J. W. KING, SR.

If you did not pay your poll tax you still have time to qualify for voting in the elections this year. All you have to do is register at the office of the county tax assessor-collector before March 17.

You will want to vote this year I am sure. There will be a city election and a school board election in April, then will follow the Democratic primary election in May, possibly special elections during the year, then the general election in November. You will want to have a part in electing officials for the city, the school, the county, the state and national governments so qualify yourself to vote. You can register free.

A zone meeting of the American Legion will be held in Loraine at the Legion Hut Sunday afternoon, March 13, at which time district officials and officials of Posts throughout the zone will be present. Every member of the local Post should be present for the meeting. It will be worth your time.

It was March before all the cotton raised in the territory last year was ginned, the first time the ginning season has extended so late for a long time. All the cotton raised in the Loraine territory was not ginned in Loraine. We do not know how many bales left here because of the crowded conditions of the gins, but we do know that quite a few did. Not a single bale should have left town to be ginned. We should provide gin facilities to handle any size crop local farmers can make.

Loraine Legion Post To Host Zone Meet

Veterans Post No. 555, American Legion of Loraine, will be host Sunday afternoon, March 13, at 2 p. m., for a zone meeting of Posts in this area.

The 19th District Commander Ellis C. Schmidt of Slaton and other District officials, as well as officers and members of the American Legions Posts from Colorado City, Big Spring, Snyder, Coahoma and other towns in the zone will be present for the meeting, designed to aid the Posts in their work.

Doyle E. Hester, Commander, urges every member of the local Post and any veteran who might be interested to attend the meeting.

Meeting place is the American Legion Hut in Loraine.

Junior Play Set For Saturday

Don't forget the Junior Class will present their annual class play, "Tune In On Terror," at the high school cafeteria Saturday night, March 12, at 7:30 p. m.

This mystery comedy in three acts promises to give the public an evening of good entertainment, from the opening lines to the closing. The audience is promised a chilling, fearful, terrorizing, frightful, alarming and horrible hour, but it turns out well, come and see.

Admission is 75c for adults, 50c for students.

Three Names On Council Ballot

Three names have been filed to fill the two places on the ballot for City Council, with deadline for filing March 10.

Incumbents J. W. King and Troy Jones' names will appear on the ballot, and Jud Jean announced this week he will also be a candidate for this office.

Does The Band Need New Uniforms

Our local high school band is the pride of the community. The band represents the town and school and carries the name of Loraine to other communities at least eight times each year. This brings not only publicity for the town, but also a great deal of pride in having a fine group represent us in this manner.

In December, 1966, the Band will march in the Pecan Bowl parade, which is supposed to be nationally televised. In the event that this parade is nationally televised, our local band would be seen in towns all over the nation. How often is Loraine mentioned in every town in the nation?

The present set of uniforms that the band has, has been used about 15 years. All uniform manufacturers tell us that a uniform that is properly cared for should last about 10 to 12 years. As you can see, the present set of uniforms have more than served their usefulness. At least half the uniforms now in use have had to be mended several times. This type situation naturally doesn't add to the pride needed by the members of the band when representing us.

In order that the band can get a new set of uniforms that are so badly needed and so much deserved, it will take a genuine community effort. Many

of you have received a letter from the Band Boosters, which will allow you to be a part of this community effort. If you haven't yet, please fill out your card and mail it today while you are thinking about it. Show the band students that they are really appreciated by all of us.

Picking up the 1963 Falcon off the lot in Snyder were two men and a woman, who it was learned later had visited a Snyder relative, coming in here from Mexico with a burned out car.

It was found that one of the men was out on parole, one had served time in the pen. Sweetwater police were also wanting the trio for theft.

Peace Corps To Test On March 12

Loraine area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps placement test at 9 a. m. on Saturday, March 12 at the new Post Office Building, Room 2201, Abilene.

The Peace Corps uses the placement test to determine how an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn a language, not education or achievement. (If test scores indicated a limited language-learning ability, for example, the Peace Corps tries to place the applicant in an English-speaking country). The placement test requires no preparation and is non-competitive -- an applicant can neither pass nor fail.

The application form, not the placement test, is the most important factor in the selection of Volunteers. Persons interested in serving in the Peace Corps must fill out an application, if they have not already done so, and present it to the testor before taking the test. Applications may be obtained from local post offices or from the Peace Corps, Washington, D. C. 20525. The placement test takes about an hour and a half. An optional achievement test for applicants who have studied French or Spanish requires another hour.

Loraine will be entered in the Merket Track Meet Saturday, March 12. There will be a boy's division and girl's division. The finals start at 12:45 p. m.

Coach Bryan says your backing the Bulldogs is highly appreciated by the coaches and participants.

Band Boosters Club Holds Meeting

The Band Boosters Club held their regular meeting Thursday night, March 3 in the Band Hall with Mrs. Shep Compton, presiding.

A committee composed of Joe Emerson, J. B. Cushing and band director Rouark Barnes was appointed to make plans for raising funds for new band uniforms for the band.

The Treasurer reported a balance of \$1,061 in the Treasury.

The band students will be selling 50 cent chocolate candy bars soon, and all proceeds will go for the uniforms.

Of major concern to Club members and the director now is the raising of funds for new uniforms. The present ones were bought 15 years ago. Many who have children in the lower grades think the time will come later when they will become interested in band work. But uniforms which are purchased now will be used for band students probably 15 years from now, if they are used as long as the present ones have been.

A uniform similar to ones to be purchased may be seen in Ray Preston's window.

Mr. Barnes stated this week that donations are already coming in as a result of letters sent out this week, and this start toward the fund is appreciated.

Since this week in Texas Public School Week, our FTA chapter and the school invite parents and friends to visit school and observe the work being done by students and teachers.
