Fire Prevention, Detection Program Given Lions Club

J.B. Davis, representative of Home Security Systems, was guest speaker at Monday's luncheon meeting of Hart Lions Club.

A slide presentation on fire prevention and detection, "America Burning," was compiled by a national commission of 20 qualified persons.

Early warning detection is needed and a family escape plan should be worked out by every family. Fire is the number one home killer in the USA. Fires which occur from 11 p.m. until 6 p.m. account for 97 percent of the deaths by fire.

Three times as many Americans die by fire as compared to those who lost their lives in the Vietnam war. Small fires kill more persons than big fires.

Fire will not wake you, the presentation stressed. Deadly gases, created by the fire, and super hot air which literally cooks the lungs, do bring death.

On an average, persons have from one and eight-tenths of a minute to 11 and seven-tenths time span from the moment a fire starts to escape safely.

There are 300,000 people burned each year; 50,000 are hospitalized from periods of six weeks to two years at an average cost per burn victim of \$60,000.

Electrical charge remains in a television set several hours after a set has been turned off. Of the 62 percent appliance caused home fires, television sets lead the list.

LETICIA PEREZ

Counselor's Corner

By Shirley Barnes

Friends -- this is America! One of the most impressive sights I have seen recently is OUR United States flag flying very tall and proudly at the Mark and Vivian Bennett home. How beautiful this flag is waving in the countryside on the High Plains of Texas!! I understand Mark raises and lowers this flag daily.

Seeing this flag being flown at a country home by one of our younger couples daily should be an inspiration and challenge to each of us -- I feel. I shall never, never forget the good feeling it gave to me the first time I saw it.

Whatever your goals, we wish you, each member of the Class of '77, a world of success and happiness.

**Zimmatic
Corner Pivot
adds dollars
to quarters**

One hundred and fifty acres over 93% of a quarter-section. That's how many acres you can reach with Lindsay's new Corner Pivot. The Zimmatic Corner Pivot rounds out the four corners of your field - adds them to your profit picture.

The Zimmatic Corner Pivot is self-contained - no wires are buried in the field to complicate your maintenance or trouble shooting. Ideal water break-up and the right droplet size are assured from both the mainline sprinklers and the Corner Pivot sprinklers - accomplished during corner watering by

directing full water pressure to the Corner Pivot while the mainline sprinklers are shut down. Adequate water pressure means top sprinkler performance which provides efficient absorption and even water distribution across the entire field.

The same engineering and design concepts found on standard Zimmatics are used on the Corner Pivot. Lindsay's external collector ring transfers a sure flow of power to the Corner Pivot and standard, heavy-duty Zimmatic gearboxes provide years of reliable service. Most of the structural parts are identical to those on standard Zimmatics. Time-proven dependability, simplified maintenance and automatic operation make the Corner Pivot all Zimmatic.

Lindsay also offers a semi-automatic Corner Gun - watering system. It irrigates fewer additional acres than the Corner Pivot but costs less initially. The Zimmatic Corner Gun may be the system you need.

Round out your corners and fill in your profits with a Zimmatic corner watering system. We'll be glad to give you all the details. Call or stop in today.

WHAT IS THE DIFFERENCE BETWEEN THE TWO COV- ENANTS? PART II

At Mount Sinai, God gave to His special people a special law, and led them to a special land, for a special purpose, the coming of a special person, Jesus Christ. Thus, Abraham's seed was preserved in this way.

In Gen. 3:15, in the Garden of Eden, God told the serpent, "And I enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head and thou shalt bruise his heel." Several hundred years later, God promised Abraham, "And in thy seed shall all the nations of the earth be blessed; because thou hast obeyed my voice."

Then Paul said in Gal. 3:8-16: And the scripture, foreseeing that God would justify the heathen through faith, preached before the gospel unto Abraham, saying, In thee shall all nations be blessed. So then they which be of faith are

blessed with faithful Abraham. For as many as are of the works of the law are under the curse: for it is written in the book of law to do them. But that no man is justified by the law in the sight of God is evident: for, The just shall live by faith. And the law is not of faith: but, The man that doeth them shall abide in them. Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed is everyone that hangeth on a tree: That the blessing of Abraham might come on the Gentiles through Jesus Christ; that we might receive the promise of the Spirit through faith. Brethren, I speak after the manner of men; Though it be but a man's covenant, yet if it be not confirmed, no man disannuleth or addeth thereto. Now to Abraham and his seed were the promises made. He saith not, And to seeds, as of many; but as of one, And to thy seed, which is Christ."

We further learn in Acts 13:38-39 that remission of sin and justification are not in the old law, but in Christ. In Romans 8:3 it is stated that the law could not condemn sin, but God's Son did. In Luke 24:44 Jesus Himself claimed that His words fulfilled the Law of Moses, and that He himself came for the purpose of fulfilling the Law (Matt. 5:17). Next week we will investigate some further scriptures to show further that we are not under the old law, but under the new, and then draw some specific applications of the two covenants.

Bible Questions of the Week:

1. What is better than a house full of strife according to the Bible?

2. From what city did the Lord take away the stay and the staff, the whole stay of bread, and the whole stay of water?

3. What prophet was commanded by God to build a model of a city and then lay siege against it?

Answers to last week's questions:

1. Ananias and Sapphira (Acts 5). 2. Herodias (Mark 6). 3. The Parable of the Mustard Seed (Matt. 13).
