

Briefly

C. City Dancers

The C. City Dancers will have a dance Tuesday night, April 16 at the Civic Center, Second and Oak streets.

The dance will be from 7-10 p.m. There will be plenty of coffee and tea.
Price is \$2 per person.

Revival set

Revival services will begin Sunday, April 14 at the St. Luke United Methodist Church and go through Wednesday, April 17. Kenny Kirt of the First United Methodist Church in Vega will be speaker.

Services Sunday include St. Luke and First United Methodist Church Youth at 5 p.m. and the Laura Walters concert at 6 p.m.

Monday through Wednesday, the morning services begin at 6:30 a.m., the ladies study at noon and the evening service at 7 p.m.

Teenage League

A meeting of the Colorado City Teenage Baseball League has been set for Thursday at 7 p.m. at Randy Phillips Insurance Agency, 2301 Hickory.

All interested persons are invited to attend.

For more information, call Sammy Parham at 728-2111.

Historical

The Mitchell County Historical Commission will hold its April meeting at 3 p.m. Wednesday, April 17, in the Hesperian Room of the local library.

The program will be presented by Kit Newmann, west Texas field consultant for the State Historical Commission in Austin.

Newmann will discuss work being done by historical commission in Texas, as well as plans being made for the state's sesquicentennial.

All members are urged to attend and any interested persons who would like to be a part of preserving Mitchell County's history are always welcome.

Public hearing

Colorado City intends to prepare an application for the Texas Community Development Program. The city will conduct a public hearing to discuss the past use of TCDP funds, the amount of funds available, and the eligible activities. The public hearing will be held April 30 at 7 p.m. at the city hall.

The city encourages individual citizens and citizen's groups to make their views known at this public hearing. All interested persons are invited to attend and make their suggestions known. Citizen's comments may be delivered in advance to city hall prior to the public hearing.

Fund started

A fund has been started at City National Bank for John and Karinda Ridge who lost all their belongings in a mobile home fire Tuesday.

They have two sons, ages 7 and 9.

Anyone with clothes or household items they wish to donate may leave them at the Country Corner, 102 East Second.

Around Town

MORLEY (MICKY) GREEN goes to see his daughter in Houston at Easter...MOLLY MORRIS mowing the grass...JOAN BEACH makes a good deal...LINDA GRIFFITH looks for some big envelopes...BESS LAMB does some painting.

VENDORS were setting up their wares Friday in preparation for the flea-market sponsored by the Veterans of Foreign Wars Post 9178 at 1264 College Avenue. The flea-market was to continue through today (Sunday).

Historical marker to be unveiled at standpipe

Over a 100 years ago when city fathers decided to issue waterworks bonds in the amount of \$45,000 to erect a standpipe and lay water mains, little did they realize that same standpipe would still be serving the needs of Colorado City in 1985.

The 90-foot standpipe, located southeast of town near the Wallace Center, is still used to store water.

On Saturday, a historical marker will be unveiled by 10-year-old Jeffrey and 9-year-old Gre-

gory Conaway, great-grandsons of H. F. "Ikie" McCorkle, a longtime Colorado City water superintendent.

Speaker for the 2 p.m. program will be J. A. Sadler Jr., former city manager and presently city manager of Merkel. Others on the program are Mayor Elmer Martin, City Manager Brenda Tarter and historian Lee Jones Jr.

The invocation will be given by Gary Dennis, minister of the 22nd and Austin Street Church of Christ.

Funds for the historical marker were provided by the Mitchell County Oldtimers' Association. The marker is the result of efforts by Mrs. Margaret Oyler, Jim Baum and Jones.

The water tank became operational in 1885 and made Colorado one of the most modern towns in west Texas. The standpipe still holds a reserve of water and its main lines remain buried beneath the ground 100 years after being installed.

The public is invited to attend the ceremony.

Mitchell County drilling activity picks up

Drilling activity from Mitchell County includes:

American Petrofina will drill the No. 108 Coleman Ranch Unit in the Coleman Ranch field, one mile northwest of Cuthbert. Scheduled for a depth of 3,000 feet, location is in Section 69, Block 97, H&TC survey.

American Petrofina will drill the No. 206 Coleman Ranch Unit in the Coleman Ranch field, two miles northwest of Cuthbert. Contracted for 3,000 feet, location is in Section 76, Block 97, H&TC survey.

American Petrofina will drill the No. 606 Coleman Ranch Unit in the Coleman Ranch field, two

miles northwest of Cuthbert. Also planned for 3,000 feet, location is in Section 70, Block 97, H&TC survey.

American Petrofina will drill the No. 1,303 Coleman Ranch Unit in the Coleman Ranch field, two miles west of Cuthbert. Planned depth is 3,000 feet, and location is in Section 3, Block 26, H&TC survey.

American Petrofina will drill the No. 1,304 Coleman Ranch Unit in the Coleman Ranch field, two miles west of Cuthbert. The venture will be drilled to 3,000 feet and location is in Section 3, Block 26, H&TC survey.

Hrubetz Operating will drill

the No. 1-A D. J. Henderson in the Turner-Grigory field, five miles northwest of Westbrook. Planned for a depth of 3,350 feet, location is in Section 24, Block 29, T1N, T&P survey.

Hrubetz Operating will drill the No. 2-A Lassiter in the Turner-Grigory field, five miles northwest of Westbrook. Planned for 3,350 feet, location is in Section 24, Block 29, T1N, T&P survey.

Staley Oil Co. will drill the No. 7 Mills in the Sharon Ridge field, 15 miles northwest of Colorado City. Scheduled depth is 1,790 feet, and location is in Section 12, George Reiger survey.

Mobile home destroyed by fire

A mobile home belonging to the John Ridge family was destroyed by fire Tuesday.

According to Colorado City Fire Marshal Billy Ray Williamson, the house, located in the 100 block of South Dallas Street, was engulfed in flames by the time firefighters reached the scene.

The alarm was received at 7:51 p.m.

Williamson said that Ridge was taken to Root Memorial Hospital suffering from smoke inhalation, but was shortly released.

Ridge told firemen that he had been trying to light a wood-burn-

ing stove when the fire occurred. The mobile home and most of the contents were destroyed in the fire.

Williamson said firefighters were hampered somewhat in their efforts by not being able to find sufficient water in the area in which to battle the blaze.

Loraine OKs gas rate hike

By Ray Mayo
Editor

The Loraine City Council Thursday approved a rate increase request from Lone Star Gas Co. which should raise the average customer's bill by about \$2.40 in the winter and decrease it by about 50 cents during the summer rate period.

Byron Swank of Lone Star Gas in Colorado City and Rick Vaughn of the Fort Worth office addressed the council and explained that the last time a rate increase was granted was about 2½ years ago.

Vaughn said the company should not have to come back in the near future for another rate increase request if inflation stays the same. He said if the rate increase was denied, the customer would eventually pay for legal costs.

Swank said the company has an average monthly bill payment system for customers such as those on fixed incomes who can't afford the higher bills during the winter months. He said the next billing statements will include information on the average monthly billing system.

The unanimous decision to grant the Lone Star rate increase came following the canvassing of votes from last Saturday's election and the swearing in of new councilmen.

Taking the oath of office were Mayor Tommy Green who won re-election and new councilmen Jackie Walker, Bobbie Graham and Roy Price. Walker was later named mayor pro-tem by Green. Green also assigned each other councilman administrative-type duties. They include Graham, police department and finance; Price, water depart-

ment; C. H. Hamilton, streets; and J. C. Hall Jr., park. Green said he will include the cemetery in his responsibilities.

In other business, the council decided to reapply for a grant to replace a sewer line which runs under the interstate. The city applied for the \$126,000 grant last year but was turned down.

No action was taken following a lengthy discussion about who is responsible for paying for the various schools that city employees have to attend in order to be certified or retain their certification such as in the water department, police department and tax office.

Councilman Hall said he thinks that each employee should pay for their own expenses since the employee has to have the certification in order to hold their job. He suggested that the city pay for the schools, but that the employee be required to pay back the amount over a several-month period.

City attorney Ralph Strother said that he has never heard of a city requiring its employees to pay for the various schools they have to attend.

"The city is getting the primary benefit of having someone certified," said Strother.

Hall maintained that many times in the past, an employee has become certified and then quit to find a better job.

The council decided to discuss the matter further at a later meeting.

The council also took no action on a cemetery contract or the new budget.

Green was instructed to take bids on getting someone to mow

See LORAIN, Page 2

Annual kindergarten round-up scheduled

Kindergarten round-up will be here soon. It will be held April 15-19 from 9 a.m. to noon at Kelley Elementary. The child enrolled for kindergarten must be five years old on or before Sept. 1, 1985.

No child will be enrolled for kindergarten without a state birth certificate (not the hospital certificate with the foot prints on it). A state certificate may be obtained from the county seat where the child was born.

Also, when enrolling your child in school, please have the immunization record with you or the address from which the record can be obtained.

The following immunizations are required upon enrollment in the Colorado Independent School District according to Texas law:

-Oral Polio: At least three doses of oral polio vaccine are required. At least one of those doses must have been received on or after the fourth birthday.

-DTP: At least three doses of DTP vaccine are required. At least one of those doses must have been received on or after the fourth birthday. (Pertussis vaccine is not required for children five years of age or older.)

-Measles: One dose of measles vaccine is required or provide a physician-validated history of measles illness.

-Mumps: One dose of mumps vaccine is required or provide a physician-validated history of mumps illness.

-Rubella: One dose of rubella vaccine is required. Rubella vaccine is not required past the 12th birthday.

Local sales tax rebate checks up

State Comptroller Bob Bullock has sent checks totaling \$15,813.07 to Colorado City and Westbrook in local tax payments.

The checks are part of \$48.9 million in payments to the Texas 1,003 cities that levy the one-percent local sales tax.

Colorado City's check this period was \$15,141.46, up from \$12,358.02 for the same period last year. The 1985 payments to date total \$79,380.31, up 3.81

percent from the 1984 payments to date of \$76,466.81.

Westbrook's payment this period was \$671.61, down from \$906.84 for the comparable payment last year. The 1985 payments to date are \$4,195.60, up 49.36 percent from the 1984 payments to date of \$2,809.01.

Loraine did not receive a payment this period, nor did it receive one for the comparable period last year. Loraine's payments to date this year are

\$1,128.53, down 30.15 percent from 1984's payments to date of \$1,615.73.

Bullock cautioned against attempts to draw conclusions about the Texas economy based on one month's rebate figure but added the April payments "are in line with our projections for the state."

Houston received the largest check—\$8.5 million—for a total \$48 million in 1985. Dallas' check for \$6.1 million brought this

year's payments to \$35.4 million. San Antonio's April payment was \$3 million for a 1985 total of \$17.3 million.

Austin's check for \$2.5 million pushed the year's total to \$13.6 million. Fort Worth received \$1.9 million bringing 1985 payments to \$10.3 million, while El Paso's payment was \$1.1 million for a total \$6.5 million.

Bullock also sent checks totaling \$20.1 million to the state's four Metropolitan Transit Au-

thorities. Houston's MTA payment was \$9.8 million for a 1985 total of \$55.4 million. Dallas' DART check was for \$8.2 million, pushing this year's total to \$47.1 million. VIA in San Antonio received \$1.5 million bringing 1985 payments to \$9.4 million. Fort Worth's MTA payment was \$451,745.

April checks represent taxes collected on sales made in February and reported to the Comptroller by March 20.

Loraine

From Page 1
the cemetery during the warm months and told him to hire

someone at \$4 an hour for the first time until a contract is approved.

The budget for the fiscal year which began April 1 will be considered further at the May meeting in order to give the new council members to study the matter further.

Free hearing test slated

There will be a free hearing test conducted Thursday, April 18 from 1-5:30 p.m. at The Medicine Place, 2135 Hickory. This health-care screening is painless and quick and can detect signs of both repairable and inoperable damage. The test will be conducted by a registered nurse.

Loraine native accepts new job

Loraine native Joe Cushing, who has been women's basketball coach at Western Texas College in Snyder since 1978, has accepted a similar position at Panola Junior College in Carthage.

Cushing joined the WTC coaching staff after coaching at Bellville High School from 1973-77 and at Forsan High School in the 1977-78 season. He served in the Navy from 1966-70.

He was graduated from Angelo State University in San Angelo in 1973 and held a part-time

coaching position at St. Joseph's High School in Rowena from 1970-73 while attending ASU.

Cushing's coaching record for 15 years is 377-117. At WTC, his record is 183-56. His Duster teams never finished less than second in the WJCAC and advanced to the regional tournaments each of the seven years he coached at WTC. The 1984-85 season record was the best in the school's history, 31-6, and the team finished second in the regional tournament, losing to Odessa College 56-55.

Clothing fun day scheduled

A 4-H Clothing and Textiles Fun Day has been scheduled for Saturday, April 27 at the C. C. Thompson Room.

The tentative program includes registration and stain removal experiment at 9:30 a.m.; and group sessions at 10 a.m. on buttons, knowing your sewing tools, reading labels, getting to know your sewing machine and sewing skills.

There will be an obstacle course game at 11:30 a.m. fol-

lowed by lunch at noon at Loyd's Place. There will be a continuation of the stain removal experiment at 12:45 p.m. followed by a grooming and modeling workshop at 1:15 p.m. Spring fashion trends are on tap at 1:45 p.m. and at 2:15 p.m., participants will make their own fashion sash (there will be a small fee to cover cost of material).

For more information, contact Mitchell County extension agent Debbie Christian.

Marie Harlow hosts club meeting

The C. City Lake Extension Homemakers Club met Tuesday, April 9 for its regular meeting with Marie Harlow as hostess.

Roll call was answered with "What do you plan to do for recreation this summer?"

Ozella Brookshire gave the prayer and exercise was led by Bea Harlow. An inspirational poem was read by Marie Harlow.

Members discussed several projects including the district

meeting to be hosted by the Mitchell County TEHA. Approximately 200 extension club members are expected to attend the April 18 meeting at the 22nd and Austin Street Church of Christ building.

Refreshments were served to club members Inez Richardson, Billie Woods, Minnie Anderson, Helen Oglesby, Dorothy Sneed, Fannie Morris, Ozella Brookshire, Bea Harlow, hostess Marie Harlow and visitor Rosa Barron.

Obituary

Hutchins

Margie Hutchins, 65, of Loraine, died at 4:15 a.m. Thursday at Root Memorial Hospital. Services were at 2:30 p.m. Friday at Kiker-Seale Funeral Home in Colorado City.

The Rev. Jim Hill, pastor of Lakeview Christian Church in San Angelo, officiated. Burial was at Colorado City Cemetery. Born Marguerite Leala Carlock June 29, 1919, in Bell

County, she had lived in Mitchell County most of her life and married Stanton Hutchins June 3, 1977, in Colorado City. She was a member of First Christian Church.

Survivors include her husband; two sons, Bob Martin and Bill Martin, and a brother, Bim Carlock, all of Colorado City; and three grandchildren.

Pallbearers were Stan Hackfeld, Keith Hackfeld, W. A. Swafford, Elk Jones, Gary Redwine and Jim Carlock.

FHA members attend state meeting

Representatives of the Westbrook Future Homemakers of America chapter attended the 1985 state meeting of the Texas Association, Future Homemakers of America, along with the 7,000 members and advisors from Texas.

"FHA-HERO: Yesterday, Today, and Tomorrow" was the theme of the 1985 meeting which was held in the Albert Thomas Convention Center in Houston Friday and Saturday.

Attending from Westbrook were Gracie Fuentes, Elizabeth Burnett, Roberta Ficus, and

ed the two-day conference. Interest sessions on elderly, leadership skills, nutrition, self-improvement, and employability were held.

The Westbrook FHA'ers won first place with their proficiency event display at Area II meeting and entered the display at Houston. The Westbrook FHA has its goal set to take the display to national in Salt Lake City, Utah in July.

The business of the Texas Association was conducted during the two-day conference.

ing the House of Delegates session, Friday evening. Recognition of the proficiency event participants and installation of the 1985-86 state officers climaxed the Saturday evening session.

The Future Homemakers of America is an organization sponsored by Vocational Home Economics Education, Texas Education Agency, with Ms. Judith Heatherly, director, and Miss Sharon Reddell, state advisor.

Revival to be held at St. Luke Methodist

St. Luke United Methodist Church, 1635 Walnut Street, will be in revival Sunday, April 14 through Wednesday, April 17.

The evangelist for the revival is Kenney Kirk, pastor of First United Methodist Church in Vega. Rev. Kirk's wife, Terri, will be teaching a women's Bible Study Monday through Wednesday at noon. Laura Walters, a gospel singer from Midland, will be in concert at 6 p.m. Sunday evening. Miss Walters will also conduct a seminar for youth (7th-12th grades) at 5 p.m. Sunday.

Rev. and Mrs. Kirk are both 1975 graduates of McMurry College in Abilene. Rev. Kirk received his Masters of Divinity from

Asbury Theological Seminary in Wilmore, Kentucky in 1978. The Kirks have two sons: Aaron, 5 years old, and Matthew, 2 years old.

Times for the services are: Sunday morning at 10:50 a.m. Sunday evening-youth meeting at 5 p.m., concert at 6 p.m.

Monday through Wednesday-6:30 a.m. breakfast meeting, noon, Bible Study for women, and 7 p.m., evening services. There will be refreshments served after the evening service. Nursery will be provided. The public is invited to attend. For more information call St. Luke at 728-2508 or 728-8205.

Engagement announced

Mr. and Mrs. Roscoe Hudgins of Colorado City announce the engagement of their daughter, Becky Hudgins of Ira, to Alan Anderson, son of Mr. and Mrs. Ernest D. Anderson of Colorado City.

The wedding will take place May 18 at 2 p.m. at the 22nd and Austin Street Church of Christ.

The bride-elect is a graduate of Texas Tech University and is employed with the Ira Independent School District. The future groom is employed with the United States Postal Service.

Birth

Mr. and Mrs. Robert F. Martin of Colorado City announce the birth of a son, Mickey Franklin, born April 6 at 6:40 a.m. at Malone-Hogan Hospital in Big Spring, weighing 6 pounds 1 ounce.

Maternal grandparents are Loyd Barr of Colorado City and Lela Stephenson of Midland. Paternal grandparents are Felix Martin of Colorado City and the late Margie Hutchins.

THANK YOU

I Appreciate Very Much The Votes I Received Last Week In The School Board Election. I Hope You Will Continue To Support Me Throughout My Term In Office.

Sincerely,
Kathy Bassham

Order Declaring Result of Directors Election

THE STATE OF TEXAS

COUNTY of MITCHELL

On this the 8th day of April, 1985, the Board of Directors of Mitchell County Hospital District convened in called session, open to the public, with the following members present, to wit:

Bobby Lemons, President
Jack Perkins, Vice President
Jane McCarley, Preston Morris
Herbert Mearse
Bob Reilly, Secretary.

and the following absent: Glenn Hemphill, constituting a quorum, and among other proceedings had by said Board of Directors was the following:

There came on to be considered the returns of an election held on the 6th day of April, 1985, for the purpose of electing Directors to the Board of Directors of said District, and it appearing that said returns were duly and legally made and that there were cast at said election 1239 valid and legal votes; that each of the candidates in said election received the following votes:

NAMES OF CANDIDATES	TOTAL NUMBER OF VOTES RECEIVED
Rhonda M. Slater	283

Some houseplants are almost indestructible

By Debbie Christian
County Extension Agent

Houseplants are beautiful and can really make a home hospitable, but not all plants are adaptable to the interior of a home or office. The best way to overcome this problem is by selecting plants that are almost indestructible, almost tougher than plastic.

Chinese Evergreen—this relatively unknown plant is perhaps the easiest of all houseplants to grow. It will thrive in very low light conditions, with low humidity. Most species will grow 1-2 feet tall, with leaves 6-8 inches long and 2-3 inches wide. The variety "Silver Queen" is the most striking. Only pot bound plants will bloom; but bloom they do, luxuriously, in late summer and early fall.

Janet Craig Dracena—the

most charming of all the indestructibles. All members of this genus have excellent survivability in low light and low humidity, but Janet Craig is absolutely the toughest. Its decorative dark green, strap-like leaves are 12-18 inches long and 2-3 inches wide and will fill the need for dark foliage in all interiors.

Heartleaf philodendron—this plant will survive for long periods under very low light conditions. For this reason, it can be found growing in almost any office in Dallas, and it's usually planted in a jar of water or in a dish garden. Potting soil and a pot with a hole in the bottom would be better, but the fact that Heartleaf Philodendron does well even with this type of adverse root environment indicates just how tough it is.

Devil's Ivy—this plant looks a lot like Heartleaf Philodendron and, in fact, is often called "Philodendron." To further confuse matters, it is also called "Pothos." But, whatever you call it, it is easy to grow. It, too, tolerates water culture. The best variety of Scindapsus is Marble Queen. The leaves of this variety are variegated and the variegation is more intense in bright light.

Snake Plant—this plant may be even tougher than all the other indestructibles. It, too, can tolerate low light and low humidity. However, the leaves of this plant are thick and leathery; thus, it is also capable of withstanding occasional dry periods.

There are generally two forms of Snake Plant—one that makes a compact rosette of leaves and a tall erect form. Some varieties

have silvery horizontal leaf band; others are almost entirely green, while still others have bright yellow leaf margins.

Cast Iron Plant—an old favorite with long green leaves which will endure heat, dust, darkness and lack of water is the Cast Iron Plant. When well cared for it produces a mass of broad green leaves.

Other Honorable Mentions: Spathiphyllum—this so-called closet plant is very tolerant of indoor conditions even though it won't grow in a closet. Nephthytis—this plant also thrives under household conditions.

Remember, all plants must have light; however, these indestructibles require low light and very little care.

Martin presents rape program to B&PW

Sherry Martin of the Colorado City Police Department presented a program on rape prevention to the Business and Professional Women's Club when the organization met for its monthly dinner and business meeting at the Civic Center on Tuesday, April 8.

After a slide presentation, Officer Martin emphasized the types of self-defense available, including effectively fighting back and using psychology.

She also informed the group that a four-hour class in self-defense is available if enough women in the community are interested.

Club president Christine Cooly called the business meeting to order after the program and reports from standing and special committees were heard.

Legislative committee chairperson Shirley Delaney congratulated member Dee Hearn on her re-election to the Colorado City Council.

Mrs. Delaney also noted that plans for the individual development program were progressing. Also, she distributed book-

lets for participation in the "Pennies for Minnie" Week fund-raiser. The purpose of the program is to raise money for the Dr. Minnie L. Maffett Fellowship which is awarded annually to female medical students. Dr. Maffett was the first Texas Federation president.

Anna Staats, chairperson of the finance committee, announced that a style show sponsored by the club will be held on Sunday, June 2, and appointed subcommittees for the various activities.

For the next meeting, Mrs. Staats said that a "hidden auction" will be held and encouraged each member to bring a gift-wrapped item from home for the event.

A nominating committee consisting of Mildred Free, chairperson, Shirley Delaney and Ernestine Stubbelfield was elected to select nominees for the upcoming officer elections.

Hostess committee for April Young Carrerist, chaired by Juanita Schafer. She was assisted by Wyone Jameson and Lucille Stone.

Others present for the meeting were Eddie Barclay, Molly Bruce, Virginia Dearen, Annie Dixon, Glenna Garrett, Nelda Garrett, Ann Gregory, Ida Kirschbaum, Louise Logsdon, Velma Moseley, Sallie Rogers, Judy Winkle, Mary Womack, Wilma Womack and Paul Winkle and guest Judy Blackstock.

Merket hosts Baptist women

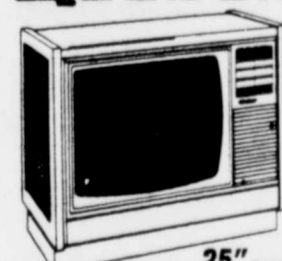

The Baptist Women's Night Group of First Baptist Church met Monday, April 1 in the home of Mrs. Jessie Mae Merket.

The study topic was "Where Baptists Are a Minority" with Mrs. Margaret Bodine as program director. Different phases of witnessing from a minority stance were presented by Mmes. Jean Hardee, Billie Roenfeldt, Earlene Sellier, Margaret Bodine and Betsy Aycock. Mrs. Margaret Turner gave the calendar of prayer for missions and local prayer concerns.

Mrs. Mary Rice, contact person for the Helping Hand, reported a generous response in food collection and money by church members in March to the Helping Hand. Mrs. Louree Upton reported completion of the project to buy items for the Circle 6 Ranch.

Those attending were Mmes. Billie Roenfeldt, Jean Edwards, Margarite Turner, Jean Hardee, Louree Upton, Charlene Hubbard, Kathryn Morris, Mary Lloyd, Earlene Sellier, Anna Staats, Margaret Bodine, Betsy Aycock and the hostess.

Louise Phillips

Cook's Corner

Phillips shares recipes for delicious sweets

Louise Phillips has come a long way since the age of 16. Mrs. Phillips got married when she was 16 and didn't know how to cook very well.

"I watched my mother cook, but we had to clean up mostly. I did know how to cook potatoes and bake cornbread, but that was about all."

She learned to cook by trial and error, but she learned to cook on her own.

Mrs. Phillips doesn't prepare casseroles, because her husband does not like them.

She prepares a pretty big supper, because she works at the Middle School cafeteria and her husband takes his lunch.

"It's hard to come home and cook just for us when I've cooked for the students all day."

Mrs. Phillips usually prepares balanced meals and her husband is not a picky eater so "he eats nearly anything I put on the table."

Mrs. Phillips favorite things to prepare are desserts.

She likes to try new recipes but doesn't change up the recipes very much. She likes to cook and starts from scratch all the time.

"I don't really know what any type of convenience food is, because all my sweets are made from scratch. I like to can, so I do some canning in the summer."

When her family gets together for holidays and special occasions, Mrs. Phillips usually does all the cooking.

"I try to have their favorite things made for them when they get here."

Mrs. Phillips and her husband, A. W., have a daughter, Brenda Edwards of Alamogordo, N.M. and a son, Randy of Colorado City.

Today she is sharing four of her recipes with RECORD readers.

CAKE
1 cup sugar
2½ heaping tablespoons flour
2 tablespoons cocoa
Dash of salt
2 slightly beaten egg yolks
1¼ cup evaporated milk
1 cup water
1 teaspoon vanilla
1 tablespoon margarine
Mix together sugar, flour, cocoa and salt. Add beaten egg yolks, milk, water, vanilla and margarine. Pour into baked pie shell.

MERINGUE
3 egg whites
6 tablespoons sugar
3 tablespoons cold water
Beat egg whites, adding sugar and water to egg whites during beating. Beat until meringue holds stiff peaks. Brown meringue at 400 degrees until lightly brown.

HOME DEMONSTRATION CAKE
2 sticks margarine
2 cups sugar
5 eggs
2 cups flour
1 tablespoons vanilla
1 cup nuts
Cream together margarine, sugar and eggs. Sift flour and add to the cream mixture. Add vanilla and nuts. Bake at 350 degrees until done. Wrap in foil when done to keep moist.
ONE, TWO, THREE, FOUR

CAKE
1 cup butter
2 cups sugar
3 cups flour
1 cup milk
4 eggs

1 box strawberry Jell-O
1½ teaspoons baking powder
½ teaspoon vanilla
Cream butter and sugar. Add beaten egg yolks. Mix and sift flour, baking powder and Jell-O. Beat into the creamed mixture. Add milk and fold in the stiffly beaten egg whites. Add ½ package frozen strawberries.
FILLING
½ package frozen strawberries
1 box powdered sugar
1 stick of butter
Mix and put on cake.

PISTACHIO PUDDING SALAD
1 package pistachio pudding mix (instant)
16 oz. can pineapple, crushed
One-third cup cherries, chopped
1 cup pecans, chopped
1 cup marshmallows (colored) miniatures
1-9 oz. carton Cool Whip
Mix dry pistachio pudding into pineapple, cherries and pecans. Add marshmallows and Cool Whip.

ROWE'S VILLA RESTAURANT
Hwy. 208 & I-20 728-3367

One of Colorado City's finest family restaurants is Rowe's Villa Restaurant located at the intersection of highway 208 and interstate 20.

Nubbin and Mary Rowe have owned Rowe's Villa Restaurant since January 1, 1980. They are open seven days a week and the seating capacity of the restaurant is 150.

The restaurant has become known in Mitchell County for it's famous noon buffet served every day except Saturday. Patrons may also order from a varied menu or be treated to the \$2.98 lunch and dinner special.

The restaurant has recently been remodeled, and Nubbin and Mary invite their friends to stop by for a delicious meal.

Wheat growers urged to watch for leaf rust disease

By Mike Mauldin
County Extension Agent

Wheat growers in Mitchell County need to keep a sharp lookout for leaf rust disease on their crop this spring.

Conditions seem to be right for a major leaf rust problem over much of the state.

Leaf rust is caused by a fungus and appears as small, round orange spots on the leaves. A heavy infection will defoliate the plant and interfere with grain development.

Many wheat varieties are susceptible to leaf rust fungus, but the incidence of the organism varies greatly from year to year.

One of the best practices for dealing with leaf rust is to plant resistant varieties or at least several different varieties of wheat each year. Then, if the disease becomes a problem, not all varieties may be affected. Producers that plant all their wheat acreage to a susceptible variety generally suffer the gr-

eatest losses when a leaf rust epidemic hits.

With good yield prospects this spring because of favorable moisture conditions, producers will need to consider applying a fungicide to their wheat if leaf rust becomes a threat. Using a fungicide is a good alternative if the potential yield exceeds 40 bushels per acre.

Two types of fungicides are available that vary in effectiveness and cost. The systemic-type, Bayleton, is quite effective

but expensive. Protectant-type fungicides such as Manzate 200 and Dithane M-45 are less expensive but are effective for only a short period.

Time of fungicide application is also critical. A producer must consider the susceptibility of the variety being grown, the potential for continued disease development, and the growth stage of the crop. Generally, the flag leaf should be protected from the time it is formed until the grain is filled.

When the threat of leaf rust is great and potential yields exceed 60 bushels per acre, growers should apply a fungicide prior to the development of the flag leaf. In this case, the systemic-type fungicide should be applied at the time of jointing and again as the flag leaf begins to unfold. With protectant-type fungicides, additional applications may be needed to get the same level of control.

Actual control level depends on how well the fungicide appli-

cation is timed, how well it is applied and the seriousness of the rust problem. Fungicides are almost always applied by air, and the best results are achieved when the correct dosage is made in five gallons of water per acre.

Producers expecting a good wheat harvest this spring should be able to get a good return on money spent for fungicides to control leaf rust, assuming there are no other limiting factors.

Roy N. Byrd - Pastor First Presbyterian Church

THE DAY AND A REASON

(Exodus 20:8-11)

For the disciples, a Sabbath day's journey took them from the Mount of Olives into Jerusalem. For you and me, our Sabbath day's journey takes us to church.

Not everyone takes the journey.

One evening, Dwight L. Moody was sitting with a friend by his hearthside. The friend told Moody, "I don't need to go to church. I can worship God by myself anywhere."

Moody listened but said nothing. However, he took some tongs and lifted a burning coal to the hearth. In silence, the two men watched the coal soon smolder, then lose its glow, and finally become a cold cinder. Meanwhile, the fire continued to burn as brightly as before. At last, the friend nodded and said, "I get the point." The point is well made.

We need to take our journey to church each Sunday, don't we. For, as we worship together, our hearts are kindled. We become part of a warm fellowship. And our faith begins to burn brightly within us.

News from....

Kristi Lee Manor

By Audra McGowen

Good Friday was certainly a good day for all of us.

First, we had the Easter party. The kids from the Mitchell County Day Care Center came and hunted eggs and had lots of fun. Kim Marshall won first prize. Chanito Mendoza had second prize. Bubba Lemong was the third prize winner. They all won Easter bunnies.

The ladies from the VFW Wilson Wyatt Post 9178 Auxiliary helped out alot. Dorothy Clark brought cakes and helped serve. Emma Hill also served. Peggy Faulkenberry, Velma Lindsey and Mrs. Bobby J. McClure played and sang for us.

We would like to thank the St. James Church for the cup cakes they made for us for Easter.

The musical Friday night was lots of fun for everyone. We would like to thank Cliff Cox, Mr. Harmon, H. L. Ussry, Lula Leach, Cody Hays and Mrs. Compton for coming and playing for us.

We would like to wish our residents who have a birthday this month Happy Birthday! They are Lula Bowie-86, Earline Northcutt-85, Opal Mote-83, George Fleming-82, John Renner-79, Bea Henderson-78, Noel Marshall-70, Gwen Brown-59 and Ezell Williams-51. A birthday party will be held on the 19th at 10 a.m. Everyone is welcome to come.

CHS senior awarded college scholarship

Julie Waid

By Tony Franco
Sports Editor

After some six hard years of workouts and thrilling local fans, the reward for a few fortunate high school athletes is the step up to the college level made possible by a scholarship. As any coach or player will testify, there are others working behind the scenes to insure everything runs smoothly. Their job has become so important that colleges also extend scholarships to them.

Julie Waid, a senior at Colorado High School is to become one such person.

Waid, a four year participant in volleyball, basketball and tennis, learned last week that Howard County Junior College in Big Spring is offering her a full scholarship to be a manager-trainer for the Queen Hawks.

"It's the same scholarship the players get," said Waid during an interview at the CHS tennis courts, where she was preparing for next week's district tournament.

The Queen Hawks only compete in basketball under coach Don Stevens.

"Coach Stevens told me he expects a lot out of managers and expects the same attitude from managers as from players," said Waid.

Her duties, among others, will include the treatment of injuries and statistics.

"I have to be very specific because statistics are what help athletes as far as making honor teams (All-District, All-Region...)." Waid said that she will be working with two other trainers.

"One has to be there during workouts and all three have to be at the games."

Waid credits head CHS girls coach Mark Merrell and assistant coach Linda Mathis for getting her the scholarship.

"Coach Stevens sent coach Merrell a letter saying whoever is interested should come for an interview."

"Coach Merrell and coach Mathis supported me. Coach Merrell called and set up my visit. Three and a half weeks later, he (coach Stevens) called back."

Before assuming her duties, Waid will attend a 3½ day Cramer workshop July 14-17 at the University of Texas at Arlington where she will learn how to care for injuries.

Waid herself suffered torn ankle ligaments during the past basketball season and was under the care of Dr. James Wimpee of San Angelo.

"He influenced me and was good," said Waid.

"He told me how the ankle and feet work and showed me how to tape it (ankle) so I could keep playing."

"You could tell he enjoyed his job and the people he worked with. I want to pass on the same

positive counseling."

Waid, who wants to major in some sort of medical field or business and minor in the other, expects her position to lead to other things—even social working.

"This summer I have a chance to work with the mentally retarded in Denton."

As far as physical rehabilitation, Waid said "They may have the same injury but it's not routine because everybody's different."

PUBLIC NOTICE

NOTICE TO BIDDERS
By authority of the City Council of Colorado City, Texas, sealed bids addressed to the City Manager, P.O. Box 912, Colorado City, Texas will be received until 2:00 P.M., April 22, 1985 at the City Hall, 180 West 3rd Street for the City's consideration of the following project:
Drilling of a water well at Rudnick Park
Specifications may be obtained at the City Manager's Office, City Hall, 180 West 3rd Street, Colorado City, Texas 79512. The City of Colorado City reserves the right to accept or reject any and all bids. Signed: Elmer Martin, Mayor
Attest: Rita Espinoza, City Secretary
Date: April 7, 1985

INVITATION FOR BIDS

Separate sealed bids for Park Improvements for the construction of a bathroom facility, shelter pavilion, multi-purpose concrete surface, volleyball basketball court, and a tot lot will be received by the City of Colorado City at the City of Colorado City, City Hall, 180 W. 3rd St., Colorado City, Texas 79512 until 2:00 P.M., Thursday, April 25, 1985, and then at said office publicly opened and read aloud.

The Information for Bidders, Form of Bid, Form of Contract, Plans, Specifications, and Forms of Bid Bond, Performance and Payment Bond, and other contract documents may be examined at City Hall, 180 W. 3rd, Colorado City, Texas. Copies may be obtained at the above office between the hours of 8:00 A.M. to 5:00 P.M., Monday through Friday, upon payment of \$25.00 for each set. Any unsuccessful bidder, upon returning set promptly and in good condition, will be refunded his payment, and any non-bidder upon returning such set will be refunded \$10.00. The owner reserves the right to waive any informalities or to reject any or all bids. Each bidder must deposit with his bid, security in the amount, form and subject to the conditions provided in the Information for Bidders. Attention of bidders is particularly called to the requirements as to conditions of employment to be observed and minimum wage rates to be paid under the contract.

No bidder may withdraw his bid within 30 days after the actual date of the opening thereof. Elmer Martin, Mayor
City of Colorado City

NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT

Robert C. Wash, 302 Permian Building, Big Spring, Texas 79720 has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas. The applicant proposes to inject fluid into the

Glorieta/Clearfork. Cone, Well Number 4. The proposed injection well is located 7 miles west of Westbrook, Texas in the Iatan, East Howard Field, in Mitchell County. Fluid will be injected into strata in the subsurface depth interval from 2,553 to 2,786 feet.

Legal Authority: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.

Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512-445-1373).

The City of Loraine is accepting bids for contract mowing of the cemetery. Bids should be submitted to Loraine City Hall, P.O. Box 7 by May 6. For bid specifications, go by or call the city hall at 737-2222. The City of Loraine reserves the right to reject or accept any or all bids.

ORDINANCE NO. 04-11-85-100

AN ORDINANCE FIXING AND DETERMINING THE GENERAL SERVICE RATE TO BE CHARGED FOR SALES OF NATURAL GAS TO RESIDENTIAL AND COMMERCIAL CONSUMERS IN THE CITY OF LORAIN, MITCHELL COUNTY, TEXAS; PROVIDING FOR THE MANNER IN WHICH SUCH RATE MAY BE CHANGED, ADJUSTED, AND AMENDED; AND PROVIDING FOR THE RECOVERY OF ANY CURRENT AND UNRECOVERED PRIOR RATE CASE EXPENSE, PROVIDING FOR A SCHEDULE OF SERVICE CHARGES, AND PROVIDING FOR A MAIN LINE EXTENSION RATE. BE IT ORDAINED BY THE CITY COUNCIL OF LORAIN, TEXAS:

SECTION 1. Effective with gas bills rendered on and after thirty (30) days from the final date of passage of this ordinance, the maximum general service rate for sales of natural gas rendered to residential and commercial consumers within the city limits of Loraine, Texas, by Lone Star Gas Company, a division of ENTERCH CORPORATION, its successors and assigns, is hereby fixed and determined as set forth in Item A, in the Attachment hereto which is incorporated herein.

expressed as an amount per thousand cubic feet (Mcf) of natural gas for changes in the intracompany city gate rate charge as authorized by the Railroad Commission of Texas or other regulatory body having jurisdiction for gas delivered to the Loraine distribution system, according to Item B, in the Attachment hereto which is incorporated herein.

SECTION 3. Company shall also receive tax adjustments according to Item C, in the Attachment hereto which is incorporated herein.

SECTION 4. The residential and commercial rates set forth above shall be adjusted upward or downward by a Cost of Service Adjustment Factor expressed as an amount per customer for changes in the cost of service over a twelve month period ending December 31, according to Item D, in the attachment hereto which is incorporated herein.

SECTION 5. In addition to the aforesaid rates, Company shall have the right to collect such reasonable charges as are necessary to conduct its business and to carry out its reasonable rules and regulations in effect. The charges set forth in Items E and F, in the attachment hereto which is incorporated herein, are approved. Services for which no charge is set out may be performed and charged for by Company at a level established by the normal forces of competition.

SECTION 6. Rate case expense is not included in the calculation of proposed rates. If rate case expense is incurred in this current case, it is the intention of Lone Star Gas Company to recover the current and any unrecovered prior rate case expense through a surcharge designed for a six-month nominal recovery period. The surcharge per Mcf would be calculated by dividing the rate case expense to be recovered by one-half of the adjusted annual sales volume to residential and commercial customers. When a surcharge is applicable, monthly status reports will be provided to account for the collections.

SECTION 7. The rates set forth in this ordinance may be changed and amended by either the City or Company in the manner provided by law. Service hereunder is subject to the orders of regulatory bodies having jurisdiction, and to the Company's Rules and Regulations currently on file in the Company's office.

SECTION 8. It is hereby found and determined that the ordinance passed was open to the public, as required by Texas law, and that advance public notice of the time, place and purpose of said meeting was given.

PASSED AND APPROVED on this 11th day of April, A.D. 1985.

Attest: Kaye Nell Cornutt, Secretary
Tommy Green, Mayor
City of Loraine, Texas

ATTACHMENT TO ORDINANCE NO. 04-11-85-100 CITY OF LORAIN, TEXAS LONE STAR GAS COMPANY TARIFFS & SCHEDULES
Item A. The following rates are the maximum applicable to residential and commercial consumers per meter per month for any part of a month for which gas service is available at the same location. Summer rates shall be applicable between the meter reading dates in May and October (five months). Winter rates shall be applicable at all other times.

Residential:
Charge, winter, \$6,500.00; summer, \$4,500.00; All Consumption at \$4,846.66 Per Mcf in winter and \$4,496.66 Per Mcf in summer.

If the service period is less than 28 days in the winter months, the winter customer charge is 5.2321 times the number of days service.

If the service period is less than 28 days in the summer months, the summer customer charge is 5.1607 times the number of days service.

Commercial: Customer Charge, \$10,500.00, winter; \$6,500.00, summer; All Consumption at \$4,846.66 Per Mcf in winter and \$4,496.66 Per Mcf in summer.

If the service period is less than 28 days in the winter months, the winter customer charge is 5.3750 times the number of days service.

If the service period is less than 28 days in the summer months, the summer customer charge is 5.2321 times the number of days service.

Item B. Gas Cost Adjustment
Each monthly bill at the above rate shall be adjusted for gas cost as follows:

(1) The city gate rate increase or decrease applicable to current billing month residential and commercial sales shall be estimated to the nearest \$0.0001 per Mcf based upon:
(a) A volume factor of 1.0065 determined in establishing the above rates for the distribution system as the ratio of adjusted purchased volumes divided by adjusted sales volumes.
(b) The city gate rate estimated to be applicable to volumes purchased during the current calendar month, expressed to

the nearest \$0.0001 per Mcf (shown below as "Re").
(c) The base city gate rate of \$4.0200 per Mcf.

(2) Correction of the estimated adjustment determined by Item B (1) above shall be included as part of the adjustment for the second following billing month. The correcting factor (shown below as "C") shall be expressed to the nearest \$0.0001 per Mcf based upon:
(a) The corrected adjustment amount based upon the actual city gate rate, less
(b) The estimated adjustment amount billed under Item B (1) above, divided by
(c) Distribution system residential and commercial sales Mcf recorded on the Company's books during the prior year for the month that the correction is included as part of the adjustment.

(3) The adjustment determined by Item B (1) and Item B (2) above shall be multiplied by a tax factor of 1.01872 to include street and alley rental and state occupation tax due to increasing or decreasing Company revenues under this gas cost adjustment provision.

In summary, the gas cost adjustment (GCA) shall be determined to the nearest \$0.0001 per Mcf by Item B (1), Item B (2) and Item B (3) as follows:
GCA (Item B (1)-Item B (2)-Item B (3))

GCA (1.0065) (Re \$4.0200) * C (1.01872)

Item C. Tax Adjustment
The tax adjustment shall be an amount equivalent to the proportionate part of any new tax, or increased tax, or any other governmental imposition, rental, fee or charge except state, county, city and special district ad valorem taxes and taxes on net income levied, assessed or imposed subsequent to July 1, 1984, upon or allocable to the Company's distribution operations, by any new or amended law, ordinance or contract.

Item D. Cost of Service Adjustment
Each monthly bill for residential and commercial gas service shall be adjusted for changes in the cost of providing such service as follows:

(1) Effective with bills rendered for the month of May, 1986 and annually effective each May thereafter, the residential and commercial monthly rate shall be adjusted for changes in the cost per customer of providing gas service (including depreciation but excluding cost of gas, gross receipts taxes, income taxes, and return) for the previous year ended December 31 above or below such cost incurred in the second prior calendar year. These annual adjustments shall be cumulative. The operating expenses used in calculating the adjustments shall be for the applicable distribution system as reported to the Railroad Commission of Texas in the annual report of Lone Star Gas Company.

Should the percentage change in cost of service per customer of providing gas service exceed the rate of change in the Implicit Price Deflator of the Gross National Product over the same period of time, the adjustment will be limited to a maximum change computed by multiplying the cost of service per customer of providing gas service in the second prior calendar year ended December 31 by the rate of change in the Implicit Price Deflator of the Gross National Product. The adjustment per bill shall be rounded to the nearest whole cent.

(2) The adjustment determined by (1) above shall be multiplied by the same tax factor used in calculating the gas cost adjustment contained herein to include street and alley rental and state occupation tax due to increasing or decreasing Company revenues under this cost of service adjustment provision.

Item E. Schedule of Service Charges
(1) Reconnect Charge
In addition to the charges and rates set out above, the Company shall charge and collect the sum of:
Schedule: 8 a.m. to 5 p.m., Monday through Friday, charge, \$20; 5 p.m. to 8 a.m., Monday through Friday, \$30 charge; Saturdays, Sundays and Holidays, \$30 charge; as a reconnect charge for each reconnect or reinstallation of gas service, where service has been discontinued at the same premises for any reason, with the following exceptions:
(a) For a builder who uses gas temporarily during construction or for display purposes.
(b) For the first occupant of the premises.
(c) Whenever gas service has been temporarily interrupted because of system outage, service work or appliance installation done by Company; or
(d) For any reason deemed necessary for Company operations.

(2) Returned Check Charges
A returned check handling charge of \$7.50 is made for each check returned to the Company for reasons of non-sufficient funds, account closed, payment withheld, invalid signature, or improper preparation.
(3) Collection Charge
A charge of \$5.00 shall be made for each instance when it

is necessary for a company employee to go to a customer's residence or place of business in order to collect amounts owed the Company for gas service previously rendered. This charge shall not apply if service is terminated at the time of the collection action. This charge shall apply to only one trip on the same amount owed.

Item F. Main Line Extension Rate
The charge for extending mains beyond the free limit established by Lone Star Gas Company, or any free limit established by franchise, for residential customers shall be the lesser of: (a) the system-wide average cost of construction, including all overheads, for the prior fiscal year or (b) the adjusted actual cost as determined by applying the latest Handy-Whitman Index to the 1975 actual base cost of \$2.94. The Company shall file the calculation of such charge with the city as soon as sufficient data is available each fiscal year. Extension to commercial and industrial customers shall be based on actual cost per foot.

TEXAS GARDENER TIPS

Edible Weeds Add Flavor To Daily Diets

Texas is in the Sunbelt, which means you can grow a garden practically year round. But, as any gardener knows, it also means you have to weed your garden year round.

But you may not have to do as much weeding as you think. Not all of them are your enemy. Many weeds are edible and some are even as nutritious as your garden vegetables. Indeed, some of them even taste good.

During the Depression, dandelion greens were a common replacement for lettuce. The leaves grow in a rosette on the ground and should be picked before the small yellow flower, on a stem a couple of inches tall, emerges.

These young greens can be eaten raw. Or, if they're too bitter for you, try boiling the leaves for five to 10 minutes, then pour the water off, and boil them again. Dandelion greens are high in vitamins A and C and minerals.

Two other common lawn weeds that can be prepared like the dandelion are sow thistle and wild lettuce. Wild lettuce leaves are best if collected when they are very young, before the plant produces flowers. The leaves of some species of sow thistle and wild lettuce have soft spines which can be removed easily before eating.

Pigweeds, known to botanists as Amaranthus, are among the most nutritious wild foods in Texas. Some of the species reach 6 feet in height. The young, mild tasting leaves and stems can be eaten raw or steamed for 10 to 15 minutes and eaten like spinach. They are best collected before the plant blooms. The tiny black seeds can be ground into a flour. Look for the young growth from winter to summer and the seeds from summer to winter.

Other common edible weeds are lamb's quarters, purslane, nutgrass and shepherd's purse. But remember, in sampling any of these plants from the wild, always be sure you have the right plant. Texas has more of everything, including poisonous plants. Also, watch for allergic reactions to the plants. A plant that is considered a gourmet meal by your neighbor may cause you to break out in a rash.

1985 TAX TIPS PUBLIC SERVICE ANNOUNCEMENTS FROM THE MITCHELL COUNTY APPRAISAL DISTRICT

- 1 A new pamphlet by the State Property Tax Board explains property taxation in Texas and outlines your rights and remedies as a taxpayer. Pick up your free copy at your county appraisal district office.
- 2 If you are 65 or over or disabled, and have not applied in 1982, 1983 or 1984, you may qualify for additional property tax exemptions on your home. Contact the appraisal district office for details.
- 3 The Mitchell Co. Appraisal District reminds farmers and ranchers who have not applied in 1982, 1983 or 1984 that the 1985 filing deadline for agricultural productivity valuation in Texas is April 30th. Contact appraisal district office.
- 4 Texas taxpayers have the right to render their property...to provide local tax officials with their opinion of what their property is worth. For forms contact the appraisal district before May 1st.
- 5 Texas veterans with a service-connected disability, or their survivors, may qualify for property tax relief if they file an exemption application before May 1st. Those who applied in previous years, need not apply.
