The vent atop the high-pitched roof of Cliff Blair's cafe building will serve to indicate the direction from which the wind is blowing. Since so many here have discarded windmills in favor of service from the city water department, it sometimes has been difficult to tell which way the breeze is blowing.

Our "Easter spell" was a high wind Saturday night that did some damage to out-buildings, blowing them down, tearing off the tops, or moving them from their foundation. It subsided before morning, and the Easter Parade was favored with pleasant weather.

"More women exchange their hats because their husbands don't like them," a clerk told a local lady Saturday when she swapped the one she had bought Friday for another Easter bonnet.

Aside from the splendid acting and fine story of "Come Live With Me", starring James Stewart and Heddy Lamarr, at the Rita Wednesday and Thursday, April 23-24, the ladies especially will want to see "the exciting gowns by famed Adrin in this picture." "They are a treat for the eyes and a beat for the pulse," says advance information.

As a tribute to Senator Morris Sheppard, whose funeral rites were held late last week, the flag at the post office was flown at half-mast. W. R. (Uncle Bill) Evans was buying the cokes and coffee Tuesday in celebration of his 84th birthday.

The twelve-year school program probably will be introduced in Texas next year. Many schools of the state are now using this system.

The attendance at Sunday school here on Easter Sunday increases every year. In 1939 the total was 479; 1940, 557; 1941, 586.

Burns Fatal To J. E. Gragg

J. E. Gragg, 52, farmer southeast of Abernathy, died at 8:40 o'clock Friday night in a Lubbock sanitarium after having been rushed there from his home where he was burned when his clothing ignited from burning trash and weeds near his home at about 1:30 o'clock that afternoon.

Funeral rites were conducted at the Baptist church here Saturday afternoon with Rev. C. C. Griffith, Olton Baptist pastor, officiating. Burial, directed by Sanders Funeral home, Lubbock, was in Abernathy cemetery.

Pall bearers were J. V. Crow, Bill and Pete Brooks, G. L. Jackson, A. B. Myatt and G. C. Pearce.

Flower bearers were Mmes. Jess Fite, Jack Knight, Howard Brown, Misses Katherine Brown, Lois Ann Woodbridge and Jean Jackson.

Oliver Jackson, whose home is a few hundred yards north of the Gragg place, heard Mr. Gragg scream and he rushed to the scene and attempted to extinguish the flames with a sweater. When this failed, Oliver then tore the burning clothing from the victim's body. Working alone, Oliver placed Mr. Gragg in Jackson car and rushed to the sanitarium. Oliver's hands were burned. "When I first saw him," Oliver related, "his clothing was burning and before I reached him he had fallen to the ground and was in the flaming mass."

Mr. Gragg suffered second degree burns. "Hardly an inch" of his body was free of burns, said sanitarium attendants.

Survivors are a son, Jim Ned Gragg of Abernathy, and a daughter, Mrs. Gordon Alford of Lubbock; four brothers, D. E. Gragg of San Antonio, H. W. of Fort Worth, W. K. of Higgins and L. Jackson Identifies Robber Monday

C. B. Jackson, local service station operator, Monday identified a man in jail at Stinnett as the one who robbed him of \$20 in a hold-up here the night of March 29. Jackson said the man, about 25 years old, told officials his name was Irvin L. Ball, and gave his home as Carlsbad, N. M. He was arrested near Borger and is facing a charge of carrying concealed weapons. After that charge is cleared up, Ball probably will be returned to Hale county to await action of the grand jury, Jackson stated.

After servicing a car with ten gallons of gasoline here the night of the robbery, Jackson was followed into the station by the driver, who drew a pistol and ordered him to raise his hands and face the wall. The money was taken from Jackson's pockets and the cash drawer was raided. The robber took Jackson out of the station and made him walk east. He then drove north out of town on the highway.

"If I ever see him again, I will know him," Jackson told the Review the morning after the robbery. He stated Wednesday morning that he was certain the man he identified in Stinnett Monday was the one who robbed him.

Jackson went to Portales, N. M. April 2, to see a suspect in jail there. In Stinnett Monday he learned that the man he saw in the Portales jail was, J. C. Ball, a brother of Irvin L. Ball.

An ordinance to amend ordinance No. 19 passed by the City of Abernathy, Texas, on the 21st day of July, A. D. 1927, granted to West Texas Gas Company, a corporation, its successors and assigns, a gas franchise for the purpose of conducting in said City a business of furnishing natural gas to the city and the

inhabitants thereof: said ordinance being amended by amending section 1 thereof so as to extend the term of said franchise for a period of five years from and after the 21st day of July, 1947, to the 21st day of July, 1952; and further amending said ordinance No. 19 by adding thereto section 7-A providing for a franchise and occupation tax and rental charge of two per cent of certain of the gross receipts of the West Texas Gas Company for the occupation and use of the Streets, Alleys, Highways or other public ways and places of the City of Abernathy and providing the dates and times of payment and the method of determining the gross receipts which constitute the basis of a computation of said tax or charge, all as herein provided:

WHEREAS the West Texas Gas Company, a corporation, herein-after referred to as the "Grantee" is now and has been engaged in the transportation, distribution and sale of natural gas in the State of Texas and in the City of Abernathy, Texas and furtherance thereof has erected, constructed and maintained a gas distribution system in the City of Abernathy, Texas, hereinafter referred to as "the City", for many years pursuant to such rights as have been granted to the Grantee by and under the laws of the State of Texas and the terms of a certain franchise granted to it by the City of Abernathy, Texas, on the 21st day of July, A. D. 1927, by its Ordinance No. 19, which franchise was for a term and period of twenty years from and after the 21st day of July, A. D. 1927, and WHEREAS by reason of the growth and development of the said City of Abernathy, Texas, since the passage of said

Ordinance No. 19, the Grantee has expended large sums in the extension of its distribution system and lines and facilities so as to adequately serve the needs of said City and its inhabitants, and it is contemplated and anticipated by both the City and Grantee that the further growth and development of said City will necessitate and require the expenditure by the Grantee of large sums of money in the further extension of its existing lines and facilities to serve the needs of said City and its inhabitants, and

WHEREAS the Grantee, in order to protect its investments heretofore made in said City and the further investments that will be required of it in order to meet the demand occasioned by the further growth of said City, desires an extension of the term of said franchise for a period of five years from and after the 21st day of July, A. D. 1947, under said Ordinance No. 19, and as a part of the consideration for said extension is willing to pay to the City certain compensation as hereinafter provided for the use by the Grantee of the streets, alleys, highways and other public ways and places within the City of Abernathy, which compensation the City Council of the City of Abernathy finds and agrees is fair and reasonable:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY OF ABERNATHY, TEXAS, THAT:

SECTION 1: That Ordinance No. 19 passed by the City of Abernathy, Texas, on the 21st day of July, A. D. 1927, and Section 1 thereof be amended so as that the same shall hereafter read as follows, to-wit:

"That from and after the passage and approval of this Ordinance that the right to furnish, distribute and sell natural gas for light, heat and power and for all such other purposes for which gas may be used within the City of Abernathy, Texas, for a period and term ending on the 21st day of July, A. D. 1952, is hereby granted to the West Texas Gas Company, a corporation, and its successors and assigns, hereinafter called Grantee, subject, however, to the provisions hereinafter incorporated in this Ordinance, and for such additional period or extensions of time as may at the expiration of the

said term of years ending the 21st day of July, A. SECTION 2: That Ordinance No. 19 passed on the 21st day of July, A. D. 1927, by the City of Abernathy, Texas, be amended by adding thereto and incorporating therein a new section herein and hereby designated as Section 7-A, which is as follows, to-wit:

"SECTION 7-A: As a part of the consideration for the granting of the extension of the franchise as hereinabove set forth and as compensation to the City for the granting of said franchise and for the use of the City's streets, alleys, highways and other public ways and places, the Grantee agrees to pay to the City quarterly each year during the remaining term of this franchise as extended hereby a sum of money equal to two (2%) per cent of the gross receipts (as said term "gross receipts" is hereinafter defined) of the Grantee from the sale of natural gas within the corporate limits of the City of Abernathy, Texas.

"The gross receipts upon which such tax or charge is to be computed shall be determined as follows: From the total receipts from sale of Natural gas within the corporate limits of the City of Abernathy, Texas, for the particular quarter involved, there shall be deducted the receipts from the sale by the Grantee of natural gas to Public Authorities, to-wit: Federal Government and/or Federal Government Departments, the State of
