JUNE 20 TO OPEN CLEAN-UP-PAINT-UP CAMPAIGN

To Award Contract On Gaines County Section Of Highway 15

Department Asks For Bids June 20 On Road Project

Plans Will Call for Grading and Drainage

Announcement from the State Highway Department this week for the letting of bids, contract for the grading and drainage on Highway Fifteen from Seminole west to the New Mexico line in Gaines County, was greeted by local road enthusiasts with a great deal of satisfaction. Bids will be opened June 20th according to F. B. Ogle, resident highway engineer.

Annual Rodeo To Be Held Here Starting July 20

Publicity Drive Is Started On Affair

The Second Annual Rodeo to be staged by the Lamesa Rodeo Club will be held in Lamesa, opening July 20th. Committees from the club are already busy with plans for the biggest affair of its kind ever staged here. A large quantity of advertising material is to be secured and the show will be advertised over a wide section of West Texas.

Many People Of Territory Are Taking Advantage Of Courier Bargain Rates

Last week the Courier announced the opening of a big subscription Bargain Campaign. The response to the notice has been almost phenomenal with the largest number of new subscribers being received over the week end of an opening two days in a campaign yet conducted by the paper.

The response to the large, standard newspaper size Courier, has been a predominating factor in the larger number of new subscribers. Old subscribers who have renewed, are also loud in their praise of the new and larger Courier. They state that it looks more like a newspaper of the larger cities and definitely takes it out of the class of small town newspapers.

For the past several years the Courier has carried news of practically every community in the county, together with Lamesa news and county activities, to maintain a well balanced newspaper that has proven interesting to citizens of the county as a whole. This service is being improved and as time goes on, readers are promised an even better coverage of the news activities of the territory.

The large number of ads which are carried each week in the Courier, makes it a shoppers paradise, and many of our subscribers report that they save many times the cost of a subscription by shopping these ads each week.

Remember for a limited time only the Courier will be sent to any address in Dawson or adjoining counties for only fifty cents per year. This is exactly one half the regular selling price of the paper and offers the people of this territory the opportunity to secure your home town paper in a new and enlarged form for less than one penny per week.

Also with each fifty cents paid on subscription, either new or renewal, you will be given a certificate which entitles you to a beautiful hand colored photo enlargement, mounted in a striking leatherette folder, that regularly retails for \$3.00 for 35c. It is good any time. All you have to do is send in a snap shot or small photograph of some picture you want enlarged and enclose 35c. The supply of these certificates is more or less limited and you are advised to take advantage of this liberal offer at your earliest convenience.

Mr. and Mrs. Aubie Burns had daughter and Mr. and Mrs. Dee Hull made a business trip to Seminole, Sunday.

Negroes Plan Big Celebration In Lamesa June 19

Baseball and Other Entertainment Planned

The colored folks of Lamesa are planning a big June Tenth Celebration here on Emancipation Day, according to Rueben Jones, manager of the Caprocks, colored baseball team.

The boys won handily over Tachoka last Sunday by the lop-sided score of 18 to 3 and Manager Jones states that he has his club in pretty fair shape now. They are trying to book two games here for the 18th and 19th of June.

A drive will be made for funds among the white people by Jones to assist in the June 19th celebration, he said this week. Besides the ball games, they plan many other forms of entertainment and expect a large number of colored people from other towns to join in their fun.

Collins Leave On Eastern Trip

Mr. and Mrs. W. B. Collins, and son, Dick, and Miss Ruth Lee Stuart, left Wednesday morning on an extended trip to Southern and Eastern States.

They will tour Tennessee, Virginia, and other Southern states, as well as visit Philadelphia, New York and the World's Fair, Washington and Cleveland.

Mr. Collins will serve as delegate from the Lamesa Rotary Club to the Rotary International which convenes at Cleveland the latter part of the month.

REMODELING HOME

C. D. Applegate, who lives about eight miles south of Lamesa on the Stanton road, has had a large crew of men at work on his home, in a complete renovation and remodeling program. Besides modernizing the entire structure, an additional room will be added.

Miss Mary Jo Forrest, who has been attending Stephens College at Columbia, Mo., has returned home for the summer.

The Younger Set Among

Photos By Ash Studio

This week the Courier is proud to present this charming bit of loveliness as the reigning Queen of the Younger Set in Dawson County for this week. She is Carene Johnson, daughter of Mr. and Mrs. Carl Johnson, who now live in Roswell, N. M. She is the granddaughter of J. E. Pounds at 262 North Main Street, Lamesa. She has brown eyes and blond hair. She is just past two years old. She loves dolls and horses.

Paving Starts Wednesday Along South First Street With Crew Of Workmen

With a crew of some seventy-five men, the new paving program in Lamesa got under way Wednesday morning.

The work was started on South First Street where crushed rock and caliche base are being put down in the center section, which through an economy move a few years ago, was left unfinished.

Present plans call for the base on this section of five blocks and the topping of some twelve or fifteen blocks where base was laid in the

WEEKLY WEATHER REPORTS

Attention of readers of the Courier is called to the two small boxes on each side of the front page heading. On the right is the temperature chart for the week, showing the high, low and mean temperature for the week. This information is furnished by the West Texas Gas Company and will be a regular weekly feature. You will find it in this same position each week.

On the left hand side will be found the rainfall for the county thus far during the year. This is furnished through the courtesy of the CCC Camp. Although some sections of the county have not received near the amount shown, and by taking a general average of the ten gauges which the camp maintains over Dawson County, the figures were arrived at.

This information each week should fill a long demand. So now it is easy to know just how hot these sizzling summer days are, or how much average rainfall the county has enjoyed.

UP FOLLOWING ILLNESS

J. M. Barrett, who has been confined to his home for several days due to illness, is able to be out again, his friends will be glad to know. He was on the streets in Lamesa the middle of this week and stated that he was feeling as well as could be expected.

Mrs. Roscoe Holton and Marion are visiting in Taos, N. M. this week.

City To Supplement Water Supply With An Additional Pump Contracted This Week

Wednesday of this week the City Commission placed an order for another water pump to go over the well just north of the City Hall. This well has not been used for several years, but it is strong and had plenty of water when it was abandoned.

Cause for the new equipment is a possible shortage, due to the increased water consumption in Lamesa. "We still have as much water in the wells as ever and our pumps are in A-1 condition, but the natural growth of Lamesa, coupled with the extremely dry weather has taxed our pumping facilities to the maximum," Mayor W. L. Marr said Wednesday. "As a precautionary

Observation Of National Hotel Week In Lamesa

Local Hotel Men To Sponsor Big Event

The hotels of Lamesa are joining other hotels throughout the United States in the observance of National Hotel Week, sponsored by the American Hotel Association, and assisted by the Texas Hotel Association in Texas. The purpose of the campaign, or program, is that of selling the hotel as an institutional service in the community and in the entire country.

National Hotel Week is being observed on June 11-17 and as part of the program, hotel men everywhere are reminding their patrons and the public in general, that hotels make an outstanding contribution to their respective communities because they help every other business through the purchase of supplies, equipment, substantial payment of wages, by attracting conventions and visitors to the community, etc.

Lamesa hotel men will appear before local clubs to give them a clear idea why hotels are "an asset to the community and a service to the nation."

Texas Electric Cools Building

The Texas Electric Service Company Building on South First Street has recently had rock wool insulation placed in the roof.

Windows along the east side of the building, which have heretofore been stationary, are now open for fresh air ventilation.

With these new improvements, the temperature in the office has been reduced normally about twelve degrees, according to members of the concern.

Committees Are Named And First Meeting Called

Barron and Rogers to Serve as Heads of Drive

With all committees appointed and dates set, the regular clean-up and paint-up drive in Lamesa swings into action.

At a meeting of the heads of the drive this week the dates were set for June 20th to July 4th.

"We hope to make of this the greatest campaign in the history of Lamesa," said J. E. Barron, head of the drive Tuesday. "We want the cooperation of every citizen in the city and must have it if our program is the success which we hope for it."

Advertising posters and literature were received this week from the National Clean-up Headquarters and these will be put out within a few days according to announcement this week. With J. E. Barron, Executive Chairman, V. Z. Rogers, Associate Chairman, and A. G. Bearden, Executive Secretary, the following committees have been named:

Publicity Committee: A. G. Bearden, chairman, W. L. Marr, Mrs. J. H. Pratt, Mrs. M. C. Lindsey. Health Committee: Dr. J. C. Loveless, C. C. Terry, Mrs. M. Q. Martin, Mrs. W. D. Arnett. Theatre and Baseball Committee: L. B. Vaughn, Matt McCall, Vernon W. Bryant. Street and Alley Committee: M. W. Bouldin, W. W. Griffith, John T. Sanders. Safety Committee: Henry Norris, Leslie Pratt, R. H. Huddleston. Police Committee: Jack Phinley, S. B. Costin, A. M. Bennett.

First Monday Dollar Day Is Huge Success

To Be Made Monthly Affair Is Plan

A survey of the merchants of Lamesa who offered special Dollar Day items for Monday, reveal that all enjoyed a nicely increased business and a keen desire to make this a regular monthly event in Lamesa.

It has been pointed out that with every line of business in the city that could possibly do so, to participate by having special values for one dollar on this day, that the affair could be made into something big, not only for the town, but for the people who trade in Lamesa. Plans are already under way to make the first Monday in July the biggest Dollar Day ever attempted in Lamesa.

Several towns over this section have successfully staged these affairs over a long period of years, and that they are successful is significant in the fact that each year sees them grow larger and larger.

Lamesa held regular First Monday Trades Days here for a number of years, although no attempt was made at that time to make it a Dollar Day. This was highly successful at the time it was conducted, but it is felt that the Dollar Day idea will meet with heartier approval, both among the merchants of the town as well as potential customers who regularly shop in Lamesa.

All merchants of the city are invited to participate in this movement, and to make plans now to have special values they can feature on the First Monday in July.

IN MOUNTAINS Mr. and Mrs. J. H. Stanfield and children are spending the summer at their cabin in Monte Vista, Colorado, and a card received this week from Jim, states that the weather is plenty good and that the fish haven't started biting much as yet, but they figure there will be good fishing within the next few weeks.

Disastrous Road Trip Puts Lobos In Second Place In League

By virtue of the fact that the Lobos have dropped the last five out of eight games while Lubbock was in a winning streak, has placed the Lamesa club in second place in the league standing, two and a half games behind the Hubbers.

The Lobos went to Midland last week and for three games with a two and a half game lead over the Hubbers, but dropped two out of three to the Cowboys. They journeyed to Amarillo for a double-header Sunday, losing the first and winning the second. They won the Monday night game and went to Clovis for games Tuesday, Wednesday and Thursday nights. They lost both Tuesday and Wednesday.

After tonight's tangle at Clovis the Lobos return to Lamesa for a three game series with Lubbock. The first game will be called Friday night at 8:30, as will the Saturday contest, while the Sunday affair will be an afternoon game. Reports from the Hub City are to the effect that they will send a

large delegation of rooters to Lamesa for all games, with a big crowd expected for the Sunday contest.

Several changes in the Lobo lineup have been made during the past few days. Eddie Guynes and Toby Toback as well as outfielder Alkay, were handed their releases this week. It is understood that Guynes was traded to Midland for Malvica, league leading batsman and shortstop.

Thursday Midland jumped on Hallbourg, Raines and Fitzgerald for a total of 15 safeties and 14 runs, while the Lobos got 13 hits and 10 runs off Blanchi and Piet.

LAMESA 210 321 001-10 13 1 MIDLAND 300 380 10x-14 15 3 Hallbourg, Raines, Fitzgerald and Bates; Blanchi, Piet and Smith.

Friday Stud Raines held the Midland Cowboys to eight hits and 6 runs, while his mates were garnering 12 hits and 11 runs off Swartz and

Leonard to win the second game of the series. Manager Smith of the Cowboys accounted for four runs in the seventh inning with a homer with the bases loaded.

LAMESA 033 001 301-11 12 3 MIDLAND 020 000 400-6 8 3 Raines and Bates; Swartz, Leonard, and Smith.

Saturday Red Hay lost his first game of the season to the Cowboys Saturday by the close score of 5 to 4. The Smithmen got 11 safeties off Hay, while the Lobos got only 8 off Abernathy.

LAMESA 000 021 100-4 8 1 MIDLAND 000 301 01x-5 11 1 Hay and Bates; Abernathy and Smith.

Sunday The Dawson County aggregation was beat at its own specialty Sunday, that of amassing an amazing number of hits, in the first tussle of a double bill Sunday afternoon and dropped a 10 to 8 decision to the Amarillo Gold Sox.

Again in the second fray the Lobos were outslugged but managed to register a reverse decision over the helium city nine, 10 to 8, for a split of the two games.

In both contests the losing team enjoyed one big inning but were unable to tally enough runs to draw within sight of victory. The first game Lamesa scored six times in a wild fifth inning but were promptly set back by the Sox in their half of the frame with five counters.

Amarillo hit lustily for seven runs in the third stanza of their second melee but the Lobos already had accounted for their 10 tallies and the damage was completed.

FIRST GAME LAMESA 010 060 010-8 13 1 AMARILLO 030 150 10x-10 16 2 Lucas, Hallbourg, Raines and Bates; Margavio and Mickey.

Monday

At Amarillo Monday night the Lobos hit their stride and collected 14 hits and 8 runs off the offerings of Pitcher Bus Dorman of the Gold Sox. Needham gave up 11 safeties but they were scattered to the extent that the Gold Sox could account for only 6 runs. By winning oneand losing one Sunday, this tilt was the sugar game of the series.

LAMESA 420 010 001-8 14 1 AMARILLO 302 001 000-6 11 2 Needham and Bates; Dorman and Mickey.

Tuesday

The Clovis Pioneers were in a hitting mood Tuesday night and collected 19 bingles for 16 runs off Fitzgerald and Hallbourg. The Lobos fattened their batting averages to the extent of 13 safeties off Potet and Elliott but this was not enough to offset the barrage laid down by the Pioneers. The final count was 16 to 9 for the Pioneers.

Wednesday

The Clovis Pioneers took advantage of Lamesa nervousness Wednesday night to score a 17-7 victory over the second place team, defeating Stud Raines, work horse of the Lobo squad.

Dick Adkins, Clovis shortstop hit a home run in the seventh with none on. Jake Christie fanned a dozen Lamesa batters.

LAMESA 120 030 100-7 10 7 CLOVIS 170 200 11x-12 10 2 Raines and Knight; Christi and Ratliff.

More Cars Sold
First 4 Months

The first four months of 1939 have been prosperous ones for the motor vehicle dealers. The University of Texas Bureau of Business Research announced today. Passenger car sales gained 27.4 per cent over the corresponding four months last year, and commercial cars gained 17.5 per cent.

Registrations in fifteen representative Texas counties reported to the Bureau showed that during April, however, passenger cars dropped 31.4 per cent and commercial cars 26.6 per cent from March. Substantial gains, of 30.1 per cent and 11.9 per cent, respectively, were

West Texas-New Mexico League Standings

With the latest reports available from League offices showing that Malvica of Midland is still leading the league hitters, Haney, Lamesa right fielder continues to remain in the thick of the batting race with an average of .379 a loss of one point from last week. However all the leaders suffered a sharp decrease in averages as the pitchers began to bear down. For some unexplained reason, the average of Stone, Lamesa left fielder, and seventh in the league batting list last week was left out and his average was not known.

Hay, Lobo rightlander continued to lead the league hurtlers with six games won and none lost.

TERRACING PROVES OF
FINANCIAL BENEFIT

Comparing records for several years prior to 1931, L. R. Earnest found that his 120-acre farm nine miles south of Lamesa was yielding about \$175 less annually than was an adjoining farm of about the same area.

Since both farms are of sandy loam soil and he and his neighbor were using practically the same farming methods, Earnest set out to determine why his income was constantly lower than that of his neighbor.

Observations during heavy rains revealed to Earnest that a lot of water was running off the slopes on his farm and was being lost for use in growing crops on his land. Run-off water on his neighbor's farm was far less because the slopes were not near so steep. Then Earnest observed that this run-off water was not only being lost for crop use, but also that the rush of water during heavy rains was cutting gullies in his fields and was resulting in moderate sheet erosion.

Earnest saw the need for conserving water and soil if he was to prevent his farm from becoming less productive. In 1931, he terraced his field and then started growing cotton in annual rotation with soil conserving crops such as sorghums.

"Since my field was terraced the loss of water through run off has been practically eliminated," Earnest stated. "My crop yields have been greatly increased and erosion has been practically eliminated. The growing of soil-conserving crops in rotation with cotton gives me feed for my livestock and a cash crop, too. I have found that by conserving practically all the water that falls on my land, I have greater assurance of producing a crop during the years of low rainfall and that I have crops of more uniform stand."

This year Earnest is entering into a cooperative agreement with the Soil Conservation Service CCC camp at Lamesa whereby he will carry out a complete program of better land use and erosion control practices. He believes that the use of additional conservation practices may make his farm even more productive.

ACKERLY

Jerry Ward

A good crowd attended church and Sunday school here Sunday. Rev. and Mrs. Hollowell, Doris Criswell, Marion Criswell and Ruth Jobb left Monday for Abilene to attend the Summer Epworth League Assembly.

Mr. Niblett, Shorty White and Robert Shipp Jr., spent a few days in South Texas on business this week.

Lillian Swartz is suffering from an attack of the flu. We are hoping she will soon recover.

Dean Coleman left Sunday for Big Spring where she will attend summer school.

Mr. and Mrs. George Bryson and son Weldon and Mr. and Mrs. J. D. Bryson visited in the Elmer Oaks home at Flower Grove, Sunday.

Mr. and Mrs. Arthur Coleman of Big Spring, Jerry Ward and Verne Coleman of Ackerly were guests in the J. L. W. Coleman home, Sunday.

Marie and Bonnie Jo Green of Eden are here visiting their grandmother, Mrs. Britton.

Frank Locke made a business trip to Fort Worth, Tuesday.

Margie White of Mt. Olive is visiting her sister, Mrs. Jessie Swartz this week.

Mrs. Cecil Niblett visited her sister, Mrs. West, of Big Spring, Sunday.

Allan and Robert James of Big Spring visited in Ackerly, Sunday.

Wanda Henson is visiting her sister Mrs. Leo Lawson at Big Spring this week.

HIVAY BAPTIST CHURCH

We would that all of our friends, as well as any absent members, could have enjoyed with us the refreshing blessings of all services last Sunday. And we were happy to have a number of visitors, with a large attendance of young people in the night service.

And particularly do all who would have an increasing knowledge of the Bible, need to be in attendance to the Bible study on Sunday mornings at 10 o'clock, and get the benefits as chapter by chapter and verse by verse we are simply and ably taught the Word.

Our pastor, Evangelist Jno. R. Denning, will again be in the pulpit at all services next Sunday, and we invite his many radio friends in the county to come and be a part of our congregation, and enjoy the messages with us.

Lamesa Tire & Battery, Inc., Joins Nation-wide Drive To Make Motorists More Safety-Minded Than Ever

By JACK McLAUGHLIN

President, Lamesa Tire & Battery Co., Inc.

"It is all very well to promote Safety on a nation-wide scale, but when all is said and done, Safety, like Charity, begins at home. Real Safety starts when the motorists in the community make up their minds to do just a little bit more than is demanded of them to make our streets and highways safer for the other fellow. If we do, we'll be only too happy to 'Lose a minute and save a life!'; we'll be glad to 'Step on our speed urge instead of our gas pedal'; we'll wholeheartedly agree that 'Children should be seen, not hurt!'"

"Next to driving cautiously in accident prevention is well-conditioned equipment. Last year tread-bare tires were responsible for thousands of life-endangering skids. Wet, slippery pavements, a sudden jamming on of brakes, and away goes the car—completely out of control!"

"These are things that can be avoided. A visit to the service station will quickly fix any mechanical defects. And as for skid protection, the new Goodrich Silvertown will give you the quickest non-skid stops you've ever had on any road. That's because this new kind of tire automatically sweeps wet roads dry—so dry that you can actually light a match on its track. And whether roads are wet or dry, Silvertowns at all times give you that other great life saver—Golden Ply blow-out protection."

"Remember, too, the tube of an automobile tire is just as important to you as the tire itself. A good tube and a good tire mean long uninterrupted safety, service and economy. That's why we recommend that you equip your Silvertowns with Goodrich Seal-o-matics—the tubes that 'never let you down' because they self-seal punctures as you ride. For Safety tomorrow get this 'perfect' Goodrich motoring combination today."

Hundreds of local accidents that happened during the past year could have been avoided by safer driving and safer equipment.

HOUSEHOLD CLEANING IS STUDIED BY KLONDIKE H. D. CLUB

"Dishwashing is a pleasure when looked upon as a safeguard for the family health," said Miss Mattie Phenix county home demonstration agent, to the Klondike club at the home of Mrs. L. A. Duff, at 2:30 p. m., Thursday, May 25.

Squares of newspaper or paper towels are very handy to have to wipe crumbs and grease from dishes and pans before putting them in water. Use any soap that does not leave a skin on the water and dishes. Use a soft paint brush for cleaning out windows, in corners and around stove legs. A brush may be bought new for cleaning blinds. Broom bags made from any cloth you have on hand makes sweeping walls easier and will not tear paper.

Fuller's Earth and gasoline will clean spots from wall paper. Equal amounts of whitening and distilled water and two tablespoons of ammonia will clean silver, brass or copper. A good broom may be judged by sufficient wire at top of straw to hold it in place, a piece of twine stitching in straw. All straw should be of uniform size.

Seven members and three visitors were present.

KLONDIKE H. D. CLUB NOTICE

The Klondike Home Demonstration Club will meet at the home of Mrs. G. F. Thorp at 2:30, Tuesday June 13, "Childhood Problems" will be the topic studied.

W. R. Jeter Dies Friday Morning

Funeral services were held Saturday for W. R. Jeter, 73, pioneer citizen of Dawson County. Mr. Jeter for more than 25 years has been prominently associated with the agricultural development of this section and was active in work up until a few years ago when he retired.

He was born March 20, 1866 and died Friday, June 2nd. Services were held at the First Baptist church in Lamesa with Rev. Burns and Rev. S. C. Shipley conducting the services at 3:00 p. m., Saturday. Interment was in the Lamesa cemetery.

Quartet Contest Be Held Sunday

The Recreation Department this week announced their regular session of the Quartet Contest at the First Methodist Church in Lamesa Sunday, June 11th.

All participants, as well as those who enjoy good singing are invited to be present. Patricia is the present trophy-holder.

They also announced the holding of a county-wide Checker tournament at the Recreation Hall in Lamesa, Wednesday night, June 14th.

Attend Banquet For Harry Hines

J. E. Barron, Carl Rountree, Sam Richardson and A. G. Bearden left Lamesa Wednesday morning for Vernon where they will attend a banquet given in honor of Harry Hines of the Highway Commission. They expect to return to Lamesa Thursday.

Regulator For Watches Is New Addition Here

Clyde Adams, Lamesa jeweler, has this week installed a Paulson Time Recording Machine.

This machine enables Mr. Adams to regulate a watch in from ten to thirty minutes, whereas under the old method, several days were required to properly regulate a watch.

This machine is positively uncanny in its action. Through a loud speaker it is possible to hear the tick of a watch, as loud as a tom-machine tells exactly how fast or slow as much as one second over a period of twenty-four hours, this machine tells exactly how fast or slow it is in thirty seconds. It is possible to regulate a watch in five positions on this machine.

"Although this is a very expensive machine, we are offering to test watches free to the people of this territory. All you have to do is bring in the watch and we'll test it for you," Mr. Adams said Tuesday. "Of course this applies only to the testing. If the watch needs repairs of some kind, naturally there would be a charge for that."

LAMESA POLO TEAM LOSES

Bill Boyd, Lynn Parkinson, Robert Koger, and Elmo Smith, representing Lamesa in a round robin polo match Sunday afternoon, against teams from Lubbock and Plainview.

Plainview was victorious with a total of seven goals, with Lubbock second with four, and Lamesa third with three.

Parkinson scored two of Lamesa's goals for scoring honors for the locals.

Mr. and Mrs. Cloyes Tume left Sunday on a two weeks vacation. They planned to visit points in Old Mexico.

BRITISH ECONOMIST CITES BIG NEED FOR BUSINESS PLANNING

"Is it possible for the leaders of business to do anything themselves to prevent or mitigate trade depressions?" asks Sir Arthur Salter, distinguished British economist, writing in the current Rotarian Magazine.

He proceeds to answer his question with an emphatic "Yes," after pointing out that even more distress may lie ahead unless positive, forward-looking action is taken by those industrial leaders who individually exert great power over business trends.

"A relatively restricted number of leaders," he says, "have the power either to impede or to assist the adjustments that all forms of economic change are constantly requiring." In view of this, what is needed, he asserts, is closer coordination between business leaders and government, especially in the field of broad planning.

Jeanette Bennett's Engagement To Karl Cayton Revealed

One of the social events starting the month of June was an announcement given by Mrs. C. A. Hollingsworth, honoring her niece, Miss Jeanette Bennett, at the Country Club, Tuesday afternoon, from 4 until 7 o'clock.

The house party consisted of Miss Bennett's aunts, cousins and friends who were gowning in lovely summer parlors.

Mrs. Guy Simpson, an aunt of the bride-to-be, welcomed the guests at the door and the mother, Mrs. A. M. Bennett in a becoming frock of blue, in her most gracious manner, presented the honoree to a large group of friends. Miss Bennett's gown was a pink creation of frocks of chiffon and she wore a corsage of American Beauty Roses and Lilies of the Valley. Others in the receiving line were Mrs. C. A. Hollingsworth, Mrs. A. M. Bennett, Mrs. Guy Wilemon, Mrs. Dixie Kilgore, Mrs. Ross Simpson, and Mrs. A. E. Simpson.

Mrs. C. L. Schmidt presided at the lovely hand painted brides book in her most charming manner.

Standing at the entrance to the tea room, Miss Betty Guy Simpson,

in her charming manner, presented the unique announcements of the approaching marriage of Jeanette Bennett and Karl Cayton which is to take place June 25.

Mrs. Henry Stafford and Mrs. R. E. Simpson Jr., cousins of the bride, presided at the tea table in their most hospitable manner. The tea table appointments were carried out in crystal and the table was laid with a Normandy lace cloth. A bower of pink peonies, white carnations and Fever Few with silver bells entwined, centered the table on which four blue slender tapers in crystal candelabras gave a lovely lighting effect. A lovely color scheme of pink and blue was carried out in the refreshments.

Other friends of Miss Bennett in the house party consisted of Miss Eleanor Simpson, Miss Melba Fisher, Miss Erma Sprawl, Mrs. Chas. Hunt, Mrs. Willy Temple of Fort Worth, Mrs. G. W. Simpson, grandmother of the bride-to-be. Other close friends of the family and mothers of Mrs. A. M. Bennett's girl friends before her marriage who were able to be present were Mrs. J. D. Fisher, Mrs. D. W. Ad-

ams, Mrs. W. E. Cox, Mrs. Lela Houser, Mrs. W. R. Stone, Mrs. T. V. Crawley, Mrs. J. J. Lindsey and Mrs. Meadows.

The fire place in the reception room was banked with fern and daisies entwined. The reception room was lovely with bouquets of beautiful peonies and gladiolas.

The program for the afternoon consisted of a solo by Miss Mary Frances Barnard, "I Love You Truly"; Mrs. Carl Rountree sang, "At Dawning"; Virginia Lindsey gave "Three Wishes for the Bride"; Carol Jacobs gave a musical reading "Apple Blossom Time", with Mrs. W. J. Beckham giving several vocal solos and Mrs. Weldon Lindsey and Mrs. A. G. Barnard giving piano selections throughout the afternoon.

Grandmothers Are Honored at Last Meeting of Club

Mrs. J. M. Harp, Mrs. Bryan Fulkerson, Mrs. A. C. Woodward, Mrs. Roscoe Holton, Mrs. Nelson Cope, and Mrs. W. K. Crawley were hostesses at the country club June 2 for the last Study Club program of the season, which was the annual Grandmother's program. Several of the grandmothers who attended the first program in 1925 were among the 60 grandmothers enjoying the get together this year.

Mrs. A. G. Bearden was the charming master of ceremonies for the following program:

"Come Thou Fount of Every Blessing" musical number, Mrs. W. J. Beckham.

"The Patchwork Quilt," Ann McGuire.

"Long, Long Ago" Dorothy, Nell Burleson and Sue Jean Bearden.

"Dry Toast and Spinach," Jo Evelyn Davis.

After the reading by Miss Davis, Mrs. Bearden asked the grandmothers to tell about their first date. She promised that the stories would be "kept just among us girls" so none will be related here. However, they were very interesting. Members, guests and grandmothers discovered that whether their first dates were 5 or 59 years ago they had a lot in common.

A social hour followed the program, while the grandmothers visited with old friends they were served cake and ice cream.

We are proud of our grandmothers and hope they will be with us next year.

Future Homemakers Hold Last Meeting

At the last meeting of the Future Homemakers Club Thursday, Mrs. J. H. Harp reviewed "The Patriot." Mary Frances Barnard had charge of the program.

About twenty-five members of the club were present.

Sally Branon Is Hostess to Sub-Deb Club

The Sub Deb Club met at the home of Miss Sally Branon, Wednesday evening from 8 until 10 o'clock.

A short business session was held after which the girls enjoyed various games.

A delicious salad plate was served to Misses Ruth Lambeth, Betty Hurt, Genelle Randle, Jo Ervin Bailey, Tommie Ruth Morris and the hostess.

Mrs. Vaughn Hostess to Wednesday Bridge Club

Mrs. Emmie Vaughn was hostess to members and guests of the Wednesday Bridge Club, Wednesday afternoon at the home of Mrs. Tom Burnside on South Third Street.

Games of bridge were enjoyed during the afternoon with Mrs. Loo Randal being awarded the prize for high score.

At the conclusion of the games a delicious salad plate was served to Mesdames E. A. Conley, A. G. Barnard, Tom Burnside, Clyde Branon, Jap Randle, Loo Randal, Frank Ogle, Louis Reed, Gus Ragsdale, P. T. McCollum, Matt McCall and the hostess, Mrs. Vaughn.

Miss Smith Becomes Bride of Melton Jones

Mr. and Mrs. Walter J. Smith are announcing the marriage of their daughter, Tyajuna to Melton Jones son of Mr. and Mrs. C. N. Jones.

The wedding vows were solemnized in Lovington, New Mexico, on May 13th, by Rev. J. W. Moon, pastor of the First Methodist church.

The bride was beautifully attired in an ash of rose dress with navy accessories. She wore a shoulder corsage of gardenias.

The bride attended high school here and was a popular member of the younger set. The groom also attended school here and was a member of the football team in '36-'37-'38. He attended Sul Ross College at Alpine for one term.

The young couple will be at home in Lamesa for the present.

Myrtle Haggard Becomes Bride of G. L. Hardin

The ranch home of Mr. and Mrs. T. R. Haggard near Westbrook was the setting Sunday morning at 9:30 o'clock of the marriage of their daughter, Myrtle Eugenia, who had taught here in the primary grades this past year, and Gordon L. Hardin, son of Mr. and Mrs. A. F. Hardin of this city.

The Rev. Tom Patterson, pastor of the First Baptist church of Colorado, read the services in the presence of the immediate families.

The bride wore a morning frock of blue sheer crepe with white accessories and a corsage of bridal roses.

Mrs. Hardin is a graduate of Hardin-Simmons University, finishing with the class of '35. She was a member there of the Cowgirls, Society editor and columnist of the Brand, student publication, and held membership in Alpha Chi honor society. She taught school for three years in Sagerton and during the past year she was an instructor here in the Lamesa schools.

The couple left from the Haggard ranch home Sunday morning for a wedding trip to points in Texas after which they will make their home here in Lamesa, where Mr. Hardin is employed with the Hurt's Haberdashery.

Mrs. Keifer Honors Guest with Chicken Fry Thursday

Mrs. M. O. Keifer entertained a group of her friends last Thursday afternoon at her home in the Klondike community. A chicken fry was enjoyed by the group, after which various games were played.

Those attending were Mr. and Mrs. Raymond Hatch and son, Raymond Bryson, Mr. and Mrs. Cloyes Tune, Buster Henry, Wanda Henry, Misses Lottie Parchman, Ethel Carter, Mozelle Norris, Dud Gaines and the host and hostess, Mr. and Mrs. M. O. Keifer.

Bride-Elect Honored With Shower at Lubbock

Mrs. A. M. Dupree and daughter Miss Ruth Dupree, entertained Fri-

day with a party and shower in honor of Miss Ethelyn Marr of this city, bride elect of Allen Forbes of Lubbock, in their home at 1929 20th Street, Lubbock.

Garden flowers were used as decorations.

A program included a musical romance; reading "Such Is Life", Miss Ruth Monk; songs, "Contented" and "Sing Me to Sleep", Christa Cowan, accompanied by Miss Dupree.

The gifts were hidden over the house.

An iced course was served to Mesdames W. L. Marr of Lamesa, O. J. Forbes, H. F. McLarty, V. O. Jennings, Paul Williams, Bert Powell, Wayne Martin, W. F. Bonds, J. E. Walters, Misses Thelma Merrick, Ruth Monk, Sarah Spencer, Oleta Belle Smallin, Mary June Walters, Frances Williams, Christa Cowan, Crystelle Marr of Lamesa and Mary Beth Dupree.

Junior Shakespeare Club Being Formed in Lamesa

School superintendents throughout the country during the past 21 years have endorsed the National Junior Shakespeare Club being formed here by its supervisor, Miss Marguerite Flanken.

A few of our local leaders who have heartily approved the plan are V. Z. Rogers, superintendent of Lamesa schools, G. M. Roberts, principal of the Lamesa Elementary school and Mrs. J. D. Dyer, president of the Elementary P. T. A. Unit.

The National Junior Shakespeare club offers a combined course in speech, dramatics, and story telling in a series of twenty club meetings with a grand finale, a Shakespearean play or pageant wherein the children portray the characters of the Shakespearean drama.

The program for the series of club meetings has been compiled by that well known leader in the field of speech, Ethel Vienna Bailey, a member of the faculty of Emerson College.

Working materials for the club meetings such as programs, textbooks, membership cards and diplomas will be supplied free to the children.

The club will be the children's own. They will elect their officers, have simple initiations, real wholesome fun will be had by all. Chil-

dren throughout the nation are joining because they want to and not because they have to.

Mr. and Mrs. Sam Hodge spent the week end at Lovington, N. M., visiting with relatives and friends.

Mr. and Mrs. Clyde Branon and children spent the week end at Big Spring visiting in the home of T. W. Branon.

Mr. and Mrs. George Norman are visiting with friends and relatives at Corpus Christi this week.

Mr. and Mrs. G. Allen are visiting with Miss Ann Allen in Jonesburg, La., this week.

Miss Katherine Anderson who has been teaching in Wink is here to spend the summer with her parents, Mr. and Mrs. W. E. Anderson.

and that about fifteen miles on the Texas side, near El Paso, is under contract and will be completed within the year.

When that work is done, it will give this section a surfaced road from here to El Paso, by the way of Carlsbad Caverns.

It is also understood that the only remaining unpaved section of Highway Fifteen east of Lamesa is the east side of Borden County, across Scurry and the west side of Fisher County. It is further reported that the Borden County section is expected to be completed during 1940 while the work of securing right-of-way in Scurry County is under way at this time. It has not been learned here just what action is being taken in Fisher County at this time.

Some local road boosters, believe that by the latter part of 1940, Highway Fifteen will be paved from one end to the other.

Consolidation Vote at Shumake

Voters of the Shumake School District are urged to come out and vote in a school election next Monday, June 12th.

The election has been called for the purpose of determining whether a majority of the voters of the district shall consolidate their school with Sprenberg and Five Mile.

A large number of postal cards were mailed this week to voters of the district in an attempt to get out as large a vote as possible.

Woody Singing Be Held Friday

Announcement is made this week of a singing at Woody School House next Friday night beginning at 8:15.

It was also announced that a large number of new books have been received and will be used at this meeting.

This singing is scheduled to be more or less of a practice session, and all singers, more especially the younger people are invited and urged to attend.

If you are a singer or enjoy good singing, make your plans to attend the session at Woody Friday night beginning at 8:15.

34 CLUB BOYS RETURN FROM ENCAMPMENT

Thirty four Dawson County 4-H Club boys, accompanied by B. J. Baskin, County Agent, attended the Second Annual District Club Encampment at Tankersley on May 31, June 1 and 2.

Club boys from Dawson County entered the Terracing, Grass Identification and Baseball contests. Though the Grass Identification team—composed of Arlie Gowen, R. B. Wilkerson and Rowland Hunt—identified 35 native grasses it failed to place in the contest. The Terracing Team—composed of Rowland Hunt, Robert Hunt, and Cicero Huddleston—placed third in the Terracing Contest with a score of 298. The Soft Ball Team from Dawson County was the champion of the camp in an eleven inning game in the finals by a score of 7 to 6 from a team composed of club boys from Menard, Mitchell and Schleicher counties. In earlier games this team defeated Borden County by a score of 34 to 5 and a team from Coke County by a score of 38 to 2.

Boys attending the camp were as follows:

Alvin Counts, Glenn Cozart, E. V. Dunn, Jr., Nelson Forrest, Clinton Lee Hardisty, Glenn Hillman, Robert Hunt, Rowland Hunt, Cicero Huddleston, Finis Meeks, Alvin O'Neill, Thurston O'Neill, Billy Pearce, Billy Joe Peterson, Kenneth Peterson, Raymond Peterson, Doyle K. Whitmire, Ruston Peterson, Arthur Pounds, Edwin Rinehart, Eugene Sealy, Billy Marshall, Sherman Moulton, Delmer Wilson, R. B. Wilkerson, William Rinehart, Arlie Gowen, S. B. Dossey, Clyde Sharp, Charles Shipley, Pete Stricklin, Jr., Landon Lee Terry, Jack Turner and Elvis Williams.

L. T. Dossey, bus driver; H. A. Trice, Sprenberg Club Leader; B. J. Baskin, County Agent.

Hardin Easterwood left Monday for Lubbock where he will attend the summer session of school at Tech.

Dr. John Bennett Rotary Speaker

At the regular weekly meeting of the Lamesa Rotary Club held last Friday at the Somers Hotel, a most interesting program was held. Dr. John Bennett gave a most interesting and educational address on "Obligations and Privileges of a Rotarian." This talk was thoroughly enjoyed by all members present.

Miss Elizabeth Arnett rendered two beautiful vocal solos, accompanied on the piano by Mrs. Carl Rountree.

It was voted at this meeting to discontinue the penalty of \$5.00 for each member for being absent, and all Rotarians are urged to attend the meetings, not because of being forced, but simply because they want to go.

New Adviser For CC Camp Arrives

James A. Von Lankin, formerly with the Littlefield CCC Camp, has assumed his new duties at the Lamesa Camp, as Camp Educational Adviser. He arrived in Lamesa Saturday.

He takes the place of John Dean, who has been with the camp for several years. He resigned to take the superintendency of the Berea, Kentucky school. He has already driven arrived in Lamesa Saturday gone to the new post.

Mrs. Von Lankin and two children are staying temporarily at the Somers Hotel, until available living quarters are secured.

Mr. Von Lankin comes to Lamesa highly recommended by the citizenry of Littlefield, as a civic leader and worker. He is an active Rotarian as well as taking part in other civic enterprises. Mrs. Von Lankin has also been active in the civic and social life of Littlefield.
