Mr. and Mrs. Kenneth Galloway of Shallowater have announced the birth of their daughter, Sara Kate, on Thursday, Sept. 21, 1989. She weighed seven pounds and 12 ounces. You will remember Mrs. Galloway as Pam Jackson, music teacher for Cisco Public Schools a few years ago.

Allsup's Convenience Store has a collection of gas tank caps that customers have left. If you're missing a gas tank cap, you might check with them.

Mr. and Mrs. Mike Pittman have made a donation to Cisco Elementary School Library in memory of their daughter, Chanda. The money was used to purchase books for the library.

This week promises to be a busy one on the Cisco High School campus. Everyone is getting ready for the big homecoming parade Friday and the game against Bangs Friday night.

The junior high teams and junior varsity will travel to Bangs Thursday night for action.

## Rev. DuBois To Be Installed As Pastor At Redeemer Lutheran

The Rev. Loren A. DuBois will be installed as the pastor of Redeemer Lutheran Church on Sunday, Sept. 24, at 4 p.m. Pastor DuBois and his wife Beverly will be honored and welcomed with a reception, pot-luck dinner, and pouncing immediately following the installation service.

Pastor DuBois and his wife moved to Cisco from Bay City, Texas, where he served the dual congregations of Our Savior, Bay City, and Our Redeemer, Palacios.

Pastor DuBois was ordained into the holy ministry on August 17, 1986, at Rivercliff Lutheran Church in Dunwoody, Georgia. He had pursued his undergraduate studies at Concordia College, Milwaukee, Wisconsin, and graduated with a BA degree in theology and was certified

In May of 1982, Pastor DuBois entered Concordia Theological Seminary in Fort Wayne, Indiana, to begin his preparation for the holy ministry. He graduated on July 23, 1986, after completing his studies and two years of theological internship at Rivercliff Lutheran in Dunwoody, Ga. The Rev. Loren DuBois began his ministry when installed at Bay City and Palacios in August, 1986.

Pastor DuBois is married to the former Beverly Holland of St. Petersburg, Fla. They have two daughters, Lori and Lisa, of Atlanta, Ga., and Bay City, Tx. Pastor and Mrs. DuBois will reside at the Lutheran parsonage at 1610 Conrad Hilton Avenue.

## Cisco Jr. Varsity Outscore Coleman Jr. Varsity 6-to-0

Cisco Junior Varsity defeated the Coleman Junior Varsity by a score of 6-to-0 in action at Chesley Field Thursday night. This brings the JV record to 3-0.

Coach Charles Parnell had to start a new backfield. Starters Cullen Rabel is hurt and Jay Nixon has been moved to varsity. Members of the new backfield are Johnny Morrison and Terrence Fletcher.

The only score in the game came when Cisco's Morrison ran 66-yards. The point after failed, and Cisco led 6-to-0.

Morrison had 107 yards rushing, and Fletcher had 81 yards.

Outstanding players on the offensive line were Randy Boles, Joel Prickett and Robi Speegle. Coach Parnell praised the entire defensive line which allowed Coleman past the 50 yard line only once in the second half. Gerry Page and Jr. Stroebel did a great job at linebackers, Coach Parnell said.

Junior Varsity travels to Bangs next Thursday night and will play following the junior high games.

Tax Is 28 Cents Per \$100 Valuation

# Hospital Board Sets Tax Rate

The E.L. Graham Memorial Hospital Board voted Tuesday, Sept. 19, to set the Hospital District tax rate at 28 cents per \$100 valuation.

The rate before the raise was 12.7 cents, slated to become an effective rate of 14.14 cents.

Three board members voted for the 28 cent rate, and one against. Both supporters and opponents of the tax were at the hospital during the meeting.

Board President Robert E. Conner stated that the 28 cent rate is necessary to keep the hospital in operation. After the meeting several opponents told news media that petitions opposing the raise were "now in circulation."

Signatures of 10 percent of the hospital district voters are needed for a tax rollback election. If such a petition is presented, the hospital board has up to 20 days to determine the validity of the

document. If found valid, an election must be ordered in not less than 30 or more than 90 days.

A deficit of \$254,000 is projected for the hospital next year, unless more patients are treated locally and medicare and medicaid payments improve.

In Tuesday's meeting the board also approved a con-

tract with Physicians Recruitment Service to locate two new doctors for Cisco. Don Henry, hospital administrator, said he had knowledge of this locating firm, and their success rate was high. He said it would probably be at least 60 days before the first interview with a physician desiring to locate here. The search will

go on for at least a year, if needed. The hospital presently has only one doctor on its staff.

The board also approved the hiring of a consultant social worker from Abilene on a once-a-month basis. This is required to be in compliance with hospital regulations.

There was a discussion on

the possibility of setting up a 10-15 bed drug rehabilitation program at the hospital. In other action, approval was given to the sale of old lab equipment and/or its donation to local schools.

The board agreed to set up a steering committee to

build support in the community for the hospital.

Members stated that they felt one of the best ways to do this was to keep the public informed on the need for the hospital and the type of care available in it.

## City Council To Meet In Regular Session Tues.

The Cisco City Council will meet in regular session at 6 p.m. Tuesday, Sept. 26, in the Board Room of the Hilton Community Center.

Items to be discussed include the special called meeting of Aug. 29, emergency called meeting of Sept. 5, and regular meeting of Sept. 12.

Frank Young will be presented an award certificate of retirement, and Wednesday, Sept. 27, will be proclaimed "Frank Young Day."

The financial report of August and the city manager's report will be given.

In old business, the council will consider approval of a resolution of the city council of the City of Cisco creating an airport advisory board and establishing duties of said board; authorizing the airport board of adjustment to function as said board, and establish an effective date. They will consider appointment of five-member joint airport advisory board and airport zoning board of adjustment for Cisco Municipal Airport.

The council will consider the appointment of an independent auditor for the City of Cisco for fiscal year 1988-89. They will also consider approval of an ordinance adopting the budget for the fiscal year Oct. 1, 1989 through Sept. 30, 1990 for the City of Cisco, second reading. The council will

consider the appointment of election judge and alternate election judge for the Jan. 20, 1990, city general election and for the absentee ballot board.

In new business, the council will consider approval of a resolution of the City Council of the City of Cisco authorizing the city to enter into an interagency agreement with the County of Taylor and a cooperative working agreement with West Central Texas Interlocal Crime Task Force; authorizing the city manager to execute said agreements; and establishing an effective date. They will also consider approval of a resolution of the City Council of the City of Cisco in support of Proposition No. 8 on the November ballot for funding for construction of new correctional facilities.

## CCD Classes To Begin Wednesday At Catholic Church

CCD classes at Holy Rosary Catholic Church will start Wednesday, Sept. 27, from 6:15 to 7:15 p.m. Classes will be in the Parish Hall.

Anyone who needs to register may do so after Mass Sunday or may call Jennifer Alexander at 442-4072.

## Homecoming Parade To Be Held September 29

The Cisco High School Student Council would like to thank all those who are planning to enter this year's homecoming parade Friday, Sept. 29. The line-up time is 2:15 p.m. Please check the map (see inside page) for the starting places.

Entries will be judged shortly after the line-up, and

trophies will be awarded at the judges stand.

The parade will proceed south on Conrad Hilton Avenue, turn right at 10th Street, and continue to the Thrift Mart parking lot for a pep rally. The Lobos will play the Bangs Dragons Friday night at 7:30 p.m.

## Top Musicians Expected At Old Rip Day Fiddler's Contest

Get set for a great Texas Old Time Fiddler's Association Contest on the Court-house Square in Eastland on Old Rip Day, Oct. 7. Fiddlers are asked to sign up for the Contest at 4:30 p.m., and the music will begin at 5 p.m.

Musicians are planning to come from around the state to enter the competition, says Robert D. Weeks, Contest Chairman. Weeks, a Board Member of the Texas Association of Fiddle Players, says that anyone who is not presently in the organization may contact him and become a member.

At the Contest fiddle players will be grouped in the following categories: Ages 0-15, 16-29, 30-59, and 60 and up. There will also be a Grand Championship Playoff and a Guitar Picking Contest. Three places will be awarded prizes in the last two categories, with

five places in the 0-15 group and four places in the other categories.

## Cast For CJC 'Midsummer Night's Dream' Is Announced

Cast for "Midsummer Night's Dream," to be presented by Cisco Junior College on October 30, 31, November 1-5 at the Hilton Community Center is as follows:

Theseus, King of Athens, Daniel Huff of Hamburg, Iowa; Hippolyta, Queen of the Amazon warriors, Danetta Bible, Rising Star; Egeus, mother to Ilermia, Stephanie Kimbrough, Cisco; Hermia, Shannon Vann, Huntsville; Lysander, in love with Ilermia, Lee Dycus, Abilene; Helena, in love with Demetrius, Jill Reynolds, Cisco; Oberon, king of the forest, Gary Minter, Breckenridge; Titania, queen of the forest, Leila Hawari, Cisco; Cobweb, Titania's servant, Teresa Pevey, Cisco; Quince, leader of a troupe of actors, Kim Graham, Merkel; Bottom, an actor in the troupe, Jason Duensing, Electra; Flute, David Jackson, May; Starveling, Dana Gossett, Blanket; Snug, Quint Ilibier, San Saba.

The play is directed by Tom Brown, and the dramaturg and dialect coach is Carol Brown.

In Shakespeare's classic comedy favorite, young star-crossed lovers are kept

apart by the interference of a group of mischievous fairies. Complications are furthered when a troupe of actors, while rehearsing a play, become involved in the action. All is returned to normal when morning comes and everyone is back with their "intended."

A "Midsummer Night's Dream" was written in 1594 for the wedding of two members of the court. This wedding reputedly was attended by Queen Elizabeth I and the play was written as entertainment for the recep-

tion, hence the preoccupation with love and good fortune.

"A Midsummer Night's Dream" will be presented by Cisco Junior College October 30, 31, and November 1 and 7:30 p.m. with admission price \$1. Dinner performances will be November 2, 3 and 4 at 8 p.m. with admission price at \$10. A Sunday matinee will be held at 2:30 p.m. November 5 with dessert served. Ticket price is \$5. For reservations or more information call (817) 442-2589.

## Jana Yowell Places First In Cross Country Meet At ACU

Jana Yowell won first place at the Cross Country meet held at Abilene Christian University on Saturday, Sept. 16. She had a time of 13 minutes flat for the two mile run.

CHS's Marlena Trice placed 15th. Others running were Lori Yowell, Tricia Hutchins, Melissa Batteas, Kelly Crozier, Sandy Price, Kim Fields, Stacy Alvarado and Josie Flores.

In the boys' division, Steve Summers placed 7th with a time of 18:30. Also running for Cisco were Keith

Stowe and Trey Bilbrey.

The next cross country meet will be Saturday, Sept. 30, at Anson Country Club. Boys will run at 9 a.m., and the girls will run at 9:30 a.m.

## Second Annual Christmas Market Set In November

The second annual spectacular Christmas Market at the Hilton will be held at the Hilton Community Center on Saturday and Sunday, November 18-19. Since booth space is limited and will fill up quickly, local exhibitors who are interested in displaying and selling their seasonal arts and crafts are encouraged to reserve their booths promptly.

Booths 8x10 will be \$25, and small booths will be \$15. There will be an extra fee for use of electricity and/or table rental. To obtain your reservation form, please call 442-4446, or contact Mrs. Lisa Moore.

## Seventh Grade Team Ties Coleman 6-to-6

Cisco Junior High 7th grade team fought the Coleman team to a 6-to-6 tie in a defensive battle at Chesley Field Thursday night.

Coach Brad Thompson praised his team. He said Coleman was able to break only one play and that was the play they scored on in the first quarter, making the score 6-to-0 Coleman. The point after failed.

Cisco's James Reed scored on a 40-yard run in the third quarter. The conversion failed, and the score was tied at 6-to-6.

Coleman drove down to the Cisco 1 yard line and Cisco was able to hold them as time ran out.

Cisco travels to Bangs next Thursday. The 7th grade game will start at 5 p.m.

## Rossum Kingdom Issued New License

The Federal Energy Regulatory Commission has published an order issuing a new license to the Brazos River Authority for hydroelectric power generation at Rossum Kingdom Lake. The new license, issued Sept. 14, is for a term of 30 years. The Authority is reviewing the terms of the order to determine if it will accept the new license.

The license as issued contains minimum continuous water release provisions previously accepted by the Authority, and concurred in by the P.K. Association, a large group of lake area property owners which had intervened in the licensing proceedings because of concern about the adverse effects on the lake for continuous releases. Continuous releases of water from the lake were demanded by the U.S. Fish and Wildlife Service and the Texas Parks and Wildlife Department. The license requires the Authority to release 100 cubic feet of water per second from March 1 through June 30, 75 cubic feet per second from July 1 through September 30, and 50 cubic feet per second from October 1 through February 28. All releases are contingent upon inflows of water to the lake. If inflows are less than the required release, then the Authority is required to release only an amount equal to the inflows.

The license also contains provisions for curtailing releases of water as the level of water in the lake is lowered. When the lake elevation reaches 994.5 feet above mean sea level, or 5.5 feet below full, the minimum flow release will be cut in half. When the lake elevation reaches 990.0 feet, all deliberate release of water for fish and wildlife enhancement will cease.

"These license provisions will cause some adverse impacts on the lake, but limiting the release to inflows and curtailing them as the reservoir is drawn down serves to lessen those impacts on water supplies, power generation and lake

recreation," Hoge said. "There is no requirement in the license that we release stored water for enhancement of fish and wildlife habitat in the river downstream of Rossum Kingdom." Hoge summarized the effects of the minimum continuous release provisions as follows: a change in the average elevation of the lake of about 5 inches; an average annual loss of hydropower generation of 443,000 kilowatt hours; and a loss of annual dependable water supply yield of 3,600 acre-feet.

The license also contains other requirements affecting the operation of the project which must be evaluated before a decision is reached regarding acceptance of the license. Hoge said that the Authority is in the process of conducting a comprehensive review of the proposed license provisions. The Authority has 30 days within which to make a determination whether to accept the license as issued or to file objections with the FERC.

Hoge acknowledged the P.K. Association's strong support of the Authority's efforts to obtain a license which preserves the State's control over allocation and use of its water resources. Hoge also cited strong support from the Texas Congressional delegation, especially Congressman Charles Stenholm, whose district includes Rossum Kingdom. "Whenever we need help, and that has been often, Congressman Stenholm and his able staff have responded in a timely manner to protect the interests of the people of Texas."

## Putnam Place

Only in Putnam can you still witness a shoot-out on Main Street. That's right, Steve shot Benton in the foot with a B-B gun. Of course Steve said there were no BB's in the gun, but Benton said that was the first time he was ever shot with an empty gun and it made him bleed. See there John Doyal, Benton must have a heart if he can bleed. Oh, that's right, it's a brain John Doyal said Benton didn't have.

Well, so much for the grownups in town, let's talk about the kids.

Brad Johnson and Bo Buchanan are playing Junior High football again this year. They are both eighth graders. Their team played Albany Thursday night and were defeated 22-12. But Brad made one of those touchdowns against Albany. Both boys are looking forward to a full season of football. Denver Clay Collins a seventh grader this year also plays on the Junior High team, now he's another boy that's going to make Putnam proud.

Speaking of proud, we are all very proud of Burke Robinson, who was recently named as one of the Outstanding Returning School Boy Football Players for 1989 by the Associated Press. Burke is a senior this year and this

is his fourth on Varsity. Rusty, Burke's older brother has played two years as linebacker for McMurry College.

Andy Maxwell, a junior this year, is another name you will be hearing more of as the football season rolls on.

Congratulations to Mica George, who we still claim here in Putnam as one of our kids, was chosen as FFA Sweetheart. Mica is the granddaughter of Joe and Beth Whitehead.

Jamie Jaggars is away at college. She attends ACU. We all miss her smiling face and bubbly personality around town.

"Making Texas Music" looks like it will be a great success this November, with already over one hundred requests for applications sent out.

The ladies are still meeting every Tuesday in the quilting room behind the City Office. These ladies are turning out some beautiful quilts.

Charles and Judy Hounshell, who recently purchased the Hitch-N-Post and Travis Street Cafe, are moving to Putnam from Cisco. They bought Bill Wagley's house and are presently remodeling it. Stop by and see them, they'll put you to work painting.

## High Stress Levels Hasten Burnout

OVERTON—Burnout is a condition that occurs when aggressive, motivated and successful people work too hard too long at their jobs, says a family specialist with the Texas Agricultural Extension Service.

"When stress levels stay high over a period of time, an employee will burn out," said Dorothy (cq) Taylor, Extension Service family life specialist at Texas A&M University. "They tend to have mental and physical health problems or begin to be accident-prone."

Employees suffering burnout often exhibit one or more symptoms. "High resistance to going to work and a negative attitude are two of the first symptoms," Taylor said. "Other symptoms are seeming angry all the time, blaming others for their problems, frequent clock watching, and little care or concern for their job."

Additional symptoms include withdrawing from co-workers, postponing client contacts, inability to concentrate, feeling helpless or immobilized, higher absenteeism, resisting any kind of change and having more health problems.

"Coping with job burnout is a challenge," Taylor said. "Before any changes can take place, the burned out employee must be willing to change and be willing work diligently at turning his or her life around. When burnout occurs, marital and family conflict are natural consequences."

Taylor lists eight recommended practices for keeping mentally and physically fit to prevent burnout:

- Get enough sleep every night;
- Keep physically fit, eat right and exercise regularly;
- Take regular vacations;

- Deal with stress realistically;
- Organize your life;
- Allow yourself a ten-minute "down-time" each hour you work;
- Talk about your problems and
- Use your faith and values.

"Middle age is the period when both men and women experience the most depression and job burnout," Taylor said. "Middle age is also life's

## Ed Shaughnessy To Appear At Old Rip Fest

The Old Rip Fest is always a major event in Eastland and people are working to make this year's Fest even bigger and better.

One addition for the October 7 Fest will be the appearance of one of the world's greatest drummers. Ed Shaughnessy, the fantastic drummer on television's Tonight Show Band will be in Eastland for the Old Rip Fest.

Ed Shaughnessy will first

appear at the Marching Band Contest Saturday afternoon where he will play a selection with the bands of Eastland County all combined into one band. It should be quite a show.

And the Marching Band Contest should be the biggest and best yet with more bands scheduled to compete this year.

At 8 p.m. on Saturday night after the Band Festival, Shaughnessy will be in concert at Eastland's Majestic Theatre. Advance tickets are \$6 and tickets at the door will be \$8. Students, church, and senior citizen groups who pay in advance with one check may receive tickets for \$3 each.

The Eastland Band, the Band Boosters, the Fine Arts Association, and the Ludwig Drum Company are sponsoring this expensive undertaking to bring America's

cert at Eastland's Majestic Theatre. Advance tickets are \$6 and tickets at the door will be \$8. Students, church, and senior citizen groups who pay in advance with one check may receive tickets for \$3 each.

The Eastland Band, the Band Boosters, the Fine Arts Association, and the Ludwig Drum Company are sponsoring this expensive undertaking to bring America's

"number one" big band drummer to Eastland for the Old Rip Fest on October 7.

The Fest will begin with a parade at 10 Saturday morning. There will be booths and entertainment on roped off streets near the Courthouse throughout the day.

Activities usually include dancers, art and photo contests, competition between firemen, and events for antique and classic cars. And there are so many kinds of food to sample, and things to see and to buy.

The Marching Band Festival begins at 1:30 in the afternoon, and later, there will be a stateside Old Fiddler's Contest in the Majestic. And finally the Ed Shaughnessy concert.

With so many events happening in just one day, the problem is which ones to watch, and which foods to sample. It should be quite a day.

Mail ticket requests to Phil Hewett, P.O. Box 31, Eastland, Texas 76448.

## Second Anniversary Of Majestic Theatre Will Be September 26

Tuesday, Sept. 26, 1989 will be the Second Anniversary of the opening night of the restored Majestic Theatre.

What a gala night Sept. 26, 1987 was! Over 700 people came out to hear the world-class Woody Herman Band, and to admire the elegant decor and great acoustics of the historic building.

since then the Majestic has become so much a part of Eastland and the area that citizens sometimes accept it as just part of the scenery. The glowing marquee, the movies and programs are part of the fabric of living here.

The hundreds of people who worked from January, 1987 to the Saturday night opening Sept. 26 will never take that resurrection for granted, however. It took many contributions of money and effort.

A lot of hard work was involved, right from the time the Theatre became the property of the City. There were hours with paint brushes and scrubbing brushes, electrical wiring, plumbing - decorating and upholstery work.

But the Majestic opened, resplendent in just the right colors of spice, cinnamon and teal. Since that clear September night there have been films and programs in the building every week.

Gary Ford has been Manager of the Theatre, working with Eastland Fine Arts Association. John Berry was the first President of the Association, and Steve Haines is the current President.

All of us have favorite memories of these last two years at the Majestic. From Sept. through Dec. of 1987 the Woody Herman Band, an Old Fiddler's Contest Oct. 3 the children's play Antsylvania and other events brought out crowds.

Through 1988 there were 232 film showings and 34 other events. The film attendance was 29,209 and other event attendance totaled 7,868. As of 9-19-89 there have been 156 film showings and 20 other events. Film attendance has been 14,985 and other event attendance 3,293.

Films and programs have continued through 1989. Bluegrass shows, High School Drama competitions, the Johnnie High Show, the Baptist "Lock In" and many other events have kept the Theatre busy.

It is difficult to name the most popular events since the Theatre opened. There has certainly been a wide variety. Those with some of the largest attendance have been the Woody Herman Band Concert, the Tri-College Symphony, H.V. O'Brien's 5th Saturday Jamboree, the

## GROWING PAINS OR DYING PAINS?

An Editorial

Eastland Counties are pretty much at a crossroads of deciding which they prefer: To hurt for growth or to suffer from a sick economy.

There is an active effort on the part of many citizens to secure a major state prison facility for the county. All believe that chances are extremely good for this county to be selected.

To be chosen would immediately set into motion the need for a lot of hard work, big expenditures and general strains on many resources.

Growing pains could include providing additional water supply, additional sewerage treatment facilities, roads as well as donation of the land. There are in deed steep tasks — but for the most part, items which are going to have to be addressed anyway at some time in the near future. Most agree that these would be good investments now in the prospect that there would be additional payrolls, income from taxes and means to pay for them by many, rather than few.

No one has said that it would be easy — but these are the type of growing pains that just about any area would give their eye teeth for.

Dying pains come when there's economic slumps so severe that businesses can't survive. And the domino effect can be devastating: services, organizations, schools, churches, and all the things we take for granted.

To do nothing; to seek nothing; is to virtually roll over, give up and die.

There are a number who object to the thoughts of a penitentiary located in the county. There are a number of reasons cited: some are valid and some are ill-founded on bad information.

Certainly, most would sympathize with those who have true horror of "living next to a pen." But the fact of the matter is, none of us would be too far removed, and frankly there are more paroled and/or pardoned (or worse, as yet unconvicted) felons living free among us right now, than would be contained in a maximum security prison here.

The statistics on escapes show that few do, and those few certainly won't want to stay long in this area. They might steal a vehicle and flee, so a citizen might be well advised to leave the keys in their car.

The argument that employees will live on the state property (and therefore not pay taxes) is not true. They will buy, rent or commute in this area.

The argument that all employees will be "shipped in" is not true. Locals as well as all others are free to make application and if accepted, be trained to become employees.

The argument that the removal of some 900 acres of taxable property from the Carbon tax roll would be devastating, will not hold water. As ag-production land, the Carbon school at best receives \$1,051.00 and the county \$332.00 a year from such a track.

This effort represents to date one of the most positive, cooperative efforts ever undertaken by the officials and citizens throughout Eastland County, with every community and area fairly represented. What a shame if this effort were to be aborted before it has had a chance to achieve benefits for this area.

It would seem that those who are so violently against the prison project, for whatever reason, have an equal responsibility to offer any and all suggestions and recommendations for any such equal opportunity for the area.

Those who are working so hard for the prison know of no other realistic and attainable projects of equal magnitude.

A state prison here is possible.

We are convinced that most citizens in Eastland County are willing to suffer the growing pains involved for the over-all good of accomplishing such a goal.

## Homemakers Attend TEHA Convention

The Texas Extension Homemakers Association held its 63rd Annual State Meeting September 12-14, 1989 in Corpus Christi, Texas.

Author and Publisher, Becky Baker gave the key note address, speaking on "Answers: The Situation - The Solution". Ketha Stevenson spoke on Wednesday afternoon about "Goose Training-How to Fly with the Flock". Detective Floyd Price of the Lubbock Police Department spoke to the group on Crime and Prevention.

There were many workshops to attend. Some of the subjects covered were organ donation, child abuse, soil and

water conservation, support system for families and individuals and making the world work without war.

There was over 1000 Extension Homemakers and visitors in attendance. Ardythe Caldwell of the Morton Valley E.H. Club, Muri Campbell of the Pleasant Hill E.H. Club, and Arleta Shirey of the Pleasant Hill E.H. Club, attended as delegates from Eastland County.

Anyone interested in attending a local Extension Homemakers Club meeting may find out when and where they meet by contacting Eastland County Extension Agent Janet Thomas at 629-2222.

# SERVICES

# Letters To The Editor

Editor:

Paying taxes is much like paying an insurance premium. We all pay a premium (tax) to an entity (county-city government) to insure that we receive a payment when we make our claim for resources. Our claims are for: good streets and roads, law enforcement, people to fight fires, provide sewers and drainage systems, water, city and county management, etc., etc., and possibly, hospital and ambulance services.

Now suppose we did not pay a tax for these services but instead a "user fee." That means we pay individually for all these services. We would pay for maintenance and paving for the road directly in front of our house, water lines to our house only, if your house caught fire, we would be billed for the services. If someone stole our household goods, we would pay individually for the investigation. Therefore, if we used the hospital only users of the hospital would pay. So, of only 2 or 3 patients were admitted to the E.L. Graham Hospital per month, only those 2 or 3 people would pay for the employees salary, all lights, gas, telephone, water, etc. I doubt that anyone living in Eastland County would want to pay a hospital bill like that. But, if there were not a tax to spread these payments out to people all over the City of Cisco, that could happen. Then, the hospital would surely close. If the payments (tax) were spread to all residents of the county, the tax (should be) even less.

I am for an Eastland County Hospital District.

If I lived in the southwest

side of Fort Worth and was in a serious accident, I would want to be picked up by qualified paramedics in an ambulance and transported to John Peter Smith Hospital. If in Clyde, I would want to be transported to the hospital at Dyess Air Force Base. It would take less time or just as long to be transported from Cisco to Eastland. Hopefully the ambulance would be here in Cisco and operating out of the fire department by full time paramedics.

Unless there is loss of blood, loss of breath, loss of consciousness, an ambulance is not always necessary. What a lot of people call an emergency is, in fact, not really a medical emergency. You will not see a person with a real medical emergency sitting in the emergency waiting room.

If the editors note that the total \$800,000.00 is all that is owed by the E.M.H. then we should look at it as paying for rooms, beds, windows, desks, telephones, medical equipment. It is not just an amount of money we are giving away for nothing. We are all "sharing" in the cost of services we use or may use or a family member may use.

I am for paying taxes because I have lived in a place where paying taxes was avoided at all risks. This place was Naples, Italy. I loved Naples, it is an exciting city of approximately 3,000,000 people. But, garbage pickup is sporadic. Tossing a plastic bag of garbage out your car window on the way to work is an often used method of "taking out the garbage."

The traffic situation is "drive at your own risk."

Traffic lights may or may not be working. Roads are filled with potholes. Some streets are still cobblestone but very uneven. The water and electricity went off a least once a week sometimes from a half day to three days. One time the electricity was off all over Naples at once. For the summer of 1988, the water in our community was off for seven days. The water lines all leak and when there is a dry year much of the water is lost through leaks. I still haven't received my telephone deposit -- over \$400.00.

If you are ever admitted to a hospital in some places in Italy your family is expected to take care of the patient for all the personal needs; such as bathing, feeding, going to the restroom, etc.

Naples is a wonderful city, and I miss it in spite of its lack of city government. But, think how much better it would be if taxes were paid and spent on city services.

Cisco is my new home and I like it here, too. I am glad we have a tax system that makes it easy to live here. Because of it, I don't have to take detours because a small rainstorm washed out a bridge. I haven't had a blow out on my tires because I hit a pothole that cut my tire. The police don't wear a military uniform. My garbage is picked up on time, or if I want, I have a dump in which I can take my garbage.

I will gladly pay more tax so I can travel to E.M.H. which seems to have more services, more doctors, than E.L. Graham. Why spread the county's limited resources over three

hospitals when we can have one we can rely on and quit wondering if it will be here a year from now. Let's get it "certified" if that is important. CJC needs a hospital in this area that can train new nurses.

Mary B. Snyder

Editor,

I wish to thank the county road commission for the good work they have done on Staff Road, at Lake Leon.

There is more that needs doing but it's a good start. I thank especially, Mrs. Bill Turner (Georgia) for the effort she put forth in getting them "on the ball". Thanks again.

Sincerely  
Bonnie Croft

## Homemaking Hints

### From Janet Thomas, County Agent

Last week I wrote about Job Burnout, and have received several "thank you's" this week.

Stress is something we cannot avoid on the job. Time Management can help greatly to minimize stress. Here are some hints for good time management:

1. Learn to work anywhere
2. Put spare moments to work
3. Eliminate trifles immediately
4. Separate the essential from the non-essential
5. Make habits work in your favor
6. Do things right the first time
7. Plan your work so tasks can be delegates.

The trend for today's family is toward both husband and wife working outside the home, a dramatic change from the model of the traditional family — with a mother staying at home to run the home and caring for children while the father brings home the paycheck.

Balancing work, family, and personal needs can be difficult and next to impossible for those who do not set

priorities and expect to perform their multiple roles to perfection.

### RECIPE FOR THE WEEK:

Football season brings out the true "arm chair" athletes situated in front of the television. For that special sports fan make them Nacho Cheese Snack Mix.

#### NACHO CHEESE SNACK MIX

- 6 cups rice cereal squares
- 4 cups cheese crackers (small)
- 2 cups mixed nuts
- 1/2 cup butter, melted
- 1 tablespoon Worcestershire sauce
- 1 pkg. (1.5 oz.) nacho cheese sauce mix
- 2 teaspoons chili powder
- 1/4 teaspoon cayenne pepper

Preheat oven to 250 degrees. In a large, shallow baking pan, combine first four ingredients.

In a small bowl, combine remaining ingredients. Drizzle butter mixture over cereal mixtures, stirring well. Bake 30 minutes, stirring every 10 minutes. Spread on waxed paper to cool. Store in airtight container. Yield: 14 cups of snack mix.

## Ruff Riders 4-H Horse Club Elects Officers

The Ruff Riders met May 30 at 6:30 p.m. at Mary Jane and Bobby Little's lake cabin at Lake Leon. We appreciate them for the use of their cabin.

We had a demonstration put on by Joe Steiber and Julie Anne Mitchell. The demonstration was about "Mucking Out." This demonstration taught us how to maintain a clean horse stable. We enjoyed their demonstration very much.

After the meeting started our President Tessie Ingram passed out participation awards to the following: 4-Hers: Michael Grace of Eastland, Dena Rogers and Kristi Rogers of Cisco. All the 4-Her's parents and adult leaders were recognized for all their help for the past year.

After the awards presentation, new officers for 1989-90 were elected. They are as follows:

President, Tessie Ingram; first vice president, Teresa Grace; second vice president, Tracie Ingram; third vice president, Brody Honea; council delegate, Chance Bush; secretary, Holly Greenwood; treasurer, Dena Rogers; reporter, Kristi Rogers; parliamentarian, Rocky Ingram; historian, Michael Grace.

After the meeting was adjourned the 4-Hers went swimming and had a hamburger supper. We all had lots of fun!

## Health Fair Set For Sept. 28

The public is invited to attend the Eastland County Health Fair on Thursday, September 28th, at the Cisco Senior Citizens Center, 400 Conrad Hilton Avenue, states Janet Thomas, County Extension Agent-Home Economics.

The Health Fair is being sponsored by the Texas Agricultural Extension Service and Cisco-Eastland AARP.

Thomas states, that this is a very popular event and twenty-four health care providers will be providing free screening and health information. The only screening that will not be free is a \$5.00 fee charged for the cholesterol tests by American Red Cross and Abilene Wellness Center.

The following will be at the Health Fair:

- \* Attention Deficit Evaluation Service, Abilene (pre-screening children with school/behavior problems)
- \* Dr. Cone Rice, D.D.S., Eastland (oral cancer screening)
- \* The Wellness Center, Abilene (cholesterol screening and percentage of body fat)
- \* Beltone, Abilene (hearing tests)
- \* Walker Ophthalmology Associates, Abilene (Dr. James T. Walker) (eye consultation, vision evaluation, clean and adjust glasses)
- \* Woods Psychiatric Institute, Abilene (educational handouts)
- \* Wal-Mart Pharmacy, Eastland (Drug Information Screening)
- \* Eastland Manor Nursing Home (Educational material)
- \* West Texas Rehab, Abilene (Grip Strength Screening—Hearing exams)
- \* Advance Home Medical, Inc., Abilene (blood pressure and glucose monitoring)

## Pharmacy Topics

By Bob Mueller

New gynecological guidelines say that woman can deliver a child naturally, barring specific medical reasons, even if she's had two cesarean sections before.

Researchers at the University of Louisville are fooling decay-causing bacteria with a substance that looks and acts like glucans, the part of plaque that attracts and holds sticky stuff. Germs bind to the fake plaque and can be flushed out of the mouth.

From Japan comes news of the use of CDP-choline a form of a B vitamin, for victims of moderate to severe stroke. Researchers believe the vitamin helps repair cell membranes and reduces fatalities, too.

Calcium intake may protect against colon cancer, say scientists at the University of Utah School of Medicine. Researchers suggest calcium works by binding with fat and bile acids that might cause tumors.

Possible substitute for fish oil: Department of Agriculture scientists say that the human body can convert soybean oil to the fatty acids we need.

# Escalade Considered Dangerous

**Richard Kurklin**  
(Response to an earlier article written by Staff Writer Richard Kurklin after an inter-

view with Eastland Police Patrolman Skeet Wilbanks, who was a Deputy Sheriff when Compound Clark was

robbed and beaten.) Daniel M. Perales, the Eastland County Jail trustee who escaped last Sunday had

been on probation for burglary and had the probation revoked for Public Intoxication, and had later been paroled before Eastland County resident Compound Clark was robbed, severely beaten on the chest, and left for dead, according to Skeet Wilbanks, who investigated the case.

Clark lived and, according to Wilbanks, identified Perales and his brother as his attackers. Robert and Daniel Perales were later convicted of aggravated robbery and were sent to T.D.C. A court overturned the aggravated portion of Daniel Perales conviction and he was retried and again convicted and sentenced to T.D.C. on the 2nd degree felony charge of robbery.

Officer Wilbanks says that Daniel Perales had reason to escape and that he should be considered very dangerous due to the nature of his crime.

# AARP Health News

**QUESTION:** Mr. Cartee, what do you think of the catastrophic medicare program?

**ANSWER:** I suspect if you ask 100 different people that same question you will receive 100 different answers. It certainly will cover areas of health care that were not covered last year. On the other hand it is

expensive for those who receive income which must be reported to the Internal Revenue. Many of the changes do not occur until 1991. There is, however, a real effort on the part of some of the politicians to change the method in which the medicare program is paid for. They are making it so all levels of ages will help

pay for the benefits rather than solely upon the elderly who receive certain incomes.

**QUESTION:** Mr. Cartee, I am interested in the skilled nursing facility benefit under the medicare catastrophic program. Would you give us some of the benefits?

**ANSWER:** Under the old plan you had to be in the hospital 3 days prior to entering a skilled nursing home. Under the new plan you may enter the skilled

nursing service without the three day restriction. However, you must pay \$22.50 for the first 8 days of which time medicare will start picking up the tab. The maximum number of days medicare will pay will be 100 days.

**QUESTION:** Mr. Cartee, you mentioned the out of pocket expenses (deductible) would be \$157 beginning in 1990. Don't you think that is high?

**ANSWER:** The limit of \$1370 includes: the part B (doctor) deductible, the 20 percent co-insurance of medicare approved charges, and the blood deductible (if any). When you add all of these the \$1370 adds up in a hurry. This portion of the law could be changed if some of the congressmen have their way.

Medicare and Medicaid are becoming more and more complex. Perhaps you have questions you would like to be addressed. Write Mr. Roy V. Cartee, 900 Avenue H, Cisco, Texas 76437.

Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then comes the most important item to be considered when purchase of real property is contemplated. ## THANK YOU

We would like to express our thanks to our many friends of the First Methodist Church for their prayers, expressions of love in every way, for flowers, visits, phone calls and food. Also for the First Baptist and Christian Churches that had us on their prayer chains. It was through everyone prayers that brought us through our time of needs. Above all we thank our Pastor Rev. Kim Diehm for he was by our side each and every time we needed him. Prayers by all brought Hurshull home seven days from surgery. All our love for each and every prayer.

Hurshull and Millie Penn

## Kokomo News

By Zelda Jordan

Wasn't the cool weather nice last week? The temperature dropped to the upper forties and lower fifties a couple of mornings or so. And we received another four inches of rain. With all the good moisture and the return of the warmer temperature, the peanut crops should do real well.

Bro. Clarence Wilson, pastor of the Kokomo Baptist Church was ill with a bad cold on Sunday, so Bro. Melvin Fields, of Lake Proctor, near Comanche, preached at both Sunday services. Carol Adkins of Dallas rendered the special music. Other visitors were Mrs. Melvin Fields, Mr. and Mrs. Greg Rios and Kevin of Fort Worth, Doug Adkins and Mrs. Marjorie Baker of Dallas, Mrs. Maxine Huddleston of Lake Leon, Tim, Nelda, Cody and Jared Falls of Arlington, Corby Rodgers and Chad Walker of Brownwood, Judy, Scarlett and Amanda Porter of Round rock were visitors in Sunday School.

Woodrow and Helen Browning rendered the special music on Sunday night. Visitors were Maxine Huddleston of Lake Leon and George and Elizabeth Bingham of Gorman.

Members of the Kokomo Baptist Church and their guests enjoyed a fish fry and fellowship at the church fellowship hall on Wednesday night. Mr. and Mrs. Otis Griffith of Lake Leon furnished the fish and J.L. Morrow assisted them in frying the fish on fryers set up outside the building. Several ladies cooked the french fries

and hush puppies in the church kitchen. Lots of good cole slaw and salads, tarter sauce and tea completed the meal. Good eating! Bro. Clarence Wilson voiced the prayer of thanks before the meal.

Many from Kokomo enjoyed the Peanut Festival and Parade in Gorman on Saturday, and really enjoyed seeing many friends we hadn't seen in a long time who came to enjoy the festivities. The parade was really good and entertaining. Our congratulations to all who were in the parade and especially to our "Miss Kokomo" La Tonya Caraway and our "Little Miss Kokomo" Kristal Brown. They won first place with their decorated car. Kevin Hirst was their escort and driver of the car. La Tonya is the daughter of Mr. and Mrs. Bo Caraway and Kristal is the daughter of Mr. and Mrs. Kris Brown of Carbon and the granddaughter of Mr. and Mrs. Bill Brown of our community. Kevin is the son of Mr. and Mrs. Daryl Hirst of Gorman.

Corby Rodgers and his friend, Chad Walker of Brownwood spent the weekend with Corby's grandmother, Mrs. Bernice Rodgers. Corby's dad, Bob Rodgers brought the boys over on Saturday and came for them on Sunday. John and La Tonne Rodgers and Jonna of Carbon were supper guests of Mrs. Bernice Rodgers on Sunday night.

Lynn and Mildred Campbell of Levelland visited from Thursday until Saturday with J.L. and Naoma Morrow. On Friday they

toured the Nuclear plant at Glen Rose and the Acton Cemetery and the grave of Elizabeth Boone, the wife of Daniel Boone.

Enhart and Doris Ruth Sherrill of Kermit spent Tuesday night with the J.L. Morrises, Larry, Lance and Layne were Friday and Saturday visitors with the Morrow and Mr. and Mrs. Paul Norris.

Donald Lee Joiner of Houston spent the weekend with his mother, Mrs. Hope Joiner. They had lunch on Saturday with Billie Jeane Grisham. Saturday afternoon visitors with the Joiners were Jenna Simmel, her mother, Denise Simmel and grandmother, Laverne Stafford.

Doug and Carol Adkins and her mother, Mrs. Marjorie Baker of Dallas spent the weekend at their farm here.

Nathan and Sharon Mearse of Odessa spent the weekend with Bro. Joe O'Neal and attended the Peanut Festival at Gorman on Saturday.

Vernon and Deon Fields have returned from a vacation trip to Laughlin, Boulder City and Las Vegas, Nev., Flagstaff, Ariz. and Ruidosa and Cloudcraft, N.M.

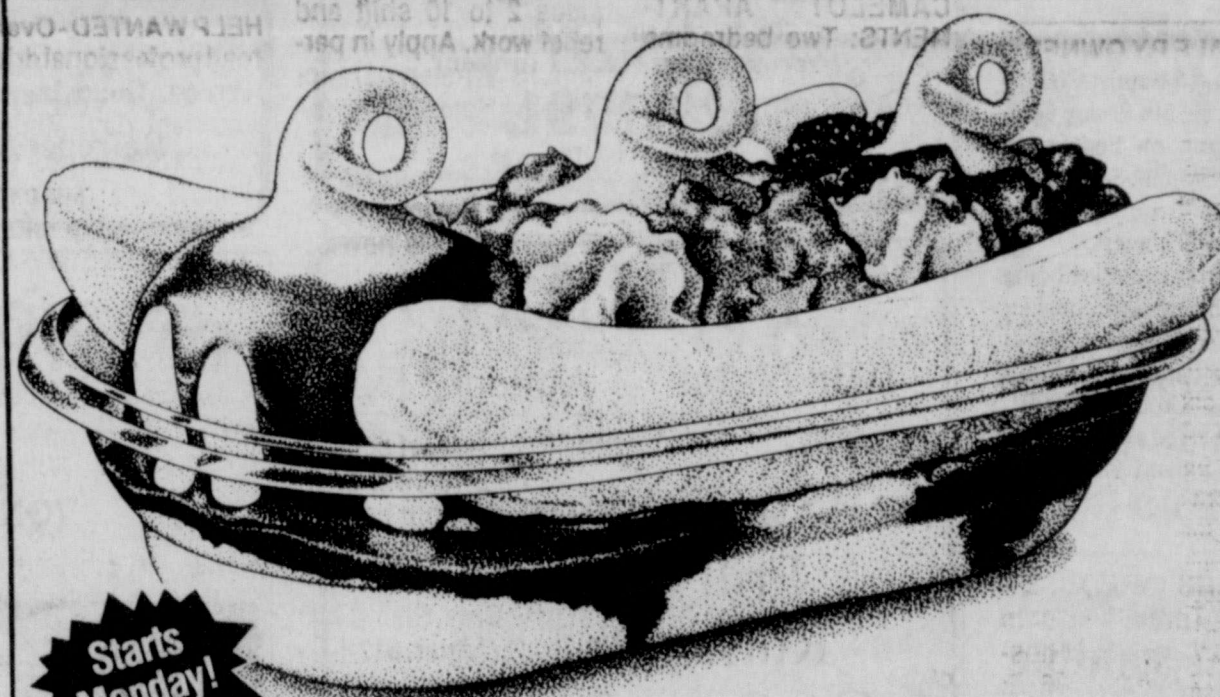

Richard, Teresa, Taylor and Trevis Nachigall of Morgan Mill visited during the weekend with Vernon, Deon and Lindell Fields. Buster Johnson of Carbon visited with the Fields family on Saturday.

Scotty, Caye and Zack Mauney of Abilene visited on Sunday night with the Charles Littles and the Donnie Mauneys in Gorman.

# Fishing Outdoors

By Terry Wilson

## Trilene Ambassadors Here to Help

Berkley Trilene, I hope is a name you all have become familiar with whether here at Fishing Outdoors are by actual hands on experience. The name to look for when searching for dependability and quality, Berkley also offers a special service, that many organizations fail to use.

Barry Day heads up Berkley's field promotions, which include the Trilene Ambassador's. These gentlemen have many duties such as working boat and fishing tackle shows, speaking at club meetings, special promotion's at tackle stores, tournaments, and other events.

Here in our area we are very fortunate to have one of Trilene's "Ambassador's" handy James Fullen a home town boy has been associated with the ambassador program for 6 years. Mr. Fullen is a long time angler and outdoorsman who continues to promote not only Berkley products but conservation and the education of today's youth.

One of James' largest duties in our area has been his association with the annual bass tournament hosted by the Eastland County Bass Club in September each year. James is present on Saturday evening each year spooling your favorite "Trilene" line on for all paid contestants. Past years have seen up to 286 entries in this event and most taking advantage of this excellent offer from Trilene.

For 1990, Trilene will be expanding the line winding in our area to cover three

tournaments. These events will be selected based on public exposure, entrants and number of years in existence, plus youth participation. This unique offer is an excellent drawing card for today's anglers who are watching every penny.

This service is just one more way the folks at Berkley are attempting to meet a need for information, education and leadership in today's fishing industry. If your group is interested in this program please feel free to contact myself or James for further information and availability. And remember when your looking for the best look for Berkley products.

The Dallas-Fort Worth area's newest fishing lake opened Aug. 18 and the fishing action apparently lived up to prior expectations, according to the Texas Parks and Wildlife Department.

The gates to 7,470 acre Joe Pool Reservoir southwest of Dallas swing open, unleashing a flood of fishermen anxious to catch their share of the new lake's largemouth bass, crappie, catfish and sunfish.

Unlike some reservoirs, Joe Pool had a developed fishery when opened. The department stocked Florida-strain largemouth bass, bluegills and threadfin shad in stock tanks as early as 1981, before the lake started filling. An additional 660,000 Florida fingerlings were stocked in 1986, followed by 200,000 more in

Trilene Ambassador James Fullen and Terry Wilson spooling on line for Anglers at the E.C.B.C. Tourney.

1987. Sampling on the lake prior to opening indicated that about 12 percent of the bass are 18 inches or longer. An 18 inch "keeper" from Joe Pool weighs from four pounds to just under 5 pounds.

Most of our area lakes are settling in to those fantastic fall patterns. Bass and crappie are both picking up at Leon. Brownwood's black bass are showing some improvement just in time for the October 1, 1989 Brownwood

Chamber Bass Tournament. Brownwood's crappie are showing up in good numbers in the river areas and main lake brush piles.

A quick reminder to all Eastland County Bass Club members if you qualified for the top 16 in the 1988 or 1989 you must attend the October 5th meeting. Failure to attend will result in disqualification from these event scheduled for October 7 and 8.

## Noon Bible Study Scheduled At First Baptist In Eastland

Women of all ages and faiths will meet from 12:00 to 12:45 on Tuesdays, beginning September 26th, for study and discussion of the book *The Measure of a Woman*. They will explore thirteen qualities of a mature woman, focusing

on I Timothy 3, Titus 2, and I Peter 3. Designed to be convenient for the working woman, the group welcomes all to come when they can and leave when they must. A nursery will be provided. Bring a brown bag lunch, come to the Bell Choir Room at the First Baptist Church in Eastland, and share in the fellowship. Please call the church office for further information.

## 4-H News

The annual Eastland County 4-H Banquet will be this coming Saturday, September 30th, at 6:30 p.m. in the EASTLAND HIGH SCHOOL CAFETERIA. The banquet theme is "4-H's Howl With Success" and is being hosted by the Eastland Jr. and Sr. 4-H Clubs.

All 4-H families are invited to attend and bring a covered dish. The host clubs will furnish brisket and drinks.

Guest speaker for the evening will be Chad Lee of Stephenville. Chad is currently Chairman of the District 8 4-H Council and 1st Vice-Chairman of the State 4-H Council. Chad is a senior at Stephenville High School. He is the son of Dr. and Mrs. Chip Lee.

Highlight of the evening will be presentation of pins and certificates to 4-H'ers who have completed projects and record books. Special awards will include 100% attendance awards, outstanding 4-H members from each 4-H club, Best Secretary Award, and 4-H Scrapbook contest winners! Judging teams, method demonstration, and Share-The-Fun contestants will also be recognized along with the 4-H Recreation team.

Special recognition will include the Danforth Leadership Award recipients which will be presented by County Judge Scott Bailey.

The Outstanding 4-H Man and Woman Leader will be announced by the 4-H Council members.

The 4-H Parent/Leader Association will recognize "Friend of 4-H" recipients with appreciation plaques.

The presentation will be made by Mrs. Shelly Bailey, chairman of the 4-H Parent/Leader Association.

This year a new award will be made in Eastland County to recognize our 4-H members who graduated from High School. 4-H Alumni pins will be awarded to these special persons.

County Extension Agents Mrs. Janet Thomas and DeMarquis Gordon, state that over 100 4-H'ers will be recognized for their many accomplishments in 4-H. Eastland County 4-H'ers have had an outstanding year and it is with great pleasure that we salute and recognize our 4-H youth for their excellence. The 4-H County Awards Banquet will precede the National 4-H Club Week, October 1-7, activities.

Swenson Museum or the West Texas Rehabilitation Center. Memorials may be left at the Funeral Home.

CISCO—Cecil P. Triplitt, 72, died Sunday, Sept. 17, 1989, at his home in Odessa. Graveside services were at 1 p.m. Tuesday, Sept. 19, 1989, in Oakwood Cemetery, Cisco, with Rev. Ken Diehm, pastor of First United Methodist Church, officiating.

Born July 15, 1917, in May, Texas, Mr. Triplitt married the former Margie Kendrick Aug. 24, 1940, in Carlsbad, N.M. He was a member of First United Methodist Church of Odessa.

He retired in 1974 from Arco Steel, National Supply Division, after 36 years of service. He moved to Odessa in 1975 and worked as a consultant and appraiser of oil field drilling equipment locally and worldwide. He previously lived in Odessa from 1949 to 1961.

He attended Texas A&M University from 1935 to 1938, and he was a U.S. Army World War II veteran.

In 1987, the Canadian Association of Oil Well Drilling Contractors selected him for his outstanding service to the oil well industry in Canada.

Survivors include his wife, Margie Triplitt of Odessa; a daughter, Lynda Mears of Odessa; and a brother, D.L. Triplitt of Odessa.

The family requested memorials be made to a favorite charity.

# Gordon Spot

By DeMarquis Gordon, County Agent—

Eastland County fruit growers will have the opportunity to assemble in Kerrville with growers from other parts of the state for the Texas Fruit Growers Conference, October 2, 3 and 4.

The program will contain a wide variety of information ranging from progress being made by popular consumer fruits to specialty vegetables as a cash crop and apple varieties for Texas.

Other subjects of special interest should include scientific peach irrigation, a 1988 peach tree survey and updates on blueberries, plum and apricot varieties, production

of blackberries, raspberries and grapes. A market segment also will be included.

Other timely discussions will be on herbicides for use in orchards, chemical thinning of peaches, and Texas Department of Agriculture pesticide regulations.

Other presentations will include alternate crops to grow with peaches and the first year's experience with the Federal Crop Insurance Program on Texas peaches.

Among speakers will be fruit industry leaders, horticultural specialists with the Texas Agricultural Extension Service and researchers with

the Texas Agricultural Experiment Station.

Pecan weevils are the most damaging pest of pecans this time of year. Adult weevils have been emerging from the ground since our rains September 9-13. They are now laying eggs in nuts even though the pecan shells are hard.

Anyone with a sufficient crop to protect should be prepared to spray if you have not already done so.

Determining the most efficient times to spray for weevils is difficult because the time of adult emergence varies. The adult weevil cannot easily emerge from hard, dry soil, so weevils usually show up later and emerge over a longer period from unirrigated soil. However, a good

soaking rain such as we had earlier this month or irrigation will allow most of them to emerge within a few days.

A simple way to determine whether to spray and the optimum time to spray is to place a white sheet on the ground under the tree and shake the branches above it. If weevils are there, some should fall out on the sheet.

If you find weevils and you have a reasonably good nut set, you should spray.

Sevin is the most effective insecticide against the pecan weevil. Sevin 80 (80 percent wettable powder) should be applied at a rate of 2 to 3 tablespoons per gallon or 2 to 3 pounds per 100 gallons of water.

## Church Of My Dreams

I have always dreamed of being part of a special church that does not meet the needs of just a select group, but the needs of all men. It is a church of my dreams. It would be a church with a warm heart, a church that cares, that heals hurt lives and comforts old people. This church challenge the youth, there is no division of culture or class. This church, of my dreams, that I go to, looks forward as well as backward. This church belongs to the Master and has people with high ideals of Jesus puts them to practice by men and women. My church is a working church, a worshipping church, one that interprets the trust from the true word. This church has men of courage that are willing to step out and stand-up by faith for Jesus Christ. Try to spend more time in church.

## Letter To The Editor:

Editor,  
Monte Lewis, Editor  
Cross Timbers Review  
Cisco Junior College  
Cisco, Texas 76437

Dear Dr. Lewis:  
I am writing to you on behalf of Texas Circuit to express our appreciation to the staff of Cross Timbers Review and Cisco Junior College as well as the membership of the Cisco Writers' Club for hosting the Cisco Literary Festival May 5-6.

The evident enthusiasm of people in and around Cisco for the body literary greatly enhances the Texas Circuit criteria of bringing independent press curricula and interested writers of various mien together.

The Cross Timbers Review and the Cisco Writers' Club are the visible and vibrant

pulse of the region. Such a linguistic climate is a mite or so above tangible definition and I wish to encourage the community as a whole to cherish and nurture this boundless curiosity many of the inhabitants seem to have for the written word.

Often, in the dictates of fiscal austerity, hallmark enterprises such as the Cross Timbers Review become a circumstantial casualty. Fortunately, this has not been the case at Cisco Junior College and the people in judgment are to be commended for its continuance.

Thank you. It was a pleasure to bring Texas Circuit to Cisco.

Fraternal regards,  
Clifton A. Wiles  
Director, Texas Circuit

## Wedding Bells

### Webb - Meeks

(ED. NOTE: This article is being reprinted to correct a typographical error for which this newspaper apologizes.)

The Kendricks Amphitheater Religious Diorama between Eastland and Cisco was the setting for the wedding of Libbie Marie Webb and Jackie Driscoll Meek on Saturday, September 2, at 4:00 in the afternoon. The Rev. Ron Allman officiated at the double ring ceremony.

The couples parents are Mr. and Mrs. Robert M. Webb and Mrs. Betty Meek, all of Eastland and Libbie's grandmother, Peggy Lee also of Eastland.

Selections of wedding music were played by Shorty Kendrick, organist.

The bride was escorted by her father. She wore a formal Queen Anne Bridal gown in white satin featuring a bodice covered in seed pearls with a high Queen Anne collar dressed in shadowed lace and seed pearls. Flowing from an empire waistline was a full skirt featuring a front covered in shadowed lace and cascade of small pleats. The back of the gown had a full church length train dressed with small pleats in a V shape and covered with shadowed lace and seed pearls. Her church length veil was attached to a seed pearl covered Juliet Cap and she carried a bouquet of silk pink and white baby carnations. For something old, she wore her grandmother Jordan's wedding band, something new was her wedding veil, something

borrowed was the wedding dress, belong to her sister-in-law, Mrs. Robert (Emma) Webb and for the something blue, her garter.

Shannon Bourland, niece of the groom, was maid of honor. Her gown was tea length, pink satin with a pink lace overlay and featured a scalloped neck and hem and pink satin back bow cummerbund. She carried a small bouquet in pink and white.

Flower girls were Emily Webb, niece of the bride, and her cousin, Jennifer Batts. They wore identical floor length dresses of pink trimmed in white and wore bands of tiny pink and white flowers in their hair. They carried small baskets of pink and white flowers.

The groom was dressed in a white formal tuxedo with a pink boutonniere, his best man, Greg Norris, was attired in a gray tuxedo and also had a boutonniere in pink.

Nathan Chick, nephew of the groom, was ring bearer and he, too, wore a gray tuxedo with a small pink boutonniere.

Joni Chick, niece of the groom, registered the guest. She wore a long dress of pink taffeta trimmed with pink taffeta roses accenting the short sleeves.

The reception was held in the home of the grooms mother and was catered by Joyce Eaves.

After a wedding trip to Ft. Worth and Dallas the couple will make their home in Eastland.

### Britt - Swan

On Saturday, June 17, 1989 at 6:00 in the evening, Jodi Michele Britt and Randy Jay Swan exchanged wedding vows in a double-ring ceremony at Eastside Baptist Church with the Rev. Jerry Speer officiating.

The bride is the daughter of Jerry and Delores Britt of Ranger. Jodi is the granddaughter of Laverne Vinson and Helen Britt, also of Ranger. The groom is the son of Lester and the late Marilyn (Pagen) Swan of Ranger, formerly of Eastland. Randy is the grandson of Ethel Elam of Ranger.

The bride was escorted down the aisle by her father and given in marriage by both parents. Jodi wore an exquisite, original gown of white satin, made by her great aunt, Francis Blankenship. The sculptured bodice, adorned with Venice lace, was hand-beaded with delicate pearls. The elegant long sleeves were gathered to a puff at the shoulder, with strings of pearls attached and inlaid with very old Italian lace. From the basque waistline, flowed a very full satin skirt covered with rows of sheer ruffles which extended into a cathedral length train. The veil was waist length with sheer white roses and lilies of the valley framing the bride's face. The bride selected a cascading bouquet of white and burgundy silk roses, accented with pearls and a touch of greenery. Her shoes were of white satin, delicately sprinkled with white roses and iridescents, given to her by her aunt, Merlene Clark.

For something old, the bride wore a pair of diamond earrings, for something new, her dress. For something borrowed, she wore her mother's wedding band, for something blue, her garter, and she wore a sixpence in her shoe.

The church was decorated in the bride's chosen colors of burgundy, mauve and dusty rose. The pews were adorned with beautiful flower arrangements, accented with burgundy ribbons. The altar was beautifully decorated with baskets of silk flowers designed by the bride's aunt. Two candelabras were placed on each side of the altar, and in the center, two large baskets of exquisite fresh flowers from Hawaii were featured. The flowers were sent by the bride's cousin.

The reception was held immediately following the ceremony in the Fellowship Hall of the church. The hall was decorated by Marie Fowler, aunt of the bride, and Marie Davis, cousin of the bride, with colorful pink, burgundy and white balloons and streamers.

The bride's table was covered by a lace tablecloth over a burgundy tablecloth, which featured the three-tiered cake. Each tier was decorated with burgundy roses and wedding rings with a traditional bride and groom on top, provided by

Ronda Kalenohano from Kauai, Hawaii.

Traditional wedding music was played by organist, Denise Truitt. The bride's cousin, Elizabeth Alldredge Welty sang, "Almost Paradise" as the candles were being lit. During the ceremony, she sang, "You're My Inspiration," "The Wedding Song" and the theme from "Ice Castles."

The bride's Maid of Honor was Tara Stephenson of Ranger. Bridesmaids were Elizabeth Welty of Weatherford, and Brandy Sharp of Ranger, who also served as candle lighter. They were attired in tea length satin gowns of burgundy, mauve and dusty rose. The attendants carried colorful bouquets of burgundy and pink silk roses, accented with ribbons.

Flower girls were Kristi Green of Eastland, and Katie Rae Vinson Braddock of Ranger, cousin of the bride. The knee-length satin gowns featured a two-tiered ruffled skirt with a large bow across the back. They carried white baskets filled with fresh rose petals.

The groom's best man was his brother, Bobby Swan, of Ranger. The groomsmen were Philip Swan, brother of the groom, of Olney and Richard Whittington of Ft. Worth. Richard also served a dual role of usher and candle lighter. Also serving as an usher, was Josh Stewart of Olden. Amy Swan, sister-in-law of the groom, registered guests at the church.

The groom was dressed in an original Bill Bass gray tuxedo with tails, white shirt and grey tie with a burgundy boutonniere.

The groomsmen wore light grey Bill Bass tuxedos with burgundy, mauve and pink ties with matching boutonnieres.

The reception was held immediately following the ceremony in the Fellowship Hall of the church. The hall was decorated by Marie Fowler, aunt of the bride, and Marie Davis, cousin of the bride, with colorful pink, burgundy and white balloons and streamers.

### Siewert - Fields

Miss Jill Elizabeth Siewert of Abilene and Rex Louis Fields of Cisco were united in marriage in ceremonies performed at 4 o'clock in the afternoon of Saturday, September 16, 1989. Dr. Roy Zuefeldt performed the ceremony at First Central Presbyterian Church, Abilene.

She is the daughter of Mrs. Lawrence W. Siewert and the late Mr. Siewert of Abilene. His parents are Mr. and Mrs. Ted L. Fields of Cisco.

Matrons of honor were

her aunt, Betty Green. The wedding cake and strawberry punch was served by Nancy Braddock and Laney Tanner, cousins of the bride.

The groom's table was covered with a white lace tablecloth over a pink tablecloth. A white cake decorated with wedding rings and roses was served and made by Evelyn Journey, aunt of the groom of Breckenridge. Also serving the groom's cake were Martha Bryant and Linda Norris, aunts of the groom, of Carbon.

A buffet was catered by the bride's uncle, Jerry Clark of Hobbs, New Mexico. Helping serve the delicious assortment of food were Betty Green, Merlene Clark, Frankie Leggett and Francis Blankenship, aunts of the bride. The striking centerpiece on the buffet table was a watermelon basket made by Frankie Leggett.

The rehearsal dinner for the wedding party was hosted on June 16th by Lester Swan, in the fellowship hall of Eastside Baptist Church.

The bride was honored with several wedding showers prior to her wedding. The couple went on a week long trip to New Mexico for their honeymoon and are now making their home in Ranger, where Randy is self-employed.

Randy and Jodi would like to thank all of their friends and relatives, especially Aunt Francis, Betty, Marlene, Frankie, Uncle Jerry, Nancy, Laney, Elizabeth, Aunt Marie, Linda, Martha, Evelyn, Ronda, Carolyn, Denise and Brother Jerry for making their dream wedding a reality.

ivory silk jacquard tea length gowns designed by Digayero for Capriccio, trimmed with Venetian lace at the yoke and on the skirts. The full bell sleeves ended at the elbow. They carried full bouquets of ivory, red and lavender roses and wore ivory rose headpieces.

The church was decorated with a six feet bouquet of ivory centered the communion table. There were side bouquets on chair railings and flowered pew markers.

Dr. Larry Woltz of Hardin-Simmons University presented religious and classical music during the ceremony.

A reception, hosted by the bride's mother, was held at Abilene Country Club. Flower print cloths in deep red, purple and teal covered

the tables, and the same fabric was in the tent over the food table. Six feet ficus trees were on the tables with flowers and candles. The bride and groom's table was ivory and silver.

After a wedding trip to Port Aransas, the couple is at home at Route 3, Box 166-R, Cisco. For going away, the bride wore suit with camel jacket and navy pleated skirt and navy accessories.

The bride attended Texas Christian University and McMurry College and is a mathematics instructor at Cisco Junior College.

The bridegroom attended Cisco Junior College and Tarleton State University, and is self-employed at Ted's and Rex's One Stop.

### Safe Driving Tips from Rhonda

Can a defensive driving class help save your life? Compare the risks of driving to that of flying. In 1987 approximately 337 people died in airplane crashes. Each crash made headlines because of the death of so many people at one time gains more attention. Each time an automobile is driven, the risk of dying is 30 times greater than that of an airplane trip. A defensive driving class could help save your life!

The proceeds from this event are used toward the Rick Chambers Memorial Scholarship. It was awarded the first year to Philip Shackelford, who will be majoring in agriculture at Cisco Junior College. Also anyone wishing to contribute to the scholarship fund may contact Carolyn Hull at 442-2110, 442-2298, or at Carolyn's Florist on East 8th Street.

Those persons who contributed to the success of this 2nd annual roping were:

Tim Barton, Hollis Williams, OK Shoe Shop,

Lobo Barber Shop, Ronnie Ledbetter, Cisco Press, Dean Drug, Ted & Rex's One Stop, Tommy and Jerry Bacon, Nimrod Pipe and Supply, Cisco Funeral Home, First National Bank, Eddie McMillan, Jake Morgan, Carolyn's Florist, Thornton's Feed Mill.

Also, Robert Gorr, Teddy Hull, David Williams, Jimmy Williams, Brent Shepard, Tommy Claborn, John Bailey, Jim Bob Webb, Kari Hull, Julie Weathers, Caryn Bailey, Debbie Barton, Joy Ingram, Mrs. Ronnie Ledbetter.

Also, Peggy Phillips, Ted Fields, June McCulloch, Betty Speegle, Carolyn Hull, Patsy Hawkins, Mary Rodgers, Tammy Douglas, Jeffa Lee Kitchens, Johnny

McLaughlin, Patsy Chambers and Cecile Webb. A special thanks goes to Dr. Pepper Bottling Company for the use of the concession stand.

A special thank you also goes to the Chambers and Hull families for all of their hard work and effort toward this roping.

We would like to apologize if anyone has inadvertently been left out and offer them a very special thanks.

This roping could not have been successful without the hard work and help of all of Ricky's friends.

Everyone should plan to attend the third annual Rick Chambers Memorial Roping to be held during the summer of 1990 and enjoy the fun.

## CHURCH SERVICES

### Redeemer Lutheran Church

Our worship service begins at 8 a.m. Pastor Mangone's message is entitled "The Church that Sleeps" and is based on Amos 6:1-7. Sunday School and Bible class begin at 9:30 a.m.

**A Thought For The Day...**

**DeAlva Chambers**

Do you ever think about how other people react to you upon meeting you for the first time? Do you project yourself favorably or vice-versa? We all know the importance of first impressions. They can be good; they can be bad. They can be the start of a friendship or they can nip a future friendship in the bud...

Have you ever thought how facial expressions contributes to first impressions. A smile can be so important. It can be warm with eyes sparkling or can be just a contraction of the facial muscles... A smile can be the difference between making a friend or an acquaintance or even an enemy...

We are all aware that friendship is a very precious thing. We need friends in time of trouble just as we need them in our times of joy and pleasure. However, we sometimes forget that just as we find the first overtures difficult, so do other people find them equally hard. The rules of social behavior help us over these awkward moments. But couldn't it be said that it is our attitude, our willingness to be friendly, our interest in the other person that is the deciding factor? This is where the smile comes in. Oh, yes, it can say so much more than words...

## Girl Scouts Sign Up Party Is Success

Girl Scouting got off to a good start on Sept. 12 as 95 girls attended the registration party. The girls enjoyed skating from 4 to 6 p.m. as their parents enrolled them in Girl Scouts.

There were 61 girls return-

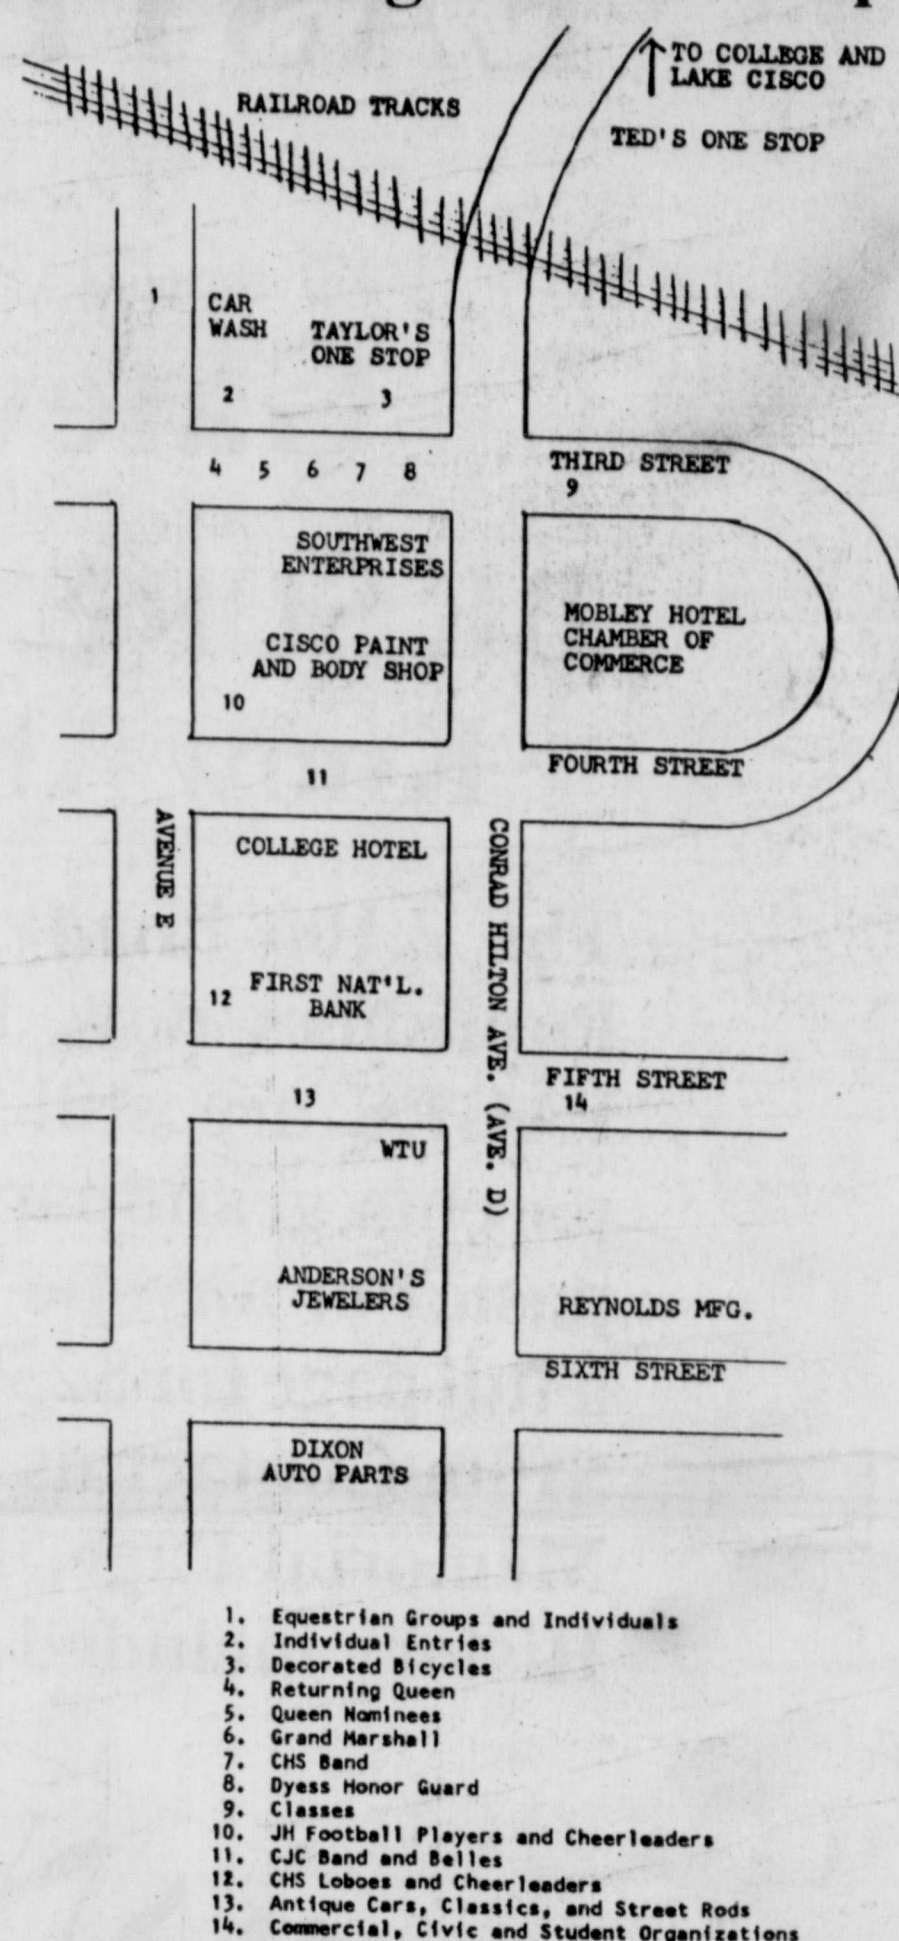

ing to existing troops and 32 girls registering and waiting for new troops to form.

Existing troops are ready to start and troop leaders will contact returning girls. The troop organizer, Deborah Reed, will contact

all new girls as troops are formed.

Anyone who missed the party and still wants to be in Girl Scouts this year or who can provide leadership or support to new troops may call Deborah Reed at 442-4945.
