Early special election voting continues

Early voting for the November 2 Special Election to consider 16 proposed constitutional amendments will continue through Friday, October 29. Balloting may be done during business hours on weekdays until the deadline at the Coke County Clerk's office in Robert Lee.

Bronte City Hall News

The Bronte City Council has gone on record in support of other cities and counties requesting that prayer be allowed in schools and all other public gatherings.

The Council also supports legislation that requires the state and federal government to pay for the cost of mandates forced upon cities and counties. The cost of these mandates should not be passed on to the local governments through new or increased fees and assessments.

Br. Masonic Lodge

J. T. Henry of Bronte Masonic Lodge #962 was awarded the Golden Trowel award last Saturday night at an open meeting of the Lodge on Saturday night at the Lodge Hall.

Sam Werbington, of San Angelo, Deputy of the Grand Master of Texas Masonic Lodge for the 77th District presented the award.

The Golden Trowel is the highest award given by Masons to persons for their professional and volunteer community service.

This, like most amendment proposal elections, will probably draw light voter turnouts. The most common reason is that the voter doesn't educate

We have offered this class twice before and both classes were full, so sign up early. Bring your driver's license and your fee the first day of class, November 9th at 1:00 pm at the Bronte Senior Center.

This is not a class to take if you have received a traffic violation and were hoping it would take the place of Defensive Driving. Call 473-6471 for more information.

himself on the issues. Several of these to be considered Nov. 2 are important; for example, a vote for #4 would require voter approval of any law enacted by the state legislature that would impose a personal income tax.

Students enjoy VFD tour

The 1993-94 Bronte Kindergarten class at Bronte Elementary enjoyed a pleasant walk to the local Bronte Volunteer Fire Department. Mr. Bruce Sonnenberg was our gracious tour guide.

The students looked at all the various types of trucks. The students examined and they even had the opportunity to try on the hats, coats, and firefighter boots. Mr. Sonnenberg showed the students the oxygen mask and tank and how a firefighter would look.

The following comments are from the students:

Kayla Scaramuzzo - "I liked looking at the ambulance truck."

Christian Kelly - liked the ambulance too.

Jessica Schneider and Lindsey Beth Butler both agreed - "The oxygen mask is neat."

"I liked the fire trucks" said Cheyenne Webb, Zachary White and Jamie Vivan.

Bailey Saunders wanted everyone to know that, "the axes are really big."

Jordan Champion said, "I liked trying on the boots, but I couldn't get them off."

Lillian McMullan, Shayla Carper and Jaylon Saunders said, "Trying on the coats and hats was the best part of the trip."

Lynsey Matthew and Sarah Basquez said, "We liked everything."

"It was great when Mrs. Martin took our picture" said Curtin Moore.

We all agreed "We had a great day."

I met God in the morning, when my day was at its best and His presence came like sunrise like a glory in my breast.

All day long His presence lingered, all day long He stayed with me, and we sailed in perfect calmness over a very troubled sea.

Other ships were blown and battered, other ships were sore distressed, but the wind that seemed to drive them, brought to us a peace and rest.

Steers still unbeaten in seven outings

by Bill Burns

The Steers went to Forsan last Friday night and gained the seventh straight win of the season. The first half of the game was controlled completely by the Steers as they scored 25 unanswered points against Forsan. The second half was completely different though, as Forsan controlled the ball and kept the Steer defense on the field.

1st Quarter

Forsan received the kick but the Steer defense held tough and Forsan had to punt. The Steers took over at their own 45 yard line and quickly moved down field for a Steer TD, with Scot Millican scoring from 19 yards out. Millican then kicked the extra point.

Bart Goodman blocked a Forsan punt with Mark Owens recovering for the Steers at the Forsan 9 yard line. Joe Blair went to the air and Eric Hood caught a nine yard TD pass. The kick for the extra point failed.

The Steer defense kept pressure on the Forsan of-

WTU Supports Red Ribbon Week

October is Drug Awareness Month and the week of October 23rd-31st is Red Ribbon Week. West Texas Utilities Company employees will be observing this week by wearing red ribbons. "We encourage everyone to join us with their support. The red ribbon is symbolic of the individual and community efforts for drug prevention education and the elimination of alcohol and drug abuse," said Kit Horne, Manager Public Relations.

The Red Ribbon Campaign was begun in 1986 in memory of Emrique Camarena. Camarena was an agent for the Drug Enforcement Administration who was killed by drug traffickers. The program has now expanded nationwide. The Texan's War on Drugs, founded in 1980, is a non-profit organization involved with drug prevention education, and has sponsored the campaign in Texas since 1988.

In addition to the observance of Red Ribbon Week, WTU is providing Drug Awareness Activity Books to all fifth grade students in its service territory. Other businesses, civic organizations, church groups and individuals are uniting to encourage community support in order to "win the war on drugs". Remember, wear or display your red ribbon October 23rd to October 31st to demonstrate your commitment to a healthy, drug-free lifestyle.

Correction

The following names were inadvertently omitted from the list given to the Observer/Enterprise last week for the gathering of the late Hugh and Maude Smith families. Attending the Smith reunion in addition to other family members were Marshall Berry of San Angelo and Bill and Pat Carwile of Robert Lee.

established. The Steers forced a fumble with Tray Taylor recovering for the Steers.

The Steers moved the ball down for a score with 0:53 remaining in the half. It was another 6 yard pass from Blair to McCown, and they made it look easy. RL-25 - Forsan-0.

3rd & 4th Quarters

As I said earlier, Forsan controlled the ball, but they only scored eight points even though they had the ball 51 plays to RL's 16 plays. The big play for the Steers in the second half was a 59 yard punt by John Williams that was killed at the Forsan two yard line by Dean Burns. Forsan started a drive from there that included 6 first downs but they ran out of time and the game ended. RL-25 - Forsan-8.

'64 Study Club

Fifteen members of Robert Lee's '64 Study Club attended the regular 2nd Tuesday meeting, October 12, at Bryan's Barn. Peggy Saldano, speaker for the evening, gave an informative talk concerning HOSPICE of SAN ANGELO, INC.

Mrs. Saldano, a registered nurse who works mostly with Hospice, explained that the organization is a program dedicated to aiding the terminally ill of all ages to live as fully, as happily, and as free of pain as possible within the limitations of their illness. It exists to provide support for caretakers as well.

Hospice homecare provides visits from a registered nurse to instruct the family and provides skilled care as needed to keep the patient free of pain if possible. A nurse is on call 24 hours a day if needed, and trained lay volunteers may give relief time so the primary caretaker may be able to leave home for shopping, etc. Help is given in acquiring medical equipment such as hospital beds, wheel chairs, etc., at no cost to the family.

Hospice is funded through donations, bequests, memorials, and/or other gifts.

Patients may be referred to

Hospice of San Angelo by family members, friends, nurses, clergy and others. Written order from the primary physician is a prerequisite to Hospice care, and the patient must have someone who agrees to accept responsibility as primary caretaker.

More information may be had from the organization at 102 N. Magdalen, San Angelo, TX, Suite 230, 76903; phone 915-658-6524.

Club hostesses Lucile Bryan, Thelma Jo Hinnard, Irene Newell, and Winnie Pitcock served refreshments from a table featuring Halloween decor. A business session followed with guests enjoying visiting and viewing the museum-type contents of Bryan's Barn and its well-lighted yard.

Locals to play SA club

Matt and Michael Wilson, Robert Lee natives, now living in San Angelo, and Kyle Long of Robert Lee have joined with Billy Hawkins and David McDurmitt of San Angelo to form a band. The group, "High Noon", will be at the Coachman Club at the Ole Coach Inn in San Angelo through Saturday, October 23.

The Bronte Longhorns traveled to Sterling City Friday night to challenge the undefeated Eagles. The Horns played great offensively and defensively. Mistakes and penalties cost the Horns the ballgame. The Horns were able to move the ball all evening, but untimely penalties, fumbles, and a pass interception stopped several scoring opportunities. A touchdown in the third quarter was called back because of a penalty. There were many outstanding defensive plays. Phillip Ratliff had his best games of the season. Jason Cooper also had a great defensive game. The entire defensive team did a great job holding down the Eagles. The offensive line did another great job of opening up holes for the running backs. Leading ground gainers were Brent Taylor with 68 yards, Jason Cooper with 53 yards and Rudy Sanchez with 24. Injuries and mistakes have presented a challenge to the

Longhorn team. When you challenge yourself, you find out what capabilities and potential lies deep inside of you. A challenge brings out the best in you and pride and character takes the leadership role and you rise above yourself to meet and conquer the challenge. Roscoe comes to town Friday night with a 7-0 undefeated season. We've got the team and we've got the challenge, and we've got the spirit. Longhorns, let's go and rise to the challenge.

In the 1st quarter the Eagles take the opening kick-off. Four plays later they are forced to punt after the Longhorns refused to give up a first down. The Longhorns get the ball on their own 40 yard line. Six plays later after Jason Cooper and Brent Taylor pick up good yardage the ball was on the 8 yard line. On the next play Rudy Sanchez takes the ball into the end zone on an 8 yard run. The extra point attempt by Rudy is good. The next possession by the Eagles was time consuming going 55 yards in eleven plays before John Williams broke three tackles and ran 26 yards for the touchdown. The extra point attempt failed. The score was 7-6 at the end of the first quarter.

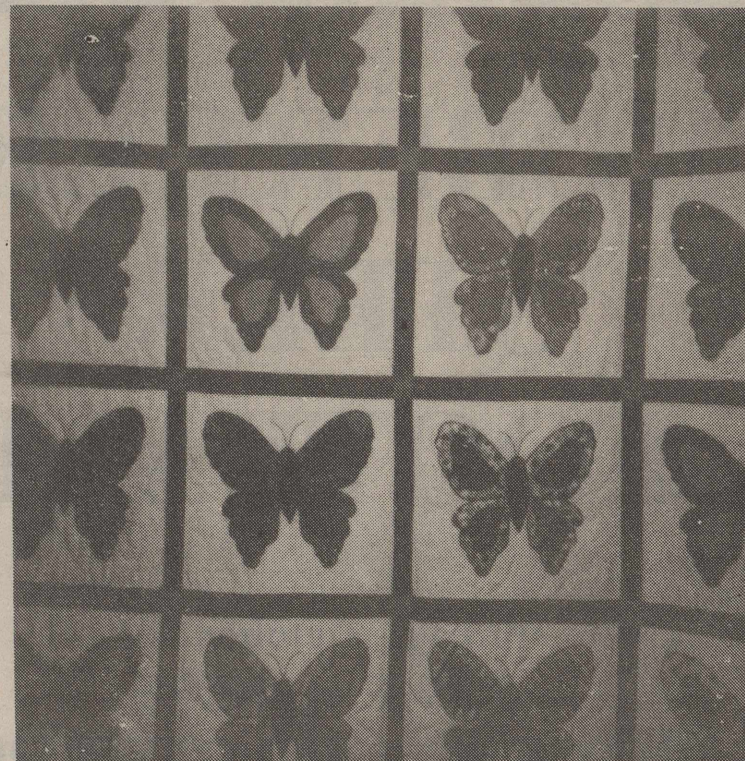

On the second play of the 2nd quarter the Eagles intercepted a Longhorn pass on their own 25 yard line. On the next play Jason Cooper intercepted an Eagle pass on the Eagle 40 yard line. The Horns moved the ball to the Eagle 20 yard line. On the next play one of the color blind officials called an offensive pass interference on Jason Cooper in the end zone. The Horns were not able to pick up the 1st down and had to punt. The Horns were able to move the ball but penalties stopped several good drives. Apparently one of the officials had never seen a screen pass play. Quarterback Brent Taylor dropped back about 20 yards to set up the screen pass play. When he drew his arm back to pass the ball, his hand and arm hit the official in the neck and chest. The incident helped contribute to a 25 yard loss on the play. With the penalties it was the third down and 52 yards for a 1st down. The Horns were not able to pick up the 1st down and had to punt. The Eagles ran three plays and the 1st half ended with the score 7-6.

In the 3rd quarter the Longhorns took the opening kick-off and eight plays later the ball was on the Eagle 20 yard line. On the next play the Horns fumbled the ball and the long drive was halted. The Eagles were unable to move the ball and punted on the fourth play. The Horns fumbled the ball again on the next possession. The Eagles attempted a field goal but it fell short and the 3rd quarter ended with the score 7-6.

In the 4th quarter the Horns moved the ball down the field and Jason Cooper caught a 30 yard pass from Brent Taylor for the touchdown. A penalty brought the ball back and another scoring opportunity slipped away. The Eagles moved the ball to the Longhorn 36 yardline with 35 seconds left to play. On the next play there was a breakdown in the Longhorn's defensive secondary and the Eagles scored on a 36 yard pass play with 25 seconds remaining in the game. It was a hard loss to take, but in the game of football the unexpected can happen anytime, and the expected does not always happen. The Horns played great football, all the lucky breaks went the opposite way that night. The Roscoe Plowboys travel to Bronte Friday night.

Farm Bureau Annual County Convention

The Annual Coke-Sterling Farm Bureau County Convention was held in the Robert Lee Recreation Center on Saturday, October 16, 1993. A barbecue supper was prepared by the Board of Directors and Office Staff and served to about 75 members. The business section of the meeting followed and this year's speaker was the Texas Farm Bureau President S. M. True, Jr. A speech was also given by Casey Thorn of Bronte who attended the Citizenship Seminar at Angelo State University in June. Congratulations were given to Mrs. Marie Arrott of Bronte for being the District winner in the Texas Farm Bureau Pioneer Award. She is invited to attend the Statewide convention in San Antonio on November 28 - December 1, 1993 where the overall winner will be announced. Door prizes were the last on the agenda with many winners.

The picture above is a view of a butterfly pattern quilt that the freshman class of Bronte High School is selling chances on at Bronte Football games and Hall's Super Save Grocery. The quilt was made by Kim Hall's grandmother, Mrs. Adelle Spear of Malvern, Arkansas and donated to the class. Winner will be announced at the Homecoming game at half-time on November 5.

Bronte School News

This year, Red Ribbon Week is set for October 23 through October 31. Wearing and displaying red ribbons during this observance helps to present a unified and visible commitment for communities free from the abuse of alcohol and other drugs. The theme this year is BE DRUG FREE '93. Next week and throughout the coming year, it is our goal that our school and community work to develop a healthy, substance abuse free lifestyle. We also hope this lifestyle will carry over into our state and our nation. The objective of the Red Ribbon Campaign is to establish and maintain coalitions to bring about positive change. This includes all segments of our community such as school, parents, youth religious institutions, businesses, industry, law enforcement, govern-

ment, civic and service organizations, media, medical facilities and personnel, social services, legislators, and elected officials and YOU!

The Bronte schools will be participating by a series of events at school and the community businesses will have displays of red. Please join us in our campaign.

HEALTH NOTES

Nuts To You

When researchers at Loma Linda University in California noticed that frequent consumption of nuts was linked to a lower risk of heart attacks in a study of Seventh Day Adventists, they decided to focus on how nuts affected cholesterol and blood pressure. Two groups of healthy men between the ages of twenty-one and forty-three followed one of two diets for four weeks, then switched diets for another four weeks. One diet conformed to the National Cholesterol Education Program diet, with about thirty percent of calories coming from equal amounts of saturated, monounsaturated, and polyunsaturated fats.

The second diet was identical except that twenty percent of the calories were replaced by walnuts. Even when compared to the cholesterol-lowering reference diet, the diet containing walnuts reduced total cholesterol levels another ten percent, with even greater reductions in LDL, the bad kind of cholesterol.

However, Dr. Joan Sabate and his colleagues reported, in *New England Journal of Medicine*, that the benefits of walnuts may not apply if they increased rather than replace calories.

Counselor's Comments

by Vicky McCutchen

Raising children in the 1990's can be a challenge for all parents. One of the main concerns of most parents is trying to keep their children drug-free. There are many things parents can do and say to raise drug-free kids. One of the most important is to listen to your children. Pay attention while your child is speaking before making a judgmental remark and has asked you for a remark. Encourage and emphasize the importance of good health by talking about things people do to stay healthy, such as brushing teeth after each meal, washing hands, eating good foods, and getting plenty of rest and sleep. Hobbies, after school activities, sports, and other activities may prevent children from experimenting with alcohol, tobacco, or other drugs out of boredom.

Some other important ways to keep your child on track is to help them feel good about themselves by relating to them that you place high value on their good, special qualities, qualities that drugs can and will destroy. Help them to develop strong values such as honesty, self-reliance, and responsibility. Educate yourself and talk with your children about alcohol and other drugs and ways to say no. Talk regularly using anti-drug messages in your conversations. Set a good example for your child. Parents' drinking habits and attitudes may strongly influence their children's perceptions of alcohol. Children need to understand the family's rules and discussing them helps them

to become familiar with them. Help your child deal with peer pressure by letting them know that friends can be wrong. If you suspect a problem, know what to do and where to go for help, such as member of clergy, a counselor, or a treatment facility. Help your child to understand and think about media messages, which can be confusing. One of the most important steps a parent can take is to become involved in parent support groups which will help you accomplish all areas mentioned. Working together and communicating is the key.

Styles, Aguirri exchange wedding vows

Marti Kay Styles and Keith Phillip Aguirri were joined in holy matrimony July 10, 1993 at the First United Methodist Church in Bronte, Texas. The Reverend Elmer Beck officiated.

The bride is the daughter of Mr. and Mrs. Rick Styles of Bronte, Texas. Parents of the groom are Mr. and Mrs. Kenneth Aguirri of Kerrville, Texas.

The altar was decorated with greenery and a unity candle. Candlelight bows and greenery accented the pews.

The bride was given in marriage by her father. She chose to wear the wedding gown worn by her paternal grandmother, Joyce Styles and also worn by her aunt, Angela Adair. The gown was candlelight taffeta designed with a molded basque neckline featuring tapered sleeves and a bouffant skirt ending in a chapel length train. The bride wore a satin derby hat trimmed with pearls and a finger tip veil. The bride's bouquet was a cascade of white roses, gardenias and stephanotis.

The bride carried a handkerchief carried by her paternal great-grandmother, Stella Styles, on her wedding day seventy years ago. She also wore a gold bracelet given to her maternal great, great, great-aunt on her wedding day one hundred years ago. The bracelet was also worn by her maternal grandmother, Dorothy Bishop McFall and her mother, Kay McGaughy Styles on their wedding day. She also wore the blue garter worn by her mother twenty five years ago.

The bride was attended by Matron of Honor, Angela Adair, her aunt of Colleyville, Texas. Bridesmaids were Stefanie Demchuk, cousin of the bride of Dallas and Kristi Aguirri, sister of the groom of Kerrville. They wore matching tea length, off the shoulder floral print dresses. Each carried a bouquet of spring flowers.

The father of the groom served as best man.

Mrs. Keith Phillip Aguirri

Groomsmen were Bill Aguirri of Portales, N. M. and Steven Adair of Colleyville, Texas. Gereld Styles, uncle of the bride of Colleyville, ushered the guests. They all wore matching black tuxedos with tails and white vest.

Flower girls, Amy and Errin Greener, cousins of the bride, wore candlelight, drop waist dresses with sashes matching the floral print of the bridesmaids gowns. They carried baskets of silk pedals in spring colors. They were escorted by ring bearer, Austen Adair, cousin of the bride, who wore a tuxedo matching the groomsmen.

A reception, dinner and barn dance at the home of Don and Melba Mauldin in Robert Lee, Texas followed the wedding. Lindsay Demchuk, cousin of the bride registered the guests at both the wedding and the reception.

The bride's table was covered with a candlelight satin cloth with pearl appliques. Gardenias and greenery decorated the table and the three-tiered wedding cake. The groom's table included a devil's fudge chocolate cake with cream cheese icing. Serving at the tables were Karla Terrel of Throckmorton, Amanda Bishop of Wimberly, Theresa Greener of Colleyville, all cousins of the bride, and Michelle Gilley of Corpus Christi, cousin of the groom.

The rehearsal dinner was hosted by the groom's parents at the Lowake Steak House in Lowake, Texas.

The bride is a graduate of Texas Women's University, the groom is employed by Nationwide Home Sale. After a wedding trip to San Antonio, the couple will make their home in Denton, Texas.

We Salute....

Aubrey & Zada Denman for their volunteer effort and labor in repairing the picnic table at the mini-park in downtown Bronte. The townspeople and the tourists really enjoy it!

Bivins, Hortenstine exchange vows

Christine Bivins and David Lee Hortenstine were united in marriage at four o'clock in the afternoon on Saturday, October 16, 1993. The double ring ceremony was performed by Minister Mills Caraway at the First Baptist Church Bronte, Texas. Wedding music was provided by soloist Jamie Rouse and Mills Caraway.

A rehearsal dinner was hosted by the parents of the groom on the eve of the wedding at Zentner's Daughter's Steak House in San Angelo.

Christy is the daughter of Mr. and Mrs. Garry D. Bivins of Bronte. She is the granddaughter of Mr. and Mrs. Earl F. Glenn and Mr. and Mrs. Thomas M. Bivins of Bronte.

David is the son of Mr. and Mrs. Rodney L. Hortenstine of Taylor. He is the grandson of Mrs. Howard A. Lindell of Taylor and Mr. and Mrs. Robert H. Hortenstine of Houston.

Given in marriage by her father, the bride wore a gown of white satin designed by Madeline Gardner. The bodice featured a dropped waist and scalloped sweetheart neckline magnificently hand embroidered with Alencon lace, sequins and pearls. The back of the dress was cut into a deep V with the edges encrusted with seed pearls and reembroidered Alencon lace cutwork. The full bell shoulders were accentuated by the long fitted window cut sleeves of the gown. The elongated dropped waistline fell to the softly gathered full skirt of lustrous satin which flowed into a circular train of royal length intricately adorned with Alencon lace cutwork, pearls and iridescent sequins. Her headpiece, layers of waist length white illusion scattered with sequins and beads, fell from an arch of beadwork beneath her up-swept hair. The strand of pearls Christy wore were given to her by David as a wedding gift. She carried an heirloom Bible inlaid with Mother of Pearl from the Holy Lands which all the women in her family have carried on their wedding day. Her bouquet was a cascading array of moonlight white roses, stephanotas and Eucharis lilies.

Attending her sister as Maid of Honor was Miss Melissa Bivins of Bronte. Matron of Honor was Mrs. Melissa Arrott Stockbridge of Lubbock. Bridesmaids were Mrs. Janet Eubanks White of Lewisville, cousin of the bride, Miss Holly Hortenstine of Taylor, sister of the groom, Mrs. Misti Taylor Bedford of Denton, Miss Emily McKee of Tulsa, Oklahoma, and Miss Tina Trinkle of San Antonio. The bridal at-

tendants wore matching emerald green taffeta cocktail dresses and carried arm bouquets of stargazer lilies, pink larkspur, monte casino and Queen Anne's lace. Flower girls were Miss Anna Austin and Miss Elizabeth Austin of San Antonio, cousins of the bride.

Serving as best men were Clint Krhovjak of McKinney and Trey Rogers of San Angelo. Groomsmen were Michael Bachmayer, Todd Blahuta and Paul Larson of Taylor, David Caldwell of College Station, and Bradley Lenz of Abilene. Ushers included Jason Pierce and Devlin Pierce of Bronte, cousins of the bride, Gary Lane and Kirk Slack of Houston and Bill LaGrange of McAllen.

Members of the houseparty were Miss Dorinda Scott of Bronte, Miss Kari Anderson, Miss Kristan Bishop and Mrs. Julie Frieson Chrisman of the Dallas area, Mrs. Amber Strauch White of San Antonio, Miss Trisha Rogers and Mrs. Lisa Larson of Taylor, and Mrs. Elizabeth Lane of Houston.

The First Baptist Church Fellowship Hall, the site of the reception was filled with arrangements of stargazer lilies, white roses and ivy. The bride's table was the focal point of the reception. The center of the eighteen foot serpentine table held a large arrangement of stargazer lilies and greenery. The bridal bouquet was then used to complete the centerpiece.

The groom's table was decorated with vines of ivy encircling the chocolate cream filled cake. Almonds and basket weave icing accentuated the cake which was topped off with a Texas A & M University seal, the groom's Alma mater.

The bride is a 1989 graduate of Bronte High School. She received a Bachelor of Arts degree in Speech Communication in 1993 from Texas A & M University where she was a member of Delta Zeta Sorority. She is an ac-

count executive with Goldstein Communications, Inc., a Public Relations firm in Houston and a member of the Juvenile Diabetes Foundation.

The groom is a 1986 graduate of Taylor High School. He received a Bachelor of Science degree in Agriculture Economics in 1991 and a Master of Science degree in Land Economics and Real Estate from Texas A & M University in 1992. He is a commercial real estate appraiser with Robert Bradley and Associates of Houston.

Following a wedding trip to St. Thomas and the Carribean Islands, Mr. and Mrs. Hortenstine will make their home in Houston.
