THE SNYDER DAILY NEWS

VOL. 4, No. 287 — SNYDER, TEXAS, THURSDAY, APRIL 1, 1954 — FOURTEEN PAGES—PRICE 5c

Committee Of Snyder Man Is In Hot Water

AUSTIN — Snyder's state representative, C. F. (Frank) Sentell, presided in a meeting yesterday of a House Committee, in which he made a request to conceal its activity from the public by keeping reports of its activities out of newspapers.

The request to bar from the public the news of its public representatives was made by Sentell after Rep. Bill Daniels of Liberty requested all spectators in the gallery be required to sign their names on a register.

Sharp protests were voiced in the House today, and an apology for group's action was offered by another member of the committee, Rep. Charles Lieck, Jr., of San Antonio.

The Associated Press listed the committee's action as that of the Criminal Jurisprudence Committee.

After the request was made to deny the public its right to know the activities of public business, Sentell stated at the meeting that he could not give the reason for the request to get the names or to keep the action out of the newspapers. Reporters told him it was impossible in such a public hearing to keep such action from the public.

The matters of registration of spectators and of curbing freedom of the press arose in a hearing in which the committee approved a bill outlawing the Communist Party in Texas.

The request came after Daniel had arisen from his chair and said: "I would like to know if any communists or any members of the Communist Party are here today."

Daniel turned to the crowd of about 60 and said loudly: "Are there any of you here today"

One spectator said clearly: "I'd like to say that I'm not a Communist."

Oldtimers at the Capitol could not remember any previous occasion when spectators at a public hearing in a committee were requested to sign their names. Witnesses are required to give their names and to state whom they represent.

A clerk had finished going around the room with the paper to get names and addresses and fully 20 minutes had elapsed when the presiding committee chairman asked reporters not to report what had been done.

Sentell called the committee into executive session at the end of the hearing. He told reporters that Rep. Jim Bob Paxton, Elkhart, regular committee chairman, had requested both the names and the withholding of news of the action by reporters.

Paxton had been presiding when Daniel spoke out but left before the request for names was made. He could not be located last night.

Rep. William H. Kugle Jr., Galveston, said the request for spectators to sign their names amounted to coercion, and Rep. A. D. Downer, Center, called it a "shame and disgrace for us to try to outdo some of the biggest demagogues."

Lieck's speech was touch off today when Rep. Horace Houston Jr., Dallas, made a motion that the bill not be printed. This would have meant House members would not have a copy of the bill before them when it came up for debate.

Lieck and Downer, both members of the Criminal Jurisprudence Committee, said the bill had been given quick approval yesterday "in the interest of time" but with the understanding it would be amended when it reached floor debate.

They said the measure needs considerable revision.

"How can we make a better bill out of it if members don't have a copy before them?" asked Lieck.

Houston said Lieck had "some good points there" and withdrew his motion not to print the bill.

Lieck then took the floor on personal privilege, a maneuver allowing legislators to speak on any subject.

"I want to say first to the press, I apologize for the action of the chairman of the x x x committee," said Lieck.

"I was not a party to it, did not consent to it—for the clerk to go around and get the name of every person there."

New Cambrian Locations In Nolan County

J. D. Wrather, Jr., of Dallas has spotted location for a five-eighth-mile west stepout to production in the EA Cambrian field of Southeast Nolan County. At the same time, the Chicago Corp. has filed application to test the Cambrian at a one-quarter mile south outpost to the North Dora multipay field in Northeast Nolan County.

Wrather's project will be the No. 1 R. R. Petty, 330 feet from south and 2,340 feet from west lines of section 12-Z-T&P, five miles southwest of Nolan. It is to drill to 6,550 feet.

Chicago No. 1-A-C.E. Boyd North Dora field production offset, is to be drilled 330 feet from north and west lines of section 62-20-T&P. That is five miles southwest of Trent. It is a twin well to the same operator's No. 1 Boyd, an Ellenburger producer which had a Cambrian flow before it was completed from the Ellenburger.

The No. 1-A Boyd is to drill to 6,300 feet.

AMENDED APPLICATION

M. L. Mayfield has filed an amended application for drilling on the No. 1 R. H. Jordan in Northwest Scurry County. He proposes to take over operations on the project, now being carried by Superior as the No. 1-599 Jordan, and drill it to 3,600 feet with cable tools. The project is now at total depth of 422 feet.

Superior was issued a drilling permit for the well on March 3. Drillsite is 660 feet from north and east lines of section 599-97-H&TC, four miles northwest of Fluvanna and on a 640-acre lease.

SCURRY COMPLETION

The Texas Co. has completed its No. 7 M. A. Fuller in North Scurry County for a potential of seven barrels of oil with 34 barrels of water. Gas-oil ratio was too small to measure and gravity of the oil was not reported.

The No. 7 Fuller is 330 feet rom south and 990 feet from east lines of section 604-97-H&TC, one-half mile north of Fullerville. Production is from pay topped at 2,276 feet.

Elsewhere in Scurry County, Woodson Oil No. 1 Noel is drilling in dolomite below 5,398 feet. Goodstein No. 1 Browning is drillstem testing from 5,575-603 feet.

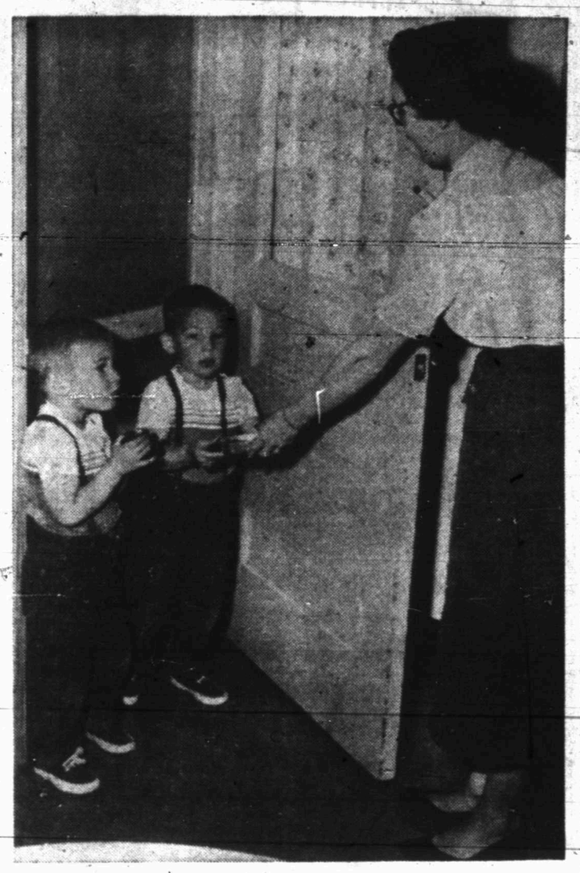

Taylor Oil & Gas No. 2 Winston Brothers is drilling in shale below 5,252 feet. Sun Oil No. 2 J. W. Layne is drilling below 4,715 feet in lime.

BORDEN COUNTY

Texas Crude Oil Co. and others are preparing to set and cement five and one-half-inch casing for production tests at the No. 1-44 A. D. Brown, Southwest Borden County wildcat.

A drillstem test was run in the Pennsylvanian reef from 8,865-912 feet. The tool was open one hour, with gas at the surface in 13 minutes. Recovery was 150 feet of oil and gas-cut mud, 720 feet of oil, 360 feet of salt water-cut oil and 180 feet of salt water. Flowing pressure ranged from 155 to 575 pounds,

(See OIL NEWS, Page 2)

APRIL FOOL, MOMMIE

"We've baked a pie for you, Mommie," was what Larry Hoefer, left, and Barry Hoefer, twin sons of Mr. and Mrs. F. G. Hoefer, 3723 Avenue U, called to their mother as they came in the back door this morning. However, Mrs. Hoefer suspected trickery when she saw their black hands. "Its a mud pie, April Fool," they said.

Reds Say Geneva Is To Be 'Big 5' Meet

MOSCOW (AP)—The Kremlin branded as "entirely baseless" today claims by U.S. Secretary of State Dulles that he had gotten Soviet Foreign Minister Molotov to agree the coming Geneva conference with Red China would not be a Big Five meeting.

A Soviet foreign ministry statement said Dulles had, in fact, agreed at the recent conference of Big Four foreign ministers in Berlin that the Peiping representatives would meet on an equal footing with the other great powers in Geneva April 26.

The foreign ministry statement, published in the Soviet Communist Party newspaper Pravda, charged Dulles now is trying to back out of his commitment.

It quoted Dulles' speech before the Overseas Press Club in New York Monday night, in which the American chief diplomat said: "The United States position was made clear at the recent Berlin conference. There, by standing firm, I finally obtained the reluctant agreement by Mr. Molotov that the Geneva conference would not be a 'Big Five Conference'."

Pravda said it had received from the Soviet foreign ministry "an explanation that the statement by Dulles regarding a promise of Mr. Molotov that the Geneva conference will not be a conference of the Big Five 'is entirely baseless.'"

It added the foreign ministry supported its argument by drawing attention to the text of the communique which Molotov, Dulles, British foreign secretary Eden and French foreign minister Bidault issued at Berlin.

It quoted a portion of the communique saying the four foreign ministers:

"Propose that a conference of representatives of the United States, France, the United Kingdom, the U.S.S.R., the Chinese (Communist) People's Republic, the Republic of Korea (South), the People's Democratic Republic of Korea (North) and other countries the armed forces of which participated in the hostilities in Korea and which desire to attend shall meet in Geneva April 26 for the purpose of reaching a peaceful settlement of the Korean question."

Texas Leading Nation In No. Measles Cases

WASHINGTON (AP)—It's a "measles year" this year.

The public health service said today there were 196,481 reported cases up to March 27 compared with 116,319 in the corresponding 1953 period and 286,744 up to this time in 1952.

This year's rate of increase has exceeded that for the corresponding periods of 1952 and 1953, the service said in its weekly communicable disease summary.

Last week 29,969 new cases were listed, compared with a five-year (1949-53) median for the week of 17,575 cases.

Texas led the states in new cases last week with 5,322, New York State had 3,466, California 2,710 and Kentucky 2,699.

The health service said scarlet fever, streptococcal sore throat and whooping cough cases also are running ahead of those reported up to this time last year. There have been 54,469 cases of scarlet fever and streptococcal sore throat reported. The whooping cough total through last week was 12,884 cases, compared with 7,552 up to this time a year ago.

Counsel Found, Clear For Joe's Army Fight

Judge Throws Out Grand Jury In South Texas

ALICE (AP) — Politically tense Duval County was in another uproar today.

A new judge—who came here from clear across the state—discharged the county's incoming grand jury and petit jury panels yesterday along with three jury commissioners who picked them.

Dist. Judge A. S. Broadfoot said the commissioners "did not use due care and diligence in selecting fair and impartial grand and petit jurors." He listed a host of other irregularities.

The jury panels were to have convened April 5.

Duval County, west of here, is the bailiwick of Political Boss George Parr. County affairs have been under state and federal investigation.

The present grand jury has been conducting its own probe of county affairs. It may report today. State Atty. Gen. John Ben Shepperd has charged some of its members are tied too closely to Parr to conduct an impartial probe.

The new grand jury was expected to continue the probe.

Asked when a new jury commission would be selected to pick new grand and petit jury panels, Broadfoot said he wants enough time to investigate "and use proper judicial discretion in choosing fair and impartial men who couldn't be involved in matters made known to me."

Broadfoot came out of retirement from his Bonham home in North Texas to replace Judge C. Woodrow Laughlin. Laughlin was ousted by the State Supreme Court, which acted on a petition by 11 attorneys that he was unfit to serve.

Broadfoot was appointed by Chief Justice J. E. Hickman of the Texas Supreme court.

Broadfoot issued his order after a court of inquiry closed to the press. Shepperd attended the inquiry, and he was still here today.

The inquiry was "into the manner in which the jury commissioners were selected, the manner in which they had served and the kind and character of grand and petit jurors they attempted to select," the judge said.

French Report Attack Easing

HANOI, Indochina (AP) — The French high command announced today the Communist-led Vietminh had slackened their human-wave assaults on the Dien Bien Phu fortress after losing close to 2,000 men in 24 hours of furious battle.

The French Union defenders held grimly to the northeast Indochina plain despite the onslaught of rebel forces in their second major bid to seize Dien Bien Phu at no matter what cost.

A French spokesman at headquarters here said the Vietminh was "taking time out" while they rushed up more ammunition in preparation for a possible renewed infantry charge tonight.

The spokesman said in addition to the 1,350 Vietminh reported killed yesterday in hand-to-hand fighting at the barbed wire barricades and by curtains of artillery fire and record French aerial attacks, the enemy had gathered up several hundred more bodies from the battlefields early today.

Trade Stamp Tax Is Catching Protests

AUSTIN — Sen. Harley Sadler of Abilene, who represents Snyder in the State Senate, said last night that he received 19 telegrams from Snyder protesting a proposed tax on trading stamps.

The flood of telegrams came after news of the tax amendment tacked on the major tax bill passed by the House Tuesday was published yesterday afternoon.

The amendment, sponsored by Rep. W. R. Chambers of May, would levy a 10 per cent gross receipts tax on jobbers who handle trading stamps.

Sadler said that the Snyder telegrams were signed by merchants and clerks (presumably those who give trading stamps with purchases).

The tax would not be on the store which gives stamps, but on the stamp companies, Chambers explained. Exempt are stores who handle their own stamps.

Trading stamps are sold to retailers by the companies, and the retailers in turn give them to their customers, usually one stamp for each 10-cent purchase. The stamps are redeemable for merchandise. The trading stamp plans can cost merchants who religiously give stamps on all purchases some two or three per cent of his gross receipts.

Opponents of trade stamp plans argue that the price of the stamps is passed on to the customers in form of higher prices.

No public hearing was held on the trading stamp tax when it was passed in the House of Representatives before being sent to the Senate. Chambers said a hearing would be had in the Senate, and if testimony showed any defects in the measure he would agree to adjustment. Rep. Joe Kilgore, sponsor of the Governor's major tax bill, agreed to take the amendment without protest after Chambers promised that he would withdraw it if any inequites showed up.

March Rain Is Only .1 Inch

Pessimists still insisting the drouth has not yet broken may be surprised to know we had three times as much moisture in Snyder during March than during February.

The snow of March 4, equivalent to one-tenth of an inch of rain, an improvement of seven - hundredths over the February figure, brought the total so far this year to .43 of an inch.

A drizzle, a mist, and a snow during January amounted to a total of three-tenths for that month.

Last month's precipitation here was the lowest for March since 1950, when no rain fell in March. This year's figure for March changed the average since 1911 from .94 of an inch for this month to .92 of an inch. The average for March is still higher than the average for either January or February, those being .62 and .74. The average for April now stands at 1.98 inches; so perhaps the dim view may brighten somewhat.

Students On Strike

CAIRO, Egypt (AP)—Three thousand students locked themselves inside Cairo University today on a sitdown strike protesting the military government's decision not to call parliamentary elections this summer. Police stood by outside but did not intervene.

Young Demos Seek Approval

AUSTIN (AP)—Texas Young Democrats who met in Mineral Wells last month applied yesterday for a national charter.

J. W. McCormick Jr., Wichita Falls president of the Organization, said the application included endorsement of senior party officials Mrs. Hilda Weinert, Democratic national committeewoman and Wallace Savage of Dallas, chairman of the State Democratic Executive Committee.

WASHINGTON (AP)—The Senate Investigations subcommittee today appointed Samuel P. Sears, a Boston lawyer, as special counsel for its investigation of the charges Sen. McCarthy (R-Wis) and high Army officials have aimed at one another.

Sen. Mundt (R-SD), who will preside at the public and televised hearings, told a news conference he believed the unanimous selection had broken a log jam and would permit start of the inquiry within 10 days.

Mundt said Sears will start work Monday "and I hope the hearings will start the following week."

Mundt said the selection was made by "another unanimous vote, all six members of the committee voting 'aye'" at a closed door session.

Just a few moments earlier, Sen. Kefauver (D-Tenn) had made an unsuccessful move to get the Senate Armed Services Committee to take over the investigation of the whole McCarthy-Army row.

Kefauver made his motion at a closed-door session but not enough senators to do business were present.

Sen. Hendrickson (R-NJ), acting chairman, made this point and Kefauver agreed to a delay until later in the afternoon or until tomorrow forenoon when the committee has another scheduled session.

Kefauver said there had been "a great delay in getting" the inquiry started by the Senate Investigations Committee and that the "people are entitled to have the facts and have the issues clarified."

Sears, a quiet, graying man, stood beside Mundt as the announcement of his selection as special counsel was made.

Mundt gave reporters a statement identifying Sears as a member of the law firm of Brickley, Sears & Cole, 75 Federal St., Boston.

He is 59 years old, born in Quincy, Mass., July 3, 1895.

He was admitted to the bar in 1921 at Boston, and to the federal bar in Massachusetts the following year.

He is a graduate of the Harvard law school.

Sears served as vice chairman of the Judicial Council of Massachusetts from 1944 through 1950.

School Fire That Kills Ten Pupils Investigated

CHEEKTOWAGA, N.Y. (AP) — Three investigations were opened today into a fire that cost the lives of 10 sixth grade pupils and destroyed the frame annex of an elementary school in this heavily-populated Buffalo suburb.

The fire, which flashed through the 100-foot-long building just before the noon recess yesterday, caused injury to 23 other persons, including four 11-year-olds whose burns were considered critical.

The dead included six girls and four boys, all sixth graders. Their charred bodies were found pressed against what was left of a window wall. A few feet away were a doorway and broken windows—avenues of escape the youngsters never found.

CHALLENGE METHODS

Catholics Protest Figures On Number Of Conversions

NEW YORK (AP)—A Roman Catholic editor-priest has challenged the accuracy and scientific standards of a recent Protestant magazine survey indicating that 4,144,366 Catholics were converted to protestanism during the past 10 years.

A spokesman for the Protestant magazine contends the survey was reasonable and authentic.

Criticism of the survey came yesterday from the Rev. Thomas J. M. Burke, religion editor of the Catholic weekly, "America."

In an article, the priest said:

1. The survey by the Protestant interdenominational magazine, "Christian Herald," ignored scientific standards.

2. He challenged the survey's use of the figure 181,000 as the total of American Protestant ministers from which a sampling was taken. "The "Yearbook of American Churches," compiled by the National Council of Churches, Father Burke said, lists 183,899 pastors for Jewish clergymen, he said, would leave a total of only 165,369.

Also, he said, statistics show there were fewer ministers at the start of the 10-year period of the survey.

3. Father Burke said the 2,219 replies received in the survey were "apparently not" gathered by scientifically established methods since the 25,000 questionnaires "were all sent to cities."

The priest said he found no indication that other than urban areas and pastorates were represented.

Rebuttal was offered by Kenneth L. Wilson, managing editor of the "Christian Herald."

Wilson termed the 181,000 a "reasonable figure" since the National Council's yearbrook includes only 196 of the nation's more than 250 denominations.

"A large body of ministers and churches are not included in the yearbook figure," he said. "The 181,000 is not far off and, in fact, is probably on the conservative side."

Even if 150,000 were used as the total, Wilson said, the number of conversions shown would have been about 3½ million. He said the magazine set the total somewhere between two and five million in allowing for possible error in the four-million figure.

Wilson said replies came from both city and smaller areas and a "definite attempt was made to be quite fair in directing the questionnaires into representative Catholic and Protestant areas."

Low Of 28 Degrees

Temperatures fell to a low of 28 degrees last night, the coldest here in several weeks. High yesterday was 55.—Reading at 7:30 o'clock this morning was 34, according to Mrs. D. P. Strayhorn, weather observer.

WEATHER

NORTH CENTRAL TEXAS: Partly cloudy and warmer this afternoon, tonight and Friday.

WEST TEXAS: Generally fair, warmer Friday and in Panhandle, upper South Plains and Pecos Valley eastward this afternoon and tonight.

EAST and SOUTH CENTRAL TEXAS: Partly cloudy and cool this afternoon. Mostly cloudy tonight and Friday with some light rain near the coast. Slightly warmer Friday. Moderate to fresh northeast to east winds on the coast.

Lollar Family Is Taking Over Theater Operations In Snyder

Management of five Snyder movie theaters, three of which are in full-time operation, is now back in the hands of the Lollar family, owners of the theater properties and former operators.

The family includes Mrs. T. L. Lollar, 3001 Avenue U, and Mrs. N. R. Clements, 3005 Avenue U, Mrs. Clements' husband, a former city councilman here, will be general manager of the theaters, Mrs. Lollar said. Dwight Seymour, who has been with the same theaters in the past weeks, will continue as personnel manager over the 30 employes, Mrs. Lollar said. Also being retained on the top staff of the theaters is W. H. Grant, Jr., who has been with the theaters here 20 years.

The theaters have been operated since last summer by Joe Love. They include the Ritz and Palace, both downtown theaters in full-time operation; the Texas, which is now oper on Saturdays and Sundays; the Aztec, open only in cotton harvest seasons for Latin-Americans; and the Starlite, a drive-in theater on the East Highway.

Love is owner of the Trail Drive-in on the Lamesa highway, a theater he built here in 1950. He said he would live in Dallas but would continue operation of the Trail.

Mrs. Lollar and Mrs. Clements announced that within the next few weeks facilities will be installed in the Palace for Cinemascope and stereophonic sound. Cinemascope involves the use of a wide screen and is accompanied by the stereophonic sound, which is designed to give a more realistic touch to movies. The Palace is already equipped for three-dimension movies. They will also install new carpets and drapes in the Palace, Ritz, and Texas, they said.

Mrs. Lollar has been a resident of Snyder since 1920, when the family moved here from Hamlin and bought the Cozy theater, which was located where the Ritz now stands. It was then the only theater in Snyder. Mr. and Mrs. Lollar operated the theater under the name of Cozy at that time. In 1926, they built the Palace. In 1928, Mr. Lollar died, and P. W. Cloud, Mrs. Lollar's nephew, became manager of the theaters.

Mrs. Lollar said movies were still new when she was first in the business. Silent pictures were shown here until sound became a new feature in 1929. The Cozy tried three machines before it finally had one that would operate the sound of the movie properly. Sound was not on the film at that time. The first machine used here was a record, which operators tried to keep synchronized with the film, Mrs. Lollar said, adding that sometimes the sound film were far from being together. The sound gradually developed, however, and now gives no trouble.

The Cozy was renamed the Ritz when it was remodeled in the Lollars' early years here. The Texas was built in 1934, and the Ritz was open then only in the fall. The Ritz was later closed. At about the time the oil boom hit Snyder, the rush caused the Lollar family to begin building. The Starlite was built in 1949, when drive-in theaters were still new to Texas. The Aztec was also built then, and rebuilding began on the Ritz, which opened in 1950. Love leased the theaters that year and continued operation until 1951, when an organization known as Snyder Theatres, Inc., took over operation. That firm continued operation until Love returned here last summer.

During the boom rush, Clements aided the family in operation of the theaters. Mrs. Clements was already well-experienced in theater work. She had begun selling tickets when she was 13 years old, "and sold popcorn before then," she said.

NEW THEATER OPERATORS

Mrs. T. L. Lollar, left, and Mrs. N. R. Clements discuss plans they have for the improvement of their theaters in Snyder. The former operators of five Snyder theaters, they resumed operation today. Joe Love has been operator since last summer. They have announced plans for installation of cinemascope facilities at the Palace. Other theaters they now operate are the Ritz, Texas, Starlight, and Aztec. (Lee Watson photograph)

SLEEPING BEAUTY AWAKENED

Clad in a revealing pale blue nightie and negligee, actress Corinne Calvet is shown as she told newsmen Wednesday that the overdose of sleeping pills she took was "a stupid kind of accident." The blonde French actress was found unconscious in her West Los Angeles, Cal., home and received emergency treatment. She denied she had attempted suicide as police had listed the case.

French Marshal Is Fired By Premier

PARIS (AP)—France's government fired Marshal Alphonse Juin today from the nation's two top military strategy posts. It appeared likely he also would lose his NATO job as commander of land, sea and air forces in central Europe.

The Cabinet ordered the outspoken, 65-year-old marshal removed from his French military posts—adviser to the government on defense strategy and vice president of the National Superior Council for Armed Forces—after he ignored Premier Joseph Laniel's summons to explain his public criticism last weekend of the proposed European Defense Community (EDC).

The firing touched off a furor in France comparable to that in America following then President Truman's dismissal of Gen. Douglas MacArthur. Opponents in Parliament of EDC led the critics of the French government action.

Since the presidency of the National Superior Council is held by President of the Republic Rene Coty, Juin actually was the ranking French military man in questions of strategy.

Paris newspapers agreed the French government, which had nominated Juin for his NATO post, now had no choice except to ask the NATO Council and the Supreme Allied commander in Europe, U. S. Gen. Alfred M. Gruenther, to dismiss him.

A spokesman at SHAPE, Gruenther's headquarters near Paris, said SHAPE has nothing to say on Juin's discharge.

In the French Senate, supporters of Gen. Charles de Gaulle interrupted debate on the national defense budget to protest the discharge.

Laniel had asked Juin to come to his office last night to explain his speech to a reserve officers group last weekend in which he said that EDC was unwieldy and should be replaced by some other arrangement.

After Juin had failed to show up, the Cabinet in an extraordinary session reprimanded him and dismissed him from his two posts for discourtesy and disobedience to the government. He also had ignored a 15-year-old law requiring him to submit to the government in advance any speeches he planned to make.

The action did not affect his rank of marshal, an irrevocable lifetime rank which he himself cannot resign.

Instead of meeting Laniel, Juin went to a reserve officers' dinner in a Paris restaurant and repeated his criticism of EDC.

"To prevent a conspiracy of silence against the country," he declared, "I have forced the issue, fully conscious of my responsibilities. I believe a common-sense solution——a middle - of - the - road solution——can be found for this problem."

Crackdown On Reds Started By Italians

ROME (AP)—Premier Mario Scelba has launched his announced anti-Communist drive with orders for a loyalty check of government employes.

The order, went to members of his Cabinet yesterday. A second directive forbade union "or other" meetings in government offices or by government workers during working hours.

Allergic To Husband

LOS ANGELES (AP)—An allergic wife, Mrs. Rose S. Savenick, 24, won a divorce yesterday on testimony that she developed a rash at the mere sight of her husband Jerome, 30-year-old attorney.

"I became allergic to him," she testified, "because of his abusive, belligerent and offensive treatment. I would break out into a rash all over my face and body. My face became so swollen once that I could hardly see for about three months."

Choking Spell Fatal To 15-Month-Old Girl

CLEVELAND (AP)—Fifteen-month-old Jo Ann Yurick stopped breathing during a choking spell at her home last night. Quickly Dr. Harry Hall slit open her chest with a razor blade and massaged her heart until it started beating again.

The child died later, however, at a hospital despite efforts to revive her with plasma and oxygen.

Davis' Latest Appeal In Mill In High Court

A report from the court of criminal appeals in Austin shows the second motion for rehearing in the appeal of Anderson Davis, Sr., Snyder Negro bootlegger, has been received there.

When the court will act on the motion was not revealed. The high court has two alternatives: to deny the appellant a rehearing thus making his conviction final, or grant the rehearing and further consider his allegations.

Allegations of the defendant, outlined in the motion for rehearing filed by his attorney, Clarence E. McGaw of Snyder, are that Davis was deprived of his constitutional rights by reason that he is a Negro and that there were no Negroes on the jury panel from which a jury was selected at his trial.

In the first motion for rehearing, which was denied recently by the high court, McGaw alleged the absence of any Negro on the jury panel, but he did not state that the defendant himself was a Negro. The court at Austin denied the rehearing, stating that there was nothing in the record to show that even the defendant was a Negro.

This is the fourth action on the single conviction, the second being the appellate court's affirmation of the conviction by the trial court here which assessed the bootlegger a fine of $2,500, plus court cost, which he will be required to pay if the high court now denies the second motion for rehearing. If Davis does not pay the fine and cost, he will be required to serve time in the county jail at one day for each $3.

In the United States there are 1,312,000 broken or disrupted families headed by men and 4,654,000 headed by women.

Before the turn of the century, gasoline usually was called naptha.

The U. S. steel making capacity has increased 32 million tons or 35 per cent since World War II.

About 80 million tons of coke were produced in the United States in 1953.

Most of hearing persons often say their ability to hear is lowered when they are nervous or upset.

HERITAGE DAYS NO. 28

Secretary Of War Joins Texas Army

The weary Texan army reached Groce's Ferry on April 1, ending the long retreat that began at Gonzales on March 13, 1836. Sam Houston declared his force had attained a "secure and effective" position. There the Texans were to remain until April 12, when the retreat was to be resumed.

The march had been completed "with much credit to the exertions of the officers and obedience of the men," the commander reported. His men, however, were exhausted, much of the journey being over trails heavy rains had made virtually impassable.

From the capital at Harrisburg, Col. Thomas J. Rusk took off to join the Texan army. The secretary of war was going to the front.

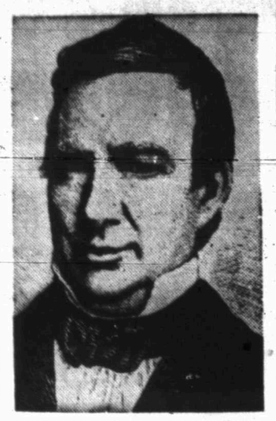

The steamboat Yellow Stone, at Groce's landing, loading cotton, offered an opportunity upon which Houston seized. He "directed her to be taken in charge for the use of the army, in case it should be necessary to descend the river to act upon the enemy."

Major Cook "and a sufficient guard" went aboard the steamer "and she will be detained until her services can safely be dispensed with," the commander advised the government at Harrisburg.

It was no "April Fool" report that "a few cases of measles" were reported in the camp. A hospital was set up on the opposite side of the Brazos, to serve as a detention camp.

Word spread among the Texans that the enemy would not attempt to cross the Brazos, but would seek to fall down and grab possession of the seacoast and its ports. Therefore, orders went to Col. A. Houston and Col. W. D. C. Hall to remove all stores and munitions from Coxe's Point, Matagorda, Velasco, Bell's Landing, and Columbia. The salvage was to be taken to the east end of Galveston Island.

At Groce's Houston planned establishment of "an entire organization of camp duty and discipline . . . and the encampment reformed in order of battle, and camp rule and duty performed. This, in some degree, has been omitted since our march, as it has been in several instances a forced one."

Texan Secretary of War Thomas J. Rusk, above, joined Sam Houston's forces in the field for the march to San Jacinto and independence. Texans honor him for his daring on the field of battle, as a signer of the Declaration of Independence, and as the one responsible for devising the republic's court system.

Strike Stops Atomic Plant

OAK RIDGE, Tenn. (AP)—Approximately 6,500 AFL construction workers observed picket lines today, halting work on two vast atomic plant projects. It was the second general building shutdown here in five months.

The pickets, members of Sheet Metal Workers Local 51, paraded outside the gates to the atomic plant in support of demands for seven cents a mile travel pay from their homes to the project sites and return. A union spokesman said the pickets were "unauthorized" but declined further comment.

The total number idle on the two projects is 7,200.

Last November, construction work by about 6,500 AFL craftsmen was halted for three weeks when the 700 metal workers posted pickets over the same issue. The workers idled in November also refused to cross the lines.

The November strike ended when international union officials asked the metal workers to return.

The two projects involved are a half-billion dollar addition to the uranium separation center, and a top secret job at a nuclear research laboratory.

The number of people who speak the major languages (in millions) is approximately: Chinese (all dialects) 450, English 250, Hindi-Urdu 160, Russian 140, Spanish 110, German 100, Japanese 80, French 75, Malay 60, Bengali 60, Portugese 55, Italian 55, and Arabic 50.

WOMEN

You'll never have such an interesting way to "join the Navy" again! Jeanne Lafaurie's Paris collections are always looked to for fashion news points, and her new collection is only one of the many reflecting Navy-consciousness this spring. This elegant suit pattern has all the swagger one expects from the maritime contingent. The collar is especially important, and was one of the most widely shown in Paris spring showings. The skirt is pleated in one direction, and the pattern gives all the perforations and information for pleating at home. The separate camisole top buttons in back. The suit would be stunning in white linen, pique or worsted with a black or navy camisole. However, the great chic of the costume suggests numerous other fabrics—taffeta, heavy silk, rayon sharkskin or any suiting wool. The color choices, of course, are purely a personal point. Size 12 requires six and three-eighth yards of 36-inch material for the three-piece outfit with short sleeves and one and one-quarter yards of 36-inch material for interfacing. To order the patern, No. S-213, send $1 to International Designers Patterns, P.O. Box 535, Dept. SX-13, G.P.O., New York 1, N.Y. Be sure to state your bust, waist and hip measurements to be sure of getting the correct pattern size.

TODAY'S WOMEN

Girls, Here's How To Get Along With Latin Swains

By DOROTHY ROE
Associated Press Women's Editor

Girls who plan tropical vacations in search of Latin romance should practice up on some old world manners, advises handsome Carlos Pellerano, who handles tourist matters for the Dominican Republic.

Any girl who expects to get to first base with a Latin swain, says Carlos, should observe these rules:

1. Never make a noise like a career woman. The Latin ideal of feminine charm is strictly a clinging vine.

2. Never try to pay your own dinner check, even if it is included in the price of your package tour, if you are dining with a Latin. This is considered a mortal insult by male Dominicans, as well as others.

3. Never wear shorts or slacks on the street. It just isn't done by local nice girls.

5. Practice up on your rhumba. All Latins love to dance.

6. Learn to look helplessly feminine, and you'll always find a courtly swain eager to help.

7. Don't giggle when your Latin beau kisses your hand. This is merely a mark of his deep respect, and corresponds to the American custom of tipping the hat to a lady.

8. Don't be afraid to accept the attentions of a Latin-American beau. You'll find him the soul of chivalry.

9. When on a date with a Latin, don't talk about such subjects as your job or politics. Your escort would rather discuss the length of your eyelashes or the light of the tropical moon.

10. Don't be surprised if your evening ends with a serenade. It's an old Latin custom still observed, and one enjoyed by the gentlemen as well as their ladies. Says Carlos:

"I've been married 13 years, and just the night before I left for the United States I serenaded my wife. She liked it too."

Mr. and Mrs. Jay Barrett and Lester, 2700 Avenue F, were in Sweetwater Sunday to see Mr. Barrett's parents, Mr. and Mrs. John Barrett.

From his satisfied expression, Pete Iverson apparently has Mrs. Iverson at a loss for words at her turn in scrabble. Daughter Linda seems willing to offer suggestions, as she is accustomed to watching her parents play scrabble. (Lee Watson photograph)

SOCIETY SCRIBBLINGS

By VIVIAN KILPATRICK

Gaining in popularity among Snyder young marrieds is a word game called scrabble, which can be described most briefly as conceiving your own cross-word puzzle.

Two enthusiasts of the game are Mr. and Mrs. PETE IVERSON who received their set last Christmas. At first, they played every night, but now they play only once or twice a week, said Mrs. Iverson.

"He always makes the higher score," said his wife, "about 150. I do well to break 100."

Possible scores, it says in the rules are up to 700.

The game is played on a board marked off in squares, some blank, some marked "double word score," and some marked "triple word score."

To begin each player draws seven small squares, or slates, from a supply of 100 turned face down on the table. Each chip has a letter of the alphabet and a number inscribed on it.

The letters are placed on the board to form a word, reading as in a crossword puzzle, horizontally or vertically. The numbers added together make the score for that play. Clear?

As a player depletes his chips, he draws to replace them, and the game ends when all the chips are used and one player is out of chips or further play is impossible. This takes about two hours, according to those who play.

The dictionary is of importance to the game, being the authority on the spelling and the existance of a word, but how are his opponents to be sure he isn't looking for a word instead of checking one? If he looks too long, suspicions are aroused and sometimes friendly arguments ensue.

What makes the game popular? "It's a thought twister," said Mrs. JOHN CASEBIER. "Since playing I have learned new words I didn't know existed." The Casebiers use the dictionary only when a word is challanged by an opponent. If he is right, he gains a turn, if wrong, he loses a turn.

Scrabble sets were unavailable when the Casebiers first learned the game, so Mrs. Casebier and Mrs. JAMES ROSSER spent an afternoon together making their own. They borrowed the Iverson's set as a model and made their scrabble boards from artists' canvas board, drawing the squares with India ink. The chips they had made to order in one-inch squares, and drew the letters and numbers on them.

Mr. and Mrs. Rosser will sometimes begin a game at lunch, she said, and finish at night after he comes home from his work.

Calling on the E. L. ANDERSES last week, Mrs. Rosser found them at the breakfast table with their overnight guests, playing scrabble.

Considering that it took the game's inventor over two years to develop scrabble it does not seem unusual that the game lasts a long time. There are an estimated one million set owners throughout the country, and nine million more players.

Scrabble has its critics, and one is James Amster, a decorator, who designed a luxury set for $850. According to Amster, scrabble is merely a way for intellectual snobs to show off what they know.

Scrabble sets, when available in Snyder, are to retail for eight to ten dollars, said merchants who have them on order.

Meanwhile, there is a game called "Skip - a - Cross," released and authorized by the manufacturers of scrabble, which is the same game by a different name, having cardbaord instead of wooden chips, and selling for $2. These sets are available in Snyder now.

Of late, there have been magazine articles about scrabble and even a book on how to beat your wife at scrabble. This obvious discrimination should be no discouragement to the wife's ambitions to further her own skill.

In her imagination she can substitute the word "wife" for the word "husband," if she cares to read the book. Or, if she sees her husband slipping the book into the house, she can take the book when he is gone and burn it.

Fishing at Possom Kingdom Lake last week end yielded four nice bass and two smaller fish for Mr. and Mrs. O. T. BARTON. They also enjoyed motor boat riding, said Mrs. Barton.

WOMEN'S CALENDAR

THURSDAY

St. Elizabeth's Altar Society, 7:30 p.m., St. Elizabeth's Catholic Church.

FRIDAY

Women's Golf Association, 9:45 a.m., Country Club.

Promenaders Dance, 7:30 p.m., Ballard's.

SATURDAY

Saturday Night Bridge Club, 7:30 p.m., Country Club, Mr. and Mrs. Lyle Galbraith, hosts.

New Officers In Beta Sigma Phi

Mrs. Clois Henry was installed as president of Beta Sigma Phi in ceremonies held Tuesday night. Mrs. Jack Sparks, outgoing president, served as officiant for the installation.

Other new officers installed were Jo Ann Lumpkin, vice president; Elois McDow, recording secretary; Sammie Williams, corresponding secretary, and Evelyn Levisay, treasurer.

Three new members, Gwen Bowen Bobbie Kerley and Peggy Lynch, were given the pledge ritual. Mrs. Henry was given the exemplar degree of the sorority.

Mrs. Carolyn Reon was hostess for the meeting at her home, 2907 Avenue J.

Mrs. Tom Mason, 1501 Avenue K, returned Saturday from Dallas where she spent a week with her son and daughter-in-law, Mr. and Mrs. Ted Ferguson, and their four children. Mrs. Mason also visited her sister, Mrs. Bettye Edwards, at Garland, near Dallas.

Most greenhouses where commercial orchids are grown must be kept very warm, but for some species, the houses must be refrigerated.

Modern whaling methods permit the extraction of 250 barrels of oil from a 90-foot whale.

Helps For Homemakers

Send your questions to "Helps for Homemakers," Snyder Daily News, or call 3-5161.

If you like chicken livers and mushrooms cooked separately, then you will doubly enjoy the combination. To complement this dish, who could ask for more than hot rolls permeated with a parmesan cheese flavor, except, perhaps more rolls?

CHICKEN LIVERS WITH MUSHROOMS

1 slice bacon, cut in small pieces
2 tablespoons butter
1 shallot, chopped, or
½ tablespoon chopped onion
1 pound chicken livers
2 tablespoons flour
1 cup boullion or chicken broth
1 teaspoon lemon juice
¼ cup sliced mushrooms.

Cook bacon and butter five minutes. Remove bacon, add shallot, and fry two minutes. Add livers and cook two minutes. Add flour, boullion or broth, lemon juice, and mushrooms. Cook two minutes. Sprinkle with chopped parsley. Serves four.

PARMESAN DINNER ROLLS

1 package yeast, compressed or dry
¼ cup water (lukewarm for compressed yeast, warm for dry)
½ cup milk
¼ cup sugar
1 teaspoon salt
2 tablespoons shortening
3 cups sifted enriched flour (about)
1 egg
Melted butter or margarine
¼ cup grated parmesan cheese
2 tablespoons enriched bread crumbs
1 teaspoon poppy seeds
Dash celery salt

Soften yeast in water. Scald milk. Add sugar, salt and shortening. Cool to lukewarm. Add flour to make a thick batter. Mix well. Add softened yeast and egg. Beat well. Add enough more flour to make a soft dough. Turn out on lightly floured board or pastry cloth and knead until smooth and satiny. Place in greased bowl. Cover and let rise in warm place until doubled (about one and one-half hours). When light, punch down and let rest 10 minutes. Roll out to rectangle 12 by 18 inches.

Brush with melted butter or margarine and sprinkle with mixture of cheese, bread crumbs, poppy seeds and celery salt. Roll up like jelly roll, sealing edge. Cut into one inch pieces and place, cut side down, in bottom of greased nine-inch round pan. With scissors, cut cross in top of each roll about one half inch deep. Let rise until doubled (about 45 minutes). Bake in moderate oven (350 degrees F.) 25 to 30 minutes. Makes about 18 rolls.

Mr. and Mrs. James Patterson, 319 Twenty - ninth Street, were hosts Saturday to Mr. and Mrs. Paul Claybrook, of Sweetwater, and to Mr. and Mrs. Douglas Claybrook and son, of Albuquerque, over the week end.

Miss Ann Falls, a student at Hardin-Simmons University, visited her parents, Mr. and Mrs. Rea Falls of Ira, last week end.

APRON FROM ONE YARD!

A perfect apron with button-in-the back styling and pouch pockets. Flattering T-panel skirt design will make up well from favorite cottons or yard goods. A wonderful gift — even for yourself! But most important, it can be made from just one yard of fabric!

No. 2099 is cut in one size. Uses only 1 yd. 35-in.

Send 30c for PATTERN with Name Address, Style Number and Size. Address PATTERN BUREAU, Snyder Daily News Box 42, Old Chelsa Station, New York 11, N Y.

Patterns ready to fill orders immediately For special handling of order via first class mail include an extra 5c per pattern.

Mrs. Roy Patterson, 321 Twenty-ninth Street, and Mrs. Tom Mason were in Abilene Sunday to see Mrs. Patterson's sister and brother-in-law, Mr. and Mrs. E. A. Morris.

Religioun Studied At Club Meeting

"Christian Religion" was the program theme for the Cosmorama Club which met Wednesday at the home of Mrs. C. V. Thompson, Jr., Southwest of Snyder.

Mrs. John Boren gave the talk on the Deciples of Christ religion.

Mrs. Alfred Lieb, guest speaker spoke on the Church of Christ religion. She was introduced by Mrs. John Terrel.

The club voted to donate five dollars to the fund for the Nancy Caton magazine cart, the selectons of subscriptions to be made by sponsors of the cart.

Mrs. Renal Rosson, club president, and Mrs. John A. Casebier volunteefed to be delegates for the district meeting at Dalhart this month.

Twenty-one members and one guest, Mrs. Lieb, were present.

Hermleigh Family At Birthday Dinner In Sterling City

Mr. and Mrs. Buell Lewis and son, Clinton, of Hermleigh, attended a birthday dinner given Sunday in Sterling City to honor her brother, Joe Drennan.

The dinner was given at the home of the honoree's brother and sister-in-law, Mr. and Mrs. Charlie Drennan.

Others attending were Mrs. Joe Drennan; Tommy and Lonnie Henry, of Hermleigh; Mr. and Mrs. Jeff Dowell and grandson, David, of San Angelo; Mrs. Eunice Terrell, of San Angelo, and Mr. and Mrs. Charlie Davis, of Sterling City.

WHY PAY MORE THAN $1.69 FOR A REDUCER?

Mrs. J. T. Bullock, Kosse, Texas, wrote us as follows: "I am pleased to recommend your product. When I commenced to take Barcentrate, I weighed 147. I now weigh 128 — a loss of 19 pounds."

Just ask your druggist for four ounces of liquid Barcentrate. Mix with grapefruit juice as directed on bottle. Then take according to directions.

If the very first bottle doesn't show you the sensible way to take off ugly fat, without starvation diet, calorie counting or back-breaking exercises, just return the empty bottle for your money back.

SPORTS

Tigers Beat Rotan 11-5; 3 More Games

The Snyder Tigers made their record 3-2 yesterday when they went wild in the last inning to beat Rotan 11-5.

Speedy Moffett's squad has three games to go this week. Rotan will come here for a 4 o'clock game tomorrow afternoon while Midland will be here Saturday for a double header beginning at 2 o'clock. Originally, Rotan was to come here today and Midland tomorrow, and the Tigers were to go to Midland Saturday. Midland, however, could not come here Friday nor could Snyder go there, since players could not afford to miss much school. So Moffett and the Midland coach matched (by telephone) for the double header, and Moffett won. The Rotan date was then changed to tomorrow.

Alan Snead became a two-game winner yesterday as he took the mound in the sixth inning and pitched a one-hitter for the rest of the game. During that time, Rotan made no runs while Snyder, which had been tied 5-5 by Rotan earlier in the sixth, brought in six runs.

Mert Creswell was starting hurler in the game, pitching for the first time this season. He is the sixth pitcher used by Moffett this season. Creswell went three and one-half innings. The Rotan team got two hits off him, scoring two runs. He walked three, and he struck out the same number. Dwayne Prince, relief pitcher in one earlier game this season, took over in the fourth and walked the first batter to bring in one of Creswell's runs. He then fanned a batter, and the next was put out on his way to first on a throw from Tommy Pritchard to Jimmie Rodgers. In the fifth frame, Prince walked one, and another got on base on Rodgers' error. Those two made it home while the Snyder team was getting the second and third outs. Prince fanned the first two batters in the sixth, then he hit the next batter for a walk, and the next got on base on Pritchard's error. Snead then took the mound. He walked the first batter, and the second made first on an error and brought in one run.

Snead gave up two hits in the seventh, but the first runner was put out by Don McNew at third on throw from Rodgers. The next batter hit to Snead, who threw to Rodgers for the second out, and Snead struck out the next.

The Tigers were scoreless for the first three innings. In the fourth, Mike Gibson made first on an error, Bernie Hagins singled and brought in Gibson, Joe Baxter was hit by the pitcher and took his base, then Joe Reeves sacrificed to bring in Hagins. Creswell got on base on fielder's choice, and Baxter came in. Creswell stole the next two bases and got home on a wild throw by the third baseman.

Rodgers made the only Snyder run in the fifth. He singled and stole second, and he was brought in by Gibson's single.

In the seventh, Pritchard was put out at first, McNew made first on an error but was put out on his way to second. Rodgers got to first on fielder's choice and stole all the way home. Gibson walked and stole the next two bases, then Hagins walked and stole a base. Baxter singled and brought in Gibson. Baxter then stole second, then Reeves got to first on an error and brought Hagins in, stealing second. Baxter came in when Snead got on first on an error. Taylor walked to load the bases, then the next two batters, Pritchard and McNew, walked, and Reeves and Snead came in.

Several Tigers are barely holding their own in batting averages. At the end of five games, Taylor has an average of .294, Pritchard .285, Dwayne McMakin .250, Gibson .235, McNew .230, and Hagins .200. Leading the field are three who have not been in more than one game each. They are Tommy Williams and Bob Coffee, with .1000 averages and Baxter with .500. Other averages are Rodgers' .176 and Reeves' .111.

Jockey Making Comeback At Ripe Age Of 18

LINCOLN, R.I. (AP)—Tony DeSpirito, the nation's champion jockey two years ago, is staging a comeback at the ripe old age of 18.

Tony, son of a Lawrence, Mass., millworker, turned in four winners in four tries yesterday at Lincoln Downs to boost his 1954 total to 63.

That figure places him in jockeydom's first 10, behind—but within striking distance of—the leaders, the West Coast's Willie Shoemaker and Avelino Gomez, who boots 'em home in Mexico.

DeSpirito does his best riding at the home New England tracks, especially Lincoln and Rockingham in Salem, N.H.

He had only 33 winners to show for nine weeks' efforts this year in the Southland. In the first 18 days at Lincoln, however, he added 30 more.

There's no doubt that he has worn the hottest boot in the nation for the past two days. His four for four yesterday, coupled with a five for six the day before, has given him nine winners in 10 tries in two days.

Persley Over Savoie In St. Louis Battle

ST.LOUIS (AP)—The fight experts had tabbed lightweight Arthur Persley as a harder puncher than Armand Savoie of Montreal, and the Louisiana Negro proved it last night in his 10-round unanimuous decision over the Canadian.

Persley began hammering Savoie from the opening bell and kept up a steady pace except for the third and seventh stanzas, when Savoie tried to dominate the action.

Both battlers scaled at 136.

Local Tracksters To Meets In Two Towns This Week End

High school cindermen from Snyder will be participating in two track meets this week end.

One squad of five boys will go to the Texas Relays in Austin, while another group of 18 will be in the ABC Relays in Big Spring.

Going to Austin with coach Jack Dillon are Keith Pitner, Reagan White, Tommy Ivison, Naxey Davis, and Bob Rogers. This group will make up two relay teams, as well as enter one other event. White and Ivison will run in the 440-yard dash, while White, Ivison, Rogers, and Davis will be on the mile relay team, and White, Rogers, Ivison, and Pitner in the sprint medlay relay.

The medley team last week took first in that event in the West Texas Relays at Odessa with a time of 3:30.9. Two weeks before it had taken first in the Canyon Reef Relays here with a time of 3:52.4.

The mile relay team won first in the Canyon meet with 3:42.5. It did not place in the Southwestern Recreation meet at Fort Worth but had a time of 3:34.7. Last week at Odessa, it ran second with a time of 3:34.0.

White, who took first is the 440 in the Canyon meet ran in that meet with a time of 54.1. He did not place at Fort Worth but ran the 440 in 52.3. Both White and Ivison have put out similar times on the 440 in the relays.

Finals in the sprint medley, which will have no preliminaries, will be run at Austin late Friday. Preliminaries in the other two events in which the Snyder sprinters are entered will be held Saturday morning, with finals that afternoon.

Gene Gibson will take the large group to the Big Spring meet, which will be held Saturday.

Entries in that group include Bill Fowler and Powell Berry in the 100-yard dash, Roy Lee Ford and Claude Stroud in the 220-yard dash, Jack Spikes and Max Taylor in the 440-yard dash, Jimmy Joe Key and Fred Cross in the 880-yard run, Larry Bills and Tommy Berry in the mile run, Billy Sellars and Harold Hooks in the pole vault, Fowler and Berry in the broad jump, Spikes and Frankie Minton in the shot put, Spikes, Fowler, Ford, and Berry in the 440-yard relay; Ford, Crawford, Stroud, and Sellars in the 880-yard relay; Max Taylor, Jerry Shaw, Stroud, and Ford in the mile relay.

North Texas Is Relay Winner

DENTON (AP)—North Texas State College won the third annual North Texas Relays here yesterday with a 41-point total, finishing nine points ahead of the second place finisher, Kansas State Teachers College.

Records were set in three events and the high school title went to North Side High of Fort Worth.

Joe Craig of Texas Christian won the broad jump and set a new mark with his leap of 33 feet, 9½ inches. The record had been 22 feet, 3½ inches.

Eugene Branscome, NTSC, set a record in the discus with a heave of 148 feet, 6½ inches, bettering the mark of 143 feet 6 and ¾ inches.

The third record was set when Jim Buchanan of Kansas won the high hurdles in 14.4 seconds to better the old time of 14.5.

The Fort Worth schoolboys took firsts in three of four points and had 15 points. Amarillo was second with nine. Highland Park of Dallas had seven and was third. Arlington Heights, Fort Worth, finished fourth with six points.

Behind the North Texas team was Kansas State Teachers with 32 points. Texas Christian was third with 16 and Howard Payne had 15 and fourth place.

Other competing colleges were Texas Tech, Oklahoma A&M, Stephen F. Austin, Abilene Christian, Hardin-Simmons and Midwestern.

High School Golf Meet

COLLEGE STATION (AP) — The Texas A&M College state high school golf tournament will be held here April 15-17. More than 100 entries are expected. There will be both team and individual championships.

Utah has 2,000 lakes open to fishermen.

FANCY HEADWORK

In a bit of fancy headwork, Kenny Fewings (right) of the Los Angeles Scots, bumps the soccer ball with his noggin and smashes it into the face of Reuben Mendoza of the St. Louis Kutis. The unusual incident happened in the finals of the U.S. Open Soccer Cup Tourney which the Kutis won 1 to 0. They will meet the winner of the Eastern finals.

In 1953 Harvey Kuenn of the Tigers set an American League record by coming to bat 679 times. The previous high of 671 was set by John Tobin of the Browns in 1921.

Kefauver Doubts Real Effort To Get McCarthy Fight Out In Open

WASHINGTON (AP)—Sen. Kefauver (D-Tenn) said today he doubts some fellow senators are trying "as hard as they could" to break the logjam holding up an investigation of the McCarthy-Army row.

The Senate investigations subcommittee has been trying since March 16 to find a special counsel for the public and televised hearings at which it will investigate charges exchanged by Sen. McCarthy (R-Wis) and high Army officials.

McCarthy has stepped aside temporarily as subcommittee chairman to let Sen. Mundt (R-SD) preside at the inquiry.

Kefauver said in an interview he will renew tomorrow his request that the Senate Armed Services Committee launch its own investigation of the charges if the McCarthy subcommittee has not by then "shown some solid progress."

Light excercise usually heightens your ability to hear, but heavy exercise can decrease it.

No Advance In Texas League Ticket Prices

FORT WORTH (AP)—There will be no advance in Texas League prices this season because the club owners will have the advantage of a cut in the federal tax.

Congress trimmed the tax on admissions of over 50 cents from 20 per cent to 10.

"Some clubs in organized baseball, including the Texas League, were going to be forced to raise their prices in order to meet expenses had not this tax relief come," President John Reeves said.

Since 1946, when the league reactivated after being out of play during World War II, the clubs have absorbed the federal tax without an increase in prices.

Maximum prices in the league are $2.00 for individual box seats, $1.75 for reserved seats, $1.50 for grandstand or general admissions and $1.00 for bleachers.

Montana Gets 'Active' Snow

BILLINGS, Mont. (AP) — Radioactive snow has fallen in an area between here and Sheridan, Wyo., to the south, a local consulting geologist reported yesterday.

Chuck Hauptman, using a Geiger counter, said radiation was measured at about three milliroentgens an hour—about 200 times the amount of ordinary "background" radiation picked up by instruments but still very small.

He said the element of danger in the radioactive snow was "practically nil."

Hauptman and another geologist, Donald Todd, said the snow resulted from a March 1 hydrogen bomb test in the South Pacific. But weather forecasters said last Friday's H-bomb blast more likely was responsible.

Three inches of snow fell in the area Saturday and Sunday.

In Cambridge, Mass., scientists at Massachusetts Institute of Technology reported slight signs of radioactivity in the air since March 10. A spokesman said the measurements, noted only in rain, show the "radiation is insignificant as far as health and safety is concerned."

Wake Up To More Comfort

Without Nagging Backache

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slowdown of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Bad Breaks On Tech's Team

LUBBOCK (AP)—Few will dispute Texas Tech's track coach, Landon Westbrook, if he maintains the Red Raiders have had a few bad breaks this spring.

Most of the breaks have been too literal.

Tech's best quartermiler, Ronnie Cordell of Oklahoma City, broke a foot in spring football training. One of the sprinters, Walter Bryan of Olney, broke a leg the same week. In the final spring football training game, Jerry Fairley of Pecos, Border Conference 220-yard dash champion for the past two years, suffered a shoulder separation that will keep him out for a month.

With spring football over, Westbrook figured nothing more could happen.

But Friday, preceding the West Texas Relays, hurdler-sprinter Allen Hood visited the family farm at New Deal and slipped in an irrigation ditch. He twisted his knee, and now Westbrook is looking for a replacement to run in the freshman medley at Austin Saturday.

Watch For Our Formal Opening — It Will Mean Money To You

FROM OUR REPORT FOR 1953:
FUEL FOR THE FUTURE

AN OUTSTANDING FEATURE of El Paso Natural Gas Company's 1953 Annual Report is the comment on the Company's campaign to develop new gas reserves — fuel for the future.

The Company is meeting a constantly increasing demand for gas. It is reliably estimated that in 1953 the population of California, Arizona, New Mexico, west Texas, and Utah which is served by the Company grew by more than 485,000 people, a rate of growth unprecedented elsewhere in the United States but typical of this area during the last decade, as shown by United States Census Bureau figures for 1940-1950.

The growth of public demand for natural gas, combined with the need to maintain present service, necessitates a constant, vigorous program to discover new reserves. As a part of its plan to meet what it considers as its obligation to the consumer, the Company has acquired gas rights underlying more than one million acres of land in Utah, Colorado, New Mexico, and Texas and is acquiring gas rights on substantial additional acreage in these States and in Wyoming and Nevada. Intensive exploration and development are being carried out to evaluate this acreage and develop proven reserves primarily for the service of its customers.

So that the Company may continue its search for these new reserves for the future, it is asking the Federal Power Commission to permit the Company to engage in exploration for gas on a competitive basis with other producers.

The supply cannot be maintained except by intelligent, aggressive exploration.

The various aspects of exploring for gas, as well as other phases of the Company's operation and expansion, are discussed in detail in the 1953 Annual Report to Stockholders, copies of which may be obtained by writing to El Paso Natural Gas Company, El Paso, Texas.

EL PASO NATURAL GAS COMPANY

FARM BUREAU MEMBERS GET DIVIDEND

C. H. Stahl, president of the Scurry County Farm Bureau, is shown, above, presenting checks to three bureau members. The checks represent dividends of 50 per cent of the premiums paid on automobile insurance. They are, from left, John W. Layne, Marvin Key, and Tommy Sterling, Jr. Other policy holders will receive the dividends. The automobile dividend declared by the company amounts to $1,700,000 for bureau members in Texas for the last year. (Lee Watson photograph)

Jesse Jones Says Recession Not Serious, Good For Nation

By SAM DAWSON

HOUSTON, Tex. (AP)—The modest slip in business and industrial activity may be bitter-tasting medicine but it should do us good. That is the opinion of Jesse H. Jones, who will celebrate his 80th birthday Monday.

The onetime head of the Reconstruction Finance Corp., who lent billions to business, said in an interview:

"This dip hasn't gone far enough yet to hurt. It's a healthy thing and a little overdue."

Jones, who still sticks close to his job as builder, publisher and banker, said it's past time for America to climb off its stilts of boom and debt.

He thinks that if it doesn't, the economy may be heading for a sharper tumble.

One stilt — as the man who held federal posts under Presidents Wilson, Hoover and F. D. Roosevelt sees it—is the great boom in production for defense and for overseas allies and the building of industrial capacity to a level over and above what the American civilian economy needs.

The other stilt—as seen by one who is called "the greatest money lender of all times" —is the huge total of debt at all levels: governmental, corporate and personal. An economy striding too high on debt worries many others also.

"You can't go on forever spending more than your income without courting bankruptcy," Jones warns.

"I'm not an optimist for the country's economy as a whole, because its stilts are too high. We should come down a bit.

"Houston is better off now than some of the cities in the North," he says. "It probably will stay that way and not be as badly hurt, no matter how business goes nationally."

Texans count on the oil and gas industries, and a reasonably steady demand for their products, acting as a recession insulation. They say that their other industries are well diversified, and still growing.

Industrial production here is off perhaps 2 or 3 per cent from the peak, Jones estimates. This compares with a Federal Reserve Board estimate of 10 per cent drop for the entire country.

Retail trade here is off by 2 per cent, according to official figures, but Jones estimates the drop is closer to 4 per cent.

"It's caution, not a recession here," he says.

Customers are waiting to see what's coming. Soft good sales are holding up well. But there had been some drop in appliance purchases. This could be because consumers are waiting for promised excise tax cuts before buying. Better auto sales are reported in the last two weeks.

Commercial construction goes on. Home building picked up in March. But Jones shakes his head over the amount of government backed mortgages involved. There have been few defaults on loans so far, bankers here say, although collections have been poor on some loans made for repairs.

Industrial expansion plans are untrimmed, but bankers believe that spending this year will be more for new equipment than for new factories. A lot of old tools must be junked, they reason, if firms are to stay competitive in a buyer's market.

More men are out of work here than this time last year, but the raise in unemployment is not enough to be at all serious, Jones believes. Unskilled labor is affected most.

Drouth has hurt badly, especially in the western part of Texas. Cotton farmers complain of lower prices and higher labor costs.

But the grocer says that in the last three weeks people have been better about paying their bills—and he's more optimistic now that Texas isn't in for a bad time.

Mitchell Needs New County Attorney

COLORADO CITY — Mitchell County commissioners will act today to appoint a county attorney to replace Ken Jennings. Jennings has announced that he will resign Saturday to enter private practice in Houston with the firm of Hutcheson, Taliaferro and Hutcheson. He is now serving his second term as county attorney.

Zsa Zsa Getting Her Divorce By Default

SANTA MONICA, Calif. (AP)—Zsa Zsa Gabor says she talks on the telephone several times a week to actor George Sanders but he is allowing her to get an uncontested divorce today.

The Hungarian actress' lawyer, Jerry Giesler, said Sanders agreed not to appear in Superior Court and thereby let her have the decree by default. He is Zsa Zsa's third husband. She claims he has caused her "grievous mental cruelty, distress and anguish." They have been married five years.

In spite of the divorce, Zsa Zsa maintains they are the best of friends and she says, "George is the only man I love, but I have my career."

Registration Of Cars Higher Than Last Year

The deadline for registering motor vehicles without penalty passed yesterday with 246 more vehicles registered than were registered exactly a year ago.

From the time the 1954 license plates became available Feb. 1 until yesterday afternoon, the county tax assessor-collector's office issued 8,466 sets of plates. By April 1, last year, the office had issued 8,220.

Some few motorists were registering vehicles this morning, and the usual 20-per-cent penalty was being waived today, to become effective tomorrow.

Penalty is charged only on vehicles registered late and used since the deadline for registration. New cars purchased after the deadline are registered without penalty, as are also other vehicles not in use until registered.

The office received more than 13,000 sets of license plates for 1954, to be used until next Feb. 1, the number being determined by the total number registered from Feb. 1, last year, until Feb. 1, this year.

Of the vehicles registered since Feb. 1, 5,890 were passenger cars, 1,340 commercial trucks, 730 farm trucks, 67 commercial truck tractors, two farm truck tractors, 344 trailers, 17 house trailers, 21 motorcycles and motor scooters, and 46 dealership numbers.

During the two-month registration period last year, passenger car registrations here totaled 5,840.

There were 42,181 franchised new car dealers in the United States in 1954.

OIL NEWS

(Continued from page 1)

building up to 3,710 pounds in 15 minutes of shutin.

Top of the reef was at 8,870 feet, elevation 2,797 feet. This wildcat had 90 feet of oil and 30 feet of brackish water on a drillstem test in the Dean sand from 8,030-130 feet. It is in section 44-33-t4n-T&P.

Phillips No. 1-B Clayton is drilling in lime below 4,085 feet. Great Western No. 1 Beal is drilling below 6,003 feet in lime and shale. Superior No. 14-535 Jones in Northeast Bordeu County is drilling in shale below 6,261 feet. Brahaney No. 1 Acosta is drilling in lime and shale below 7,970 feet.

DRILLING REPORT

Skelly Oil No. 5-B Boyd, Nolan exploration, has lost circulation at 5,680 feet in a shale formation. A drillstem test was run from 5,534-6,610 feet. The tool was open one hour and 20 minutes, with the recovery 1,547 feet of slightly gas-cut mud with no water. Flowing pressure wanted from 228 to 650 pounds, with shutin pressure after 15 minutes 2,200 pounds.

Also in Nolan County, Sun Oil No. 1 Everett is drilling in lime and shale below 2,795 feet. Union No. 1-74 Young is drilling in lime and shale below 4,392 feet.

Lavender No. 1 G. M. Wallace, 14 miles west of Clairemont in Kent County, is drilling shale below 6,989 feet. General Crude No. 1-100 Young, wildcat nine miles west of Clairemont, is rigging up.

In Garza County, R. S. Anderson No. 1 Windham is drilling in lime below 2,410 feet. Mabee No. 1 Justice is drilling in lime below 4,397 feet.

HOSPITAL NOTES

The following admissions and dismissals at the two Snyder hospitals are only those whose names have been released by the hospitals.

BATTENFIELD HOSPITAL

Admissions: C. W. Berryman, Snyder; William Mull, Fluvanna; Joe Brown, 901 Twenty-sixth Street.

Dismissals: A. L. Shook, Snyder; Mrs. L. C. Duncan, Snyder; Wesley Shipley, Snyder; Marla Kaye Hart, 2401 Avenue J.

COGDELL HOSPITAL

Admissions — Mrs. E. E. Clark, Lion Oil camp, medical; Jack Beane, 3733 Rose Circle, surgical; Mrs. Ward Nettles, 212 Thirty-fourth Street, obstetric; Harlan Welch, route No. 1 medical; Mrs. Mary Crank, 1106 Twenty-fifth Street, medical, Mrs. Merle Williams, 2105 Twenty-seventh Street, medical; Mrs. Robert Pepper, Snyder, obstetric; Mrs. S. L. Terry, 3804 Avenue V, surgical.

Dismissals — Cynthia Ann Davis, 5-year-old daughter of Mr. and Mrs. Wade Davis, 2709 Avenue Q, medical.

Chamber Manager Will Go To Eastland Meet

Bob Crowell, chamber of commerce manager here, will go to Eastland April 11-12 for the annual convention of the Chamber of Commerce Managers Association of West Texas.

Crowell is a director in the association. Speakers at the meeting will include Donald G. Furr, personnel director of Furr's, Inc.; Marvin G. Hurley, executive vice-president and general manager of the Houston Chamber of Commerce, James G. Roberts, southwest division manager of the U. S. Chamber of Commerce, and Frank Melton of the West Texas Chamber of Commerce legislative department.

The program will begin with a barbecue Sunday. Panel discussions on various phases of chamber work will be included.

Tourist Boosters To Hold Friday Meeting

The tourist promotion sub-committee of the chamber of commerce tourist development committee will meet at 10 o'clock tomorrow morning to discuss plans for a tourist courtesy program here.

Tentative plans for the program now call for a program in which cars of tourists coming through Snyder will be stopped at intervals and the tourists given a free night's lodging, free meals, entertainment, and a tour of the city and area.

The sub-committee is made up of R. A. Schooling, chairman, Carl Whitfield, Claude McCormiek, Chuck Burney and Dwight Seymour.

Automobile Collision At Ira Yesterday

A highway accident at Ira about 5:30 o'clock yesterday afternoon resulted in a total of about $250 damage to two vehicles. No one was injured, but the drivers were charged in justice court this morning with traffic violation.

Investigating officers from here said a car driven by Harlan Tredway Howell struck the rear of one driven by Jim Beryl Taylor. Howell was charged with speeding, and Taylor was charged with failing to give a visible hand signal before making a left turn. Neither driver had appeared before the court by late morning.

BIRTHS

Mr. and Mrs. Robert Pepper of Snyder are parents of a daughter, born at 8:47 o'clock this morning at Cogdell Memorial Hospital. The child weighed eight pounds, six ounces.

Articles Stolen Off Cars During Night

Theft of a pair of hub caps from one car and a pair of fender skirts from another car last night was reported to police this morning, Johnny Claybrook, desk dispatcher, said.

Claybrook said two hub caps were stolen from a 1953 Pontiac car owned by A. L. Martin, 1001 Avenue E, and fender skirts were stolen from a 1950 Ford owned by Bobby Joe Cumbie, 2606 Avenue K.

He said an unsuccessful attempt was also made to remove fender skirts from the Pontiac.

Both thefts occurred while the cars were parked at the residences of the owners.

MINSTREL SHOW TALENT PREPARES

Some of the members of the cast of blackfaces who will put on the annual Lions Club-Junior Chamber of Commerce minstrel show here tonight and tomorrow night are shown above helping each other apply make-up for the shows. The shows will be given in the Junior High School auditorium tonight and tomorrow night at 8 o'clock. Mrs. Frank Miller and Miss Betty Sanderson are shown putting makeup on the face of R. C. (Coke) Williams, while Bob Crowell watches, and Barry Rhoderick, six-year-old son of Mr. and Mrs. B. L. Rhoderick, 1911 Avenue S, watches the camera. (Lee Watson photograph)

Five School Board Elections In County Scheduled Saturday

Voters of Scurry County will go to the polls Saturday to participate in five school board elections in which trustees will be chosen for the four independent school districts and for the county-wide board.

In the election concerning the county school board, terms of three of the five trustees expire, and voters will elect or re-elect trustees to two precinct positions and one position of trustee for the county-at-large. Only residents of commissioner precints 1 and 2 may vote for precinct trustees on this board, but all voters may vote for the position of trustee-at-large.

In this election, voters from precinct 1, comprising virtually the northeast quarter of the county, will vote at the Snyder school district's tax office at 1922 Twenty-sixth Street, there being no independent rural district in that precinct. These voters will vote on one precinct representative to the county board and on a candidate to represent the entire county.

In addition to voting on the county school board, voters from precinct 1 will also poll on trustees to the Snyder board. There is no announced candidate for precinct 2 in the county board election; so voters may elect by write-in votes.

The only announced candidate to represent the county-at-large on the county board is Hugh Taylor, Sr., for re-election. The only other candidate for a place on the county board is Buford Browning, for re-election to represent commissioner precinct 2, which comprises the approximate northwest quarter of the county.

Terms of trustees representing precincts 3 and 4, southwest and southeast quarters, held now by Perry Echols and D. Z. Hess, respectively, do not expire this year.

Besides for the county board and for the board of the Snyder district, three elections will be held for naming trustees to fill terms expiring on the boards of the Fluvanna, Ira and Hermleigh schools.

On Hermleigh's board, three terms held now by James Davidson, Grady Williams, and E. L. Vandiver are expiring. They are the only announced candidates. Other members of that board are O. C. Hess, Albert J. Kuss, Jr., Martin Murphy, and T. E. Shellburne.

Two terms are expiring on the Fluvanna board. They are held now by Joe Landrum and Henry Flournoy, both seeking re-election. Other candidates for these positions are Norris Miller, Bobbie Warren, N. L. Beaver, Bill Herring, and J. W. Wills. Incumbents whose terms do not expire this year are Leo Beaver, James Stansell, Dee Pylant, Hurston Lemons, and Burl Belew.

On the Ira board, three places are expiring. One is now held by Jim Stirling, appointed recently to fill a vacancy caused by Jack Dunn moving his residence. Stirling is a candidate for election, and the other two incumbents whose terms expire are candidates for re-election. They are Whit Farmer and Jim Brown. Other candidates for places on the board are J. H. Kimmel, T. R. Alexander, and Clarence Payne.

Incumbents on the Ira board whose terms do not expire this year are M. L. Wilson, A. P. Brooks, Marvin Sorrells, and James H. Kimbrell.

Two terms are expiring on the Snyder board. These incumbents, J. B. Turner and E. H. (Ab) Williamson are candidates for re-election. Other candidates are C. A. (Jack) Ramsey and Charles Duran. Other incumbents are Wayne Boren, Lee T. Stinson, Paul Keaton, Milton Ford, and Clyde Godwin.

Voting for trustees to the county board will be done at the places for polling in the other elections. Voters in the Ira, Fluvanna, and Hermleigh districts will vote at their schools. Voters of the Snyder district will poll at the school district tax office here.

Red Cross Is Over Goal Here In Fund Drive

The annual fund raising campaign for the Red Cross ended yesterday with total receipts $4,850, a margin of $400 in excess of the goal set for the county.

The chairman for this year's drive, Renal B. Rosson, commended fellow workers in the campaign in that the goal was not only attained but exceeded. "The Red Cross, all its membership and those who worked in this campaign sincerely thank all who had a part in this achievement," he said.

Although the drive officially began March 11, organized work did not get under way until March 15, when the drive for advanced gifts started. Full county-wide canvassing did not start until the organization held its kick-off breakfast the morning of March 18. Thus, most of the campaigning was done in the last two weeks.

Another phase of the campaign, that for increasing membership, was also believed to have resulted in exceeding the goal. Although membership figures had not been determined this morning, it was believed the present total was at least near, if not more than, the goal of 1,380, Rosson said.

Tommy R. Davidson In Naval Operation

Tommy R. Davidson of Snyder, now serving aboard the destroyer USS James E. Kyes, has been participating in Operation Flag Hoist on the island of Iwo Jima.

The amphibious operation, which involved thousands of Navy and Marine Corps personnel, took place nine years after the capture of the Pacific island from Japanese troops.

Davidson, the son of Mr. and Mrs. W. T. Davidson, 2409 Thirtieth Street, entered the Navy in November, 1951. He was a student at Snyder High School before entering the Navy.

The Republic of Indonesia is about a fourth as large as the United States.

Candidate For High Criminal Court In City

Alan Haley, one of the youngest district judges in Texas, was in Snyder yesterday visiting voters.

Haley, 37, is a candidate for justice of the court of criminal appeals. He is now judge of the 89th district at Wichita Falls.

The candidate said yesterday that during the criminal appeal court's existance there has never been a West Texan elected to the post. The court was created in 1891.

Haley is a native of Blossom, Lamar County. His parents, Mr. and Mrs. A. H. Haley, now live in Waco. He had his public schooling at Wichita Falls, where he graduated from high school in 1934. He then attended Hardin Junior College there and graduated in 1936. In 1940, he recieved his law degree from the University of Texas.

During World War II, Haley served four years in the Navy. Two of those were in the Pacific, where he participated in eight engagements. He was awarded the Legion of Merit for his Pacific tour of duty. He was discharged from the Navy as a lieutenant senior grade.

Haley entered private practice in the law firm of Carrigan, Hoffman & Carrigan in Wichita Falls, serving there three years. He then became assistant district attroney for two years, and in 1949 he was elected district attorney. He was prosecuter in the state's narcotics cases involving high school students in Wichita Falls. He was elected district judge in 1952.

Before announcing for the criminal appeals post, Haley was endorsed by the Wichita County Bar Association and 20 other associations in that area. He is married and has one son and one daughter.

Junior-Senior Fete Tonight

Dr. Z. T. Huff, dean of Howard Payne College in Brownwood, will be main speaker tonight at the annual junior-senior banquet at the high school cafeteria.

The banquet will start at 7 o'clock. About 300 students are expected to attend. Guests include faculty members and members of the school board and their husbands or wives.

Toastmistress will be Carolyn Holley. T. D. Wiman, high school prinicpal, will give the invocation. The welcome will be given by Bernie Hagins, junior class president, and the response by the senior president, Jackie Grimmett.

Included on the program of the banquet, which will have a Spanish motif, are a boys' quartet and girls' quartet. The banquet will be served by girls of the sophomore class.

Former Snyder Resident Dies In Los Angeles

Funeral services for Mrs. E. J. Anderson, a former resident of Snyder, were held at 3 o'clock this afternoon in Los Angeles, Cal.

Mrs. Anderson died yesterday morning in Los Angeles, where she had made her home in recent years. Her husband, a businessman here until the couple moved away about 15 years ago, died 10 years ago. Funeral services for Mrs. Anderson were directed by the Smith & Saulsbury Funeral Home of Culver City, Cal.

Mrs. Anderson is survived by a daughter, the former Miss Brentz Anderson, and a brother, Will McCormick, of California.

Public Pool Opened To Negroes In Kansas

KANSAS CITY (AP)— Kansas City's Swope Park swimming pool, closed the last two years, will open June 12 for all swimmers, regardless of race.

The decision was announced yesterday by the Park Board after conferences among city officials.

Under a decision by Federal Judge Albert A. Ridge on May 7, 1952, segregation at the pool was ordered eliminated unless another pool with equal facilities was built at the park. The decision was upheld by the U. S. Court of Appeals and the U. S. Supreme Court.

Officials have said construction of another pool was out of the question because of lack of funds.

Three Negroes who were denied admittance to the pool in 1951 filed suit against the city. City officials closed the pool pending court litigation.

STARTING FRIDAY, APRIL 2nd —and it's something to see!
