

8 Educators Named Everett Is High School Principal

Two administrators have been appointed to key positions in Colorado City public schools and six new teachers named

to the faculty.

Contracts for all 8 were signed this week, according to Supt.

Lloyd McKee, who left Wednesday morning for additional recruiting interviews in at least 3 college cities.

to state minimum schedule plus \$1,210. Barnes will receive \$12,000 in his administrative post.

New faculty appointments are:

Mrs. Patsy Ruth Edens, wife of Rev. Davis Edens, new minister of Colorado City's First United Methodist Church, Hutchinson Elementary fourth grade.

Mrs. Juanita Fredalyn Everett, wife of High School Principal Bill Everett, assigned to Hutchinson fourth grade where she taught during the Everett's previous residency here.

New principal for Colorado High will be Bill J. Everett, former coach and teacher in Colorado City and Lorraine, who will move here from Irving where he was principal of Nimitz High School for 5 years.

Tracy Darrell Barnes, who has been junior high principal and assistant high school principal in Petersburg for 5 years, will become administrative assistant on the superintendent's staff.

Everett, 41, will succeed Wallace Price, who is leaving the Colorado High principalship to become superintendent of schools at Morse.

Barnes will fill an administrative gap left vacant by the move of Gary Gardner, assistant superintendent, to become superintendent of schools at Wilson.

Salary for Everett will be \$15,600 annually which amounts

Jerry Ellis, who moves here from Brazosport Independent School District, to become choral director for Colorado High and Junior High schools, succeeding Charlie Helmer, who resigned to become choir director for Kermit Schools.

Miss Glenda Fincher, with six years of teaching experience in Odessa, assigned to ninth grade English at Colorado High.

Rick Robinson, Texas Tech University graduate, who will be history teacher and athletic coach at Colorado High.

Mrs. Carol Jean Robinson, wife of Rick Robinson, McMurry College graduate, assigned as kindergarten teacher (state paid) at Kelley Elementary.

Everett, the new high school principal, has bachelor of science degree from Hardin-Simmons University and master of education degree (secondary principalship) from Abilene Christian College. His 17 years of teaching including a year as football coach at Lorraine, 8 years as teacher, assistant football coach and track coach in Colorado City, plus 5 years as principal in Irving, from 1967 to 1972. He also was on the football and track coaching staffs there from 1964 to 1967.

The new administrative assistant Barnes comes to his post with experience in various federal-funded programs and adult education in Petersburg. He has a bachelor of science degree from East Texas State University in Commerce and a master degree from Texas Tech. His 10 years of teaching includes Lubbock public schools (1962-65), plus coaching, teaching and principalships in Petersburg. Ellis, the new choral director, SEE EDUCATORS Page 7

Playhouse Tryouts Set Next Week

Tryouts will be held at 7:30 p. m. Monday and Tuesday nights by the Colorado City Playhouse, Inc., for their upcoming production, "Barefoot In The Park."

The play is one of many outstanding comedies by author Neil Simon.

"Barefoot In The Park," will be presented by the little playhouse group here in the Opera House, probably in September.

Don Delaney will be director of the play.

There are four parts for men and two parts for women. It is not necessary that those trying out be a member of the playhouse group.

Award For Lone Wolf

Kenneth Rogers, left, manager of Lone Wolf Electric Co., and Martin Murphy, chairman of the board of directors of the Co-op, received a safety award from Employers Mutual Insurance of Wausau for having no loss time accidents for 111,489 man hours. The award was presented during ceremonies at a special banquet Tuesday night in the Civic House. Some 32 Lone Wolf employees were present.

TOWN TALK By MAC MCKINNON

The Colorado Country Club is not a pushover, as golfers in the recent tournament found out.

Colorado High Athletic Director Weldon Brevard compiled a few statistics on the results of the tournament that are quite interesting.

Most of the golfers who play the course are well aware that the most difficult hole on the course is No. 7. There were 73 bogies and 15 double bogies during the tournament on No. 7.

The most likely hole to birdie is No. 6 with 30 birdies carded on that hole during the tournament.

The hole where more pars were carded was No. 2 with 114 pars during the tourney.

Hole No. 9 had caused tournament players the most bogies with 82 and No. 8 was the only hole where an eagle was carded.

Tournament golfers got 23 birdies on No. 8 which is the second most likely hole to be birdied.

The greens were in beautiful shape for the tournament, thanks to club manager Clay Fagan.

Emergency FHA Loans Available

Mitchell County farmers and ranchers are eligible for emergency loans from the Farmers Home Administration, Congressman Omar Burlison has announced.

The loans are being made available as the result of the drought of 1970 which caused substantial loss of field and crops as well as damage to pastures.

Many farmers and ranchers are expected to need emergency loans to complete their 1972 operations and for the 1973 operating year.

Farmers Home emergency loans are made to finance crop production, replace livestock

Braves Lead League

The Braves remain undefeated in the Junior Teenage Baseball League as they downed the Colts 17-6 this week to maintain their undefeated status.

In second place is the White Sox with a record of five wins and three losses. This week the Sox downed the Lions 13-5.

The Lions are in third place with a 2-6 record and the Colts are in the cellar with a 1-7 record.

and for other expenses necessary to restore normal operations.

Summer Time For "Pinkeye"

Hot, dry summer can be a big pain in the face for cattle. The reason is "pinkeye".

"Pinkeye is an infectious eye disease of cattle of all ages and breeds," says Dr. James Armstrong, veterinarian with the Texas Agricultural Extension Service. "However, young animals under two years of age appear to be more susceptible than older ones."

The eye inflammation occurs most often in summer and fall and is generally more prevalent in white-faced animals. Dry, dusty conditions, bright sunlight, feeding in tall grass and the presence of flies all tend to aggravate the condition.

Although the disease generally runs its course in two to four weeks without much damage, secondary bacteria often invades and can cause permanent blindness. Therefore, treatment is important as soon as a case of pinkeye is suspected.

Evening Lions Installation

Dennis Wright took over leadership of the Evening Lions Club from Doc Slater Monday night in installation ceremonies at Civic House. Other new officers are, left to right, Kay McCarley, director; Joe Martin, Lion Tamer; Carol Gray, director; Slater, past president; Gene Parker, first vice

president; Dennis Wright, new president; Waverly Massengill, tail twister; Charles Goodlett, director; and Paffie Goodlett, sweetheart. Also during the installation and awards ceremonies, the Evening Lions presented an award of appreciation to the Colorado City Record.

Probated Terms To 6 Rose Guilty In Tire Theft Case

Sylvester Rose, who has been charged with a variety of felony and misdemeanor charges during the last year, will be on probation for the next 30 months.

The Lorraine man has received a 2 1/2-year probated sentence in 32nd District Court here for receiving stolen property.

Rose is one of six defendants receiving either jail terms or probated sentences before 32nd District Judge Weldon Kirk.

Rose was found guilty of receiving 3 truck tires from Leon Molina, who already had received a probated sentence for theft of the tires from Les Fuller's Truck Town last September.

The theft was discovered when sheriff officers were notified that new tires had been sold in Sweetwater.

Molina told officers that he stole 3 tires the night of Sept. 23, leaving them behind an Interstate 20 service station for Rose.

Molina admitted returning to Truck Town the next night and taking 4 more new truck tires plus 2 cases of oil and 1 case

of anti-freeze, all of which he said went to Rose for a price of \$50 per tire and \$15 for the remainder.

Judge Kirk probated the 2 1/2-year prison term provided Rose meets good behavior requirements of probation during the next 30 months, pays \$55 in court costs and a \$10 monthly probation fee.

Eugene Scott of Colorado City, who was sentenced to 2 years in prison last January without probation for disfiguring another Colorado City man, J. L. Alexander, with a knife, was granted a new trial.

With his second courtroom appearance, Scott got a chance to stay out of prison. He received probation from a 3-year sentence, subject to good behavior for the next 3 years plus the payment of \$55 in court costs and \$10 per month probation fee.

Also receiving probation from a 3-year penitentiary term was Frank Albert Giles, formerly of Colorado and now a Dallas resident.

Giles pleaded guilty to forging and passing a \$45 check April 11 at the Truman Nix Texaco Station. He must make restitution for the \$45, pay \$105 in court and lawyer fees and pay \$10 monthly during his 3 years of probation.

Nicolas Rodriguez, Colorado City, one of 3 defendants pleading guilty to subsequent offense driving while intoxicated, was handed a 50-day jail term.

Judge Kirk, to allow Rodriguez to make a living for his family, stipulated that the jail sentence will be served on weekends from 9 a.m. Saturdays.

Friday Rites For Compton

Jess Woodrow Compton, 54, died in Pampa Tuesday after a short illness.

Funeral services will be in the First Baptist Church of Lorraine at 3 p.m. Friday.

Surviving Compton are his wife, one daughter, Joan of the home, one son, Michael of Harker, six sisters, Mrs. Mae McAdams of Lorraine, Mrs. John Scown of Monahan, Mrs. Beulah Boyd and Mrs. Leonard Sikes both of Clifton, Mrs. Era Mayberry and Mrs. S. E. Boyce both of Midland.

Also surviving are three brothers, Eulis B. Compton of Lorraine, R. E. Compton of Lafayette, La., and Sidney Compton of Colorado City, and two grandchildren.

day to 6 p.m. Sunday until the time is up. Rodriguez receives credit for 5 days previously held in jail but must pay all court costs.

Nolan Gaines Russell, Colorado City, received a 4-month jail term for subsequent DWI and was granted probation for 18 months provided he keeps good behavior, pays \$55 court costs and \$5 monthly probation fee.

A second DWI charge against Rodriguez was dismissed.

Eloy Yruzegui Gutierrez Jr., Colorado City, also was granted 18 months probation from a 5-month jail sentence for subsequent DWI. He also will pay \$55 court costs, \$5 monthly and keep good behavior or go to jail for the full sentence.

Red Cross Programs

The Mitchell County Red Cross will present two programs beginning today.

Milton Bodzin of Abilene, will teach the water safety and life saving course at the city swimming pool from 4-6 p. m. beginning today. The course will last approximately 18 hours.

Bodzin also will instruct a first aid course beginning at 7 tonight. He will be assisted in teaching the first aid course by Kenneth Rogers.

The first aid classes will last from 7 p. m. to 9 p. m.

Four local Red Cross workers Mrs. Bruce Byrne, Mrs. Kenneth Beasley, Mrs. Bonnie Burt, attended a Red Cross workshop in Sweetwater Wednesday.

McKinney Elected Chief

Colorado City's Volunteer Fire Department Monday night re-elected Pat McKinney as chief and Charles Ezell as first assistant.

Dale Mathis was elected second vice president and other officers elected were Eddie Gregory, secretary-treasurer; James Bobo, assistant treasurer; Lon Robertson, chaplain; Morris Sloan and Tom Conner as drill captains and Buzz Rich, sergeant at arms.

The local fire department will play host in October to the convention of the Mid West Fire Fighters Association. About 200 are expected to attend.

Colorado City Bullfighter

Quail Dobbs, 1961 graduate of Colorado High School, will be one of the featured performers along with Ken Curtis of "Gunsmoke" at the annual Big Spring Rodeo this week. This will be Dobbs' first performance before a West Texas audience. In addition to being a clown to protect bull riders, Dobbs also has a Bucking Ford Car Act that he will perform at the Big Spring rodeo. He is married to the former Judy McGuire of Colorado City.

Garden Club Members Display Floral Arrangements

Members of the Colorado City Garden Club met for the last meeting of the year June 14. The meeting was held in the Community Center.

Mrs. Earl Brown, president of the club, presided over the final meeting. Mrs. Roy Davis Coles, chairman of the year book committee, read the programs of the 1972-73 year book. Theme for the year book was "Create Beauty."

Mrs. John Brown presented the program, "Flower Arranging". Each member brought an arrangement and analyzed it. Mrs. Earl Brown described her arrangement as one designed for use in her home. The colors of red and pink roses are similar to those in her home.

Mrs. Roy Davis Coles showed

an arrangement in a crystal goblet using pink roses, wild buckwheat, and lantana. She used a crystal base inlaid with dried flowers.

Mrs. W. S. Edge showed red roses combined with jasmine.

Wild honeysuckle and Queen Anne's lace was used by Mrs. Ben Elliott. She also showed an arrangement of dry wheat poppy heads and pepper in an orange container.

"Wine and Roses" was the name given the arrangement brought by Mrs. Bruce Johnson. It was red roses, ivy, and green and purple grapes in a green bottle container.

Black daisies in a black vase and orange daylily marigolds in a gold container were

the two arrangements shown by Mrs. S. A. Palmer.

Mrs. George Willis called her arrangement "A Tribute to My Mother". It contained yellow daylilies, red roses, and white mums.

Mrs. John Brown used a crystal vase with Queen's Wreath and daisies. Her other arrangement was red and pink roses in a hand made vase from Greece.

The club will meet Sept. 14 for the first meeting of the new year.

Members present were Mmes. W. S. Edge, John Brown, Roy Davis Coles, B. B. Bridgeford, Ben Elliott, John Bell, George Willis, Earl Brown, E. M. Owen, S. A. Palmer, Bruce Johnson and L. J. Taylor.

Dering-Miller Vows Spoken

Miss Charlene Dering of Colorado City became the bride of Larry Dean Miller in an afternoon ceremony in the home of her parents.

The wedding took place June 3 at two p.m. Judge Bill Carter officiated at the double ring ceremony.

Parents of the couple are Mr. and Mrs. Bill Dering, and Mr. and Mrs. Lee Roy Miller of Westbrook.

The bride wore a street length white dress with white accessories.

Those attending the wedding were Mr. and Mrs. Lee Roy Miller, Ronnie, Jane, and Lee Roy Miller, Jr., Mr. and Mrs. Bill Dering and the bride's grand-

mother, Mrs. Van Watkins. The couple will make their home in Denton where he is employed by an electrical company.

The bride is a graduate of Colorado High School. The groom is a graduate of Westbrook High School. He attended Tarleton State College.

Ruth COFFEY'S CONVERSATION CORNER

There is hardly anything left to shock or horrify people any more. But don't you suppose it's all right to wonder what next and what the world is coming to?

Scott Carpenter, famous astronaut, has decided to go into the wasp raising business. That's what it said right there in the paper. He and his new wife are gonna raise wasps.

They intend to sell 'em. Now even though Scott Carpenter has got to be a super-intelligent man the whole idea seems strange to anybody who ever got stung by a wasp on the whatever.

NATURALLY Carpenter's motive is good. Those wasps he's getting ready to raise by the millions or trillions are not the ordinary variety. They are tiny little things, menaces in miniature.

Sole purpose of these good little wasps is to eat up all the bad bugs and thus contribute to agricultural progress. The news item did not say who will undertake training them to do it or how to teach them to tell the difference in the taste of good bugs and bad bugs.

What if they get mixed up in the program and get so hungry they start eating up the little lady bugs?

This world has trouble enough without wasps on the warpath.

ANY MAN or woman has a perfect right to make a living or get rich raising whatever he can sell for profit and the benefit of mankind.

Used to have a nice neighbor,

the late Frank Ramsdell, who enjoyed being a bee-keeper.

When the bees decided to swarm chasing the Cleopatra of the colony he'd don his heavily protected bee-keeper hat and gloves and put them in newer and bigger hives.

Of course he always waited until they buzzed into a tree and looked like giant gobs of bubble gum.

HAVE HEARD of and even met men who raised worms. But worms have their virtues. They do not sting or swarm. They are born to be bait. Catfish oughta hate 'em.

Knew a lovely little lady who raised flowers and who kept a little garter snake as her pride and pet assistant.

That is she kept her little snake in the flower garden until a guest chopped his head right off with a handy hoe. The guest did not understand the balance of nature and to her a snake was a snake.

BOYS will usually raise white mice and rats, baby turtles, tiny alligators, parakeets, fish in decorative aquariums—almost anything the cat can't get to first.

Knew one little boy who loved his pet harmless and non-poisonous snake like a brother—until it got loose in the kitchen cabinet and the cook quit.

GUESS it's really nobody's business if Scott Carpenter starts raising wasps.

But it's only fair to say that first time his miniature bad bug

eaters turn out to be big bad wasps building nests in the mail box he may get sued.

WELL, to heck with bugs and insects good or bad. It's more fun to think about people around here.

In spite of the mid-afternoon heat our museum and its little new downtown park were both full of people Friday afternoon during the dedication of the historical marker honoring the memory of Dr. P. C. Coleman. Never was privileged to meet the beloved pioneer physician and outstanding educator but did know and adore his widow. He came here in 1883 and died in 1932. But have heard a million beautiful stories about him and accounts of his admirable accomplishments.

Somehow, whenever Dr. Coleman's name is mentioned, feel like remembering Longfellow's lines which go, "Lives of great men all remind us, we should make our lives sublime, and departing leave behind us, footprints in the sands of time".

Those footprints are still visible to hearts and minds not only in our area but all over Texas.

COULD NEVER recall names of all who attended the program of tribute and dedication.

Do recall seeing J. Ralph Lee, Chairman of our Historical Museum Committee, Bill Randle, citizen here since the early 20's, Mabel Smith, member of another prominent pioneer family and cousin of the Coleman family, Nell (Mrs. Bennett) Scott, assistant to Dr. Coleman and later head nurse for the late Dr. C. L. Root, Lottie (Mrs. Cap) Slagel, John Womack, long time Cuthbert area rancher, and his wife Mary together, Noey (Mrs. Clay M.) Smith, Dera (Wulfen) Winn, daughter of the well-known Wulfen ranching family, Myrtle and Otto Jones, long of Rendenbrook Ranch at Spade, Mattie (Mrs. Witt) Hines of the wide Conaway Spread and dedicated hard worker for our local Historical Society.

SAW TOO beautiful Gillian McEntire with happy eyes because son Randy Albuquerque is getting married this

summer. Mildred (Mrs. Bruce) Campbell, T. J. Goss, II, Mac McKinnon, Flora (Mrs. John) Brown and her sister Alice (Mrs. Roy) Coles of the long remembered Bozeman pioneers, Mrs. Jim Nunn, Fannie Cooper, Gus Chesney, descendant of the Dorns.

EXCELLENT program had Frank Ginzler, District Attorney, as Master of Ceremonies. Invocation was by Jim Bodine, welcome address by Gus Chesney, tribute and life history of Dr. Coleman by his grandson, Dr. Maxwell Thomas of Dallas. Great-grandsons Will Vickrey and Tom Burchard of Sacramento and Palo Alto, California, unveiled the marker. Preston Burchard, grandson of Palo Alto, read its inscription. Joe Earnest, County Attorney, and lifelong friend of the Colemans, spoke the dedication. Glenn Roenfeldt said the benediction.

Other members of the Coleman family here for the event were charming Eleanor (Mrs. Roland W.) Burchard of Sacramento, only surviving Coleman daughter, who made a brief speech of appreciation. With her was her daughter Alice B. Vickrey, beautiful brunette, of Sacramento. Attractive Eleanor Wheeler Coleman grand-daughter of Midland, and her two gorgeous blond daughters, Enid and Eleanor, with their children.

This whole town was proud!

Dominoe And 42 Club Meeting Time Changed

The Domino and 42 Club voted to change their meeting time when they met Friday night in the recreation center.

The time has been changed from every third Friday night to every second and fourth Friday nights.

Mrs. Lillie Ward called the meeting to order, and Herman Salley said the prayer.

The register table was decorated with roses. Mrs. Cameron McNeill registered guests.

Refreshments of coffee and soft drinks were served to 37 members and four visitors.

Members attending were Mrs. Lillie Ward, Mr. and Mrs. Herman Salley, Mrs. Maggie Hamrick, W. H. Fulton, Ralph Morgan, Mrs. Almorine Marshall, Mrs. J. Bobo, Mrs. Pauline Smiley, Mrs. Rosa Hamrick, Jack Bourland, Mr. and Mrs. Jimmy Brooks of Sand Spring.

Three Flags Presented

Wilson-Wyatt V.F.W. Colorado City Post Commander, Don Delaney, presented a flag to several organizations. The flags were presented last Wednesday on Flag Day.

Flags were given to KVMC Radio, Root Valley Fair Lodge and Root Memorial Hospital. Delaney stated that flag kits can be purchased at the VFW Post Home for five dollars. He urges each family and business to buy a kit so that they may fly a flag on July 4.

Sally Beavers Named To Honor Roll

Hardin Simmons University has announced the list of students earning recognition on the Dean's List, Honor Roll, and Honorable Mention for the 1972 spring semester.

Among those students being honored for the honor roll, with a grade point of at least 3.58, for 12 semester hours, is Sally Beavers, a junior, from Colorado City.

Methodist Revival

St. Luke United Methodist Church will be holding their revival services at 7:30 p. m. Monday through Saturday and at 10:50 a. m. Sunday morning.

Evangelist for the revival will be Rev. G. W. Leach, former resident of Colorado City. He has recently moved to the Fair Park United Methodist Church in Abilene after serving in Texas Street United Methodist Church in Vernon for the past four years.

He has been pastoring in various churches in northwest Texas for the past 11 years.

Government In Action Tour

Area youths pause for a moment in front of the National Capitol building in Washington D. C. during their June 12-18 visit there on the rural electric Government-in-Action Youth Tour. Local youths attending were Phyllis Solomon of Colorado City, Tommy Dale Newsom of Maryneal, and Belinda Kay Sheffield of Loraine. They toured several government buildings and cultural sites, including the Washington and Lincoln memorials, Mount Vernon, and the White House. They were greeted at the White House by President Nixon. The weary but happy threesome returned from their trip Tuesday.

Kiwanis Convention Attended By Payne

One member of the Kiwanis in Colorado City is attending the 57th Annual Convention of Kiwanis International in Atlantic City, New Jersey.

Approximately 16,000 people, Kiwanians and their families, are on hand for the event.

They represent some 270,000 Kiwanians in 5,900 clubs in the United States, Canada, Mexico, Europe, Central and South A-

merica, the Caribbean, the Far East, and the Southwest Pacific Area.

This is the sixth time that Atlantic City has hosted the Kiwanis convention.

Mrs. Wood was the grandmother of Michael and Mark Apperson of Colorado City.

Letters To Editor

TO WHOM IT MAY CONCERN

Today I have talked with a number of individuals concerning the letter in Sunday, 6-18-72 edition. As a concerned citizen I would like to answer the question of 'police protection'.

The driver of the car with the supposed firecrackers is a minor. He has no driver's license. He does not drive with police permission! When he was found he was inside his home. He was not driving the car. To be arrested a driver must be seen in a moving vehicle. The car was searched and no fire crackers found. The boy was asked to start the motor. The car back-fired several times. Might sound like fire crackers? A complaint could have been filed at the police station (they were so advised) by any one of the ladies who were at the camp.

During the night the camp was patrolled several times.

I also know that the city went to some expense to make the camp more convenient for the scouts.

I've lived in Colorado City for 66 years. I've called the police so many times and for so many varied things that at times I'm ashamed to call again. Never have I been ignored, insulted or slightly unhappy with anyone who answered my call!

Thanks police boys for your consideration. I'm sure my grandchildren will never be at the park with the Brownies but anytime they are there and I want them protected I shall call you and know they will be in good care!

Sincerely
Mary Lee Moore

Cultural Committee To Present Mrs. Fisher

Colorado City's cultural committee will present Mrs. Beeman Fisher, a former resident of Colorado City, in a cultural series program. She is now one of Fort Worth's most prominent leaders in arts and civic development.

Mrs. Fisher's talk is scheduled for 8 p. m. Friday night in the Colorado City Playhouse.

Mrs. Fisher, recognized throughout the southwest for her book reviews, will base her talk on the concept of change from three divergent points of view.

The change of youth will be discussed in the writings of Charles Reisch in his best seller, "The Greening of America."

Alvin Toffler's "Future Shock" shows the view of change resulting from a super technological society.

Rebel's "Without Marx or Jesus" will discuss similar aspects of super technological society on the international level.

Following the program, refreshments will be served.

At your service: Electricity that can help save lives.

The next time you visit a large hospital, think about all the modern machines and equipment there that help save lives.

Those that come most quickly to mind include electrocardiogram equipment, kidney machines, sterilizers, special lights in the operating room, surgical and physical therapy equipment.

Intensive care units in some hospitals have closed-circuit television, so nurses on duty stations

can observe their patients constantly.

X-rays, long an important diagnostic tool, can now be ready to read in as little as 90 seconds.

And all newborn babies are now helped to adapt to life conditions by the controlled temperature, humidity and light of modern incubators. Built-in equipment monitors each child's health.

These machines extend the skills of highly-trained medical professionals.

And they all require electricity to make them work — electricity that will be required in even greater supply in the years ahead. When additional power is needed, we'll be ready to provide it to hospitals and to all our customers.

But getting ready and staying ready is an expensive, never-ending job at Texas Electric. Our construction expenditures are at a record high for facilities necessary to keep an adequate and reliable power supply at your service.

AN OBLIGATION

It is the obligation of your community pharmacist to provide for you as many health services as possible.

In order to live up to that obligation, it has become necessary to close the Corner Drug fountain to make room for more health services and supplies.

Closing the fountain was done with great regret and only after a great deal of soul searching to determine what was best for the customers of Corner Drug and Colorado City.

It is in keeping with ethical and professional standards that we are striving to provide you with the latest and best in home health care and convalescent aids.

Girl Scout Day Camp Is Successful

Girl Scouts of Colorado City held their annual day camp last week in Ruddick Park.

Three different groups of girls were involved in the activities.

Cadette Scouts earned their "camp craft badge". The girls in this group were also allowed to spend the night in their tents in the park.

Girls from this troop were Charlotte Goodlett, Terri Guelker, Beth Hanks, Mary Alice Houston, Treva Kelley, Sheila Woodard, Donna Wydosick.

Leaders for these girls were Mrs. Corky Houston, Mrs. L. Kelley, and senior helper, Annette Young.

Junior Scouts attending earned their water fun, collectors, and songster badges.

Girls attending from this group were Jana Bassinger, Carla Sue Bobo, Genia Guelker, Donna Howell, Deborah Iglehart.

Cathy Green, Janice Green, Laurie Kelley, Doris Lindsey, Cynthia Owens, Barbara Woodard, Debra Wright and Nancy Young.

Leaders were Mrs. Jerry Howell, Mrs. Dorothy Green, and Susan Mahon.

Brownies earned the water fun badge. They also made bird feeders, and waste baskets.

Brownies attending were Kelley Brown, Julie Crow, Lisa Drake, Janet Howell, Renee Moore, Tracey Rees, Nancy Robertson, Sandra Wiggins, Carol Ann Winn and Aime Williams.

Leaders were Mrs. Dennis Wright and Mrs. Jefferie Robertson. Cadettes helping

were Leslie Greenlee and Sharia Coldevey.

Director of the Day Camp was Mrs. J. H. Guelker, assistant director was Mrs. Gene Hanks. Senior Scouts Anna Wistrand and Patty Goodlett helped at the Scout Hut.

Jim Slaughter, coach at Colorado High School, showed the Brownies and the Junior Scouts how to get into a boat safely.

Mrs. Roy Wayne Iglehart kept the leaders' sons during the day camp, and Mrs. Charles kept their babies.

Summer Workshop At Colorado High

Summer homemaking gives girls an opportunity to do an individually chosen learning experience that will help them to grow and mature. Each girl participating is enrolled in one of two workshops conducted in the homemaking department each morning.

Mrs. Jay Craddock has been in charge of a clothing construction workshop and Mrs. Larry Jameson is instructing one on grooming.

Sewing skills have been learned, improved upon, and quick, easy summer living clothes have been the result.

Sandy Clark of Judy's Beauty Shop has served as a resource person for hair care and styling. Diane Mitchell of Belle's Beauty Shop assisted in care of the nails and hands.

Students visited Belle's, Judy's, and Jane's Beauty Shops to observe hair styling, manicures, etc.

Other things that have been studied are facials and skin care, study of diets, both reducing and weight gaining.

Some of the experiences being carried on in the girls' homes include child care, planning and preparation of family meals, furniture refinishing, home management, care of the yard, gardening, home improvements, improving various skills, learning new crafts, working in Bible schools, laundry and becoming a better consumer.

Girls who are attending the Summer Phase of Homemaking are Penny Cooley, Melody Edwards, Evelyn Garcia, Rosie Martinez, Angela McCown, Edna Torres, Donna Cooley, Sharon Matthews, Mary Amadeo, Margo Tomb, Rhonda Salmon, Elaine Ruffin, Cathy Thomason, Mitzi Jackson, Cheryl Sayger, and Anna Wistrand.

Instructors are Mrs. Jay Craddock and Mrs. Larry Jameson.

Good Grooming

These girls are being shown how to do a correct manicure. This is part of the good grooming class of the Summer Phase of Homemaking offered at Colorado High School. Pictured here are Cheryl Sayger, Mrs. Jameson, instructor, Rhonda Solomon, Elaine Ruffin, Kathy Thomason, Margo Tomb, and Mitzi Jackson. At the table are Anna Wistrand and Diane Mitchell from Belle's Beauty Salon.

Sewing Workshop

Girls working in the Summer Sewing Workshop at the Home-making department this summer are Sharon Matthews and Mary Amadeo. The workshop is under the direction of Mrs. Jay Craddock, Home Economics teacher at Colorado High School.

GARY BALLARD... in TCU Workshop

Ballard Attending Television School

Gary Ballard of Colorado City is among 15 Texas high school students currently attending a radio - television workshop sponsored by the Texas Association of Broadcasters in cooperation with Texas Christian University.

Classes and seminars high - light basic radio and television production, station and staff operation and organization as well as advertising and news copy writing for both media.

Directed by Dr. R. C. Norris, director of TCU's radio-TV films division, the workshop is featuring lectures and demonstrations by outstanding broadcasters in the Fort Worth-Dallas area.

The students are working with the facilities of TCU's radio station, KTCU-FM, and with the television production learning area at the University. They also are touring Fort Worth's KTVT-TV and KFJZ radio, as well as both's WBAP's radio and television stations.

You may call the Hamilton Optometric Clinic of Big Spring for an appointment at no cost to you.

The number is in your Colorado City Telephone book.
