Have you noticed all the new spring clothing styles coming out? Both men's and women's fashions are in evidence, showing us what we are supposed to be wearing.

However, Thomas and I seem to have a little problem.

While straightening our closet (long overdue) the other day I realized that most of our outfits just don't fit the Haute Couture mode!

It seems that we have two or three fairly decent (though not necessarily the latest) outfits.

Then our wardrobes do a slide downhill from there.

There are the "everyday on ordinary workdays" outfits which are not new, but stainfree, unripped and fair looking.

Then we have those "Wear on Wednesdays when it's dirty, messy and chemicals at the paper will ruin them" clothes. These are in poor condition, bearing odd brownish splotches from splashing chemicals, black smears from newsprint ink, odd pale dots from pressure sensitive wax and generally don't look very handsome at all.

Then we get down to the larger portion of our clothing line.

That's the "these things may last through one more wearing to the pasture" assortment.

They look absolutely awful. They feature rips, worn through holes, large spots of disgusting looking stains, and may range in age from nearly new (but accident prone) to absolutely ancient.

Of course, these clothes are what one wears to do yard work, housework, feed cows, dogs, calves, ducks or whatever in. They are also dandy for carpentry projects, barn building or picking up trash on the side of the road.

Being the wielder of the paintbrush at our house I also have a winter and summer set of painting clothes. These are so covered with different shades of paint, spackle and primer that they look like a contemporary piece of artwork.

All in all at first glance our closet looks (and is) filled to overflowing.

The only thing is...most of the clothes aren't fit for public viewing!

Somehow I feel like this isn't too unusual. How about it folks...does your closet contain more frayed than fashion?

Rivercrest Beta Club Attends Convention

Twenty members of the Rivercrest Beta Club were among approximately 1200 Betas who attended the State Beta Club Convention held at the Hyatt Regency Hotel in San Antonio on January 15-16. Keynote addresses were given by the state officers and Lt. Pete Collins, a state trooper from Mississippi. Betas elected 1993-94 state officers.

Rivercrest Beta Club member Cody Baker won second place in the Beta State Spelling Contest. He will participate in the national contest in June in Charlotte, North Carolina. Other members who competed in academic competitions were: Jennifer Contrell, English; Keitha Gillis, Creative Writing; Felishia Lemonds, Social Studies; Tracey Green, Science; Teri Speir, Math and Jerry Francis, Jeremy Belyeu, Andy Speir and Keitha Gillis in Quiz Bowl. The talent team won second place in the

state contest. Members who presented a medley of songs from the charts were: Amanda Durock, who sang "The Wind Beneath My Wings"; Teri Speir, Tracey Green, Eric Hall and Eddie Williams, who sang "My Boyfriend's Back"; Lore Bush, who sang "Shake the Sugar Tree"; Annette Harper, Felishia Lemonds, Rodney Elliott and Jennifer Cantrell who sang "Awesome God". Jeremy Belyeu was in charge of lights; Jerry Francis and Clay Pirtle were in charge of stage properties; and LaTrishia Belcher and Misty Taylor were in charge of music/sound. Annette Harper was editor of the club scrapbook which was entered in competition.

Rivercrest Beta Club Members attending the convention were: Cody Baker, LaTrishia Belcher, Jeremy Belyeu, Lore Bush, Jennifer Cantrell, Amanda Durock, Rodney Elliott, Jerry Francis, Keitha Gillis,

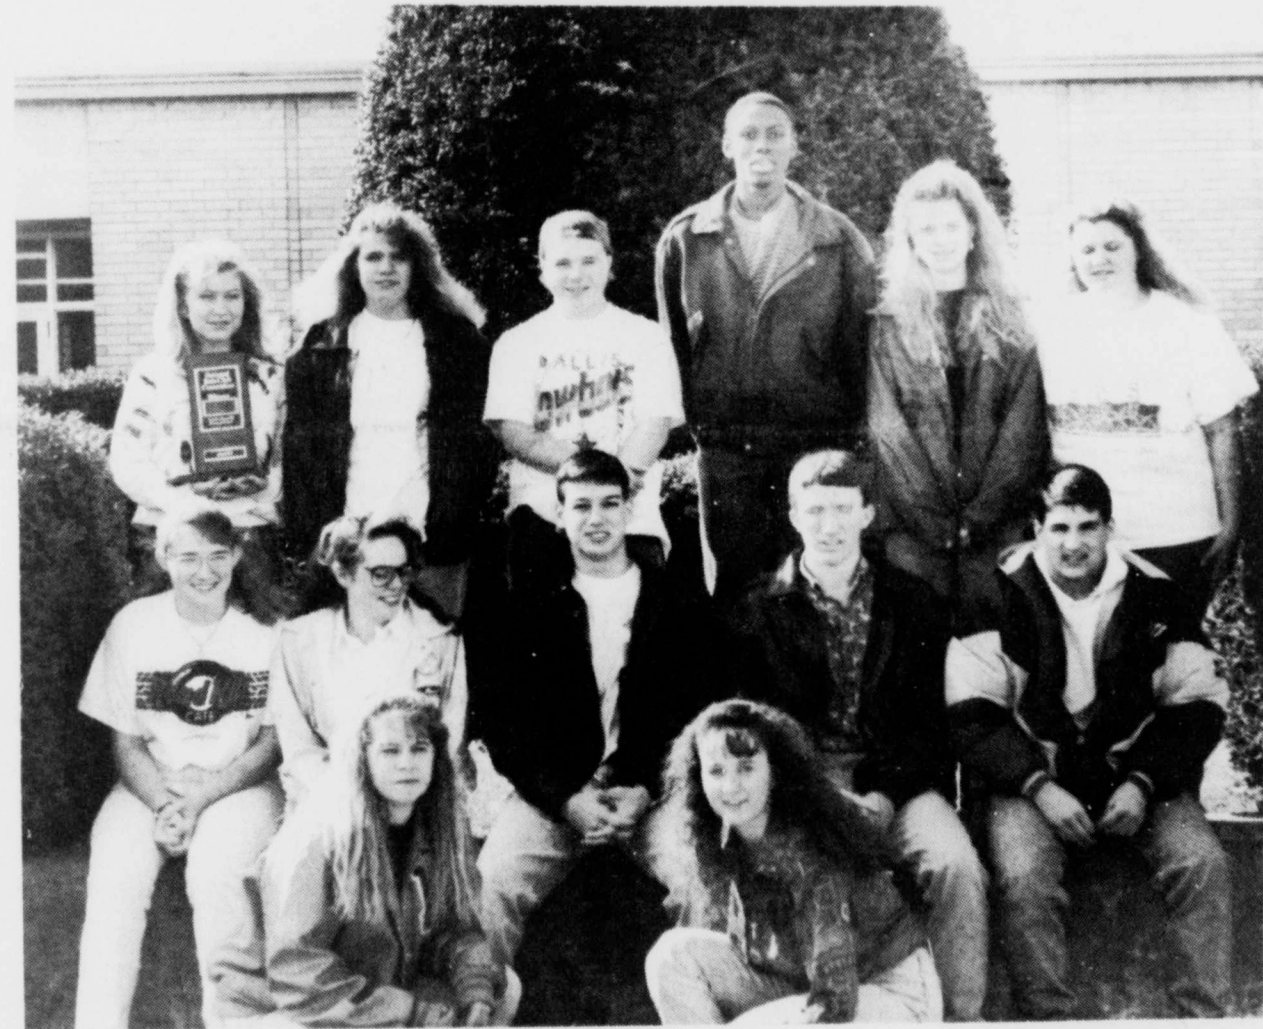

Tracey Green, Eric Hall, Annette Harper, Felishia Lemonds, Wendi Mears, Clay Pirtle, Ashley Ross, Teri Speir, Andy Speir, Misty Taylor and Eddie Williams. Chaperones were Miss Brands Gunter, Beta Club sponsor, Mrs. Kay Kennedy and Mr. Ray Miller, who was elected to a 3-year term on the State Beta Club Council.

The National Beta Club is a leadership-service organization for students to stimulate effort, reward achievement and to encourage and assist its members to continue their education after high school.

Beta Club members appreciate the support given by parents and the community which make the trip possible. Betas thank Mrs. Neva Oats and Mr. Jimmy Rogers for their help with the talent and scrapbook entries.

CODY BAKER is shown with the trophy he won at the State Beta Convention held in San Antonio. Cody placed second in the State Beta Spelling contest. He is a sophomore at Rivercrest High School and is the son of Lynn and Susie Baker. They live in Rosalie. (Staff Photo by Donna Rozell)

Final Week To Order Girl Scout Cookies

This is the final week to place your order for Girl Scout cookies. Girls will be taking orders through Friday, January 29. The cookies sell for \$2.50 per box and are available in seven different varieties. They will be delivered February 25 through March 12.

According to Kathy Jensen, product sale director for Red River Valley Girl Scout Council, troop activities and council services throughout the year are largely funded by annual cookie sales.

If you have not been contacted and wish to order your Girl Scout cookies, contact the neighborhood manager in your area: Lee Williams, 632-4292.

Just a reminder: our head office in Deport and our office in Bogata are closed on Friday. They always have been, since just after the turn of the century. You are welcome to call us at home at 652-5823 (Thomas Nichols Number) or leave a message on the answering machine at the Deport Times.

TSTA Local To Hold Fund Raiser

The Talco-Bogata Local Association of the Texas State Teachers Association will sponsor a chili supper Friday night at Rivercrest High School in conjunction with the Rivercrest-Cooper basketball games. The proceeds will benefit the local scholarship fund.

Serving will begin at 5:00 p.m. The cost will be \$2.00 per bowl with drinks and dessert extra.

The Local Association of TSTA has provided a scholarship to a graduating Rivercrest senior for the past several years. TSTA members urge all fans to come eat chili and support the Rivercrest youth.

People 'N
Things

Bogata Lions Club will meet the first and third Thursdays of each month at 7 p.m.

Anyone with an old Cub Scout or Webelos shirt that would like to give it away please call 632-5230 or 632-4798.

Instructional film, video, textbooks, computer software and other materials available to public schools from Region VIII Education Service Center will be shown to parents and other interested citizens, Friday, January 29, 1993. This media review is scheduled from 9:00 a.m. to 3:00 p.m. at Region VIII Education Service Center Annex, 710 North Jefferson, Mt. Pleasant, Texas.

The book fair will continue at Bogata School Library through Tuesday February 2. Anyone interested in buying quality paperback books, bookmarks, posters, etc. is welcome to come by the school during school hours. These items make excellent gifts. Profits will be used to buy books, magazines, etc. for the school library.

The Rivercrest High School Rodeo Club is selling chances on a Ruger bolt action 30-06 rifle with nylon stock and a scope. Proceeds will help support the Rodeo Club. The drawing will be March 4, 1993. All tickets will be drawn and the last ticket will win the gun.... Tickets are \$2.00 each or 3 for \$5.00. This is the first year to have a Rodeo Club at Rivercrest. Please show your support and purchase tickets from any club member, or you may contact Mr. Rogers at 632-5989.

Stated meeting of the Rosalie Masonic Lodge 527 is the 4th Thursday of every month at 7:00 p.m.

This is the story of Happy who was my dog. He was a people dog too, unless you were a child riding a bicycle and then he wasn't. For reasons unknown to us, he had great resentment of small folk peddling their way along our drive and was not loathe to address the matter immediately.

With some exceptions he slept in from my door until his years and arthritis made the cold weather too uncomfortable and, he then took up winter residence in the haybarn. He was the first to greet visitors because he thought they'd come to see him. Once when I was unable to move about much he and I spent hours on the porch. He didn't talk much but was a great listener, never critical, never bored. Would put his chin on my knee or in my hand and look straight into my eyes as if to say, "I love you." I loved him, too.

My sister said he reminded her of Templeton, the rat, in *Charlotte's Web* and he did have that certain twinkle in his eye.... I may have resented the rat part but he never seemed to, being good natured and all.

Everyone who knows me realizes that I am a soft touch for animals in

trouble and he surely was that when we found him..... Front feet infected and covered with ticks was he. After some struggle, as he was quite large even though young, we put him in the truck seat and set off for the vet clinic. \$60.00 later we had our feet on the mend and that was in 1987.

Most of the time we are feeding more dogs than we own, and, on occasion have accused Happy of inviting friends in for meals and a romp. He never denied it.

It's reported that when I was gone for a few days or for months on one occasion, Happy's face would become sad and remain so until I returned. He was grateful for being saved and never passed an opportunity to show it.... If I worked one of the horses he sat and watched, (usually in the path)..... He was at the bedroom window mornings (weather permitting) and met me always in the drive when I returned home. He was my dog, and I was his person.

Happy died, December 14, 1992 with my hand on his head.

Man Survives Fall From Gym Ceiling

Robert Moses, an electrician, fell through the ceiling of the Deport Gym while working Saturday.

He struck a scaffold on the way down, and was transported to McCuiston Regional Medical Center in Paris by Ambulance.

Deport Volunteer Firemen also responded to the call.

According to hospital authorities, Moses was discharged Monday morning with a fracture to the leg, multiple bruises, and soreness but no life-threatening injuries, which is amazing considering the height he fell from.

BECKY WHITE, a candidate for May graduation from East Texas Baptist University in Marshall and a former student of Bogata school, presented a program for students of the first and third grades at Bogata School library on Monday. Ms. White told the students that songs were written and then set to music and also showed them some of the song books from the library. She accompanied students on the guitar while leading them in singing examples of songs of three different types.

Students were allowed to ask questions and everyone enjoyed

the program. (Staff Photo by Donna Rozell)

JUDY SCREWS, Country Cooking column editor, visits with some of the ladies of De-

port Nursing Home in this weeks Country Cooking column. (Staff Photo by Judy Screws)

Country Cooking

By Judy Screws

My visit to the Deport Nursing Home was a real treat. Instead of having one featured cook this week, we have six.

The residents who were kind enough to let me intrude on their time were Mrs. Lela Carrell, Mrs. Miriam Shannon, Mrs. Lillian Gamble, Mrs. Meldina Palmer, Mrs. Elizabeth Barnett and Mrs. Johnnie Warren.

Mrs. Carrell, who is from Fulbright, worked 14 years at Belk's in Paris. She lists some of her activities as sewing, crocheting and reading. Mrs. Carrell is a member of the Church of Christ and has one son and two grandchildren. Chocolate pies and pinto beans were two of the things she enjoyed cooking.

Mrs. Shannon is from Sylvan community. She enjoys playing the piano, piecing quilts and sewing. Mrs. Shannon has one daughter, one grandchild and two great-grandchildren. She is a former school teacher and attends the Methodist Church. Candy is one of her favorite things to make, and she is sharing a lime jello recipe with us.

Mrs. Johnnie Warren, a Baptist, lived at Milton until about 20 years ago. She then moved to Deport. She has always enjoyed fishing, playing the piano, quilting and crocheting. She recalls that she enjoyed cooking sweets more than other foods. Aunt Johnnie and Uncle Ross had no children, but she has an abundance of nieces and nephews. She is sharing

her Date Nut Pie recipe with us.

Mrs. Gamble has a niece, Pat Clements of Blossom. She attends the Church of Christ, and enjoys crocheting and playing bingo. Making pies is also something she enjoys. At one time, Mrs. Gamble worked at a basket factory in Texarkana. She has also lived in Blossom.

Mrs. Palmer has lived in Wichita Falls and is a Baptist. Sewing is one of the ways she spends her time. Mrs. Palmer has a son, Kenneth, who lives in Bogata and has three grandchildren. At one time, she was a practical nurse. Mexican food and red beans are some of the things she enjoys cooking.

Mrs. Barnett's son, grandson and one of her great-grandsons are all named William K. Barnett. The other great-grandson is named Drue. One of the places Mrs. Barnett has lived is Paris and she has done everything from working at a lumber yard to leading a choir. A Methodist, Mrs. Barnett enjoys crocheting, reading, singing and shelling pecans. She is sharing her Buttermilk Cake recipe with us.

Thanks so much to these ladies for making my day. I really enjoyed meeting the ones I didn't already know. I'd also like to thank Joni Kincaid, Activities Director, for her help and the Castleberry's, who are the owners and administrators, for their cooperation.

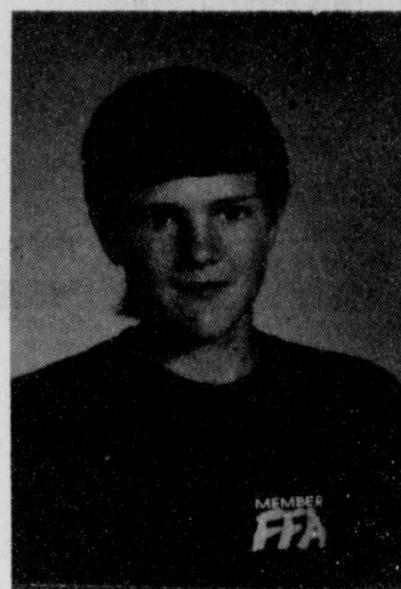

Frank Murphy Dies January 21

PJC LVN Program Accepting Applications

Applications for the Paris Junior College licensed vocational nurse (LVN) program will be accepted through March 31 for classes beginning in July, according to Sandra Chadwick, director of the LVN program.

Applications submitted after March 31 will be considered on a space-available basis, she said.

Students applying to enter PJC's LVN program must submit pre-test scores. Pre-tests for prospective vocational nursing students are given at 1:00 p.m. each Monday and Wednesday in the testing center, located in the Mike Rheudasil Learning Center. The 90-minute examination covers reading and basic mathematics. Students must be at

least 17 years of age, possess a high school diploma or GED prior to admission, and be at the test center at the scheduled time to be eligible for testing.

The pre-test will be given twice in Commerce at ETSU, Henderson Hall, Room 303; Friday, February 5 at 9 a.m. and Friday, February 26 at 9 a.m.

No fee will be charged for the pre-test. You must indicate you are taking the test for Vocational Nursing.

Applicants are eligible to take the pre-test only twice per year unless learning skills remediation has been completed for the area(s) not passed.

For additional information, call Chadwick at 903-737-4355.

Wrap up hot water comfort and button down energy savings

An insulation blanket can dress your water heater for energy success, especially if the heater is located in an unheated area of your home. Insulating the hot water pipes leaving the heater and adding a heat trap loop can also save energy.

Another way to save on the cost of heating water is to keep the heater set between 120° to 140° F. As a final money-saving accessory, consider a timer for the heater so that the heater doesn't cycle on when you're not home.

For more information about saving energy, call or visit your local Texas-New Mexico Power Company office and ask for the free booklet, "Energy Management Guide."

I Got Mine At Elliott Motors!

This 1993 Grand Cherokee Laredo Belongs To Bill White Of Bogata, Texas.

Bill Says "I Love my '93 Jeep. The Quadra-Trac 4x4 and the appearance are the main reasons I bought a Jeep. But it handles like a dream and I like it better every time I drive it. I like to fish and the new 318 Magnum engine gives me plenty of power to pull my boat while enjoying all the luxuries the Grand Cherokee offers. The new Light Driftwood color is one of the prettiest colors I have seen. I was also very impressed with my salesman, Michael Whitney. He treated me right and gave me a good deal!"

R.H.S Junior Varsity Girls And Boys Results

The Rivercrest Rebel and Lady Rebels traveled to Prairiland Tuesday, January 19. The Junior Varsity Lady Rebs began the evening's action. The Lady Rebs could not hold off the Lady Patriots' strong attack and were defeated. High scorer for R.H.S. was Norma Jasso. Also scoring were Jaime Swarts, Susie Moles, Amanda Savage and Heather Holland.

The J.V. Rebs gave the crowd an exciting game, coming from behind only to fall short. The Rebs began the game very sluggishly and every point made was hard for the team in the first half. The second half saw a better-played game for the Rebs, while the Patriots continued their controlled play. Jack Brown was high scorer for the Rebs with 18 points, 4 of which were 3 pointers. Jeremy Weatherall followed with 13 points. With 24 seconds left and the Rebs behind 1 point, a foul put the Patriots at the line. One of two was made. Rebs down 2 points with 5 seconds left on the clock, the Rebels Andy Speir went for the 3 pointer, but as luck would have it, the shot was a near miss. The final score was 67-64 Patriots. Also scoring for the Rebs

were Andy Speir, Jeremy Loggins, Rodney Humphrey, John Davidson and A. J. Lee.

Varsity Girls

The Varsity Lady Rebels took the court to break the night's losing streak. The game was a cliff hanger for both teams. First quarter action ended 11-12 R.H.S., and ended at the half 22-25. Both teams were called down by officials for pushing, but a simple reprimand did not stop the game from looking more like football than basketball. The Lady Rebs held their own in the contest, but lost La Trisha Belcher and Chasity Hall to foul trouble. Ashley Ross and Kathy Hinsley came off the bench to help pull the game out. The girls did a good job controlling the Lady Patriots' Jan Scudder. High scorer for the Ladies was LaQuitta Norman with 14 points, 3 of which were 3 pointers, followed by La Trisha Belcher with 8 points. The last 45 seconds of the game determined the winner, Lady Rebs 46-43.

Also scoring were Chasity Hall, Konya Nickerson, Michelle Giles, Stacey Benfield, Karen Williams, Kathy Hinsley and Ashley Ross, who also made a 3 pointer.

J.V. Boys - Varsity Girls Friday Night Results

On Friday, January 22, the Rivercrest Junior Varsity boys, Varsity girls, and Varsity boys hosted Chisum. The J.V. boys began slowly, ending the first quarter 12-11 Rebels. By halftime the Rebs were kicking, 32-23. Rebs Andy Speir had an outstanding night on the court, netting 3-3 pointers and finishing as high scorer for the team with 18 points. Jeremy Weatherall followed with 17 points. Final Rebels 71 - Mustangs 53. Also scoring were Jack Brown, Stephen Thomas, Rodney Humphrey and John Davidson.

The Varsity Lady Rebels began their game on a roll. The quick hands of La Trisha Belcher, La Quitta Norman, Konya Nickerson and Kathy Hinsley saw the Lady Mustangs run

ragged just trying to make it down court. Half-time score was 34-15 Lady Rebs. Michelle Giles had a good night for the team, scoring from her post position and popping her free shots. Jenny Bond and Shaunda Jones came off the bench to have a good game for the team. Karen Williams also pulled down rebounds well for the Ladies.

The Lady Mustangs were just no match for the Lady Rebs. High scorer was Michelle Giles, followed by Kathy Hinsley. Also scoring were Konya Nickerson, LaQuitta Norman, La Trisha Belcher, Ashley Ross, Stacey Benfield, Karen Williams and Shaunda Jones. Final was 67-31 R.H.S.

Rebels Blast Mustangs 98-39

The Rivercrest Rebels ran and pressed their way to a convincing victory against the Chisum Mustangs Friday night at Rebel gym. Visitors were never in the game as the Rebels came out very intense and stayed that way. Ten Rebels were in the scoring column as their depth produced good results. The Rebels bench outscored Chisum's 28-11 which was a big factor in the game. The Rebels led 20-12 after one quarter, however, the Rebels outscored Chisum 36-7 during the second quarter to take a big 56-19 half-time lead. The Rebels coasted throughout the second half. The district 17-AA win made the Rebels 3-0 in district play with very important games coming up this week. Tuesday

the Rebels were to journey to Wolfe City to play the ever tough Wolves. Friday night they will entertain the Cooper Bulldogs. Friday night's game against Chisum was a very exciting game and the local fans showed their appreciation by continuously applauding the Rebels for their fine play. Eddie Williams' slam dunk during the second quarter really woke up the crowd. The Rebels and Lady Rebels both played before a packed home side.

Coach Wood's comments, "We played very hard Friday. We were unhappy with our performance at Prairiland and we know we could play a lot better. We know that Prairiland has a very good team and they

played hard! They had a lot to do with the way we played. They had all our defenses and offenses memorized and executed their game plan extremely well.

Against Chisum we shot well and out bench is getting stronger. We have some players that are getting better every game. They want our team to be successful. I'm so pleased that we have a very close knot group of young men. They are making individual sacrifices to make our team better. Each player seems to be putting our team play first which is very important. We have 7 tough district games left and we must play well each game if we are to win."

Savor The Cooler Mornings!

NOTICE

It is extremely difficult to keep up-to-date rosters on the numerous basketball teams. Uniform changes, failures at six weeks and the fact that many times numbers aren't clearly identifiable has resulted in wrong names being assigned to players occasionally. In an effort to avoid this we are not currently using names.

Help Support Rebel Athletics

There will be three invitational track meets on the new track and field complex at Rivercrest High School this season. Track coach, Terry Hill, is asking for interested persons to help with any or all of these meets. If you can help in any way, on any of the listed dates please contact Coach Hill as soon as possible or Athletic Director, Ray Miller. Call Rivercrest school 903-632-5204.

Immunization Clinic Scheduled

The Texas Department of Health, Public Health Region 7 office, announced plans today for the continuation of a series of monthly immunization clinics for all children needing immunizations, who meet the required family income determination guidelines.

The next clinic will be held February 4.

The clinic will be conducted from 9-11:30 and 1-2:30 at 1300 Highway 37 North, Clarksville, Texas.

Future clinic dates will be announced. Parents may call the clinic for an appointment for their child, (903)572-9877, or arrive on a walk-in basis.

The Health Department emphasizes that this clinic is available to all preschool and school age children who meet the family income guide-

lines, beginning at two months of age. Immunizations offered include Measles/Mumps/Rubella, Oral Polio, Diphtheria/Tetanus/Pertussis and Tetanus/diphtheria. The Haemophilus Influenzae type b vaccine is also available to medically eligible children between the ages of 2 months and 60 months. The pneumonia vaccine is available to all high risk patients meeting income guidelines. All children must be accompanied by a parent or legal guardian. Parents are reminded to bring the child's immunization record and Social Security number if available. The Tetanus/diphtheria vaccine is available to medically eligible adults. Should the parent or legal guardian have questions, please contact the above noted field office staff.

Writing Explores Subjects And Learning For Students

Writing is one way Talco-Bogata students can explore subjects and learn. Much writing occurs in the schools, especially in high school English classes.

Last week all juniors in Mrs. Russell's English III classes probed the subject of education. The students developed their ideas by pre-writing, outlining, drafting, editing, revising and writing expository essays from which the following by Tracey Green was selected for publication.

Tracey is the daughter of Elmer and Bonnie R. Green of Bogata. She is a 17 year old junior and a member of the Beta Club, National Honor Society and FFA.

Education-The Key To Success

Education is the key to success. Education is one of the most important things used in order to obtain success. Almost every successful person owes his or her success to education. There are many aspects of high school. Although all of them may not fit your lifestyle, you should be able to find one that interests you.

High school offers a variety of sports from which to choose. Basketball is one of the most popular among high school students. Basketball provides good exercise, which teens

need. It also builds team spirit. There is nothing like a good game of basketball. Another popular sport is track. Track is a sport that keeps you on the run. This sport keeps you healthy and in shape while providing competition among schools.

For those who may not be athletic, U.I.L. academics may be the thing for you. There are many events you can enter. One of these is poetry. Poetry helps you develop skills such as memorization and public speaking. Both skills you will use for the rest of your life. One of my favorite U.I.L. events is Prose, which deals with memorizing stories.

If you are not interested in competition, maybe clubs are for you. Academic clubs stress scholarship, leadership and helping others. Beta Club and National Honor Society are two of the many academic clubs from which a student may choose. Other popular kind of clubs include Future Farmers of America and Future Homemakers of America. Both these clubs encourage future success.

High school is an experience that stays with you forever. During your high school years, a lot of growing and learning occurs. The various activities that are associated with high school help encourage students to do their best.

What Are Children Eating?

By Virginia Brock
Although two recent studies showed that there is room for improvement in the diets of American children, drastic changes are not necessary to achieve diets lower in total fat.

The National Health and Nutrition Examination Study II collected food intake data from 7,462 children ages 1 to 17 years. The consumptions of total fat averaged 35 to 38 percent of total caloric intake. Between 37 and 55 percent of American children consumed more than the recommended amount of total fat. Saturated fat made up a large proportion of this fat intake: 14 percent of calories across all age groups in black children and 13 percent of calories across all age groups in white children. Carbohydrate intake was lower than recommended levels. Protein intake was adequate (11 to 18 percent calories). However, between 20 and 24 percent of adolescent females had intakes below the recommended amount for protein.

Cholesterol intake per 1,000 calories was highest among children between the ages of 12 and 23 months. Cholesterol intake per 1,000 calories decreased with age and, except in black youngsters between the ages of 2 and 10 years, averaged out to be between 141 to 147 mg/1,000 calories.

The second more recent study examined the diets of children from the Woodlands, Texas. Dietary intakes of 138 children in the 5th to 12th grades were studied. On average, both girls and boys ate 35 percent of their calories in the form of fat. Thirteen percent of total calories ingested were in the form of fat.

These two studies show that the typical high fat diet eaten by American children can be improved by focusing on reducing fats.

This can be achieved by limiting rich desserts, high fat spreads and snack foods and by increasing fruits, vegetables, and whole grains, and by encouraging the consumption of low-calorie meats and dairy products.

JMBC Has New Pastor

Rev. Glen R. Moore has been called as the new pastor of the Jhontown Missionary Baptist Church. He and his wife, Jennifer, their daughter Ashley, age 9, and their son Tyler, age 4, moved into the parsonage at Jhontown January 6. Bro. Moore comes from Omaha where he has been pastor for the past three years. He and Jennifer are natives of Houston. He is a licensed Pastoral Counselor, has a Certificate of Bible Counseling, and is a Certified Behavioral Analyst. He received his Masters of Theology degree in 1992 from Texas Baptist Institute and Seminary, Henderson. His hobbies include running, skiing, scuba diving and sky diving. Everyone is invited to come by and visit with him.

Beware Mail Fraud

The Postal Inspection Service is warning consumers today not to fall prey to a nationwide mail order scam that is encouraging the underpayment of first-class postage. Promoters of the mail order scam are selling an information package at a cost rang-

ing from \$5 to \$100 that describes how to mail first-class letters for 2¢, rather than the current rate of 29¢. The scheme is designed to bilk the postal customer out of their money using inaccurate and out-of-date information, says Inspector in Charge D. C. Strader.

The information packages cite Title 39, United States Code, Section 4253, as a legal basis for the 2¢ first-class rate. Inspector Strader advises that this section was eliminated in August 1970 under the Postal Reorganization Act. The current first-class rate is 29¢ for the first ounce or fraction of an ounce.

Unfortunately, some letters bearing only a 2¢ stamp have been delivered without collection of the deficient postage, and that has given credence to the claims made by the promoters of this fraudulent scheme.

This is because most mail is processed through automated equipment, and not because it is legal to mail at the 2¢ rate. Postal Inspectors investigating this scheme have filed administrative and criminal complaints against the promoters. It is our goal to protect the Postal Service from loss of revenue and to stop this fraudulent promotion, says Inspector Strader.

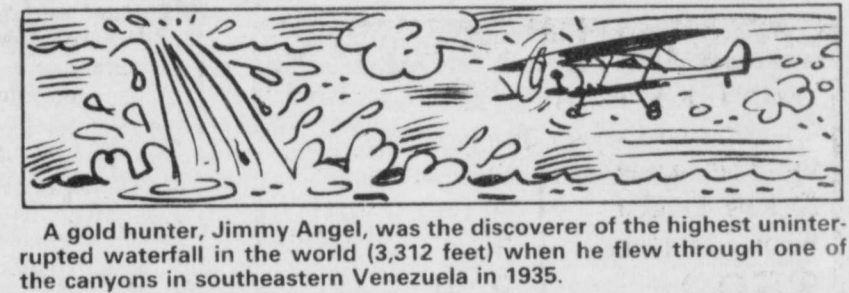

Postal employees have been alerted to the scam and are being instructed to check first-class mail for appropriate postage. Any mail carrying less than 29¢ will be delivered with a charge for the amount due as required by postal regulations.

Inspector Strader advises postal customers not to fall victim to this illegal scam. The penalty for mail fraud is a fine of not more than \$250,000.00 or imprisonment for not more than five years, or both. Postal customers who receive this package are asked to forward all the material to their local postmaster or to the Postal Inspector in Charge, Fort Worth Division, P. O. Box 162929, Fort Worth, TX 76161-2929.

Man Survives Fall From Gym Ceiling
 Robert Moses, an electrician, fell through the ceiling of the Deport Gym while working Saturday.
 He struck a scaffold on the way down, and was transported to McCuiston Regional Medical Center in Paris by Ambulance.
 Deport Volunteer Firemen also responded to the call.
 According to hospital authorities, Moses was discharged Monday morning with a fracture to the leg, multiple bruises, and soreness but no life-threatening injuries, which is amazing considering the height he fell from.

Comments From Your County Attorney
Jack Herrington

What happens when a felony crime is committed? The usual sequence is as follows:

1. INVESTIGATION - may lead to an arrest and may continue until trial. The investigation may also lead to an unsolved crime or insufficient cause for arrest.
2. ARREST - a suspect is taken into physical custody by a law enforcement officer.
3. BOOKING - this takes place at a police station or jail. The suspect is fingerprinted and photographed to record his arrest.
4. BONDING - a magistrate sets a bond for the crime and advises the suspect of the charge and his rights. The suspect makes the bond and is released pending further action or if he can't make a bond, remains in jail.
5. REFER TO COUNTY ATTORNEY - the investigation information is turned over to the county attorney's office by the law enforcement officers. The County Attorney reviews the facts of the case and determines if the evidence is adequate to proceed further with the case.
6. GRAND JURY - if the evidence is good enough, the County Attorney submits the case to the Grand Jury. If the Grand Jury true bills the case, the defendant is handed over for trial.
7. TRIAL - the defendant is entitled to a jury trial or he may enter a guilty plea. If the plea is not guilty, the County Attorney prepares for trial and prosecutes the case before a jury of 12 citizens, whereby the defendant is either found guilty or acquitted. If the defendant pleads guilty, the District Judge sets the punishment, which can range from probation to a term in prison. The prosecuting attorney can recommend punishment he thinks is proper for a particular case, but he cannot set the actual punishment handed down by the court.
