin Kirklen, and advised him to write Dr. Carlisle and inform him of proper procedure for filing application, which he did. Article VI, Section III, Sub-Section 1 of the by-laws of the Crockett County Hospital indicate that a doctor applying for admittance will make application on the prescribed forms, and supply the prescribed information. This was explained in Mr. Kirklen's letter to Dr. Carlisle as well as telling him that he would be happy to furnish him forms. At the writing of this letter Dr. Carlisle has not made a formal application to the hospital.

It is not my intention to get the hospital mixed up in a campaign fight, but to try to keep it out of one. In my opinion, anyone using the local medical situation for campaigning to the point that it is detrimental to the procuring of doctors or in any way causing unrest in a matter of such importance to all of us, is not really thinking of the good of the people of our community.

Finally, I would like to say, as I have said so many times before, anyone who would like the facts needs only to come to the hospital board meetings or read the by-laws of the hospital - it's that simple.

Joe B. Couch,
Chairman, Crockett County Hospital Board

Notes From a Newcomer

OZONA, THE FRIENDLY PLACE.

Make your first stop at our Chamber of Commerce. I'll guarantee you a warm and friendly reception, which will be a fair sample of the general attitude of people in The Friendly Place. . . You also can get full information here on any of the business or recreational features of our community.

Make your next stop at any of our four restaurants. You will find the waitresses efficient, the food first class, the prices reasonable. In fact, the prices are about the level of the outside world prices of ten years ago. We like 1962 prices and good food.

Get your car gassed and serviced at any of our twelve service stations. The attendants will not be in a rush to get you on your way, not unless they see that you are in a rush. They have time to clean your windshield and to check anything that needs checking on your car. They have time to smile. They have time to be Friendly.

Having made these stops, just drive around our town for a little while with your eyes open. Do you see any parking meters demanding money to let you stop your car? Do you see any demonstrators, waving placards and blocking streets? Do you see any gangs loafing on the corners, with sullen faces and dirty clothes?

I haven't seen any of these things in Ozona. You won't see them either. They don't belong here in

Ozona, The Friendly Place

Our Friendly Place.

Why not Your Friendly Place?

We Believe In Ben Barnes

Ben Barnes has served this state with honor and distinction. We personally know him to be a man of honesty and integrity and we stand proudly behind him without reservation. We deeply resent the attempts at character assassination against him which have marked this campaign and we urge you to reject such tactics resoundingly at the ballot box. Ben Barnes has the qualities of leadership and integrity to make Texas an outstanding governor. Let's give him our overwhelming support on May 6th!

Crawford Martin "provided information which proved valuable in our (Justice Department) investigation" of Frank Sharp.

U.S. ATTORNEY ELDON MAHON

"Martin promised a full investigation in the banking and stock scandals . . . he delivered . . . he worked quietly . . . a more politically minded man could have used the case to make headlines."

HOUSTON CHRONICLE

"The (Sharpstown) investigation was of such scope and magnitude . . . without your help and cooperation it would not have been possible to prosecute these cases . . ."

TRAVIS COUNTY D.A. BOB SMITH

"Crawford Martin has been one of the most active Attorney Generals Texas has ever had. . . He knows the law and is highly respected as a champion of better law enforcement and protection of the consumer against unfair prices and outright fraud."

GALVESTON NEWS

"One of the busiest and most successful defenders of the public interest in Texas government . . . (his) environmental protection division leads the nation in collecting civil penalties from polluters."

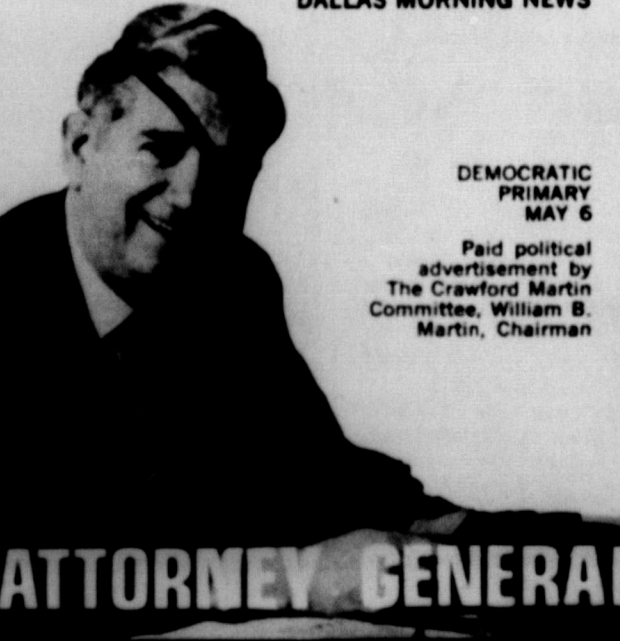

AUSTIN AMERICAN STATESMAN

"A recognized authority on state government, a fine attorney and courageous prosecutor . . . (he) has fulfilled his job to represent the people fairly and without bias."

DALLAS MORNING NEWS
